RUSSIA'S FIRST LADY

These photographs of Mrs. Nikita Khrushcheva display three different moods of the plain but poised woman who, until recently, was unfamiliar to most Americans. She is known in Russia as Nina Petrovna Khrushcheva, since the "a" is the Russian feminine ending for a name. She'll return to Moscow Sunday with hundreds of gifts given by U.S. citizens.

WASHINGTON (UPI) — Soviet Premier Nikita Khrushchev said today he thinks his tour of the United States contributed to a lessening of international tensions "to a certain extent."

But the Soviet leader added that he will know more about that after his face-to-face cold war talks with President Eisenhower beginning tonight at Camp David.

Khrushchev also told an impromptu news conference outside the Soviet embassy that he hopes the President will make an extensive trip through the Soviet Union—a trip longer than he took in the United States "since our country is bigger."

Khrushchev and Eisenhower held separate strategy conferences with their top advisers during the morning to prepare for their talks.

The two-top-level huddles took place about 200 yards apart—the President meeting with his aides in the White House while Khrushchev talked with his in Blair House, just across Pennsylvania Avenue.

After asserting that he thinks his tour lessened international tension "to a certain extent," Khrushchev added, "We will know more about after my discussions with the President."

The White House announced that Eisenhower and Khrushchev would fly to Camp David by helicopter, taking off from the White House lawn at 4:15 p.m. EST.

Khrushchev, obviously in good humor from the reception he got on his transcontinental tour, gave every indication that the top-level talks would get underway in a friendly atmosphere.

He told leading U.S. businessmen at a dinner Thursday night that he believed "the United States does want agreement with us and wants to live in peace."

But he said the question of whether the U.S. government is as peace-loving as its citizens would be answered by the official American position on disarmament and trade.

"If the U.S. government renounces disarmament, one would doubt its sincerity," he said. Khrushchev did not say whether he meant disarmament on his own terms or with some inspection and control provisions demanded by the United States.

Called Key Problem
It was obvious that the arms issue would be a chief topic between Eisenhower and Khrushchev, both of whom have described it as the key problem in the cold war. Other subjects are expected to be the German problem, East-West trade, peaceful co-existence, more person-to-person contacts and Red China.

Khrushchev canceled a scheduled visit to the National Institutes of Health to spend the morning at the Soviet Embassy preparing for his discussions with Eisenhower.

The Soviet premier's only scheduled engagement was at 1 p.m. e.d.t. lunch with Secretary of State Christian A. Herter at Anderson House, a private club. About 30 to 40 other guests were to attend.

Eisenhower called a midmorning meeting with his advisers at the White House to go over the subjects that are expected to come up at Camp David. Summoned to the conference were Herter, U. N. Ambassador Henry Cabot Lodge and Llewellyn Thompson, American ambassador to Moscow.

Will Begin Talks
There, in the seclusion of the wartime hideaway that Franklin D. Roosevelt called "Shangri-La," they will begin their momentous talks that "could" determine the future course of East-West relations.

It is doubtful that either nation (See IKE, Page 3)

MRS. K TO RETURN WITH MANY GIFTS

By COLETTE BLACKMOORE

WASHINGTON (UPI) — When Mrs. Khrushchev returns to Russia on Sunday she will take more luggage than when she came.

She has purchased very few things so far, mostly baby clothes for her grandchildren, present and future.

The extra baggage comes in the many presents which Americans have personally given her or sent to her hotel suites.

Several tokens of individual U.S. appreciation awaited Mrs. Khrushchev on her return to Washington Thursday. One was a dozen red roses from the pianist Pan Ciliburn. Another was a red velvet "chapeau" from Sally Victor, who designs hats for Mrs. Eisenhower.

In Iowa's countryside some of the ladies presented Mrs. Khrushchev with a selection of colorful maize, and other corn products for an autumn table arrangement.

In Pittsburgh, a young mother heard that Mrs. Khrushchev had not found a very large variety of toys to store from in one San Francisco store. The Pittsburgh woman went out and bought \$56 worth of toys—mostly plastic ones including a wind-up pussy cat and teddy bear.

She had these gifts delivered to Mrs. Khrushchev's apartment in the Carlton House, hoping this way to please the Soviet premier's wife.

In San Francisco an American veteran of the Elbe River link-up wanted to present Mrs. Khrushchev with some puppies. Khrushchev intervened, suggesting that they would be a more suitable present for one of his daughters.

The veteran agreed to send the puppies to Blair House in Washington for transport to Moscow.

CAPE CANAVERAL, Fla. (UPI) — The unprecedented part-time explosion which consumed America's newest moon rocket Thursday apparently dropped the United States at least another month behind in its lunar exploration race with Russia.

No substitute was in sight immediately for the towering Atlas-Able rocket destroyed when flames spurted during an ignition test and touched off blasts in the first and second stages.

Scientists disappointed by this latest in a series of setbacks set to work planning another moon rocket. But it seemed almost certain such a new try would not be made until the first of November, at the earliest, when the moon makes a comparatively close approach to earth.

Assassination Attempt Hits Ceylon Chief

COLOMBO, Ceylon (UPI) — Prime Minister Solomon W. R. D. Bandaranaike, 60, was gravely wounded in an assassination attempt today when one of two visitors wearing the saffron robes of Buddhist priests shot him point-blank with a .45 caliber automatic.

Gov. Gen. Sir Oliver Goonesekere proclaimed a state of emergency—virtual martial law—throughout Ceylon and called up all reserves to aid police and the regular armed forces in preserving order.

The man who shot the Premier scrambled to his feet after prostrating himself before the two "monks" was shot by police. The other was captured. A bystander who threw himself between the Premier and the two assailants was gravely wounded when the triggerman fired four more shots.

The shooting took place early this morning on the veranda of the Premier's bungalow in Colombo. The slight, bespectacled man had stepped out to welcome early morning visitors when the gunman shot him in the abdomen.

Emergency Operation
Bandaranaike, a classmate of Sir Anthony Eden when he studied at Oxford, suffered a ruptured liver and spleen. He was rushed to the General Hospital where three surgeons began an operation they hoped would save his life.

Though gravely wounded, he remained conscious and issued a formal statement in which he pleaded for "calm throughout the country, and for mercy for the 'foolish man' who had shot him."

One of the two men whipped out the automatic from under his robes and fired two shots at the Premier who clutched his abdomen and ran into the house.

The second victim—an unidentified visitor—threw himself between the "monks" and the Premier and was shot when the assailant fired four more shots at Bandaranaike.

Bystander Stabbed
Police guards standing by opened fire on the assailant and mowed him down. They captured the other man in a violent struggle in which a bystander was critically stabbed.

Bandaranaike had been scheduled to visit New York Oct. 1 and address the U.N. General Assembly Oct. 2. He then was to have gone to Washington on Oct. 3 for three days of talks with President Eisenhower. He last visited the U.S. in 1956, soon after becoming prime minister.

French Plane Crash Kills 53, Injures 12

Explodes In Taking Off

BORDEAUX, France (UPI) — An American-made French airliner exploded, crashed and burned near here Thursday night, killing at least 53 of the 65 persons aboard and injuring the 12 survivors.

So far as was known, there were no Americans among the casualties.

The four-engined DC-7, on a flight from Paris to Banako in East Africa, stopped in this Atlantic port to pick up 20 passengers.

Airport officials said the big plane, operated by France's TAI Airline, appeared to have trouble with its engines during the take-off. About a minute after it left the runway, they said, it was shaken by a "tremendous explosion" and nose-dived into a clump of pines about three miles away.

Flames fed by high-test gasoline from the plane's ruptured fuel tanks belched from the broken fuselage and set fire to trees and undergrowth nearby.

Jean Peylet, a veteran airman stationed at the Bordeaux airfield, said the flames converted the plane's cabin into a "roaring furnace" in which no one could survive. The 12 persons who escaped death apparently were thrown clear at the moment of the crash.

The first rescuers on the scene found one survivor, a badly burned Italian teen-ager, standing as close as she could get to the flaming wreckage and whimpering "Mama... Mama... Mama..."

Her mother was located later among the other survivors.

Wreckage and bits of personal property like pocket flashlights, cigarette lighters and compasses were scattered for hundreds of yards around the scene of the crash.

READY FOR FELT HAT DAY
Jerry Sims, left, of the First National Bank, and Floyd Imel, president of Citizens Bank and Trust forgot their friendly rivalry long enough this morning to help each other select felt hats for Saturday's Felt Hat Day. Imel, owner of three new felt hats, proved quite a help to Sims, who confessed, "Confidentially, I've never worn a hat before." (Daily News Photo)

Ex-Governor Dies

LAREDO, Tex. (UPI) — Federal Judge James V. Alford, the New Deal "boy governor" of Texas during the depression, died Thursday following a sudden illness suffered while he was holding court.

Alford, 60, recessed court at 11 a.m. and complained of not feeling well. He died at 4:50 p.m. shortly after entering Mercy Hospital.

The attending physician, Dr. John T. Lowry, said the popular South Texas judge suffered a coronary occlusion.

Alford had one of the most brilliant political careers in the state. He had been in turn a bottle-washer, boot-black, newspaper salesman, district attorney, attorney general and governor before being appointed a federal judge by President Roosevelt in 1938.

Served Two Terms
His youth and boyish looks immediately won him the "tab" of "boy governor."

He served two terms as governor, 1935-39 and it was during his second term that he was elected to the office.

He tipped off his career when he recently discharged from the Navy in 1919, he told some ex-sailor buddies, "I'm going back to Texas and run for governor."

Sixteen years later he stood in front of the pink granite Capitol at Austin and took the oath as governor of the state at 35, the second youngest man-to-hold that office.

.35 RAIN FALLS

Thirty-five hundredths of an inch of rain fell on Pampa Thursday, according to a reading of the Daily News rain gauge this morning.

Approximately five hundredths of an inch fell before noon. The heaviest rainfall, during the evening, was precipitated by a heavy fog.

REALTOR BOARD SPEAKER

Erv Luedtke, at right in conversation with Pampa's Roy Sparkman, told the Pampa Real Estate Board Thursday that success in real estate "awaits the person striving to better their services to the community."

Luedtke, executive secretary of the Texas Association of Real Estate Boards, was a speaker here at the board's noon luncheon. Sparkman is president of the local board.

Gray Ladies To Visit AF Center

Red Cross Gray Ladies Tuesday will plan a visit to the Amarillo Air Force Base Retraining Center, according to Mrs. A. B. Hills, Gray Lady chairman.

A Gray Lady coffee will be held from 9:30 to 11 a.m. Tuesday in the City Clubroom. "All active and inactive Gray Ladies are invited to attend this important fall meeting," Mrs. Hills said today.

Mrs. H. M. Luna will be in charge of the coffee table.

The Pampa Gray Lady corps was organized in Oct., 1953. Last year the women gave over 3,000 volunteer hours to local hospitals and other activities in Pampa.

In addition to visiting hospital patients, they work in the dental clinic, provide transportation for Senior Citizens and visit shut-ins in the community.

During August 312 volunteer hours were reported by 312 Gray Ladies.

FREE POLIO SHOTS OFFERED

Gray county's free polio shot clinic will be opened again Saturday morning at Highland General Hospital, parents were reminded today. The hours are from 8:30 to 9:30 a.m.

County Doctor Joe Gates said that 33 vials of Salk vaccine have arrived at Highland, enough for approximately 297 persons. He said there has been some difficulty the past two weeks in obtaining enough vaccine from the state.

Parents and youngsters were also urged to wait four weeks before returning for their second shots of Salk vaccine. Last Saturday over 350 persons crowded into Highland Hospital for polio shots.

REALTORS HEAR TALK BY STATE EXECUTIVE

"Your Future in Real Estate" was the subject of a talk given Thursday noon at the bi-monthly meeting of the Pampa Real Estate Board in the Pine Room of the Pampa Hotel.

The speaker was Erv Luedtke, executive secretary of the Texas Association of Real Estate Boards. Present were some 35 local real estate brokers, salesmen, abstractors, bankers and insurance men.

"Unfortunately, some realtors don't know the meaning of ethics," the blunt-speaking Luedtke said. "But ethics are what we should always strive for."

He told the local board to "be smart advertisers, understand each other, treat each other with respect, and work closely together in a spirit of cooperation."

"Courtesy doesn't cost a penny," Luedtke added. "Honesty and fair-dealing can be your most important asset."

Sales Clinic Scheduled in Pampa On October 14

Fred A. Palmer, nationally known sales consultant, will conduct a Sales Clinic called "One Day of Selling" here Oct. 14.

Palmer believes that every person is a potential salesman whether he is engaged in actual sales work, the professions or public relations work. "Everyone is trying to sell something, either merchandise or himself," says Palmer.

The purpose of this Sales Clinic, sponsored by the Chamber of Commerce Merchants Activities Committee and Radio Station WYNY, is to train people, especially salesmen, in the techniques of selling.

Palmer has 25 years' actual selling and sales management experience. He has conducted these Sales Training Clinics throughout the United States, Canada and Alaska for thousands of salesmen. He travels about a thousand miles each week and speaks to more than 300,000 people each year.

He attended Ohio Northern University and is a member of that institution's board of trustees.

"This is one of our best years," says Palmer, "but competition is keen—more so than for many years." That is why the Chamber is bringing the clinic to Pampa to improve selling and sales methods.

The first Sales Clinic session will be held from 3 to 5 p.m. Oct. 14. This session will deal with big selling.

St. Vincent's Sets Dedication

Dedication ceremonies for the new \$500,000 St. Vincent de Paul Church and School plant at Pampa will be held at 4 p.m. Sunday.

A Solemn Mass will be offered by Catholic Bishop John L. Morokov of Amarillo at 5 p.m., and a parish buffet supper is set for 7 p.m. in the school cafeteria.

Pampa civic leaders and officials have been invited to attend.

The new church plant is located on 16 acres northwest of Pampa. It consists of a ten-classroom school with library and other facilities; an eight-bedroom convent; and a two-story rectory that accommodates the pastor and two assistants.

The Very Rev. Edward C. Ashman, C.M., is pastor of the parish—formerly Holy Souls parish. The parish was renamed St. Vincent de Paul last August. The first Mass was offered in the new church-auditorium on Aug. 2. The auditorium will seat some 600 persons.

Open house was held at the new church plant on Aug. 23. Construction started last October and the buildings were accepted formally from the contractor, The C. S. Lambie Construction Company of Amarillo, on July 24.

Monnett & Monnett of Oklahoma City were architects for the project.

Fred Neslage of Pampa headed a committee that was in charge of fund-raising for the half-million project.

Letter Carriers Set District Meet Saturday

Two hundred area letter carriers and their wives are expected to arrive in Pampa Saturday for the Letter Carriers annual Fall (District 3) Meeting at Robert E. Lee Jr. High.

A day-long seminar will begin in the auditorium at 9:30 a.m. while the evening's banquet in the cafeteria begins at 7:30 p.m.

Post office officials at the annual gathering will include two regional directors of the Postal Department, Rex Gray and Debs Hendley, both of Dallas. Also present will be Mel Benesch, district officer from Amarillo.

Main speaker at Saturday evening's banquet will be A. F. Baker, field director of the Dallas region of the National Association of Letter Carriers.

R. W. McPhillips Jr., president of Local 3094 (NALC), said that letter carriers will be in Pampa representing most of the West Texas area, from Wichita Falls to Lubbock.

Tickets to the evening's banquet are \$2.50 a plate and the master of ceremonies will be "Bunny" Schultz. Music will be furnished by two Pampa youngsters, Dianne and Mike Phillips. Door prizes have been donated by local merchants.

Friday Shoots Negro Killer

MILWAUKEE, Wis. (UPI) — A police sergeant named Joe Friday was credited Wednesday with killing a Negro lay preacher, suspected of slaying the white wife of a school official.

Friday shot and killed Roscoe B. Simpson, 30, Tuesday night as residents of a prosperous North-side residential area scrambled for safety behind locked doors.

Another police sergeant, Raymond Nencki, 38, was critically wounded in the gun battle, but Friday's action probably saved Nencki's life.

The battle ended a search for Simpson, who was believed to have shot and killed Mrs. Sylvia Fink, 39, in her home Monday.

Nencki first answered a call from Mary Ann Heinrich, 19, who slammed a door in Simpson's face when the young lay preacher for the Tabernacle Community Baptist Church asked to see the lady of the house.

Mary Ann's mother, Mrs. John Heinrich, said Simpson then went to three other homes — ostensibly to convert the housewives — before crossing the street to the home of Mr. and Mrs. Abe Hanscher.

When Mrs. Hanscher answered the door, she was met by Simpson holding a .38-caliber revolver. The Hanschers dropped to the floor as Nencki drove into the alley beside their home.

Simpson rushed the police car.

IKE ACCEPTS OFFER

WASHINGTON (UPI) — President Eisenhower accepted Tuesday an offer of the U.S. Chamber of Commerce to help channel government information to American businessmen which would help them compete against communist economic competition. The offer was made by Erwin D. Cahham, editor of the Christian Science Monitor and President of the U.S. Chamber, in a meeting with the President.

Children Of Bushman Used In Pictures

By JOE FINNIGAN
UPI Hollywood Correspondent

HOLLYWOOD (UPI) — Francis X. Bushman, who's been around Hollywood since horse and buggy days, revealed a secret he's kept for many years.

The grey-haired Bushman, still handsome and erect at 76, used five of his children for many pictures in which he starred. They performed under assumed names though.

"I had them use the name of Duval," Bushman said in a round-toned voice that most of today's actors couldn't match in a hundred years.

"It hurt the career of a leading man if he was married in the days when I starred," he warned. "In fact, I lost millions of fans when they found out I was married." Francis has been wed four times.

"And the women actresses who were married rarely had babies. Those were the barren years."

"However my wife and I had five children, another came later, and whenever I needed a youngster in a picture the director would take one of them."

"But, there was a clause in my contract forbidding any publicity pictures taken of me with my family."

Still active despite advanced years, Bushman recently completed a role in Danny Thomas' TV show and has a picture part coming up.

"All of my fans are either dead or senior citizens," Francis laughed. "Those who are left expect me to do something for them so I speak quite often at homes for aged people telling them about others who accomplished things after passing 80."

Sitting in the Hollywood Brown Derby, Francis was a picture of the colorful dressed actors of the old days. He sported a tuxedo jacket, brown and white checkered shirt and green plaid tie complete with stick pin.

Several times during lunch he was interrupted by friends recalling some of his 435 movies and

5,000 radio broadcasts.

Reminiscing about his start in movies, Francis compared early day picture making with today's TV picture productions.

"They're making TV movies now like we filmed old silent pictures," he claimed. "We used to shoot two or three of those two-foot silents in a week and now they do a TV picture in about three days."

Despite the fact that Francis X. Bushman is one of the most famous names in film history, the old actor said he was never satisfied with it.

"I tried unsuccessfully to get rid of that name for 50 years," he shrugged. "I wanted to be called David Ward."

administration that a number of social reforms were legislated. His administration saw the abolishment of pari-mutuel horse race betting, the start of a state old-age pension and the formation of a retirement fund for teachers.
The salary of the governor also was increased from \$4,000 to \$12,000 annually.
In 1938 Roosevelt appointed Allred to the federal bench. The governor waited until his term was over to take the job.
Worked in Law Office
In 1942 he resigned the federal post to make a futile attempt to win a Senate seat in a race with Gov. W. Lee O'Daniel. He was re-appointed judge by President Harry S. Truman in 1949.
Allred, quick to display a sunny smile, worked in a Wichita Falls law office to save enough money to go to Cumberland Law School in Tennessee.
In 1921 he returned to Wichita Falls where he worked for \$50 a month in a law office. But when he was 24, he was appointed by Gov. Pat Neff as district attorney of Wichita county and in 1926 he ran unsuccessfully for attorney general.
Four years later he made a comeback and defeated the incumbent, Robert Lee Bobbitt by 128,000 votes. He won re-election in 1932, built up a reputation fighting the oil trusts and plunged into the 1934 Democratic primaries.
Services Pending
Allred defeated six candidates in the primary and eased by Tom F. Hunter of Wichita Falls 499,343 to 459,106 in a runoff.
He eliminated the need for a runoff in the 1936 primaries by sweeping the field.
Survivors include his wife and three sons, Capt. James Allred Jr., 29, an Air Force pilot; David, 25, a member of the Washington Staff of U.S. Sen. Ralph Yarborough; and Sam Houston, a student at Southern Methodist University in Dallas.
Burial arrangements are pending.

District Governor Stresses Service In Talks To Local Lions

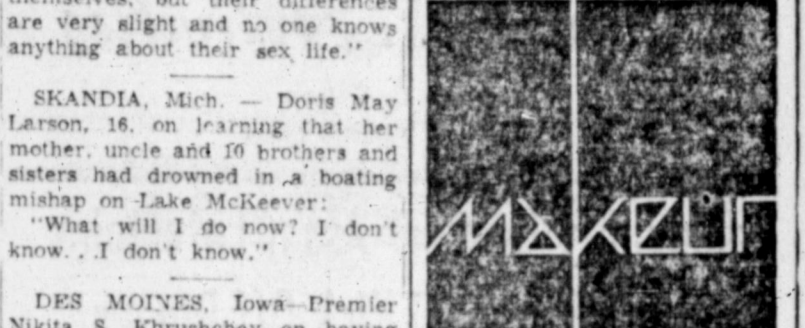

Lions are serving in every part of the world except beyond the Iron Curtain, Don Zimmerman, governor of the leading district in Lions International, affirmed at a Pampa Lions Club meeting Thursday.
Zimmerman, District 2T-1 governor, paid an official visit to both Pampa Lions Clubs Thursday noon and evening.
"We pride ourselves on being 'Service' men. Our motto is 'Service' not 'Serve Us,'" he told Evening Lions. A man who does not serve may be a member of a Lions Club but he will never be a Lion, he continued.
"A person can usually get pretty good food at home," he said. "What he does miss is the association and fellowship of other men."
Zimmerman reminded Lions that District 2T-1 led Texas and Lions International last year. "Lionism is growing," he said. An evening club will be chartered in Perryton soon and another club is contemplated for Texline.
"Don't pass up a chance to visit the Lions Crippled Children's Camp while the children are there," he advised. In its eight years of operation the Kerrville Camp has accommodated 8,000 children during the summer months.
For the past two years, a rehabilitation center for the blind has been in operation during the winter. Last winter the center had an enrollment of 62.
"A serious condition exists in Lionism today. Last year in Texas we lost 8,247 Lions, more than there are in 33 states. There are more ex-members of Lions Clubs walking the streets than there are in those clubs today. We're not giving the men an opportunity to serve," he declared.
A mid-winter conference will be held in Hereford Jan. 9-10. Zimmerman asked all officers and prospective officers to attend.
The next big event will be the District Convention in Borger April 21-23. "Lions International needs another Texan at the helm," he said. "Three Texas Lions have offered their services for the International Convention in the office that leads to the International presidency. Voting at District Conventions will decide which of these men will be nominated at the International Convention in Chicago in July."
District 2T-1 was the first district in Texas to hold a convention. The Texas goal for the International Convention is 1,000 Lions.
In closing Zimmerman said: "There is no limit to the amount of good that men can do if they don't care who gets the credit for it."
Before Zimmerman's address the Pampa Lions made committee announcements concerning the production of the Black Hills Passions Play here Oct. 9-11. They also honored Lions' wives with October Birthdays.
The evening group welcomed a new pianist, Marilyn Smith, and a new member, John Woods.

Burns Faces Drug Charge

HOLLYWOOD (UPI)—Barbara Burns, the 21-year-old girl who was given a "story book" chance at a new life when she finished a 90-day jail sentence on a narcotics conviction last summer, faced another narcotics charge today.
The self-labeled "ugly duckling" daughter of the late comedian Bob (Bazooka) Burns must appear Monday in a Merced, Calif., court for a preliminary hearing on charges of possessing marijuana.
She and a friend, Mrs. Barbara Smith, 22, were arrested in the northern California city Wednesday night when police said they found Miss Burns with a cigarette package full of marijuana, cigarettes and some sedative tablets. Both were held in lieu of \$10,000 bail pending preliminary hearing.
Miss Burns was offered what she said was her life's ambition—a acting career—by producers of a television series who felt sorry for the friendless and penniless young woman on her release from jail last July.
"They've given me all I want," said Miss Burns at that time. "Things like this never happen except in story books."
She was convicted of a misdemeanor narcotics charge after police found hypodermic needle marks in her arm Jan. 9, 1958. She admitted she had become addicted to heroin because, she told reporters, she was attempting to lose weight so she could begin an acting-singing career. Her jail sentence of 90 days was delayed more than a year by appeals.

Graham Rites Are Pending

Funeral services are pending for Morris E. Graham, 35, who resided at 510 S. Gillespie. Mr. Graham died at 9 p.m. Thursday in his truck in Hinton, Okla., presumably from a heart attack. He was owner of Buck's Transfer Co.
Mr. Graham was born July 24, 1904 in Paris and was a veteran of World War II. He served as a sergeant in the Army Air Force.
Survivors include his wife, Ella Pearl of the home address; one daughter, Mrs. Willis Higginbotham of Alvin; two step-daughters, Mrs. John Ramsey, Mrs. J. L. Cooper, both of Pampa; two step-sons, Bob Miller of Pampa, A. C. of Lake Charles, La.; one brother, Loyce Graham of Willow Brook, Calif.; and three grandchildren.
Arrangements will be announced later by Duenkel-Carmichael Funeral Home.

Presbyterians To Observe Christian Education Sunday

A special service of dedication of church school teachers and leaders will be used to commemorate Christian Education Sunday at the First Presbyterian Church, the Rev. Ronald E. Hubbard, pastor of the church, has announced.
The 63 members of the church school staff for the coming year will be honored and dedicated during the morning worship service at 11 a.m. Sunday, Sept. 27.
"Christian Education Sunday is a day for special emphasis on the teaching mission of the Church," said Hubbard. "A time to point to what the church is and why the church must teach — a time to challenge every Christian, young and old, to demonstrate his concern for the church's teaching program."
For the children Christian Education Sunday is a day of promotion to new classes and new departments.

Don't teeter along in high heels; wear walking shoes and hit a good, brisk clip. It's good for the figure and for the complexion, too. When his mistress gives Frisky his dinner (center) or a bowl of water, she does a knee bend rather than just stooping over. This is an exercise that, done several times daily, works wonders for the thighs. The battle of the waistline bulge can be fought on your own home grounds when it's pooch play time (right). A ball-rolling game is fun for your pet and first-rate exercise. Just remember to bend when it's your turn at bat.

If you want to make friends right away when you move to a new place, here are a few hints that should be helpful.

—Return every social call promptly and don't show any dismay if neighbors call on you before you are "ready for company."

—Don't put off entertaining those who entertain you until you have your house complete to the last detail. The important thing is to show your friendliness — not to show off your house.

—There may be things you don't like about the town of city that you have moved to, but you'll be wise to keep such opinions to yourself. Find things to praise, instead of looking for things to criticize and complain.

—Don't hesitate to ask advice about schools, business concerns, local customs, etc. Most people are glad to be helpful to a newcomer and they'll feel friendlier toward you if they can be of service.

—Don't encourage gossip. The less you hear about the shortcomings of your new neighbors, the better. For then you can make your own judgments without being influenced by a lot of talk and speculation.

—Try to strike happy medium between giving the impression of being shy and being pushy. If you genuinely like people and aren't afraid to show your liking, you aren't likely to be set down as either one.

—Try to find time for some kind of community work — since it will do more to make you feel that you "belong" in your new home than anything else.

—Make a real effort to remember names — even if it means keeping a card file on new acquaintances.

—Comment often on the friendliness of the town and most of those who hear your comment will undoubtedly prove just how friendly the town can be to a newcomer who expects the best.

Fido Or Fifi Can Contribute To Beauty With Daily 'Walking The Dog' Exercise

By ALICIA HART
NEA Beauty Editor

If you're a dog owner, chances are there are days you wish you weren't. But a wagging tail and

a soulful look can make every thing rosy again.

Among all the wonders of owning a pup, there's one you probably never gave a thought. Did you ever realize how much Fido or Fifi can contribute to your beauty and good health?

Think about the benefits of those daily airings. If you stride along at a good pace, those walks will do a lot for your figure. And you probably wouldn't take them at all if you didn't have a dog.

Bob Bartos, director of a research kennel believes that the average city dog doesn't get enough exercise. His own pet thinks that a "turn around" the block is sufficient for his dog. Actually, the usual "apartment-size" dog should have three brisk walks of several blocks daily.

You won't enjoy walking your dog, if you try to teeter along behind the leash on spike heels. So wear comfortable walking shoes and you'll find you, too are getting exercise that will tone your muscles and bring color to your cheeks.

With the brisk fall days ahead, dress warmly enough so that you can stay out as long as necessary, and wear a loose skirt so that you can take good strides instead of mincing steps. Fill your lungs with fresh air by breathing deeply. It will stimulate your circulation and make your skin glow and your eyes sparkle.

You can give your dog the loving companionship he needs by playing with him in the evenings. And while you throw his ball or play with his toys, bend from the waist, knees back and legs straight. He'll enjoy the play,

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: I am stationed in Japan. I am one of those Yankees who thought his buddies had rocks in their heads to marry Japanese girls. But now that I have fallen for one, I can understand why.

A Japanese girl makes a man feel like a man! She is trained to wait on a man. To dress him, undress him and wash his feet. And, yes, even to feed him if he desires it. Her only thought is to give comfort and satisfaction to her man.

Show me an American girl like that! They are all selfish, demanding and bossy! No, I don't want a brainless puppet for a wife. But if a woman wants to wear the pants, send her over here with a rifle and let her relieve me of my duties.

D. D. F. U. S. NAVY in America who are "trained" to wash feet, dress, undress and feed men, are employed in homes for the aged and in institutions for the physically handicapped and mentally ill. If you want this kind of service, stay where you can get it on your own terms.

DEAR ABBY: My husband has his insurance policies made out with his mother and father as beneficiaries. We have been married eight years and have two children.

When I mentioned to him that I thought he should change the policies to make me the beneficiary, he said if anything happened to him his parents would give me the money. In your opinion is this enough protection for me?

DEAR WIFE: I wouldn't take anything for granted. You, your husband and the insurance agent should sit down and talk this matter over frankly. A wife with 2 children is entitled to more security in the event of her husband's death than you appear to have.

DEAR ABBY: I have been going into this shoe store for quite a while, and I became interested and you'll love the new waistline you'll soon develop.

Make a conscious effort to take a deep bend each time you place his food or water down for him. It's a necessary chore, so it might as well work for you.

You've always known the love and fun a dog can give you. Now give some thought to the beauty benefits you can reap, and enjoy your pet more than ever.

in a salesman who works there. He seems interested in me, too. We always have a few laughs.

He asked my girlfriend (behind my back) how old I was. She lied for me and said I was 19. I am only 17. He looks about 21 or 22, but I am not sure.

How can I find out how old he is without asking him? How can I get him to ask me out?

"SIX TRIPLE A" DEAR SIX: There are other statistics equally as vital as "a.g.e." One is marital status. First find out if he is married. ASK HIM. If he's single, ask your girlfriend to ask him (behind YOUR back) how old he is. If he's over 20, forget him. It's all right to have a few laughs when shopping for shoes, but don't put your foot in it.

DEAR ABBY: To the 14-year-old girl who has gone steady for over a year and all she got was a peck on the cheek. You are lucky! I am also 14 and my boyfriend is 15. We went steady for a year, too. Only I wouldn't settle for just a peck on the cheek. Now I will always regret not settling for what I was entitled to. I am going to have my baby in November. No, he didn't marry me. My Daddy had him-looked up.

Magic Waffles Bolsters Party

Now here is an idea! Why not have one of your children host a get acquainted party for a new friend? It could be a lot of fun. Plan an afternoon or early evening supper.

Arrange a waffle feast. Have plenty of sirup, jam and jellies available.

The waffle recipe features lard, comments home economist, Reba Staggs. Note that tenderness of the waffles when this shortening is used.

WAFFLES 2 cups sifted enriched flour 4 teaspoons baking powder 1/2 teaspoon salt 2 eggs, separated 1 1/2 cups milk 8 tablespoons melted lard 1 tablespoon sugar, if desired Sift together flour, baking powder and salt. Add egg yolks and milk and beat thoroughly. Add melted lard. Beat egg whites and fold into batter. Bake in a hot waffle iron. Yield: three 9 1/2-inch square waffles.

Variations: Chocolate Waffles: Substitute 3 tablespoons of cocoa for 3 tablespoons of flour in basic recipe. Add 2 tablespoons of sugar instead of one. Bacon Waffles: After batter is spooned into waffle iron, place

strips of bacon on top and bake. Nut Waffles: Pour batter into iron. Sprinkle with 2 to 3 tablespoons chopped nuts. Bake.

If you are stuck with dark circles under your eyes and no time to rest up to get rid of them, disguise them. Use a lighter face powder around your eyes than you do on the rest of your face.

With autumn at our heels it is time to check your perfume supply. The heavier, more subtle scents now replace the light, flowery fragrances worn during summer months.

Four Reds Pinch-Hit For Nikita

By HENRY SHAFIRO
United Press International

PITTSBURGH (UPI) — In the absence of Premier Nikita Khrushchev from Moscow, his enormous powers — leadership of the Communist Party and of the Soviet government — are exercised by a group of four trusted lieutenants.

The Council of Ministers, or Cabinet, is in the hands of Khrushchev's two first deputy prime ministers of equal rank. They are Anastas I. Mikoyan and Frol Kozlov, both of whom toured the United States earlier this year and paved the way for Khrushchev's visit.

In accordance with previously established practice, Mikoyan is responsible for foreign affairs and Kozlov manages internal administration.

U.S. Voters Could Win Taxation Cut

WASHINGTON WINDOW
By LYLE C. WILSON
United Press International

WASHINGTON (UPI) — If the voting taxpayers of the United States were not listening to Maurice Stans the other day, it was their fault, not his. Moreover, they deserve no sympathy.

Maurice H. Stans is the U. S. budget director. What he is saying this week was this: That U. S. taxpayers could win a tax cut without any reduction on military spending if they demanded economy in other areas.

Stans knows where the government's money comes from and he knows where it goes. It is not idle talk when Stans says the voters could compel economy in government if they demanded it. The plain meaning of Stans' comment is that a great many of the dollars Congress squeezes from the U. S. taxpayer are spent wastefully to no immediately essential purpose.

Resolution for 1960
Such as that should make the U. S. taxpayer angry and set him to thinking about corrective ways and means. It should wind him up to fight resolve about next year's presidential and congressional elections. That resolve should be to clobber on election day the politician who clearly can be tagged as a spender; to elect in his place a politician who clearly can be tagged as a taxpayer's man.

If the taxpayer believes U. S. taxes are outrageously high and should be reduced, then he should ask next year's candidates some questions. Among these questions should be this: Where, when and by how much would you vote to reduce government spending? That is, in what areas of government spending would the candidate be willing to cut?

Such questions would obtain a great deal of evasive double talk in response, and it would be up to the questioning taxpayer to make the candidate answer up. It would not be enough, either, merely to elect economy candidates to Congress or to the White House.

Other People's Money
Franklin D. Roosevelt was elected president in 1932 on a platform which promised a 25 per cent cut in government spending. FDR was inaugurated in March 1933. His economy program, collapsed in April. It is close to impossible to prevent politicians from becoming big spenders with

other people's money — your money. It is not quite impossible, however, a taxpayer rebellion to do it.

The politician who knew he probably would be licked next time up if he voted to loot the treasury would be very likely to vote against same. It could be as simple as that.

The massive pressure by which voters rammed a labor reform bill through the last session of Congress could ram through the next session some tax cutting economy measures. The political mechanics of such an operation would be identical.

Lyles Seeks To Escape 'Chair'

ATLANTA (UPI) — The State Pardons and Paroles Board Thursday studied an appeal from Mrs. Annette Donovan Lyles, who is seeking commutation of her death sentence for poisoning her 9-year-old daughter.

The board wound up hearings after two days of testimony from state prosecutors and psychiatrists, and attorneys, ministers and psychiatrists representing the former Macon restaurant operator.

The stormy and fantastic hearing was completed late Wednesday. Now the board will decide if Mrs. Lyles should be executed or if she should have her sentence reduced to life imprisonment.

If the board turns down her appeal, her only escape from the electric chair and being recorded as Georgia's first white woman executed by electrocution would be for Gov. Ernest Vandiver to appoint a psychiatric commission to study her case.

If this commission found her insane, she would be committed until she regained her sanity, when she would then be eligible again to have the death sentence carried out. Georgia law prohibits execution of an insane person.

Her fate lies in the hands of Chairman William Kimbrough and members Hugh Carney and Mrs. Rebecca Garrett. Kimbrough said a decision should be handed down in two weeks.

The board Wednesday was told that she was suffering from "schizophrenia of the paranoid type." Dr. Winston Burdine said he found that Mrs. Lyles, at the time of his examination, did know right from wrong. The Atlanta psychiatrist said "My feeling (is) she would deteriorate fairly rapidly."

Dr. Trajan E. Shipley had told the board Tuesday how he had hypnotized Mrs. Lyles and led her trance-like through an "execution." He said her response to this experience indicated she was not able to commit murder.

Rally Day Will Be Observed At First Methodist Church

"The Rewards of Service" will be the sermon topic discussed by the pastor, Woodrow Adcock, at the two morning services of the First Methodist Church. The 8:30 service is broadcast over Station KPND. The special anthem for the early service will be "Immortal, Invisible" a Welsh melody sung by the Carol and Wesley Choirs. The anthem for the 10:30 service will be "Summer Ended" by Wood sung by the Sanctuary Singers.

Sunday Evening Fellowship will begin at 8 with a light supper for the entire family in Fellowship Hall. At 6:30 p.m. children, youth and adults, will separate for one hour of planned activities, according to interest and needs. The adult course, "Know Your Bible," will be taught by the pastor, Woodrow Adcock.

SO CHAMPLAIN—Mert Cooper son of Mr. and Mrs. Marvin Cooper, Star Rt. 2, will preach his first sermon at the First Methodist Church Sunday night at 7:30. He is president of the First Methodist Church Senior Methodist Youth Fellowship, chaplain of the Pampa High School Student Council, and a fullback on the Harvester football team. He recently decided to become a Methodist Minister. His sermon topic will be "What Will You Do With Jesus?"

Car. Sales Promotion Set Sunday At Central

Promotion Day in Sunday School and Training Union will be observed at Central Baptist Church Sunday. An annual event occurring on the last Sunday of September each year, those enrolled in classes and departments from nursery through adult will participate in promotion.

Sunday school will begin at 9:45. Training union will be at 6:45. The worship services are at 11 a.m. and 8 p.m. In the morning worship service Rev. Therman Upshaw, pastor, will have for his sermon title "The Curse of Neglect." Sunday evening his subject will be "Dead or Alive?" Tuesday evening at 7 the Women's Missionary Union will conduct an installation service for officers of the organization for the year beginning Oct. 1. A salad supper is to be served those in attendance.

When a telephone man drives, safety comes first!

Telephone drivers help reflect company's Spirit of Service

In telephone business, safety, efficiency go hand in hand

by Don Davis Telephone News Reporter

It's too bad that safety records are often thought of as dull and not newsworthy while a major accident makes front-page headlines. The greatest human drama is in the accidents that don't happen—the accidents that good safety habits prevent from happening!

Not long ago, a newspaper editor wrote, "We salute the drivers of telephone company trucks. They never drive fast or recklessly; time and again we've seen them yield the right-of-way. They seem to apply the rule that the other driver is always right."

"We don't know the safety record of the telephone company's truck fleet, but it must be excellent. It is nothing short of inspiring to see an entire corps of drivers display the courtesy and friendliness that are habitual with telephone company drivers."

HOW PUBLIC BENEFITS With thanks for such praise, we'd like to confirm the editor's feeling that the safety record in the telephone business must be excellent. It's

SAFE MEN BEHIND THE WHEEL Courtesy and thoughtfulness are trademarks of telephone drivers—another of the countless ways telephone service shows its value and telephone people show their traditional Spirit of Service.

among the best in the country. The National Safety Council's annual award of honor—its highest award—has been presented to Southwestern Bell five times since 1951 for its safety performances. Scores of state and local safety awards also have been earned, including many presented to telephone company people as individuals.

But more important than the awards for safety are the results. When you consider that Southwestern Bell vehicles logged some 70 million miles last year, it's easy to see how the public benefits. Telephone

company safe driving practices are a major protection of life and property—a way of working that's summed up in the slogan: "No job is so urgent it can't be done safely."

ADD EXTRA VALUE Truly, there's a special sense of responsibility that goes with telephone work: A Spirit of Service. It shows up in the way telephone people do things, both on the job and off. Safe driving is only one example. There are many others.

Next time you see an installer or repairman, watch how he works. Carefully, diligently, safely, with an honest desire to do his job well.

Often, it seems you can almost "hear" the Spirit of Service when you talk to an operator or a telephone service representative. Her tone of voice, her interested and helpful manner tell you she'll make sure you get the very best telephone service Southwestern Bell can deliver.

SAFETY-RATER DEVICE provides checks and tests of company's drivers. Device rates reflexes and vision; points out weaknesses that practice and extra caution can overcome.

SOUTHWESTERN BELL TELEPHONE COMPANY Call by number... it's twice as fast!

Christian Science Services To Stress God's Infinite Wisdom and Goodness

God's infinite wisdom and goodness will be brought out at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Reality" is the Golden Text from Psalms (52:1): "The goodness of God endureth continually." Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (275:14): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love. No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is life, but the divine; no good is, but the good God bestows." From the Bible will be read (Ecclesiastes 2:26): "For God giveth to a man that is good in his sight wisdom, and knowledge, and joy." Phillies Rehire Eddie Sawyer

PHILADELPHIA (UPI)—Eddie Sawyer has a new one-year contract with the Philadelphia Phillies today and nowhere to go but with his eighth-place club.

Phillies' owner Bob Carpenter and General Manager John Quinn appeared to be rewarding the 43-year-old pitcher for his candor in scribbling the 1959 team as the "worst" Phillies squad he ever managed.

Pampa Picked by 6 Points, To Take Second Straight Win

EL PASO (Spl.) — Two teams hungry for a victory clash here tonight, when the Bowie Bears of El Paso meet the Pampa Harvesters at 8 p.m.

Pampa will be trying to put two wins together, for the first time in more than five years. The Harvesters, after a disastrous 1-9 season in 1958, lost their first game this year to Wichita Falls, then bounced back to blank Arlington Heights last week, 12-0.

Bowie, the only team Pampa defeated last year (22-8 in the third game of the season) is smarting from a season-opening 40-6 loss to powerful Las Cruces, N.M., and will be trying to regain some prestige. The Bears came back strong last year, after their loss to Pampa, to finish second in their district and compile a 6-4 season record.

The Harvesters will be favored tonight to make it two in a row for the season, and two in a row over the Bears. Pampa is picked by from six to 14 points.

Lee Splits; Rebels Lose, Eighth Wins

Pampa now has two undefeated football teams, instead of three. Lee Junior High's Rebels fell from the unbeaten ranks here Thursday, as they lost to Houston of Borger, 12-0. However, Lee's eighth graders won their second straight, 40, over Houston's eighth grade squad in Borger to remain undefeated.

Ramsey said that in general, the Rebels' offense and defense wasn't as good as it has been. "I guess it was just one of those bad days," he added.

Ramsey said, however, that Lee did a good job of pass defense, except for the one touchdown pass. He rated the Borger quarterback as an "excellent passer" and praised his team for holding him as well as they did.

Boys who were responsible for the pass defense were linebackers Howard Reed and Wayne Kries and corner linebackers Gordon Balch and Trent Olsen. Linebackers Wilbur Walls and Dean Henderson defended well against running plays.

Ramsey said that Howard Reed was throwing well, but that his receivers were unable to hang on to the ball. Gordon Balch gained most of Lee's good yardage.

Lee scored in the last three minutes of the game, as Larry Gregory ran for a touchdown from the 2-yard line.

Lee had taken possession of the ball on a punt, at the 50-yard line. Gregory ran 30 yards, to the 20, then Gene Storrs carried twice, moving the ball to the 2-yard line. From there, Gregory carried it over.

Lee's defense was severely tested in this game. Houston moved inside the Lee 20-yard line four times, but was stopped each time. Once, on a goal-line stand, they were stopped at the two.

Kennedy said that his entire defensive line, and the linebackers, played fine defensive football. Linemen were Keith Reimer, Rickie Fritz, Frank Osborne, Mike Bridges, Phil Woodring, and Larry Gregory. Linebackers were Gene Storrs and Don Rexroad. Rexroad also made some good yardage carrying the ball.

Houston struck once on a long run and once on a long pass. The first touchdown was on a 40-yard end run in the first quarter, capping a 70-yard march. Houston struck again in the third quarter, on a 40-yard pass which climaxed an 80-yard drive.

Monterey Whips Permian, 20 to 7

LUBBOCK — Monterey's Plainsmen won their second straight game of the season here Thursday night, stopping Permian of Odessa, 20-7.

All of Monterey's touchdowns were on short runs of three yards or less. The Plainsmen came on to win the second half, after a 7-7 deadlock at halftime. Permian's touchdown was the first in the history of the new school.

Round Table Picked In Woodward Stakes

NEW YORK (UPI) — Although Round Table is a slight favorite for Saturday's \$100,000 Woodward Stakes, Willie Molter, trainer of "Mr. Moneybags," today admitted "the breaks will decide this one."

"My horse is fit but he's going to need all the Breaks to win," Molter declared after Round Table worked five furlongs in a nifty 59.23 Thursday in a final drill for his race of the year meeting with Hillsdale and Sword Dancer at the new Aqueduct track.

Willie Shoemaker will ride Round Table in the mile and one-quarter event.

Sooner Squad Hit By Food Poison

CHICAGO (UPI) — An estimated 20 members of the Oklahoma Sooners football team suffered apparent food poisoning Thursday night.

A spokesman for the team said six players and one assistant coach were "very sick" at a Chicago hospital. Six others were reported "violently ill" at their hotel where several more athletes were confined with severe headaches. Five of those stricken were starting players.

The Sooners football squad, 40 strong, arrived Thursday to prepare for Saturday's nationally televised game with Northwestern in the season opener for both teams.

Thirty-eight members of the squad accompanied by business manager Ken Feris and assistant coach Jimmy Harris went to a supper club.

Harold Keith, a public relations man for the team, said many of the squad members got sick a few minutes after eating a fruit salad. They were put in taxi cabs and taken back to the Orrington Hotel in Evanston.

Harris, co-captain Gilmer Lewis, a starting left tackle; co-captain Bobby Boyd, starting quarterback; Jim Davis, starting center; Bob Scholtz, No. 2 center; Bob

Page, No. 2 quarterback; Paul Benlen, No. 3 left end; Bill Watts, No. 3 right tackle; and Ronnie Hartline, No. 2 fullback, were rushed to a hospital.

Watts and Hartline had their stomachs pumped out and were taken back to the hotel afterwards.

Stinnett to Meet Wildcats Saturday

Two clashes of unbeaten teams highlight this weekend's area football schedule, as Stinnett clashes with Canadian in Stinnett Saturday, and Miami meets Booker in Miami Friday.

The big and powerful Stinnett Rattlers, rated as the best class A team in the Panhandle, will be seeking their fourth victim of the year from among District 2-A schools. The Rattlers have beaten Clarendon, White Deer, and Panhandle.

Canadian is not expected to roll over and play dead, because the Wildcats have the best defensive record in the Panhandle, allowing only eight points in two games. Canadian can match Stinnett in size, though possibly not in speed.

White Deer's Bucks are the defending state champs, and are again favored to win their district, although they aren't as strong as last year's squad. They've beaten Groom and Spearman while losing to Stinnett. Shamrock has been unimpressive in losing to two class A squads, McLean and Canadian, and tying another, Lefors.

Other area games tonight are Clarendon at Burk Burnett, Perryton at Dalhart, Quannah at Memphis, Lefors at Wellington, Turkey

at Clarendon, Panhandle at Sunray, Lakeview at Claude, Follett at Texhoma, Texline at Vega, and Shattuck at Darrouzett.

Perryton Routs Reapers, 44-6

PERRYTON — Pampa Junior High's Reapers took it on the chin for the third straight time here Thursday afternoon, as they were routed by Perryton Junior High, 44-6.

The game was played during a steady rain, in cold weather. The Reapers scored their only touchdown in the third quarter, on a pass play.

Reaper coach Earl Peeler said after the game that the score might have been held down considerably, if the Reapers had blocked and tackled to the best of their ability.

HOW NOT TO DO IT — Guard Jack Novak, left, and center Jim Otto of the Miami (Fla.) squad demonstrate for the cameraman how they will not act going after a loose ball.

Will Jesse Fiddle While MSU Burns?

United Press International DALLAS (UPI) — Michigan State defenders tomorrow might well keep an eye on the Texas Aggies' "second fiddler."

Jesse McGuire, a stubby, underslung sophomore, has played second fiddle or even as low as the third strings since arriving on the Texas A&M campus at College Station although he had a fat book of press clippings extolling his prowess at Plainview, Tex. High School.

But, he turned out to be such a virtuoso when given the chance last week in a losing cause against Texas Tech, that Coach Jim Myers is sure to give him ample opportunity to become a featured performer at East Lansing Saturday against Duffy Daugherty's Spartans.

The Aggie-Michigan State game is just one of a flock of top-grade intercollegiate battles lined up for the Southwest Conference teams this week.

Unheard Of Jesse Southern Methodist's highly-regarded Mustangs make their debut at Atlanta against Georgia Tech and Baylor bows for the first time at Boulder, Colo., against the Colorado Buffs.

Among the second-time-outs, Texas entertains Maryland at Austin, Arkansas meets Oklahoma State at neutral Little Rock, Texas Tech hosts Oregon State at Lubbock and league champ Texas

Miteff, Hunter To Fight Tonight

SYRACUSE, N.Y. (UPI)—Alex Miteff, whose three straight wins might classify him as a "hot heavyweight," was a 12-5 favorite to beat little known "Sweet" Billy Hunter in tonight's scheduled 10-round television bout at the War Memorial Auditorium.

Miteff, 24, of Maria Teresa, Argentina, will be making his second appearance in Syracuse, a city which thus far has been his personal Waterloo.

The South American brought a 12-fight winning streak here in October 1957. At the time he was hailed as another Luis Firpo, especially in light of his 126-11-3 amateur record.

BANTAMWEIGHTS MEET

LOS ANGELES (UPI)—Danny Kid of the Philippines and Joe Medel of Mexico will meet in a 12-round bout tonight for the championship. The winner may earn a shot at world champion Jose Becerra.

Second Quarter Chance

In spring practice and again in early fall drills this season McGuire — to use Coach Myers' own words — "didn't indicate to us any inclinations" to be a star.

But, that's just what the 5-11, 175-pounder did do when given the chance in his first varsity football game.

McGuire, who had been third string behind Jon-Few and Eddie Van Dyke, got his chance late in the second quarter against Texas Tech because Few was hurt and was unable to start.

The Aggies, using a multiple offense, switched into the single wing and McGuire ripped off 31 yards on the very first play.

That drive fizzled, but in the second half McGuire scored once from the one-yard line and another time on a dazzling 64-yard scamper. He had a chance to be a real hero, but fate didn't so decree. Late in the game, he tumbled a bad, high pitchout from Charlie Miteff across the goal line and out of bounds on what looked as a sure tying touchdown.

But, he wound up with a dazzling 149 yards in 15 plays and some press reviews that might indicate he'll be a first-fiddler from here on in.

BRIBE OFFER REJECTED

PHILADELPHIA (UPI) — Baseball and law enforcement officials joined in praise today for Humberto Robinson, slender Philadelphia Phillies pitcher who rejected an alleged \$900 bribe offer—and went on to pitch his best game of the season.

Robinson testified at a preliminary hearing Thursday that he was offered the bribe by Harold Friedman, 42, part owner of a center-city restaurant and bar.

He said Friedman wanted him to throw the second game of a doubleheader with Cincinnati last Tuesday night. The pitcher said he told Friedman, "I couldn't do it. It's against my profession."

Friedman was held in \$15,000 bail. Robinson, 29, testified before Municipal Court Judge J. Sydney Hoffman. He told Friedman that "This is my profession. I take this money and I never pitch again. I like to play baseball."

Baseball Commissioner F. R. K. who told local authorities of the alleged bribe attempt, said Robinson "nipped everything in the bud."

"Robinson came right away," Frick said. "He immediately reported everything" to Phil's General Manager John Quinn and "gave him the name of the man."

Philadelphia District Attorney Victor H. Blanc said righthander Robinson and fellow pitcher Ruben Gomez should be "commended for their fortitude" and their "distinct service" to the game of baseball.

Major league baseball has not had a gambling scandal since 1919 when eight members of the Chicago White Sox allegedly conspired to lose the World Series to the Cincinnati Reds and eventually were barred for life from the game.

Relaxing of Socialism

When Stalin began to experiment the results of his first five-year program, established in 1928, he finally capitulated. In 1933 he relaxed controls to some degree as was partially reflected in yesterday's editorial.

A Comparison

Having noted above that Russia has made notable retreats from its avowed socialist objectives, it is important that we recognize America's retreat from its own classic position in favor of freedom.

The Pampa Daily News

YOUR FREEDOM NEWSPAPER We believe that freedom is a gift from God and not a political grant from the government. Freedom is not license. It must be consistent with the truths expressed in such great moral guides as the Golden Rule, The Ten Commandments and the Declaration of Independence.

Always Willing To Discuss Differences—

Looking Sideways

By WHITNEY BOLTON

NEW YORK — CUFF NOTES: On an almost empty parkway on a suddenly crisp, dry, cool and tingling September morning you pass a new housing development with a snerling sign: "If You Lived Here You'd Be Home Now."

The Nations Press

KNOW YOUR FRIENDS (American) (Russian)

"It is a strange American political phenomenon that, although most of the vocal protest against more Government spending and higher taxes comes from the well-to-do, it is actually the people who pay the taxes. This is true simply because there are so many more people with low incomes."

The Doctor Says:

by EDWIN P. JORDAN, M.D.

All too often I receive inquiries from people suffering from sciatica who want to know more about this distressing condition. Some of them have experienced pain for months at a time and are almost at their wits end to know how they can bear it longer.

"Big Party" Premiere is Oct. 8 Special

A star-studded cast of celebrities will appear in "The Big Party," the premiere 90-minute Revlon special, Thursday, Oct. 8, on the CBS Television Network. Guests on the opening program will come to a party at Rock Hudson's New York penthouse apartment to entertain with songs, dances and drama. Hudson (center) will play host to (bottom) Sammy Davis, Jr. and Tallulah Bankhead, and (top) Esther Williams and Mort Sahl, among others.

West Texas Will Dedicate Building

CANYON (Sp) — A colorful academic procession across the playing field at new Buffalo Stadium will open the Fall Convocation initiating activities for West Texas State College's golden anniversary celebration. The people of the Panhandle are invited to the program at 4:30 p.m. Saturday.

Senator Lyndon B. Johnson will be main speaker for the affair, which will also feature dedication ceremonies for the college's new fine arts building and addition to the science building. An open house in the two new structures will be held from 2 until 4 p.m., preceding the convocation.

WT's flashy Buffalo Band, conducted by Dr. Ted Cramer, will play at the convocation preceding start of the ceremonies, and the A Cappella Choir, directed by Dr. Houston Bright, will assist in singing the alma mater at the close of the program.

Taylor Heads Lefors PTA

LEFORS (Sp) "Junior" Taylor has been elected president of the Future Teachers Association. He stated, "The group plans to make a yearbook and constitution this year. More programs are planned."

Judy Atkinson was elected vice president; Mary Barron, treasurer; Jan Atkinson, secretary; Leann Palford, parliamentarian; Karen Priest, historian; and Mary Watson, reporter.

The 15 members of the club have to maintain an average of 85 or be omitted from the club roll.

SHIP BIDS ASKED

SAN FRANCISCO (UPI)—States Steamship Co. and the Federal Maritime Board invited bids for the construction of three cargo vessels for use in service to the Far East. The board will pay the company a construction subsidy for placing its contract in a U.S. yard where costs are higher than abroad. Bids will be opened November 30 at the maritime board office.

NO BILLED IN SLAUGHTER

GARLAND (UPI)—Garland city councilman J. D. Barney was no-billed Monday by grand jury investigating the Aug. 25 shooting death of Arthur Bentham, a house painter. Carne 54, a builder, has been under \$5,000 bond since he shot Bentham with a .38 pistol. Witness said the painter had a tackhammer and a putty knife in his hands at the time.

ROBBERY BY TELEPHONE!

LOS ANGELES (UPI)—A 41-year-old service station attendant was robbed of \$200 via telephone Thursday.

William Elrod told police he received this telephone call: "Listen carefully. This is very important. I have a rifle trained on your back. Take all the money from your cash boxes and safe and put it in the trash can in the rest room of the drive-in next door."

"You have your foot on the bench," added the band, just to let Elrod know he was being observed even if Elrod didn't see the bandit.

Elrod said he carefully followed the instructions, then called police. They checked the trash can and the money was gone.

The Pampa/Evening Lions Club Proudly Presents The Original Sculptured Reproduction Of DaVinci's Inmortal THE LORD'S LAST SUPPER

The scene shown in Leonardo DaVinci's Great Masterpiece, like that of Jesus' announcement that there was a traitor among them, in cast stone we have tried to show the dismay, indignation and consternation shown by all but the grim Judas clutching his money bag.

Left to right: (1) BARTHOLOMEW sincere and honest character shows his surprise; (2) JAMES the Lesser, youthful and uncomprehending; (3) ANDREW, already shrinking from Judas, whom he suspects; (4) JUDAS, isolated in the foreground, has just spilled the salt container; (5) PETER, old, rugged and inquiring; (6) JOHN the beloved disciple, just raised his head from the Saviour's breast; (7) THOMAS, rugged and ever doubting; (8) JAMES the Greater—horrified at the accusation; (9) PHILIP, gently offers himself to his Master; (10) MATTHEW asks Simon if he has heard this charge; (11) THADDEUS also questions; (12) SIMON, with head expressed amazement.

matter of FACT

In 1666, Sir Isaac Newton discovered that white light is made of many different colors. When a ray of white light shines through a prism, it is split into a band of colors. The red light is bent the least, so it appears at the top. Next in order come orange, yellow, green, blue and violet. Newton let sunlight into a darkened room through a slit, placed a prism in the light's path and studied the colors of the spectrum thrown on the wall.
