## Bus System Next In Line for Racial Fight in Alabama

**BIRMINGHAM, Ala. (UPI)**—Negro leaders planned to broaden the scope of their month-old campaign against racial barriers in this Southern industrial center today and indicated the next target would be the city bus system. A spokesman for the Negro leadership here said a delegation would meet with officials of the Birmingham Transit Co. today to demand that the company hire Negroes as drivers.

The spokesman indicated the threat of a boycott hung over the financially shaky company, which just resumed service Saturday after a strike by employees, if the demands are not met. The Negroes need buses more than the whites, the spokesman said, "but they need jobs, too."

Small groups of Negroes attempted Sunday to attend morning worship services at Birmingham's white churches for the third week in a row, but the effort met with limited success. The Negroes presented themselves to the pastors of 39 churches Sunday morning and handed over a printed card which read:

"We come in a spirit of love and in the name of Him who taught us to say 'Our Father'..."

At least nine of the churches invited the Negroes in and ushered them to their seats. Others turned them away.

## Strike Impending For Boeing Co.

**SEATTLE (UPI)** — A strike of 40,000 workers appeared imminent today in the long labor dispute between the International Association of Machinists and the Boeing Co., makers of the Minuteman missile.

The only question appeared to be when the strike will come. That may be settled at meetings of 600 shop stewards and IAM local leaders which the union scheduled across the nation for 5 p.m. today.

If the strike date is set it would mean that 26,000 production workers at Boeing plants in the Seattle-Renton, Wash., area and 14,000 more at Wichita, Kan., and Minuteman installations at 12 Air Force bases would be poised to leave their jobs.

## GET LABOR AWARDS

**MOSCOW (UPI)** — The Soviet Union today announced the award of "Hero of Socialist Labor" titles to 26 Soviet missile, nuclear submarine, and naval designers. Fess said the men were among 30 persons so honored.

## Pampan Elected IOOF Prexy; Convention Set in Amarillo

Vernon Hall of Pampa was elected president of the Panhandle Association of IOOF, and Rebekah Lodges at the closing business session of their three-day annual convention here Sunday.

The association embraces lodges in 26 counties. Amarillo was chosen as the 1964 convention site.

Other association officers elected included Rebekah president, Lydie Hopson of Hereford, Odd Fellow vice president, H. T. Schuster of Amarillo, Rebekah vice president, Betty Reed of Amarillo, secretary-treasurer, Jean Allen of Claude, chaplain, Juanita Reed of Friona, and historian, Rena Glasscock of Shamrock.

Members of the executive board were elected as follows: F. A. Howell of Dalhart, Lloyd Weatherly of Shamrock, and Sam Perkins of Amarillo. Delegates voted \$350 to Ellen Kretzmeier, president of the Rebekah Assembly of Texas, to be used for the home for the aged at Ennis and the widows' and orphans' home at Corsicana.

## Ways of the Law

**CHESTON, Iowa (UPI)** — Police Court Judge W. P. Wenzig suspended Larry Paxson's \$10 fine when the 17-year-old youth agreed to write "I must have proper registration plates on my scooter when operating it on public highways" 1,000 times.

## Activity High For Congress

**WASHINGTON (UPI)** — Congressional activity increases this week as the House acts on a series of bills and the Senate faces a major test on Republican efforts to cut spending.

The House is scheduled to act on bills giving employers a minor tax break, keep public health, education and federal labor activities rolling and to pump an additional \$2 billion into lending authority of the Export-Import Bank.

Various House committees will be considering President Kennedy's tax cut proposal, equal pay for women, highway construction irregularities in Arizona, a possible way to delay raising the debt ceiling and action on the "ratings" problem in broadcasting.

The Senate will take up the House-approved proposal to pump another \$450 million into anti-recession public works projects. The proposal is part of a \$1.4 billion supplemental money bill and its here that the Senate will face its big test on spending cuts.

Senate Republicans have a series of amendments aimed at cutting the funds and Sen. Leverett Saltonstall, R-Mass., will seek to reduce it to \$250 million.

## Fire Rages Hours In Marshall

**MARSHALL, Tex. (UPI)** — A raging fire burned out of control for more than three hours Sunday night in the downtown section of Marshall, totally destroying one store and damaging at least three others.

## OAS Prepares to Send Peace Mission To Halt Conflict

**United Press International**  
**By HENRY RAYMONT**

**WASHINGTON (UPI)** — The Organization of American States prepared today to send a special mission to Port-au-Prince to head off threatened armed conflict between Haiti and the Dominican Republic.

OAS council chairman Gonzalo Facio met with envoys from the United States, El Salvador, Ecuador, Chile and Colombia to set a departure time for the mission. It was expected to leave this afternoon.

## Castro, Nikita Begin Work After Wild Welcome

**MOSCOW (UPI)** — Cuban Premier Fidel Castro, the cheers of an unprecedented welcome still ringing in his ears, settled down to serious business with Premier Nikita Khrushchev in the Kremlin today.

The official news agency Tass said the two leaders began a conference in Khrushchev's study at 10 a.m. This meeting and others during Castro's extended stay are expected to deal with a wide range of vital questions, including economic aid for Cuba, Soviet military presence on the Caribbean island and the problem of armed attacks against Castro's Communist regime.

## Senate Action Expected on Tax Increase

**AUSTIN (UPI)** — Senate committee action was expected today on the House-passed \$33 million tax increase bill, one of the key issues of the 88th Session. The Senate State Affairs Committee scheduled final hearings on the bill, which must be ironed out before the appropriations committee can settle on a final spending bill. The bill removes some exemptions from the sales tax and extends the corporate-franchise tax for one year.

With only four weeks of the session remaining, some senators indicated they may push to get the bill on the floor early this week. Rep. Wayne Gibbons of Breckenridge may try his controversial forced oil pooling bill on the House floor early this week. The pooling bill has brought charges from some independent oil operators that they are being forced out of business.

## Court to Hear Arguments for Barnett Jury

**WASHINGTON (UPI)** — The Supreme Court agreed today to hear arguments next fall on whether Gov. Ross R. Barnett of Mississippi is entitled to a jury trial on federal criminal contempt charges stemming from the University of Mississippi riots. The court did not issue what it calls a "formal order" in the case. It merely distributed through the press office a statement which said that the clerk's office was sending notification to attorneys that "the court will hear the case in the fall, probably during the two-week argument session beginning Oct. 14."

## Fire Rages Hours In Marshall

**MARSHALL, Tex. (UPI)** — A raging fire burned out of control for more than three hours Sunday night in the downtown section of Marshall, totally destroying one store and damaging at least three others. One fireman suffered a minor injury in the fire, which was fought by nine units from Marshall and one each from Jefferson and Longview. The fire was discovered at 8:30 p.m. and put out at 10:25 p.m. The Austin Shoe Store was totally destroyed by the blaze. The Guarantee Shoe Store and Smith Brothers Furniture store received fire, smoke and water damage. The Beall Dry Goods Store was damaged by smoke and water. There was no immediate dollar estimate of losses.

## Postman's Diary Reveals Warning Of Possible Killing

**GADSDEN, Ala. (UPI)** — Authorities said Sunday "we're pretty sure" a grocer charged with murdering a postman crusading for civil rights was mentioned in a late entry in the victim's diary. The last entry in the diary of William L. Moore, written on the day he was shot to death near here, described a warning that he might be killed for his anti-segregation "freedom walk."

"A couple of men who had talked to me before drove up and questioned my religious and political beliefs. And one was sure I'd be killed for them," Moore wrote. A formal charge of murder was filed late Saturday against Floyd L. Simpson, 40-year-old father of six. He was held without bond after Etowah County Sheriff Dewey Colvard received a report on a ballistic test on a rifle owned by the grocer.

Moore was shot in the neck and head with a 22-caliber rifle last Tuesday at a roadside park about 13 miles from here. He carried with him a letter protesting segregation which he hoped to present to Mississippi Gov. Ross Barnett.

At Norfolk, Va., Sunday, the Student Non-Violent Coordinating Committee said 10 volunteers would continue Moore's march. The civil rights group said it would start its hike to Jackson, Miss., from an undisclosed location either Wednesday or Thursday.

The group earlier had asked both President Kennedy and Alabama Gov. George Wallace for protection on such a walk. Wallace replied that the walk should not be attempted.

## Authorities Prepare For More Violence In Italian Elections

**ROME (UPI)** — Authorities took special precautions today against further violence in national voting that is expected to produce a record turnout. Italians trooped to the polls for a second day to choose a new 315-seat Senate and a 630-man Chamber of Deputies. Final results are not expected before Tuesday night.

While balloting was for parliamentary seats, the real issue was whether Premier Amintore Fanfani's experimental Socialist-backed "center-left" government should continue.

Most Important Election. Many observers considered the election the most important in years and said it could determine Italy's political picture for the next decade. Early predictions were that many members of Fanfani's Christian Democratic party would desert and vote for the Liberals in opposition to the "opening to the left." But it could not be determined whether they would be strong enough to form a decisive factor.

## Soviets Say Talks 'Waste'

**GENEVA (UPI)** — The Soviet Union charged today that current discussion on the question of a nuclear test-ban treaty are "a waste of time" and accused the Western powers of not wanting a treaty. Soviet negotiator Semyon K. Tsarapkin made no mention of the new Anglo-American initiative presented last week to Soviet Premier Nikita Khrushchev in Moscow, although both the U. S. and British delegates to the 17-nation disarmament conference appealed to the Soviets at today's 12th meeting to accept it.

## Canyon Has First Traffic Fatality

**CANYON (UPI)** — A Randall County farmer, Jesse Harrison Bruce, became Canyon's first traffic fatality in five years Sunday. The 74-year-old Bruce was a passenger in a car which went out of control on U. S. 87 at the north edge of town and crashed into two roadside signs and sheared off a utility pole. Johnny Wilcoxson, 34-year-old driver of the car, was listed in critical condition at a Canyon hospital.

## \$1.5-Million Damage in Ft. Worth Line Squall

**FORT WORTH (UPI)** — Damage was estimated at more than \$1.5 million today from a vicious line squall that ripped through Fort Worth Sunday with 92 mile-an-hour winds. At least seven persons were injured. The winds ripped roofs from homes and apartment buildings and picked up part of a home on the city's west side and dumped it in the middle of U.S. 80.

Geneva Johnson, a fourth grade student, was sucked by the water into a culvert as she played near her home. Just before she disappeared, a 15-year-old high school girl saved her. Flooding was reported along the east fork of the Trinity and lower portions of Chambers and Richardson creeks, southeast of Dallas. The Trinity crested at Dallas today at 33.6 feet. Flood stage at Dallas is 30 feet. Flood levees prevented a general flood.

Tornado at Killen. A tornado hit Killen in Central Texas Sunday night, injuring three persons and damaging 10 homes and 10 automobiles. Another tornado hit the town of Anna, north of Dallas. It caused an estimated \$4,000 in damages to homes and businesses. A third tornado Sunday night hit Pittsburg in East Texas, destroying a home, a barn and a garage. Two funnel clouds were reported in East Texas but apparently did not touch ground.

The fourth storm struck while thousands of persons were in church or on their way to 11 a.m. sermons. A heavy rain, wind and hail hit, but little damage was reported. Persons in downtown Fort Worth when the storm hit were amazed to see what they thought was black hail. It turned out to be colored pebbles scooped up by the wind from a rock garden in front of the First National Bank.

Stockyards Hit. The Fort Worth stockyards were among areas hit. Damage to two apartment houses was estimated at \$150,000. Wind ripped the roof from a fire station in the Fort Worth suburb of Blue Mound and one man suffered a broken arm. But a Sunday (See STORM, Page 3)

## Storms Pelting Several States After Tornadoes

**By United Press International**  
Heavy thunderstorms, rain and hail pelted Texas, Nebraska and Kansas residents today trying to dig out from the aftermath of the worst tornado siege of the season. Minor flooding was reported in eastern Kansas and north Texas. A score of twisters plus 92-mile-per-hour winds swirled through the western plains Sunday, killing at least one person, injuring dozens and leaving one missing.

Fort Worth, Tex., where damage estimates soared as high as \$6 million, bore the brunt of howling wind and rain storm. But the most tragic result of the tornado assault occurred near Auburn, Neb. A black funnel cloud swept up a car containing Mrs. Fred Shilling, 37, Vandalia, Ill., and her eight children, hurled it through power lines along the highway near Auburn and bounced it along the ground, scattering the occupants at intervals of 400 to 500 feet.

One of the children, Diane, 14, died on an operating table at the Auburn hospital four hours after the mishap. The seven other children and Mrs. Shilling were in serious condition. The tornadoes occurred in a "tornado warning" area. The U.S. Weather Bureau had posted warnings of severe thunderstorms and tornadoes for portions of Texas, Kansas, Nebraska, Missouri and Iowa Sunday.

Showers and thunderstorms were predicted for today over the eastern half of the country with heavy amounts forecast for Iowa. Generally fair skies with little rain was the outlook for the West.

## New York's Coney Island Damaged by Fire

**NEW YORK (UPI)** — Fire raged through the tinder-dry board walk of Coney Island Sunday night and destroyed a three-block section of the famous resort. Officials said the fire, fanned by ocean breeze, started in the center of the Coney Island amusement section. It destroyed a dozen concession stands, two bathhouses and a tavern. The fire-alarm blare started in a closed pizzeria and quickly spread through the frame buildings. For a time it threatened Steeplechase amusement park, a complex of rides which includes a huge roller coaster and a parachute jump.

The fire department said nine alarms were sounded mostly as a precaution and because of the threat to many surrounding residences.

**SCHOLARSHIP WINNERS** — Pampa High School senior, Miss Jahnlynn Mitchell, right, who took third-place in the nationwide Dimitri Mitropoulos Award competition at Stephens College, had a chance to meet the other young musicians who, as winners of other Mitropoulos Awards in music, will be her classmates next fall at the Columbia, Mo., women's college. While at Stephens for the April 6 Mitropoulos auditions, this award-winning foursome toured the campus together (left to right) — Miss Tamsin Jane Christ-Janer, soprano and fourth-place winner from Great Falls, Mont.; Miss Karin Elaine Irons, mezzo-soprano and second-place winner from Tulsa, Okla.; Miss Celia Hudson, pianist and first-place winner from Decatur, Ga., and Miss Mitchell. Miss Mitchell's third-place Mitropoulos Award is a \$3,750 scholarship (\$1,250 a year for three years) to study music at Stephens. She is the daughter of Mr. and Mrs. John C. Mitchell, 326 N. Faulkner, Pampa. (Stephens College photo by Marvin Kreisman)

**SWEETHEART AND BEAU** — Miss Cecilia McDonald was named "Sweetheart" by the Esquire Club and Mike Schale was chosen "Beau" by the Sigma Delta Sub Deb Club at their annual "Ship Wreck Dinner-Dance" held recently in the Optimist Boys' Club. New members traditionally danced "The Hula" as a portion of the program. Decorations followed a "ship wreck" theme with fish-nets, sea-shells, simulated hull of a ship, fish, turtles, ducks, birds, palm trees and treasure chests forming the decorations. Miss Carole Enloe, president, was master of ceremonies. Sponsors attending were Messrs. and Mrs. Bill McDonald; Jack Vaughn; Homer Miller; Jim Arndt; Mrs. Chris Walsh and Norma Schale. Following the dinner and program, the remainder of the evening was spent dancing to the music of "The Coronados." (Photo, Kenneth Butler)

**BEAU AND SWEETHEART** — At the recent dinner-dance, "The Bowery Brawl," given annually by the Kit Kat Klub and Seven-Eleven Club, Miss Jan Grady was named "Seven-Eleven Sweetheart" and Richard Organ was named "Kit Kat Klub Beau." Each were presented with identification bracelets inscribed with their titles by the presidents of the two organizations, Miss Sandra Weatherly and Richard Organ. Included in the evening's entertainment were new members, dressed in colorful costumes, dancing the traditional "Can Can" and Miss Ann Qualls singing a "torch song." Following dinner and the program, the remainder of the evening was spent dancing. The dinner dance also marked Kit Kat Klub's silver anniversary of organization. (Photo, Call's Studio)

#### He's Getting His ... Ups and Downs

By ABIGAIL VAN BUREN

DEAR ABBY: My brother died three years ago and left his wife some stocks. She got into the habit of asking my advice on certain stocks. I made it plain I was NOT advising her, only telling her what I was doing with mine. She followed my moves. Like many others I sold some stocks I should have kept, and kept some stocks I should have sold. Every morning this sister-in-law calls me up and needles me about some stock she sold a while back which is now going up — or some stock she held onto which is going down. I don't want to make an enemy of her, but I'd appreciate seeing this letter in print with your comments. All she reads is your column and the stock market.

Mrs. Romilda Nolen, who has been ill in Highland General Hospital, is now convalescing with her daughter, Mrs. Harvey Downs, 514 Charles.

Mr. Ellis, who is a resident in Twilight Acres, was reported to be in Highland General Hospital. He is 94-years-old.

Uncle Billy Frost was with us at the Center Party on Thursday afternoon and was busy making the rounds, shaking hands and saying hello.

A. N. Burgin was back with us after a two week's fishing trip down near Tyler, where he visited with his sister, Mrs. Jack Hugins and her husband. Mr. Burgin said fishing was good, but his wife confided that he was supposed to be working on the farm they have acquired down there. They expect to make their home there when they are both retired. Mrs. Burgin is a nurse in Highland General Hospital.

Frank C. Campbell of Bartlesville, Okla. was with us again this Thursday and exhibited his Gothic Church done in mosaic. He explained that it is made of 400 different kinds of wood from almost all over the world. It took him a year and a half to make it.

It's difficult for an amateur, like myself, to try to describe it, but it's done as a picture on a large piece of cardboard with steeple and gothic windows; all done with the thinnest strips and blocks of wood in natural colors. One of the most beautiful and unique pieces of work it has been my pleasure to see.

Mr. Campbell said he planned to show and explain this work of art to Boy Scouts at a pack meeting Thursday night in the First Presbyterian Church.

Mrs. Maggie Deal received word Tuesday that her brother, Ansil Lutsell, who lives in Eastern Oklahoma, was attacked by a wild hog while out hunting. He suffered chest injuries and one arm was badly mangled.

C. E. Sidwell celebrated his 91st birthday on Saturday, April 27. He was showing a humorous card sent him by his brother, Bill and wife, Vera, from Albuquerque, N.M. With all the cute pictures and quotes, it ended up with "you may never be mayor, or governor, or president, or a Wall Street Banker, or a Beverly Hills resident, but, in spite of these handi-

caps, you turned out fine at being an outstanding brother of mine." (signed Bill and Vera.)

Happy Birthday, Mr. Sidwell! Took my neighbor, Mrs. Spence Crossman for a Sunday afternoon drive to Amarillo, where we visited in the Twilight Home with Mrs. R. H. Eads, an old neighbor of ours, who has been confined to her bed for almost a year, with a broken hip.

Also stopped over to see the four Pampans in the St. Anne Rest Home, where we had a nice visit with Mrs. Lee Harris, Mrs. Lillian Debrouha; also said "hello" to Mr. Millin and Mr. Dirkson, whom I did not know so well. All seemed to be doing o.k.

Was disappointed to see such a few out Wednesday to hear John Hesse, area supervisor of the State Welfare Department, who explained the Kerr-Mills law as set up by the state for the aged and other phases of the medical care of the aged.

Everyone should keep fully informed of our laws to be an intelligent voter.

The Epsilon Sigma Alpha Sorority was hostess at Senior Center on Thursday with Mrs. J. R. Frazier, T. B. Rogers, P. M. Treadaway, F. J. Rader, Ira Bewely, Bob Miller, and Sid Harrison. Delicious homemade pies and coffee were served.

Door prizes went to Ennis Jones and Mrs. Edith Mills. Altrusans assisting were Jay Flanagan, Mabel Hunkill and Louise Sewell.

Red-Cross Gray-Ladies providing transportation were Mrs. Jess Hatcher, O. F. Kreimeyer, Stanley Brandt, Libby Shotwell and A. D. Hills. Adios, Mrs. Wagner.

### Program On Care Of Fabrics Set By County Council

A consumer education program on buying and care of fabrics will be presented by the Gray County Clothing Program Building Committee in the Court House Annex, east of Pampa on Thursday afternoon at 1:30.

Lou Ella Patterson, County Home Demonstration Agent, reports "there are so many new fabrics, blends, and finishes of fabrics, on the market each year that constant study is needed to be able to select and care for the many fabrics used in clothing and in the home. This program is planned to help the family buyer. The public is invited."

The program will consist of three parts: Mr. Don H. Wheeler, Assistant Manager for Pampas' J. C. Penney store will discuss the fabric labeling law.

and Mrs. Edith Mills. Altrusans assisting were Jay Flanagan, Mabel Hunkill and Louise Sewell. Red-Cross Gray-Ladies providing transportation were Mrs. Jess Hatcher, O. F. Kreimeyer, Stanley Brandt, Libby Shotwell and A. D. Hills. Adios, Mrs. Wagner.

Mrs. W. H. Monroe from Sands Fine Fabrics will discuss colors and fabrics for late summer and early fall. She will also give hints for laundering some of these fabrics.

Mrs. Ruth Phillips from Bob Clements Dry Cleaners will discuss care of fabrics.

The following local businesses will set up exhibits of piece goods to display the fabrics available in Pampa: C. R. Anthony, Dunlap's, Fashion Fabrics Shop, Levine's, Montgomery Ward, J. C. Penney, and Sands Fine Fabrics.

## Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N. Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription. Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms. This formula is so effective that it is the physician's leading asthma prescription—so safe when used as directed that now it can be sold without prescription in most states.

—in tiny tablets called Primatene®. These Primatene-Tablets open bronchial tubes, loosen congestion, relieve that nervous tension. All without painful injections. —The secret is—Primatene combines 3 medicines (in full prescription strength) found most effective in combination for asthma distress. Each performs a special purpose. So look forward to sleep at night, and freedom from asthma spasms. Primatene-Tab, at any drugstore.

**Mrs. Erleene Engel**  
Funeral services for Mrs. Erleene Engel, 2235 Christine, will be held at 11 a.m. Tuesday in the First Presbyterian Church with the Rev. Don Hauck, pastor and Dr. E. Douglas Carver, pastor of the First Baptist Church, officiating.  
Mrs. Engel died at 8:30 a.m. Sunday in the Mercy Hospital in Oklahoma City, Okla., from injuries incurred in an automobile accident at 3:30 p.m. Friday on the Turner Turnpike near Stroud, Okla.  
Mrs. Engel, the former Erleene Matheson, was born in Amarillo on Oct. 13, 1927. She was reared in White Deer and graduated from White Deer High School. She was married to Oscar J. Engel in 1930. She was a member of the First Presbyterian Church.  
Survivors are her husband, Oscar J.; two sons, Joe and Gregory; all of the home; her mother, Mrs. Carl Harris of Pampa.

**Youths, Infant Injured in Auto Mishaps**

Two 13-year-old boys were slightly injured when the automobile driven by one of them hit a tree at Sunset Dr. and N. Ballard about 10 p.m. Saturday.  
Robert Miller, 1933 Charles, suffered a cut on the chin and Michael Noblitt, 1913 Charles, was cut on the wrist.  
The two youngsters were taken to Highland General Hospital by a passing motorist and released after emergency treatment. Police estimated damage to the car at \$300.

**Seven-month-old Barbara Gist**

was slightly injured when the small foreign car driven by her mother, Mrs. Sandra Gist, 20, of 1053 Huff Rd., was in collision with a car driven by Terry L. Henderson, 20, of 903 1/2 E. Francis. The accident happened shortly before 7:30 p.m. Saturday in the 100-block of S. Hobart St.  
Damage to the Gist car was estimated at \$250 and to the Henderson car at \$50.

**Nursing Home Campaign in Final Week**

Entering the final week of the Pampa Community campaign to raise sufficient equity funds for a 50-bed nursing care home, the volunteer workers will meet tomorrow at 10 a.m. for their second progress report meeting in the campaign headquarters.  
The Jaycees and Jaycee - Ettes Women's Section and the Executive Committee section have thus far reported \$75,000 and will continue to increase that figure for the balance of this week.

**Marker Home Damaged by Fire, Smoke**

Firemen answered a call to the home of B. R. Marker, 1022 S. Faulkner, at 5:10 p.m. yesterday for a fire in the kitchen caused by a short circuit in an electric stove. Firemen extinguished the blaze with little fire damage, but heavy smoke damage was reported to the kitchen, and smoke damage to the rest of the house as well.  
Firemen extinguished two grass fires with no damage yesterday afternoon, at 222 Eshom shortly after 1 p.m. and at 300 Canadian shortly before 4 p.m.  
The fire department was called out to the County Courthouse shortly before nine last night, but the call was a false alarm.

visit the Soviet Union at the invitation of Khrushchev was disclosed in Havana last month.  
The length of Castro's visit has not been announced, but it was expected to be at least several weeks. One of the highlights will be the May Day celebrations Wednesday.  
While outwardly the visit of Cuba's leader seemed all sweetness and light, diplomatic observers detected a lack of spark which characterized his 1960 meetings with Khrushchev in New York.  
Some Western observers believed Castro's feelings still are ruffled over the Kremlin's decision to pull Soviet rockets out of Cuba last fall. Removal of the rockets was negotiated over Castro's head by the Soviet Union and the United States.  
In their speeches from Lenin's tomb Sunday, Castro and Khrushchev praised Russia and Cuba—but not to each other. They seemed polite—and correct in their relations—but not effusive and warm as in 1960.  
The relatively short and moderate speeches stressed the themes of Soviet aid to Cuba, friendship and solidarity in the face of "imperialist" threats to the Cuban revolution.  
Castro told the rally that if it were not for Russia's help, "the imperialists would have strangled our tiny country."  
Neither Castro nor Khrushchev mentioned the United States by name, and they avoided any reference to the removal of Soviet rockets from Cuba.

**'Skinny' Closet In Hallway Adds Lots of Storage**

You can narrow a hall slightly without impairing its usefulness as a traffic artery by installing floor-to-ceiling shelves behind sliding doors.  
You can fit up to 60 cu. ft. of storage into a hallway closet 8' wide, 8' high and 12' long.  
Compartmentize the "skinny" closet into spaces no more than two feet high. Then use factory-finished Masonite Royalcote wood grained panels for sliding doors to keep your storage items dust-free and the entire area attractive.  
This arrangement allows you to organize your storage efficiently.  
For hints on how to build storage cabinets of lumber and Masonite hardboards, send a postal to the Home Service Bureau, 29 North Wacker Drive, Chicago 6, Ill., for free plan No. AE-59. Also ask for the color folder on Royalcote woodgrained hardboards.

critic of the bill. He contends the bill would cost the state millions each year in lost royalties.  
Sadler and Rep. Maurice Duke of Wichita Falls, a co-sponsor of the bill, clashed in a subcommittee meeting before the bill reached the floor.  
Duke questioned Sadler about use of state facilities to oppose the bill. Sadler defended his action as necessary to inform veterans and challenged Duke to start impeachment proceedings.  
The bill was sent to the floor by the House Oil, Gas and Mining Committee.

Senators will also consider this week changes made in the loan shark bill passed by the House last Thursday. Sen. Bruce Reagan of Corpus Christi authored the original bill in the Senate.  
**May Ask Senate**  
Reagan said he may ask the Senate to accept the House changes which, if the Senate goes along, would avert a conference committee.

At least one senator, Murray Watson of Mari, was unhappy with the House changes. He said they were "designed more to protect the lender than the borrower."  
The House will be working this week with two major Senate-passed bills, voter registration and revision of the code of criminal procedure.

Annual voter registration with a 25-cent fee has been passed by the Senate to replace the poll tax if it is repealed. The House also has a permanent registration bill with no fee that has been approved by a committee.  
Election code changes, which the House and Senate passed in different versions, are being studied by a conference committee.

The House was expected to accept Senate changes in a city annexation bill by Rep. Henry Grover of Houston.

**Three-Purpose Garden Center Well Designed**

The home gardener will find a fresh design combining a greenhouse, tool storage shed and workshop to his liking. A plan showing its construction is available free. In the front, open section is the workshop. It offers a sturdy shelf on which the gardener can work on potted plants and perform other chores.  
The greenhouse section is at the back and is, of course, under glass.  
Tool storage space is provided in two sections—one with a side entrance for lawnmowers, rollers and wheelbarrows, and the other accessible from the forward workshop section. This is lined with Peg - Board.  
Lumber and Masonite 1/4" Tempered Preswood are used in building this garden center. This hardboard, made by the exclusive explosion process invented by William H. Mason, has great strength, dent and weather resistance. It holds paint longer than wood without crazing or cracking, as "Masonite" has no grain.  
For a copy of free plan AE-388, write a postal to the Home Service Bureau, 29 North Wacker Drive, Chicago 6, Ill.

# Fischer Keeps Athletics On Top of American Loop

By United Press International

Hoyt Wilhelm has his knuckleball, curve and slider — but his most important asset is that he gets 'em all over the plate. So when Manager Ed Lopat signals to the bullpen it's also the signal for Kansas City road secretary Jim Schaaf to line up the taxi cabs outside the dressing room because he knows everybody's going home in a hurry.

Fischer, who set a major league record by pitching 84 1/3 consecutive innings without issuing a walk between Aug. 3 and Sept. 20, 1962, is the chief reason the Athletics occupy first place in the American League today. He has relieved six times, pitched 15 innings and allowed only eight hits and two walks in compiling a 4-0 won-lost record and a 1.20 earned run average.

Fischer made his sixth relief appearance of the season Sunday and went 2 2/3 innings to receive credit for the Athletics' 6-5 victory over the Washington Senators. He's now been the winning pitcher in four of the Athletics' last seven victories. The Athletics won the game with a four-run eighth-inning rally featured by singles by Ed Charles, Chuck Essegian, Jerry Lumpe and George Alusik plus two Washington throwing errors.

The New York Yankees shut out the Cleveland Indians, 5-0, the Los Angeles Angels beat the Baltimore Orioles, 3-2, the Detroit Tigers topped the Minnesota Twins, 4-0, and the Boston Red Sox beat the Chicago White Sox, 4-3, in 12 innings, and 6-2, in other American League games.

Whitey Ford homered and combined with Hal Reniff in a two-hit pitching effort to win his first game of the season for the Yankees. Hector Lopez hit a three-run homer and Joe Pepitone and Cleve Boyer had three hits each to lead the Yankees' 13-hit attack. Jim Grant, who yielded four of the Yankee runs in five innings, suffered the loss.

**Survives Five Errors**  
Dean Chance, Bo Belinsky's partner in midnight escapades for the Angels, survived five errors, including two of his own, to win his second game of the season. Jim Fregosi had two doubles to lead the Angels' attack while John Powell homered for the Orioles.

Jim Bunning pitched a five-hitter for his first victory of the season and Coot Veal knocked in three runs for the Tigers, who dealt Minnesota's Jim Kaat his second defeat against one win. Third-baseman Frank Kostrko had two hits for the Tigers.

Carl Yastrzemski doubted home the winning run in the 12th inning of the first game and Bill Monbouquette completed the Red Sox' sweep of the White Sox for three innings to win the first game when Wilhelm was scored on for the first time in 18 2/3 innings of relief pitching this season.

Warren Spahn Aiming for Matty, Alexander Marks

By FRED DOWN  
UPI Sports Writer

Can Warren Spahn surpass the National League record of 373 victories shared by Hall of Famers Christy Mathewson and Grover Cleveland Alexander before he hangs up his glove?

The first inclination is to say no but the idea isn't so far-fetched after all when you consider that the 42-year-old Milwaukee Brave left-hander reached the 331-mark and is off to his fastest start in five years. He could reach the 330-mark this year and then have another year and a half or two years to shoot for a new record.

Spahn scored the 331st victory of his career Sunday when he pitched the Braves to a 3-1 decision over the San Francisco Giants. That gave him a 4-1 record — his best start since 1953 when he won his first five decisions and he even is ahead of that season's timetable because he did not chalk up his fourth win of '58 until May 4.

Spahn was either 2-2 or 2-3 after five decisions in each of the last four years and the dates on which he won No. 4 in 1959 through 1962 were May 13, June 5, May 12 and May 18, respectively.

**Tapped For 11 Hits**  
Spahn was tapped for 11 hits Sunday but didn't walk a batter and was helped by two double plays. He had a shutout until the ninth when Felipe Alou tripled and scored on an error and his earned run average for this season is 1.67. Spahn himself drove

in the winning run with an eighth-inning single and Hank Aaron's seventh homer of the season added a run in the ninth. The St. Louis Cardinals downed the Los Angeles Dodgers, 9-5, the Houston Colts beat the Cincinnati Reds, 3-2, the Chicago Cubs defeated the Philadelphia Phillies, 4-1, and the Pittsburgh Pirates shaded the New York Mets, 3-2, in other National League games.

The Cardinals completed a sweep of their three-game series with the Dodgers on the wings of a 15-hit attack that included two homers by Ken Boyer and three hits by Charlie James. Ernie Broglio went 6 1/3 innings to win his third game while Johnny Podres dropped his third decision for the Dodgers. Bill Skowron homered for the Dodgers.

Bob Aspromonte's ninth-inning single scored Carl Warwick with the winning run for the Colts, who replaced the Mets in ninth place. Hal Woodeshick won his first game for the Colts with four innings of one-hit pitching in relief of Hector Brown. It was the Reds' fifth loss in six games.

Ron Santo and Ernie Banks hit successive eighth-inning homers as the Cubs rallied for four runs in the eighth inning to give Bob Buhl his second win. Don Demeter homered for the Phillies.

Elroy Face pitched two hitless innings in relief to win his second game for the Pirates when Bill Mazeroski's bloom single scored Bob Skinner with the winning run in the eighth inning. Jim Pagliaroni homered for the Pirates.

Yank Athletes Rest after Racking up Pan Am Wins

SAO PAULO, Brazil (UPI)— Uncle Sam's athletes, who have turned the Pan-American Games into a red, white and blue showcase, take a well-deserved day off today following a fantastic weekend string of victories in swimming and track and field.

The Yank forces picked up three gold medals in track and field and two in swimming Saturday and added 19 more in various events Sunday to run their gold medal total to 62 with a week still remaining in the competition.

The United States completed a sweep of swimming honors Sunday by winning all six gold medals at stake, four of them in meet record time, and the track and field team, paced by ex-Marine Dave Tork, picked up four gold medals to make it seven in two days with the bulk of the track and field events yet to come. The Yanks also won four of seven rowing finals and added four gold medals in shooting and one in fencing.

**Not Best Team**  
Before this year's competition started American officials predicted that this was not the best team the United States could have sent to the games, and as a result it would not win as many gold medals as the 1958 squad, which won an overall total of 120.

However, the American sweep in these games is reaching such proportions that many observers are saying the United States will surpass the 1958 total, and well it might. About the only disappointment thus far has come in tennis, where the Yanks failed to make as strong a showing as had been anticipated.

But in track and field and swimming, where the United States hopes to do equally as well in next year's Olympic Games at Tokyo, it's been strictly an American show.

**Six Swimming Victories**  
Sunday's six swimming victories gave the Yanks first place in 19 out of the 20 events, exactly the same number they won at Chicago four years ago en route to that 120 gold medal grab.

Sharon Finneran, a 17-year-old lass from Los Angeles, smashed the women's games record for the 400 meter freestyle with a clocking of 4:52.7. The men's 800 meter relay team hung up a record of 8:16.9, the women's 400 meter relay team set a standard of 4:15.7 and Mina Harmar of Philadelphia made it a fourth record in swimming when she took the women's 100 meter backstroke in 1:11.5.

In addition, Bob Webster, a 1960 Olympic champion from

Dupas Vs. Moyer Tonight

NEW ORLEANS (UPI)—Ralph Dupas' 13-year struggle for a world championship reaches a climax here tonight when the French Quarter flash challenges Denny Moyer of Portland, Ore., for the junior, middleweight title.

The two fancy boxers meet at Municipal Auditorium in a fight that is expected to go the full 15 rounds.

A gate of about \$40,000 was hoped for by promoters Bonny Geigerman, Lou Messina and Curley Gagliano.

The fight will be New Orleans' first title scrap since Joe Brown defeated Wallace Bud Smith for

the lightweight championship in 1956.

Moyer was a slight favorite to retain his crown.

35TH YEAR MONDAY, APRIL 29, 1963 5

## Rogers Celebrates Texas Open Victory

SAN ANTONIO, Tex. (UPI)— Phil Rodgers, savoring his first tournament victory in more than a year, flew home to California today to take a week's vacation in honor of his winning the 1963 Texas Open.

Rodgers, a former NCAA champion from the University of Houston, sliced five more strokes off par Sunday with a closing round 66 to take a two-stroke victory over Johnny Pott with a 72-hole total of 16-under-par 168. It was worth \$4,300.

**Bogey Hurts Pott**  
Pott, from Gulf Hills, Miss., nearly matched Rodgers, but a bogey on the 17th hole and a par on the 18th left him with a 63 and a total 270. It was worth \$3,000 to him.

Rodgers, playing out of Perdido Bay, Fla., started Sunday's final round tied with Pott for the lead. He cut two strokes off par on the front nine with a bogey on No. 3 and birdies on 4, 5 and 9.

Rotund Phil two-putted from 45 feet out for a birdie on 10, sank a 25-footer for a bird on 12, two-putted from 60 feet for a bird on

15 and sank an 18-foot birdie putt on 17 to wrap up his title.

It was his first win since he took first place in the Tucson, Ariz., open last year.

**Palmer Solving Problem**  
Arnold Palmer, the pre-tournament favorite who came to San Antonio seeking his fourth consecutive Texas Open championship, finished in a tie for ninth, 8 strokes off the pace.

Palmer had trouble with his irons in the first three rounds, and by the time he straightened his problems out for a final-round 67, it was too late to seriously challenge.

## Television In Review

"Today" show, in Holland this week, has an interview with Princess Beatrix Friday. Same day, the program visits the Anne Frank house, the World War II hiding place of the little girl whose diary became famous as a book, play and film. . . Otto Frank, the child's father, may appear.

If it doesn't rain, NBC-TV Thursday will air a one-hour special on the same day's outdoor White House reception for winners of the Congressional Medal of Honor and military leaders. . . President Kennedy is host for the reception. . . Rain would move the ceremony indoors and cancel the scheduled 7:30 p.m. EDT telecast.

## BUSINESS REVIEW

IT'S AIR CONDITIONING TIME - Let Hall Tire Co., 700 W. Foster, get your evaporative cooler in shape for summer's onslaught. Halls provides expert repacking, tubing pumps and fittings for all evaporative air conditioners. (Daily News Photo)

## Don't Swelter, Let Hall Tire Co. Repack Your Air Conditioner

Don't get caught in the last minute rush to get your evaporative cooler ready for maximum benefits during the hot months to come. Now is the time to let Hall Tire Co. repack and rejuvenate your air conditioner.

A complete line of packing pumps, fittings and tubing is available at Halls. Dirty or worn out pads can cut down on evaporative coolers' effectiveness.

So be ahead of the crowd this year. And Halls is the place to go, with more than 15 years experience in air conditioning.

Another of the many services offered by Hall Tire Co. is complete interior rehabilitation for your automobile.

Expertly trained men will restore the bright new look of the interior of your vehicle from the floor carpet to the roof, whether hard top or convertible.

For the best seat cover selection in the entire Panhandle, Hall Tire has in stock more than 100 different colors and patterns to match the color scheme of your automobile.

It makes no difference whether you own a new car or an old one, you will find the right seat cover to fit. All you have to do is select the covers you like and Hall Tire will see that they are installed to factory specifications.

They specialize in seat cover work. Their workers are specialists in fitting seat covers, and know the right way to install them to give you the longest wear, to make your car look better, and serve you longer.

Leymond Hall, owner, says, "We insist on the right fit and guarantee our fit because we want

the motorist to get all the wear that the manufacturer put in the seat covers."

Come in and look over the large stock. They will show you a variety. Don't forget they also feature a special order department from which motorists can order

## TMA Delegates Commend AMA's Walker Inquiry

DALLAS (UPI)—The Texas Medical Association House of Delegates voted Sunday night to commend the American Medical Association Judicial Council for its investigation into the hospitalization of former Maj. Gen. Edwin A. Walker last fall.

The Texas Association is holding a three-day meeting in Dallas. The AMA is looking into the possibility that Walker was forcibly hospitalized at the federal prison hospital at Springfield, Mo., without proper examination.

Walker was taken to the hospital after his arrest during the Oxford, Miss. integration riots.

In other action the House of Delegates adopted a resolution not to endorse fluoridation of the public water supply and endorsed a program designed to warn the public about the dangers of smoking.

The House of Delegates is a policy making body of the 8800-member TMA. The current meeting ends Tuesday.

seat covers to please every style and taste.

Hall Tire also provides all the features of a service station. Mobil gasoline, oil, tire service, lubricating and polishing.
