Concert Season In Offing

Program Thursday Of International Songs And Ballads

Under sponsorship of the Community Concert Association, Frances Archer and Beverly Gile will bring their popular program of international songs and ballads here Thursday.

Adding a new dimension to the old and respected art of folk music, the pair are scheduled to appear at 8 p. m. in the Junior High school auditorium.

Any newcomer moving to Pampa after the concert drive ended may purchase a ticket by calling Mrs. Bob Curry, MO 4-7644, or Mrs. V. G. Waggoner, MO 4-8730.

The concert tickets also entitle the purchaser to attend concerts in Shamrock. These programs will be presented at 8:15 p. m. in Clark auditorium.

The Shamrock concerts include Oct. 12, Red, Camp jazz piano recitalist; Feb. 15, Cliff Wang pianist; March 7, In Operetta Time and March 28th, Zina Koleja Russian dance team.

Youth and glamour in la Archer and Gile is the new element which, combined with stylish musicianship and an unusual repertoire of folk ballads in 13 languages, has made this talented pair a refreshing addition to concert stages throughout the country.

In their first full season under Columbia Artists management, these troubadours rolled up the astonishing total of over seventy concerts throughout the United States. All indications are that their second season will be another musical bonanza for concert goers.

"They are comely, beautifully gowned and groomed young ladies who have a way with a song," said the New York Times after their Town Hall recital debut, in October 1955. "Their style, their rhythm, the very color of their voices change as they rove through assorted countries, centuries and languages. Their way is communicative, too, and personal."

New York critics again lauded them for their "way with a song" when Archer and Gile presented their second Town Hall recital in December 1957.

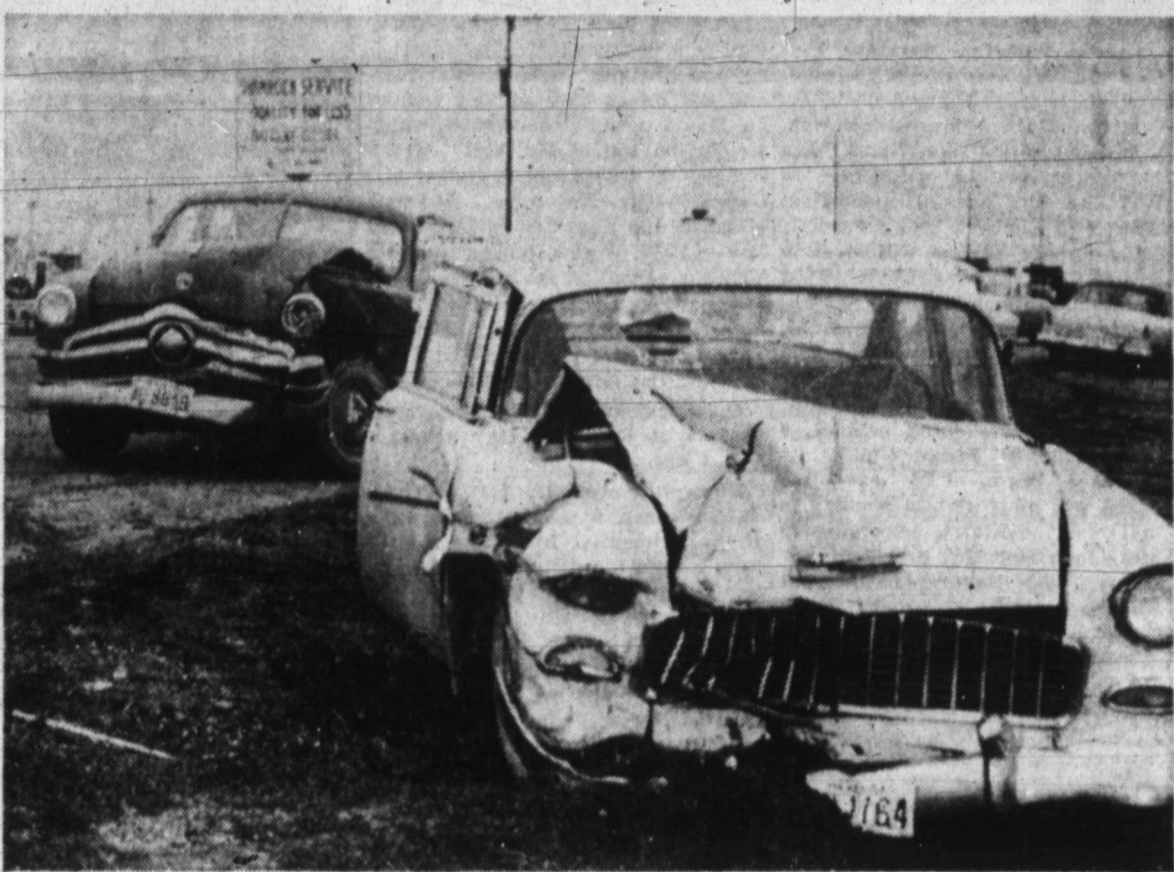

Toastmasters To Install Officers

Two district officers of Toastmasters International will be featured Tuesday night on the program of the Pampa Toastmasters Club.

The local club, which meets at 6:15 p. m. in the Pampa Hotel, will be observing ladies night and will install officers for the next six-month term.

The visiting Toastmaster officers will be Bill Denford, lieutenant-governor of Amarillo, and Ken Gordon of Lubbock, a Toastmaster district governor.

Entertainment will be furnished by the "Scale Scanners," a local barbershop quartet.

BATTERED REMAINS OF CRASH CARS

Damages were heavy to the front ends of two cars which hit Saturday afternoon near the western city limits. The three persons injured were hospitalized at Highland General Hospital. Two women, in the car at foreground, suffered cuts and bruises, while a Pampa youth,

Bobby Lee McCain, 16, was thrown from the Ford and suffered cuts about the head. The cars hit in front of the Shamrock service station when the McCain car attempted a left turn from the station-entrance.

UF Advance Gift Pledges Up 25 Per Cent Over Last Year

The end of the first week's drive for the Advance Gifts Division of the United Fund has yielded \$7,875, a 25 per cent increase over last year from the same contributors, it was announced Saturday by E. Roy Smith, advance gifts chairman.

Approximately 28 per cent of the cards in this group have been turned in, Smith said, and the drive is scheduled to be completed by October 9.

"The level of giving has proved very heartening," Smith stated, "but the captains and their workers still have a distance to go in getting their cards worked."

Captains in the Advance Gifts Division are Hershel Wilks, J. B. Massa, Lucian Young and Dr. Joe Donaldson.

Floyd Watson is general chairman of this year's United Fund campaign.

Nixon Plug By Bridges

By FRANK DONOGHUE
United Press International

CONCORD, N.H. (UPI)—Vice President Richard M. Nixon Saturday won ringing praise from U.S. Sen. Styles Bridges (R-N.H.) who previously had claimed neutrality in the expected Nixon-Roosevelt 1960 presidential contest.

Touring the state which has the nation's first presidential primary next March 8, Nixon heard Bridges' public tribute at the Everett-Hopkinton Flood Control Project dedication.

Together with President-Eisenhower, he (Nixon) has the greatest grasp of this country's problems and the challenges that face this nation, greater than any other man in the United States or the world," Bridges said.

Just one week ago, Bridges met New York Gov. Nelson A. Rockefeller and afterward insisted he still had not made up his mind whom to support for the Republican presidential nomination. Bridges is chairman of the powerful Senate Republican Policy Committee.

His glowing tribute Saturday was seen as an almost certain indication that he has decided to support Nixon.

Gov. Wesley Powell, who likewise claimed neutrality, expressed the hope Saturday that Nixon would return to New Hampshire "often," but confined most of his remarks to the 30 million-dollar flood control project and the persons associated with it.

New Steel Accord Try

By J. ROBERT SHUBERT
United Press International
PITTSBURGH (UPI)—Negotiators for the United Steelworkers and 12 major steel companies Saturday put the polishing touches on a contract proposal for settling the 81-day strike of 800,000 workers.

The proposal will be submitted to the union's 33-man executive board here at 2 p. m. (est.) Sunday and to the union's 171-member wage policy committee on Monday at 10 a. m.

The Wage Policy Committee has the power to accept or reject a new contract proposal. The settlement proposal, originally made Friday, was polished at a 90-minute joint session Saturday morning to meet union objections. Both sides then went into separate huddles.

Head-On Crash Injures Three, None Seriously

Three persons were injured, none seriously, in a two-car, head-on collision Saturday afternoon one-fourth mile west of Pampa on the Amarillo highway.

Injured were Bobby Lee McCain, 16, living at 817 Bradley Dr., and two young Amarillo women, Mona Lee Finsterwald and Patsey Ramsey, both 21.

The Pampa youth, son of Mr. and Mrs. Robert McCain, suffered cuts about the head and was treated and released at Highland General Hospital.

Most seriously hurt was Miss Ramsey who was badly cut about the face and arms. All three of the injured were taken by the Duenkell-Carmichael ambulance to Highland Hospital.

State Highway Patrolman Travis Underwood said the accident happened at 2:50 p. m. in front of the Shamrock Service Station just west of the city limits.

McCain attempted a left turn from the station driveway, Underwood said, and apparently did not see a 1955 Chevrolet driven by Miss Finsterwald which was headed east into Pampa.

The Amarillo woman said she hit her brakes and tried to swerve to the left but that the two cars met almost head-on in the center of the highway.

Young McCain was thrown from his 1950 Ford when the car was spun around in the collision. The Chevrolet nosed off the left side of the highway and came to rest in rain-softened earth about 10 feet off the road.

Damages were extensive to both cars.

Assumes Duties Monday

Coronado Inn Manager Has Solid Achievement Record

Stuart C. Kines will arrive here today to accept a position as general manager for Pampa's new Coronado Inn slated for opening around Jan. 1.

He will be in his office at a special desk in the Chamber of Commerce offices Monday morning where he will be making plans for the opening of the hotel. He will supervise the purchase of furnishings and equipment and procure and train help for its operation.

Kines recently resigned as manager of the Pontiac Hotel in Oswego, N.Y.

Prior to leaving Oswego, he and his family were honored by the many civic and church organizations in which they were active.

Kines is married to the former Beryl Brenneman and is the father of three daughters, Nancy G. Patricia T., and Susan J. Mrs. Kines has shared her husband's interest

Oklahoma Flood Damage Mounts 6,000 Homeless; River Levee Out

OKLAHOMA CITY, (UPI)—Heavy rains pounded Oklahoma for the third straight day Saturday and muddy flood waters drove an estimated 6,000 persons from their homes.

Four persons were dead, all from auto crashes caused by flooded highways.

State Civil Defense Director Brett said property damage had reached millions of dollars and may be the heaviest from a flood in state history.

Army helicopters were pressed into service at Ft. Sill to aid in rescue work, and a 19-member Red Cross team was flown in to set up disaster headquarters at Oklahoma City.

The Red Cross reported the Arkansas River levee broke at Bixby, Okla., a small city south of Tulsa, and it appeared that hundreds more would have to flee their homes.

Rainfall amounts of three to four inches were common over the state. Some areas received over a foot of rain in 72 hours.

Communication lines failed in many areas. It was impossible for disaster officials to get up-to-date information.

Bear Creek overflowed into the city of Pawnee in north central Oklahoma, isolating the town. Mrs. Olin Rogers, reporter for the Pawnee Chief, said water was 15 feet deep and over rooftops in parts of the city.

The Red Cross said 280 families were evacuated at Pawnee, city of 2,800. Bear Creek flowed into the municipal power plant and water wells, leaving the city with only a two-day water supply. Emergency power was brought in from an outside line.

A Red Cross spokesman said 1,961 families were forced to flee their homes in 11 counties in the northern part of the state. He estimated 6,000 persons were affected.

Brett said Civil Defense officials over the state had been unable to tally damages with any accuracy, but added, "We can be sure it's a multi-million dollar loss."

Most of the damage was being caused by flooding of smaller streams. Boomer Creek near Stillwater, a north central Oklahoma college city, surged from its banks and destroyed 40 homes, damaging hundreds more.

The Red Cross said 2,676 persons had to leave their homes at Stillwater, and another 500 at Guthrie, the old territorial capital 30 miles away. Flood waters were receding at both places at noon Saturday.

The Chikaskia River rose six feet above flood stage at Blackwell near the Kansas border and forced 100 families from their homes.

Ft. Sill, in southwestern Oklahoma, dispatched four heavy duty trucks to the flood area bearing 400 blankets and 200 cots. Additional shipments were being prepared.

The State Highway Department listed at least 30 main highways closed.

All three were hurt when Finkelstein's 1958 Oldsmobile and Stephen's Chrysler hit at 6:44 p. m. Thursday.

Two other area accidents Friday and Saturday did heavy damages to cars, but no persons were injured.

Friday night at 9:57 a 1957 Chevrolet driven by Floyd Matheny, 29, of 806 E. Brunon, struck two parked cars in the Moose Lodge parking lot on E. Brown. Matheny was tagged by officers for exceeding a safe speed.

Damages to his car totaled \$1,300, while damages to two other cars, owned by Hubert E. Johnson, 517 Doucette, and H. F. Walker, 859 S. Sumner, totaled about \$400.

Highway Patrolman investigated a two-car rear-end collision Saturday morning about 7 miles south of White Deer on Farm to Market Road 264.

Patrolman Travis Underwood said a 1957 Pontiac driven by Doyle Ray Watson, 23, 1607 Ripley, came up too fast behind a 1953 Ford driven by James S. Spoorer Jr., 27, of Panhandle. The two cars hit, with total damages resulting to the Ford and about \$300 damages resulting to the Pontiac. Neither driver was injured.

Threat Posed By Weather Over Texas

Cloudbursts that dumped as much as a foot of rain in the ranch country near San Angelo within the past five days sent streams flooding out of their banks Saturday, threatening residents at the city of Mertzon.

In Central Texas a tornado funnel frightened residents near San Marcos and violent winds and heavy rains raked the state for the fourth straight day, all the way from the Red River into South Texas. Rains of seven inches were measured near Wichita Falls.

The weather was blamed for the death of one man and at least five other persons were injured. Grain sorghum crops were threatened in the Texas Panhandle.

A helicopter was pressed into use to rescue a man, his wife and three children at Mertzon, 26 miles west of San Angelo.

Election of new officers and directors will feature a meeting of directors of the Pampa Chamber of Commerce and Board of City Development Monday noon at Poodle's Steak House.

At this regular directors meeting, committee reports will be heard.

The reports include complete details on an installation dinner Oct. 12 at St. Vincent de Paul cafeteria and the annual banquet Oct. 20 at Robert E. Lee Junior High School cafeteria.

Polio Shot Appeal In Light Bulb Sale

Evening Lions Club members will start their annual light bulb sale for Lions Crippled Children's Home in Kerrville on Monday night. It is scheduled to continue through Friday.

Members will go from door to door from 5 p. m. until 8 p. m. The bulbs will include 60, 75 and 100 watt bulbs with a reminder to get polio shots attached to each sack of bulbs.

Last year the club sent \$800 to the home and are hoping to beat that figure this year.

The club also sent a local girl, Betty Joe Pate, daughter of Mr. and Mrs. Joe Pate, 523 Red Deer, to a two-week camping session at the home.

Plans are to send one of two children to the camp each year.

Air Tour To Stop In Pampa

The All Texas Air Tour will stop in Pampa Monday at 3:30 p. m. for 45 minutes, according to Woodrow Adcock, chairman of the aviation committee of the Chamber of Commerce.

Pampans are invited to be at the airport and assist in welcoming the 75 planes of visitors expected.

The aviation committee of the chamber is arranging a program including ice cold Top O' Texas watermelons for the visitors.

Pampa became known as a watermelon stop several years ago. This year the melons are a little good in spite of the cool weather the last few days.

The tour started at Temple Saturday and will end at Galveston, Oct. 10. The group will come here from Childers and will move on to Dumas for an overnight stop. The group will spend the night in Pampa on the 1960 tour.

Chief Announces Police Promotions

Police Lt. Denny Roan has been promoted to captain, and Sgt. D. L. Day has been elevated to lieutenant. Police Chief Jim Corner announced Saturday. Both promotions became effective Thursday.

Promotions for Roan and Day give the city's police department five commanding officers: Chief Jim Corner, Asst. Chief J. O. Dumas, Capt. Roan, and Lieutenants A. B. Turner and Day.

INTERNATIONAL SONGS

Presenting international songs and ballads, Frances Archer, left, and Beverly Gile will appear here Thursday under the sponsorship of Community Concert Association. Blond Miss Archer from Texas and redhead Beverly Gile from California make an outstanding team.

MANAGER

(Continued from page 1) Pacific Theatre where he participated in the Guadalupe, Guama and Okinawa campaigns.

Before going to Oswego, Kines managed the Allenberry Inn at Bolling Springs, Pa.; served as executive assistant manager at the Harrisburger Hotel, Harrisburg, Pa., and managed the Hotel Borger, Borger. He went to Oswego from Borger in 1953.

While in Oswego, Kines was active in community affairs. He served as director and president of the YMCA, a director of the Chamber of Commerce, director and president of Oswego Country Club, treasurer and vice president of the Oswego Rotary Club, president of the Council of Agencies of the Oswego Community Chest.

In Oswego, N.Y., Kines was a member of the First Methodist Church and served on the Official Board for several years and was president of the Board of Trustees. He has been president of the Church Men's Club and has headed many boards and committees of the church.

An avid sports follower, Kines headed the Oswego, N.Y., Invitational Basketball Tournament since its inception, was chairman of the testimonial banquet rendered to Oswego's outstanding High School and College basketball teams. He was also instrumental in procuring Nellie Fox, a boyhood friend and speaker at a YMCA Sport's banquet. In recognition of his interest he was often hostmaster at sport's banquets in Oswego.

In his position here, Kines will take over the general management of the new Coronado Inn, presently under construction. A two-million dollar Motor Hotel, it will be opened around the first of the year. It is completely air-conditioned, and comprises more than 100 guest rooms, a coffee shop, dining room, cocktail lounge, private club, and a spacious ballroom for large functions including auto shows. Constructed on a 10-acre plot, it will have a large swimming pool and all the latest conveniences for its guests.

The Coronado Inn will be under the direction of the American Hotels Corp. which presently hold the management contract of the Hotel Pontiac, Oswego, N.Y.

Boy Scout Troop Will Re-Charter
Troop 120 Boy Scouts, sponsored by the Methodist Men of St. Paul Methodist Church, will re-charter. The re-charter is slated for 7 p.m. Monday in fellowship hall at the church.

All boys interested in becoming Scouts are asked to be present with a parent if possible.

YOU... and YOUR HOME

BED AND BOARD

We've discovered that practically all girls between the ages of eight and eighty love a picture-pretty bedroom. And that's not all. They want this room (at least most do) to be as practical as a savings account. That is not such an unreasonable order when you analyze it. The "picture-pretty" part of the plan is a matter of color selection and blending; of window treatments; and all the little innovations that decorate your room and make it an expression of you. The "practical" side is concerned primarily with designing a room that gives you the ultimate comfort in a given space — and keeps upkeep labor to a minimum. The headboard goes with this "picture-pretty and practical" bedroom scheme as naturally as a chicken with an egg. In the bedroom sketched, the headboard flanked by the desk and commode provides ample space for books, telephone, radio, lamps, and all the comfort counter-

ments the sleeper requires. The rich, burnished tones of the hand-rubbed wood is complemented by the soft blue wall color. Small print (predominately blue) of draperies and dust ruffle introduces just the right amount of movement to enliven the room without making it busy. If you are looking for ideas and inspirations that will help you develop a "picture pretty and practical" bedroom at little cost, come in and consult with one of our trained decorators. No appointment is necessary. Make it whenever you can.

Lovett Memorial Library Has Children's Collection

By NANCY MOORE
Daily News Staff Writer

Each child is an individual in his or her choice of almost everything, and this holds doubly true in the choice of reading material.

With a special space reserved for the little ones, the rapidly growing Lovett Memorial Library provides Pampa children with an excellent chance to get acquainted with the world of the printed page.

The first introduction of a child to the library leaves a lasting impression. Of course, a child's first thoughts upon seeing the library is the size of it. Naturally he or she is impressed by the magnificent building which houses the new world of the printed page.

As a child walks in the public library, he, as well as the adult who has been kind enough to introduce him to this new world, is unable to get over the large number of volumes neatly, orderly placed on shelves for everyone's convenience.

It is a pleasure for all Pampans to note that the library is well equipped with the latest reference books and subscribes to some 100 leading magazines.

A child finds all the help he or she could possibly need provided by two charming young women who are constantly striving to keep

the children's department interesting and up-to-date.

These young women are new members of the staff. They are Miss Helen Gould and Miss Lynn Tatum. Miss Gould is the junior librarian. She received her Master of Library Science at Texas Woman's University at Denton in June.

Miss Tatum attended Texas Tech. Along with her many other talents, Miss Tatum is very artistic and is providing the children's department with many decorations which appeal to the vivid imaginations of children.

The two girls make a great team. Along with their work in getting the books ordered and ready to go on the shelves, they have made the children's department a bright and cheerful place.

Mrs. Lillian Snow serves as head librarian with Mrs. W. E. Speed and Mrs. J. G. Crinklaw both in the circulation department. All of these women make a special effort to help children, as well as adults, feel at home in the library.

With very capable people to help a child in selection of books and with pleasant surroundings, a child soon feels the library is an excellent place to spend an afternoon.

Pre-registration has begun for the pre-school story hour and will continue throughout October. This

story hour will begin during the week of Nov. 1-7 as one of the special activities of the library for Book Week and will then be held on mornings a week throughout the winter.

The story hour is a treat for all children.

Of course the library is provided for everyone. On Oct. 17 District I of the Teenage Library Association will meet at the Robert E. Lee Junior High. Following their meeting Lovett Memorial Library will hold an open house and Coke party for the group.

With the beginning of school, many groups have been getting acquainted or re-acquainted with the library. The fifth grades from Travis Elementary School and a Cub Scout group have been in for a tour of the library and to receive library cards.

In the last year approximately 1,000 new books have been added to the junior departments.

DEATH PENALTY REVIVED

COLOMBO, Ceylon (UPI)—The government decided Friday to revive the death penalty for murder following the assassination of Prime Minister Solomon W. R. D. Bandaranatke last Friday. Capital punishment was suspended here in 1957 when Bandaranatke came to power.

Taylor Awarded 'C' Certificate

State health authorities have awarded M. E. Taylor of Pampa a Grade C "certificate of competency" in recognition of his skill and knowledge of water plant operation.

The certificate was awarded under Texas' general sanitation law that water plants furnishing the public must be under the supervision of an operator who has proven his talent for the job in a written examination and has been certified by the Texas State Department of Health.

Taylor's newly won certificate will be valid for three years. After

meeting certain requirements of experience and training, he will be eligible to try for higher certification.

The examination for Grade C certification covers fundamental knowledge in quality requirements for a public water supply, interpretation of bacteriological analysis, selection of pumps, well or surface supply sanitation, distribution system sanitation and procedures involved in pipe laying and maintenance.

Grade C certification requires a minimum of one year of experience plus 40 "credits" earned by attendance at annual district and state water works short schools sponsored by the Texas State Department of Health, the engineering extension service of Texas A. and M. College, and the Texas

Free Swim For Instructors

There will be a free swim at YWCA in Amarillo for Pampa water safety instructors and senior life savers, Mrs. D. J. George, water safety instructor for Pampa Chapter of American Red Cross, announced today.

To be held the third Thursday in each month, the free swim hours will be from 6 p.m. until 8:30 p.m. Miss Marilyn William is in charge of the swim program at the Amarillo YWCA.

The Pampa chapter feels that Water and Sewage Works Association.

since Pampa has no indoor swimming pool, this will be of exceptional value to instructors and those interested in becoming instructors.

Additional information can be obtained by telephoning Mrs. George, MO 4-4345.

JIMMY J. ESTES
... completes training

Finishes Course

KEY WEST, Fla. — Graduated from a 24-week course in basic seamanship Sept. 18 at the Fleet Sonar School here was Jimmy J. Estes, sonarman, son of Mr. and Mrs. C. M. Estes of White Deer.

Before entering the Navy, Estes attended White Deer High School.

Trains In Kan.

FORT RILEY, Kan. — Army Pvt. Henry H. Mitchell, son of Mr. and Mrs. Charles H. Mitchell of Panhandle, is receiving eight weeks of advanced individual training at Fort Riley, Kan. The training is scheduled to terminate Oct. 31.

Mitchell entered the Army last June and was last stationed at Fort Carson, Colo.

The 19-year-old soldier is a 1956 graduate of Panhandle High School.

School Opens

Department of the Army has released the following list of schools currently available to High School graduates desiring to enlist in the Women's Army Corps for technical training:

Dental Laboratory Procedures; Operating Room Procedures; Neuropsychiatric Procedures; Clinical Psychology Procedures; Dental Assistant; X-Ray Procedures; Cryptography; Stenography; Finance Procedures; and Clerical Procedures and Typing.

Prerequisites for qualifying a young lady's assignment to one of these schools include a series of aptitude tests administered by the local Army Recruiting Main Station before her enlistment.

After scoring the tests, the applicant's name is submitted to Department of the Army, and authority is granted to enlist her. She is guaranteed assignment to the technical school of her choice upon completion of basic military training.

Young women interested in qualifying for technical training and enlistment in the Women's Army Corps may contact Sergeant First Class John Dills, local Army Counselor, 112 E. Foster St., or phone MOhawk 5-2022.

Space Agency Has Nuclear Contract

WASHINGTON (UPI) — The Federal Space Agency said today it is negotiating the first contract of its kind for research vital to development of nuclear rockets for spacecraft.

An official of the National Aeronautics and Space Administration, called the research project "simply one step toward trying to find out if a nuclear rocket system is actually feasible." He said that "at this point we just don't know."

The contract, which will run more than three years and cost about a million dollars, is for basic research to find out how rocket materials stand up under the combined effect of intense radiation and extreme cold. Preliminary work will be done at the Dawsonville, Ga., plant of Lockheed Aircraft Corp.

McKee Enlists

Billy don McKee, 2203 Mary Ellen, son of Mr. and Mrs. Clyde Wilford McKee, 218 N. Meredith, Dumas, has enlisted in the United States Army. It was announced by Sergeant First Class John C. Dills, army recruiter for Pampa area.

Billy enlisted in the United States Army unassigned and will be assigned to a job or school for which he is best qualified according to the results of his aptitude tests which he will take at the reception center.

Billy will report to Fort Ord, Calif., where he will undergo eight weeks of basic combat training.

Persons interested in a CHOICE not CHANCE enlistment in the U.S. Army are asked to contact SFC Dills, 112 E. Foster or call him COLLECT at MOhawk 5-2022.

EDDY CULBERSTON
... gets award

Combat Training

CAMP PENDLETON, Calif. — Marine Pvt. James D. Haymes, 1148 Neel Rd., is scheduled to finish four weeks of individual combat training Oct. 17 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons. Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Recent Graduate

SHEPPARD AFB — Airman Dale E. Largent, son of Mr. and Mrs. J. C. Largent, 408 East Louisiana, was recently graduated from the aircraft mechanic reciprocating engine course at the 3750th Technical School, USAF, at Sheppard Air Force Base.

Airman Largent was graduated from Pampa High School in 1956. He also attended West Texas State College in Canyon. A former rodeo clown and rider, Largent was employed at the Cresco Ranch in Kim, Colo., prior to entering military service.

Airman Largent's wife is the former Miss Shirley Dee Stewart of Crosbyton.

Chosen Honorman

Seaman Edward (Skipper) Culberston Jr. was recently chosen Honorman of his company stationed at Treasure Island, Calif.

Seaman Culberston, son of Mr. and Mrs. E. M. Culberston, 828 Malone, was selected by his shipmates on the basis of his demonstrated attention to duty, military conduct, responsiveness to orders, cooperation and comradeship.

Culberston is now stationed at Treasure Island where he will attend electronics school. His wife, Mrs. E. Culberston, resides at Rt. 1, Pampa.

Gomer Assigned

CAMP PHANFORD, Wash. — Army Specialist Four John A. Gomer, son of Mrs. Tossie L. Gomer, 510 N. Starkweather, was assigned to the 52nd Artillery at Camp Hanford, Wash., Sept. 21.

Specialist Gomer, a radar mechanic in the artillery's Headquarters Battery, entered the Army in March 1958.

The 29-year-old soldier attended Lefors Public High School. His wife, Billie, lives in Richland, Wash.

Fortune Doesn't Impress Actress

"HOLLYWOOD" (UPI) — By RICK DU BROW
UPI Hollywood Correspondent

HOLLYWOOD (UPI) — Lance Reventlow's 25 million dollars seem to fascinate everyone in Filmland except the girl who is going to marry him, teenage actress Jill St. John.

"After all, my family's not exactly eating at a mission," explained the red-haired, 19-year-old actress, who is engaged to marry Reventlow, 22-year-old son of dime store heiress Barbara Hutton, next spring.

"I've always been fortunate in having everything I want, including money. Lance and I live near each other and moved in the same 100 million dollars.

Miss St. John, currently appearing in the film "Holiday for Lovers," started acting on radio when she was five years old.

She did more than 1,000 shows and earned a small fortune, most of which, by court decree, went into government bonds — uncashable until she is 21.

"I don't really know Lance's financial structure—I never asked," said Miss St. John, who has a genius-level I.Q. of 162.

"But he can't have all that he's supposed to have. There's no evidence of it."

Reventlow inherited 25 million dollars on his 21st birthday. He is some day expected to fall heir to a fortune, estimated at from 50 to 100 million dollars.

But Miss St. John, who was displaced from businessman Nell Du-

bin when she was 18, related an incident to show how unconcerned she and Reventlow are about financial matters:

"One day we were watching television, and Lance remarked: 'Let's watch "How To Marry A Millionaire." Maybe you'll get some pointers.'

"That shows so much how things are. We're just in love. It's the only thing that counts."

Doesn't Like Reminders
Miss St. John said her only problem comes from people who keep reminding her that she will soon be a member of one of America's richest families.

"Not long ago," she said, "I went to buy a dress for between \$100 and \$200—but the saleswoman brought out dresses for \$600 and \$1,000."

"Then, when my package was delivered, there were also included two dresses that I didn't order. It could have been a mistake, but both were exactly my size — size eight."

Another time, Miss St. John related, a woman in Minneapolis

ran up to her and asked her if Reventlow had given her a 100-carat ring and let everyone stare and be disappointed.

"That did it!" Miss St. John said. "I figured that whatever I got, someone was going to say it was more. I don't like diamonds."

"TOO FAR, TOO FAST"

PITTSBURGH (UPI) — The Pittsburgh Post-Gazette said in an editorial today that the steel industry has "attempted to move too far and too fast at one time" in the steel strike. "Could it really hope to recover at one sitting so much that has been bargained away over the course of the last 18 years?" the editorial asked.

There's nothing like a new car—and no new car like Chevrolet. This is the elegant Impala 8-Door Sport Coupe.

SEE IT NOW AND SEE ALL THESE

new and different things IN THE 1960 Chevy!

completely **!!NEW!!** completely **FRESH STYLE**

One look tells you this new Chevy's a beautiful eye-ful—from the new full-width grille to the "V" of its unique rear deck.

!new! easy loading **luggage compartment**

New convenience has been built into Chevy's extra-roomy luggage compartment by lowering the loading height. You'll find space enough for a vacation-size luggage load under that sleek rear deck.

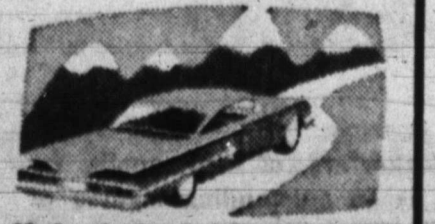

NEW spaciousness inside

Inside the Body by Fisher you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER !!new!!! VS POWER

Under the hood thrift is accentuated in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its strapping teammate—Chevy's Hi-Thrift—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

!NEW! refinements **for the driver**

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system.

FAMILY INDOOR FUN

Now that winter seems to have made an early arrival here, Pampanos are solving the problem with family indoor fun. The Robins family seems to have the situation well in hand. Mr. and Mrs. Wil-

lard Robins are busily fitting the pieces of a puzzle together, while their son Steve, left, works on making a marsh-mellow igloo. Steve's twin brother, Mike is constructing a log house.

Indoor Fun Solves Winter Problem

By NANCY MOORE
Daily News Staff Writer

It's a wonderful world! Even though Mr. Sunshine seems to have hidden himself behind a cloud, leaving Pampa cold, damp and dreary — and, naturally, with a plentiful supply of economically valuable rain.

Although the calendar tells us it is officially fall, the thermometer is saying "winter." Of course, this leads Pampanos to one conclusion — it's time for indoor fun.

Pampanos have arrived at many adroit and unusual ways to solve the age old problem of what to do now that picnics (with all those clever little ants who never seem to tire of these outings), family swimming sessions (with junior always displaying his swimming abilities in a way that keeps Mom and Dad holding their breaths) and out-of-door bar-b-qs are things of the past.

Not that summer isn't a wonderful time of the year — it is. But let's not sell fall and winter short. There's plenty of fun in indoor activities.

Downtown stores are filled with toys and games that just "fill the bill." Of course, you don't have to spend a lot of money to enjoy indoor fun, for books are filled with clever ideas for indoor fun.

In fact, most of the enjoyment of indoor fun is just working together. When the rain is pouring outside and the lightning is illuminating the sky with thunder making an angry noise, it is so nice to go home, curl up by the fire and forget the storm. This is not so easy to do.

But with a book, that definitely appeals to you, a puzzle, which always takes a great deal of concentration, or a family project, such as moldings or paintings — soon the rain storm is forgotten.

With clever games or family projects, adults seem to forget the many worries of the day and the children calm down and, of course, the family becomes so much closer.

Indoor family fun is needed to lead us up the sunshiny road of self-confidence.

In fact, the cool breezes (sometimes, too cool) of winter bring a family together and gives them an excellent opportunity to better understand each other.

Painting has proved for Pampanos to be an excellent way to have family indoor fun. It also is a rewarding past time and final results are often worthy of a space on the wall and sometimes even a special frame for that very special effort.

Painting is a pastime for both adults and children. Of course, it may sound a little messy, but today almost all of the paints used are washable. It doesn't take long to drag out the card table and set up the studio. You really don't need a card table for the old, or new as it may be, faithful dining room table will serve the purpose adequately.

Children find paints an endless source of enjoyment. Introducing them to paints at an early age is an excellent way to give them an outlet for their artistic abilities — who knows you may have a Rembrandt in your home. But even if a child isn't Rembrandt, remember every child is an artist and deserves a chance to use his vivid imagination.

Given a chance, children often amaze adults with their unique and interesting interpretations of art, not only in painting but also in clay, modeling or building, anything that gives a child the chance to use his own mind and create for himself.

The old faithful puzzle is always an excellent source of entertainment for the whole family. As the tiny pieces start to fit in place and a picture takes form, the whole family feels a sense of accomplishment. It is so much fun to fit the seemingly endless pieces together.

Naturally the do-it-yourself technique is always the most rewarding. Old pieces of paper, buttons, string and boxes can be used in numerous ways to form creative and unusual objects. It's not

expensive to have indoor fun, but it is so rewarding.

Drawing silhouettes is another fascinating way to spend the cold winter nights.

Of course, all these ideas can be used to keep children happy on rainy days when Dad is at work and Mom has the endless household "chores" to complete.

One clever way of having fun on rainy or cold days is making animal toys which have always been favorites with the children. By following the designs and instructions shown in numerous books, unusual animals can be made with the minimum of effort.

Because we are all children at heart, family indoor fun can and does appeal to young and old alike.

It is a wonderful world! Summer, winter, spring or fall, there is always so much to do. Indoor family fun can be fun, can be rewarding and can be an endless source of satisfaction. — Just look around you. There is so much to do and so much happiness in the simple but ever so meaningful everyday things of life.

It is a wonderful world!

A Message from Your Neighborhood Pharmacy

OCT. 4th to 10th IS NATIONAL PHARMACY WEEK

It is our yearly reminder that the practice of pharmacy is important to the health of the public. Each year during National Pharmacy Week, we rededicate ourselves once again to the Code of Ethics of Pharmacy, which directs us to remember that, "The Pharmacist Holds The Health And Safety Of His Patrons To Be Of First Consideration."

EVERY PHARMACY IS A HEALTH STATION
In our prescription department are thousands of different medicines. Each one is classified so that it can be located in seconds. All of them are properly stored and dated so that we can be certain they are potent when dispensed.

WHEN SICKNESS THREATENS, PHARMACISTS HELP. Unlike the ancient days when the physician had to choose a medicine from the few he carried in his bag or office, modern Doctors can now write for the one specific medicine they believe will help their patients most.

PLEASE INSPECT OUR PRESCRIPTION DEPARTMENT. During national Pharmacy Week we would be delighted to have you visit it and see how many different medicines we carry. You can observe how prescriptions are compounded, checked for accuracy and permanently filed for future reference.

Local Artists Show Paintings At Fair

Seven local artists exhibited paintings in the Tri-State Fair in Amarillo the past week. They are Mrs. Tom (Ethel) Eller, Mrs. Howard (Lorena) Johnson, Mrs. A. L. (Ruth) Smalley Jr., and Misses Ruth and Helene Huff, all of Pampa; and Mrs. Tom (Eleanor) Anderwald of White Deer and Mrs. M. G. (Alva) Satterwhite of Letoria.

The seven artists have studied with Dord Fitz from three to six years. All have exhibited for a number of years at the Tri-State Fair and at the Burr Gallery in New York City for the past three years. They have received recognition at various Texas and Oklahoma exhibitions and have received excellent critics' reviews in national magazines. Many are professional artists and have sold paintings during the past several years.

Paintings submitted for the fair exhibition are judged by a jury, which selects only the best paintings of professional and amateur artists for hanging. Artists from the entire states of Texas, New Mexico and Oklahoma are represented at the Tri-State Fair.

The recent exhibition was called a tremendous success and drew the largest crowds to date. Mrs. Johnson and Mrs. Smalley attended a Tri-State Fair Art Department committee meeting this week in Amarillo. "Committees are functioning," Mrs. Johnson said. "Plans are already under way for next year's art exhibition."

Purchase awards for the paintings will be an outstanding feature of next year's fair, Mrs. Johnson reported. Rather than giving ribbons for paintings as has been done in the past, the purchase awards will encourage painters to do their best work for the fair exhibition.

Area classes of Dord Fitz in Pampa, Amarillo, Spearman, Dumas, Higgins and Borger have bought one painting from the exhibition this year. Others have been purchased by individuals.

Fitz has been superintendent of the Art Exhibition of the Tri-State Fair for two years. He has done much to raise the standard of paintings which are hung. He travels throughout the three states to discover the best paintings in the area for the show.

Before coming to the Panhandle in 1951, Dord Fitz was a professor in charge of art education at the University of Kentucky. When his oldest son was ill with polio, a move to a high, dry climate was indicated. Fitz, his wife, Agnes, and their three children moved to their Oklahoma ranch, near Higgins.

Soon afterward, Fitz started teaching art classes in Texas and Oklahoma. In 1956, he opened his Art Gallery in Amarillo, Tex., whose paintings have hung in New York City, Chicago and throughout the Southwest, was an Oklahoma farmboy. He attended Northwestern State College, then transferred to Eastern State College in Richmond, Kentucky, where he received his degree in 1937. He attended the Chicago Art Institute before accepting a position as teacher of advanced painting classes at Eastern State College. During the summers, he attended the University of Iowa and received his masters degree in art.

in 1943. After serving in the U.S. Army, he became an art professor at the University of Kentucky. Although he has been offered outstanding positions in various universities and as director of art galleries, he prefers to remain in the Panhandle, constantly working to bring about an art movement in the Southwest.

Christian Science Services Today

The divine source of all true power will be emphasized at Christian Science services today.

Scriptural readings in the Lesson — Sermon entitled "Unreality" will include this verse from Psalms (62:11): "God hath spoken once; twice have I heard this; that power belongeth unto God." Correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (228:25 - 27): "There is no power apart from God. Omnipotence has all power, and to acknowledge any other power is to dishonor God."

The Golden Text is from Matthew (7:19): "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."

First Church of Christ, Scientist, Pampa, welcomes you to its services and the Christian Science Reading Room located in the church building at 901 N. Frost, where further information about Christian Science may be obtained.

Staff Aides Have Coffee

Miss Ruth Huff was hostess to a fall coffee for Staff Aide of Pampa Chapter of American Red Cross in the Red Cross office.

The Staff Aide is a branch of the service group and work in the Red Cross office typing, filing, on home service cases and sending communications.

Each of the women has selected one or more days per month to assist Mrs. Libby Shotwell, executive secretary of Pampa Chapter, on a voluntary basis.

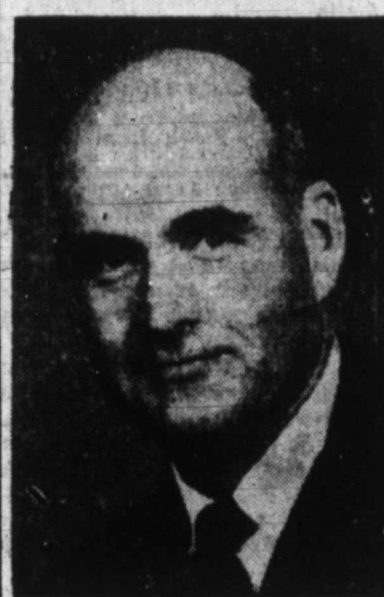

The Staff Aide uniform is blue with a yellow epaulet on the shoulder.

Attending the coffee were Miss Ruth Huff, Mrs. W. Campaigne, Mrs. W. L. Gregory, Mrs. Doyle Osborne, Mrs. W. B. Nellis, Mrs. Estelle Purvis and Mrs. K. A. Sorenson.

BEATNIKS

Mamie Van Doren is intimidated into aiding detective Steve Cochran in tracking down a criminal who has been preying on lonely young housewives in "The Beat Generation." Laid against a background of today's controversial "beatniks," the new MGM release co-stars Ray Danton, Fay Spain, Maggie Hayes, Jackie Coogan and Louis Armstrong, with guest stars Cathy Crosby, Ray Anthony and Dick Contino.

CHICAGO, ILLINOIS — Oh, drat. Due to a combination of circumstances (no time nor tickets) we got our World Series intelligence from various citizens around and about Midway Airport here in this feverish baseball boom-city.

There wuz the wrinkled portable hidden under the seat of his hack; there wuz the sleepy-eyed and bleached-blond waitress in Moe's delicatessen around the corner; and then there wuz the ranky old lady with a high-all glass clutched in her little not hand, who kept insisting she wanted to listen to the big Chi Cha-Cha Band, and of no silly ball game.

Although the real thing was transpiring just a few miles away, we found the radio version of the series mighty informative. The announcers, as you may have noticed, have to tread water between plays, so they fill in with little tidbits of information about the players. The up, in fact, runneth over.

The broadcast we so sportily heard featured that famend announcing team, Skippy Bruckbe and Wozy D'Artagnan.

Here's the way the two happy Hungarians blew the breeze between beer commercials.

THE CRANKY OLD LADY...

How About That, Ball Fans!

SKIPPY: Howdy, ball fans. Welcome to the second game of the World Series. Now here's my partner to announce a new record set here today.

WOZY: Thank you, Skippy, and Howdy Ball Fans. Well they're 51,753 fans here today in Comiskey Park for this game, and that's a new record. It's the first time there's been 51,753 fans here in Comiskey Park on an Oct. 2 for the second game of a World Series. Forty years ago when the Black Sox was up to their monkey-shins, there were 51,873 for the second game, counting the fans on the tenement house rooftops over yonder here, but that ain't 51,753, is it, Ball Fans. No sir. Now back to Skippy.

SKIPPY: How about that, fans? A new record. Well, while Wozy was giving you that report, the game got under way and the Dodgers are leading here in the sixth inning, 1-0.

DEM DODGERS ARE UP, now, and the hitter is Chug Pitts, the shortstop. Chug popped out his last time up, fans, and he's having a little slump right now. Hasn't had a hit in the last 47 times up, but he loves the game. How about that.

WOZY: Thanks, Skip, and Howdy, Ball Fans. Now back to Skippy.

SKIPPY: Well, Ball Fans, that brings up Melst Mouth Mulligan, the pitcher who swears in his autographed King Farouk sweat-shirt he never so much as threw one "spitter" in his whole suspension-filled career. Mulligan's only hitting .089 for the year, but he's dangerous at the plate. Slings his bat and hits a old ladies in the third base boxes.

Over the season, Mulligan was a tiger on defense. He won three and lost 18, but his fielding average was top-notch. He has 32 assists and three putouts in 29 games, fielded 16 bunts, made five wild pitches and stole third base against the last July 27th, which was his 28th birthday. How about that you Has-Been Ball Fans up there in foamy old Milwaukee. For his birthday, Mulligan got a pen and pencil set, life-time subscription to Mad Magazine, a handsome tin, some blue-blades in the handy dispenser, and a ticket for speeding on the LA freeway, on the way home to blow out his 43 candles.

WELL BALL FANS, while I was giving you that rundown on Mulligan, he fanned, and the batter is now Tab Culppeper, the second-sacker.

Tab is 6-2, weighs 119 pounds with his spikes on, is 28-and-a-half married to the former Ima Sack-haid, of Junior, Miss., and she's 36-2-36. Tab's hobby is making crazy lampshades out of over-wrought iron, and he just doubled to left center to break up the game. Doggone dem Dodgers are darn hot.

Fall fans, stay tuned to this station for the Series Score-board, and we'll give you the outcome of this exciting clash and the rules for our new Why-Id-Like-To-Go-To-Spring-Training-With-The-Washington-Senators Contest.

Thass the way the game sounded to us. Ok bartender, 'nother Cuba Libre, heavy on the coke, and we'll catch that plane for Columbus, Ohio. After all, it ain't every day we get to Best Man it up for a brother's Big Merger. Putter Powell's been after us to learn more about this marriage kick, anyway.

Huh, me buddy! I'm in fine flying shape. Les go.

Texas Rips California, 33-0; Soph Collins Stars in Romp

By LLOYD LARABEE
United Press International
AUSTIN, Tex. (UPI)—A fleet of breakaway artists led by sophomore flash Jack Collins powered Texas Saturday to a smashing 33-0 victory over California as the Longhorns remained one of the nation's few major unscathed-upon teams.

Before a sparse crowd of 20,000 fans in Memorial Stadium and a nation-wide television audience, Collins unseated a fancy 44-yard touchdown run and got away booming 33 and 32-yard quick kicks that kept California off balance in the first period. The 42-yard punt was the longest in University of Texas history.

Coach Darrell Royal's Longhorns scored in every period in

clash marked by heavy rains in the first quarter when Texas tallied twice although it possessed the ball for only nine offensive plays.

Ramirez Scores
The touchdown parade opened early in the first period when halfback Rene Ramirez threatened his way past the California left side and galloped 43 yards to score.

Late in the opening period — after halfback Bart Shirley's 44-yard touchdown scamper was nullified by a penalty — Shirley flipped a 19-yard scoring pass to end Bob Moses standing in the end zone.

An interception by second-string quarterback Mike Cotton of a pass from California's Wayne

Crow late in the second period set the stage for Collins' 44-yard scoring run five plays later, climaxing a 73-yard drive.

Collins contributed a 16-yard pass and an eight-yard pass as Texas staged a 44-yard scoring march early in the third period, with quarterback Bobby Lackey passing 11 yards to end Larry Cooper for the score.

Speedy sophomore James Saxton, Texas' third string quarterback intercepted a pass by the Bears' Ken Meade at the Longhorn 14 early in the final period, and the Longhorns drove 86 yards in five plays, with fullback Mike Dowdle breaking through from the California 40 for the touchdown.

SMU Tips Navy 20-7 In Thriller

By ED FITE
United Press International
DALLAS (UPI) — Tired Toney Wilmon jolted a desperation Navy race with the clock with a 55-yard pass interception touchdown favored Southern Methodist a palpating 20-7 inter-sectional victory over the Middies before 45,000 fans.

Northwestern Stuns Hawks
IOWA CITY, Iowa (UPI) — Northwestern lost quarterback Dick Thornton on the opening kickoff Saturday and was forced to overcome a 10-point deficit to defeat high-ranked Iowa, 14-10.

Lee 7th Rained Out
Robert E. Lee's seventh grade team was rained out of Friday's game here against Houston of Borger. The Lee eleven has an open date this Friday.

Harvesters Pile Up Edge In Statistics

AMARILLO—Tascosa Rebels, ranked seventh in the state, defeated the Pampa Harvesters here Saturday night in a punting duel, 13-0.

Actually the Harvesters had the edge over the Rebels in almost everything but punting, opponents fumbles, and the score. Pampa made seven first downs to five for Tascosa, rushed for 125 yards to 115 for Tascosa, and passed for 18 yards to 0 for the Rebels. They drew only 57 yards in penalties, to 100 for Tascosa.

However the statistics didn't matter very much in this rain-soaked contest. Neither team pretended to put up much of an offense, as shown by the fact that both punted 13 times, hoping for a break. Rain fell throughout the first quarter, and the field was very wet throughout the game.

Five plays later, Fullback Don Broom carried over right tackle three yards for the touchdown. James Morgan's attempted conversion kick was blocked by two Harvesters.

Neither team made a serious threat during the rest of the second half, and Tascosa led 6-0 at the half.

Pampa mounted another mild threat before the end of the game, moving to the Tascosa 25 on passes from Rawls to Cooper and Mack Taylor, and runs by Cooper and Haralson. However, Tascosa again used its highly regarded defense to hold the Harvesters on downs.

The punting duel between Smith and Taylor was one of the features of the game. Taylor was slightly ahead with 37.1 average on 13 kicks, to 33.3 for Smith on 13 punts.

A power failure in the second quarter almost halted the game, as about half the lights on the field went out. However, the rest of the game was continued under dim lights.

Boilermakers Smash Irish

Lafayette, Ind. (UPI)—Purdue, flashing a brilliant offensive and potent defense, trounced Notre Dame Saturday, 28-7, in its final tuneup for the Big Ten football campaign.

The Boilermakers, held to a scoreless duel at U.C.L.A. two weeks ago, looked the Big Ten title contender they are supposed to be before a sellout crowd of 50,352. They scored all their points in the first three periods, then were content to run out the clock.

Notre Dame, held to 49 yards rushing, scored its lone marker in the third period on an 82-yard march set up by the passing of quarterback Don White, who hit 8 of 17 for 137 yards.

Purdue drove 74 and 78 yards for its first two rallies. Fishman set up the first touchdown with optional running plays and the second with passes. Fullback Bob Jarus plunged five yards for the first score. Fichtner found Leonard Jardine with a 48 yard aerial and Richard Brook with a 7-yarder for the payoff in the second period.

Purdue was handed a gift touchdown in the third period when Dale Rems recovered Jim Crotty's fumble on the Notre Dame 32. Jarus again plunged for the score.

Oklahoma gained 309 yards rushing to 101 for Colorado.

Colorado quarterback Gale Weidner attempted 23 passes, completing 11 for 152 yards. The aerials were the brightest feature of the day for Colorado, giving the losers a total of 202 yards gained in the air to 187 for Oklahoma.

Top rusher was Oklahoma fullback Prentice Gault, carrying eight times for 80 yards.

Houston Breezes By Reapers, 28-6

BORGER — The Pampa Junior High Reapers played their best game of the season here Friday against Houston of Borger, but lost to the Borger powerhouse, 28-6.

Reaper assistant coach Roy Eller said after the game that "the morale of the team was better for this game than ever before, and in general, they did pretty well. Our blocking and pass protection could have been better, but on the whole I'm pretty well satisfied with their showing."

Eller said that bad breaks contributed heavily to the Reaper loss, but added that "we made some of those breaks ourselves." The Reapers missed five scoring opportunities on fumbles and penalties, though their offense was their best of the season.

Houston scored first in the game, running the opening kickoff back 75 yards for a touchdown. On Pampa's next series of downs, the Reapers were held for downs, and were unable to get a punt off.

Houston took over at the Pampa, 45 and drove to a touchdown.

Wells, Davis Are Bowlers of Week

Joe Wells rolled a 624 scratch series in the Classic League Monday night for high men's honors the past week at Harvester Bowl.

Women's Bowler of the Week was Dorothy Davis who tossed a 543 in the Wednesday afternoon Housewife's League.

Both received watch and lighter combination sets for their high scoring efforts.

Jessie Smartt of Harvester reported that two other men bowlers dented the 600 columns the past week, Bob Gault with a 612 Wednesday, and Gene James with a 603 Thursday night.

then ran the extra point. Moments later, Pampa moved to the Houston 3-yard line, but lost the ball on a fumble leaving the score Houston 14, Pampa 0 at the end of the first quarter.

Pampa moved inside the Houston 20 twice in the second quarter, but was stopped on a fumble and once on penalties. Houston scored in the second period on a 60-yard run, making the score 20-0 at halftime.

In the third quarter, Houston intercepted a lateral and went 50 yards for its final touchdown, then ran the extra point. Pampa threatened twice within the next few minutes. Randy Matson passed once to Kenny Hebert at the 5-yard line, but Hebert fumbled the ball. Later, Hebert ran 30 yards to the Houston 10, but the run was called back on a penalty.

Late in the fourth quarter, Pampa, finally broke the scoring ice. Randy Matson ran for the Houston 30 to the 5, then ran for the touchdown on the next play.

Eller commended left guard Curtis Jenkins for his blocking, halfback Jerry Vance for his running, Matson for his running and passing, and end Sammy Whatley and tackle Alvin Flippin for their defensive play.

Phillips Mauls Perryton, 30-6

PHILLIPS — The Phillips Blackhawks, the 10th ranked class AAA team in the state, handed Perryton its fourth straight loss here Friday night, 30-6.

McGarrough scored Perryton's only touchdown in the fourth quarter, on a 2-yard plunge which capped a 60-yard march.

For Phillips, Tommy Carter made three touchdowns. Bill Vandiver a touchdown and two conversion runs, and Rusty Price a conversion run.

MOBEETIE HORNETS SWARM OVER CHANNING, 52 TO 25

MOBEETIE (Spl) — Mobeetie's Hornets turned in an impressive 52-25 football win Friday night over Channing in a game played under a steady rain.

The win, first of the season in district play for the Hornets, was watched by just under 100 fans.

The winners threw caution to the winds with devastating pass plays that scored two touchdowns and set up three more.

Mobeetie scored first when Fullback Garland Lancaster ran 65 yards, and then quickly added two more touchdowns on pass plays from Lancaster to Left End Dan Hathaway that covered 30 and 35 yards. Before the first half ended Hathaway accounted for six more points on a 30-yard run.

Lefors Plans For Gun Club

LEFORS (Spl) — Plans are near completion for the Lefors Lions Gun Club, it was announced at the morning meeting of the Lefors Lions Club which met recently.

The club will be located about one-fourth mile northwest of Lefors on U.S. 60. It will be equipped with sidewalks for the gun stands. Firearms and traps were demonstrated Saturday.

The program at the Lions meeting was presented by the "Honorary" quartet of Pampa — Monte Shultz, Howard Buckingham, Howard Housley and C. R. Howard. The Lions also viewed a film on the Passion Play which will soon be presented by the Pampa Lions Club.

Sixty-three persons were present for the meeting, including 50 Lions, Sweetheart Sharon Mines, Pianist Judy Atkinson and six guests. Presiding was Lions President Jerry Jacobs.

Crockett Sparks McLean Triumph

McLEAN — Some historians say that Davey Crockett was killed at the Alamo, but McLean football fans will probably disagree with them.

Davey Crockett was very much alive here Friday night. In fact, he made 180 of McLean's 200 rushing yards, in leading the Tigers to an 8-0 upset victory over Canadian in the District 2-A opener for both teams.

McLean will be at Wellington Friday for a non-conference game and Canadian will host Panhandle in a district contest. McLean has a 3-1 mark for the season, a Canadian is 2-2.

Crockett, despite a considerable downpour, made 80 yards and a touchdown in the first half, and even 100 yards in the second half. The big fullback must have some kind of record in the first half, as he carried the ball on one of McLean's six touchdowns.

Crockett gained all 57 yards of McLean's touchdown drive, carried in the first quarter. He carried over from the 2-yard line, on a conversion, Crockett was caught behind the line, but lateraled to Kenny Willingham, who then tossed to Don Cash in the end zone for the two extra points.

Canadian threatened in the second quarter, moving from its own 21 to the McLean 9 before line play and quarterback Jerry Brown did most of the running.

Early in the third period, Crockett crossed the goal line again, this time on a 10-yard run, but the run was called back because of a penalty. Crockett had turned in a 29-yard run earlier in the drive, which started from the McLean 45.

Carle Don Smith, Bob Weaver and Crockett were outstanding defense for McLean. Echols spiced up the Wildcats both offensively and defensively.

Borger Stops Dons, 38 to 0

In the kickoff game for District 3-A Friday night, Borger romped over the Palo Duro Dons, 38-0. Pampa was scheduled to open at Tascosa in this week's second district game.

Openers are slated for other district teams this week. Friday, Plainview opens at Amarillo and Lubbock kicks off its district season by hosting Palo Duro. Monterey will be at Pampa for its loop curtain-raiser. In the fourth scheduled district game, Borger will be at Tascosa.

In non-district games Friday, Lubbock was blanked by South Oak Cliff of Dallas, 18-0, and Monterey edged Midland, 7-6.

Borger completely overwhelmed Palo Duro, outrushing the Dons, 264 yards to 54, getting 19 first downs to 3, and recovering seven Don fumbles on a wet field. The Bulldogs cashed in on four of these fumbles for touchdowns.

Gerald Mowery kicked an extra point after Monterey's touchdown to keep the Plainsmen's perfect record intact. Monterey is now 3-0 for the year.

Lubbock threatened only once against South Oak Cliff, moving to the 7-yard line in the fourth quarter. The Dallas squad scored on a run from scrimmage, a field goal, and a blocked punt.

Wheeler Upsets Estelline, 32-0

WHEELER — When the Wheeler Mustangs pull an upset, they don't fool around about it. They were into Friday night's game with Estelline as underdogs, but came away with a 32-0 victory.

Prior to Friday, Estelline was the number two class B team in the Panhandle. By winning decisively, Wheeler stamped itself as a top contender for I-B honors. The Mustangs have one more non-conference game, next week at Shamrock, before beginning district competition.

Despite the fact that Friday's game was played in the rain, Wheeler scored 10 of its points on passes thrown by quarterback Jimmy Atherton. The Mustang signal caller tossed a 23-yard touchdown pass to Buck Holcomb in the first quarter, and tossed conversion passes to Holcomb in the second and fourth periods.

One unusual aspect of the game was the fact that Wheeler made two-point conversions after all of its four touchdowns. Atherton ran for one of them, and Marshall Watson ran for another, in addition to the two Atherton passes to Holcomb.

Marvin Cox scored two of Wheeler's touchdowns on long runs of 75 yards and 91 yards, in the second quarter. Atherton called the final touchdown on a 1-yard quarterback sneak in the fourth quarter.

Score by Quarters:
Wheeler 8 16 0 8—32

MEMPHIS CYCLONES BREAK 14-GAME LOSING STREAK

MEMPHIS — The Memphis Cyclones broke a 14-game losing streak here Friday night, as they scored the only touchdown of the game in the fourth quarter to edge Lefors, 6-0.

Friday's victory was the first for the Cyclones since the last game of the 1957 season. They lost 10 straight last season, and dropped the first four games of this season.

Friday's game was the District 2-A opener for both teams. Memphis is now 1-4 for the season. Lefors is 0-3. This week, Lefors hosts White Deer and Memphis goes to Clarendon, for loop contest.

A wet playing field slowed both teams throughout the first three quarters. Neither side penetrated the opposition 20 until the fourth period. Only 201 yards was gained rushing during the game — 108 by Lefors and 93 by Memphis.

Memphis set up its last-period touchdown by blocking a punt at the Lefors 15, and recovering it at the Lefors 15. Four plays later, Jerry Burnett went five yards for the winning tally.

Score by Quarters:
Memphis 0 0 0 6—6
Lefors 0 0 0 0—0

Gruver Nips Groom, 6-0

GROOM — The gallant Groom Tigers held the mighty Gruver Greyhound scoreless for three quarters here Friday night before finally yielding a touchdown in the last quarter, and bowing, 6-0.

Groom played on even terms with the Greyhounds for three quarters, despite the loss of three key starters by injuries — ends Jimmy Burgin and Joe Thornton, and halfback Louis Ruthardt.

Gruver marched 85 yards in the fourth period for its lone touchdown, after stopping a Groom threat at the Gruver 15. Donnie Prater ran the final 10 yards.

The entire second half of Friday's game was played in the rain.

Both sides had several threats stopped. Groom drove inside the Gruver 30 three times in the second half, and Gruver moved inside the Groom 20 twice in the second quarter.

Gruver had a slight edge in statistics, with 12 first downs to 9 for Groom, and 198 yards gained to 169 for Groom. Only one pass was completed during the game — by Gruver for five yards.

Score by Quarters:
Gruver 0 0 0 6—6

Post four of the Explorer Scouts will begin a hunter safety instruction course Wednesday at 6:30 p.m., at the Pampa Indoor Rifle and Pistol Range.

The course, which will be for one hour each night, will continue for five Wednesdays. It is for members of troop four only, but there are several vacancies in the troop, and anyone wishing to join may do so. The troop meets Mondays at 7:30 p.m., at the First Christian Church.

Anyone interested in joining may attend the meeting or see Bob Barrett.

Instructors for the course will be three registered National Rifle Association instructors — Barrett, Tony Welker, and John Ayres.

Sayre Shuts Out Shamrock, 14-0

SAYRE, Okla. — The Sayre Tigers handed the Shamrock Irish their fourth loss of the season here Friday night, 14-0. The Irish now have a record of one tie, four losses.

This Friday, Shamrock hosts Wheeler of District 1-B.

Rain fell throughout the first half of Friday's game, resulting in several fumbles. Darrell Merrivell scored both of Sayre's touchdowns, on 1-yard runs in the first and second quarter. Virgil Nason ran the lone conversion.

Rice Stunned By Blue Devils, 24-7

DURHAM, N. C. (UPI)—Phomore halfback Joe Arrington gave Duke the offense and the kicking game it needed Saturday for a 24-7 victory over Rice.

Wallops Michigan, 34-8

ANN ARBOR, Mich. (UPI)—Michigan State struck for four touchdowns Saturday and blasted to a 34-8 victory over Michigan before a sell-out crowd of 101,001.

The Spartans, who were a bitter disappointment last year and in their season opener a week ago, failed to score on their first series of downs but punched across touchdowns the next four times they got the ball.

Michigan was held scoreless until the final minutes of the game when quarterback Stan Noskin lunged less than a yard to cap a 54-yard drive against Michigan's third and fourth stringers.

Three of Michigan State's touchdowns came on short smashes by quarterback Adderley, Blanche Martin and Dean Look. Another was a 94-yard sprint by Bob Suci after intercepting a Noskin pass, and the final Spartan score was picked up by Don Stewart on a 25-yard pass-run from Look.

Oklahoma State Kayoes K-S, 27-21

MANHATTAN, Kan. (UPI)—In a grinding duel that showed more offense than defense by both teams, Oklahoma State took a 27-21 win from Kansas State here Saturday before a small crowd of only 8,500.

Although Kansas State scored first and took just three plays to go 55 yards to its initial touchdown, the Wildcats couldn't halt OSU's bruising offense to hang onto their advantage. The Cowboys scored on their next possession and added a marker in each quarter. K-State hurried to a pair of touchdowns in the final period which only pulled the Wildcats close enough to make it respectable.

Fired-Up Illini Upsets Army, 20-14

CHAMPAIGN, Ill. (UPI)—The Brown Boys' brother act and a second-string sophomore quarterback sensation boosted fired-up Illinois to a stunning 20-14 triumph over Army's fourth-ranked Cadets Saturday.

The Cadets came into the battle before 64,891 fans as 10-point favorites, but the fighting Illini took charge from the opening whistle and never were headed.

Sophomore Quarterback Mel Meyers, a 19-year-old Dallas, Tex., product in the game only because of injury to first-stringer John Eastbrook, pitched 41 yards to halfback John Counts, another sophomore, for the first Illinois score in the opening period.

Showing the poise of a veteran, Meyers gambled on fourth down with one yard to go on the Army 47 to set-up the score. He dashed six yards for a first down, and on the next play hit Counts for the touchdown.

Meyers connected on a total of six of eight pass attempts in the first half alone, accounting for 93 yards gained.

The Brown Brothers, Bill and Jim, accounted for the other Illinois touchdowns. Jim cracked over from six-inches out with 11 minutes gone in the first period. That touchdown was up when Army's Bob Anderson fumbled the kickoff and Doug Wallace recovered on the Cadets' 16.

The victory was a spectacular comeback for the Illini, who tumbled and fumbled their way to a 20-0 defeat at the hands of Indiana last week. The Cadets had won their ranking of fourth in the nation on the strength of a 44-8 victory over Boston College last week.

Score by Periods
Army 0 6 0 8-14
Illinois 14 0 0 0-14

Scoring Summary

Bronchos Nip Panhandle

PANHANDLE—Clarendon won District 2-A opener here Friday night over the Panhandle Panthers by the margin of a conversion run, 22-0.

The loss was the fifth straight for Panhandle. Clarendon in 2-3 for the season. Panhandle is at Cameron this Friday for another district game, and Clarendon shoots for its second district win by hosting Memphis.

Clarendon took the lead in the first quarter on a 24-yard touchdown run by Wayne Mann and a running conversion by Jim Robinson.

Kenneth Ware plunged a yard in the second period to cut the Broncho lead to 6-0, then Mike Stone galloped 35 yards on the first scrimmage play of the third quarter to put Panhandle ahead, 12-6.

A 17-yard touchdown plunge by Mann in the third quarter, a 35-yard punt return by Dewey Wilson in the fourth, and a running conversion by Robinson, put Clarendon ahead, 22-12. Panhandle cut the winning margin to two points later in the fourth period, as Kenneth Stone ran 40 yards and Ware passed to Kenneth Jay for the conversion.

HSU Falls To Auburn, 35-12

By DON MARTIN
United Press International
AUBURN, Ala. (UPI)—Auburn found its passing arm in rangy Richard Wood Saturday and used it six-gun style to defeat Hardin-Simmons' tough Cowboys from Texas 35-12 before 23,000 fans.

Wood, demoted to second unit after last week's upset by Tennessee, came in for only three plays in the first half but threw touchdown passes on two of them. He shot a bullet pass 36 yards to halfback Johnny Kern for one score, then intercepted a Cowboy pass, ran it back 24 yards and on the next play hit fullback John McGeever on a 21-yard scoring aerial.

Hardin-Simmons threw a fresh scare into the beefy Tigers, however, by two quick touchdowns at the start of the second half. Charlie Bowers streaked through the center of the big Auburn line and raced 70 yards to the five. Quarterback Jim Tom Butler banged over two plays later.

Moments before, Cowboy end Bill Voss recovered a fumble on the Auburn 35 and Butler passed 15 yards to end David Wharton for the first touchdown, making it 19-12. Auburn struck back though, taking the kickoff from the Cowboy 46 to a touchdown on fullback Ed Dyer's four-yard smash in just five plays.

MAJOR ENGINEERING PROGRAM

Openings Are Immediately Available At These Western Electric Locations
WINSTON-SALEM, GREENSBORO and BURLINGTON, NORTH CAROLINA
LAURELDALE, PENNSYLVANIA and WHIPPANY, NEW JERSEY

Western Electric, for over 90 years an acknowledged industry leader in communications equipment, is embarked upon a broad program of expansion. Important military commitments provide unusual opportunities for men of superior qualifications and training to apply their full skills in advanced areas of development and manufacturing engineering. Many of these assignments will involve close collaboration with the professional staff of Bell Telephone Laboratories in developing models and introducing new products into manufacture.

In addition to the experience with new concepts in engineering and personal satisfaction derived from contributing to challenging projects, engineers will appreciate these Western Electric benefits:

- Parallel paths of advancement in engineering or management fields
- Tuition refund program
- Company-operated graduate engineering training program
- Promotion from within
- Liberal company-paid benefit plan
- Employee stock purchase plan
- Liberal relocation allowance for travel and moving plus company assistance in locating suitable housing

Typical advanced projects under way at Western Electric:

- NIKÉ ZEUS Anti-Missile Missile System - Missile Guidance Systems
- Associated Ground Control Radar Systems - Fire Control Radar - Radar Warning Defense Systems - Digital Computers - Waveguides and Gyros
- High Precision Electronic & Solid State Devices

Engineering openings in:

- DEVELOPMENT

Fiftieth Birthday Of Texas Congress Of PTA

City Council Representatives

As stated in the by-laws governing each Parent Teacher Association unit in the city, two delegates are elected to represent their respective school on the PTA City Council. It is their duty to attend the monthly council meeting and

to report back to their unit's executive board the business transacted during the council meeting. The pictures in each corner on this page are those of the elected City Council delegates.

UPPER LEFT — Mrs. K. E. Rasco and Mrs. John Thompson of Lamar School; Mrs. Alvin S. Macartney of Pampa Junior High School; left to right seated; and standing, Mrs. E. C. Fulton of B. M. Baker.
(Photos on this page are by Marvin Olser, staff photographer)

UPPER RIGHT — Mrs. Wallace Bruce and Mrs. C. G. Goodwin Jr., newly-elected City Council delegates representing the recently-organized Travis PTA; Mrs. C. R. Hoover and Mrs. Murray W. Sealey of Sam Houston School.

CITY COUNCIL OFFICERS

The governing body for the nine PTA units in Pampa is the City Council PTA which acts as a clearing house for programs and activities that affect each unit. The local council coordinates the national objectives into programs on a local level. Serving the PTA City Council this year is the group centered in the page, left to right, Mrs. Nolan Cole, historian; Mrs. Paul Turner, treasurer; Mrs. Julian Key, president; Mrs. Elmer Darnell, vice president; Mrs. R. F. Forsythe, secretary, and Mrs. R. A. Mack, parliamentarian.

THE BEGINNING

In PTA meetings throughout the state in this month of October, the Fiftieth Anniversary of the organization of the Texas Congress of Parent-Teachers Association will be observed. On Oct. 19 members will observe the birthday of The Texas Congress to honor those who organized the Texas Congress of Mothers in 1909. The initial session was called by Mrs. Ella Caruthers Porter of Dallas, who through her activities for child welfare, had been named state organizer for Texas by the National Congress. As early as 1894, Mrs. Porter had organized a Mothers' Club in her hometown of Hillsboro which was perhaps the first one in Texas.

With the assistance of the Dallas Council of Mothers, Mrs. Porter called a three-day session for a conference of the organization in Dallas during the State Fair in October, 1909. All Texas mayors were requested to send representative women as delegates from their towns. These, with delegates from Mothers' Clubs of the State, leading educators and other interested men and women, constituted the body which organized the Texas Congress of Mothers on Oct. 19, 1909.

The response to Mrs. Porter's appeal was greater than anticipated. The State Fair and the Dallas Morning News were active allies in this undertaking, lending their far-reaching aid and influence.

Mrs. Porter was elected president, an office which she held for three years. Her administration was devoted largely to extension. Co-operation of Texas State Teachers' Ass'n was secured and that body adopted resolutions endorsing the organization of parent-teacher associations in the schools of Texas. From that small beginning has grown an organization numbering over 600,000 men and women.

City Council Representatives

Through each PTA unit, the City Council strives to promote the objective of the Texas Congress which are to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth; to bring into closer relation the

home and the school, that parents and teachers may cooperate intelligently in the training of the child; to develop between education and the public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

LOWER LEFT — Mrs. J. A. Sears, City Council delegate from Robert E. Lee Junior High, center, with Mrs. H. L. Gunter, left and Mrs. J. B. Maguire Jr., right, representatives from Stephen F. Austin elementary school.

LOWER RIGHT — Coordinating the work of their unit and school are Mrs. Weldon Adair and Mrs. E. L. Henderson of Woodrow Wilson; Mrs. Canara Carruth and Mrs. Paul Turner of Horace Mann elementary school.

Peg O' Pampa

ALL SET FOR THE FIRST Community Concert Association's first presentation of the season on Thursday evening at eight o'clock in Pampa Junior High auditorium? Frances Archer, a pretty blonde Texas Girl, who is from Corpus Christi, by the way, and Beverly Gile, a vivacious brunette will present an evening of songs and ballads from all parts of the world... these attractive young performers, whose current tour will take them over 60,000 miles, complement each other to perfection in every way... and we have heard from those who have seen their performances in other places that it is not unusual to see listeners furtively wiping their eyes after hearing them sing a song of yester-year... love those weepy tunes! oh, yes, in the event some of the newcomers to town would like tickets there are some available just for that purpose... or for unexpected out-of-town guests... and you can have them by calling Alleith Curry (Mrs. Bob) or Eleanore Waggoner (Mrs. W. G.)... Hope you already have your tickets to see the stage production of "Passion of the Black Hills" with Josef Meier, world-famous Christus portrayer, who will give performances on Friday, Saturday, and Sunday of this week at eight o'clock in the PJHS auditorium... case you don't have your tickets yet you can pick them up at the Southwestern Public Service Co... one fact perhaps you don't know is that aside from the entertainment and inspiration you will receive from the production, the Lions' Clubs are donating funds from the tickets sales to build a shelter in the Duncan Street Rose Garden, which is being created by the Pampa Garden Club... your ticket will serve a double benefit... an evening of inspiration... and a lasting benefit we can all enjoy... Pampa is indeed fortunate in being able to engage this world's largest stage production of Biblical times.

BUSY PAMPA MATRONS... we're happy to hear that Jane (Mrs. Henry J.) Rose has accepted the appointment of community delegate on the Regional Women's Committee for the Dallas Fall Festival of Music, Art and Drama... and as an active leader in the cultivation of fine arts, it will be her duties to acquaint us here in Pampa with the festival program and to encourage full regional participation in its calendar of entertainment and social events... she will serve on a board of some 100 Southwestern patrons of the fine arts... so for the next few weeks, when you see Jane, you will probably hear something about the fine arts fiesta, which will embrace five weeks, Oct. 23-Nov. 30 of activity... just a few highlights of the exciting season, which is only a few miles away from us (much closer than New York City, let us say): are a performance by Maria Gallos with the Dallas Civic Opera season, which will also include international artists in "Lucia di Lammermoor," "Barber of Seville" and "Medea"... other major activities will be events opening the seasons of the Dallas Symphony Orchestra; the Margo Jones Theater '59 on its new proscenium stage playhouse; opening of new galleries of the Dallas Museum For Contemporary Arts with an exhibit of Picasso, Roualt, Matisse, and Braque; the opening of the Broadway Theater League season with Hal March in "Two For the See-Saw"... there will be concerts presenting distinguished recital artists, fall exhibits at the Dallas Museum of Fine Arts, Dallas Public Library, Hall of State and private galleries... special events will be a book fair with distinguished author guests... a Dallas Garden Center flower show, a tour of outstanding Dallas residences and the new Frank Lloyd Wright building of the Dallas Theater Center, fashion shows, antique markets and gala parties and balls launching the Dallas fall social calendar... doesn't it sound glamorous and exciting... just any one of the fabulous events would satiate our TV-weary mind.

MORE BUSY PEOPLE... Viola Doggett and Lorene Johnson are two more busy Pampa matrons who are engaged in a Big Event that is anticipated here annually... they are the two ladies who will be overseeing the St. Matthews Episcopal Bazaar... planned for November 13... the Bazaar is always full of new and wonderful surprises, but the girls are wise enough to feature the tried 'n true items that have highlighted past bazaars... for instance, like the Christmas Stockings, Tree Skirts, and Toys... candies, the canned and baked goods... admit it now, Christmas plans are beginning to nibble at the edge of our minds, aren't they?... and we think it is very nice of these gals to take away some of the "work" for us... so right about now, we know that Pauline Brown, Lora Florne, Phyllis Smith, Doris Vendrell, Billie Klinger, Katherine Reeve, Roe Elder, Joan Neef, Virginia Price, Nancy Davis, Nina Richmond, Burnice Miller, Jean Casey, Jean Metz, and Jane Rose are holding pow-wows at committee meetings, over the telephone, at the kitchen stove, and over sewing needles to get everything in preparation for the DAY, which again is Nov. 13.

(Cont. Page 15)

Mrs. C. C. Coffee
WCSA To Host District Meeting

The Woman's Society of Christian Service will be hostess to a district meeting to be held in the sanctuary of the First Methodist Church on Monday, Oct. 5. Registration will be from 9:30 to 10 o'clock.

Mrs. Collard, district president, will preside over the business meeting.

The featured speaker will be Mrs. C. C. Coffee of Lubbock, who at the present time serves on the board of missions for the women's division of Christian Service and has just recently returned from a tour of missions in Africa.

A luncheon will be served during the noon hour in fellowship hall. A nursery will also be provided.

Mrs. Osborn Gives Garden Program

Top of Texas Garden Club met Monday afternoon in the home of Mrs. J. S. Hawley, 2128 N. Nelson, for a program presented by Mrs. Kenneth Osborn.

Using the title, "Putting Our Gardens to Sleep," Mrs. Osborn in opening remarks said, "Winter is here, like it or not, but our gardening doesn't stop. Many things can and should be done. This is a good planting time for many flowers and shrubs and a good time for garden sanitation. All flower beds should be cleaned out and all debris removed after frost kills the plants. At this time, too, the soil should be prepared for spring planting."

"For a special effort to brighten the porch, patio, or even indoors, lift a clump of chrysanthemums to a roomy container and set on patio, porch."

During a business meeting, conducted by the president, Mrs. Raymond Welch, a date was set for a rummage sale to be held on Oct. 21-22 at 321 S. Cuyler.

Plans were discussed by the projects committee on the planting of flower beds on Duncan and the Perryton Highway Park. The committee plans to lay-out plans for each one and select flowers to be used.

Mrs. Hawley served refreshments during the social hour to Mrs. Ira Carlton, Jamie Deal, Fred Hinkley, H. H. Huntley, K. L. Hyman, Marvin L. Jones, Kenneth Osborn, Tom Patton, Harold Pitts, L. B. Robertson, W. L. Stark, Raymond Welch and J. A. Knox.

The club will meet next on Oct. 12 at 1 p.m. in the home of Mrs. Patton, 2511 Christine.

PTA Anniversary To Be Observed At Council Meet

Pampa Junior High PTA will host the Monday morning meeting of the City Council PTA at 9:30 in the junior high cafeteria. It has been announced by Mrs. R. A. Mack, junior high PTA president.

The program will be in keeping with the Texas Congress of Parents and Teachers 50th Anniversary, which is Oct. 19. Mrs. Mack has outlined, "PTA Of Yesterday and PTA Of Today," which will be presented in costume of by-gone days. Appearing in the skit will be Mrs. Glenn Dearborn portraying Mrs. Ella Carruthers Porter as the PTA organizer; Mrs. Roy Jones, as a PTA vice president; and Mrs. J. H. Trotter as a PTA Member. Mrs. Alvin McCartney will be the narrator. Mrs. Mack will portray the modern day PTA president.

Refreshments will be served by the hospitality committee Mrs. Dearborn and Jones.

Mrs. Coombs Is Council President

Mrs. A. P. Coombs was elected chairman of the Gray County Home Demonstration Council at a meeting held Monday in the office of Miss Lou Ella Patterson in Gray County Agricultural building.

Other officers named were Mrs. D. W. Swain, vice chairman; Jack Prather, secretary; and J. D. Smith, treasurer.

Plans were discussed for the coming year.

RUTH MILLETT

A group of secretaries wants to know what is the proper thing to do when the boss' birthday rolls around. Should the secretary have an office party, tipping everyone off ahead of time to bring gifts? Should she forget the party and just buy the boss a gift herself? Should she arrange a lunch at a nearby restaurant with the boss as guest of honor? Or should she just ignore the whole thing?

Customs vary in different offices. But if the boss is married (as most bosses are) the wise secretary is careful not to dream up any celebration his wife could possibly object to.

The luncheon, especially if there are cocktails before it is served, may seem just a trifle chummy.

Following a business meeting, delegates reported on the state THDA convention held in Galveston in September.

my — from the point of view of Mrs. Boss.

A birthday cake served at the regular office coffee break would seem a more suitable celebration. As for asking everyone in the office to bring a gift, that would probably embarrass the boss, himself — and so isn't a very good idea.

If the secretary decides to copy the "Happy Birthday" and a gift, should buy something that is too expensive and is not too personal.

Getting the boss something his office would be much more appropriate than getting him something to wear.

African Theme Illustrates Program And Luncheon Of Methodist Women

Women's Society of Christian Service of the First Methodist Church met in the Fellowship Hall of the church on Wednesday for an African Luncheon and program with Circles One and Two as hostesses.

Members were greeted at the door by Mmes. Arnold Pettifila, E. Williams, Julian Key, J. L. Colville, and Glenn Radcliff who were dressed in African costumes.

The African motif was further carried out in the table and room decorations. Tall, palm trees were alternately placed around the dining rooms and gum-drop cannibals and "wild" animals around miniature palm trees centered each table.

A brief business meeting was conducted by Mrs. Williams, WSCS president, followed by introduction of special guests, Mmes. Fidelity

DINNER MEETING—Dr. Hugh Pennal of Amarillo, neuro-psychiatrist, left, guest speaker at the Monday evening meeting of Altrusa Club in the Pampa Hotel with Mrs. Mark Heath, president, and Dr. Joe R. Donaldson who made the introductory speech.

Green, Nita Carlwright, Altrusa Girl-of-the-Month for September. During business meeting, conducted by Mrs. Mark Heath, president, it was announced that a new club had been formed in Ascanaba Mich. Reports were given by Mrs. F. W. Shotwell, secretary, Mrs. Joe Tooley, treasurer, and Mrs. Irl Smith on the Career Clinic. Mrs. Smith reported that combined meetings were being held by the Altrusa Club, Chamber of Commerce and the Junior Chamber of Commerce in preparation for the clinic.

Mrs. W. A. Spoonmore announced plans for an active membership drive; reports were also given by Mmes. Gladys Robinson and Orvil Thornburg relative to financial projects. Plans were discussed for attending the district convention to be

52nd Year held in the Texas Hotel, Fort Worth, on Oct. 23-24-25. The speaker's table was highlighted with an arrangement of red roses and greenery with 45 rpm records and a rag-doll "bopper" forming the center of interest to carry out the juvenile theme of the program, arranged by Mrs. Roy Kay.

Juvenile Delinquency Topic For Altrusa Club

A new perspective and insight in the delinquency trends of mental or emotionally disturbed juveniles was discussed by Dr. Hugh Pennal, neuro-psychiatrist, of Amarillo at the Monday evening dinner meeting of the Pampa Altrusa Club in the Pampa Hotel. Introduced by Dr. J. R. Donaldson, Dr. Pennal outlined some of the symptoms of juvenile delinquency, as described by Dr. Pennal, were 1) withdrawal from activities and friends; 2) intellectual deficit; 3) intelligence unapplied, either unwilling or uninterested; 4) non-aggressiveness; and the other extreme 5) overly-rebellious.

Recommendations for civic guidance are establishment of child guidance clinics; aid law officers in their education to recognize the juvenile delinquent as emotionally disturbed or mentally ill; provide wholesome recreation; and see that "your community has clean politics."

"Delinquency and behavior problems have always existed, but there is now more trend to juvenile and adult delinquency due to our more complex culture," Dr. Pennal stated.

He feels that all avenues of publicity, newspaper, TV, radio or magazines, is good and is not a contributing factor to delinquency. "If the trend to delinquency is there, it will come out, no matter if the juvenile does see it portrayed on TV or written up in a newspaper. If the delinquency trend is there, the would-be delinquent does not need the assistance of TV, newspaper, magazine or radio to accomplish his own crime. The factors for such a crime are already within him. Our complex culture and factors existing (unless prevented by means previously outlined) will contribute to the juveniles' behavior pattern."

In closing, Dr. Pennal expressed a hope for a future Child Guidance Center, which would serve the areas of Pampa, Amarillo, Borger and Dumas.

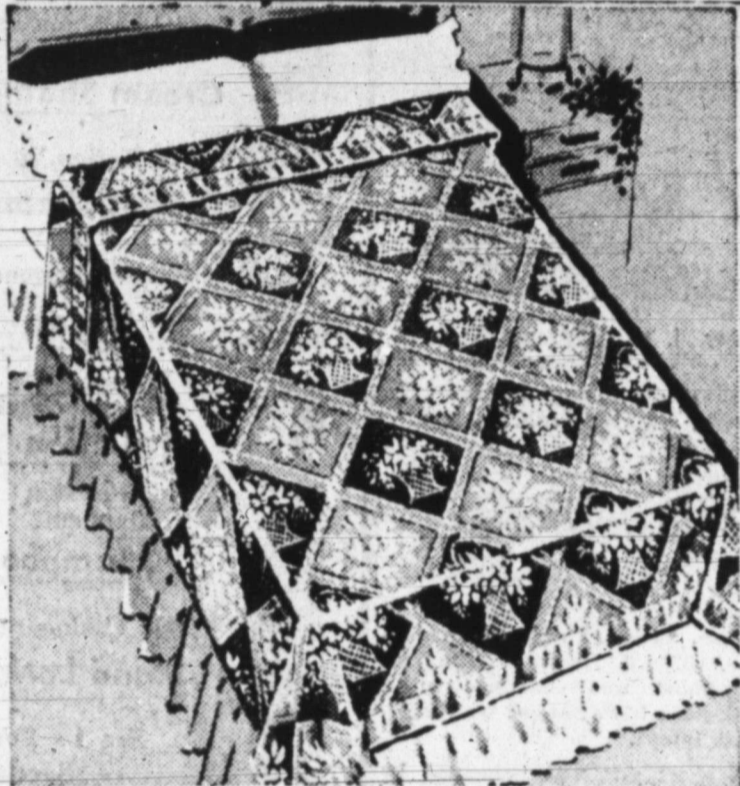

Special evening guests were Mmes. Hugh Pennal, Warren Hesse, Coy Palmer, Rufe Jordan; Misses Francine McGee, Cora Kay.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: What do you do with a husband who gets all steamed up about a "hobby" and then after spending a fortune on it, drops it?

Our basement is cluttered with fishing equipment, skis, cameras, golf clubs and hunting junk, complete with guns, boots, tents and sleeping bags. All as good as new. I could go on and on!

My husband makes good money, but when I spend \$25.00 on a hat he blows his top. Is he being fair or not?

RUTH: He is NOT being fair, but he IS being human. (How many hats, dresses and pairs of shoes have YOU been all "steamed up about" and later cast aside — as good as new?)

Find out if your husband's hobbies are positively dead or merely deferred. If he has no intentions of reviving his interests, either sell, lend or give away the equipment. But don't let it gather dust and ill will over the years.

DEAR ABBY: I am 14 years old and have a best friend (at least I THINK she is my best friend) who comes over to my house and goes through my drawers and closets all the time. She also takes my diary and locks herself in the bathroom while she reads it. What am I going to do?

KATHY

ESA Honors New Pledges

Epsilon Sigma Alpha Sorority met Thursday evening at 7:30 in the home of Mrs. Gerlie Foster, 1233 N. Russell, for a buffet dinner honoring new pledges to the sorority. Hostesses were Misses Tom Lindsey and Miss Kay Howell. Pledges honored were Misses James Lewis, W. L. Stark, John Hatcher, Murray Castleberry, Bill Spidel, Bob Windle, E. W. Hogan, Stephen McGrady and Ann Cohen. An informal social hour followed the dinner.

ESA members attending were Misses Frank Baker, Parks Brumley, W. J. Chambliss, Margaret Dial, Berton Doucette, O. J. Engle, Lucille Foster, Jack Hankla, Max Hickey, Louise Hooper, Laura Maddux, John Nutting, Louise Odell, Bruce Parker, W. R. Reek, Charles Robinson, Lowell Stevens and Mevin Watkins.

It was announced that the next meeting will be on Oct. 8 at 8 p.m. in the City Club Room.

Twentieth Century Plans Rummage Sale

The annual rummage sale of Twentieth Century Study Club will be held all day Monday and Tuesday at 821 S. Cuyler.

The money from the proceeds of the sale will be used to provide a Scholarship for a graduating senior from Pampa High School.

Robert Wong, who was TC scholarship winner last year, is now attending Texas Tech at Lubbock. The committee, headed by Mrs. G. F. Branson and including Mrs. E. L. Campbell and Mrs. Lorene Locke, will be assisted by the other members of the Club.

Opti-Mrs. Honor Wives Of New Optimist Members

Opti-Mrs. Club of Pampa entertained with a tea honoring wives of morning and evening Optimist Club members on Sunday afternoon in the City Club Room.

Refreshments were served from a table covered with a forest green cloth centered with an autumn floral arrangement of bronze, green and white, created by Mrs. Clifford Dunham. The arrangement was contained in a milk-glass bowl flanked with milk-glass lamps.

A short skit was presented by Misses Bill Stephens, Gerald Sims, Bill Jenkins and Newt Secret, which explained the function and aims of the Opti-Mrs. Club.

Guests attending were Misses N. G. Kadingo, Bill F. Deaton, Bill Sims, Clifford W. Hill, L. W. Hamilton, K. L. Green, C. C. Griffin, Kent McDonald, William Leonard, Frank Shaw, James C. Scott, G. L. Mason, Truman V. Lowrance, Carroll Griggs and Johnny Cowan.

Opti-Mrs. hostesses were Misses Jerald Sims, James Huckins, James H. Lewis, J. D. Roth, Norma Schale, W. A. Gipson, Edwin Lowrance, Newt Secret, Bill Stephens, K. R. Dodd, Clifford Dunham, Bill B. Jenkins and Clay Crossland.

The next meeting for the club, it was announced, will be held on Oct. 8 at 8 p.m. in the Optimist Boys' Club.

Golden Date Noted By The Minatres

Mr. and Mrs. W. E. Minatre, former Pampans, now residing in Truth Or Consequences, N.M., were honored on the occasion of their Golden Wedding Anniversary at an Open House held Sept. 26 in their home.

The anniversary table was decorated in gold and white centered with a bouquet of golden chrysanthemums. The tiered cake, topped with a golden heart bearing the dates, "1909-1959," and coffee were served to guests by their daughters, Mmes. Mary Nell Love and Nena Sullivan. Mrs. Paul Minatre registered guests. White napkins were inscribed with golden letters, "Celia and Earl."

Mrs. Minatre wore a corsage fashioned from a large white mum; Mr. Minatre, a golden boutonniere.

The honorees were presented with many gifts, which were on display.

Mr. and Mrs. Minatre were married in Sherman and lived in Pampa where they owned a dairy for many years before retiring in New Mexico.

Their six children attended Pampa schools and still refer to Pampa "as their hometown."

Children of the Minatres attending were Paul of Glendale, Ariz.; Jack of Pampa; Nena Belle Sullivan of Farmington, N.M.; and Mary Nell Love of Dallas. One daughter, Ruby Lee Ott of Memphis, Tenn. was unable to attend; and one son, Hoyt, who died in 1953.

Mr. and Mrs. Minatre have eight grandchildren, Nancy, Gary, and David Love; Jan and Bill Sullivan; Linda Ott; Bob Norris and Jackie Cunningham.

New Baby PTA Unit Arrives At Travis School

William B. Travis Parent-Teacher Association was organized at a meeting held Tuesday evening at 7:30 p.m. in the elementary school's cafeteria.

Opening remarks were made by W. R. Altmiller, school principal, followed by a solo, "The Lord's Prayer" sung by Stephen McGrady, special education instructor, accompanied by Miss Florida Young at the piano.

The organization meeting was conducted by Mrs. Julian Key, City Council PTA president, who presented the history of William B. Travis PTA as an obstetrical case, which was met by "Doctor" Altmiller and "Nurses" Key and James E. Lewis, District 19 PTA president; culminating with the birth of the "bouncing-baby, PTA."

By-laws were read by Mrs. C. R. Howard after their adoption. 160 charter members were signed during the evening.

In a brief installation ceremony, conducted by Mrs. Lewis, the following officers were duly assigned to office after election, Mmes. Odell Strickland, president; E. R. Darnell, vice president; C. R. Howard, secretary; E. H. Wyman, treasurer; Joe M. Daniel Jr., parliamentarian; Homer Craig, historian; Wallace Bruce and G. C. Goodwin Jr., City Council representatives.

During the ceremony, Mrs. Lewis presented Mrs. Strickland with the president's pin, which will be worn traditionally by each succeeding Travis PTA president.

It was announced that the first general meeting of the new unit will be held on Oct. 5 at 2 p.m. in the school auditorium.

Exemplar Chapter Discusses Contest

Exemplar Chapter of Beta Sigma Phi Sorority met Monday evening in the home of Mrs. Dorothy Francis, president, 1112 Duncan, with Pauline Vaughn as co-hostesses.

Mrs. Francis presided during a brief business meeting which concerned the Table Setting Contest to be held Nov. 14 in Harvester Field House.

A dinner for husbands and guests to be held on Oct. 7 in Poole's Steak House was also discussed.

Following the business, games were played by those present.

Refreshments were served to Mmes. Thelma Bray, Joe Fischer, Dot Francis, Buster Grayson, Leonard Hall, Byron Hilburn, Ted Knox, Bob McCracken, Roy McKee, John Plaster, Jim Poole, Murray Sealey, F. L. Stone, Jack Vaughn, M. H. McCoy, Tom Beard Robert Tramps, and C. S. Goodwin Jr.

The Oil Outlook

Honored By Phillips

Five Pampa residents, all employees of Phillips Petroleum, were among 21 long-service Phillips workers honored Thursday night at a dinner in Bartlesville, Okla. The dinner was part of a Phillips program honoring employees reaching their 25th, 35th and 40th anniversaries with the company. Among the 35-year employees were J. B. Huntington and R. E. Leah, both of Pampa. Twenty-five year employees included H. G. Gilpatrick, C. O. Pryor and B. W. Wilson, all of Pampa, along with A. Patterson of Lefors.

The annual affair was held in the Adams Building auditorium and was attended by the president of Phillips, Paul Endacott, W. W. Feiler, executive vice president, served as toastmaster.

Power of Penny

Texas Mid-Continent Oil and Gas association of Dallas is trying something new and probably effective in the advertising field this week. Sent to most area newspapers was a shiny penny glued to a card bearing the association's feelings on the penny hike in gas taxes. The card reads:

"Be our guest... This penny will pay the extra cost of your first gallon of gasoline after Oct. 1. That's when the new federal tax increase goes into effect. It brings the total federal and state taxes on a gallon of gasoline in Texas to 9 cents — a "sales tax" of 42.4 percent of the retail price. "That's why we say gasoline's buy — only the tax is high."

English Retires

A long-time employee of the Sun Oil Co. who rose from truck driver to regional operating superintendent in the southwest division, L. English of Dallas, retired Thursday after 40 years work in the oil business. English will be succeeded by H. P. Aston, an employee of Sun since 1940.

K-M SALES UP

Kerr-McGee Oil Industries reported Saturday that its net income for the fiscal year ended June 30 was \$5,873,350, an increase of \$494,387 for the preceding year. The company also reported an increase in its reserves of oil and gas products, largely through drilling in the Block 28 field, offshore Louisiana, and by the discovery and development of large reserves of oil underlying two of the 25,000-acre Venezuelan concessions in which Kerr-McGee owns interests.

"The Phillips Case"

Attorneys for Phillips Petroleum made their final appearance before the Federal Power Commission Thursday in the famed "Phillips Case" which began in 1948, and which, incidently, led to the Supreme Court decision in 1954 to place the production of natural gas under FPC jurisdiction. Phillips attorneys, in their final arguments, said that the level of natural gas rates established by the Commission will have to be sufficient to assure "the total effort" of the gas producing industry to keep up with steadily increasing consumer demands for natural gas. Phillips noted that since 1955 exploration has fallen off sharply instead of rising. With respect to determination of Phillips rates by the commission, a Phillips attorney told the FPC: "Whatever method is adopted must afford us the opportunity to recover at least our total cost of service including a rate of return, tax treatment, and allocation of costs which will encourage Phillips to continue to search for an develop new sources of gas."

Smith Joins Huskey

It was announced in Midland Sunday that Cecil H. Smith has recently joined Huskey Guns Inc. of Midland as sales assistant to the president. Smith was formerly with MI White Mud Sales and prior to that with the Christman Diamond products Co.

WAYLAND DUNCAN

We wish to express our deepest thanks to our many friends and neighbors for the food, prayers and floral offerings during the loss of our beloved Brother and Uncle, Wayland Duncan, who departed this life on October 4, 1959, at 4:41 a.m. at the Pampa Hospital. He was 64 years of age. He was a member of the Pampa Baptist Church and the Pampa Ladies Aid Society. He was a kind and gentle man, and a true friend to all who knew him. He was a devoted husband and father, and a true Christian. His funeral services will be held on Monday, October 12, at 10:00 a.m. at the Pampa Baptist Church. Burial will be in the Pampa Cemetery. Friends are invited to attend. Mr. & Mrs. Charles Richardson and Girls.

JUST A MEMORY

There is a new flower in heaven. There's a new flower in heaven. He took her there for a purpose. He took her there to be and gloomy. He made room for the flower that blossomed. There's that great shining throne. And the Angels up there will greet her. There in that beautiful home. There will nevermore be another. Just like the one he has taken away. And each night when I rest by my bedside. I will remember her, Lord, and pray. It is sad to think of going. But that is something we all have to do. And he gave us strength to labor and toil. And the spirit to carry through. And someday I know I will meet her. And she will be so happy to meet her. Up there in that beautiful land.

GISLE RICHARDSON

Might we take this means of saying "Thanks" to our many friends and neighbors for kind expressions of sympathy and for food and flowers. To Dr. Kelley, and the staff of nurses at Hitchland General, to those at The Barrett Mission, and the ladies of Immanuel Temple, and the Rev. Bill Spake for his words of comfort. Mr. & Mrs. Charles Richardson and Girls.

There's an open gate at the end of the road

There's an open gate at the end of the road. There's an open gate at the end of the road. And there is a light we cannot see. Beyond the gate our loved one finds happiness and rest. That's a loving God who best.

To Thank those of you who in any way rendered such kindness and sympathy on our behalf at the loss of our loved one. At a time like this, it is deeply appreciated.

Mr. & Mrs. Charles Richardson and Girls.
