JONES BEGINS DRIVE FOR DUST FUND

Twinkles

Many newspaper men of the Panhandle have had break-downs of some kind lately. For instance, dynamic John McCarly of Dalhart has been very ill and is taking the rest cure at Marlin.

All of the scribes ought to be resting up for the ordeal of elections and election parties which is approaching—mud slinging and dust storms.

More farm statesmen are needed, it is freely conceded. We nominate some of our wheat farmers, who are men of leisure and intelligence, widely-read, and well informed about the vagaries of men, markets, and the weather.

We always suspected that we didn't win much in the world war and the revelations of the last two years have removed all doubts. All we won were the battles, which Europe permitted us the privilege of fighting.

Lots of pictures showing bathing beauties sunning in the snow are being printed, but we note that none of the models is shown ice-making in the brevities. No-les hereabout well know why.

Musing of the moment: Dusters so far are well below standard. We hope the plains dishes out one just one—which is up to par. Eds and co-eds are reported to be more studious this year. Maybe they've finally decided that we older folks are sincere in not knowing what to do about depressions.

Revitalizers

PAMPANS GENERALLY are probably unaware of the size of the Young Democratic club convention which will be held here late in April or early in May. Young men and women of Pampa are to be expected to build up a strong local organization which will act as host to the convention. To date, progress has been slow. But it is a fact that Pampans must take immediate steps to assure the success of the meeting from the host's standpoint.

Local Young Democratic club meetings are improving vastly, with debates on outstanding topics of a character which should win big audiences. Pampa must show that her young folk are interested in public affairs. As many as 500 visitors keenly interested in politics, may come here.

Dog owners may be interested in the estimate that pure-bred show dogs enriched the business of the nation by more than \$18,500,000 last year. This sum was apart from the even greater sums involved in caring for and feeding other dogs. Money spent by spectators at dog shows totaled more than two millions. "Waste of money," from some standpoints, but the money spent on dogs provided employment for thousands of humans. And these are worse things than dogs, although we never cared for the "society" types.

LAST YEAR MORE than 3,000 visitors attended the Northwest Texas Educational conference at Canyon Teachers college, an event for the public generally in this area. The conference on education brings together alert citizens and skilled educators, all interested in improving teaching and the products of teaching. Pampans have shown much interest in the project. This year's conference will be held in Canyon March 6 and 7. As usual, speakers of nationwide reputation will be heard.

MANY PENSION BLANKS GIVEN LOCAL PEOPLE

APPLICATION FORMS IN DEMAND; HESSEY APPOINTED

Texas old age pension application forms were in great demand today at the office of C. E. Cary in the courthouse. At the same time, it was announced that John B. Hessey had been appointed district investigator, with headquarters here.

The forms are to be filled out and sworn to before a notary, then sent to the District Office, Texas Old Age Assistance Commission, at Amarillo. After being checked there, the cases accepted will be referred to Mr. Hessey for investigation of eligibility.

Persons 65 years of age or more, who have lived in Texas no fewer than 5 years of the last 9 and at least one year immediately preceding application, and meet income requirements are eligible to receive the pensions. Single persons must have incomes of not more than \$300 a year and couples no more than \$720 a year. Single persons must not own property valued at more than \$5,000 and couples more than \$7,500. Nor must either husband or wife have "ample support" for the other.

Judge Cary said that this afternoon he would personally employ a stenographer to help applicants make out their papers.

J. S. Fischer at Amarillo is district supervisor with office at Room 215, Oliver-Eagle building. Hessey returned yesterday local WPA project superintendent. His successor has not yet been announced.

Brownwood Emerson, head of the See PENSION, Page 8

DONATIONS TO SCHOOL LUNCH FUND NEEDED

Undernourished Tots Must Be Fed At Noons

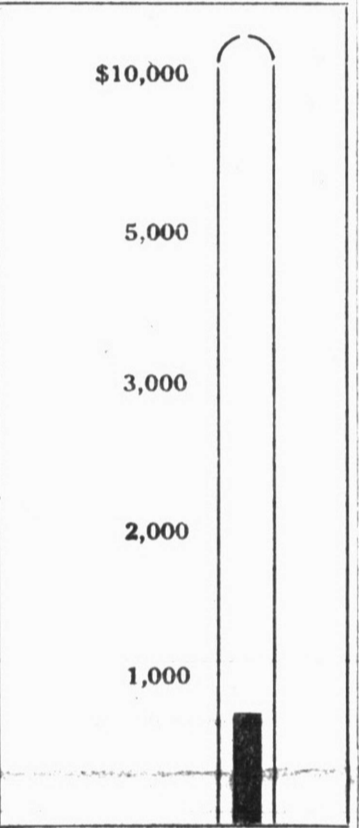

Undernourished school children numbering 65 or more are being given free school lunches at two cafeterias.

Most of the children are from the B. M. Baker school and are being taken by bus to the cafeteria on the central campus. A smaller number is being fed at the Horace Mann school cafeteria.

Civic clubs are giving \$40 each and the Treble Clef club has given \$10. The Red Cross is helping substantially. However, costs are mounting and investigations of children are continued and will amount to \$250 per month or more.

Chamber Finance Drive Nets \$767 Up To Noon Today

Going Up

This thermometer will daily record the progress of the finance drive of the new Pampa chamber of commerce, a city-wide membership organization affiliated with the B. C. D. The "mercury" went up again today, although the drive was just getting under way.

BRUNO CRIES LIKE A CHILD, SAYS LAWYER

Leibowitz Says Hauptmann Broke Down During Visit To Cell In Trenton.

TRENTON, N. J., Feb. 14 (AP)—Samuel S. Leibowitz, the eighth lawyer to figure in the Bruno Richard Hauptmann case, searched for client-savings clues today in the tear broken story he heard from the convicted slayer of the Lindbergh baby.

Leibowitz, a New York attorney with a specialized criminal practice was uncommunicative after an hour's conference with the condemned Hauptmann yesterday, but said he would go back to the death cell Sunday.

By that time Hauptmann's 30-day reprieve will have expired. Gov. Harold G. Hoffman, who granted the reprieve to allow further investigation into what he considers unsolved angles of the case has given no indication he will grant another one.

In the 20 months that Hauptmann has been in police custody he has See HAUPTMANN, Page 8

City-Wide Unity of Purpose Promises Good Results

City-Wide Unity of Purpose Promises Good Results

Although canvassing has barely started, the Pampa chamber of commerce finance drive had netted \$767 in cash and pledges reported up to noon today. Most of the workers had received their supplies but had planned to make their first rounds this afternoon.

First "returns" this morning included: Johnson Hardware, \$25; D. Bozell, \$10; Henry L. Jordan, \$12; H. W. Waters, \$5; Dick Hughes, \$10; M. P. Downs, \$25; Walter S. Russell company, \$20; Chas. Maisel, \$25.

Yesterday the following was reported: Panhandle Insurance Agency, \$100; J. S. Wynne, \$100; Clayton Floral, \$25; Callum & Son, \$100; Charley Burton, \$25; J. R. Roby, \$25; Texas Furniture, \$50; Burrows Bakery, \$25; M. A. Graham, \$25; Pampa News, \$50; C. H. Walker, \$50; Pampa-Jarrett Hospital, \$10; C. D. Knight, \$10; J. L. Nance, \$10; C. L. Nance, \$10; John Bradley, \$10; Ray Webb, \$10.

A city-wide unity of purpose and plan is expected to make easily attainable the goal of \$10,000 being raised to seek more highways, more industries, to protect industries already here, and to finance the plans being drawn up by the city-wide organization.

The city's firms and those of the immediate area have been divided into classifications and given to canvassers. Anyone wishing to add his name quickly, or that of his firm, to the published list should telephone the solicitor of his classification, or telephone the B. C. D. office.

The canvassers include the following: E. J. Dunigan—Oil well supplies. Al Lawson—House and sign painters. Burton and Maisel—Auto and service stations. O. L. Boyington—Building contractors. J. C. Cobb—Garages, repairing, battery, radiator shops. Irvin Cole—Hatcheries. Tom Clayton—Floral shops, mortuaries. Ivy Duncan—Lawyers. M. A. Graham—Wholesale oil concerns. Dick Hughes—Food stores, wholesale and retail, and packing houses. M. W. Jones—Motor supplies, machine shops, welding shops. Parris Oden—Abstractors, accountants, insurance men. Tom Rose—Automobile dealers. Tom Wynne—First National bank, lending agencies. C. H. Walker—News agencies, publishing houses.

Chinese Youth Joins Staff of Radio Station

Wah Him Quan, local Chinese youth, has joined the staff of radio station KPDM as assistant technician and will work with Herman Kreiger, chief technician, in the installation of the plant. Work of assembling the speech input equipment was started yesterday.

One of Pampa's first amateur radio enthusiasts, Quan continued his experiments and studies and is able to take 22 words a minute in international code, which is good speed for commercial reception.

MCCARL WILL PASS ON FARM ACT PAYMENT

RAVAGES OF RENEWED DUST STORMS TO BE MET

WASHINGTON, Feb. 14 (AP)—Amid sharp dispute over the wisdom of limiting Supreme court powers, the new \$500,000,000 farm bill moved today toward a final senate vote expected late today or tomorrow.

WASHINGTON, Feb. 14 (AP)—A drive for \$2,000,000 to meet ravages of renewed dust storms in five western states was under way today in congressional circles.

Rep. Hope (R., Kas.), Chairman Jones (D., Texas) of the house agriculture committee and Senator Adams (D., Colo.) sought the quickest way of obtaining \$2,000,000 for listing of wind-swept land in Colorado, Kansas, Oklahoma, Texas, and New Mexico.

Hope said a tentative agreement had been reached to have Adams introduce an amendment to the independent offices appropriation bill in the senate for that amount.

"If we fall over there on the senate side," Hope said, "there will not be much hope left that we can aid the farmers before the real winds set in again and the damage is done. We may have to fall back on a proposal for the government to make grants to cooperatives but that would be an awkward way to handle the emergency and would take time to set up those agencies."

Hope said county agents in these five states already had started setting up machinery to administer the fund on an acreage basis. The Kansas cited these acreage figures for the area: Colorado, 1,200,000 acres; New Mexico, 375,000 acres; Texas, 1,900,000 acres; Oklahoma, 200,000 acres; Kansas, 1,533,000. On this basis the three largest states would be given about \$600,000 each.

All Students To Participate In Choral Singing

Every student in Gray county will participate in massed choral singing at the designated pupils eligible to participate in the massed chorus of school children at the Centennial in Dallas somewhat later. At least 50,000 children will sing for Centennial visitors.

Local plans were furthered this week by the visit of Miss Nell Parnley, state supervisor of music. State songs and cowboy songs will be selected for the various programs.

Mercury Drops To Zero in City

Zero temperature blew in on a chilling north wind last night—as predicted—and approached the minimum cold for the winter.

All Snowed Up 'N' No Place To Go

Their tops barely protruding from the drifts, these two autos show strikingly the depth of the snow in the near-record blizzard that swept the country from northwest to the east coast. Marked on a state highway near the Illinois-Wisconsin state line, they were only two of thousands of cars abandoned by their owners. State police made a thorough search of all roads in that section, fearing some motorists might have been trapped in their cars and frozen to death.

Bill Would Sell 5,000,000 Bales Of U. S. Cotton

WASHINGTON, Feb. 14 (AP)—Over the opposition of government officials, the senate agriculture committee today approved the Smith bill directing the sale of approximately 5,000,000 bales of government-owned cotton in weekly blocks of between 20,000 and 25,000 bales. The vote was 13 to 2.

The bill, introduced by Senator Smith (D-S C.), committee chairman, had been before the committee nearly two weeks for secret hearings.

It would set up a board of three to sell the cotton. Smith contends the large government holdings are a drag on the market and disposing of them in small weekly allotments would not affect prices. He argues 25,000 bales, the maximum allowed to be sold at one time, is less than 10 per cent of the world consumption of American cotton in one week.

Oscar Johnston, manager of the cotton producers pool and first vice president of the federal commodity credit corporation which controls much of the cotton, described the bill as "unsound" in that it proposed "arbitrary withdrawal" of the staple "without regard to demand."

"Markets cannot be arbitrarily created," he said in a letter to Smith. "Cotton must be sold when and if there is a market or demand. It would be unsound to force upon the market any specific quantity of cotton, however small."

WEATHER

West Texas: Partly cloudy, not so cold in north, colder in extreme southeast portion tonight; Saturday partly cloudy, warmer in southeast portion.

(By The Associated Press) drove deep into Texas today, the chill winds carrying with them dust and sands from the plains.

'GATE' PRICES ARE SLASHED BY COMMITTEE

PAMPA, PANHANDLE ONLY UNDEFEATED TEAMS LEFT

The Panhandle Panthers, the only undefeated team in the district basketball tournament besides the Pampa Harvesters, will be the tough, determined foe of the Pampans in the feature game tonight at the high school gym.

The game will begin promptly at 9 o'clock after the winner of the Wheeler-Spearman game this afternoon and Miami play. The latter tilt will start at 8 o'clock. The prices of admission will be 25 cents for adults and 15 cents for children and students, according to Aaron Meek. The admission prices were cut this morning from 50 cents for adults at the night games and 35 cents at the afternoon sessions. Crowds today and yesterday in the feature game after a conference it was decided that the prices paid yesterday were too high.

The Panthers will go into the game fresh as a bunch of spring sweet peas. Tonight's tilt will be their only game of today. They played their last game yesterday afternoon at 4 o'clock. They are spending today at Panhandle resting for the encounter that is scheduled to be the decisive battle of the tournament. The team that wins tonight's affair should win the tournament. If the Panthers win tonight, they will not have to

Japanese Have Lost Minds, Is Russian Belief

MOSCOW, Feb. 14 (AP)—Coincident with publication of reports of a Japanese-Manchoukuo invasion of Soviet-adjacent Outer Mongolia, the authoritative Soviet writer, Karl Radek, declared in a speech today that Japanese militarists "have lost their minds," and warned them not to try the Soviet's nerves.

"They will learn our nerves are in complete order, and if necessary, our hands, too," Radek asserted.

Numerous clashes have occurred recently along the Manchoukuo-Outer Mongolia border, the most serious a clash between Japanese-Manchoukuo troops and Outer Mongolian forces Wednesday in which Soviet dispatches said 10 Japanese-Manchoukuos were killed after invading Outer Mongolia.

"The whole world, Radek asserted, "will be watching the disputed events on the shoulders of leaders of the Japanese army and its institutions in Japan and Manchoukuo."

Soviet advices from Ulan Bator, Outer Mongolia, said the alleged Japanese-Manchoukuo invaders of Outer Mongolia in the disputed far eastern border territory were ejected after two fights near the Mongolian post of Bulun Dersu.

Newspapers To Close Up For Hawk Funeral

AMARILLO, Feb. 14 (AP)—Activities at eight newspaper plants will cease this afternoon in tribute to the memory of Wilbur C. Hawk. Amarillo publisher and civic leader who died Wednesday.

Memorial services will be held in the offices of the Aftonian, Kans., Globe. The Amarillo News, of which Mr. Hawk was general manager will close during the funeral hour while employees attend the services in a body. A three-minute silent tribute was planned by newspapers at Falls City, Neb., and Lubbock, Childress, Dalhart, Midland, and Memphis, Texas. The Amarillo radio station which Mr. Hawk headed will be silenced for 30 minutes.

Business in Amarillo will be suspended during the rites. Chili Supper To Be Held Tonight At Red Building

Pampa Leads U.S. In Credit Sales

ST. LOUIS, Feb. 14 (AP)—The National Retail Credit association reported today average increases of more than 8 per cent in both retail collections and credit sales for January, as compared with those of the same month last year.

The association's monthly analysis of collections and credit sales trends was based on reports from 76 cities representing 17,556 retail stores.

TAMPA, PANHANDLE AND MIAMI REMAIN UNBEATEN IN FIRST DAY OF MEET

LOCAL CAGERS ROUT BORGANS IN 41-27 TILT

WHEELER OVERCOMES 21-POINT LEAD TO WIN

Pampa, Panhandle and Miami remained undefeated Saturday night when the Harvester, first string and second string, and the Borger Bulldogs each won once in the first day of the district basketball tournament here yesterday.

The Harvesters and Wheeler's resolute Mustangs provided spectacular demonstrations for the large crowds of fans. Last night when the Harvester first string was called to the sidelines at the end of the third quarter to let the reserves show their skill or lack of it, the Borger Bulldogs were trailing 41 to 18. The final score after the Borgans had made nine points against the reserves, was 41 to 27.

And for a sensational upset, the Mustangs held attention: Yesterday afternoon at the end of the first quarter, the Mustangs were a thoroughly beaten team and were trailing the Harvester Ows who two hours earlier had held the Harvesters to a 42 to 36 count, by exactly 21 points, the score at that point being 23 to 2. It looked like a quick death for the Mustangs. Then Coach Bob Clark jerked his first string, sent in his subs and gave his starters a good lecture. At the half the score was 25 to 12.

The Mustangs overtook their foes early in the fourth period and the final score was Wheeler 41, Hedley 31. It was the biggest upset of the tournament. The fact that Hedley was forced to play the Harvesters at one o'clock and Wheeler at five o'clock, have been responsible for the dejected showing of the Ows in the last half of their game. The Ows were forced to play two of the strongest teams in the tournament within four hours.

If Hedley had had luck in the schedule, then Panhandle had all the good luck. The Panthers opened the tournament yesterday morning by trouncing Canadian. Yesterday afternoon, they whipped Perryton by 10 points. They will not play again until tonight when they meet the Harvesters at 8 o'clock. If they should win tonight they would play again until they enter the finals.

Panhandle by virtue of impressive wins over Perryton and Canadian has grabbed one of the favorites' roles. Star for the Panthers yesterday in the Perryton game was C. Sparks who swished the net for 18 points.

The Pampa-Borger game last night was Thursday's headline and in the third quarter the Harvesters increased their lead to 20 points. The Pampa cagers were on their toes throughout the game, and they looked as good as they have this season. Moose Hartman lead the scoring with 14 points, followed by Stokes Green with 12, Junior Strickland with 9, Ayer with 4 and Jones with 2. The Harvesters dizzied the Borgans with long shots from the side and from center, and played rings around the Bulldogs. Strickland got the tip every time at center and the Harvesters usually nabbed the leather. It was the Pampans' third victory of the year—against one defeat.

BOB-SLEDDERS FROM AMERICA LEAD NATIONS

NORWAY MAKES CLEAN SWEEP OF ALL SKATE RACES

GARMISCH-PARTENKIRCHEN, Germany, Feb. 14. (AP)—America's dashing bob-sledders returned to record-breaking form and gained the lead at the halfway mark of the Olympic bobsled competition today. Ballantrud, world speed skating king, carried Norway back to the top of the unofficial team standings.

Ivan Brown and Alan Washbond of Keene Valley, N. Y., gained a clear lead over the field after the first two heats of the four-man bob-sledding competition had been completed to the tune of one new course record after another.

The day's ultimate new standard of the minute, 20:31 second for the 100-meter Olympic chute was credited to the Swiss pair, Fritz Feilerband, but Brown and Washbond, breaking the old mark in each heat, led in elapsed time by more than three seconds. The second American duo of Gilbert Colgate, Jr. of New York and Dick Lawrence of Branchville, N. J., also smashed the old record twice but had to be content with third place, behind Feilerband. The final two heats of the championship will be run off tomorrow.

Ballantrud gave another convincing demonstration of his speed and line mastery in capturing the 10,000 meters crown in 17 minutes, 24.3 seconds, time that clipped 31.9 seconds off the old Olympic record. Eddie Schroeder of Chicago, the leading American entrant, also was clocked in time that bettered the old record but he could finish no better than eighth in the crack field.

Ballantrud's first place—giving Norway a clean sweep of all four speed skating titles—plus a fourth place for Charles Cain in the same event, enabled Norway to gain the lead in the team standings with 118 points against 107 for Germany. The United States remained in sixth place with 15½.

Spears' Report Tossed Back to Badger Regents

MADISON, Wis., Feb. 14. (AP)—A twisted mesh of charges and denials the University of Wisconsin athletic committee today rejected the regents' report on the football team's disciplinary record.

"Out of the slow whistle and go home," was the advice handed the regident judiciary by Robert G. Zupke, University of Illinois coach.

And that too appeared to be the accepted opinion of the official committee which opens its annual three-day meeting here tonight.

A few minor changes in the code suggested by the nation's football mentors, will be given consideration by the rule makers. They include:

- Use of a pistol to signify the end of a game.
- Use of three officials instead of four by small institutions, if both parties so desire.
- Numbering players on both front and back.
- Discontinuance of the slow whistle.
- Discontinuance of a first down penalty against the team which runs into a kicker. Coaches have asked that the down remain the same after the infliction of the customary five-yard penalty.

Frog-Jumping Derby Planned

WASHINGTON, Feb. 14. (AP)—An all-American frog-jumping show with "entries from every state in the union" will be held here in the spring if Fred Orsinger has his way.

As director of the commerce department's aquarium, Orsinger is passionately interested in frogs and fishes. He hopes the contest will be held while congress is in session so legislators can be the official sponsors for the contestants.

A few weeks ago, Orsinger was balked when he tried to arrange a broadcast of a scrap between fighting fishes. A law forbidding the "matching of beast against beast or man against beast" was cited.

"The frog jump will be perfectly legal," he said. "We'll just line up the frogs and if they want to jump that's their business."

TECH GUARD SIGNED
LUBBOCK, Feb. 14. (AP)—Gaines Davis, guard on the Texas Tech football team the last three years, has signed a contract to play professional football with the New York Giants. He said he expects to report to New York about Aug. 15.

Brotherhood Promoted by Scouts

The Boy Scout Movement is progressing in each of the 73 different lands where it exists. Every four years world Scout Jamborees or international encampments are held where many world-wide friendships are made. Photo shows the opening parade of flags at the World Jamboree in Arrow Park, near Birkenhead, England, in 1937. The Boy Scouts of America will hold their first National Boy Scout Jamboree at Washington, D. C., in late June and early in July.

COLLEGES TO SEND HORDE OF ROOKIES TO TRAINING CAMPS

By HUGH S. FULLERTON Jr., Associated Press Sports Writer.

NEW YORK, Feb. 14. (AP)—Back in the days when a boy had to skip school and play on the sand lots to get baseball experience, they used to judge a rookie's ability by the size of his chew of tobacco. Now they ask what college he came from and who was his coach.

The sand lotters haven't been shut out in the big league training camps but seldom have there been so many college-trained athletes as are listed to go south this spring. The records in the National League alone reveal that nearly half the 1936 crop of "ivory" has been drawn directly or indirectly from the nation's campuses.

There's no school or section that has a monopoly nor do the big colleges have an edge over the small ones in producing potential stars.

Only two institutions have two representatives on the rookie list: Colgate and Providence. Two former Colgate football stars, Gary Anderson and Steve Kuk, are slated for trials with the New York Giants while Leo Marion of Providence also is listed with the Giants and Albert Blanche with the Boston Bees. Blanche was up with Boston late last season.

Tiny Jim Chaplin, a veteran rookie now with Boston, boasts a University of Florida degree. Also due at the Bees' camp are Sharkey Eiland, Mississippi state, Jim McCloskey, St. Bonaventure, and Gerard Veach of Carbondale teachers.

Frank Skaff from Villanova is Brooklyn's leading college prospect although Bert DeLmas also has a degree. Going down the list others are Lee Handley (Bradley Tech) and Floyd Wroble (Illinois) with Cincinnati; Anderson, Kuk, Marian, and Frank Miller of N. Y. U., and Howard Sipier of Swarthmore with New York; Woodley Abernathy (Alabama), William Atwood (Simmons), Roman Bertrand (St. Mary's, Minn.), and Claude Passo (Mississippi), all due at the Phillies' camp; John Barkley (Texas), Bill Brubaker (U.C.L.A.), Bernard Cobb (Bloomburg Teachers), and Ernie Downer (Cornell) on the Pittsburgh roster.

Downer, current star of the Cornell basketball team, is one of the few who will step directly from college to a big league squad. He plans to finish his course before reporting for a tryout.

53 Boys Attend Church Banquet

A father and son Boy Scout banquet held Tuesday night at the First Christian church was attended by 53 boys.

Charles Madeira sang a solo, and a trio of Scouts also sang. The principal address was given by O. H. Walker whose remarks were directed both to the boys and their fathers.

NOT TO BUY DOWNS
CORSIANA, Feb. 14. (AP)—The Corsicana Sun says reports that W. C. Stroube, Corsicana oil man and race horse owner, would purchase the Espom Downs track at Houston, are unfounded. The Sun received a telegram from Stroube, now visiting at Miami, Fla., which said: "Report not true about me buying Espom Downs."

county's part \$28,375.58. During 1935, the State paid in full the proportionate part of interest on approved issues and 50 per cent of the principal maturities of such issues. It is believed that the State will pay the interest and 75 per cent of the principal this year on the same issue.

During last year, the commissioners court amended the county budget about 40 times, most of them to transfer money from one fund to another in buying machinery and for general precinct activities. Other amendments were for such things as adding a deputy sheriff, buying right-of-way, legal expense, work on the McLean-Hedley road, repairs to courthouse, and various "general purposes." The budget amendments aggregated \$67,441.91. Total expenditures under the budget were \$250,884.87 for the year.

PHILLIPS 66 DEFEATS GULF QUINTET 39-27

11TH VICTORY IN 12 STARTS RECORDED BY OILERS

The Phillips 66 Oilers hung up their 11th victory in 12 starts last night when they downed the Gulf quintet of Borger. 39 to 27, in a game played at the Borger high school gymnasium.

Without Tim Windom, who was unable to make the trip, the Oilers got away to a slow start but brother Slim Windom and the two guards started hitting the basket from all angles and the Pampa quint pulled into the front and stayed there.

Windom led the scoring with 14 points, closely followed by Christian with 13 and Baccus with eight. Laycock and Dewel, the two forwards, made only a field goal each. Weston, Winkler and Gibson were reserves.

White, forward, was the leading Borger scorer, making 12 points. Stone, his running mate, looped four field goals. Guards Carter and Corley made three points and Gibson added the other counter. Barton, center, was held scoreless by Windom. Garrett and Dillon were substitutes.

The Oilers will be at home to Estelino on Wednesday night at the LeFors high school gymnasium.

Razorbacks To Battle Baylor In Cage Game

'Daffy' Dean to Hold Out for a Larger Salary

(By The Associated Press)

The Arkansas Razorbacks seek to regain the lead in the Southwest conference basketball race tonight in a game with the Baylor Bears at Waco while the Rice Owls play the cellar-holding Texas Aggies at College Station.

The Texas Longhorns beat Rice, 37 to 35, Wednesday night to tie the Razorbacks for first place. Texas will play Southern Methodist at Dallas tomorrow night and Arkansas will remain at Waco for a second game with Baylor.

The conference's two leading scorers, Theo Alford, lanky Baylor forward, and Ike Poole, Arkansas center, will square off in the Waco clash. Alford has roped 68 points in conference tilts while Poole trails in second place with 60 markers.

After the Porskers play Baylor tomorrow night they will go home to Fayetteville. Texas, temporarily sharing the lead, will be favored over Southern Methodist in the other Saturday night game.

He said he previously had planned to leave for Bradenton, Fla., spring training site, Sunday or Monday, but that "Now I'll just wait until I get better news from St. Louis."

He did not reveal how much more money he thought he was worth, but insisted it would represent a substantial increase over last year's reported salary of \$12,500 — or he just wouldn't pitch.

TREBLE CLEF CLUB ENTERTAINS GUESTS AT BUFFET DINNER

GAY COLOR OF VALENTINE IS USED AT CLUB

MUSIC AND GAMES ON PROGRAM FOR THE EVENING

Guest day was celebrated in Treble Clef club last evening with the annual entertainment for husbands and friends of members. A buffet dinner at city hall club room was followed by a short program and games.

Valentine suggestions decorated the room. A table gay with white and red held the registry where Mrs. Ray Huling presided. Double streamers of red and white, with rows of red hearts, criss-crossed overhead.

The table was centered with a miniature pool with tiny figures of water birds, surrounded with red poppies. Mrs. Fred Cullum poured coffee, and guests helped themselves to fried chicken, potato salad, pickles, baked beans, bread and butter sandwiches, doughnuts, and coffee.

On program were Miss Lorene Bastian, who sang two spirituals accompanied by Mrs. Philip Wolfe; little Merita Von Brummett, who played a piano solo; Miss Evelyn Shanklin, whose vocal solos were gay French love songs accompanied by Mrs. Bob McCoy; Mrs. A. N. Dilley who sang "The Dust-Storm King," written by a resident of the "dust bowl"; and Mrs. Walter Stein and Mrs. W. L. Brummett, who played a piano duo.

Various games were provided for entertainment later. Guests chose from bridge, forty-two, bingo, and monopoly. Club members on the hostess committees were Meses, Alex Schneider, Philip Wolfe, J. M. Hish, Bert Whaley, H. O. Roberts, Walter Wanner, Dilley, and Miss Frances Stark.

Suits and Bright Colored Dresses Are Summer Style

BY RUTH COWAN, Associated Press Staff Writer.

CHICAGO, Feb. 14 (AP)—Suits of linen, tailored frocks, novel color combinations and 13 Homberg hats made up the summer daytime picture as presented today in a wholesaler's advance warm weather style review at the merchandise mart.

There were suits—and more suits—and still more suits. Conspicuous were those of white and natural linen. Nearly all had hip-length jackets. Planned was a popular medium. For early spring there were light wool skirts and contrasting jackets. Skirts and colored silk blouses—worn without a jacket—were seen.

The vogue this spring and summer for brightly hued shoes, gloves, and bags noticeably increased the charm of summery fashions. Colors in cotton tog included Chinese red, muen yellow, pink and light blue, dark blue, either alone or combined with white or green, brown, and a Spanish tile that was lovely in cotton lace.

All excess trimming and fluffiness were shaved off the sports dresses. The result, to the feminine eye, looked like garment easy to wash and iron. There were some jacket frocks, but the shirtwaist style led. There were few sun-tan backless numbers. Interesting new uses of pockets for trimming were noted. One dress had a left breast pocket and right skirt pockets. Some dresses had inverted pleats at the side of the skirt hem.

Shorts in blue, brown or white were shown for tennis, for golfing, slacks in the same solid colors were advocated.

Central Baptist Circles Study at Members' Homes

All circles of Central Baptist Missionary union had Bible study at their meetings Wednesday afternoon. Plans were made for a joint meeting at the church next week when Mrs. John O. Scott will conduct study of a mission book.

Mrs. J. L. Barnard was leader Wednesday for Henrietta Shuck circle, meeting at her home. Lou Wilkins circle met with Mrs. Dave Godwin for a lesson led by Mrs. Emil Williams. Mrs. G. C. Stark led the study for Lily Hundley circle, which met with Mrs. Etta Gillham.

Mrs. Bell's Home Is Meeting Place Of Quilting Party

Mrs. O. L. Bell was hostess at her home recently to a party of friends who spent the afternoon quilting and presented a gift to Mrs. Joe Kennamer. Sandwiches and coffee were served.

Guests were Meses, J. E. Johnson, Jake Woolen, S. P. Hayes, June Mullinax, S. C. Kemp, L. E. Valentine, Lonzell Kennamer, R. D. Kennamer, J. D. Smith, S. L. Hawkins, H. C. Curson, H. Ozmun, and Miss Mary Robertson.

Mother Advised Ailing Daughter To Take CARDUI

Many, many women have taken Cardui on the advice of their mothers who had been helped by it. "I would have severe cramping spells," writes Mrs. P. C. Allen, of Smithdale, Miss. "I would get nauseated, and feel faint and would have to go to bed. I would be very nervous for two or three days. I was afraid to go away from home, for fear I would faint and fall. My mother, having used Cardui with good results, advised me to try it."

"I am so glad I took Cardui and got relief, for it has done wonders for me." If you suffer this way, send to the drug store for a bottle of Cardui and begin taking it today. Of course, if Cardui does not benefit YOU, consult a physician.

OFFICIALS OF WHITE DEER'S SCHOOL DINE

Mexican Supper And Program Given By Classes

WHITE DEER, Feb. 14.—Texas, the Gateway to Mexico, was the theme carried out at a program and buffet supper given Wednesday evening by the Spanish and home economics departments, under the supervision of Mrs. M. A. Powers and Mrs. Bessie R. Gill, in honor of the faculty and board of trustees of the White Deer independent school district.

The program consisted of a tap dance by Severin Kotara; a Spanish dance by Mary V. Culver and Frances Platt, with guitar accompaniment by Jack Finlow, and vocal solos by Lucille and Marvin Romack, with guitar accompaniment by Marvin. Two numbers were presented by the orchestra directed by Le Verne Edwards.

Clever hand-drawn menu cards and Mexican food prepared and served by the home economics department carried out the Mexican motif. Those present were: Messrs. and Meses, E. C. Shuman, John Kotara, Russell Nicholson, W. B. Carey, Allen Black, J. W. Wells, George A. Heath, Carl Herod, M. A. Powers, Cal Sorenson, W. R. Riseden, Ed Burrow, J. N. Devine, Ray Crowder, and M. A. Armstrong.

Mrs. Bessie R. Gill, Misses Ann Thurston, Velma Cook, Grace Williams, Ruby Williams, Rowena Hulse, Jo Ella Vaughn, Oriana Bandy, Mattie Jordan, Frances McNeil, Hattie Saret, Inez Blankenship, Gladys Holley, Odessie Howell, Louis Holgate, Claudia Everly, and Little Miss Shuman.

Messrs. W. L. Alsop, Glenn F. Davis, H. H. Rumph, and R. B. Galbraith.

Musical Saw To Be Heard During Concert Tonight

Solos on that unique instrument, the musical saw, will be played by Lloyd Jones of LeFors on the program which Woodrow Wilson Band Parent club will sponsor at city hall auditorium this evening at 8. The Panhandle school band will be featured, and each ward school of Pampa will present a number.

A small admission fee will be charged, and proceeds will benefit the Wilson band uniform fund. Everyone is invited for this hour of magic.

Among the numbers to be played by the visiting band will be "Saskatchewan," the band contest number for the Amarillo musical festival this spring. Solos and duets will be played by the band members, who include winners in state and national music contests.

WHEELER NEWS

WHEELER, Feb. 14.—A party Saturday night at the Newkirk home was given for Mr. Newkirk's brother, Ford, and a group of his friends. Present were: Wm. Wallace, Aline Buchanan, Bonnie Adams, Martha Jane Shipman, Ferrol Pickle, Farrell Wallace, Amos Page, and Jack Tate.

Misses Marguerite and Bessie Mae Pickle and Ann Ford attended the movie in Shamrock Saturday evening.

W. W. Adams and sons, Walter and Carl, visited friends in Mobeetie Sunday afternoon.

Mr. and Mrs. Jim Trout, Lee Clark, Jack Shipman, Bessie Mae Pickle, and Jack Twynes motored to Oklahoma City Tuesday. Mr. and Mrs. Trout returned that evening, while the others remained to enter school.

Meat Keeps Fresh In Method Used by H. D. Club Member

"The best method for keeping cured hams and bacon is in refined cottonseed oil," said Mrs. Olive King of Bell Home Demonstration club. "The cottonseed oil prevents mold, drying out of the meat, loss of weight, and insect damage," continued Mrs. King.

Mrs. King explained further that the meat should be packed tightly in a container to reduce amount of air to cover and it only needs to be covered about one inch with the oil. Any kind of a container may be used, though a crock container is best. A wood barrel will do, but absorbs some oil. It is best to use covered container for sanitary conditions. Roughly speaking, it will take about 4 gallons of oil for 100 pounds of cured meat.

PROGRAM AND TEA OBSERVE FOUNDERS DAY

NOMINATING COMMITTEE CHOSEN FOR P-TA

About 150 members of Horace Mann Parent-Teacher association were present yesterday for a program honoring founders' day, a business meeting featuring appointment of a nominating committee, and a tea afterward.

Miss Josephine Thomas, Mrs. C. E. Cary, and Mrs. J. M. Turner were chosen for the nominating committee, which will make its report at the next meeting.

Mrs. Cary was leader of the program, which opened with songs by the unformed school chorus under direction of Miss Loma Groom and accompanied by Miss Jimma Searcy. June Marie Amick gave a tap dance with the last song, Boots and Saddles.

Founders of the organization were honored in a pageant with Eugene Mann as reader, Mildrene Alkens lighted a white candle in memory of members who have died. Mrs. Turner lighted blue candle representing the national association. Mrs. T. A. Cox the red candle for the state congress, and Mrs. A. L. Burge the gold candle for the local association.

In the business meeting plans were made for a Boy Scout troop sponsored by the P.T.A. to present a benefit movie at the school soon. Mrs. J. W. Foster, finance chairman, announced an oyster supper for Feb. 26 to raise funds for the association.

A food shower was planned for the school cafeteria next week. Contributions to be sent at any time during the week.

A meeting of the study club was announced for Feb. 25 at the home of Mrs. Cary with Mrs. Graham as leader.

The attendance award went to Miss Clara Brummett. Cake and tea were served by Meses, Jim Devore, H. H. Boynton, Earl Griffin, and George Nix from a candle lighted table decorated with carnations and sweet peas.

Canned Food in H. D. Club Home Solves Problems

"Oh! Wesley, run to the cellar and look on the shelf labeled 'boned breast chicken' and bring me a can of each of these. The Joneses are coming for dinner and we don't have time to kill and dress a chicken," said Mrs. C. B. Haney of Merten Home Demonstration club to her small son last week when a hurried-up meal was required.

When Wesley came with the cans, Mrs. Haney set the can of boned chicken in a pan of hot water to liquefy the coagulated broth around the large pieces of white meat, and so avoid tearing it into bits. Then the can was opened and the meat placed in a baking dish and set in the oven to brown. Gravy was made from the fat and the can of broth.

Creamed potatoes, asparagus tips, canned cranberry sauce and fruit salad were added to the menu. Mrs. Haney is never nervous over company dropping in at the last minute for she can soon prepare many meals from her cellar shelves.

In January of this year Mr. and Mrs. Haney canned 71 of their chickens which failed to more than pay for their feed in egg production. From these the following products were canned:

26 pints of breast.
46 pints of barbecued chicken.
19 pints of ground chicken.
22 pints of broth (with parts of chicken).
5 1/2 gallons of fat.

Lincoln's Getysburg address was given before the club on the air by Holt Hamlett, high school student, who was made up by Ben Guill in a striking resemblance to the famous statesman.

Last Pensioner of War of 1812

(By NEA Service.) More than 120 years after the end of the war of 1812, one remains on the federal pension rolls as a beneficiary of a soldier of that conflict, a striking illustration of the length of time that a government pays war costs after the clash of arms has halted. The last pensioner of the struggle with England is Mrs. Lydia Ann Graham, 98, of Brushy Run, Va. Widow of Isaac Graham, drummer boy of 1812, she was married to the veteran in 1869, when he was an elderly man and she was a woman 32. Graham died in 1881.

Now Mrs. Graham dwells alone in her mountain cottage, raising chickens and cultivating her garden, living comfortably on the \$50 check which she receives each month from the veterans' administration. She has no modern conveniences—running water, lights, or gas—but still uses kerosene lamps and carries in her own fuel. The one great annual event in her life is the family reunion at her home. She has nine daughters, all of whom have large families. While the pension list of the war of 1812 has dwindled to one beneficiary, several thousand veterans and widows of veterans of the Civil war still are receiving checks from the national government.

It is expected to be the next goal of veterans' organizations, the government will be paying them well into the next century.

Founders of the organization were honored in a pageant with Eugene Mann as reader, Mildrene Alkens lighted a white candle in memory of members who have died. Mrs. Turner lighted blue candle representing the national association. Mrs. T. A. Cox the red candle for the state congress, and Mrs. A. L. Burge the gold candle for the local association.

DUST DROPS ON FIVE STATES IN THE SOUTHWEST

AMARILLO, Feb. 14. (AP)—Dust-blizzard scourge of the southwest—dropped from frosty skies over five states today as the first severe storm of 1936 slowly blew itself out. Clouds of sifting dust, in places mixed with fine snow, blew last night in parts of Oklahoma, Texas, New Mexico, Colorado and Kansas—the "dust bowl" of last spring's devastating storms that whipped across the nation.

But dawn found winds subsiding with clearing skies. Soil experts throughout the vast area saw definite hope that the devastating "black blizzards" of last spring would not be repeated this year. Moisture conditions are improved in much of the territory because of abundant fall rains and winter snows.

Yesterday's storm, riding a wind that tumbled temperatures in its path, blew up in central-southwestern Oklahoma and spread to adjoining states.

At Springfield, Colorado dust-dust clouds disrupted communications and reduced visibility to a city block for a time. The bare top soil of Texas fields was swept up in a 45-mph wind as it sped toward a low-pressure area in the Panhandle. A reduced wind velocity later cut the severity of the storm.

The swirling clouds blotted out skies in parts of New Mexico. A blizzard in a mountainous area near Albuquerque while the pilot waited for clearing skies. At Liberal, Kas., the third dust storm in six days mixed itself with snow and frigid weather to hold visibility to 50 feet. Farmers, optimistic over winter wheat prospects two weeks ago, said half the crop had been lost.

Storm's Death Toll In Europe And Asia Is 275

LONDON, Feb. 14. (AP)—A heightened blizzard raged across Turkey today killing 78 persons and raising the death toll of storms in Europe and Asia Minor to approximately 275.

From Istanbul, it was reported that the cold storm which has been under way three days has frozen 40 persons to death, drowned 22, and killed 8 in accidents. The property damage in Turkey was estimated at no less than \$10,000,000,000.

In Europe, somewhat milder conditions in the fourth day since the general onslaught of the storms brought partial restoration of communications and transportation system, with new accounts of suffering and death.

At least 100 persons perished in a bitter Balkan blizzard, it was reported by the Bulgarian ministry of interior. Health authorities, checking up on the loss of life as a storm over Adriatic, Ionian and Tyrrhenian seas abated, expressed fear the total might reach 40. One man died from the cold in Britain, bringing the total here to 28.

Many remote districts, such as southern Yugoslavia, were still without communications, however, leading to apprehension that the storm deaths would mount still higher.

TEACHER RETURNS After a two-day absence because of a severe cold, Kathryn Vincent Steele has returned to her classes and has resumed teaching for the series of programs planned for this spring. The first will be a Centennial program to which all old timers will be invited.

Lydia Ann Graham, 98, as she stepped out in front of her West Virginia mountain home the other day in near-zero weather to have this picture taken.

Class Sets Goal For Sunday When Party Is Given

An attendance goal of 35 was set for Sunday morning by Homemakers class of First Baptist church, meeting yesterday with Mrs. Joe Foster. All members are being urged to attend.

Bible questions and answers and a Valentine game made up the program. Mrs. T. L. King gave the closing prayer. Gingerbread, coffee, and candy in Valentine motif were served.

Those present were Meses, J. G. Testers, Ernest Tarkington, J. W. Young, Owen Johnson, J. P. Henderson, Louis Terpley, King, the hostess, and six children.

Party Observes Double Occasion

When Mr. and Mrs. G. G. Noel entertained Wednesday evening they celebrated Mr. Noel's birthday and their wedding anniversary. Valentine decorations were used.

The evening was spent playing pitch. High score went to Mrs. Roy Showers, Mr. and Mrs. Joe Clark; low score to Mrs. Charlie Showers and Jack Anderson.

Chatterbox Sewing Club Adds Members

Three new members were welcomed by Chatterbox sewing club, when it met at the home of Mrs. George Hancock recently for games of forty-two. They were Meses, A. C. Houchin, Arthur Heflin, and Graham.

Names of "peanut sisters" were drawn. Peaches and cream, cake, and coffee were served to Meses, E. L. Emerson, Porter Pollard, R. B. Shepherd, L. C. Lockhart, and the new members.

IT WORKED FOR ME

Women should take only liquid laxatives. MORE people could feel fine, be fit and regular, if they would only follow the rule of doctors and hospitals in relieving constipation. Never take any laxative that is harsh in action. Or one, the dose of which can't be exactly measured. Doctors know the danger if this rule is violated. They use liquid laxatives, and keep reducing the dose until the bowels need no help at all. Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why it should be a liquid like Syrup Pepsin. Ask your druggist for a bottle of Dr. Caldwell's Syrup Pepsin, and if it doesn't give you absolute relief, it isn't a joy and comfort in the way it overcomes biliousness due to constipation, your money back. Read the classified ads today.

MOTHERS ADD IMPROVEMENTS IN CLASSROOM

Lunch Follows Hour Of Work and a Program

Meeting rooms of the nursery department of First Christian church were given new curtains and newly painted screens when mothers of the children met there Wednesday morning.

While some hung curtains, others painted screens to separate the classes, and another group arranged a room for the small babies.

After the work was finished, a short program was given. Mrs. John Mullen talked on Discovering the Religious Needs of Children, and Mrs. Bruce Cobb gave a demonstration lesson with 3-year-olds. Mrs. Walter Nelson played two violin numbers, accompanied by Mrs. Weldon Wilson.

A covered dish luncheon was served to the following mothers and children: Mrs. Cobb and Ethelda, Mrs. Mullen and Marjorie, Mrs. Tracy Cary and Dale, Mrs. W. E. Taylor, Mrs. George Dezer and John, Mrs. G. E. Whipple, Emma Mae and Alice Larue, Mrs. Artie Sailor, Irene and R. J. Mrs. L. W. Kincaid, Mrs. Ed Johnson, Mrs. Emil Stueben, Mrs. Charles Stowell and Dreibell.

Pit Storage for Carrots Is Ideal

In November two bushels of carrots were buried in a pit 24 inches long by 18 inches in width and depth by Mrs. Fred C. Fischer of the Merten Home Demonstration club. Part of the tops were removed as the carrots were placed in the pit, and then they were covered by 8 inches of sand to prevent freezing.

The Fischers use carrots often, and the vegetable is still in perfect condition.

150 BURN TO DEATH

TIENTSIN, China, Feb. 14. (AP)—Firemen removed 150 bodies from the ruins of slum district houses destroyed in a fire today. They said they believed many more bodies were buried in the debris. The blaze left 1,300 persons without shelter.

TEACHER AND PARENT SPEAK ON P-TA TOPIC

FOUNDERS' DAY PAID TRIBUTE WITH PAGEANT

Viewpoints of teacher and parent on home discipline and its effect on the pupil's conduct were presented in Sam Houston Parent-Teacher association yesterday. E. N. Denhard, high school faculty member, and Mrs. F. M. Culbertson were the speakers.

Their discussions followed a musical program by pupils. The school chorus sang three numbers, directed by Miss Thelma Gwinn. Gene Austin sang two solos. A. C. Cox, school band director, played a solo on the new bass horn purchased by the association for the band.

A clarinet ensemble including Willadean Ellis, Martha Frances Wilson, Elaine Carlson, Betty Ann Culbertson, and Betty Plank was heard.

Children Given Valentine Party

Teachers of the primary class at Central Baptist church entertained pupils Wednesday afternoon with a Valentine party. Games were enjoyed and Valentines were made, then heart-shaped cookies and candy were served.

Children present were Marjory Hall, Doris Houston, Doris Helen Wright, Luciline Flowers, Romona Dickey, Lucille Irvin, and Virginia Nell Brewer. The teachers are Mrs. Brown and Mrs. Guy Dunwoodie.

Rivers ran red with blood as knight and infidel crashed shield to shield, in the glorious days when iron men took up the cross to seek the Holy Land. Cecile B. DeMille's. Loretta Young, Henry Wilcoxon, Lon Kieth-Katharine DeMille.

Advertisement for REX featuring a woman's face and the text: Friday-Saturday. Two outstanding pictures combined in program that is really worth seeing! The Fighting Marines. The Gauntlet of Grief. DANGER DAYS... From pioneers back in 1830 when a man had to be a man to exist. STATE. FRI. SAT. Tim McCoy "RIDIN' WILD" ADDED—And "E FLAT MAN".

SENATE READY TO PASS FARM BILL QUICKLY

CONNALLY FIGHTS TO ATTACH EXPORT PLAN

WASHINGTON, Feb. 14 (AP)—With debate sharply limited, senate leaders propelled the new \$500,000,000 farm bill into final discussions today. They hoped to pass it along to the house by tonight.

Democratic backers of the plan to pay farmers subsidies to conserve the soil and thus control production had decided to brush aside all major amendments offered by critics.

Leaders were determined to get the bill through the senate this week. Senator Robinson (D., Ark.), majority leader, declared that if a vote were impossible today, the senate would be called to meet tomorrow contrary to custom.

(Under the bill, introduced by Senator Smith (D., S. C.), the government would grant money to farmers who retired crops from commercial production to conserve the soil. For the first two years, the money could either go directly to the farmer, or indirectly through co-operating states. After two years, states would have to come into the system, or their farmers would receive no subsidies.)

Many suggested substitutes, alterations and additions to the plan awaited consideration. Senator Connally (D., Texas) fought to attach the export debenture plan to it.

(This would provide government bounties on exports of farm products. The payment would equal half the tariff on imports of the commodity.)

Declaring the plan would raise prices, Connally said that if it did not go through the farmer merely would be getting "a little star dust for political purposes."

"It is simply a reversal of the tariff," he explained, "it gives the farmer a bounty on his exports whereas the manufacturer gets a tariff on imports."

Boy Scouts at LeFors Active

LeFors Boy Scouts spent four active days during Boy Scout week. Scoutmaster J. H. Duncan and Troop 19 attended church services, heard the president in his address, and put on programs.

Twenty-four members of the troop were present to hear President

Braniff Airways now makes Amarillo the gateway to the great southwest!

Ride the famous "Texas Ranger" from Amarillo to Fort Worth, Dallas, Houston and Brownsville; the "Starlight Express" or "Legislative Special" from Fort Worth to Houston, San Antonio, Corpus Christi and Brownsville and return.

10-passenger planes—two pilots—two motors.

Only two hours and 10 minutes between Amarillo and Fort Worth.

Call Braniff Airways, English Field, Amarillo, or any leading hotel or telegraph office for reservations.

Roosevelt speak over a nationwide radio hook-up on Saturday afternoon. Sunday was a day of activity when 34 boys attended Sunday school at the Church of Christ, morning service at the First Methodist church, and evening service at the First Baptist church. The regular weekly meeting was held on Monday night. The troop also sponsored a basketball game between the Pampa faculty team and the LeFors faculty quintet. Members of the LeFors Kiwanis club were given the tenderfoot test when the troop presented the program. The boys outlined Scouting and played games. Wednesday night was for the parents and more than 100 boys and adults attended the meeting.

jectors shouting, "what would our college boys do?" the South Carolina house of representatives voted down a bill which would outlaw hitch-hiking. **RAH, RAH, RAH!** COLUMBIA, S. C. (AP)—With ob-

TAXI-DANGERS IN NEW YORK IN SYMPATHY

NEW YORK, Feb. 14. (AP)—New York City's estimated 1,600 taxi-dancers—they don't care especially for that name—took moral inventory today and declared they are as well stocked as any other large group of working girls.

Their rhythmic hearts beat sympathetically for 35 dance hall hostesses in Texas who recently satisfied the city council of Dallas that they are no menace to public morals.

"It's the same with us girls here," said a blonde who sings between \$18 and \$20 a week in a Broadway palace of the dance.

"Lots of us girls have families to help and I'm not mentioning any names—there are plenty of girls that are married; some of them have babies."

New York City's aims of keeping "hostess dancing" on what police consider a high moral plane has not been troubled, however. Efforts are constantly being made to get rid of "bootleg" taxi dancing spots where girls may dance or sit out with patrons, collecting commissions on purchased drinks as well as dances.

The larger ballrooms bearing sanction of the police are constantly alert to keep their ground, even-tinged, gownned hostesses on the "straight and narrow." One of them on Broadway (Roseland) lays down these edicts:

No sitting out.

No "dates" between the hostesses and the patrons who, a representative said consist largely of "lonesome men from out of town."

Always an "introduction" of the customer to the working hostess via the chief hostess.

Only the conventional dance forms—thumbs down on such innovations of the Lindy hop.

SWANSON BETTER
 WASHINGTON, Feb. 14. (AP)—The condition of Secretary Swanson, gravely ill of pleurisy at Naval hospital, was reported at his home early today to be "much improved." "He is getting along fine," a spokesman said.

The 74-year-old secretary of the navy, who has been in the hospital since he suffered a fractured left rib in a fall February 5, rallied last night.

COLUMN
 (Continued from page 1)

But there the commendable factors ends in the opinion of most persons in this region. The Liberty league is becoming the symbol of "entrenched greed," and as such is destined to be hated specifically in the same way that Wall Street has been hated somewhat vaguely. Its usefulness, except to enemies of the democratic administration, will be strictly limited. Indeed, time may show that its organization was a colossal blunder. For while some of its objectives may be selected with patriotism and good intentions its motives are definitely under suspicion—the suspicion that it would continue the practices and conditions out of which the depression and unemployment grew.

The Liberty league appears to have been set up mainly by the DuPont family and business associates of similar impulses have joined with enthusiasm. More liberal democrats and republicans are antagonistic to its aims and distrustful of its huge funds being spent in harpooning the new deal. Attempts to paint the administration as communist, dangerous, and hopelessly un-American, fail to "click" with those who see in the administration the greatest collection of friends the "average man" has ever had in power.

INCOME TAX DATA:
 To carry out the provisions of section 55 (b) of the Revenue Act of 1934, as amended by an act (Public No. 40) approved April 19, 1935, every person (except nonresident alien individuals) required to file an income return for a taxable year or period beginning on or after January 1, 1935, must file with the return a copy thereof on the duplicate form (green paper), which will be provided for that purpose or a photostatic or photographic copy of the original return. Such copy must be a complete duplicate of the return except that the affidavits on the duplicate form need not be filed in. The copy on the duplicate form must also include any schedules and statements attached to the original return except (1) schedule C-1 (information to be furnished by corporations as to compensation of officers and employees in excess of \$15,000), (2) in the case of a fiduciary return the copy of the will or trust instrument (3) in the case of a return made by an agent or power of attorney on form 985 or form 936, and (4) in the case of an insurance company the copy of the annual statement made to the State insurance department.

In accordance with the statute above mentioned, within a reasonable time after they are filed the copies of the returns will be made available for inspection in the office of the collector of internal revenue in which the returns are filed by any official, body, or commission lawfully charged with the administration of any State tax law, if the inspection is for the purpose of such administration or for the purpose of obtaining information to be furnished to local taxing authorities. The law provides that the inspection shall be permitted only upon written request of the governor of such State, designating the representative of such officials, body or commission to make the inspection on behalf of such official, body or commission. The statute does not authorize inspection of the duplicate returns by the public.

Inspection of returns is governed by subdivision (a) of section 55, which provides, in effect, that income returns made under the Revenue Act of 1934 shall be open to public inspection only to the extent expressly provided by law or as authorized in regulations approved by the President, and this provision is similar to the provisions of preceding revenue acts. Under existing law and the regulation approved by the President income returns are not open to inspection by the general public.

CARPENTER TO BE CHIEF OF PENSION LAW

AUSTIN, Feb. 14. (AP)—Orville S. Carpenter planned to swap titles today and begin administration of Texas' old age pension law.

He will become executive director of the old age assistance commission, relinquishing the post of state auditor and efficiency expert to C. B. Sheffield of Fort Worth.

Carpenter, formerly of Dallas, was appointed auditor last August and selected as pension director soon after the act was passed last November. Sheffield was an assistant state auditor in 1931 and 1932.

At work for several months setting up the pension administration, Carpenter said application blanks were ready for distribution to Texans over 65 years old at courthouses, city halls and newspaper offices.

Payments which can not exceed \$15 monthly "will start as soon as we can investigate applicants, as required by law." He estimated 200,000 or 234,000 Texans over 65 would apply and 50,000 would be eligible for aid.

"It is my promise upon accepting this office that I will be fair and impartial and administer old-age assistance as efficiently as I can," he said.

"We are going into the problem of old-age security with the hope of doing some real good. I believe that we can relieve a great part of the suffering of old people who have passed their prime."

The state was divided into 20 pension districts and supervisors appointed for each. Probably 300 investigators will be appointed. Staffs

P. O. DEAL CLOSED
 FORT WORTH, Feb. 14. (AP)—The deal for a site on which the federal government will build a \$70,000 postoffice at Eastland was closed here today by Frank Potter, assistant U. S. district attorney. The site is now occupied by a hospital owned by Dr. T. E. Payne and cost the government \$5,000. Potter said the hospital will be moved within 30 days and construction of the new building will start within two months.

In the CHURCHES

FIRST CHRISTIAN CHURCH
John S. Muller, minister.
East Kingmill at North Starweather Sta.
9:45 a. m. Assembly of Bible school by classes and departments.
11:00 a. m. Morning church worship. The Lord's Supper will be observed as this is a matter of weekly observance in this congregation. Sermon subject: "Religion As An Afterthought."
6:45 p. m. Christian Endeavor. All young people who are not going to other young people's church groups are invited to attend this Christian Endeavor group.
7:30 p. m. Evangelistic service. Sermon subject: "The Power of Power." The male quartet will sing. R. L. Allison will sing at the morning service.

FIRST CHURCH OF CHRIST, SCIENTIST
801 N. Front St.
"God" is the subject of the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 15.
The Golden Text is: "Unto thee, O Lord, do I lift up my soul. Show me thy ways, O Lord; teach me thy paths." (Psalm 25:1-4).
Among the citations which comprise the lesson-sermon is the following from the Bible: "I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. For every one that asketh receiveth; and to him that seeketh it shall be given; and to him that knocketh it shall be opened." (Luke 11:9-10).

The lesson-sermon includes also the following passages from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth will at length compel us all to exchange the pleasures and pains of sense for the joys of Soul" (page 494).
Sunday 11 a. m. Sunday school 9:30 a. m. Wednesday 8:00 p. m.
The reading room is open Tuesday and Friday 2 to 4 p. m. The public is cordially invited to attend our services and use the reading room.

MEN'S FELLOWSHIP CLASS
First Baptist Church
Calvin Whaley, newly elected president of the Fellowship Bible class for men, First Baptist church, will take office next Sunday at the regular class meeting, 9:45 a. m. His successor, W. F. Yancy, who recently resigned to accept a place as teacher in another department, R. F. Gattling, is the teacher of the class and will speak at the lesson period. Every man, young or old, who is not a regular attendant at any other Bible class is cordially invited to be present.

FIRST BAPTIST CHURCH
Kingmill and West Streets
Bible school by departments 9:45. Worship at 11:00.
Dr. T. V. 6:30 a. m.
7:30 worship—At this service the pastor will speak directly to young people. Subject, "Your Name." The pastor will also occupy the pulpit at 11:00.

EVERYMAN'S BIBLE CLASS
City Hall Auditorium 9:45
Jesus helps a doubter. Luke 24, the lesson. The welcome is real, fellowship vital. All of us need help in our doubts. We can have it by frequenting Bible classes and churches. In various we doubt, illness, volunteer or doubter produces doubt. Bring your doubt along with you. You are welcome.
Class Officers.

CENTRAL BAPTIST CHURCH
John O. Scott, pastor
Sunday school classes meet at 9:45.
Morning service, 11 o'clock, evening worship at 7:30.
Senior B. T. S. class at 6:15, other classes at 6:30.
You are invited to attend this church and take part in its activities. There is a place for everyone.
McULLOUGH-HARRAH M. E.
Morning services, Sunday school and

preaching hour, from 10 to 12 o'clock each Sunday morning at both churches. Services by the pastor.
Evening services, 7:30.
Junior story hour, 3:30 at Harrah; 5:15 at McCullough.
Epworth League, 6:15 at both churches. A warm welcome is extended to those who will worship in these services.

FULL GOSPEL TEMPLE
509 S. Cuyler
H. E. Comstock, pastor
Sunday school, 9:45.
Breaching at 10:45 a. m. and 7:45 p. m. on Sunday, at 7:45 p. m. on Tuesday and Thursday.
Christ's Ambassadors society meets at 6:45 p. m. Sunday.
Women's Missionary council, Wednesday at 1:30.
A welcome awaits you at all services.

HOLY SOULS CATHOLIC
Joseph Wondy, pastor
Sunday masses, 8 a. m. and 10 a. m. Benediction, 4:45 p. m.
Weekday masses, 7:30 a. m.
Visitors are invited to attend these services.

CENTRAL CHURCH OF CHRIST
500 N. Somerville
Paul A. Thompson, minister
Sunday services—Bible school at 9:45; worship at 11 a. m. with sermon on the subject, "Christian Giving"; communion at 11:45; young people's classes, 6:30

Spring Season Expected To Be Best In 5 Years
NEW YORK, Feb. 14. (AP)—The prolonged cold wave tended to reduce trade activity in some divisions last week, but it is also an accelerating force in other business channels. Dun & Bradstreet reported today in their weekly summary that retail volume was curtailed in many areas due to the travel and shipping difficulties confronting buyers. Wholesale activities were less affected, the summary asserted and buying proceeded in preparation for the best spring season in the last five years.
"With clogged highways piled higher with more snow, only a few districts reported retail sales larger than a week earlier, the widest gains being made in the small communities."
"The temporary recession in retail distribution was paralleled to a less extent in wholesale buying, as recorders continued heavy for nearly all types of winter merchandise, and building of spring inventories proceeded, but at the slowest rate since mid-January."
"With the exception of small centers, where the receipt of raw materials was delayed because of transportation difficulties, industrial operations increased for the week."
THIS STOPS 'EM.
ST. LOUIS (AP)—City Judge Geo. Vest just wanted to be sure. He installed a regulation traffic light in his courtroom and when violation cases come up he flips a switch to help him determine whether red light runners are color blind.

15¢ The Price for Your Cold Remedy
Ask Any Doctor . . . Then Follow Simple Directions Pictured Below. Quickest, Simplest Way

- Take 2 BAYER Aspirin Tablets. Make sure you get the BAYER Tablets you ask for.
- Drink a full glass of water. Repeat treatment in 2 hours.

Instead of using fancy priced "cold remedies", try the new-day cold treatment pictured here. Your own doctor will approve it. It will start easing the average cold or sore throat almost as fast as you caught it. The Bayer Aspirin you take will start combating your cold internally at once: if throat is sore, crush and stir 3 Bayer Aspirin Tablets in a third of a glass of water, gargle twice. Do not rinse mouth. When you buy, though, be sure to get real Bayer Aspirin.

EDITORIAL

A PRETTY FAIR LEISURE CLASS, AT THAT

When J. P. Morgan let his hair down and allowed that some 30,000,000 Americans—meaning, we take it 6,000,000 American families—are far enough "up in the bucks" to be able to keep a maid, he started something.

First, he set people wondering whether employment of a maid automatically puts one in the leisure class—which, if it does, will come as a stunning surprise to a lot of hard-working housewives.

Next, he jarred a good many people into trying to figure out just how widely the material blessings of civilization are distributed in this country.

How many Americans, in other words, have actually laid their hands on those little luxuries and conveniences that go to smooth out the rough places in the business of living? How near are we to having a large, well-distributed leisure class? How do we really stand on such matters as maid service and automobiles, telephones and radios, and so on?

Figures are hard to get. In the matter of domestic servants, we have only the statistics compiled for the year 1930 by the National Industrial Conference Board. These show that in that year there were 6,121,000 Americans engaged in domestic and personal service. Of these, substantially more than half were women—maids, laundresses, cooks, housekeepers, and the like.

The United States contains—or did contain on Jan. 1, 1934—16,710,858 telephones, 20,750,000 radio receiving sets, and 21,504,000 passenger automobiles. Of our 6,228,000 farm homes, some 995,000 were equipped with running water and 841,000 had electric lights and power.

Slightly more than 32,000,000 ordinary life insurance policies are in force; some 14,000,000 Americans have money on deposit in savings banks; and in 1934 some 3,660,000 Americans made enough money to file income tax returns.

Lump all these statistics together and you get—what? A picture of the America of today, with rough outlines of the state of wellbeing of the average man.

While we seem to fall a long way short of Mr. Morgan's estimate of 30,000,000 people in our leisure class, we nevertheless do present a pretty fair level.

America today contains slightly fewer than 30,000,000 families. Glancing at the statistics quoted above, we find that better than half of our families have telephones and more than two-thirds enjoy such comforts as radios and autos.

It is pretty clear that not more than one family in 10 has a maid; and the income tax figures indicate that about the same proportion enjoyed enough of an income to pay a tax on it.

This could be a great deal better; it could also be a great deal worse. We may not have reached the level hopefully suggested by Mr. Morgan, but we are getting within shouting distance of it—especially when you remember that these figures were taken at the fag end of our worst depression—B. C.

BEHIND THE SCENES IN WASHINGTON

BY RODNEY DUTCHER

NEA Service Staff Correspondent

WASHINGTON—The issue of a constitutional amendment is not likely to enter the presidential campaign in any large way, but the Supreme Court, and the decisions of the supreme court are sure to be thrown into the forefront.

It will be easy to get mixed up as to the extent to which the Constitution really is an issue. The New Deal's foes will try very hard to make it appear that Roosevelt is a great menace to that document and would like to destroy it altogether.

Roosevelt policy, hardly yet evolved, will be to evince reverence for the Constitution while putting over the idea that New Dealers are the Constitution's best friends who seek to save it from the attacks of corporation lawyers and the usurpations of reactionary judges.

You will hear how the court often reverses itself, how one judge or two can control a nation's economic destiny, how the court is divided on liberal-conservative lines closely paralleling those of the political campaign itself.

You will hear how the three liberal justices have challenged the motives of the six conservatives and you will be urged to accept the legal leadership of Brandeis, Stone, and Cardozo—along with the political leadership of Roosevelt.

You will have to decide whether to believe the six justices who say they have passed on legislation on purely legal, constitutional grounds or the three justices who insist that the majority has been motivated by economic and philosophic considerations.

But first you should check over the backgrounds of the nine justices, to understand the argument.

The six who voted to kill the AAA (and also took the conservative side in the significant Vermont and North Dakota tax cases) may be classified in accordance with predominant characteristics of their records prior to present service on the court as follows:

Chief Justice Charles Evans Hughes—Republican office-holder and statesman, presidential candidate and corporation lawyer.

Pierce Butler—Railroad lawyer. Democrat appointed by Hoover.

Owen J. Roberts—Republican corporation lawyer, and Teapot Dome prosecutor.

George Sutherland—Republican politician, U. S. senator, and corporation lawyer.

James C. McReynolds—Democrat, corporation lawyer, and trust-buster.

Willis Vandevanter—Republican politician and Republican circuit judge.

The three liberal justices may similarly be classified as:

Louis D. Brandeis—Advocate of public causes and legal crusader against "vested interests."

Harlan F. Stone—Republican, primarily a teacher of law, but also once a corporation lawyer.

Benjamin N. Cardozo—Legal scholar and jurist.

There is no taint attached to practice as a corporation lawyer or to participation in the game of politics. Most able lawyers become corporation lawyers and many of the ablest statesmen have been smart politicians.

Yet it is obvious that the backgrounds of the conservative justices were far more mixed up with those influences than the backgrounds of the liberals and you are entitled to decide for yourself how important the respective backgrounds have been in judicial decisions.

MINNEHAHA WAS PUT ON SPOT BY GANG CZAR

Bride of Hiawatha Was Slain by Brother

WASHINGTON, Feb. 14 (AP)—Delving into Indian legend, the Smithsonian institution bobbed up today with evidence that Minneha, bride of Hiawatha, was put on the spot by a "super-gangster."

Seeking to separate fact from myth in the famous story, Dr. G. N. B. Hewitt, Smithsonian ethnologist, made public this version:

Hiawatha, a man of "decidedly liberal leanings" and social viewpoint, had a step-brother who was just the opposite. This step-brother, an Onandaga Indian named Wa-Ta-Da-Ho, was a "ruthless gangster" and with a "band of ruffians" he terrorized his tribe. Anybody who opposed him was "put on the spot."

Disgusted with this gang rule, Hiawatha tried to organize a rival party "but could obtain no followers for obvious reasons."

Now, Wa-Ta-Da-Ho would have liked to kill Hiawatha but he did not dare, because Hiawatha's mother was a Mohawk Indian and that powerful tribe would have risen to do vengeance on the slayer.

So Wa-Ta-Da-Ho "compromised" by murdering Minneha, "the lovely laughing water" and her children.

"She was an Onandaga," it was explained, "and her children were Onandagas, and it was no concern of the Mohawks what happened to them."

When Hiawatha returned to his lodge and discovered the deed he became "temporarily insane" and wandered in the wilderness. He came under the influence of the Indian preacher, Degawawida, and their partnership resulted in "the strange politico-religious system," based on the doctrine of human brotherhood, which entered into the league of the Iroquois, a confederation of tribes.

Dr. Hewitt is working with details furnished nearly 40 years ago by a blind Iroquois ritual leader, whose version is said to indicate "considerable historical validity."

Legends attaching to Hiawatha's name have been used in literature, notably by Longfellow.
