5 Pampans Killed In Car-Train Crash

Returning From Church Meeting

Five Pampa residents were killed in a car-train wreck early this morning enroute home from a Jehovah's Witness convention at Fort Worth.

Killed instantly were Tom W. Hammond, 425 N. Wynne, Mr. and Mrs. Daubie Mize, 819 S. Talley, and Mrs. Ethyl York, 1519 Ripley. Mrs. Hammond survived the crash, but died at 6:30 a.m. at Groom Hospital.

The wreck occurred at 1:05 a.m. near Jericho, 16 miles north of Clarendon on State Highway 70.

Highway patrolmen investigating the wreck said Mize probably was driving the car, a 1956 Chevrolet. They said he appeared to try and pass another car and plowed into the engine of a Rock Island passenger train just as it reached the crossing.

The car was totally demolished, but no one on the train was hurt.

An unidentified motorist rushed Mrs. Hammond to the Groom Hospital shortly after the wreck.

Investigating officers worked nearly six hours trying to establish the identity of the victims.

"They just ran into the train," Highway Patrolman R. C. Parker of McLean said. "From the information we have they were overtaking another vehicle in front of them."

"They pulled back into the right lane, then hit the train. Their visibility was obstructed."

Neither the Highway Patrol nor officials from the Donley County Sheriff's office would comment as to what might have caused the accident.

Funeral services are pending, according to Duenkel-Carmichael Funeral Home.

Hammond was born March 9, 1902, in Ladonia and is survived by his mother, Mrs. Gustave Hammond of Lakewood, Calif.; two sisters, Mrs. George Mathews of Borger, Mrs. E. R. Hanks of Lakewood; one brother, Eddie, of Wichita Falls.

A resident of Pampa for 35 years, Hammond operated the newsstand in the post office building. He and Mrs. Hammond had

Halt Disarmament Hearings

Russ Bloc In Walkout

GENEVA (UPI) — Russia and its Communist satellites abruptly walked out of the 10-nation disarmament conference today in an obviously rehearsed maneuver which blocked hearing of new Western proposals and threw the parley into angry turmoil.

Chief Soviet Delegate Valerian Zorin and the entire Communist bloc stalked from the meeting room vowing to place the whole issue before the United Nations General Assembly. French Ambassador Jules Moch shouted, "Hoodlumism! Hoodlumism!" at them.

The Western powers promptly denounced the move, continued with the day's session and announced another meeting of the conference for Tuesday morning — which the Reds clearly did not plan to attend.

Zorin, the same man who broke up the last East-West disarmament conference in London in August 1957, got the floor first. He announced that the Western powers had refused to discuss disarmament, and therefore Moscow considered this conference could do no more work.

Polish Deputy Foreign Minister Marian Nazskowski, Zorin's chairman, ignored repeated Western attempts— orally and in writing— to get the floor, and announced when Zorin was finished:

"The work of this commission is now discontinued, its role therefore now exhausted."

Gulf City Hit Hard Swamped With 30-Inch Rain

PORT LAVACA, Tex. (UPI)—This small Gulf Coast city, swamped by nearly 30 inches of rain and floods called the "worst and biggest disaster since the 1945 hurricane," reeled today with 1,000 persons still unable to return to their homes and a health problem that could touch off an epidemic.

Port Lavaca was hardest hit by floods that forced more than 1,600 persons to flee their homes along a 100-mile strip along the Texas coast from Houston to Port Lavaca.

At least seven persons were lost in swirling flood waters Sunday and early estimates of damage indicate it will run into the millions.

Houston, threatened for awhile by a major flood after 17 inches of rain during three days of torrential downpours touched off by a tropical disturbance, passed the crisis early today and some 600 persons returned to their homes to start mop up operations.

The tropical disturbance moved

(See GULF CITY, Page 8)

Heavy Rain Front Moves To Arkansas

By United Press International

A tropical disturbance that touched off rains up to 27 inches and serious flooding along coastal islands moved out of Texas into Arkansas today.

The floods left at least seven dead in Texas, forced more than 1,600 to flee their homes at Houston, Port Lavaca and Bay City and caused millions of dollars damage to crops, homes and highways.

The floodwaters slowly receded today and 600 Houston residents returned to their homes. A thousand persons at Port Lavaca expected to return home before the day was over. The rains, which began late Thursday, dumped more than a foot and a half of moisture on many points in South Texas before moving out of the state.

Skies generally began to clear over Texas today and only widely scattered thundershowers were forecast. Temperatures across Texas were expected to begin a slow rise today.

Temperatures early today were in the 60s in the Panhandle and the 70s elsewhere. The lowest temperature early today was 59 degrees at Dalhart.

Water Authority To Talk Rates

C. T. Johnson, chairman of the coordinating committee of the Canadian River Municipal Water Authority, has called a meeting of the coordinating committee at 10 a.m. Wednesday in Plainview.

The meeting is to consider resolutions and reports from member cities concerning their position with reference to the plan for development of the project presented to the Authority's Board June 6.

The committee wants to formulate its report of the board of directors as soon as possible to give time for examination before the board's regular meeting, July 11.

Won't Woo Governors

GLACIER PARK, Mont. (UPI)—Supporters of Sen. John F. Kennedy backed away today from an attempt to get him a presidential endorsement from Democratic governors like that given Vice President Richard M. Nixon by nearly all Republican governors.

Gov. Nelson A. Rockefeller of New York was a conspicuous holdout among GOP governors declaring their support for Nixon for the presidential nomination.

Counting two territorial governors, 18 of 18 Republicans attending the 52nd annual governors conference or who were contacted by telephone agreed to the pro-Nixon declaration.

Rockefeller, who repeated that he would endorse no candidate before the GOP National Convention next month, said it would be inappropriate for him to sign. He explained that he would head an uncommitted delegation to the convention from New York.

Kennedy Backers Nix GOP Tactics

A similar move was considered, but apparently abandoned, to get an endorsement from Democratic governors favoring Kennedy for the Democratic presidential nomination.

Kennedy backers were said to feel they could make a good showing only by applying pressure which might offend governors regarded as friendly though still publicly uncommitted to the Massachusetts Senator.

A Kennedy camp breakdown of the 34 Democratic governors listed five publicly pledged to Kennedy, three believed to favor Kennedy and six listed as "leaning" to Kennedy. Twelve were counted as anti-Kennedy and the others as completely uncommitted.

The governors annual meeting opened informally Sunday night with a reception at the Glacier Hotel in a lakeside setting of rugged and snow-clad mountain peaks in this national park. A

WELCOME TO THE AMVOYS — Pampa civic leaders and "Amvoys" from the Amarillo Chamber of Commerce, met for coffee at Coronado Inn this morning, prior to the Amarillo group's tour through Pampa. From left are Ben Pumphrey, president of Amarillo Paper Co.; Virgil Patterson, First National Bank president; Pampa city manager John Koontz; Joe Poole, vice president of the Amarillo Chamber of Commerce; H. V. Wilks, Pampa Chamber of Commerce president; and C. A. Cash, executive vice president of the Shamrock Oil and Gas Corp. (Daily News Photo)

'Amvoys' In Tour Of City

A group of 31 Amvoys, delegates from the Amarillo Chamber of Commerce, toured industrial and business installations today as guests of the Pampa chamber.

The group arrived at 10 a.m. with a police escort and went immediately to the Coronado Inn where they were welcomed with a coffee.

A noon luncheon was held at the Coronado Inn with the Amvoys serving as hosts to Pampa businessmen. Thomas D. Cabot of Boston, president of Godfrey L. Cabot, Inc., was to attend the luncheon.

The men toured business establishments in downtown Pampa this morning, and were to visit various industries here this afternoon.

The Amarillo delegates included: C. A. Cash, H. V. Crosswell, Manuel Edquist, O. K. Fowler, Warren Freeman, James V. Grant, George Hamilton, E. C. Hackson, E. Kancher, Deane Kelley, Jack Lacy, Harold Miller, Bob Mills, John Oakes, Don Peoples, W. F. Perkins, Joe Poole, Ben Pumphrey, Fred Radcliff, John Ralston, Maurice Ray, J. N. Riggs Jr., B. M. Roberts, Jim Shackelford, Elmer Spillers, Bob Steele, Jess Tate, A. O. Thomas, Jess Tucker, Byron Vermillion and Jack Word.

President Reports Tonight Via Television On Asia Tour

By MERRIMAN SMITH
UPI White House Reporter

WASHINGTON (UPI) — President Eisenhower conferred with his top advisers today on the troubled world situation, the legislative outlook, and tonight's television report on his Asian tour.

Vice President Richard M. Nixon and Secretary of State Christian A. Herter conferred separately with the chief executive at his request.

Nixon spent 40 minutes with Eisenhower and went over both global developments and the status of administration-backed legislation still pending in the closing days of Congress.

Herter, along with Undersecretary of State C. Douglas Dillon, briefed the President on the latest developments in international affairs, including the blow up of East-West disarmament negotiations in Geneva today.

White House News Secretary James C. Hagerty said the President's speech tonight was mentioned "only in passing." Eisenhower had no listed appointments, and was expected to spend the rest of the day polishing his remarks. He will speak on the major radio and TV networks at 8:30 p.m. e.s.t.

Asked about reports that Nixon was given a copy of the President's address Sunday, Hagerty said "It's news to me." He added that the speech was not finished.

Eisenhower, who returned Sunday morning from his 23,000-mile trip, is believed to feel that his mission to the Orient was successful even though he was forced to cancel a scheduled visit to Japan.

He was said to believe there still is much to be gained from this type of globe-trotting personal diplomacy despite criticism of his trip.

The President was described as feeling the riots in Japan were the work of a Communist-led minority and were developments completely beyond the control of any U.S. officials.

Undersecretary of State Douglas Dillon gave an indication of the administration's thinking in a television interview Sunday with Sen. Kenneth B. Keating (R-N.Y.).

Dillon said that "one of the good things that has come out of this is that it has opened the eyes of the Japanese people to the ways the Communists operate and what they are able and willing to do."

Strength, Gentleness No Match For Killer

MEMPHIS, Tenn. (UPI)—Carroll Jackson had bear-like hands and strength unmatched in ordinary men. But he was too gentle to save himself, his wife and two small daughters from a crazed killer.

The entire Jackson family was wiped out 18 months ago in what appears to have been a senseless slaughter.

This past weekend, almost 800 miles from the murder scene in the peaceful Virginia countryside, the FBI charged Melvin Davis Rees, 31, with the crime. The FBI also accused Rees of at least one other killing in the Washington, D.C. area, and he faces questioning about four other murders dating back to 1955.

With the exception of Jackson, all the victims were women and children.

Carroll Jackson was in the prime of his quiet, peaceful life on Sunday night of Jan. 11, 1959. He looked like a man that even a crazed killer would fear. He was 29, 6-foot-2, 215 pounds, and he could toss 100-pound sacks into the big truck he drove for a feed company as easily as he could toss his 18-month-old daughter,

Khrush Support By Satellites

ROMANIA (UPI) — Soviet Premier Nikita Khrushchev was believed today to have collected the signatures of five East European Communist leaders on a document supporting "peaceful coexistence" with the West.

Western experts in London said such a document most likely would be used to back up Khrushchev in his current ideological wrangle with Red China's Mao Tse-tung, who supports a "hard line" in the cold war.

The formal signing of the new declaration, according to reliable sources here, was the chief result of the Russian premier's week-long summit meeting with the Communist chiefs of Romania, Bulgaria, Czechoslovakia, East Germany and Poland.

The importance which Khrushchev attached to these secret talks was demonstrated by the fact he stayed over Sunday for one last session, rather than flying off to Moscow as expected. Romanian authorities did not make any effort to conceal the meeting as they had the others.

The occasion for the East European summit talks was the third congress of the Romanian Communist Party, an event which ended Saturday.

Congo Violence Met With Force

LEOPOLDVILLE, Belgian Congo (UPI) — Troops poured into Leopoldville Sunday night and early this morning to head off a new outbreak of violence at a swearing in ceremony for Joseph Kasu Vubu, the first president of the independent Congo.

Instead of joy and celebration, an atmosphere of hatred and tension built up as this sprawling native territory neared its freedom from Belgium, scheduled to go into effect Thursday.

Bangaia tribesmen, who occupy most of the territories surrounding Leopoldville, were angry at the choice of Kasu Vubu as president. They were back Jean Bolikango for the post.

Perryton Man Killed Sunday In Auto Crash

GRAY, Okla. — Ronald V. Cook, 28, Perryton, was killed Sunday in a head-on automobile crash three miles south of here on highway 83, according to Highway Patrolman Bill Bowers. Two other were injured.

Cook died instantly with a broken neck. He was riding in a pickup truck driven by Wayne Sutor, 41, Perryton. Sutor was listed in fair condition in a Perryton Hospital.

The Sutor vehicle collided with a car driven by Loren C. King, 41, Wichita, Kan., who was reported in serious condition at Perryton.

Sutor suffered a fractured foot and minor bruises and lacerations, and King received severe lacerations of the head, chest and face, a fractured foot, knee and arm, and possible internal injuries.

Cook, who had lived in the Perryton area since January, is survived by his wife and three children. He was employed by the Mid-Continent Supply Co. of Perryton.

Funeral arrangements will be announced by Boxwell Brothers Funeral Home.

Sabotage Charged In Havana Blast

By MATTHEW KENNY
United Press International

HAVANA (UPI)—An ammunition dump explosion, the second such disaster to rock Havana in 3 1/2 months, touched off a wave of bitter anti-U.S. comment throughout Havana today and semi-official charges of sabotage.

At least 10 persons were reported arrested in connection with the blast, which occurred Sunday night in a major Cuban army munitions depot in the Cayo Cruz section of Havana Harbor.

Official reports put the toll at two dead and 200 injured.

The explosion hurled huge sections of the stone wall of the ammunition dump 100 yards out into the bay. The concussion pushed in downtown storefronts. It smashed window glass in houses, apartments, stores and business buildings for five miles around.

A tremendous white cloud mushroomed high into the air over the dump. Residents rushed to the street from their homes, from restaurants and from evening masses at churches in near panic. Electric power to some areas was knocked out temporarily.

The site was only 250 yards across the harbor from where the French munitions ship La Coubre blew up at dockside March 4, killing 60 persons and bringing accusations of sabotage against the United States that plummeted Cuban-American relations to a historic low.

Premier Fidel Castro, returning from an on-the-spot investigation, was involved in an auto accident but was not injured.

Less than two hours earlier the young premier had been before the television cameras delivering his third major attack-in-as-many days on the prospect of a cut in the U.S. sugar quota for Cuba.

The speech also described anti-Communist activity in Cuba as "counter-revolutionary."

A major loss of life was averted only by the fact that it was Sunday, and relatively few workers were near the dump. Many of the injured were Health Department employees working at a garbage truck pool about 300 yards away. Of eight guards on duty at the time only one was injured. Two other soldiers in a nearby barracks were hurt.

The explosion, coming on top of

(See SABOTAGE, Page 8)

Windup Of Bumper County Wheat Harvest Predicted This Week By Agent R. Thomas

Wheat harvest in Gray County is approximately 75 per cent complete and should be finished this week with a crop that "should be as good or better than the bumper crop in 1958," according to County Agent Ralph Thomas.

In 1958 the average yield was 25 bushels per acre, the highest yield per acre ever recorded in Gray County. This year the yield is running from 20-40 bushels per acre, said Thomas, with some as low as 15. He also said the best yields are being reported southwest of Pampa.

Practically all the wheat is testing between 60 and 65 pounds per bushel which, according to Thomas, is the best ever recorded in this county. Moisture content is running 12-13 per cent which is also good, Thomas said.

There was practically no weather damage to the crop since harvest began which contributed to the good yield, said Thomas. The crop will top last year's easily when the average was 15-16 bushels per acre.

The Fisher Panhandle Grain Co. reports that approximately 300,000,000 bushels of wheat have been received at the elevator to date.

Reports show the average yield running as high as 25 bushels per acre at Canadian and 23-25 at Miami.

The Texas Crop and Livestock Reporting Service's June 1 forecast of 75,600,000 bushels for the state has remained unchanged with a total of 5,850,000 acres for harvest estimated. A 20 bushel per acre yield prospect is expected which is 2.5 bushels above last year but 2 bushels below the yield of 1958.

If it comes from a hardware store we have it. Lewis Hdw. Adv.

NEW LOCATION — Davis Electric recently moved into their new, more modern location at 124 S. Frost, north of the railroad tracks. They use only top quality materials in all rewiring jobs. (Daily News Photo)

Davis Electric Offers Top Quality Wiring Jobs

The answer to your electrical wiring problem is simple. Consult with the friendly experts at Davis Electric Co. at its new location, 124 S. Frost, north of the railroad tracks.

One of the most common causes for house fires this year has been faulty electrical wiring. Wiring that is inadequate to carry the electrical load required by modern day appliances.

Davis Electric has courteous and experienced wiring experts to help you in the rewiring of your home.

Davis Electric uses only top quality materials on each job, no matter how large or how small.

Each job is done to meet specifications of the National Electrical Code and the Pampa building code.

So you can be certain that you will receive the best in each rewiring job done by Davis Electric personnel.

Davis Electric also offers oil field maintenance and complete appliance repairs.

For everything electrical, be sure to see Davis Electric, whether its for repair work of any sort or new lighting fixtures.

Owned by Robert and Don Burns, Davis Electric has been doing business in Pampa since 1927. Recently the firm moved into new, more modern headquarters at 124 S. Frost.

Although the firm is on S. Frost, it is located north of the railroad tracks.

And there's plenty of free parking for customers.

News Briefs

BUNKER COLLIDE, TWO KILLED — AMBLERIDE, England (UPI) — Two persons were killed Sunday night when two buses collided near this northeastern English community, police reported.

BLACKLIST FREIGHTER — CAIRO, U.A.R. (UPI) — The United Arab Republic authorities have blacklisted the U.S. freighter for carrying wheat to Israel, it was reported.

The 1,205-ton freighter will be refused port and service facilities if it calls at Arab ports.

COLLISION INJURES 19 — YOKOHAMA, Japan (UPI) — Nineteen persons were injured Sunday night in a collision between an electric locomotive and a four-car passenger train at nearby Minatohachi Station.

KIWANIS OPEN CONVENT — MIAMI BEACH, Fla. (UPI) — The 42nd annual Kiwanis International convention opened today with an address by Albert J. Tully, international president, to 11,000 delegates at Convention Hall.

DENOUNCE KING HUSSEIN — CAIRO, U.A.R. (UPI) — The U.A.R.'s semi-official Middle East News Agency Sunday night denounced King Hussein of Jordan as the "scion of the house of treason" and said he "cannot escape the fate of those who preceded him — in betraying the Arabs."

WASHINGTON (UPI) — Defense Secretary Thomas E. Gates Jr. said Russia may "put pressure on us that might involve minor military actions" but the United States is ready for any eventuality.

Gates said Sunday, however, he did not look for the Soviet Union to start any major crisis. Gates was interviewed by Sen. Leverett Saltonstall (R-Mass.) on a television program.

Saltonstall asked Gates whether he thought Soviet Premier Nikita S. Khrushchev and other Russian officials would follow up their recent "insulting" and "provocative" remarks with any action of a military nature "or any other kind."

Gates said it was difficult and perhaps dangerous to speculate on just what the Russians would do. But he continued:

"My own judgment is that they will continue to harass us. They will continue to talk, they will continue to step up their cold war activities, and perhaps, in some modest way, put pressures on us that might involve minor military actions."

"But I don't, as a matter of my own judgment, believe that they are going to start anything in the form of a major crisis."

Senate U-2 Report 'Soft,' Says Fulbright

By WARREN DUFFE
United Press International

WASHINGTON (UPI) — Chairman J. William Fulbright (D-Ark.) said today the Senate Foreign Relations Committee's report on the U-2 incident and summit conference failure was "very soft in its criticisms."

Fulbright termed the report, issued Saturday night, a "very thorough factual account" but he said it was overly moderate and failed to deal strongly enough with some of the most important issues.

Nevertheless, he said, it was the best report on which a majority of the committee could agree. Fulbright said he expected to outline his own views in a Senate speech within the next day or so.

The report signed by 14 of the committee's 17 members, accused the Eisenhower administration of mishandling the spy plane incident at almost every important point.

It said there was good reason to conclude that the U-2 flight should not have been made just prior to the summit conference. It said the Paris Big Four meeting probably would have been held if the incident had not taken place, although prospects for success were slight.

Sen. Alexander Wiley (R-W.Va.), the committee's top Republican member, and Sen. Frank J. Lausche (D-Ohio), attached a joint minority statement and Sen. Elmer E. Coughran (R-Ind.) issued a statement saying the report was not in the nation's best interests.

Coughran, cast the only vote against the report when the committee approved it, 54-1. Wiley and Lausche abstained from voting.

Wiley and Lausche said that "had luck not had judgment, was the true cause" of the May 1 spy plane incident.

Gates Says U.S. Ready

WASHINGTON (UPI) — Defense Secretary Thomas E. Gates Jr. said Sunday, however, he did not look for the Soviet Union to start any major crisis. Gates was interviewed by Sen. Leverett Saltonstall (R-Mass.) on a television program.

Saltonstall asked Gates whether he thought Soviet Premier Nikita S. Khrushchev and other Russian officials would follow up their recent "insulting" and "provocative" remarks with any action of a military nature "or any other kind."

Gates said it was difficult and perhaps dangerous to speculate on just what the Russians would do. But he continued:

"My own judgment is that they will continue to harass us. They will continue to talk, they will continue to step up their cold war activities, and perhaps, in some modest way, put pressures on us that might involve minor military actions."

"But I don't, as a matter of my own judgment, believe that they are going to start anything in the form of a major crisis."

Texas Coastland Mops Up Floods

By KYLE THOMPSON
United Press International

HOUSTON, Tex., June 27 (UPI) — Hundreds of families along the flat Texas coastlands moved back into their waterlogged and mud-encrusted homes today in the wake of floods caused by up to two feet of rain.

The weatherman promised partly cloudy skies and only scattered showers as some 1,800 or more homeless persons turned to the cleanup task in farm and city homes strung out along a 100-mile front from Houston to Port Lavaca.

They had been the victims of a flood brought on by lack of drainage stream rather than swollen rivers and creeks.

There wasn't any place for that much rain water to go in a hurry, so it just piled up on top of the flat terrain, flooded underpasses, streets and highways and crept up into homes.

More than 27 inches of rain fell at Port Lavaca, a town of 8,000 on Lavaca Bay in Calhoun County, between 5 p.m. Thursday and mid-afternoon Sunday.

The rains didn't start until Friday morning further up the coast, but the rains showed something like 17 inches at Houston and 20 inches at Bay City before the sun finally broke through late Sunday.

Five persons drowned Sunday in the floodwaters — three in Houston and two in Port Lavaca — and at least three others, possibly as many as five, had lost their lives in the tropical disturbance prior to that time.

A Houston fireman, W. E. Hearn, drowned while on a rescue mission in Brazos Bay and two young Houston youths — Lee Allen McKee and Calvin Joseph — drowned in separate canoeing accidents. Two Port Lavaca teenagers drowned when they fell from a bridge while watching the flood.

Highways throughout the entire area were blocked by high water or washed out bridges, although some high wheel trucks managed to slowly maneuver their way into Port Lavaca late in the day and early in the evening bringing fresh water and coats and blankets.

Port Lavaca's water supply was soon exhausted after the floods covered the wells and pumps turning the supply. Officials hoped to restore service by noon today.

The coats and blankets — 700 of the coats and 1,000 blankets — were for the estimated 800 evacuees who spent the night in two of Port Lavaca's schools that served as shelter centers. They were ferried in by the Navy from Corpus

Firm Gives Reasons For Stock Choices

FINANCIAL REVIEW
By ELMER C. WALKER
UPI Financial Editor

NEW YORK (UPI) — The big investment companies select their stocks after long periods of research but they usually keep their methods to themselves.

Hence it is news when Wellington Equity Fund released information on about half of its portfolio with individual ratings on why the company's researchers thought the stocks worthwhile.

The fund hastens to warn that it isn't releasing this information as recommendations to purchase any of the individual securities listed.

In the 24 issues out of the 30 equity investments in the fund on which information is released, only two of them—General Electric and Eastman Kodak—are to be found in the list making up Cay One, wrecked four farm homes and 25 acres of pine timber 12 miles southwest of Lufkin, the other did minor damage near Henderson.

From Victoria southward to the Gulf (some 30 or more miles) it was hard to tell where the flooding ended and the bay started," he said.

In addition to the flooding, two small twisters struck during the

Aid To Unemployed Needy Set Forth In McCarthy Bill

WASHINGTON (UPI) — Sen. Eugene J. McCarthy (D-Minn.) and five members of his special committee on problems of the unemployed today introduced a bill designed to set up a \$200 million expansion of the Social Security system.

Seat Cover Headquarters

WELLINGTON'S portfolio includes such chemicals as American Potash & Chemical (Lithium, Boron, and such basic chemicals as potash, soda ash, and borax); Avon Products (cosmetics and toiletries); Farbenfabrik Bayer (West German manufacturer of dyes and chemicals); Norwich Pharmaceutical (proprietary and ethical drugs); Smith, Kline & French (largest of the "Big Drugs"); Spaulter Chemicals (heavy chemicals); and Spencer Chemical (plastics).

In the field of photography and photographic supplies, the fund has such issues as Eastman Kodak, Farbenfabrik, Haloid, Xerox and Polaroid.

Recipe for Roaches

1 Pint Johnston's No-Roach 1 Small Brush 1 Saucer. Pour No-Roach in saucer, brush on cabinets, baseboards, around sinks, etc. The invisible coating stays effective for months. For peace of mind, use No-Roach. Pint \$1.80; 3 or 6, \$5. At your favorite grocery store or supermarket.

SOLVED-CARPET CLEANING PROBLEM

Science finally has the answer to carpet cleaning. Blue Lustre, a new development, is mixed with water and brushed into carpet or upholstery. It's amazing the way forgotten colors spring out. The nap is left open and soft. It's easy to apply. One-half gallon of Blue Lustre cleans three 3x12 rugs. Available at Pampa Hardware Co., 120 North Cuyler, Ph. MO 4-2481.

LEE GRIMSLEY

Free Prizes Await Any Enterprising Bowlers

Red Watson, manager of the Harvester Bowl, is faced with the problem of how to give money away. He's been trying it every Monday night, but has been having a hard time finding any takers.

The event is called Jackpot Bowling, with cash prizes to the winners each week.

Competition is open in one men's division and three women's divisions.

The men's bracket is usually full, but Watson has been having a tough time finding enough women bowlers to fill out the female bracket.

"They'll come out here all right," Watson said. "But they won't bowl."

Big Coaching Clinic Set At Dallas

The 28th annual edition of the Texas High School Coaches Association clinic will be held at Dallas July 31-Aug. 5.

Again this year association president Darrell Tully, head football coach at Spring Branch High School, is expecting a record-breaking crowd. Last year, when the school was held at Fort Worth, 3,000 coaches attended.

It's a standing joke among high school coaches that the clinic also goes by the unofficial name "Order of the Sport Shirt."

It would be worth the trip to Dallas to see more than 3,000 coaches, all well-tanned from the summer sun and wearing sport shirts, parading around the town.

McDermott Eyes Big League Goal

Mickey McDermott, who in 1953 was an 18-game winner for the Boston Red Sox, is planning a major league comeback at the age of 32. The skinny lefthander, who posted a 7-3 record with Little Rock in the Southern Association this season, and has a fine 2.86 earned run average to go with it. What's more, McDermott is working hard to keep in shape; "a lot like a rookie," says Little Rock manager Fred Hatfield. Last season McDermott tried a comeback with the Dallas Rangers of the American Association, but failed to stay with the club through spring training. The Cincinnati Redlegs are still

in Jackpot Bowling, I've just about given up trying to find the reason for it."

Speaking of bowling, for those who missed it, here's the results of the recent Harvester Bowl summer team tournament.

Eastridge Bowling Palace of Amarillo picked up the \$200 first prize with a 3,036 scratch score. Dunlap's of Pampa was second, winning \$125 with 2,725 scratch and a total of 3,004 with handicap. Amarillo Bowl came in third.

Bill Waggoner led the Dunlap's team with a 212 game and 578 servers. Stan Brake turned in a 211 game.

There were a total of 29 entries in the tournament.

There will be a star-studded list of coaching instructors on the clinic program this year. Darrell Roy, head coach at the University of Texas; Northwestern's Ara Paryshegian; and Benny Schwartzwalder of Syracuse, will be the main football lecturers.

Red Auerbach, coach of the pro champion Boston Celtics, will lead the list of basketball instructors.

Other well-known cage coaches on the list include Bob Vanasta, of Memphis State and Tex Winter of Kansas State.

Benny Stout, Pampa's 205-pound all-state tackle, will be the only Harvester to participate in the all-star games at Dallas. He'll play in the football classic at the Cotton Bowl, Aug. 5.

desperately searching for a first baseman. It will be recalled that this spring the Reds shelled out a lot of cash for Gordon Coleman, the home run king of the Southern Association, but the rookie flopped in spring training. In their latest maneuver, the Reds obtained Fred Hopke, who is owned by the Philadelphia Phillies, in exchange for outfielders Tony Gonzalez and Lee Walls. Hopke, who is now playing with Buffalo, is leading the International League in home runs and won't report to Cincinnati until the triple-A league season ends.

Roadrunners Outlast Sayre; Heiskell Wins

★ ★ ★ ★ ★ ★ ★

TERRY JOE HARALSON, left, and BOBBY STEPHENS ... Roadrunners go on hitting binge

3 Hitters Pace 4-3 Triumph

Terry Joe Haralson, Bobby Stephens and Bobby Seitz collected all of Pampa's eight hits yesterday as the Roadrunners slipped past Sayre, Okla., 4-3.

Gary Heiskell, who went the distance for the Roadrunners to pick up the win, hurled 5-hit ball and struck out eight Sayre batters.

Haralson was the big gun at the plate for the Roadrunners with four hits in as many trips to the plate. He drove in one of the tallies.

Seitz drove in the other three markers with a double and single, and Stephens rapped out a single and double in four trips.

Three errors marred the Roadrunner victory as Haralson was charged with two errors behind the plate and shortstop Bobby Nutt committed another bobble.

The Roadrunners broke the scoring ice with two runs in the bottom of the second frame.

With one out, Haralson and Stephens delivered back-to-back singles. Seitz then poked his double to drive in both markers.

Sayre came back to tie the count with a two-run outburst in the top of the third.

Starting pitcher John Burden opened the inning with a home run. The other marker came after Heiskell loaded the bases with three walks and forced in a tally by issuing a free pass to John Akin.

Pampa took a 3-2 lead in the fourth frame, scoring once on a single by Haralson, Stephens' double and a fielders choice by Seitz.

After Adams had opened the inning by bouncing out to third, Haralson singled and went to third on a double by Stephens. Seitz hit a bouncer to short, but Harold Whipple's only play was to third where he got Stephens for the second out.

Sayre again tied the count in the top of the sixth, scoring once on a single by Stan Hartman and John Burden's double.

But the Roadrunners came back with the winning marker in their half of the sixth.

With one away, Haralson singled, stole second and scored on a single by Seitz.

The Roadrunners started a mild threat in the home half of the eighth, when Haralson poked his fourth straight hit of the game with two out. But Stephens bounced to short to end the brief rally.

Athletes Eye Olympic Test

BAKERSFIELD, Calif. (UPI)—The Olympic trials, a trip to Rome and the gold medals and glory that go with being a champion dangle before the eyes of a select few United States track and field athletes this weekend.

From all over the country they will be on hand at Stanford on Friday and Saturday to compete for places on the Yankee team that will battle the Russians, Germans, British, French, Australians and 50 other nations in the summer Olympics.

Qualifying for the trials was completed here Saturday night with the conclusion of the National AAU meet. Last week an equal number of men qualified from the NCAA and the week before the armed forces qualified men.

The competition in the AAU meet developed some wonderful performers for coach Larry Snyder's European-bound crew.

Among these, the best appeared to be John Thomas, the janky Boston high jumper, who bettered the world mark with a leap of 7 feet, 2 inches on Friday night.

Three day visit with his wife and children, who have lived in this Boston suburb since he was with the Boston Red Sox.

Piersall Is Home For Big Rest

NEWTON, Mass. (UPI)—Cleveland Indians centerfielder Jim Piersall was home with his family here today, but he said it was just a normal visit as far as he knew and not an enforced rest ordered by the team physician.

Dr. Don Kelly, Indiana doctor, said Sunday night he ordered an indefinite rest for Piersall after the stormy outfielder was ejected from the Indians nightcap with the Yankees at Cleveland.

The banishment, following a sixth inning argument with umpire Hank Soar, was the most recent of a series of incidents involving Piersall this season.

When Piersall arrived Sunday night at Boston's Logan Airport, he said he did not know he had been ordered to take a rest. He said he was merely home for a

Oscar Fraley's Sports Parade

Snead Looks Like A Winner

NATIONAL LEAGUE

PORTSMOUTH (UPI)—Slammin' Sammy Snead looked like a winner instead of a man who had just blown another one and Arnold Palmer looked just plain disgusted instead of like a man who had almost pulled another "Denver finish."

This was the ancient little locker room at Portsmouth and the Slammer, shrugging off the fact that he had blown a three-stroke lead to lose the individual International Trophy in a battle of two 18-year-olds to Belgium's Florey van Donck.

"Shucks," smiled Sam, "we won the Canada Cup, didn't we?"

He and young Palmer had, indeed, and by a fat eight strokes over second place England.

Palmer was on the other hand quite grim.

"I just couldn't sink a putt," the Pennsylvania complained. "I thought for a while I might make that Denver run all over again."

but it just wouldn't drop into the cup."

He was referring to his recent victory at Denver in the U.S. Open championship where he was seven shots back starting the last round and came on to win by two shots.

Palmer did close with a three under par 35-34-49 for a third place tie at 254 with England's Harry Weetman, against whom he will match shots starting July 4 in the British Open at St. Andrews. That left them both three shots back of Snead — and the Slammer two strokes back on van Donck.

It was a long-overdue win for van Donck, the tall, handsome Belgium who tutors his nation's royal family in the fairway arts. The 6 foot, 2 inch 165-pounder with the graying hair had tied in the International Trophy race at Washington in 1955 and lost out to Ed Furgol along with Aussie Peter Thomson in a playoff. Then, two years ago, he finished one shot back in Mexico City.

"He sure earned it," Snead nodded as he prepared to return to the United States by jet today to play in the Flint Open.

49er Passer Is In Golf Orbit

KANSAS CITY, Mo. (UPI)—John Brodie, quarterback for the San Francisco 49ers, can hit a golf ball farther than he can throw a football.

He cannot, however, stroke the little white ball into the cup as accurately as he passes a football to his ends and halfbacks.

But nevertheless, as the only professional football player on the pro-golf circuit, he swings his clubs well enough to pick up an occasional paycheck in tournaments.

"Naturally, I don't like my current profits from golf as well as those from football. But I intend to stick with this game, so I can play in athletic competition after my football days are over in 10 or 12 years."

Playing out of Menlo Park, Calif., he has finished in the money three times. He picked up his latest paycheck, for \$11,67, with a 75-71-75-221 in last weekend's Kansas City pro-amateur invitational.

His five-over-par final score was 111 strokes behind the winning 210, turned in by Gay Brewer Jr., of Crystal River, Fla. The victory was Brewer's first in four years as a professional.

G-Sox Nip Monterrey

By United Press International

Victoria maintained its grip on third place in the Texas League with a 7-4 second game victory over the Mexico City Tigers, and a split in the Pan-American Association doubleheader Sunday night.

The Tigers won the seven-inning opener 2-1 on Dick Czepek's two-run homer.

In other action Amarillo trimmed Monterrey 2-1. Austin and the Mexico City Reds split, the Reds dropping their first game 4-3 and winning the second 9-3.

Tulsa also split with Pueblo winning the first game 5-5 and losing the second 7-6.

San Antonio swept two from Veracruz, 7-4, 4-2.

Gentile Homers Twice As Orioles Regain 1st

By MILTON RICHMAN United Press International

Rookie Jim Gentile is the American League's new batting leader and that makes it tough for Tokyo, but butty for first-place Baltimore. Gentile, purchased conditionally from St. Paul for \$20,000 during

Ferrari Wins At Le Mans

LE MANS, France (UPI)—When it comes to endurance auto races, there isn't a driver in the world who can match Belgium's Olivier Gendebien.

The 37-year-old Brussels daredevil, alternating at the wheel of a Ferrari with compatriot Paul Frere, won the Le Mans 24-hour Grand Prix Sunday for the second time in three years.

Gendebien teamed with Phil Hill of Santa Monica, Calif., to win the same race in 1958. Earlier this year, the tireless Belgian drove a Porsche to victory in a 12-hour endurance race at Sebring, Fla.

While Gendebien walked off with the top prize in the latest Le Mans marathon, American drivers and cars also performed remarkably well.

Three Ferraris entered by the North American racing team of Miami, Fla., finished among the top 10, including the runner-up car, driven by young Ricardo Rodriguez of Mexico and Andre Pilette of France.

George Arents of Southampton, N.Y., and Alan Connell of Fort Worth, Tex., wound up fifth in another Ferrari and Ed Hugue of Pittsburgh, Pa., and August Seibert of Milwaukee, finished seventh in the American team's third Ferrari.

Two U.S.-owned Corvettes also finished among the leaders. John Fitch of Lyme Rock, Conn., and Bob Grossman of New York were eighth while Lee Lilley and Fred Gambles, both of Miami, wound up 10th.

the off-season, was all set to go to Japan and play if he failed to make good with the Orioles.

He looked futile with Baltimore this spring and began to think more and more about his trip to the Far East.

"I wasn't fooling," says the slugging, 26-year-old first baseman. "Rather than go back to the minors, I would have gone to Japan."

Paul Richards stuck with Gentile, however, and the Orioles paid St. Paul the money for him only a few weeks ago. The transaction could easily develop into the baseball steal of the year.

Gentile slammed his ninth and 10th homers of the season against Kansas City Sunday—one with two on in the sixth inning and another with the bases full in the seventh—to drive in seven runs in a 9-2 victory that powered the Orioles into first place. Along with it, he vaulted to the top of the league in hitting with a .347 average and jumped to second place in the runs-batted-in department with 49.

Rookie Chuck Estrada, supported by Gentile's two homers plus another by Gene Woodling, breezed to his eighth victory with a two-hitter. Estrada held the A's hitless until the eighth when Bill Tuttle singled and Andy Carey homered.

The Indians knocked the Yankees out of first place by winning the second game of a doubleheader, 7-6, in 11 innings after losing the opener, 6-2. The White Sox swept a pair from the Red Sox, 4-3, and 21-7 (that's no misprint), and the Senators took two from the Tigers, 4-2 and 7-4.

In the National League, the last-place Cubs snapped a nine-game losing streak with 7-6 and 7-5 victories over the first-place Pirates. Despite the two losses, the Pirates lost only a half game of their lead and they still are three games up on the second-place Braves, who lost to the Dodgers, 6-3. The Reds beat the Giants, 10-4, while the Phillies won a 3-2 decision over the Cardinals in a 12-inning opener and then lost the nightcap, 4-3.

Southpaw Whitey Ford stopped the Indians on four hits in winning the opener for the Yankees, who knocked out Ted Bowsfield with a three-run burst in the sixth.

Roger Maris was the key man in the nightcap. He kept the Yankees in the game with his 21st and 22nd homers of the season and then committed an 11th inning error on pinch hitter Bob Hale's double that allowed Hank Fulles to score the winning run. Jim Perry was the winner and Johnny James the loser.

Billy Pierce and Early Wynn buried the White Sox to their wins over the Red Sox. Pierce pitched a five-hitter and drove in two runs in the opener and Wynn coasted in the nightcap as the White Sox turned the game into a shambles, with 11 runs in the fourth inning. Sperm Lollar led Chicago's 22-hit attack in the nightcap with four hits.

Pedro Ramos and Don Lee teamed up for Washington's opening game triumph over Detroit with Ramos registering his fourth victory. The Senators scored all of their runs and eight of their 10 hits off Frank Lary. In the nightcap, Washington chased Los-

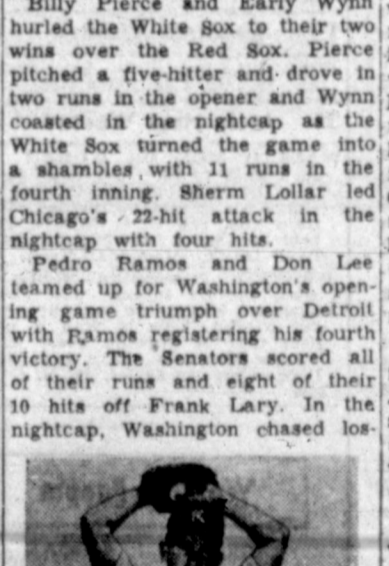

er Paul Foytack with a four-run burst in the first inning and after Lou Berber's three-run homer in the seventh, Rene Bertous hit a two-run homer for the Senators in the eighth. Bill Fischer gained his third victory.

The Cubs beat Pirate ace Bob Friend and Vern Lue in their sweep. Friend, trying for his 10th win in the opener, was rapped for 39 hits and six runs in 4 2/3 innings. Mark Freeman was the winner although requiring Don Klston's help in the ninth when the Pirates rallied for four runs. Law, shooting for his 12th victory in the nightcap, gave up all seven Chicago runs during the eight innings he worked. Errors by Don Hoak and Bob Skinner helped Chicago score four runs in the sixth. Seth Morehead was the winning pitcher.

Rookie Frank Howard drove in four runs with two homers as the Johnny Podres held Milwaukee to seven hits for his seventh victory against six losses. Lew Burdette was tagged with his third loss compared with eight victories.

Bob Purkey scored his seventh victory for the Reds although the Giants got to him for 11 hits. The Reds scored two runs in the first inning on Andre Rodgers' error and doubles by Vada Pinson and Gus Bell, then drove Jack Sanford to the showers with a four-run rally in the third. Wally Post and Orlando Cepeda hit homers.

Tony Gonzalez' 12th inning homer off Ernie Broglio gave the Phils their opening game victory but Broglio came back in relief in the nightcap to win and bring his record to 8-4. The Cards erased a two-run deficit in the nightcap when Hal Smith hit a three-run homer in the ninth inning.

WHITEY FORD Tribe stopper

er Paul Foytack with a four-run burst in the first inning and after Lou Berber's three-run homer in the seventh, Rene Bertous hit a two-run homer for the Senators in the eighth. Bill Fischer gained his third victory.

The Reds scored two runs in the first inning on Andre Rodgers' error and doubles by Vada Pinson and Gus Bell, then drove Jack Sanford to the showers with a four-run rally in the third. Wally Post and Orlando Cepeda hit homers.

Tony Gonzalez' 12th inning homer off Ernie Broglio gave the Phils their opening game victory but Broglio came back in relief in the nightcap to win and bring his record to 8-4. The Cards erased a two-run deficit in the nightcap when Hal Smith hit a three-run homer in the ninth inning.

er Paul Foytack with a four-run burst in the first inning and after Lou Berber's three-run homer in the seventh, Rene Bertous hit a two-run homer for the Senators in the eighth. Bill Fischer gained his third victory.

The Cubs beat Pirate ace Bob Friend and Vern Lue in their sweep. Friend, trying for his 10th win in the opener, was rapped for 39 hits and six runs in 4 2/3 innings. Mark Freeman was the winner although requiring Don Klston's help in the ninth when the Pirates rallied for four runs. Law, shooting for his 12th victory in the nightcap, gave up all seven Chicago runs during the eight innings he worked. Errors by Don Hoak and Bob Skinner helped Chicago score four runs in the sixth. Seth Morehead was the winning pitcher.

Rookie Frank Howard drove in four runs with two homers as the Johnny Podres held Milwaukee to seven hits for his seventh victory against six losses. Lew Burdette was tagged with his third loss compared with eight victories.

Bob Purkey scored his seventh victory for the Reds although the Giants got to him for 11 hits. The Reds scored two runs in the first inning on Andre Rodgers' error and doubles by Vada Pinson and Gus Bell, then drove Jack Sanford to the showers with a four-run rally in the third. Wally Post and Orlando Cepeda hit homers.

Tony Gonzalez' 12th inning homer off Ernie Broglio gave the Phils their opening game victory but Broglio came back in relief in the nightcap to win and bring his record to 8-4. The Cards erased a two-run deficit in the nightcap when Hal Smith hit a three-run homer in the ninth inning.

After going to the trouble to knock the padlock off a back door to Matheny Tire Co. last night, burglars prowled the store, but didn't take anything.

Legal Publication

NOTICE OF BOARD OF EQUALIZATION MEETING In accordance with an order of Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Hopkins School House in Gray County, Texas, at 10:00 o'clock A. M. on Wednesday, the 6th day of July, 1960, for the purpose of determining (fixing and equalizing the value of any and all taxable property situated in Hopkins Independent School District, Gray County, Texas, for taxable purposes for the year 1960, and any and all persons interested in or having business with said Board are hereby notified to be present.

THE STATE OF TEXAS TO: Harold O. Barnes, if living, and if deceased, his unknown heirs and legal representatives, and Morris E. DeWolke, if living, and if deceased, his unknown heirs and legal representatives. GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 45 days from the date of issuance of this citation, the same being Monday, the 28th day of July A. D. 1960, at or before 10 o'clock A. M. before the Honorable District Court for Gray County, at the Court House in Pampa, Texas. Said plaintiff's petition was filed on the 8th day of June, 1960. The number of said suit being No. 13,161. The names of the parties to said suit are: LLOYD OIL & GAS COMPANY as Plaintiff, and HAROLD O. BARNES, ET AL, as Defendants. The nature of said suit being substantially as follows, to wit: This is a suit for debt, interest and attorney's fees and for foreclosure of a lien securing the same on the following described real estate: Harold O. Barnes, 109/6000ths Morris E. DeWolke, 20/6000ths each of 1/2 of the working interest in all of the oil, gas and minerals in, under or that are produced from the Northwest quarter (NW 1/4) of Section Fifty-seven (57), Block B-2, H&C N. R. Co. Survey, Gray County, Texas, together with the equipment thereon and the proceeds from the sale of all oil runs therefrom now held in suspense by Humble Oil & Refining Company since January 1, 1957, and all proceeds from the sale of gas runs therefrom now held in suspense by Phillips Petroleum Company since January 1, 1957. Inured this 8th day of June, 1960. Given under my hand and seal of said Court, at office in Pampa, Texas, this 8th day of May A. D. 1960. Helen Sprinkle, Clerk District Court, Gray County, Texas. By Glenn Gray, Deputy June 15-20-27, July 4

Typhoon Hits Philippines

MANILA (UPI) — A killer typhoon Olive smashed into the Philippines with 140 mile an hour winds Sunday night and early today, leaving a heavy toll of death, injury and destruction. At least 56 persons were dead or missing and 10,000 persons were made homeless. Authorities gave little hope for the rescue of 16 fishermen who were reportedly clinging to the mast of their sinking boat off eastern Luzon, the Philippines' biggest island. "Our ship in the area cannot approach the fishermen," a spokesman said. "The ship captain radioed us that giant waves were hampering the operation."

PAMPANS

been married for 24 years. Mrs. Hammond came to Pampa 24 years ago from Clinton, Okla. She is survived by six sisters, Mrs. Josephine Blalock of Pampa, Mrs. Marie Osborne of Oklahoma City; Mrs. Nelda Bossett of Kansas City; Mrs. Rose Van Valkenburg of California; Mrs. Alta Terry of Oklahoma City; Mrs. Cora Wilson of Fayetteville, Ark.; two brothers, Bill Salyer of California, Brad Salyer of Oklahoma City. Services are also pending for Mr. and Mrs. Gaudie Mize. Mize, a painter, was born Feb. 25, 1901. He is survived by one son, J. D. of Pampa; two daughters, Mrs. Marie Parsley, Mrs. Cora Nichols, both of Pampa; three sisters, one of whom is Mrs. Jewell Cunningham, also of Pampa; two brothers, Johnny of Fort Worth, Alvis of Utah; and 15 grandchildren. Mrs. Mize, born Feb. 6, 1906 in Wheeler County, is survived by the son and daughters mentioned above; three sisters, Mrs. M. V. Watkins, Mrs. Myrtle Ford, both of Pampa, Mrs. Flora Lockhart of Hope, Ark.; two brothers, W. M. Howard of Marysville, Calif., Earnest Howard of Pampa; and 15 grandchildren.

SABOTAGE

(Continued From Page 1) the loss of most of the cargo of the La Coubre, was believed to have cut deeply into the powder stockpiles of Castro's revolutionary army. One civilian was heard to demand: "We ought to send someone to the States to kidnap Eisenhower and return him to Cuba for a sabotage trial."

KENNEDY (Continued From Page 1) cussion of education was set for today's opening business session. Gov. Harold W. Handley of Indiana, J. Hugo Aronson of Montana, and Christopher Del Sesto of Rhode Island circulated the Nixon endorsement. Fifteen of 17 reached approved the document and the sponsors expected Gov. Cecil H. Underwood of West Virginia to join after a delayed arrival. Besides Rockefeller, Gov. Paul Fannin of Arizona held off from signing because his state GOP convention had endorsed Sen. Barry Goldwater as a favorite son candidate. He wanted to consult Goldwater first.

STRENGTH (Continued From Page 1) Mildred, 27, said goodbye that Sunday night to her parents, Mr. and Mrs. Lewis Hill, and started home to Apple Valley, Va., 15 miles away. Their car was found beside the road the next morning. Almost two months later Jackson's body was found in a sawdust pile near Fredericksburg, Va., 50 miles away. He had been shot in the head. His hands were bound with a red necktie. Beneath his body lay that of little Janet. She was untouched—dead of suffocation or exposure. Two weeks later the bodies of Mildred Jackson and 4-year-old Susan Ann were found in shallow graves near Gambrills, Md. Mrs.

Jackson had been beaten and strangled. Susan Ann was beaten to death. The man the FBI says is the killer is handsome and quiet. His only trouble appears to have been domestic. Neighbors of his parents at Hyattsville, Md., recall Rees as a quiet and helpful young man. He plays the piano, the guitar, the saxophone and the clarinet. He was working for a piano store at West Memphis, Ark., when the FBI arrested him last Friday. He came here five months ago with a dance band and stayed on. Rees' former wife lives with his child and parents at Hyattsville. Rees was arrested on a murder charge for the 1957 shooting of Mrs. Margaret Harold at Gambrills, Md., near the spot where the bodies of Mrs. Jackson and her daughter were found. Kidnaping and murder charges in the Jackson family killings followed.
