

PAMPA DEFEATS LUBBOCK 27 TO 0

Behind the husky support of their teammates, Carl Mayes and Bob Boyles ran the Harvesters to a 27-0 victory over the Lubbock Westerners in Tech Stadium, Lubbock, this afternoon.

It was the second successful conference game for the local eleven, as against three starts. The Harvesters scored once in each frame, and the biggest threat of the host team was in the first quarter when Pampa had fumbled. Pampa is host to Amarillo next Saturday afternoon. Amarillo beat Lubbock last week by the same score—27-0.

GOP ABANDONS TAX SLASH PLAN

WASHINGTON—(AP)—The Republican high command apparently abandoned today all plans for tax reduction legislation at the special session of Congress convening Nov. 17.

Chairman Knutson (R-Minn.) of the House Ways and Means Committee said after a conference with Speaker Martin, "I rather expect the \$4,000,000,000 tax reduction measure to go over until January."

Knutson's committee handles tax legislation and the Minnesota has been the leading advocate of tax legislation at the special session.

However, he emphasized to reporters that taxes will be the first matter of business when Congress meets in January for the regular session. Knutson said the measure, if it becomes law, would make the tax cuts effective as of January 1, 1948.

Speaker Martin (R-Mass) said yesterday it was his inclination to put the tax measure off until January, in view of the limited time to deal with foreign aid and economic legislation at the special session.

It was because of Martin's statement that Knutson arranged the conference with the speaker today.

After it broke up with Knutson's announcement that he thought there would be no special session action on taxes, Rep. Halleck (Ind), the House Republican floor leader, told reporters: "As far as I have contacted various people there appears to be no slackening in the Republican determination to bring about tax relief. However, there appears to be no demand that it come up in the special session. I think it is highly questionable that it will come up."

Molotov Charge May Aid Marshall Plan

American Action Appears Certain

Russia Parades Military Might On Anniversary

WASHINGTON—(AP)—Marshall Plan storm signals flew over Capitol Hill today, but administration leaders credited Soviet Foreign Minister Molotov with unwitting but powerful help in their pre-session drive for Congressional approval of a European Recovery Program.

Molotov's Moscow radio blast at the United States, in which he said that Russia's struggle for power "is just beginning," pinpointed for many lawmakers the anti-Communist color of proposed stop-gap and long-range economic aid.

Senator McGrath (D-RI), chairman of the Democratic National Committee, said grimly that Molotov had defeated his own purpose if it was his aim to discourage American action to help the Western European nations outside the Soviet orbit stay on their feet.

"Statements of this kind only serve to solidify the American people," the Rhode Island senator told a reporter.

On the Republican side, Senator Capper of Kansas, a foreign relations committee member, said he expects Congress' answer will be to approve the assistance program which Secretary of State Marshall will sketch for Senate and House committees Monday.

Lawmakers generally dismissed as a bluff and a sop to home front morale Molotov's assertion that the atomic bomb secret "has long ceased to exist." The industrial know-how for making the bombs is still believed to be beyond the Russians.

But while the latest verbal shots in the Moscow-Washington "cold war" obviously helped cement a growing Capitol Hill determination to do something for faltering European democracies, there was plenty of evidence that methods, procedures—and possibly the amount of money to be spent—will be argued long and loudly.

The biggest question marks were being raised on the House side of the Capitol. There, the special committee on foreign aid took official note of a possibility that Congress might not be able to complete work on an assistance program during the special session opening a week from Monday.

The committee in an interim report said the group had agreed to propose that the government's Export-Import Bank and Commodity Credit Corporation be authorized to provide emergency help during the special session next March 31 if:

"The Congress (should) find that as a practical matter it will not be able to set in motion other machinery of foreign aid by the end of the special session."

Also on the House side Majority Leader Halleck of Indiana put the administration on notice that there will be no effort to jam any proposition through that body.

Skellytown Man Dies In Local Hospital

John Ancel Barr, 42, Skellytown resident, died this morning in a local hospital, after an illness of about two months. Funeral arrangements, under direction of Dukenel-Carmichael Funeral Home, are pending. The body will lie in state at the funeral home until services are held.

Mr. Barr, who had been a Skelly Company employe for 23 years, came here two years ago from Eunice, N. M. He is survived by two sons, Donald of Pampa, and John Woodie Barr of Texon, Tex.; two daughters, Verna Marie Barr and Mrs. Alma Wall, both of Texon; two grandchildren, James Elton Wall of Texon, and Karen Barr of Pampa; his father and mother, Mr. and Mrs. A. J. Barr of Park Hill, Okla.; two sisters, Mrs. Dave Wallace of Muskogee, Okla., and Mrs. W. R. Kiser of Wichita, Kans.

Mr. Barr had been in poor health for several months. He returned last year from Germany where he served as a member of the War Trials Commission at Nuremberg.

12 Story Plunge Kills Georgia Jurist

ATLANTA—(AP)—Charles S. Reid, former chief justice of the Georgia Supreme Court, plunged to his death from a twelfth floor window of his law offices in the downtown Candler Building today.

The body of the 49-year-old attorney was found on the roof of a two-story connection between wings of the building. His watch had stopped at 8:45 a. m.

F. E. Huckaby, an insurance agent with offices on a lower floor, said he saw a body hurtling by his window and calling police.

Lozier said Reid had been in poor health for several months. Reid returned last year from Germany where he served as a member of the War Trials Commission at Nuremberg.

U. S. Seizes Two Bombers For Use in South American Revolution

PONCA CITY, Okla.—(AP)—The United States has seized two privately-owned heavy bombers on Oklahoma airfields to stop their use in a revolution believed pending in South America, a government official announced here today.

Customs Inspector O. C. Millican of Kansas City made the statement after impounding both planes under a wartime law governing arms exports.

"We have been working on this thing for months," he said. "It involves a lot more than just two bombers."

'Truth Campaign' Is Under Study By U. S. Officials

WASHINGTON—(AP)—Stung by the vigor of Russia's propaganda barrage, high government officials were reported today to be considering an intensified American "truth campaign" abroad.

These disclosures came on the heels of Soviet Foreign Minister Molotov's declaration that the secret of the atom bomb "has long ceased to exist."

But it was other passages in Molotov's Red revolution anniversary speech which stirred the greatest resentment among officials here.

The caustic-tongued diplomat contended anew, for instance, that the United States is trying to ring Russia with air and naval bases.

In general the attacks of Molotov, Deputy Foreign Minister Vishinsky, and the Soviet press and radio seek to prove that the United States is out to start a war against the Soviet Union and that the other countries of the world should line up with the U.S.S.R. in opposition to virtually all phases of American foreign policy.

At the State Department and elsewhere in the American government this line is regarded as a three-way device to (1) rally people inside Russia and the government; (2) frighten the smaller nations into support of Soviet foreign policy; and (3) obscure the direction and intent of Russia's own activities in such places as eastern Europe.

For some weeks there has been a growing feeling among State Department, Army, Navy, and Air Force officials concerned with foreign propaganda policy that the present scope of the American information program is not sufficient.

Some highly placed officials say there should be an effective "truth campaign"—that is, a campaign of prompt, specific and hard hitting replies to any particular charges which Russia or her satellites make which are considered essentially untrue and harmful.

Cotton Crop Reports Made by Shamrock Gins

SHAMROCK, (Special)—The thirty Shamrock gins and one at Three have handled 2,469 bales of cotton up until noon Monday, showing a receipt of 1,170 bales during the past two weeks.

A survey made at noon Monday, October 23, revealed that the same four gins had handled 1,296 bales of the new crop.

John Woolly, manager of the Traders Compress, stated that he had received 5,000 bales, with about one-fourth of that number coming from Oklahoma, with County. Several bales have also been brought in from Oklahoma, Woolly said.

Pampa Judge Is Specker at Miami

MIAMI, (Special)—County Judge Sherman White of Pampa, was guest speaker for the Mer's Service Club recently when about fifty members gathered for the annual monthly meeting.

White gave some thoughts about conditions of the present time and realized that we are rapidly drifting away from some good old American traditions, as he looked to the past, the present and the future.

It was announced that Ladies night would be at the regular December meeting. Judge White was introduced by president R. J. Bean.

Special Venire Drawn For Canadian Trial

A special venire of 120 men was drawn at Canadian yesterday as the case of the State vs. Oma Kenneth May was set for trial at Canadian Dec. 2.

May, a construction worker from out of town, is charged with criminal assault against a female. He will be represented by Dallas Scarborough, Abilene attorney.

Tables Turned at Junior High as Teachers Perform

The tables were turned at Junior High yesterday as the teachers regaled the students at an assembly program with a cast supercharged with a glittering array of talent without which the stage, screen and radio and bary struggle along for its these many years.

Opening with the vivacious gyrations of a spirited chorus line, during which a visiting impresario nervously tore up contracts of Radio City Rockettes, spotlights were then focused on individual Metropolitan Opera and Broadway refugees.

The "simple symphony" moved on the stage in a precision marching maneuver, burdened with cases for various large instruments, which when opened proved to be the usual symphonic accompaniment: the French harp, tambourini's, triangles and snare drum.

A drama-fraught skit, appropriately titled "An Afternoon in Teachers' Boarding House," Why Bring That Up," proved to be an intense emotional drama built around the teachers' deep love of school and affection for individual students. This theme was emphasized as one teacher, particularly devoted to the profession, continued to fall in a dead faint when the word "school" was mentioned.

The hit of the show proved to be a guitar and vocal duet between Oklahoma reservation. This "Guitar-in-the-Face" act, complete with feathers and plastron, did a quick change into a straw hat and sun bonnet setting for "Them Darn Fowl Things Remind Me of You." Some student brought up the ridiculous theory that the duet looked suspiciously like the principal and his assistant.

The program consisted of the Follies Girls, Tiny Teasmore, the

Homes Destroyed as Tornado Hits Orange

ORANGE, Texas.—(AP)—A brief but violent tornado ripped through Orange early today, demolishing 20 homes, damaging 400 others, injuring one person and throwing the city into darkness.

Most serious damage was done to two government-owned housing projects known as West Navy and Riverside. The jerry-built houses were ripped apart by the high winds which preceded the norther about 1:30 a. m.

Communications were disrupted for several hours. Streets of both housing projects were littered with debris, and the areas were still without electric and telephone service this morning.

Jefferson County, west of here, was hit last night by a tornado, apparently the same one. Numerous buildings were leveled there. Damage was estimated in the thousands of dollars. Two women suffered minor injuries.

First effects of the storm were felt in the Pine Island area, 10 miles west of Beaumont. The storm moved through an area north of Nederland, where one house was lifted from its foundation, carried over a second house and deposited upside down on a car a block away.

Ross D. Ewahn, executive director of the Housing Authority at Orange, said after a survey of the damage that he would not predict the actual damage but said: "We've got a big problem."

J. F. Sanford, maintenance engineer of the Orange Authority, said "It's going to be a big bill."

Immediately after the storm here Sanford began assembling crews to begin repairs of the most seriously damaged houses. Most of them were unroofed.

Crews of the Gulf States Utility Company, the Gulf Public Service Company and the Southwestern Bell Telephone Company began making repairs as soon as the tornado passed.

The large twister first struck the West Navy project, which has 500 family dwelling units with few vacancies. After wrecking two multiple dwellings, occupied by nine families, and damaging a score or more of other buildings, it moved on to the Riverside project about a half a mile away.

Riverside has 1,750 units, and several hundred vacancies. It was

Sailor Captizes Mayne in Bout at The Sportatorium

A capacity crowd witnessed the Parker of Jackson, Mississippi, best Ken Mayne of Salt Lake City, in the best two out of three falls in the last event of the double main event wrestling card at the Sportatorium, last night.

Parker won the first fall in 14 minutes, and then Mayne eyed it up by taking the second fall in nine minutes. From the word go things were rough from the beginning to the last fall. Throwing Mayne up the ropes, Parker caught Mayne's leg in the ropes and while the referee was trying to untangle the Salt Lake City wrestler the sailor from Mississippi made every effort to keep Mayne in his predicament. Finally releasing Mayne from the ropes, Referee Bill McWhin attempted to give Mayne, the bout by disqualifying Parker but Mayne refused. When his encounter with the ropes, Mayne was no match for Parker after he fused the referee's decision and Parker immediately pinned him to the mat after the fall was but four minutes old.

The first event on the evening's card went to Henry Harrel of New Orleans, who pinned Ace Abbott, winner of the first event on previous week's card, in 39 seconds after the bell rang beginning the third fall. He pinned him with a full cradle. Harrel won the first fall in 11 minutes and Abbott the second in 11 minutes.

Mustangs to Meet 2d Jinx Opponent In Texas A and M

By HAROLD V. BATHLIFE
Southern Methodist's unbeaten Mustangs clash with their second "jinx" opponent in two weeks tomorrow as the Methodists tackle tough Texas A and M at College Station in the Southwest Conference football feature.

The Mustangs broke the Texas jinx (they hadn't beaten the Longhorns in six years) last week with a 14-13 decision. Now they face a club that has held sway over them since 1928.

Southern Methodist will be a two-touchdown game, but it's just the opening act. SMU's swarming offense, with victory over Texas and probably refusing to take seriously an Aggie team that has lost three games.

A and M has the kind of team to give anybody, particularly the Mustangs, trouble. With great kicking and strong passing, big and rugged the Aggies could throw the conference race into a snarl.

Defeat for Southern Methodist would do just that. It would pitch the race back almost where it started with everybody holding a chance except Arkansas which has lost two games and tied one.

In other games tomorrow Texas meets Baylor's young but tough, hard-running Bears and Rice tries to break into the win column against Arkansas at Houston.

Texas and Rice will be heavy favorites to win. However, the rice-Arkansas game looks close.

We hit two and tied one out of four picks last week, which is a so-so average. Trying to improve we'll select them like this tomorrow:

The... WAY it LOOKS to Bill Behrman

Willie didn't do too bad missing you out of seven last week, giving him 11 correct out of 15 in two weeks of predictions. This gives him an average of 73.

With four regulars missing from the Lubbock's first team, the fact that the Harvesters will outweigh the Hub City boys nine pounds per man, and the fact that the Westerners have not won a ball game this year should make the Harvesters heavy favorites over the Westerners this afternoon.

But Coach Goober Keyes' charges will be no push over for the boys from the Panhandle. It is in our opinion that Keyes put his utmost into this game not only to bolster his team's present rating but in defense of his job in itself. The Lubbock team is now going through its worse season since the inauguration of football in Lubbock High School in 1911.

Willie says the Harvesters should win this game by at least two touchdowns and by doing so keep their chances alive in the District 1-AAA conference race.

Amarillo and Borger — Willie said that, although he and the majority of the Pampa fans would be rooting for the Bulldogs from Borger, Sandies should be victorious in their third conference clash, handing the Bulldogs their first defeat in conference play. Which ever team wins this important game will take the stand as leader of the District 1-AAA race.

Plainview and Brownfield — Can't understand why the Plainview boys threw only three passes last week in Borger, when it seems to be the most potent part of their offensive attack.

However, the passing combination of Bogie to Howton, if Coach Harris uses them, should whip the Cubs by at least 30 points, and if he doesn't use them, the Bulldogs still should find little trouble downing a football team that comes from a school whose enrollment does not measure up to that necessary for AA sport participation.

In the Southwest conference—SMU and Texas A and M—The Mustangs and Okey Doak Walker should find the Aggies no trouble to continue on their unbeaten way. However, the kicking of Aggie Stan Holmgren may offer the Mustangs some resistance, but not too much.

Rice and Arkansas — Willie says Rice.

Texas and Baylor — Bobby Layne and company to get back in the win column by whipping the Bears by two touchdowns.

Last Sunday's account of the Gorilla-Wheel game in which Wheeler trimmed the Pampa club 56 to 13, listed Bob Lowrie throughout the story as ripping yardage through the Gorilla line.

This should have been Gene Hubbard and Corky Robertson.

They have been listed as making the third Wheeler score instead of Happy Martin.

Carl Mayes Leads District Scoring

By scoring one touchdown in the Pampa Harvesters' 41-12 rout of the Brownfield Cubs last week, Carl "Red" Mayes, Green and Gold fullback, ran his point total to 72 points to pace the District 1-AAA scorers.

Two other Harvesters appear in the top nine scorers in the district. They are Darrell Davis, who ranks fifth, with 26 points, and Kelly Anderson, who ranks eighth with a total of 21 points.

The top nine scorers in the district are:

Name	Td	Exp	Total
Mayes, Pampa	12	7	41
Howton, Plainview	7	1	43
Martin, Brownfield	6	4	39
Myers, Plainview	6	0	36
Davis, Pampa	4	2	26
Scott, Borger	3	4	24
Bogie, Plainview	2	9	21
Anderson, Pampa	1	15	21
Farmer, Amarillo	2	8	20

Irish Picked to Beat Army by 30 Points

SOUTH BEND, Ind.—P—Undeclared Notre Dame favored to whip, once-beaten, once-tied Army by as many as five touchdowns but an overflow crowd of 58,000 may be treated to a rip-roaring, if mud-coated, surprise ending to football's most colorful rivalry tomorrow.

As this Northern Indiana community began to pulsate with excitement over Army's first—and last—invasion of the weatherman threatened to throw a monkey wrench into the best-laid plans of the aerial-minded Irish and the bet-makers.

The weather prophet wasn't sure, but he said it looked like showers tomorrow which might cut the Irish down to size for Army's yeoman line and perhaps turn the fray into an ding-dong standoff as last year's scoreless tie, or other thrillers in the feud back to 1912.

It may take both schools a little while to realize what the end of their great rivalry means to the collegiate football realm. But the man who set the first Notre Dame team against Army in 1913 already is moaning low.

He is Jess Harper, now a Kansas ranch owner, who will be in at tomorrow's wind-up, a saddened man.

"I am deeply disappointed in the termination of this series," said Harper. "It takes years to build up such a magnificent rivalry and that it is now ended is difficult to believe."

There isn't much in the records to hint an Army upset of Notre Dame.

The Cadets have sunk their teeth into only two substantial foes in six games and then emerged with a scoreless tie against Illinois and an astounding 21-20 defeat by Columbia.

The Fighting Irish have rolled up victories over Pittsburgh, Purdue, Nebraska, Iowa and Navy, yielding only 13 points and holding their opponents scoreless in the last 15 periods.

Junior Hi Reapers Trim Borger 20-14

The Pampa Junior High School Reapers showed unexpected power when they downed a hard fighting Borger Poodie eleven 20-14, last night in Borger.

The local boys were never in serious trouble, due to the excellent running of De Wey Cudney and Charles Ely, along with the superior working of the Pampa line. Cudney opened the scoring early in the initial period with a brilliant 94 yard run back of a pass interception. The Borger team were beginning to threaten, driving to the Pampa 23, before Cudney's interference with their plans. The try for extra point was no good.

In the second quarter, it was again Cudney who tore the Borger line to shreds, as he dashed 55 yards for another Reaper tally. This time John Young converted, and the visitors surged ahead 13-0. This lead was quickly shortened, however, when Clapp, Borger left half, found an opening in the Pampa line and sped 9 yards to pay dirt after a sustained drive. Clapp also converted, and the Reaper lead was short-lived. The Reapers took on new life, and after a series of running plays, Charles Ely this time carried the mail, this time for 11 yards and the final Reaper touchdown. Carl Kennedy added the extra point as the score rolled up 20-7.

In the fourth quarter the Borger club added their final score. Clapp again scored from the 9 yard line and also added the extra point. The Reapers seemed as if they were not satisfied with their 6 point lead, and took on aspects of scoring again. Pass

Where Major Golf Tournaments Will Be Held in '48-'49

NEW YORK — (NEA) — The 1948 U. S. Open Championship will be held at the Riviera Club, Los Angeles, June 10-12. The National Amateur goes to the Memphis Country Club, Aug. 20-Sept. 4. The National Women's Amateur is to be played at Del Monte, Calif., Sept. 13-18. The Amateur Public Links Championship is slated for Atlanta's North Fulton Park, July 19-24. Chicago's Medinah has the Open for 1939, near Rochester, the Amateur, the U. S. Golf Association announces. The Merion Golf Club of Ardmore, hard by Philadelphia, landed the Women's, Los Angeles the Public Links.

Fort Worth Tech, 19-6, to complete the card.

Top contest scheduled for Armistice Day is the 9-AA game between Breckenridge and Brownwood.

Wichita Falls, ranked the No. 1 team in the state, takes an off week and Ogeesa, undefeated defending state champion, is expected to have little trouble with Sweetwater, Austin (El Paso), the only other undefeated team, is idle.

Goose Creek, undefeated but tied, meets Galena Park and Forest (Dallas), also undefeated but thrice tied, tackles a city rival, Crozier Tech.

Amarillo and Borger, Paris-Sherman, and Arlington Heights-Paschal (both of Fort Worth) match undefeated district records in 1-AAA, 5-AA, and 7-AA respectively.

Five other games are equally important, while one result last night left district 13-AA a confused muddle.

Jeff Davis knocked off cross-town rival and title favorite John Reagan, 18-6, leaving the Houston district a three-corner fight. Lamar is the other entry.

Corsicana's undefeated Tigers face another big hurdle in Waxahachie.

Once-tied Corpus Christi faces its biggest test in the 15-AA race to date, meeting the upset kids from Breckenridge (San Antonio). Another important game in this district pits Austin against Thomas Jefferson (San Antonio) tomorrow.

Bryan and Lufkin square off in 12-AA's most important game with the 11-AA spotlight on Tyler and undefeated, unscored on Mineral Wells defeated Stephenville, 20-7, and Amon Carter-Riverside (Fort Worth) downed plays and short line bucks carried the ball to the Borger 14, but at that point the game ended with the final score reading: Reapers, 20; Poodies 14.

For the Reapers on the line, Eddie Scheig and Buzzy Tarpley were outstanding while Rice, Matthews, Bailey, Shelton, and Jones also played a good game.

In the backfield, it was mostly Cudney and Ely who made the largest contributions to the Reaper ground game. Pint-sized quarterback Elmer Wilson, displayed expert generalship as he called an excellent game and kept the opposition guessing as to what was coming their way. Carl Kennedy and John Young were two more boys that kept Borger worried throughout the game.

Standardized Code In Athletics Set

NEW YORK—(AP)—A standardized code which among other things forbids financial aid to athletes if the same assistance is not available to non-athletes has been agreed upon by 31 eastern colleges, joining to form the largest athletic conference in the country.

By subscribing to the new constitution, each school promises to abide by the code which makes mandatory a year's residence for freshmen and transfer students and which provides that in no case may financial aid exceed tuition plus institutional incidental fees.

Announcement of the new organization and its compact was made here yesterday by Aas S. Bushnell, commissioner of the Eastern College Athletic Conference. Bushnell headed the old organization, a somewhat looser federation of intercollegiate leagues and associations that has operated under a central office for the last 10 years.

Mississippi became a territory in 1798.

Local Church Has Literature Display

This is Christian Literature week in every Christian nation. The slogan for the observance of this week is "You are What You Read" and the purpose is to acquaint church people and the public in general with the Christian literature that is available today.

The First Christian Church of Pampa has in its foyer an exhibit of books, magazines, pamphlets and other publications which are accessible for examination now.

These publications are shown in several different groups—those for parents, youth, children, teachers, and the "brotherhood". Fiction is also represented.

Christian Literature Week observance will be climaxed at the Christian Church Sunday evening at 6:30 when Mrs. D. V. Burton will review the book, "Behold Your King" by Florence Bauer.

Electrical Equipment Is Studied by HD Club

Merton Home Demonstration Club met Tuesday Mrs. H. H. Throat presided over the business meeting.

Latest recordings were played for recreation and each member answered the roll call by naming a piece of electrical equipment which she would like to buy.

New committee chairman appointed for the year are as follows: Mrs. V. S. Day, yearbook; Mrs. C. E. Eidge, recreation; Mrs. E. A. Rife, council alternate; Mrs. F. B. Warriner, exhibit; Mrs. C. Steward, finance; Mrs. A. Jones, marketing; Mrs. A. Swafford, lichen demonstrator; Mrs. V. Smith, food; and Mrs. T. G. Groves, yard.

Mrs. D. A. Caldwell gave a tentative demonstration on planting of bulbs. She reminded the group to select bulbs with a color scheme that would harmonize and then to plant them in groups of three to a dozen or to use them as border plants, in four to six inches of soil. She stated that it is best to plant them in the fall for early blooming.

Mrs. Ann Hastings, home demonstration agent, showed a new mixer and explained points that should be considered in the selection of an electrical mixer. She also discussed some of the confusing methods of wiring an electric cord to different connections.

Refreshments of spiced tea and fruit cake were served to the twelve ladies present.

It was announced that the next meeting will be held on November 18 in the home of Mrs. A. Swafford.

Speaker Tells About English Girl Guides
Members of Girl Scout Troop 7 were favored with a visit from Mrs. Lee Nelson, of London, England, at their regular troop meeting last Tuesday in the Little Scout House. After hearing several Girl Scout songs, Mrs. Nelson told the members of Troop 7 about the Girl Guides in England, the organization to which Princess Elizabeth belongs.

A check for \$115 was presented to the troop by Miss Marie Stedje for having had the best window display during Girl Scout Week. During a period of informalities a "Snoop Hunt" was held and plans were completed for a slumber party to be held at the Scout House Saturday night.

Mrs. R. P. Bowerman and Mrs. Carl Stone are the leaders of Troop 7. About a dozen members were present.

ONE LAXATIVE IS ENOUGH

SOME folks keep many kinds of laxatives on hand. They include weak, mild, strong and harsh types for different members of the family. Actually, all you need is a single bottle of ADLERIKA, the FAMILY LAXATIVE. It's a scientifically compounded fine old product originated by a doctor who works quickly, but gently, to move waste through the digestive tract. Stimulates sluggish intestinal muscles equally well for youngsters or older people. Try it—learn why over 20,000,000 bottles have been sold.

Caution: Use only as directed. You'll always be your "better self" with ADLERIKA on the shelf.

60 Linksters Vie In Shamrock Tilt

SHAMROCK—(Special)—Shamrock's new grass greens golf course is getting a thorough work over these days as 60 linksters, making up seven flights vie for honors in the City Golf Tournament.

Play in the tourney began Oct. 27, and most first round and some second round matches have been played. All matches should be played by Sunday, November 16.

Winners in each flight will receive eight golf balls; runner-up in each bracket will be awarded four golf balls; winners of consolation matches will get four golf balls and runner-up in each flight will receive two golf balls.

Billy Holmes, current holder of the Green Belt crown, took tournament medalist honors, shooting a neat 77, five over par.

Two of Shamrock's popular ministers, Rev. Edward C. Derr and Rev. Hubert Bratcher, won their first and second round matches in the second flight and were battling each other in the finals this past week.

The country should be advised we are not going back to low prices. We are not going back to 11 wheat, 10-cent cotton and 4-cent hogs.

Sen. Elmer Thomas (D) of Oklahoma.

RUSSIA

Continued from Page 1.
of the Soviet Union finds ardent the peoples. The foreign policy support from the whole of progressive mankind which does not want a new war and is striving for a lasting peace.

"Our glorious armed forces stand on guard for the October (1917 Revolution) gains, on guard for the peaceful labor of soviet peoples and the state interests of the motherland," the marshal declared.

His speech echoed an order of the day he issued last night, in which he called for Russian armed forces to be in constant

militant preparedness" against "instigators of a new war."
It followed by only a few hours a speech by Russian Foreign Minister V. M. Molotov, who declared yesterday that the "secret of the atomic bomb ceased to exist a long time ago." He charged that the United States and Britain were making "a preparation for aggression."

Molotov's assertion about the atomic bomb was greeted in London and in Washington by the feeling that he had disclosed nothing particularly new. Qualified American sources said the secret of the atom bomb was one thing, the know-how in making it another. They commented that Molotov specifically did not say Russia had the bomb.

Molotov's declaration in the Bolshoi Theater last night that the secret of the atom-bomb had ceased to exist was greeted, according to Moscow dispatches, by an audience which sprang to its feet and cheered wildly and with abandon for a prolonged period.

His words were said to have spread across the faces of Russians who heard him and their triumphant glances were interpreted as meaning: "Now we've got it."

Scientist Predicts Rocket Age Soon

AZUSA, Calif. —(AP)—Exploration of the universe on an "unprecedented" scale is not far off in the forthcoming rocket age, predicts Dr. Fritz Zwicky, California Institute of Technology scientist. Rocket-borne telescopes photographing the heavens at heights of 500 to 600 miles will expand tremendously present knowledge of the universe, Dr. Zwicky, professor of astrophysics, told Army and Navy officials yesterday.

Well Then, How Many Strokes To a Razor Blade?

SARASOTA, Fla. —(AP)—How many strokes does it take you to make that morning shave? The Sarasota Herald-Tribune didn't know the answer when it pulled some of the men around to find out, asking them to try to guess in advance the number of required strokes and then having the self-shave count the razor licks. The average ran from 12 to 235. Actual counts ran from 38 on a first shaver to 175 strokes on a toughie. Take Mayor J. Douglas Arnest. He guessed 25 strokes, but his score was 98.

One Dead, Six Hurt In Auto Crackup

DALLAS — (AP)—Billie Blount, Greenville, Texas, garage owner, remained in a critical condition in Baylor Hospital today as the result of injuries received yesterday in an automobile accident in which his wife was killed and five others injured.

The accident occurred two miles south of Quindlan on the Greenville-Terrill Highway.

Blount and his wife, Mrs. Billie Blount, were en route to Hillsboro where he was to have been pallbearer at a friend's funeral.

Mrs. James Hogan of near Terrill was also injured critically. Blount received a compound fracture of the right leg and a severe head injury.

Less seriously injured were Mrs. J. E. Odmire and daughter, Mace Odmire, and Mrs. Hogan's infant son, all of near Terrill.

TORNADO

(Continued from Page 1) built during the war to house shipyard workers. Damage there included complete destruction of a two-family unit, serious damage to a dozen others, and partial damage to several hundred more.

Many persons miraculously escaped injury as the storm levelled the flimsy structures. W. D. Britt, resident manager of Riverside, said one man was injured. He did not know his name. He said the man was hurt by flying timber.

Among those with narrow escapes were four members of the W. H. Wiley family, in West Navy. Walls of their apartment were blown down and the roof escaped, but none of the family was injured. Damage to the rest of Cranee was negligible, although electric and telephone service were disrupted, and were still not operating at complete capacity hours later.

HUGHES

(Continued from Page 1) told newsmen he would wait until he is asked to testify before replying to an assertion of Senator Williams (R-De) that Hughes and his companies owe the government \$5,019,021 in taxes for the war years. Chairman Ferguson (R-Mich) of the subcommittee has asked most witnesses about Meyer's connection with the Hughes contracts, both in hearings last summer and this week.
