Airliner Crash May Have Been Result of Blast

STE. THERESE, Que. (UPI) — Police Saturday investigated the possibility that an explosion might have caused the crash of a Trans-Canada Air Lines (TCA) DC 8 jetliner in a storm, killing all 118 persons aboard.

Investigators slogged through a snow-coated quagmire trying to piece together details of Canada's worst air tragedy. But they would not even reply to questions of whether a bomb might have been aboard the

big American-built jet, which was just five minutes out of the Montreal International Airport Friday night when the crash occurred.

Two of the 111 passengers Americans, both from the New York City area. Seven crewmen also died in the crash 20 miles north of Montreal.

The U.S. citizens were identified as Mrs. S. Hankosky of Port Washington, N.Y., and R. Kerne of Brooklyn.

Explosive Force
The plane crashed with explosive force in a muddy field during a driving rainstorm.

Investigators said no piece of the wreckage was bigger than an ordinary office desk.

The disaster was the second worst in the history of commercial aviation involving a single plane.

TCA officials challenged the theory that the plane exploded in flight but this possibility was undergoing investigation by police because of the extreme fragmentation. There also was the possibility of explosive depressurization.

Experts Lead Investigation
Experts from both the Canadian and U.S. governments led the investigation, made doubly difficult by deep mud and the sudden onslaught this morning of the season's first heavy snowfall.

Among them were two specialists from the U.S. Civil Aeronautics Board (CAB) — George R. Baker, flight operations expert and pilot-engineer Jack Sanborn.

Statements from several persons living near the crash scene indicated the jetliner might have exploded in flight. But airline officials in their preliminary reports claimed the plane hit the ground, broke in two, then disintegrated.

The plane was en route to Toronto when it slammed into the mucky field.

New President Expects Economy And Prudence

WASHINGTON (UPI) — President Johnson notified all government department and agency heads Saturday that he will expect their help in carrying out the pledge of "prudence and economy" he made to Congress.

He asked them to submit proposals to cut extravagance and save money next year.

The President said in a memorandum that "public faith in government is strongly influenced by confidence that public servants are alert and efficient in conserving the nation's resources entrusted to their care."

Underscores "Personal"

"For this reason, we must work hard to reduce the costs of government, not only for the sake of the savings to be made, but also in the interest of vindicating the people's confidence in the institutions of democracy," Johnson wrote.

He instructed the top ranks of federal departments and agencies that he wants them "to assume personal day-to-day responsibility for making your agency a model of good management and economical administration."

Johnson underscored the word "personal."

Calls Upon Officials

The President called upon officials to press ahead vigorously with manpower control and utilization programs developed in response to a directive by the late President John F. Kennedy Oct. 11, 1962.

He told the department and agency heads to hold employment "at or below the personnel target" established in response to President Kennedy's statement to the Cabinet of Sept. 23, 1963.

LBJ Panel Quietly Starts Inquiry in Assassination

Threats by Reds Fail In Caracas

CARACAS, Venezuela (UPI) — Venezuelans Saturday defied a terrorist-imposed curfew designed to sabotage Sunday's presidential elections. Threats by the pro-Castro Armed Forces of National Liberation (FALN) to kill anyone on the streets fell flat.

The government placed ar- forces on duty to protect the more than 3-million Venezuelans expected to vote Sunday in the nation's second free election in history.

The FALN, which has launched a reign of terror in the streets of Caracas in recent weeks, vowed to force postponement or cancellation of the elections — a goal set for them in Havana broadcasts by Cuban Premier Fidel Castro.

Colonel Still Held

But Friday night's arrest of Sen. Domingo A. Rangel, one of the nation's two most wanted terrorists, appeared to break the back, at least for the time being, of the FALN campaign of threats and violence.

The FALN still held a hold card, however, in the person of Col. James K. Chenuit, the U.S. Army officer kidnaped by terrorists last Wednesday. He remained in the hands of FALN Saturday in what the terrorist group described as "a propaganda gesture."

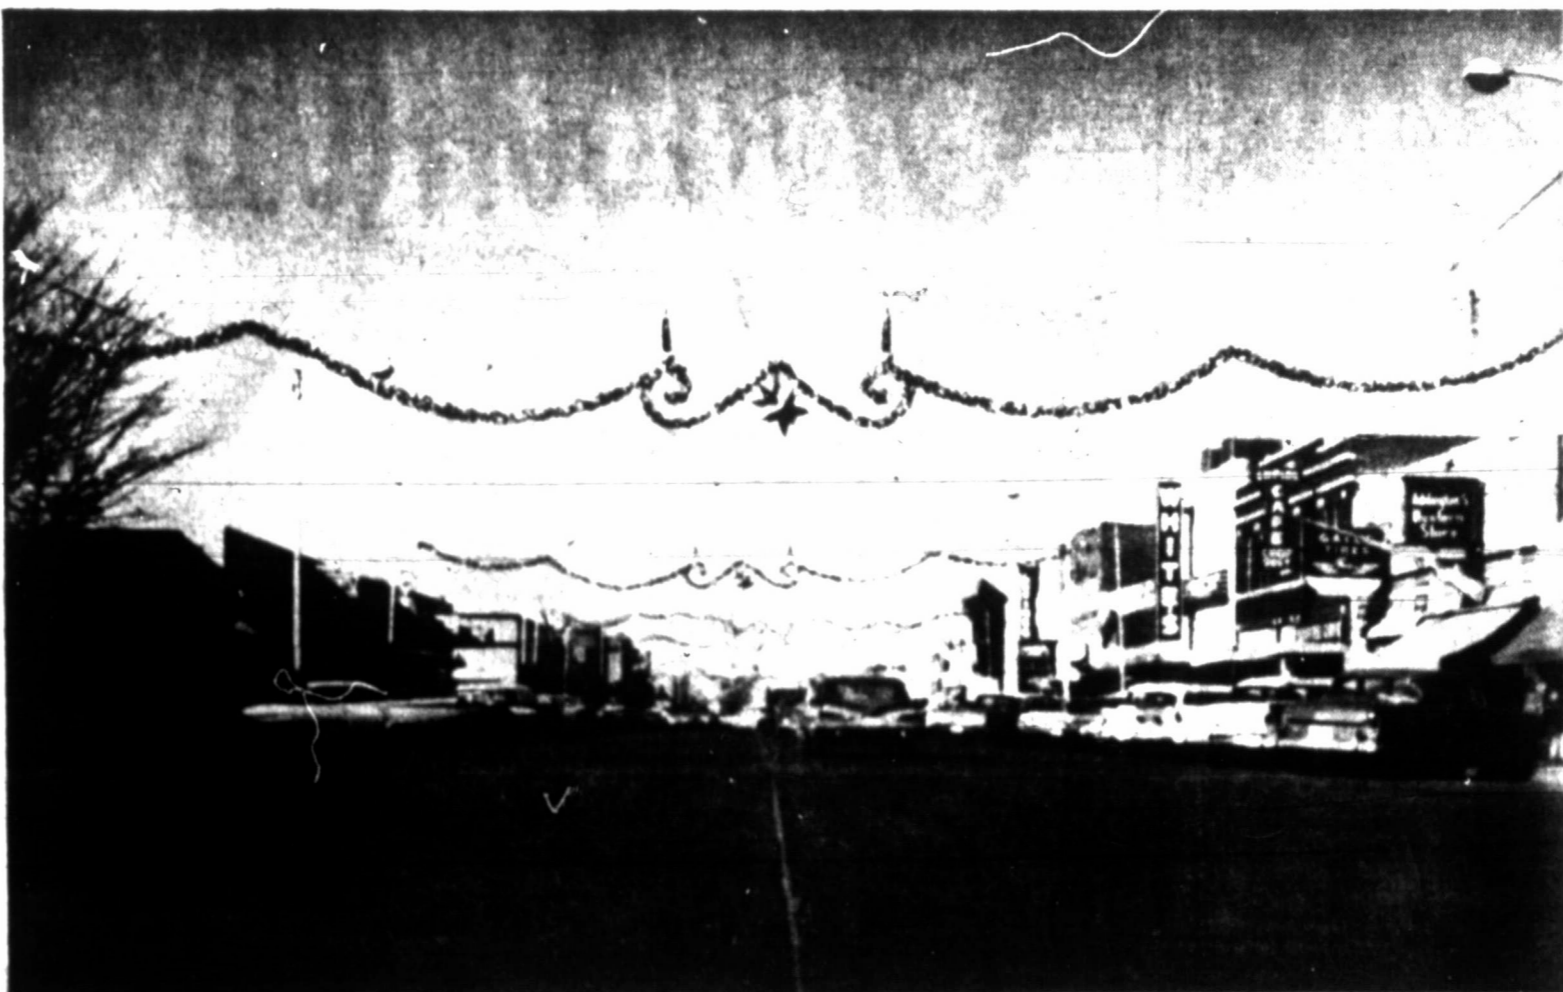

Three Bombs

There was some sporadic FALN violence Friday night. An electric transformer was dynamited here, and three nose bombs were detonated in Maracaibo — center of Venezuela's booming oil industry.

The front-runner among the seven candidates for president appeared to be Raul Leoni, a veteran 58-year-old politician whose Accion Democratic party is headed by incumbent President Romulo Betancourt, who cannot succeed himself as chief executive.

The government has stricken all Communist candidates from the ballot.

If it comes from a hardware store we have it. Lewis Hdw. (Adv.)

YULE PREPARATIONS — Pampa's streets glisten with \$6,500 worth of Christmas decorations purchased new this year to add cheer to the Yule season. Photograph was taken looking north on Cuyler St. (Daily News Photo)

Pampa Decorates for Christmas, Anticipates Visit of Santa Claus

Pampa is ready for the Christmas Season. The Pampa Jaycees have decorated the downtown area with all new decorations that cost \$6,500. The Business and Professional Women's Club, under the direction of Mrs. Mabel Ford solicited funds to defray costs.

Santa comes to Pampa Thursday. A Santa Day Parade will start at 4 p.m. from Cuyler and Craven Sts. The parade will move north through the business district. Jaycees are in charge.

Three Bands

Three bands from the public school system and a number of organizational entries are scheduled for the parade. According to Bennie Shackelford, parade chairman, at least 10 floats will be entered.

All organizations that have not entered floats are urged to do so. There is no restriction on parade entries other than they must relate to Christmas.

Pampa merchants expect 4,000 or more children to watch the

parade. Santa will have candy for all of them.

Santa will return Dec. 13 and 14 with his giant rocket sleigh, which hauled 10,000 children through the streets of Pampa last year and has a crew of five.

It includes two drivers, two stewardesses and Santa. The sleigh is complete with music, lights and heated.

Nativity Scene

Stops for the sleigh will be announced by Duggan Smith, chairman of the Chamber merchants activities committee early Tuesday or Wednesday. Ten-

tatively, the sleigh route is from Hobart and Highway 60 to Browning and Cuyler. There will be stops all along the way.

Dec. 18, Pampa lights the nativity scene that attracted thousands from the Top of Texas last year. The scene is to be set up in Central Park under the direction of Jiggs Cook. This observance was begun in Pampa in 1947.

The Chamber says Pampa retail stores will be open until 9 p.m. for late shopping Dec. 12 through Dec. 23. They will close as usual on Christmas Eve.

SHOPPING DAYS TO CHRISTMAS

SHOP FOR GIFTS IN OUR AD PAGES

Churchill Notes 89th Birthday

LONDON (UPI) — Sir Winston Churchill celebrated his 89th birthday Saturday with a big black cigar, a 19½ pound cake laced with brandy and a smiling wave for a crowd of well-wishers who gathered outside his Hyde Park home.

The wartime prime minister, dressed in a green smoking jacket and a natty polka dot bow tie, stood in front of a window for two minutes while hundreds of Britons cheered and wished him many happy returns of the day.

K Predicted to Seek Peace Continuation

LONDON (UPI) — Premier Nikita S. Khrushchev will use the Soviet Communist party meeting in Moscow early next month as the platform for a major post-Kennedy policy statement. Communist diplomatic sources here predicted Saturday.

Khrushchev is expected to underline the need for continued peaceful co-existence between East and West and link it with an indirect appeal to President Johnson to carry on with the thaw of the cold war, they indicated.

The party plenum in Moscow originally was called primarily

to discuss the projected build-up of the Soviet Union's chemical industry and to push an ambitious program for fertilizer production to improve lagging agriculture.

But the London sources said Khrushchev planned to take the opportunity for a sweeping policy outline with emphasis on East-West relationship.

He was said to be "anxious" about America's future course following the assassination of President Kennedy and wants more concrete indications from Washington that the White House will continue to develop East-West contacts.

Khrushchev is heavily committed to the peace probe, even though he has given no indication that he wants, for the present, to achieve major new agreements with the West.

He has offered no specific course of action in the first high level contacts that followed the death of Kennedy.

In Washington his chief trouble-shooter, First Deputy Premier Anastas Mikoyan last week urged Johnson to "continue the search" for a settlement of East-West disputes.

Tower Releases Facts On Letter by Oswald

Texas Senator John Tower Saturday released a statement from his Washington office in which he set forth facts to disprove implications that he had assisted the return of Lee Harvey Oswald from Russia to the United States.

"Nothing could be further from the truth," Senator Tower said.

The senator's full statement: "Because of widespread misinterpretation of the facts surrounding the case of Lee Harvey Oswald, I would like to make the following statement so that the record might be kept straight and so that the public might be given the proper perspective.

The facts of the matter are as follows: "My office received a letter

from Mr. Oswald in January of 1962, stating that he was a citizen of the United States being held against his wishes in the Soviet Union.

My office forwarded the letter to the State Department for analysis, as is customary, with the following statement: "I do not know Mr. Oswald, or any of the facts concerning his reasons for visiting the Soviet Union, nor what action, if any, this government can or should take on his behalf."

The State Department returned my letter, again as is customary, with copies of its own previous correspondence dealing with Oswald. This included letters to and from the American Embassy. The State Department informed my office, in February of 1962, that Mr.

"I hope that the picture which develops will be drawn sharp and clear. I hope that it will be made plain for all to see, and that it can be made understandable to our friends and enemies around the world," Ellender said in a radio report to his constituents.

An early task of the commission will be to arrange with Hoover to get the FBI report on the assassination and its aftermath, a separate inquiry ordered earlier by Johnson. A Justice Department spokesman said that report is still being prepared and will go to the White House as soon as it is completed, possibly next week.

SCRAMBLES — Mrs. Jacqueline Kennedy scrambles onto the back of the car as her husband, President John F. Kennedy, is mortally wounded by an assassin's bullet during a motorcade in Dallas, Nov. 22. Traffic Toll Remains Low

By United Press International
The nation's Thanksgiving weekend traffic death toll passed the 300 mark Saturday, but the pace was running behind that for a normal November weekend.

The worst hours of the long holiday weekend were yet to come. There were the usual jammed roads caused by Saturday football crowds, and dangerous Sunday evening hours when families returned home from weekend visits.

The latest United Press International count showed at least 308 persons killed in traffic since the Thanksgiving weekend began at 6 p.m. Wednesday. The holiday period ends at midnight Sunday.

The breakdown:
Traffic 308
Fires 12
Planes 11
Miscellaneous 45
Total 376

Soviets Give FBI Files on Oswald

WASHINGTON (UPI) — The Soviet Embassy Saturday turned over Russian consular files on Lee Harvey Oswald, accused assassin of President John F. Kennedy, to the State Department.

The files, presumably containing information on Oswald's unsuccessful application for Soviet citizenship in 1959, were immediately delivered to the FBI to aid its investigation of subsequent slaying.

(See TOWER, Page 3)

Tower Says Oswald Product of Marxism

WASHINGTON, D.C. (SpI) — Senator John Tower (R-Texas) Saturday again expressed his deep sense of grief over the tragic death of President John F. Kennedy, and pledged his support for President Johnson in all things affecting the peace and security of the Nation. At the same time, Senator Tower asked the Nation to rally at this time of national crisis and to place both the events of the past week and our position in the world in proper perspective. Tower said that "there are those in our society who were quick to blame all Texans, to blame the people of Dallas, in fact, to blame everyone in the nation including themselves, for the murder of our President." "They have said, and, in fact, are still saying, that there is something wrong in our society that breeds men like Lee Harvey Oswald. These people overlook the simple fact, or they refuse to admit the simple fact, that Lee Harvey Oswald was not fashioned by our society. His mind was in fact fashioned by the propaganda of Marx, an atheist who laid the foundations for Communism. He rejected everything our society stood for. He even renounced his American citizenship in moving to Russia, and expressed his loyalty to the Soviet Union. As a matter of fact, I, myself, refused to assist him to get back into this country from the Soviet Union because he had rejected our society. So how can we blame our society for his evil deed committed against our society?" "This sort of twisted thinking is tantamount to blaming the police for the lawlessness that goes on in our Nation and in the world."

Tower Releases Statement

Oswald had sworn to an affidavit, on Nov. 2, 1959, that he owed his allegiance to the Soviet Socialist Republic and had asked that his U. S. citizenship be revoked. "Given that information, I closed the case. I had no intention of interceding in behalf of anyone who had renounced his American citizenship and sworn allegiance to the Soviet Union. As far as I was concerned, he could stay in the Soviet Union forever. In fact, as far as I knew, he was still in the Soviet Union. Needless to say, I, along with all other Americans, wish he were still in the Soviet Union. "The State Department has never notified my office of any final disposition in the case, and I never again inquired as to the status of Lee Harvey Oswald. "I made my entire file on the case open to newsmen because I realized it was an historical document and the information should become the property of all the American people. But because of many factors, not the least of which was possible space limitations, some of the actual facts surrounding the case have been omitted in final

Governor Names Appointees to Oil Committee

AUSTIN (UPI) — Gov. John Connally Saturday announced these appointments to six standing committees of the Interstate Oil compact commission from Texas: Engineering committee — George F. Singletary Jr., Austin; Bryan D. Beck Jr., Beaumont; Ben H. Caudle, University of Texas; John H. Murrell, Dallas; Roy Durst, Fort Worth; Roy Berry, Houston.

Legal committee — Railroad Commissioner Jim Langdon; John F. Sutton Jr., University of Texas; Harry G. Dippel, Houston; Charles B. Wallace, Dallas; Robert C. McGinnis, Austin; Ira Butler, Fort Worth; J. Avery Rush Jr., Amarillo; R. E. Hardwicke, Fort Worth; F. H. Pannill, Midland; Fred Young, Austin; Kenneth Woodward, University of Texas.

Public lands committee — Larry Temple, Austin; Claude Fleet, Fort Worth; Hamilton Rogers, Fort Worth.

Regulatory practices committee — Railroad Commissioner Ben Ramsey; Arthur H. Barbeck and Emmett S. Redford, Austin; S. F. Homesley, Houston; A. R. Ballous, Dallas; Jim Russell, Abilene.

Research committee — Mac L. Coker, Austin; Dr. Claude R. Hocutt, Houston; Paul B. Crawford, Texas A&M University; I. H. Silberberg, University of Texas.

Secondary recovery and pressure maintenance committee — Bob R. Harris, Austin; Robert L. Whiting, Texas A&M; Bill Tindall, Abilene; J. R. Butler, Houston; George Buckles, Monahans.

Pampan Gets Commendation Medal for Meritorious Duty

James R. Goff Jr. of Pampa has been awarded the Army Commendation Medal for meritorious service while with the 3rd Infantry at Fort Myer. Word was received by Goff last week. The citation reads in part: "Throughout the indicated period Sergeant Goff's outstanding performance of duty was consistently characterized by keen judgment, initiative, and high personal standards of achievement. As a member of the Old Guard File and Drum Corps Sergeant Goff served not only as an outstanding musician but as a drill master and drum major. As drum major, Sergeant Goff was responsible for the musical training of the corps at ceremonies. Particularly noteworthy was his contribution to the unit in composing the musical arrangements and then planning and participating in the White House state dinner for the king and queen of Afghanistan."

Boy, 14, Admits Scooter Theft

Police Saturday obtained a confession from a 14-year-old Pampa boy following the theft of a motor scooter belonging to Luther R. Brumfield, 113 S. Sumner. The scooter was taken from its parking place in the 100-block of W. Foster St. where it had been left by Brumfield at 7 p.m. Friday. It was recovered shortly after 9 p.m. by Patrolman Charles Lefever who observed the youth riding it in the 300-block of N. Sumner St. Police said the youth, who was turned over to Juvenile Officer William Leonard, has been in trouble before in connection with the theft of motor scooters.

Scouts Eligible For Atom Badges

The Adobe Walls Council, Boy Scouts of America, with headquarters at Pampa, Texas, announced today that all Second and First Class Boy Scouts and Explorers are now eligible to earn the Atomic Energy merit badge — the 105th in the series. Dr. Glenn T. Seaborg, chairman of the Atomic Energy Commission, himself a former Life Scout with 25 merit badges, took part in a ceremony in New York when he honored 34 Boy Scouts and Explorers of four states who were the first to qualify for the new merit badge. Irving Feist, of Newark, N.J., international commissioner of the Boy Scouts of America, read the names of the 34 recipients in a ceremony witnessed by members of the American Nuclear Society and the Atomic Industrial Forum at a special session of their joint annual meeting.

Kiwanis International Asks Reaffirmation of Heritage

Kiwanis International has gone on record as opposing "further attempts, however well intentioned, which tend to deny our national and personal trust in God, or to remove God from the corporate body of our government," according to Malcolm Douglass, president of the Pampa Kiwanis Club. Douglass said top leaders of the big international service organization, meeting in Chicago, formally passed a resolution calling on the President and the Congress not only to stop denial of religious expression, but "to reaffirm recognition of the spiritual heritage of this nation and its people."

Word of the resolution's passage was announced by Charles A. Swain, Cape May, N.J., president of Kiwanis International. He characterized passage of the resolution at this time as being in keeping with the spirit of Thanksgiving, an historically American celebration epitomizing this nation's fundamental belief in God. Swain represents an organization of 260,000 business and professional men in 5,200 clubs in countries of the Western Hemisphere and Western Europe. The resolution asks that recognition of the nation's spiritual heritage be reaffirmed because of "certain individuals and groups seeking to deny the dependence of this nation and its people on God have embarked on campaigns to effect removal of 'Under God' from the Pledge of Allegiance and 'In God We Trust' from our coinage."

High Winds Halt Display of Flag

Dr. Bob Syper, Kiwanis adviser to the Key Club, reported Saturday that high winds on Thanksgiving forced the club to remove the flags in the downtown area.

Rising wind at mid-morning had broken many flagpoles and it became evident many others would break, Syper said. Plans are now being discussed to obtain unbreakable type poles for future use.

Charges Filed in Bogus Bill Case

HOUSTON (UPI) — Secret Service agents in Houston have seized more than \$10,000 in counterfeit money and filed counterfeit charges against Walter Wheeler, a 21-year-old printer. Agents said no one else was involved. Nine or 10 crude \$10 bills were passed in Houston before Wheeler was arrested.

SOUNDS OF THUNDER
NEW YORK (UPI) — Patients who wear hearing aids are apt to hear crackling noises during thunderstorms, it was reported in the "British Medical Journal."

Center Wrap-Up

George Smith, Director
Pampa Youth and Community Center

Beginners and advanced beginner swim classes were off to a big splash Monday. The Center would like to remind the public that the pool water is heated and the pool room is heated. Parents should not hold back their children from enrolling because of any change in temperature outside. Pampans can enjoy swimming the year round at the Pampa Youth and Community Center.

Dec. 16 the center will start teaching intermediates and swimmer classes. Intermediates will meet at 4 p.m. and swimmers at 5. Those who have passed any advanced beginner swim course may enroll in the intermediates class. Those who have passed any intermediate class may enroll in the swimmer class.

Parents are reminded that children do not have to be center members, although it is desired. Children may pay the instructional fee of \$2 per course and enroll. Center members are enrolled free of charge.

Christmas is just around the corner and Santa Claus might be looking for a gift this year which is different. Why not buy a center membership for son or daughter, grandson or granddaughter or better still the whole family. Activities are available for every age. They include basketball, volleyball, badminton, shuffleboard, Trampoline, ping pong, weights, tumbling, wrestling, chess, dominoes, checkers, swimming, swim classes and pool just to name a few.

The schedule is planned to meet the requirements and convenience of the various age groups. The center activities for young people are scheduled immediately after school up until

around 7 p.m. when adult activities take over and last until 10 p.m.

On the week ends, this period of time is open to every age group. There is space for many people in our new gym, swimming pool and recreation hall. On Thursday nights there is a family swim from 7-8. No one is allowed to swim unless they are with the family.

The ladies beginner swim class will start Dec. 12. Seven have enrolled and others are anticipated. Classes will meet on Thursdays from 3-4 p.m. for six weeks. This class is strictly a beginners class so those who know how to swim are not to enroll in this class.

The center basketball leagues crank up again after a week's rest. In the women's league the schedule calls for La Bonita Beauty Salon vs. Malcolm-Hinkle, Inc., and Citizens Bank vs. Pampa Independents. In the men's league the pairings are Montgomery Ward vs. Motor Supply; Celanese vs. White Deer; Southwestern Public Service vs. First National Bank and Panhandle Packing vs. Pampa Jaycees.

Jeff Cohane, sports editor, has graciously consented to carry the center basketball league information daily as it happens. So you Center fans be looking for the writeups as they appear.

Leading the leagues are Malcolm-Hinkle, Inc. (1-0) and La Bonita (1-0) in the women's division. In the men's division with 1-0 records are Panhandle Packing, Motor Supply, Montgomery Ward and Pampa Jaycees.

Leading scorers in the women's division is Sandra Davis (35 points) and Coyle Winborne

with 16 points in the men's division. Correcting an error in the last Center Wrap-up, Scott Davis plays for Celanese.

BOOT SWAP
AUBURN, Wash. (UPI)—What do you do with children's rain boots that are outgrown but not worn?

The Auburn PTA solved the problem with a boot exchange. Those who exchanged paid 25 cents. Those who came sans boots paid 50 cents for their "new" boots.

Members of the building committee who worked on the various phases of construction are James Morgan, chairman; Alex Holt, secretary; Leslie Morgan, treasurer; Jerome Henry, Lewis McJunkins, W. M. Griffen, Willie Toliver, Emmett Stover and Isaac Pollard.

FARMHOUSE FOR THE FUTURE—A two-level, five-bedroom farmhouse that provides for a basement fallout shelter has been developed by housing experts in 11 state universities and the U.S. Department of Agriculture. Sketches above show the front of the house, left, and rear, right. On the main level, there are three bedrooms, two baths, a workroom, a U-shaped kitchen,

dining room and a living room. The basement level has two bedrooms, a bath, a TV room, a recreation room with its own outside entrance and a furnace-utility room. Space is provided in one corner for a fallout shelter. Working drawings of Plan No. 7153 can be obtained from agricultural extension engineers at most state agricultural colleges for a small charge.

Recent Rains Aid Wide Texas Area

COLLEGE STATION (UPI)—Recent rains have benefited wide areas of Texas.

While only limited areas reported that moisture is now adequate, the Texas Agricultural Extension Service said noticeable improvements have been reported. The service emphasized that more rain and warm

weather are needed to relieve the drought which has existed for many weeks.

Moisture that has fallen will permit the completion of small grain seeding in the rolling plains. It was sufficient in most North Central Texas counties to get small grains up and the

same was true in Northeast Texas. Upper Gulf Coastal planted pastures were described as making good growth and the same was said for wheat on the South Plains.

December Descends

Maps show the U.S. Weather Bureau's forecast of average temperatures and precipitation through December 15.

Precipitation into December will be below normal in Northeast, along Atlantic Coast and in the Northwest.

December will come on coolish in Southeast, warmish in Northeast. Northern Plains will feel winter's blasts.

Farm News

By VAN MILLS

Soil Conservation Service

Lloyd Barrett plans to do some terracing on a farm he operates south of Pampa. Floyd Bull is in the process of completing stock ponds on his place west of Lefors. Clyde Brown has completed a pond on his farm south of McLean. Location for an irrigation well was staked for George Philcott on a farm he operates north of Laketon.

George Dillman, who farms south of Pampa, is doing an outstanding conservation job. He completed his terracing several years ago. George is doing a good job of stubble mulch farming. He plans to change from the narrow sweeps to the wide flat sweeps.

Can You Afford Soil Erosion? Topsoil is priceless. It takes nature 300 to 1000 years to build one inch of it; yet one heavy rain can remove as much as one inch or more from an unprotected field. Crop yields decline as soil erosion progresses. Farm income, buying power, and living standards drop. Villages, towns, and cities lose business. A community, town or nation is no stronger than its soil.

Tortilla Prices

Soar Like Saucers

GUADALAJARA, Mexico (UPI) — Tortillas, Mexico's corn flapjacks which are the traditional bread of the poor, have been renamed "flying saucers" because of skyrocketing prices.

The price of tortillas recently jumped a little more than one cent per pound.

WOUND UP IN JOB—Half-ton spring for use in an underground Atlas missile site serves as a resting place for Inspector Robert Wilson as he completes test data on the spring at a Chicago Heights, Ill., plant.

Cotton Yield Estimated

Foster Whaley, Gray County agriculture agent, said the county cotton harvest would be completed within two weeks if good weather continues. The county will produce 1,800 bales with a total dollar value of \$250,000. B. D. Hollard, manager of the McClean Gin, said that yields were nearing a bale per acre in this county. His gin has processed 467 bales of cotton to date.

This Was The Civil War

By MERTON T. AKERS
United Press International

This was Christmas 1863, the third of the Civil War:

In Richmond — "No war news today. It is a sad Christmas; cold and threatening snow. My two youngest children, however, have decked the parlor with evergreen, crosses, stars, etc. They have a cedar Christmas tree, but it is not burdened. Candy is held at \$3 a pound." — John B. Jones, clerk in the Confederate war department.

In Washington — "A lonesome sort of Christmas. I breakfasted, dined and supped alone. Went to the theater and saw 'MacBeth' alone. Came home and slept alone." — John Hay, one of President Lincoln's secretaries.

IN RICHMOND—"We had for dinner oyster soup, besides roast mutton, ham, boned turkey, wild duck, partridge, plum pudding, sauterne, burgundy, sherry and madeira. There is life in the old land yet!" — Mrs. Mary Boykin Chesnut, wife of a Confederate brigadier general.

In Belle Isle Prison camp, Richmond — "One year ago first went into camp at Coldwater (Mich.) little dreaming what changes a year would bring. (Christmas) supper was a big thing, consisting of corn bread and butter, oysters, coffee, beef, crackers, cheese, etc., costing the snug sum of \$200 in Confederate money or \$20 in greenbacks

As the bells rang out Christmas morning I imagined they were in Jackson, Michigan, my old home. — Sgt. John Ransom, 9th Michigan Cavalry, who had been captured in Tennessee in November.

In Tennessee — South of Chattanooga in winter quarters with his regiment, the 10th Michigan Infantry, Corydon E. Foote, a drummer boy who now had attained the ripe old age of 14, ate hominy made from corn snatched by a fellow drummer from the mule lot. That and hardtack made up his Christmas dinner.

A CONFEDERATE camp near Orange, Va. — "I am bare footed." (He also had a cold and dysentery.) "I think the Southern Confederacy is broke, for it seems so to me." — George Woodward of Wilson, N.C., wrote to his brother.

In Ohio — Union Maj. Gen. William T. Sherman arrived in Lancaster, his home town, his first vacation there for 20 years.

He found himself a hero. For seven days photographers, newspapermen, autograph hunters and just curious people crowded around him. A couple of years before newspapers had said he was "crazy." Now he was the man of the hour. As always he stood the adulation for a time but then grew gruff and avoided people.

He talked politics with his father-in-law, Thomas Ewing. He felt, and said so, that President Lincoln's amnesty proclamation was "unwise" and he was highly critical of the Federal practice of paying bounties of up to \$400 for enlistments. The proclamation

looked like weakness, he said, and bouny jumping would become a national scandal in a few months.

In Richmond — Mrs. Jefferson Davis rounded up some candy for her children and a few presents. President Davis gave Mrs. Chestnut what she described as a "love of a parrot" as a Christmas present. Davis could read that day in the Richmond Examiner that he was "a dictator."

EN ROUTE to Georgia — Gen. Joseph E. Johnston was traveling to Dalton, Ga., to take command of the Confederate Army of Tennessee, replacing Gen. Braxton Bragg who had been "promoted" to military adviser to President Davis. He would take over command on Dec. 27 under orders from Secretary of War James Seddon, who "desired" Johnston to restore "the discipline, prestige and confidence of the army, and to (increase) its numbers" and to "leave no means unspared to restore and supply its deficiencies in ordnance, munitions and transportation."

Another letter a few days later from Davis urged Johnston to "prompt and vigorous action" to whip the army into fighting trim and recapture Tennessee.

Johnston bridled at what he considered "prodding." He saw "difficulties," the army was far from ready to go on the defensive.

But the soldiers liked the general they called "Old Joe."

IN EUROPE—The Continent read with discreet smiles that A. Dudley Mann, Confederate representative in Europe, had obtained a letter from Pope Pius XI addressed to the "illustrious and Honorable Jefferson Davis, President of the Confederate States of America."

To Mann this was tantamount to recognition of the Confederacy by a European ruler, for the Pope was temporal head of the Papal States.

To Judah P. Benjamin, secretary of state, Mann wrote: "We are acknowledged, by as high an authority as this world contains, to be an independent power of the earth. I congratulate you, I congratulate the President, I congratulate the cabinet; in short, I congratulate all my true-hearted countrymen and countrywomen upon this benign event."

Neither Benjamin nor Davis could read recognition in the Pope's letter, particularly since the Pope had called the conflict a "civil war," something which the Confederacy never acknowledged. To have done so would have refuted its claims that it was a separate state and not a rebelling part of the United States. A civil war, the Confederates held, was a war between separate factions of the same state. It had seceded and therefore was a sovereign in its own right.

Mann, who had sworn never to return until the Confederacy was victorious, remained in Europe the rest of his life, dying alone and neglected in England.

The celebrated Kentucky burgoo, a meat stew, is supposed to have originated during the Civil War in the army of Brig. Gen. John Hunt Mor-

gan, the Confederate raider. When cut off from supplies his men foraged the neighborhood and cooked the results in a 500-gallon kettle which had been used to make gunpowder. The modern recipe calls for beef, pork, veal, lamb and chicken cooked with potatoes, onions, carrots, green pep-

pers, cabbage, tomatoes, corn, lima beans and celery. The seasoning is the secret and consists of salt, cayenne pepper and tabasco.

Confederate chaplains were appointed by President Davis, carried no special rank and their pay varied.

Catholics Name Six Americans

VATICAN CITY (UPI)—Ecclesiastical Council fathers have elected six Americans to key council commission posts newly created by Pope Paul VI to help speed up council action.

The secretary general of the council, Archbishop Pericle Felici, also announced the working dates of the council's third session as Sept. 14 to Nov. 20, 1964. Only one Italian was elected to one of the 43 newly-created posts in what was generally in-

terpreted as a victory for the council's liberal majority.

The posts of the council's 12 commissions, including the secretariat for promoting Christian unity, were created by Pope Paul in a move to speed up council action and better balance the commissions which in some cases have acted as conservative roadblocks to council documents.

SOAKING HELPS

FLINT, Mich. (UPI) — Soaking burns with ice water laced with antibacterial skin cleanser — phisobex — minimizes subsequent infection and speeds healing. It was reported in "Industrial Medicine and Surgery," a journal for doctors.

This novel combination of an age-old Icelandic remedy and the modern antibacterial detergent proved successful in 46 cases seen in Hurley Hospital in

RABIES WARNING

JACKSONVILLE, Fla. (UPI) — Although human rabies is rare the growing frequency of pet animal bites among children, plus the reservoir of rabies in wildlife makes each bite a matter of concern, cautions Dr. Hugh A. Carithers, of Jacksonville.

Flint, Mich. Ice water is used in Iceland not only to treat burns and scalds but also sprains.

Miami Mauls Canadian In Twin Basketball Bill

BOARD CONTROL—Miami post gal Marilyn Murphy demonstrates tremendous height advantage as she gobbles up a rebound, watched by Marie Williams of Canadian.

By JEFF COHANE
Pampa News Sports Editor
MIAMI — The Miami boys and girls basketball teams both exploded in the second quarter to take twin wins over visiting Canadian Friday night, the Warriors taking a 40-22 win and the Warriorettes a 38-20 victory.

In a slow, game marked by ragged shooting by both teams, the Warriors completely dominated the rebounding. Although Benny Eckles of the Wildcats did a good job of guarding 6-4 Ray Guerrero, using everything but a knife and a club, rugged 6-2 Jody Holland swept the defensive backboards, aided by Wayne Daugherty. Canadian could never get inside the Miami zone and were missing badly from the outside.

Tony Steine and Ken Willis hit from the outside for a 4-0 Cat lead, but with Jody grabbing the boards and Roy Bean hawking the ball, Miami hit four baskets in a row. The pressing Canadian defense started blocking shots in the final minutes of the game and Keith Yarnold hit two free throws to cut the margin to 11-9 at the quarter mark.

Willis hit a strike from the corner to tie it up as the second quarter opened, but Little 'Un Holland set up the drives while Jody and Daugherty manned the boards and Miami moved to a 15-11 lead. Charlie Byrum came in late in the period and his driving and hawking sparked Miami to a 21-13 edge at the quarter mark.

Canadian had plenty of shooting opportunities in the second and early in the third quarters, but kept missing the bucket, while Daugherty and Bean moved Miami into an 11 - point edge. Guerrero started escaping the clutches of Eckles and blocking shots and rebounding. Neither team could hit in the frame and Miami held a 28-16 edge at the three-quarter mark. The Little 'Un kept setting his tall teammates up under the baskets, with Daugherty scoring on rebounds and Jody at the free throw line for the win.

Bean was the only player in double figures with 10 points. Jody had nine and Little 'Un seven. Steine had nine and Willis eight for the Wildcats.

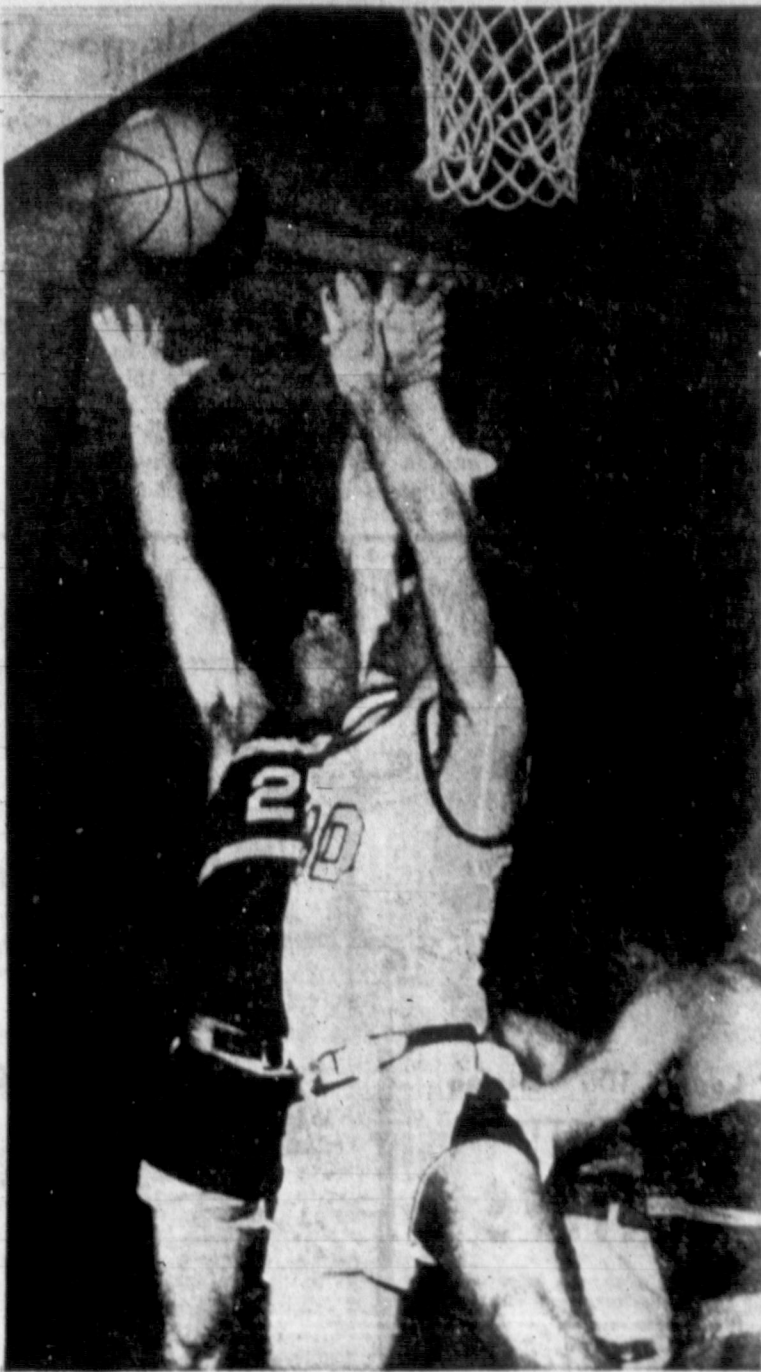

Miami's height and defense completely dominated the girls game. With their two post players out with injuries, the Wildkittens had no chance with the tall and talented Warriorettes, whose deadly shooting blew the game open in the second quarter, despite a fourth - quarter comeback led by Dixie Petree.

With Cheryl Gill driving and Connie Dodson hitting with uncanny accuracy, the Warriorettes opened a 9-4 quarter lead and then went to work in the second frame.

Good defense by Mary Rivers couldn't stop the tall Warriorettes as Connie kept laying them up and in, while a Miami defense led by Cindy Coffee completely stopped the two - time all-district Dixie, and the Warriorettes had a 28-9 bulge at the half.

Miami pulled the starters in the third quarter, but the reserves, led by 5-8 Beverly Weise offensively and Judy Anderson defensively, held the Kittens at 35-15 going into the final frame. Dixie led a fourth-quarter rally, backed by Susie Owens, and cut the margin to six points, but Connie and Cheryl came back in and dribbled out the clock for the victory.

Connie had 17 and Cheryl 16 points for Miami. Dixie tallied 20 points, 11 of them in the final frame.

AERIAL BATTLE — Canadian's Joe Schaeff, in black, and Miami's Roy Bean go high in the air after a shot bounces off the rim of the basket in Friday night's game, won by Miami.

10 SUNDAY, DECEMBER 1, 1963 56TH YEAR

Don Trull Leads Baylor Over Rice to Bluebonnet

HOUSTON (UPI) — Baylor's Don Trull ran for three touchdowns and broke the all-time collegiate passing record Saturday and led the Bears to a 21-12 victory over the butter-fingered Rice Owls.

The win assured Baylor of an invitation to the Dec. 21 Bluebonnet Bowl in Houston against Louisiana State University.

Trull scored on two 1-yard plunges and a 26-yard run and completed 18 of 33 passes for 187 yards in the regionally-televized Southwest Conference game.

Trull's 18 completions gave him 160 for the year, bettering by one the old mark of 159 set by Don Klosterman of Loyola of Los Angeles in 1951. He also set the national record for passing yardage in one season — 2,047. The previous record was 2,005 set by Stan Heath of Nevada in 1948.

Trull still has one game to play and a chance for the national record for total yardage.

Baylor led 7-6 at the half, but Rice fumbled five consecutive

Washington Wins Big Six Honors

SEATTLE, Wash. (UPI) — All Coast fullback Junior Coffey bulled over for two touchdowns Saturday to lead Washington to a 16-0 victory over Washington State, give the Huskies undisputed possession of the Big Six championship, and make them the likely West Coast representative in the Rose Bowl.

Coffey, who had been demoted to the second string after a disappointing performance against UCLA two weeks ago, scored on a four yard plunge in the second period and a three yard smash in the final quarter.

times in the final two quarters and Baylor capitalized on two of them for scores on drives of 42 and 24 yards.

Baylor jumped to an early 7-0 lead in the first quarter after taking the kickoff and marching 69 yards in 13 plays.

Trull completed five of six passes for 58 yards and sneaked over himself from the one.

Rice came right back on the passing of quarterback Walter McReynolds, who threw a 49-yard touchdown pass to wingback George Parry to end a 75-yard drive.

Larry Rice's kick went wide and the Owls trailed 7-6.

The Owls scored their final final touchdown in the last two minutes of the game when Gene Fleming went over from the three.

The victory by Baylor clinched second place in the Southwest Conference for the Bears, who have a 5-1 loop mark and a 6-3 record for the season. The school is expected to announce early next week whether they will accept the Bluebonnet invitation.

Scoring:
Bay—Trull 1 run (Davies kick)
Rice—Parry 49 pass from McReynolds (kick failed)
Bay—Trull 26 run (Davies kick)
Bay—Trull 1 run (Davies kick)
Rice—Fleming 3 run (pass failed)
Attendance: 40,000.

Grisham Runs Over Oklahoma State

NORMAN, Okla. (UPI) — Fabulous Jim Grisham scored four touchdowns and gained 218 yards in a dazzling display of all-power running Saturday to lead Oklahoma past Oklahoma State, 34-10, in the season's finale for both teams.

Grisham, a 211-pound junior fullback from Olney, Tex., set an all-time Oklahoma one-game rushing record with his savage line plunges. Three of his scores came on one-yard smashes and the fourth on a 20-yard sprint.

The 10th - ranked Sooners found themselves on the short end of a 10-7 score early in the third quarter as the fired up Oklahoma State Cowboys kept the pressure on for more than half the game. But Grisham plowed over from the one to cap a 63-yard Oklahoma drive with 3:33 left in the third quar-

ter. The Sooners were never in danger after that.

Grisham carried 30 times and his yardage wiped out the all-time school record of 215 chalked up by Buck McPhail against Kansas in 1951.

He also broke Buddy Leake's record of 167 yards, which had been the top individual mark in this traditional series that dates back to 1904.

Oklahoma State, showing a fire that belied its 1-8 record, spotted Oklahoma a second-period touchdown, then tied it at 7-7 after 150-pound Larry Elliott returned a punt 46 yards to set up Mike Miller's one-yard plunge. Charles Durkee put the Cowboys ahead 10-7 with 30-yard field goal early in the third period.

Three quick touchdowns in the (See GRISHAM, Page 12)

Texas Christian Trips Up SMU Mustangs

FORT WORTH (UPI) — Penalty-ridden Texas Christian converted two fumble recoveries into touchdowns Saturday and rode the second one to a final-minute 22-15 victory over Southern Methodist in an error-packed Southwest Conference tilt.

The ball changed hands six times on fumbles and Southern Methodist turned in two end zone interceptions to go with three fumble recoveries of its own, but that wasn't enough to offset the belated grinding ground attack that enabled TCU to smash 27 yards for the winning touchdown with 2:12 left on the clock.

Marvin Chipman, a reserve halfback, skipped the final six yards for the winning score, then grabbed a basket pass from Randy Howard for a two-point conversion that put the game out of reach.

Until then, TCU had been forced to rely on a weak aerial attack for its scoring momentum with Howard hitting end Bill Bowers from 14 yards out for a first period touchdown and sophomore Kent Nix connecting with sophomore halfback Bobby Batton for a 32-yarder with just 27 seconds left in the first half.

SMU drove 73 yards for a second quarter touchdown with Danny Thomas plunging the final yard, and then moved 35 yards for a second touchdown in the third period on Thomas' passing and Billy Gannon's final three-yard spurt. The Methodists went for the go-ahead two-point conversion and got it on a Mac White-to-Gannon pass to make it 15-14.

TCU kept menacing pressure on SMU most of the afternoon with 202 yards gained rushing and 121 passing to MU's 174 yards total offense, but holding penalties and SMU's alert defense stalled two drives and Methodist linebacker John Hughes blocked a 27-yard field goal effort by Jimmy McAteer on another occasion to keep the Frogs frustrated.

Nix came on late in the first half to spark the TCU offense and wound up hitting six of eight passes for 96 yards, while fullback Tommy Crutcher led the ground assault with 48 yards.

Scoring:
TCU—Bower 14 pass from Howard (McAteer kick)
SMU—Thomas 1 run (Richey kick)
TCU—Batton 32 pass from Nix (McAteer kick)
SMU—Gannon 3 run (Gannon pass from White)
TCU—Chipman 6 run (Chipman pass from Howard)
Attendance: 19,294.

Tascosa Slams Coyotes, 34-0

By JEFF COHANE
Pampa News Sports Editor
AMARILLO — The Tascosa Rebels rolled on toward regional football play as they demolished the Grand Prairie Coyotes, 34-0 here yesterday.

A sparse crowd of 8,000 in Dick Bivins Stadium saw Grand Prairie fumble the first two times it had the ball, setting up Tascosa scores each time to start the lopsided bi-district clash. The district 4-AAAA titleholders didn't even vaguely resemble champions as they threatened only once and never got past the Tascosa 45 the rest of the game.

The tremendous Tascosa line was the difference, both offensively and defensively, as it opened gaping holes for Pat Harkins, Tommy Gergeni, and Mike Bell to roll through; and made life completely miserable for Coyote quarterback Gary Gilbreath. Gilbreath was harassed in his aerial attack throughout the game, eating the ball for big losses a number of times, and being rushed on his throws constantly. The Coyotes couldn't even put together a consistent ground game as they ended up with a net of only 53 yards rushing.

GP held Tascosa on the kickoff, took the punt on their 31 and promptly fumbled, with 225-pound Garren Thompson recovering on the Coyote 38. Gergeni slammed to a first down on the 27, and three plays later, to another on the 16. Harkins then hit Harlan Green in the end zone with a touchdown pass with 7:21 left in the quarter.

Grand Prairie kept for four plays and their first first down and promptly fumbled again. Stan Robinson recovering on the 50. Hawkins hit Bell with a pass in the 35 down to the 15, and carried twice more for the touchdown, going the last nine yards behind a block by John Bentley. Billy Hobbs kicked the extra point and it was 13-0 with 1:39 still left in the first period.

Early in the second quarter, GP punted to the Rebel 17, and it took Tascosa nine plays to score, the big gainers being a 29-yard run by Bell and a 21-

yard pass from Harkins to Hobbs. Harkins went the last four yards for the tally, with Hobbs again converting for a 20-0 lead with 7:41 left in the half.

Grand Prairie came out for the second half with blood in their eyes, but the Rebels soon spread the blood a little thicker as they took the ball away on a scoring drive and went 90 yards straight back for another tally of their own.

Taking a short kick on their 43, the Coyotes moved to a first down on the 16 on the passing of Gilbreath and Jerry Warren, but Mike Turner intercepted on the 10.

Tascosa then used the entire third quarter and the first play of the fourth in an unstoppable 21-play drive, mainly on the ground. The only long gainers in the crunching march by Turner, Bell and Gergeni were a 23-yarder by Gergeni and a 20-yard pass from Harkins to Hobbs.

Gergeni opened the final frame by crunching across from the four. Tascosa put in the reserves after this, but they went on a 53-yard scoring spree of their own midway in the fourth quarter, sparked by the running and passing of sub quarterback Ted Pospisil, who tallied on a bootleg from five yards out with 4:35 left, and then passed to Chris Simmons for the conversion.

Gergeni finished with 75 yards in 13 carries, Bell had 60 in 10 and Pospisil picked up 42 yards in seven keepers during his stint. Galen Morris, a hard-hitting 185-pound fullback who was given little blocking, got the bulk of the Coyotes' running yardage, 36 yards in eight trips.

Coyotes Clip Harvesters On Foul Shot

WICHITA FALLS (Spl) — After a flashing start by the Pampa Harvesters which put them ahead 20-7 at the end of the first quarter, a doggedly persistent Wichita Falls quintet maintained a ruthless pursuit to eke out a 60-59 win over the luckless Pampans Friday night in their season opener.

Wichita Falls gains were noticeable at the half when Pampa led 33-25 and at the end of the third quarter when Pampa led by only one point of 46-45.

With a 59-59 score at the last second of the game Don Pennington scored a free throw for Wichita Falls to bring his team to victory. Pennington was high scorer for Wichita Falls with a total of 21 points. Kenny Hebert led the Pampa team in scoring with a total of 13 points.

The Pampa B Team won their game against Wichita Falls with a final score of 59-47. Ronnie Curlee was high scorer for the Shockers with five field goals and nine free throws for a total of 19 points.

Missouri Edges KU On Field Goal, 9-7

LAWRENCE, Kan. (UPI) — Junior halfback Bill Leistritz kicked a 22-yard field goal in the fourth period Saturday to go with Vince Turner's 102-yard ramble after a fumble recovery to give Missouri a 9-7 triumph over Kansas in the season finale for both teams.

Leistritz escaped being the goat in the Big Eight Conference battle with his game-winning field goal. He missed the conversion after senior halfback Turner's fantastic first-quarter touchdown.

The record crowd of 45,000 was stunned when Turner caught Kansas fullback Ken Coleman's fumble two yards deep in the Missouri end zone and rambled the length of the field to give the Tigers a 6-0 edge.

Turner, a defensive specialist, crushed the Jayhawkers' chance for what appeared to be a sure touchdown. The Jayhawkers had moved to a first down on the Missouri four. Coleman fumbled two plays later and Turner grabbed it for the surprise Tiger score.

Kansas retaliated minutes later in the second period with a nine-play, 38-yard drive, kept by quarterback Steve Renko's one-yard run. Gary Duff kicked

the extra point to give the Jayhawkers a 7-6 lead.

Gale Sayers, junior Kansas halfback, and a candidate for All-American honors, became the first junior in conference history ever to gain more than 2,000 yards in career rushing. For the game, Sayers gained 68 yards in 13 carries, bringing his career total to 2,042 yards.

Although Kansas held only a slim 7-6 halftime edge, the Jayhawkers dominated play in the first two periods. Kansas picked up nine first downs and 128 yards rushing, compared with Missouri's one first-down and 42 yards rushing.

The second half was a reversal, with Missouri dominating the play. The Tigers wound up with 144 yards rushing, compared with 186 for the Jayhawkers.

Gary Lane, Missouri's sophomore quarterback and the conference's total offense and passing leader going into the game, saw only brief action in the first half, but played most of the second half. He was hospitalized all week with tonsillitis.

Lane completed no passes and rushed for 12 yards.

The estimated 45,000 attendance smashed the old Kansas record of 41,500 set in 1949 when the Jayhawkers played Missouri.

The victory gave Missouri a 5-2 conference mark and a cinched third place. Kansas, now 3-4, dropped into a tie for fourth place with Iowa State.

SUGAR BOWL SET

NEW ORLEANS (UPI) — Fourth-ranked Mississippi and seventh-ranked Alabama, two teams whose path has not crossed in 19 years although both are members of the Southeastern Conference, Saturday accepted invitations to play in the 31st annual Sugar Bowl game Jan. 1.

Phillips Nips Bucks, 60-54

By RICHARD ULRICH
News Sports Correspondent

PHILLIPS — The sharpshooting Phillips Blackhawks held off a fourth-quarter White Deer rally for a 60-54 victory here last night.

Phillips hit an amazing 45 percent from the floor, mostly on outside shots, to overcome the board work and close-in shots of Gary Turner and the 16 of 23 free throws made by the Bucks.

Danny Dawson, shooting steadily from the outside, moved Phillips to a 15-11 quarter lead. The Blackhawks pulled away to a 35-27 halftime edge, despite Turner's steady gunning, and kept it at 47-40 at the three-quarter mark.

Dan Simmons and Hawpe started finding the range as Hawpe and Turner completely dominated the boards, and White Deer moved to within two points at 56-54. Dawson connected again however, and the Hawks moved out of danger for their second win in as many starts.

Dawson took scoring honors with 21 points. Turner had 17 points, 15 of them in the first half, and Hawpe and Simmons had 11 each.

Phillips romped to a 66-25 B game win. Ron Sisco led the Buckaroos with 12 points. White Deer plays Tuesday night at Gruver.

Memphis State Downs Houston

MEMPHIS, Tenn. (UPI) — Fullback Dave Casinelli and sophomore quarterback Billy Fletcher teamed to lead jubilant Memphis State to a 29-6 victory over Houston Saturday for the Tigers' first undefeated season in 25 years.

Casinelli, ranked third among the national scoring leaders going into the game, rambled for two touchdowns to bring his season total to 84 points. Fletcher kicked a 37-yard field goal, and broke loose for an 82-yard kick-off return.

LaVerne Henson and Clara Achord tied for Bowler of the week. LaVerne rolled 179, 213 and 186. Clara rolled 205, 156 and 197. Each had a 558. George Bernson was high for the men with a 598.

Johnny Pierce rolled a 245 game for a 615 series. Wilber Waggoner also had a 615 with a 241 game. Darrel Lain rolled a 236. Four splits were the only open frames of Bill Hicks as he rolled 187, 157 and 233 for a 577.

Other highs were Bobby Nutt and Jim Herring, 225; Howard Musgrave, 223; Dr. Ashby, 213; Ray Chastain, 212 for a 573; W. C. Bass, 211; Buddy Epperson, 210; George Gray, 209 and 200 for a 589; Kay Minadeo, 192 and 209 for a 569; Scottie Cornelison, 544; Wyene Patrick, 223 for a 519; Mickey Bonner, 533; Kathy Parsley, 532; Billie Thut, 203 for a 519; Sheila Rutledge, 507; Bernita Nidiffer, 193 for a 535; Wanda Ensey, 522; Jo Burgund, 508; and Muri Tennyson, 479.

The McCathern, Inc. Team rolled a 2785 as each member was over 500. Highs on the team were Ted Erickson, 244 - 590; Joe Wells, 215 - 586; Dale Haynes, 205 - 568; Hart Warren, 187 - 518 and George Gray, 191-523.

It is always a thrill to convert a split, and one of the prettiest shots is the 3-7-10. This was made by Lorene Trice. Pauline Stone, Agnes Cox and Penny Penley converted the 5-10. Virginia Felitt picked up the 5-6-10 and Cleitis Butcher got the 3-6-7.

The Women's High Plains Travel League will bowl at Garden Lanes on Sunday afternoon. Spectators are welcome.

Ten year old Chris Beck earned two A.J.B.C. awards this week. He rolled games of 201, 167 and 173 for a 541 series. I am sure many of the men would welcome a 541 series in the Top (See BOWLING, Page 12)

Bowling

By MAXINE HAWKINS

Have you bowled in the Charity Tournament? It is a weekly contest in the form of Scotch Doubles with trophies awarded each week in each house. The first week's winners were Agnes and Dale Robbins at Garden Lanes and Wauline and Johnny Reynolds at Harvester Bowl.

Some of the better bowling was done outside of league this week. In the lights out tournament, R. O. Johnson rolled a 272 game, but was beaten by Travis Beck who rolled a 276. Richard Johnson felt he needed practice after posting a 468 in league. In open bowling the next day, he scored 178, 246 and 190 for a 614.

It is such an unusual thing for a bowler to bowl 100 pins over his average in a single game. A. B. C. awards a century patch for this achievement. At Garden Lanes, two bowlers accomplished this, and will receive patches.

Dick Abbott, average 146, rolled 199, 131, and 249 for a 579. Jimmy H. Ayes, average 134, rolled 104, 243 and 131 for a 478. J. C. Hamilton, average 134, came close as he rolled a 229 game — just after having bowled a 111.

Others above averages were Homer Craig (155), rolling a 538, and John Best (152), rolling a 519. Paula Hungerford (109), had a turkey for a 153 game and a 414 series. Pat Railsback (138) had a 194 for a 478. Joy Bruce (119) rolled a 150.

As usual, the highs and lows persist. Ed Harris rolled games of 170, 120 and 211. Leland McCloskey rolled a 169 and 111 followed by his highest game, 211. Charles Warminski rolled a 126 and a 214. D. B. Jameson came from 139 to 209. Larry Parsley dropped from 200 to 130. Gerald Smith was about average with games of 155 and 159 'til he had a lonely strike and no spares for a 96.

Leone Williams had a 210 and a 114. Viola Bullard placed a 176 between a 96 and a 105. Dorothy Osborne was rolling for a 600 when she started the series with games of 210 and 201, but — Pow! — 125. A. L. Soukup rolled a 103, 205 and 130. B. V. Hinkle rolled his triplicate by placing a 200 between his 148. Francis Hastings is still looking forward to three good games in the same series. This week it was 191, 118 and 174. Ned Pryor rolled a 233 followed by a 145. Marilyn Erickson had a 136 and a 202 for a 517. John Moore had a little trouble staying on his feet — but then rolled a 210. Tinker Ditmore was on the down hill grade with games of 220, 147 and 100. Minnie Cable just looked for one high game out of three as she posted a 394.

LaVerne Henson and Clara Achord tied for Bowler of the week. LaVerne rolled 179, 213 and 186. Clara rolled 205, 156 and 197. Each had a 558. George Bernson was high for the men with a 598.

Johnny Pierce rolled a 245 game for a 615 series. Wilber Waggoner also had a 615 with a 241 game. Darrel Lain rolled a 236. Four splits were the only open frames of Bill Hicks as he rolled 187, 157 and 233 for a 577.

Other highs were Bobby Nutt and Jim Herring, 225; Howard Musgrave, 223; Dr. Ashby, 213; Ray Chastain, 212 for a 573; W. C. Bass, 211; Buddy Epperson, 210; George Gray, 209 and 200 for a 589; Kay Minadeo, 192 and 209 for a 569; Scottie Cornelison, 544; Wyene Patrick, 223 for a 519; Mickey Bonner, 533; Kathy Parsley, 532; Billie Thut, 203 for a 519; Sheila Rutledge, 507; Bernita Nidiffer, 193 for a 535; Wanda Ensey, 522; Jo Burgund, 508; and Muri Tennyson, 479.

The McCathern, Inc. Team rolled a 2785 as each member was over 500. Highs on the team were Ted Erickson, 244 - 590; Joe Wells, 215 - 586; Dale Haynes, 205 - 568; Hart Warren, 187 - 518 and George Gray, 191-523.

It is always a thrill to convert a split, and one of the prettiest shots is the 3-7-10. This was made by Lorene Trice. Pauline Stone, Agnes Cox and Penny Penley converted the 5-10. Virginia Felitt picked up the 5-6-10 and Cleitis Butcher got the 3-6-7.

The Women's High Plains Travel League will bowl at Garden Lanes on Sunday afternoon. Spectators are welcome.

Ten year old Chris Beck earned two A.J.B.C. awards this week. He rolled games of 201, 167 and 173 for a 541 series. I am sure many of the men would welcome a 541 series in the Top (See BOWLING, Page 12)

SPORTS

The Pampa Daily News
53TH YEAR SUNDAY, DECEMBER 1, 1963

Rider Slips Past Pampa, 64-59

WICHITA FALLS (Sp1)—Jim Negri scored four points in the last minute of the game to break a tie and send the Pampa Harvesters down to their second straight heartbreaking loss last night, 64-59, to Wichita Falls Rider.

In a red-hot shooting game which had seen the Harvesters come from 11 points behind to a 59-all tie on the free throw shooting of Kerry Roper, Negri proceeded to break the tie with a free throw and then clinch the win with a three-point play in the final seconds. Both teams hit excellently from the floor and the foul line, the Rider Raiders with a fantastic 53 percent shooting average and the Harvesters hitting 47 percent. Neither team showed a marked advantage in rebounding, as Rider also featured good size.

The hosts slammed to a 19-8 quarter lead on the outside shooting of Bill Cotten, but Pampa's second unit came in and proceeded to get right back in

the ball game behind the shooting of Kenny Hebert, backed by Charlie Price and Bob Howard, cutting the margin to 30-27 at the half.

The third quarter saw the margin go from one to five points as Bill Owen led the Raider shooting and Ricky Stewart the Harvesters, and it was still a three-point edge, 44-41, going into the final frame.

With two minutes left, Stewart canned a pair of charity tosses to put Pampa in the lead, 57-55, and the teams swapped a one-point lead until Roper, who hit five free throws in the period, tied it up, only to have Negri break it open.

The Pampa Shooters rolled to a 58-33 win in the opener, with m Brown hitting 20 points and Ronnie Curlee 14.

The Harvesters open their home court season tomorrow night against Phillips.

San Antonio Lee, San Angelo and Garland in AAAA; La Marque in AAA; Rockwall and Liberty in AA, and Petersburg and George West in A made the biggest impressions in Friday night's section of the Texas schoolboy football playoffs.

Lee and Rockwall ousted defending state champions to leave the Dumas Demons of AAA the only surviving titlist as all four divisions reached the quarterfinal round. Dumas advanced Thursday with a 7-3 squeak past Andrews.

Lee knocked out San Antonio Brackenridge 55-48 in a wild contest in which the winning points came with 13 seconds left in the game, which turned into a personal duel between Lee's Linas Baer and Brackenridge's Warren McVea.

To Duel

McVea scored six touchdowns on runs of 54, 14, 43, 20, 45 and 4 yards and tacked on two conversions points for a total of 33, while Baer scored five TD's on runs of 95, 6, 2 and 47 yards and on a 45-yard pass as well as kicking seven extra points for a total of 37 points.

Rockwall's Jackie Anderson went on a second half spree for two touchdowns and 109 of his 139 yards to send AA champ Jacksboro reeling out of the playoffs.

San Angelo polished off Wsleta Bel Air 42-0. Garland went on a 35-point second half spree to rock Texarkana 58-14. La Marque piled up a six - touchdown lead and went on to beat El Campo 43-13. Liberty knocked off undefeated-untied Katy 26-6.

SA Lee Belts Brack Out of Playoff Games

Petersburg crushed Stratford 33 to 6- and George West kayeed second-ranked Hull-Daisetta 41-14.

Only one other major upset marked Friday night's 22-game program—Bastrop's 21-6 victory over high-ranked Rosebud in A, but AAAA's top-rated Spring Branch High and fifth-ranked Pasadena had close calls. Spring Branch beat Houston Waltrip 13-6 and Pasadena went into the last quarter trailing 21 to 7 but rallied to edge Port Arthur 22-21.

Castleberry Ousted

In other Friday night games, McKinney ousted Fort Worth Castleberry via penetrations 5-4 in a 21-21 AAA game, second-ranked Corsicana beat Palestine 21-14, Conroe knocked off Nederland 24 - 7 and Gonzales beat Austin Johnston 24-0 in the same division.

In AA, Crane edged Winters 9-8, Taylor beat San Saba 31-6, Missouri City Dulles beat Honore 9-0, and second-ranked Sinton slipped past Donna 20 - 14; in A, top - ranked Albany had plenty of trouble getting by Henrietta 8 - 0, Hallsville beat Jefferson 18-14 and Woodsboro eliminated Boerne 20-12.

Five games remained to be played Saturday and Saturday night—Grand Prairie at Amarillo (See SA LEE, Page 12)

McVea scored six touchdowns on runs of 54, 14, 43, 20, 45 and 4 yards and tacked on two conversions points for a total of 33, while Baer scored five TD's on runs of 95, 6, 2 and 47 yards and on a 45-yard pass as well as kicking seven extra points for a total of 37 points.

Rockwall's Jackie Anderson went on a second half spree for two touchdowns and 109 of his 139 yards to send AA champ Jacksboro reeling out of the playoffs.

San Angelo polished off Wsleta Bel Air 42-0. Garland went on a 35-point second half spree to rock Texarkana 58-14. La Marque piled up a six - touchdown lead and went on to beat El Campo 43-13. Liberty knocked off undefeated-untied Katy 26-6.

McVea scored six touchdowns on runs of 54, 14, 43, 20, 45 and 4 yards and tacked on two conversions points for a total of 33, while Baer scored five TD's on runs of 95, 6, 2 and 47 yards and on a 45-yard pass as well as kicking seven extra points for a total of 37 points.

Rockwall's Jackie Anderson went on a second half spree for two touchdowns and 109 of his 139 yards to send AA champ Jacksboro reeling out of the playoffs.

Darrouzett Wins 8-Man Regional

By RICHARD ULRICH
News Sports Correspondent

WHITE DEER—Quarterback Danna Duke, operating out of the tailback slot in a shotgun spread formation, led Darrouzett to a second-half explosion over Nazareth and a 28-6 win in the regional eight-man title game here yesterday.

Duke ran for two touchdowns and set up a third as he earned his unanimous all-district three rating with a vengeance, breaking open what had been a tight 8-6 ball game.

The Longhorns scored in the first quarter following a blocked punt, with Clinton Hanson scoring from eight yards out. Duke passed to end Scotty Johnson for the conversion.

Nazareth drove to the Darrouzett four and lost the ball on downs, but came back on a blocked punt with Les Schulte recovering in the end zone for a touchdown. A conversion pass was incomplete and the Horns had an 8-6 halftime edge.

Duke went into the single wing formation in the second half and the Horns drove from their 25 straight downfield, with Duke going the last 12 yards. Raymond Miller rammed a two-

rillo Tascosa, Dallas South Oak Cliff at Fort Worth Paschal and Temple at Corpus Christi Miller in AAAA; Pharr-San Juan-Alamo at South—San Antonio in AAA, and Paul Hewitt vs. Pine Tree at Longview in AA.

Next week's quarterfinals will line up like this:
AAAA — San Angelo vs. Grand Prairie-Tascosa winner, Paschal-South Oak Cliff winner vs. Garland, Spring Branch vs. Pasadena and Temple - Miller winner vs. San Antonio Lee.

AAA—Dumas vs. Graham at Borger Saturday, McKinney vs. Corsicana, Conroe vs. La Marque and Gonzales vs. South San Antonio-Pharr- San Juan-Alamo winner.

AA—Dalhart vs. Crane, Rockwall vs. Paul Hewitt-Pine Tree winner, Taylor vs. Liberty and Missouri City Dulles vs. Sinton.

A—Petersburg vs. Merkel, Albany vs. Van Alstyne, Hallsville vs. Bastrop and George West vs. Woodsboro.

The final tally came when Duke intercepted a pass on the Swift 13, setting up Mike Koschke's touchdown from the two-

**Bodies Found
In Viet Nam**

SAIGON, Viet Nam (UPI) — The bodies of an American and a Vietnamese whose B26 bomber was downed by Communist ground fire have been found 160 miles southwest of Saigon. A second American crewman is missing.

A U.S. military spokesman said the two men bailed out of the stricken craft before it crashed, but their parachutes failed to open.

Search parties found the bodies of the two crewmen Wednesday in rice paddies near the town of Ca Mau at the southern tip of Viet Nam.

An earlier report that the bodies of two Americans had been found and a third was missing proved incorrect.

The crash raised to 140 the number of U.S. servicemen who have died in Viet Nam since the military assistance program to the Vietnamese government began in early 1961. The number of missing was raised to 12. Of the 140 known American military dead, 112 have been killed in action or in combat accidents.

DISTAFF ULCERS

NEW YORK (UPI) — The past decade witnessed a fairly pronounced rise in the mortality from peptic ulcer among women, in sharp contrast to the trend among men, statisticians from Metropolitan Life Insurance Co. report.

WEDDING PLANS TOLD

INITIATION HELD — Shown are members assisting in new Kappa Kappa sorority members initiation ceremony and the initiates. Left to right are Mmes. L. B. Penick, Jo Hardcastle, Bennie Shackelford, Aaron Meek, Perry Stout, Hugh Sanders, Fred Stockdale, Arkie Walls, Houston Price and Floyd Smith. The ceremony took place during a coffee held by the group on Saturday. (Smith's Studio Photo)

Sorority Initiates New Members

Mrs. Hugh Sanders, Mrs. Fred Stockdale and Mrs. Perry Gaut were initiated into Kappa Kappa sorority during a coffee held in the Hospitality Room of Citizens Bank Saturday morning.

Mrs. Jo Hardcastle of Amarillo assisted in the initiation. Others participating were the president, Mrs. Floyd Smith, Arkie Walls, Mrs. L. B. Penick, Mrs. Bennie Shackelford, Mrs. Aaron Meek and Mrs. Houston Price.

After the initiation, Mrs. Smith conducted a short business session.

Hostesses for the coffee were Mmes. Dan Johnson, B. R. Nuckolls, M. L. DeFever and Charles Stowell.

Miss Doris Maxine Slater (Photo by Call's)

Mr. and Mrs. Joe H. Slater, 801 N. Wells, announce the engagement and approaching marriage of their daughter, Doris Maxine to John D. Howell, 405 Doyle. The wedding is planned for Dec. 7, and will be held in the home of the parents of the bride-elect.

Surprise Layette Shower Is Given

GROOM (Sp) — Mrs. John Club. The club met in the home of Juandell Ritter with Leona Babcock as co-hostess. Pinocchio was enjoyed with Mrs. Lou Homer winning high score prize and Betty Brooks low score prize. Refreshments were served to two guests, Betty Brooks and Virginia Jones and members Patsy Fraser, Shirley Fields, Barbara Fraser, Juanita Brown, Alice Britten, Marilyn Quirk, Margaret Whatley, Mary Lou Homer and the hostesses.

Couple Exchange Nuptial Vows Great Women In History Studied At 20th Century Forum Meeting

Mrs. Dean Wyatt

Jackie Darlene Barnard and Dean Wyatt were married Wednesday in the Sacred Heart Church of White Deer with the Rev. Jerome Hancock reading the double ring ceremony. Parents of the couple are Mr. and Mrs. Jack Barnard and Mrs. Dallas Wyatt, all of White Deer. A large arrangement of white numms was used to form a background for the ceremony. Mrs. Laddie Kotara presented

selections from the organ and accompanied Mrs. Johnny Garcia, vocalist.

BRIDE

Given in marriage by her father, the bride chose a gown of white chantilly lace and net. The bodice featured a decollete neckline and long sleeves, tapering to points at the hands. The skirt, formed of bouffant tiers of lace and net, featured a front panel of lace. Iridescent sequins were used as special trim on the gown. Her veil of silk illusion was secured by a tiny tiara of pearls, accented with dainty iridescent teardrops. She carried a bouquet of white roses.

ATTENDANTS

Attending the bride as matron of honor was Mrs. Don Welch. She was attired in a turquoise velvet sheath designed with a draped neckline. She wore a gold circle pin with a pearl, matching accessories and carried a bouquet of white carnations. Dressed identical to Mrs. Welch were Mrs. Preston Pritchard and Mrs. Norris Samuelson, bridesmaids.

Derryl Watt attended the bridegroom as best man.

Ushers were Al Koch of Pampa; Calvin Chisum of Panhandle; Curtis Metcalfe and Dale McCallie of White Deer. Groomsmen were Bunky Wright of Pampa and Ralph Detton of Amarillo.

For her daughter's wedding, Mrs. Barnard chose a tan suit with dark brown trim. She wore matching accessories and corsage of white carnations. Mother of the bridegroom, Mrs. Wyatt, wore a blue wool dress, matching accessories and a white carnation corsage.

RECEPTION

A reception in honor of the couple was held in the Parish Hall immediately following the ceremony. The guests were registered by Mrs. T. C. Measles of Tulla. Cake and punch were served from a white lace over turquoise satin covered table, centered with an arrangement of white roses, by Mrs. Joe Britt of Canyon and Mrs. Gene Elton of Gariand.

Others in the house party were Miss Barbara Haines, Mrs. Eleanor Underwood, Mr. Bill Money and Mrs. Dale Jones. (See COUPLE, Page 19)

New Officers Of TEL Are Installed

New officers of the TEL Sunday School Class of Central Baptist Church were installed recently during a meeting held in the home of Mrs. L. A. Baxter, 515 Short St.

Mrs. Maggie Deal conducted the business meeting with Mrs. W. G. Gooding reading the minutes of the last meeting. Mrs. Pearl Erwin gave the opening prayer.

Mrs. Henry Taylor gave the devotional with Mrs. Deal leading in prayer.

Mrs. R. C. Brown installed Mrs. R. E. Warren as teacher and Mrs. W. O. Grace as assistant teacher.

Other officers installed were Mrs. Lelia Gomer, president; Mrs. Maggie Deal, vice-president; Mrs. L. A. Baxter, assistant vice-president; Mrs. Deal, social chairman; Mrs. Sam Bray, assistant social chairman; Mrs. J. M. McCreary, secretary; Mrs. W. O. Grace, class ministry; Mrs. W. G. Gooding, assistant class ministry; Mrs. C. G. Miller, reporter; and Mrs. W. G. Gooding, treasurer.

Mmes. C. M. Tucker, Dora Poe, Catherine Osborn, E. E. Garland, Sam Bray, F. C. Young and M. E. Tucker were installed as group captains.

Twelve members and two guests, Mrs. R. C. Brown and Mrs. J. R. Newton of Perry, Mo., were present.

During the social hour Mrs. Brown and Mrs. Baxter were presented gifts from the class.

Kazzie Mae Circle Meets for Business

SKELLYTOWN — The Kazzie Mae Circle of Skellytown First Baptist Church, met recently in the home of Mrs. Herschel Cone. Mrs. Pat Lee, circle chairman was in charge of the business meeting.

Mrs. G. Bewley, reviewed the book "Annie Armstrong".

Refreshments were served to the following guest, Mrs. Adolph Novontony and members: Mmes. Billy Tosh, L. L. Cooper, W. G. Campbell, Bill Lynch, Pat Lee, G. Bewley and Emma Gores. Mrs. L. L. Cooper will be the hostess for the next meeting.

Coffee Honors Allegro Member

Twentieth Century Allegro met in the home of Mrs. George Cree Jr., for a coffee in honor of Mrs. John Gentry, who is moving with her family to Bay City, due to her husband's transfer.

The members of the club presented Mrs. Gentry with a gift of appreciation for her work and friendship and wished her luck for the future.

For a stimulating and inspirational program presented to the members of Twentieth Century Forum Study Club, Mrs. J. R. Holloway chose three women of history. Of these women, Isabel of Castile, Catherine Mumford Booth and Lottie Moon, Edith Deen, in her book "Great Women of the Christian Faith" says "There are so many women who in the name of Christ and in the love of God and their fellows have made pre-eminent contributions to the spiritual life of the world—many women of many kinds of faith and work and there are many roads that lead to God, but all have the same goal."

Mrs. Holloway also used the new book "The Castles and the Crown" by Townsend Miller to present Isabel of Castile — the first to aid the Church in the new world.

"From her birth in Madrigal in 1551 destiny seemed to have set Isabella apart for high purposes. Prayer sustained Isabella throughout her career. On the other hand, her life was a great study in the art of statesmanship. She was a stern realist. In every crisis, she appealed to God, and proceeded to act with energy. It is this beautiful logic of her brain — this sense of proportion, this ability to concentrate all her efforts on one problem and then, having solved

it, to use it as a springboard and stepping stone for the next, that probably constituted the secret of her success," Mrs. Holloway said.

Catherine Mumford Booth, the second of the women selected, once heard a voice say: "I will make thee Mother of Nations." As the mother of eight children whom she sent forth to serve the afflicted, the down-trodden and the forgotten, and as "Mother" of the Salvation Army, she holds an honored place among the great women of the Christian faith. She became one of the most famous women preachers of her country. Lottie Moon, the third woman discussed, for forty years dedicated her life to Christian service among the women of North China. The gifted, well-educated, attractive daughter of an old Virginia family, she could have chosen a comfortable life in her plantation home. Instead, she chose privation, hardship and sacrifice among people who worshipped the mad idols of their ancestors. It was to these people, especially to the women, that she sought to make Christ real. A woman who possessed the staunch faith of her Quaker ancestors, she went forth as had the apostles, to preach the good news of Christ.

The hostess for the afternoon was Mrs. E. J. Dunigan, 110 W. Kentucky. Members present

MADRIGAL SINGERS — Members of the Madrigal Singers will present a part of the Christmas Concert slated by the Treble Clef Club, Dec. 3. Pictured left to right are Madrigal Singers, Mrs. Lonnie Richardson, Mrs. Gans Bairrett, Charles Vance, Miss Rosemary Lawlor, Mrs. Bruce Riehart and Mrs. John Gill, organist. Not pictured are Mrs. Paul Reimer, Malcolm McDaniel, Bob La Fon and Jim Dailey

Treble Clef Slates Concert

The Treble Clef Club, a member of the Texas and National Federation of Music Clubs, traditionally opens the Christmas Music season in Pampa with a Christmas Concert. The approaching Christmas Season is an appropriate time for such a concert, since so many of the great musical works have been inspired by the coming of the Messiah to the Earth.

This tradition began with the reorganizing and affiliation of Treble Clef Club with the Texas and National Federation of Music Clubs in 1953 with Mrs. Bob

McCoy as president and Mrs. Lonnie Richardson as vice-president.

The first concert was presented at First Presbyterian Church with the Treble Clef Chorus performing under the direction of Robert Payne. Mrs. Mae Forman Carr was accompanist. The program also had organist, Mrs. Fidella Yoder; and Mrs. Cecil Rentfrow and Mrs. John Fagan, Borger, violinists performing.

The concert has been held each year since then with variations in the program. A welcome addition to the concert

was the organization of the Pampa Madrigal Singers in August of 1960 under the direction of Miss Rosemary Lawlor.

The program for the past three seasons have included a group of carols performed by the Madrigal Singers and organ numbers presented by organists who are members of Treble Clef.

The program and participants for this season are: Choral Numbers by Pampa Madrigal Singers; "Sing Noel," "Hush! Hush!" "The Holly and the Ivy," "Sing We All Noel," "The

Bagpipe Carol," "Carol of the Drum" and "In Silent Night."

Madrigal Singers are Mmes. Malcolm McDaniel, Lonnie Richardson, Paul Reimer, Bruce Riehart, Miss Rosemary Lawlor and James B. Dailey, Charles Vance, W. Eugene Barrett and Robert LaFon.

Organists performing will be Mmes. Lois Fagan, Fidella Yoder and John M. Gill; Misses Eloise Lane and Juanita Haynes.

The public is cordially invited to attend the concert which will be held in the home of Mrs. Gans Bairrett. (See SINGERS, Page 16)

WINTER WEDDING PLANNED

Mrs. Jeanette Faye Nail (Photo by Call's)

Mr. and Mrs. Houston T. Nail, 1917 N. Banks, announce the engagement and approaching marriage of their daughter, Jeanette Faye to Art Emit Sommerfield, son of Mr. and Mrs. A. D. Willmann, Mason, Texas. The wedding is planned for December 21, and will be held in Hobart Baptist Church.

Pampa Delegates Return From P-TA Congress

Pampa and area representatives to the 54th Annual Convention, Texas Congress of Parents and Teachers, have returned, following the close of the meeting which was held in San Antonio.

Some three thousand Texas Schools delegates and parents attended the convention which followed the theme, "We the P-TA Seek to Understand the Family Story."

Well-known educators and persons learned in problems of school-teacher-parent relationships made up speakers for the convention.

Legislative resolutions were made and passed through P-TA, aid in prevention of school-dropouts, and to alert all parents to the value, significance and need for a thorough education.

Dinners were held honoring State Board members, and financial and standing committee reports were given and discussed. Festivities followed the business sessions of the convention and delegates were given a taste of "Old San Antonio."

Those attending from the Pampa area were Mmes. Melvin Watkins, Smith B. Sybert, Don Morrison, E. A. Russell, LeRoy Kretzmeier, N. L. Nicholl, Sidney Largin, Jack Benton, Paul Turner, Weldon Rogers and G. L. Kerkiseck; Miss Mary McKamy, and Dan Johnson, L. J. Edmonson and Sam Begert.

Singers

(Continued From Page 15)
be held in St. Matthew's Episcopal Church, 727 W. Browning, Dec. 3, at 7:45 p.m. A reception will be held in Parish Hall following the concert. No admission will be charged.

Use convenient outlets in the wall — not ceiling sockets — for connecting appliances. The wire in ceiling sockets wasn't intended to supply appliances.

Apply rubbing alcohol to ballpoint pen marks on cloth. This will also work on some leather furniture.

Christmas Program Set by Garden Club

Mr. and Mrs. Glen Radcliff were hosts for a recent meeting of the Pampa Rose Society. Acting as co-hosts were Dr. and Weldon Adair.

David Caldwell, president, presided and the club prayer was given by Cecil Cullum. Mrs. David Caldwell read the minutes and they stood approved.

Reports were given concerning the Rose Show. Dr. and Mrs. W. L. Campbell were welcomed as new members.

During the business meeting, officers for the coming year were elected. They include: Cecil Cullum, president; W. A. Bennick, vice-president; Garner Alneau, secretary-treasurer; and Mrs. A. B. Carruth, reporter and historian.

Mrs. H. H. Boynton, program chairman, presented a program

Scouting Scoops

By Nancy Holt
Senior Troop 5

After the past days of disbelief and sadness it seems both fitting and proper that we as Girl Scouts of the United States

of thoughts for Thanksgiving, and W. A. Bennick showed a series of slides made at a Rose Show and pictures made on a trip.

Following the meeting, refreshments were served to the twenty-one attending members.

Mr. and Mrs. David Caldwell will host the next meeting, a Christmas Party, at their home, 2208 Chestnut, assisted by Mr. and Mrs. Garner Alneau, on Dec. 17, at 7:30 p.m.

of America, try to understand how this affects us. First let us remember the words that Kennedy is remembered for saying, "Ask not what your country can do for you but what you can do for your country". As Girl Scouts we are "to do our duty to God and our country" at all times. This is an oath that each of us take the moment we become a Scout. As a Brownie we help "those at home." When we become Juniors we begin training ourselves for service in our country. Cadettes begin to have actual experiences in this type of work, but the real climax comes when we are Seniors. In this level of Scouting we really get to put to work all our previous years of training and experiences. We see our dreams shape into things that are real. We learn to apply our motto, "Be Prepared". Each troop should challenge themselves to do some service for their country; however, it should not be for special recognition that the troop may receive but for the good that will be done for the country. The Girl Scouts of Quivera Council salute the late President of the United States, John F. Kennedy, for his outstanding service to his country. Also let us not forget his wife, Mrs. Jacqueline Kennedy, who is the honorary president of the Girl Scouts of the United States.

The holiday season is upon us and the Girl Scouts aren't to be left out. We have already seen Thanksgiving come and go but Christmas is yet to come. Several troops prepared Thanksgiving baskets and will also prepare baskets at Christmas. The Santa Day Parade, which will be Dec. 5, has aroused the interest of many troops. At present several are planning their floats. I hope some of them win prizes! I'm sure they could use the money.

Also I have heard that a troop plans to visit the folks at Twilight Acres. The Christmas cheer they bring will surely be welcomed.

Several troops in our council have been quite active. Troop 20 has already had a Court of Awards. The ceremony was held Nov. 14, at the home of Mrs. Claude Ferrel. Girls who received the Pioneer Badge were Marsha Ellis, Mary Powell, Debbie Pritchard, and Deborah Ferrel. Housekeeping badges were awarded to Patsy Neslage, Marsha Ellis, Debbie Pritchard, Deborah Ferrel and Mary Powell. Deborah Ferrel also received the Swimming Badge.

Brownie Troop 40 is also quite active this fall. On Oct. 29, the troop had a Halloween party at the Parish Hall. All the girls wore costumes. They had several game booths and a fortune teller. The girls and leaders would like to send a thank-you to Natalie Skelly for helping them with the games. Everyone had a very good time and I'm sure that Natalie enjoyed every minute of it!

On Nov. 17, the troop held its investiture service. Sixteen new girls became Brownies and three other girls received year pins. Troop 37 acted out the Brownie Story for them. I'm glad to see that the troops are working together. This way both troops benefit.

Troop 40 has also been working on the Brownie "B's" which is part of the Brownie requirements under the Program Change. During October they learned the Brownie Promise.

Troop 40 will also perform the flag ceremony for the Lamar P.T.A. this month.

You have a wonderful troop Mrs. Searl and Mrs. Winegeart. Keep up the good work.

I heard that Troop 153 went to camp this week end. I hope it wasn't too co-o-o-ld!

A word of interest for Seniors planning for exact dates of Roundup are July 15-28 at Coeur d'Alene, Idaho.

As many of us know the National Girl Scout Convention was held at Miami Beach, Fla. from Oct. 21-25. Representatives from our council were Mrs. Marion Osborne, Mrs. Vaden Fowler, and Mrs. Muri Howard. Of course you can imagine how much fun anyone would have in Miami! However, the ones who attended the Convention received even more. They had the opportunity of meeting with Scouts from every state in the union. And just think of getting to hear Astronaut Gordon Cooper who was the main speaker! Mrs. Cooper and her two daughters also attended. Mrs. Cooper is a troop leader and both their

**William B. Travis P-TA Unit
Meets To Hear Guest Speaker**

"Is Education Our Affair?" was the program during a recent meeting of William B. Travis Unit, P-TA. Mrs. Lia Willis was the guest speaker giving a brief discussion on communism. Mrs. Marvin Holman, unit president, presided during the business meeting which opened with Den I. Pack 96 conducting the Flag Ceremony. Mrs. Ben-

nie Shackelford gave the invocation. The treasurer, Mrs. Weldon Rogers reported that the P-TA had made a profit of \$461.99 from the annual "Family Night" dinner. Mrs. Jack Oliver was elected to fill the vacancy of vice-president. Dan Johnson and Mrs. Rogers were named as delegates to the State Convention which was held last week.

The door prize, candy made by Mrs. Vernon Davenport, was won by Mrs. Bill Harris. Mrs. Blaine Nutt, first grade class, won room count with the first grade class of Mrs. James Langford winning second place. The next meeting will be held Dec. 12 at 7:30 p.m. A nursery will be provided for pre-school children.

To bring out the flavor of most cheeses, take them out of the refrigerator to reach room temperature before serving. Small pieces of cheese need about 15 minutes; large portions may take two hours.

Miss Doris Halley Mr. and Mrs. J. D. Halley of Lefors, announce the engagement and approaching marriage of their daughter, Doris to Clarence Jones, son of Mr. and Mrs. O. H. Jones of Burbank, Calif.

**Retirement Party
Honors Mrs. Marlin**

A party in her honor marked the retirement of Mrs. Ivan (Lela) Marlin from Southwestern Bell Telephone Co. The event, held in the lounge of Southwestern Bell office, was hosted by employees of the company and was attended by fifty guests. Friends and fellow-employees presented Mrs. Marlin with a gift and a twenty year award was handed her. Mrs. Marlin had been in service for the company since Nov. 15, 1943. She retired Nov. 17. She and her husband, an area gas-tester for Shell Oil Co., have two children, Mrs. Helen Miller of Colorado Springs and Ivan Marlin Jr., of Walton, Okla. They have seven grandchildren. She is an active member of the First Christian Church and her hobbies include collecting china cups and saucers and gardening.

Astonishing Biography Reviewed At Twentieth Century Forum Meet

Twentieth Century Forum met recently with the book "Mrs. G. B. S. A Study Club met recently with Portrait" by Janet Dunbar. Mrs. William Frazier 102 W. 15th, hostess for the afternoon. Mrs. Felix Vendrell, president, opened the meeting with a prayer for our country from the Common Book of Prayer. After a business meeting, Mrs. Frank Kelley presented the program. Carrying out the theme for the year, "She walks in beauty—", Mrs. Kelley reviewed

Charlotte stepped back into the shadows, leaving the spot light to her husband, who doted upon it.

Charlotte never ceased to fascinate that most fascinating of Irish wits, G.B.S. Raised amid prosperous middle-class morality, corseted by convention, repressed by a mother she detested, Charlotte watched her adored father, transplanted from the countryside to the social whirl of Dublin and London, simply fade away. When her mother's death brought the freedom for which Charlotte had bitterly struggled, she found herself unprepared. Having rejected suitor after suitor, she set out to find a purpose in life,

and as Shaw's "green-eyed Irish millionaires," she found it.

Drawing upon much previously unpublished material, including Charlotte's diaries, her letters from G.B.S., and the astonishing correspondence with Lawrence of Arabia, Janet Dunbar has created a vivid portrait of a remarkable woman and a remarkable marriage, Mrs. Kelley said.

Other members present for this meeting were: Mmes. William Ellis, Joe Franklin, J. R. Holloway, Homer Johnson, Harold Barrett, Calvin Jones, Holt Barber, John McCreery, M. McDaniel, Aubrey Steele and Arthur Teed.

P-TA Council Slates Meeting

Pampa P-TA City Council will meet Tuesday at St. Vincent de Paul School at 9:30 a.m.

A report on the state Convention will be given by Mrs. Melvin Watkins, president.

Mrs. R. A. Mack, chairman of the Mother's March, Norman Henry, city chairman, and Bill Power, Gray County chairman, will discuss the March of Dimes.

An executive board meeting will be held at 9 a.m.

Christmas Social Stared by Society

Mrs. A. H. Kouri, 2424 Navajo Rd., entertained members of the Top O' Texas Garden Club recently at her home.

A business meeting was conducted by Mrs. Kenneth Osborne president. A clean-up day was set for club projects and a report on the recent trip to Tulsa was made.

The program, on the subject of Christmas arrangements and accessories and how to make them, was given by Mrs. Osborne and Mrs. J. A. Knox. Refreshments were served during the social hour from a table decorated with a harvest arrangement of fruits and nuts, flanked by candles.

Attending were Meses. Fred Hinkley, J. A. Knox, L. B. Robertson, Kenneth Osborne, A. H. Kouri and W. R. Gabelman. The Christmas program will be held at 1:30 p.m. Dec. 17 in the home of Mrs. Kirby Hyman, 2107 N. Sumner.

Couple
(Continued From Page 15)
For a honeymoon to Colorado, the bride wore a three-piece black wool knit suit with red accessories and a corsage of white roses.

The bride is a graduate of Carson schools, and West Texas State University where she was a member of the W.T. Broad and Buffalo Gals. She is presently a member of the faculty at the White Deer Elementary School.

The bridegroom is a graduate of White Deer High School and is employed with Colquhoun Inc.

IMPORTS MINKS
MOSCOW (UPI) — Moscow Radio reported Saturday the Soviet Union has imported 2,000 minks from the United States.

Mrs. Nolan Is Shower Honoree

LEFORS (Spl) — A pink and blue shower was held recently in the Lefors Civic Center honoring Mrs. Tex Nolan. The serving table was laid with a white lace cloth over pink. The pink and white trimmed cake was inscribed with white letters saying, "BABY."

Favors were miniature pacifiers made of candy mints and jelly beans placed on a round mirror in the center of the table, with a white milk glass bowl of pink rose buds centered on the mirror.

Hostesses for the shower were Meses. Earl Lane, Danny Wilmon, Billy Keith, W. B. Minter, Alvin Cates, Johnny Taylor, George Fogleman, Jimmy Davis, Tom Florence, Bud Cumberland, Monroe Boucher, and Carl Wall.

Those attending were Meses. D. S. McDowell, E. D. Nolan, James Warner, Anna Payne, Flossie Butrum, B. T. Smith, Billy Smith, Larry Blair, Harold Kimbley, Doug Reeves, Ross Pool, Joe Clarke, Alba Shores and Miss Barbara McDowell. Approximately 40 persons who were unable to attend, sent gifts.

Progress of Square Shooters Continues

Mrs. Florence Burgess and Mrs. Melba Burch were named Queens for the week during the Mobeetie Square Shooters TOPS meeting held Tuesday.

Members of the club had lost a total of seven pounds the last week.

The meeting opened with the TOPS pledge being given in unison, followed by roll call which was answered with "My favorite low calorie recipe".

Hostesses for the meeting were Mrs. Bettye Reed and Mrs. Margaret Trout.

Total weight lost in November was recorded and it was reported that members had lost 48 1/2 pounds through dieting without aids.

Mrs. Georgia Mack and Mrs. Dorothy Mixon will host the meeting next week when roll call will be answered with "five reasons we want to reach our KOPS".

A program was given on the subject of Thanksgiving, and Mrs. Reed gave a brief discussion concerning proper diet.

Mrs. Thelma Harrison was named a KOP.

BETROTHAL TOLD

Miss Sharon Elaine Virden, Mr. and Mrs. I. M. Virden of Amarillo, announce the engagement and approaching marriage of their daughter, Sharon Elaine to Cecil Ray Collum, son of Mr. and Mrs. Cecil Collum, 1938 N. Sumner. A December wedding to be held in Amarillo is planned by the couple.

Scoops

(Continued From Page 15)

daughters are Girl Scouts.

This year the National Convention had 2901 delegates. Eighty-seven percent of the councils were represented. The total number of people at the Convention was 6,629. This included delegates, guests, official visitors, exhibitors, and part time workers. Boy, can't you imagine seeing 6,000 people in green uniforms!

I would like to say thanks to the leaders who sent news to the Scout Office. We appreciate it.

So long for this week. Happy Scouting to you and every other Girl Scout in the world.

Bride Honored With Shower

CANADIAN — A bridal shower honoring Mrs. Robert Chambers, the former Nancy Wheeler, was held Tuesday afternoon in the home of Mrs. Jack King. Co-hostesses were Mrs. John Waters and Mrs. Robert Dillman.

The honoree, her mother, Mrs. Elmo Wheeler, and her grandmother, Mrs. John Wheeler, were presented corsages of copper mums.

The entertaining rooms were warmed by an open fire and

decorated in the fall theme. The serving table was laid with a brown net cloth edged in brown felt. Centering the table was a cornucopia with an arrangement of fruits and nuts. Serving plates and dishes were of brass. Guests were served assorted cookies, yellow mints, nuts and Brazilian chocolate. Mrs. Morris Bennett and Mrs. Tom Hobdy assisted the hostesses. About 50 called during the afternoon or sent gifts.

Though In The Basement, Ice Cream Parlor of Gay Nineties Era Is Tops

By PATRICIA MC CORMACK
 United Press International
 WESTPORT, Conn. (UPI)—Shooting occurs regularly at the nation's newest "key club"—tucked in the basement of an ice cream parlor here.
 But no one calls the police. The 100 members of the key club shoot pool.
 Phil Harrison, who owns the Gay Nineties pool room and ice cream parlor, sometimes has nightmares, however.
 He dreams that a huge old folks' home opens within the confines of this town—made famous by Sloan Wilson in his book, "The Man in the Gray Flannel Suit."
 If that happened, Harrison might lose at least half his shirt.
 His ice cream emporium, you see, operates on the belief that certain people deserve free ice cream. Among those granted special privileges at the parlor

are men and women 65 years of age and over.
Celebrities Pay
 So far, vanity being all, no celebrities who have spooned sweets at the parlor have taken advantage of the free food based on age.
 Neither have members of the black tie parties staged at the parlor opening nights by famous persons attending the Westport Country Playhouse.
 Celebrities have included Elizabeth Taylor, Debbie Reynolds, Eddie Fisher, David Susskind, Jackie Robinson, Gene Tierney, Errol Flynn and Michael Todd. The signatures of several hundred other notables adorn the parlor's menu. No Richard Burton—yet.
 The special offers on items 75 cents or less for those between 80 and 85 years: Half price, any day; between 85 and 90, three-fourths off; 90 and over, no charge.

Dear Abby.... Leave "Big Apple" In The Garden of Eden!

By ABIGAIL VAN BUREN

DEAR ABBY: Why do adults make fun of teen-agers? They laugh at our clothes, our hair styles, our music and our dances. If they would just sit back and remember what they were like when they were teen-agers, maybe they would stop criticizing us. Please print this letter, Abby. It means an awful lot to us kids.
-DISAPPOINTED IN ADULTS-
DEAR Disappointed: Adults who make fun of today's teen-agers must have amnesia. Ask them to refresh their memories with their old high school annuals. The clothes and hair styles between 1935 and 1945 were as kooky as anything seen today. As for the music, can you too "I'm Dancing with a Dolly with a Hole in her Stocking"? And the "Big Apple" should have been left in the Garden of Eden.
DEAR ABBY: How do a host and hostess get rid of a guest who has been invited to a cocktail party from five until seven but hangs around as long as drinks are being served and a few others remain? This can be very embarrassing when one has invited, say, 30 for cocktails and only 8 for dinner, immediately following the cocktail party. Thank you.
PARTY GIVER
DEAR PARTY GIVER: There is NO way "gracefully" to inform a guest that his welcome has expired. You will never out-drink him, so either hand him his hat, or invite him to stay for dinner. (And remember him the second time around.)
DEAR ABBY: We have just had a death in our family. Is it proper to send out Christmas cards as usual? I have heard it was considered bad taste.
NEEDS TO KNOW
DEAR NEEDS: A death in the family is no reason to withhold holiday greetings to your friends. Send them as usual.
CONFIDENTIAL TO "BEATING MY BRAINS OUT AT V.M.I.": Perhaps this old Chinese proverb will help: "He who knows not, and knows not that he knows not, is a fool. Shun him. He who knows not, and knows that he knows not, is a child. Teach him. He who knows, and knows not that he knows is asleep. Wake him. He who knows and knows that he knows is a genius. Follow him."
 What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.
 For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.
 If fat catches fire in a skillet or broiler, throw baking soda on the blaze. Soda smother's the fire by forming carbon dioxide gas which shuts out the oxygen.

Mr. and Mrs. James A. Cox

Couple Married in Ontario, Canada Will Establish Residence in Pampa

The best man was Ricky Cox, of Pampa, brother of the bridegroom. The ushers were Vytas Bickauskas, of London, Ont., and Ronald Dawkins of Timmins.
 Following the ceremony, an afternoon reception was held at the Oak Room of the Empire Hotel and an evening reception at the home of Mr. and Mrs. Paul Larcher, Hon. J. W. Spooner proposed a toast to the bride. Entertainment was provided by Freddie DelGuidice orchestra, Gino Marescotto and Joseph Cowan.
 The bride's mother received the guests and wore a three-piece brown suit with black hat and accessories. The bridegroom's mother also received and wore an eggshell tone two-piece suit with dark brown mink hat and matching accessories. They wore rose corsages.
 The newlyweds will leave for Pampa, where they will reside. For travelling, the bride will wear a turquoise suit with black accessories.
 Mrs. Cox is the former Miss Gloria Larcher, daughter of Mrs. Jeanne Larcher. The bridegroom is the son of Mr. and Mrs. Harold Cox, of Pampa.
 The church was decorated with baskets of autumn flowers and lighted candles. Canon H. G. Jones officiated at the ceremony. Traditional wedding hymns were played by Miss Gail Blain, church organist.
 Given in marriage by her godfather, Paul Larcher, the bride chose a Chantilly lace and peau de soie street-length gown. A crown of lily-of-the-valley held in place her shoulder length veil. She carried a bouquet of red roses.
 The bride's only attendant was her sister, Mrs. Gilberte Dawkins. She wore a Nile green crepe chiffon dress with matching crown and veil. Mrs. Dawkins carried a bouquet of white and yellow roses.

Don't Worry About Feet on Desks, Tilted Chairs If Grades Are Good

By PATRICIA MC CORMACK
 United Press International
 NEW YORK (UPI)—If junior's making good grades but upsets you by studying with his feet on the desk and the rest of him in a tilted chair—don't rock the boat by making him straighten the chair and plant feet on the floor.
 Whatever his unorthodox way, if it works, it's probably a good study habit.
 Who says so? Dr. Gerald Gladstein, associate professor of education at the University of Rochester.
 He has been studying the relation of study techniques to academic success. He's found that there is no clear evidence that the study techniques commonly accepted as "good" apply to every youngster.
Find Suitable Method
 Moreover, says he, despite popular belief, students who use unconventional study methods may turn out as well as those who use currently recommended techniques.
 "This is not because they're more intelligent," he said, "but simply because they've found the study methods that are most suitable for their particular personalities."
 The educator said recent research indicates that a young-

Ever Use A Clove On Corned Beef? Try It! Be Surprised

GLAZED CORNED BEEF
 (8 servings)
 5 lb. corned beef (brisket)
 Water to cover
 Whole cloves
 4 teaspoons powdered mustard
 2 teaspoons water
 2 teaspoons cider vinegar
 ¼ cup dark corn syrup
 ¼ teaspoon ground allspice
 Place corned beef in a 4-quart saucapan. Add water to cover. Bring to boiling point in a covered saucapan. Reduce heat and cook 4 hours or until meat is tender. Remove from water and drain. Place on a rack in a shallow baking pan, fat side up. Score fat and stud each square with a whole clove. Set aside. Mix mustard with water and let stand 10 minutes, for flavor to develop. Add remaining ingredients. Mix well. Spoon half the glaze over clove-studded corned beef. Bake in a preheated slow oven (325 degrees) 30 minutes. Remove from oven and spoon remaining glaze over the top. Bake 20 additional minutes or until corned beef is glazed and browned.

Jewel Pin Rite Observed By New Members of Alpha Omicron, ESA

The Jewel Pin Ritual was held for Mrs. Lonnie Johnson and Mrs. Albert F. Weber during a recent meeting of Alpha Omicron Chapter of Epsilon Sigma Alpha in the Hospitality Room of Citizens Bank.

Fifteen-year pins were presented to Mrs. Boyd Maule and Mrs. Kenneth Royse. Five-year pins were presented to Mrs. Jack Hunter and Mrs. W. R. Pairsh.

After the Jewel Pin ceremony, a business meeting was conducted by the chapter president, Mrs. W. R. Pairsh.

A report on the district meeting held last month in Amarillo was read by Mrs. Royse.

Mrs. Lynn Bybee was introduced as the new treasurer, replacing Mrs. James S. Crouch, a now inactive member.

It was announced that Alpha Omicron is to have the money making project for the forthcoming District Meeting to be held in Tulsa. Mrs. Ted Everhart was elected committee chairman to head this project. A report was given by the

Welfare Committee. Mrs. Boyd Maule, chairman, concluded by the adoption of a welfare project for Christmas.

The Christmas Dance, scheduled for Dec. 13, in the Starlight Room of the Coronado Inn was discussed. All members were asked to submit invitee's names by Dec. 1.

Members attending were Mmes. Lynn Bybee, Ted Everhart, Jack L. Hunter, Lonnie R. Johnson, Ralph F. Ludwig, James H. Lewis, James G. Malcolm, Boyd Maule, J. M. Messinger, W. R. Pairsh, Kenneth Royse, Jake C. Webb, Albert F. Weber and Buck Worley.

Luncheon Honors Mrs. T. Newton

CANADIAN (Sp)—Mrs. Troy Newton was honored at a birthday luncheon recently in the home of Miss Lola Studer.

Present in addition to the honoree were Mrs. W. O. Lee of Amarillo; Mrs. C. R. Tioos; Mrs. Jim Bayless; Mrs. Willie Ayers and Miss Alice Shaler of Whitesboro; Mmes. Tom Hext, L. S. Hardage, Carl Studer, Orrin Gross, Jim Reid and Preston Hutton.

The luncheon menu included baked ham, corn casserole, fruit salad, celery, pickles and olives, hot rolls and jelly and ice cream and cake.

During the bridge games which followed cold drinks and candy were served.

Mrs. Hext tallied high score for the afternoon, Mrs. Hutton second high and Mrs. Newton low.

AWARD WINNER — Johnlyn Gay Mitchell, seated at piano, winner of a 1963 Dimitri Mitropoulos Award in music is shown with Mrs. Ania Dorfmann, standing, one of the world's great pianists. Miss Mitchell, a junior at Stephens College in Columbia, Mo., is the daughter of Mr. and Mrs. John C. Mitchell, 328 N. Faulkner. She is a member of Sigma Gamma Gamma, honorary music sorority and is accompanist for the College Concert Chorus.

International Day Program On Russia Given at Twentieth Century Meeting

The Twentieth Century Club held an International Program meeting in the home of Mrs. Joe Gordon Tuesday afternoon with Mrs. Tom Rose, president in charge.

The meeting was called to order and Mrs. Rose led the Pledge of Allegiance to the American and Texas Flags, followed by a poem-prayer entitled "A Thankful Heart" by William Fitzgerald.

Minutes of the last meeting were read by the secretary, Mrs. Jack Stroup. Mrs. Bob Andis, treasurer, gave the financial report which was accepted and filed. Standing committee reports were given by Mrs. W. R. Campbell, reporting on the Thanksgiving basket and materials for the mental hospital in Wichita Falls; Mrs. H. R. Thompson, Education committee chairman, reported on the program in Carver School; Mr. David Tucker reported for the Texas Heritage committee.

Mrs. Bill Roots, program chairman, presented the program by quoting the club theme for the year, "Knowledge, Love, Service — Take Daily to Build Character", before she introduced the guest speaker, Mrs. J. G. Morrison who spoke on the subject of Russia, entitled, "Twelve Days Behind the Iron Curtain".

Mrs. Morrison commented that the many visitors to Russia had done much to educate the Russians, and felt that there was some degree of relaxation of the people. Much of what the Russian people know is limited by the language differences and the censorship of the government. Mrs. Morrison commented on cuisine of the Russians,

and the effectiveness of the custom officials, as well as the use of the Intourist guide. One of interesting statistics given was that only 12 million of the 200 million population are communists. The architecture is prefabricated brick and concrete which was starting to crumble, and protectors had been erected to protect pedestrians on the street from falling debris. The parks of Russia were lovely and well used by the population. Mrs. Morrison interestingly related the experience of buying oranges in Leningrad. On the 4th of July the American Embassy provided the Americans with a reception which was of great impetus to the American tourists. The gorgeous marble and crystal chandeliers of the Moscow was designed as a commemoration to the Russian War dead of the 15 states making up the Soviet Union. The summer palace of Peter the Great at Leningrad was described as one of the beauty spots of Russia that is being restored following its destruction and further destruction left from the 900 days of siege. Many of the objects of art have been brought in from other countries. The Heritage will be one of the show places in the world when the Iron Curtain falls.

The Marriage Palace was the site for all marriages, to be followed by a 30 day honeymoon, with an apartment promised at the end of five years, or two children. Until such time, the couple lived with their parents if possible, or if not, in separate domiciles. On the economic scene, about half of the women

are employed, the children being cared for by nurseries, and grow into the Pioneer Groups. The agricultural picture portrayed an overall of 70,000 collective farms selling to the State for a set price. Salaries paid were \$200.00 monthly to teachers, 225.00 to doctors, an 300.00 to engineers. Income tax amounted to 5 per cent. Education is provided by the State, and students in upper grades may choose their vocational studies.

Religion is to be found mostly among the older generation, and the new born are baptized in a Baptismal Palace with a gala ceremony to de-emphasize the religious side.

In summarizing her evaluation of Russia, Mrs. Morrison stated that the people were now

Traditionalists Battle the Knots

By HAROLD SHEEHAN
Newspaper Enterprise Assn.
NEW YORK (NEA)—The battle rages throughout the land and probably never will be resolved, so fierce are the loyalties. The question: to tie or not to tie.

"The man who uses a snap-on cheater instead of tying his own tie would probably cheat elsewhere," goes the argument on one side.

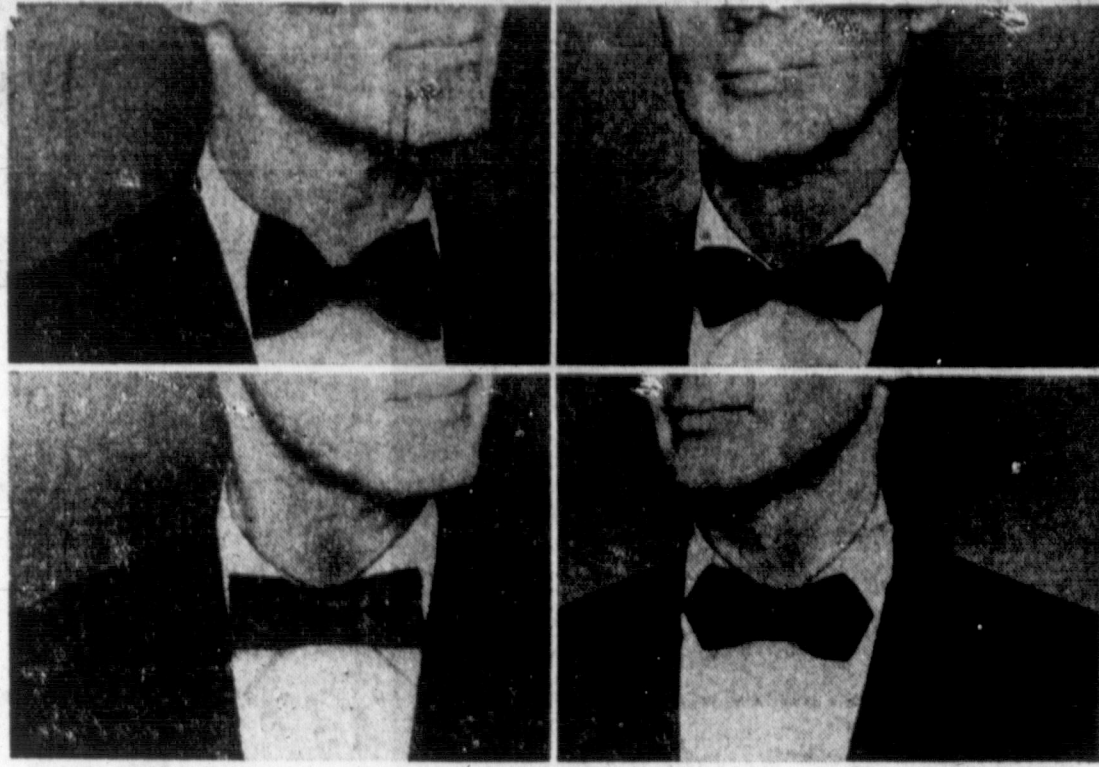

On the other: "The do-it-yourselfer is as out-of-date as the Flat Earth Society." Progress, it is argued, has freed mankind from the drudgery and frustration of struggling with the unfamiliar bow tie before heading for the formal dance. Besides, they say, few men really know how to tie a tie straight. Someone at the factory does.

Nonsense, snort the traditionalists. Anybody who can tie his shoe laces can tie his necktie. It's the same knot.

Well, there probably will be no settling this one with a truce signing. However, if you are among that group of progressives who buy their ties ready-made, there is happy news around.

Not only can you purchase a snap-on tie to match your formal outfit, you also have a choice of tie shapes which suit the contour of your face or your mood.

One major formal house (Aft-

Knotty problem is solved with such eye-catching creations as these four clip-on ties for formal wear. Designs are (clockwise from upper left) conventional bow lined with white satin; rounded and straight edge; modified butterfly with pointed ends, and straight-across chunky bow. (After Sh)

er Six) is in the market with a variety of cheaters designed to please everyone except the do-it-yourselfer. And perhaps, after seeing these creations, even he can be converted.

One is black satin, lined with white satin; another is in a butterfly shape, still another offers fringed edges, and there is a

modified butterfly featuring pointed ends.

If you are nimble and an expert Boy Scout you just might be

able to put such creations together from straight stock—but each man must sit in judgment of himself on this knotty problem.

Joy Russell W.M.U.

Refreshments of coffee, punch, fruit salad and cookies were served members of Joy Russell Circle of Hobart Baptist Church by Mrs. Larry Ray as they met in her home recently for a missionary program.

Mrs. W. O. Hyde assisted the hosts.

A review the mission book, "Bill Waldon of China" was

Circle Holds Meet

It is the story of the life of a Baptist missionary to China during the communist takeover of that country; his witnessing during his own physical suffering in a communist prison camp and his eventual death at the hands of his captors.

The next meeting will be held Dec. 4, at 9:30 a.m. in the church.

REGAL TREAT—Purple plum pudding. Serve with egg-nog sauce.

Find Out How Efficient Your Kitchen Is Before Christmas

Just how efficient is your kitchen? If you don't already know, you'll find out when it's time to treat the Christmas crowd to turkey and the trimmings.

Size is not the determining factor. Some big kitchens are so poorly arranged that a gal has to do a combination of the twist and a broad jump to prepare a simple casserole.

The point is to get work areas close enough together so that no motion is wasted. Kitchen range, sink and refrigerator should be located at the tips of a tight triangle. The refrigerator should have counter space on at least one side for easy loading, and range and sink should have counters on both sides. If the ovens are wall style, they also need a counter directly adjacent, and preferably one which will take heat.

Sounds easy, doesn't it? And it is. There's no reason to settle for less.

Cabinet design is equally important. Upper cabinets should be within easy reach, and base cabinets should be equipped with shelves mounted on glides to

eliminate bending and reaching. You need a bank of utensil drawers directly next to the range, and at least one cabinet for frequently used pots and pans. One upper cabinet adjacent to the range should be earmarked for spices.

The dishwasher and china cabinets are bugaboos, frequently poorly located. Try to place the dishwasher so that you can unload directly to the china cupboard without taking a step, and get that dish cupboard as close to the table as possible.

Appearance is another determining factor in kitchen efficiency. There should be a mood of serenity, not laboratory sterility or front parlor fussiness. Dust-trapping curlicues should be eliminated in favor of modern clean lines in cabinetwork, and cabinets should be light in color, never sombre. For this reason many kitchen designers now specify light toned, vertical grained woods such as Douglas fir. Fir's golden beige coloring has character and depth which is best enhanced by the application of a sealer coat and a washable, matte finish plastic lacquer. No additional coloring is required.

For the serene, uncluttered look, repeat the fir as wall paneling throughout the kitchen, but extend the countertop laminate six inches up the wall for a backsplash.

Color scheme is a big item on the efficiency checklist. Pastels are soothing and the best bet for making the cook feel bright and cheery while she's working, according to psychologists. More intense shades like turquoise and melon are also good, but dark or muted colors are not recommended. The ceiling should be a bone or oyster tone for best light reflection without glare.

Garden Club Holds Workshop For Fruit, Vegetable Arrangements

The Pampa Garden Club met recently in the home of Mrs. John Sweeney for an all day workshop on fruit and vegetable arrangements.

A short business session was conducted by Mrs. Myron Dorman, president. A report was made on the recent Zone meeting in Tulsa. It was announced that 13 members from the Pampa Garden Club attended that meeting. Plans for a bake sale to be held Dec. 20, in the Hughes Building were told.

Manners Make Friends

Some families breakfast in pajamas and bathrobes. A weekend guest follows suit, if his sleepwear is fit for public view.

Thelma Bray announced the approval of two roadside parks in our area by the Texas State Highway Department.

Mrs. Myron Dorman gave a short program of pointers on making fruit and vegetable arrangements.

Members then ate lunch from the sack lunches they brought, with drinks and dessert furnished by the hostesses: Mrs. John Sweeney and Mrs. Lee Moore.

After lunch, members practiced making fruit and vegetable arrangements.

The next meeting of the Pampa Garden Club will be Dec. 3 at 2 p.m. in the home of Mrs. Bob Miller, 2223 Aspen.

It will be the Christmas party and gift exchange.

Dress Like an Actor

By HAROLD SHEEHAN
Newspaper Enterprise Assn.
NEW YORK (NEA) — Some how you have to admire a man who gives away his 250 suits of clothes to charity because "I wanted to start fresh."

The man is actor George Hamilton, 34, who has just finished work in Columbia Studios' "The Victors."

He explained that it isn't as pretentious as it sounds for a busy actor to have a bulging closet. Clothes made by the studios for filming may be bought cheaply after the shooting.

Now Hamilton owns a mere seven suits each in New York, London and in his California home. When traveling he just totes a shaving kit.

Of course, it isn't a question of how many or how few suits a man owns that matters. It's what he does with what he has, Hamilton, for one, does plenty.

Herewith some clothing tips from one of Hollywood's youngest and best-dressed leading men:

—If you can afford it, have at least one suit custom-made (often confused with "made-to-measure"). This is a long process and requires several fittings. Then, once the suitmaker has all your dimensions, you can order made-to-measure suits at a fraction of the cost. And they will fit perfectly.

—Favor three-button, natural-shoulder suits for all-around wear. Duck extreme styling, such as Italian cuts. Reason, they have limited usefulness and you won't get your money's worth from them.

—Socks: Purchase seven pairs of black, stretch socks which hit just below the knee and you're in business.

—Shoes: Four pairs are enough for any man as long as they are wisely selected and of good quality.

—Pants holder-uppers. Hamilton does not like belts or suspenders, favors waist tabs.

—Undershirts: Maybe this is carrying fastidious dressing too far, but Hamilton wears no tee shirt or athletic shirt beneath his shirts. The wrinkles show through, says he.

Careful and intelligent dressing is important, especially for the bachelor, Hamilton believes. He is unmarried.

Yet, it doesn't seem likely that many girls would notice a crooked tie in his case. Hamilton, although he divested himself of 250 old suits, still likes to pick up his dates in the same, old, natural-shoulder Rolls-Royce.

And that, buddy, you don't buy off the rack.

Efficient temporary home office is built from portable metal cabinets. They lock to protect private papers.

Try Small Compact Metal Boxes And Cabinets for Home 'Office'

By KAY SHERWOOD
Newspaper Enterprise Assn.
It never pays a homemaker to get smug about her household business efficiency rating. I learned this to my sorrow when we moved.

In our old home, I had just had a built-in filing cabinet and desk installed after several years of scripping. As I stepped back to admire the beauty and efficiency of it all, the orders came to start packing. I hope the new owner will appreciate the careful planning of shelving, cabinetry and lighting that went into this "home office."

As for me, I'm back in temporary quarters, trying to keep household papers separated from bills, canceled checks in orderly file, recurring expenses such as insurance premiums on tap where they won't be lost.

In an effort to straighten out papers and set up a temporary but not too makeshift "home office" I've gone to the relatively low cost metal cabinets which are sized to accommodate the usual business papers.

The portable metal check files, for example, are big enough to hold a year's supply in monthly slots. A check file is also the right size for receipts. Larger metal cabinets hide the manila folders filled with other papers. The point is that they are neatly contained behind subdued gray doors. Such portable equipment can be set up in almost any corner—next to a kitchen table, for example.

When and if the day comes that a more glamorous office can be planned, the cabinets can be used for storage of records in a basement or utility room. Their metal construction foils warping, mildew and dust. Many of the boxes can be locked—a desirable point if you use an open garage or utility room for the storage of private papers.

Suburban Housewives Go To Hairdressers, Relieve Tensions

By GLORIA ROCHMAN
Newspaper Enterprise Assn.
PHILADELPHIA (NEA) —

When it comes to relieving tensions, toddlers have their Teddy-bears, Park Avenue matrons have their analysts, and suburban housewives have their hairdressers.

Evidence is building like lather that the modest soap where women used to go for a "wash and set" has turned into a modern-day analyst's den—a haven where the average American female retreats once a week for shampoo and sympathy.

What is it all about? "It's hard to explain and I'm not sure I know myself how the relationship starts," said Harvey Shapiro, an Atlantic City hairdresser. He wiped his brow in mock horror and revealed, "With some of them no holds are barred. The minute they sit down it's like somebody gave them a truth drug. They talk about their husbands, their in-laws, their sex life. You wouldn't believe it."

The proprietor of a fashionable Fifth Avenue salon in New York insists his customers come to him to "sound off" as much as to have their hair styled.

"I'm sure I could sooner get away with doing a lousy hair job than with turning a deaf ear."

"They depend on the sessions with me each week just as people seeing psychiatrists do."

Psychiatrist Louis Sussman agrees. "It all comes down to inner unrest in the female," he explained. "We live in a culture full of the superficial, the hypo-

critical, a world of tinsel and synthetic realities. It makes a woman insecure. Many don't know their roles in life and they seek opportunities to ventilate their tensions." Specifically, they've got to talk to someone.

He also points out that "the suburban housewife is especially susceptible. She is uprooted, has more leisure time, is dissatisfied with herself. She is looking for some fulfillment paradise."

And, it follows that the beauty salon has become her paradise and her hairdresser her confidante.

"I think it's all part of a pattern," suggested Al Liberto, one of three Philadelphia members of Internationale des Coiffeurs de Dames, the Harvard Club of the beauty clan.

"The operator helps create the pattern. He breaks the ice with a new customer with polite conversation," he said, "and she replies with 'I'm not feeling so good. Just came from the doctor and he says maybe I need an operation.'" Her next visit he asks about the situation and that's how it starts.

Student

(Continued From Page 28)
ster's personality can influence his study behavior.

One type of student, for example, does best if he studies alone, has a fixed time and place for studying, and systematically reviews his notes in preparation for exams.

Such a student is likely to rely considerably on memorizing his material.

Another type studies more efficiently with others, particularly if he can discuss ideas and get other viewpoints. Typically, this type has been found to be more interested in feeling that he understands something than in memorizing facts.

The important thing for parents, teachers and counselors to remember, says Dr. Gladstein, is that there is no one "best" study method that all students should use.

Should Experiment
What this means for students: A youngster who doesn't use "approved" study methods should not be made to feel guilty or inadequate — as long as his study techniques work and are appropriate for him.

Dr. Gladstein said parents and teachers ought to encourage youngsters to experiment with study techniques rather than to methods.

What's more, when making suggestions about study, he advises parents and teachers to: "Consider the student's personality as well as his abilities and his past achievements."

The Pampa Daily News

A Watchful Newspaper

EVER STRIVING FOR THE TOP O' TEXAS

TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license nor anarchy. It is control and sovereignty of oneself, no more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.

Entered as second class matter under the act of March 3, 1879.

A Question Of Necessity

The idea of compulsory arbitration of labor-management disputes goes against the American grain. Collective bargaining is an honored part of the American tradition.

Yet, in these discordant times, disputes can reach a point where the public interest must be given precedence. The threatened railroad strike, which was blocked at the last moment by reluctant legislative action of an unprecedented nature, is the most recent example.

Now it is proposed that a United States Labor Court be established. As with other federal courts, its members — a chief judge and six associate judges — would be appointed by the President with the consent of the Senate. Its jurisdiction would be limited to matters of top national importance, where the disputants had reached an impasse and the public welfare was at stake. These matters would be referred to it by the

President, or by the opposing parties themselves. The court's decisions would be final.

Many compelling arguments pro and con, can be brought to bear on this proposal. The main question is not whether such a court is desirable, but whether it is necessary. The giant labor organizations of today, working on an industry-wide basis which was unknown in past times, have the power to totally shut down services which are vitally essential to the public welfare — and, moreover, to the national defense. The hope is that, whether or not such a court is created, there will be a new era of statesmanship, on the part of both labor and management, which will see the handwriting on the wall and make collective bargaining work fairly once again. The less a labor court, armed with the power of compulsory arbitration had to do, the better off this country would be.

'Neither Harsh Nor Punitive'

It can be reliably stated that opposition to current Rural Electrification Administration activities and projects, and to the special privileges granted by an old law to REA co-ops, is growing, and fast. And this is finding its reflection in Congress.

The prime example is found in a bill introduced by Senators Lausche and Bennett — a Democrat and a Republican. This would end the 2 per cent interest rate at which the co-ops can borrow the taxpayers' money — an interest rate which is roughly half of that the Treasury must pay on its long-term borrowings. All REA loans would be made at the average rate of interest the Treasury must pay. In other words, so far as borrowed money is concerned, the co-ops would be required to pay their own way, instead of leaning on a taxpayer subsidy.

Furthermore, the bill stipu-

lates that no REA loan be made "except for the sole purpose of furnishing electric energy to persons in rural areas who are not receiving central station service. . . . This was the obvious intent of Congress when the REA movement was authorized back in depression days. A provision to that effect was written into the original bill. However, the wording was apparently imprecise, and many co-ops have moved into service areas which haven't the slightest connection with true rural electrification.

The Milwaukee Journal, which is certainly no foe of providing rural areas with abundant electric service, has said this of the bill: "The Lausche - Bennett proposal is neither harsh nor punitive. It should threaten no existing service. It simply would insist that the REA hoe the row Congress originally set for it." High time!

Between the Bookends

A NEW PIECE IN THE JIGSAW PUZZLE OF HISTORY Did the Soviets really steal the secrets of nuclear energy and its military application? The question has been exhaustively answered, but it continues to be asked because what it really asks is, "Do spies and traitors really exist?"

That they do exist, to what extent they exist, how they work, and specifically how they stole the secrets of the A-Bomb, are subjects of Ralph de Toledano's "The Greatest Plot In History" (Duell, Sloan and Pearce, 60 E. 42nd St., New York 17, N.Y., \$4.50).

If the Soviets had put up the money and the materials, Soviet scientists might have duplicated the work that preceded the development of American nuclear weapons. But that would still have been only the beginning. It took four years for the massed industrial might of America's industrial giants, the greatest convention of scientific minds in history, and endless resources of raw materials and trained labor, to produce the primitive bomb that fell on Hiroshima.

with modern techniques. It now works in the open, in many disguises and on many fronts, openly manipulating hopes and causes before betraying them. It is not generally realized that the colossal crime of the theft of the A-Bomb involved operations on two continents and in half a dozen countries.

Poisoned Thinking The book points out that the plot would not have succeeded if Communism had been understood and rejected by all honorable men in the 1930s and 1940s. Or if the scientific community had not been poisoned in its thinking by agents of the Soviet "apparatus" who convinced it that security, FBI vigilance, and a concern for subversion were abominations. Or if the intellectual community were to see Communism as an occasionally misguided, but essentially idealistic, experiment in social engineering.

Until the Communists have told their last lie, betrayed their last friend, and conquered their last enemy, voices will continue to plead that the Kremlin be given still another chance to demonstrate its good intentions. "The Greatest Plot In History" is a tale of many men and many cities, of mixed motives, misplaced idealism and ruined lives, of duplicity and innocence. And it proves that truth can make even more fascinating reading than fiction.

The greatest number of forest fires in Texas occur in March.

Edson In Capitol

By PETER EDSON

NEA Washington Correspondent

WASHINGTON (NEA) — Only 53 per cent of 3,000 Americans questioned in a scientifically conducted national survey think there is a good chance to avoid a third world war.

The poll was taken by the Elmo Roper organization for the Atlantic Council of the United States, Inc.

Atlantic Council is a private organization to promote a stronger alliance between western Europe and North America. Its three honorary chairmen are ex-Presidents Hoover, Truman and Eisenhower. Its active chairman is Gen. Lauris Norstad, former commander in chief of North Atlantic Treaty Organization armed forces.

Carefully tabulated results of the comprehensive, 60-question survey indicate that "internationalist" sentiment in the United States has made impressive gains over "isolationist" sentiment during the last 10 years.

But the grim fact that only slightly more than half of the adult populace thinks there is a chance of avoiding World War III sticks out in this report with an ominous warning.

Thirty-two per cent of those polled said they thought this war was inevitable, with 15 per cent saying they did not know.

This is almost an exact reversal of the results in a similar poll taken for the Atlantic Council in 1952. With the Korean War still on at that time, 53 per cent of those interviewed thought a third world war was inevitable, with only 35 per cent thinking it might be avoided.

The increase from 35 to 53 per cent in those who think another world conflict can be avoided is still regarded as a kind of "skin-of-teeth" escape from disaster. But it can be interpreted to explain many facets of current political thought.

It reflects the opinions of many highly vocal Americans who mistrust the Russians, favor a big build-up of U.S. military forces, think this country must be prepared to fight communism wherever it rears its ugly head, oppose both the nuclear test ban treaty and any steps toward disarmament.

These are the causes held most dear by many of the conservative minority groups in America. A measure of this minority sentiment is revealed in the Atlantic Council survey finding that only 29 per cent think the United States is doing all it could to prevent World War III. On the other hand, 59 per cent think the United States is doing its best to preserve world peace.

As for policies to prevent war, 9 per cent of those responding in the survey think the United States should not join any more international alliances. And 7 per cent think the U.S. should get out of the alliances it is now in.

But 21 per cent think the United States should continue to work with the United Nations; 35 per cent think the U.N. should be strengthened, and 11 per cent think steps should be taken to convert it into a world government.

Only 12 per cent of those polled, however, would favor surrender of American sovereignty to achieve this end.

As for the kinds of military preparedness the U.S. should take, 3 per cent of those polled think there should be a "preventive" war just as soon as American military leaders feel they can win.

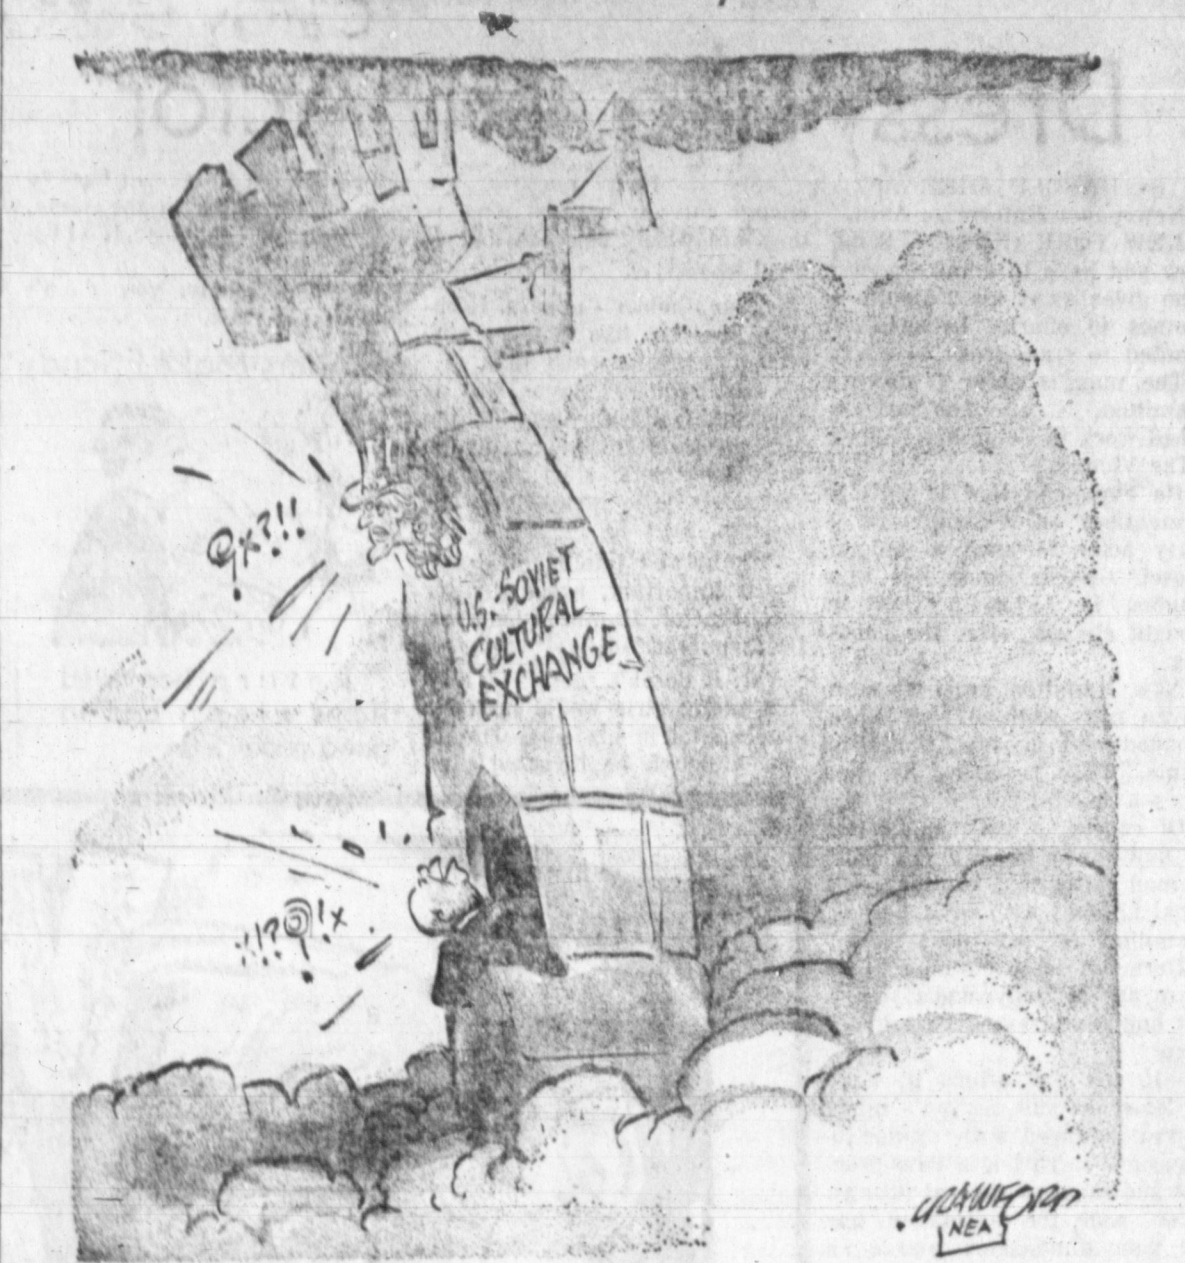

Four per cent say quit relying on military strength and make the best deal possible with the Communists, even if it means some sacrifice or appeasement.

In between these two extremes, 17 per cent think the United States should rely wholly on its own resources and 68 per cent favor building up friendly country alliances.

This poll is considered important not just as a measure of American opinion on foreign policy, but also as a guide for U.S. political parties and candidates in the 1964 elections.

It would indicate, two-to-one support for the Johnson, Eisenhower or Rockefeller policies on international co-operation. The policy for a more wholly self-sufficient America, with less dependence on foreign alliances, which is being espoused by many of the supporters of Sen. Goldwater would seem to have the backing of that third of the population which the Atlantic Council poll finds believing World War III is inevitable.

Trouble in the Ivory Tower

Allen-Scott Report

Attorney General Seems Likely Choice for No. 2 Spot With President Johnson on '64 Democratic Ticket

The Almanac

By United Press International Today is Sunday, Dec. 1, the 355th day of 1963 with 30 to follow.

ROBERT ALLEN

PAUL SCOTT

WASHINGTON—Attorney General Robert Kennedy looms as a distinct possibility as President Johnson's running mate next year.

This dramatic political likelihood was a major topic of discussion among the scores of Democratic governors, national committeemen and other party leaders who poured into the Capital for the funeral of the assassinated President. In between the tragic obsequies, the politicians conjectured worriedly about their own and the party's prospects in 1964.

Uppermost in these muffled discussions was the question of the vice presidential choice. On that, three factors appeared to be taken for granted:

— President Johnson will head the ticket. None of the Democratic chiefs indicated the slightest doubt about that. There were no hints or other intimations that he might be challenged for the nomination. All the talk assumed he is now the top party leader and will be its standard-bearer.

— Johnson's preference will be decisive in the selection of the No. 2 man on the ticket. There was much talk about anticipated jockeying and maneuvering for his favor; that potent pressures will be exerted in behalf of various candidates. But the feeling was general that whoever Johnson gave the nod would be approved by the convention.

— The Attorney General, 38-year-old brother of the late President and his closest adviser and confidant, must be considered a leading aspirant for the vice presidency. Among his intimates it has long been no secret that "Bobby" harbors ardent national political ambitions and hopes to emulate his slain brother.

The view also was general among the Democratic politicians, particularly from the West and industrial North, that the Attorney General has some ace cards in his aggressive and determined hands.

As one key Midwestern leader expressed it, "Lyndon Johnson will have to make the same kind of a deal with Bobby Kennedy that his late brother made with Johnson in 1960 to assure victory. A Johnson - Kennedy ticket is going to be the answer to what our party needs in next year's very uncertain election."

THE WAY THEY FIGURE IT — A highly influential Democratic leader from Philadelphia, which gave the late President a phenomenal 330,000 majority that swung Pennsylvania into his column and thus nailed down his hairline election, analyzed the Attorney General's prospects this way:

"As a result of President Kennedy's death, next year's election is now wide open. As he himself said, he expected a 'long and hard fight,' and with him out of the picture, it will be infinitely more so. Johnson is going to need every ounce

of support he can muster to win.

"Two large and possibly crucial voter groups Kennedy could have definitely counted on were Catholics and Negroes. I know that is absolutely true in my county. Those blocs were a cinch for Kennedy, and I would say the same is virtually true in every other metropolitan and industrial center. But that isn't the case as far as Johnson is concerned. He still has to win these groups as conclusively as they were for his predecessor.

"One of the best ways he can do that is by having a Kennedy as running mate. And that Kennedy is Bobby, because in the public mind, and particularly these voter blocs, he is inseparably associated with his brother.

"Bobby is a Catholic and he is a foremost champion of civil rights. That will hurt in some areas and with some elements. But on the basis of the overwhelming sentiment of my electorate, that hostility is greatly offset by the other two considerations.

"For us, a Johnson - Kennedy ticket means a winner from top to bottom. And that's what I'm going to tell the President as soon as I can. And you mark my word, a lot of others will do the same things. Some of them have already told me so."

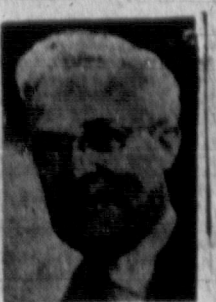

A well known border state leader added another point: "One way to both keep Bobby in and out would be to run him for Vice President, that would take him out of the Justice Department, . . . and a lot of other things, too."

POLITICALS—President Johnson has asked Stephen Smith, brother-in-law of the late President, to continue his backstage bossing of the Democratic National Committee. Young Smith was given that job early this year to prepare for the 1964 election. National Chairman John Bailey is nominally the top man, but Smith exercises actual authority. Johnson apparently wants him to continue doing that — for a while at least. . . . Montana Democrats are evincing increasing concern over the re-election prospects of Senate Leader Mike Mansfield. In an effort to shore up Mansfield's chances, state leaders are urging Assistant Agriculture Secretary Roland Renne to run against Republican Governor Tim Babcock, a strong right-winger. Renne, former head of Montana State University, is well-known in the state and the Democrats believe he would strengthen the whole party ticket. . . . Senator "Ted" Kennedy, D-Mass., is a multi-millionaire, thanks to trust funds bestowed on him by his father, former Ambassador to Britain, but that isn't keeping him from collecting sizeable amounts of campaign funds. He has already amassed more money than many senators spend in their entire campaigns. According to

TRUTH FORUM

'Aid' Waste Extends To Private Groups

By ED DELANEY

MUNICH — The wasting of American "foreign aid" funds in Europe on projects of dubious worth has been duplicated in some instances by private agencies of dubious character. For example, soon after the stream of refugees began pouring into Austria in Oct. and Nov. 1956, collections were taken up in practically all civilized countries to aid those victims of communist terrorism. Especially were funds raised for Hungarian children and students. More than \$75 million was collected by various groups and organizations in the United States, and the British people donated approximately \$23 million. One American woman left a bequest of approximately \$1 million for the Hungarian refugees. A British group collected about \$850,000 specifically for education of children of the Hungarian refugees and the maintenance of a boarding school in Judenuau. The school never received a penny of the money.

The scandal of the Vienna Lions Club, or rather of persons identifying with it, was exposed by Austrian and Hungarian newspapers. Briefly the facts are: the Vienna Lions Club prevailed upon their affiliated clubs in the United States and elsewhere to raise funds for the needy Hungarians. Large sums were collected by the well-intentioned Lions Club members and forwarded to Vienna. Supposedly they would be apportioned to the various agencies then working for the refugees and their children.

Suspicious rumors began to be heard in Austria. An investigation committee was appointed to examine the records of those detailed to handle the Lions Club funds. It was discovered that two leading persons in the group had squandered most of the money for their personal gain. One of the two was in the wholesale household appliance business. Millions of dollars worth of washing machines, vacuum cleaners, refrigerators and such articles were "purchased" for the refugees, most of the wares being outdated and unsalable. But he cleaned out his warehouses at enormous profit, all of course, being charged against the relief fund. Many of the packing cases with the appliances were never opened. The Vienna Lions Club was dissolved and the scandal kept out of the courts.

This was duplicated by another organization known as "Rettet das Kind" (Save the Child) to which Britishers sent almost \$200,000. Having some doubt as to how the funds were being spent, a man and woman in England who initiated the project, went to Austria for the purpose of making an investigation. They demanded an accounting when it was discovered that the Judenuau Boarding School for which funds were specifically intended, had never received a penny. Instead of milk for children and houses for the homeless people, luxury villas had been built and occupied by the ones supposed to be aiding the refugees. Instead of money for the school, tennis courts and other recreation facilities were built and used by the dispensers of the funds. The Judenuau school suspended most of its operations for lack of funds.

One part of the scandals connected with the relief funds for the Hungarians got in the daily press when a student in Cologne, committed suicide. He was Wilfried Koettgen, former chairman of the "Rettet das Kind" Relief Committee.

at the University of Cologne. He falsified receipts for relief payments that were supposed to be made to Hungarian students. The money was spent lavishly for his own personal pleasures. The total amount of his theft was about \$50,000. When it became apparent that he was about to be arrested for his action, he shot himself. Only then did the investigators learn the extent of his crime.

Petty politicians and professional do-gooders, no matter in what land, always seem to fasten onto any project that has funds for more or less indiscriminate distribution. It has been observed in the United States, in Europe, and of course in Asia and Africa. Yet the profligate dispensers of dollars in connection with United States so-called foreign aid, disdain to oversee the manner in which funds are spent or to obtain proper accounting from the recipients. Small wonder that many in other lands regard Uncle Sam as a simple soul when it comes to handing out money to mendicant nations. One can only guess what the visit of Tito, the murderer of hundreds of thousands of unarmed war prisoners, will cost taxpayers in the United States. Plenty.

The Doctor Says

3,000 Chemicals Foul The Air We Breathe

By DR. WAYNE BRANDSTADT Every 24 hours you breathe in about 15,000 quarts of air, weighing about 10 times as much as the food you put into your stomach in a day. The quality of this air varies greatly with geographic location and weather conditions.

Pollution of this air is a complex problem that has been with us ever since people began burning fires. In the past 20 years many acute reactions have been caused by smog. The intensity of smog sickness depends on its concentration and duration. Perhaps the worst catastrophe due to smog occurred in London in 1952 when about 4,000 persons died of it in a five-week period.

Such disasters make a profound impression on the inhabitants of a city and usually result in some type of corrective action. But it is foolhardy to wait for tragedy to strike before applying preventive measures.

According to Surgeon General Luther L. Terry of the U.S. Public Health Service, nearly every community of 2,500 or more inhabitants has an air pollution problem. He was referring not to smog but to invisible pollution. The effects of long-term exposure to the poisons in the air are not easy to evaluate, but there is real evidence that they constitute a real threat to health.

What are these poisons? All of them have not been identified yet, but some of the most prevalent do not come from industry. The action of sunlight on the exhaust gases from our automobiles produce ozone. This and the carbon dioxide, which is also found in exhaust gas, are dangerous poisons.

A farmer who lives near a toll road or expressway may be exposed to more air pollution than a person dwelling in a suburb of a highly industrial city.

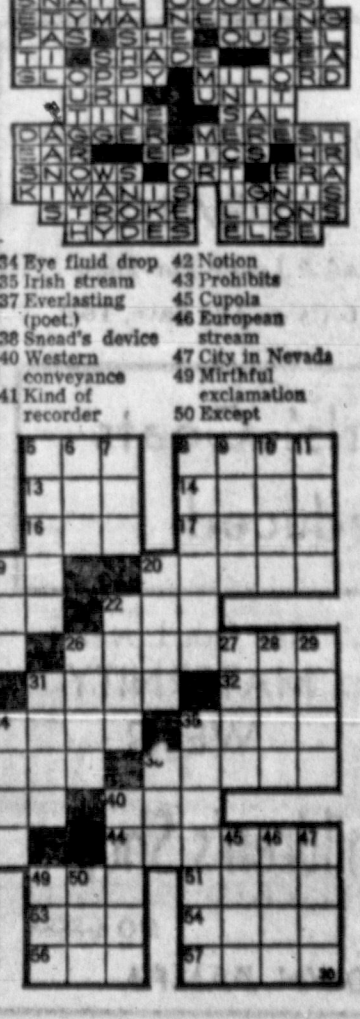

Even in cities where the industrial smog problem is greatest, the burning of leaves by home owners, outdoor trash incinerators, and improperly fired home furnaces account for much of the pollution. These include oxides of sulfur and of nitrogen. In all, about 3,000 different chemicals have been found in the air in various areas.

We don't know the specific effects of all of these substances on the human body. Many of them may be harmless in the quantities found but there is plenty of evidence that many of them are capable of causing serious illness.

Sen. Grady McWhorter, State Senate Bldg., Austin, Texas

Girls--At the Flick of a Dial

KATHY KERSH

CONNIE HINES

MARY TYLER MOORE

SUZY PARKER

By ERSKINE JOHNSON HOLLYWOOD (NEA) — The "vast wasteland" is blooming. Television is getting the girl habit.

Comedians laughed it up, father knew best in all the domestic comedies, lawyers talked it up and medics opened things up. In almost every form "sex" to television was a horrid word.

pointed exactly, I suspect, however, that leggy Donna Douglas, the Eilly May of the "Beverly Hillsbillies," was more than somewhat responsible.

I've had in mind, spin the dial and take your choice of the following: Jeannine Riley, Pat Woodell and Linda Kaye ("Petticoat Junction").

As my neighbor was saying over our hedge just the other day, "Say, have you seen all the dolls on television this season? What happened, anyway?"

Except for occasional glimpses of Kitty on "Gunsmoke," a little decollete on the panel shows, and Hollywood's now-faded glamor dolls in the late movies, old Dad's blood pressure was kept practically immobile.

Some can act, too. Although, as acting pro Thelma Ritter once said about gorgeous dolls, "Audiences don't mind if they can act, but audiences don't demand it."

Donna Douglas, ("The Beverly Hillsbillies"), Mary Tyler Moore ("The Dick Van Dyke Show"), Eileen O'Neill, Suzy Parker, Tina Louise ("Burke's Law" guest stars).

The female of the species wasn't exactly blacked out. But the regular appearance of youthful and attractive girls was rare indeed, except in a few commercials aimed at men. Television actresses were in the image, only more so, of the girl next door. Television, the agency men said, didn't need glamor.

For the years the television programmers expounded: "The women of America turn the television dials. Women like to look at men, not other women; AND women buy the bulk of the products advertised on television."

As audiences became more selective and a little bored, the face and form of a pretty girl on a screen brought old Dad back into focus and even pleased the ladies of the house who had started to wonder if the feminine sex was going out of style.

What happened to give television girl fever cannot be pinpointed exactly. It is a combination of reinforced Fiberglas. According to Dillon, no one can say whether the new types of fixtures will perform satisfactorily because no one has ever pinned down what plumbing fixtures "are supposed to do in the first place."

By DICK WEST WASHINGTON (UPI) — Nature, as every schoolboy knows, abhors a vacuum. And so, I might add, does the Building Research Advisory Board of the National Academy of Sciences.

And the same is true of wash basins and other bathroom appliances. It was this void, or informational gap, that prompted BRAB to set up the ad hoc committee. The committee will endeavor to determine ad hocly what characteristics the fixtures should have.

Candy Got Offer From Ruby

EDNA, Tex. (UPI) — Former year to her home in Edna from stripper Candy Barr, recently a prison term for possession of paroled from prison with a promise she will not go back to the bump-and-grind circuit, got a job offer from Dallas burlesque show operator Jack Ruby, her parole officer said today.

Ruby shot and killed Lee Harvey Oswald, the man suspected of slaying President Kennedy in Dallas Nov. 22. Parole officer John Shannon said Ruby talked with Candy (whose real name is Juanita Dale Slusher Phillips Sahakian) recently about the possibility of her getting parole restrictions lifted to let her be a stripper again.

She turned him down, Shannon said. FBI agents were reported to have talked to Candy earlier this week for whatever information she might have on Ruby. The stripper was paroled this

TV PROGRAMS FOR THE WEEK ENDING DEC. 7

Table listing TV programs for the week ending Dec. 7, organized by channel and day (Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday).

Wildcatters Have One of Biggest Weeks of Year

AUSTIN (UPI)—Wildcatters had seven oil and 24 gas finds last week for one of the best weeks of the year, the Texas Railroad Commission reported Saturday.

The week's activity brought the year's totals for wildcatters to 302 oil and 608 gas finds, compared to 337 oil and 906 gas discoveries a year ago.

Regular drillers had 110 oil and 32 gas completions last week, bringing their yearly totals to 7,669 oil and 2,254 gas completions compared to 9,464 oil and 3,074 gas completions on the same date last year.

The oil discoveries were four in the Corpus Christi district, two in the Midland district and one in the Refugio district.

Gas finds were eight in the Corpus Christi district, six in the Houston district, four in the San Antonio district, three in the Midland district and two in the Pampa district and one in the San Angelo district.

Continental Oil Will Expand Chemical Plant

HOUSTON (UPI)—Continental Oil Co. announced Saturday its Baltimore petrochemical plant will be expanded to produce a chemical known as polydecyl benzene. It will be used in the production of oil-soluble sulfonates by Bryton Chemical Co., Trainer, Pa., a subsidiary of Continental.

Processors Group Receives Fourth Straight Safety Award

The Natural Gas Processors Association has been named a winner of the 1963 Association Award of the National Safety Council, it was announced recently by NSC President Howard Pyle in Chicago. This marks the fourth consecutive year that the Tulsa-based national organization of gas processing companies has been the recipient of this annual award.

In announcing the award, Council President Pyle stated, "Your contribution to safety in industry not only deserves this recognition, but what you have done adds immeasurably to our knowledge of successful association safety work. The Council is deeply gratified by the interest and emphasis which you have placed on this important facet of every business operation."

New York Attorney Elected Director on Phillips Board

William Piel Jr., New York attorney, has been elected a director of Phillips Petroleum Company, according to an announcement by K. S. Adams, chairman of the board. Piel replaces Harry M. Addinsell, who resigned after serving as a Phillips director since 1931.

Case Established On Tax Change

SHREVEPORT (SpI)—The domestic oil industry has presented an effective case against any change in historic oil tax provisions and must now demonstrate the need for Congress to correct the "impossible situation" that exists in natural gas regulation, two spokesmen for the domestic petroleum industry said here Monday night.

Kewanee Declares Cash Dividend

William Wikoff Smith, president, announced that directors of Kewanee Oil Company has declared a quarterly cash dividend of 10 cents per share on both Class A and Class B stock, payable Dec. 13 to stockholders of record Nov. 29.

Sun Vice President Retires in Beaumont

BEAUMONT (SpI)—One of Sun Pipe Line Company's veteran officials, Vice President and Director S. E. (Chick) Ogle of Beaumont, retires today after nearly 38 years of service with the Sun organization, announced the firm's president, W. C. Kinsolving of Philadelphia.

9 A.M.
Is the Daily Deadline for Classified Ads. Saturday for Sunday edition 12 noon. This is also the deadline for ad cancellation. Mainly About People Ads will be taken up 10 11 a.m. daily and 3 p.m. Saturday for Sunday's edition.

1 Card of Thanks
SGT. WILLIAM F. COLLINS
We wish to express our sincere appreciation and deep gratitude to our many friends, especially the Rev. Earl Maddox and Carson Snow and the membership of the Fellowship Baptist Church for their words of comfort and deeds of kindness at the recent loss of our darling husband, son and brother, May God's richest blessings rest upon each of you.
