

Snow, Colder Weather To Hit Panhandle Tonight

United Press International

The Weather Bureau at Amarillo today predicted the winter season's first snowfall in the upper Panhandle today and tonight, with 24 inches expected in Dalhart.

Snow was expected to fall as far south as Amarillo.

Moist air off the Gulf of Mexico and a weak cold front that pushed through the Panhandle Thursday combined to bring heavy cloud cover, fog and drizzling rain to nearly all of Texas. Black clouds covered all areas

of the state except for Lower Rio Grande Valley, the southwest part of the Big Bend country and the El Paso area. Misty rains were widespread.

The Panhandle, which expected above-normal rainfall for the next five days, got the heaviest amounts in the past 24 hours. Claude got 1.68 inches, Borger 1.26, Amarillo 1.17, Pampa 1.08, and Clarendon .80 inches.

Overnight temperatures dropped as low as 24 degrees at Dalhart during the night and were expected to drop even lower tonight.

The Amarillo Weather Bureau said the high there today would be 40 degrees, and Dalhart's overnight low will plummet as low as 28 degrees. The low at Amarillo was expected to be about 30 degrees.

Panhandle temperatures in general will be about four degrees below normal for the next five days.

A vicious wind and rain storm raged through the Southwest Thursday night, triggering flash floods in the deserts and causing widespread damage in Arizona

and California.

The floods swept two babies from their mothers' arms to their deaths. Several other persons were injured.

The storms were the worst in a broad weather pattern that dumped rain from Minnesota and the Dakotas to Texas and over most of the Southwest and Southeast.

Snow fell throughout Montana, North Dakota, Nevada and Utah, with four-inch depths reported at Lander, Wyo., and Bassett, Neb. Heavy snow warnings were up today for western Nebraska, Kan-

sas, Oklahoma and eastern Colorado and New Mexico.

In the Southeast, Savannah, Ga., recorded 3.57 inches of rain in 24 hours and Augusta, Ga., reported .62 inch in six hours. The shower area stretched from the Carolinas and Georgia to the Mississippi River and southward into Florida.

Arizona officials said Maude Eldridge, 2, drowned when a flash flood tore the child from her mother's grasp after a torrent of water rushed through a "dry wash" and swamped the family car.

Red China Poised On Indian Border

NEW DELHI (UPI) — Relations between New Delhi and Peking grew more tense today with unofficial reports the Chinese were not only continuing "incursions" of troops across border areas but also violating Indian air space.

Foreign policy experts said it appeared likely the Communists may attempt to penetrate even farther into Indian territory. Unofficial reports said the Chinese were not only continuing their "incursions" of troops across border areas but also violating Indian air space.

The Chinese were also reported to have warned Indian outposts at Khinzamane to withdraw on the ground that this area north of the traditional McMahon Line border belongs to China.

The Chinese were said to have spread their checkpoints in north and northwest directions from Ladakh, scene of a clash Oct. 21 between Chinese troops and Indian police in which nine Indians were killed.

Three Indians injured and captured by the Chinese have arrived back at Ladakh's Chasul Airport after being released by the Communists at Pobrang, 80 miles from Chasul, it was reported today.

7 Children Die In Blaze

OTTUMWA, Iowa (UPI) — Seven children ranging in age from one to nine perished today when fire swept through a small home while their mothers were at a tavern. Six of the children were members of one family.

A fireman risked his life to rescue the only survivor, Sharon Dooley, 13, a babysitter. She was burned over most of her body and reported in "very critical" condition.

Fireman Robert Knox was credited with saving the girl. Knox crawled into the flaming two-room house and fell around the floor, trying to see the children through the dense smoke billowing through the home.

"I found the bodies of the seven children, first in a corner of the kitchen," Knox said. "They were huddled together for protection against the searing heat and choking smoke."

"I saw they were dead. I didn't get a chance to examine the baby-sitter who was nearby because the other firemen outside called to me to come out because of the danger."

"When I got outside, it kept working on me—the fact that I hadn't got a chance to examine her thoroughly. The longer I stood (See BLAZE, Page 3)

Cuban Army Commander Is Missing

HAVANA (UPI) — A light plane carrying Maj. Camilo Cienfuegos, the Cuban army commander, is missing and feared to have crashed in central Cuba, it was announced today.

Cienfuegos left central Cuba around 4 p.m. with three other persons and the plane was never heard from again. The government ordered an intensive search for the craft, a six-seater, twin-engine plane.

Cienfuegos was one of the heroes of the Castro revolution against President Fulgencio Batista and directed his troops while wearing an American-style cowboy hat.

Earlier the government disclosed that three U.S. citizens faced possible trial by Castro's revived military tribunals which executed 600 "traitors" earlier this year.

The three Americans facing possible trial are Austin Young, Miami, Fla.; Peter John Lamborn, Nassau, Bahamas; and Cuban-born Rafael del Pino, also of Miami.

Third Company Signs Up With Steelworkers

PITTSBURGH (UPI) — High level steel bargainers renew efforts today to end the costly 180-day steel strike, but there was little optimism even though a third company signed with the union Tuesday night.

Chief industry negotiator R. Conrad Cooper and United Steelworkers President David J. McDonald each will head four man bargaining teams which meet today in the Penn-Sheraton Hotel.

Late Thursday, Granite City Steel Co., the 17th largest domestic producer, became the third company to reach an agreement with the USW. The Granite City agreement was similar to that reached by Kaiser Steel Co. and the union last Monday, according to

Avalanche Kills 800 In Mexico

MEXICO CITY (UPI) — An avalanche caused by heavy rains obliterated the village of Minatitlan Tuesday with a sudden blow that may have snuffed out 800 lives, reports from the storm-devastated west coast disclosed today.

Swarms of scorpions and tarantulas attacked the injured survivors when the rain-loosened side of the Copales Mountains thundered onto the village and tore loose the nests of the poisonous insects (arachnids). Frantic appeals for anti-venom serum were radioed to Mexico City.

The disaster at Minatitlan was only one of a series that hit Mexico's Pacific Coast Tuesday when a storm, described as a cyclone, wiped out a dozen villages and killed more than 1,000 persons. Many hundreds were still unaccounted for.

The fate of 1,000 persons in the flooded town of Zacoapan in the northern Colima state, was still in doubt. An aircraft pilot who flew over the area on a relief mission said only the church

steeply was protruding above the flood waters.

Ten coastal villages were reported wiped off the map by the storms and high tides. Ten small freighters were sunk, including the passenger-freighter Sinaloa with 27 dead. Three American women on the Sinaloa were missing—Mrs. Lucille Pettit of Laguna Beach, Calif., and Mrs. Margaret Gower and Mrs. F. R. Harris, both of Acapulco, Mex.

George Zelfer, captain of the tuna clipper Mary Barbara, out of San Diego, Calif., was caught by the storm in the port of Manzanillo. He said the town looked as if it had been bombarded from the air. He said he thought the town was 90 per cent destroyed.

Between 20 and 30 Americans were stranded there, the U. S. Embassy reported.

In Accord On Summit Meet In December

LONDON (UPI) — President Eisenhower's second peace mission to Europe within four months may patch up differences among the Western Allies appeared a certainty today.

Informed government sources in both London and Paris said Thursday night that French President Charles de Gaulle has invited Eisenhower, British Prime Minister Harold Macmillan, and West German Chancellor Konrad Adenauer to confer in Paris Dec. 19.

The meeting, scheduled to last about three days, was designed to produce a common Western front for the forthcoming summit talks with Soviet Premier Nikita Khrushchev. As it stands now, there are some major cracks in that front.

Proponents Of First Income Tax Ought To Be Around Now!

By LYLE C. WILSON
United Press International

WASHINGTON (UPI) — This is the birthday month of the most hated institution of modern government — the income tax.

The birth date was Oct. 3, 1913. On that date the Congress enacted a new form of tax law authorized by the 16th Amendment to the Constitution which became effective the previous February.

That was 46 years ago. Many taxpaying citizens thought the new

burdens were outrageous. They should be around now. If they were, they would realize how fortunate they were to have paid at the rates first imposed.

The income tax flicked the pocket-book when Woodrow Wilson began first to collect it in the fiscal year, 1914. A married person with two dependents and a net taxable income of \$5,000 paid just \$10.

The \$8,000 family man paid \$40; at \$10,000 the tax was \$80; at \$25,000 of net taxable income the

Author Taunts Texas Mayor

CORSICANA (UPI) — The mayor and Chamber of Commerce manager of Corsicana early today were restrained in comments on the verbal blasts of a Hollywood author who said "Texans are asses and wellshers."

"I have no comment to make until I study his statements further and I see no reason to get in a long-distant argument about his statements," Mayor R. S. Reading said about movie-town's dentist-turned-author Dr. Henry Barsha.

Barsha recently completed a novel titled "Corsicana" which he said is representative of Texas as it was in the 1890s. He claimed the city of Corsicana first promised to sponsor his book in festivities here, but later backed out of the agreement.

"The mayor and I took the position, as politely as we could, that the city couldn't sponsor his book because of inaccuracies," Chamber of Commerce Manager R. W. Knight said.

Ideal Will Build New Store On Brown & Gillespie Streets

Construction of a new Ideal food store here will begin within "the next few" days, it was announced this morning by Veri Hagaman, Texas supervisor for the Liberal, Kan., firm.

The new structure will house Ideal No. 2, now located at 306 S. Cuyler. Ideal has built two new stores in the last four years, Ideal No. 3 at 801 W. Francis in 1955 and Ideal No. 1 at 431 N. Ballard in 1958.

No estimated cost of the new 15,000 sq. ft. building was given, nor was a completion date.

The new store will be at the corner of Brown and Gillespie on the Poole property. It will be all masonry construction. The sales area (See STORE, Page 3)

Amarillo Fire Kills 3 Tots

AMARILLO (UPI) — Three young children and a small white puppy were burned to death today in a fire that gutted their parents' frame home.

Two of the children, Sonya Choate, 1½, and Mike Choate, 4, were pronounced dead at the scene. Their older brother, Terry, 6, died en route to a hospital.

Firemen found Sonya lying outside a window and presumed one of the boys had pushed her out in an effort to save her life. The boys and their dog were discovered inside the house.

Their mother, Mrs. W. H. Choate, was across the street visiting her sister when the fire broke out. The father was out of town.

The Choates have two other children, both of whom were at school.

Aged King Of Laos Succumbs

VIENTIANE, Laos (UPI) — King Sisavang Vong of Laos died in his Luang Prabang palace Thursday at the age of 74, ending a 35-year reign, the longest in modern times.

Crown Prince Savang Vatthana, 52, took over in name as well as fact the duties of ruling this tiny kingdom which was once part of French Indochina.

Savang has been in charge of this constitutional monarchy as regent since last month, when Sisavang's chronic illness worsened. But he has handled royal affairs for years, and Laos is one of the few monarchies left in the world where a king has a direct role in government.

PROBONENTS

 ... could not be effected "except by means of despotic inroads on the rights of private property." They proposed a 10-point program, of which the first three points are:
 1. Abolition of property in land and application of all rents of land to public purposes.
 2. A heavy progressive or graduated income tax.
 3. Abolition of all rights of inheritance.
 There was no mention in the language of the 18th Amendment of heavy progressive or graduated taxation. Heavy, progressive or graduated taxation was implicit, however, in the proposition.
 Congressional debates indicate that supporters of the new form of taxation had no idea of the high rates which ultimately were to be imposed. The income tax did not remain in Communist or Socialist custody. The 1902 Democratic platform endorsed the income tax. The progressive wing of the Republican Party endorsed it.
 It was argued that so long as tariff duties and excise taxes was the main source of federal revenue, those best able to pay were escaping a fair share of the load. Also, it was argued that additional taxing power was needed against future emergencies such as war.
 That proved to be correct. Less than four years after the first income tax law, the United States was in a big war and needed big money.
 Yes, Rollo, the income tax is here to stay.

School Parties For Halloween

Regular schedules are on the agenda for Pampa schools today with several schools planning to have individual classroom Halloween parties the last period of the day and a fun night planned at one school.
 Travis Elementary School, St. Matthew's Day School, Sam Houston and Stephen F. Austin will have classroom parties. Woodrow Wilson School, Lamar, Baker and Horace Mann have planned no parties.
 A fun night from 7 until 8:30 p.m. will be held at St. Vincent's De Paul Catholic School.
 All schools will be dismissed at the regular time.

Last Session Of First Aid Class

Tonight will be the last session of the progressive first aid class, sponsored by the Pampa chapter of the American Red Cross, in the Court House from 7 until 9 p.m., according to Mrs. Libby Shotwell, executive secretary.
 Roscoe Mounts, Frank Stallings and Mrs. Melvin Clark will be the instructors.
 Make-up classes for persons needing them will be held Nov. 3 and 5 in the Red Cross office from 7 until 9 p.m. Marvin Corne and Jim King will be the instructors. Interested persons who missed a regular session can take the make-up classes and still receive their cards, Mrs. Shotwell said.
 The advanced first aid class will be held Nov. 2 with R. A. Jenkins in charge at the Red Cross office.
 Persons who have completed the standard first aid course are eligible for the advance course which will be a 16 hour class.
 Classes will be held on Monday and Thursday evenings during the month of November.

Crash Victims' Rites Saturday

Joint funeral rites for Mr. and Mrs. Johnnie Davis Smith of LeFors, victims of a truck-car crash, will be conducted Saturday at 11 a.m. in Trinity Methodist Church, Amarillo.
 The Rev. J. Frank Peery, pastor, will officiate.
 Interment will be in Memorial Park Cemetery, Amarillo, under the direction of Blackburn - Shaw Funeral Home.
 Mr. and Mrs. Smith were killed late Wednesday evening when their 1959 DeSoto and a Utility Oil Co. transport hit head-on. Don Losher, driver of the truck, who escaped injury said that he was going about 30 miles per hour when his front wheel locked and the truck went into a short skid into oncoming traffic.
 The accident occurred 10 feet outside city limits on Highway 273.

 for taking time from their own work to solicit funds for those in need. We have extended the drive to allow extra time for the cards to be worked. However, we must not continue the campaign indefinitely. I feel there is some good reason a number of contributors have not been contacted at all, and equally good reasons why cards already distributed, worked, and completed, have not been picked up by the solicitor.
 "In order to give every individual, firm, and volunteer worker time to complete their pledges, we are setting the final deadline for general solicitation as Friday, Nov. 6. There will be a report coffee in the Cabot Auditorium, Hughes Building, next Tuesday at 7:30 a.m., and a final report coffee Friday morning at the same place and time.

Motorists Tagged Following Collision

Two Pampa motorists were tagged late Thursday night following a two-car collision on W. Brown near the S. Hobart intersection. No persons were injured, but damages totaled \$350.
 Ticketed for failure to control his speed to avoid a collision was Conrad T. Kotara, 1512 Oklahoma, after his 1955 Plymouth struck the rear of a 1958 Ford at 11:25 p.m.
 Driver of the Ford, Loyal C. Rander Jr., LaFonda Courts, was cited for driving with an expired Oklahoma license.

HALLOWEEN WAS ORIGINALLY AN AUTUMN FESTIVAL OF PAGAN RELIGIONS... IT WAS A HOLIDAY OF MOURNING, FOR IT MARKED THE PASSING OF THE SUMMER FROM THE EARTH...

THE DRUID PRIESTS AMONG THE CELTS OBSERVED THE DEATH OF SUMMER IN A TERRIFYING CEREMONY FEATURING HUMAN SACRIFICE...

THE OLD PAGAN FESTIVAL BECAME A CHRISTIAN HOLIDAY AND IN 835 A.D. WAS MADE ALL SAINTS' DAY WHICH IS STILL OBSERVED.

FOR ONE LONG NIGHT, ACCORDING TO OLD BELIEFS, TORTURED SPIRITS WERE ALLOWED TO ROAM THE EARTH TO WORK REVENGE UPON THEIR ENEMIES...

OUR EARLY ANCESTORS USED TO CARRY LANTERNS AND CANDLES ON HALLOWEEN TO FRIGHTEN OFF EVIL SPIRITS, FROM THIS CUSTOM CAME THE JACK O' LANTERN...

TODAY HALLOWEEN IS KNOWN AS THE EVE OF ALL SAINTS' DAY, AND IN THE SPIRIT OF HUMOR AND ADVENTURE YOUNG AND OLD DRESS IN EVERY IMAGINABLE COSTUME AND SALLY OUT FOR FUN...

Incredible! But anyone can play music in minutes ON THE HAMMOND CHORD ORGAN

Here's How!
 One finger plays the melody.
 If you can't read standard music, you follow simplified "Picture" music that shows you which keys to press.
 One finger plays the chords.
 Instead of using 3 to 5 fingers, you press a button with one finger of your left hand to play full, rich organ chords.

The plain unvarnished truth about the Hammond Chord Organ is so remarkable that you probably won't believe it until you play it. Its beauty of tone, its versatility is surprising in an organ so compact. But the remarkable part is that thousands have played the Hammond Chord Organ without knowing music in just a few minutes. No lessons or practice. You progress by playing the music you like.
Invest in Yourself
 Part of your lunch period, a coffee break or maybe some evening-after-work, come in and try this musical miracle in private.

Lions Club Hears Candidate For State Attorney General

"The most striking features in Texas public affairs are areas in which we need to get to work," was a statement included in a speech made by Tom Reavley, candidate for attorney general of Texas in the Democratic primary May 7, to Noon Lions Club members yesterday. "Texas Has Work To Do" was his topic.
 To illustrate his point, the speaker pointed out these areas of improvement — revise constitution, reorganize executive, decrease duplication of special governmental districts.
 Reavley, from Austin, emphasized Texas has the ability and resources and imagination to meet all our needs and improve the caliber of the government.
 Don Cain, county attorney, introduced the speaker, who is on a tour of the Panhandle. He has visited Perryton, Amarillo and Borger and made a speech Thursday night at Hereford. His tour will take him throughout Texas.
 Reavley, an attorney, was born in Quitman in 1921 and attended the University of Texas and Harvard University.
 He was assistant district attorney in Dallas, 1949-50; county attorney at Nacogdoches in 1952; president of the Texas Junior Bar Association, 1952-53; and secretary of state of Texas, 1953-57.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: We are two girls with a problem. There is only one school who has a terrible reputation. And she won't leave us alone. Everywhere we go she is behind us. She hangs around locker and tries to eat lunch with us.

DEAR ABBY: We are two girls with a problem. There is only one school who has a terrible reputation. And she won't leave us alone. Everywhere we go she is behind us. She hangs around locker and tries to eat lunch with us.

DEAR DESPERATE: Be kind to her. She needs it. Showing this ungrateful girl common courtesy she latches onto you will damage your reputations. It is necessary to cultivate her outside of school. But she seeks you out, treat her as you would want to be treated if you were in her unhappy shoes.

DEAR ABBY: What is the matter with our young people? I never forget the young people in our family on birthdays, Christmas and all special occasions. I don't expect them to appreciate because many of them are not able to do it. I try to expect a "thank you!"

DEAR EXPECTING: Name the baby something else. Your block is already "over" Burton's. Why complicate matters?

CONFIDENTIAL TO SCOTTY: Let her go. She'll make a better memory than she would have made a wife.

What's your problem? For a personal reply, write to ABBY, care of this paper. Enclose a stamped, self-addressed envelope.

YOUNGSTERS will really go for this Halloween specialty—a popcorn cake. There's no trick at all to making this treat.

Cook's Nook Caramel-Coated Popcorn Cake Is Halloween Treat

By GAYNOR MADDON
NEA Food and Markets Editor

Since 1630 when the Indians introduced popcorn to the Pilgrims popcorn has been popular with Americans. We consume some 200 million pounds a year. The big popcorn season begins in the fall and continues through the winter and Halloween opens the season.

For the "trick or treat" set on Halloween try this spectacular popcorn cake. It is a sure-fire hit with youngsters.

POPCORN CAKE
(Makes 12 to 16 servings)

Two cups sugar, 1 cup light corn syrup, 1 1/4 cups water, 2-cup butter or margarine, 2 1/2 teaspoons salt, 6 quarts unsalted popped popcorn, 1 pound caramels, 2 tablespoons hot water, candy corn or pumpkins.

Combine first 5 ingredients in a large saucepan. Bring to a boil and cook to the crack stage (290 degrees F. on a candy thermometer). Measure popped corn into a large metal bowl or pan. Place in a slow oven (300 degrees F.) to warm. Remove from oven. Drizzle syrup over heated popcorn and mix carefully but thoroughly to coat each kernel evenly with syrup. Press mixture into a buttered or oiled 10-inch tube (angel food) pan. Cool in pan 15 to 20 minutes, then turn out onto serving plate to finish cooling. Combine caramels and hot water and melt in a heavy sauce pan over low heat or in top of double-boiler over rapidly boiling water. Remove from heat and blend. Drizzle sauce over top and sides of popcorn cake. Decorate with candy corn or pumpkins. Cool thoroughly. Slice with a serrated knife.

20-30 Club Votes To Enter Contest

LEFORS (Sp) — Mrs. Jimmy Pennington was hostess to the 20-30 Club in her home recently with Mrs. Joe Archer, president, presiding as members voted to enter Beta Sigma Phi Sorority's Table Setting Contest to be held Nov. 14 in the Harvester Fieldhouse, Pampa. The club voted to enter the informal class.

A costume Halloween party was planned for Nov. 2 in Civic Center. Members present were Mmes. Joe Archer, Tony Bivins, Leonard Cain, Merideth Cox, Ray Dickerson, Chestene Dunn, E. L. Foshee, Edward Lehnick, R. E. McDonald, J. M. McPherson, Bud Means, Jimmy Pennington and Billy Sims. Guests were Helen Adams and Janie Stricker.

Chinese Tea Party Follows Election

CANADIAN (Sp) — The Junior Girls Auxiliary of the First Baptist Church held an election of officers at the church recently.

Miss Sandra Sumner was elected president; Miss Sandra Henderson, vice president; Miss Janice Selby, secretary; and Miss Mary Rutledge was appointed program chairman.

A Chinese Tea Party was held following the meeting. Members and guests attending were Misses Sandra Sumner, Sandra Henderson, Janice Selby, Mary Rutledge, Sue Owens, Dona Shahan, Barbara Clark, Eva June Wheeler, Marie Hodges, Jerry Lee Hodges, Dixie Petree and Mrs. Loren Black. Dismissal prayer was by Mrs. more, sponsor.

Baptist Pastor On Annual Program

Dr. Douglas Carver, pastor of the First Baptist Church, will be on the program at the 1959 annual meeting of the Baptist General Convention of Texas in Corpus Christi Nov. 2-5.

Rev. Carver has served as chairman of the program committee for this year. Rev. and Mrs. Carver plan to leave Sunday afternoon for Corpus Christi.

Some 12 persons here are making tentative plans to be among the 6,000 persons from virtually every town and city in the state expected to attend the 74th annual Baptist Convention.

Official messengers to the convention, representing more than 1 1/2 million Texas Baptists, will take action on what some Baptist leaders term "the most significant proposals in the history of Baptist work in Texas."

Top item on the agenda will be the consideration of recommendations by the 191-member BGCT executive board. Meeting in Dallas Oct. 2, the board voted to recommend that the convention completely revamp the state administration.

adult course, "Know Your Bible" will be taught by the pastor, Woodrow Adcock.

The Sunday night service at 7:30 p.m. will be conducted by the pastor who will speak on the subject, "Steadfast Souls". The special music for the evening service will be by the Bell Choir.

Wednesday, Nov. 4 the Official Board will meet at 8 p.m. in Fellowship Hall. All Commissions will meet at 7 p.m. Wednesday Nov. 4.

trative organization, establishing two new commissions, the State Mission Commission and Human Welfare Commission, and reorganizing an existing commission, the Christian Education Commission.

The messengers will vote on the board's recommendation to lease Wadley Hospital in Texarkana, rather than accept the hospital as a gift from the institution's board of trustees. The hospital, built with the aid of \$1 1/2 million federal Hill-Burton funds, was offered with no strings attached to the denomination, but some critics argued that accepting the gift might violate the Baptist stand on separation of church and state.

Other Baptist leaders say that since the government money was accepted by the hospital's board long before the gift was offered to the denomination, there would be no violation of the principle involved in the transaction.

In other action, the denomination will vote on a record \$12,880,000 Cooperative Program budget for world missions and will elect more than 230 pastors and laymen as trustees or members of boards of directors to Texas Baptist institutions and organization. Convention officers will also be elected.

Other speakers for the convention will be Howard E. Butt Jr., vice president of the HEB grocery chain; Dr. Robert G. Lee, pastor of Bellevue Baptist Church of Memphis, Tenn.; Dr. W. Z. Criswell, pastor of the First Baptist Church of Dallas; Dr. James B. Leavell, pastor of the First Baptist Church of San Angelo; Dr. Carl Bates, pastor of the First Baptist Church of Charlotte, N.C.; and Dr. Forrest C. Feezor, BGCT executive secretary.

The convention will conclude with a special Latin American session Thursday, Nov. 5.

Church News

Church To Vote On 1960 Budget

The budget for 1960 will be considered and voted upon by the Central Baptist Church Sunday morning. The proposed budget involving expenditures of \$92,000 has been developed by the budget planning committee.

The deacon body has studied the budget and is recommending its adoption by the church.

Mission causes outside the church will claim \$19,048.73 while debt retirement will absorb \$29,426.27, almost \$10,000 more than is called for in debt retirement obligations.

The remaining \$48,525 will go for salaries, organizational and educational ministry, promotional matters, special services, buildings and grounds, and miscellaneous items.

Rev. Thurman O. Upshaw will have as the title of his sermon Sunday morning, "This Is My Father's World". The choir will sing the hymn of the same title.

Sunday evening the choir will present a sermon in song entitled "Blessed Assurance". This service will feature choir, quartet, duet, and solo numbers, as well as congregational participation.

Both morning and evening services are broadcast over KHHH. The morning service is at 11 while the evening service is at 7. Sunday school will begin at 9:45.

W. C. Maples will give his stewardship testimony Sunday morning and Billy Joe Chance will give his Sunday evening.

Dr. Carver Announces Sermon Topic

Dr. Douglas Carver, Pastor of the First Baptist Church, has announced his topic for the Sunday morning service, "The Prayer Jesus Refused To Pray." Special music will be presented by the church choir, an anthem, "Voice Of Thine" by Setzer, directed by Joe Whitten.

Miss Eloise Lane, Organist, will play "Contemplation" by Gullmatt for the morning offertory number.

The Rev. B. Gene Grace, pastor of the Barrett Baptist Chapel, will be the guest speaker for the Sunday evening service. The choir will present special music, "Open Your Heart" by Jones. Miss Lane will play "Song Of The Soul" by Richardson for the offertory number.

Sunday afternoon the Training Union will meet for visitation at 5. The schedule for the services will be: Sunday School at 9:45; morning worship at 11; Training Union at 6:30; and evening worship at 7:30.

On Wednesday the WMU will meet for their Royal Service program at 10 a.m. A luncheon will follow at noon. The Business Women's Circle will meet Thursday at 5:45 for a supper meeting at Johnson's Cafe.

Thursday night the second session of a survey course in the Bible will be led by Ed Railsback. Last Wednesday evening the church launched its 1960 stewardship program. At a supper meeting, attended by approximately 335 members, the church adopted a \$160,600 budget. This amount is the largest ever adopted by the church, and includes a substantial increase for world missions. The budget was presented by A. C. Troop, chairman of the finance committee, and enthusiastically accepted.

Plans are now being made to contact the entire membership to oversubscribe the budget Nov. 22. Goals will be presented to the Sunday School departments next Sunday morning.

Services Set For Sunday

Prayer's effectiveness in healing sin and sickness will be emphasized at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "Everlasting Punishment" will include this selection from James (5:14,15): "Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (391:13): "It is error to suffer for aught but your own sins. Christ, or Truth, will destroy all other supposed suffering, and real suffering for your own sins will cease in proportion as the sin ceases."

The Golden Text is from Proverbs (15:29): "The Lord is far from the wicked; but he hears the prayer of the righteous."

First Church of Christ, Scientist, welcomes you to its services and the Christian Science Reading Room located in the church building at 901 N. Frost, where further information about Christian Science may be obtained.

Pastor Accepts New Position

Sunday will mark the last day that Jon E. Jones will fill the pulpit of the Mary Ellen and Harvester Streets Church of Christ as their regular minister. Jones and his family are moving to Tuscaloosa, Ala., where he will be preaching for the Alberta City Church of Christ and work toward his doctorate at the University of Alabama.

Jones states, "My family and I have really enjoyed living in Pampa. We have learned to love the people of this community. My work here with the Mary Ellen Church of Christ has been the most pleasant work I have ever done and we have enjoyed these four years here more than any years of our lives. We feel that the church in this community has a wonderful future and our deepest prayers are with the brethren. We pastors, laymen and laywomen of the area and is the oldest on the High Plains. In attendance at the 38th Conference were more than 800 off-campus visitors.

This conference is open to all

Conference To Be Held

PLAINVIEW (Sp1) — The 39th annual Panhandle Plains Pastor's and Laymen's Conference at Wayland Baptist College will have such outstanding speakers as Dr. Ramsey Pollard, Knoxville, Tenn., president of the Southern Baptist Convention; and Dr. Robert Naylor, president of Southwestern Baptist Theological Seminary, Fort Worth.

Dr. J. Ralph Grant, pastor of First Baptist Church, Lubbock, is president of the Conference. Other officers are: D.M. Wiggins, Canadian, vice president, and H. L. Mitcheison, Wayland Baptist College, secretary-treasurer.

Dr. Pollard, pastor of Broadway Baptist Church, Knoxville, will bring the sermon for the six sessions of Jan. 25-26. Dr. Naylor, former pastor of the great Travis Avenue Baptist Church, Fort Worth, will lead the Bible study periods. Morning sessions begin at 10 afternoon at 2 and evening at 7 and are held in Wayland Chapel.

In a series on Baptist doctrine, Dr. Lee Hemphill, vice president of Hardin - Simmons University, will speak on "The Doctrine of Sin"; Dr. W. E. Norman, First Baptist Church, Quanah, on "The Doctrine of Atonement"; the Rev. Chester O'Brien, Paramount Baptist Church, Amarillo, on "The Doctrine of the Holy Spirit"; the Rev. Earnest Stewart, Jr., Calvary Baptist Church, Mineral Wells, on "The Doctrine of Assurance"; the Rev. Dan Cameron, First Baptist Church, Borger, "The Doctrine of Hell"; the Rev. W. M. The Weekly Message Of Inspiration

RONALD E. HUBBARD
First Presbyterian Church

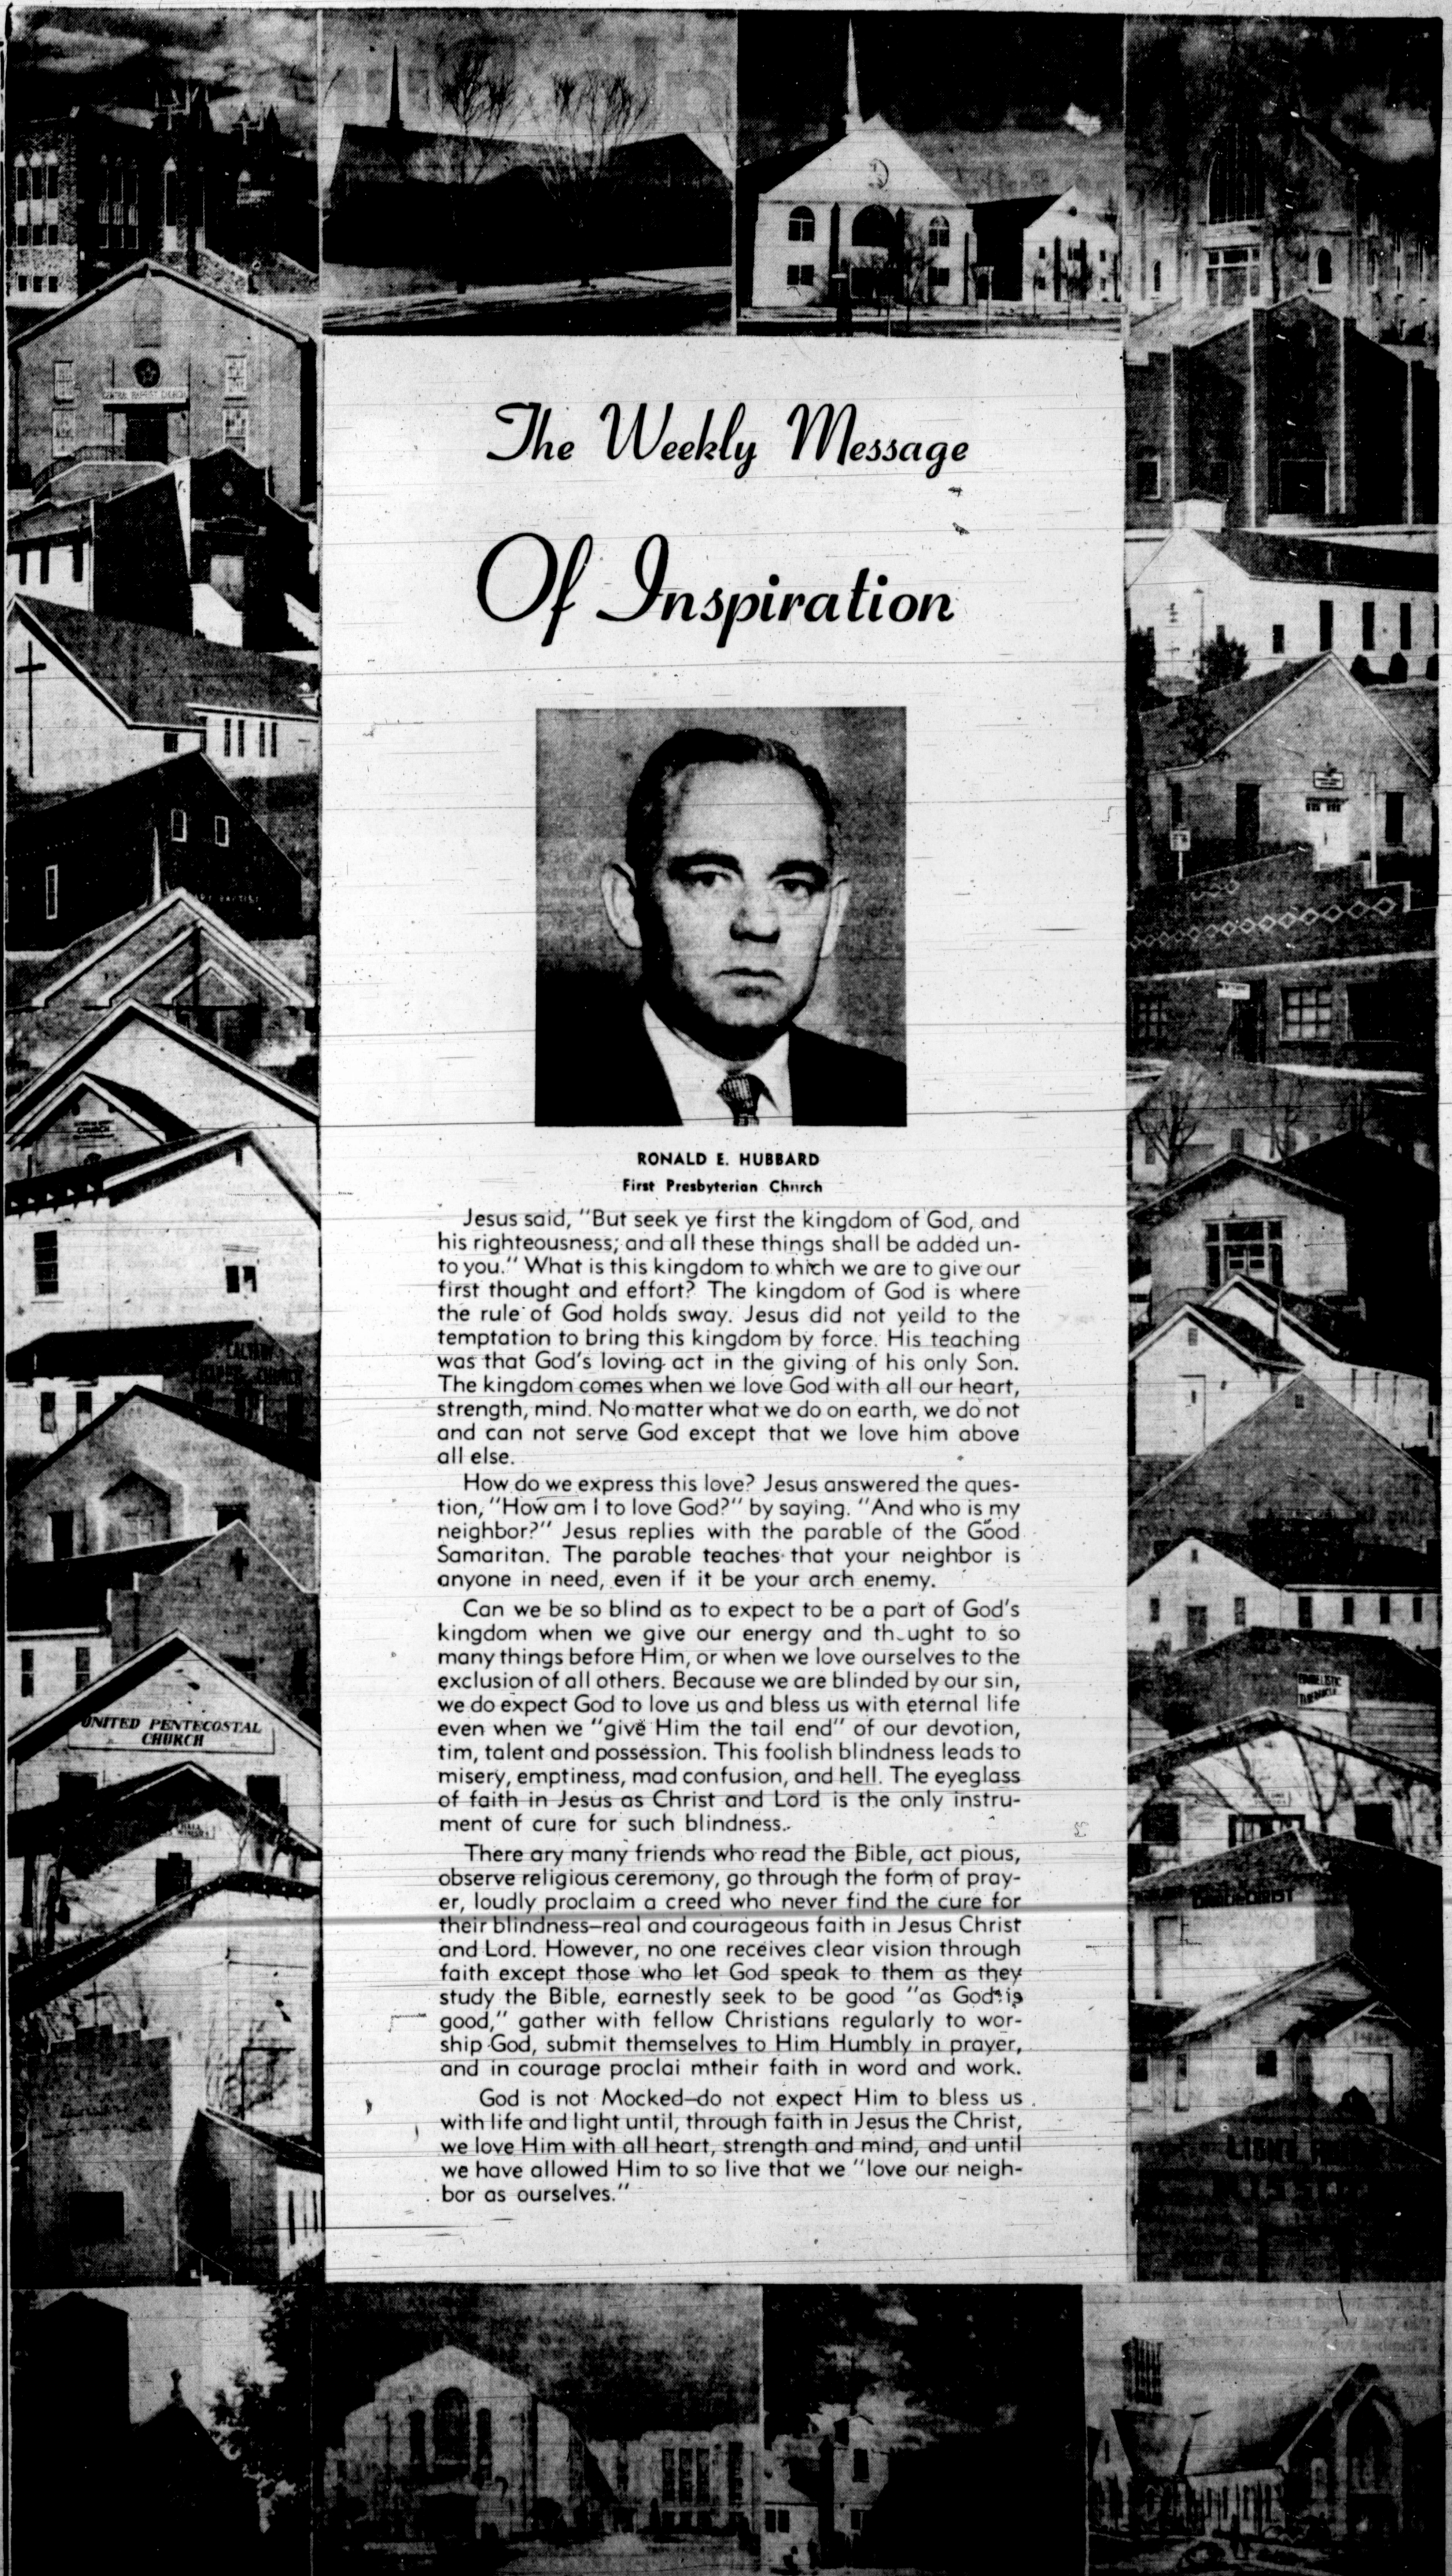

Jesus said, "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." What is this kingdom to which we are to give our first thought and effort? The kingdom of God is where the rule of God holds sway. Jesus did not yield to the temptation to bring this kingdom by force. His teaching was that God's loving act in the giving of his only Son. The kingdom comes when we love God with all our heart, strength, mind. No matter what we do on earth, we do not and can not serve God except that we love him above all else.

How do we express this love? Jesus answered the question, "How am I to love God?" by saying, "And who is my neighbor?" Jesus replies with the parable of the Good Samaritan. The parable teaches that your neighbor is anyone in need, even if it be your arch enemy.

Can we be so blind as to expect to be a part of God's kingdom when we give our energy and thought to so many things before Him, or when we love ourselves to the exclusion of all others. Because we are blinded by our sin, we do expect God to love us and bless us with eternal life even when we "give Him the tail end" of our devotion, tim, talent and possession. This foolish blindness leads to misery, emptiness, mad confusion, and hell. The eyeglass of faith in Jesus as Christ and Lord is the only instrument of cure for such blindness.

There are many friends who read the Bible, act pious, observe religious ceremony, go through the form of prayer, loudly proclaim a creed who never find the cure for their blindness—real and courageous faith in Jesus Christ and Lord. However, no one receives clear vision through faith except those who let God speak to them as they study the Bible, earnestly seek to be good "as God is good," gather with fellow Christians regularly to worship God, submit themselves to Him Humbly in prayer, and in courage proclaim their faith in word and work.

God is not Mocked—do not expect Him to bless us with life and light until, through faith in Jesus the Christ, we love Him with all heart, strength and mind, and until we have allowed Him to so live that we "love our neighbor as ourselves."

PHS Meets Palo Duro, in Amarillo

Harvesters Are Favored, But Rain May Act As 'Equalizer'

AMARILLO—As the Harvesters prepare to meet Palo Duro tonight at 7:30 in Dick Bivins Stadium, the threat of rain gives the Dons a chance of pulling an upset. Pampa had been heavily favored, but rain, the great equalizer of the gridiron, could take a hand to cut the Harvesters' advantage in tonight's contest.

In a punting duel, such as Pampa and Tascosa went through on a muddy field a few weeks ago, the records go out the window, and the winner is usually decided almost entirely on breaks.

Lee Eighth Loses To Dumas, 18-0

The Lee Junior, High eighth graders suffered their first defeat of the year Thursday afternoon at Harvester Park, as they lost to a powerful Dumas team, 18-0.

Dumas scored all its touchdowns in the first half. They went 25 yards in two plays for the first, at a receiver, a punt, and a sweep around end for 50 yards for the second. In the second quarter, they again went around end for a touchdown, this time for 50 yards.

Lee held Dumas scoreless in the second half, and Rebel Coach Bill Kennedy said that his team did a good defensive job in the second half. Kennedy said that Dumas' blocking and running was the best he had ever seen.

Dumas completely dominated play throughout the game, as they never allowed the Rebels to make a serious offensive threat. The Dumas defense was regarded by many of those who saw the game, as equal to or better than that of many high school teams.

Murtaugh Signs With Pittsburgh

PITTSBURGH (UPI) — Danny Murtaugh, who guided the Pittsburgh Pirates to a first division finish in two full seasons as manager, signed a 1960 contract today.

General Manager Joe L. Brown, who made it clear last week that the chipper Irishman would return next season, said the full coaching staff also would be retained.

Terms of Murtaugh's one-year contract were not disclosed.

Try This Plan For Taking Off Ugly Fat

Eddie Matthews, 2984 Goliard St., Beaumont, Texas, wrote as follows: "I have lost 18 pounds taking Barcentrate and will continue taking it for the tonic effect. I am subject to indigestion and I find that it is a big help to me. I am only 13 years old and Barcentrate isn't hard to take like some medicines."

Get Barcentrate at any Texas drugist. Money-back guarantee on first bottle.

The Harvesters and the Dons are about equal in weight, and Pampa has a big edge in experience. The Dons have a team heavily loaded with juniors and sophomores, while Pampa has six returning regulars.

The Harvesters have a better season record, having won two, lost three, and tied one against very tough opposition. Palo Duro has won one and lost six, against average opposition.

Palo Duro, however, has a good passing attack and a pretty fair defense. They are a hustling team, and they are not regarded lightly by the Harvesters. Pampa Coach Babe Curtman expects a tough game, rain or no rain.

The Harvesters are in their best physical shape of the year going into tonight's game. Defensive halfback Buddy Rawls, who has been out with a broken jaw, now has special protective equipment and will be able to play.

One thing that makes Pampa fans optimistic is the record of the two teams against one common opponent. Monterey had to score in the last 12 seconds to beat Pampa, 7-6, but the Plainsmen rolled over Palo Duro, 28-0.

Tascosa B Routs Shockers, 38-16

By RED GRIGGS
Daily News Sports Editor

Pampa's Shockers, with only four regular starters in their lineup, suffered their worst loss of the season Thursday night at Harvester Park. They lost to the Tascosa B team in their last home game, 38-16.

The entire Harvester backfield, plus a starting end, had been promoted to the varsity earlier in the week. In addition, a starting guard and tackle were out with illness, or slowed by illness.

Gerald Been gave a sparse, rain-soaked crowd a thrill on the first play of the game, when he returned the Raiders' opening kickoff 85 yards for a touchdown. He slipped through the Tascosa team at about his own 30, sped down the right sidelines, and went all the way.

aided by an excellent block through by Dennis Duncan at the Tascosa 30. Duncan passed to Corky Godfrey for the extra point, giving the Shockers an 8-0 lead.

However, the lead was short-lived as Tascosa B took the following kickoff and immediately marched 56 yards to score, in eight running plays. Nicky Leverett went two yards through the right side of the line for his first of four touchdowns. Deon Drown ran the conversion.

In the second period, Leverett twice returned punts for touchdowns. He took the first punt on the middle field, cut to the right sidelines, and went 50 yards behind good blocking. Tom Ward ran the conversion.

On the second return, he crossed over behind the original punt receiver for a handoff, then scampered 63 yards down the sidelines. Ward again ran the conversion, and the Raiders led 24-8 at half time.

In the third quarter, the Raiders drove 40 yards in nine plays to score. Leverett tallied from the 2-yard line, and the running conversion attempt was smeared.

Ward raced 49 yards through the left side of his line, on a quick opener, for the final Raider tally. Leverett ran the extra points, and the score was 38-8 at the end of the third quarter.

The Shockers threatened twice in the fourth quarter, and made good on one of the threats. Quarterback Eddie Berry passed 33 yards to end Mark Russell at the 1-yard line, to set up the tally; then Berry ran for both the touchdown and the conversion.

Pampa had driven to the 6-yard line earlier in the quarter, on a 14-yard run by John Arthur (Pampa's longest of the night from scrimmage) and a 24-yard pass from Berry to Gerald Been, who caught the ball on the six after it bounced off two Raiders. However, Tascosa's line threw the Shockers back to the 10.

Lee, Dumas Fight To Scoreless Tie

DUMAS — The Lee Junior High Rebels of Pampa, battled Dumas to a scoreless tie here Thursday afternoon, after getting off to a shaky start.

Lester Ramsey's Rebels now have a season record of 4-3-1. They close their schedule next Thursday at Perryton, against Perryton Junior High.

Dean Henderson twice saved the game for the Rebels, by catching Dumas ball carriers from behind deep in Pampa territory. Both times, the Dumas players had broken into the clear on punt returns.

On one return, Henderson caught the Dumas ball carrier at the Lee 20, in the second quarter. On the other, he tackled the ball carrier at the Lee eight, late in the fourth quarter. After the second save, Lee's line allowed only four more yards, to the 4-yard line, before holding for downs.

After the last Dumas threat, the Rebels began a drive of their own and marched to the Dumas 19. Then, on fourth down, they attempted a pass, and Dumas intercepted.

The Rebels penetrated the Dumas 20 one other time, when halfback Jack Criss broke through the line on a dive play and raced 45 yards from his own 35 to the Dumas 20. The Rebs also got inside the Dumas 25 a couple of other times.

Lee's best defensive play came in the first quarter. The Rebels lost the ball twice on fumbles, inside their own territory. However, the line held fast, and Dumas was unable to move into "danger" territory.

Ramsey complimented his team for their defensive play Thursday. "I thought they did very well," he said, "for a team which lost 36-0 the week before. They stayed low and hit hard on runs, and did pretty fair on pass protection."

Henderson and Howard Reed were a couple of the more outstanding defensive players. Reed, a defensive halfback, batted down two passes.

Fullback Gordon Balch and halfbacks Jack Criss and Dickie Hafley did some good running for the Rebels. However, Ramsey said that Lee didn't do much good blocking, and that the Rebels were unable to pass because of Dumas' fine pass defense.

3 District Championships At Stake in Tonite's Games

The District 2-A championship will be decided tonight (all but mathematically), and winners of two other games could very well emerge as titlists in their districts.

DISTRICT 1-B (six-man) (Conference)

| W | L | T | Pts. | Opp. |
|------------|---|---|------|------|
| Miami | 5 | 0 | 156 | 57 |
| Booker | 4 | 1 | 120 | 59 |
| Mobeetie | 2 | 4 | 93 | 137 |
| X-Channing | 0 | 6 | 50 | 147 |

The winner of the White Deer-McLean game at White Deer will be almost a shoo-in for the district title. Both have 3-0 loop records now. After McLean, White Deer has to play only Memphis and Panhandle. McLean must play Lefors and the Clarendon Bronchos.

Wheeler is at Groom tonight for a District 1-B game which could decide the district championship. Groom (the defending champ), Wheeler, and Claude are tied for the loop lead, with 2-0 records. However, Claude is not considered as strong as Wheeler and Groom.

In 1-B (six-man) Miami and Booker are battling right down to the wire. Miami, the area's only undefeated team, has a 5-0 district record, and Booker has a 4-1 loop record. The two squads meet tonight in Booker. If Miami wins, the Warriors repeat as district champs. If Booker wins, the race will end in a tie. Miami previously defeated Booker, in Miami, by 26-25.

The White Deer-McLean contest will be one of the top class A games in the state. White Deer is ranked among the state's top teams, after winning five of six, and outscoring their combined opposition, 198-47. The Bucks are defending state champions, and will be going after the blue chips again if they can get by McLean.

The Tigers have a 5-2 season record, having lost to Wellington and Groom. They have been a hot-and-cold team. Their offense is built around fullback Davy Crockett, an all-state candidate, and a number of light but hard-hitting linemen.

Tonight's game could turn into an individual duel between a pair of high-scoring fullbacks, Crockett and Jackie Burns. Both players have accounted for most of their teams' rushing yardage and scores.

Fernandez Picked To Defeat Ortega

NEW YORK (UPI) — Florentino Fernandez, Cuba's unbeaten welterweight slugger, is a lopsided 17-5 favorite to whip tough Gaspar Ortega of Mexico again tonight in their return fight at Madison Square Garden.

Rapidly increasing support for Fernandez may lengthen the price even more before the two welterweight contenders climb into the ring for their nationally televised and broadcast (NBC) 10-rounder. Although the bull-necked, bull-shouldered Cuban had to be content with a decision over rugged Ortega at Miami Beach, Sept. 11, he had Mexico's "Iron Indian" on the floor twice as he registered his 21st straight professional victory.

ing, and both are candidates for the all-district team, and possibly the all-state squad.

Burns moved to the fullback position recently. Dickie Hanna replaced him as quarterback, and has done an excellent job of guiding the Bucks' potent air attack.

In the most important District 5-AA game tonight, Perryton and Wellington will fight to keep the faint title hopes alive, at Wellington. Both have lost a game, while Quannah has a 2-0 district record. Perryton, the doormat of the district for six games, came to life last week and routed Childress 52-0.

Childress, which hosts Shamrock, will also be fighting for the district title. Both Childress and the Irish have lost one district contest.

Rounding out tonight's schedule in 1-B Claude will be at Follett and Darrouzett at Texline. In 1-B, the Miami-Booker game will finish the season. Channing dropped out of the district last week, and forfeited its remaining games.

Reapers Lose To Phillips In Last Game

PHILLIPS — The Pampa Junior High Reapers closed their season here Thursday afternoon with a good but losing effort against Phillips Junior High. Phillips won, 30-14.

After the game, Reaper Coach Carl Peeler commended his team for staying out and working hard under adverse conditions. (Pampa Junior High, with a small enrollment, has seldom had more than 10 men out, compared with 30 or more for other junior highs they played.) "I'm proud of your courage, spunk, and competitive spirit," he said.

Peeler said that, on the whole, the Reapers played a good defensive game Thursday. Steve Archibald, Sammy Whitley, Carl Neal, Randy Matson, and Jerry received special praise for their defensive efforts.

Phillips scored all its touchdowns on long sustained drives, making any yardage passing. It scored twice in the first quarter, once in the second, and once in the fourth. One of its touchdown drives started after Reaper fumble, another after a interception.

The Reapers scored twice, once in the second quarter, and once in the fourth quarter. Passing from fullback Matson to halfback Kenny Hebert set up one touchdown, and accounted for the other.

In the second quarter, Matson passed from his own 10 to Hebert, who flat, at the 25. Hebert picked up a couple of good blocks, and passed the rest of the way. The drive covered 90 yards, and Matson ran for the conversion.

In the fourth period, Matson passed to Hebert for a gain of 50 yards, to the Phillips 5-yard line. Matson on the next play, Matson ran for the Reapers' second touchdown.

Pampans Take 7 of 13 From Lefors, Hereford

By RABBIT RAMIREZ Daily News Staff Writer

Pampa boxers made their best showing of the year here Thursday, beating teams from Hereford and Lefors.

In the 11 of the 13 matches, the Pampa boxers were in there stinging leather from start to finish, much to the delight of a capacity crowd of 500 at Pampa Optimist Boys' Club.

Pampa had the best record of the three teams Thursday, winning seven and losing six. Hereford won six and lost seven, while Lefors won four and lost four.

There were no knockouts, but there were three technical knockouts, two by Hereford and the other by Lefors.

Pampa winners were Danny Boyd, Roland Ellis, John Mathis, Johnny Ironmonger, Wendell Ridgway, Dennis Combs, and James Snider.

In the top match of the night James Snider defeated Robert Welty, Hereford. Snider did a workman like job of outpointing the much taller Robert Welty. Both landed several good blows in the first round. In the second Snider outboxed him with several good left jabs to the head. In the final round both boys were fighting with all they had, with both fighting toe to toe. Welty was regional lightweight champ in 1958.

The Ironmonger-Ronnie Welty match was one of the best boxing exhibitions of the night.

Ironmonger, the smaller of the two, had the best of it almost all the way, and was battering Welty against the ropes in the final seconds of the fight.

For Ironmonger it was his 35th win in 58 fights, during the five years he's been fighting for Pampa.

Combs, a newcomer to the club, outboxed Frank Lopez, Hereford, for another close decision.

Mathis, a steady 110 pounder had to come from behind to also take a close decision over Sammy Marino, Hereford.

Wendell Ridgway, Pampa came through with his second straight win this year with an unanimous decision over James Coleman, Lefors. Ridgway's left jab kept Coleman from throwing any serious blows through the fight.

Corky Morse, Pampa, who only last week won by TKO, lost a unanimous decision to a much taller Johnny Welty, Hereford. Morse had the first round all the way but lost it on a technical foul after the bell had rung. Welty did most of the leading throughout the second round, with net-

ther boy throwing a good punch. Both boys in the third round, threw all they had. Morse got in the best blows in the final seconds of the round, but too late, as Welty had built up enough points to take the fight.

ALSTON INKS ONE-YEAR PACT WITH LA DODGERS

LOS ANGELES (UPI) — The Los Angeles Dodgers today left Manager Walt Alston nothing to worry about except another winning team in 1960 by reaching terms with him on a one-year contract for next season.

The announcement that Alston and the club's management had reached an agreement on next year's contract was made here Thursday by Vice President and General Manager E. J. (Buzze) Bavasi.

"Alston has accepted terms for a one-year contract," and he was awarded a nice raise," Bavasi said. "We usually wait until the major league meetings (in December) to sign our managers but we have a coaching situation this year and, of course, want Alston to sit in on the selection of a man to replace Charlie Dressen as coach."

From his home at Darrown, Ohio, Alston said he was "happy to be back" with the club he led to National League and World Series championship this season.

Although Bavasi would not reveal terms of Alston's contract, he was believed to be making around \$40,000 a year.

In signing for his seventh season with the Dodgers, Alston ranks as the dean of National

Why you need collision insurance:

1. Your modern car costs more to repair
Fancy fins and grillwork can turn even a small accident into an expensive repair job. Simply repairing a smashed rear end could easily cost you \$150... more than three yearly average premiums for Allstate collision insurance.
2. There may be no "other guy" to foot the bill
Your parked car may be damaged by a hit-and-run driver... and you'd be stuck with the repair bill. Or perhaps a blowout or a skid could wreck your car; no matter how carefully you drive.

- SIX WAYS BETTER
- 1. Saves you up to \$9.20 per tire
 - 2. Mileage... 25% to 35% more
 - 3. Gas Economy... 6 to 12 extra miles per tankful on turnpikes
 - 4. 20% More Stability... on turns and curves
 - 5. High-Speed Endurance... 3 times safer by test
 - 6. Skid and Traction... improved 5% to 10%

HEAT HATES TIRES! WEARS THEM OUT, BURNS THEM OUT, BLOWS THEM OUT

HOT COOL

Conventional Tire. Note the long sidewall. As car weight presses down, sidewall flexes more than 700 times per minute on turnpikes. Heat reaches above the deadly 240-degree danger point.

Safety Shape Tire. Note the lower, shorter sidewall. Flex is not as great. The works less. Runs cool... cool... cool. Note also lower center of gravity. This gives more stability. Tire never reaches 240-degree danger point.

THIS PRICE BREAK SAVES UP TO \$18.40 PER PAIR

Future Employment

One of the really big questions that our growing work force entails. Of course, the federal income tax is the biggest revenue producer for the government. But, as Magill points out, personal exemptions and tax rates are a little almost as severe as they were under wartime conditions.

Aid To Schools

The first government school law was passed in Massachusetts back in 1847. The general impact of that law was to create a collectivist concept respecting education.

BETTER JOBS

By R. C. HOILES

A Politician's Careless Statements On Labor Legislation

Congressman Emanuel Celler from Brooklyn, New York, has an article in "U. S. News, World Report" under the heading of "Labor Monopoly" — Fact or Fiction? An Argument Against Anti-trust Laws for Unions.

The whole gist of his argument is that workers should be exempt from the antitrust laws because labor is not a commodity. That is exactly the position that every Creamer-like Walter Reuther, Harry Bridges, Dave Beck and James Hoffa always takes. It is a careless use of the English language that leads people to believe something that is not true.

I wonder whether Congressman Celler would contend that the judgment and the decisions and the salesmanship of an executive should not be bought on a competitive basis because that is not a commodity? I have never heard anyone so contend. And if it should be bought on a competitive basis, then all the products of labor should be bought on a competitive basis and other products of labor are to be bought on a competitive basis, then we are to deny the Last Table of the Decalogue and the Declaration of Independence as a guide of the American way of life.

Labor unions violate the stealing commandment, because they require other workers to pay more for their product than they would be obliged to pay if what they produce were sold on a free and unhampered market.

Of course, Congressman Celler never explains how labor unions can arrive at a fair and just wage that will so retard production and get the voters so confused that they will want Congress to pass some form of legislation that will give the politicians the power to set wages and prices.

John W. Scoville answered that argument in an address before the Detroit Kiwanis Club in this manner: "Equality in what? In wealth? Must buyers and sellers have equal wealth? Am I oppressed when I buy a railroad ticket because I have less wealth than the railroad corporation? Am I oppressed when I buy a shirt in a department store because the owners of the store have more wealth than I have? Is it not true that practically every commercial transaction is between persons of unequal wealth? ... These people who talk about equality of bargaining power never explain what they are talking about. Justice Taft said: The strike became a lawful instrument in a lawful economic struggle." If there is a law which sanctions violence in an economic intervention into the field of education by government at all levels.

As with churches, government should play no part at all in the educational picture. And it matters not one whit whether the government intrusion in the field is conducted at national, state or community level.

What is so desperately needed is the general recognition of the fact that government and education should be permanently divorced. Then and only then will we be in position to truly develop our latent potential as a wise and productive people.

Fair Enough

Obediency To Palate Is Highly Unpalatable by WESTBROOK PEGLER

NEW YORK — My colleague, and should be disciplined by the will. It is ironic that the world's supply of food is so badly distributed that we in the United States are constantly fighting ourselves to curtail and control our intake of food and our weight while millions of people elsewhere, indeed some even in our own midst, go hungry even to starvation.

Imperceptibly snacking became a habit of our people, too, so that nowadays the so-called coffee-break is written into labor contracts and caterers in New York business firms at mid-morning and mid-afternoon to serve not only coffee but rich food likely to make fat, and probably just an indulgence in most cases.

Van Doren Only Side Issue In TV Quiz Show Scandals

By FRED DANZIG
United Press International

NEW YORK (UPI) — I hadn't gauged the impact of the TV quiz scandals until: President Eisenhower put the attorney general on the case. — A manufacturer issued "I rig you the 'most' buttons." — Walter Lippman turned his attention to it. (This, incidentally, in violation of our agreement. He wasn't going to write about TV if I stayed out of international affairs.)

So, before the fixed fifties turn into the sincere sixties, and congressional quiz-quashers resume their hearings, I thought I'd set down some thoughts on the scandals.

First off, regardless of what Charles Van Doren says or does, enough is known—and was known a year ago—to indicate that the TV quiz shows would have to be cleaned up or eliminated.

Van Doren is a side issue, while his fall from grace is taking

place, remember that he didn't corrupt Dan Enright. Contact with big-time TV corrupted Van Doren. And remember, too, that if a man like Van Doren can yield to the rationalizations that were showered upon him, who among us could have walked away?

Don't let clever public relations and TV comedians divert attention from the main issue: Big money and higher ratings. We all recall exultation over those lofty quiz show ratings and the world-wide publicity those shows received.

Can the people who helped create this mess get a grip on themselves, place principle over expediency, and demonstrate impeccable judgment in the future? Let's just say: They must.

Meanwhile, networks will be tightening control over all phases of programming for some time to come.

Now we come to the argument that "no laws were broken and nobody got hurt" by fixed quiz shows. Well, no laws were broken only because rigged TV shows are still too new. After all, we didn't get an Atomic Energy Act until we had atomic energy.

The Channel Swim: Naked City which failed to stick around as a half-hour series, is being expanded by ABC-TV into a hour-long series for possible network use early in 1960. Tab Hunter has signed on as a guest for Ethel

Today is Friday, Oct. 30, the 303rd day of the year, with 62 more days to follow in 1959.

The moon is approaching its new phase.

The morning star is Venus. The evening stars are Mercury, Jupiter and Saturn.

On this date in history: In 1751, John Adams, later our second president, was born.

In 1751, the Irish dramatist Richard Brinsley Sheridan was born.

In 1947, Henry Wadsworth Longfellow's poem "Evangeline" was published.

In 1929, heavy selling marked the first days transactions after the bottom fell out of the Stock Market.

In 1938, Orson Welles caused a national panic when he broadcast that New Jersey was being invaded by creatures from Mars.

In 1941, a German submarine sank the American destroyer "Reuben James" despite the fact
