

Trustee Post To Hampton

Dr. Ray Hampton was elected to the Pampa Board of Education Saturday in what was the largest turn-out of voters for a school board election in the history of Pampa.

DR. RAY HAMPTON
... wins by 55 votes

Dr. Hampton polled 1,525 votes to lead his nearest rival, Bob Andis, by 55 ballots. Andis polled 1,470 votes. Insurance man Marvin Bowman received 328 votes.

A record number of 3,323 ballots were cast. It became evident early Saturday morning that a record vote would be cast when long lines that sometimes contained as many as 100 persons began to form at Pampa Junior High School. An extra 1,000 ballots had to be printed during the day. There are 8,490 registered voters in the city of Pampa. In last year's school board election 1,315 votes were cast, and in the 1958 election 712 persons voted.

In a statement to the News Saturday night, Dr. Hampton said, "I am gratified by the turnout as well as the fact that I won the election. I am very happy about

Big Turnout For School Board Elections In Area

Above normal turnouts seemed to be the rule rather than the exception in area school board elections Saturday.

At McLean, 305 ballots were cast to elect two men to positions on that board. Incumbent Sam A. Haynes polled 182 votes, Charles H. Hall, 154, Felton Webb 146 and Thomas Greenwood, 123. Herschel McCarty did not seek reelection.

Two places were also open on the Miami School Board. Incumbent S. J. Montgomery was reelected to his post with a total of 225 votes.

J. W. Thompson received 231, incumbent Ralph Byrum 96 and Bill Tolbert received 23 write-in ballots. For trustee at large, Pct. 1, James W. Seltz received 211 votes and J. Robert Picketts 32. For county trustee at large, William W. Wiley, the only candidate received 260 votes.

In the White Deer-Skellytown race, incumbents John Kotara Jr. and Virgil Moore were returned to their posts. Kotara polled 263 votes and Moore received 250 to beat out Don St. Clair who had 119 and Wesley Russell, who received 84.

Dr. Hampton will serve with present board members E. L. (Gene) Green, D. E. Holt, Warren Fatheree and Elmer Wilson.

Recall Al Smith Campaign In 1928

Religion Destined To Emerge As Presidential Election Issue

MILWAUKEE, Wis. (UPI) — This Wisconsin presidential primary campaign, is showing the way toward making a man's religion an ugly issue in the 1960 national campaign.

Facts are hard to come by in this politically scrambled state. There is plenty of speculation. The fact which seems most insistent on emerging with the polling only three days away is this: A man's religion can be as hotly a controversial issue in 1960 as it was in 1928 when New York's Alfred Emmanuel Smith, a Catholic, lost the presidency to Herbert Clark Hoover, a Quaker.

On the record as established so far in Wisconsin, religion is to be an issue in this year's presidential campaign regardless of whom may be nominated. Sen. John F. Kennedy (D-Mass.) and Sen. Hubert H. Humphrey (D-Minn.) are contesting this Wisconsin pri-

mary. Kennedy is a Roman Catholic, Humphrey a Protestant.

The issue of Kennedy's religion has been lying here like a time bomb for weeks and months. It exploded this week in a paid advertisement offered to several hundred weekly newspapers. The

ad complained that Catholic voters are tending to gang up on Humphrey in one way or another and called upon Protestant voters to assure Humphrey of a square deal.

Practically everyone, including one of the persons whose names

sponsored the ad, has repudiated this adventure in prejudice. Kennedy publicly stated that he was certain that Humphrey was not responsible for the ad. It appeared, nevertheless, and Kennedy's religion became a page one item of news and a No. 1 subject of cocktail and cracker barrel conversation in Wisconsin.

Any irresponsible Roman Catholic or Protestant can blow the religious issue into a state or national campaign provided a little money or a proper sounding board is available.

If Kennedy misses the Democratic presidential nomination next July, any Catholic resentment easily could be and probably would be a matter of publicty during the campaign season. That publicity doubtless would be translated into disputes, perhaps angry, and the issue would be posed.

Orbiting Space Eyes Planned

WASHINGTON (UPI) — Dr. Harry Wexler, the weather bureau's chief scientist, said Saturday that space experts hope to launch a second eye-in-the-sky TV satellite later this year with infra-red gear for taking pictures in the dark.

He told United Press International that this would be the next step in a program aimed ultimate-

ly at having six polar-orbiting TV weather satellites and a seventh circling the earth in an equatorial West-to-East direction.

Tiros 1, the first TV weather satellite which was orbited by the United States Friday, was in its 18th circuit of the earth and over the South Atlantic at 1 p.m. EST, with all instruments reported functioning well.

Middle West Fights Flood Around Clock

By United Press International

Floodwaters from scores of rain-swollen rivers and streams Saturday pushed sandbagging operations to an around-the-clock schedule in lowland communities across the Middle West.

An estimated 15,000 persons already had been driven from their homes in seven states. Foot deep snows and rains up to two inches Friday swelled waterways to torrents in the hardest-hit states—Nebraska and Iowa.

Iowa Gov. Herschel Lovelace announced that he was collecting flood information to request President Eisenhower to declare parts of Iowa disaster areas, opening the way for low interest government loans.

About 60 prisoners from the Fort Madison, Iowa, penitentiary joined in a fight to hold in the flooding Skunk River by shoring up an 8 1/2-mile levee.

In Eastern Nebraska, residents of Waterloo sent an emergency request to "Operation On Guard."

Police Turn Back 2,000 On Prowl

CAPE TOWN, South Africa (UPI) — An angry crowd of 2,000 Africans slipped out of their sealed off native quarter and marched on a Cape Town Saturday but was turned back without violence.

All of South Africa was in a state of crisis and officials feared the weekend would be scarred by new outbreaks of black-white strife.

'Youth, Experience' Debate Capabilities

By PAT CONWAY

United Press International

"Experience" is what is needed in the attorney general's office, incumbent Will Wilson said Saturday.

"It is youth that's needed," said challenger Waggoner Carr.

A third candidate, Bob Looney,

said he couldn't tell the difference between his opponents.

He called his foes "Wagon Wheel," having the "unique and comparative qualification of being one candidate composed of two men bound by the same strings to the same corporations."

Wilson, in a statement issued from his Austin campaign headquarters said, "It is my firm belief that the responsibilities of the attorney general are of such magnitude as to require the services of only a seasoned lawyer with experience in the field of law enforcement."

"There has never been a greater need for young men to assume an active role of state and local leadership in Texas as there is now," Carr told Galveston Jaycees.

"Look at the record," Wilson said. "As attorney general I have

January Decline Temporary

Although the level of total business activity in the state rose during February, the different segments of the economy show varying rates of change. In evaluating the prospects for business in the coming months it is important to determine which phases of the economy are showing the greatest promise for improvement," the bureau said.

The bureau reported that consumer spending declined during February for the second consecutive month. The declines for both months were in non-durable goods.

"If the decline does continue it will indicate that a recession in business is under way, but there is reason to believe that this downward trend will not persist through the spring," the bureau said.

After season adjustment for season variation, the bureau said, business climbed 9 per cent over January and was 11 per cent above February 1959.

Texas Business To Highest Point

AUSTIN (UPI) — The index of Texas business soared to its highest point in history during February, the University of Texas Bureau of Business Research reported Saturday.

The index was 238 per cent of the 1947-49 base. The previous high index was 226 per cent in July 1959.

"This strength in the major indexes of business furnishes strong support for the thesis that the decline in January was a temporary, erratic variation, with the outlook for 1960 still favorable," the bureau said.

After season adjustment for season variation, the bureau said, business climbed 9 per cent over January and was 11 per cent above February 1959.

Opponents Edgy As Voting Nears

Humphrey Accuses Kennedy Of Waste

MILWAUKEE, Wis. (UPI) — The heated Wisconsin presidential primary boiled nearer its day of decision Saturday with Sen. Hubert Humphrey attacking his opponent's "extravagant" spending, and Sen. John Kennedy bemoaning the facts his "chief competitors... remain safely on the sidelines."

Humphrey (D-Minn.) whipped around the state in a chartered DC-3 airliner, while Kennedy went by bus through Milwaukee County in their final assaults for votes in Tuesday's primary — one which will be watched intently by politicians from Main to Hawaii.

Both men will concentrate their firework Sunday and Monday in the populous Milwaukee area, where the state's popular vote will be won or lost for them.

Humphrey said at Madison that Kennedy is outspending him four to one in Wisconsin and charged that the Massachusetts senator had spent more on gasoline for his Conair airplane "than I have for television."

Humphrey, a self-styled poor man in the race, said Kennedy's campaign in this state "is the most highly financed, the most push, the most extravagant in the history of politics in the Midwest."

Kennedy, however, ignored Humphrey and in a speech at Milwaukee wrote off the Minnesota as a minor competitor for the Democratic presidential nomination.

Farm Day In Marshall Quiet

MARSHALL, Tex. (UPI) — Police and deputy sheriffs arrested six more Negroes Saturday for picketing a drugstore with a segregated lunch counter.

They joined in jail 49 other Negroes arrested for previous demonstrations in this tense East Texas town.

The racial unrest in Marshall was particularly evident Saturday. Farmers from the surrounding areas, most of whom are dead-set against integration, crowded into the town square.

The 49 in jail Saturday when the pickets were arrested were demonstrators re-arrested Friday. The 49 were among Negroes

originally arrested Wednesday, but against whom charges were withheld on condition there were no new demonstrations.

Sixteen Negroes, in addition to the 49, were arrested Friday directly after sitting down at a segregated lunch counter. But the 38 were released in 1100 bond each.

Negro terms canvassed the community for bond pledges and late Saturday had effected the release of 23 students.

In another development, Hiram S. Post Jr., who runs a discount house at a highway junction two miles south of the city, said he

Dam Project Tops On List For Amarillo

AMARILLO (UPI) — The Amarillo Chamber of Commerce Saturday released the results of a series of meetings of more than 200 business and professional leaders which the chamber said indicated that what the city wants most is the proposed Canadian River Dam.

The meetings were held to review a five-year program of work which the chamber adopted in 1957. The dam topped the list then, also.

The dam was authorized by Congress as a Bureau of Reclamation project 10 years ago last December. For several years, the Canadian River Municipal Water Authority, composed of 11 Panhandle and South Plains cities — Borger, Pampa, Plainview, Lubbock, Tahoka, Slaton, Brownfield, Levelland, Lampasa, O'Donnell and Amarillo — attempted to finance construction of the dam by private means.

Medicos Elect Pampa Doctor

The 1962 convention of the Panhandle District of the Texas Medical Society will be held in Pampa, it was announced today by E. O. Wedgeworth, chamber of commerce manager.

Wedgeworth said Dr. Joe Donaldson, in Lubbock with a Pampa delegation to the 1960 TMS convention, gave him the news Saturday by telephone.

Dr. M. McDaniel of Pampa was elected president for 1962 of the Panhandle group at Saturday's meeting.

It is expected that more than 250 doctors from the Panhandle will attend the convention.

JOIN SHERIFF'S DEPUTIES — Three big German Shepherd dogs, trained to attack on command, joined about 40 state agents and sheriff's deputies on guard on the courthouse lawn at Marshall, Tex., where bitter Negro college students threatened new demonstrations. When newsmen asked Ranger Capt. Bob Crowder what the dogs were for, he smiled and said: "Pretty, aren't they."

Open House For Community Today

Entrance, Lounge Completed At Fairview Cemetery

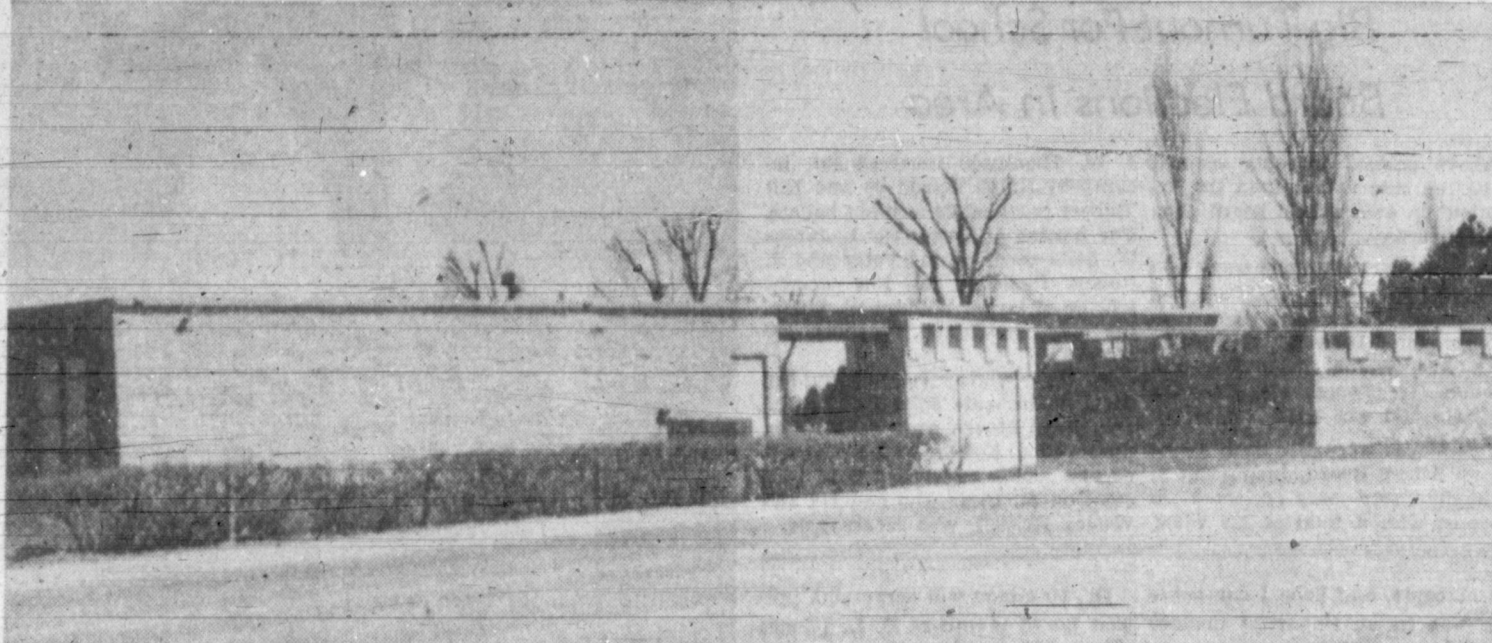

Open-house will be held today from 2 to 5 p.m. at Fairview Cemetery's new office and lounge. The building, and new entrance, completed at a cost of approximately \$35,000, was a gift from the Lovett estate through the Gray County Foundation. Containing an office, modernized lounge and two rest rooms, the building was started in September by contractor Bud Hogan. It is built of Tennessee rock and was designed by the architectural firm of Cantrell and Co. The building will be open from 8 a.m. to 5 p.m. daily except Sunday.

Senior Play At Groom April 11

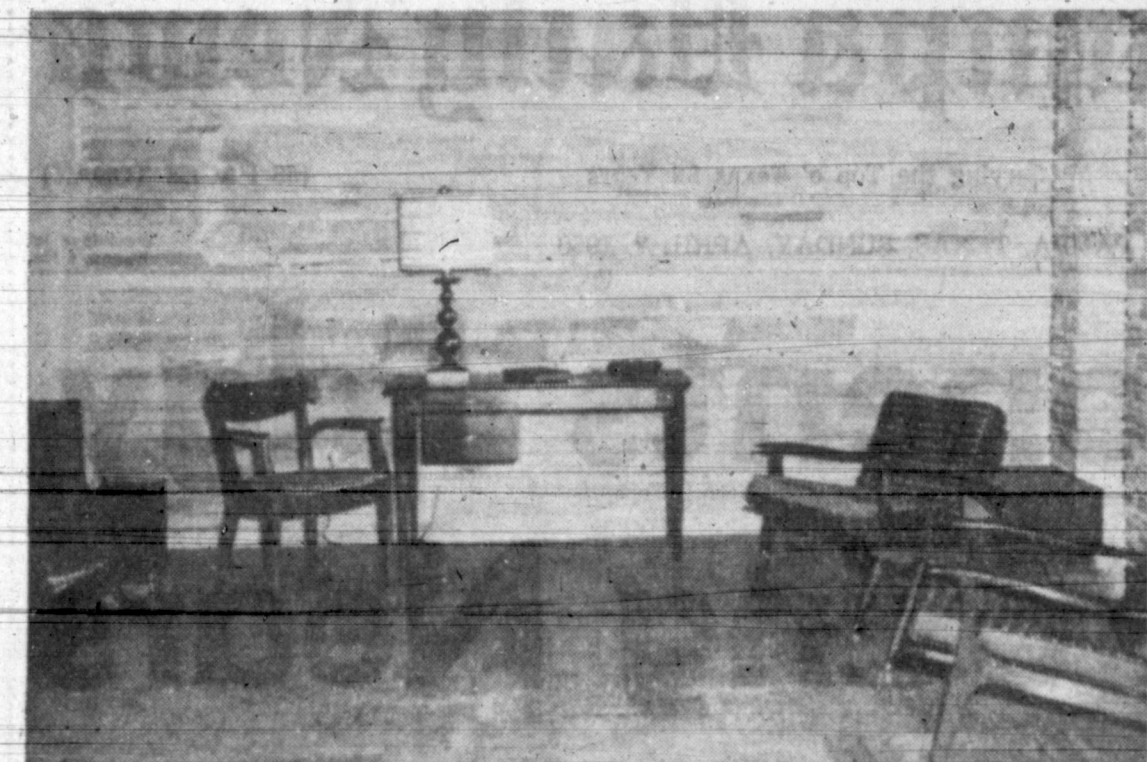

GROOM (Sp) — The entire Senior Class of Groom High School will present its annual senior play April 11, in the school auditorium. Title of the play is "You'll Die Laughing." The comic-mystery farce is full of "chills and thrills."

A porch encloses the building. It is air conditioned the year round, and has a north and south entrance. Hard-surfaced parking space for about ten cars is provided to the east of the structure. Ed Foran, custodian at the cemetery for the past 28 years, said Fairview was started originally in 1904 by a gift of 10 acres of land from White Deer Lands when Eugene V. Dobbs, a ranch hand, died at the XIX ranch headquarters at the site of the present town of White Deer. C. P. Buckler was manager of the company at the time of the gift. Since that time an additional 22½ acres have been purchased from individuals. Foran said, "It has been interesting to see Fairview grow from a plain old cow pasture to its present modern beautiful state."

"Fairview is a cemetery completely owned and operated by the people of Pampa," he observed. "The original gift was made to the people of Pampa, and subsequent purchases of additional ground have been made by those people," he concluded.

ENTRANCE — View above shows new office, lounge and entrance to Fairview Cemetery. Building in left foreground is office and lounge. Walk-in entrance is at center and driveway is opening at right. The structure was built entirely of Tennessee rock and is a gift from the Lovett Estate through the Gray County Foundation. (Daily News Photo)

LOUNGE — Pictured above is the east end of the new Fairview Cemetery lounge. The building, along with a new entrance to the cemetery and an office, have just been completed at an approximate cost of \$35,000. Pampa Librarian To Attend Annual Library Conference

Mrs. Lillian Snow, head librarian of the Lovett Memorial Library, will leave Tuesday for San Antonio for the 47th annual conference of the Texas Library Association. Nearly 2,000 are expected at the four-day convention. Round-the-clock activities will carry out the conference theme of "Timelessness — The Fourth Dimension in Books," with national and state literary and library figures listed on the agenda. A public libraries division pre-conference workshop heads the calendar for Wednesday. First general session Thursday afternoon at the Hilton Hotel headquarters will be highlighted by an address by author Joseph Krumboltz, winner of the 1960 Newberry Award for excellence of his book for children, "And Now Migdell." Harvey Swados, novelist, essayist, and English professor at Sarah Lawrence College, will feature the second general session when he speaks Friday night on "The Novel — Time's Enemy or Its Accomplice." Dr. Cyril O. Houle, distinguished educator of the universities of Chicago and Wisconsin, will deliver the main closing address at the third general session on Saturday morning when he talks on

place, San Antonio College Librarian, is the 1960 conference chairman and William Holman, San Antonio Public Library director, is the program chairman of the 47th annual meet.

Insurance Coverage Lack On Homes Goes Unnoticed

By HENRY J. BECHTOLD United Press International

NEW YORK (UPI) — A word to the wise is sufficient. So, if you haven't reviewed the insurance coverage on your home recently, do it now. This advice comes from John C. Weghorn, president of the insurance brokerage firm bearing his name who estimates that most homeowners today have only about 75 per cent coverage on their houses. Much too often lately reports on dwelling fires include the statement: "Structure and contents partially insured."

Sure, Weghorn notes, coverage was adequate when the house was bought. But inflation in construction and other costs of replacement, plus the acquisition of additional possessions were not accompanied by a comparable up-coverage.

In most cases a homeowner has to be struck by some mishap before he learns with anguish that his insurance planning has

been inadequate. Fire insurance and extended coverage for such things as storm and civil combustion is not enough, according to the insurance expert. The homeowner also needs protection for liability, theft, window breakage, falling tree and ice, and leakage or overflow from plumbing, heating, air conditioning and other domestic equipment.

A homeowner now can obtain protection for all perils in one package, which cuts his premiums as much as 15 to 20 per cent in most areas because it eliminates the need for a series of policies.

Picketing Of Dime Store Chain Urged

United Press International

Sitdown sympathizers called for coast to coast picketing of the giant Woolworth dime store chain Saturday in support of Southern lunch counter demonstrations.

The nationwide move, however, drew only light response in the South.

There was little if any new picketing of Woolworth stores in southern cities, but for the third, fourth and fifth straight Saturdays pickets marched before red and gold Woolworth store fronts in cities from New York and Washington to Los Angeles and Portland, Ore.

The picketing was called by the Congress of Racial Equality (CORE), with headquarters in New York. CORE said it expected picket lines at Woolworth stores in 25 states.

The Africans stopped short of the police barrier and district police commandant Maj. J. J. Rheeder ordered them to return to Nyanga. For a few tense minutes it looked as though the Negroes would storm the police line, but they finally turned and went home.

er, Jan Grady and Juanell McDonald. The french horn quartet is composed of Bobby Whitley, John Holloway, Rickie Stewart and Kenneth Baxter.

Comprising the second clarinet quartet are Marilyn Davenport, Judy Allen, Carroll Peoples and Beverly Langley.

The Band Boosters Club has set the date of the Harvesters Band Banquet as May 10.

The Weekly Message Of Inspiration Come to Church

Austin T. Moore, Pastor
Church of the Nazarene

MAKING THE RIGHT CHOICE

Text: Ruth said, "Entreat me not to leave thee, or to return." Ruth 1:16, 17.

All the elements of a true choice of God are here. It involved definite decision. But right decision has rich rewards.

1. Ruth's choice was an humble choice. She had nothing to offer but herself.
2. It was an affectionate choice. Her heart was with Naomi. Her desires reached forward to Naomi's homeland.
3. Ruth's choice was a complete, entire one. She made the exchange, the transfer of herself freely, completely, without reserve.
4. Her choice was a determined one. "Lovely and gentle as she appears, humbly and affectionately as she pleads, there was great dignity and firmness in her stand."
5. Her choice was an instant one. She asked no time for consideration. Her mind was made up. Her decision was settled.

All the suggestions apply to our deciding for Christ. If we want to become Christians we must, like Ruth, choose the Christian's God. If we want to become Christians, we must choose the Christian's path. Where thou goest, I will go. If we want to become Christians, like Ruth in the text, we must choose the Christian's habitation: Where thou lodgest, I will lodge. If we want to become Christians, we must choose Christian associations. Thy people shall be my people. Ruth's choice was a deliberate one for the true in society, in worship, in country, in people, and for the true God. She received her reward. She became an ancestress of the world's Redeemer.

Activities Scheduled For Library Week

Lovett Library A Cultural Center

By GYLYNDA PFLUG
Daily News Staff Writer

In February of 1954 a contract was awarded to begin construction on one of the most outstanding projects Pampa has witnessed.

The result of that construction, Lovett Memorial Library, stands on Houston street, bounded by Kingsmill and Foster.

Today begins National Library Week, and it will be launched with an open house at the library from 3 to 5 p.m. of this afternoon. Everyone is invited to "take a coffee break at Lovett Memorial Library." Each morning during the week, coffee will be served from 9 to 11. Theme of the week is "Open Wonderful New Worlds—Wake Up and Read."

Funds from the Henry B. and Fannie Lovett made possible the impressive modern structure. The Lovetts, one of the pioneer families who first settled in this area, left an estimated one-million-dollar estate. In her will, Mrs. Lovett stated, "My husband and I accumulated in Gray County, Texas, what we had during his lifetime and what I have today. I, therefore, enjoin my trustees that I wish them to select such organizations organized and operated exclusively for charitable, scientific, literary, and educational purposes as have their principal operations and activities in Gray County, Texas."

In June, 1953, trustees of the estate, M. K. Brown, C. P. Buckler and Dr. W. Purviance, announced plans for the library and selected the site of the Lovett home in Pampa for the building.

More than one-third of the estate was spent to build Lovett Memorial Library.

Construction began in mid-March as work started on sidewalks, curbs and dirt work.

Estimated cost of the building was \$330,000 and the value of the property was listed as \$20,000.

Today the library houses approx-

imately 18,000 books and has accommodations for 50,000. It covers 13,500 square feet, is 216 feet long and 108 feet wide.

During the summer of 1954, G. L. Cabot, of Cabot Companies Inc., announced a \$60,000 endowment to the library "to be used for the purchase of books and periodicals."

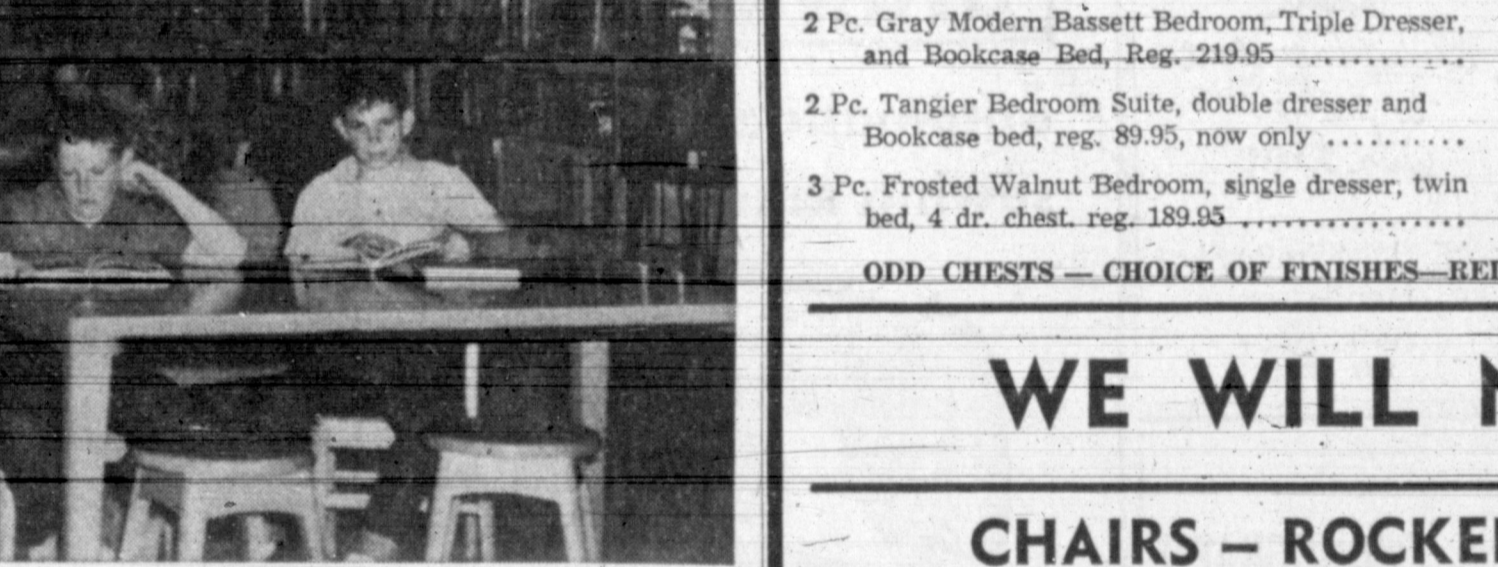

Tuesday, January 18, only 10 months and 28 days after the contract was awarded, Dr. James P. Cornette, president of West Texas State College, made the dedicatory address at the dedication ceremony. Trustees of the estate turned the library over to the city of Pampa as "a gift of the Lovetts."

"Everyone agreed it was quite a change from the former library which was in the basement of the city hall for 22 years previous to

the construction of Lovett Memorial Library," recalled Mrs. Lillian Snow, head librarian.

The library employs five persons full-time and one part-time worker. Mrs. Lillian Snow was librarian at the Pampa City Library and moved to Lovett Memorial Library as head librarian at its opening. Mrs. Helen Gould, children's librarian, is in charge of book selection. Assisting Miss Gould is Miss Lynn Tatum. Mrs. Gordon Crinklaw is secretary of the library and assistant at the circulation desk. Part-time employee is Mrs. Lady Bryant who works in the processing department. Jack Leasher has been custodian of the library since its opening five years ago.

Activities of the library are guided by members of the Library

Texans Continue To Drive Safely

AUSTIN (UPI)—The 13th straight week of major reductions in Texas traffic deaths went into the record books Saturday.

Gov. Price Daniel announced that the highway death toll so far this year has been 392, compared with 501 deaths during the same period in 1959.

Department of Public Safety figures thus far in 1960 show 824 traffic accidents, compared with 450 for the same period last year. The reduction amounts to approximately 25 per cent in both deaths and fatal accidents.

TEXAS PLAYER ACQUIRED—CUERNAVACA, Mexico (UPI)—Outfielder Nate Peeples, recently acquired from the San Antonio Missions began training here Saturday with the Mexico City Red Devils baseball team.

Texas Voting Strength Grows

AUSTIN (UPI)—Voting strength in Texas is up from the last major election year by 190,000 with more than 2.5 million citizens now eligible to cast ballots in the coming presidential election.

The new official estimate of eligible voters was made by State

Comptroller Robert S. Calvert. Results are complete in all but a few counties, he said, but usually accurate estimates have been made on those.

A total of 2,599,924 Texans have either paid their poll tax or received exemptions this year. Last year, with no major elections scheduled, only 1,808,727 persons qualified.

TU Ex Students Elect President

AUSTIN (UPI)—John B. Holmes of Houston Saturday was elected president of the University of Texas Ex-Students Association.

Holmes succeeds Sterling Holloway of Fort Worth and Austin. Holloway becomes chairman of the council's executive committee. Other alumni officers elected were Tom Fogue of Corpus Christi, first vice president; Franklin W. Denius of Austin, second vice president; and George K. Meriweather III of Austin, treasurer.

Stamp Club Exhibit Slated

The Golden Spread Stamp Club of Amarillo will hold its first philatelic exhibition April 9 and 10 in the U.S. Army Reserve Center at 2801 Duniven Circle in Amarillo.

The show will be open to the public from 10 a.m. through 9 p.m. on Saturday, and from 2 to 5 p.m. on Sunday.

Special attractions at the show

will include a six panel exhibit covering "The Birth of a Stamp" featuring the United States 4 cent St. Lawrence Seaway commemorative issued in June, 1959, and a three panel display on the recent 4 cent Boy Scout commemorative issued in February.

A special display of United Arab Republic stamps has been obtained from New York and will be shown at this exhibition.

WANT BIG LEAGUE BALL

OTTAWA (UPI)—Nova Scotians apparently have a liking for major league baseball. Revenue Minister George Nowlan received a 12-foot telegram in the Commons Wednesday urging the Canadian Broadcasting System to carry big league baseball.

"The matter will receive careful attention," Nowlan said.

Six Records Broken At Amarillo Relays

AMARILLO (Sp.) — Six records were broken (two of them twice) in the Amarillo Relays here Friday and Saturday as the favored Albuquerque, N.M. team romped to victory with 33 1/2 points.

Next in the Class 4A division were Tascosa with 26, Snyder 17 1/2, Palo Duro 17, Albuquerque Highland 14 1/2, Amarillo 13 and Borger 12 1/2. Pampa didn't score a point.

Two Pampa tracksters and one relay team qualified Friday, but none of the finished high enough to score a point Saturday. Buddy

Rawls was sixth in the broad jump with a leap of 19 feet, 11 inches; Tommy Locke survived Friday's first round in the low hurdles, but failed to qualify for the finals; and the mile relay team of Steve Dobbin, Locke, Roy Dyer and Dwain Urbanczyk finished sixth in that race, won by Albuquerque with a record time of 43.1.

That record broke a mark of 43.4 set by the same Albuquerque team in Friday's preliminaries, and that in turn broke a record of 43.5 set by Pampa in 1954.

Ray Etherly of Albuquerque set a record of 9.5 in the 100-yard dash preliminaries Friday, then tied the same mark in the finals. The old record of 9.5 was set by Joe Chidress of Odessa in 1950 and tied in 1953 by Frank Daugherty of Clinton.

Stanley Woolver of Snyder set a record of 19.5 in the low hurdles Friday, then ran a 19.3 Saturday. The old mark was 19.7, set by Kenneth Fannon of Odell in 1953 and tied by Jim Blair of Albuquerque Highland in 1958.

Del Blanks of Albuquerque set a new standard in the broad jump in

The Short Line

By RED GRIGGS

Larry Tarvin of Pampa recently led the Eastern New Mexico University golf team to a 6 1/2 to 5 1/2 win over West Texas State, in a match played at Amarillo.

Tarvin, who played last year on Pampa High School's golf team, shot a one-over-par 71 (the second best score of the day), to beat his opponent 3-0 and become the top point getter for his team.

This was the second win of the year for Tarvin and his ENMU team mates.

Larry Cruise of Pampa, playing for the Howard County Junior College basketball team, has been named to the all-regional and all-state junior college teams.

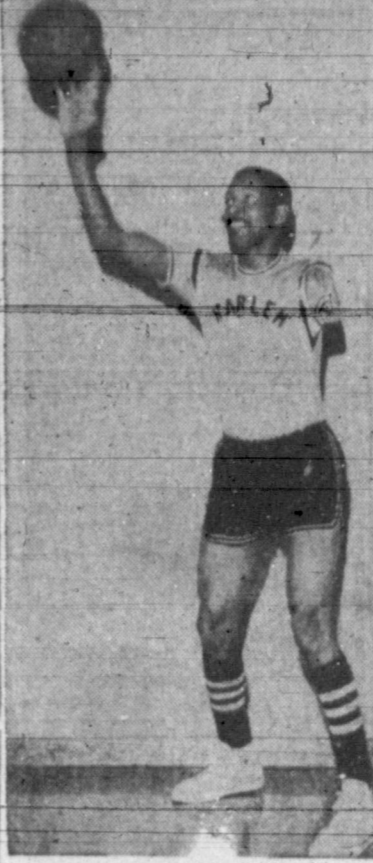

Howard County compiled a 34-4 record for the season, winning the consolation title at the National Junior College tournament. They won the Texas Junior College Conference with a 14-1 mark, and captured the San Antonio and Big Spring tournaments.

Cruise was a spark plug of the team throughout the year.

The Roy Harris-Sonny Liston bout April 25 in Houston should provide the next challenger for the heavyweight title. Liston, with a great knockout record, has had trouble getting anyone to fight him. Harris is an underdog, but a win over the powerful Liston should earn him a crack at the winner of the June 22 Johansson-Patterson title bout.

Spring football training is underway at West Texas State College, with 62 candidates reporting. It will continue until April 22 or 23, when a full-scale intra-squad game will be held. A scrimmage, open to the public, will be held this Saturday at 2 p.m.

BOID BULE
...one-armed wonder

Harlem Stars Here Tuesday

The Harlem Stars, a branch team of the Harlem Globe Trotters, will be in Pampa Tuesday for a game with the Citizens Bank basketball team. The contest will be played at 8 p.m., at Carver Gymnasium.

The Stars featured the same combination of showmanship and solid basketball which has made the Globe-Trotters world famous.

Featured players for the Stars team are their "clown prince," Showboat Buckner, and a one-armed player, Boid Bule.

Buckner, only 5-2, is known as one of the greatest clowns in basketball, as well as a fine shooter. His comedy antics, combined with his cat-like agility around the fore court, have been the despair of his opponents and the delight of millions of fans throughout his long career.

One of Buckner's specialties is the "peggy-back shot," in which the short Buckner climbs on the back of a tall team mate and dumps the ball through the hoop. Buckner was an all-state player

while at North Carolina College, and a star with the Broadway Clowns after leaving college. While he was in the service, he was voted the most valuable player in the Second Army. Buckner's set shot is considered one of the best in the business.

Bule, with only one arm, has long been outplaying many two-armed cagers. He lost an arm 15 years ago in an automobile accident, but went on to play college ball at Tennessee State College and lead his conference in scoring. He scored 41 points against one team.

He has been playing for the Harlem Stars for 10 years, and is now among their high point men. When he shoots, he gets his hand under the ball, and gets away a high, arching push shot. He has proved quite accurate with this shot.

When taking a pass, he hooks it with his one hand and traps it against his wrist, ready to pass, dribble, or shoot. He is considered the best passer and playmaker on the team, and has developed a knack of making one-handed interceptions, spearing the ball with his good hand and tucking it under his chin.

Bule is at a disadvantage only under the backboards, but this is due as much to his height (6-2) as it is to his having only one arm.

The Citizens Bank team has a 35-3 record for the year. It won the Perryton and Kellerville tournaments, and won third place at the regional tournament in Lubbock.

Probable starters for the Citizens Bank team are Dean Evans, Sam Condo, Don Fagan, Roy Pool and James Lee. Other team members are Dickie Mauldin, Delbert Daniels, Gerald Montgomery and Troy Smith.

There will be no advance ticket sale. Tickets will be on sale at the door for \$1.25. High school student tickets are 75 cents, and elementary student tickets are 50 cents.

Borger Wins Relays Golf

AMARILLO (Sp.) — Borger continued its golf domination here Friday, as it won the Amarillo Relays golf meet with a score of 620. Next were Tascosa with 621 and Amarillo with 656. Lubbock, Palo Duro and Albuquerque Highland also reached Saturday's finals.

Only the top six placers in Friday's 18-hole play went into the 18-hole finals Saturday. Scores of both rounds were counted for the finals. Pampa, with a 244 for the Friday round, failed to make the finals.

Scores for Pampa were David Parker 87, Bobby Howard 84, Virgil Cummings 83 and John Hatcher 90. Leonard Hudson's 93 didn't go into the records, since only the top four scores were counted.

Don Lackey of Borger defeated Billy Henderson of Tascosa in a playoff for medalist honors. Both shot 150 over the 36 holes.

Borger also took the B division title, with 656, followed by Tascosa with 663 and Amarillo with 675. Ralph Coker of Tula was B team medalist with 161.

Scores for Pampa B team were Roy Webb 98, L. D. Steel 95, Marvin Pung 96, Gary Bolick 95, Gary Stanfield's 103, the fifth score, did not count. Pampa's team total was 384, not good enough to qualify for the second 18-hole B team round.

David Pattison, a Pampa High School student ineligible to play with the team, entered the B team tournament as an individual and fired an 85.

880-yard dash — Dennis Caruth, Borger, 2:02.5; high hurdles — Stan Woolver, Snyder, 14.4; 440-yard dash — Artie Gardenswartz, Albuquerque Highland, 50.4; high jump — Ray Etherly, Albuquerque, 6 feet, 2 inches; 200-yard dash — Ray Etherly, Albuquerque, 21.5; mile run — Tommy Davis, Palo Duro, 4:49.1; mile relay, Tascosa, 3:30.3; pole vault — John Osman, Borger, 12 feet, 6 inches.

Athletes from the Pampa area swept the high jump in the class AA-A-B division, and placed in several other events. Robert Neely of Perryton won the high jump with a jump of 5 feet, 3 inches; Duane Stamps of Groom was second with 5 feet, 7 inches; tied for third were Jackie Burns of White Deer and DeLayne Stephens of Canadian, with leaps of 5 feet, 6 inches.

Burns was third in the high hurdles and second in the low hurdles. Stamps was tied for second in the pole vault with a vault of 10 feet, 4 inches. Don Carter of White Deer was second in the 440-yard dash, and Riekke Schaffer of Perryton was third in the low hurdles.

Dow Finsterwald Leads Linksters

WILMINGTON, N. C. (UPI) — Dow Finsterwald, refusing to allow April showers to hamper his game, fired a third round two-under-par 70 Saturday to trim Tom Nieporte's lead in the \$18,000 Azalea Open Golf Tournament to three strokes.

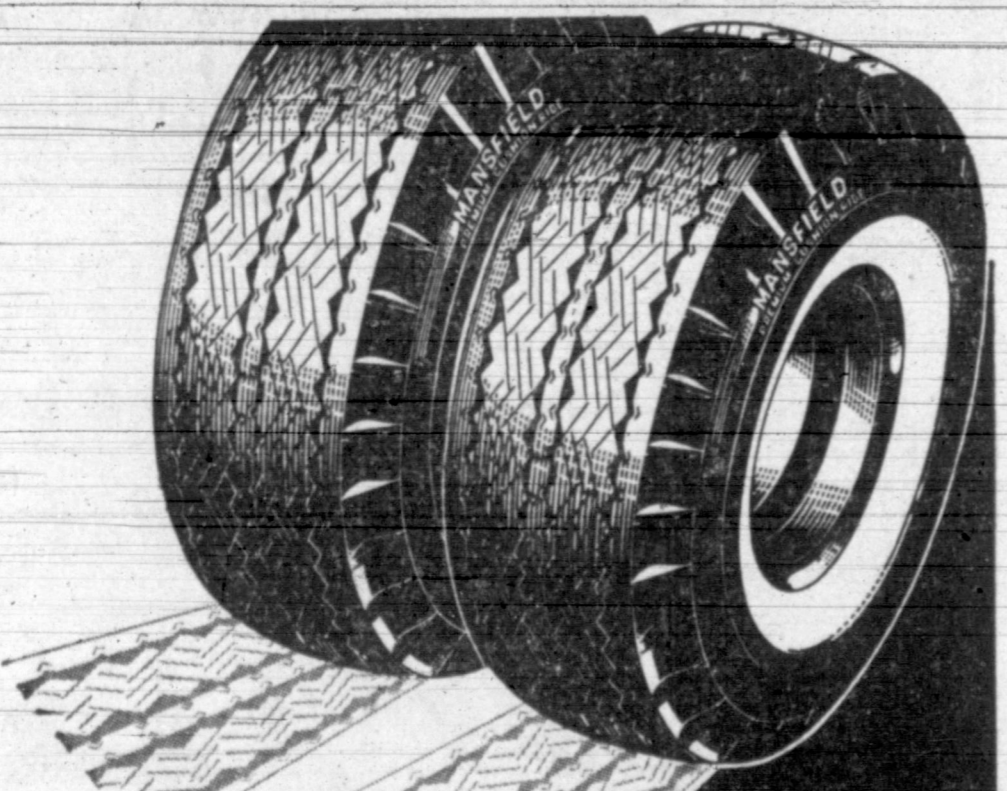

The Tequesta, Fla., veteran golfer put the 70 with a 71 and a 66 for a 207 total. But Nieporte, a fourth year PCA circuit player, carved out a par 72 to go with his 64 and 68 for a 204 third round total.

shortstop, will be Dixie Dean's running mate this year on the TV game of the week broadcasts. Pee Wee has definite ideas of who'll win the National League pennant. He's sticking with his old team mates.

Pampa Baseball Team Splits Pair

Harvesters Give Tascosa 6-5 Win

AMARILLO (Sp.) — Santa Claus came early for the Tascosa Rebels, as they received a "gift" 6-3 baseball win from the Pampa Harvesters here Saturday.

The Rebels went into the seventh inning trailing 5-2, but scored one earned and three unearned runs after two were out to take the District 3-4A victory and cut Pampa's loop record to 2-1.

Tascosa wasn't stingy by any means. All of Pampa's five runs were gifts of the Rebels — three as the result of wild pitches and two directly or indirectly as the result of errors. However, Pampa also gave away five runs, including three of the four in the seventh.

The Rebels opened the seventh with a hit batsman and a walk, putting runners on first and second with none out. The next batter forced the runner at second, and the following hitter attempted a squeeze bunt. Pampa catcher Terry Haralson scooped the ball up in front of the plate and tagged the runner coming in home.

With two out and runners on first and second, Jerry Hodge hit one hard down the first base line. Pampa right fielder Gary Hill made a good play on the ball, picking it up and throwing to second in time to get Hodge, trying to leg out a double. However, shortstop Wendell Ridgway dropped the ball, giving Tascosa a new lease on life.

Pampa Tennis Team Blanked

AMARILLO (Sp.) — Odessa won the class A tennis division of the Amarillo Relays Saturday, scoring 48 points. Next were Lubbock with 38 and Monterey with 26.

Individual class A winners were Jerry Hurst of Oklahoma City; Haralson in boys singles; Joe Rigaby and Duvey Malaise of Odessa in boys doubles; Ona Lee Hendrick of Phillips in girls singles; and Joanna Kirk and Bonnie Boyers of Odessa in girls doubles.

Monterey took the B division with 32 points, followed by Memphis with 28, and Hutchinson Junior High of Lubbock and Bowie Junior High of Odessa, with 20 each.

Pampa's inexperienced tennis team lost all of its four opening matches Friday on one-sided scores, after drawing some of the toughest competition in the tournament.

Benny Lawrence of Tascosa, the defending champion in the class A singles division, defeated David Price of Pampa, 6-1, 6-1. The Pampa B doubles team of Jerry Ford and Gary Storr lost to the Albuquerque High team, 6-0, 6-0. Jackie Fikes lost her class A girls singles match to an Amarillo High school girl, 6-0, 6-0. Janice Giddens lost her class B girls singles match to an Odessa entry, 6-1, 6-1.

Ten-Pin Tales

The Classic League at Harvester Bowl had a "field week" the past week, with five men rolling games of 400 or more. These five were the only men bowling 600 at Harvester Bowl.

Their scores were Marshall Johnson 658, Jessie Smartt 622, Joe Wells 621, Bill Ladd 613 and Howard Musgrave 604.

Several other men in the classic league came close to 600 games. They were Stan Brake, 598; Bill Abernathy 588; N. S. Heggie, 583 and Ray Stephenson, 582.

Johnson's 658 gave him men's bowler of the week honors at Harvester Bowl. June Kelp, a 127 average bowler, rolled a 488 scratch and 652 handicap series, to win women's bowler of the week honors. Lela Swain, however, had the high women's series at Harvester Bowl, a 193-564.

Only two men at Garden Lanes topped the 600 mark. They were manager Gil Burgund with a 247-654 and Jessie Smartt with a 224-607, both bowling in the Parkway League. Metha Ward bowled the high women's series at Garden Lanes, 498, and also turned in series of 464 and 487.

High men's scores, other than those already mentioned at Harvester bowl are L. E. Chisum 212-548; R. H. Cox 214; Keith Robinson, 211; Bill Waggoner 213; Joe Wells 206-650; Doc Zachary 201; Glenn Mitchell 200; Buck Donnell 200; Jim Clifton 200; R. L. Edmondson 200; Walt Hurst 200; Dale Haynes 200; Red Watson 200 and Sid White 200-552.

In addition, 14 series of 500 or better were turned in by Harvester Men's League bowlers. They were Max Hickey 538, G. Vaughn 518, H. Prince 562, N. Pryor 517, J. Berry 519, C. Ashby 538, H. White 578; L. Harris 587; Red Watson 520; D. McGinnis 506; L. Chisum 534; H. Garrison 512 on a 141 average; B. Riddle 524, and

Williams Pitches One-Hitter To Stop Plainview, 3 To 0

By RED GRIGGS
Daily News Sports Editor

Kippy Williams hurled a masterful one-hit shutout for the Harvester baseball team Friday, as they beat Plainview here in a District 3-4A game, 3-0.

The Pampa left-hander, by gaining his third straight victory, walked only two men. The Harvesters committed only one error.

A sharp line drive single to left field by Plainview catcher Joe Ferguson with two out in the first inning, spoiled Williams' chances for a no-hitter.

Plainview had only five base runners during the game—two in the first on a walk and Ferguson's single; two in the second on an

error—and a fielder's choice, and one in the third on a walk. After walking Plainview second baseman Taylor with two out in the third, Williams retired all of the next 13 batters he faced.

Williams struck out eight men, and only four times did Plainview batters hit a ball out of the infield. Ferguson accounted for three of those times, as he got his one hit and fled out twice to left fielder Roy Stephens. First baseman Nicholson also flied out once to Stephens.

Winter, the Plainview hurler, also pitched a fine game. He didn't allow an earned run, but five errors by his team mates in the first and second innings gave the Harvesters all the runs they needed.

In the first inning for Pampa, Bobby Stephens walked and Larry Stroud hit a ground single to right field. Both advanced on a wild pitch. Bobby Nutt slipped a grounder to shortstop. It was boot-ed, and Stephens scored. Gary Hill was hit by a pitch, putting runners on first and third.

Wendell Ridgway flied deep to centerfield, scoring Stroud, for the only run-batted in of the game. Ridgway, who was batting an even .500 after Friday's game (.800 in district play) also got the only extra base hit of the game, a sharply hit ground-ball double down the third base line in the third inning.

Pampa scored its third run in the second inning on three successive Plainview errors. Roy Stephens reached first base on an error by shortstop Reeves. A pitch, or two later, catcher Ferguson threw the ball into left field attempting to pick him off, and Stephens trotted to second. Then, seeing that he might be able to pick up another base, he started racing for third.

Shot Record Set In Texas Relays

14

THE PAMPA DAILY NEWS
SUNDAY, APRIL 3, 1960

52
Ye

AUSTIN (UPI) — Bill Nieder easily announced, "I'm going to throw it 65 feet," then catapulted the 16-pound shot to an official world record Saturday in the 33rd Texas Relays.

The tall, young Kansan picked up a borrowed shot and lofted the ball 65 feet, seven inches, topping Parry O'Brien's 1939 mark of 63 feet, four inches, and a pending standard of 64 feet, six and one-half inches by Dallas Long of Southern California.

Nieder's throw put a luster-finish to one of the most impressive relays in history. A new national collegiate 5,000 meter record was set Friday night by Houston's John Macy.

A crowd of 10,000 stuck it out during the afternoon as streaks of rain clouds turned a sunny sky into a dull sheet of grey. Winds up to 15 miles an hour disqualified records in the straight-away races, and forced runners to wear goggles against the blowing cinder dust.

The meet ended without a champion. As in the Olympic games, official point totals are not kept.

A new vendetta between Bobby Morrow and Jimmy Weaver, formerly of North Texas, never got a chance to develop in the open 200-meters. Going Olympic style around one curve, Ted Woods of Colorado won going away in 21 flat. Weaver was second and Morrow third.

Morrow edged Weaver by an inch in an open 100-meter dash Friday night.

Nieder's record throw made a total of six new marks established in the two-day meet.

His throw sailed beyond the Memorial Stadium shot put course and bounced at the foot of a wooden fence 66 feet away from the launching circle. Nieder, an Army first lieutenant, is stationed at the Presidio of San Francisco.

Texas' Ray Cunningham got a nice wind-assist to sail to a 13.9 victory in the 120-yard high hurdles. Teammate Ralph Alspaugh scampered to first in the 100-yard dash in 2.7.

Michigan's foursome of Earl Dearoff, David Martin, Tony Beth and Ergas Leps captured the university two-mile relay in 7:49.7. Howard Payne won the same event in the college class in 7:45.0 with Willie Myers, Don Evey, Glen Evey, Glenn Petty and David Nole handling the baton.

John West, James Baird, Freddie Schaefer and Sidney Garton paced East Texas State to a 42.1 victory in the college 440-yard relay.

Baylor's quartet of Roy Small-

ey, Tommy Minter, Billy Hollis and David Alexander took the university 400-relay in 4:14.

The meet ended without a champion. As in the Olympic games, official point totals are not kept.

A new vendetta between Bobby Morrow and Jimmy Weaver, formerly of North Texas, never got a chance to develop in the open 200-meters. Going Olympic style around one curve, Ted Woods of Colorado won going away in 21 flat. Weaver was second and Morrow third.

Morrow edged Weaver by an inch in an open 100-meter dash Friday night.

Nieder's record throw made a total of six new marks established in the two-day meet.

His throw sailed beyond the Memorial Stadium shot put course and bounced at the foot of a wooden fence 66 feet away from the launching circle. Nieder, an Army first lieutenant, is stationed at the Presidio of San Francisco.

Texas' Ray Cunningham got a nice wind-assist to sail to a 13.9 victory in the 120-yard high hurdles. Teammate Ralph Alspaugh scampered to first in the 100-yard dash in 2.7.

Michigan's foursome of Earl Dearoff, David Martin, Tony Beth and Ergas Leps captured the university two-mile relay in 7:49.7. Howard Payne won the same event in the college class in 7:45.0 with Willie Myers, Don Evey, Glen Evey, Glenn Petty and David Nole handling the baton.

John West, James Baird, Freddie Schaefer and Sidney Garton paced East Texas State to a 42.1 victory in the college 440-yard relay.

Baylor's quartet of Roy Small-

ey, Tommy Minter, Billy Hollis and David Alexander took the university 400-relay in 4:14.

The fall, young Kansan picked up a borrowed shot and lofted the ball 65 feet, seven inches, topping Parry O'Brien's 1939 mark of 63 feet, four inches, and a pending standard of 64 feet, six and one-half inches by Dallas Long of Southern California.

Nieder's throw put a luster-finish to one of the most impressive relays in history. A new national collegiate 5,000 meter record was set Friday night by Houston's John Macy.

A crowd of 10,000 stuck it out during the afternoon as streaks of rain clouds turned a sunny sky into a dull sheet of grey. Winds up to 15 miles an hour disqualified records in the straight-away races, and forced runners to wear goggles against the blowing cinder dust.

Celtics Take 2 to 1 Lead

ST. LOUIS (UPI) — The defending champion Boston Celtics rebounded in the second half Saturday to beat the St. Louis Hawks 102-88 and take a 2-1 lead in the National Basketball Association's title series.

The fourth game of the best of seven set will be played here Sunday afternoon. The fifth is scheduled for Tuesday night in Boston.

The Celtics outscored St. Louis 48-31 in the second half Saturday to erase a 55-54 halftime deficit. A tight Boston defense and the scoring work of Tommy Heinsohn and Frank Ramsey, along with the playmaking of Bob Cousy and the rebounding of Bill Russell, were key factors for the Celtics.

Heinsohn, like Cousy a former Holy Cross great, led all scorers with 20 points. Ramsey, an ex-Kentucky University All-American, contributed 24.

Bob Pettit bagged 23 points for St. Louis but both he and Hawks suffered an offensive collapse in the final two periods. The Celtics limited Cliff Hagan to 16 and Clyde Lovellette to 15.

After shooting .512 in the first half, St. Louis wound up with only .325 for the game. 32 baskets out of 81 attempts. The Celtics finished with 44 on 59 goals in 86 shots.

Pampa's First Lady For 1960

...selected by Beta Sigma Phi Sorority

Mrs. J. T. (Dona) Cornutt will be honored this afternoon at three o'clock with a Recognition Tea in the City Club Room.

Beta Sigma Phi Sorority makes this annual award to women of the community who have contributed the most time, service, and effort throughout the year to community progress and betterment.

Mrs. Cornutt, as a former member of Beta Sigma Phi, worked on the first Woman of the Year Tea, which the sorority sponsored in 1945. This year, with a great deal of pride, the sorority is introducing Mrs. Cornutt as their choice for the Woman of the Year.

ART WORK — Mrs. Cornutt shares her mother's love of beauty. She and her mother, Mrs. C. P. Pursley, are active members in the Pampa Art Club and the Cornutt home is filled with objects of art, oil paintings and china painting, which they have made. Mrs. Cornutt and Mrs. Pursley are pictured above putting the finishing touches on a mosaic table, which has just been

completed. The table is one of a pair, which may be used together as a round coffee table or separated for use as end tables. Mrs. Cornutt also illustrates her creativeness in sewing. She makes most of Molly's clothes, though she learned to sew after she was married. She enjoys knitting, does needle point and braids rugs.

FAMILY PORTRAIT — The First Lady of Pampa for 1960 with her children, Molly, 12, who is a student at Robert E. Lee Junior High; Doc, 10, and Jimmy, 9, students at Sam Houston elementary school. In addition to their school life, Mrs. Cornutt shares with them a love of horses. They own two beautiful Bays, Tips and her

daughter Sunday, which are kept at the ranch. Mrs. Cornutt made herself learn to swim so that she could do more things with her children and is now determined to learn to water ski and ride a bicycle. At a piano recital one year, Mrs. Cornutt played with her daughter as a duo.

SUNDAY SCHOOL TEACHER — Mrs. Cornutt and her family are members of the Harvester-Mary Ellen Church of Christ, where she quietly takes a part in a great many phases of its work. She teaches a sixth grade Sunday School Class; and when needed, helps with the church bulletin and office work. When there is a death or illness within the church membership, Mrs. Cornutt is the committee chairman that can be depended upon to see that food and words of condolence are given to the bereaved. She has, upon occasion, conducted Bible classes, when the minister has been called away.

Mrs. Cornutt was born and reared in Miami. She was graduated from Harding Christian College in Searcy, Ark., where she was voted Best All Around Girl in col-

lege; served as editor of the college annual; did dramatic work and sang in the Glee Club.

Upon graduating as a business administration major, she worked as an accountant for the government in Amarillo and Denver, Colorado. She moved to Pampa in

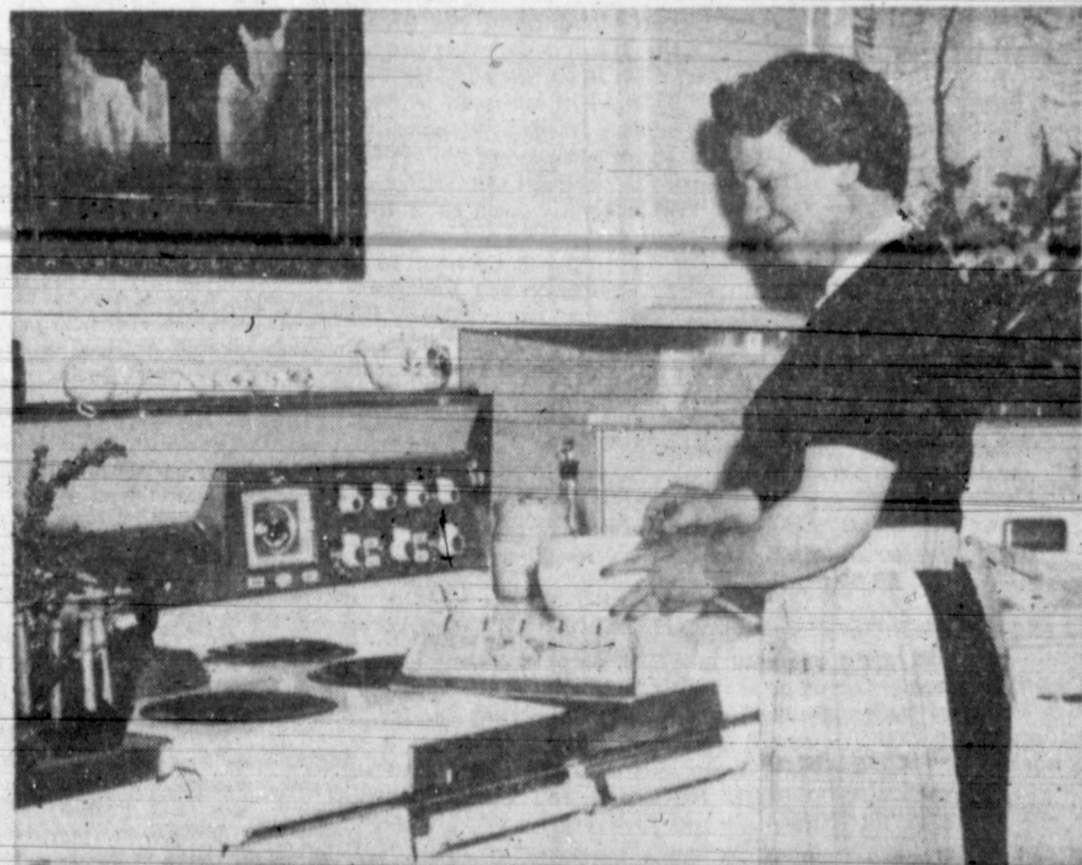

1942, during the war, to help her father, C. P. Pursley, in his motor company office.

A generous and warm-hearted person, who cheerfully and willingly shares her time

and talents with others, she is the type of person you like to have for a friend.

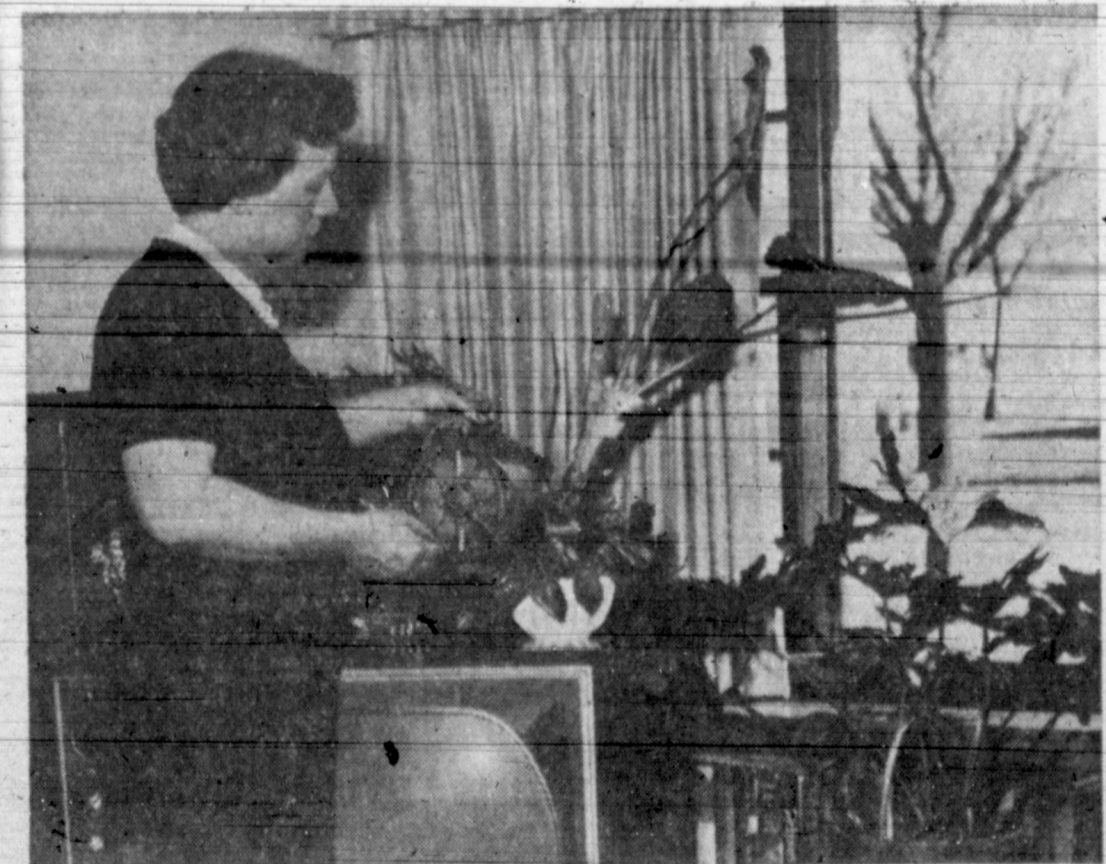

ON THE PHONE — Serving as president of Sam Houston PTA this year, as City Council PTA publicity chairman, as an instructor for a City Council sponsored PTA procedure course; and as district publicity chairman correlating the local publicity in preparation for the fifth annual District 19 PTA Spring Conference to be held in Borger April 25-26, the phone and Mrs. Cornutt are inseparable companions. Throughout her three children's school life, she has taken an active interest in her children's welfare as well as those of other children. She has served as room mother; as Cub Scout Den mother for two years, while her sons were participating in Boy Scouts; and as a Brownie Troop leader for two years, while Molly was a Brownie.

EXCELLENT COOK — As mothers know, the above is not a posed picture but is a familiar scene in a home where there are growing boys and girls. Mrs. Cornutt is an excellent cook, because she enjoys cooking and has since she learned to cook as a young girl in Miami standing on a box at the kitchen stove. Takes quite a lot of energy to have a paper route, which both boys do; and to be basketball

players. (Doc was one of the high scorers on the Sam Houston Basketball team and was named one of the All-Stars, and to be a cute young Junior High School Miss, so Mrs. Cornutt with her culinary talent provides the nourishment for all of these activities; as well as for herself, for she helps roll the newspapers and deliver them on the route; and shows her loyal support of the team by attending basketball games.

GREEN THUMB — Mrs. Cornutt's love of beauty extends beyond her home, which is filled with plants and flowers and which she nurtures and cares for as you would a baby, to the community. Under her leadership as president of the Pampa Garden Club this year, there is beautiful evidence of this interest. She was a tireless worker in appearing before local civic clubs ask-

ing not only for money but for donations of time, cooperation and effort in promoting gardens in the city. She also worked on the Coronado Inn committee to raise funds for landscaping the grounds around the Inn. And going outside of her local community, Mrs. Cornutt has been appointed Litterbug Chairman for the Texas Garden Clubs, Inc.

WONDER WHAT WILL HAPPEN to those of us who have inadvertently lost or destroyed the census forms, which come in the mail recently... we feel like we have destroyed or confiscated government property... we distinctly remember that our forms arrived on the last day of the Amarillo trials... as we heard the mailman adjusting the top of our mail-box, after he had deposited the mail, somehow we maneuvered our way from our chair, across the room... eyes glued to the TV all the while... we hurriedly snatched the rolled-up forms from the box... and dashed back to our chair without missing much of the lurid dialogue... we dimly remember thinking the paper in our hands was a handbill, which we could read later on... but from thereon we draw a blank as to what happened to the United States Government Census forms... we've searched high and low... and they are simply not to be found... we hope that this is not a militia matter... in comparing stories with friends we discover that some are in the same plight... either their baby or dog tore them to bits, or the forms became waste-basket material before they realized what they actually were.

It is not every calamity that is a curse, and early adversity is often a blessing.
(James Sharp) ... we hope!

IN VIEW OF THE ABOVE confession, we had best hurry on with this week's column before we get carried off to the "pokey"... things are beginning to hum and buzz out Country Club way in preparation for Springtime and Summertime activities... there is always something fascinating going on around the club... bridge and bridge luncheons... family dinner parties... anniversary celebrations... parties-just-for-fun... always golfing, of course... but somehow things pick up tempo when we emerge from one season into another... Norman and Grace Henry did such a wonderful job last year heading up the entertainment committee... now they've handed over their responsibility to Jack and Joan Osborne, who will have a head full of ideas to keep things interesting and busy for the next year... they will also correlate the work of all the committees, which they have appointed... Eben and Alice Warner, as dinner-dance chairmen, are making plans for the Country Club Spring Formal which will be held May 5... hear that Charley Spivak's orchestra will play for dancing... Ann McAnelly has enlisted the help of Bonnie Chambless, Jane Harvey, Nadine Douglass, Barbara Beaman, Norma Groom and the Easter Bunny to help with an Easter Egg Hunt which they are planning for Bunny Believers on April 16... and the very important job of writing up club activities has been allocated to Audrey Robison... who does such an interesting column for Cabot's magazine, "The Flame"... and a nice honor is reflected on the club with the naming of Lil Hall as president of the Panhandle Ladies Golf Association... which means there will be lady golfers all over the club when they have their Panhandle luncheon here on April 29... so, see what we mean, by things humming and buzzing... but we, along with hundreds of others, can hardly wait for June 4 to roll around... which is the date the Country Club Pool will open, it's been such a long, hard, cold drawn-out winter... we are looking forward to spending some lazy warm afternoons poolside... watching the more energetic ones swimming... and chit-chatting with other sun-bathers.

OH, ONE OTHER THING, we simply must mention... Mildred and Frank Smith, Luke and Aline McClelland, Zee and Russell Holloway have some clever plans up their clever sleeves for the Club Buffet set for April 23... the decoration theme is to center around remodeling plans which are in the offing at the Country Club... wonder how they will work that out? imagine there will be miniature trowels, cement-mixers, carpenter tools, nails and hammers all over the place.

TRITE BUT TRUE, Spring is "busting" out all over... and as cases in point, we saw Jimmy and Rosalee Hollingswood with young son, James Lee, picnicking in Central Park one late afternoon this week... as far as we know they are the first picnickers of the 1960 season... on another day, we saw Fran Noblitt out in her back yard doing a little preliminary yard work and overseeing that the job was done right, white seated comfortably in his stroller, was Master Mark... and it seems that Forsythia bushes all around town have blossomed out all of a sudden, but no doubt, they have been making plans along this line all winter long... the triangular park on Duncan and Louisiana, planted by the Top o' Texas Garden Club, is a bright sunny spot with yellow jonquils bobbing cheerily to passers-by... simply everyone, it seemed, was downtown shopping on Saturday last... Jean Duncan hurrying down Cuyler wearing a pair of pretty red slippers, which caught our eye... Azelle Loftus chatting earnestly with a friend in front of J. C. Penney Co... Mrs. W. R. Campbell rounding the corner of Kingsmill onto Cuyler, stopping now and then to window shop... saw Mrs. Ed Barnes in a striking black and white check costume... the black and white check of her sheath was repeated again in a band around her white straw hat and in her slippers... to complete her accessories was a matching black and white check hand-bag, which she no doubt made herself... to go back a sentence or two to the subject of garden clubs, Junita Caldwell, Thelma Bray, Faye Palmer and Aileen Moore came back from the district garden club meeting held in Lubbock all enthused over the part that the local garden club is to have in the National Garden Club convention to be held in Houston in May... The Pampa club has donated money toward the banquet, which District One is sponsoring for the convention... the banquet theme will depict "Black Gold" and all appointments will be arranged to bring out this industry... and as if that isn't enough laurels for local garden clubs, Dona Conrutt is announcing that Garden Club zone meeting will be held here in September... it will be an all-day affair in the Coronado Inn with garden club members coming from far and near for a two-day session... we think that visitors to our city are surprised to find it a Garden Club City... most out-of-town guests picture us as a dry, parched, cactus-growing area and are agreeably surprised to find our town so beautifully landscaped and growing lots of flowers.

Nature is the most thrifty thing in the world; she never wastes anything; she undergoes change, but there's no annihilation, the essence remains.
T. Binney

SO NICE TO SEE Elmer and Lorna Fite back home again... they were gone just a mite too long... or so it always seems when nice people are away... isn't that a snazzy sign that First National Bank is erecting? our downtown Cuyler is getting to be real "uptown" looking... we understand it is to have a large clock, but no one seems to be able to tell us if it will have the temperature registered, too... we'll have to wait and see.

JUST A REMINDER... tomorrow night is Oscar Night in Hollywood... we are not sure yet as to the exact hour it will be televised locally... look for the dress that Janet Leigh will be wearing... her husband, Tony Curtis, commissioned Edith Head to create it as a gift... and we understand that it is Miss Head's most costliest creation yet... the chiffon is dyed to Janet's skin tones and there are 186,000 imported silver-lined bugle beads embroidered on it... the gown, which took six months to make, weighs 20 pounds... arrangements for the staging of the awards sounds like they will be a bit more interesting this year than last... anyway, we'll be around to see.
Love, Reg.

Campus Chapel Scene For Marriage Vows

Miss Marilyn Ann Calloway and Eugene Trader repeated wedding vows on March 28 at seven o'clock in the Joseph A. Hill Chapel on the campus of West Texas State College. J. R. Manning of Fort Worth, friend of the bridegroom's family, officiated for the ceremony, which was performed amid a setting of floor-baskets of white gladioli and white tapers in candelabra.

Miss Calloway is the daughter of Mr. and Mrs. Merlin Calloway of Plainview. Mr. Trader is the son of Mr. and Mrs. Fay B. Trader, 318 Sunset Drive.

Traditional wedding music was provided by Miss Sandra Sullins of Pampa. Miss Lucy Hinkle of Littlefield sang "Because," "At Dawning" and "The Wedding Prayer." The bride's father escorted her to the altar. She was gowned in white silk organza over taffeta and tulle fashioned with a full, floor-length skirt sweeping to a chapel train. The molded bodice of the dress was designed with a scoop neckline and long sleeves, which tapered to points over the wrists. Lace insets encrusted with seed pearls and crystal beads formed an accent trim on the dress. A lace headpiece trimmed with seed pearls and crystal beads held an illusion veil. She carried a white orchid and carnation bouquet.

ATTENDANTS
Miss Linda Pierce of Amarillo,

Mrs. Eugene Trader

bride's cousin, attended as maid of honor. Bridesmaids were Miss Barbara Pierce of Amarillo,

bride's cousin and Miss Barbara Hinkle of Littlefield. The feminine attendants wore eyelet embroidered, organza dresses in pastel hues of green, orchid, blue, yellow and pink. They carried identical bouquets of white carnations.

Guy Harvey, bridegroom's brother-in-law, served as best man. Groomsmen were Bob Buckler, bridegroom's brother-in-law and Weldon Dean Calloway, bride's brother, of Plainview. Ushers were Jack Ramey of Amarillo and Johnny Orsak of Canyon.

Candlelighters were Miss Deanna Pierce, bride's cousin, and David Buckles, bridegroom's nephew.

Miss Judy Buckles and Gregory Buckles, attended as ringbearers. Little Miss Lewan Pierce of Amarillo was flower girl.

For her daughter's wedding, Mrs. Calloway wore a gray silk sheath with black patent accessories. The bridegroom's mother, Mrs. Trader, chose a powder blue lace dress with bone accessories. Their corsages were fashioned from white carnations.

RECEPTION

A reception was held in the Student Center of the Church of Christ following the ceremony. The bride's chosen rainbow colors were carried out in the table appointments. A net-over-satin cloth trimmed with wedding bells, covered the bride's tables.

Members of the houseparty were Mrs. Fay Harvey and Marieta Buckles of Pampa, bridegroom's sisters, Miss Gail Phillips of Tahoka and Mrs. Rosemary Orsak.

For a wedding trip, the bride traveled in a black dress topped with a black and white coat and black accessories.

Mrs. Trader was graduated from Tahoka High School and is a senior Business Education major at West Texas State College. She is president of Pi Omega Phi, treasurer for Phi Gamma Xi and was associated with Delta Zeta Chi. She is listed in Who's Who in American Colleges and Universities.

Barnes Woods Repeat Vows In Home Rites

Miss Dorothy Aline Barnes became the bride of Jimmie Earl Woods with vows exchanged on March 17 at 8:30 p.m. in the home of the bride's parents, Mr. and Mrs. Carl B. Barnes, 1140 N. Eel Road. The bridegroom is the son of Mr. and Mrs. A. Floyd Strickland 825 N. Hobart.

The Rev. Paul E. Bryant officiated for the "double-ring service."

Given in marriage by her father, the bride wore a brocade cotton sheath complemented with pearl accessories and carried an orchid atop a white pearl Bible. Mrs. Jerry Quarles attended as matron of honor wearing a pink cotton-satin sheath complemented with a white carnation corsage.

A. Floyd Strickland served his son as best man. For her daughter's wedding the Mrs. Barnes wore an aqua print of nylon taffeta with white accessories and a white carnation corsage. Mrs. Strickland, bridegroom's mother, chose beige lace with beige accessories and a pink carnation corsage.

A pink roses centerpiece highlighted the bride's table at the reception held following the ceremony. Mrs. Bill Barnes, bride's aunt, presided at the punch service. Mrs. Dolan Williams, bridegroom's aunt, served from the tiered cake.

The couple left following the reception for a wedding trip to Carlsbad Caverns. They will make their home 625 N. Hobart.

The bridegroom is employed by W & W Construction Co. The white hat is sparkling contrast for a spring suit or coat in a vivid color. And shoes sometimes are patched to hostery in color: blue, lilac or apricot.

Miss Ava Joe Hoover, Miss Hoover, Rondall Cole Announce Plans

Mr. and Mrs. Alvin Hoover of Frederick, Okla. announce the engagement and approaching marriage of their daughter, Ava Jo to Rondall A. Cole, son of Mrs. Beas Cole of Lefors and the late Bill Cole.

Wedding vows will be exchanged on April 15 at eight o'clock in the sanctuary of the First Methodist Church in Frederick. The Rev. Jack Featherston, minister, will officiate for the double-ring ceremony.

The bride-elect will be given in marriage by her father. The bridal couple has chosen Miss Hoover's sister, Miss Ann Hoover, as maid of honor. Jim Greene will serve as best man.

Miss Hoover is a member of the senior class of 1959 of Frederick High School, where she is active in all school functions. She was elected basketball queen this year and is a member of the Bomberettes, high school basketball team. She is also a member of Future Homemakers of America. Miss Hoover attended schools at Laing and Tipton before moving to Frederick for her senior year. She was a cheer leader at Tipton High School during her junior year.

Mr. Cole was graduated in 1954 from Lefors High School. While in school, he was outstanding in the field of athletics, participating in football, basketball and track. He attended West Texas State College and was employed by Good-year Co. for three years. He came to Frederick in 1958 and served as office manager for the Goodyear store there until June, 1959, when he became a partner in the organization of Southern Cap Tire Co.

Miss Hoff Says Vows With Robert Hartman

Double-ring wedding vows were solemnized for Miss Joy Mae Hoff and Robert V. Hartman on Mar. 29 at 2:30 p.m. in Community Church, Skellytown, by the Rev. L. P. Fort of Pampa.

Miss Hoff is the daughter of Mr. and Mrs. V. L. Hoof of Skellytown. The bridegroom's parents are Mr. and Mrs. Ross Hartman of Comanche, Okla.

White wrought-iron baskets holding white gladioli, accented with white satin bows and streamers and candelabra holding orchid tapers formed the wedding scene.

BRIDE

Given in marriage by her father with the "her mother and I avowal", the bride was gown in floor-length Chantilly lace and Ninon nylon over net and white satin. The molded lace bodice was designed with a Queen Anne collar and long tapered sleeves, which came to petal points over the hands. The bouffant skirt was fashioned with tiers of scalloped Chantilly lace and nylon. Her elbow-length veil of illusion tulle was banded with a deep border of Chantilly lace and was secured to a tiara of iridescent sequins and pearls. For something old, she wore an antique gold locket, which had belonged to her maternal grandmother.

She carried a bouquet of white rosebuds atop a white Bible, showed with orchid streamers tied in Lover's knots.

ATTENDANTS

Mrs. Bob White of Mount Pleasant, bride's cousin, attended as matron of honor, wearing a beige shantung dress with bone accessories complemented with a yellow num nosegay showered with yellow ribbons.

Miss Jodie Knutson of Skellytown, as maid of honor, wore pink taffeta with white accessories and carried a nosegay of white mums.

Ruel Casey of Lubbock served the bridegroom as best man. David Rhodes and Arline Kaiser of Skellytown were ushers.

Master Dennis White of Pampa lighted the altar candles.

Little Miss Bernice White of Pampa served as flower girl wearing an orchid frock with a white nylon pinafore edged in white lace. She carried a white petal basket laced with orchid ribbon.

Mrs. Edith Beighle at the organ played "Always" and "The Wedding March".

For her daughter's wedding, Mrs. Hoff chose burgundy brown lace with bone accessories and a pink carnation corsage.

RECEPTION

A reception was held in the Fellowship Hall of the church immediately following the ceremony. The bride's table was appointed with a white lace cloth over orchid.

Mrs. Ruel Casey of Lubbock presided at the milk glass punch bowl. Mrs. Jim Coleman of Skellytown served from the tiered, orchid and white wedding cake topped with a miniature bridal couple standing in the center of a lace heart. Mrs. Guy Hester of Kellerville was guest registrar. They were assisted by Miss Joan Jarvis.

For a wedding trip the bride traveled in a beige print dress with tangerine accessories and wore the corsage from the center of her bouquet.

The bride is employed by Hageman's Cafeteria in Amarillo; the bridegroom is an employe of Allied Van Lines of Amarillo. They will make their home 1012 Harrison in Amarillo.

Approximately 20 guests attended. Among the pre-nuptial courtesies extended the bride pair was a rehearsal dinner given in the home of Mr. and Mrs. L. Z. Rhodes, Holmes Camp, Skellytown. Tables were laid with white cloth and flower arrangements. Guests were served buffet style and dined by candlelight at tables arranged throughout the entertaining rooms. Mrs. Rhodes was assisted in serving by her daughter, Mrs. Jim Coleman.

Study Of Africa Taught WSCS

LEFOR 8 (Spl.) — Mrs. C. P. McMaster taught the study, "Africa," for Women's Society of Christian Service, at its meeting held Monday afternoon in Methodist Church. Others present were Meses. Gladys Pafford, W. C. Breining, L. R. Speece, and Walter Pflug. It is important to select a face powder that enhances your skin. And avoid the white rice powder look of earlier days. Select powder that matches your skin tone or is slightly darker. And if you have dry skin, use a light-weight powder.

Mr. and Mrs. James E. Mote

Worrell-Mote Say Nuptial Vows At High Noon

Miss Virginia Worrell, daughter of Dr. and Mrs. T. J. Worrell, 1707 Christine, and James E. Mote, son of Mr. and Mrs. Frank Mote of Le-fors, exchanged wedding vows on Mar. 21 at high noon in Clovis, N.M. Dr. A. A. Dulaney, pastor of the First Baptist Church, officiated for the double-ring vows. For her wedding, the bride wore a white one-piece lamb's wool dress complemented with bone accessories. She carried a Bible corsage arranged with pink rosegolds and pink carnations. Mrs. A. L. Mote of Amarillo attended as Matron of honor wearing a blue cotton suit.

A. L. Mote, also of Amarillo, served his brother as best man. The bridal party was accompanied by Mrs. Frank Mote, bridegroom's mother. The bride will graduate from Pampa High School in May. The bridegroom was graduated from Lefors High School, attended Frank Phillips College, Borger, and is employed by Pittsburg Plate Glass Co.

Miss Rose Langford

Mr. and Mrs. W. F. Langford, 1022 S. Faulkner, announce the engagement and approaching marriage of their daughter, Rose to Elmer Tuggle, son of Mrs. Alma Tuggle of Panhandle and the late C. E. Tuggle. The wedding is planned for April 23 at 7:30 p.m. in the parlor of First Baptist Church. (Photo Clarence Studio)

Be gentle when removing eye-lash make-up so you will not damage the lashes. Apply a damp washcloth to the eyes. Then gently dab at the lashes with cleanser or lotion, just as you would for facial tissues. Follow this by dabbing cold cream on the lashes. Remove final traces of make-up with a washcloth.

Fur Color Must Be Golden Hue

NEW YORK (NEA) — Any color is the right one for furs this Easter so long as it's a golden hue. Be it jacket, stole or capelet that will be your big fashion investment this spring, make sure it's in a shade from pale beige to gold. If you're thinking in terms of mink, good. This fine and beautiful fur was never prettier or more sparkling than it is this spring. But you can also have pale beige in natural sheared fur seal or pony. The pony, in particular, is beige with a golden hue, its color carefully shaded. If you're jacket-minded this spring, the cut of your jacket will be new and entirely different from anything you've had previously. It's quite likely to have, for one thing, a concealed zipper front closing. It will be cut in a longer length and molded to the hipbone. It may be collarless or it may have a Peter Pan collar. It's sure to have an interesting sleeve treatment.

Top O' Texas Garden Club Projects Illustrated At Monday Afternoon Meet

Top O' Texas Garden Club met with Mrs. Kenneth Osborne, 290 N. Sumner at one o'clock Monday for its regular meeting.

Mrs. Ray Welch, president, presided as Mrs. Tom Patton, project chairman, reported on the club's garden projects around town. She showed drawings of the Perryton Parkway, which illustrated the proposed landscaping and planting of this park.

The finance committee set a meeting date to discuss money-raising projects.

The president appointed members to serve on the Flower Show committee for the annual Flower Show to be held sometime in May.

Mrs. Jamie Deal, program chairman, introduced Mrs. L. B. Robertson, who gave an interesting and informative talk on "Growing Roses."

"In buying roses," Mrs. Robertson said, "one should stay away from bargains. It takes two years to grow a good rose. You can judge the quality of the bush by the number of canes. A Grade One bush has three or more canes. Planting time begins in Spring after all danger of a hard, deep frost is past."

The speaker informed the group that the leading list of new roses for 1960 are the three All-American Roses: "Garden Party," which is a cream and ivory pink hybrid tea; two floribundas, which are "Fire King," a vermilion color and "Sarabandi," a scarlet orange.

"Rose breeders," she continued, "are constantly working to develop new colors and sturdier stock. Imagine, someday there might even be a black rose!"

"Did you know that roses can be used in cooking?" the speaker queried. "For example, 'Rose petal syrup, candied rose petals, rose butter, candied rose petals, rose

Hostesses for the evening were Mrs. D. V. Biggers, Oltz Mangold, L. B. Penick, and Miss Elizabeth Enns.

The Club Room was arranged with quartet tables covered with pastel-colored tablecloths with a bouquet of spring flowers centering each table. The serving table had an arrangement of jonquils, dutch iris, and daisies.

The program consisted of a piano solo by Miss Johnlyn Mitchell playing Prokofiev Sonata No. 7, the Last Movement, and Woodwind Quintet composed of Wileta Lowther, Janet Osborne, Linda Meech, John Wagner and Vinea Johnson playing "Shadows" by Gillis.

Reports were given by members that attended the state convention in Lubbock.

Guests included Mrs. Gene Baird, John Hart, Bob Hamilton, W. R. Altmiller, Don Hickman, Bennie Shackelford, J. E. Gunn, Don Nelson, Howard Grant, Misses Florida Young, Peggy Turner, Janice Cole, Geraldine Rumpy, and Stella Kiser.

Members attending other than those already mentioned were Mrs. Charles Meech, Homer Bowers, John Tatum, Fred Angmeiter, Charles Stowell, L. S. Riley,

Ricky Wyatt... learning the wonder of words

Parent Education Club's Homes Tour Planned To Aid Exceptional Child Fund

Did you ever walk down the street, see a familiar face, but find the name would not come to you? Have you ever found the name of a familiar tune on the tip of your tongue but been unable to say it? That is the kind of world little seven-year-old Ricky Wyatt lives in constantly. This little red-haired, bright-eyed boy is a victim of aphasia, which blocks coordination between thought and speech.

Ricky is a first grade student in the special education class at Travis Elementary School. His parents, Mr. and Mrs. R. L. Wyatt, had lived on a lease near Skellytown for many years. When the special education classes were begun in the Pampa Public Schools, they realized this offered the opportunity for education Ricky needed. Immediate problems arose when they discovered he would not be eligible for this special education since they lived outside the Pampa school district.

The Wyatts bought a home in Pampa and moved here in August in order that their child could take advantage of this training. They have never regretted this decision. Ricky has responded to this program more quickly than they had even hoped. He not only had the school adjustment to make, but he also had to become accustomed to living in town and having other children in the neighborhood.

Since he has been in school, his speech has greatly improved, his conduct is remarkably better, and group participation has become one of his greatest pleasures. It is difficult to realize how frustrated children who have communication difficulties become. They cannot make themselves understood, find their needs and desires blocked because of this, and often compensate by being unruly.

Since Ricky has been in school and is learning to communicate, a whole new life is opening up for him, and he is becoming a sweet, responsive child. He still has such a long way to go, but the Wyatts are thankful he is being given the

Pampa Is Taken Over By People 'Who Really Count'

T-NIGHT — Mrs. Henry Frazer, left, explains census rules to Mrs. A. R. Killen, center, as Mrs. Joe Rowell, enumerator looks on. The action took place at the Adams Hotel Thursday night at the beginning of the 1960 census. All hotels and motels with 50 or more rooms were enumerated to begin the count of what Census Bureau officials estimate will be more than 180 million persons in the United States. (Daily News Photo)

By CHARLIE CROSS
Daily News Staff Writer

It's time for all good citizens to stand up and be counted.

Census Bureau officials said the census must provide a statistical "snap shot" of the population of the United States at a given moment. And 12:01 a.m. Friday was that moment.

Actually, enumerators began the census Thursday with "T night," when they counted persons in hotels and motels having 50 or more rooms.

Mrs. Henry Frazer, crew leader for the city of Pampa, placed enumerators in the Coronado Inn, Pampa Hotel and Motel, and the Adams Hotel at 4 p.m. Thursday to begin the Pampa census. "T night" count was completed at 11 p.m.

All transients and permanent residents of the three hotels were counted, the forms were sent to the Amarillo district office where they will be forwarded to the persons home for the complete count.

Mrs. Frazer said the Pampa count is expected to be finished by April 23, and the count for the U.S. will be completed by May 4.

In relating the history of the census, Mrs. Frazer said "The first census taken was in 1790 during the presidency of George Washington. The count showed a total population of 3,929,214 persons. In 1810 industries were added; in 1840 the agricultural census was authorized; in 1850 every man, woman and child was listed by

name for the first time, and more recently in 1940 the housing census was added."

Officials believe the 1960 census will show a population of 180 million persons.

Nineteen enumerators will count heads in the city of Pampa; while 18 will be employed in the rural areas. Mrs. L. M. Davies is crew leader of the rural census.

Mrs. Frazer pointed out that all information given to enumerators is strictly confidential, and is used for census purposes only.

She said "If each of the 160,000 enumerators in the United States

failed to find just one place where people live, we would miss over 15,000 such places in the U.S. if each enumerator failed to list only two persons who should be counted, we would miss more people than there are in the entire state of Nevada."

Each enumerator had more than 18 hours of training, including oral instruction and films, while Mrs. Frazer received 48 hours of instruction.

She said "Being counted in the 1960 census will sometimes be decided by a matter of minutes. Babies who were born two minutes

after midnight Thursday won't be counted officially by Uncle Sam until they are 10 years old. That would be in the 1970 census. But anyone who died after 12:01 a.m. local time Friday will be considered part of the population for the next decade."

She said "This is the most expensive and speediest count ever taken of the U.S. population."

Each enumerator will wear a badge identifying her as such, and will carry forms for every given situation. They are provided with maps of each city to be counted, and rural census takers carry

maps of their territory. "One thing about it," Mrs. Frazer remarked, "when we get through, we'll certainly know the population of Pampa."

Pension Change For Dependents Of War Veterans

Pension eligibility requirements based on the war service of a veteran become alike for widows and children of World Wars I and II and the Korean conflict after June 30. Robert W. Sisson, manager of the Veterans Administration Regional Office in Lubbock pointed out.

Sisson explained that at the present time pensions are granted to widows and children of World War II and the Korean conflict only if the veteran had a definitely ascertainable service-connected disability at the time of his death.

No such restriction is at present placed on the widows or children of deceased World War I veterans.

The new pension law, going into effect July 1, removes this restriction and places widows and children of World War II and the Korean conflict on the same basis as World War I dependents in this regard, Sisson said.

Inevitability Of Old Age Is Discussion Topic For Civic Culture Club Speaker

"Old age is not an achievement—a period of resignation and waiting of the privileged few these days. It is the destiny of most of us," Mrs. A. D. Hills in a talk on "Live Long and Live Well" to members of the Civic Culture Club at a meeting in the home of Mrs. Frank Lard, 217 Gray Street on Tuesday.

"If you were born in the early years of this century, the chances are you will live to be 70 or possibly 80. Aging is a constant, universal process. Today you are twenty-four hours older than you were yesterday. So is every one else. You cannot halt the aging process. It goes on, minute after minute, regardless of world events, legislation or your own personal feelings," the speaker said.

"Aging is something you can neither ignore nor escape, but it is something that can provide you with many basic satisfactions. The process itself is beyond your control, but how it affects you is something you can largely determine. You should not simply get older, you should grow as you age. The whole concept of age is changing, later years need no longer be

They can be a harvest; a time of relaxed enjoyment, of fulfillment," Mrs. Hills continued.

"The medical and scientific developments that have no remarkable extended our life span in the past half-century were tremendously exciting. But even more exciting is the challenge to make those additional years rich, creative and happy," she concluded.

Mrs. C. F. Pennington presided during the business meeting and welcomed Mrs. John McKerney a guest.

Mrs. Emmett Osborne and Mrs. Ophelia Morris gave highlights from the 39th TFWC Convention in Lubbock.

It was reported that 100 books had been collected from club members and donated to the Carver School library.

During the social hour refreshments were served to Meses. Carl Axelsson, Irvin Cole, A. C. Houchin, W. C. Scott, K. A. Sorenson, J. B. Townsend, Katie Vincent, H. W. Waters, and Willis White.

ALTRUSA GUEST NIGHT — Special guests for Altrusa Club's guest night dinner meeting, held Monday in the Starlight Room of the Coronado Inn were, center left, Dr. Frances Davis of Amarillo, associated with the neuro clinic at North Plains Hospital and Mrs. J. W. Hooker of Lubbock, representing Altrusa's district board. They are pictured with Mrs. Mark Heath, left, Altrusa president and Mrs. Lorene Locke, right, public affairs chairman. Springtime decorations formed a background for the speaker's table, which was appointed with a floral arrangement of pale gladioli with votive cups alternately placed, along the table. Dr. Davis, as guest speaker, talked to the group on "Adjustment of the Mature Woman in a Changing World." Approximately 65 guests and members attended.

RUTH MILLETT

"Go shopping alone, as you would go to your analyst. No woman can get over her subconscious jealousy of every other woman, and even your mother will give you a hard time regardless of her good intentions." That bit of worldly advice comes from a fashion photographer.

But don't take it too seriously. The man who handed it out has obviously lived so long in the world of high fashion with its jealousy and cut-throat competition that he thinks all women are green-eyed monsters.

The truth is that most women have at least one good friend they can depend on to be brutally frank on a shopping expedition.

The friend may annoy the saleswoman who is more interested in making a sale than in finding a hat or dress or suit that "does something" for her customer.

But the good friend overlooks the clerk's growing irritation as she says, "no that color doesn't do a thing for you" or "the brim of that hat is too narrow; it makes your face look broad" or "it's a good looking suit but it's such an extreme style I doubt that it will be a good investment."

And that is the way it goes until the "just right" dress or hat or suit is finally found and then the friend says with hesitation: "that's perfect."

I know that is how it goes because I have been shopping with friends for years — both as buyer and adviser. If you don't want to make a costly mistake, or let yourself be talked into something that isn't right for you just because you are tired of shopping or a saleswoman is persistent, take a friend along.

Of course, the friend you choose to help you select your clothes should have taste that is similar to your own, a real interest in clothes, and enough stamina to resist the temptation of urging you to buy something that isn't quite right just because her feet are tired, too.

To get the most juice from lemons, heat them quickly in hot water for several minutes before squeezing. Rolling to soften also is effective.

PTA City Council Conducts Courses For Incoming Officers And Chairmen

A school of instruction for all incoming officers and committee chairmen of local PTA units was held recently in the education building of First Methodist Church sponsored by Pampa City Council with Mrs. Julian Key, president in charge.

Participating in the school were Mrs. J. R. Holloway, Robert E. Lee Junior High president, who instructed all incoming presidents with Mrs. Key as resource person.

The vice presidents' course was instructed by Mrs. Dona Cornutt, Sam Houston PTA president with Mrs. Elmer Darnell, Travis PTA vice president, as resource person.

Mrs. E. A. McLennan, Woodrow Wilson PTA president, presided for the secretary's course with Mrs. E. L. Henderson, City Council representative, as resource person.

Mrs. Foster Elder, president of Stephen F. Austin PTA, conducted the class for treasurers with Mrs. Paul Turner as resource person.

Courses for historian, parliamentarian, and committee chairmen were taught by Mrs. John H. O. Horace Mann PTA president, Mrs. C. Odell Strickland, Travis PTA president, and Mrs. W. C. Puryear.

Lamar PTA president, Acting as resource persons were Mrs. Nolan Cole of the PTA City Council; Mrs. James Lewis, PTA district president, Mrs. J. W. Lemons and Mrs. George Cree Jr.

Resource material for the courses were secured from Parent Teacher Manual, Parliamentary Pointers, Local Unit By-Laws, Parent-Teacher Procedure Course and Roberts' Rules of Order.

At the close of the school, a standing ovation was given to Mrs. Julian Key for the time and effort she had given for this specialized school of instruction and for all the procedure course studies.

Nine units of the PTA were represented at the school with 83 persons participating in the classes.

Discussion Of Home Demonstration Work Given By Amarillo HD Agent

Miss Edith Wilson, district Home Demonstration agent of Amarillo, was guest speaker for the Monday meeting of Gray County Home Demonstration Council held in the County Ag. council room.

Miss Wilson gave an informative talk on HD club work and discussed reasons behind the loss of assistant home demonstration agents all over the state.

She stressed the need of moral rural families participating in home demonstration work; and also the need of trained leaders to help home demonstration agents, which is necessary to carry on the work of 4-H clubs.

During the business meeting conducted by Mrs. A. P. Coombes, chairman, reports were given by members from the five clubs attending, Bell, Goodwill, Lefors, Merten and Worthwhile.

Mrs. D. W. Swain, vice chairman, gave a detailed report of the recently held Fat Stock show.

Mrs. Earl Taylor, Texas Home Demonstration Ass'n chairman, asked that each club elect candidates to attend the District One meeting held each year in May.

She announced that the following members will act as delegates for the District One meeting to be held in Claude on April 22: Mmes. Bob Brandon of Merten Club; Mrs. Leland Diamond of Goodwill Club; Mrs. Earl Taylor of Worthwhile Club. Alternates are Mrs. Arch Maness of Bell Club and Mrs. D. T. Pfeil of Lefors Club.

Mrs. Taylor as delegate and Mrs. T. D. Anderwald as alternate were named to attend the state THDA meeting to be held in Brownville in September.

Treasurer's report was given by Mrs. Vard Smith.

Mrs. Brandon extended an invitation to all HD club members to attend Merten's meeting on May 17 at which time a program on Alaska will be given in the exhibit room of the Ag building.

It was announced that 4H clubs are having an auction sale in Recreation Park on April 23. The public is invited to bring articles they want to sell.

PLANNING CONFERENCE — Mrs. James E. Lewis, 121 N. Faulkner, left, PTA District 19 president, is making frequent trips to Borger these days to confer with co-chairmen of the arrangements for the fifth annual conference, District 19, Texas Congress of Parents and Teachers, to be held in Stephen F. Austin Junior High School, Borger, April 25-26. She is pictured here conferring with conference co-chairmen Mrs. Claude Harrington, center, president of Central PTA and Mrs. Doyle Alexander, right, president of the Borger City Council of PTA.

Pampa PTA Members To Attend Conference

Local units of Texas Congress of Parents and Teachers are now electing delegates to the fifth annual conference to be held in Borger April 25-26. Each unit is entitled to send its president or representative and one voting delegate for each 50 members or fraction thereof, according to Mrs. James Lewis, Pampa, District 19 president. Local groups are asked to encourage their entire membership to attend the conference as guests.

The conference is to open at 2:30 p.m. April 25 in Borger's Central Elementary School with a meeting of the Board of Managers, which includes district officers and committee chairman, city and council presidents.

Expected to attend the Board of Managers meeting from Pampa are Mrs. Lewis, as district president; Mrs. B. E. Tidwell, corresponding secretary; Mrs. Jack P. Foster, district parliamentarian; Mrs. Julian Key, Pampa City Council president; Mrs. Dona Cornutt is coordinating the district publicity.

The second conference activity will be a banquet at 7 p.m. in Hotel Borger for board members, delegates and invited school personnel. Mrs. W. E. Miller, Canyon, vice president of the Texas Congress, will be the speaker.

The second day of the conference, April 26, is open to all delegates, members of affiliated PTA units, and friends of the PTA movement. It will be held in Stephen F. Austin Junior High School beginning at 9:30 a.m. with advance registration starting at 8 a.m. A registration fee of \$1 is asked of each person attending.

Reservations for the luncheon to be served in Stephen F. Austin cafeteria, must be made in advance with Mrs. Boyd Stephens, 213 W. Adams, Borger.

Six workshops will offer training in PTA procedure; in the work of officers; in committee work; in council activity. They will run concurrently, so a choice must be made.

Following workshops stated: presidents, vice presidents, secretaries, procedure record book and yearbooks, chairmen and councils. At each workshop, the conference theme "The PTA Story, Vision and Venture" will be emphasized.

Credential cards are necessary for delegates. These are to be obtained from local unit president. Directing arrangements is the

Miss Betty Walker Becomes Bride Of Orman E. Bradford In Home Rites

Miss Betty Walker, daughter of Mrs. Mary F. Walker, 1314 E. Fredericks, and Orman E. Bradford, son of Mr. and Mrs. E. Bradford of Atoka, Okla. were united in marriage on March 26 at seven o'clock. Jay W. Chinnell, minister of the Mary Ellen-Harvester Church of Christ, officiated for the double-ring service performed in the home of the bride's sister, Mrs. Joe B. Griffin, 1045 S. Christy.

Palms flanked by baskets of white gladioli formed the wedding scene.

Given in marriage by her brother-in-law with the "her mother and I avowal", the bride was attired in off-white imported brocade satin designed with a scoop neckline, cap sleeves. The street-length dress was topped with a dust coat of silk organza. Her shoulder-length veil of illusion fell from a petal trimmed headpiece. She carried an arrangement of white glameillas arranged with stephanotis and showered with white satin streamers.

Miss Jo Walker, bride's sister, attended as maid of honor, wearing a street-length dress of navy crystalline complemented with a bouquet of yellow carnations with gold ribbon streamers.

James Cross was best man.

For her daughter's wedding, Mrs. Walker chose a navy silk dress with white accessories.

A reception was held immediately following the ceremony in the home of the bride's sister. The bride's table was covered with a white lace cloth over gold. Mrs. Charles E. Everett, bride's sister, presided at the punch service. Mrs. Griffin served from the two-tiered cake decorated with gold bells. Mrs. Darrell E. Bohlander was guest registrar.

For a wedding trip the bride traveled in a beige linen dress with beige accessories and wore the white glameillas corsage.

The bride was graduated from Pampa High School in 1957 and is employed by Southwestern Bell Telephone Co. The bridegroom was graduated from Uteka, Okla. high school in 1953 and is employed by Hughes Development Co. They will make their home at 1314 E. Fredericks.

A MESSAGE FROM "YOUR NEIGHBORHOOD" PHARMACY

PHARMACIES ARE INSPECTED OFTEN

There are many local, state and federal laws regulating the practice of pharmacy. They are needed because we deal in health. The medicines we supply effect your very life.

INSPECTORS COME UNEXPECTEDLY

When you know when one will visit us to take sealed samples of our drugs to be analyzed for potency, freshness and quality. They check to see if our medicines are stored properly.

WE WELCOME INSPECTIONS

They remind us pharmacy is an important and serious profession. We appreciate the suggestions we get to help us operate a better pharmacy.

YOU ARE SAFER WHEN YOU GET ANY MEDICINE FROM A PHARMACIST

You can depend on our medicines and health-aids to always be potent, fresh. We know how to protect them.

WHY GAMBLE WITH YOUR HEALTH?

Rely on us for your medicines and health-aids. There is no good reason why you should ever get them from anyone but a pharmacist.

RUTH MILLETT

Got a middle-aged husband? Want to keep him around to share your old age?

Then listen carefully to the advice of a British specialist in ailments of the heart and arteries: "Middle-aged men are surprisingly fragile. They are not as tough as their wives think."

"When your husband comes home from work tired out after a hard day, be bright and cheerful. Don't start telling him your troubles before he is properly inside the house."

"It is very risky to cross your husband continually. Anger and frustration are dangerous emotions for tired middle-aged men with a poor coronary circulation. The wife who constantly annoys her husband does so at her own risk and his."

Keep the doctor's reminder that your middle-aged husband isn't as tough as you think in the back of your mind to keep you from making his life harder in such ways as: Planning too many evenings out when you can see that your husband isn't getting enough sleep.

Thinking up do-it-yourself jobs that keep your husband busy working every weekend.

Being extravagant in the things you buy and in the things you wish for, so that your husband complains that he can never quite keep up with the monthly bills, much less save anything for the future.

Letting your husband leave home without breakfast because you like to sleep late.

Burdening your husband with errands and chores that you could easily take care of yourself.

Being such a worrier that you keep your husband worried, instead of helping him to relax by being a cheerful, lighthearted companion.

Just remember that middle-aged husbands aren't so tough even though they would rather die than admit it.

DEAR ABBY....

By Abigail Van Buren

DEAR ABBY: I am 20 and have done modeling and been in show business, so you know I am no witch. An executive where I am presently employed wants to marry me. He is in his late forties and is getting a divorce. Everyone thinks I am the cause of it, but his marriage was on the rocks when I met him.

He asked me to sign papers stating that I am not entitled to any money if he should die, or if our marriage breaks up. This came as a shock to me because when I asked him if his first wife signed such papers he said no. I am beginning to wonder if I love him enough to marry him under these conditions. What do you suggest?

PRETTYPUSS: I am glad you are wondering if you love him enough to marry him under these conditions, because it is apparent that he is wondering, too. A husband who really loves his wife wants to provide her with a secure future in the event of his death. Your friend is looking for a "pay as you go" proposition. I doubt if there is enough mutual trust between you to make a decent marriage.

DEAR ABBY: I am a girl twelve years old and my problem is my mother. She can't stand to see me have any party. If I am listening to the record player, or talking on the telephone or just doing nothing, she says to me, "Linda, don't you have any homework?" If I don't have any, or have it all done she will say, "Then go clean your room."

I will admit that I don't keep up my room very well, but my brother keeps his room in the same condition, if not worse, and she never yells at him. Please tell me what I can do.

LINDA: Go clean your room.

DEAR ABBY: I have a friend named Sophie who is sweet, kind and pure. She doesn't have an evil thought in her head and that's where the problem comes in. Her husband is tall, dark, handsome and human. He's 43 and she's 41. When he asks her to go to a movie or a drive with him, I've heard her say, "I'm tired, honey—why don't you take Agnes?" (Agnes is her younger sister. She is cute, vivacious and divorced—and I wouldn't

trust Agnes as far as I could throw her.) There's been a little talk around town about Agnes and I'm pretty sure she'd take her sister's husband if she could get him.

I've hinted to Sophie but she doesn't seem to be getting the message; Would you come right out and tell your best friend that she is being a fool?

BEST FRIEND: Without naming names tell Sophie that a wife who is too tired to accompany her husband anywhere — and suggests a substitute — could find herself permanently replaced.

CONFIDENTIAL TO G.I. IN ALASKA: Yes; that's my picture. Thanks for the compliment, but you're about 21 years too late. (That's how long I've been married.)

"What's YOUR problem?" For a personal reply, write to Abby in care of this paper and enclose a stamped self-addressed envelope.

Eunice Leach Circle Meets For Study

Eunice Leach Circle of Highland Baptist Church met Tuesday in the home of Mrs. M. W. Belote, 1217 Darby, for Bible study.

With Circle Chairman, Mrs. Trautman, in charge, the meeting was opened with prayer by Mrs. Belote. Mrs. H. E. Winegeart, secretary, read the minutes of the last meeting.

It was announced that clothing will be brought to the April 12 meeting.

Mrs. Carl Lafin gave the devotional. Mrs. Winegeart offered a prayer.

Mrs. M. B. Smith led the Bible study taken from the 4th chapter of Genesis, with a general discussion throughout.

Those present, not mentioned previously, were Mrs. R. E. Stroud, Clifford Howard, and two visitors, C. A. Clark and Frank Brassfield.

Clean patent leather with a damp cloth and a neutral soap. Then rub on a little petroleum jelly to prevent cracking.

Clever Career Girls Vary Shoe Fashions

Many nurses love high heels — but they don't wear them on the job. Some lady executives like nothing better than to slip into a pair of comfortable flats — but they reserve them for the appropriate occasion. Whether you're a bachelor career girl or a working mother, advises the National Shoe Institute, you're apt to do a better job — and get ahead faster — if you choose your working shoe wisely as well as beauty.

One of the most important considerations to keep in mind when you shop for shoes to wear to work, says the NSI, is the height of your heels.

If you hold an executive position, it often may be necessary for you to wear high heels if your work requires you to attend business luncheons, important meetings and other functions of a semi-formal nature during the business day.

But you might also keep a pair of low-heel pumps at the office to change into for those long hours that you spend behind your desk.

If you do secretarial or clerical work you probably spend several hours a day on your feet, answering summonses from the boss, going back and forth to the file cabinets or just moving about the office in the performance of your duties.

Naturally, you want to be well-groomed at all times—but not at the expense of foot comfort. You can satisfy both requirements by selecting shoes for work that feature a good-looking mid-height heel.

If you're a saleslady, there's no reason to cling to the old-fashioned notion that good "sensible" shoes must be unglamorous in order to support your busy feet during the work day.

Today's leading shoe designers have created many new styles — and they've adapted many dressy types — to keep your feet comfortable and pretty shod while you're on the job this spring and summer.

The new shoes opened up for daytime wear this spring are wonderfully adaptable to the special needs of career girls and women. In warmer weather, when ventilation is such an important element of foot health, the new styles provide much more than a mere figurative breath of fresh air.

Open toes, open backs, slings, halters, sandals and dramatic new cutouts compete prettily with new

ideas in closed pumps and spectacles.

Most delightful of all, appropriate shoes for work have been styled in all of the new spring and summer colors and materials. Powdered pastels, whites and bone offer stunning contrast for traditional summer blacks and navies.

Elasticized treatments, combinations of leathers and fabrics and even the new gold trims appear in numerous variations of the season's happiest style inspirations.

Chapter Plans Rummage Sale

Xi Beta Chi Exemplar Chapter of Beta Sigma Phi Sorority met Monday evening with Mrs. Buster Grayson as hostess.

Mrs. Dorothy Francis, president, reminded members of the Woman of the Year Tea to be held 3 p.m. this afternoon in City Club Room.

Plans were also announced for a rummage sale to be held on April 11 and 12.

Following an election, members who will head-up chapter activities during 1960-61 are Mrs. J. A. C. Vaughn, president; C. G. Goodwin Jr., vice president; Melvin Keifer, secretary; Buster Grayson, treasurer; Jim Meredith, city council representative and Jeff Truly as alternate.

Mrs. Keifer gave a talk on "Ideals of Liberty and Justice." Mrs. Vaughn presented a comparison of the golden rule of life among different nations of the world and discussed "The Golden Person in Our Hearts."

Refreshments were served during the social hour.

Members attending other than those previously mentioned were Mrs. Robert Trampe, M. H. McCoy, Tom Beard, Joe Fischer, F. L. Stone, Roy McKee, Leonard Hall, Byron Hilburn, Thelma Bray, James Poole and Miss Virginia Vaughn.

When baking a cake, use a toothpick for testing. Pierce the cake and if the pick comes out clean, the cake is ready.

To guard the heels and toes of your nylon stockings, rub them with a bit of beeswax.

You'll find that it's great fun to walk to work this spring and summer — especially in the glamorous new shoes that have been specially created for you and your job.

"The Inside Story of Our MEDALLION HOME!"

MEDALLION HOME
 LIVE BETTER ELECTRICALLY

BY
MR. and MRS. A. J. KEMP, JR.
 DIMMITT, TEXAS

"We enjoy showing our Medallion Home... perhaps because we have been such a part of it from the very beginning. Before we built, we spent hours looking at pictures, creating plans—because we wanted our new home to meet the needs of our family. Our builder added the final touch when he built our home to meet the Medallion standards. Now, we're glad he did, for it will stay modern for many, many years."

SOUTHWESTERN PUBLIC SERVICE COMPANY

Here is the attractive modern Medallion Home of Mr. and Mrs. Kemp in Dimmitt where they and their 3 children have proven that a pair in comfort and better living is the electricity.

Mrs. Kemp appreciates the convenience and cleanliness of her electric surface units. Electric cooking is a feature of every Medallion Home.

Electric clothes washer and dryer are conveniently located in utility closet off main bath, originating point for most soiled clothes.

"Our Medallion Home, with its pleasant atmosphere and sparkling electric appliances makes for more relaxation. This is home of a Medallion," says the Kemps.

Specialty designed chopping board fits over sink rim—regrettable cuttings fall and are whisked away by electric disposer—no more hot food.

"Our children enjoy our Medallion Home, too. Family gatherings are now fun here as they have never before, thanks to the efficiency of our electric Medallion Home."

"We need to have more electric appliances when building a Medallion Home," says Mrs. Kemp, who had her refrigerator-freezer replaced to match color scheme of new Medallion kitchen. Other features include electric oven and electric dishwasher to help cut down on kitchen time for this attractive housewife.
