Ike Hospitalized with Chest Pains

Two Heart Specialists At Hand; More Called

By LEON DANIEL

AUGUSTA, Ga. (UPI) — Former President Dwight David Eisenhower, 75, suffered chest pains early today and was placed under an oxygen tent at the Ft. Gordon Army Hospital.

"He is experiencing no difficulty in breathing. He's in good spirits and he's doing well," an Army spokesman at the hospital reported.

Two heart specialists were in attendance and two others were en route from Washington.

The general was wearing pajamas and was carried into the hospital on a stretcher about 2 a.m. EST by soldiers following the ride from his summer cottage nearby.

His wife Mamie was at the hospital and his son, John was enroute from his home in Pennsylvania.

A hospital statement said the five-star general was "under constant observation." The exact nature of his illness was not disclosed.

Eisenhower, who suffered a heart attack in 1955, had not been ill recently and had played 18 holes of golf Monday on the par three short course at the Augusta National Golf Club where he maintains a cottage.

But late Monday night Eisenhower began to feel the chest pains and Dr. Louis Battey, an Augusta heart specialist was summoned. The trip to the hospital followed.

The hospital said at 11 a.m., Eisenhower was sleeping comfortably. Tests were being run. Dr. Battey was joined at the hospital by Dr. Harry Harper, an Augusta cardiologist.

In addition to Dr. Battey and Dr. Harper, Col. William W. Cox, Ft. Gordon surgeon, and Lt. Col. Charles Zeran, chief of medicine, were in attendance over the former president.

Spokesmen said Dr. Thomas Mattingly, a cardiologist from Walter Reed Army Medical Center in Washington, who treated Eisenhower when he suffered a heart attack in Denver in 1955, was on his way, along with Col. Tom Parmley, chief of medicine at Walter Reed.

Next American 'Space Walker' Is Designated

SPACE CENTER, Houston (UPI) — America's second spaceman to "walk in space" one full turn around the earth will be Charles A. Bassett II, 33-year-old Air Force captain from Dayton, Ohio.

Bassett was named Monday copilot of the U.S. Gemini 9 orbital flight. It is officially scheduled for sometime after July 1, 1966, but sources said it could get underway as early as next May if all goes well.

Bassett will fly the right-hand seat alongside civilian astronaut Elliot M. See Jr. of Dallas. See will be command pilot on Gemini 9.

Bassett, a veteran test pilot, will become the first American astronaut to take a space walk while wearing a self-propelled maneuvering unit on his back.

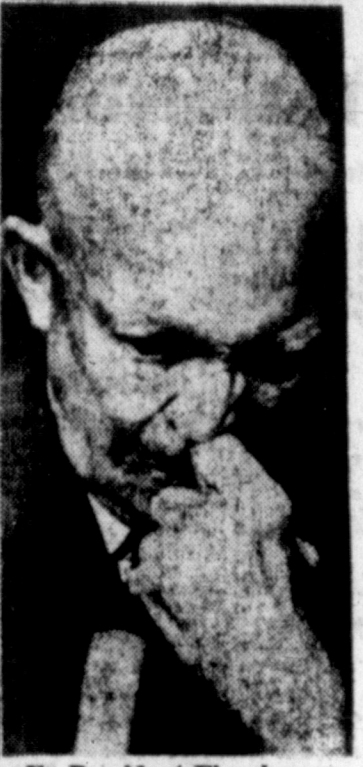

The back pack Bassett will use will let him flit about space Buck Rogers style.

But he will stay safely tethered to the Gemini 9 capsule at the end of a 200-foot lifeline.

The National Aeronautics and Space Administration (NASA) said Bassett will stay outside the Gemini capsule at least one complete trip around earth, or about an hour and a half.

It is about the same kind of space walk planned for fellow rookie astronaut David Scott, who is scheduled to ride as copilot aboard Gemini 8 on its flight next February or March.

See, a 32-year-old former test pilot for General Electric Co. and Bassett will try to maneuver to link up with an unmanned Agena satellite (See SPACE, Page 3)

Ex-President Eisenhower stricken

WEATHERWISE

Texas: Rain, Clouds, Fog; U.S.: Cold

By United Press International
Steady rain - more than two inches in some areas - soaked vast areas of South and East Texas today. Fog and cloudiness socked in many sectors of the state.

Pampa rain gauges measured from .1 to .3 of an inch of moisture with the official measurement at the Bill Bowen Weather Station of .1 of an inch.

The early morning low today was .40 and the high yesterday reached 61 degrees.

A Pacific cold front with drier and cooler air pushed into Northwest Texas and was expected to move slowly over the state. There were no drastic drops in temperatures.

Readings ranged from 41 degrees at Dalhart and Amarillo behind the front to 66 degrees at Corpus Christi and Brownsville on the Gulf Coast.

Some of the heavier rainfall amounts for the 24-hour period ended at 6 a.m. today included Killen 2.40, Hallettsville 2.28, Gonzales 2.09, Dime Box 1.70, Schulenburg 2.00, Lockhart 1.90, Hico 1.62, Crawford 1.88, Bremond 1.54, Hewitt 1.92, Delhi 2.03, Flatonia 1.20, Austin 1.62, Abilene 1.11, Waco 1.25, and Houston 1.14.

Houston, Corpus Christi and Brownsville reported rain at 6 a.m. Dalhart, Amarillo, Lubbock, Waco and Abilene had fog.

The U.S. Weather Bureau said precipitation and cloudiness will slowly diminish from the east today and tonight and most sectors will be cooler tonight and warmer Wednesday.

Prasadio recorded the statewide high temperature Monday of 85 degrees.

A cold air mass swept across the United States today, tumbling temperatures below freezing across the upper Midwest. Showers and thunderstorms occurred from southern New England to North Texas.

An American Airlines plane crashed in a rainstorm near Constance in northern Kentucky, killing 58 persons aboard. A small private plane crashed in the rain near Chardon, Ohio, and five persons (See WEATHER, Page 3)

COMMUNITY SERVICE HONORED

The Top O' Texas Life Underwriters Association was presented a Certificate of Merit from the Louis I. Dublin Public Service section of the Institute of Life Insurance and National Association of Life Underwriters for its contribution to the health and welfare of the community. The local association undertakes a civic project annually. This year they took a group of 86 mentally retarded children to Amarillo for a day of recreation. The event was so successful a repeat is planned next year with children selected from a larger area. Roy A. Sons, center, chairman of the local public services committee receives the award from Eldon Roberts, director of the Texas Association of Underwriters from Lockney, Tex. At left is Frank J. Smith, president of the Top O' Texas Life Underwriters.

Airliner Hits Hill, 58 Die

Second Crash Of a 727 Jet In Three Months

By ROBERT T. WESTON
CONSTANCE, Ky. (UP) — The thunderstorm and the jetliner streaked in simultaneously. Within minutes, both were gone.

It was 7 p.m. Monday when an American Airlines 727 jetliner carrying 52 persons from New York's LaGuardia Airport zeroed in on Runway 18 at the Greater Cincinnati Airport. One of the carrier's ace pilots was in command.

"There was no indication of any trouble," said an official in the tower. But seconds later the plane dipped out of the tower's radar scope, crashed into the site of Indian Mountain, broke apart and burst into flames, killing 58 of the persons aboard.

"We just didn't make it. We didn't see the hill," said Capt. Elmer Weekly, one of the survivors.

Weekly, 40, of Saratoga, Calif., was aboard for "route observation." He was hospitalized in serious condition.

Also surviving are stewardess Toni Kitchell of West Monroe, La., and passengers Israel Horowitz, 49, of Closter, N.J., and Norman Specter of Valley Stream, N.Y. Miss Kitchell was hospitalized in critical condition. The two men were listed as fair.

Among the dead were Jack F. A. Flynn, 44, son of F. M. Flynn, the president and publisher of the New York Daily News, and John Kirchstein, research director for New York television station WPIX. The younger Flynn was national sales manager for the station.

The pilot had requested permission to make a visual landing and was on the final approach to the airport when the jet smashed into the 850-foot hillside along the Ohio River.

It was the second crash of a three-engine Boeing 727 within three months. Thirty persons were killed Aug. 18 when a United Air Lines 727 plunged into Lake Michigan. The cause of that crash still has not been determined.

At the controls of the plane — carrying 56 passengers and a crew of six — was Capt. Dan J. Teelin, 46, of Redding, Conn., one of the airline's most experienced aviators and its chief New York pilot. He was killed.

The Astrojet left New York at 5 p.m. EST. An hour later turbulence began forming in the vicinity of the Cincinnati airport. It reached its brief, violent peak just as Teelin began nosing the plane downward.

"It was raining hard at our home at the time," said Mrs. William Fischbach, who lives across the Ohio River from the airport on the outskirts of Cincinnati. "Just before the plane flew over there was a terrific flash of lightning."

She said the plane flew no more than 25 feet over her residence.

Survivor Horowitz, head of the Classical Division of Decca Records, was en route to Cincinnati to record the Cincinnati Symphony Orchestra. "All I know is I woke up in a bush," Horowitz said. "I don't know what happened. I got thrown clear of the plane. 'I'm just awfully lucky to be alive.'"

If it comes from a hardware store we have it. Lewis Hdw. (Adv.)

THE BEATLES CALLING!

Judy Tarrant, 1000 Huff Rd., suspected a prank Friday evening when she answered the phone and almost hung up on the men of the hour for most teenagers. Sure enough, from Liverpool, England, there was John, Paul, Ringo and George in that order and Judy had a two and a half minute conversation with each. She said Paul, her favorite, was the wittiest. The envied opportunity came to Judy as the result of winning first prize in nationwide "Poems for Beatles" contest. The 13-year-old Pampa girl is the daughter of Mr. and Mrs. T. H. Tarrant.

Council Okays Hiring Of Engineering Firm

The Pampa City Commission today took another step to follow through on recommendations by one of the mayor's 11 citizens advisory committees.

Authorization was given to ask Merriman & Barber, Pampa consulting engineers, to prepare a contract for determining cost estimates on city street improvements recommended for immediate attention in the Streets and Thoroughfares Committee's recently filed report.

Clinton Evans, chairman, filed the committee report with the commission two weeks ago. The city manager was instructed to have the engineering firm present its contract proposal at the next commission meeting two weeks from today.

City Manager Jim White told the commission today progress on construction of the city sewerage plant had been slowed somewhat by difficulty encountered by the contractor in getting shipment on supplies and equipment.

The council authorized payment of \$35,399.66 to A. W. Boren Co., contractor for the sewerage plant, for work completed through October.

Bids for the purchase of a new police car were received by the commission from Culbertson-Stowers Chevrolet, Harold Barrett Ford and Parker Motor Co. The bids will be checked and the award made at the next council meeting.

A low bid of \$2,285 was accepted from Lone Star Steel Co. for the purchase of 500 feet of 6-inch and 1,000 feet of 4-inch cast iron pipe.

Authorization was given for the purchase of \$100,000 worth of U.S. Treasury bills and the payment of \$21,554.61 in current bills and \$446.40 in library bills.

The commission also authorized the employment of Merriman & Barber, engineers, to act in an advisory capacity to the city engineering department until the services of a fulltime engineer can be obtained. The firm will receive a \$250 monthly fee.

United Fund Drive Nears Halfway Mark

With almost forty per cent of this year's campaign included twelve drives in one—and that the One Gift must be a fair share.

Agencies receiving support from the United Fund include the Boy Scouts, Girl Scouts, Red Cross, Salvation Army, Milk Fund, Welfare Index, National Travelers Aid, Gonzales Warm Springs Foundation, Texas Association for Mental Health, United Service Organization, Medical Research Foundation of Texas and United Community Fund.

Outnumbered US Troops Take Terrible Cong Toll

SAIGON (UPI) — An outnumbered battalion of American paratroopers, supported by artillery fire and air power, killed at least 391 Viet Cong regulars Monday in a bitter jungle battle near Saigon.

The men of the U.S. 173rd Airborne Brigade tracked the hard-core guerrilla force to its sanctuary in the Communist stronghold known as "Zone D," 35 miles northwest of Saigon.

Bugle-blowing, fanatical guerrillas surrounded the Americans twice, and attacked with flamethrowers, thermite grenades and suicidal machinegun charges.

Each time the Americans beat the guerrillas back. Mop-up patrols confirmed the Communist dead by body count today. Unofficial estimates said a regiment of guerrilla regulars was involved in the fierce six-hour battle.

American observers said they expected to find more Communist bodies as patrols swept the area.

One heavily wooded section where fighting was heavy had not been searched for enemy dead.

American losses were reported as "moderate." A U.S. helicopter flying an evacuation mission for American casualties was shot down today over the battle ground, and sporadic shooting continued.

Viet Cong gunners claimed a second U.S. Army helicopter today in a separate battle about 15 miles west-southwest of Saigon. One crewman aboard the UH-1B "copter" was killed when it crashed, but the others were rescued. The helicopter was supporting an operation by Vietnamese rangers.

During Monday night, U.S. Air Force B52 bombers based on Guam blasted Communist targets in Zone D, less than 10 miles from the area of Monday's big battle. The zone is laced with tunnels and bunkers.

Many of the Communist dead were victims of American air strikes and artillery barrages. But the fighting was too close for support at times, and the American infantrymen were called on again and again to blunt charges by bugle-blowing guerrillas in hand-to-hand combat.

"I could hear the bugles blowing from every direction," said Spec. 5 Joe Diaz, a medic from San Antonio, Tex. "I knew that the V.C. meant to go for broke."

"We had fire superiority, but it was the artillery and our air power that saved our necks," UPI photographer Dirck Halstead reported from Bien Hoa, where American wounded were taken, that the U.S. battalion was caught in a Communist pincer attack.

The Viet Cong placed 30 and 50 caliber machine guns on high ground around a small valley and when the paratroopers entered, the Communists opened up with a murderous hail of bullets.

Artillery and air power made the big difference. But at times the fighting was so close quarters that American planes flying support missions held back for fear of hitting Americans with bombs, rockets, flaming jellied gasoline and cannon fire.

"The smoke was so bad that for a time I couldn't see the guy next to me," medic Diaz said.

There was no chance to evacuate the American dead and any but the most seriously wounded until today because of the heavy Communist ground fire.

Philippines' Voting Marked by Violence

MANILA (UPI) — An estimated eight million Filipinos voted today in national elections marred by terrorism and murder.

Reports from southern Cebu Province said a Liberal party campaign worker was killed this morning when he was jumped by Nationalista party partisans. It was the 45th slaying attributed to the lengthy and bitter political campaign.

Another killing was reported by Nationalista party headquarters in Manila. A party spokesman said the nephew of a mayor in southern Lao Del Norte Province was found dead today. The spokesman claimed the victim had been kidnapped by men riding in a government-marked car. If confirmed, the slaying would be the campaign's 46th.

President Diosdado Macapagal, head of the Liberal party, sought to become the first chief executive to be re-elected to office since the Philippines gained their independence in 1946.

He was engaged in a nip-and-tuck contest against the leader of the Nationalistas, Sen. Ferdinand Marcos.

A third party candidate, Sen. Raul Manglapus, was not expected to draw in excess of 10 per cent of the vote but political experts said his entry into the race jumbled it and made the outcome unpredictable.

Both Macapagal and Marcos issued sweeping victory predictions. Macapagal, 55, cast his ballot in Lubao, 45 miles north of Manila, and returned to the capital before noon to await the (See PHILIPPINES, Page 3)

Astrological Forecast

By CARROLL RIGHTER

For Wednesday, Nov. 10

GENERAL FORECAST: Until mid-afternoon you have problems with life itself that require that you handle them with assurance and care. Afterwards you find that those about are apt to add to your troubles, so for nothing watch carefully what is going on about you and show that you are able to rise above tensions and strain.

ARIES (Mar. 21 to Apr. 19): If you do not schedule your time wisely, you will be unable to get outside work as well as those at home accomplished. Be very careful while driving, getting correspondence caught up with you.

Taurus (Apr. 20 to May 20): Practical affairs are a nuisance but do them philosophically or you get confused and nothing is accomplished. Making repairs comes relatively easy. Ostentatiousness should be avoided.

GEMINI (May 21 to June 21): You are feeling quite restless and can be in line for trouble if you are not careful what you do or say. Looking into new outlets is certainly excellent. Don't take any steps now.

MOON CHILDREN (June 22 to July 21): Why get into a tizzy because you want to do some fancy and give when by carrying through with obligations you get along much better? One comes in you for assistance. Give it quickly.

LEO (July 22 to Aug. 21): Be very meticulous and kind with pals now or you can sever connections for a long time to come. Forget the social. This can be very disappointing and own interests are forgotten.

VIRGO (Aug. 22 to Sept. 22): Taking any risks where your reputation is concerned is not wise now. Don't try to make a false impression on a higher-up. Show that you are a true statesman in all of your affairs and all is fine.

LIBRA (Sept. 23 to Oct. 22): New outlets are not ready to be gone into as yet, since you need more study where they are concerned. Don't work on impulse. Think and then act, goes well.

SCORPIO (Oct. 23 to Nov. 21): If you take the time to analyze why others act as they do, you will know how to bring harmony where there is dissension. Get into profitable outlets. Confer with experts. Be wise.

SAGITTARIUS (Nov. 22 to Dec. 21): You must be very diplomatic and not annoy any associate whatever, for any competitor, either. Meet your obligations. Do not try to run away from them — they will only catch up with you.

CAPRICORN (Dec. 22 to Jan. 20): Trying to get others to do the labor that you have promised, or meet obligations that are strictly yours is wrong. Face them yourself and grow in character, prosperity, be persevering.

AQUARIUS (Jan. 21 to Feb. 18): Take a little time to get into any form of recreation that will relieve you of current tensions. Forget what others expect of you for a little while. Tomorrow you can work much better together.

PISCES (Feb. 19 to Mar. 20): Try to include your close ties in any plans you may have or there will be much trouble later. Use tact in getting rid of enemies. Keep you from advancing. Be progressive.

Eidinoff Hearing Off Indefinitely

TYLER, Tex. (UPI)—Dist. Judge R. P. Power postponed indefinitely Monday the hearing for Dr. Harold Eidinoff, who contends he has become sane again and should be let free from Rusk State Hospital.

Eidinoff, 56, was found innocent by reason of insanity in 1959 on charges of murdering prominent El Paso lawyer Ted Andrews.

Eidinoff's lawyers said Monday they had more statements to get from doctors in Tyler and Rusk and could not hold the hearing yet. Power gave them the extra time.

Farmers Union Hears Wright

STEPHENVILLE, Tex. (UPI)—The Administration's policy in Viet Nam is to halt the spread of Communism while still averting all-out nuclear war, Rep. Jim Wright, D-Tex., said Monday night.

Wright spoke to the Erath County Farmers' Union banquet at Tarleton State College.

"President Johnson has demonstrated the word of the United States will be upheld and that he will exert enough pressure to win in Viet Nam but will apply enough judicious restraint to avoid all-out nuclear war," Wright said.

How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTRETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, sticky paste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTRETH today at drug counters everywhere.

Dimes March Chairman Gives Report

"The March of Dimes fight against birth defects is the fight of all those who hope that every child may be born healthy and live a normal life," declared Harold L. Comer, Gray County campaign chairman, today.

Returning home from a meeting in Dallas of March of Dimes volunteer leaders representing Arkansas, Oklahoma, and Texas, Comer called for volunteers to help bring this goal nearer by raising funds in the January 1966 March of Dimes drive.

"Birth defects are the nation's second greatest destroyer of life," said the March of Dimes leader. "They cause nearly twice as many deaths, both before and after birth, as cancer and nearly three times as many as stroke. At least half a million unborn babies die each year as a result of defects. Another 60,000 are born alive but succumb to those defects in infancy or childhood or as adults."

Pampan Mrs. Georgia Mack, who, along with her daughter Mary Ann, also attended the Dallas meeting, said, "How tragic that each year in the United States, more than 250,000 babies are born with serious birth defects."

By attacking birth defects through research, treatment and education, Mrs. Mack emphasized, the March of Dimes has achieved significant progress during the past few years.

Pleads Not Guilty To Charge of DWI

Jean C. Pattillo, Pampa, was placed under a \$500 bond yesterday in Gray County Court after pleading not guilty to charges of driving while intoxicated.

Historical Marker Designer Hired

DALLAS (UPI)—The City Council Monday hired architect George L. Dahl to design a historical-marker for the site of the assassination of President Kennedy.

The \$18,868 marker will consist of four bronze panels and a flag pole with appropriate inscription telling of the President's route, circumstances of his visit and the assassination Nov. 22, 1963.

The project is expected to take six months.

Weather

(Continued From Page 1) were killed.

Snow blanketed Maine during the night. Loring Air Force Base at Limestone, Maine, reported 3 inches and Greenville measured 2 inches.

More than three quarters of an inch of rain fell at Houston and Galveston, Tex., during the night.

Heavy fog shrouded the eastern Carolinas, southeast Georgia and northeast Florida. Scattered showers fell along the Washington and Oregon coast eastward to Idaho and northwestern Montana. They were generally light and measured less than two tenths of an inch.

Ornamental shrubs beautify the premises.

PHILLIP B. GILLIAM ... featured speaker

Denver Judge Will Address Dinner Club

America's famous Juvenile Court Judge, Phillip B. Gilliam of Denver, Colorado, who was elected to his present office in 1940 since which time he has heard over 100,000 court cases, will be the guest of members of the Knife & Fork club at its meeting Monday evening Nov. 11 at Coronado Inn, it was announced today by Bill Waters, president of the club. Dinner at 7:30 p.m.

The popularity of Judge Gilliam in his home town of Denver — he was born there and practiced law in the Mile-High city after getting his law degree and being admitted to the bar in 1932 — is best explained by the fact that he is an elective office, every four years, and on each occasion he has received more votes from Denver voters than was given on the elections of presidents Roosevelt, Truman, Eisenhower, and Kennedy.

The author of numerous pamphlets and articles on juvenile delinquency, he is considered the foremost authority on this topic in the United States. The title of his address here will be "The Surge to Delinquency."

Council Approves DBA Pre-Holiday Promotion Plans

Two pre-holiday promotions of the Downtown Business Association were given the blessing of city commissioners today.

A "Turkey Scramble" is planned for the next two Saturday afternoons before Thanksgiving. Duggan Smith, representing the DBA, told councilmen this morning the plan is to rope off a downtown area and release 15 turkeys in the street. The turkeys will belong to their captors.

The commission also gave approval to a DBA plan for a "Downtown Hurlabaloo" on the night of Dec. 3, following Pampa's annual Santa Day parade.

There will be dancing in the streets. Three bands will furnish the music and there will be special entertainment.

Three periods of hurlabaloo fun are scheduled from 5 to 7 p.m., 7 to 9 p.m. and 9 to 11 p.m. Stores will remain open until 11 p.m. on Dec. 3, Duggan said, and special discount sales will be conducted.

Plans for the pre-Thanksgiving and pre-Christmas events were discussed further at a full meeting of the DBA membership in the Pampa Hotel today.

Board To Study Textbook Report

Consideration of recommendations of the local textbook committee and a review of the 1964-65 school business audit will top the agenda at Thursday's monthly meeting of the Pampa School Board.

Only other matters listed on the agenda released today by Jack Edmondson, school superintendent, are reports from the school business manager and superintendent and payment of current bills.

here will be "The Surge to Delinquency."

Gray County Youths Get 4-H Awards

The Gray County 4-H Gold Star girl, Phyllis Atwood, and boy, Jim Reeves, received their Gold Star Awards at the 4-H Awards Program Saturday. Miss Edith L. Wilson, district home demonstration agent presented the girl's award and W. W. Grisham, Jr., district agricultural agent, presented the boy's award.

Forty-two 4-H members over the county received 4-H medals for the past year's accomplishments. Each winner has carried a project in the subject matter field and prepared a complete 4-H record to be judged on county bases.

The 4-H Achievement Award was presented to Judy Cox. Judge W. J. Craig represented DuPont Company and presented the Beef-Awards to Terry Arnold, Kathy Taylor, Bill Skaggs and John Spearman.

The Coates and Clark, Incorporated are the donor for the Clothing Awards. Ken Shearer presented the Clothing Awards to Shirley Cook, Sandra Cook, Cara Thomas and Vicky Jo Moore.

Jackie Nickel and Christy Whaley received the Community Beautification Awards. Carnation's Dairy Foods Award went to Winona Chisum and Ted Atwood. Jerry Candler made the presentations. Shauna White, formerly of McLean, now of Midkiff, Texas received a Dairy Food Award.

Dress Revue Awards went to Judy Saunders, Lisa Friend, Marva Rowan, Deanna Benefield and Kathy Wilkie.

Six Adult leaders received certificates of service. Those receiving the Silver Flower certificate for five years of service are: Mrs. Derrell Hogsett, Mrs. Ted Atwood, Robert McCann and Mr. and Mrs. Alvin Reeves. Tom Veal received Pearl Clover for 15 years of service.

Three 4-H clubs qualified for

Speakers Named For Veteran Day Service Thursday

Speakers for the special Veterans Day program at Memory Gardens Thursday were announced today by Mrs. Vernon Stuckey, president of the VFW Auxiliary.

Jerry Coley, VFW commander, will be master of ceremonies for the program scheduled to begin at 11 a.m.

Other speakers who will honor U.S. servicemen of the past and present will include Joe Shelton, commander of World War I Barracks; C. V. Ingram, junior vice commander of the American Legion; Rev. C. R. Bridges, pastor of Highland Baptist Church and the Rev. Fr. William Brennan, pastor of St. Vincent de Paul Church.

Special recognition is to be given to Gold Star Mothers. Members of the Pampa National Guard Unit will act as an honor guard at the Veterans Day services.

4-H Club Certificates. They were Top O' Texas Club, Golden Spread Club and the Lone Star Clover Club.

Philippines (Continued From Page 1)

Results: Marcos, 48, the most decorated Filipino of World War II with a total of 27 citations, flew to the northern Luzon Province of Ilocos Norte to vote.

Both leading candidates wooed the voters with closing campaign rallies. Macapagal told a crowd of thousands he was confident of re-election to another four-year term to carry on his "fight poverty" program.

Marcos told another crowd, also in the thousands, that the Philippines were ready for a change.

Mobeetie Sets HS Homecoming

Mobeetie Ex's will hold their annual homecoming Saturday at the High School Building in Mobeetie.

The meal will be served from 5:00 p.m. until 6:30 p.m. The business meeting and program will be held in the Library from 6:40 until 7:00.

The honored classes this year are 1957 and 58. Melba Burch will give the history of her class and Sue Seitz will give the history of her class.

All ex's are urged to attend and join in the fun and visiting.

Space

(Continued From Page 1) which will be blasted into orbit ahead of them.

This is the so-called "rendezvous and docking" technique so vital to the nation's plan for returning its Apollo astronauts safely to earth after they have landed on the moon.

Oklahoma is an Indian word meaning "Beautiful Land."

How to choose a stock broker ... a good sign to look for... which goal suits you best?

Let's assume you've decided to join the millions of people who hope to brighten their financial future through stock ownership. Perhaps you have a specific goal in mind—a retirement fund, or money for a child's education, or a second income to buy some of the luxuries that make life more pleasant. Where do you go from there? How do you choose a brokerage firm?

Many investors look for a firm that displays the sign, "Member New York Stock Exchange." There are some 3,500 member firm offices and probably one near you.

As a potential investor, you might be interested to know that every member firm is subject to the Exchange's many rules and regulations.

For example, Exchange rules require that a member firm maintain adequate capital, have an annual surprise audit by its independent public accountant and submit financial information to the Exchange periodically.

In addition, the registered representatives (some 33,000 brokers employed by member firms) are subject to Exchange regulations, too. In fact, before they could act as brokers in member firms, they had to meet Exchange standards for knowledge of the securities business.

Once you've chosen a broker, a good way to "break the ice" is to discuss your investment goal. For good current yield with relative safety, you might examine dividends from preferred stocks or interest from bonds. For long-term capital growth, common stocks might be best for you. Also, though dividends are never certain, a company may increase them as profits rise.

Whatever your goal, consider investing only money that's left after you've provided for living expenses and an emergency fund. (The Monthly Investment Plan is a systematic way to invest with as little as \$40 each three months.) However, always keep in mind that stock prices rise and fall.

Next, ask your broker for facts about companies that interest you—their earnings, dividend and sales records and other information that might help to shape your judgment.

Finally, ask your broker for his opinion. He won't always be right, but he may point out a new direction for you to consider.

Sensible investing could make a wonderful difference in your life. That is why it is so important to know that there are right and wrong ways to go about it.

Foreign Commentary

By PHIL NEWSOM
UPI Foreign News Analyst
No one, least of all President Charles De Gaulle himself, doubts that he will be re-elected president of France Dec. 5.

Despite weeks of silence and speculation, few Frenchmen really believed that De Gaulle, who feels his own destiny inextricably woven with that of France, would be willing to hand over the reins of government even to his own selected political heir.

And so it was with a galling shrug that most Frenchmen accepted De Gaulle's emotion-packed announcement that he would be a candidate to succeed himself.

De Gaulle will be 75 on Nov. 22. If he completes his next term he will be 82. Whatever the disarray or the frustrations De Gaulle may have spread among his allies, no one can deny his services to France nor that France, above all else, is his first loyalty.

Not even among the Frenchmen who will vote for him there must be annoyance and regret that they must do so on his own declared grounds that to do otherwise must be to return France to political squabbling, confusion and chaos "even more disastrous than what France knew in former times."

The closing months of World War II and the years since then have other examples of leaders who came to believe themselves indispensable to the future of their country.

U.S. citizens have the right to wonder whether the mistakes of Yalta might not have been avoided had the late President Franklin D. Roosevelt's health not already been broken by four unprecedented successive terms marked by the strains of a great depression and a great war.

The West German Republic gains nothing in world stature from the sniping of former Chancellor Konrad Adenauer, another who will not quit, against Ludwig Erhard, his successor.

If De Gaulle is right that the choice is between him and disaster for France, then he also negates the whole scheme of the French Fifth Republic of

which he himself is the founder.

As the French Fourth Republic floundered on the verge of civil war in the late spring of 1958, De Gaulle came out of his rural retirement at Colombey-les-Deux-Eglises only on the promise that he would have "full power" to reform the constitution and submit his reforms to a popular referendum.

And as, too late, the French parliament fought a losing rear-guard action, the popular referendum has been his weapon ever since.

Through it he gained approval of a new constitution placing power in the hands of the president.

And through it, as he pursued an independent nuclear policy, virtually withdrew from NATO and barred Britain from the European Common Market, he reduced strictly to a secondary role the powers of the French premier and the assembly.

Yet, now says De Gaulle, these are not enough. It still is a choice between De Gaulle and disaster.

One wonders where in De Gaulle's mind immortality begins.

Anti-Communist Rally to Feature Former Engineer

AMARILLO (Sp) — A former electronics engineer for North American Aviation will speak at a one-night anti-communist rally in Amarillo on Monday, Nov. 15, under the auspices of Christian Crusade, National Anti-Communist Organization of Evangelist Billy James Hargis. The meeting will be at 7:30 p.m. at the Holiday Inn West at 601 Amarillo Blvd.

Featured in the rally will be W. A. "Bill" Manahan of Anaheim, Calif., who was discharged from his position with North American Aviation, Inc., after he disclosed the "Surrender Conditions" he discovered in Contract No. AF 49 (638)-1441, between his former employer and the Air Force.

Manahan, formerly an electronics instructor at UCLA, had been loaned to the Aerospace Sciences Division of North American by the Saturn Division of the company's Downey, California plant, when he, along with several other employees, discovered a 54-page contract, unmarked as to classification. Alarmed over its contents, he communicated them to his pastor, Dr. Bob Wells of Anaheim, who released its contents to the press. Later, the company claimed that the document should have been classified, and requested the return of all copies. Unable to comply, Manahan said, he was discharged. He will reveal the complete story behind his discovery and subsequent firing when he addresses the rally.

With him will be Dr. Hargis' associate evangelist, Rev. Charles Secrest, at the meeting, which is open to the public. Admission is \$1 donation at the door.

POVERTY CRUSADE
WASHINGTON (UPI) — The Citizens' Crusade against Poverty, a private organization, is planning to establish training and information centers around the nation to help the poor participate more effectively in the government's local anti-poverty programs.

United Auto Workers President Walter P. Reuther heads the nonpartisan group.

KENNEDY TOUR

Washington (UPI) — Sen. Robert F. Kennedy, D-N.Y., is planning a three-week tour of Latin America, starting Wednesday, on an unofficial "man-in-the-street" mission. Kennedy and his wife Ethel will leave for Lima, Peru, from Los Angeles. They also plan to visit Chile, Argentina, Brazil and Venezuela. Kennedy will talk with student groups and with inhabitants of some of Latin America's teeming slums.

Highway Panel Invites Bids

AUSTIN (UPI)—The Texas Highway Commission invited bids today on \$23.55 million of highway work, including an Interstate Highway 10 stretch in San Antonio.

The commission said the San Antonio contract is estimated at \$7 million, for 4.4 miles of grading, structures, pavement, lights and signs from the east end of the Interstate 37 interchange to east of Houston St. Thirty-one road projects were up for bids in the bid taking that will go through Wednesday.

CUT THIEF

ROCHESTER, N.Y. (UPI)—Eddy Blakely lost part of his pants at a ball game here.

Police said someone cut out the pocket containing his wallet and made off with \$75.

DEAR ABBY..

Worried Father Needs Advice

DEAR ABBY: My wife died leaving me with a small daughter to raise. She is now 16 and wants to spend nights and weekends with her girl friend. I have never met the girl friend's parents, nor have they ever called and asked my permission to allow my daughter to stay with them. As a matter of fact, I have never even met the girl friend. On the basis of these facts I have refused to allow my daughter to spend the night with her friend. I do not wish to restrict the child unfairly, but I feel that staying out all night is a serious step, and I am fearful. My daughter says that I am much too strict. Please give me a woman's viewpoint.

DEAR ABBY: My husband, who is in his 40's, is getting bald. I would like him to get a hair piece but he won't even consider it. I don't like to say much about it because I would not want him to think I don't love him the way he is. I do, but I could love him just that much more if he had more hair. I think he'd look so much nicer, and younger, too. I also think it would help him in his work as he is in sales. I don't know why men balk at the idea of a hair piece, Abby. We women do so much to help our appearances along. To me it's no different than buying false teeth if your own fall out. Please say something in favor of hair pieces. He reads your column.

to tear them up for rags, would like to trade hers for my "immaculate" specimen. My husband spends an hour in the shower, and 15 minutes scrubbing his fingernails. You would think he was a surgeon preparing for major surgery. But, I wish there were some way to scrub his mind! This man has the filthiest, most vulgar mouth of anyone I have ever known—even in front of his children. (His rotten jokes have been their sex education.) He twists everything that is said to give it a dirty meaning. Four-letter words are a part of his everyday conversation. He doesn't take criticism very well so I've given up trying to change him. Perhaps I am the one who is odd. Am I?

WORRIED FATHER: A woman's viewpoint is no different from a man's. The common concern is for a child's welfare. Do not permit your daughter to spend a night away from home unless you not only have met the girl and her parents, but are reasonably certain your daughter will have the security and supervision she has at home. P.S. And I am not being unduly protective because the child is a girl. I would require the same of a boy.

ARNIE'S WIFE: DEAR WIFE: I'm in favor of promoting love, so tell your man that hair is definitely "in" and to try a hair piece just to please you. Go with him and make sure he gets a good one. But don't blame me if he looks so young and attractive that you have trouble holding him.

"ODD BALL" DEAR ODD BALL: People who are preoccupied with sex, and make a dirty joke of it, have some serious, deep-rooted problems, invariably related to sex. Your husband is a classic example of a four-letter word—"S-L-C-K."

BIRTHDAY HONOREES — Mrs. Fred Cullum, Mrs. Iva Ward and Mrs. Maggie Deal, left to right, were honored for having birthdays in November at Thursday's meeting of Senior Citizens Center in Lovett Memorial Library. Altrusa Club of Pampa sponsors the Center and fetes those having birthdays each month with a party and gifts.

Convention Plans Made at Meeting

Pampa P-TA City Council met at Sam Houston Elementary School recently. The meeting was opened by Mrs. Kenneth Royse. The minutes were read by Mrs. William Fain and the treasurer's report given by Mrs. Weldon Rogers. Mrs. Royse gave a "Call To Convention" stating the theme "We The P-TA Participate in the Community Story" and discussed some of the measures to be voted upon at the state convention. It was announced that Amarillo had invited the Pampa delegates to travel with the Amarillo group by bus to the state convention. The invitation was accepted and the delegates will leave Nov. 15 for Corpus Christi. Radio chairman, Mrs. Calvin Hogan, presented the radio program schedule for the month as follows: Nov. 5—Sam Houston Elementary School; Nov. 12—Travis Elementary School; Nov. 19—Baker Elementary School, and Nov. 26—P-TA City Council. Mrs. Royse urged everyone to attend the final study course session and closed the meeting with a reading entitled "The Art of Thanksgiving." Host principal was L. C. Davis and Mrs. E. S. Williams was host president. Coffee and cookies were served by Mrs. Paul Bowers, hospitality chairman.

Senior Center Corner

By MRS. O. A. WAGNER

Altrusa Club of Pampa served as hostess to the monthly birthday meeting of Senior Citizens Center last week. Those present having November birthdays and receiving gifts from the hostess club were Mrs. Iva Ward, Mrs. Fred Cullum and Mrs. Maggie Deal.

Mrs. J. C. DeMoss was their son, C. C. DeMoss of Holiday. Mrs. Mattie Fountain was welcomed back to the Center last week. Mrs. Fountain's daughter, Miss Edna Fountain of Dallas, was to arrive this weekend to spend two weeks visiting her mother.

Mr. and Mrs. Ennis Jones and Mrs. Yarbrough of Amarillo spent last weekend in Dennison visiting with a brother and family, the L. Jones.

J. D. Hethcock, son of Mrs. Mollie Hethcock, has been released from Amarillo VA Hospital.

A weekend guest of Mr. and

H. C. Wilkie attended Thursday's meeting and reported that Mrs. Wilkie has been released from Highland General Hospital and was recuperating at home.

Welcomed as guests at last week's meeting were Mrs. G. E. Grant of Melrose, N. M., mother of Mrs. Minnie Spencer, and Mrs. Audia Sanford of 624 Powell.

C. L. Adams is recuperating at his home after being released from an Amarillo Hospital. Mr. Adams cannot have guests but would appreciate receiving cards from friends.

Several Senior Citizens attended the funeral of Mrs. Romilda Nolan Thursday before coming to the Center.

Mr. and Mrs. J. V. Kidwell are in charge of mailing cards to members of Senior Citizens Center who are ill. The Kidwells may be contacted by telephoning MO 4-4169.

Mrs. Amelia Swope of 408 Hughes was welcomed as a new member last week.

Mr. and Mrs. Joe Shelton spent a few days recently in Clovis, N. M., visiting with their daughter and family, the Bobby Skeens.

Traveling to Lake Marvin recently for the foliage tour were Mrs. C. G. Miller, Mr. and Mrs. Lester Mason, Mrs. George Moore and Mrs. L. B. Larsen.

Mrs. Myrtle Smith was unable to attend Thursday's meeting because of illness.

Altrusans serving ice cream, cake and coffee were Mmes. Louise Sewell, Lena Pearl Hobbs, Mabel Hukill, Lillian Snow and Jay Flanagan.

Mrs. Emily Coston provided the birthday cake and Mrs. Ann Kay arranged the table centerpiece of red roses.

Gray Ladies providing transportation were Mmes. George Benham, Naomi Gilt, A. D. Hills and Jess Hatcher.

Social Enjoyed By Groom Jovileer Club

GROOM (Spi) — Jovileer Club met recently in the home of Dora Jean Nomen with Willie Barnett as co-hostess. An enjoyable evening of games was held by 12 members and five guests.

Guests were Evelyn Ollinger, Margie Cranmer, June Pool, Barney Davis, and Aleene Holloway of Lubbock.

Buck's Elliott Stays In Area Scoring Lead

White Deer's Randy Elliott maintained his 14 point lead over other scorers over the weekend with three touchdowns in the Bucks romp over Canaan.

Still in second place is Wheeler's Bobby Vanpool, who has been the leader for three weeks. Vanpool scored twice and added conversion in the Mustangs' routing of Miami.

Elliott has 18 touchdowns and

Rambling With Red

RON CROSS

Around and around ... All-American Donnie Anderson's simple explanation for going to Texas Tech: "I kind of like the underdog. SMU and Texas had me down to visit. They just weren't friendly folks."

My Son, The Pitcher

All mothers in the LA area with eligible daughters are swarming the most eligible Sandy Koufax.

Koufax has worked up a quick comeback.

"If anybody knows a lady doctor, that would make my mother happy."

And Koufax once flunked physical training in school. He was hit by a car and missed too many classes. Would you say he was a poor Dodger?

The rumors are flowing around about the Washington Redskins and Bud Wilkinson. You can kill 'em now, Bill McPeak has won three in a row.

When Joe Don Loony missed his first Detroit practice a veteran Lion was set to have a father-son talk with him.

The old pro told Joe Don Loony it didn't set a good example for the Lions when a rookie missed a practice.

Loony asked the old pro how long he'd been around and when the pro answered 13 years, Loony said, "well I think it's time you had a day off too."

Rumors are flying that personal arguments between players has been one reason for the downfall of the Sooners this season.

Our rumor bug also says that the board of regents will go all out to lure Darrell Royal away from Austin.

Don't put too much stock in this for the regents offered Royal everything but the capitol building when Bud Wilkinson quit. Three losses this year won't make that much difference.

Chargers Feuding

The supposed feud in the Western Division of the American Football League is really a feud.

Sid Gillman, the Charger coach, is hot at Oakland coach Al Davis.

Lou, the toe, Groza is easy to pick out in his car, having gone in for the personalized license plates, his saying TOE.

This from Army coach Paul Dietzel about his Cadets' erratic play, blaming it on five sophomores. "Not sophomores in the Southeastern Conference sense," he says. "These are pure sophomores."

The latest and hottest commissioner rumor has Lee Mac Phaul, the general manager of the Baltimore Orioles, in the running as a compromise candidate. He wouldn't offend anyone.

Billy Martin doesn't like George Weiss and promptly ruled himself out of the race for the Mets manager job.

"I have to think that as long as George Weiss is there, it can't be. He made me out Peck's Bad Boy when I was with the Yankees," Martin says.

Faculty Representatives Of SWC Change Scholarships

DALLAS (UPI) — Southwest Conference faculty representatives drew up new restrictions on sports scholarships Monday designed to have them only for athletes with a good chance to keep up their grades.

The conference representatives started their meeting Sunday and finished up Monday with three main changes on athletic scholarships:

They drew up a table based on student's rank in high school and test score on one of two approved tests, the Scholastic Aptitude Test (SAT) or the American College Test (ACT). That was designed to require prospective athletes on scholarships to have a 1.6 grade point average on a 4.0 system. The standard was set by the new rules of the National Collegiate Athletic Association (NCAA).

OPTIMISM STILL

Lakers Make Coach Fred Schaus Happy

NEW YORK (NEA) — Optimism among coaches is such a rarity that it breeds bewilderment, which is the present reaction to Fred Schaus of the Los Angeles Lakers.

Schaus played in the National Basketball Association for five years. He has coached the Lakers for the last five.

This, he says, is his best team.

And right away, every one wonders how he can make a statement like that when Elgin Baylor's physical condition remains questionable.

"He's not 100 per cent right now," Schaus said, "but we haven't been pushing him. If he progresses in the next six weeks like the last, he'll be all right."

Baylor is one of the NBA greats, but the last two years have been torturous due to painful calcium deposits in his knees.

He had operations during the last two off-seasons, but nobody knows about his recuperative powers simply because nobody really knows Baylor's age.

"I've read and heard all those stories about his age," Schaus said. "They are exaggerations. He was 31 last week, which means he has three or four years of good basketball left."

Assuming Baylor is healthy, Schaus figures his club has an excellent chance to win the "For the first time in six years," he said, "I feel we have a bench. We can rotate now without any fears. Before, the without any fears. Before, the best we had was an eight-man team. When someone got hurt then we were in trouble. Now we have a 10-man team.

"The most improvement has come from Gene Wiley (center), Leroy Ellis (forward) and Jim King (guard)," Schaus said. "They're all young play-

USGA Revises Hit Flag Rule

NEW YORK (UPI) — After Dec. 31, golfers in United States Golf Association tournaments will not be penalized for hitting the flag stick with shots taken within 20 yards of the hole but not on the green.

The USGA decided on the rule revision for its 1966 Rules of Golf booklet after careful study of methods of speeding up play in recent tournaments. Two other changes were also made.

In stroke play, a golfer will play continuously until he holes out unless his fellow competitor requests him to lift his ball out of the line of a putt. In match play and stroke play, lifting the

Hogs Top SWC In Offense, Defense Stats

DALLAS (UPI) — Arkansas and Southern Methodist, who meet Saturday in Dallas with Southwest Conference leadership at stake, offer the most intriguing statistical figures at this stage of the season.

Arkansas, with eight season triumphs among its string of 20 in a row, leads all conference clubs in both total offense and total defense over the long haul with 356.4 and 232.1-yard averages.

Texas Tech has been the hottest club in league play, averaging 334.8 yards per game to Southern Methodist's 331.5 yards and Arkansas' 325.6. SMU leads in total defense, 187.5 yards yielded per contest to the Razorbacks' 199 per conference outing.

Sports In Brief

PITTSBURGH (UPI) — Pittsburgh linebacker Ed Pine and guard Mike Magac, injured in last weekend's game, are expected to miss the rest of the season for the Steelers.

SALTON CITY, Calif. (UPI) — Astronauts Gordon Cooper and Virgil (Gus) Grissom are among 100 persons entered for the Salton City 500-mile powerboat race Nov. 12-14. The field also includes Rudy Ramos, Parnelli Jones, Mickey Thompson and Mike Wallace.

WASHINGTON (UPI) — The six-man North American Football League plans to expand to two more cities for the 1966 season. Teams currently in the league are Mobile; Florida; Wilmington, Del.; Pennsylvania and Huntsville, Ala.

SAN FRANCISCO (UPI) — Washington State sophomore Mark Wicks is the Lineman of the Week in the Pacific Eight Conference for his outstanding efforts against Oregon last Saturday.

Dear Allison,

"How can I keep people from mooching my Half and Halfs? They can't resist that rich aroma."

Dear Smoker,

"Who can? May I have one?"

teams in close pursuit of Michigan State for the national championship. The top three teams remained unbeaten with one-sided victories last Saturday as did Notre Dame, which gets a crack at Michigan State in South Bend, Ind., Nov. 20.

Texas Tech, no. 9 last week, slipped to 11th followed by Washington State which rose from 13th to 12th. Both Texas Tech and Washington State have impressive 7-1 records.

Florida jumped from 16th to 13th, Ohio State dropped a notch to 14th and Purdue and Wyoming, unranked last week, tied for 15th. Unranked Princeton and Michigan dead-locked for 17th, air-powered

Tulsa emerged in 19th and a three-way dead heat resulted for 20th among Georgia Tech, Southern Methodist and Minnesota.

Tennessee was the only newcomer to the top 10. The volunteers have defeated Army, South Carolina, Houston and Georgia Tech while tying Auburn and Alabama. Tennessee faces a rugged task to keep its unbeaten record, facing Mississippi, Kentucky, Vanderbilt and U.C.L.A. on successive Saturdays.

Kentucky returned to the top 10 for the first time since the Wildcats obtained the no. 8 position in the first weekly rating.

AT BOSTON UNIVERSITY

Schmakel Makes BU Go

BOSTON (UPI) — Warren Schmakel is a soft-spoken, unassuming, little fellow who looks like anything but a strong candidate for New England college football coach of the year honors.

Schmakel's bid for at least regional recognition went into high gear last week. That's when the odds-makers established his Boston University football team as a favorite, an honor rarely accorded a Terrier grid squad.

Not only was B. U. favored but it defeated Connecticut, 15-14, last Saturday. It was win number four for the Terriers this fall. Those four victories combined with a tie make this the institution's "best" season since 1957 when the record was 5-3.

Need Two Wins

A victory over either Delaware or Rhode Island, the two remaining B. U. opponents,

would make this the best season since 1954.

You find out how really bad things have been at B. U. when you learn that two more wins would make 1965 the second best season in the University's considerable football history.

Psychiatry was the first suggestion when Schmakel, former assistant at Toledo, Miami of Ohio, Central Michigan, Nebraska and Rutgers, accepted Boston University's head coaching job just before the 1964 season.

The Terriers had tallied three wins in their last 17 starts. Such pilots as Buff Donnell and Steve Sinko had found winning a most impossible against opposition that included Army, West Virginia, Kansas, Boston College, Penn State and Syracuse.

Signing Ivy League

Boston University was de-emphasizing though the front

Dexter Cup To Turn Into Family Racing Affair

NEW YORK (UPI) — When harness driver Stanley Dancer takes the reins, a race often turns into a family feud.

Stanley drives favored Noble Victory Wednesday night in the \$81,386 Dexter Cup at Roosevelt Raceway against a field of brilliant 3-year-old trotters, including Egyptian Candor, owned by his wife, and Hercules Hanover, driven by his brother Harold Sr.

However, the situation is nothing new to Stanley, who often battles for first place against his brothers, Harold Sr. and Vernon, and his nephew Harold Jr.

Although Stanley is the youngest of the brothers, he has probably been the most successful driver. In 1964 he became the first driver to have his horses win over \$1,000,000 in a single year. He also was the top money winner in 1961 and 1962 and second in 1963.

"I enjoy beating my brothers more than anyone else," says Stanley, "whether it's pitching horseshoes or harness racing. I love to win."

Vernon and Harold Sr. may have gained their biggest victories because their little brother let them substitute for him. Vernon reined Cardigan Bay to victory against archival Overtrack for a Yonkers track record of 1:58.1-5, and Harold drove Su Mac Lad to his first two-minute mile.

All three brothers are trainers in New Jersey, but Stanley has again been most successful. He was both driver and trainer for Su Mac Lad, the world's biggest money winner, and served as trainer for Noble Victory and Egyptian Candor.

His Midas touch asserted itself when he started his stable with only one horse, the famed Candor, and built it into one of the richest. He bought Dancer Hanover, an untested yearling, for \$105,000 and turned around to sell him for \$200,000. He paid \$100,000 for Cardigan Bay, a New Zealand pacer who won \$160,750 in 1964, and \$50,000 for Oreti, successful in the free-for-all ranks before bringing \$70,000.

WEEKLY HONOR — Harvester Jack Williamson has been selected by Pampa football coaches as the winner of this week's Harvester-of-the-Week honor. Williamson is a 173-pound junior guard.

Champ Clay Heeding Warning From Conn

LAS VEGAS, Nev. (UPI) — Heavyweight Champion Cassius Clay today apparently was heeding the warning of onetime championship contender Billy Conn not to be lulled into a feeling of security because he outweighs challenger Floyd Patterson.

Conn, whose title battle with champion Joe Louis ranks as one of the great bouts in ring history, got his first look at Clay in training Monday. He was impressed.

"But don't sell the little guy (Patterson) short," Conn warned the champion. "I was outweighed 30 pounds by Louis and might have won the title if I hadn't made the mistake of trying to punch with him in the late rounds.

"Patterson, I understand, won't give away more than 15 pounds," he said.

Clay started jolting his sparring partners in Monday's workout and indicated he had more of the same in store for them. He was especially rough with his brother, Rudy, during the two rounds they worked.

Patterson did not work publicly Monday and plans no more open drills until the weekend. His camp reported he was doing exercises to build up his weight to around 195 pounds.

The Pampa Daily News

Watchful Newspaper NEVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing...

Is Good Taste An 'Out' Thing?

What's happening to "good soapbox speeches on behalf of taste?" What's happening to it, obviously, is that it's going the way of modest modes, subtle sex, gentlemen who gave their seats to ladies...

Syncopated Salvation

Guess who's planning to give London's red hot night life some red hot competition? The Salvation Army! It's true. The army is fed up with corny gags and musty wisecracks about its old-fashioned image and its staid and stately hums...

A Time for Caution

What has happened to the federal budget? The answer is that the course of events has taken much of the meaning out of past estimates—including the \$99.7 billion budget submitted to Congress last January...

BERRY'S WORLD

Advertisement for Berry's World featuring a cartoon illustration of a man and a woman, with text about economic opportunities and a sign that says "OFFICE OF ECONOMIC OPPORTUNITY".

I'll See Your Raise —

Advertisement for 'Genuine CO Can Serve Elsewhere' by Ray Cromley, Washington Correspondent. It discusses the impact of COs on the economy and labor relations.

WASHINGTON: President Johnson is pressing GUIDING THE WAY — The Institute and Foreign Development Service proposals are the brainchild of HEW Secretary John Gardner...

There is no need for a genuine conscientious objector to burn anything. "COs" have very specific protection under the law, which says they will not be required to serve in any military role.

There are at present about 5,000 COs working in medical and other noncombatant jobs with the armed services at home and overseas. A conscientious objector who feels he cannot work with the military, even as a noncombatant medical aide, serves two years with a state, religious or private service agency.

There are roughly 2,500 of these nonmilitary-connected objectors now serving. About three out of four work in hospitals. Some of these are participating in medical research and experimentation projects.

Some work in real hot spots overseas — in Viet Nam with the International Volunteer Service, for example, and in Laos, Viet Nam and the Congo with the Mennonite Church or other religious groups. Some have died in service.

The National Institute of Educational and Technical Cooperation (NIETC) would provide for the first time in government a vital center for thinking, planning, research, and action on the critically important long-term problems of technical assistance.

The American Way

By HARRY BROWNE

Politicians love to tell us about the order, harmony and tranquility brought about by their programs of control. We are told that we have graduated from the days when the "law of the jungle" prevailed. Now, we no longer see the ruthless, dog-eat-dog competition that once ruled the free market.

Where in the "jungle of private enterprise" do you find huge, wasteful surpluses (like the State has created in agriculture)? Where in the "anarchy of the free market" do you find severe shortages of critically-needed services (like the State-created water and coin shortages)?

The Nation's Press

NO ALIBI FOR LAWLESSNESS (Industrial News review) All manner of excuses are given for the waves of juvenile delinquency that continually poison this country.

"No doubt society has failed our youth, but not in the way many seem to think. Rather, the dereliction has been in the failure to teach them the meaning of discipline, restraint, self-respect, and respect for law and order and the rights of others.

the Brethren, Religious Society of Friends, Old German Baptist Brethren, Jehovah's Witnesses and Church of Christ. The other 10 per cent come mostly from 93 other Christian sects or denominations and seven non-Christian groups. About 1 per cent of the COs states no religious affiliation.

Among the conscientious objectors are even Buddhists (three in 13 years) and members of the Rosicrucian Fellowship, the Baha's World Faith, the Esenes, of Kosmos and the Faithists. Some agnostics have been accepted as COs.

These contracts, which deal with foreign-aid programs, would be re-examined to determine if they fit into President Johnson's plans to export his "Great Society." If they do, these programs would be greatly enlarged for the new foreign venture to put a made-in-USA tag on the revolutionary changes sweeping the world.
