The Gold Medal Four from Oklahoma City was highly pleasing to a near-capacity crowd which witnessed the "Harmony Holiday" in the Junior High auditorium last night. The four, shown above, were in the throes of delivering a hilarious take-off on Army life. Barbershop quartets from all over the Southwest took part in last night's activities. (News Photo)

Big Four Abandon Arms Plan Efforts

THIS WAS QUITE A LIFT

NEW ORLEANS — UP — Eugene Smith, a visitor from Baton Rouge, La., told police Saturday he prefers petite women. Smith said two women from the French Quarter gave him a lift in their auto, then the "large one" — a 190 — pounder called Mary — slugged him, the other looted his pockets of \$240, and then they tossed him out of the car.

Ike Plans To Open Gettysburg Office

By FRANK ELEAZER
 WASHINGTON, Nov. 12 — UP — A buoyant, happy President Eisenhower disclosed Saturday that he's opening an office in downtown Gettysburg post office from his farm three miles away. Press Secretary James C. Hagerty said this "certainly" is another sign of the President's rapid recovery from the heart attack he suffered seven weeks ago Saturday.

The chief executive arose refreshed and cheerful after his first night in the White House in 13 weeks. He showed no fatigue in a morning examination despite the excitement of his long trip from Denver and tumultuous welcome home here late Friday.

Shortly after he awoke, Mr. Eisenhower conferred for an hour with Hagerty and the top presidential assistant, Sherman Adams.

Then he turned to his favorite pastime—playing with his grandchildren in his private quarters on the second floor of the Pennsylvania Avenue mansion.

White House Tourists Increase
 For his first day back in the White House, the President decked himself out in casual gray slacks, light brown sport jacket, white shirt and brown and white bow tie.

And double the usual number of tourists went through the mansion's public rooms in hopes of getting a glimpse of the President. For an excited moment they thought they spotted him on the putting green but it turned out to be the President's son.

The President will move on to his Gettysburg farm Monday and when he gets there Hagerty made it plain he will take a firmer grip on the reins of government than

MRS. MABELLE BRALY... dies Saturday

Mrs. Braly Dies Saturday

Mrs. Mabelle Considine Braly, 66, died at 8:45 p.m. last night at Highland General Hospital. Mrs. Braly was the mother of Clifford and Tom Braly, Pampa attorneys. She lived at 915 Christine. Mrs. Braly moved to Pampa in 1929 from Dalhart with her husband, the late Judge Clifford Braly, who died in 1933. Mrs. Braly's father, who was Thomas J. Considine, was head of the weather bureau in Amarillo from 1900 to about 1926. She was a member of the Episcopal church and had been ill for several weeks. She was born in Washington, D.C.

Her two sons are both prominent Pampa attorneys. Tom was formerly district attorney for the 31st District and Clifford has been City Judge for a number of years. The two have been well known in Pampa law circles for some time.

Survivors besides Clifford and Tom include five grandchildren. Funeral arrangements will be announced later by Duenkel-Carmichael Funeral Home.

Ministers To Throw Issue Back To United Nations

By JOSEPH W. GRIGG
 GENEVA, Switzerland, Nov. 12 — UP — The Big Four foreign ministers Saturday abandoned all attempts to reach agreement on disarmament at their present meeting.

They decided to instruct their experts to work out, before the conference ends next Wednesday, an agreement to turn the whole disarmament issue back to the United Nations in New York.

At a meeting Saturday, the four foreign ministers even failed to reach agreement on a communique which would announce their deadlock or suggest a means to resume talks on disarmament in future.

But after days of hot words, the delegates softened their tone in Saturday's debate and agreed that negotiations should continue in the UN.

Soviet Foreign Minister Vyacheslav M. Molotov, in a new move, arranged to confer privately with Secretary of State John Foster Dulles at American headquarters at 10 a.m. Sunday (3 a.m. CST).

It was believed likely that Molotov might have some new proposal to make. But there was no indication that the four Soviet foreign ministers would change the attitude which had blocked all attempts to reach agreement on German unification, European security and disarmament.

At their next meeting on Monday, the foreign ministers will turn to the question of intensifying friendly contacts between East and West. But so many disagreements have been disclosed in advance on this item that little progress is foreseen.

Dulles, British Foreign Secretary Harold MacMillan and the acting French chief delegate, Roland de Margerie, met Saturday afternoon to discuss non-conference issues. These included the Palestine crisis, the Far East and admission of new members to the UN.

Wants No Force
 "We can state here that we recognize the need to continue to seek agreement on a comprehensive program for disarmament which would promote international peace and security," Molotov said. "In some matters our positions have come closer together."

West German Army Born In Shabby Garage

BONN, Germany, Nov. 12 — UP — West Germany's new army was born Saturday in a shabby garage behind the defense ministry. Defense Minister Theodor Blank administered an oath of loyalty to the first 101 men of what is to become a 500,000-man Strikraette-fighting force.

Two lieutenant generals, 93 lieutenant colonels, majors and lieutenants, one sergeant-major and five master sergeants gave the pledge.

Only 12 of them had had time to get themselves fitted with the mouse-gray uniform of the new army. They were put prominently in front of the somewhat disorderly ranks of the 101-man nucleus for the Strikraette.

Bunting and a huge iron cross, symbol of old-fashioned German militarism, constituted the only decorations for the ceremony in the bare building, which is used as a training shed.

A red carpet was laid on the green-stained floor of the blotchy yellow-brick structure. Defense Minister Blank, in a brief speech, expressed the emphasis which the government is putting on making the army a democratic one.

There were no monodies, medals or other ornaments among the 101 to remind the few officials and witnesses the induction ceremony of the traditional Prussian armistice.

Brazil Strong Man Claims Full Victory

RIO DE JANEIRO, Nov. 12 — UP — War Minister Henrique T. Lott, Brazil's new strong man, claimed total victory Saturday for his "preventive revolution."

Under Lott's leadership, the Army Friday ousted acting President Carlos Luz and installed Nereu Ramos as this country's fourth president in 15 months.

Army announcements said that both Luz and former Air Minister Eduardo Gomes, his principal supporter, have conceded victory to the revolutionists who took over the country almost without firing a shot.

Luz, who fled south to Santos Friday in the U.S.-built light cruiser Almirante Tamandare, was on his way back to Rio Saturday after reporting by radio that he is willing to accept the new regime.

Counter Revolution Falls
 Gomes, who had attempted to set up a counter-revolutionary headquarters at the Cumbica air base outside Santos, flew back to Rio Saturday with three plane-loads of air force officers who had supported him.

They surrendered to Brig. Vasco Alves Secco, Brazil's new air minister, and were allowed to go home.

Reporters that Maj. Gen. Alcides Echegoien was shot and killed while resisting arrest were denied officially Saturday. Government sources said Echegoien suffered a (See BRAZIL, Page 3)

Two Shots Fired
 The only shots known to have been fired in the revolution were two shells from a harbor defense battery at Rio's Ft. Copacabana, which were discharged as a warning to warships lying off the port. No casualties were reported.

Dad's Death Spurs Triple-Murder Hunt

CHICAGO, Nov. 12 — UP — Police By ROBERT T. LOUGHRAN officials, spurred by the "broken heart" death of the father of two slain boys, vowed Saturday not to rest until this city's brutal triple murder is solved.

They spoke as a coroner's jury ruled that 47-year-old Anton Schuessler, who could find no peace after the death of his two boys and a pal, died of a heart attack.

In a brief, subdued inquest Saturday, the jury said Schuessler died of a coronary thrombosis in a suburban rest home.

Broken Heart Is Cause
 But the widow, crusty policemen and friends listed cause of death as a "broken heart" as the cause of death.

Ed Myatt and Joe Tooley of the chamber of commerce will meet with the group at their weekly meeting Tuesday noon to discuss and outline the chamber's part in the project.

Faure Wins Confidence Vote Again

By ARTHUR HIGBEE
 PARIS, Nov. 12 — UP — Premier Edgar Faure won his fifth confidence vote in five weeks Saturday to save his shaky government from collapse.

Following a debate subdued by the death of France's first lady, the national assembly backed up Faure on his decision to call December elections. The vote was 185 to 247, with the 94 Communists supporting Faure.

But the premier faced possible fresh trouble with his slim majority because this was the second time in a week that he owed victory to Communist support.

The grudging confidence vote was a key test between Faure and former Premier Pierre Mendes-France, who bitterly opposes early voting and who wants an English-type electoral system based on voting by districts for individual candidates.

Vote In Midst Mourning
 The vote was held in an atmosphere of official mourning for Mme. Rene Coty, the French President's wife who died early Saturday.

Assembly officials wanted to postpone the vote because of Mme. Coty's death, but President Coty insisted it go on. He announced in a message to the assembly he would assume "all the responsibilities of my office" should the vote overthrow the government.

Those responsibilities are heavy. When a government falls the president must consult with political leaders and after long negotiations name a premier-designate who will try to win assembly approval.

Christmas Decoration Work Slated

The Pampa J. C.'s are scheduled to start work on the Christmas decorations for the city this week. The Christmas decoration effort is a part of an annual project of the club.

The organization plans, among other things, to decorate all the light posts along Chiyler, Ballard, Foster and Kingsmill streets, some 125 posts.

Ed Myatt and Joe Tooley of the chamber of commerce will meet with the group at their weekly meeting Tuesday noon to discuss and outline the chamber's part in the project.

All new materials will be used for decorating this year with novel ideas to be used on the light posts. Contributions to the Christmas decoration fund are reported coming in good but more funds are needed to assure the organization of adequate finances. Approximately \$2,000 is in the till now.

If it comes from a Hardware Store, we have it Lewis Hardware.

Landslide Topples Buildings In Quebec

NICOLET, Que., Nov. 12 — UP — A landslide caused by undermining water currents toppled several buildings including the Bishop's Palace into the Nicolet River Saturday in the heart of this town where three Dionne quintuplets went to school.

Three persons, one a two-month-old child, were reported killed in the disaster, which struck without warning just before noon.

Fires broke out in some of the wrecked and damaged buildings and telephone lines snapped when poles were toppled by the collapse of the earth.

The Nicolet Cathedral was damaged and several homes were wrecked. The four-story residence of Bishop Albertus Martin sank in mud and water to its eaves. Other buildings that slid into the river included a garage, a boy's academy and an apartment building.

Among the dead was Brother Hermongilde, a member of the faculty of the Chretiennes School for Boys. He was in the school building when it dropped into the river.

The dead baby was identified as the child of Dr. Jean Bessard. Mrs. Edouard Beaulieu, wife of the Nicolet police chief, handed most of the emergency calls received in the town. Communications were at a minimum and the main highway through the city was closed to traffic from the outside.

The Institute Familial, where Emile, Annette and Cecile Dionne studied home economics, was not damaged. Four of the quintuplets that, while it was hard to come back from a vacation, it's hard to stage the financial comeback.

MAKING A GO OF LIFE

By ROY L. SMITH
Read Matthew 6:25-34

Good religion aims at abundant life. The purpose of religion is to assist the individual in establishing a mastery over life which makes possible a full enjoyment of all the best that life holds. If the Christian preacher urges his hearers to forgive their enemy, it is because he knows that hatred is a poison

which will eventually reduce life to chaos. Nothing is more impractical than enmity, and revenge is never sweet. Look at the faces of those who make it a steady diet. Hatred is a vagrant that never supports itself. The preaching of Jesus was the mighty effort to help the individual find life and enjoy it. Until we

impulses with which we are beset, until we can compel them to stand quietly in line waiting to be called for; until we can bring our instincts, appetites, and ambitions under the control of reason; until we are able to subject all of life to the discipline of one dominant desire; we will never enjoy life to the full as God intended it to be lived. It will always be going to pieces on our hands. This was the thought in the mind of Jesus when he said: "Seek ye first the king-

dom of God, and all these things shall be added unto you." Knowing that life to be lived abundantly must be brought under one control, Jesus furnished that dominant desire — the Kingdom of God. Let any man become infatuated with that great ideal, as Jesus taught it, and he will never thereafter live the same small, petty, unsatisfied life again.

I am convinced, O God that life can never be made to work in any other way than that which thou hast planned. Surely it was never

intended that I should be beset with fears and anxieties. I will do my best, think as clearly as I can, and trust thee, Amen.

A great psychologist says that every person needs to compel himself to do something disagreeable every day in order to maintain some semblance of discipline over himself. Does this offer you any hint? Are you taking yourself in hand at any point?

Chess Expert Due Here Wednesday

By RONALD WATERS
Pampa News Staff Writer

George Koltanowski, holder of the world's blindfold chess championship will play about 20 players simultaneously and lecture on the game next Wednesday night at 7:30 in Lovett Memorial Library auditorium.

The Pampa Chess Club, sponsors of the event, have worked long and hard to bring this international chess master here to entertain audiences and to promote membership and interest in the club.

An Amazing Career

Koltanowski's career has been amazing. He was born in Antwerp, Belgium in 1902, and soon exhibited those memory traits which so astonished the members of the thousands of chess clubs he has visited in the last 25 years. The Belgium "quid" learned chess at the age of 4; soon became a recognized international master and has since ravaged the world over amazing audiences with his "mental magic," also playing and teaching the game.

Koltanowski, now an American citizen, is at home in seven languages. His exhibitions provide a glimpse into the chess lore of the world. He knows the world's chess masters and speaks each lecture with humorous anecdotes about the chess immortals.

He has held the championship of Belgium six times. In San Francisco, 1949, he played 271 games simultaneously, winning 251, drawing 17 and losing only three games. Ripley, Collier's magazine and others have turned to him as a chess wizard. On September 29, 1951, in San Francisco he played 50 games in 10 hours, one game at a time, ten seconds a move, only two in Los Angeles, and on May 22 of 1953 he set another record by playing 110 games simultaneously starting all at one time, 12 hours, winning 89, drawing 1, and losing only four.

Chess Promoter

He is actively engaged in chess promotion on the West Coast and all over the country, which has one wonders for the royal game, besides being chess editor of five west coast publications, including the "San Francisco Chronicle" daily, and conducting many other columns all over the country, he is also the author of many chess books. The latest is "Adventures of a Chess Master" which deals with blindfold chess in all its phases, such as the history, biography together with anecdotes, stories and many exciting games.

When He Arrives

Koltanowski will find a warm reception here in Pampa, coming directly from St. Louis, and will then continue on his tour to give a number of exhibitions in Texas.

He will be treated to a steak dinner by officers of the Pampa Chess Club upon his arrival. The next morning he will speak on the "Staff Breakfast" program of KPND, and Thursday noon will find him addressing the Pampa Lions Club.

The public is invited to attend the big chess affair in the library, either as players or spectators. Acting as receptionists to register guests at the front door will be John Willis and Ronald Waters. Following the challenging simultaneous match, coffee and cookies will be served by a committee headed by Mrs. Bill Waggoner. An interesting and witty lecture will then follow, sparked with all the

wisdom and wit of a man who has toured the world over.

REDS CLAIM MACAO—Communist China has claimed the 400-year-old Portuguese colony of Macao and warned that "continued occupation" of the city and coastal islands can no longer be tolerated. The colony consists of the city of Macao and three small offshore islands. The Communist Chinese broadcasts did not mention Hong Kong, the British crown colony which occupies a similar position off the South China coast, but the Red move increased the possibility that they may claim Hong Kong next.

OSS Man To Be K-F Speaker

"America's undercover men are busy getting facts about Russia, make no mistake about that," asserts Arch F. Coleman, himself an OSS man with experience in the Far East during World War II, who is here to address the meeting of the Knife and Fork Club the evening of Nov. 15, at the High School Cafeteria.

It's a safe bet our military is well fortified with facts about Russia and other communistic countries, indicates Coleman. "We know what Russia's military might is, how well she has progressed with the atom bomb, or hydrogen bomb, what her industrial resources are, what she can raise to feed a moving, working army as well as a large populace, and whether or not her transportation system is vulnerable."

Coleman has seen considerable experience in the coal-and-dagger business, having been one of the original OSS men in an organization which later became the Office of Strategic Services. He started his espionage work in Mexico after having had considerable private business experience there and in Central America.

Later he became an instructor of men in training for undercover work, and then went to the Far East where he organized espionage and counter espionage groups in Turkey, working out of Istanbul.

The meeting will begin at 7:30 p.m. Knife and Fork Club members may buy tickets at Clyde's Pharmacy. The deadline for buying tickets is 12 noon tomorrow.

"heart disturbance" after being arrested, and that he was being treated at a military hospital.

The war ministry announced that Maj. Gen. Alvaro Fuziz de Castro, Luz's "war minister for a day" following Luz's resignation Thursday, has been released by the revolutionists who arrested him Friday.

Left rose against Luz to forestall a possible coup by army officers who wanted to prevent the inauguration Jan. 31 of President-elect Juscelino Kubitschek and Vice President-elect Joao (Jango) Goulart, who are generally regarded as the "political heirs" of the late President Getulio Vargas.

Vargas was deposed and driven to suicide in August, 1954, by a group of generals who had forced him to dismiss Goulart from his cabinet earlier that year.

Joao Cafe Jr., who succeeded Vargas as president, suffered a heart attack last week. Luz, who had been speaker of the chamber of deputies, was installed as acting president Tuesday.

The acting president aroused Luz's anger by refusing to dismiss Col. Jurandir Mamede, a foe of Kubitschek, from a high post on the joint chiefs of staff.

The war minister resigned Thursday as a protest against Luz' decision Friday, he rallied the army against the acting president and Luz fled to the Tamandare — formerly the USS St. Louis — in Rio harbor, later steaming down the coast to Santos.

88 Narcotics Users Nabbed In N.Y. Raid

NEW YORK, Nov. 12 — (UPI) — Detectives posing as addicts wound up the biggest mass narcotics raids in the city's history Saturday with the arrest of 88 alleged users and peddlers and seizure of \$100,000 worth of marijuana, heroin and cocaine.

The raids began Friday morning and ended early Saturday. Authorities said other raids may be ordered without warning.

All 167 men and 13 women of the police narcotics squad were pressed into service in the raids, which covered all of the city except Staten Island. The force had laid careful plans for the clampdown for the last three weeks and apparently caught their quarry by surprise.

Seized along with the 88 were nearly 20 ounces of deadly contraband heroin, an ounce of cocaine, 14 pounds of marijuana, 300 marijuana cigarettes and illegal hypodermic equipment, police said.

Deputy Chief Inspector Peter Terranova, boss of the narcotics squad, pronounced the operation a "howling success."

To get evidence against the persons arrested, detectives posed as narcotics addicts seeking to make purchases. For three weeks, the most of them small-time operators, from whom to buy narcotics and made dates with them for Friday and Friday night.

Dedication Set At Lefors School

LEFORS — (Special) — The Lefors Public Schools will have an open house and dedication observance on Thursday to commemorate the new gym and vocational building.

The event will take place in the new cafeteria and will feature an address by Dr. James Cornett, president of West Texas State College.

All past and present members of the school board have been invited to attend the affair.

Following the address, the entire facilities of the school will be open for inspection and visitation, according to A. A. Roberts, superintendent.

BULLETIN

BUENOS AIRES, Sunday, Nov. 13 — (UPI) — The national consultative assembly began an urgent meeting Sunday which was expected to result in an announcement of a complete change in the cabinet.

Provisional President Eduardo Lonardi and Vice President Isaac Rojas will remain in office, informed sources said.

Cancer Group Committees Appointed

Roy Bourland, president of the Gray County chapter of the American Cancer Society, has announced the appointment of a number of committee chairmen.

Chairmen and co-chairmen appointments will be announced at a later date.

A training session for the new officers and chairmen will be held from 7 to 9 p.m. Thursday in the Lovett Library. Frank Stockwell of Amarillo, district field representative, will explain each person's duties and how they tie in for an integrated cancer program.

Newly appointed committee chairmen are Sheriff Rufe Jordan, Cancer Crusade; Paul Keim, Cancer Crusade co-chairman; Mrs. C. E. Vincent of Lefors, county committees; Mrs. C. E. Jeffries, service; Mrs. H. O. Darby, dressings; Mrs. F. W. Shotwell, loan closet; J. C. McWilliams and Dick Stowers, transportation; Mrs. H. H. Hicks, education; Mrs. W. A. Spoonmore and Coy Palmer, education, colchicemen; Miss Phyllis Casey, nurses.

And Dr. Nick Dadingo and Tom Beard, men's organizations; Mrs. R. E. McKernan and Mrs. George Hrdicka, women's organizations; Elvin Svoboda, industry; Homer Craig and Aaron Meek, schools; Mrs. Jess Clay, publicity; Jim Terrell and Warren Haase, radio; Mrs. Price Dosier Sr. and Mrs. Carlton Nance, telephone; Mrs. Azelle Loftus, newspaper; Henry Gruben and Jeff Bearden, exhibits, displays and billboards; and Ross Buzzard, memorial bequests.

A. C. Rhody Drowns In Lake

Albert C. Rhody, resident of Greggton, was drowned in Cross Lake near Shreveport, La. at 1 p.m. Friday.

He had lived at Greggton about 10 years. Prior to that time he had lived in Pampa, Tulsa and Mobeetie. He was a service station operator.

Mr. Rhody was 32 years of age. His body will arrive in Pampa Monday at 7 a.m. and graveside services will be in Fairview Cemetery, at 4 p.m. Monday, with Wesley Mickle of Mary Ellen Church of Christ officiating.

He is survived by his wife, Annie Myrtle Rhody; one daughter Phyllis June, both of Greggton; one brother, Robert of Los Angeles, Calif.; four sisters, including Mrs. Doc Bartley of Amarillo and Mrs. Bill Thomas of Plainview.

RED CROSS POSTER in the Junior Red Cross is made up of the youth of many lands in all parts of the world. This quality is captured in Amos Sewall's striking poster for American Junior Red Cross enrollment for 1956, shown above. The program will be launched in all city schools this week.

Skelly Scouts Attend Camporee

SKELLYTOWN (Special) — Boys Scout Troop 9 attended a Camporee in Borger over the week end, accompanied by Scoutmaster Fred Wall, and Orville Wall, assistant scoutmaster.

The Skellytown troop won a blue ribbon for camping. Each troop gave a demonstration at the camporee. The scouts of Troop 9 gave a demonstration on first aid.

Attending the camporee were Bob Moore, Charles Dykes, Ted McKissey, Lee Kimball, Eddie Pennell, Homer Lester, Charles and Jerry McCloud, Raymond McGee, Allen Heaton and Fred and Orville Wall.

The first Christmas Seals to fight tuberculosis were sold in Denmark in 1904.

Junior Red Cross Member Drive Set

To continue its services to the community and its activities in behalf of international good will, students in Pampa Chapter elementary and high schools will launch their annual Junior Red Cross membership enrollment tomorrow.

Harlan Yoder, Junior RC chairman of the chapter, said the drive's objective will be to enroll all of the Pampa and Lefors schools in the organization. Last year all of the public and parochial schools were enrolled, and Sam Houston and Baker had a 100 per cent membership.

In enthusiastic terms, Knox Kin-

ard, superintendent of schools, endorsed the enrollment, urged teachers in all schools to give it their full support, and asked pupils to join when the enrollment period begins.

"There is no finer example in our schools of good citizenship in action than the Junior Red Cross," Yoder said. "Through its programs, our students learn, early in their lives, the value of service to their community and nation, and experience the satisfaction that comes from voluntary service to others."

Enrollment carried with it a subscription to the Junior Red Cross "News" for every elementary classroom and a subscription to the "Journal" for secondary students. Circulation of the two magazines is now 500,000 for the "News" and 90,000 for the "Journal."

Teacher sponsors of the local schools are as follows: Mrs. Quentin Williams Woodrow Wilson; Mrs. Trudl Ross, Sam Houston; Mrs. Faye Dellis Adams, Horace Mann; Miss Sybil Turner, Baker; Joe Page of Lamar; Miss Roy Riley, Junior High School; Mrs. E. Ray Miller, 1st School; Mrs. Fred Neslage, Holy Souls; J. C. Randall of Carver, and Bob Peterson of Lefors.

Everett Jackson and family of Phillips.

Mrs. J. P. Wright of Mansford, Okla., has been visiting for the past week in the home of her daughter and family, Mr. and Mrs. Carl Keys in the Skelly Schafer camp.

Recent guests in the home of Mr. and Mrs. Ben Wesner were Mr. and Mrs. H. V. Barker of Kermit. They are former Skellytown residents. Their daughter, Mary Ellen, is teaching school in Alaska at this time.

Panhandle Circle meeting of the Rebekah Lodges will be in Amarillo Nov. 15.

Skellytown Girl Scout troops, with their sponsors, will visit Giristown in Whiteface, Nov. 26th and 27th. They will take articles to the girls, that were collected by the Scouts Halloween night.

Bob Eubank visited this week in the home of Mr. and Mrs. W. L. Aubert in Tulsa, Okla. The Aubert family are former Skellytown residents, and have just recently moved to Tulsa.

Members of the Home Demonstration club and their guests enjoyed a turkey dinner in the IOOF hall Friday.

(That's the New Variable Pitch Dynaflo*)

OF COURSE, you can floor the pedal of this stunning new '56 Buick and get the full-power sweep of its advanced new Variable Pitch Dynaflo.

That's how you switch the pitch of this airplane-principled transmission for instant safety-surge acceleration to get out of a tight spot on the highway.

But now you get a brilliant new response at the start of pedal travel, too.

Now you get a solid take-hold for instant take-off in the first inch of pedal action - where most of your normal driving is handled. And you get this

great new getaway with a big boost in gas mileage, too.

So there you are, just nudging the pedal, and getting action that makes you feel like you've floored it.

There you are, handling all your normal driving situations with a confident toe-touch - with new surety and snap - and with the happy satisfaction that comes with a sizable step-up in the miles you get from a tankful of gas.

And there you are, rolling along with beaming pride as boss man of the best Buick yet.

For here you have, beating any past Buick, the greatest power yet - the boldest styling yet - the sweetest ride yet - the smartest interior yet - and, by far, the best buy yet.

Drop in on us this week - tomorrow, if you can - and see for yourself that there's never before been anything like this Buick beauty for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century - optional at modest extra cost on the Special.

CHANNEL TERRACE — Standing in a well grassed channel of a channel type diversion terrace used to divert water from the field to prevent water erosion is William B. Jackson, secretary of Gray County SCD board of supervisors. The terrace runs along the side of a grain field for about half-a-mile. (News Photo)

Jackson Has Been On SCS Supervisory Board Since '48

By RONALD WATERS
Pampa News Staff Writer

(Editors note: This is fourth in a series of five articles on Supervisors of Gray County Soil Conservation District. The first story concerned the youngest member of the board, James Massey of McLean; the second article concerned the outstanding chairman and supervisor Earnest McKnight; and the last story was on the vice-chairman of the board, Felton Webb.)

Secretary of the board of supervisors for the past six years, William B. Jackson, has served on the board since 1948. He owns and operates a large three section farm (1,920 acres) 11 miles northeast of Pampa, and has been farming most of his life.

A great believer in contour farming, Jackson also contour furrows his pasture land to prevent water erosion. He leaves wheat stubble on the ground to build up the organic matter of the soil and to prevent wind erosion. W. B. has three stock water tanks for his 135 head of cattle, the largest of which stores about 50 acre feet of water. A long diversion terrace runs along a strip of his fertile land for about half a mile, and he plans to build about three more in the future.

Running 75 to 100 head of cattle normally, Bill plants about 50 acres of cane and sweet sudan, which he mixes to use as bundle feed for his stock. In the winter, he grazes his

cattle on grass lands and fields. Out of a total of 960 acres under cultivation, wheat is raised on 400 acres, and grain sorghum is planted on about 230. W. B. has planted three fields of grass, including Created and Western Wheat.

"I call this my home," Jackson says, and he has proved it by living here most of his life. He attended Texas Tech College. He began his studies in animal husbandry and agronomy at Texas Tech College in 1930, and graduated with a B.S. degree eight years later. At the present time, Bill has one of the "largest agriculture libraries in this country." He keeps a huge book case full of agriculture books stored away in an unpretentious little house on his farm.

Intensely interested in agriculture problems and soil conservation, Jackson has served on the agriculture committee of the Kiwanis Club (133), and was appointed a member of the agriculture committee of the Chamber of Commerce

this year. He has been an active Kiwanian for eight years.

He married Minnie Olive Montgomery, who was working in the ACS office at the time, on Dec. 2 of 1944. They now have one daughter, Georganna, 6, and live on the Bob Montgomery farm, eight miles northeast of town.

During World War II, Jackson served with the U.S. Marines for three and one-half years. He saw duty with the Fourth Marine Division, 25th Regiment, in the Marshall Islands, Saipan, and Tinian. William says he came back to the United States . . . "just before my outfit hit Iwo Jima."

Enthusiastic to support soil conservation, Jackson states, "We've got to do a lot more of it. It's got to be done sometime. . . those pastures are cutting back into the fields all over the country."

With determination he added, "Something has got to be done to prevent soil and wind erosion, and the sooner it's done the better."

Agriculture Book Is A Best Seller

By GAYLORD P. GODWIN
WASHINGTON, Nov. 12 —UP—The Agriculture Department Saturday announced publication of its annual best seller, the Yearbook of Agriculture.

The 1955 yearbook is entitled "Water." It is a 752-page volume devoted to drought, floods, and normal sources and uses of water. Its authors discuss all aspects of a subject that has become a major national concern — for industry, city dwellers, foresters, conservationists, gardeners, sportsmen, farmers, ranchers and orchardists.

The book will receive immediate wide distribution. The government printing office has printed 230,850 copies to be given by senators and representatives to constituents; 40,000 to be sold by the superintendent of documents at \$2 a copy; and 12,000 for use in the Agriculture Department.

Editor Alfred Steffeurd said previous editions of the yearbook had sold up to 39,000 copies. He predicted the 1955 book will equal or outsell its predecessors.

Devoted to Single Subject

The more recent series of the yearbook have been devoted to a single, broad segment of agriculture or a related subject. They have included such titles as better plants and animals, soils and men, food and life, farmers in a changing world, climate and man, keeping livestock healthy, science in farming, grass, trees, crops in peace and war, insects, plant diseases, and marketing.

"Water" is bound in a green and white cover, adorned by the shaded head of a heifer.

The book's 95 chapters were written, mostly in non-technical style, by 1949 specialists in the department, in state agricultural colleges, and in private and federal

organizations whose work pertains to water. The book is well supplied with drawings, maps, and photographs.

Among the subjects treated are the importance of water in history; the need for water of people, animals and plants; weather cycles; "cloud seeding"; salting of sea water; water and erosion; the care of watersheds; water

laws; floods and their prevention; water for forests and range lands; irrigation in the west and east and for specific crops; drainage; managing watersheds for better fishing; wetlands and waterfowl; farming in dry regions; use of waste water by industries; water for gardens and lawns; pure water for rural homes; sewage disposal; teaching and learning about conservation; and research regarding water.

Lot to Be Known

"There's a lot to be known about water," Editor Steffeurd says in the preface.

"We see and feel rain, snow, dew, fog," Steffeurd wrote. "We use water for drinking and wash-

ing. We irrigate our lawns and fields. We talk about the weather, complain that it is too wet or too dry, and misquote Mark Twain about it. Most of us are conscious nearly all the time of the importance of water in our lives, but actually our knowledge of it is pretty skimpy.

"We know the symbol of water but little about its properties, which can make us comfortable or uncomfortable, rich or poor, secure or insecure. We cannot live without water; we could live better if we knew more about it."

In the foreword of "water," Agriculture Secretary Ezra T. Benson wrote: "We have to know where water comes from and what hap-

pens to it. We have to know how much can be used and when, and how our land practices influence its behavior.

"We have to stop wasting water. We have to use it more efficiently. . .

"We have to learn more about the control of floods at their sources as well as in the big rivers.

"We have to look to the fields, the forests, and the hills that make up our watersheds. . ."

Need Awareness of Resources

"We need an increased awareness among all Americans of the

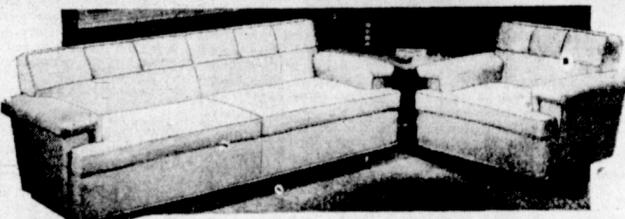

ness of our physical resources . . . The subject of water can be viewed from the various aspects of soil conservation, agronomy, forestry, irrigation, wildlife, recreation, business, industry, law, and so on—but never alone."

By ELANORE WAGGONER

"CAESAR AND CHRIST," by Will Durant, is the tremendous fascinating story of Roman civilization and of Christianity from their beginnings to A.D. 325. While complete in itself, this volume is Part III in a history of civilization comprising four volumes and the work of some 30 years of scholarship on the part of Dr. Durant. "The study of antiquity," says Dr. Durant in his Preface, "is properly accounted worthless except as it may be made living drama, or illuminate our contemporary life." The rise of Rome from a crossroads town to world mastery, its achievement of two centuries of security and peace over the greater part of the known world, its struggle against a surrounding sea of barbarism, its long slow crumbling and final catastrophic collapse into darkness and chaos is surely the greatest drama ever played by man; unless it be that other drama which began when Caesar and Christ stood face to face in Pilate's court, and continued until a handful of hunted Christians had grown to be first the allies, then the masters, and at last the heirs, of the greatest empire in history.

Primarily a cultural history, "Caesar and Christ" lavishly discusses government, industry, manners, morals, the status of women, law, philosophy, science, literature, religion, and art. We watch the rise of temples, basilicas, forums; we pass a day of games and spectacles at the Flavian amphitheater; we learn of Hannibal, Pompey, Caesar, Anthony, Cleopatra, Cicero, Lucretius, Virgil, Horace, Tacitus, and all the other makers of history in Rome. There are many parallels to modern history which Dr. Durant presents clearly. For instance, the first labor union was established about 600 B.C., there were bank failures, WPA projects, OPA regulations, electoral corruption, trade associations, and other phenomena

of ancient Rome that fit into front-page headlines of our own time.

There was a suffragette campaign waged by the women of Rome in 195 B.C., and they won free administration of their money, divorces from husbands if they wanted them, the right to wear jewelry, pretty dresses; and they even doubted the wisdom of bearing children in an age of urban congestion and imperialistic wars.

The method of these volumes is synthetic history, which studies all the major phases of a people's life, work, and culture in their simultaneous operation. Analytic history studies some separate phase of man's activity — politics, or science, or literature, and so on. The defect of the analytic method is its tendency to distort by isolating one aspect from all others. The defect of synthetic history is that it almost impossible for one man or one book to say with first hand knowledge, everything which needs to be said about a complex civilization.

"CAESAR AND CHRIST" is an admirable and successful attempt at the synthetic history of the Roman Empire and of Christianity. More fascinating reading cannot be found.

Dr. Durant has been scholar, teacher, (at Columbia), philosopher, lecturer on philosophy and history, world traveler, historian; writer of a monumental series of books, the last of which will not be published until 1961, according to his own reckoning. "CAESAR AND CHRIST" is perhaps the most interesting of the five volumes published so far in "THE STORY OF CIVILIZATION."

Perryton Lions Host Oil Men

PERRYTON — (Special) — The Perryton Lions members were hosts to about 25 men connected in some way with oil industry at the Tuesday noon meeting.

Bill Dukes, Woodson Oil Co. geologist, was guest speaker at the meeting and he told of the job a geologist had to do. Dukes pointed out that recent developments indicated that Perryton and Ochiltree county may be on a blanket of gas and he looks for a tremendous increase in drilling activity this year. Also present for the Lions Club meeting were drillers, land men, supply men and other representatives from oil companies and drilling companies working in the Perryton area.

RIGDON EDWARDS ... to visit Pampa

Rotary To Host Dist. Governor

The Rotary Club of Pampa will be host to Rigdon Edwards, Governor of the 133rd District of Rotary International on Tuesday. He is making his annual official visit to each of the 40 Rotary Clubs in part of West Texas and all of the Panhandle. Edwards will address the club and confer with President Jim Chase, and committee chairmen on Rotary administration and service activities.

Edwards is wholesale distributor for the Magnolia Petroleum Company in the Sweetwater area, having been a Magnolia employee for 24 years. He grew up at Hamlin and Anson, received his B.A. Degree from McMurry College, Abilene.

He was elected District Governor of Rotary International for the 1955-56 fiscal year at Rotary's Golden Anniversary Convention in Chicago last June. He is one of 238 District Governors supervising the activities of some 8,844 Rotary Clubs which have a membership of over 419,000 business and professional executives in 93 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, President Chase asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Pampa because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, 467 new Rotary Clubs were organized in more than 50 countries of North, South and Central America, Europe, Asia, Africa and the Islands of the Pacific.

Perryton Sets Quartet Show

PERRYTON — (Special) — The Lions Club will present in the school auditorium next Thursday night one of the banner attractions of the year — the "Parade of Quartets" featuring the 1955 International Champion barbershop quartet — the Four Hearsemans of Amarillo. Advance ticket sales have been under way for several weeks.

Two other popular Amarillo SPESBSQA quartets are also on the program. These are the Cheer-O-Keys and the Panhandle Aires. Another feature of the evening will be the appearance of the Amarillo Chorus, made up of members of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

The Four Hearsemans won local acclaim last year as they appeared as the musical entertainment for the Wheatheart Contest. At one time, Cloys Webb, FHS music instructor was lead tenor for the Four Hearsemans.

TB Seal Sale Letters To Be Mailed Out

Letters will be sent out all over Gray County next Tuesday announcing the 49th Annual Christmas seal sale to combat tuberculosis, one of the most deadly diseases remaining unconquered today. Mrs. C. L. McKinney, seal sale chairman of Gray County TB Association, said "We hope that every one will contribute generously to a cause that we'd feel is very worthwhile and doing a lot of good." Contributions are used to provide free emergency treatments for TB patients in the fields of education, research and rehabilitation, indicated Sam Begert, president of the association. The Gray County tuberculosis program is financed entirely by the purchase of Christmas seals. Out of the total donations, 82 percent remains and is spent in Gray County, the other 12 per cent

goes toward the state association. Perhaps the greatest progress made has been in decreasing the number of deaths from TB with modern treatment. Death rates, however, don't tell the whole story. The living man or woman who has the disease is the problem. Progress is preventing cases of TB has been slow. Each person who has TB must be found, treated, and helped to keep well so that he will not break down again. Tuberculosis can be prevented. With adequate funds to apply fully

the preventive measures now available and to find even better measures, tuberculosis could be brought under control.

Bronchos Passing Attack Swink Scores Four Times Too Much For Harvesters TCU Drops Texas 47-20

By TOMMIE ELLIS
Pampa News Sports Editor

The fighting Harvesters weakened Saturday afternoon after a scoreless first quarter to allow the Odessa Bronchos to score in each of the remaining periods and win by a 21-0 score at Harvester Park before a crowd of 3,000 fans.

The Pampa Harvesters held the Odessa Bronchos to a total of 39 yards in the air and on the ground in the first quarter but had only counted for 20 yards at the end of the first period.

Two fumbles and a pass interception set up the three Broncho touchdowns. The fumbles came when the Harvesters had taken over the pigskin deep in their own territory. The pass interception gave them the ball on the Pampa 20.

Odessa had one touchdown run called back when officials said the Broncho backfield was in motion. The play was a pass from Joe House, quarterback, to LeRoy Scott halfback. The pass was good for 60 yards but to no avail.

Pampa's defense then worked well until the Bronchos got to the 22 early in second quarter. Quarterback Joe House tossed an aerial to Don Hill, left end, who raced over from the 10 for the first touchdown of the game with 10:25 left in the second period. Ray Stoker converted to give the Bronchos a 7-0 lead which was all they needed to win the game.

The Pampa ground defense held tight but the offense unit didn't seem to be clicking as the Green and Golders had a total of 46 yards gained at the end of the half. Odessa had racked up 88 yards on the ground and added 77 more through the air.

after the red-clad boys had tried three times at the middle of the Harvester forward wall and couldn't penetrate. The Bronchos then passed on fourth down from the 6 and the House to Hill pass combination caught the Green and Golders off guard.

Pampa's offense then began working with steady gains and a scoring threat. With their faces to the wind they drove from the 33 past the midfield stripe and again bogged down when the pass defense of the Odessa Bronchos stopped their threat.

The Bronchos have not allowed a pass completion since the Abilene Eagles dropped them 47-0.

Early in the last frame the Bronchos intercepted a pass intended for Bobby Dehis on the Pampa 45 and took it back to the 20. Buddy Sharp tossed the aerial into the arms of Mike McCutchan who took no time in heading for the goal line.

The Bronchos left halfback then swept right end and with a series of key blocks scooted into the end zone for the final counter of the game. Stoker again converted to give him a perfect average, two of which were with, and the third into the strong southwesterly wind.

The Harvesters then took the pigskin on their own 18 and tried with one last effort to get into the scoring column but to no avail. This was the fifth straight loss for the Green and Golders and the first game in which they were scoreless. They have racked up a total of 77 points in seven games.

The Green and Golders will meet the Lubbock Westerners in Jones stadium next week at 2 p.m. on Saturday.

BRONCHO NOT TO LOOSE — The red-clad Odessa Broncho pictured above, Mike McCutchan, is not getting loose as Buster Baird puts his shoulder to the job and hauls him down. The Bronchos did get loose three times for counters and another touchdown that was nullified because of an off-side penalty. The Bronchos passing and aerial attack was good for 21 points while the Harvesters failed to score. AUSTIN, Nov. 12 — UP—Spectacular halfback Jim Swink scored four touchdowns and rolled up a dazzling total of 235 yards on the ground Saturday to lead the seventh-ranked Texas Christian University to a 47-20 victory over Texas and move a step nearer a Cotton Bowl berth.

Swink, a sensational 19-year-old lad from Ruskin, Tex., scored touchdowns on a one-foot plunge and runs of 62, 57 and 34 yards, then added two conversions to register a point total of 26 before 55,000 fans in Memorial Stadium.

The elusive Swink, a 185-pound junior, stole the show from Texas Christian quarterback Charles Curtis, who threw three touchdowns passes.

The victory gave the Christians a 3-1 Southwest Conference record, with two games left, and moved them into second place behind the Texas Aggies, who beat the Rice Owls Saturday but are ineligible to play in the Cotton Bowl.

Swink, an All-American candidate, had the best day of his career, and was a defensive hawk as well as one of the most brilliant runners ever seen in Memorial Stadium. He intercepted one Texas pass to thwart a Longhorn scoring threat.

The 47 points was the largest point total ever made by a Southwest Conference team against Texas.

Dazzling Performance
Texas Christian's total yardage of 523 was the highest ever counted against a Texas team; Swink's dazzling performance pushed his season record to 1,086 yards gained, 17 touchdowns, and 107 points.

Texas Christian opened the scoring with Swink going over from the one-foot mark. Texas enjoyed a brief 7-6 lead when fullback Delano Womack bounced over from the two and halfback Walter Fondren converted.

But Texas Christian moved out in front and was never headed, roaring to 27 points in the fourth period.

Curtis Hits Mark
Curtis threw a 44-yard pass to halfback Kenneth Wineburg, a 35-yard aerial to end Bryan Ingram, and a 41-yard pass to end O'Day Williams.

Fullback Harold Pollard converted three times and Swink twice.

Texas a quarterback Charley Brewer scored in the third period on a one-yard plunge, and substitute halfback Curtis Reeves scored up the Longhorns scoring with a brilliant 83-yard runback of a pass interception.

Pampa's fullback, Jesse Ring again fumbled this time on the first scrimmage play of second half to give the Bronchos a fire and the ball on the Pampa 21.

The Bronchos came through in six plays to add the second counter and go ahead 14-0 after Stoker added the point. The touchdown came

over when first string quarterback Frank Tamburello came up with a score throw, passed for two.

Hardin-Simmons Sinks Cincinnati
CINCINNATI, Ohio, Nov. 12 — UP—Hardin-Simmons Saturday uncorked a blistering passing and running attack to humble a fumbling University of Cincinnati team, 53-20.

The Texas lads chalked up 548 yards in total offense, 350 on the ground and 198 in the air, for a convincing victory.

Cincinnati fought back, moving 369 yards on the offense, but it meant little in the scoring. The Queen City boys fumbled seven times losing control of the ball six times.

Cincinnati played without its ace quarterback, Mike Murphy, for the first time in three years and Hardin-Simmons quarterback, John Lyle, proved to be hot competition.

Lyle pitched 11 passes, completing eight for 149 yards and two touchdowns. Haradin-Simmons halfback Charles Massagee also played Cincinnati. He caught three touchdowns passes and gained 145 yards rushing in 11 tries. The peppery little back scored one TD on a 83-yard run.

Score by periods:
Hardin-Simmons 6 27 6 14-53
Cincinnati 7 7 0 6-20

Hardin-Simmons scoring — Touchdowns, Massagee (4, run, run-pass from Lyle, 93 run, 42 run-pass from Ford), Villareal (14, run), Lyle (5A pass interception), Owens (4 run), Beavers (3, run), Conversions—Doke (2), Owens, Berry, Honeycutt.

Arkansas Scores Early To Edge Past SMU, 6-0

By ED FITE
DALLAS, Nov. 12 — UP—Alert Arkansas put together a 73-yard first period scoring drive and then threw an airtight defensive halter around Southern Methodist's heralded running game Saturday for a 6-0 Southwest Conference victory.

Gifted George Walker engineered the game's lone touchdown surge and, fittingly, capped it himself with a one-yard plunge through tackle after he, fullback Henry Moore and halfback Preston Carpenter had alternated at ripping SMU's mammoth line.

Walker missed his second extra point of the season after that performance, but it didn't matter as the aggressive Arkansas line tied the SMU running game in knots, much of the time smothering the wide-running SMU backs before they could ever turn the corner toward touchdown land.

Arkansas End Campaign
Defending champion Arkansas this wrapped up its conference season by snapping an eight-year victory drought against SMU and chalked up its first victory over SMU in Dallas since 1926. The Razorbacks won three, lost two and tied one.

A crowd of 32,500 saw the Arkansas defense led by Carpenter, Moore, and Ronnie Underwood among the backs and center Harold Steelman, guard Neil Martin and end Ted Souter choke the SMU running game to 139 yards and dull its passing attack to seven out of 17 complete for 60 yards.

Meanwhile, Moore, Walker and Carpenter led a brutal Arkansas attack that piled up 222 yards and carried the victors to within two yards of another touchdown in the

third quarter on another sustained drive of 43 yards.

Moore runs for 54
Moore racked up 54 of Arkansas' yards, but Walker and Carpenter were close behind with 53 and 48, respectively, while halfback Don McInerney paced the losers with 38 yards.

Booming quick kicks by reserve fullback Gerald Nesbitt kept SMU in the hole much of the time and SMU got inside the Arkansas 30-yard line only twice all afternoon.

Score by periods:
SMU 0 0 0 0-0
Arkansas 6 0 0 0-6
Arkansas scoring — Touchdown, Walker (1, plunge).

Ohio State's Cassady Scored 3 Times To Stop Iowa 20-10

By HASKELL SHORT
COLUMBUS, Ohio, Nov. 12 — UP—Ohio State's All-American halfback Howard (Hopalong) Cassady struck for three touchdowns Saturday to become the highest scorer in Buckeye history and lead his team to a 20 to 10 victory over Iowa.

The 175-pound Cassady, who used to slip into the giant Ohio Stadium as a youngster, was carried off the field on the shoulders of his happy teammates when his final home game ended.

The crowd of 82,701, third largest ever to see a game here, roared its approval of Cassady's fine afternoon, both on offense and defense,

with a confetti shower when he came out of the game with 18 seconds left.

Has Scored 218 Points
Cassady broke the Buckeye scoring record with eight minutes and 38 seconds gone in the first period. He broke loose for a 45-yard touchdown run, his longest of the season. He scored again in the second on an 11-yard sprint around end and again in the final period with a three-yard plunge through the line.

The red-haired, left halfback's three touchdowns boosted his four year college scoring to 218 points on 36 touchdowns. It broke the Buckeye record of 201 points set by Ohio State's immortal Chic Harley, whose fine play in 1916, 1917 and 1919 inspired the building of this huge horseshoe stadium.

The Buckeye victory, their 12th in the Big Ten in a row, and a record for them over two years, kept the defending champions on top of the conference title race and set up showdown game with Michigan in Ann Arbor next Saturday for the conference title. Regardless of the outcome, Ohio will not be eligible to go to the Rose Bowl, having played in the New Year's Day classic last year.

Iowa Started Good
Cassady carried the ball 26 times for 169 yards, only two less than the entire Iowa team.

Iowa threatened to run Ohio State right off the field at the start of the Hawkeyes' march from the kickoff to Ohio's six, where on fourth down, Jim Freeman kicked a 16-yard field goal.

The Hawkeyes, trying to keep the ball from Cassady, kicked out of bounds twice and Ohio took over on the 50. On the second play, quarterback Frank Eliwood faked his fullback into the line, then handed the ball to Cassady, who caught the Iowa team completely by surprise. He went 45 yards to score without being touched.

Cassady struck again early in the second period on an 11-yard sweep.

Score by periods:
Ohio State 7 6 0 7-20
Iowa 10 0 0 0-10
Ohio State scoring — Touchdowns, Cassady (45, run, 11, run, 3, plunge), Conversion—Kris (2).

Iowa scoring — Touchdowns, Freeman (5, pass—Run from Reichow), Conversions—Freeman, field goal Freeman (16 yards).

Hula Bowl Accepts Hugh Pitt
COLLEGE STATION, Texas, UP—Hugh Pitts, Texas Christian's center and co-captain, has accepted a bid to play in the Hula Bowl football game in Hawaii Jan. 8. Bids for other post-season games have been received by other Frog seniors but all are tentative pending the outcome of the hot Southwest Conference race.

Michigan Roars Back To Trounce Illinois, 30 To 0
By LLOYD NORTARD
ANN ARBOR, Mich., Nov. 12 — UP—Michigan, knocked from the unbeaten ranks a week ago by Illinois, roared back with vengeance Saturday to rout Indiana, 30 to 0, before 60,613 fans at Michigan Stadium and keep alive its hopes for the Big Ten title and a trip to the Rose Bowl.

The Wolverines unleashed a devastating running attack and displayed their best blocking and tackling of the season against the hapless Hoosiers, who crossed the midfield stripe only once during the game.

Four different Michigan runners, halfbacks Terry Barr and Jim Pace and fullbacks Lou Baldacci and Dave Hill, scored one touchdown each and the Wolverines added a safety in the second period when Indiana quarterback Gene Cichowski fell on the ball in his own end zone after a bad pass from center.

The victory was Michigan's seventh against the lone setback at the hands of Illinois and moved the Wolverines to within a single tri-

S. Carolina Falls Before Duke Devils

COLUMBIA, S. C., Nov. 12 — UP—Duke rolled over South Carolina 41-7 Saturday in hopes the Orange Bowl people were still interested.

A homecoming crowd of 18,000 watched the Blue Devils smother South Carolina with scores in every period.

In the fourth period South Carolina halfback Bill Tarrar took a pitch-out score with about four minutes left from the six-yard line to cap a 68-yard drive. End Joe Silas added the conversion.

Duke scored with the first period four minutes old when fullback Bryant Aldridge plunged over from the four after the Blue Devils had started from their own 33. Guard Jim Nelson added the first of his five conversions.

Score by periods:
South Carolina 0 0 0 7-7
Duke 7 14 7 14-41

South Carolina scoring — Touchdown, Tarrar (6, run), Conversion—Silas.

Duke scoring — Aldridge (4, plunge), Pascal (6, run), Sorell (4, run), Hays (1, run), Rushon (1, plunge), McElhenny 2 (1, plunge), 10, run), Conversions—Pilson 5.

Kansas State Drops Missouri For First Time In 17 Years

COLUMBIA, Mo., Nov. 12 — UP—Kansas State College capitalized on two Missouri errors for touchdowns within 41 seconds of each other in the second period Saturday and went on to a 21-0 Big Seven win, the first for the Wildcats over Missouri in 16 years.

Missouri halfback Sonny Stringer bobbled a punt attempt on his own 15 early in the second period and K-State recovered. Fullback Doug Rother went over standing up on the first play.

On Missouri's first attempt to run after the kickoff, K-State end Chuck Zickelsoe broke through, snatched a lateral from quarterback Jimmy Hunter in the air and raced 38 yards to score.

March 66 Yards
In the third period, the Wildcats

marched 66 yards with halfback Ralph Pfeiffer carrying much of the mail before he went around end from the nine to score. End Jim Risher hit the first two conversions, Don Zadnik kicked the other.

Missouri was shackled all the way by a tough K-State line, led by rusher and tackle Ron Nery. The Missouri ground attack got only 16 yards in the first half and ended up with a total of 80.

K-State fullback Ray Glaze and Missouri halfback Joe Wynn were ejected from the game in the final period for fist fighting.

It was strictly a Kansas State show as the hapless Tigers could put together only one sustained drive, a 55-yard march that was halted on the Kansas State line

late in the final period.

Move to 25-Yard Line
Missouri's deepest penetration prior to that was to the K-State 25 in the second period.

Missouri end Harold Burnine, the nation's leading pass receiver, nabbed five tosses for 55 yards Saturday to break a Missouri passing yardage record of 1,028 yard set by Gene Ackerman in 1950. Burnine now has caught 70 passes for 1,069 yards in his college career.

Score by periods:
Missouri 0 0 0 0-0
K-State 14 7 0 21-21

K-State scoring — Touchdowns, Rother (15, run), Zickelsoe (36, lateral interception, run); Pfeiffer (9, run), Conversions—Rusher 2, Zadnik.

ACC Comes From Behind To Drop Midwestern, 14-0
By TOMMIE ELLIS
WICHITA FALLS, Tex., Nov. 12 — UP—Abilene Christian scored on an 88-yard pass in the final period Saturday to give the Wildcats a 26-21 victory over Midwestern and insure at least a tie for the Gulf Coast Conference championship.

The lengthy come-from-behind aerial was from reserve quarterback Ed Cheek to halfback Gene Boyd.

Midwestern took a 14-0 lead in the first quarter on a 28-yard run by Richard Parten and a 29-yard scamper by Jackie Weldon. Wel-

Manager Rejects Offer
GOTHENBURG, Sweden — UP—Edwin Ahlqvist, manager of Swedish boxer Ingemar Johansson, revealed Wednesday that American movie actor Humphrey Bogart and former world heavyweight champion Jersey Joe Walcott had made an offer to purchase Johansson's contract. "But I turned their offer (reportedly \$50,000) down immediately," Ahlqvist said.

Optimist Club Launches New Athletic Program

Centrally Located Site Is Optimist Club Dream

Recreational activities for Pampa boys have existed as projects for many clubs over the years. Every citizen realizes the value of these activities as character builders besides the pure enjoyment that comes from the man to boy relations.

For years Pampa Boys Club Inc. sponsored a program consisting principally of boxing but including also ping-pong, shuffle board, indoor games, television and reading room, and other indoor activities.

The club was very successful in their endeavor. Profits from their boxing programs were used to buy additional recreational equipment. The pitfall of the group from year to year was loss of their buildings. Each year they were able to obtain the use of a building from some generous citizen, but at the end of the year the building would be rented to another party. The group would start looking again for another building.

Two years ago an Optimist Club organized. They organized Little League and PONY League in Pampa, accomplishing almost the impossible.

Work and sacrifice of time was the order of the day as three ball diamonds were built, with fences, dugouts, screens and all the trimmings. The program was a success beyond all expectations as over 200 boys participated in the program the first year.

Not satisfied to rest after baseball was over, the club absorbed Pampa Boys Club, Inc. The program continued to be operated as before in a building on South Cuyler. More than 150 boys partic-

ipated in this phase of the clubs' program. At the close of the season, the building was rented and the club had to move its equipment to a building large enough only for storage.

Optimist members got their heads together after this and made a decision to act now to get their programs on the right footing. They decided to bring their now scattered ball diamonds to one location and to obtain and remodel a building for their indoor activities.

Things have happened fast since their decision to act. Ten available acres of land were located near the center of town. Two vacant buildings are now available to move and remodel. Fate seems to be acting for the Optimists. However, before their dreams can be a reality, \$10,000.00 must be raised to purchase land and buildings.

Optimists evidently are gluttons for punishment — Because if they get the money it will mean thousands of man hours to move their ball diamonds and get a building in good condition. But they don't mind that.

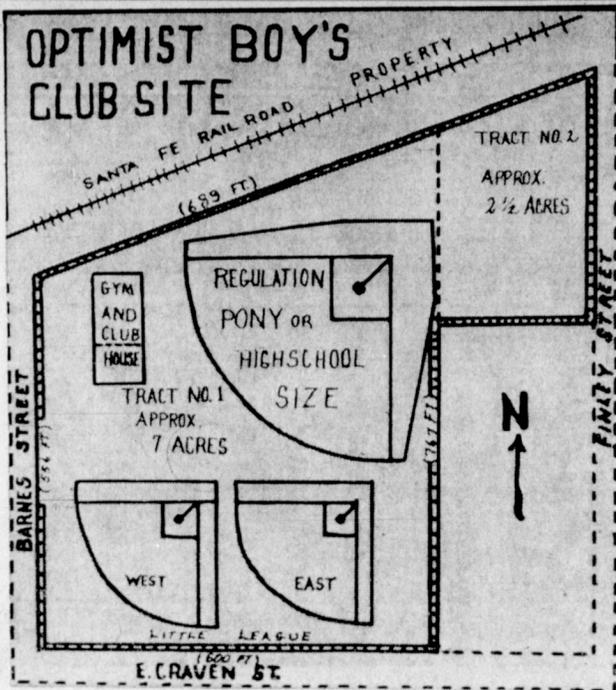

Their only concern now is getting the money, some have already dug into their pockets. However, they believe the community will support this program financially. For one thing, every penny of the money stays at home. The results will unfold before the eyes of this community.

Their Optimism goes into action tomorrow. Every person who owns a telephone in Pampa will receive a letter explaining briefly the objectives and ambitions of the Club.

A small donation will be solicited in the letter. Optimists encourage all to cooperate in this small way. They pledge themselves to make Pampa proud that it had a part in the program.

Detroit, founded in 1701, is the oldest city in the Midwest.

Army Drops Pennsylvania 40-0 On Last Play; Takes On Navy This Week

BOYS CLUB SITE — Shown above is the plot of ground and the proposed plans for the construction of a gym and club house and three baseball diamonds. The Optimists plan to launch a campaign tomorrow to finance the program. The plot of land is costing the club approximately \$7,500 and the cost of constructing a gym has not been estimated. The club plans to centralize its boys work program at this site.

PHILADELPHIA, Nov. 12 — UP— Army's highly mobile unit, a corps of fleet backs behind a crisp line, ironed out the creases for its Navy meeting Saturday by making its final appearance on Franklin Field with a 40-0 victory over Pennsylvania before 27,170 fans.

The Cadets added a coup de grace to a victory already overwhelming by scoring a touchdown on the final play of the game with a 45-yard pass-run.

The speedy Cadets, second in the nation in rushing, knifed Penn to shreds for a first period touchdown, added two more on interceptions for a 21-0 halftime lead, and then scored three times in the final period as Penn suffered its 17th straight defeat.

Six Cadets figured in the scoring with Pat Uebel, a veteran at storming Franklin Field heights, scoring the first touchdown with a one-yard smash on the seventh play of a 79-yard drive in nine minutes of the opening period.

Score by periods:
Penn 0 0 0 0 — 0
Army 14 7 9 19 — 40
Army scoring — Touchdowns, Uebel (1, plunge); Chesnasukas (2, interception); Ziegler (5, run); Holleder (6, lateral from Murland); Burd (2, plunge); Munger (45, pass-run from Bourland).
Conversions — Chesnasukas 2, Murland 2.

Larsen Reaches Doubles Finals
SANTIAGO, Chile — UP— Art Larsen of San Leandro, Calif., and his partner, Giuseppe Merio of Italy, have reached the doubles finals of the Chilean International tennis tournament and will be paired against Luis Ayala of Chile and Enrigie Morea of Argentina. Larsen and Merio Tuesday defeated Ivo Pimentel of Venezuela and Carlo Fernandez of Brazil 10-8, 2-6, 6-4 in the semi-finals.

'Friend Of The Boy' Is Optimist Slogan

In the spring of 1954, 30 average Pampans with an above average interest in boys, formed themselves into a group and affiliated with Optimist International.

By so doing they did more than form just another civic club. A report of International Optimism was planted in the Top of Texas neighborhood that will bear fruit for years to come.

The constitution of Optimism lists as objects:

1. To Internationally develop Optimism as a philosophy of life.
2. To Promote an active interest in good government and civic affairs; to inspire respect for law, to promote patriotism and work for international accord among all people.
3. To aid and encourage the development of youth throughout the world.

All of which of course are laudable, if not exactly new ideas. Objective of course, are valuable only in their achievement or to the degree in which they are attained.

United under the Optimist Creed, with a desire to serve mankind, through the helping hand which Optimist Clubs everywhere extend to our youth, the Pampa club has devoted many hours in direct work with boys as most Pampans know.

In the operation of Little League and P-O-N-Y League Baseball and the Boy's Club boxing, many a boy has realized his ambition to be on a team. Invaluable lessons have been learned in sportsmanship getting along with other boys, and playing in accord with the rules.

"As Optimists, we believe in the American tradition of free competition," says John Schoofield, club president. "We believe that in the games on the playground, the gym, or the boxing ring, this spirit is exemplified in a beneficial manner. Good hard play, with a strong desire to win, tempered with teaching that is disgraceful to win unfairly will go far toward instilling

in our boys the same spirit that made this a great country."

This is the aim of Optimism in Pampa. As the newest, and smallest in numbers, service club in our city, they are always ready to assist in civic affairs of all kinds, but the primary aim is to be truly "A Friend of the Boy". They hope to do this work. The citizens of Pampa and the business firms have been very liberal in the support of the programs operated by the club. Without this aid, they could have accomplished very little. It is the club's intention to so conduct its operations that all will feel that fees paid to sponsor a baseball or boxing team, or any other type of endeavor is money well spent, not donated to, but invested in the lives and future of Pampa boys.

These programs cannot be helpful unless they gain the support of the entire community. "This we ask, not money," said Schoofield "but Pampa's encouragement to the boys. An interest shown in their activities. If you like to work with boys, we invite your membership applications."

Bonus Player in Army
WINONA, Minn. — UP— Paul Giel, 24-year-old former University of Minnesota football and baseball star who received a \$60,000 bonus to sign with the New York Giants in 1954, left here Friday to begin a two-year hitch in the Army. Giel lost four and won four for the Giants during the recently completed National League season.

Double Main Event Set For Mat Card

A double main event has been signed for the local mat card Wednesday night November 16th, at 8 at the Top 'O' Texas Sportsman's Club.

A no time limit 2 out of 3 falls bout is scheduled between Dory Funk and Leo Newman. Newman and Funk have been feuding the past 3 weeks. Newman attempting to use a bolt on Funk's head, Funk took the bolt away from Newman and used it on him. Both men leaving the ring a little bloody.

Newman was chosen as a referee last week by all the wrestlers except Funk. Funk was the only negative vote. The rule is, the majority of the wrestlers vote yes, they all must accept the referee. After last week's bout, Funk laid a haymaker on the referee, which pleased the crowd very much. So by popular demand they were brought back to settle their feud in the ring.

The other main event, a 2 out of 3 fall one hour time limit, brings together the former southwest states champion Bob Geigel vs. Art Nelson the present southwest champion.

Both these boys use a rough technique and are capable of exploding anytime. Geigel is going to be out to win this one. If Geigel wins this one he can demand a return match for the championship. There still will be another bout added.

Pampa Rifle Club Holds Local Shoot

An individual handicap 4-position rifle match was held Friday night by members with eight members of the Pampa Rifle and Pistol Club participating. Jim Kirkham ran off with high honors with a score of 405. Cleo Cathey came in second with 401. Elmer Kilpatrick was third with 398. Tony Welker fourth with 383 and W. F. Huff with a score of 388. Also shooting were C. E. Stewart, John Schofield, and Mrs. Schofield.

At an executive meeting held the same time it was decided that Pistol matches within the club will again be resumed Tuesday nights beginning next Tuesday Nov. 15.

A series of pistol matches will follow with the annual Club Pistol Champion to be picked from these matches.

The committee also planned to have a Turkey and Ham shoot on Sunday November 20th. A new rule to be followed in the Turkey Shoot is that the local Rifle Club members will not be allowed to compete against the public. This Turkey shoot will be a combination of skill and luck for the public only with guns and ammunition being furnished.

Bruising Baytown and the Alice Coyotes led a parade of 21 more teams into the Texas schoolboy football playoffs Saturday to bring to 27 the number of places filled in the 30-team playoff bracket.

Baytown smashed Freeport, 27 to 7, to sack up the district 8-AAAA honors, while Alice stomped Pharr-San Juan-Alamo, 23 to 0, to clinch all the marbles in 8-AAA.

In Class AA, defending state champion Phillips led nine more teams into the post-season grind by whipping Shamrock, 60 to 0. Olton made it in District 2, Spur in 5, Olney in 10, Athens in 12, Bonham in 13, Smiley in 17, Nederland in 28 and Westlaco in 32. Stamford in 4-AA already had won a berth.

In Class A, Hale Center in District 3, Sundown in 4, McCamey in 5, Chillicothe in 9, Sealy in 25, Bandera in 28, Hondo in 29, Three Rivers in 30 and Hebbronville in 31 joined the list of five already determined. Rockwall in 12, Van Alstyne in 13, Alton in 18, Crosby in 20 and Franklin in 21 made the grade last week.

Some Races Jumbled Scattered upsets here and there served to jumble some of the races.

Marshall, for instance, kept Texas from clinching the 4-AAA spot by battling the Tigers to a 7-7 tie; Temple knocked Palestine out of the lead and into a tie between the two for the 5-AAAA lead with a 19 to 14 victory; Bellville upset Brenham, 21 to 13, to keep that team from clinching the 2-A crown and left Schulenburg out in front; West Columbia threw 25-AA into a three-way snarl involving West Columbia, Bay City and Boling by upsetting Bay City, 26 to 14; Granbury upset Itasca 20 to 13, to leave Itasca and Glen Rose to battle for the crown next week; Canton and Quitman battled to a 20-20 tie that probably dropped both out of the 15-A running and pushed Lindale into the top seat; Mason knocked Burnet out of the 23-A lead, 32 to 6, and left those two clubs and Liano tied for the lead; San Antonio Northside coasted to the 28-A berth by scrapping that team to a 7-7 tie, thus giving the title and playoff spots to Bandera, and on Thursday night Rio Hondo upset Los Fresnos to toss 32-A into a triple tie involving those clubs and Lyford.

Tyler and Wichita Falls, two of AAAA's undefeated powers, both won convincing victories to set the stage for their 5-AAAA showdown next week. Tyler beat Highland Park, 33 to 13, Wichita Falls trimmed Waco, 28 to 0.

Grand Prairie Falls Corpus Christi Miller also joined Tyler, Wichita Falls and Baytown among the perfect record teams

with a 42 to 12 victory over San Antonio Brackenridge. State champ Abilene, the fifth of the select teams, plays at Lubbock Saturday afternoon.

Grand Prairie was culled out of AAA's unbeaten, untied ranks, 19 to 0, by Cleburne, leaving only Alice and Garland, which romped past Irving, 45 to 19, in that group. Texarkana stayed among AAA's unbeaten but tied ranks as did Levelland by bouncing Vernon 32 to 6, and Beaumont South Park by whipping Beaumont French, 46 to 20.

Stamford, Spur, Graham, Terrell, New London, Gladewater, Killen, Gonzales, Refugio and Westlaco remained unbeaten and untied in Class AA, where Lampasas, Phillips, Port Lavaca and Nederland were unbeaten but tied.

In Class A, Albany, Chillicothe, Levelland and Vanderbilt held onto perfect records, while Stinnett, Hondo, Deer Park and Bandera were unbeaten but tied. Iowa Park and Los Fresnos dropped out of the latter category.

Lewisville remained the state's highest scoring team with a 51 to 6 victory over Bridgeport to run its total to 456 in nine games.

Vic Seixas Accepts Invite To Sugar Bowl Tournament

NEW ORLEANS, Nov. 12—UP—Vic Seixas, the nation's No. 1 amateur tennis star and member of the U.S. Davis Cup for the past four years, has accepted an invitation to the Sugar Bowl tennis tournament here Dec. 29-31, Chairman Douglas Watters said Saturday.

Seixas will play in the singles and doubles. His partner for the doubles match will be selected later in the tournament.

Tony Trabert's recent decision to turn professional propelled Seixas to the No. 1 ranking player in U.S.

Packers Replace Player GREEN BAY, Wis.—UP—The Green Bay Packers Tuesday released a substitute quarterback Charlie Brackens and signed Paul Held, a former San Diego State player, as his replacement. Held played with the Pittsburgh Steelers last season.

He has held many of the important singles titles during the last six seasons and teamed with Trabert at one time to make one of the finest doubles teams in the history of the sport.

Seixas is no stranger to the Sugar Bowl, having paired with Ted Schroeder, the hustling professional, in 1948 to win the doubles title here.

Chairman Watters said he expects the finest entry list in years, including several international players. The tournament will be staged at the New Orleans Country Club.

Skellytown Lions Entertain Football Boys And Fathers

Panhandle Outdoor Life

By S. V. WHITEHORN Have you ever wondered why your shotgun or rifle kicked so hard when others of the calibre or gauge didn't have half so much recoil? If you have one of these hard-kicking guns, perhaps it would be wise to have a competent gunsmith examine the firing piece. Guns with too much head space (the shell or bullet too loose in the chamber) are apt to be in the hard-kicking class. This wallop within itself isn't so dangerous, but a gun lacking the proper headspace is apt to be highly dangerous, especially those guns in the high-powered rifle group.

With deer and turkey season just around the corner, be sure to have your gun examined if in doubt. Frank Addington at Pampa, we understand, has an expert gunsmith-who makes the rounds and takes care of the gunsmithing for Addington Western Store.

Bill Kingsdale, located at Dolly's Gun Shop in Borger is also an expert in this art.

There has been some confusion about the deer and turkey season here on the high plains. As I have listed before, so will I again.

Here are the correct dates and bag limits: November 19 marks the opening days with all the Panhandle having ten days of deer and turkey hunting with exception of Hutchinson County, which will have thirty days.

In other words, the season for Hutchinson County closes December 18.

The yearly bag will be one pronged-horned buck, plus two turkeys, not more than one of which might be a hen.

In the past, some of the hunters have dressed their deer in the field removing all evidence of sex. This is in violation of the hunting laws and will be strictly enforced. BE CERTAIN THAT YOU DO NOT REMOVE THE EVIDENCE OF SEX. Just leave the head attached

SKELLYTOWN — (Special) — The Lions Club recently entertained the football squad and their fathers with a banquet in the grade school cafeteria. Boss Lion, L. Barrett welcomed the boys and their fathers.

Coach Jim Wood of Skellytown and Coach Otis Holliday of White Deer both made short talks. Coach Wood introduced the members of the Skellytown Panthers. Coach Holliday narrated a film on the game between White Deer and Wellington.

Miss Judy Jones, football queen, was presented and crowned by team captain, Dick Hanna.

The Skellytown pep squad served at the banquet. Place cards were miniature footballs.

Attending were the members of the Lions club, the fathers and their sons, Eddie Reed, Don Hoskins, Kelly Brown, Dean Reed, Mac McAllister, Donald Carter, Thomas Lester, Tommy Mercer, Charlie Coleman, Brian Cody, Jerry Braddock, Wayne Kreis, Ronnie Hess, Roger and David Crawford, Jimmy Dalton, Harold Brand, Lawrence Martinez, Dick Hanna, Johnny Spense, Carroll Russell, Joe Downs, Jerry Fitch, Otis Hassler, Lee Kimball, Bob Moore, Bob Parsons, Homer Lester, Rickey Lowe, Jerry Stevens and Eddie Pannell.

In the past some ranchers have allowed only a limited number of bucks killed on their ranches in order to insure an adequate supply of bucks. This appears to be erroneous.

Each year there is a number of "spikes" around that are not legal bucks. Due to the early cold weather you can depend on the bucks moving. The breeding season will be in full swing, thus the bucks will be on the move.

Last year and the year before the weather was warm and the sought-after animals kept to the brush and sand hills.

There will be more turkey killed this year because of allowing one hen in the hunter's bag. Each hunter is allowed two turkeys, not more than one of which can be a hen. The thirty-day hunting period in Hutchinson County will allow more game harvested than in previous years. However, due to the findings of the authorities, the Wildlife Biologists, this is in keeping with good game management practices.

Peg O' Pampa

BR-R-R-R... don't you agree? ... Peg really does enjoy the nippy weather we've been having, though... makes you feel so energetic... like cleaning the house... or the cupboards... or doing some other chore you've left until you "had the time"... it's so nice, after having been out in the brisk air, to come into a warm house and huddle around the fire... and the kids come in from school... all breathless and rosy checked, more hungry than usual... Peg loves the crackling of the fallen leaves when she walks through them... one thing, though... she sure wishes it would either stay cold... or play warmed up a little... it's this switching around so fast that's hard on folks... Peg's fold has escaped the flu and colds, so far, but so many haven't... All in all, Peg is enjoying this fall a great deal... wishes we'd have lots of nice snow... for the moisture content... as well as the beauty... Peg just loves a white Thanksgiving... and most of all, a white Christmas.

The only people who never fail are those who never try. (Ika Chae)

THERE'S AN AIR OF EXCITEMENT around the Episcopal Church these days... the new parish house is about to be officially opened... and it is sure nice... the ladies are putting the finishing touches on things they are making for the bazaar... and they have some lovely things that required a lot of painstaking care... a lot of effort and creative ability... they have Christmas-tree covers for bottles... all beautifully decorated with sequins and beads... darling dolls, gorgeously dressed... wreaths of candy... must have taken a lot of time and patience to string each of the many pieces of candy on the wire... pretty and bright "skirts" for the base of the Christmas tree... lovely jeweled pillboxes and other items that you wouldn't ordinarily expect to be jeweled... but that look so, so chic that way... Ted Hicks, who is chairman, said she went to a bazaar in Dallas or Fort Worth, Peg can't remember which... anyway she said the things they had weren't half as nice as those the Pampa women have made... which only goes to prove again, how much talent we have here... one lady remarked that the bazaar was going to have the appearance of a Winter Wonderland... Peg doesn't doubt it, from the peak she's had at some of the items... it's going to be Thursday and Friday in the new parish house... a fitting housewarming, Peg thinks.

Success in life depends upon persistent effort, upon the improvement of moments more than upon any other one thing... if one would be successful in the future, let him make the most of the present. (Mary Baker Eddy)

POTPOURRI... the recent formal dance at the country club was really a gala affair... it was marked by quite a few pre-dance parties... the Bob Triplehorns, and the Jim Triplehorns had a joint party... lots of people there... Hilda and Ray Duncan had one too... in their new home, which is beautiful inside... believe the Charles Hickmans Jr. were co-hosts with the Duncans... understand Frances and George Hofess missed the pre-dance activities because they were busy helping decorating the ballroom... at the dance, spied Johnnie and J. C. Daniels... Johnnie looked lovely... all the formal wear was gorgeous... Peg was interested in the fact that almost all were the short kind... guess we're getting away from the long, floor-sweeping type... Majaunta and Forrest Hills were there... along with Mary and Carl Hills... Frances Cree was simply gorgeous in blue... little Mary Ann Guthrie sang with the band... she looks wonderful... she added a lot to the dance... the many friends of the Doug Nelsons will be interested in hearing that Doug is now the minister for the Presbyterian church in New Haven, Conn... believe he takes over the pulpit today... Varietas Club had a lovely guest-day tea this week... Evelyn Nace looked so nice in a sort-of-smoky blue dress... Dord Fitz showed slides and spoke... liked the way he showed how the ideas, concepts or thought-trends of the various ages are reflected in the art of that period.

The man who wakes up to find himself famous has not been sleeping long. (John Newton Baker)

THE BASEMENT OF THE CITY-HALL was the scene of much activity Thursday night, Peg was told... a pecker-inner would have seen the boys from the Esquire club... Girl Scouts and their leaders... and Optimists Club members lined up at one long table and two smaller ones... stamping, stuffing, and sealing envelopes which were piled high along the tables... the reason for the activity is the coming Optimist drive for funds so the club can purchase land on which to put a clubhouse for the boys' boxing program... and on which to build baseball diamonds for the Little, P-O-N-Y and Teenage baseball program... it's not to be confused with the Civic Youth Center project... this is entirely different... This is to provide a place for the activities the club sponsors for Pampa's boys... Peg thinks the club is to commend for its fine work with the boys... sure hope the community backs them up... they put forth the work and effort... they have the equipment... they just want a place to put it all and to carry on their sports' project for our boys.

We have forty million reasons for failure, but not a single excuse. (Rudyard Kipling)

A LOT OF PAMPANS are buzzing around now talking of plans for floats for the Christmas parade Dec. 2... it may seem strange to be thinking about Christmas before we've had Thanksgiving, but they come close together... Our kids sure do enjoy that Santa's Day parade, too... the clubs and businesses entering floats can use any theme they want as long as it is related to Christmas... it's so much fun to see what each group comes up with... and, of course, each group guards its theme pretty well... meaning they try to keep it a secret... enhances the fun, n'est-ce pas?... there will be prizes and plaques for the floats... prizes for children's costumes which are to represent comedy, cartoon or famous characters... and prizes for children's pets... Peg and Peg's kids are really looking forward to it... oh, yes!... and Santa has promised to be present!

To find a career to which you are adapted by nature, and then to work hard at it, is about as near to a formula for success and happiness as the world provides. (Mark Sullivan)

THE LADIES GOLF ASSOCIATION closed its season Friday with a flower show and luncheon... Ted Hicks has done a wonderful job as president... and Marg Brauchle arranged some fine programs... Everyone was so glad to see Alice Scheig back for a visit... she's here for the birth of her grandson... Phyllis and Jack Curtis are her daughter and son-in-law... Marie Post and Robbie Mason over from Borger... spied, Florence Esmond... Johnny Daniels... Mrs. Jack Merchant... Lulu Kuhn... Mrs. Jess Clay Norma Hrdlicka... Mary Johnson... Mrs. F. M. Culbertson... Lois Watkins... Mrs. E. A. Herriman... Floy Heath... Lil Hall... and Sally McGinnis to name a few... Dottie Overton won the orchid given during the flower show at Parker's Blossom Shop... Miriam Luedders announced the new officers... Hazel Nation was chosen president... she certainly will make a good one.

There is nothing final about a mistake, except its being taken as final. (Phyllis Bottome)

ARE YOU THINKING and planning for what I am? ... Thanks, giving!... I've had visions of turkey and dressing, cranberry sauce and pumpkin pie flashing through my mind for weeks... and the relatives and family all gathered around... nothing better, except Christmas.

By now, Peg

Miss Peggy Schaffer Becomes Bride Of Doyle Beckham In Double-Ring Rite

Miss Peggy Lou Schaffer became the bride of Doyle H. Beckham at 4 p.m. Nov. 6, in the Baptist Church of Groom. Rev. L. E. Godwin officiated for the double-ring service. The bride is the daughter of Mr. and Mrs. Claude Schaffer of Pampa, and the bridegroom is the son of Mr. and Mrs. H. T. Beckham, 417 Doucette.

The couple was married before an altar flanked by baskets of white mums, white candelabra with white tapers and palms. Mrs. Jack Martin, organist, played traditional wedding music, and Mrs. Bill Davies, sang "I Love You Truly," "O, Promise Me" and "The Lord's Prayer."

The bride given in marriage by her father, wore a gown of white lace over taffeta. The fitted lace bodice that closed in back with satin-covered buttons, was styled with a tulle yoke and a pointed lace collar accented with sequins. The long lace sleeves came to petal points over her hands. The bouffant lace skirt was ballerina-length, and she wore a single strand of pearls.

Her scalloped waist-length veil of nylon tulle fell from a half-hat outlined with satin leaves and covered with seed pearls. She carried a bouquet of white spider mums with silver centers, tied with silver ribbon. She carried out the tradition of something old, new, borrowed and blue and placed a penny in her shoe.

Matron of honor was Mrs. Faye Hicks, sister of the bride. She was attired in a princess-style, street-length dress of silver lame, with a v-neckline and a bow in the back with waist-length streamers. She wore a rhinestone necklace and earrings, a gift of the bride, silver shoes and white net mitts. Her headband was of ruffled blue and silver ribbon, and she carried a bouquet of white mums and silver oak leaves, tied with blue ribbon.

Miss Jean Schaffer, sister of the bride, was candlelighter. Her gown was identical to that of the bridesmaid, and she wore a wristlet of white carnations. Flower girl was Jamulou Schaffer, niece of the bride. She wore a blue antique taffeta dress, styled like that of the bridesmaid and carried a blue and silver basket filled with mum petals.

Wilbur L. Stevens of Pampa served as best man. Ushers were James E. Schaffer, brother of the bride; and Harold T. Beckham, brother of the bridegroom. Jasper Hicks, nephew of the bride, was ringbearer.

The mother of the bride wore a navy blue wool crepe dress with navy blue and pink accessories. The bridegroom's mother wore a navy blue suit with white and navy blue accessories. Both wore corsages of pink carnations.

Following the ceremony, a reception was held in the church hall. The serving table was covered with a white linen hand-drawn cloth over blue, centered with the bride's bouquet. The centerpiece was flanked by white tapers in silver candelabra. The white three-tiered wedding cake was decorated with roses.

MR. AND MRS. DOYLE H. BECKHAM (Photo by Smith's Studio)

Mrs. Howard Ogle served the cake, and Mrs. James Stroope presided at the punch bowl. Guests were registered by Mrs. James Schaffer. Others assisting were Mrs. Tom Schaffer, M. G. Husted, Melvin Asberry, and Floyd Knight.

For the wedding trip, the bride wore a rose tweed suit with white and black accessories. Her corsage was of spider mums.

The couple is at home at 519 Purviance, Pampa.

The bride was graduated from Groom High School and attended Texas State College for Women. She has been employed by Security Federal Savings and Loan Association in Pampa. The bridegroom attended Pampa High School and served eight years in the army. He is employed by Leland Grocery and Market, Pampa.

Miss Gayle Campbell, daughter of Mr. and Mrs. Taylor Campbell, 1214 S. Barnes and A. E. Edward Melson of Decatur, Ala., were married Thursday evening in Tucumcari, N.M.

The bride wore a tan fox suit with brown velvet hat and brown and tan accessories. Her corsage was of white spilt carnations.

Matron of honor was Mrs. Rudell Heise of Amarillo, aunt of the bride. She wore a tan corduroy dress with brown accessories.

A. C. Jimmy Massingale of Memphis, Tenn., served as best man. The couple will be at home at 1203 N. Fillmore, Amarillo.

The bride was graduated from Pampa High School. The bridegroom was graduated from high school in Decatur, Ala., and is now stationed in Amarillo with the Air Force.

Wesleyan Service Guild Has Program On Laws, Health, Customs Of Indians

The Wesleyan Service Guild of the First Methodist Church met recently in the home of Mrs. W. A. Spoonemore, 617 N. Gray, with Mrs. Sherman White as co-hostess. Opening prayer was led by Mrs. W. C. Hutchinson, president, who also led the short business session. Miss Inez Clubb led the study, "Within Two Worlds," in the absence of the study leader. She discussed the laws affecting the Indian Americans and the health conditions of the Indians and what is being done to improve them.

Shower Presented For Gayle Campbell

A miscellaneous bridal shower was presented recently for Miss Gayle Campbell, bride-elect of A. C. Edward Melson of Decatur, Ala., in the home of Mrs. Bill Green, 1214 S. Barnes. Co-hostesses with Mrs. Green was Mrs. Clarence Horton. Guests were registered by Mrs. Rudell Heise of Amarillo, aunt of the honoree. The honoree was presented a corsage fashioned from kitchen gadgets. Mrs. Taylor Campbell, mother of the bride-elect, was presented a corsage fashioned from needles and thread on a pin cushion.

The serving table was covered with a lace cloth and centered with an arrangement of yellow and white chrysanthemums. Flanking the centerpiece were white tapers in crystal holders. Refreshments of cake, pinch and nuts and minis were served. Mrs. M. E. Mahon, grandmother of the honoree, served the cake, and Mrs. Horton presided at the punch bowl. Approximately 40 persons attended or sent gifts.

RUTH MILLETT

A man asks: "Why do so many women make a habit of pointing out their faults and shortcomings?" He goes on to say that recently he and his wife ran into a one-time neighbor they hadn't seen in months when they were shopping at a supermarket. They were delighted to see her but her first comment was "Oh dear, I look such a mess I hope I wouldn't see anyone I know." "Her remark let us down flat. And as a matter of fact, we probably wouldn't have paid much attention to how she looked if we hadn't insisted on our noticing by her embarrassed apologies." "He's right. Unlike most men, many women do make a habit of calling attention to their faults and shortcomings. They're always saying, "My hair looks such a mess." "I'm ashamed to have you see the house looking this way." "I'm so stupid about such-and-such." "There I go, putting my foot in my mouth again." In making these remarks and in others like them they are advertising two things that shouldn't be advertised. They are saying, in effect, "I'm more interested in myself and the impression I am making than in anything else." And then, of course, they are calling attention to the failing that they should be hoping will go unnoticed. That is why the woman who is forever calling attention to her faults has so little charm for others. She can't forget herself long enough to show a real interest in others. Yet at the same time she is implying that she really isn't very much after all.

Campbell-Melson Vows Exchanged

Dord Fitz Speaks On Art And Attitudes During Guest-Day Tea Of Varietas Club

Dord Fitz, Pampa area artist and art instructor, was featured speaker at the recent guest-day tea of the Varietas Study Club in the Lovett Memorial Library. His topic was "Art and Attitudes."

"This world belongs to God, and we are all a part of it," Fitz stated. "Everywhere you look in this wonderful world of power and beauty. All parts of the world are beautiful and all ideas."

Fitz emphasized the points he stressed with slides. He began with nature scenes, stating that the artist is inspired by all parts of the world.

"Man was born into this world with the ability to do a great many things," he pointed out.

He illustrated this by showing drawings from 400,000 B. C.

"I have a feeling this was a very sophisticated age," he commented. "I can hardly believe this belonged to the so-called cave man."

"He showed slides of Egyptian art, explaining that the Egyptians believed in eternal things, and showed a picture of a statue from the 'Golden Age of Greece,' which he said was 'an intellectual and emotional abstraction,' and 'idealized conception of a human face.'"

"The art of a time is molded by the attitudes of the time," he explained.

He continued by showing slides of a religious mural of the great prophets painted by De Vinci.

"De Vinci was a great mind," he commented, "and it takes a great mind to make a great painting."

Mrs. Otis Nace, president, led the meeting, and introduced the speaker. The serving table was covered with a pink linen cloth and was centered with an arrangement of 'thistle and English heath' flanked by tapers in silver candelabra. Refreshments of tea sandwiches, cookies and coffee were served. Mrs. H. P. Dosier is social chairman.

Attending were Mmes. Luther Pierson, S. C. Evans, J. R. Spearman, James Hopkins, H. P. Dosier, G. C. Sims, E. H. Eaton, Clyde P. Conover, W. C. Hutchinson, W. Purviance, Maude M. Hall, R. W. Lane, M. REV. AND MRS. J. NEAUL HAYNES

Vivian King And Rev. J. Neaul Haynes Are Wed In Double-Ring Rite In Dallas

Miss Vivian King of Dallas and Rev. J. Neaul Haynes of Pampa were married at 8:30 p.m. Oct. 26, in the Haynes Chapel, Dallas. Rev. M. B. Ellison officiated for the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Henry King of Dallas, and the bridegroom is the son of Bishop and Mrs. F. L. Haynes of Dallas.

Given in marriage by her father, the bride wore a gown of white chantilly lace and nylon tulle. The moulded bodice was styled with a boat neckline and long lace sleeves. The bouffant skirt of tulle was fashioned with lace panels at the sides. Her fingertip veil of illusion fell from a floral headpiece, and she carried a bouquet of white orchids and baby carnations.

Miss Emmor Broden was maid of honor. She was attired in a yellow taffeta gown with matching hat and carried a bouquet of white asters. Bridesmaids were Misses Maxine Haynes, Claudia Hooper, Mozell Williams, James Ola Harris, Deborah Turner and Marelle Howard. All wore gowns similar to the maid of honor and carried bouquets of white carnations.

Miss Haynes' gown and hat was melon-colored; Miss Hooper, aqua; Miss Williams, mint green; Miss Harris, pink taffeta; Miss Turner, blue; and Miss Howard, scarlet.

Samual Haynes served as best man. Ushers were Leon King, James Howard, Abner Haynes, Charles King, and Edward Kyle, all of Dallas and Donald Procter of Pampa.

Decorations in the church included fern, candelabra, and baskets of sweet peas. Organist was Enoch Ross, and James McCrary, vocalist, sang "Because."

The mother of the bride wore a blue suit with white accessories, and the bridegroom's mother wore a navy blue suit with powder blue accessories. Both wore corsages of white asters.

Following the ceremony, a reception was held in the home of the bride's parents. Decorations were arrangements of sweet peas, fern and asters. Assisting were Mrs. E. H. Duke of Pampa and Mrs. Ethel Cochran of Dallas.

For the wedding trip to Paris, Texas, the bride wore a charcoal gray suit with pink accessories. Her corsage was of pink carnations.

The couple is now at home at 404 Oklahoma.

The bride was graduated from Prairie View A&M College where she received her bachelor of science degree in education. The bridegroom received his bachelor of science degree in psychology from Denver University. He is pastor of the Pampa Church of God in Christ.

Mrs. Burl Graham Feted With Shower

Mrs. Burl Graham was honored with a baby shower recently in the home of Mrs. E. K. Hanar, 405 Lowry. Co-hostesses with Mrs. Hanar were Mrs. E. D. Tucker, Norman Schale, K. L. Green, Jack Tregillas, E. B. Jackson, L. H. Kirkendall, C. N. Gage and O. H. Odom.

The guest register was decorated with a hand-painted picture of a sleeping baby. The honoree was presented a corsage of pastel pink, green and yellow baby socks.

The serving table was covered with a white cutwork cloth, centered with a horn-of-plenty filled with white and yellow chrysanthemums. A color scheme of pink, yellow and green was carried out in the diaper-shaped nut cups and the baby-gown napkins.

Refreshments of cake and punch were served. Mrs. Gage and Mrs. Green served the cake and the punch.

About 25 persons attended or sent gifts.

Representative Grainger McIlhany And Mrs. Knox Kinard Give Citizenship Talks

El Progresso Club met recently in the home of Mrs. L. Edmund Kirby for a program on citizenship, presented by Mrs. Knox Kinard and representative Grainger McIlhany of Wheeler.

"Tapestry of Citizenship" was Mrs. Kinard's topic. She likened a beautiful wall tapestry, "The Change of the Guard," to the country's history. She stated that each person in the country's history has been like a thread, some colorful, some drab, each playing a role, making a contribution as it has been woven into the whole.

She named the Hobarts, Browns, Bucklers, Ledricks, Ewings and Lovetts as threads in the "tapestry" of the Pampa area history.

"Legislation And You" was representative McIlhany's topic. He explained the structure of the state legislature with its two bodies — the Senate with 31 members and the House of Representatives with 150 members. Redistricting may take place with the shift of population, he stated, but the number of state Senators and Representatives remains the same.

The senate is headed by the Lt. Governor McIlhany explained, adding that the Lt. Governor is a key figure as he appoints committees and is responsible for making the calendar.

The speaker of the House holds a similar position in the House of Representatives, he explained.

McIlhany went on to tell of some of the jobs of the legislature and the work of the various committees. He pointed out that no member of the legislature can be an expert in the many varied fields that come up for consideration.

In closing, he advised the women to elect members of the legislature carefully to vote for or against constitutional amendments, to let the representative know their opinions on legislation being considered or that which they feel needs to be considered.

Guests at the meeting were Mrs. Grainger McIlhany and Mrs. Don C. Boyd.

BABY

Baby's first tooth seems to be a long time coming and he does love to bite and chew while it's on the way. One mother finds a raw carrot makes enjoyable gnawing for the toothless. It's inexpensive and easy to clean. Don't try this after a tooth has come in, however, for Baby will get a bite out of it.

A quick route to utter distraction is a day in the infants' clothing department. Does Baby wear a size 2, a year-old size, a 25-pound size or what? Answer: take along overalls that fit comfortably and compare leg length, crotch length, strap length and waist measure. Taking Baby is madness.

"Where did Baby go?" wondered one mother. She found him shut inside a clothes closet. That was the day she put hook-and-eye hardware on the doors, about five feet off the ground.

20th Century Club Is Given Speeches On Mental Health

Twentieth Century Club met recently in the home of Mrs. Fred Neslage, with Mrs. V. J. Jamieson presenting a program on Texas' mental hospitals, as part of the year's study, "A Study in Daily Living."

"At present, there are as many patients hospitalized for mental disorders as there are for all other sicknesses combined in the state of Texas," she reported.

Mrs. Roy McKernan presented the second part of the program. "There is no basic conflict between psychiatry and faith," she told the women, emphasizing the need for love, patience and compassion of persons for their fellow man.

She stressed that instead of building more mental hospitals, perhaps more thorough care should be given the present inmates so they could be dismissed to make room for incoming patients. She concluded by telling of the improvements made by new medicines for the mentally ill in hospitals throughout the country.

Mrs. W. R. Campbell led the pledge to the flag and presented the devotional. The reading of the club collect was led by Mrs. Jamieson, and Mrs. E. L. Campbell presided, led the business session.

Members present were Misses Lorene Locke, R. J. Hogan, E. L. Campbell, Lloyd Hicks, Roy McKernan, V. J. Jamieson, H. R. Thompson, C. E. High, Ronald Hubbard, Traylor Price, J. E. Massa, Joe Gorton, Dick Stowers, George Vineyard, W. R. Campbell, J. Kirk Duncan, Fred Neslage and I. B. Hughey.

RUTH MILLETT

Maybe it's all right to save your best for company in the matter of fine china, delicate table linens, and fragile glass. Everyday use can be hard on such things as these.

But certainly no woman can find any excuse for saving her charm, her appreciative laughter, her understanding smile, her relaxed manner, and her most pleasant tone of voice for company use.

Such graces as these improve with daily use and grow more natural and appealing the more they become a part of a woman's everyday personality.

Why then do so many women hoard their charm, their pleasing qualities, their laughter and their gentle tones of voice, denying their families the right to see them at their best unless company is present?

Next time you start to yell at the children, or to listen impatiently while Junior starts to tell you a long and involved story, or neglect to laugh at a wisecrack made by a member of the family, or throw a fit because a child spills something or tracks mud into the house, stand off from yourself and see what you look like and hear how you sound.

It won't be the same as if a guest were present and you were determined to appear charming, would it?

Why not start thinking of the members of your family as being every bit as deserving of your best self as the most important guest?

Your family will find you more pleasant to live with. You may even find it easier to live with yourself.

Attorney Explains Legal Principles To BSP Chapter

A general insight into a few fundamental principles involved in legal transactions was the topic of the Upsilon Chapter of Beta Sigma Phi program at its meeting recently in the City Club Rooms. Roscoe C. Elmore Jr., attorney for Cabot Carbon Company, was guest speaker. A brief resume was given on kinds of wills involving guardianships, community property and homesteads. Elmore concluded the discussion with an open question period.

Mrs. Buck Buckingham introduced Elmore, a native of Fort Worth. He is a relatively new resident of Pampa, having joined the Cabot organization within the past year.

After a short business meeting, refreshments were served from a table carrying out a fall theme. Members present were Mmes. Thelma Bray, Buck Buckingham, Leon Crump, Terry Culley, Homer Deck, Harold Fabian, Bill Garrett, Norman Henry, Malcolm Hinkle, Euelah Ivey, Bob Johnson, Bill McComas, Clifford McNeely, Sanford Ousley, and John Pittsberger. Mrs. Earl Lauther, president of Rho Eta chapter of BSP, was a guest.

McLean OES Has A Friendship Night

McLEAN — (Special) — McLean Chapter, OES, held a friendship meeting in the Masonic Hall. Mr. and Mrs. Clyde Dwight, worthy matron and worthy patron, presided.

Grand officers presented were Mrs. Katherine Harbour, Shamrock district deputy grand matron of District 2; and Mrs. Goldie Axtell, Amarillo, deputy grand matron, District 2, Section 2. Other chapters represented were Pampa, Amarillo, Shamrock, Panhandle, White Deer, Bonita, Wheeler, Borger and Groom.

A musical program was presented by the members of the F. F. A. band, and Miss Caroline Stokes. Following the program, refreshments of ham, beans, salads, and coffee were served to 107 members and visitors.

For an inviting breakfast treat serve a bowl of cranberries topped with slices of fresh red Delicious apples.

School-lunch idea that's sure to please the youngsters is the addition of thin slices of unpeeled red Delicious apples to ham, beef or pork sandwiches.

Sibyl Winifred Willis, James Holdeman Marry In Double-Ring Rite In Perryton

PERRYTON — (Special) — The People's Chapel was the setting for the wedding of Miss Sibyl Winifred Willis and James Harold Holdeman recently.

The bride is the daughter of Mr. and Mrs. Luther Willis of Briscoe, and the bridegroom is the son of Mr. and Mrs. Harold Holdeman, 8 E. Brillhart Ave.

Rev. R. F. Jones officiated for the double-ring ceremony. The couple was married before an altar entwined with greenery and white carnations with white tapers in branched candelabra at either side. Mrs. J. M. Randolph played a medley of nuptial selections and accompanied Alton Montgomery as he sang "Because." The traditional wedding marches were played for the processional and the recessional.

Given in marriage by her father, the bride wore a gown of white satin and net. The scalloped long torso bodice was designed with a low scooped neckline and short sleeves. The bouffant skirt was of net over satin. She wore elbow-length lace gauntlets. Her lace fingertip veil fell from a calot-embroidered with sequins. She carried a bouquet of white asters showered with silver streamers.

Miss Elaine Fisher was maid of honor. She wore a ballerina-length blue taffeta dress and carried a bouquet of white chrysanthemums.

Following the ceremony the bride's parents were hosts for a reception in the church parlor.

The bride's table was covered with a white lace cloth over blue and decorated with an arrangement of pink carnations. White tapers in crystal holders were at either side of the three-tiered wedding cake, topped by a miniature bride and bridegroom. Mrs. Willis served the cake and Mrs. Holdeman served punch.

For a wedding trip to Carlsbad, the bride wore a navy blue wool suit with black accessories. Her corsage was of red roses.

The bride was graduated from

Briscoe High School and Southwestern Bible Institute at Waxahachie. The bridegroom was graduated from Perryton High School and Southwestern Bible Institute. He is employed by Perryton Liquefied Gas Company.

Out-of-town guests included Mr. and Mrs. Lem S. Fisher of Canyon; Kenneth Fisher of Norfolk, Va.; Miss Nancy Coleman and Don White, both of Amarillo; and Mr. and Mrs. Oren Fisher, Ann Jamie and Kay, all of Canyon.

Social Meet Held By Perryton Club

PERRYTON — (Special) — Mrs. C. B. Pyles, 905 S. Colgate, was hostess to her bridge club recently. A dessert course preceded bridge play. An arrangement of chrysanthemums decorated the dining table.

Guests present were Mmes. H. J. Boisdorf, A. C. Witt, John Botin, Aldon Bell, H. C. Brillhart and A. V. Goff. Others present were Mmes. R. B. Orrill, Virgil Castle, LeRoy Hartman, Harlan Hawk, W. C. Herndon, J. H. Stephenson.

Mrs. Brillhart held high score for the guests, and Mrs. Hawk held high score for members.

Junior High PTA To Meet Thursday

The Junior High School Parent-Teacher Association will meet at 8 p. m. Thursday in the school auditorium. The program will be a panel discussion on behaviorism of the teenage youngster.

Following the meeting, refreshments will be served by mothers of eighth grade students. Mrs. Bob Triplehorn is in charge of this committee. Assisting her will be Mmes. T. J. Worrell, H. T. Havenhill, Joe Tooley, A. A. Sturgeon, Bernard Boyd, B. M. Underwood, E. J. Barnes, Bob Andis and C. C. Campbell.

PENNYWISE CHICKEN CASSEROLE served with cabbage and apples will save pennies and taste good, too.

COOK'S NOOK

Pennywise Chicken Casserole Served With Cabbage And Apples Is Delicious

By GAYNOR MADDOX, NEA Food and Markets Editor From Chicago, Katherine B. Niles, distinguished poultry recipe expert, sends enthusiastic reports on her newest recipe, Pennywise Chicken Casserole. It will save pennies, she says, and it tastes wonderful.

She says this dish is a mint of good eating, and she adds that broiler-fryers will satisfy robust fall appetites. There is economy, too, in the preparation. The foods are simply arranged in three layers and left to bake in an aromatic vinegar sauce. The chicken cooks to a rich brown as it bakes. No pre-browning is necessary.

The crispness of the green cabbage comes from large 1½-inch wedges which cook to just the desired doneness by the time the chicken is done. Leave the autumn-red skin on the apple rings and cut them at least half an inch thick. This way the apples will keep their appetizing appearance.

JUST LIKE DADDY—Racing driver Ken Tyrrell, who competed in many events in his auto at the meeting in Silverstone, England, is helping his six-year-old son, Bobby, with the boy's small car. Bobby was competing in the "Junior Grand Prix," in which sons and daughters of the racing drivers took part.

GOING DOWN TO DEFEAT—Frenchman Pierre Langlois, right, battled Gino Rossi of Italy in the Palais des Sports in Paris. Langlois, recent challenger of world middleweight champion Carl "Bobo" Olson, won on points.

LIVING IT UP—Acrobat Hilda Klein climbed the flagpole atop a building in Birmingham, Ala., for a better view of the city. The fact that Hilda was also appearing in the Alabama State Fair had something to do with her daring.

ALL AROUND TALENT—Ted Williams, hard hitting outfielder with the Boston Red Sox this past season, is displaying a brace of Atlantic silver salmon he had just taken on the Cains River in New Brunswick, Canada. Williams is an acknowledged master of fly casting with light tackle.

PICTURE SPORTS NEWS AROUND THE WORLD

BEGINNER'S LUCK—Twelve-year-old John Stephenson, left, of Belfast, Me., went hunting with his father on nearby Frye Mountain. The lad watched as older, more experienced hunters with dogs walked by this big cock pheasant. Then John picked off the bird with his .22 rifle and showed it to his younger brother, Roger.

THE REAL THING—Shapely Jill Jarmyn of CBS Radio's "Gunsmoke" series demonstrates the costume a sheriff's assistant in Dodge City might wear to get her man in 1955. It's most becoming to Jill, as anyone can see, and she should bring in a lot of victims.

FAREWELL TO SUMMER—Taking advantage of a balmy October Sunday, sailing fans in Berlin turned out en masse in the American Sector Wannsee Lake. Winter weather isn't too far away, and it may have been a farewell to this summer sport.

LAZY BASEBALL—Singing star Walter Slezak and his seven-year-old son, Leo, have a new version of the game in their backyard in Larchmont, N. Y. The ball is attached to a block with an elastic cord so that it comes back by itself and the 280-pounder doesn't have to chase it.

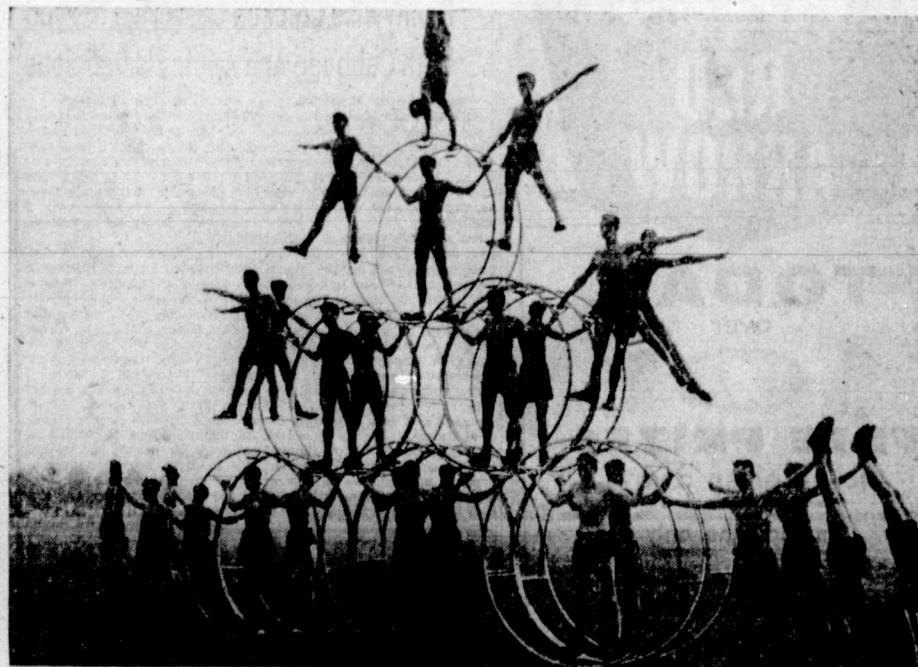

THE ONCE-OVER—Terry Brennan, starting his second year as coach of Notre Dame, in South Bend, Ind., spends his time before each game roaming the field to check his team on place-kicking, passing and other phases of the workout. In top photo, Brennan is watching his star quarterback Paul Hornung practice place-kicking. Below, Brennan is being watched attentively by some members of his team.

BACKYARD BOOTER—Four-year-old Michael Acerra found he can have just as much fun in his own backyard in Hicksville, N. Y., as bigger lads have on the gridiron. Mike's helmet is a perfect fit, but his jersey is a wee bit oversized for that strenuous activity he's undergoing. But he ought to make out all right, just the same.

SURE TO SCORE—Canadian table tennis stars Denise Lebrun, 20, left, and Suzanne Pelletier, 18, are ready to serve up morale-boosting exhibitions of their skill to U.S. GIs at overseas posts. The pretty ping-pongers will soon leave Montreal, Quebec, to join a group of sports figures to tour U.S. Army bases in the Far East.

COPPER PILE—Some members of the West Berlin police force gymnastic team are shown practicing one of the routines they frequently perform in public. Using gyro-wheels, 26 of them form a human pyramid. It's obvious that these lads are really on their toes, but some of them seem equally at home in standing on their hands.

IRRIGATION WELL

C. S. West, operator of the Ivy Duncan Farm, three miles north and east of Pampa, stands by a new irrigation well recently completed on the farm. A six-inch water well, it was drilled to a depth of 497 feet. The top of the water is 340 feet from the surface and 125 feet in the hole. The pump, set at 400 feet will pump 500 gallons of water a minute. The water will irrigate 70 cultivated acres and 40 acres of native grass. (News Photo)

Lawyers Spend Time In FPC Room

By DEAN W. DITTMER
WASHINGTON, Nov. 12 — UP

—It's probably a safe bet that more lawyers spend more time in the Federal Power Commission's hearing rooms than in any court building in the nation's capital. The FPC is involved with such things as sales by independent gas producers to interstate outlets; hydroelectric power projects involving public lands or navigable streams; and rate increases, abandonment of service, importation, or extension of service by natural gas companies.

The commission itself consists of five members. All at present are lawyers except Claude L. Draper, former Wyoming state legislator who has been a member of the commission since it was established in 1930.

Under the commission, to sit as trial judges and preside at hearings, are 11 examiners, all lawyers. The number of examiners the commission may hire is governed only by the work-load of cases and appropriations approved by Congress.

Heavy Load Last Summer

Examiners' hearings are held in nine barn-like rooms. As this year progressed, but for a time last summer all nine rooms were in use at the same time with some additional hearings being held in other government buildings.

The largest percentage of applications currently on the docket involve sales of gas by independent producers. But these usually do not extend over long periods of time or call for batteries of lawyers.

Swarms of lawyers are on hand, however, when a natural gas company wants to raise its rates, extend its service into new territory or import gas from Canada or

Mexico. Proposed imports or extension of service bring lawyers not only from interested gas companies, wholesale customers and municipalities concerned, but from the coal industry.

Numerous lawyers enter the picture because of the quantity of companies and cities affected.

Hearing Oklahoma Case Now

One going on now probably is typical although it does not interest the coal people because it is a rate increase case and does not call for extension of service or imports. The rate increase is being asked by Cities Service Gas Co., of Oklahoma City. Its original application was filed in March, 1954.

Every city and company seems to have a lawyer or lawyers either from their own communities or from here.

Usually from a dozen to 20 lawyers are on hand for each session of the hearing.

Along with the lawyers are the consulting engineers. They are the experts who testify on costs of allocation, transmission costs, determination of base rates, rate structures, etc.

At one hearing recently a lawyer asked an engineer if he was familiar with the method used to establish rates in a case involving another company.

The engineer shook his head. "No," he said, "there are as many methods as there are experts to tell you how to do it."

Service You Have a Right to Expect
Is Based on the Following
Qualifications:
1. He is licensed and bonded under the new 1955 Texas
Real Estate law.
2. He maintains a definite place of business with his
license on display for public inspection.
3. He has sufficient knowledge and experience to make
and close deals properly and to assist you with other
real estate problems.
4. He will be fair and honest with both seller and buyer
in the handling of all transactions.
5. He uses his firm name and identification in all ad-
vertising.
6. As a member of the Pampa Real Estate Board he has
taken an obligation to work for the best interest of
this community.
7. He is entitled to use the copyrighted title of Realtor
because of his membership in the National Associa-
tion of Real Estate Boards.
8. As a Realtor he is obligated to abide by a detailed
and comprehensive Code of Ethics in dealing with
the public and also with other members of his pro-
fession.
These members of the Pampa Real Estate Board are
pledged to work for the betterment of our community:

Bath - All of the rooms are large - Partial Basement,
Garage and Fenced Back Yard and is located on Fisher
Street, 1 1/2 Blocks from Woodrow Wilson School - This
house has just been redecorated inside and new Asbestos
Shingles installed over siding on the outside.
The Ole Boy that owns it said to price it where it would
sell - So if you are looking for a house in a good
part of town at a reasonable price - You can buy this
one for only \$7500.00 - and it will carry a good loan.
