Pampa Gets \$2-Million Shopping Center

Fort Proposes Summer Rates For City Water

City Commissioner L. P. Fort said today he will introduce an ordinance to amend Pampa's present water rate ordinance to give residential consumers a cheaper summer rate for watering lawns and gardens.

The new rate, which would also apply to churches, would give residential and church water users the first 7,000 gallons at a flat price of \$3.75. The next 13,000 gallons would be at the rate of 35 cents per thousand. All water used above 20,000 gallons would then be charged the same as under the rate ordinance now in effect.

The present rate ordinance makes a flat charge of \$2.80 for the first 4,000 gallons and 50 cents per thousand for the next 16 thousand gallons.

A residential consumer who used 20,000 gallons of water would pay a \$10.60 water bill under the current rate ordinance. Under Fort's proposed amendment to the current ordinance, the bill for the same amount of water would be \$5.30.

The proposed rate would be an alternate rate in the current ordinance and consumers wishing to take advantage of it would make application at the city water office, Fort said. That rate then would remain in effect for the consumer until written notice is given by the city or unless changed by an act of the City Commission.

Fort at recent meetings of the commission has opposed the proposed rate increase ordinance now pending before the commission after two readings.

Fort explained that his proposed amendment has no relation to the rate increase proposal.

"It is only an amendment to the rate ordinance under which we now are operating," the Ward 4 commissioner said. "With the need for water use due to the lack of rain, I think the people are entitled to some relief from the high cost of watering lawns."

Moth Trap

LONDON (UPI) — Dr. David Langley said in today's issue of the British Medical Journal that he had a recent case where a four-year-old boy accidentally swallowed a moth and then took a moth ball to "catch it."

Type III Polio Vaccine To Be Given Sunday

The Type III Sabin Oral Polio vaccine will be offered here Sunday at three clinic locations.

The vaccine will be administered at Stephen F. Austin, Horace Mann, and Baker Elementary schools between the hours of 1 p.m. and 5 p.m. Sunday.

This clinic is under the joint sponsorship of the local Jaycees and the Top O' Texas Medical Society.

Contract Talks To Resume Today

NEW YORK (UPI) — Contract talks resume today between publishers and the photoengravers' holdout union in the 112-day shutdown of eight daily newspapers.

Negotiators, the papers' almost 20,000 employees and the general public had lapsed into hopeless resignation Wednesday, when rebellious members of the union defied their leadership to turn down a settlement proposal by a 191-111 vote. Publishers made it clear they would offer no new concessions, but Thursday, at the request of Frank McGowan, president of Photoengravers Local 1, they agreed to meet today at 2:30 p.m. EST at city hall. Mayor Robert F. Wagner will preside.

ARCHITECT'S EYE VIEW OF SHOPPING CENTER — This architect's drawing shows a general view of the \$2-million Coronado Shopping Center in which the first store will open next fall. Plans call for completion of the entire project on N. Hobart St. by next spring with

additional stores taking occupancy between October of this year and March of 1964. When completed the shopping center will be occupied by a variety of stores, shops and services with some 200,000 square feet of floor space and parking space for more than 1,200 cars.

Builder Says Area Set For Completion By Spring Of 1964

Following public announcement yesterday that Montgomery Ward would build a new Pampa store in a new shopping center on N. Hobart St., just north of Coronado Inn, another special announcement came on the entire \$2-million project to be known as Coronado Shopping Center.

That news followed immediately the announcement at a luncheon given by Montgomery Ward officials yesterday at Coronado Inn.

It was made by Stanley Mathis of the Pecos Construction Co., of Roswell, N. M., designers and builders of the shopping center.

After completion of the storm drainage structure, Mathis said, the site will be leveled to a gentle grade from Hobart St. to the west property line of the shopping center.

Actual work on the first retail stores in the area will be started this week end, Mathis stated.

The shopping center will occupy a 20-acre tract extending from the Coronado Inn property north to Kentucky Ave. and west from Hobart St. to Sumner St.

Property for the center was purchased by Pampa-Coronado, Inc., a Texas Corporation, represented by Mathis. It was bought about two years ago from the Hotel Realty Co. of Pampa.

Mathis said today the first retail store, Montgomery Ward, will be opened in the shopping center about the first of next October. Remainder of the stores, he stated, should be ready for opening in late 1963 or early 1964, with the entire center to be completed and occupied in March, 1964, one year from now.

Plans call for the center to contain approximately 200,000 square feet of floor space with parking space for more than 1,200 automobiles.

Stores in the center of the project will open out onto a projected mall to be landscaped and decorated as an integral part of the center planning. All stores will be completely air conditioned, winter and summer, and will be built of face brick, concrete masonry units and steel construction.

The site work which is now being completed includes a storm water drainage system of reinforced concrete which will carry storm water drainage under the parking area for the center itself.

Leases now are being signed by (See CENTER, Page 3)

Reds Say U.S. Encourages Cuban Raids

MOSCOW (UPI) — The Soviet government charged officially today that the United States "encourages" Cuban rebel attacks on Soviet ships.

The Soviet charge was contained in the third note in three days on the Cuban situation. It was disclosed as Soviet Premier Nikita Khrushchev, in a newspaper interview published today, said the immediate danger of war over Cuba has been eliminated.

The latest note delivered to the U. S. embassy protested the "criminal" attack by a band of "counter-revolutionaries" Wednesday night on the Soviet freighter Baku.

The note, reported by the official Tass news agency, charged that the rebels—anti-Castro Cubans living in exile—made their attack "with the approval and under the protection of the American authorities."

It warned that the Soviet government "is compelled to study the question of taking appropriate measures to insure the safety of Soviet merchant vessels making trips to Cuba."

It did not elaborate on what "measures" it meant.

Payments Ruled In Error; Checks Are Refunded

Social Security refund checks amounting to approximately \$13,000 were mailed out by the City of Pampa today to 41 former and present city firemen.

The individual checks for amounts all the way from \$4.97 to \$727 comprised payments made by the firemen to the Social Security Administration over the past six years.

The refunds were made when the Federal government ruled finally last week that the payments made by the Pampa firemen were in error under a ruling that the men were not entitled to Social Security benefits because of the existence of the Texas Firemen Pension and Relief Fund.

Twenty-four of Pampa's 33 city firemen never had participated in the state pension and relief fund and have asked the President and Congress to reinstate them under Social Security.

So far no word has been received from Washington in reply to the letter of protest which the Pampa firemen mailed last Saturday.

George Parr Nearly Cleared Of All Charges

SAN ANTONIO (UPI)—George Parr, onetime political kingpin of four South Texas counties, was nearly cleared today of the last big legal attack pending against him.

The federal government Thursday filed a motion to dismiss an income tax evasion indictment pending against the "Duke of Duval" since 1955. The only technicality remaining in the case is for federal Dist. Judge Ben Rice to sign the order.

U.S. Atty. Ernest Morgan said the dismissal motion was filed on orders of the tax division of the Department of Justice, following a review of the case ordered by Atty. Gen. Robert F. Kennedy.

The decision to dismiss the case against Parr was based on the age of the case and on recent Supreme Court decisions.

British Official Visits Washington

LONDON (UPI) — Harold Wilson, leader of the opposition Labor party and possibly Britain's next prime minister, left for Washington today "to bring myself up to date with developments in U. S. policies."

He will meet President Kennedy and other top-ranking American officials during his five-day visit and try to convince them that Britain will remain a firm ally should Labor come to power.

Red-Built MIG's Open Fire On American Ship

MIAMI (UPI) — Two Soviet-built jet fighters swooped down on an American motor vessel in international waters off Cuba Thursday night, firing at least 30 machine cannon bursts across its bow, the ship captain said today.

The incident was the second in six weeks in which American vessels reported Soviet-built MIGs descended on them with guns

blazing in the water between Florida and Cuba.

Capt. Curtis Olsen of Minneapolis, skipper of the 4,680-ton Floridian which plys between Miami and Puerto Rico on weekly trips, told reporters after docking in Miami this morning that the two jets circled his ship for 20 minutes, alternatively buzzing and firing machine cannon bursts.

"They were MIG's; no doubt about it," Olsen said.

Two Cuban-based MIGs fired rockets in the vicinity of the American shrimp boat Ala on Feb. 20 while two crewmen frantically waved a distress flag.

Retaliation Order

After the Feb. 20 incident, President Kennedy told a news conference he had ordered the Defense Department "to make sure that action will be taken" if any new attacks occurred.

As Olsen told of the attack there were these developments: President Kennedy had a 12:30 p. m. meeting with the executive committee of the National Security Council. It was certain the attack on the Floridian and raids by Cuban refugees would be discussed. The White House said the meeting was not arranged as a result of any recent incident.

The Soviet Union threatened to protect its ships making trips to Cuba. The Soviets charged the United States encouraged attacks on Soviet vessels and that Cuban exiles who attacked the freighter Baku in a Cuban port Wednesday were "under the protection of American authorities."

Soviet Premier Nikita Khrushchev said, in an interview, obviously before today's new Soviet note, that the immediate danger

Perjury Sought In Estes Conviction

EL PASO, Tex. (UPI) — Reports circulated today that a federal grand jury will look for evidence of perjury in a trial that resulted in conviction of Billie Sol Estes on five counts of mail fraud and conspiracy.

A U.S. District Court jury of 10 men and two women, with a Negro foreman, found Estes guilty of four counts of mail fraud and one count of conspiracy Thursday after 49 hours and 44 minutes of deliberation.

The jury acquitted him of eight counts of mail fraud and one of interstate transportation of a fraudulent document. U.S. Dist. Judge R. E. Thomason dismissed two other counts of mail fraud before the jury started deliberation.

Estes, 38, a bankrupt farm financier who had high connections in Washington, could get a maximum of 25 years in the penitentiary when Thomason sentences him in about two weeks.

"He is already under a state court sentence of eight years for swindling a farmer. Estes sold 12 big finance companies mortgages totaling more than \$24 million on anhydrous ammonia fertilizer tanks that never existed.

U.S. Assistant Atty. Gen. Rufus D. McLean, who prosecuted Estes, refused to comment on court reports of a perjury investigation. He said any statement will have to come from the Justice Department in Washington.

Government witnesses said one thing during the trial that began March 11 and defense witnesses said the exactly opposite thing. It was obvious somebody lied.

'Hot Phone' Link Topic At Geneva

GENEVA (UPI) — The Russians may be avoiding discussion of a U.S.-proposed "hot telephone" link between the White House and the Kremlin because they did not think of it themselves, Western diplomats said today.

The proposal was scheduled for consideration at this morning's session of the 17-nation disarmament conference.

Weak Cool Front May Bring Rain

By United Press International

A weak cool front pushed into North Texas today, lowering temperatures slightly and bringing the prospect of rain for the northeast corner of the moisture-starved state.

Threat From Castro

Cuban Premier Fidel Castro charged Thursday the United States was responsible for hit-and-run attacks on the Cuban Coast. Castro said he might seek to buy long range bombers and ships to protect his coast if the raids continued.

Four Navy and Marine jet fighters scrambled from Key West, Fla. after Olsen flashed an SOS that his ship was being fired on by "unidentified aircraft." The MIGs had vanished by the time American planes arrived.

There was speculation that the attack was in retaliation for two (See FIGHTER, Page 12)

Deadlines Today And Tuesday

Pampans Vote Absentee On Two Upcoming Elections

Sixty-three absentee ballots had been cast up until noon today in Pampa's April 2 city election, according to City Secretary Edwin Vicars.

Deadline for the absentee ballots in the city election was set for 5 p.m. today, Vicars said.

In the school board election to be held Saturday, April 6, County Clerk Charlie Thut said at noon 22 absentee ballots had been voted so far. Last day for absentee voting in the school election is next Tuesday.

The city election will be held to elect a mayor and four ward councilmen.

The school election will name one trustee to fill the vacancy left by the expiration of incumbent board member Dr. R. M. Hampton. Hampton is running for reelection and is being opposed by Herschel Wilks, general manager of the Celanese Corp. plant here.

In the city election R. Thompson, supply dealer, and Gene Lewis, hardware store owner, are seeking the mayor's office.

There also will be two man races for each of the four ward commissioner posts. Jack Skelly faces Dr. MacField McDaniel in Ward 1. Candidates in Ward 2 are Hobart Fatheree and James Nation Jr., R. K. Parsley will try to unseat Leon Holmes in Ward 3, and L. P. Fort is seeking reelection in Ward 4. His opponent will be A. C. Troop.

Voters will cast their ballots in each of the four wards in the April 2 city election. The April 6 school election will be held for all voters at one place, the Pampa

Two Killed In High Speed Crash

SAN ANTONIO (UPI) — Two persons were killed on a San Antonio expressway today when two cars collided head-on, one of them traveling in the wrong lane of traffic at more than 100 miles per hour.

The dead were identified by San Antonio police as Vickie Jean Bair, 20, of San Antonio and George Edward Robinson, 22, of Rt. 5, Bexar County.

Police said Robinson's car was traveling in the wrong direction when it hit the girl's car.

HAIL THE QUEEN — Gordon Balch crowns pretty Anne Evans as the Basketball Queen at last night's annual Pampa Basketball Banquet. Team co-captains Balch and Randy Matson escorted Miss Evans, while Princesses Betty Enright and Tommie Babcock were escorted by Keith Swanson and Wayne Kreis. National Corps Plans Drafted

SAN ANTONIO (UPI)—A San Antonio welfare worker today worked on the final draft of a report to Atty. Gen. Robert Kennedy calling for the proposed National Service Corps to do work in the city ranging from training of domestic servants to baby sitting when harassed parents need peace and quiet.

Olin LeBaron, executive director of the Community Welfare Council, said the report will be sent to Kennedy sometime next week.

SPLICED—Dwayne Hickman, 28, television's Dobbie Gillis, whispers to his bride, actress Carol Christensen, 25, after their marriage in Hollywood.

By RICK DU BROW

HOLLYWOOD (UPI)—It is a droll irony that CBS-TV's "Fair Exchange," which was killed by ratings, returned to the air Thursday night in the same month that is seeing rating firms get their lumps from Congress.

Series rarely get a second chance. But this one, about two families — one American, one British — who exchange teenage daughters for a year, had enough inside pull (production boss is Lucille Ball) and luck to be an exception, even though it was whittled from an hour to 30 minutes.

It had tried to be video's first hour-long situation comedy, and it is still a situation comedy, so let the buyer beware; but if we must have situation comedies, and it seems we must, you won't do much better than this one, which is often fast, charming and expert, with Eddie Foy Jr. leading the pack as the Broadway ticket broker who is the American father. If anything, it is neater as a half-hour package, though regrettably there is less time to use tongue-in-cheek about British

and American differences. "Fair Exchange" was cancelled in December despite a good deal of critical and popular acclaim. But when Loretta Young's new half-hour show turned out to be dreadful, a time-slot became available.

The inside pull came, of course, from Miss Ball, both as an influential CBS star and as executive of her own Desilu Studios, which puts out "Fair Exchange." When Desi Arnaz left Desilu and she became president, she went to work for the series, and even did on-the-air plugs for it. But though CBS has had the sense to give it a second chance — more sense than NBC had when it let the axed "It's A Man's World" just disappear — "Fair Exchange" is not scheduled to return in the fall.

It seems CBS, come fall, will continue to prefer such a prime-time show as reruns of "Gunsmoke." If, however, "Fair Exchange" scores big this go-round you never can tell.

The Channel Swim: NBC-TV's Merv Griffin show goes off the air today; two soap operas replace it Monday.

Sunday: Walt Whitman is the subject of CBS-TV's "Camera Three." Dorothy Lamour guests on same network's "Candid Camera."

International stuff: Japan is removing its dollar ceiling on buying American television films, thereby opening wide its import

"A FILM TO BELIEVE IN"—Such a movie—"Dr. Strangelove: Or How I Learned to Stop Worrying and Love the Bomb"—was the bait which lured Sterling Hayden back to acting. Here, in a scene from the film, are Hayden, left, and his costar, Peter Sellers.

door; but the ruling doesn't apply NBC-TV's "Today" program... to movies for video, only shows Cancel: Edward G. Robinson an hour or less. King Hassan II from same network's Jack Paar of Morocco guests Monday on show tonight.

SUBJECTIVE PHENOMENON
WASHINGTON (UPI)—People who think television and radio commercials are too loud are experiencing a "subjective and psychological phenomenon" that can't be proved, according to the National Association of Broadcasters.

The Association told the Federal Communications Commission (FCC) Monday it doesn't agree with complaints that most commercials are too loud. A spokesman said no two people agree on how loud "loudness" is, and that no measuring device has been developed to hear noise the way the human ear does.

BULLPUP CONTRACT
GREENWICH, Conn. (UPI)—American Machine & Foundry Co.'s Brooklyn operations division has been awarded a \$1,600,000 Navy contract for production of rocket motors for its Bullpup missile, it was announced Thursday.

GET PAY RAISES
LONDON (UPI)—Britain's 50,000 family doctors and dentists are to get a raise in pay, Prime Minister Harold Macmillan told Parliament Monday.

Macmillan said the raise will be about 14 per cent under the national health scheme. This will give general medical practitioners about \$7,742 a year and dentists about \$6,720 a year.

A delicate, rosy complexion to go with pinks and other pastels for spring is within reach of all. The model (left) lightly applies a pink-toned base after using a moisturizing cream. This base is the key to the new healthy, radiant look. She further builds a natural aura by using two light shades of eyebrow pencil (center) and then brushing her brows. Delicate shades of foundation and pink rouge are also applied. Next, she outlines her lips with a lip liner pencil before she uses a pink-toned lipstick to round out her rosy look for day or night.

Dear Kathy

By KATHY PETERSON
Dear Kathy: For some time I have been faced with a difficult problem. After reading your column in today's paper, I decided to ask your advice. I would appreciate a reply.

Last March, I met a very nice boy with whom I worked. We dated regularly and we liked each other a lot. I knew this boy had another girl but he said he'd give her up if he was sure of my feelings and a few months ago I committed myself too strongly to him. We only dated twice after this. Without even telling me, he moved back to the place where his other girl lived. He was affectionate right to the last day.

I've written to him twice telling him how I miss him, and begging him to at least write. What should I do?—C. C.

Stop clutching at straws—Resign yourself to forgetting this fellow with the tarnished halo. It takes almost a miracle to revive an old romance.

Don't wring permanently pleated skirts or dresses. They should be drip dried.

Rosiest Of Springs To Go With Fashion Shades

By ALICIA HART
NEWSPAPER ENTERPRISE
BEAUTY EDITOR

A tonic for winter-weary skins will make this one of the rosiest of springs. Based upon artful use of co-ordinated cosmetics, the tonic proves to be a new, radiant look which complements soft silhouettes and light-colored fashion shades.

You will find that attaining a soft, glowing appearance may take time, but you will be pleased with the understated results.

A pink-tinted creamy undertone is the key. To gain your rosy glow, smooth a moisturizing cream over your face. Next, dot the undertone on cheeks, chin, throat, forehead and ear lobes and blend lightly. Unlike rouge, it is not meant for spotlighting but gives an over-all glow.

Over this apply a small amount of foundation and blend carefully, especially at the hairline and over the throat. A subtle touch of a tender pink cream rouge on the cheekbone acts as a highlight.

The eye shadow shades and how you apply them are important to the softer aura you are working

to create, according to experts at Elizabeth Arden. Work for the palest haze on the lids, with color a bit deeper at the lashes and lightened just below the brow.

A sea blue, for example, is suggested to go with pastel fabrics. The eye liner, too, is underplayed.

Next, dust on loose powder in a shade to match the foundation. Brush away excess powder—with cotton. Powder your eye make-up, too, and brush with cotton and an eyebrow brush.

Completing your swing to a pink complexion is the application of a pink-red lipstick. For a firm definite outline, begin with a lip outline pencil.

As you can see, technique is very important in your approach to spring freshness.

EGGS BENEDICT
Place slices of baked ham on buttered toasted English muffin halves. Top with poached eggs. Spoon Hollandaise Sauce generously over each serving.

To make Hollandaise Sauce:
(Yield: 3/4 cup)
1/2 stick (1/2 cup) butter or margarine, melted
3 egg yolks
1 tablespoon lemon juice
Few grains cayenne pepper
3 tablespoons hot water

Place egg yolks into top of double boiler. Beat until smooth but not fluffy. Stir in lemon juice, cayenne pepper, and butter. Add hot water. Set mixture over hot, but not boiling, water so that water does not touch bottom of bowl holding sauce. Stir and cook until thick, about 4 or 5 minutes.

NOTE: This sauce may be served immediately, or it may be reheated over hot water.

Colored popcorn dropped on a freshly iced cake makes a colorful dessert for a special occasion. Before threading a needle, rub the end of the thread with a piece of soap. Twist and let dry. It will go through the eye of the needle much easier.

RUTH MILLETT

Ask a young mother who holds a job while she hires someone to look after her children why she decided to go back to work. Chances are she will say, "Because it is getting harder, and harder for a family to live on one salary."

That reads like a logical answer. Most people accept it as such. But is it really?

Don't many young working mothers really mean that they don't want to live on their husbands' salaries?

They don't want to settle for houses or apartments their husbands can provide alone. They don't want to have to count pennies and figure out all kinds of ways to make a dollar go as far as possible. They don't want to make do with the clothes their husbands' pay check can provide. They don't want to answer their children's demands for things with, "We simply can't afford it."

They don't want, in short, to accept the kind of living their husbands can afford for the family to have.

And so they often go to work not out of dire necessity, but because they have decided a higher standard of living than their husbands can provide is more important to the family's welfare than for the home to have a full-time homemaker.

Perhaps this is a decision that some mothers make too lightly. For when a mother of young children goes to work and hires someone to look after her children she is almost always giving their care to a woman who is more poorly equipped than she is to guide them. Even if the woman she hires is to be a substitute mother is actually as smart as she is, she is still only a substitute.

So before a mother of young children decides the family can't live on one pay check, she ought to be quite sure that what she really means is not, "We can't live the way I want to live on one pay check." There's quite a difference between the one and the other.

Gals can read this, too: Ruth Millett's booklet, "Happier Wives (Hints for husbands)." Just send 25 cents to Ruth Millett Reader Service, in care of The Pampa Daily News, P.O. Box 489, Dept. A, Radio City Station, New York 19, N.Y.

Dear Abby.... His And Hers... ...Should Be 'Theirs'

By ABIGAIL VAN BUREN

DEAR ABBY: When a wife earns money by doing substitute teaching shouldn't be allowed to spend it on whatever she pleases? My husband is a professional man with a good income. He thinks a mink stole is a frivolous luxury, and when I wanted to buy one with my own money he said, "Why is it when I earn money it is OURS, but when YOU earn money it is YOURS?" I don't work steady and do not neglect my household duties. Our children are in school all day and I enjoy substitute teaching. My husband is very reasonable except when it comes to money. Can you (or someone who has handled this problem) give me an opinion?

FRUSTRATED

DEAR FRUSTRATED: The husband is normally the provider for the family, so his income becomes his and hers. Any money a wife earns through her own effort is HERS. But in case the family needs HERS it should quickly become THEIRS.

DEAR ABBY: My problem is my husband. I hate to go to a movie with him because he forgets himself and yells, "LOOK OUT BEHIND YOU!" Or, "RUN, YOU FOOL!" People actually move away from us. When I tell him to be quiet, he claims he can't help it. I'd like to know if it's possible for a person to act that way through no fault of his own? Or do you think he could control himself better if he tried?

EMBARRASSED

DEAR EMBARRASSED: Some people are so moved by an exciting performance they forget momentarily that it's only a performance. There are worse faults. But if it ruins the show for you, let him attend the wild ones alone.

DEAR ABBY: I went with a pie crust is extra tender if a little vinegar is substituted for part of the water needed to combine the shortening and flour. A tip from National Family Opinion, Inc., a Toledo, Ohio, consumer research firm, suggested being 2 tablespoons of vinegar for 2 of the tablespoons of water ordinarily used in a two-crust pie.

Manners Make Friends

Don't lose a friendship over trying to gain someone's pet recipe. Give up after one request.

boy for five months. For Valentine's Day he gave me a gold locket with my initials on the front of it and his on the back. We broke up and I don't want to keep the locket. Should I give it back to him? My mother says no and my father says yes.

NORA

DEAR NORA: I agree with your mother. The boy would have no use for a gold locket with YOUR initials on the front. Put it in your drawer and forget about it.

DEAR ABBY: Animals. CAN-NOT count. The behavior described in your column is insinuating, not counting. If a cat has seven kittens and she moves them from one place to another, she will always make eight trips.

W. E. S. (V. M. D.)

Mrs. Coleman Is Lullaby Honoree

SKELLYTOWN (Sp) — Mrs. Ross Coleman was honored recently with a "Lullaby Shower" in the Fellowship Room of the Skellytown First Baptist Church. Hostesses were Meses. J. D. Herd, Johnny Willson, Bill Houghton, Jackie Cooper, and M. L. Giesler.

Miss Carolyn Steward sang "Sweet and Low" accompanied at the piano by Miss Dianne Thomas. The serving table was covered with a white lace cloth over blue and centered with a large white stork surrounded by pink nut cups with tiny storks peeping their heads up from the side of the cups.

A large pink cake in the form of a baby bottle with white laces and mint punch.

Mrs. Johnny Willson registered the guests, Mrs. Jackie Cooper poured the punch, and Mrs. Bill Houghton served the cake.

Attending were Meses. C. E. Dehls, H. D. Moran, Edd McCreehy, Marvin Dehls, John Kennedy, Ross Nunn, M. L. Mills, Louis Shumate, Bill Smith and sons Steve and Terry, Jack Gist, M. Hall and son Ray, C. N. Roberts, Cleady Steward, Clifford Coleman, Kenneth Crawford, T. C. Cofer, Walt Shair, Bob McKernan, Paul Mathews, and Meses Gayle Gist, Carolyn Steward, Dianne Thomas, Patsy Moore, Brenda Willson, and Rita Spence. Approximately 36 sent gifts but were unable to attend.

Lima, Ashley Denied Stay Of Execution

WASHINGTON (UPI)—U. S. Supreme Court Justice Hugo Black today denied a stay of execution to convicted Houston slayers Leslie Douglas Ashley and Carolyn Lima.

The decision leaves the state of Texas free to execute the pair early Saturday for the murder of Houston real-estate man Fred Tones.

Tones was shot and then his body taken to a vacant lot where it was burned.

Barring a last minute stay of execution, Miss Lima will become the first woman in Texas history to die in the electric chair.

The pair claimed they killed Tones in self defense during a sex party at his office in the summer of 1960. They said Tones attacked Miss Lima.

Unless one of the higher federal courts decides to alter its position in the case the pair will be executed.

Accident Fatal

HARLINGEN (UPI)—Mario de la Rosa, 11, of Combes, died Wednesday night of injuries suffered a week ago when he dived in front of a truck and was run down.

Police said the boy was waiting for a school bus at the time of the accident.

Polio Victim Burned By Acid Puddle

WEST ALLIS, Wis. (UPI)—A pickup truck rattled down a busy street Wednesday. The contents of a broken container, splashed unnoticed onto the pavement.

James Kalkopf, 14, who has walked with crutches since suffering polio about 10 years ago, started across the street with his mother. The boy slipped on the wet pavement and fell.

He fell into a puddle of sulfuric acid.

Kalkopf suffered first, second and third degree burns on his hips, legs and feet. Two ambulance attendants were burned on the hands in picking him up.

The boy was reported in fair condition today at a Milwaukee hospital.

"Junk Pile" Reels

The Fish and Game Department of Hawaii is constructing artificial reefs from old cars to improve fishing in that state. The underwater junk pile is being stocked with snappers and groupers.

TFX Contracts Most Important

WASHINGTON (UPI)—Defense Secretary Robert S. McNamara, moving into a new congressional area, defended the TFX fighter plane contract today as "the most important single action we have taken" to reduce the size and complexity of the nation's weapons inventory.

As McNamara testified before a Senate subcommittee, his office made public a document showing that at least one technical report favored his award of the contract to General Dynamics rather than Boeing on performance grounds.

The defense secretary told the senators the decision to build the TFX as a single design for both Navy and Air Force purposes will mean savings of "at least a billion dollars" and perhaps more over the life of the project.

Costly Duplication

McNamara recalled that the Navy and Air Force in the period 1955-58 began development of four fighter planes. He called it "one of the most costly areas of duplication" in military procurement and said all the planes but one, the F4 have now been terminated.

The document released by McNamara's office summarized the Navy's evaluation of the competing designs submitted by Boeing and General Dynamics. It said the Navy had "no significant preference between the Navy versions of the two designs as submitted" but listed six areas in which the Navy preferred the General Dynamics design and five in which Boeing's entry was considered superior.

The McClellan committee has received information that some top military leaders favored the Boeing design but were overruled by McNamara.

Defends Choice

McNamara has been defending his choice of General Dynamics on grounds the firm could build a TFX cheaper, quicker and with less risk than Boeing. He had

Tax Equalization Bill Is Passed

AUSTIN (UPI)—The Senate Banking Committee approved today a House-passed bill by Rep. Olen Pettit of Levelland to equalize the ad valorem (property) taxes of state and national banks in Texas.

The Senate version of the bill is sponsored by Sen. George Parkhouse of Dallas.

RUSSIANS REPORT RECORD

MOSCOW (UPI)—The Russian news agency Tass reported Thursday that Tamara Press set a new world shotput record for women. Miss Press achieved a throw of 59 feet, 8 inches, improving her own indoor record by one and a half inches, in a meet in Leningrad.

not previously challenged assertions that the Boeing plane was superior in performance characteristics.

McNamara said in his testimony today that the decision to award the contract to General Dynamics involved a year and a half and "tens of thousands of man-hours of intensive study."

Cincinnati Upsets Celtics On Boston Court, 135-132

BOSTON (UPI) — The natives are getting restless again about the Boston Celtics' National Basketball Association reign.

Cincinnati's impertinent Royals fired the first shot in the newest revolt Thursday night when they licked the four-time champions on Boston's home court.

The Eastern Division best-of-seven final series continues at Cincinnati tonight while the St. Louis Hawks rest for the start of their Western showdown with the Lakers which starts in Los Angeles Sunday.

Cheer Charley Wolf's Royals even had the nerve to borrow Boston's prize strategy in scoring a 135-132 upset victory Thursday night.

The Celtics, while winning seven straight Eastern titles and five of the last six playoff crowns, have been famed for their powerful "bench," their reserves who leap in to pound already reeling opponents.

But Cincinnati got a surprise one-game jump in the series opener by using its own three-man bench force. The reserve trio, Tom Hawkins, Aridian Smith and Hub Reed, netted a total of 22 points, gave regulars needed rest, and managed to keep starters out of serious foul trouble.

Wolf could rave about his bench all he wanted, but 13,798 Boston Garden customers went away talking about the "Big O," Oscar Robertson.

Playing his best game in Boston, Robertson netted 43 points, nine of them in the waning moments, grabbing 14 rebounds, and had ten assists. His 17 baskets came on only 25 floor shots.

Wayne Embry backed Robertson with 22 points, Jack Twyman had 20 and Bob Boozer 18 for the Royals. Sam Jones topped Boston at 30 points while Tom Heinsohn had 27.

Grapefruit League

By United Press International They say spring exhibition games don't mean a thing but manager Alvin Dark of the San Francisco Giants is beginning to wonder.

The Giants are the defending National League champions but they've looked the part of stumbling, bumbling eighth-placers. They've lost three games in a row, 10 of their last 11, 12 of their last 14, and Thursday dropped a 4-1 decision to the Chicago Cubs at Phoenix, Ariz.

With the opening of the National League pennant race only 10 days away, Dark is beginning to become impatient.

Lou Brock hit a key double and triple to pace the Cubs' 10-hit attack Thursday. Ernie Bowman had two singles and a double for the Giants and Tom Haller hit a homer.

If the Giants are looking for company during their spring frustration, they can easily find it in the persons of the New York Yankees.

Reds Edge Yanks

The world champs had to remain on the field—away from their Madison Avenue activities—for a full 11 innings Thursday before dropping a 3-2 decision to the Cincinnati Reds. Ken Walters doubled home Tommy Harper in the 11th to give the Reds their margin of victory.

Carroll Hardy had a triple and two singles to lead a 19-hit attack that brought the Houston Colts a 12-4 decision over the Boston Red Sox. Bonus baby Rusty Staub hit a three-run homer and Ellis Burton also homered for the Colts.

The Los Angeles Angels raised their spring record to 14-5 with a 4-3 victory over the Cleveland Indians—their third straight ninth-inning triumph. Rookie Charlie Dees' pinch-hit single with the bases filled in the ninth drove in the decisive run.

Flowers Chosen Miami's 'MVP'

MIAMI (Sp) — Jimmy Flowers was voted the "Most Valuable Athlete" at the 16th annual Miami American Legion All-Sports banquet last night.

Flowers has lettered 11 times in all three major sports at Miami, four years on the football team, being a unanimous All-District choice and team captain his senior year and voted "the outstanding offensive player in the district." In basketball, Flowers lettered his freshman and sophomore years, sat out his junior year with a broken arm and then came on as a senior to be a unanimous All-District choice, co-captain of the team, and named to the All-Regional team as he led the Warriors to within two points of state champion McAdoo in the regional final.

Flowers has lettered four years in track, was a state finalist in the high jump last year, has set high jump records in every meet he has been in this year, and his 6'3" leap at the Panhandle Relays last weekend was the second highest jump in the state this year.

Master of ceremonies for the banquet was Ed Daugherty. Presenting the athletic trophy to the school in Flowers' name was Legion officer J. W. Thompson. Coach Bill Hines and Lawrence Overcast spoke and introduced the teams.

Guest speaker at the banquet was Melvin Munn, Pampa public relations man, whose topic was based on the principle that a person should give everything he had.

Randy PHS 'Hustling Harvester' Winter Says Sports Only Means To End

By JEFF COHANE Pampa News Sports Editor

A packed house in the Starlight Room of the Coronado Inn last night saw Randy Matson receive the "Hustling Harvester" award, and guest speaker Tex Winter of Kansas State University admit that he was hustling after the Mighty Matson to become a KSU student upon graduation.

In a lengthy speech, spiced with wit and homespun philosophies, Winter ranged on a number of subjects, mainly connected with sports and its preparation for outside life.

Proving Ground

Winter said that the coaches should strive to educate the public, school administrators and the players themselves that sports is a means to an end, not a way of life. "People lose sight of the real meaning of athletics," said Winter. "The program can provide a proving ground for youngsters to learn to fit in this modern competitive world. It can teach them to live happy, useful lives and to learn the importance of education.

"Education comes first," Winter said, "the day of the 'tramp athlete' is over. A person cannot base his whole life and future on athletics. It is a means to an end, a way to get an education. Our slogan at Kansas State is: 'If you can't pass, you can't play.'"

It is a hard job learning competitiveness and sportsmanship at the same time, said the KSU cage mentor, but athletics have an educational value in themselves. Sports teaches character and teaches youth to face the world.

Happy Warrior

"In sixteen years as a college coach, I have learned more than I have taught. You must have the spirit of competition; you must strive to win, but today's hero can be tomorrow's goat. You must learn the 'happy warrior' philosophy — to play your best, win or lose.

"Remember," Winter advised the audience, especially the athletes, "athletes, especially great ones like Randy Matson, are idolized by those younger than themselves. They must live up to the picture of them and never let their supporters or themselves down."

Winter, who flies his own plane, admitted that he had a huge banquet circuit round of four or five engagements a week, but had come to Pampa, both because of his close friendship with Harvester head cage coach Terry Culey, who has studied under him, and in hopes of persuading Matson that KSU was the school for him.

Attorney-General Wants To Speak To Wally Butts

ATLANTA (UPI) — There was a possibility that former University of Georgia Athletic Director Wallace Butts would appear before State Atty. Gen. Eugene Cook today in connection with an alleged Southeastern Conference football scandal.

Negotiations have been reported underway between Cook and attorney William Schroder, representing Butts, for the former Georgia coach to tell his side of the controversy to Cook.

The attorney general, who is investigating a Saturday Evening Post report that Butts gave Georgia team secrets to Alabama football coach Paul (Bear) Bryant last fall, said he would be available for such a meeting today.

Both Butts and Bryant have denied any attempt to rig the outcome of the 1962 Georgia-Alabama football game which Alabama won 35-0. Butts has filed a \$10 million libel suit against the Post and Bryant said he also would sue the magazine.

Insurance man George Burnett, who claimed to have overheard a long distance telephone conversation in which he said Butts gave Bryant football information, agreed to take a polygraph (lie detector) test today at the Atlanta headquarters of the State Bureau of Investigation. Burnett, Butts and Bryant all have taken lie detector tests which their lawyers said they passed. Butts and Bryant refused to take another test requested by Cook.

The attorney general Thursday issued a subpoena for Butts' bank records, but Schroder said this was "purely routine."

"When this case comes to federal court, we will certainly subpoena every record from Burnett... and all the rest... and also the records of the Saturday Evening Post," Schroder said.

HUSTLING HARVESTER — Randy Matson receives the plaque awarded annually since 1950 to the "Hustling Harvester," the basketball player voted by his teammates as the most outstanding cager of the season, from coach Terry Culey. Matson also received certificates for making first team All-State and first team All-District, as well as a gold basketball symbolic of the Hustling Harvester. (Photo by Charles Yahne, courtesy Little Harvester)

PHILS BUY KLIPPSTEIN — CLEARWATER, Fla. (UPI) — Veteran righthander Johnny Klippstein has been bought by the Philadelphia Phillies for an undisclosed sum from Cincinnati. Phillies Manager Gene Mauch indicated the 35-year-old Klippstein would continue to be used as a middle-inning relief pitcher.

Injuries Fouling Up Pampa Mound Plans

Pampa finishes its pre-district baseball season tomorrow with a doubleheader at Borger, with coach Ray Howard unsure of his starting pitchers and starting outfield.

Injuries which have plagued both infield and outfield all season have now struck at the pitching staff, as well as a conflict with track for two of his starting outfielders.

Howard had originally planned to start Jim Archer in the opening game today, with Dee Wright and Carl Harnsberger getting a chance in the second game to see who would be the third-starting pitcher.

Jerry Glover would then open the district season at Amarillo Tuesday and Archer would come back against Plainview Friday.

Archer, however, suffered a bruise on his pitching arm when hit by a pitch in Tuesday's game and may not be able to go today.

If Archer cannot start, said coach Howard, Wright and Harnsberger would start the two games, with Jerry Garrison in relief.

The starting outfield would depend on C. E. Cantrell's sprained ankle and the results of today's preliminaries in the Amarillo Relays.

If Cantrell is still limping and Eugene Madrid qualifies in the sprints today, then the Harvesters will go with Jerry Garrison and Ricky Maynard, and either Jerry Stroud or Ronnie Oler in the outfield.

Pampa swept a tennis match from visiting Dumas yesterday to warm up for today's Amarillo Relays.

Jerry Thomas romped to a 6-2, 6-1 win over Bobby Giffin in boys' singles, his 11th win against two defeats.

Mary Roberts took her second singles triumph of the season as she downed Bobbie Rogers, 6-2, 6-2.

The new boys' doubles combo of Charles Ashby and Eugene Eads clicked for their second straight win in as many outings, waxing Tommy Thomas and Donald Leverett, 6-0, 6-2.

Joe Fischer and Ronald Thompson then teamed up in another boys' doubles match, outlasting Danny Young and Jerry Drissner, 6-6, 6-3, 8-6, in the toughest battle of the match.

Jerry Edmondson and Ginter Hestand teamed up for a successful girls' doubles win over Ann Shackley and Ramona McVicker, 6-4, 6-2.

field. Kenny Hebert, the regular centerfielder, is a member of the sprint relay team and will almost definitely be in Saturday's track action.

Borger was slated to have pitched Big Joe Robinson, who beat Pampa the last time out, against Dumas today, with David Parkhurst and Mike Hyatt on the mound tomorrow. Parkhurst is 1-1 on the season and Hyatt has no decisions.

Thirteen games remain on the warm-up schedule for District 3-AAAA baseball teams and they will be played today and Saturday as the district race begins Tuesday. Three games are scheduled today. Five doubleheaders Saturday will take care of the remainder of the games.

Today Plainview goes to Nazareth to try to make it two straight wins over the Swifts. The Bulldogs beat them 8-2 last Friday enroute to a 3-2 record.

Dumas will strive to break into the win column against Borger as the Demons go to Borger for today's game. Borger is 4-1 and has two wins over Dumas by 5-3 and 2-1 margins. Dumas is 5-5.

Lubbock also plays a team that it has beaten once before. Leveland, host for today's game with the Westerners, was an early victim of Lubbock, 12-4. The Westerners are 10-5 for the year.

The Amarillo schools have doubleheaders Saturday at 1 p.m. The Sandies are at Dumas. They are currently 5-5. Also carrying a 5-5 record into its games will be the Tascosa Rebels as they battle Leveland at the Rebel field.

Palo Duro has the best city mark at 7-3 and will shoot for a 9-3 mark prior to the district race. The Dons will be at Hereford to play the Whitefaces.

The winningest team in the district, Monterey at 14-2, plays twice at Snyder Saturday.

Pampa, Perryton At Amarillo Meet In Tennis, Golf

Amarillo Relays golf and tennis tournaments opened this afternoon. Golfers began teeing off at 12 noon, while tennis matches get underway at 1 p.m.

Conference AAAA and AAA golf teams play at Amarillo Country Club. Conference AA, A, B and "B" teams play at Tascosa Country Club. Five players are entered for each team, with 10 four scores to count as the team score. Following Friday's 18 holes, entries will be put to the top six teams and ties in both division tournaments.

Thirty-five teams are entered in the two golf tournaments. Competing in Conference AAAA and AAAA tourney at Amarillo Country Club will be Tascosa, Monterey, Borger, Pampa, Amarillo, Palo Duro, Plainview, Lubbock, Odessa, Midland Lee, Odessa Permian, Ryder, Wichita Falls, Big Spring, Manzano, Tucumcari, Phillips, and Albuquerque.

Entered in the AA, A, B, and "B", tourney at Tascosa Country Club are Tucumcari "B", Pampa "B", Memphis, Borger "B", Morton, Guymon, Childress, Clarendon, Friona, Muleshoe, Shamrock, Tulia, Tascosa "B", Amarillo "B", Palo Duro "B", Midland Lee "B" and Hale Center.

Thirty-seven teams are entered in the tennis tournaments, 14 in AAAA - AAA, and 23 in AA, A, B, and "B".

Entered in the "A" division tourney at Memorial Park courts are Amarillo, Borger, Lakeview, Lubbock, Midland, Monterey, Pampa, Perryton, Phillips, Plainview, Tascosa, Memphis, and Dumas.

Playing in the "B" division tournament at Ellwood Park courts are Amarillo "B", Borger "B", Lakeview "B", Lockney, Lubbock "B", Memphis "B", Midland "B", Monterey "B", Muleshoe, Palo Duro "B", Quitaque, Plainview "B", Spearman, Stratford, Tascosa "B", Turkey, Panhandle, Clarendon, Dumas "B", and Abernathy.

Tennis matches are single elimination. Winners advance to Saturday's semifinal and final rounds.

Honor Bearcats As Top Team

CINCINNATI, Ohio (UPI) — The University of Cincinnati Bearcats, who twice won the NCAA championship but could not attain the top rating, Thursday night were honored as the top-rated team of 1962-63.

The Bearcats were defeated by Loyola of Chicago last week in their bid for an unprecedented third consecutive NCAA title.

Haskell Short, Ohio news manager of United Press International, presented the UPI national championship trophy to the team which led the ratings the entire season.

He also presented the coach-of-the-year award to Ed Jucker and first-team All-America certificates to senior forward Tom Thacker of Covington, Ky., and junior forward Ben Bonham of Muncie, Ind.

Rev. John Cronin Discusses Race Relations In America

EDITOR'S NOTE: Louis Casse, UPI writer on religion, is ill. During his absence, substitutes for his weekly column "Religion in America" are being written by leading clergymen of various faiths.

Religion In America
By The Rev. John F. Cronin, S.S., Assistant Director
Social Action Department
National Catholic Welfare Conf.

Most of the participants in the National Conference on Religion and Race, held in Chicago last January, called it historic. It was unique as a massive and joint religious effort to face one of the grave moral problems of our nation. But it may also be remembered for a largely unforeseen by-product, namely, its impact on religious unity and harmony in the United States.

The fact that 700 of the nation's top religious leaders gathered under the same roof for four days was in itself significant. But even more impressive was the manner of their meeting and the results that followed. There was a unity at the conference that is difficult to describe. Delegates with impressive titles and high prestige in their own church or synagogue circles submerged themselves as workers for a cause.

Archbishop Presided
In a typical work group the presiding officer was a Catholic archbishop. The main paper was delivered by a nationally prominent Jewish rabbi. The chief resource person was a renowned Protestant expert in race relations. Many members of the work group never met before. Yet they worked together with the smoothness of a championship football team.

Or we might examine a typical follow-up program. In Kansas City, Mo., a Catholic-Inter-racial council was formed as a result of the Chicago conference. Its first business was to hear a report of the conference, given by the Rev. Kenneth Waterman, pastor of the First Presbyterian Church in Kansas City. Incidents such as this were duplicated in more than a score of major cities across the nation.

Basket Dinner To Be Served Sunday

Home Coming will be observed at the Harrah Methodist Church Sunday. The Rev. E. C. Armstrong, a former pastor, will preach Friday and Saturday 7:30 p.m. and Sunday at 11 a.m. A basket dinner will be served at the church and there will be fellowship, singing, and sharing in the afternoon, with the Rev. Oland Butler bringing the closing message at 3 p.m.

The pastor is planning to conduct a class for the children at 5 p.m. April 1-5.

HEAR JOE WILSON OVER KHHH
8-15 SUNDAY MORNING
10-15 WEDNESDAY MORNING
HIGHLAND BAPTIST CHURCH

Of course, the Chicago conference did not create the religious good will so evident in our country today. But it does suggest a valuable method for deepening and solidifying interreligious contacts. What is needed is the confronting of some urgent problem of civic morality, on which the religious community can achieve a united front. It should be a problem which is best met by combined effort, not by separate or even co-ordinated action.

Compared With Friendship
Under those circumstances, an interreligious program is natural. And what is natural is usually most successful. The joint desire to achieve results brings about harmony in a way that can rarely be achieved by programs that seem artificial and forced. It is very much like ordinary friendships. These are usually formed by persons who work together in something that offers a real challenge. They rarely result from charm clubs or lonely-hearts associations.

These points are made with no intention to downgrade the value or need for direct dialogue on religious differences. Such discussions have proved their value in Europe, and are beginning to flourish in the United States. But, rightly or wrongly, the average churchgoer is somewhat timid

Rev. Allison Will Deliver Fifth In Sermon Series

Services at the Highland Baptist Church begin at 9:45 a.m. with Sunday School. Adults will be studying from Mark the 13th chapter, "Ready for Christ's Coming."

At the 11 a.m. worship service the Rev. Joe Allison will be bringing the fifth in a series of sermons, "The Seven Sayings of Christ on the Cross." Sunday's sermon is entitled "The Parched Throat of Jesus" taken from the 19th chapter of John. At the 7:30 p.m. service the sermon subject will be "Are We Children of Light?"

Mrs. Ann Winegeart will sing "The Lord's Prayer" accompanied by Mrs. Edith Bughle at the organ. "The Church on the Mission Field" is the topic for study at the Training Union hour which begins at 6:45 p.m. The new members class will meet during the Training hour, concluding the study of Baptist Doctrines and beginning the subject, "Baptist's Working With Other Denominations."

Wednesday services for April 3 begin at 6:45 p.m. with officers and teachers meeting at that time followed by prayer meeting at 7:30 p.m.

For the devotional, the Rev. Allison will be speaking on the subject "The Rebuke of the Wicked Rich-Men," taken from James, the fifth chapter.

Dr. Carver To Preach Sunday

Dr. Douglas Carver, Pastor of the First Baptist Church, Pampa, will be in the pulpit for both services of worship Sunday. He has chosen "The School of Hard Knocks" for his 11 a.m. worship sermon topic.

Joe Whiten, Minister of Music, will direct the church choir in singing "The Heavens Resound" by Beethoven. Miss Eloise Lane, organist, will play "Prelude on Three Easter Carols" by Wilson for the offertory number.

The Pastor's subject for the 9 p.m. worship will be "Mission Accomplished." The church choir will sing "Come to Jesus Come" by Ehret, and the organ offertory will be "Lament" a Spiritual.

Next Wednesday, April 3, Jack Parker, Minister of Education, will meet with all the departmental superintendents, officers, and teachers in the dining room at 6:30 p.m. This will be the first of quarterly meetings.

The budget promotion is continuing their all-out effort to challenge every member of the First Baptist Church to bring a tithe or one-tenth of one week's income to the church on April 7, the day designated as "tithing day."

There are more than enough challenges to the religious conscience of America. Many times we are weak in meeting these issues because we fail to work together, or, even worse, find out ourselves at cross purposes because of misunderstanding and suspicion.

Needed interreligious action in areas of family and civic morality can bring about a great change in our religious climate. It would not, by itself, remove all aloofness and differences. But it would add immeasurably to the moral strength of our nation. And it would leave a lasting heritage of religious harmony.

Lenten Series Ends Sunday

The Rev. Donald S. Hauck will continue his Lenten series from the Book of Matthew on Sunday with a sermon "The Mysterious Good News" based upon the 13th chapter. Ruling Elder William Ellison will assist in the service.

Church School classes meet at 9:45 a.m. followed by morning worship at 11 a.m. Evening Prayer is held each Sunday at 7:45 p.m. following the Youth Fellowship which meet at 5 p.m. for Jr. Highs and 6:30 p.m. for Senior Highs.

On Wednesday evening the Rev. C. M. Schindler, pastor of the Covenant Presbyterian Church of Lubbock, will preach the last in a series of sermons entitled "Knowing the Lord Jesus Christ." This service is at 7 p.m. and will be preceded by a Fellowship supper at 6 p.m.

On both Palm Sunday and Easter there will be two services of morning worship — one at 8:30 a.m. and the second at 11 a.m.

Dr. Douglas Carver, Pastor of the First Baptist Church, Pampa, will be in the pulpit for both services of worship Sunday. He has chosen "The School of Hard Knocks" for his 11 a.m. worship sermon topic.

Joe Whiten, Minister of Music, will direct the church choir in singing "The Heavens Resound" by Beethoven. Miss Eloise Lane, organist, will play "Prelude on Three Easter Carols" by Wilson for the offertory number.

The Pastor's subject for the 9 p.m. worship will be "Mission Accomplished." The church choir will sing "Come to Jesus Come" by Ehret, and the organ offertory will be "Lament" a Spiritual.

Next Wednesday, April 3, Jack Parker, Minister of Education, will meet with all the departmental superintendents, officers, and teachers in the dining room at 6:30 p.m. This will be the first of quarterly meetings.

The budget promotion is continuing their all-out effort to challenge every member of the First Baptist Church to bring a tithe or one-tenth of one week's income to the church on April 7, the day designated as "tithing day."

Rev. Hastings Is Guest Speaker

Rev. Charles Hastings, Director, Wesley Foundation, W.T.C.S. Canyon, Texas, will be guest speaker for the two morning services at First Methodist Church this Sunday. The 8:45 service is broadcast over radio station KPDN and the 11:00 service is broadcast over radio station KBMF-FM.

The special music for both services this Sunday will be George Oldroyd's setting of Richard Rolle's "Prayer to Jesus." A mixed quartet will sing at the first service while the Sanctuary Singers will present the anthem at the 11 a.m. service. Mrs. Hubert Carson will be at the organ for both services.

Sunday Evening Fellowship will begin at 6 with a light supper for the entire family in Fellowship Hall. At 8:30 children, youth, and adults will separate for one hour of Fellowship Group activities according to interest and needs. The Adult Fellowship will meet in the church parlor.

The Sunday Night Worship Service at 7:30 will be conducted by Rev. Rodney Williams, Associate Pastor.

Wednesday night, April 3, at 7 the Commission on Education will sponsor the second Worker's Conference of the year. The outstanding speaker will be Gene Matthews, Conference Youth Director, Lubbock.

"Freedom From Bondage" Is Sunday's Sermon

Freedom from materiality, bondage of any sort, will be emphasized at Christian Science church services Sunday at 901 N. Frost.

Highlighting the Scriptural selections from the Lesson - Sermon on the subject "Reality" will be this passage: "The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light" (Rom. 13:12).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read: "Perfection underlies reality. Without perfection, nothing is wholly real. All things will continue to disappear, until perfection appears and reality is reached."

Thomas Carlyle wrote: "Health alone is a victory. Let all men, if they can manage it, contrive to be healthy." But today, unfortunately, millions, many of them helpless children... have no way of contriving. Each year, churches in America ship tons of food... medicines... clothing, and other necessities to those overseas who need help. Give generously through your church on Sunday.

Dr. Floyd Golden To Conduct Services At Central Church

Dr. Floyd Golden will speak at both morning worship services Sunday. Dr. Golden will be preaching in the absence of the regular Pastor, the Rev. T. O. Upshaw, who is in a revival at Rotan, Texas.

Dr. Golden is a deacon in the First Baptist Church of Amarillo. He served many years as a school teacher and superintendent in Texas. He was for several years president of Eastern New Mexico University at Portales. He is now president Emeritus of that institution, having retired from the active presidency in 1960.

Dr. Golden was one of 3 educators who made a tour of Soviet Russia. They studied the educational system of Russia while there. In addition to studying the educational system, Dr. Golden gave considerable time to the study of economic and political conditions there, as well as religion.

Dr. Golden is now Educational Consultant for a firm of architects in Amarillo. He travels extensively, speaking on his studies within Russia.

Besides bringing the messages at the 8:45 a.m. and 11 a.m. worship services, Dr. Golden will speak to the adults at the Sunday School, hour at 9:45 a.m.

At the worship service at 7 p.m. the Rev. Upshaw will continue his sermons on the Seven Churches in Asia-Minor. His message Sunday evening on "The Church at Philadelphia," will be the sixth in the series.

Tomorrow, the youth of Central will attend the Associational Youth Rally at White Deer. The principal message at the rally will be brought by Tommy Phelps, former professional wrestler and referee.

Services at Central Baptist Church will begin with an early worship hour at 8:45 a.m., Sunday School at 9:45 a.m., and the regular hour of worship at 11 a.m. The evening worship services begin with Concord and Chapel Choir rehearsals at 5:30 p.m. followed by Training Union at 6 p.m. The evening worship hour is at 7 p.m.

First Christian Church Will Present Cantata

"Let's Take A Trip" will be delivered by Rev. Glyn B. Adstis at the morning sermon at the First Christian Church at 10:30. The sermon develops some ideas suggested by Paul as he traveled the Mediterranean.

The anthem, under the direction of Miss Rosemary Lawlor, will be "Oh Saviour of the World," by John Goss, with Mrs. John Gill, organist.

Bible Study will be held at 6 p.m. after which the members of the class will attend the Lenten Plays in the sanctuary.

The choir is planning to present an Easter Cantata, "My Heart Is Glad," in the sanctuary of the church Sunday, April 7, at 4 p.m.

Something new has been added to the Sunday evening youth program. Each Sunday evening, unless otherwise announced, a snack supper costing each participant only 25 cents, is being served in the fellowship hall of the church beginning at 5 p.m. Not a meal of major proportions, the snack supper will provide a hot, filling meal for the youth prior to their fellowship periods each week.

"A Prisoner Proclaims the Gospel" is the title of the program for Junior Youth Fellowship (public school grades 3 through 6). The activities for the evening will be led by Mmes. Clayton Dunham, W. A. Patton, and Dr. Harris Kimbrough.

Both the Chi Rho Fellowship (public school grades 7 through 9) and the Christian Youth Fellowship (public school grades 10 through 12) will be giving consideration to their program for the next six months and will plan their election and installation of officers.

Following the adult evening bible study group and the youth fellowship periods, the last of the lenten plays being sponsored by the worship department of the congregation, will be presented in the sanctuary at 7 p.m. Entitled, "The Man In The Linen Sheet," the play will star Sandra Moiesworth as Mary the mother of Jesus, Mrs. Paul Reimer as a society matron of Jesus' day whose organization offered drugged wine to those who were crucified, and George Gamblin as John M. A. R. K., the disciple.

Raymond Berry, pro-football player for the Baltimore Colts, will appear in Pampa, Saturday April 6, to speak to the youth in a city-wide youth rally.

Berry was raised in Paris, Texas, is a graduate of Southern Methodist University, and a member of the Fellowship of Christian Athletes. He will be accompanied by his wife.

The youth rally is being sponsored jointly by churches of all faiths in Pampa and other organizations, according to the Rev. Gene Buchanan, associate minister of the First Christian Church.

DR. FLOYD GOLDEN To Speak Sunday

Tomorrow, the youth of Central will attend the Associational Youth Rally at White Deer. The principal message at the rally will be brought by Tommy Phelps, former professional wrestler and referee.

Services at Central Baptist Church will begin with an early worship hour at 8:45 a.m., Sunday School at 9:45 a.m., and the regular hour of worship at 11 a.m. The evening worship services begin with Concord and Chapel Choir rehearsals at 5:30 p.m. followed by Training Union at 6 p.m. The evening worship hour is at 7 p.m.

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

PAUL F. BRYANT, PASTOR
BETHEL ASSEMBLY OF GOD CHURCH

With Reservations

Romans 12:1 I appeal to you therefore, brethren, and beg of you in view of all the mercies of God, to make a decisive dedication of your bodies — presenting all your members and faculties — as a living sacrifice, holy (devoted, consecrated) and well pleasing to God, which is your reasonable (rational, intelligent) service and spiritual worship. (Amplified Version)

How near do the following verses come to us? Every pastor has low moments when he will think that the verses which follow might be spoken by at least half of his congregation. They picture the reluctance to assume responsibility.

The Gospel According To Many

I'll go where you want me to go, dear Lord.
Real service is what I desire,
I'll say what you want me to say, dear Lord.
But don't ask me to sing in the choir.
I'll say what you want me to say, dear Lord,
I like to see things come to pass.
But don't make me help boys and girls, dear Lord,
I'd rather not teach any class.
I'll do what you want me to do, dear Lord,
Your enemies cause me to writhe.
I'll give you my nickels and dimes, dear Lord,
But do not ask me to tithe.
I'll go where you want me to go, dear Lord,
I'll say what you want me to say.
But I'm too busy just now with myself, dear Lord
I'll help you on some other day!

—Author Unknown

Is our commitment with reservations? Do we say: "I will follow Christ, but with the reservations noted in the small print on the back of the policy?"

Here is another — and better — kind of agreement:

Were the whole realm of nature mine
That were a present far too small,
Love so amazing, so divine,
Demands my soul, my life, my all.

Donors Still Needed For Hemophilia Case

DALLAS (UPI)—An official of a Dallas blood bank said today that response to pleas for blood donors to help keep 17-year-old Fred Wallace alive has been wonderful but said more donors were needed for Wallace, a victim of hemophilia (bleeders disease).

Wallace already has taken 900 pints of blood in transfusions, a world's record.

Dudley L. Rouse, assistant to the director of the Wadley Research Institute and Blood Center, said the center received 127 tele-

phone calls, 66 donor applicants and accepted 42 of them as a result of appeals for help.

But Rouse said more donors are urgently needed to save Wallace, of Muskogee, Okla., from bleeding to death and Wadley from being drained of its blood reserves.

Wallace is reported officially in critical condition, but Baylor hospital officials said he spends his time listening to popular records on a portable record player. Wallace's condition is described as critical simply because doctors cannot stop the bleeding.

The Dallas Times Herald published a front-page plea Wednesday for donors for Wallace and the Amateur Radio Club of Garland, Tex., joined in the campaign.

Howard Fleetwood, spokesman for the radio club, called on commercial radio stations and newspapers to broadcast and publish names and telephone numbers of amateur radio operators in their circulation areas.

Persons desiring to donate blood to the stricken boy may then call the radio operators at home, giving their names and pledges which will be relayed to the Garland Amateur Radio Club.

The Dallas Times Herald Wednesday printed a plea for blood donors for young Wallace, saying mass response was necessary "to keep a boy and his benefactor blood bank alive."

The newspaper referred to the Wadley Research and Blood Bank Institute which is exhausting its supply of blood. Wallace has taken 900 pints of blood since last October, 230 more than any medical patient in world history.

API Chairman Elected Today In Amarillo

AMARILLO (Sp) — New chairman of the American Petroleum Institute's Mid-Continent District elected here today is M. G. Rogers, P. A. American Petroleum Corp., Pampa. Rogers succeeds Jack Marshall, Continental Oil Co., Oklahoma City, who was elected chairman of the district's advisory committee.

Other district officers elected with Rogers include: vice chairman for Kansas: Allan Darnell, Halliburton Co., Great Bend; vice chairman for the Cushing Area: Ben Claybaker, Calvert Exploration Co., Cushing; vice chairman for the Texas Panhandle: Leonard L. White, West Pampa Repressing Assn., Pampa; and vice chairman for Southwestern Oklahoma: A. B. Waters, Halliburton Co., Duncan.

Other officers elected were: vice chairman for the Arbuckle Area: Frank Loveless, Humble Oil & Refining Co., Ardmore; vice chairman for the Golden Trend: Jack Holman, Mobil Oil Co., Lindsay; vice chairman for the Oklahoma City Area: John Sutton, Shell Oil Co., Oklahoma City; and vice chairman for the Enid Area: Carl House, Continental Oil Co., Enid. Elected district Secretary: treasurer was Tom Ball, Midwest Oil Co., Poteau, Oklahoma.

Now You Know

By United Press International
Less than 3 million acres of timberland, a record low, were burned in forest fires in 1962. The all-time high record in 1936 was 47.7 million acres, according to the American Forest Products Industries.

Report of Condition of "Citizens Bank & Trust Company" of Pampa, Gray County, Texas, at the close of business on March 18, 1963.

Fighters

(Continued From Page 1)
recent Cuban exile raids on Soviet freighters in Cuban ports. Officials theorized that the attackers could have hit the Floridian if they had desired.

Olsen said the swept-wing MIGs approached out of the sun, circled his ship at various altitudes and distances before swooping in on alternate passes to within 500 feet.

"They made three firing passes, using machine cannons. The first two passes were about 500 feet from the ship. We couldn't see the shells hitting the water but the crew could. The third firing pass was approximately thirty shots across the bow," Olsen said.

Rating Inquiry 'Shows Need' For Federal Control

WASHINGTON (UPI)—A member of a congressional subcommittee investigating radio and television rating systems said today evidence developed so far pointed to the need for some form of government control over the rating houses.

Rep. Paul Rogers, D-Fla., made the statement as a House Commerce subcommittee prepared to hear more testimony from the A. C. Nielsen Co.

"Broadcast ratings made by polling a selected home audience have been a source of controversy for years. Critics claim they are the 'lifeblood' of radio and television and determine what goes on the airwaves. Defenders say they are a necessary yardstick and are used only as a guide.

Rogers said that after nearly four weeks of hearings he was "amazed" at some of the information uncovered.

"The evidence shows that they hold out one thing to their clients and when we delve into it we find it isn't so," he said in an interview.

Henry Rahmel, executive vice

'M' Barrassing Isn't It?

LONDON (UPI)—Conservative Michael Barras was a candidate for election to parliament in Thursday's election against favorite Brian O'Malley. His name on the ballot was shortened to "M. Barrass."

Bidault Delays His Departure

LISBON, Portugal (UPI)—Fugitive French underground leader Georges Bidault delayed his departure from Portugal today in his search for a political haven.

The 63-year-old former French premier, who now heads a movement to topple French President Charles de Gaulle, was asked to leave the country by police, who questioned him for 10 hours Wednesday.

Bidault reportedly planned to seek asylum in South America to continue his political struggle against De Gaulle.

President of Nielsen, agreed with some committee members that the company may have been careless in the past. But he said it had taken steps to improve the situation.

Eleven Cities Receive Awards

NEW YORK (UPI)—The All-America Awards for private action by citizens to solve community problems went today to 11 U.S. cities.

"Face-lifting" programs to rejuvenate cities, with emphasis on the downtown areas, figured in eight of the selections.

The annual awards are made jointly by the National Municipal League and Look magazine. This year's winners were chosen from 70 entrants by a jury headed by Dr. George Gallup, director of the American Institute of Public Opinion.

The winners included: High Point, N. C., for intense citizen action to improve the downtown area, residential neighborhoods, establishing industrial parks and the racial climate of the area.

Chattanooga, Tenn., where a commission backed by 4,000 citizens is working on beautification of the entire metropolitan area. Also, the city is studying "metro" government, which would streamline the governmental process. The city also was cited for progress in school desegregation.

Other winners were Allentown, Pa., Boston, Mass., Quincy, Ill., Bartlesville, Okla., San Diego, Calif. and Grand Junction, Colo.

Independence Birthplace Threatened By Brazos

BRENNAM, Tex. (UPI)—The Brazos River threatens to destroy the birthplace of Texas independence. Army engineers were told Wednesday.

"A large part of the picnic area at Washington State Park already has been eroded by the river, Jim Ethridge told the engineers at a hearing at Blinn College.

Ethridge is president of the Texas Independence Day organization.

He said part of a fine orchard has been carried away by the river and some roadways along the bank have been destroyed.

"Unless checked, it will eventually destroy this entire park which has great historical significance," Ethridge said.

The park is on the spot where Texas patriots signed the Declaration of Independence from Mexico in 1836.

Efforts to place a \$950,000 mu-

seum at the park are under way. But erosion from the river has caused some concern for the feasibility of the project, Ethridge said.

Smoking Harmful Society Says

LOS ANGELES (UPI)—The California Medical Association today was the first medical society in the United States to officially acknowledge that cigarette smoking may be harmful.

The CMA adopted a resolution to educate the public in the "harmful effects and health hazards" of cigarette smoke at its closing session Wednesday.
