## Tariff-Cutting Talks Seem Near Collapse in Geneva

GENEVA (UPI) — The United States today sought to break a four-day deadlock with the European Common Market nations that has brought their tariff-cutting talks to the brink of failure.

A three-hour meeting between the United States and Britain on the one hand and market members on the other broke up early today and a U.S. delegate said "nothing is settled."

Former Secretary of State Christian A. Herter, chief U.S. delegate, plans to leave the conference of the General Agreement on Tariffs and Trade (GATT) on Wednesday, and informed sources said that if no agreement is reached by then the consequences could be as serious as Britain's failure to join the market last winter.

## 2,000 Students In Panty Raids; Eight Arrested

CAMBRIDGE, Mass. (UPI) — Radcliffe College girls staged a reverse panty raid on Harvard Sunday night and touched off a noisy demonstration involving 2,000 students.

Police broke up the disturbance and arrested eight Harvard men on charges of disturbing the peace and alleged property damage. They were to be arraigned today.

There were no injuries and no major damage.

The uprising, blamed on spring fever and pre-exam pressure, started when 150 Radcliffe girls marched a mile to Harvard Yard and shouted to men in Winthrop House, a male dormitory, to throw their underwear.

Some of the Harvards threw shorts and others dropped water bombs and bars of soap. One Radcliffe girl said the raid was planned early Sunday.

As the girls began returning to their dormitories, the Harvards began grouping for a panty raid on Radcliffe's nine dormitories. At one time there were at least 2,000 men and women involved in the demonstrations, officials said.

By this time police had been posted at all doors of the Radcliffe dormitories, allowing no girls out and no boys in. Police said none of the boys entered the girls' dormitories, but they yelled at the girls to throw their panties.

## 3rd Battalion To Train at Fort Hood

The officers and enlisted men of the Third Howitzer Battalion, 75th Artillery, will report to North Fort Hood, Texas, for two weeks of summer training on June 1.

The battalion, commanded by Lt. Col. Albert S. Kimberley, of Amarillo, is comprised of four batteries, including Headquarters and Service Battery, Battery A, Battery B, and Battery C. Headquarters and Service Battery is located in Amarillo and is commanded by First Lt. Ford Verma. Battery A is commanded by Capt. Bill E. Caffee, is located here in Pampa. Battery B, commanded by First Lieutenant Donald L. Sperry, is located in Borger, and Battery C, the Plainview unit, is commanded by Capt. Charles B. Cline, Jr., of Plainview. Battery C is a recent addition through ROAD reorganization last month.

The Third Battalion, 78th Artillery is a 105MM type unit assigned missions of direct support. Division Artillery headquarters are located in Dallas and the 90th Infantry Division headquarters are in Austin.

The officers and enlisted men of the battalion will have the opportunity to put their ability and knowledge to work under actual field conditions at North Fort Hood. Emphasis and stress will be placed on individual training during the two-week exercise.

Herter led the Anglo-American negotiators in the talks that ended shortly after midnight. He was to confer again today or Tuesday with the Common Market team, headed by Jean Rey, the market executive commissioner for external affairs.

The issue is the amount of tariff reductions acceptable to the two sides.

The United States is authorized to negotiate across the board tariff cuts of up to 50 per cent. Herter's team can settle for less than 50 per cent, but the cuts must be the same for all products.

## Burglary Suspect Arrested After Two-Year Search

R. L. Driver, 31, whose home is near Memphis, Texas, and who has been sought by Gray County authorities since September of 1959, was in county jail here today charged with burglary.

Driver was returned to Pampa Saturday by Texas Ranger Bill Baten from DeLeon, Texas, where he was picked up by authorities on suspicion.

He was wanted in Gray County for the burglary of the LeFor's Community Center of 2475 on June 3, 1961.

Sheriff Rufe Jordan said Driver was in company with Jimmy Earl Parks of Pampa on the LeFor's burglary. Parks recently was sentenced to six years in the penitentiary for his part in a series of burglaries in Pampa and Gray county and nearby cities. Following his sentence here, Parks was taken to Memphis to face charges there and later broke jail, Sheriff Jordan said.

## 17-Year-Old Girl Arrested For Burglary

The Gray County sheriff's office today was holding a 17-year-old girl on a charge of burglary following her arrest Saturday afternoon for burglarizing the rural home of William Hood, five miles east of Pampa.

Sheriff Rufe Jordan said Hood returned to his home Saturday afternoon and found it had been ransacked. He saw a pickup truck in the rear of the house. He said while he was calling police, the girl fled in the truck.

Deputy Sheriff D. L. Day said Juvenile Officer Bill Leonard apprehended the girl about a mile and half away when her car stalled in a bar ditch, the sheriff stated.

Sheriff Jordan also stated that a quantity of women's clothing, jewelry and miscellaneous items were recovered.

According to officers, the girl had escaped from a Pueblo, Colo. institution two weeks ago, stole a car there and abandoned it in Garden City, Kansas; stole another car owned by a Garden City fireman, and drove to Pampa. The Garden City man recovered his car here Sunday.

The girl gave her name as Mary Mendoza and said her home was in Colorado.

## Deadly Snakes Escape, Overrun Nuevo Laredo

NUEVO LAREDO, Mexico (UPI) — Nearly 100 poisonous snakes were being hunted today by local army units and police following their escape Saturday from crates at a Nuevo Laredo snake zoo.

Terrorized residents of the city reported snakes "crawling all over the neighborhood," but police said only a dog had been bitten so far. The dog died.

The snakes, crated and awaiting customs clearance to be shipped to the United States, were from a reptile zoo operated by Ralph and Raymond Johnson of Nuevo Laredo.

The brothers take venom from snakes gathered in the Nuevo Laredo area and sell it.

Federal army units combed the city yesterday, killing six snakes. Ralph Johnson said many of the snakes in the crates had died before the crates came open.

## Savage Beasts? Yes; Cows? No

CHIGWELL, England (UPI) — Music may have certain charms, but farmer Peter Read's prize herd of Herefords are just not interested any more.

Five of the 40 cows died last week after a drum and bugle corps frightened them into a stampede with a practice rendition of "Semper Fidelis."

Read said Sunday the 38-piece Hornchurch drum and trumpet corps marched into the field next to his pasture to practice. Nothing happened while they tuned up, but when they all got together the cows bolted. Five cows about to have calves collapsed and died. A sixth cow was reported still critical.

Bandmaster Brian Keller said he had no idea the music would upset the cattle.

Parks was captured in New York state where he now is being held for Memphis authorities who are expected to return him for trial.

## WOMAN KILLED

NEEDVILLE, Tex. (UPI) — Mrs. Della Dismouth, 79, of Needville was killed Sunday in a one-car accident on a rain slick road near Needville. Two other persons were injured.

## Cooper Still Taking Tests and Tributes

CAPE CANAVERAL (UPI) — Astronaut L. Gordon Cooper undergoes further medical tests and additional debriefing today before leaving for Washington Tuesday where he will receive the Distinguished Service Medal for his historic 22.9 orbit flight around earth.

The slightly built Air Force major was relaxed and smiling during Sunday's tumultuous tribute to his 375,000 mile space voyage.

Wednesday, Cooper will be honored with a ticker-tape parade in New York. Plans called for him to ride in a convertible up lower Broadway through the financial district to city hall where he will be given a reception.

Sunday, Cooper described his breathtaking flight—probably the last manned space voyage by the United States for 18 months—as firm proof man can sleep, eat and live for long periods in space.

He told of seeing vivid geographic details, sleeping soundly, eating on schedule although he was not too hungry and performing numerous experiments assigned to him.

"Really No Problem"

Cooper described his blazing "fireball" re-entry under manual control, an emergency step that was necessary after the automatic system failed in the 20th orbit and caused anxious concern around the world.

"There was really no problem," he said.

There had been speculation that still another one-man space flight in the Project Mercury series might be held later this year but a top official of the federal space agency said it seemed "quite unlikely."

The statement by Dr. Robert C. Seamans, associate director of NASA, apparently meant the next U.S. manned space flight will not come until October, 1964, at the earliest.

Seamans said a definite decision on whether there would be another Mercury flight, "must be made within the next week or so."

He described the Cooper flight as "apparently... most successful" and that "it seems quite unlikely there will be another Mercury mission."

If there are no more Mercury flights, next comes Project Gemini—a program to put up two-man teams of astronauts into orbit for periods of up to two weeks.

"Long Way to Go"

The first manned Gemini flight is due sometime during the last three months of 1964.

## Red Interference Causes Fear of New Harrassment

BERLIN (UPI) — U.S. officials today wondered whether the Russians had started a new campaign to harass Army traffic to Berlin on the highway through East Germany.

These fears were caused by the first Russian interference with an Army convoy in six months. Russian border guards Sunday held up a Berlin-bound convoy of 70 soldiers in 22 trucks and jeeps for three hours and 45 minutes with a demand that the soldiers dismount to be counted.

The Army refused and the convoy was cleared after a delay of two hours at the West German end of the highway and one hour and 45 minutes at the Berlin end.

A belief that the Russians were up to something was strengthened by the small size of the convoy delayed.

The Army at times has its soldiers leave their vehicles to be counted to facilitate passage when a convoy is large. When a convoy is small the Russians count the soldiers as they sit in their trucks and jeeps to make sure the number given on the Army travel order actually are traveling.

Five convoys totaling 633 soldiers in 111 vehicles moved to Berlin on the Helmsdorf-Berlin highway Sunday and the Russians picked out the smallest of the five.

## Death Toll for Texas Week End Claims 20 Persons

United Press International

At least 20 persons died during another violent week end in Texas.

A mother of three was killed during an argument with her husband over dancing the twist.

Highway crashes claimed nine lives. Ten persons died in miscellaneous violence and there was at least one drowning during the period that began at 6 p.m. Friday and ended at midnight Sunday.

## U.N. Troops Trying to Stop Border Traffic

LEOPOLDVILLE, The Congo (UPI) — United Nations troops have occupied a Congolese-Angolan border town in an attempt to halt clandestine border traffic, a U.N. spokesman said Sunday.

The town is Dilolo, located on the Benguela Railway from Elisabethville to Lobito, Angola. The town had been untouched by U.N. forces since the January fighting which ended Katanga's secession.

Some reports indicated disbanded Katanga units, including white mercenaries, used the town as a crossing point into Angola.

Portuguese sources indicated the units joined gendarmic forces in Angola.

The U.N. spokesman said the troops in Dilolo established "friendly relations with the local population," and secured Dilolo Airport.

There was no indication whether this action is part of the dragnet operation to round up Katangese gendarmes still at large.

## 1.5 Million Farmers Eligible in Heated Controls Proposal

WASHINGTON (UPI) — Wheat farmers across the nation are expected to vote in record-breaking numbers Tuesday in a referendum on whether to accept President Kennedy's production control plan.

An estimated 1.5 million farmers will be eligible to vote on the issue that has generated more heat than a major political race in many farm areas. Agriculture Department officials said the turnout undoubtedly would set a new record.

Gray County farmers will have four voting places as they participate in tomorrow's national referendum on the 1964 Wheat Program as proposed by the Kennedy Administration.

The farmers will be voting on acreage allotments; marketing quotas and prices.

A two-thirds majority in the vote across the nation will be necessary to put the program into effect.

The four polling places in Gray County will be the ASC office just east of Pampa on the Miami Hwy., Grandview School at Grandview, Laketon Store, and the City Hall at McLean.

President Kennedy was expected to make another appeal for his controversial wheat proposal at a White House ceremony today when he signs the feed grain bill pushed through Congress last week.

**Crucial Test**

The President's theories on control of farm production face a crucial test in the wheat referendum. Democrats wanted him to sign the feed grain bill prior to the wheat vote for two reasons:

The feed grain bill activates provisions of another law under which—if wheat controls are accepted by farmers—producers could plant wheat on idle feed grain acres and vice-versa. This increased flexibility in planning farm acreage makes the wheat control program more attractive, administration officials feel.

Enactment of the feed bill means it cannot be used as a vehicle for new wheat legislation if wheat controls are rejected. Republicans have predicted that Congress would come up with a new wheat bill if the referendum failed.

The stakes in the wheat referendum are high. A two-thirds majority is needed for approval of the Kennedy plan. Defeat would be a heavy political blow to the President and Agriculture Secretary Orville L. Freeman.

## Racial Situation Tense in North As Well as South

Eleven integration demonstrators who tried to take up the freedom walk of a slain Baltimore postman were arrested near Gadsden, Ala., Sunday and wholesale arrests of integration-bent demonstrators continued in North Carolina.

Birmingham, where Negroes told of telephone threats of new bombings, remained tense but quiet under the watchful eye of 1,200 law enforcement officers.

Possible intensified racial activity loomed today at Selma, Ala., where a Negro leader called for a mass attempt at voter registration.

Integration activity was not confined to the South.

Some 2,000 persons gathered on the state capital lawn at Hartford, Conn., in a demonstration in support of integration leaders in Birmingham.

## Suspect Cleared Of Robbery of Pampa Tax Office

CANADIAN (Sp) — Edward Jack Bezek, the "tax office robber," who was sentenced to four years here last Saturday for the \$74 stolen from the Canadian Tax Office, today made restitution of the money, and also was cleared of the Pampa tax office theft.

Bezek, who had also received a four-year sentence in Jasper, where he was first captured in March, told News correspondent Ben Ezell, that he had also made restitution in Jasper. His four-year sentence in Canadian is to run concurrently with his sentence at Jasper.

Bezek, who will be sent on to Memphis for trial there on a similar charge, told Ezell that he also intended to make restitution there of the money he had stolen. He paid the Canadian sheriff's office from a thick book of \$100 traveler's checks.

Ezell asked if he intended to make restitution at all the places he had admitted robbing and Bezek said "if they let me free for a couple of days, I will."

### Dear Abby... Pitch Tents Near Nice, Modern Motel

By ABIGAIL VAN BUREN

DEAR ABBY: We've been married 16 years. For the past 15 years we have had a camping vacation every summer. I've camped while pregnant, and with children of all ages. We have four children now. The youngest is 2 and the oldest is 15. Our children would like to go to Disneyland. I don't care where we go as long as I don't have to sleep in a tent and go without a real bath for two weeks. What can I do? My husband claims this is the only way we can afford to go. He's now planning to buy another tent, which will cost \$110, plus other camping equipment. We already have enough to outfit the Boy Scouts of America. He earns over \$12,000 a year.

**SERVED MY CAMPING TIME**  
DEAR SERVED: Compromise. Camp near a nice, modern motel and YOU check in while your husband enjoys the wide open spaces. (Are you sure that before you married him, you never told him you'd "live in a tent"?)

DEAR ABBY: I had the girls over for bridge last evening. Two of them left together and the third one stayed a little longer. My husband was sitting in the den reading the newspaper. When it came time for her to go, she said she wanted to call a taxi. My husband said HE would drive her home. She said absolutely not, she wanted to take a taxi. I got to thinking, WHY wouldn't she let my husband drive her home? Should I worry?

**SUSPICIOUS**  
DEAR SUSPICIOUS: Yes — but not about your husband. What's bugging YOU?

DEAR ABBY: My sister is over 18 years old. She received a letter

space." Seaman said, "I doubt that we can find an astronaut who can improve on the performance of Gordon Cooper."

Cooper was asked what he thought the flight proved about man's role in space.

"I think we proved man is a pretty good backup system to all these automatic systems," he replied.

To other questions, Cooper said: "The horizon was always clear, both day and night" from his capsule.

"Flashing satellites" which he dropped from behind his capsule as a visual aid check "would be a good device to help on the nightside for a rendezvous in space between two orbiting capsules. He last saw the lights at a distance of about 17 or 18 miles from his position.

An "exercise device" in his Faith 7 took "almost as much exercise to get at it as to use it."

Has Tremendous View  
He said he first noticed the tremendous view as Faith 7 flashed over the Arabian Peninsula in the Middle East.

"I could see roads and rivers, and trucks on the roads. I saw a train with smoke coming out of it. I even saw a boat going down the river, and the wake behind it. But I couldn't see individual people."

He said he could see Dallas, Tex., and the area of the federal space agency headquarters in Houston.

"But I couldn't see my own house," he laughed. "They put up too many trees around it."

He said Red China "looked just like it looks on the map. I couldn't see anything but just a lot of country. Part of China was covered by broken clouds."

He said the "really beautiful view" however, was during three swings he made right over the snow-capped Himalaya Mountains between India and China.

## Sit-in Arrests, Fines Nullified by Supreme Court

WASHINGTON (UPI)—The Supreme Court today overruled the convictions of Negro sit-in demonstrators in several Southern states on grounds they were arrested under unconstitutional local segregation laws.

Nullified were the jail sentences and fines imposed on demonstrators in Greenville, S. C., Birmingham, Ala., Durham, N. C., and New Orleans, La.

It was the first time the court had ruled in a series of sit-in appeals which stemmed from arrests made throughout the South during the demonstrations there in 1960 and 1961.

The court used the Greenville case to hand down its landmark decision.

Justice Earl Warren declared in his majority opinion that 10 demonstrators there were wrongly convicted because the store manager had been forced to segregate his lunch counter because of a city ordinance.

Warren held that even if the manager had acted as an individual, the convictions were invalid because the local ordinance was on the books.

In quick succession then, the court overturned the following other sit-in convictions:

Trespass convictions of 10 Negroes in Birmingham.

The conviction of two ministers—the Revs. F. I. Shuttlesworth and Charles Billups—who were found guilty of having incited the demonstrators in Birmingham.

The trespass convictions of five Negro students and two white students for sit-ins at Durham, N. C. Criminal mischief convictions at New Orleans.

In the Greenville case, the court did not touch on the argument that store owners could maintain segregated facilities on private property.

is slated to be sent on to Big Lake, and then back to Florida on similar charges.

Pampa Chief of Police Jim Connor reported today that Bezek had definitely been cleared of the Pampa tax office theft of \$334.39 on Mar. 13 of this year. Bezek, who had admitted to the Jasper, Canadian and Memphis robberies, had steadfastly denied that he had committed the robberies at Pampa or in several South Texas cities where the modus operandi had been exactly the same.

Connor said that investigation proved the truth of Bezek's statement, that on the night of Mar. 12, he and his woman companion were in Milton, Fla., on Mar. 13 they were in Longview, Tex., and on March 14 were married in Tyler, so they could not possibly have been in Pampa on Mar. 13.

Two of the other cities robbed had been 250 miles apart with the robberies committed on the same day, at approximately the same time, so that it appears that another tax office burglar is still at large, reported the Pampa chief.

controls, said that defeat of the program would be a grass-roots signal to Congress to turn away from the basic Kennedy-Freeman "supply management" farm policy.

The feed grain bill extends into 1964 and 1965 a program which has been in effect in varying forms since 1951.

The measure provides: Price supports plus acreage - diversion payments to farmers who voluntarily cut acreage of corn, grain sorghum and barley below 1959 - 60 average levels whenever the secretary of agriculture decides acreage retirement is needed to head off surpluses.

Combination Possible  
Provisions under which, as in 1963, Freeman can offer price supports to "cooperators" through a combination of support loans and direct payments.

The bill provides that diversion payments can be made on up to 50 per cent of a farmer's 1959-60 base acreage. The payment rate on diverted acreage can be up to 50 per cent of the return a farmer would normally expect from the land.

## Services Held For F. E. Hoffman

Funeral services for F. E. (Shorty) Hoffman, 508 Hazel, were planned for 4 p.m. today in the First Methodist Church with Dr. H. H. Bratcher, pastor, officiating.

Mr. Hoffman died at 1 a.m. Sunday in Highland General Hospital. Born April 10, 1891 in Pierson, Iowa, Mr. Hoffman came to Pampa in 1927 from Douglas, Okla., where he had been reared.

He was married on Oct. 19, 1916 to Jessie McNaught, who survives. Mr. Hoffman was a member of the First Methodist Church; Men's Fellowship Club; Masonic Lodge 966; Knights Templar; a Scottish Rites Mason; member of the Khiva Shrine Temple, Amarillo; Pampa Shrine Club; and a long-time member of the Pampa Kiwanis Club.

Before retiring Dec. 31, 1955 from the Humble Oil Co. after 25 years service, he was employed as a consignee agent.

In addition to his wife, Jessie, he is survived by four sisters, Mrs. Fern Weldon of Enid, Okla.; Mrs. Phyllis Dishman of Stephenville, Mrs. Hope Peters of Monett, Mo.; Mrs. Lila Ponell of Douglas, Okla.; one brother, Harvey J. of Houston; and a nephew, Floyd Alan Wise of Pampa.

Masonic graveside rites will be held in Fairview Cemetery. The casket will not be open during the church service.

Palbearers will be Carlton Nance, Ben Ogden, Winfrey Maddox, S. L. Copeland, Frank Roach, and Fred Thompson.

## Three Arrested On DWI Charges

Teddy Arlington Martin of Pampa entered a plea of not guilty in county court this morning to a charge of driving while intoxicated.

Martin's bond was set at \$500 by County Judge Bill Craig.

In other court action this morning, James Russell Hosier, 37, of Dendard Ark. and Billy Bruce Cain, 35, of Amarillo both pled guilty to separate charges of driving while intoxicated.

Both men were fined \$100 and sentenced to three days in the county jail.

Hosier was arrested in the 100 block of S. Cuyler at 9:55 p.m. Sunday, by Patrolman C. L. Wallace. Cain was arrested after driving into a driveway at 1115 Ripley at 6:15 p.m. Saturday. He was arrested by officers C. L. Wallace and Loren Pigg.

## Last Russians Leave Viet Nam

VIETNAME, Laos. (UPI)—The last Russian troops and technicians for neutralist Gen. Kong Le's tiny air force were expected to leave Laos today, informed sources said.

The Russian pullout will leave Kong Le without parts for his nine World War II vintage transport and one helicopter. It is expected to ground the planes in a matter of weeks.

Informed sources said 60 of the Russians already have left. They came with a great fanfare last December, when Kong Le still was allied with the Communist Pathet Lao. Now, with neutralist air crews trained, the Russians have a reason to leave.

Observers said their pullout is another sign that the Russians are resigned to virtual surrender of their influence in Laos to Communist China and North Viet Nam. The more militant tactics of these Asian Communists are believed behind the Pathet Lao attacks on its former neutralist allies.

Caribou are the chief source of livelihood for the nomadic Eskimos of Alaska.

## TREA Prexy To Speak to Realtors Here

A. B. Beddow of Austin, 1963 president of the Texas Real Estate Association, will be principal speaker at a meeting of the Pampa Real Estate Board in the Court House Cafe at a luncheon meeting Tuesday. Ervin W. Luedtke of Austin, executive vice president of the 7000-member state Realtor organization, will visit the meeting with Beddow and discuss TREA services and projects.

The Texas Realtors' leader served TREA as a vice president in 1962, treasurer in 1961, district governor in 1960, and secretary-treasurer in 1957. He has served twice as president of his local Austin-Real Estate Board and as a director for six terms. Mr. Beddow is a member of the Board of Directors of the National Association of Real Estate Boards and of NAREB's State Associations Committee.

## ToT Rodeo Dates Set Aug. 21-24

The Top O' Texas Rodeo will be held this year on Aug. 21, 22, 23, and 24, officials of the rodeo association announced today.

The RCA-sponsored, four day event will bring to Pampa some of the nation's top cowboys and cowgirls for competition in bronc riding and steer roping.

Stock for the rodeo will again be furnished by Buetler Brothers of Elk City, Okla.

## Highline Fire

The Pampa Fire Department reported that a highline fire occurred at the Rodeo Grounds yesterday at 6:05 p.m. when the wind blew several wires together and caused a short circuit. The top of the pole was burned off.

# Dodgers Within 1 Game of Top

By MILTON RICHMAN  
UPI Sports Writer

All those crepe-langers who where so sure Walt Alton was about to lose his job can march to the blackboard and write 100 times: "How wrong can anyone be?"

Alton's job as manager of the Los Angeles Dodgers was regarded so precarious two weeks ago that owner Walter O'Malley broke a long silence by giving him a vote of confidence.

Ordinarily, such verbal pats on the back too often turn out to be the kiss of death but at the spectacular clip Alton has the Dodgers going now he's even in a position to throw a few votes O'Malley's way.

At long last, the Dodgers look like the club everyone felt they could be but never really were since 1959 when they won their last National League pennant.

**Close In On Giants**  
They have won 8 in a row, 9 of their last 10 and have jumped from seventh place to within one game of the first-place San Francisco Giants. They also were the only major league club to sweep a

doubleheader Sunday when they beat the New York Mets, 1-0 and 4-2 in 13 innings.

Southpaw Sandy Koufax rolled to his sixth victory with a two-hitter in the opener and Frank Howard cracked his seventh homer with one man aboard in the 13th inning of the nightcap.

Ron Hunt's fourth inning single and a sixth inning infield single by losing pitcher Roger Craig were the only hits off Koufax in the first game, which really was decided in the first inning when Tommy Davis' sacrifice fly accounted for the only run of the contest.

Ron Perranoski blanked the Mets on four hits over the last seven innings to register his sixth win in the nightcap. Howard's homer dealt the first loss of the season to Ken MacKenzie, who had relieved Met starter Al Jackson in the 12th.

**Phils, Giants Split**  
The Philadelphia Phillies downed the Chicago Cubs, 6-3. The Giants, 3-0, in the first of their two games but San Francisco Cardinals defeated the St. Louis Cardinals, 10-6, the Pittsburgh Pirates thumped the Houston Colts, 5-0, and Chicago and Milwaukee split a doubleheader, with the Cubs winning the opener, 3-2, and the Braves the finale, 8-2.

**Alou Breaks Slumps**  
Cal McLish limited the Giants to five hits to gain his second victory for the Phillies in the opener. Tony Gonzalez clipped loser Jack Fisher for a pair of doubles, the first of which drove in the Phils' first run.

Felipe Alou came out of a 1-for-31 slump with a ninth inning homer that broke up a 5-5 tie and brought reliever Bob Bolin his second victory. Ed Bailey also homered for the Giants while Roy Sievers and Clay Daryle connected for the Phils.

The Reds rapped Bob Gibson for all 10 of their runs during the six innings he worked for the Cardinals. Jerry Lynch and Frank Robinson each knocked in three runs as Joe Nuxhall picked up his third victory and went the distance despite allowing 15 hits.

Bob Friend and Bill Mazeroski paced the Pirates to their victory over the Colts, with Friend blanking Houston on nine hits for his fourth win and Mazeroski driving in three runs on two singles. The loser was Dick Farrell, whose record now is 4-4.

Dick Ellsworth profited by a three-run Cub rally in the first inning to register his fifth victory in the opener with the Braves. Lew Burdette (3-5) was the loser even though Hank Aaron connected for his 13th homer.

Warren Spahn, still going strong at 42, won his sixth game in the nightcap even though tagged for 11 hits, including Jim Schaffer's homer. Eddie Mathews hit his sixth homer and drove in three runs.

**Mickey Wins Civitan Open**

MUSKOGEE, Okla. (UPI)—Mickey Wright picked up her fourth win in seven tournaments Sunday by winning the \$9,000 Muskogee Civitan Open with a 285.

The other half of the tour's "big two," Marilyn Smith, was second with a 293. She was hit with a controversial penalty for slow play Saturday.

Miss Wright and Miss Smith were tied at the end of the third round when the pros' tournament committee penalized Miss Smith two strokes for failing to maintain her position, the first time such a punishment has been dealt on the women's tour.

The complaint against Miss Smith was filed by Miss Wright, president of the Ladies Professional Golfers Association.

Miss Smith, who only last week had a suspension and fine lifted for the same offenses at the St. Petersburg, Fla., Open, Sunday raced through 18 holes. Her three-some and that of Miss Wright, the last two groups on the course, played the round in 3 hours and 50 minutes.

The accelerated pace didn't hurt Miss Wright's game. She fired a 68, equalling Marlene Hagge's course record set last year. The 285 bettered the winning 290 shot last year by Patty Berg, now out with an injured hand.

Shirley Englehorn turned in her best round of the year, a 72, giving her third place with a 294, one stroke back of Miss Smith who had a 74 Sunday.

**LARRUPIN' LIONS** — Front row, left to right: "Monkey" McDonald, Corky Dodd, Dickie Henley, Ronald Heasley, Shelton Moore, Phillip Savage. ## No Rest In Sight For Candy Spots

BALTIMORE (UPI)—There's no rest in sight for Candy Spots, the hero of the Preakness.

The California speedster will make his next start in the \$100,000 added Jersey Derby at Garden State Park on Memorial Day and then is expected to run into his old rivals, Chateaugay and Never Bend, in the Belmont Stakes at Aqueduct, June 8.

Candy Spots came out of the Preakness, in which he ran away from Chateaugay and Never Bend in the stretch, in fine fettle, according to trainer Mesh Tenney.

"He's fine now and achin' to run, and we surely want to run him," said Tenney while discounting any idea that his colt would be over-raced if he enters him in the Jersey Derby and the Belmont without a respite.

Tenney did admit, though, that for one brief moment in Saturday's Preakness he thought Chateaugay would "smother" Candy Spots in the stretch just as he did in the Kentucky Derby.

"That would have to alert anybody," he said of the strong bid made by Chateaugay on the final turn, a bid that carried the Darby Dan colt back in the pack to within a length of Candy Spots, who had taken over the lead from Never Bend.

"When he made as good a move as that it looked like the Derby all over again. He was running so well I wondered," said Tenney, whose doubts were dispelled a moment later.

It was then that jockey Willie Shoemaker lashed Candy Spots several times with the whip and the 87th Preakness was all over. For an eighth of a mile in the stretch—Chateaugay gallantly managed to keep within striking distance of victory but in the last half of the stretch Candy Spots pulled away to win by three and one-half lengths.

Never Bend, which once again tried to stay in front all the way just as he had at Louisville, faded back to third, beaten a total of eight lengths.

**Fairfield Set For Memphis**

OKLAHOMA CITY (UPI)—Don Fairfield, who thinks he has regained his "putting touch" with a new stance and has the biggest check he has ever won to back it up, heads for the Memphis Open today, hoping to make it two in a row.

Fairfield chalked up his first tour victory in almost three years when he captured the \$35,000 Oklahoma City Open with a 72-hole total of 280 Sunday, giving him a one-stroke edge over fast-finishing Julius Boros.

Fairfield, 33, Perdido Bay, Fla., finished with a 3-under-par 69 for the \$5,300 check, which was the biggest single payoff in his career.

Boros, seeking to duplicate last week's Colonial Invitational win, collected \$3,400 for his second place finish.

Former PGA champion Dow Finsterwald came in third Sunday when he shot a 70 for a 282. Next at 283 came Miller Barber and Frank Beard.

Tied at 284 were Fred Hawkins, Bruce Crampton, Bob Goalby and host pro Ernie Vossler.

56TH YEAR MONDAY, MAY 20, 1963 5

## Sports Parade

By OSCAR FRALEY  
UPI Sports Writer

NEW YORK (UPI)—They'll turn back the clock a matter of 50 years at the Country Club in Brookline, Mass., next month. The year was 1913.

Woodrow Wilson was president. Franklin D. Roosevelt was assistant secretary of the Navy. Jack Johnson was heavyweight champion of the world. Jules Goux just had won the Indianapolis 500 mile auto race at an average speed of 75 miles per hour.

And a 20-year-old ex-caddy named Francis Ouimet put golf on page one for the first time when he defeated two of England's greatest, Harry Vardon and Ted Ray, in a playoff for the U.S. Open golf championship. Now, 50 years later, there will be a reunion at that same site when the 63rd Open is held June 20-22.

Ouimet, a successful broker, will be on hand and there is talk of his hitting the opening drive off the first tee.

**Caddy To Attend**  
Eddie Lowery, who was Ouimet's 10-year-old caddy and went on to become a wealthy automobile dealer in San Francisco, will be there.

And so too will George Pletzker who still is fit enough to walk to Boston.

There also will be an attempt to have on hand a fellow who was born only a few hundred yards away from the country club, although that event still was four years from occurring. A man named John Fitzgerald Kennedy.

Ouimet, too, was born just across the street from the club. He caddied there as a boy and it seemed too improbable that he should be able to beat the immortal Vardon and the mighty Ray right there in his own backyard.

The British players didn't believe it could happen, either. Those were the days when caddies received 50 cents for a championship round, compared with the \$10 now in effect. And instead of wheeling into the parking lot in high powered automobiles, they took a horse and buggy to the train station for 25 cents.

The three had tied at 304 in a violent rainstorm.

**Weren't Concerned**  
Vardon and Ray, who were touring the United States together, hired a buggy to visit a nearby restaurant that night and obviously weren't too concerned about Ouimet but rather as to which one of them would win the next day's playoff.

"That 20-year-old Ouimet looks like the best player in the United States," someone remarked.

"We are more interested," Vardon replied almost tartly, "in where we can get the best steak dinner."

But the ignored youngster shook them both up the next day when he fired an even par 72 to run off with the championship. Vardon trailed him by five shots with a 77 and Ray was another stroke back at 78.

Thus did Ouimet become the first amateur to win the Open and the romance of his rag-to-riches feat gave golf its greatest shot in the arm.

# Five Teams In Tangle For Top

By MILTON RICHMAN  
UPI Sports Writer

To get the feel of the American League race today, try squeezing five into a telephone booth.

That's exactly the same situation presently existing in Joe Cronin's circuit where a mere half-game separates the first five clubs and where the standings look this way:

W. L.	Pct.	GB	
Boston	19 13	.594	
Chicago	21 15	.583	
Baltimore	21 15	.583	
New York	18 13	.581	1/2
Kansas City	20 15	.571	1/2

The log-jam wasn't helped any Sunday when four doubleheaders ended in splits and none of the leaders could make the least bit of headway against any of the others.

The Red Sox had an opportunity to widen their slender percentage-points lead after clipping the A's, 7-3, in the first game of a doubleheader but lost the nightcap, 9-7.

Baltimore won the opener from Chicago, 4-3, then lost a 10-inning nightcap by the same score; the Los Angeles Angels beat the Yankees, 6-2, but dropped the second game, 10-4; Cleveland defeated

Minnesota, 6-4, and lost the finale, 7-6, and the Detroit Tigers winged the Washington Senators, 5-1, in a single game.

Frank Malzone, drove in five runs in the Red Sox-Athletics opener with two homers and a single that paved the way for Bill Monbouquette's fourth victory. KC reliever Bill Fischer scored his sixth straight victory without a defeat in the nightcap as George Alusik and Ed Charles each hit two-run homers.

Robin Roberts struck out the 2,000th batter of his major league career in the Orioles' opening game victory over the White Sox. His victim was Juan Pizarro, who suffered his first loss following three straight victories. Roberts allowed five hits in bringing his record to 2-4.

Ray Herbert's string of scoreless innings ended at 38 when Oriole catcher John Orsino hit the first of his two homers in the third inning of the second game. Orsino also singled home the tying run in the ninth but Pete Ward's triple won the game for the White Sox in the 10th. Jim Brosnan, recently acquired from the Reds, was credited with his first AL triumph.

Albie Pearson's three-run homer and another two-run blast by rookie Bob Perry eased the way for Ken McBride's first game victory over the Yankees. The Angel right-hander now has registered two of his season's three triumphs over the world champs and has beaten them five straight times.

They combed Bo Belinsky for eight runs in the first two innings of the nightcap, however, enabling Ralph Terry to coast to his fourth victory. Cleve Boyer homered for the Yankees and Leon Wagner belted his 11th for the Angels.

Lenny Green's two-run homer in the ninth inning of the second game powered the Twins to their second game win after Pedro Ramos scored his second victory in the opener. Joe Adcock drove in all six of Cleveland's runs in the nightcap with two homers and a single but Ray Moore, third of five Twin pitchers, gained his first victory.

Ramos singled home to runs in the opener and went 8-2-3 innings despite homers by Zoilo Versalles, Jimmy Hall and Earl Battey. Rookie Bill Faul, scored his first major league victory for the Tigers with a three-hitter over the Senators. The Tigers provided him with all the support he needed when they rallied for three runs in the fifth with the aid of Bill Bruton's double and Al Kaline's sixth homer. Bruton had four doubles in five trips to pace Detroit's 11-hit attack on loser Dave Stenhouse and two Washington relievers.

Davis never got a chance to play with the Browns after he learned he was afflicted with leukemia last July. He kept in training and watched game movies during the fall season. He had hoped to be able to return to the game when he seemed to be making headway against the disease.
