UNITED NATIONS, N.Y. (UPI)—The 28-nation Afro-Asian bloc injected itself today into the Formosa crisis and a Soviet publication accused Dag Hammarskjold of bowing to American pressure in the Middle East.

## White Pleads Innocent To FCC Charges

WASHINGTON (UPI)—Lawyer Thurman A. Whiteside pleaded innocent today to charges he conspired with former Federal Communications Commission Commissioner Richard A. Mack to influence the FCC award of Television Channel 10 at Miami, Fla.

Whiteside entered a "not guilty" plea to the conspiracy charge, an outgrowth of the explosive hearings on the Miami TV award held earlier this year by the House subcommittee investigating subcommittee.

At Rothstein's suggestion, Judge Matthews fixed Whiteside's bond at \$1,000. She gave defense attorneys 30 days in which to file any motions, and the government 30 days after that to reply. Whiteside's trial was set for Jan. 6.

Richard H. Hunt of Miami, one of Whiteside's lawyers, indicated to reporters that he probably would ask for a change of venue to Florida.

Mack and Whiteside were indicted by a federal grand jury here Sept. 25 on charges of defrauding the United States by conspiring to influence the award to Channel 10 to Public Service Television Inc., a subsidiary of National Airlines.

## Sign Suit Is Filed

In a suit filed Thursday for hearing in 31st District Court, the Martin Neon Company seeks over \$2,400 from Thompson's Prescription Shop for a sign delivered last year.

The value of the sign is set at \$1,381.60 plus expected attorney's fees of \$550 and at least \$130.22 interest at six per cent per annum from Apr. 24, 1957.

Billie M. Martin, the plaintiff, and Chester Thompson, defendant, operate Pampa firms.

## Mayor Signs 'Fire Week' Proclamation

With Fire Prevention Week starting Sunday and the Chamber of Commerce planning a full scale program, Mayor Lynn Boyd signed a proclamation this week, making next week Fire Prevention Week in Pampa.

In his proclamation Mayor Boyd stated that thousands of Americans lose their lives each year from fires that could be prevented and that great social and economic losses to our city result from the destruction of homes, business enterprises, industries and natural resources.

"I call upon all departments and agencies in the City to participate actively in a campaign for improved fire safety. The fire department and schools of our city can (See MAYOR on Page 3).

## Carpenter Held On Trunk Murder

CANYON, Tex. (UPI)—Authorities said today an Amarillo carpenter has been arrested in the trunk murder of hoodlum Sam Elton Lantrip, whose bullet-punctured body was found Thursday near Canyon.

The suspect, John Wesley Hanson, was picked up by New Mexico police early today after a warrant was issued charging him with Lantrip's murder.

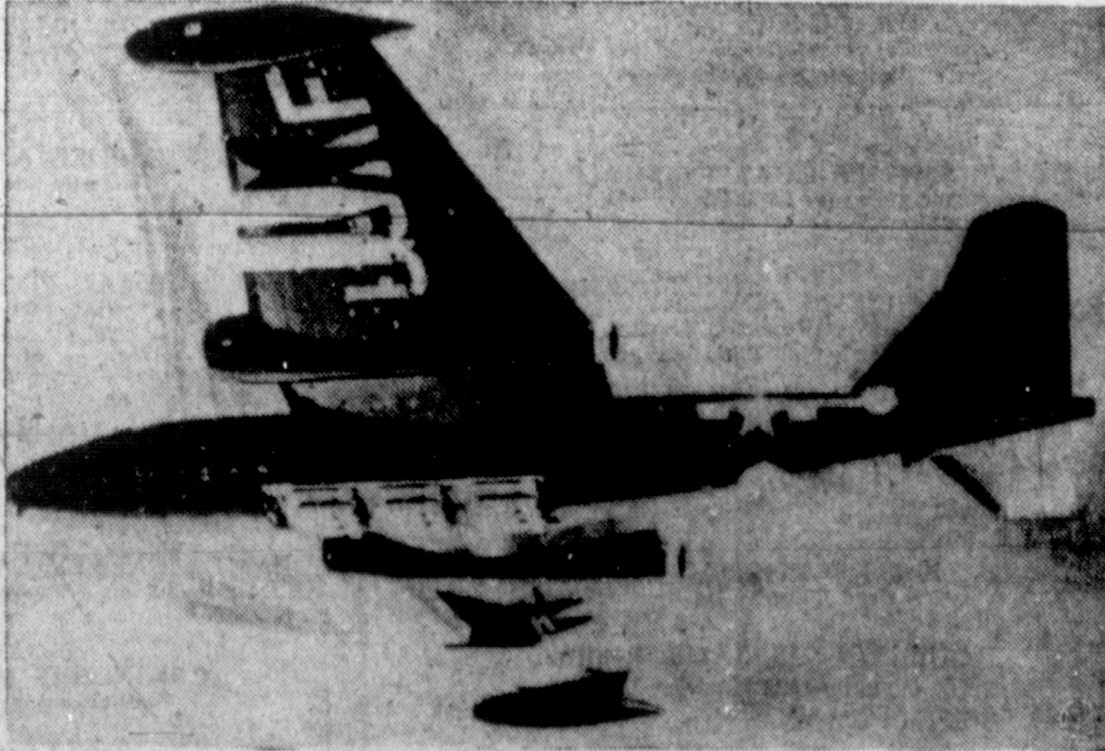

The dead man was found stuffed into the trunk of a car that had sat for three days on a lonely road. His hand was gripping the inside lock as if he had been dumped in while still alive.

# Four Red Migs Attack C-46 Dropping Quemoy Supplies Plane Forced To Crash Land

By AL KAFF  
United Press International  
TAIPEI (UPI)—Four Communist MIGs attacked a Nationalist C46 plane today while it was dropping supplies to Quemoy Island, the defense ministry announced. The supply plane crashed-landed on Big Quemoy.

It was the first MIG attack against the Nationalist airstrip planes in three weeks of parachute operations aimed at breaking the Communist blockade.

Radio Peiping reported a Nationalist-Communist aerial battle over Quemoy, but Rear Adm. Liu Hsi-tu emphatically denied the report and said no Nationalist F86 Sabrejets were over the Quemoy Islands at the time.

Receive Dulles Note  
Liu called the incident an "unprovoked Red attack." He said the radio operator and engineer aboard the plane were injured. The planes usually carry a pilot, co-pilot, navigator, radio operator and three or four crewmen to unload the supplies being parachuted.

On the political front the U.S. embassy issued a statement today saying there had been no major change in U.S. far eastern policy. A Nationalist spokesman insisted the Quemoy were America's first line of defense in the Pacific.

Today's attack was the first appearance of the Soviet-built jets since Sept. 24 when out-numbered Sabrejets shot down at least ten MIGs in a series of daylight battles. Seven of the MIGs were reported killed by U.S. Sidewinder air-to-air missiles.

Compared to Alaska  
But the defense ministry said no protective air cover was flown today, although earlier airstrip missions to the Quemoy were escorted by both Nationalist and U.S. Air Force jet fighters.

The embassy statement was issued shortly after three of Nationalist China's largest newspapers attacked proposals for demilitarizing the off-shore islands. One asked if the United States would withdraw its forces from Alaska should a similar situation arise in the Bering Straits.

## DeGaulle Offers Five Year Plan

By ANGUS DEMING  
United Press International  
CONSTANTINE, Algeria (UPI)—Premier Charles de Gaulle today offered a revolutionary "five-year-plan" for the economic and social development of Algeria. He challenged the Moslem rebels to lay down their arms and build the country's future together with France.

De Gaulle announced his long-awaited Algerian "program" in a major speech before a cheering crowd of 7,000 Moslems and European settlers.

"I have come here to announce to you the future of Algeria," he said.

The statement issued separately by the embassy and by foreign ministry spokesman Kiang Yi-seng were designed to allay Nationalist fears of another Munich in the Formosa Strait — charges made earlier by official Nationalist newspapers.

The embassy also confirmed that Ambassador Everett Drumright had relayed to the government a statement by Secretary of State John Foster Dulles affirming that the United States would not bow to Communist force in the Far East.

Under his plan, De Gaulle said, at least one-tenth of the young men joining the French civil administration during the next five years must come from "the Algerian communities."

He said his five-year program also called for:  
—Distribution of 200,000 acres of arable land to the Moslems.

—New jobs must be found for 400,000 Moslems. There are an estimated one million unemployed Moslems in Algeria and they constitute the main manpower pool of the rebels.

—All Algerian Moslems to go to school. At present only a fraction — about 120,000 Moslem children, go to school in the territory.

The general appealed to the Algerian rebels to lay down their arms and end the conflict.

"Cease these absurd combats and immediately you will see hope flourish throughout," he said.

"One will see the prisons opened and one will see that this land is big enough for everyone."

The premier said he would announce his political plans for the territory at a later date.

He said that in two months time, when France holds its general elections, Algeria also will elect her representatives to the new parliament and that "at least two-thirds of them must be Moslem citizens."

Such a move has been opposed by the French settlers in Algeria (See DE GAULLE on Page 3)

## Dulles Sends Reds Message On Plans For Negotiations

By STEWART HENSLEY  
United Press International  
WASHINGTON (UPI)—Nationalist China was on notice today that while the United States will not give ground under fire, neither will it refuse to negotiate with the Chinese Reds if they stop shooting.

Officials said that was the essence of the message Secretary of State John Foster Dulles sent U.S. Ambassador Everett Drumright in Formosa Thursday. Dulles authorized Drumright to convey the message to Nationalist officials including Generalissimo Chiang Kai-shek.

Aides said Dulles felt Nationalist resentment at his and President Eisenhower's news conference statements this week resulted from the fact some press reports played up the administration's willingness to make concessions under a truce. These reports did not give equal prominence to equally strong statements there would be no retreat under fire and no failure to honor commitments to Chiang.

Concerns With Nixon  
Dulles himself, before taking off Thursday for a five-day vacation at his Duck Island retreat in Lake Ontario, said his message to Drumright was designed to counter "misconceptions" in Formosa based on an "exaggerated idea of a shift of position on our part."

Vice President Richard M. Nixon sought further to allay the "misconceptions" in a statement issued Thursday night in San Francisco. He said it had been prepared after conferring with Dulles by telephone.

Nixon said any interpretation of Dulles' and Eisenhower's press conference remarks as a change or "weakening" of the U.S. position in the Formosa crisis "is completely erroneous."

"We have consistently maintained that we can never accept any arrangement that involves surrender to force or threat of force," Nixon said.

Won't Surrender Islands  
"But we have from the beginning made it clear that if a cease-fire is arranged, the way would be open to negotiate for settlement of some of the issues which may have contributed to tension."

He said Dulles' suggestion that the size of Nationalist forces on Quemoy and Matsu be reduced "would be an action within this framework; obviously, if there were a dependable cease-fire, there would be no reason to maintain such a large percentage of the Chinese Nationalist forces in this front position."

But Nixon added neither Dulles nor the President "has suggested or implied the islands should be turned over to the Communist Chinese government." Such a move, he said, would constitute a "retreat toward aggression" and "an invitation to the Communists to use similar tactics to nibble away parts of the free world."

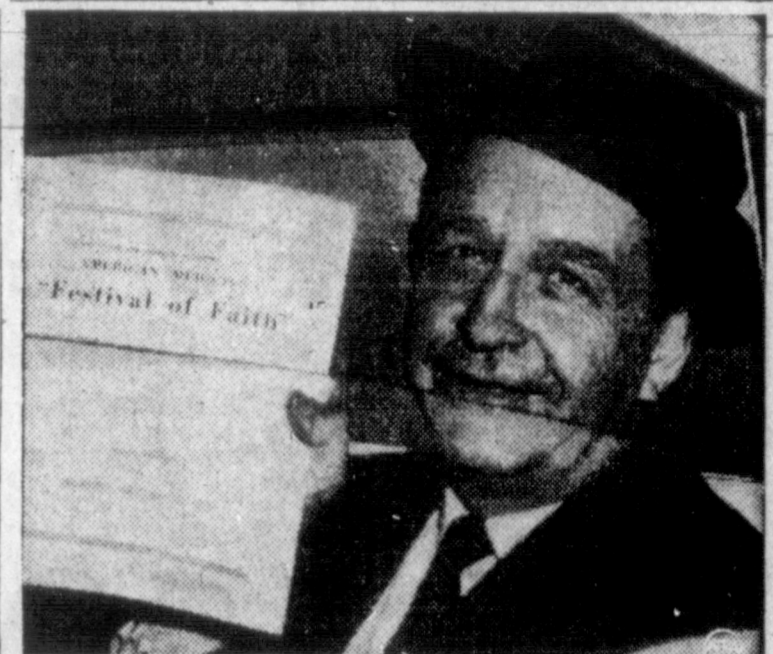

## CELLED CONVICTS GETTING RESTLESS

SAN FRANCISCO (UPI)—Warden Paul Madigan of Alcatraz Prison said today the 285 convicts are getting "touchy" at being locked in their cells while guards search the islands for Aaron Burgett.

"The monotony is getting them and they're restless," Madigan said.

The convicts have been locked up since Monday when Burgett, 28, a post office robber from St. Louis, Mo., disappeared. His partner in the escape attempt, Clyde Johnson, a Memphis, Tenn., bank robber, was recaptured.

Madigan said all available guards have been needed to scour the supposedly escape-proof island prison for Burgett. For that reason, the convicts have been kept in their cells except for meals so that they could be watched by the smallest possible number of guards.

# Faubus Outlines His Plans Today

By AL KUETTNER  
United Press International  
ARKANSAS GOV. ORVAL E. FAUBUS outlines today his plan for providing segregated classrooms in private buildings for locked-out Little Rock students.

Two Louisiana segregationist groups announced Thursday that they hoped to raise between \$40,000 and \$50,000 for the cause.

But the immediate future looked bleak to about 12,700 Virginia students turned out of classes under the state's "massive resistance" segregation laws.

Virginia Gov. L. Lindsay Almond announced Thursday that he has deferred indefinitely a plan for reopening still-segregated grades in the state's nine public schools.

The National Association For The Advancement of Colored People, meanwhile, charged that it has become the subject of a "Reign of terror" in Arkansas.

locked schools. He apparently concurred in the Justice Department's opinion that this would be ruled an evasion under the Supreme Court's new doctrine.

Teachers Ask Reopening  
Private groups in Norfolk and Charlottesville meanwhile showed increasing desire that the schools be opened even if on a desegregated basis.

The 1,200 teachers making up the Norfolk Education Assn. Thursday adopted by an overwhelming majority a resolution calling on the governor to return six closed schools to local control.

A similar motion was passed by Charlottesville's committee for public education and the resolution will be presented to the city council Monday.

The National Association For The Advancement of Colored People, meanwhile, charged that it has become the subject of a "Reign of terror" in Arkansas.

## BULLETIN

LITTLE ROCK, Ark. (UPI)—Gov. Orval E. Faubus said today that Little Rock's four closed high schools will stay closed all year unless the U.S. government lets them be reopened as private, segregated schools.

The NAACP statement was a reply to State Atty. Gen. Bruce Bennett's proposal to withdraw the group's tax exemption and promote a program of "economic reprisals" against its members.

Bennett said he is urging southern Congressmen to revoke the NAACP's tax-exempt status; has called on local prosecutors to enforce laws against soliciting of lawsuits; is proposing that communities organize to "effect economic reprisals" against integrationists; and asking that welfare payments to mothers of illegitimate children be curtailed.

## LEBANESE ARMY FIRES ON DEMONSTRATORS

BEIRUT, Lebanon (UPI)—The Lebanese army opened fire on mobs demonstrating against the new government Thursday night and today in action that turned the page back to the bloodiest days of Lebanon's summer rebellion.

At least three civilians were reported killed and 12 wounded in the past 24 hours of violence in Beirut. The wounded included a woman.

U.S. forces were not involved in the bitter street clashes.

The Lebanese army fired on the demonstrating crowds under orders to crush efforts of supporters to keep Beirut in turmoil.

Supporters of the old regime were angry at the appointment of former rebel leader, Rashid Karami as premier and his refusal to include pro-Chamoun ministers in his new cabinet.

Thursday night 1,000 of them, led by the pro-Chamoun Christian Phalangists, marched on the Defense Ministry. They ignored repeated commands to halt the march and the soldiers opened fire.

That clash killed three civilians and wounded five, it was reported.

This morning the demonstrators were back on the street, this time some 4,000 strong.

An army patrol backed by two armored cars and two tanks tried to tear down a Phalangist barricade. The demonstrators fought back and again the army opened fire.

At least seven persons were reported wounded in this action.

At least three other major demonstrations broke out in various parts of the capital Thursday night and more were reported today.

## 'REIGN OF TERROR'

# NAACP Denounces Bennett Plan Of Neutralization

By BRYCE MILLER  
United Press International  
LITTLE ROCK, Ark. (UPI)—The National Association For The Advancement of Colored People denounced as a proposed "reign of terror" today Arkansas Atty. Gen. Bruce Bennett's plan to "neutralize" the NAACP.

Bennett's plan includes taking away the NAACP's tax exemption, stopping "bonus" welfare payments for illegitimate children and community "economic reprisals" against persons who "are determined to wreck the spirit of progress among the races."

"It seems clear the political leaders of Arkansas are unhappy about recent school decisions of the Supreme Court and are anxious to make someone their whipping boy—apparently the NAACP has been chosen for this role," Clarence A. Laws, the NAACP's Southwest regional field representative, said.

Gov. Orval E. Faubus promised to explain at a news conference today his "private schools in private classrooms" plan.

segregationists that none of the funds raised would go for education of Negro children.

"The Negro children are to raise their own money and organize their own schools," said Pruden. "They are responsible for the mess we are in."

Bennett said he has written all southern congressmen and senators to try to convince them the NAACP's tax exemption privileges should be withdrawn. He said the NAACP was "building up huge funds for the primary purpose of dividing America and benefiting Communist Russia."

**PERFECT PITCH**—An experimental device that tosses hay bales from the baler to the farm wagon with Big-League-pitcher accuracy is shown being demonstrated at New Holland, Pa. It removes the toil from one of hay-making's toughest jobs. The bale thrower is operated from the tractor by a throttle controlling the thrower's engine. Between the white "pitcher" seen at end of baler are two high-speed belts which constitute the "pitching arm."

## GM Still Has Big Hurdle To Mount

By JACK VANDENBERG  
UPI Automotive Editor

**DETROIT (UPI)**—General Motors, last of the "big three" auto companies to sign a contract with the United Auto Workers, still had a big hurdle to mount today before getting into full production of 1959 model cars.

The GM-UAW agreement, signed Thursday night after 36 hours of almost continuous bargaining, was similar in basic economic framework to the Ford and Chrysler settlements reached earlier but had ended a nationwide strike by 275,000 auto workers. But it did not clear away the trouble, some problem of local strikes, caused by some \$,000 plant-level issues not solved in the master contract.

Both company and union admitted there would be no immediate general back-to-work movement. It was expected there would be steady return of plants to operation as local union-management negotiators solved local issues.

**Workers Must Ratify**  
GM vice president Louis G. Seaton said the company hoped most of the plants would be back in operation by the middle of next week. UAW workers at all plants must ratify the agreement by Oct. 20 for it to become effective.

The basic framework terms of the agreement were identical to those at Ford and Chrysler—a three-year contract; pay boosts of 10 cents an hour for the first year and at least 7 cents in each of the next two; an extra pay boost of 8 cents an hour for skilled workers; pension increases; increases and extension of supplemental unemployment benefits, and a severance clause paid from SUB funds. In addition, UAW president Walter P. Reuther announced the

union obtained improvements on other issues that applied particularly to GM workers.

**Narrow Wage Gap**  
Most important in the eyes of the union was a provision for narrowing the gap in plant-to-plant wage variations for the same work, estimated to cost the company about \$2,750,000 a year, based on a half-cent per hour for all hourly workers. Seaton said workers in four Chevrolet plants and two Fisher body plants would benefit from this provision.

Two other improvements were aimed at solving the so-called short work-week problem which the union claimed was more acute at General Motors than at either of the other "big three" companies.

One would provide eight hours pay for 7½-hour work in plants with three-shift operations. This had been in effect at Ford and Chrysler even before they signed new agreements. The other would provide a five-cent hourly premium for employees working seven consecutive days. Reuther estimated only about two or three thousand employees would be involved.

**IUE On Strike**  
General Motors still was faced with the problem of a contract agreement with the International Union of Electrical Workers, whose 25,000 members struck along with the UAW. Traditionally the IUE has settled with GM on terms similar to the UAW agreement.

The agreement between GM and the UAW came a little less than 12 hours after a union-set strike deadline had passed and workers at 126 plants in 71 cities across the nation walked out.

Seaton, who called the walkout a "useless strike" had estimated it would cost GM workers five million dollars a day in lost wages, and another five-million dollar loss to the company's suppliers.

## Eddie-Liz Make Whoopie!

**HOLLYWOOD (UPI)**—Eddie Fisher celebrated his seasonal debut on television by rushing to the side of Elizabeth Taylor for a wild and woolly lawn party that ended in the wee hours Wednesday.

The barefoot Liz and Eddie said goodbye to their guests at a Bel-Air home at 2 a.m.

Debbie Reynolds, from whom the young crooner separated two weeks ago after dating Liz in New York was not present.

The party, which included a frantic chase involving Liz and some inquisitive newsmen, climaxed a wacky night in which Dean Martin and Jerry Lewis were reunited impromptu on the floor for the first time since their celebrated breakup.

Liz, who wore a cotton dress with a 3-inch belt, ran across the lawn of the home to a parking lot shortly after midnight, but she sprinted back inside when a newsmen tried to question her.

## Theatre Girls Put Comedy Before Club

Two girls from the Pampa Community Theatre company scored a hit with the Evening Lions Club last night when they whopped up a Tennessee Williams comedy, Laveeta Vance and Grace Barber appeared as the girls on the town.

Miss Barber from Lefors appeared in the Miss Pampa Pageant last year and during her college days at West Texas State College played in the musical "Girl Crazy." Miss Vance was last seen in the Children's Theatre production of "Hansel and Gretel" at Pampa High School.

In their laughable costumes, they made an unforgettable comedy team in "A Perfect Analysis Given by a Parrot."

In behalf of another project, Dr. Joe Donaldson handed out boxes of Christmas cards that the Club will sell to benefit the Lions Crippled Children's camp at Kerrville.

## Membership Has Program

Members of the Membership Committee presented the program Thursday at the moon meeting of the Pampa Lions Club. Paul West, Membership chairman, introduced the speakers.

Speaking for the committee, Arthur Teed and Henry Gruben brought out two aspects of new membership. "Quality not Quantity" was Teed's topic. Gruben explained the correct procedure of adding a member to the club.

# DEAR ABBY...

By Abigail Van Buren

DEAR ABBY: Maybe you won't think this is much of a problem, but it has kind of got me down and I want some advice to find out whether I am doing right or not. First, I want you to know I am a happily married woman and the mother of five children. We live near the railroad tracks, and when I am out in the yard hanging clothes this train goes by and the engineer always waves to me and blows me kisses. I have gotten to look for him at a certain time and I go out there to wave back and blow kisses to him. It tickles me but I sometimes feel guilty. Do you think it is dangerous and he might take it wrong and should I stop it?

### BLOWING KISSES

Dear Blowing: He is probably just a friendly engineer who is only having a little fun. Just to set the record straight, however — get the five kids out in the yard (never mind the husband) and all of you wave to the engineer and blow him kisses.

DEAR ABBY: My girlfriend has four kids and she still takes off her wedding ring when she goes into a bar and tries to pass herself off as a single girl. Things are tough enough for us single girls without having to put up with competition from the married ones. Please print this for all the married barflies who use the same trick. Thanks a lot.

### SINGLE

Dear Single: If a married woman has no respect for her marriage, a little thing like a wedding ring won't stop her circulation.

DEAR ABBY: My problem is different from most that I see in your column. How do you get rid of a guy? This one fellow has been following me around since last December and I can't shake him. He is shorter than me and is very ugly. He keeps asking me what he said to make me mad. If he really did say something, I wouldn't mind, but he hasn't. He's making a pest of himself, calling me up and asking all the kids what he did to make me mad. How can I

## RUTH MILLETT

It was the day after the news broke that Debbie Reynolds and Eddie Fisher's romantic love story and highly publicized "perfect marriage" had turned into just another Hollywood triangle.

I was having a cup of coffee in a drugstore and in the next booth five teen-age girls were having sodas and discussing what to them was a stunning bit of news.

"I just can't believe it," said one of the young voices. "I never thought anything like this could happen to them," said another. "Imagine anybody married to Debbie even looking at that old Elizabeth Taylor," exclaimed another of the girls.

And then she added thoughtfully, "Why she's been married. I don't know how many times. I just can't picture Eddie Fisher with her. He and Debbie were the cutest couple together."

The talk went on and on. To me the surprising thing was the sad disillusionment in the young voices. They were genuinely shocked and hurt by the news that anything could happen to a couple who in their eyes were the luckiest young people in the world.

All over the country there must be this same kind of shocked disbelief among teen-agers at this chapter in the Debbie-Fisher romance.

Don't feel to disillusioned, kids. Perhaps, you have learned cheaply a very important lesson. Marriage is much more than a couple's looking cute together.

Even being head over heels in love isn't enough to guarantee a happy marriage. Nor does money and glamour guarantee happiness to a young couple.

A happy marriage is based on a much more solid foundation. It's based on love plus character. Young people don't hear much about character these days. If they did they wouldn't be so stunned that a couple who had everything could fail to live happily ever after.

**Faithful Workers Induct New Leaders**  
CANADIAN — Faithful Workers Class of the First Baptist Church recently held installation of officers in the home of Mrs. Grady Burnett.

Mrs. May Benich installed the following members into office: Mrs. Grady Burnett, president; Joe Vernon, vice president; Buddy Hobdy, secretary; treasurer; and group captains, Mrs. Frank Guthrie, Thomas Chitwood, Paul Read, and Jack King. Class teacher is Mrs. L. B. Owens.

Others attending the coffee and installation were Mrs. Clyde Blair, Nan Hitchcock, Clifford Sells, and Sarah Reeves.

**Mrs. Imel Hostess To Afternoon Tea**  
(Special to The News)  
SKELLYTOWN — Mrs. Art Imel entertained with a tea on Monday afternoon. Party games were played with the prize award to Mrs. Marvin Frye.

Others present were Mrs. E. J. Hunt, Fred Wall, J. H. Wedge, E. A. McCreary, Howard Moore, Marvin Frye, Ben Ross, Cecil Shipley, E. C. Cummings, Buck Dinning, and L. D. Cowart.

**Manners Makes Friends**  
If you want to be helpful, one thing you can do for the friend who is visiting in your town with her children is to offer to entertain the children for an afternoon.

An adult visitor usually receives plenty of invitations but children don't always have as much planned for their enjoyment.

**Eye makeup is a great beautifier, as everyone knows who wears it.**

Eye shadow gives depth. Pencil defines and shapes the brows, makes the eyes look larger. Mascara beautifies the lashes, especially when they are light in color or not so luxuriant.

Automatic mascaras are the current rage, and now there is a new one with improvements both in formula and application.

It is Dorothy Gray's Beauti-Lash. Not only is it odorless (praise be!) but it has a wholly automatic applicator that does away with the old dipping method and keeps the mascara moist and free-flowing.

Its unique sliding cylinder dispenses just the right amount onto the rod. The mascara does not cake or become sticky and the rod remains clean and neat even after long use. The supply lasts longer, too, because there is no waste through clogging or evaporation.

To apply, the cylinder is slid back and the rod twirled upward against the eyelashes, coating and curling them at the same time. The mascara is waterproof, quick drying and will not irritate the eyes. It does not flake, but leaves the lashes soft and pliant.

Beauti-Lash comes in a slim golden case in four shades: black, brown, clear blue and clear green. Refills are available.

Each day, more girls and women realize how much eye make up can add to their allure, and they are making it as much a part of their beauty equipment as is lipstick. Beauti-Lash now makes the job easy and glamorous.

Eye makeup is a great beautifier, as everyone knows who wears it.

Eye shadow gives depth. Pencil defines and shapes the brows, makes the eyes look larger. Mascara beautifies the lashes, especially when they are light in color or not so luxuriant.

Automatic mascaras are the current rage, and now there is a new one with improvements both in formula and application.

It is Dorothy Gray's Beauti-Lash. Not only is it odorless (praise be!) but it has a wholly automatic applicator that does away with the old dipping method and keeps the mascara moist and free-flowing.

Its unique sliding cylinder dispenses just the right amount onto the rod. The mascara does not cake or become sticky and the rod remains clean and neat even after long use. The supply lasts longer, too, because there is no waste through clogging or evaporation.

To apply, the cylinder is slid back and the rod twirled upward against the eyelashes, coating and curling them at the same time. The mascara is waterproof, quick drying and will not irritate the eyes. It does not flake, but leaves the lashes soft and pliant.

Beauti-Lash comes in a slim golden case in four shades: black, brown, clear blue and clear green. Refills are available.

Each day, more girls and women realize how much eye make up can add to their allure, and they are making it as much a part of their beauty equipment as is lipstick. Beauti-Lash now makes the job easy and glamorous.

## Lack Of Safety In New Cars Brings Committee Rap

NEW YORK (UPI) — A New York state traffic safety committee has criticized the nation's automobile manufacturers for not placing sufficient stress on safety factors in new cars.

In a report to Gov. Averell Harriman, the traffic safety policy coordinating committee taxed the manufacturers for placing too much emphasis on style innovations, while neglecting safety features.

"Although we welcomed the announcement that 1959 automobile models will have more safety features, it is difficult to understand how so many of them can be regarded as 'optional'."

Moreover, the committee said it was "not yet convinced that the automobile manufacturers have seriously committed themselves to designing automobiles that will reduce the total number of accidents and minimize the seriousness of those which do occur."

While conceding there has been "some improvement" in automobile design, the committee said many new style innovations appear to be equally dangerous. As an example it cited projecting headlight visors which, it said, "would seem a doubtful contribution to pedestrian safety, since

# Schweitzer Film Is Noble Portrayal Of Man's Life

By WALLACE TRUEDELLE, Daily News Church Editor

"Albert Schweitzer," the documentary film shown here this week, is a superb blend of reminiscence, speech and color.

Mainly it is great because of Schweitzer, "the man himself." The cameras show Schweitzer, getting off the train in native Gambia, Alsace-Lorraine, and later catch him riding up the river to Lambarene, French Equatorial Africa, where his hospital is.

The film gives great insight into Dr. Schweitzer's work with the natives and their response to his unique hospital set up. It gives greater insight into the character of Schweitzer himself.

As a boy, Schweitzer was endowed with a sensitive nature, so sensitive that he would not let

## Oklahoma Team Will Lead Revival

A revival meeting will begin Sunday in the Letors Assembly of God with evangelists Hazel Henry and Pansy Meech from Stillwell, Okla.

The message theme of the Soul Winner broadcast Sunday will be "A Place for the Redeemed and a Place for the Damned," according to Delbert Priest, pastor of the Assembly of God. The broadcast comes on KPND at 7:45 a.m. Sundays.

Sunday is Rally Day for the members of the Lamar Christian Church, Bond at Summer. An attendance goal of 100 persons has been set for the Church School and every member is urged to be present.

Members are to bring as basket lunch and eat at the Church after the morning worship service. After lunch, the program will be informal. The Church has ordered a fine book consignment which members and friends are encouraged to look over during the afternoon. There are Bibles and Testaments, children's books, youth books, books for adults, books for worship and books for study. Many will be interested in the one entitled, "Dangerous Fathers, Problem Mothers and Terrible Teens." Prices run from 15 cents to 10 dollars. The theme for the consignment is "You are what you read" — so read a Christian book.

## Choir Season Begins

Under the direction of William Haley the choir of Holy Souls Catholic Church is beginning the winter season, in preparation for bi-monthly High Mass which will be resumed Oct. 5. Their main project is the study of the Mass of St. Joseph written by Flor Peters a contemporary composer. This liturgical composition will also be sung at the Midnight Mass on Christmas eve.

Other selections being studied by the choir are Propers and Offertory motets, by such composers as Mozart, Bach and Arcadelt. These will be added to the choir's repertoire which already consists of the Mass of Frances Cabrini by Richard Keyes Biggs, Convent Mass in "C" by Gounod and the Mass in honor of the Queen of Heaven by Brangers.

The choir meets every Wednesday evening for practice with Mrs. Jack Edwards as organist. Members include Mrs. Lynn Boyd, Mr. and Mrs. Richard Sligar, Mrs. A. J. Martin, Mrs. H. W. Waddell, Mrs. W. Cox, and Miss Frances Wade, soprano; Mrs. J. Edwards, Miss Janeane Wade, Mrs. McCarthy, Mrs. A. Wallace, Miss Barbara and Evelyn Edwards, altos; Bill Haley, Tenor and Jack Edwards, bass.

"We are in urgent need of more choir members," director Haley said, "since we recently have lost several fine voices. I encourage persons interested to contact me." Mr. and Mrs. Richard Sligar moved to El Paso accepting a teaching position with the public school system and Dan Roche is away for further study.

## A Brickbat Deserter To Be Released

VERDUN, France (UPI) — U.S. Army Pvt. Wayne Powers, who hid for 14 years with his French girlfriend and became the father of five children, will become a free man next week, the Army announced Wednesday.

Powers, 37, from Chillicothe, Mo., was sentenced to 10 years at hard labor by a Verdun court-martial last Aug. 1. The sentence was later reduced to six months.

But today Brig. Gen. Robert J. Fleming, commander of the U.S. base at Verdun, announced that Powers would be turned free next Tuesday and be given a dishonorable discharge.

Thursday he will go to the American consulate in Strasbourg to receive an American passport, which will permit him to live in France with his sweetheart, Yvette Blaise, and their children.

"Powers intends to marry Yvette and settle down in France."

## CMF Has Pancake Supper

There were 14 men present for the Christian Men's Fellowship pancake supper at Lamar Christian Church, Bond and Sumner Tuesday night. Dick Hendricks, Luther Byers, David Mills, Howard Brown and Dick Sierman did the honors of cooking.

After eating, the men discussed plans for remodeling part of the hall partition and plans for Layman's Sunday, Oct. 19th. Owen Handley gave the devotional on the 12th chapter of Ecclesiastes. He pointed out that age comes upon us faster than we want; that now is the time to serve God while we are young and strong.

They are placed where they may strike a lethal blow to the torso of anyone struck by a passing fender."

## The Weekly Message Of Inspiration

REV. L. B. DAVIS  
Progressive Baptist Church

Arousing Sympathy and pity in the church. Philippians, 2:1, 2.

The great gospel precept pressed upon us; that is, to love one another. This is the law of Christ's kingdom, the lesson of His school, the livery of His family. This He represents in v. 2. by being like-minded, have the same love, being of one accord, of one mind.

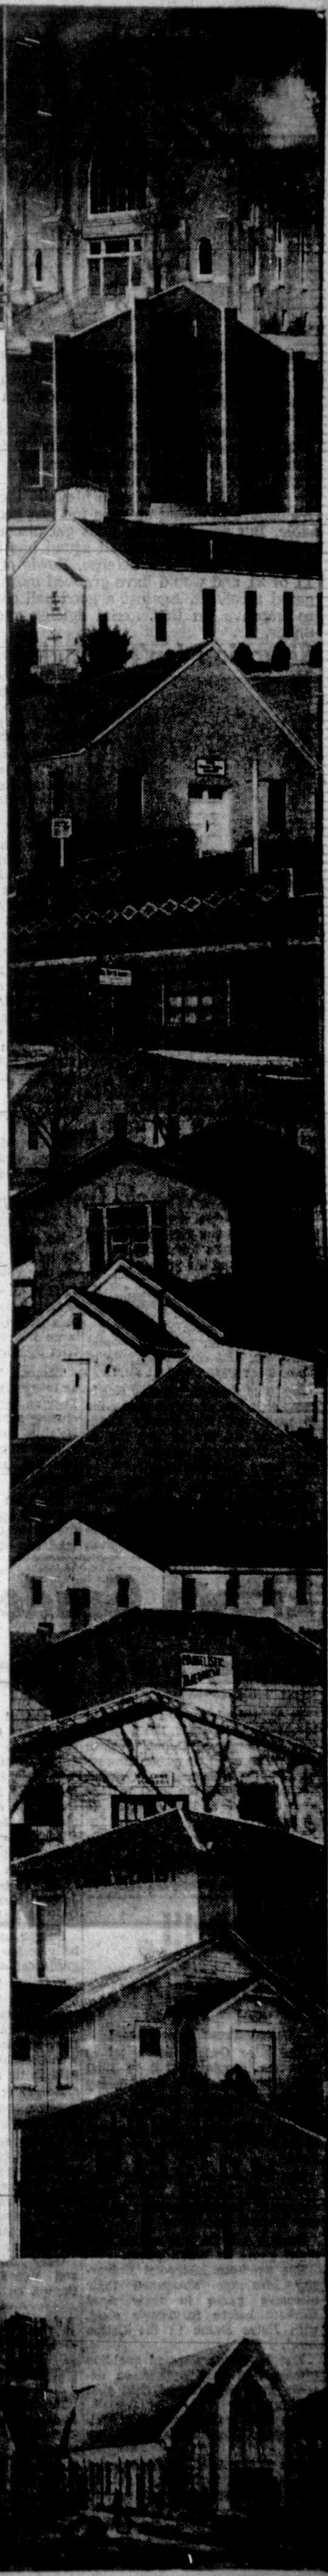

1. If there is any consolation in Christ. Have you experienced consolation in Christ? The sweetness we have found in the doctrine of Christ should sweeten our spiritual lives. If we have not consolation in Christ, then where else can we expect it?

2. Comfort of love. If there is any comfort in christian love, in God's love to you, in yours to God, or in yours to His church, in consideration of all this, be you like-minded. If you have ever found that comfort, if you indeed believe that the grace of love is a comfortable grace, abound in it.

3. Fellowship of the Spirit. If there is such a thing as communion with God and Christ by the Spirit, such a thing as the communion of christians, by virtue of there being animated and actuated by one and the same Spirit, be you like-minded; for christians love and like-mindedness will preserve to us our communion with one another. Acts. 2:41-47.

4. Any Bowels and Mercies, in God and Christ, toward you. If we expect the benefit of God's compassions to ourselves, we must be a compassionate one to another. If there is such a thing as mercy to be found among the followers of Christ, if all who are saved have a disposition to holy pity, make it appear this way. Luke 10:30-37

5. Fullfill you my joy. It is the joy of pastors to see people like-minded and living in love. Holy Love.

## Burdette Top Yank Killer

By FRED DOWN  
United Press International  
NEW YORK (UPI) — Series pitcher and star: It's official—Lew Burdette is the greatest "Yankee killer" in World Series history... The Braves' ace is the only pitcher who's ever beaten them four times in Series competition. Previous No. 1 "Yankee killer" was Art Nehf of the Giants, who beat 'em three times, once each in 1921, '22 and '23.

A LITTLE CONFUSED—Although the thermometer hovered around a chilly 45 degrees, more than 60,000 Milwaukee Braves fans thronged downtown areas of Milwaukee to see and wish their heroes good luck in the World Series. Here, some real braves from Indian reservation do a war dance, but one little papeose seems confused by all the goings on. (NEA Telephoto)

## Dumas, Borger Run Wild Over Robert E. Lee, PJH

Oct. 2 was "Black Thursday" at Pampa and Robert E. Lee junior high schools. Borger Junior High walloped Pampa 46-6, at Borger, and Dumas whitewashed Robert E. Lee here, 35-0. Pampa JH has now lost three straight, while Lee's record is two wins, one loss. Borger used speed and more speed in racing to its win over Pampa. The Reapers held well on

defense most of the time, but the fleet Borger backs broke loose on six occasions, and once they got past the secondary, they were gone.

Borger scored its touchdowns on a punt return, a kickoff return, and four long scampers from scrimmages. They held a 24-0 margin at halftime.

The Reapers harvested their only touchdown in the third quar-

ter, on a 60-yard march. Gerald Been made the counter from the 2 yard line on a straight handoff.

Doing a stellar job as defense for Pampa were tackles John Hinsley and Billy Hughes and halfback Eddie Berry.

Powerful Dumas went to the air to blister previously undefeated Lee. Dumas, which has also beaten two Amarillo schools, was just too good to cope with.

Dumas made its touchdowns the hard way, on long drives. However, it did have some help, in the form of Rebel fumbles. Dumas led 21-0 at halftime.

The Rebs moved deep into enemy territory only once, driving to the 20 in the third quarter on a 50-yard march. Robert E. Lee didn't look too bad on either offense or defense, despite losing. They moved the ball fairly well, in the middle of the field.

### RIDERS SIGN LINEMEN

OTTAWA (UPI)—The Ottawa Rough Riders of the Canadian Big Four have signed two linemen who were recently cut from National Football League teams. They are center-linebacker Sam Palumbo from the Green Bay Packers and tackle-guard Dallan Truax from the New York Giants.

### TWO TO 'STARS

NEW YORK (UPI)—Backcourt aces Vern Hatton of Kentucky and Tommy Kearns of North Carolina have been chosen to play for the College All-Stars against the New York Knickerbockers at Madison Square Garden, Oct. 19.

Yankees never have lost four straight, but they did not win a game in the 1922 classic with the Giants. One game was a tie... there have been only two National League sweeps — by 1914 Braves and 1954 Giants... Yankees have had six series sweeps, in 1927, 1928, 1932, 1938, 1939 and 1950.

Burdette's four game series against Yankees now reads 36 innings pitched, 4-0 record, 28 hits (four straight seven-hitters), six earned runs, 18 strikeouts and five bases on balls. His composite earned run average is 1.30... Eleven pitchers have won more than four games in Series competition but only three had 1.00 percentages. Jack Coombs (1910-'11-'16) and Herb Pennock (1923-'26) each had 9-0 record, and Lefty Gomez was 6-0.

It was a long time between Series appearances for Murry Dickson. Little Yankee reliever last appeared in 1946 classic between Cardinals and Red Sox... One of his teammates was Enos Slaughter, unsuccessful pinch-hitter Thursday.

**JOIN COLLEGE ALL-STARS**
