Explosion Victims Die During Night

Two Houston men critically burned in Monday's oil storage tank explosion near Lefors died overnight at Highland General Hospital.

Doctors said that Thurman Humphrey, foreman for the Shaw Tank Cleaning Co. of Houston, died shortly before midnight. Houston Floyd, also with the Shaw Co., died four hours later. Both men had been in oxygen tents since Monday.

The third Shaw employee burned in the tank blast, Eddie Burger, 31, remains in good condition. He suffered painful face and shoulder burns.

The disastrous explosion occurred on the Chapman lease six and one-half miles east of Lefors at about 10:20 a.m. Fire and the resulting explosion of an 80,000-barrel crude oil tank owned by the Texas Pipeline Co. caused injuries to the three men.

Cause of the blast still has not been determined, but it has been tentatively blamed on a gas engine that backfired while the huge tank was being emptied for cleaning. There was an estimated 2,000-gallon of crude oil in the tank.

Humphrey, Floyd and Burger were all standing about 20 feet from the tank when a fire broke out. About 20 minutes later the tank blew up.

Texas Pipeline Co., which operated the storage tanks, has not as yet estimated their dollars and cents losses.

Humphrey's body will be taken to Humble for service and burial. Survivors are his wife, Helen; daughter, Candace Kay, both of

RESIGNS — Army Capt. Michael O'Rourke, stationed at Fort Sill, Okla., who won \$106,500 on the TV show "Tic - Tac-Dough" resigned from the Army shortly after denying he had received any help on the show. O'Rourke said if he were to be called before congressional committee investigating TV shows he would prefer to appear as a civilian or as an Army officer whose resignation had been submitted.

Daniel Deplores Lack Of Legislative Action

Season Low In Panhandle; To 16 In City

A chilling norther—coldest of the season so far—spread over Texas today and dropped temperatures as low as 14 degrees in the Panhandle.

The Weather Bureau said it would continue cold tonight and Saturday, although the mercury will climb slightly Saturday afternoon. Freezing temperatures were recorded in most of North Central and Northeast Texas, the Panhandle and the South Plains during the night.

The high pressure system that sent thermometers downward brought clear skies to most of Texas, and winds died down. The only cloudiness in the state was located along the Gulf Coast and in the Brownsville area, where 2.24 inches of rain fell.

Dalhart's 14-degree reading was lowest during the night. Laredo had the high minimum of 46 degrees.

Other lows included: Alpine and Lubbock 17, Amarillo 20, Wichita Falls 23, Abilene 24, Brownwood and San Angelo 25, Dallas, Texas and San Antonio 28, Midland 24, Fort Worth 27, El Paso 31, Austin 32, Beaumont-Port Arthur 36, Presidio and Houston 37, Victoria 41, Galveston and Brownsville 43 and Corpus Christi 44.

Brownsville was the last point to feel the effect of the cold front Thursday afternoon, and it warmed up to 89 degrees there before the front passed through Brownsville and Orlando, Fla., shared the high reading in the nation Thursday.

Cuba Will Seize King Ranch Spread

HAVANA (UPI)—Cuba is expected to seize 33,400 acres of the King Ranch's 35,000-acre cattle spread in Camaguey Province Saturday, a spokesman for the American-operated enterprise said today.

The spokesman said King representatives have been summoned to appear at the local office of the National Institute for Agrarian Reform Saturday morning to select the 1,600 acres which may be retained.

"Rancho King" is owned jointly by the famed American cattle raisers and the Manati Sugar Co., a Cuban firm. It was established in Cuba in 1952.

The land is valued at \$3,500,000. Its 7,000 head of cattle, including the prize Santa Gertrudis breed, are valued at \$1,500,000.

Premier Fidel Castro's agrarian reform program is aimed at breaking up the huge estates and distributing small parcels to Cuban farmers and peasants.

United Fund Drive Ends Short Of \$63,900 Goal

Today marks the close of the Pampa Lefors United Fund general campaign with a total of \$57,026.40 or 89.2 percent of the goal being reported this morning with pledges and contributions still coming in, according to Floyd Watson, campaign chairman.

Watson said this leaves \$6,873.60 remaining to reach the goal of \$63,900.

A special committee has been formed to contact all persons who were missed in the general campaign. Workers who still have cards are requested to turn them in today to the United Fund office in the city hall.

CBS Boss On Stand Probers Ponder TV Self-Policing Pledge

WASHINGTON (UPI)—House investigators questioned today whether television industry "self-policing" proposals go far enough toward preventing any new TV fakes.

This reaction came to testimony by National Broadcasting Co. President Robert E. Kintner as the investigating subcommittee prepared to question Dr. Frank Stanton, president of the Columbia Broadcasting System.

Stanton, slated to be the final witness in the sensational hearings which were launched a month ago, has removed all lucrative quiz shows from the CBS network in the wake of the fixing scandal. He has banned deceptive practices such as canned applause and laughter.

Kintner announced Thursday that NBC planned to create a special investigating unit to police its programs for the purpose of "detecting, rooting out and preventing deception."

He also unveiled a proposal to make it a federal offense to rig a TV quiz program. Rep. John B. Bennett (R-Mich.), senior Republican on the subcommittee, said

Government To Re-Enter Lynch Case

JACKSON, Miss. (UPI)—Mississippi Gov.-elect Ross Barnett today criticized the U. S. Justice Department's decision to re-enter the Mack Charles Parker lynching case.

The Pearl River County grand jury at Poplarville, Miss., did not return indictments against a group of white men believed to have lynched the 23-year-old Negro truck driver. The grand jury adjourned Thursday without considering the case.

The Justice Department announced it would take the case before a federal grand jury.

Barnett said, "If the federal government has no jurisdiction in this matter it has no business doing this. The county grand jury would have final authority."

Circuit Judge George Dale, who commended the Pearl River jury after receiving its report, said he has "just as much respect for our state court as federal courts."

Dale said the government's re-entry apparently did not come as a surprise to anyone in Poplarville. "The decision had already been made to do something about it a long time ago," he asserted.

Acting U.S. Atty. Gen. Lawrence E. Walsh said federal indictments will be sought from grand jury of the U.S. court for the southern district of Mississippi. Federal Judge Sidney Mize of Biloxi could call a jury into session at any time. The federal jury usually meets in Jackson.

Walsh did not say what federal laws might have been violated. But the government might seek indictment of the lynchers on charges of violating a civil rights law that prohibits conspiracies to deprive people of their legal rights.

If it comes from a hardware store we have it. Lewis Hdw. Adv.

Barbs Aimed at Insurance, Traffic, Law Enforcement

AUSTIN (UPI)—Gov. Price Daniel has attacked the 56th Legislature for what he called its "inadequate action" in the fields of insurance, law enforcement and traffic safety legislation.

Daniel said the Legislature in 1957 enacted his recommendations for reorganization of the State Insurance Department, but some of it was changed this year.

He spoke before the seventh annual meeting of the Texas Research League Thursday.

"While the last Legislature agreed to some of your suggestions," he told the TRL members, "some members frankly sought to undo a lot that had been done in the reorganization program."

"By cutting the salaries of board members and the commissioner, the appropriations bill increases the likelihood of turnover. The bill also cripples actuarial supervision of insurance companies by reducing the number of actuaries and failing to provide adequate, competitive pay for those retained."

"Several other key positions in the department were eliminated, and inadequate funds were provided for general operating expenses," Daniel charged.

"This is a good example, along with the studies of law enforcement and traffic safety, of the fact that we have had adequate research but inadequate action," the governor said. "Too much research has been totally ignored, and not enough translated into positive action."

Daniel said the Texas Research and the governor's Highway Safety League, the Legislative Council and the governor's Highway Safety Commission have "all made concrete recommendations for improving highway safety, yet the Legislature has barely scratched the surface."

In spite of a rising traffic toll, he said, and "the untold human suffering behind them, we live in Texas with an unmoderated driver's license law, inadequate controls over drunk driving, inadequate traffic courts, only the bare beginning of a driver education program and an undermanned Department of Public Safety."

Of the 27 recommendations made by the Texas Law Enforcement Study Commission this year, the Legislature enacted only three, Daniel said.

CIO President Meany Assures Rail Workers of Full Support

CHICAGO (UPI)—AFL-CIO President George Meany assured railroad workers Thursday night they will have all the support you need in their contract battle with the nation's railroads.

"You are not in this fight alone," Meany told a wildly cheering crowd of 1,000 railroad workers at a mass union rally. "This is no ordinary battle. It is a fight for your existence and you will win it."

Meany accused railroad management of trying to "turn back the clock 50 years—or even a century—by eliminating the fruits of collective bargaining that have been so hard fought for and have proved so successful."

The railroads recently demanded that the workers accept a pay cut and sought to eliminate firemen from freight and yard locomotives, a move the union said would cost 35,000 jobs.

Railway management, Meany said, has enlisted the help of

Students Wounded In Fare Hike Protest

GUADALAJARA, Mexico (UPI)—Troops fired on high school students protesting a five centavo (about 1 cent) increase in bus fares Thursday, wounding 12 of the demonstrators, three of them seriously.

The soldiers opened fire to prevent the students from seizing urban buses. Bands roaring through the streets during the day had seized about 70 buses which they held in the stadium near the Technological Institute.

Rear equipment means unskilled work, some see us. Pampa Daily News. 411 S. Chyler, MO 5-5771. Adv.

New Findings Show Possible Life On Mars

WASHINGTON (UPI)—A scientist reported evidence today that food-storing plants may flourish on Mars.

These plants, he suggested in a research report, appear to possess greater capacity for storing food against lean times than the earthly species they seem to resemble.

The report was made by Dr. William M. Sinton of the Lowell Observatory, Flagstaff, Ariz., to the American Association for the Advancement of Science.

With the help of the 200-inch telescope at Mount Palomar, Calif., Sinton made spectrographic studies of light reflected from vast darkish areas of the red planet.

He found that certain "absorption bands" in the spectrum correspond to those caused by the organic molecules of plants and by carbohydrates, vegetable products used as food by both plants and animals.

Sinton concluded from the evidence of the spectrograph that the dark regions of Mars may be great patches of vegetation, some of it similar to a single-celled plant—the alga cladophora—which grows on earth.

X-15 Jolted By Explosion; Pilot Okay

LOS ANGELES (UPI)—Ice-mannered Scott Crossfield, pilot of America's X-15 space ship, which was jolted at 45,000 feet by an explosion during a test flight Thursday, came home today to determine what happened.

"We've got to take the plane apart to find out what happened," Crossfield said.

"I knew there was an explosion and some internal damage to the X-15. But when I came in for the landing on the alternative strip at Rosamond Dry Lake, I felt everything was just great."

North American Aviation, builder of the dart-like X-15, admitted it was necessary for daredevil Crossfield, 35, to make a quick emergency landing in the craft designed to carry man 100 miles above the earth at speeds in excess of 4,000 miles an hour.

Eyewitnesses reported the X-15 was warped out of shape as it landed at the Edwards Air Force Base auxiliary strip 85 miles northeast of Los Angeles.

Impact of the 50-foot ship's landing wrenched it so forcefully that one section behind the cockpit was sagging about two feet below the rest of the fuselage.

Wind Driven Brush Fire Under Control

MALIBU, Calif. (UPI)—A wind-whipped brush fire was contained today six hours after it erupted and sent fire-plagued Santa Monica Mountain residents scurrying to safety.

One home was destroyed and another damaged as the flames spread a blackened path over 60 acres of watershed. There were no injuries.

The swift-moving flames were spurred along by winds up to 60 miles an hour at times. Los Angeles County Fire Chief Keith Klinger had expressed early concern for some 70 homes in the area.

Quick action by fire crews who rushed in masses of equipment was credited with early containment of the fire that thrust its way through scattered scrub oak and dry grass that covers the coastal range.

The fire started near the Hughes Aircraft experimental laboratory when an electrical transformer exploded, spewing out flames which were caught and spread by the winds. Electronic

It Had To Happen Sooner or Later

MIAMI (UPI)—A motorist drove off Thursday with a tiny foreign sports car locked on the rear bumper of her big American car.

Miss Coral De Angelus, 29, insisted she didn't know she had a hitchhiker. After all, she explained, she couldn't even see the little Kharman-Ghia in her rear view mirror.

A policeman said she was drunk. She had to be, he said, if she didn't notice the banging and screeching tires.

Later, Miss De Angelus changed her story. She knew the little car was there all right, and was just trying to shake it loose.

Miss De Angelus, who said the cars apparently became entangled as she drove away from a bar, was booked for drunken driving.

GENEALOGICAL OFFICERS — Dr. Evelyn Powers, organizing president of the Palo Duro chapter of the Daughters of the Republic of Texas, addressed the Pampa Genealogical Society Thursday night at Lovett Memorial Library. Mrs. Powers, seated at center, is pictured with, from left, Mrs. W. W. Hodges, Palo Duro chapter president; Dr. George Powers, representing the Sons of the Republic of Texas; Mrs. Powers; Mrs. Carl Miller, first president of the Amarillo chapter; and Mrs. J. A. Brannen, registrar of the Palo Duro Chapter. See story on page 4.

Rev. Adcock Announces Sermon Topic

"The Godly Unsatisfied" will be the sermon topic discussed by the pastor, Woodrow Adcock, at the two morning services of the First Methodist Church. The 8:30 service is broadcast over Station KFDN. The special anthem for the early service will be "Hail, Hero Workers" by Handel sung by the Carol and Wesley Choirs. The anthem for the 10:55 service will be "Praise" by Rowley sung by the Sanctuary Singers.

Sunday Evening Fellowship will begin at 6 with a light supper for the entire family in Fellowship Hall. At 6:30 p.m. children, youth and adults will separate for one hour of planned activities, according to interest and needs. The adult course, "Know Your Bible," will be taught by the pastor, Woodrow Adcock.

The Sunday night service at 7:30 will be conducted by the pastor who will speak on the subject, "The Man Who Tries." The special music for the evening service will be the anthem "O God of Youth" by Darst sung by the MYF Singers.

Nov. 11 will be Family Night at 7 p.m. in Fellowship Hall. The Asbury Class will be organizational sponsor for the program. The Robert E. Lee Junior High Choir will present the program.

DOGS GUARD PRISONERS

MONTGOMERY, Ala. (UPI) — State Prisons Director J. M. McCullough Wednesday announced Alabama will begin using German shepherds and Doberman pinschers to guard three prisons at night. "As far as we know we will be the first state prison system in the United States to use guard dogs," McCullough said.

Harrah Church In Evangelist Program

The Harrah Methodist Church and all other Methodist Churches of the Pampa District, have entered into a program of evangelism with "Total Enlistment" as their goal.

An "Enlistment For Christ Mission", beginning Sunday morning, Nov. 29 and extending through Dec. 3, will mark a month of special preparation in the Harrah Church.

Special Speaker for the Mission will be Rev. H. H. Braucher of Pampa. The local pastor, Rev. O. M. Butler, will lead his church in all phases of the work; but the committee activities will be carried out by the laymen. Twelve committees headed by a General Chairman have been appointed and have begun their work. In the Harrah Church Tom Price is the general chairman. Following are the various committees and their chairmen: Advertising, Mrs. P. D. Gross; Attendance, Mr. Bob Chase; Assimilation, Mrs. Herchel Lewis; Finance, Mr. Ray Akers; Group, Evangelism, Mr. Ed Stroud; Hospitality, Mr. Raymond Shannon; Music, Mr. A. L. Patrick; Nursery, Mrs. Tom Price; Personal Evangelism, Mrs. F. E. Dyer; Reception, Mr. George Clark; Ushers, Mr. Clavis Shelton and Youth Miss Jeanette Turner.

"The Enlistment for Christ" is not only being conducted in the Pampa District, but will extend throughout the Northwest Texas Conference. From an article written by Bishop W. C. Martin, we quote, "Here we have a plan that will give meaning and vitality to the Year of Total Enlistment; a plan that will enable every member of every church to feel, 'This is my call to be a member of Christ's Church, not in name only, but in reality.'"

NIKITA MEETS EDITOR

MOSCOW (UPI) — Soviet Premier Nikita S. Khrushchev met Wednesday with United Arab Republic editor Salah Salem, and was reported to have told him Soviet-U.A.R. relations will improve. "I am confident that relations between the two countries will regain their friendly character and their strength," Salem said.

Farm Policy Speech Will Be Delayed

WASHINGTON (UPI) — Observers here believe President Eisenhower will put off making a major farm policy speech until sometime after Congress returns in January.

The President had agreed to make a major national address on the farm problem, concentrating on the need for a new wheat program.

However, announcement of his plans to make an extensive overseas trip may mean his schedule will be too tight for the remaining two months.

Earlier reports had indicated Eisenhower would make the speech before Congress returned, thus giving the administration's campaign for a new wheat program an early start.

WASHINGTON (UPI) — An Agriculture Department report showed today that the bruising of cattle during marketing and processing causes losses amounting to about 12 million dollars a year.

The losses range from six cents a head to about \$2.80 a head, averaging about 60 cents.

The department said more careful handling could have prevented much of the loss, resulting from meat that must be trimmed away

NEVER A BRIDE
PINNER, England (UPI) — None of the bridesmaids caught the bride's bouquet at a wedding here Sunday. A horse ate it. Air hostess Sallie Aiden, 25, brought her pet horse Chico to her wedding to Bryan Murphy, 25. After the wedding they planned to ride to the wedding site and feed the rose on Chico and then feed him the rest of the bouquet.

Rebekah Lodge To
Be Circle Hostess

SKELLYTOWN (Sp) — Rebekah Lodge met recently in IOOF Hall with Mrs. Frank Carpenter, noble grand, directing the meeting. A letter was read from Mrs. Maggie Garrett, Borger lodge, reminding the members of the meeting of the North Plains Association of Clerks and Scribes to be held at the Spearman lodge on Nov. 14. Each lodge member is invited. A donation was sent to the President's fund to be used for renovating the old folk's home at Ennis.

Mrs. Clarence Hopkins was reported ill in the Northwest Texas Hospital in Amarillo. The Skellytown lodge will be host to the Panhandle Rebekah Circle on November 23. Attending were Meses. Fred Wall, Frank Carpenter, Fred Anderson, C. M. Estes, R. E. McAllister, Tom Hill, Mae Allan, H. Wedge, Al Elwest, Walter Niver, Evelyn Brown, John Nochle, Fred Genett, Al Shubring, and Everett Crawford.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: I am a 16-year-old girl. On my way home from school I usually stop at a gasoline station for a coke. A man who works there (he is 29) has been confiding in me. He calls me up evenings and we talk for hours. I felt very sorry for him because his wife left him for another man and he misses her and their baby. He's had a tough life, Abby, and says he thinks the world of me. I am afraid if my mother knew who I was talking to she'd have a fit. (She thinks it's a kid from school.) How can I tell him not to call me without hurting his feelings?

SIXTEEN
DEAR SIXTEEN: Simply tell him not to call you any more. Take another route home, and

avoid seeing him. A man of 29 who has to borrow the shoulder of a 16-year-old girl to cry on, probably has designs on the rest of her. I urge you to avoid him.

DEAR ABBY: If I ruled this country, I would lay down a Federal Law stating that no mother could work until her children reach 18 years of age. In cases where the father is dead exceptions would be made, of course. But where there is a working father, the mother should be forced to stay at home and look after her children until the last one reaches adulthood. If a father can't support a family, he has no business having one in the first place. I think this Law, if enforced, would cure our juvenile delinquency problem entirely. What do you think?

OLD-TIMER
DEAR OLD: I doubt it. But if it would, I'm afraid the "medicine" would be worse than the disease. We are a free people, living in a democracy. No dictator, (thanks heavens) can order an individual to WORK or to STAY HOME. And borscht will flow in the Potomac before that happens here.

DEAR ABBY: Four months ago my husband passed away after a long illness. His best friend (a bachelor) had been consoling me in my grief. I don't know what I'd have done without him. We lost our heads and now I am pregnant. I am 34 and he is 50. I have three children and can't imagine how this happened because I was told I couldn't have any more children. He claims he loves me and will marry me later. But he says it wouldn't look right for me to get married so soon after my husband's death. If I wait a year, that will take me into February and the baby is due in March. Should I move out of town, try to talk him into marrying me now or what? Don't lecture me, Abby. I have already taken enough punishment for my own conscience.

ASHAMED
DEAR ASHAMED: If this man intends to marry you, he had better marry you now. He should be more concerned about how "it would look" if you DIDN'T get married immediately than "how it will look" if you DID.

Rainbow Girls
Have Social

SKELLYTOWN (Sp) — Members of the Rainbow for Girls were guests in the home of Mrs. Velma Meeker, mother advisor, for a weiner roast. Following the cook-out, guests gathered in the basement for games of ping pong and table tennis. Attending were Mr. and Mrs. Meeker, Mrs. Cecil Shipley, Mrs. J. C. Jarvis and Joan Jarvis, Linda Payne, Rosalie McAllister, Nelda Bahr, Ann Harlan, Kathy Clark, Kay Hanna, Nan Harmon, Carolyn Woodward, Janet Wedge, Lissa Wedge, Pat Marx, Carolyn Kelly, Diana Thomas, Cecilia Shipley, Carolyn Ryals, Judy McKernan, Cherry Baker and Laura Shipley.

Jet Age Brings
New Beauty Ideas

By ALICIA HART
NEA Beauty Editor

As jet travel becomes more and more commonplace, women travelers will find that they'll need a few extra beauty steps if they're to step from a jet plane looking fresh and unrumpled.

High altitude has a tendency to dry out the skin so a moisture cream is a great help. It should go on under your make-up in order to provide maximum protection. And for hands and elbows, take along a rich hand cream in a travel tube.

Choose a lipstick that contains lanolin; one that will remain creamy on your lips. This prevents that cracked, dried-out look which is both unattractive and uncomfortable. Another important beauty help is a travel-size hair spray that will keep your hair smoothly in place while you cat nap.

En route, a girl's best friend is a wool knit dress. It won't wrinkle, won't crumple and will get her to her destination looking freshly pressed and spruce.

Mrs. Ripplettoe Has
Hopkins Meeting

LEPCRS (Sp) — The Hopkins circle of the Women's Missionary Union of the Letors Baptist Church, met in the home of Mrs. Bill Ripplettoe, Tuesday morning for its weekly meeting and mission program.

Devotional was given by Mrs. Buster Subblett. Opening was a prayer led by Mrs. Joe McCartney.

Mrs. H. L. Harrington directed the mission program, with Meses. B. J. Spradlin, Johnny Taylor, and Helen Adams taking parts.

The dismissal prayer was offered by Mrs. Barbara Bealy. Visitors present were Sue Johnson, Helen Adams, Johnny Taylor, and Thompson. Members present were Meses. Wendell Akin, Barbara Bealy, Clara Blythe, Baley Carter, R. L. Chance, J. L. Ethridge, Everett Fitch, H. L. Harrington, Joe McCartney, Bill Ripplettoe, James Shew, R. C. Shirley, B. J. Spradlin, and Buster Subblett.

Curt Beck New Head Of Community Concert Association

Curt Beck was elected president of the Community Concert Association at a meeting in the board room at the First National Bank this week.

Chosen to serve with Beck are Mrs. M. McDaniel, first vice president; Mrs. Jack Foster, second vice president; Mrs. W. G. Waggoner, secretary; Mrs. E. Roy Smith, corresponding secretary; and Mrs. Harvey Nentzell, treasurer.

Dr. Carl Lang, president of the association, said new officers will assume their duties following the membership drive next spring. Three more performances remain in the current concert season. The next concert will feature tap dancer Paul Draper assisted by Ellen Martin on Dec. 11. Duopianists Eden and Tamir will appear in concert on Jan. 28, and closing out the season on Wednesday, Feb. 24, will be "The Voyage to the Moon", an operetta presentation of the Boston Opera Co.

Attending the meeting were Mrs. Leora Rose, Bill Haley, Mrs. Harvey Nentzell, Mrs. W. G. Waggoner, Mrs. Claudie Gailman, Mrs. Clifton Brady, Mrs. Bob Curry, Mrs. M. McDaniel, Mrs. Jack Foster, N. Dudley Sledge, Dr. Carl Lang and Mrs. E. Roy Smith.

PROBERS

(Continued from Page 1) have been shown to be fixed. It could turn out in a year or so that another type of TV presentation has been rigged.

Rep. John E. Moss (D-Calif.) said he did not feel Kintner's lengthy statement about what NBC has done since the scandal broke indicated the industry would act itself to solve the problems raised.

Moss termed Kintner's proposed new federal law a "major step on the road" toward assuring honest programming.

Subcommittee Chairman Oren Harris (D-Ark.) warned that the industry must police itself or it could face the "real problem" of intervention by the federal government.

Kintner also revealed that two employees of the current TV quiz show "Treasure Hunt" had been fired for taking "kickbacks" from contestants they helped get on the program.

It was the first disclosure of any irregularity on the program. Kintner said NBC's own agents uncovered the operation and turned over their evidence to the New York district attorney's office.

The NBC president said the network did not intend to take the program off the air. He did not identify the two employees who were discharged.

However, Jan Murray of Jantons Enterprises, Inc., owner of the show, and its producer, Phil

Historical Society Meets

The history and projects of the Daughters of the Republic of Texas were reviewed Thursday night at a meeting of the Pampa Genealogical and Historical Society in the Lovett Memorial Library auditorium.

The speaker was Dr. Evelyn Powers, noted woman physician at Amarillo and organizing president of the DRT's Palo Duro chapter. She was accompanied by Pampa by several Amarillo area officers of the DRT and the Sons of the Republic of Texas.

Dr. Powers observed that the DRT in its 64-year history made a down payment for the purchase of the Alamo, and restored the old French Legation at Austin. Her talk also touched on Texas state history.

"Texas are perhaps prouder of their state history than any other people of the United States," she said. "This is, without a doubt, due to the fact that the history of Texas has been taught in public schools, where from an early age students have known the fascinating facts of Texas heritage."

Out of town guests at Thursday night's meeting were from Amarillo, Berger, Stinnett, White Deer and Letors. Presenting was chapter president, Tracy D. Cary.

Former Pampan Gets Life Term For Rifle Murder

RIVERSIDE, Calif. (Sp1) — Wade Zack Brown, 21-year-old former Pampan man, was sentenced to life imprisonment here Thursday after pleading guilty to the murder of a wealthy Riverside widow.

Brown, who was in the U.S. Navy at the time of the murder, is the foster son of Dewey Brown of Pampan. He was charged with shooting Mrs. Lela Helms Peet, 59, on the night of Aug. 4, 1958.

The Pampan sailor told police the widow had been a "sort of benefactress" to him. She had lent him money for a car. He said, and when he went to ask an extension of the loan she refused.

Brown, who joined the Navy in Pampan three years ago, said he stole \$48 from Mrs. Peet's purse when she was out of the room the evening of the slaying.

He told police he knew he would be suspected so he got a rifle, returned to the Peet estate and shot the woman.

Mrs. Peet had heart trouble and it was first assumed that death followed a heart attack. A mortician's examination however revealed a bullet wound through her neck and cheek. The rifle was found near the home.

Car Model Draws Crowd

A full-scale animated model of the 1960 Impala is currently drawing crowds at Culberson Chevrolet, 212 N. Ballard, Manager Dick Stowers reported this morning.

The turquoise and white four-door, which during its automatic cycle rises of its frame 42 inches, has been on display at Culberson since Wednesday. Stowers said this is its premier showing in the southwest.

The car was trucked from Detroit to Pampa by its demonstrator, Howard Wedie of Dallas. The Impala will be shown throughout the western states. The cost of making two such cars was set at \$95,000.

Levens, identified them as Barney Martin and Artie Roberts. They worked as "warm-up" men, who were supposed to loosen up the audience before "Treasure Hunt" went on the air.

Young Lass Follows Advice Of Horace Greeley To A 'T'

GOLDEN, Colo. (UPI) — Barbara Ann Malpass of Albany, N.Y., who impersonated a 16-year-old boy for six months and fooled police in three states, relaxed in a skirt and nylon today, but fretted about her crew cut.

The 20-year-old fast talker said her imposture began six months ago when she left New York to "see the west."

"I was scared to death," Barbara Ann said, every time she was confronted by police. But they never caught on.

She sneaked sponge-baths during her 37-day stint in the Jefferson County Jail at Golden. Once she picked a fight to keep from having to share a cell with a boy.

"It just got rolling along and I couldn't stop it," Barbara Ann said, tugging her skirt over her knees. The 5-foot, 8-inch lass had her close-cropped hair hidden beneath a scarf, but her stockings revealed very feminine legs.

She trimmed her brown wavy hair into a duck tail when she set out from Albany on a hitch-hike adventure through 25 states. She admitted she stole money in Golden in July, and soon after was arrested at Anderson, Ind., for hitching rides.

She slept in three different jails, but each time convinced police she was Charles Richard Williams, 16, a Shoshone, Wyo., orphaned runaway.

"Though she weighs 120 pounds, her loosely-clothed figure fooled even Sheriff Art Wermuth of Golden, the U.S. Marines' "one

Homecoming Set For Saturday

CANYON (Sp1) — Thousands of ex-students are expected to attend the golden anniversary homecoming at West Texas State College this weekend.

Registration of "exes" will begin at 9 a.m. Saturday in the administration building and a business meeting will be held in the main auditorium.

The parade will begin at 10:30, followed by a barbecue to be served at noon. The game will begin at 2 p.m. in the new Buffalo Stadium, followed by club teas and smokers at 4:30.

The homecoming queen will be presented at the game and the dance.

JRC Enrollment Starts Monday

Junior Red Cross enrollment will begin in the elementary and secondary schools in Pampan and Letors on Monday and will be in progress for one week, according to Mrs. Libby Shotwell, Red Cross executive.

Sam Bergert is JRC chairman and reports that St. Matthews Day School has already enrolled 48 of their pupils in the program. One room has also packed six boxes for the children overseas who may need school and health supplies.

Bergert said it is hoped that each school will be 100 percent in enrollment and service.

New Service Station

Reed Service Inc. of Abilene will begin construction soon on a \$2,500 service station at the Frederic-Purvis intersection, Building Inspector Jess Taylor reported today.

The 16 by 30 foot station will be built facing Frederic about two blocks inside the eastern city limits.

EIDINOFF

(Continued from Page 1) may I make a statement to the jury?"

"He doesn't want to make a statement, your honor," defense attorney Percy Foreman said. Foreman masterminded the defense in attempts to prove Eidinoff was insane when he was released from the Austin State (mental) Hospital from observation 10 months before he squirmed into a bullet-proof vest and went to El Paso's International Airport to find Andrews.

Foreman's remark, Judge Bean told Eidinoff to sit down. Then Eidinoff asked to make a statement to newsmen. He said: "They can't change the verdict now can they? We are all sinners, so we must all repent. Those people who do not repent will burn in hell."

The doctor turned to Foreman and asked: "They are not going to send me to Rusk?" Criminally insane persons are held in a Rusk hospital.

"No, hell no," Foreman replied. Andrews, El Paso school board president, and his wife were returning to El Paso by plane from a convention in San Francisco when the attorney was killed.

STEEL

(Continued from Page 1) er, like to go along with the majority and then write a separate "concurring" opinion.

man army" on Batann and a Medal of Honor winner. She had to talk her head off to keep well-wishers on Wermuth's staff from sending her to Boys Town, Neb.

"I'm glad it's over with," Barbara Ann said. "I'm happy to be myself again."

So good was her impersonation of a boy, Deputy Sheriff Sam Teague made her get a crew cut.

"He said he didn't want me looking like a young hoodlum" with a duck tail hair cut," Barbara Ann said. Only a wisp of bang showed beneath her scarf.

After 87 days in the Jefferson County Jail, Barbara Ann was permitted to move in with Deputy Teague and his wife in September.

The Teagues doubted her multiplying fabrications about a Wyoming orphanage background. But Barbara Ann stuck out her masquerade, and even got a man's job laying carpets.

"She kept her tongue going so fast we didn't know what to believe," Mrs. Teague said. "Looking back we can see some of her habits were very feminine. But at the time we didn't suspect a thing."

Teague came upon a letter Barbara had written to her parents, which gave Barbara Ann away. "My parents live in a small town and all of this will hurt them," the girl said. "They were dumfounded when they learned about this impersonation."

Undersheriff Lew Hawley said he asked the parents to wire plane fare so Barbara Ann could return home.

"But the parents told us to let her take her medicine," Hawley said. "They refused custody."

Barbara Ann wants to go to college or art school, and become a book illustrator. She has done numbers of sketches for members of the sheriff's staff.

"She's a talented artist, very intelligent, and, we think, possibly with some psychiatric help, that she will turn out all right," Wermuth said.

Wermuth sent her fingerprints off to the FBI in Washington, but heard nothing about them. She impressed everyone as so sincere and redeemable, no charges were filed, though she admitted taking a house burglary with a boy she met.

Finally Wermuth let his prisoner move in with the Sam Teagues. She has no immediate plan to go elsewhere. And Wermuth's whole staff is disposed to help her live down her Peter Pan escapade.

Final Rites For Mrs. Nettie Clay

Funeral services for Mrs. Nettie Dan Clay, 71, were to have been held at 2:30 today in the Church of Christ in Shamrock with Roger Todd, pastor, to officiate, assisted by G. B. Baker.

Mrs. Clay died at 7:30 p.m. Wednesday in her home at Shamrock. She had been ill for three years.

Mrs. Clay was born Jan. 18, 1888, in Baxter, Tex. She had lived in Wheeler County since 1917.

Survivors include her husband, Virgil Clay, of the home; six daughters, Mrs. Vallie Jolly and Mrs. Ruby Sammons, both of Twitty, Mrs. Eloise Hall and Mrs. Willie Warren, both of Amarillo, Mrs. Wanda Jean Mitchell of Pampan.

Also five sons, Bryce, Aulie and Chaunce of Shamrock; Bradford of Pampan and Coy of Andrews; four brothers, Charles, Dewey and Joe Harris, all of Ardmore, Okla., and Fred Harris of Kelton; four sisters, Mrs. Carrie Rivers of Port Arthur, Mrs. Edna Hoggins of Fort Worth, Mrs. Rosalie Cothran of Dallas and Mrs. Maggie Gammall of Ardmore; a niece, Mrs. Maxine Raftery of Long Beach, Calif.; a nephew, Charles Harris of Ardmore, 31 grandchildren; and nine great-grandchildren.

No Trace Of AF Crewmen

TAMPA, Fla. (UPI) — Hope dimmed today for three Air Force flyers believed to have parachuted from their stricken B-47 jet bomber into the Gulf of Mexico early Wednesday.

But the search over more than 10,000 square miles of the Gulf continued for the trio, centered some 110 miles southwest of here.

One member of the four-man crew, First Lt. Franklin D. Harrod, 25, of Mattlesburg, Miss., the navigator, was picked up by a helicopter some two hours after he was ordered to bail out.

A host of Coast Guard and Air Force planes, at some times numbering up to 30, have scoured the area since the plane went down about 4:30 a. m. Wednesday.

Missing are Maj. Morris O. Beck, 28, Amarillo, Tex.; First Lt. George W. Eggleston, 24, Charleston, W. Va., and T. Sgt. Norman W. Ruwe, 28, Lake Park, Iowa.

NIGHT AND DAY LONDON (UPI) — Miss Chung Aas Sub, 19, of Pusan, South Korea, arrived Tuesday for the Miss World beauty contest Nov. 10, and disclosed she was bringing two chaperons with her.

"I am a long way from home," she explained, "and there is night as well as day."

Skellytown Building Damaged By Fire

A three-room building on Skellytown's Main St. was heavily damaged by fire this morning. The blaze, which broke out shortly after 8 a. m., was in the office building of the Les Kreis Trucking Co.

Pampa firemen, called to the scene at 8:57 a. m., said the fire broke out near a bathroom and spread to the kitchen. A large hole was burned through the roof and a second hole had to be opened to battle the flames.

Flames from the burning building did not spread to adjoining businesses. The Kreis building is located adjacent to Skellytown's Oddfellow's Hall.

Firemen Seeking Toys To Repair

Pampa firemen are ready to begin repairing toys for needy children. Chief Ernest Winborne said this morning. Firemen have been annually painting and repaired old toys to present to needy youngsters at Christmas.

Winborne said his department prefers wheeled toys such as bicycles, scooters, or tricycles. The toys should be brought to the central fire station on E. Foster, across from City Hall.

with her parents. Mr. and Mrs. N. D. Steele and with her grandmother, Mrs. Katie Vincent. Miss Steele is a history major and speech minor and is taking courses in Modern Dance.

Miss Ida Sallee, Miss Alpha Bradley and Mrs. I. E. Byars were among the 5,000 buyers and merchants attending the American Fashion Association's Early Spring and Resort Market held in Dallas this week. The showings were held in the Adolphus and Baker Hotels.

'Messiah' December 13

Handal's "Messiah" will be presented for the second consecutive year on Dec. 13 at 3 p.m. in the First Baptist Church by the choir of the First Baptist, First Methodist, First Christian and First Presbyterian churches. Rehearsals for the presentation will begin at 2:30 p.m. Sunday in the First Baptist.

Joe Whitten and Ben Gollehon will be the directors with Tom Atkin, organist, and Mrs. Lavenia Webb, one of the soloists.

Whitten said the presentation this year will be twice the size of last year when an estimated crowd of 1000 persons attended. A capacity crowd is expected this year.

Whitten also said nine players of stringed instruments from the Amarillo Symphony will accompany the 100-voice choir.

Rehearsals will be held each Sunday from now until date of presentation.

Explorer Post 14 Elects Officers

Election of officers of Post 14, Explorer Scouts, was held this week. The post is sponsored by the Presbyterian Church.

Re-elected president was Ricky Schmidt; Bob Neelaga, vice president; Calvin Broadway, secretary; Bill Martin, treasurer; Tommy Veal, quartermaster; and Gary Bolick and Dick Batsion, first and second representatives to district council.

Under the new post setup officers instead of crew members direct activities of the group under a semi-civic club basis.

Post 14 has 21 members. Boys range in age from 14 through college age.

Students Protest Van Doren Firing

NEW YORK (UPI) — Several hundred Columbia University students, supported by a contingent of coeds from neighboring Barnard College, rallied on the university campus Thursday night to protest the firing of Charles Van Doren.

The rally was the second step in a concerted effort by Columbia students in their campaign to get Van Doren reinstated as an assistant professor of English.

Earlier in the day the students set up a desk on the campus outside Hamilton Hall and solicited signatures from students on a petition calling for the return of the fallen TV quiz idol.

Youths Break Open Grave

DALLAS (UPI) — Dallas police Thursday arrested three teenagers for digging upon the grave of a seven-year-old girl and today were looking for at least two more teenagers involved in the case.

The teen-agers called it a "hallooween prank." Police said one high school student led them to a creek bed and showed them where he had thrown fragments of bone and part of a casket. But he said he had nothing to do with digging up the grave. He said another student at the school gave the bones to him.

A hunter noticed the opened grave Sunday and reported it.

The grave was opened at the Crestview cemetery, a burial ground opened in Civil War days and closed in 1926. The child was buried in 1926. The family said the grave would be closed as soon as the police laboratory finishes examining the remains, collected from the creek bed.

Harvesters Meet Lubbock Here Tonight

Canadian Can Clinch Title Tonight -- For McLean Tigers

It's unlikely that Grady Burnett will tell his Canadian Wildcats tonight to "get out there and fight McLean." But that's just what he'll be doing.

If the Wildcats beat Clarendon tonight in Canadian, they'll assure their arch-rivals, the McLean Tigers, of at least a tie for the District 2-A crown, and a spot in the bi-district playoffs.

If Clarendon wins, the Bronchos will throw the race into a two or three-way tie next week by beating McLean. In the event of a two-way tie, Clarendon will represent the district in the playoffs. If there is a three-way tie between White Deer, McLean, and Clarendon, a toss of a coin will decide the playoff representative.

52nd Year THE PAMPA DAILY NEWS FRIDAY, NOVEMBER 6, 1959 5

Red Griggs
★
the pipeline

We almost gave up on B. A. Ricketts, after last week's debacle. We thought maybe last week's picks were so bad, that he had just given up on us. However, he's come through. Here it is:

I am sorry this writing, is a little late. But I didn't have time, so I had to wait. Several of the teams were certainly upset. And about your misses, I'm not gonna fret. You have done pretty good, you Pampa Bud. So let's blame it all, on the water and mud. When McLean came up, to play White Deer, The Bucks showed up, without any fear. Everyone thought Burns would put on the show. But Little David Crockett said "Remember the Alamo." Pampa, Borger, and Lubbock High, Slipped further on down, as the end draws nigh. The Rebels, to the Sandies, were not supposed to lose. Now Southwest Amarillo has the Tascosa blues. Who was the fellow that got in a stew. And picked Texas, to lose to Smoo? It matter not, Red how much you have blundered. Just so you keep your average, above five hundred. Yours Truly,
Skellytown Ricketts

Middleton May Give Pampa Aerial Defense Acid Test

At 8 p.m. tonight in Harvesters Park, the Harvesters meet the Lubbock Westerners, in a game which will throw the district's best pass defense against one of the loop's top passers.

Lubbock's "bomber" is quarterback Tommy Middleton, the number three passer in District 3-4A. His favorite target is halfback Jimmy Hayhurst, who will not start, but who is expected to see quite a bit of action.

Pampa's tight "anti-aircraft" defense is composed of halfbacks Buddy Rawls and Bobby Stephens, linebackers Duke Garren and Terry Rexroad, and cornermen Murt Cooper and Charles Warren. So far, this Pampa defensive secondary has yielded an average of only 14 yards per game through the air, in district play. Pampa is, so far, comfortably on top in pass defense.

On offense, three new men will start in the Harvesters backfield—fullback Steve Dobbin, right halfback Sherrill Miller and left halfback Ruben Strickland.

Lubbock coach Buddy Brothers is shaking up his starting lineup, in order to try to snap his team out of its slump. Lubbock has lost six of its seven games, but its one win was over Palo Duro, 21-16. Palo Duro defeated the Harvesters last week, 6-0.

Babe Curfman, Pampa coach, thinks the Harvesters will be mentally ready to play the Westerners. "They lost last week because of overconfidence," he said, "but I don't think they'll make the same mistake again. They've been hustling, in workouts, as well as ever."

Curfman doesn't regard Lubbock's record as any indication of their strength. "They've been disorganized and demoralized," he said, "but if they go into tonight's game with the right attitude, they can really be tough. The fact that they beat Palo Duro, a team that beat us, will probably improve their morale."

Pampa's probable defensive starters tonight will be ends Benny Stout and Kent Mitchell, cornermen Warren and Cooper, linebackers Rexroad and Garren, halfbacks Stephens and Rawls, tackle Rowland Stone and Jim Scott, and middle guard Harold Stokes.

Canadian can, of course, help itself by winning tonight by winning, too. A win would assure the Wildcats of a 4-2 district record, and at least a tie for third place.

White Deer and McLean, both of which will be anxiously watching the outcome of the Canadian-Clarendon game, should have breathers. Both play teams which haven't won a game this year. McLean hosts Lefors (0-7-1) and White Deer is at Panhandle (0-8).

A big game is scheduled in 1-B, but it won't settle anything, as far as the championship is concerned. Wheeler must beat Claude, on Claude's home field, to stay in the race. However, it will make only a slight difference to Claude's championship hopes, whether they win or lose. If they lose, they can still gain the playoffs by upsetting Groom next week.

Groom will be playing at Texline (2-6). The Tigers will be favored, but Texline is strong enough to pull an upset, if conditions are right. In a battle to stay out of the cellar, winless Pollett will be at equally winless Darrouzett.

Quannah, which is in District 5-AA champ for all practical purposes, can make it a mathematical certainty tonight by beating Childress. Perryton, which has rebounded to score two one-sided victories after losing its first six games, hosts Guymon, Okla., in a non-district game. Shamrock will be shooting for a share of second place when it hosts Wellington.

District 1-B (six-man) has finished its season. District champion Miami is biding its time, until a bi-district game can be set up with the winner of District 2. The Warriors finished their season with an 8-0 record, the only undefeated team in the Pampa area.

Powell, Ridgway Capture Thursday's Feature Bouts

By RED GRIGGS
Daily News Sports Editor

Kenny Powell and Wendell Ridgway captured the otherwise routine fight card Thursday night at the Optimist Boys Club, with free-swinging victories.

Powell, fighting in the feature bout before a good crowd of about 300, put a crimp in the comeback plans of former Texas bantamweight runnerup Rabbit Ramirez. Powell took a unanimous decision, and near the end had the crowd screaming for a knockout.

Powell carried the fight to Ramirez all the way, and landed most of the damaging punches, although he found it hard at times to find the range on the fast and elusive Ramirez.

Although Ramirez lost, his showing wasn't bad for his first fight of the year. After losing several bouts last year, he decided to retire from active boxing and become a coach, but he changed his mind and has been working out. He had a few good flurries during the fight.

Wagner and Ridgway both landed plenty of good punches during the first two rounds, and Wagner got perhaps a little the better of the exchanges.

In the third round, though, Ridgway began moving in on Wagner, landing damaging long lefts and short rights. He got Wagner on the ropes near the end of the round, and finally knocked him down. The final bell sounded before referee Cliff Dunham could start his count.

The third expected feature bout turned out to be a routine match. Jim Murray won an easy decision over Ronnie Morgan, in a lightweight scrap. Murray landed all of the few damaging punches which were thrown during the fight, and was the aggressor all the way.

In a couple of good pee-wee bouts, D. D. Lofton, a 60-pounder from Lefors, bested Tommy McDonald of Pampa in a good slugfest, and Lewis Gibson of Lefors bested Johnny Brown of Pampa, after giving him a bloody nose.

Ben White's Lefors squad made a good showing Thursday, winning six of the 12 bouts in which Lefors fighters were entered.

Complete results of Thursday's matches are as follows:
60-pound — Terry Sanders, Lefors, beat Danny Boyd, Richard Drug.
90-pound — Danny Martin, Lefors, beat Bruce Herring, Parsley.
65-pound — Jerry Lane, Lefors, beat Dennis Merrifield, Richard Drug.
80-pound — Allen Lindsey, Parsley, beat Johnny Lofton, Lefors.
145-pound — Jim Murray, First National Bank, beat Ronnie Morgan, Richard Drug.
135-pound — Kenny Powell, Parsley, beat Rabbit Ramirez, First National.
All wins were by decision.

Football Games Are Postponed

Two junior high football games scheduled for Thursday were postponed because of cold weather. Lee Rebel Coach Lester Ramsey said today.

Ramsey said that the Lee Rebel-Perryton game has been rescheduled for 4 p.m. Tuesday in Perryton, and that the Lee eighth-Perryton eighth game has been rescheduled for 4 p.m. Tuesday at Harvesters Park.

DeJohn Favored In Tonight's Fight

SYRACUSE, N. Y. (UPI)—Unranked Mike DeJohn was a slight favorite to defeat Charlie Powell in their scheduled 10-round heavyweight bout at the War Memorial tonight.

The bout will be nationally televised and broadcast by NBC starting at 10 p.m. e.s.t.

Powell, who comes from San Diego, is ranked eighth among heavyweights by the National Boxing Association, but Powell's long layoff since his latest fight made DeJohn, a hometown boy, a 6-5 early choice.

Evangelism Drive Is Set

First Methodist Church of Pampa will engage in a district-wide evangelism campaign beginning Nov. 29 at 7 p.m. and continuing through Dec. 4 with morning services held daily 7:30.

CORNING HIRES MURPHY

NEW YORK (UPI) — Corning Glass Works Wednesday announced that outgoing Undersecretary of State Robert D. Murphy has accepted the presidency of its subsidiary, Corning Glass Works International.

Read The News Classified Ads.

living and to win new talents to Christian living. The services of a song-leader are being secured to lead hymns of inspiration.

Evangelistic services will be in progress at all three Pampa Methodist Churches and in all other Methodist Churches of the Pampa District at the same time.

The Youth of the district will kick-off the campaign with a district youth rally and banquet in Pampa First Church, Fellowship Hall on Nov. 28.

Committees within the First Church will be working as a team to assist in this important ministry within the church.

Named to committees for competence in a specific task are Bob Black, as general chairman; Lonnie Bolding, John Gentry, attendance chairman; J. E. Gunn, assimilation chairman; Jack Skelly, finance chairman; Mines, H. H. Boynton, Kermit Lawson; Messrs. George Scott, L. Y. Grace, group evangelism chairman; Roy McKee, hospitality chairman; Tom Atkin, music chairman; Mrs. W. R. Campbell, nursery chairman; Julian Key, Cecil Williams, Martin Cooper, Dick Stowers, personal evangelism chairman; Mr. and Mrs. Aubrey Steele, reception chairman; E. A. McLennan, usher chairman; Melvin Munn, youth chairman; Coy Palmer and Mrs. Ray E. Wilson, radio and newspaper chairman.

PRELIMINARY PLANS — Rev. W. W. Adcock, pastor of the First Methodist Church, seated with Bob Black, general chairman of the Enlistment for Christ Mission, left, and Melvin T. Munn, chairman of the Youth Committee activities in connection with the evangelistic services, discuss preliminary plans for the district-wide evangelism campaign beginning in the First Methodist Church on Nov. 29 and continuing through Dec. 4.

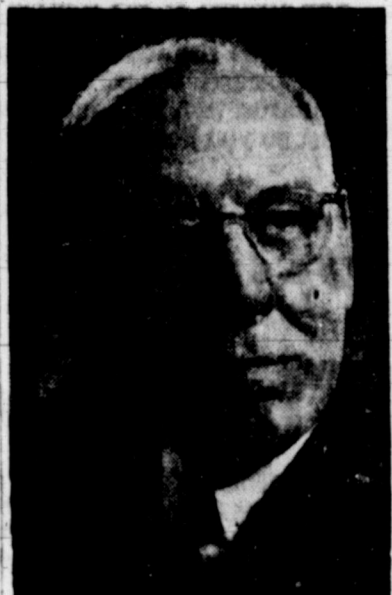

Elder Morris To Dedicate Chapel

Elder George Q. Morris, a member of the council of Twelve Apostles of the Church of Jesus Christ of Latter Day Saints (Mormon), making a tour of the churches of the Gulf States Mission, will be in Pampa Sunday, 7 to 9 p.m., to preside over the regular district conference, and also dedicate the Pampa Chapel. The public is cordially invited.

Elder Morris's interest in young people has led him into Scouting. He was a member of the explorer committee of the National Council of the Boy Scouts of America and vice-chairman of Region 12. In recognition of his work in the field, he was awarded the Silver Antelope.

Elder Morris has given constant service to the church through the years. He was a missionary in Great Britain from 1899 to 1902; Superintendent of the Salt Lake Young Men's Mutual Improvement Association; a counselor in the bishopric and Bishop of the fourteenth Ward in Salt Lake City; member of the Ensign Stake Presidency; assistant superintendent and superintendent of the YMMIA Central Board; president of the eastern states Mission; and assistant to the Council of the Twelve Apostles. His call to the Apostleship came in April of 1954.

The members of the Pampa branch feel that they are indeed fortunate to have a man like Elder Morris to dedicate their Chapel.

Elder GEORGE Q. MORRIS ... to dedicate chapel

Catholic Church Participates In Clothing Drive

St. Vincent de Paul Catholic Church will participate in the 11th annual Thanksgiving Clothing collection the week of Nov. 22-29, according to the Rev. Father Edward Cashman, C.M., pastor. The Catholic churches of the diocese of Amarillo will also participate.

The clothing collection is sponsored by Catholic Relief Services — National Catholic Welfare Conference, which is the overseas relief agency of American Bishops.

The clothing collection will be carried out in approximately 15,500 churches and schools in the U.S., according to Archbishop Karl J. Alter of Cincinnati, Ohio, chairman of the administrative board of the National Catholic Welfare Conference.

"The appeals we have received for relief aid exceed those of former years," the Archbishop said in emphasizing the need for used, wearable clothing for the needy in Europe, Asia, the Far East, South America and Africa.

The ten successive previous clothing appeals produced a total of one hundred million pounds of clothing, shoes, bedding, supplies, etc., valued in excess of \$125 million, which have been distributed among the world's destitute by Catholic Relief Services.

This year's collection campaign is known as "Operation Clothes Closet."

Rev. Lyons To Speak At First Baptist Sunday

Rev. Howard Lyons, former member of the First Baptist Church, Pampa, will be the guest speaker Sunday at the morning and evening services. Rev. Lyons is now employed by Deering Associates Incorporated of Oklahoma City. In this position he is now helping churches finance building campaigns. He was formerly pastor at White and Plainview.

Special music for the Sunday services will be anthems by the Church Choir. At the 11 a.m. hour they will sing, "Songs of Praise" by Jones; and at 7:30 they will sing, "No One Ever Cared For Me Like Jesus" by Jones.

Organ offertory numbers will be "Largo" by Handel at the morning worship and "Prayer" by Sergiasso at the evening worship.

Dr. Douglas Carver, pastor of the church, has been attending the Texas Baptist General Convention in Corpus Christi and will return the latter part of next week.

The church is continuing its program of subscribing the 1960 budget. Goals have been given to classes and departments as their share of the finance program of the church for next year.

Next Wednesday night the teachers and officers will study a special stewardship lesson that is to be taught on Nov. 15.

Monday the Girls Auxiliary of our church will have a special mission book study from 4 until 8 p.m. A supper will be served during this time.

Two classes of the Bible Survey Course are now being taught. Mrs. G. L. Craddock, teacher of the

CLAIM JET RECORD

MOSCOW (UPI) — The Soviet Union today claimed a world speed record for jet planes with an average speed of 1,451.70 mph.

The official Soviet news agency Tass said pilot G. Mosolov set the record in a single-engine jet plane. It said he hit a high speed of 1,553.4 mph but gave no other details. The official world record is 1,404.09 mph, set by U. S. Air Force Capt. Walter W. Irwin in May, 1958, in a Lockheed F-104a Starfighter.

Baptist Conference Loyalty Dinner Scheduled Tuesday Set For Nov. 12

Rev. Samuel Akande, Nigeria, West Africa, will be the principal speaker at the Palo Duro Baptist association workers' conference meeting with the First Baptist Church, Berger, Tuesday night.

Rev. Akande regularly speaks to crowds numbering 1,500 to 2,000 when home in his native Nigeria. He is widely acclaimed as a gospel preacher in his own land. He is presently enrolled in Wayland College, Plainview, further preparing himself for the gospel ministry. He came to Wayland through the influence of Southern Baptist missionaries serving in Nigeria.

The theme for the conference is "Building a Better Sunday School through the use of the Standard of Excellence as a Guide." The program will begin at 5:45. Supper will be served at 6. At 7:30 Sunday school departmental conferences will be held.

Departmental conference leaders are: General officers of the Sunday school — Bob Callahan, Pampa; Workers with adults — Mr. Ron Holloway, Berger; Workers with married young people — Mrs. Bob Callahan, Pampa; Workers with single young people — Mrs. Ron Holloway, Berger; Workers with intermediates — Mrs. Jeff Moore, Berger; Workers with juniors — Mrs. C. L. McKinney, Pampa; Workers with primaries — Mrs. J. V. Guthrie, Lefors; Workers with nursery children — Mrs. Cecil Collum, Pampa; Extension department workers — Miss Louella Eades, Phillips.

Following the conference period there will be a assembly in the auditorium at which time Rev. Samuel Akande will speak. Music for the conference will be under the direction of Mr. Paul Biggs, Phillips, association music director. Rev. C. N. Rue, pastor, First Baptist Church, Phillips, is association moderator.

Dr. Carver Named To Missions Board

CORPUS CHRISTI (SpI) — Dr. Douglas Carver, of Pampa, pastor of First Baptist Church, was one of 15 Texas Baptists elected to the newly-created State Missions Commission today.

Carver was named to the post during a special meeting of the 191-member Texas Baptist executive board of the Baptist General Convention of Texas meeting here Monday through Thursday.

The new commission will direct all Baptist state missions operations and will include four major divisions — missions, church services, evangelism and stewardship. A state missions secretary will coordinate the work in the four areas and report to the 15-member commission.

Under the old BGCT organization, nearly all phases of church promotion and missions were under separate departments reporting directly to the convention's executive secretary.

The State Missions Commission is one of three new major administrative divisions approved by the executive board. Nearly every operation of the convention falls under one of the three commissions — the Human Welfare Commission, Christian Education Commission and the State Missions Commission.

The administrative re-organization was recommended by a special 25-member survey committee which analyzed every phase of the convention's operation in a two-year study.

Services Set For Sunday

The meaning for today of the book of Genesis will be set forth in the Lesson - Sermon entitled "Adam and Fallen Man" at Christian Science services Sunday.

Opening selections to be read from the Bible present these verses: "God created man in his own image, in the image of God created he him; male and female created he them . . . And God saw everything that he had made, and behold, it was very good" (Genesis 1:27, 31).

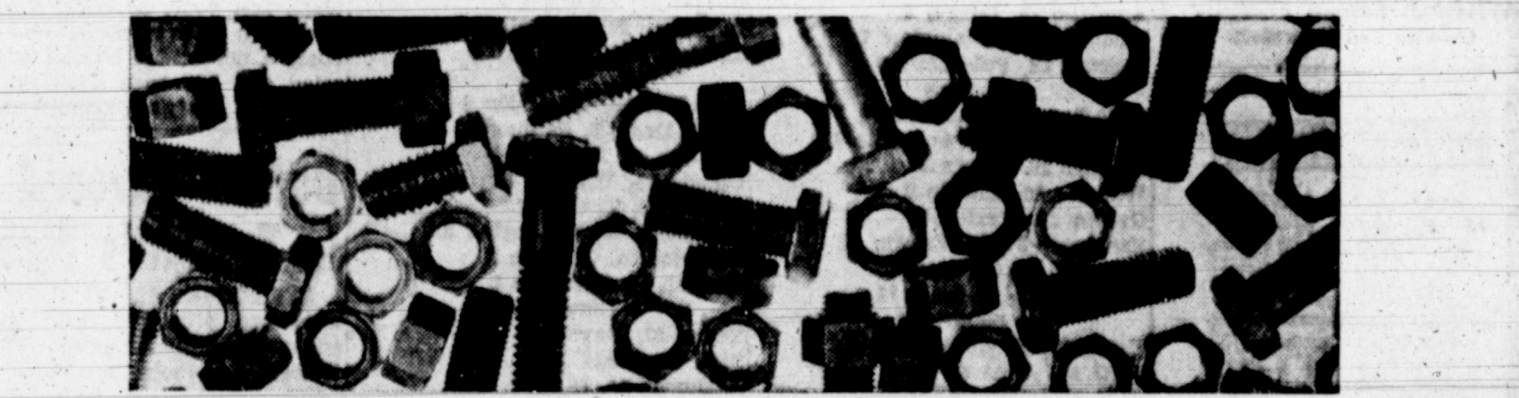

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (183:21-23): "Divine Mind rightly demands man's entire obedience, affection, and strength. No reservation is made for any lesser loyalty. Obedience to Truth-gives man power and strength. Submission to error superinduces loss of power."

A sincere welcome awaits you at all the services in First Church of Christ, Scientist, Pampa. You may obtain information about Christian Science by visiting the reading room in the church building at 901 N. Frost, where

SBA Head Resigns

WASHINGTON (UPI) — Wendell B. Barnes resigned Wednesday as head of the Small Business Administration.

The White House said Barnes, who has been head of the agency since Nov. 2, 1953, would leave the government Nov. 21 to enter the private investment business.

THESE ARE SOME OF THE NUTS, BOLTS AND SCREWS THAT WERE NOT PUT INTO THE BODY AND FRAME OF THE 1960 PLYMOUTH.

They can't loosen and rattle because they're not there. Instead, Chrysler engineers now bring you DuraQuiet Unibody: a body and frame that's a single unit welded around 5400 times for super strength. You will feel and hear the difference the first mile you drive the Solid Plymouth for 1960.

Expect a pleasant new experience when you first try the '60 Plymouth. What happened to the "car sounds" you used to think were normal? They're gone, in the new Solid Plymouth. They

were built out of it from the start. And they won't appear later to haunt you, because this car is built to stay quiet for a long, long time.

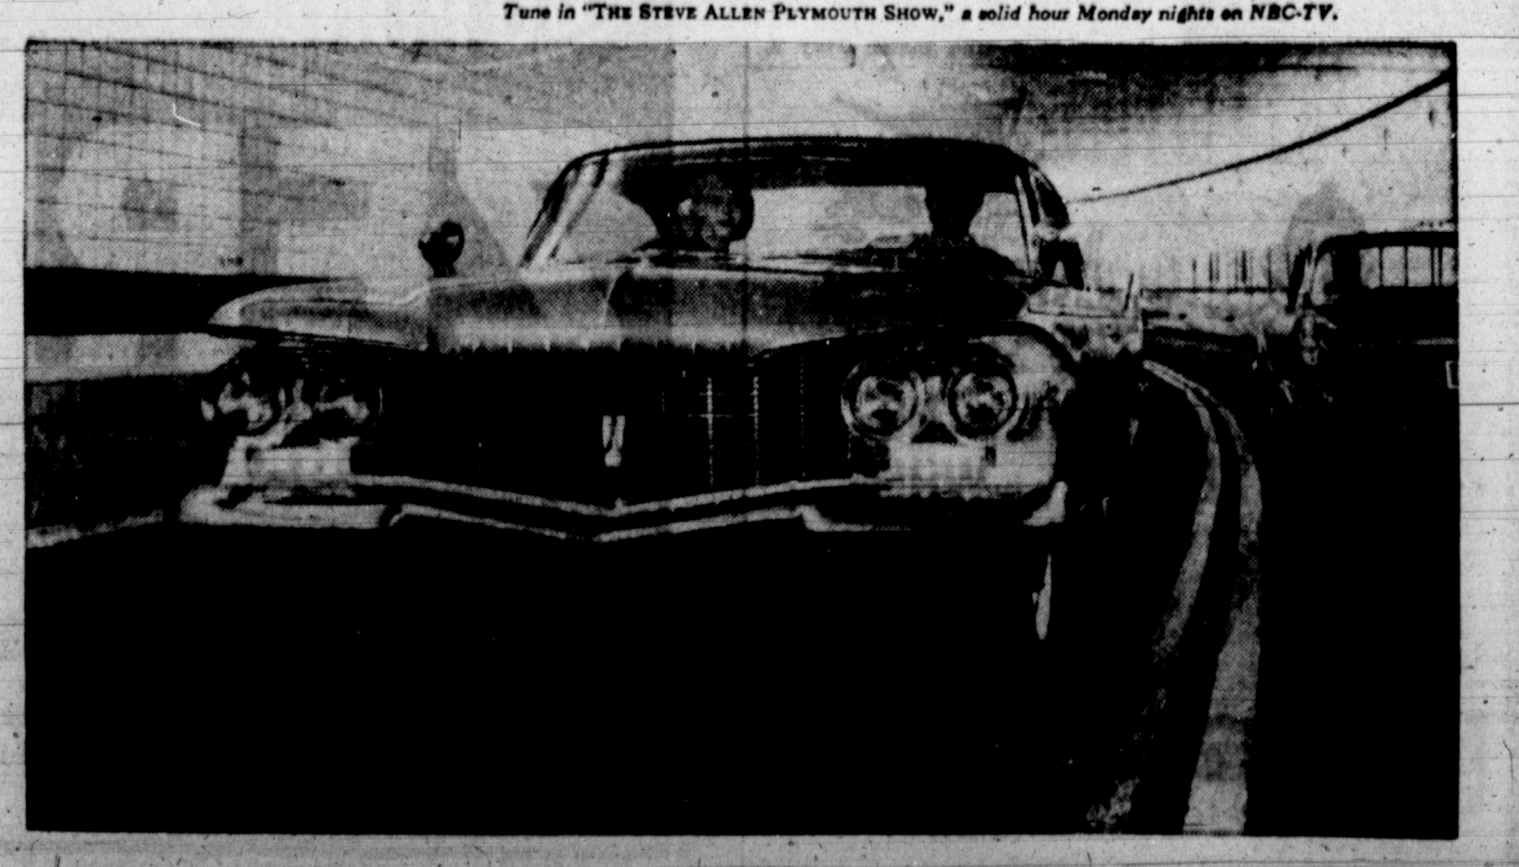

Quiet durability is only one of the advantages of solid Unibody construction. You'll notice unusual new comfort as well, and new handling ease.

We think this is the best built, best performing car in the low-price class. Try it and see what you think.

Build a new solid way to give you solid satisfaction

The Weekly Message Of Inspiration

Rev. and Mrs. Lonnie Davis
Evangelical Tabernacle

As we begin this message we would like for you to turn to 1st. Cor. 15:45, and read.

The first Adam, which was the son of God (Luke) 3:38, was given dominion over all material creation, (Gen. 1:26; Ps. 8:4-8) his body went back to dust from whence it was taken after he transgressed God's commandment, and his spirit went back to God who gave it, (Ecc. 12:7). The Apocrypha in Wis. of Sol. 10:1-2 says this, she (Wisdom) preserved the first formed Father of the world, that was created alone, and brought him out of His fall, and gave him power to rule all things." After learning obedience and being made perfect, the Son of God, (Mark 12:6) the First and the Last (Rev. 1:17) became author of salvation. (Heb. 5: 8, 9 He was the child that was born of the Virgin Mary, Isa. 14, 15) in the body of God prepared for him (Heb. 10:5 and He is the Son that was given (Isa. 9:6). This man (not the supreme God, nor one of a trinity of gods in unity) was manifested in Melchisedec (Gen. 14, 18, 20) long before the Son was given. See also Heb. 7:1. Who else but the Son of God could this Melchisedec be? For is not the Son of God the King of Righteousness and Peace and is he not the priest of the most high God even now? And was not Adam without father and mother, and without descent in that he was not descended from any natural parents? And was not Adam priest of the most high God in the heads of the families of the patriarchs, such as Jod offered up sacrifices for children. (Jod. 1, 5). Some will say he is not a son but a co-ruler with God the Father and co-diety with the Father before he came in the Virgin Mary; but in Heb. 1:6, Scofield Margin says "Bringethback" the first begotten, etc., showing he had been on the earth before. If it takes a blood sacrifice to redeem mankind, then how did Adam, the son of God, redeem himself? As above explained in part, Adam paid the penalty of his own sin by losing his own body as God had said he would if he ate of the wrong tree in which he did. Then his spirit returned to God who gave it, (Ecc. 12: 7) and so on as previously explained, after which he as the lamb of God, who was inspected four days (dispensational days) being found without blemish in his four days of inspection from Adam after his fall, in Melchisedec, in the fiery furnace with the Hebrew children, and as the spotless Passover lamb when he was offered up for the sins of the world. The first Adam mortgaged the field (world), but the last Adam bought it back. For he as our kinsman was the only one who had the right of redemption, see the book of Ruth for type of near kinsman. By inheritance he had a more excellent name than angels, and the right of redemption (Heb. 1, 4) and he is now, not only father of the earthly family as he was in the first Adam, but, he is now exalted to be the father of both the earthly and heavenly family (Eph. 3, 15, 0) and instead of being ruler over merely the material creation as in the first Adam (Ps. 4, 8) all power both in heaven and earth are given unto him, as the last Adam. (Matt. 28:18) Peter received the revelation that he was the son of God (Matt. 16:16, 17). Let him that can receive it receive it, no man knoweth but the Father, neither knoweth any man the Father, save the Son, and to whomsoever the Son will reveal him (Matt. 17: 27).

12 Laws of Prosperity

In order for man to prosper, it is essential that man understand the nature of the world in which he lives as well as the nature of his own energy.

We refer to these laws as natural laws because they relate to man's true nature and to the true nature of the world in which man lives.

1. In order to prosper, every living thing must behave according to its own nature.

2. The Law of Cooperation. One man does not have enough energy all by himself.

Therefore, we come to the law of cooperation.

12 Laws of Prosperity

We are continuing here the listing of the twelve laws of prosperity begun in the foregoing editorial.

6. The Law of Private Property. It is not possible for man to survive without his personal ownership of property.

7. The Law of Inequality. No two human beings are ever equal.

8. The Law of Reliable Currency. The medium of exchange which man uses is not simply an object of value.

9. The Law of Planning Man's activities is not haphazard but is a result of his own planning.

The Pampa Daily News

YOUR FREEDOM NEWSPAPER. We believe that freedom is a gift from God and not a political grant from the government.

BETTER JOBS

By R. C. HOILES. Increased Money Only Results in Higher Prices.

In the last issue I was quoting how Frederick Nymeyer explained the difficulties of the present banking laws enabling the banks to be liquid and profitable.

The borrower can go out and use the \$20,000 to buy capital goods, consumer goods, or go on a wild spree of debauchery.

The fact of importance at this time is that the borrower himself benefits from getting this purchasing power.

There is no doubt that the new money supply, there is, as Hume recorded long ago, only one sure effect from increasing the quantity of purchasing power.

Centralized planning inhibits this ability for it places in the hands of a few the future of the many.

10. The Law of Bargaining. Man's economic life is conducted under the immediate necessity of arriving at a meeting of minds.

11. The Law of Responsible Authority. This is an extension of the law of private ownership.

12. The Law of Integrity. Man's economic life is based upon truth and honor.

The Law of Reliable Currency. The medium of exchange which man uses is not simply an object of value.

The Pampa Daily News

YOUR FREEDOM NEWSPAPER. We believe that freedom is a gift from God and not a political grant from the government.

Desecration

The Allen-Scott Report. ROBERT S. ALLEN and PAUL SCOTT.

WASHINGTON - A number of tax changes, affecting virtually every taxpayer in the country, are slated for careful scrutiny at the hearing of the House Ways and Means Committee.

Such a "balancing off" of reductions against increases is the express purpose of Representative Wilbur Mills (D. Ark.), chairman in launching this proposed top-to-bottom overhaul of personal and business taxes.

There is no thought of cutting the total federal revenue, Mills has no intention of doing that.

Establishing a new method for deducting payments for charity, medical bills, interest, state, local and other taxes.

Reducing estate tax rates - by an unspecified amount.

Permitting taxpayers to "average" their income over a two-year period in the event of a "sudden" big increase.

Abolishing the exemption for stockholders on the first \$50 in dividends, or \$100 for married couples.

The Doctor Says:

by EDWIN P. JORDAN, M.D.

Maybe you've asked your doctor about a cure for cancer.

Maybe you thought it was curious he didn't seem to know as much about cancer cures as the enthusiastic writers who give out for some of the popular magazines.

Here are some of the reasons he appeared so dumb:

What we say are the "causes" of cancer (carcinogens) are probably not causes but factors that tend to make the cancer grow.

Most doctors agree, for example, that smoking favors growth of cancer in the mouth, gullet, bronch and lungs.

What we call "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all. The best treatment for cancer is surgery.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

What are called "cancer cures" today are really not cures at all.

ANTI-RUST
 Keeps rust or corrosion from forming on any kind of metal

ANTI-SEEP
 Special deterrents prevent seepage through gaskets, hose connections

ANTI-FOAM
 No foam, even in the hardest water, to hamper circulation

1H Premium is a completely balanced anti-freeze formula, tested and proved in the laboratory and in the field.

Look at these features:

- No boiling away
- No fire hazard
- No dangerous fumes
- Better Heater Performance
- Uniform Freeze-protection

GUARANTEED: when used according to instructions

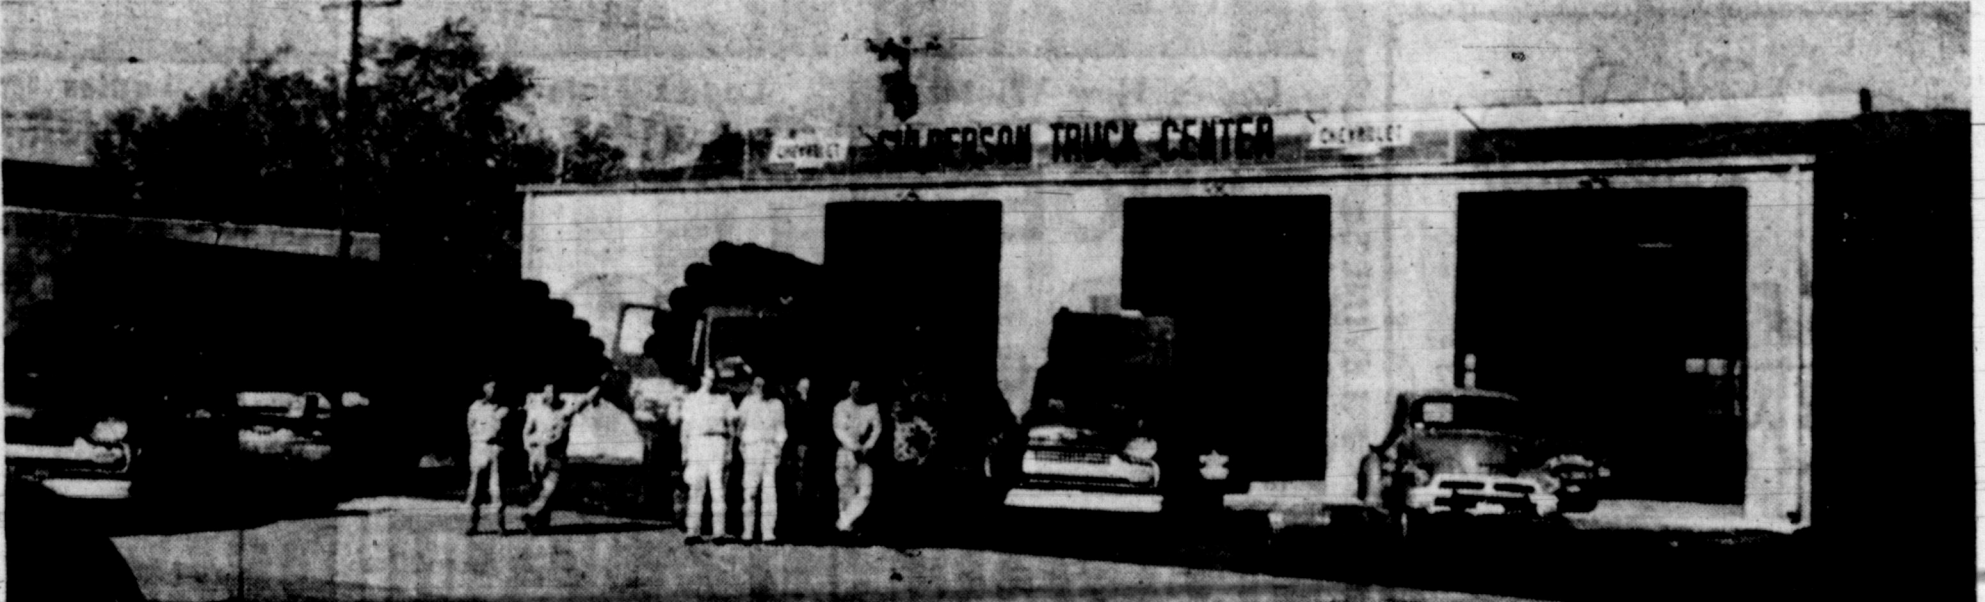

1. to protect cooling system against freezing
2. to prevent further formation of rust or corrosion in system
3. not to evaporate
4. not to clog passages in system
5. not to damage finish, or metal or rubber parts of cooling system
6. not to foam
7. not to leak out of any cooling system that is water tight

DELAWARE WORKERS DEAD
 PEARSALE, Tex. (UPI) — La-roy D. Rumfield Jr., 39, of Pear-sall, an employee of the Texas Highway Department, was killed Wednesday night when his car went off the road, overturned and hit a tree. The highway patrol said the accident occurred 2.8 miles north of Pearsall on U.S. 81.

CHICAGO (UPI) — It will take the steel industry and the United Steelworkers 10 years to make up for the losses in wages and profits suffered in the current strike, K. J. Martiatte, president of the Industrial Management Society, said Wednesday. Martiatte, of Chicago, told a convention of industrial engineers that strike losses to steelworkers amounted to 70 million dollars a week and the probable loss in profits to the industry was four to five billion dollars.
