TO INVESTIGATE ATOMIC ROOF - The U.S. has fired into orbit from Cape Canaveral, a 90-lb. satellite, shaped like a child's top, to investigate an unpredictable "atomic roof" that makes long-range radio and TV communications possible, and sometimes impossible. Here, at the Marshall Space Flight Center in Huntsville, Ala., technicians subject a satellite similar to the one launched to a vibration test.

Youth Slays Stepfather

Fatal Argument

A 19-year-old Pampa youth is in Gray County jail today following the pistol slaying his stepfather last night in the family home, 809 Malone Street.

He is to be arraigned today on an open charge of murder, subject to grand jury action, Don Cain, Gray County attorney said, who will present the charge in the absence of District Attorney Bill Waters who is out of the city. The youth, John Lewis Ellis Jr., told arresting officers he shot his stepfather, Hugh

BEATITUDES OF REVELATION

In Mathew the 5th chapter, we have recorded the beatitudes of the new Testment but here we have recorded the beatitudes of the book of Revelation. Let us look at them briefly.

(I) Revelation 1:3

"This beatitude is written to the reader." Joday many people neglect the greatest privilege we have, and that is the reading of God's word. This beatitude tells, that blessed is he that readeth.

(II) Relevation 14:13

"This beatitude tells us that blessed are they that die in the Lord," and in the bed side of those who are sick we can readily see and tell those who are ready to meet their Maker in the time of death. For we know that these are told in the verse do rest in their labors.

(III) Relvelation 16:15

This beatitude gives us the warning that Jesus is coming and it behooves us to be ready and watch for this event. "Jesus is coming, it could be today, it may be tomorrow, but one thing for certain He is coming again.

(IV) Relevation 19:9

In this verse we find that blessed are they that are called into the marriage supper of the Lamb. It tells us in the 7th verse of the same chapter to be glad and to rejoice and to give honor unto Him. In the 8th we shall be arrayed in fine linen and clean and white. In other words, we will have on the marriage robe.

(V) Revelation 20:5, 6

This verse tells us that the dead outside of Christ shall not be raised again until the thousand years is finished. (6) Blessed and holy is he that has put in the first resurrection. Verse 6 tells us that all born again children of God shall reign with Him a thousand years.

(VI) Relevation 22:7

Another warning, "Behold I come quickly." The scripture tell us that the trumpet of God shall sound and the dead shall rise first and then we which are alive and remain shall be caught up together with them in the clouds and so we shall ever be with the Lord. Then it also says we shall be changed in a moment, in a twinkle of an eye. "Behold I come quickly."

(VII) Revelation 22:14

Today we have too many people who take the commandments of the Lord's lightly and use His day for their own pleasure but here we find that blessed are they that do His commandments.

All of these beatitudes of the book of the Revelation point to one thing and that is the pay day for the Christian. Revelation 22:12 "And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.

'Fan' Hangs Babe Curfman

Coach Babe Curfman moved into the well-known niche in football coaching circles this morning when he has hanged in effigy at Harvester Park.

The effigy was found at 7:15 a.m. Friday hanging from the north end goal post and was attired in rubber boots, gray pants, hunting sweater and baseball cap. On the dummy, a sign reading "Curfman and Staff" was hanging.

The dummy was found by several Pampa Harvester gridders when they came to school to prepare to leave for Lubbock for tonight's game with Tom S. Lubbock. The gridders tore the effigy down before Curfman arrived at school.

5 ways better for summer!

1 Protects against overheating—protects engines to over 240°F.—long after summer heat, bumper-to-bumper traffic would have boiled water out of your car. 2 Increases engine life—keeps cooling systems clean. Guards against rust and corrosion damage that often is caused by ordinary water.

3 Improves gas economy in many cases-Dowgard maintains a better operating temperature for increased engine efficiency.

4 Protects air-conditioned cars—protects against heater freezing as well as engine overheating.

5 Fill it and forget it-carefree driving with DOWGARD for one full year.

See "The Dow Hour of Great Mysteries" on NBC-TV

Based on a suggested retail price of \$225 per gallon, a full fill of DOWGARD for most American cars is \$9 to \$12. As low as \$4.50 for some smaller cars. Have DOWGARD installed today by your service dealer or car dealer

Years before, in 1856, a Moravian monk named Gregor Mendel had begun experimenting with peas at the Augustinian monastery in Brunn, Austria (now Brno, Czechoslovakia). Mendel, a man who had twice failed the examination for a teaching certificate, found the mathematical clue to heredity which led to the discovery of what later were called "genes." He published a paper in 1865, but no one paid any attention for nearly half a century. NEXT: The Key Is Found

Jaycees director of public relations, Bob Bond, characterized the "get-out-the-vote" type of activity as "tremendously important to the nation's srength because of a growing apathy on the part of qualified voters."

'In recent general elections," he said,"voting records have been established in many communities due largely to the efforts of the service organizations conducting "getout-the-vote" campaigns."

Gala Season **Opener Set**

PERRYTON (Spl) - Tuesday, Nov. 29, has been set as the start ing date of the Christmas shop ping season in Perryton. Present plans call for a parade, including floats and bands, with a personal visit from Santa Claus.

At a meeting this week, of the retail merchants committee of the Chamber of Commerce, plans were made for decorating Perryton's business district.

The chamber, with the assistance of the city and county, is planning to extend the Christmas lighting this year and to purchase new decorations for Main St.

A committee was named to prepare the Chamber of Commerce float for the parade. Committee members are Jim Dunlavy, Dean McLain and Louis Saied. High school bands of the area will be invited to participate in the parade and churches will be asked to enter floats with various Christmas

Tentative plans were made by the merchants to remain open for late shopping December 17 through December 23.
