

COMMANDER VAN ZANDT SAYS AMERICANIZATION IS NO. 1 GOAL OF V.F.W.

LARGE CROWD IS PRESENT TO HEAR SPEAKER

VETERANS ARE HOSTS AT BANQUET IN CITY

James E. Van Zandt, commander-in-chief of the Veterans of Foreign Wars of the United States, declared here today that Americanization is the No. 1 objective of his organization, and one on which the group appeals to the public for its support.

The so-called bonus, he said, has been urged "from the start" as a fair settlement with world war veterans, but it has never been the major activity of the V. F. W., he declared. The "bonus" character of Commander Van Zandt is credited with having been one of the most influential veterans in the bonus campaign, if not the most powerful.

The commander, accompanied by E. E. Wiseman of El Paso, department commander of the Texas V. F. W.; J. B. Lillibridge of Amarillo, divisional commander; W. S. Birge of Amarillo, district commander; and other veterans' leaders was joined in Amarillo this morning by J. W. Garman and John I. Bradley of the Pampa post, who accompanied him to Pampa. The hotel lobby of the Schneider was well-filled with veterans, citizens, and newspaper men when the distinguished visitor arrived.

Reads Local Papers
Stockily built, affable, alert, the Pennsylvania railroad man who is now serving his third term as V. F. W. commander pushed his way through the group, shaking many hands, and began to send telegrams between introductions. Expected to be somewhat fatigued by his arduous journey, which has taken him to the Pacific coast and included many plane trips, he was surprisingly fresh and eager to do anything desired by the local post. Interviewed by a representative of THE NEWS, he expressed much interest in Sunday's edition and

COURT MEETS TO DECIDE BRUNO'S FATE

In New Post

The famed "Flying General," Maj.-Gen. Frank Parker, above, has a new command—that of the Third Tactical Army and Eighth Corps, at San Antonio. Recently returned from the Philippines, Gen. Parker already has commanded the First Division of the A. E. F., in 1918; the Second Tactical Army; the Sixth Corps Area and, recently, in the absence of Gen. Nolan, the Second Corps Area.

ITALIAN AIR BOMBS WRECK SECOND CITY

HARRAR RUINED, SAYS GOVERNMENT OF ETHIOPIA

ADDIS ABABA, March 30 (AP)—An Italian air raid which spread fire and panic throughout Harar wrought virtual destruction on that second city of Ethiopia, the government charged today, and wrecked several hospitals and French centers.

A squadron of fascist planes, Ethiopian reports said, plunged into Harar center 250 miles east of the capital for more than two hours yesterday, leaving the city in flames. Forewarned by scouting planes, however, most of the populace fled the city in terror, and few persons were believed to have fallen victims to the bombardment.

A French mission, the French consulate, the former Italian consulate, the Ethiopian radio station and prison all have been ruined.

"Monsignor Jaroseau, in charge of the French mission, refused to leave his altar during the bombardment," the communique said. "The church was wrecked, but he was unhurt."

The attack on Harar, coupled with a heavy bombardment of Jijiga, 60 miles east of Harar and a center of Ethiopia's southern defenses, raised native fears in Addis Ababa that the capital itself might be the next target of the Italian aerial bombs.

NEW ATTACKS ARE CHARGED BY RUSSIANS

Mongolia Demands Cessation of Frontier Raids By Jap Sponsored Army.

MOSCOW, March 30 (AP)—A peremptory Mongolian demand upon Manchoukuo for a cessation of Far Eastern frontier raids, soviet advisers said today, was followed by two new encounters, both arising from attacks by Japanese-Manchoukuo troops on Mongol border posts.

Soviet dispatches said the attacks were sprung simultaneously against posts at Adik-Dollon and Bulun-Dersu, the alleged invaders being driven back into Manchoukuo after vigorous fighting in which the Japanese-Manchoukuos lost a number of killed and wounded.

The outer Mongolian government, reinforced by conclusion of its mutual assistance pact with Soviet Russia, dispatched a note to the Japanese-sponsored state of Manchoukuo before the latest incident was reported, declaring its readiness to resist any invasion.

The note calling for an end to the frontier clashes, sought to place the responsibility for the incidents on Manchoukuo and the Japanese military. Outer Mongolia, like Russia, refusing to concede that any doubt about border lines would make incursions accidental.

An absence of any further advice from Urga, capital of the Outer Mongolian peoples republic, indicated that the note to Manchoukuo had thus far gone unanswered.

To the contrary, soviet press reports said, one Japanese-Manchoukuo force, comprising seven truck loads of troops and an automobile bearing officers, launched an attack yesterday on Adik-Dollon, 28 miles south of the Mongolian border.

TAX PROGRAM INSUFFICIENT SAYS HELVERING

ADVANCES PRINCIPLE OF TAX EQUITY HE DECLARES

BY DOUGLAS B. CORNELL, Associated Press Staff Writer.

WASHINGTON, March 30 (AP)—An administration spokesman told the house ways and means committee today its revenue program would advance the principle of tax equity but would not "fully cover the needs for additional revenue" outlined by President Roosevelt.

Guy T. Helvering, commissioner of internal revenue, was the first witness on the tax report drafted by a ways and means sub-committee as the basis of hearings after Mr. Roosevelt recommended new levies to meet bonus payment and farm relief costs.

He said the additional revenues that would be obtained by revision of the present corporate tax structure would result in the removal of inequality, discrimination, and tax avoidance, and "will come mainly from members of the upper income groups of our population."

Helvering, standing before the committee table, told the legislators treasury officials were in complete harmony with the tentatively drafted revenue program.

The plans embraced raising \$591,000,000 additional from a graduated tax on corporations net income based on percentages of that income turned into reserves; \$400,000,000 from a windfall tax on processors who escaped payment of AAA processing levies; and suggestions for bringing in \$83,000,000 from temporary continuation of capital stocks and excess profits taxes on \$25,000,000 from taxes on corporation dividends to foreign stockholders.

"With these suggestions and the general purport of the committee's report," Helvering said, "I am in complete accord."

He added, however, that he thought the committee should consider whether there were not additional sources of temporary revenue "that can be provided for the next two or three years to bridge" a gap between the committee's recommendations and those of the president.

The primary purposes of the revision of the corporation tax structure, Helvering said, are to eliminate present inequalities in taxation of profits between incorporated and unincorporated business, to remove an important source of tax avoidance, and to increase federal revenue to an extent sufficient to balance the "regular" budget of the federal government.

Helvering said revenue producing alternatives to the proposed corporation tax "appear to be distinctly inferior to the sub-committee's proposal as respects equity, or administrative feasibility."

To raise an equal sum of additional revenue through an increase in the existing corporation income tax, he said, would require a rate of approximately 25 per cent, which he said, "would severely penalize all small shareholders."

Clements Swears to Tell Truth

Sworn before the house committee probing the Townsend plan, Robert E. Clements, resigned co-founder, told the gigantic scope of the old age pension organization. He admitted he never had made a "fundamental study of economics."

TESTIMONY OF WOOD EXPERT HEARD AGAIN

HOFFMAN IS PRESSING FIGHT TO SAVE HAUPTMANN

TRENTON, N. J., March 30 (AP)—A representative of the New Jersey state police was called before the court of pardons today with the Fleming trial federal wood expert, who swore it was his opinion Bruno Richard Hauptmann built the Lindbergh kidnap ladder.

The call for the testimony, which includes that part pertaining to Koehler's qualifications as an expert, was made after the court had been in session about two and a half hours.

It was regarded as an indication that Governor Harold G. Hoffman, who has questioned the state's contention Hauptmann built the ladder, was pressing his fight in Hauptmann's behalf in this direction.

It was learned the court, composed of the governor, Chancellor Luther A. Campbell, and six lay judges of the court of errors and appeals, only five of whom attended the executive session, was especially interested in the testimony that qualified Koehler as an expert.

It was learned the court, composed of the governor, Chancellor Luther A. Campbell, and six lay judges of the court of errors and appeals, only five of whom attended the executive session, was especially interested in the testimony that qualified Koehler as an expert.

Governor Hoffman last Thursday visited Hauptmann's Bronx home to see for himself the attic flooring from which the state contended, Hauptmann took a board which became rail 16 of the ladder, and one of the most damaging pieces of evidence in the trial.

One of the new figures in the increasingly bewildering case—the middle-aged, clergyman's son, Paul H. Wendel—was held in jail here. A formal charge of having murdered the baby was filed against him, but he issued a statement denying any knowledge of the crime, and the county prosecutor said he, too, was convinced there was nothing to warrant prosecution.

The other man—Gaston B. Means, former federal agent and now a federal prisoner for having fleeced Mrs. Evelyn Walsh McLean by pretending to be an intermediary in ransom negotiations with the Lindbergh baby kidnappers—stood self-accused by a "confession," purportedly penned in his Leavenworth penitentiary cell.

The bizarre drama that found preparations being made to execute Hauptmann while the others were in widely separated cells, one directly charged with the crime and the other "confessing" it, was made even more weird and confusing by the conflict of official opinion concerning the new developments.

Erwin E. Marshall, Mercer (Trenton) county prosecutor, said he believed Wendel didn't know anything about the Lindbergh case except what he read in the newspapers.

On the other hand, James S. Kirkham, chief detective of Mercer county, who signed the murder complaint, said that in his opinion Wendel was "positively" connected with the murder in the Sourland hills four years ago.

Kirkham said beside the repudiated confession he had other evidence to "substantiate the charge."

Reputed Confession
"I did sign several statements, which were false, which implicated me," Wendel wrote to Attorney-General David T. Wilentz. "I was forced by torture and brutal treatment in New York, where I was detained from Feb. 14, to Feb. 24, 1936."

"From that date until today I was detained by Ellis Parker (chief of Burlington county detectives) at the state colony at New Lisbon, N. J., under guard."

To which Parker, nationally known detective, replied emphatically that no force was used in detaining Wendel, adding "If the Wendel incident investigation is not conducted properly, I will tell what I know, and there's a lot I haven't told."

Treated Like 'Guest'
The superintendent of the state colony for feeble minded at New Lisbon, Dr. Carroll T. Jones, said Wendel was a voluntary patient.

CLEANUP PERIOD THROUGH APRIL 11 PROCLAIMED

Pampans Are Urged To Collect Trash For Hauling

Dust storms or not, Pampa will have a cleanup-period from today through April 11, according to a proclamation by Mayor W. A. Bratton.

It is Fire Prevention Clean-Up week in Texas, but locally the period will be more or less indefinite, according to the weather and the wishes of the citizenship.

The City of Pampa garbage service will make no extra charge for hauling away accumulations of trash in the clean-up effort. Such trash must be bunched at the rear of lots. In some instances, it may be advisable to burn trash and weeds. When citizens desire the aid, firemen will be sent to burn the trash to avoid danger of spreading fire.

Steady beautification will be attempted here until the Centennial celebration opens June 2.

Post to Preside At Honor Court

President A. G. Post of the Adobe Walls Boy Scout council will preside tonight at the court of honor to be held at 7:30 o'clock in the county courtroom of the courthouse, located on the second floor. He will be assisted by J. O. Gillham, treasurer.

L. E. McCollm, court of honor chairman, is transacting business in Tulsa, Okla., and will be unable to attend.

Eight boys will be advanced to second class rank, seven to first class rank, three to star rank. A total of 65 merit badges will be awarded.

HIGH COURT RULINGS

WASHINGTON, March 30 (AP)—Mrs. Mergan Vandebilt lost today in the supreme court in her effort to obtain custody of her wealthy 12-year-old child, Gloria.

The tribunal refused to review a decree of New York courts awarding chief custody of the young heiress to her aunt, Mrs. Gertrude Vanderbilt Whitney.

WASHINGTON, March 30 (AP)—In a ruling on one of the most important anti-trust suits in recent years, the supreme court held today that certain practices of the sugar trust pass at the present time on constitutionality of the public utility holding company act.

WASHINGTON, March 30 (AP)—According to a request by the government, the supreme court reviewed today the constitutionality of the Guffey coal and 1933 securities acts.

Fourteen opinions were delivered, all unanimous.

WASHINGTON, March 30 (AP)—The supreme court deferred today for at least one week its decision on constitutionality of the Guffey coal and 1933 securities acts.

Sixteen other states were said to have similar laws. Arguments will be heard April 28.

RA Farmers Are Communistic, Says GOP Committee

WASHINGTON, March 30 (AP)—The republican national committee accused the new deal today of being the sponsor of farm communities which are "communistic in conception."

"President Roosevelt's resettlement administration," the committee said in a statement, "is establishing in West Virginia and other states communal farms which follow the Russian pattern, in that each member of the community will work on cooperative projects and share in the proceeds."

"A community farm just outside of Charleston, W. Va., supplies the latest example of what these projects will be."

"They call this community 'Red-house.'"

BOY LOSES HIS ARM IN FREAK CAR ACCIDENT

Truck Is Sideswiped By Car Near Pampa

Only one person was seriously injured in a freak collision in Saturday night when a car and a truck sideswiped each other seven miles east of the city on the Miami road. Officers of the sheriff's department are investigating.

James Fletcher, 15, of Canadian, was rushed to Worley hospital, where it was found necessary to amputate his left arm above the elbow. Fletcher was driving with his elbow on the window frame when the accident happened and it became jammed between the car and truck, crushing it almost flat. Five other persons in the car with Fletcher were uninjured.

Proclamation!

By The Mayor

The weeks of Mar. 30 to Apr. 11, inclusive, have been designated as Spring Fire Prevention Clean-Up weeks.

This is Centennial Year in Texas and a Spring Clean-Up campaign should receive the enthusiastic support of every man, woman and child. First, every citizen should have a wholesome pride in his home city, its streets, playgrounds, park and buildings, Home and surroundings freshly painted, with well kept lawns and gardens, increase property values and intensify community interest. Cleanliness creates cheer, courage and confidence. Secondly, because every dollar in property destroyed by fire, which frequently is the result of "careless" house-keeping in the home and in the average place of business, is a serious drain upon our present economic condition. Thirdly, and humanly most important, because in the past ten years entirely too many of our citizens have lost their lives due to carelessness in their daily use of fire, and the preservation of human life is an important matter.

NOW, THEREFORE, I, W. A. Bratton, Mayor of the city of Pampa, do hereby designate the week of March 30th to April 11th, inclusive, as Spring Fire Prevention Clean-Up week and most respectfully call upon all departments of the city, the chamber of commerce, civic clubs, patriotic clubs and our people in general, to take an active part in this Clean-Up campaign.

IN TESTIMONY WHEREOF, I hereto sign my name and seal of office this 28th day of March, A. D. 1936.

W. A. Bratton, Mayor
City of Pampa.

Attest:
W. M. Craven,
City Secretary.

Lumber Company Safe At LeFors Is Stolen and Looted

Around \$225 Taken From Steel Case

Intruders removed a large filing safe from the Galbraith-Foxworth Lumber company office in LeFors last night and, according to an early estimate, obtained between \$175 and \$225.

They entered by breaking a rear window, then rolled the heavy steel case out of the front door and onto a vehicle. Officers of the sheriff's department left Pampa early today to investigate. They reported later that the missing safe had been found, with the door sledged off, in the bed of a dry creek about 2 1/2 miles northeast of LeFors. Scattered papers were assembled and returned to the lumber firm.

It was an amateurish job. Gloves evidently were used to avoid leaving finger-prints.

The safe was not of the usual heavy construction, but somewhat light for its bulk, weighing less than 300 pounds, officers said.

COLD WAVE IS DUE IN PLAINS AREA TONIGHT

Freezing Weather In Panhandle Is Forecast

GUYMON, Okla., March 30 (AP)—A cold wave struck Oklahoma early today, driving the mercury to 24 above here and promising freezing weather and snow flurries in the state tonight.

Temperatures were expected to range from 18 to 22 degrees above in the northern section of the state tonight, and from 22 to 28 in south portions. The weather bureau issued livestock warnings.

The rapid slide in the temperature here from a high of 68 was accompanied by a heavy dust storm this morning, but skies later were clearing away.

Dust was borne in by a strong north wind at Enid, where the temperature fell from the fifties to 37 above. Dust was kicked up by the north wind at Beaver and Woodward, where mercury readings were 31 and 40, respectively.

The weather bureau held out little prospect, however, for moisture relief for the state's dusty acres.

The bureau watched the high winds raise clouds of silt and predicted the dust would thicken as the day wore on.

Visibility was one-half mile at Waynoka, where the mercury dropped to 38. At Oklahoma City the temperature dropped from 61 to 50 degrees.

EASTER STYLES WILL SAY IT WITH FLOWERS

Floral Accents To Be Most Varied In Years

NEW YORK, March 30 (AP)—American Easter fashions "say it with flowers."

The vast series of Sunday morning parades from Maine to California will be marked by the most varied floral accents the fashion world has used in years.

Bright blossoms from field, garden, and hothouse bloom on hats, necklines, lapels or waistlines in many costumes designed for Easter wear and numerous party frocks are splashed all over with flowers.

Daisies perch under the brim of a sailor and buttercup rim the crown of an inverted "May basket" hat. Bold bright anemones are poised at the throattline of frocks, corn flowers are worn as boutonniere, and tulips thrust into belts.

Many of the frocks for Easter wear are sheer black georgettes or crepes splashed with coral and ivory daisies, jade and white leaves or rose, mauve, and green anemones. Besides these there are a number of dark coat dresses with printed floral crepe vestees and skirt insets or wind-around printed scarfs.

Black and navy blue crepes make the most of the other dresses, many of which are topped by jackets. Navy blue frocks with brief boleros and fringe white labrets or plique vestees are big favorites worn with dark straw hats trimmed with white plique bows and white plique gloves.

Relief Fund Is Allocated Texas

WASHINGTON, March 30 (AP)—The treasury department revealed today that President Roosevelt had allocated \$162,149,680 from the 1935 \$4,890,000,000 work-relief fund to Texas, of which about 45 per cent already had been spent.

A status of March 10 showed the treasury had made available to disbursing agencies \$152,766,26 and showed actual expenditures of \$72,024,868. H. P. Drought, state Works-Progress administrator, and government agencies had a credit of the treasury's books of an unexpended balance of \$90,124,812.

Of the 14 channels through which the Texas relief funds have been allocated, the Public Works administration led the list with \$30,653,794. Other major agencies and their allocations: WPA projects \$23,292,265; specific grade crossing elimination projects, \$23,845,332; CCC camps and correlated work, \$22,160,000.

EDITORIAL

CITY PROVES MAN CAN WARD OFF DISASTER

Anybody who lives beside an American river might do well to reflect on two things—the case of Portsmouth, O., and the fable of the three little pigs.

The pigs, as you may remember, set out to build houses. One pig saw trouble coming, built a solid house of brick, and got by nicely when the huffing and puffing began. The other little pigs, building less securely, had a great deal of trouble.

Now, Portsmouth is a solid industrial city nestled down on a point of land between the Ohio and Scioto rivers. Some years ago the citizens decided to take a leaf from the smart pig's book and get ready for trouble. So they laid out \$750,000 to build a great steel and concrete flood wall along the waterfront.

There are a good many other cities along the Ohio, from Pittsburgh to Cincinnati, and of them all Portsmouth seems to have been the only one that went to the expense of putting up a big wall. There must have been years when the \$750,000 put into that wall looked like a bad investment.

But Portsmouth sat tight and waited. This spring the snows melted, the rains descended, and the waters rose; and what happened?

Every other city in the vicinity was flooded. From Pittsburgh, where fish made their nests among the lamp posts of the main stem, all the way down to the neighborhood of Cincinnati, the water went swishing through the streets, driving people from their homes, workers from their shops, and merchants from their stores. Many lives were lost; property damage rose to astronomical figures.

But Portsmouth snuggled down behind its flood wall and went about its business dry-shod. Its mills, railroad shops, and public utilities carried on without a let-up. Children played unconcerned in yards 20 feet below the level of the swollen river. Cash registers clicked and jangled in stores that might easily have been full of water.

City Manager Frank E. Sheehan estimates that Portsmouth would have suffered property damage of at least \$1,000,000 if it had not been for the wall. Industrial payrolls of \$350,000 a week would have been suspended. There would have been heaven knows how much suffering and hardship for individuals.

There is the nearest kind of moral in all this, both for those who live in river cities and for those who do not.

Those great "natural" catastrophes that visit us every so often—whether they be floods, industrial depressions, or wars—don't come out of a blue sky. We can see them, years in advance. And despite all that we say about their irresistible force, it is possible to get ready for them.

BEHIND THE SCENES IN WASHINGTON

BY RODNEY DUTCHER
NEA Service Staff Correspondent

WASHINGTON.—"I suppose this new program is a subterfuge," remarked an AAA official privately. "But the nice thing about it is that it's a subterfuge which deceives nobody."

He might have added that the soil conservation program, as a subterfuge, probably won't work. It is an excellent device for transferring funds from taxpayers to farmers and its ultimate potentialities as a conservation measure are very great. But the men in charge of it become increasingly doubtful whether it can be used to control agricultural production.

In two or three years, insiders on the farm program now suspect, they will once more be confronted with the same old problem with which they started in 1933—huge surpluses of agricultural crops which are bound to force down prices and farm incomes.

And then, it is unofficially reasoned, the federal government will again have to embark on a program for control of agricultural production. The agrarians in the administration seem to think that's inevitable as long as the industrial system operates on scarcity policies.

The Supreme Court? Well, these predictions are more or less predicated on the idea that Roosevelt will be re-elected and have the chance within two or three years to appoint a couple of new justices.

Surpluses presumably won't accumulate so rapidly as they used to, since the soil program can be used as a partial deterrent. But it already is plain that the quick makeshift version of the program for this year will come far from the effect of crop curtailment.

Winter and spring wheat, according to latest estimates, will be grown on about 61,000,000 acres this year as compared with 50,000,000 last year. Unless spring wheat planters change their minds to a large degree, acreage will be about a million more than the five-year average which AAA was cutting down. With normal weather, wheat prices will be lower.

Corn acreage is expected to be up 6 or 7 per cent and cotton experts here are guessing on a 15 per cent increase in that crop. (It's against the law to collect figures on planting intentions for cotton since the government report for 1926 indicated a tremendous surplus and hit the market hard. Senator "Cotton Ed" Smith and some other senators pushed through a law forbidding the Bureau of Agricultural Economics from making any more cotton forecasts.)

Republicans are planning an extra-special effort to regain lost strength in the House of Representatives. They face the unpleasant and practically unprecedented possibility, in case they elect a president this year, of a Republican chief executive and a Congress heavily Democratic in both houses.

The party must win 115 Democratic seats and hold those it now has to get a bare House majority. No party has ever made such a cleanup and about the best the G. O. P. hopes for is to make a big dent in the opposition's majority this year, with the idea of finishing the job in 1938.

That mustache makes it a bit hard to determine if, through all this European hubbub and general criticism, Hitler is keeping a stiff upper lip.

Horses and elephants, who can sleep while standing up, have nothing on a man. He can slumber while walking back and forth and holding a baby.

Now that the Cook County electric chair has cushions, the condemned man will probably eat a hearty meal and then relax.

CAPITOL JIGSAW

By HOWARD C. MARSHALL

AUSTIN, March 30 (AP)—The latest official comment on prospects for a special session of the legislature reports that one will be called in April "don't mean a thing," Gov. Alfred made the comment.

The truth about a session probably is that Gov. Alfred himself does not know what he will do. It is believed generally he does not want the turmoil of a session with the work of an election campaign near at hand, but naturally would call one should political pressure become great enough.

He has left the door open, while asserting the rumors are without foundation, with the statement that the status is unchanged from that in January when he said there was no immediate need for a session.

He has consistently said it is too far ahead to talk about the possibility of a session in the fall after the elections. Most observers believe that such a "lame-duck" session probably would be called and headed for retirement in January, would accomplish little and Gov. Alfred knows it.

Should the legislature not be called in April, this opinion seems to be it will not be summoned until the regular term in January, 1937. Then, freshly representing the people, it can tackle all the problems of the state, including raising money for old age pensions.

The merits of regular sessions and special sessions as means of getting the legislative job done have long been discussed. The regular sessions have more time, but more work.

Time, said a veteran member of the senate, is not as important as it is generally believed.

"The idea the legislature has to have a lot of time to pass legislation is wrong," he said. "There has been talk of revising the rules and extending the session to give it more time. It isn't necessary."

"The legislature always can act swiftly when its mind is made up. Any law can be passed in 24 hours. The cause of delays is the fact members, and the people, haven't made up their minds and in such instances there ought to be delays."

ENGAGEMENTS AND RECENT MARRIAGE ARE ANNOUNCED

MISS LESTER IS TO MARRY MR. PICKETT

COUPLE WHO WED IN OKLAHOMA NOW LIVING HERE

Mr. and Mrs. J. L. Lester announced the engagement and approaching marriage of their daughter, Miss Lester, to H. J. Pickett at a pretty luncheon given by Mrs. Roy McMillen and her daughter, Miss Blanche, at the McMillen home Saturday.

Orchid and green formed the color motif for floral decorations and the distinctive announcements. Favors were dainty figures of ladies carrying parasols which opened to reveal the news. May 2 was announced as the wedding date.

The guest list for the luncheon included Miss Lester, Mrs. Lester, Miss Frances Dial of Pine Bluff, Ark., house guest of Mrs. McMillen, Miss Clara Brown, Miss Lillian Mullinax, Mrs. Alvin B. Johnson, Mrs. W. C. Koen, Mrs. Curtis Koen, Mrs. John Lester Jr., Mrs. A. D. Aitken Jr.

Mr. and Mrs. H. G. Harrill of Oklahoma City last week announced the marriage of their daughter, Miss Jane, and Ralph Zeigler of Pampa on February 25 at El Reno, Okla.

Mr. and Mrs. Zeigler are now at home here. His parents, Mr. and Mrs. O. O. Zeigler, formerly of Oklahoma City, now reside here. He has attended the University of Oklahoma, and was a pledge of Delta Upsilon fraternity there.

The bride, a graduate of Classen high school, studied later at the University of Missouri where she was a pledge to Phi Beta Phi sorority.

Denworth News

DENWORTH, March 30—A number of men of this community attended an associational meeting of Baptist laymen at McLean recently. In the party were Ben Copeland, Fred Browning, Coral Herrin, Horace Jones, Herbert Hale, Lundy Marshall, Lindsey Cotnam, Vester and Earnest Dowell. They heard a program of talks and music, and were served refreshments.

Work of improving the roads in this community has started, and residents appreciate the much needed work.

The executive committee of Back Parent-Teacher association will meet at 4 o'clock April 7. It is announced.

Mrs. Ansel Back is visiting her mother at Eaketon this week.

Mrs. Richey visited in LeFors last week.

M. R. Travis of Tulsa, Okla., was here on business recently.

Mr. and Mrs. Kenneth Myers and Mrs. Jake Flesher were in Pampa Wednesday.

Mr. and Mrs. H. D. Hale and family spent the week-end in Silvertown.

Eighteen were present at the mid-week prayer service of the Baptist church last week. Mrs. Herbert Hale was leader of the lesson. Mid-week meeting and Sunday school are conducted regularly, the latter at 9:45—noon—Sunday morning. The public is invited.

O. E. S. PARTY CANCELLED

Plans for a party were cancelled by the Order of Eastern Star today, because of illness in members' homes. The party was to have been on Wednesday evening at the W. B. Murphy home.

Trim Rancher

Cute little dude rancherets they have in California, you'll notice. Especially so is this trim young lady, in the several-gallon hat, and the rough outdoor raiment. Now that you've admired her, you'll be surprised to learn that she's Marion Talley, no longer the plump girl of opera days, taking a vacation at the Palm Springs ranch before she starts on her first film.

The Social CALENDAR

TUESDAY

First Baptist Bethany class will have its monthly business and social meeting at 2:30, in the home of Mrs. O. J. McKee, 625 E. Browning. Members in service invited.

Mrs. Dick Rhodes will be hostess to Jolly Nine bridge club, 2 o'clock. First Grade Mothers club of Horace Mann school will meet at 2:30.

A called meeting of the Order of Rainbow for Girls is announced at Masonic hall, 7:30. Members are urged to be present.

Faithful Workers class will entertain husbands of members at First Baptist church, 8 p. m.

WEDNESDAY

Mrs. Howard Buckingham will entertain Queen of clubs at her home at 2:30.

Central Baptist W. M. U. will meet at the church, 2:30.

Presbyterian Auxiliary will meet in the church annex, 2:30.

Episcopal Auxiliary will meet at 2:30 in the parish house.

Groups of First Christian council will have their monthly meeting. Group 1 with Mrs. A. A. Tiemann, 311 N. Wynne; group 2 with a luncheon in the home of Mrs. Roy McMillen, 446 N. Hill; groups 3 and 4 at the church, 2:30.

A social meeting of Treble Clef club will begin at 4 p. m. in Mrs. Sam Irwin's home.

An all-day meeting of Bell Home Demonstration club will be held with Mrs. C. McKnight.

Magnolia bridge club will entertain husbands of members at the home of Mrs. V. L. Dickinson.

THURSDAY

Council of Women's clubs will meet at the city hall club room, 9:30 a. m.

City Council of Parents and Teachers will meet in the commission room at the city hall, 2:30.

The Carolettes club will meet with Miss Josephine Lane.

FRIDAY

Order of Eastern Star will meet at Masonic hall, 8 p. m., for initiatory work.

Presella Home Demonstration club will meet with Mrs. Ira Spearman at 2 p. m.

HOUSE GUEST COMPLIMENTED BY A STUDENT

College Crowd Is Here on Spring Holiday

Spring holidays brought a number of college students to Pampa for the week-end. One group was entertained Saturday evening, when Miss Blanche McMillen was hostess with bridge at the home of her parents, Mr. and Mrs. Roy McMillen.

She complimented her house guest, Miss Frances Dial of Pine Bluff, Ark., a fellow student at Texas State College for Women, Denton.

Guests were Miss Marie Farrington and her house guest, Miss Mary Dodd Kincaid of Dodd City, Miss Katherine Wheatley and Miss Helen Marie Jones, all visitors from the Denton college; Miss Margaret Stockstill, student at West Texas Teachers college, Canyon; and Elizabeth Carpenter, Miss Madge Tiemann, and Miss Doris Hall.

Dollars Grow in 'No Man's Land' As Women Farm

By PALL K. LEE
SOMERSET, O. (AP)—Spring planting is beginning out in "No man's land," one of Perry county's best kept farms, whose 127 acres are tilled and tended exclusively by four women.

Ranging in age from 41 to 95, the women of the Meching family have won a living from the soil for more than 13 years, unaided by neighbors or hired men.

When Lew Washington Meching died, his widow, Anna, now nearing 85, decided to continue operating the farm. She has done so ever since, assisted by her two daughters, Mesdames Ruth and Cora, and a sister-in-law, Mrs. Mary Ann Meching, who will be 95 April 17. In all the years, credits have been on the right side of the ledger.

Two "Hired Hands" Ruth, 41, and Cora, 43, term themselves the "hired hands," and there is nothing about the farm that they cannot do, from plowing and planting to building fences.

In the words of Aunt Mary Ann, whose chief job now is making quilts and shelling corn, "Everybody around here has her work to do and does it."

Aunt Mary Ann, who remembers Gen. Phil Sheridan of Civil war fame as a Somerset schoolboy, keeps up with world news by reading three newspapers daily.

"Going To Town" Mrs. Ann Meching, owner of the farm, prepares the meals, mows the lawns and tends to the stock, while her two sturdy daughters work in the fields.

"I'm glad the winter has broken up," commented Ruth Meching. "We've been going to bed at 7 o'clock every night and getting up at 5 o'clock in the morning. That gets monotonous. We haven't been to town for three months, but as soon as this spring work is done we are going over to Somerset to see what's going on."

FINDS LAUNDRY HELP Home-made soap put through a food chopper makes excellent soap flakes, Mrs. Willard McAdams of Bluebonnet Home Demonstration club has discovered. She reports this an easy method to produce good suds, and it offers another use for a rather expensive piece of kitchen equipment.

Fines totaling \$1,089.80 were paid by 444 persons in Altoona, Pa., during February, 1936.

Sleeveless Bolero For Juniors

Is Fashion's Pet—With Its Dark Blouse To Contrast

By ELLEN WORTH

Ornamental or useful? Sometimes both. But still I have a strong suspicion that many of these little sleeveless jackets are out for effect rather than work.

However, they are attractive without a doubt.

Navy blue and white print crepe blouse adds gay dash and brilliancy to this smart wheat shade wool crepe bolero model.

It's precious in white or tub pastel silk, cotton or linen with the jacket of some sharp contrasting shade as vivid green, red, navy, wine, etc.

Use the pattern again for a separate blouse, skirt or jacket.

Style No. 1720 is designed for sizes 11, 13, 15, and 17 years. Size 15 requires 2 1/4 yards of 39-inch material with 1 1/4 yards of 39-inch contrasting.

Our Illustrated Home Dressmaking Spring Book will enable you to have smart clothes and more of them for less money. Each step in the making of a dress is shown with illustrated diagrams. Send for your copy today.

WEEK OF CLUB AND SCHOOL DOINGS AT McLEAN INCLUDES PIONEERS' ANNUAL ELECTION

SPEECH CONTESTS IN WARD SCHOOL HELD BEFORE P-TA

M'LEAN, Mar. 30.—The social interest of the week has been centered around the affairs of the Embroidery club, Wednesday afternoon, Mrs. Allen Wilson was hostess to the members at her home on North Main. The affair marked the regular meeting.

Present to enjoy the several hours of sewing and gossip which was ended by the hostess serving delicious refreshments were Mesdames Raymond Glass, D. E. Upham, Donald Beall, Wilson Boyd, C. S. Doolen, C. M. Wiggs, Harold Rippey, T. J. Coffey, Karl Estes, D. C. Carpenter, Erny Cubine, S. D. Shelburne, Earl Bluffelield, Roger Powers, J. W. Butler, Evan Sitter, and Byrd Gull.

Friday evening, Mrs. J. W. Butler and Mrs. S. A. Cousins were joint-hostesses to a lovely party in the show room of the Chevrolet motor company.

Bridge was enjoyed for several hours before refreshments were served to the following: Mr. and Mrs. Chas. E. Cooke, Mr. and Mrs. Creed Bogan, Mr. and Mrs. J. B. Hembree, Mr. and Mrs. W. K. Wharton, and the following member and their husbands: Messrs. and Mesdames C. A. Cryer, C. O. Greene, D. E. Upham, A. Wilson, W. W. Boyd, C. S. Doolen, C. M. Wiggs, H. Rippey, K. Estes, E. Cubine, S. D. Shelburne, H. Brooks, E. Stubblefield, Butler and Cousins.

Joe Cooke His Party Honoring her son, Joe, on his eleventh birthday, Mrs. Chas. E. Cooke entertained a number of his friends on Friday afternoon.

Those present for the lovely affair were the honoree, Frances Sitter Doris Neil Wilson, Dorothy Nell Woods, Maudie Dale Woods, Gwendolyn Cooke, June Cooke, Jeanne Campbell, Dorothy and Margie Campbell, Marion Wilson, Joyce Fulbright, Fatsy Cobbs, Shirley Ray Glass, Viola Appling, Nettie Jean Shoemaker, Erny Fulbright, Earl Humphreys, L. L. Smith, Wayne and Oran Back, Doris Beasley, Willis Ledbetter, Billy Riddle, Billy Carpenter, J. B. Sharpe, Wilson Rector and Bobby Beck.

PTA Hears Contestants At the regular monthly meeting of the local Parent-Teacher association, members heard the final contest in story telling and declamation on last Thursday evening in the high school auditorium.

Winners in the story telling contest were: First, James Hinton; second, John Floyd Campbell. Ann Bogan was judged the best story teller among the girls and she and James Hinton are to be presented medals from the Parent-Teacher association.

In boys declamation, Jack Willis won first, James Fulbright, second and Oran Back, third. The first two named will represent the school at the county meet on next Friday, while the first place winner will receive a medal from the PTA.

Girls winning were: Bernice McClellan, first; Joyce Fulbright, second; and Bernice Mae Wade, third. Bernice will receive the PTA medal, and she and Joyce will represent the school, Friday.

The Choral club, under the direction of Wesley Foster, sang several numbers which were appreciated.

SHEPPARD HAS FOE WACO, March 30 (AP)—Richard C. Bush, 34, advertising executive, announced today his candidacy for the United States senate opposing Senator Norris Sheppard.

HUBER LEAVES CHURCH POST, HE ANNOUNCES

Churches Yesterday Hear Two Guest Speakers

Resignation of C. O. Huber as educational director at First Baptist church was announced yesterday. Mr. Huber, who has filled that position about two years, plans to leave Wednesday for Dallas and will engage in evangelistic work.

Young speakers were guests in two pulpits here yesterday. Pat Henry Jr. preached at the First Christian church last evening, and John W. Knox at Central Baptist church yesterday morning, both to large crowds.

Meetings announced for the week include a workers' conference at Central Baptist church Tuesday evening, the monthly covered dish supper, fellowship meeting, and second quarterly conference at First Methodist church Wednesday.

Next Sunday will be Laymen's day at Central Baptist church, with special services. A week of pre-Easter evangelistic services will start at First Methodist church that day.

Reports from various churches yesterday: Francis Avenue Church of Christ, 162 in Sunday school, one addition to church membership; First Baptist, 645 in Sunday school, 113 in B. T. U., two additions; First Methodist, 438 in Sunday school; Central Baptist, 146 in Sunday school; First Christian, 468 in Sunday school, four additions.

Ester Club Will Sponsor Carnival

Plans for a carnival on April 3 were made by Ester club at a recent meeting in the home of Mrs. J. W. Crabb with Mrs. Joe Brown as co-hostess. The carnival will be in the new I. O. O. F. hall on the second floor of the Wynne-Merten building, with the public invited.

The next meeting will be in the home of Mrs. Jess Clay on April 14. Refreshments were served to Mesdames Winton Northcott, Mary Horner, R. S. Walker, W. J. Brown, W. A. Spoonmore, Anna Brooks, Clay, G. L. Lunford, John Killian, W. E. Noblitt, M. L. Elrod, O. G. Smith, Carl Bar.

PAINTING HINT.

Where two coats of paint are to be applied and the article painted must dry before the second coat is added, a small amount of melted paraffin poured over the top of the paint left in the can will keep a hard crust from forming during the wait.

Mrs. Frank Knight of Bluebonnet Home Demonstration club has found.

FORMER PUPIL WINS James Williams, 10-year-old former pupil of Horace Mann school here represented the Bryson school in junior declamation in the Jack county interscholastic league meet Friday, and won first place. Jack is now a student at Bryson.

Mrs. V. Darnell underwent a major operation in St. Anthony's hospital, Amarillo, Saturday. Her condition is favorable.

To Win Points

Pointing for the Olympics is Mrs. Dorothy Peyton Hill, who already holds the diving title in those games, having won at Los Angeles in 1932. Judging from a few of the fine points displayed in her diving, as shown above, and in her picture, below, during a training session in Los Angeles, she should have little trouble in repeating.

United States Study Fortifying Island of Guam

WASHINGTON, March 30 (AP)—Close behind the assumption of office by a new naval governor at Guam, the navy high command today studied the question of fortifying that strategic American island station in the far Pacific.

Prompted by the expected termination this year of the treaty for maintaining fortifications in the Pacific as they now stand, experts in the navy's planning division have begun preparation of financial and tactical reports concerning the capacity of the island as a potential fortress.

Under that agreement, the United States, Great Britain and Japan bound themselves in 1922 to refrain from fortifying certain outlying territories during its life. When the treaty expires this year, due to the action of Japan in denouncing it, each nation will be free to take whatever steps it deems necessary if no new treaty is made.

PLANS FOR AN EASTER SUNDAY WEDDING MADE

MRS. STANARD REVEALS ENGAGEMENT OF DAUGHTER

Easter Sunday will be the wedding day of Miss Floy Stanard and Earl Ross Goble of Del Rio, it was announced yesterday when Miss Stanard's mother, Mrs. Alta Stanard, entertained with a tea at her home.

Pink and white, colors chosen by the bride-elect, decorated the rooms and the tea table. Pink and white tapers were held in crystal candelabra, and sweet peas in the same colors centered the table, laid with lace over pink.

Mrs. Stanard and Miss Viola Stanard poured tea, assisted by Mrs. Don Hurst and Miss Lorene Nicholson.

Guests were seated for a program. Miss Joyce Turner and Miss Lucille Charlock gave readings, and little Miss Mary Maude Rutherford a reading and a dance accompanied by Miss Frances Thompson, Mrs. Dudley Steele sang popular love songs, with Mrs. Ramon Wilson as accompanist.

In addition to those on program, guests calling during the afternoon were Misses Evelyn Sudbrook, Wilma Stephenson, Cressie Turner, Mary Reeve, Jewel Binford, and Dorothy Suddard.

Mmes. Jim Gappett, Kelley Patterson, J. D. Gimple Sr., R. A. Kpoc, Bonnie Rose, J. N. Nicholson, Pat Lanham, James Todd, DeLea Vicars, C. L. Thomas, Roy Sullivan, Glen Pool, Weldon Wilson, Tracy Cary, Hal Sagle, J. H. Gantz, J. B. Townsend.

Mrs. Foster and Mr. Rankin Marry

The marriage of Mrs. May Foster and H. C. Rankin was solemnized yesterday afternoon at 2:30 by the Rev. E. C. McKenzie, minister of Francis Avenue Church of Christ, at his home, 217 N. Warren.

Mrs. Rankin has been a resident of Pampa for eight years, and has been employed as office attendant for a physician here. Mr. Rankin came here a year ago from Berger and has been employed at a barber shop.

YANNIGANS BEAT ROADRUNNERS 6-2 IN 5-INNING TILT AS DILBECK STARS

GENE LEDFORD HURLS NICELY FOR REGULARS

NASH, BAILEY, FELTNER ARE WATCHED IN PRACTICE GAME

Road Runner Yannigans were accused with keeping up with the "Joneses" yesterday afternoon as they followed in the footsteps of league Yannigans in defeating the regulars. Team manager Sam Hale, with Cecil Eash at the helm, downed Team Manager Sam Hale's boys, 6 to 2, in a 5-inning tussle with several hundred fans looking on.

Dilbeck, an elongated left-hander from Missouri, was probably the sensation of the day. He dished up a nice fast ball, change of pace, excellent control and "pulled the string" a few times to fan seven of the regulars. Big Gene Ledford was on the mound for the Hallemen. He didn't exert himself but showed more fire and better form than at any time last season. He allowed only a few bingles, but they came at the right time.

The field work of Jack Bailey former Pampa Indian player, was watched with interest. Bailey is only a youngster but he is a real prospect and playing his natural position. Manager Hale has been impressed with Bailey's work since opening practice.

Maybe "Boogie" Nash was on second base and "Fuzzy" Feltner was in the outfield. Both played ball with the Indians.

As Summers made manager and fans forget their second base worries when he made two sensational stops and throws to first despite a sore arm. Manager Hale can still make a ball do the trick which he did in the big show for 20 years ago.

Out for the first time was Ray Sawyer who started his Panhandle ball with Colorex and finished last season with Amarillo. Sawyer can play the initial sack or in the outfield, where he was located yesterday. Don Bailey was also in the garden, where he may locate this season.

Manager Hale lined up his team with Ledford on the mound, Renshaw behind the bat, Cox on first, Summers at second, McLary at short, Hale on the hot corner, Sawyer in left, Felts in center, and Feltner in right.

The Yannigans took the field with Dilbeck pitching, Lisle receiving, Bailey at first, Nash at second, Riley at short, Eash on third, Halbig in left, Bailey at center, and Feltner in right.

Texas Wild Life Federation Formed

AUSTIN, March 30 (AP)—Henry W. Flag of Galveston was elected president of the Texas Wildlife Federation Saturday.

The federation was formed by several hundred sportsmen from all parts of the state in the presence of the state department of conservation.

Phil Sanders of Nacogdoches was elected vice-president and Dr. G. E. Potter of Waco, treasurer. Will J. Tucker of Austin, secretary of the game, fish and oyster commission, was offered the secretaryship, and pending his decision will serve as temporary secretary.

Jack O'Brien of San Antonio member of the commission, said Tucker had not submitted his resignation, but Dr. Joe Record of Beaumont said Tucker would take the new position.

A constitution affiliating the organization with the general wildlife federation was approved, and resolutions condemning the exploration of Gulf waters for oil and urging quail growing on Texas prison farms were adopted. Oil exploration was adjudged injurious to marine life.

J. N. "Ding" Darling, former head of the United States biological survey, addressed the conference and paid a visit to Governor James V. Allred. Darling urged cooperation.

Lawson Little Not To Defend British Crown

TRAINING CAMP NOTES

BY ALAN GOULD, Associated Press Sports Editor, AUGUSTA, Ga., March 30 (AP)—Having mopped up the amateur fields at home and abroad for two straight years, it seems altogether logical to William Lawson Little Jr. to seek faster company and turn his big golfing guns in the direction of open competition this spring.

He's definitely decided, he said today, to pass up defense of the British amateur crown so that he can compete in the American open at Baltusol, N. J., early in June. The Californian and his bride hope to take a belated honeymoon trip to England so that he can make a second bid for the British open crown, but this is only a possibility.

Here for his second start in the Augusta National Invitation Tournament, in which he finished sixth last year with 288, the amateur king's prospective plan of campaign doesn't necessarily mean (1) that he had become bored with the monotony of conquest among the simon-pure or (2) that he resented the odds as to the opportunities to be derived from turning "business man" golfer. Since he registered two "little slams" in amateur competition there have been recurrent reports that the Californian contemplated making a comeback in the professional ranks. He has had attractive inducements. He still has but the main answer has yet to be given to the question concerning his future.

He's definitely decided, he said today, to pass up defense of the American open.

Here for his second start in the Augusta National Invitation Tournament, in which he finished sixth last year with 288, the amateur king's prospective plan of campaign doesn't necessarily mean (1) that he had become bored with the monotony of conquest among the simon-pure or (2) that he resented the odds as to the opportunities to be derived from turning "business man" golfer. Since he registered two "little slams" in amateur competition there have been recurrent reports that the Californian contemplated making a comeback in the professional ranks. He has had attractive inducements. He still has but the main answer has yet to be given to the question concerning his future.

LAKE WALES—After 7 straight wins, the Browns have lost three straight, taking a 1-3-1 shellacking from the Nats yesterday. The team takes on Milwaukee today.

AUSTIN, Tex.—Mule Haas has been doing a good job playing first base for the White Sox in place of holdout Zeke Bonura. He drove in two runs yesterday with a double and two singles. Ira Hutchinson and Red Evans, recruits, and Jimmy Dykes' choices for mound duties against the Pirates today.

ALEXANDRIA (AP)—Steve O'Neill is particularly pleased with Willis Hudlin who seems to be rounding into top form. He allowed only two hits in four innings against the Giants yesterday.

"This year I'm especially anxious to see what I can do in the American open," he said. "The dates for this and the British amateur are such that I could not play in both without making a transatlantic flight, so I'll go abroad later, if at all."

Little has shot subpar golf consistently here the past few days turning up for the tournament that starts Thursday. With Bob Jones returning to the wars for several years, Little among the "six best" in the all-star field.

"Lawson outclasses amateur rivals and has everything necessary to make a great medal player," said Tommy Armour. He has improved 1,000 per cent in the past two years. He has all the shots now, plus power, confidence and a new incentive.

The new incentive, Mrs. Little, has taken up golf herself. She hopes soon to "break 100."

Finley and Baugh Both Hit Freely, As Frogs Win

PORT WORTH, March 30 (AP)—Two football stars, re-cast in the role of pitchers, met on a baseball field here Saturday afternoon and engaged in as odd an exhibition as the southwest conference has seen in many a day.

T. C. U. came out on the long end of a 16-12 count in their game with the S. M. U. Mustangs with Sammy Baugh on the mound for the Frogs and Bob Finley for the Ponies. The Frogs thereby swept a two-game series, having won the first 9-8 Friday afternoon.

Baugh, remembered as the "Slingshot Sam" of T. C. U.'s battering football team, and Finley pitched all the way for their respective teams and were in trouble practically every inning. Baugh gave up 13 hits, walked two and hit one. Finley was nipped for 16 safe blows, walked six and hit four Frogs.

In all, 43 men reached base safely and the game went on for two and half hours.

NO PRETENDER
PHILADELPHIA (AP)—It's real genuine sword-swallowing when Theo Olivetti goes to work.

Olivetti, a professional sword swallower, was under treatment today for an injury received while practicing. The blade he was swallowing pierced his chest wall.

STORE TEETH IN MELODY OUT
WAUKEGAN, Ill. (AP)—Ever since he had seven teeth knocked out in an automobile accident, Arnold Prust told the jury, his saxophone playing has been "fuzzy." He blamed it on the false teeth which replaced the lost ones.

The jury awarded a \$4,000 verdict against the driver of the other car.

PHILADELPHIA PICKS
Jones at Best to Beat Pal Little

OMAHA, Neb. (AP)—Johnny Goodman, Omaha amateur golf star, likes Bobby Jones, at his best, over Lawson Little.

Johnny, the former national open champion, who has beaten Jones, but never succeeded in besting Little, says:

"It's a funny thing about those two. Their styles are as far apart as the poles, yet they both are extraordinary drivers and putters. But Jones at his peak, I believe, would take Lawson at his best."

Goodman, best man at Little's wedding, added:

"Lawson would outkick Jones and put as well, but he has some weaknesses in his short irons and that's where Bobby would edge him out in the long run."

John Kemp of Electra is visiting relatives in Pampa for a week.

TEXAS LEAGUE CLUBS GARNER 13 HITS EACH

HURLERS MAY BE POOR BUT SWATTING IS HEALTHY

TEXAS LEAGUE fans may not get the type of pitching they're accustomed to applaud during the regular season this year but they'll probably see plenty of old time fence busting hitting.

The healthy swatting that has been going on throughout the spring training sessions was continued with a vim in exhibition games Sunday. The eight Texas league teams collected an average of more than 13 hits apiece. The base knocks included a large assortment of extra base blows with the Dallas Steers setting the pace with seven doubles and two homers.

The Steers nipped three Oklahoma City Indian pitchers for 17 hits at Shreveport as they won 17 to 11, to sweep the two-game series. Oklahoma City gathered 15 hits.

Fort Worth's nine hits were enough to defeat the Syracuse Chiefs of the International league, 7 to 3, at Ft. Worth, although the Chiefs out-hit the Cats, garnering 13 bingles.

Tulsa's Olers rejuvenated themselves in the final inning and pounded Pyle of the San Antonio Missions for five runs to win, 12 to 7. The Oklahoma nine recorded 14 hits and the Padres 11, in the contest at Laredo.

The House of David aggregation fares badly at the hands of the Houston Buffs at Houston. Led by Mueller, who cracked out four hits, the Buffs' 14-hit barrage was more than enough in win, 8 to 2.

The Beaumont Exporters continue good pitching with 9-hit bats to defeat Lou Charles of the Evangeline league, 12 to 2.

At Galveston, an all-star team of amateurs gave the Galveston Buccaneers a shaky nine innings before the Pirates came out on top, 10 to 7.

Local Golfers Flock to Course On Lovely Day

Last year the dusters came or Sundays while this year they're coming on Mondays, to the chagrin of the housewives but much to the joy of golfers who had only a few nice days of play last season.

Yesterday proved to be one of the best days in more than a year. There was a minimum of wind, plenty of warm sunshine and lots of birds. More than 100 local addicts took advantage of the weather to play from 18 to 36 holes. Several excellent scores were registered.

On Saturday, a fivesome, which is against the law, played 18 holes of golf. On hole 8, a 320-yard stretch, four of the five players registered birdies and the fifth took a par. The birdies went to Buck Taley, Grover Austin Jr., Gentry Kidd and Del Love. Jimmie Edlime had to be satisfied with a par.

Del Love's free golf school will open at 8 o'clock tonight in the red school building on central campus, weather permitting. The school had to be postponed last Monday night because of a duster.

Gas Industry To Be Investigated By House Body

WASHINGTON, March 28 (AP)—Far-flung activities of the Natural Gas industry will be reviewed this week as a house interstate committee subcommittee opens hearings on the bill to give the federal power commission jurisdiction over the interstate activities.

Commission officials and representatives of the federal trade commission, which in a report pointed to numerous "evils" in the industry, will be the first witnesses. They will be followed by as many utility representatives as care to be heard.

Representative Lea (D-Calif.), author of the bill and chairman of the subcommittee, said he anticipated the hearings would last two weeks. He declined, however, to predict the future of the legislation.

Lea explained his bill would make no effort to correct conditions existing in the interstate gas business such as the millions of cubic feet of wasted gas in the Texas Panhandle field. The bill would, however, authorize congress to approve any interstate compact submitted to regulate the industry and would empower the power commission to assist in preparation of such agreements.

The proposed legislation would give the power commission broad discretion over shipments, rates charged consumers, corporate activities of officers of a company and accounting methods and records.

WEINERT WINS EASILY
AUSTIN, March 30 (AP)—Incomplete returns today showed R. A. Weinert of Seguin leading the race to succeed W. K. Hopkins as senator from the nineteenth district. He had 6,633 votes compared with 2,997 for Mayor H. G. Stein of Luling and 1,808 for Raymond M. Cavness of San Marcos.

PEEWEEES WIN OPENING TILT FROM HOOVER

Rafferty Fans Big Bats With Bases Loaded in Last of Ninth Inning

The Peewees, local boys' baseball team, won their opening game of the season at Hoover yesterday, 9 to 6.

Oliver Rafferty, Peewee relief hurler who did not even rate one of the swanky new uniforms, probably saved the game for the local youngsters. He worked the last five innings and pitched sensationally. In the ninth inning he loaded the bases and then fanned Hoover's big bats Cole and Hogan, to end a rally. He fanned seven batters during his five innings on the mound.

The longest hit of the afternoon was a triple, poled out by Abram Lewis of Hoover in the eighth when the home club scored three runs to cut down a 9 to 3 lead.

Amos Reed of the Peewees and Cole of Hoover pitched good ball for four innings before being relieved. Rafferty took over Reed's job and E. W. Hogan Jr. followed Cole to the mound to hold the Peewees to three runs.

Both teams showed unfamiliarity with the ball, due to only a week of practice. Hoover fielded several men, including the catcher, on the first string. All but three of the Hoover team were over 18 years whereas the average age of the Peewees is 16 years. The best playing for Hoover was done by the youngster.

The Peewees lined up as follows: Auld, c; Reed and Rafferty, p; C. Heiskell, 1b; H. Buckingham, 2b; B. Morrow, 3b; D. Mills, 3b; G. Heiskell, rf; G. Dull, cf; G. Foster, lf.

Hoover used: John Forman, c; E. W. Hogan, 1b and p; Lewis Cole, p; 1b; Harold Lewis, 2b; J. Johnson, 3b; Rufferty, 3b; Abraham Lewis, lf; Cole Lewis, cf; Lewis Colvin and Farrington Lewis, rf.

Smashing of Records On Saturday Is Impressive

AUSTIN, March 30 (AP)—Track stars of the middlewest and southwest today had their sights trained on Olympic tryouts after a spree of record breaking in the Texas relays.

Ten records fell before the onslaught of crack performers and one was tied. The feat was regarded as the more remarkable by officials since 12 records were broken at last year's meet.

Typical of the enthusiasm was that shown by Sam Francis of the University of Nebraska, who broke a shot put record that had stood since 1931.

"I'm going to try to get my form down," he said. "Wouldn't that be a swell trip to the Olympics?"

Francis heaved the shot 51 feet 9 1/2 inches. The old mark set by Rhea of Nebraska, was 51 feet, 2 1/2 inches.

Sam Allen, Oklahoma Baptist student star hurdler, and Glen Hardin, former Louisiana state great showed good form in the 400 meter hurdle race, respectively. Allen and Hardin are regarded as outstanding Olympic prospects.

That relay records may fall in coming track and field carnivals was deemed certain after record breaking performances by teams from the University of Texas, Oklahoma Baptist, Kansas State college, and the Emporia (Kansas) Teachers.

The Texas relay team in the half-mile event was clocked at 1:25.6 eight-tenths of a second over the world record held by the University of Southern California.

The Emporia Teachers lowered the medley distance relay record from 10:26.4 to 10:22.5.

Oklahoma Baptist dropped the record in the college class medley relay from 3:55.2 to 3:33 and tied the record in the one-mile relay.

The University of Texas clipped two-tenths of a second off the record in the quarter-mile relay with a time of 4:15 while Sam Wheelock of Kansas State led his school to victory in the one mile race with a new relay record of 4:21.4.

Billy Roy of Loyola of the South soared 13 feet, 9 and 1/4 inches to establish a new Texas relay pole vault record.

Sam Wheelock of Kansas State college cut one-tenth of the record in the one-mile relay, clocked at 4:23.4. The event was won by Kansas State.

Oklahoma Baptist university's medley relay team knocked two and two-tenths second off the previous college record, being timed at three minutes, 33 seconds.

With Archie San Romani running the anchor position, the Emporia (Kansas) teachers chopped nearly four seconds off the university class distance medley. The time was 10:22.5 while the old record was 10:26.4, held by the University of Oklahoma.

Romani, national intercollegiate mile champion, churned the cinders to lead the field by several yards.

Floyd Lochner, intercollegiate two-mile champion, running anchor for the university of Oklahoma in the medley, never had a chance. By the time he received the baton he was hopelessly out of the race with the flying Sam Romani.

High School Marks Lowered
Earwood of Rock Springs beat his old mark of 50 feet, six inches in the high school shot put last year by 1 1/2 inches, to win the event for the second consecutive year.

Bernstein of San Jacinto high of Houston blazed a new record in the high school 120-yard high hurdles. He bettered the old mark of 15.5 by two-tenths of a second.

Cecil of Freepport high school burned the cinders to drop the record in the 100-yard dash from 12 seconds to 9.9.

Oklahoma Baptist tied the record in the one mile relay set last year by Abilene Christian college.

Lloyd Cardwell, university of Nebraska's star football player, placed first in the broad jump with 23 feet. Twice Cardwell leaped 24 feet but was disqualified. He qualified for the finals with a jump of 22 feet 11 inches. He also placed third in 120-yard high hurdles.

Other football stars did not fare so well. Jay Berwanger, the university of Chicago's "one man football team," failed to place in any event. Bobby Wilson, Southern Methodist star in the finals in the broad jump, his track specialty, Wallace of Rice institute placed second in the high hurdles and Sprague, Southern Methodist quarterback, fourth in the discus. Bill Crass, Louisiana state failed to place in the shot put and discus.

High school class:
One mile relay—Thomas Jefferson (San Antonio) first; Waco, second; Leonard, third; John Reagan, (Houston) fourth. Time, 3:33.3.

University class relays:
Distance medley—Emporia, Kansas Teachers, first; L. S. U., second; Kansas State, third; Oklahoma, fourth. Time 10:22.5 (new record).

University and college class:
Broad jump—Cardwell, Nebraska, first; Koback, Chicago, second; Pitt, Kansas, third; Clifford, T. C. U., fourth. Distance, 23.0.

College class relays:
Half-mile—East Texas Teachers, first; North Texas Teachers, second; Sam Houston Teachers, third; University of Texas, fourth. Time 4:15.6 (new relay record).

University and college class:
Discus throw—Pettit, Rice, first; Fanning, Kansas State, second; Scelofsky, Kansas State, third; Sprague, S. M. U., fourth. Distance, 152 feet 8 1/2 inches.

Freshman junior college and academy class:
One mile relay—Texas freshmen first; John Tarleton, second; Abilene Christian college, freshman, third; Schreiner, fourth. Time 3:29.4.

University and college class:
Pole vault—Roy, Loyola New Orleans, first; Weichert of Rice and Bryan, Schreiner tied for second; Lyon of Iowa State, Cowan of Texas Tech, and Perkins, Oklahoma Baptist, tied for fourth. Height, 13 feet 9 7/8 inches (new relay record).

University class relays:
One mile team race—Kansas State (Manhattan), first; L. S. U., second; Texas, third; Abilene Christian, fourth. Total points, Kansas 21; best time 4:23.4 (new record).

University class relays:
Quarter mile—Texas, first; Kansas, second; Rice, third; Oklahoma A&M, fourth. Time 4:15.

University class relays:
Two miles—Oklahoma, first; Kansas State second (only entries). Time 9:05.5.

High school class:
100-yard dash—Cecil of Freepport, first; Selman, San Jacinto, (Houston), second; Everett, Valley Mills, third; Wofford, Edna, fourth. Time 9.9 (new relay record).

University and college class:
800 meter run—Wheelock, Kansas State, first; Padgett, Drake, second; Cleveland, Oklahoma, third; Case, Texas Tech, fourth. Time 9:09.4.

Exhibition:
Special 400 meter hurdles by Glen Hardin, L. S. U. Time 54.9.

Sam Allen of Oklahoma Baptist won special 120-yard high hurdle race with Johnnie Morris, formerly of Southwestern of Louisiana. Time 14.5.

FIRST DOWN - AND THEN SOME
BY HARRY GRAYSON

FIGHTS LAST NIGHT
CHICAGO (AP)—As heavily as Police Chief Michael Kelly could figure, it was one round knockout for the telephone pole.

He suspected two men tampering with his car. One darted around a corner. Police Chief Kelly, following closely, found his quarry unscathed on the pavement.

At a hospital the suspect said he ran into a telephone pole in the dark.

DRIVE EFFECTIVE
AUSTIN, March 30 (AP)—L. G. Phares, director of the department of public safety, said today the drive of the highway patrol against reckless and speeding drivers was having a decided effect. Phares said that on a week-end trip thru East Texas, he observed only one speeder. The man, a truck driver, was arrested and fined.

Bob Clark of Wheeler was a visitor in Pampa yesterday.

DISCHMEN ARE LEADING RACE IN SOUTHWEST

NORMAN BRANCH CAUSES EYEBROW-LIFTING IN TEXAS

"Uncle Billy" Disch, and his University of Texas Longhorns, after the twenty-first Southwest conference baseball title for the orange and white in the last quarter century, held their customary position in the driver's seat as the flag chase went into the second week.

Tied at the top with Texas Christian, the Steers were favored to hold the leadership after a single game with the Horned Frogs at Austin next Friday. Norman Branch, celer, Longhorn hurler who caused considerable eyebrow lifting by taming Texas league teams in exhibition games, blanked the Rice Institute Owls Saturday, 6-0, at Houston, to give the Steers their opening game.

Texas Christian found the first Southern Methodist team in four seasons, rather easy and won two games, 3-8 and 16-12. Sammie Baulch, the slinging demon of the Frog football team, graced the mound in the 16-12 affair and came out on top despite the fact he gave up 13 bingles, walked two men and hit another.

The Baylor Bruins found themselves losing the season's opener to the Texas Aggies, 13-11, and dusted off the Farmers, 7-5, Saturday. The Bruins, with Lucey and Sorelle, likely looking moundsmen, were rated favorites over Southern Methodist in two games Friday and Saturday at Dallas.

Rice, journeys to College Station for one game Friday.

DOE SETTERS MAY DECIDE LEAGUE RACES

EX-HOSPITAL PATIENTS ARE ATTEMPTING COMEBACKS

NEW YORK, March 30 (AP)—The "batting averages" of the surgeons and bone setters will decide who's who in the 1936 major league pennant races.

Not since baseball opened up on a big-time basis has there been a record of so many ex-hospital patients on the come-back with patched-up anatomies as there are today. Almost every club has one or more.

Here are some of the more important hospital turnouts who can break or make pennant hopes:

Catcher Frank Pylak and outfielder Bruce Campbell, Cleveland, Pylak, out toward the close of last season with an ulcerated stomach, probably is the key man to the Indian campaign. Campbell, bedridden for weeks last year with spinal meningitis, is another important factor.

Manager Charlie Grimm, Chicago Cubs, victimized with a lame back, was forced to quit first base but is back again.

Manager Bill Terry and pitcher Fred Fitzsimmons, New York Giants: If Fitz's sore arm is properly healed, the Giant pitching worries are over. Terry has his knee checked.

Pitcher Buck Newsum, Washington: Buck's left leg was broken for the third time last season.

First Baseman Adolph Camilli, Philadelphia: Adolph went sea bathing last summer, drew too much salt water in his lungs, and developed sinus trouble.

Second Baseman Tony Lazzari and Shortstop Frank Grosz, Yankees: If Tony's legs don't stand up, said Grosz's knee doesn't repair properly, the Yankees can forget the pennant.

Shortstop Charlie Gelbert, St. Louis Cardinals: Charlie came back last season to play 62 games after almost losing his left leg in a hunting accident. With an aluminum cast protecting the leg, Charlie hopes to play 120 games this season.

Catcher Gordon Phelps, Brooklyn: What will the Dodgers do for hitting if Phelps' hand, broken last year when he was hitting .364 didn't mend properly?

Pitcher Cy Blanton and Manager Elie Traylor, Pittsburgh: These ex-casuals at their best to win.

Pitchers Charlie Leiber and Dusty Rhodes, Athletics: If Leiber's sore arm and Rhodes' sprained ankle don't become as good as new, Connie Mack, weak on pitchers anyway, will be in a real fix.

Outfielder Chick Hafey, Cincinnati: No one ever expected Hafey to come back after his eye, nose, best hand, and Manager Charlie Dreesen is counting on his return sometime in June.

Texans Losing Drivers' Licenses

AUSTIN, March 30. (AP)—Hundreds of Texans are discovering that getting their new automobile operators license is one thing but keeping it handy for the time when a courteous Texas highway patrolman may ask to see it is something else again.

The request for duplicates which two weeks ago was merely a trickle has now assumed the proportions of a stream of mail as hapless drivers forward requests to Austin for a duplicate permit. Each request is accompanied by 25 cents.

Reasons attributed for the loss of the original run the gamut of excuses, but carelessness is predominant. Thus far no request for a third copy has been received. L. G. Phares, director of the department of public safety pointed out.

While loss of a pocketbook containing the license heads the list, misplacing of the precious slip is a close second.

At least five requests have said the license was lost while plowing and had been plowed under.

CONSTIPATED 30 YEARS

"For thirty years I had chronic constipation. Sometimes I did not go for four or five days. I also had awful gas bloating, headaches and pain in the back. Adierka helped me. Now I eat suet, bananas, pie, anything I want and never feel better. I sleep soundly all night and enjoy life."—Mrs. Mabel Schott.

If you are suffering from constipation, sleeplessness, sour stomach, and gas bloating, there is quick relief for you in Adierka. Many reports indicate in 30 minutes after taking just one dose, Adierka gives complete action, cleaning your bowel tract where ordinary laxatives do not even reach.

Dr. H. L. Shoub, New York, reports: "In addition to intestinal cleansing, Adierka checks the growth of intestinal bacteria and colon bacilli." Give your stomach and bowels a real cleansing with Adierka and see how good you feel. Just one spoonful relieves flat and chronic constipation. Sold by all druggists and drug departments. Pathways Drug Co., 1111 Broadway, New York, N. Y. In Skellytown by Skelly Drug Co. (Adv.)

SHIRLEY TEMPLE, NO LONGER A COLONEL, WILL BE RANGEREtte

HOLLYWOOD, Calif., March 30 (AP)—The news from Lexington provoked comment today in Hollywood, the headquarters base of a large regiment of now ex-Kentucky colonels.

Some of the de-commissioned were said, some wistful, some gleefully philosophical.

Others found it hard to believe that Governor A. B. Chandler of Kentucky had actually refrained from appointing any more colonels and the attorney general really had declared 17,000 colonelcies null and void.

Ervin S. Cobb, a bona fide native Kentuckian who knows all about colonels, bore the blow with stoicism.

"Although I have been commissioned a Kentucky colonel on two or three occasions," said Cobb, "I never active as an except while fishing. I wanted to become known as the only legitimate colonel called mister."

Ex-Colonel W. S. Van Dyke said: "I'll never touch another drop of Kentucky whiskey."

"This, huh," said Jack Oakie, by wife from the East, is a perfect outrage, huh."

Remarks of other ex-colonels: Al Johnson—There goes Kentucky's chance to be known as the mammy pot colonels.

W. C. Fields—Even the greatest of modern statesmen make mistakes. But the new Kentucky governor apparently is determined to make fewer than his predecessors made.

Big Crosby—(Groaning) A colonel I always longed to be but they made a private out of me.

Clark Gable—Thank heaven I can shave off that silly mustache now.

Cliff Lewis—I'll never show another lieutenant governor of that state around by studio.

Jean Harlow—It was divine while it lasted.

Gracie Allen—I was getting sick of being called colonel. It made me feel so much like a nut.

Shirley Temple—I'll bet you they still remember my picture. "The Little Colonel," anyway. Besides, I'm going to get a commission next week as a Texas Rangerette.

OKLAHOMA CITY, March 30 (AP)—Senator Elmer Thomas (D., Okla.) predicted before the Oklahoma democratic state convention today that President Roosevelt "will sweep the country" on the new deal issue in his re-election campaign.

In the keynote address, Thomas referred to Gov. Alf M. Landon of Kansas, a possible republican candidate for presidential nomination, as "an old deal deal."

"The democrats of Oklahoma as well as of the nation have their candidate already selected," said Senator Thomas. "For us, as well as the democrats of the nation, our issue already has been defined. The paramount issue in this campaign will be the new deal. The democratic candidate will be Franklin D. Roosevelt."

"Upon this issue and behind our candidate, democracy will sweep the country and Franklin D. Roosevelt will be re-elected president of the United States."

Instruction of the state's delegation to the democratic national convention to cast its 22 votes for nomination of President Roosevelt for re-election appeared a certainty with pro-administration forces in charge if there was any opposition it was unorganized.

Gov. E. W. Marland, who also will speak, has said that he will attempt to obtain endorsement of the new deal and the president.

C. A. "Slick" McMurray is confined to his bed with an attack of influenza.

Mr. and Mrs. Jimmie Wheeler were Miami visitors yesterday.

From Raton, near the northeast border, to Clovis in the far southeast and center of the state's "bread basket," the saffron clouds, churned last night and yesterday into visibility to two miles and less.

The "black blizzard" carried along by a 40-mile-an-hour wind at Tucuman, virtually paralyzed highway and street traffic there and at Clovis.

Merchants turned on store lights, and housewives locked doors and windows. The streets in both cities virtually were deserted.

E. L. Hardy, meteorologist of the U. S. weather bureau here, said the storm extended north to Trinidad, Colo., east to Wichita, and Canadian, Kansas, and south beyond Clovis.

Visibility at Tucuman and Clovis was zero, at Trinidad it was 3 miles, at Amarillo, one-half mile, and at Raton two miles.

SHERIDAN, Wyo., March 30 (AP)—Sheridan was listed on the United States weather map today as the coldest spot in the United States. The official temperature was recorded as 18 below zero.

99 PER CENT OF RHINELAND CAST BALLOTS

HITLER NOW PLANS TO ASTOUND WORLD WITH PROPOSALS

By LOUIS F. LOCHNER (Copyright, 1936, By The Associated Press)

BERLIN, March 30.—Germany's endorsement of Adolf Hitler's re-militarization of the Rhineland amounted to 99 per cent today while Der Fuehrer turned to drafting of new proposals to the other Locarno powers which political sources indicated would "astound the world."

The Nazi propaganda machine, moving with speed and precision, swung virtually the entire German nation behind Hitler in yesterday's election, nominally to select a new Reichstag but actually to approve his violation of the Versailles treaty and Locarno pact.

An official tabulation of the returns, still incomplete, raised Hitler's percentage from 98.79 to 99 per cent of the votes cast—the greatest endorsement ever given in any plebiscite.

Of the 44,954,937 ballots, 44,411,911 were marked clearly with a cross in the circle opposite the name of Hitler, officials announced. On the remaining 543,026 ballots, the electors either wrote "no" or otherwise made their votes "invalid."

In the German view, that fact that there was no chance to vote in opposition, but only to take the Nazi party list or leave it, did not detract from the overwhelming Nazi triumph.

Der Fuehrer now felt, informed sources said, that whatever he might demand from the other powers he would demand not as the dictator, but as the servant of 97,000,000 Germans who commanded him not to yield one inch of German territory, nor one bit of German rights.

There was no intimation, however, of the exact contents of his extensive counter-proposals to the Locarno powers, promised for tomorrow in his preliminary reply March 24 to the London plan for a settlement of the Rhineland issue.

PAMPA TOPICS OF OUR CITY

"Big Frost" in City
Jack Frost, 340-pound representative of the Waples-Platter company of Texas, was in Pampa today distributing cans of Texas-packed beans and other products to his friends. Calling attention to the motto, "What Texas Makes Makes Texas," Frost said the Fort Worth factory covered 27 acres and was one of the largest south of the Mason-Dixon line. He has been with the concern 33 years. The capacity of the plant is 63,000 cans daily. The company started business in a tent in 1872. R. L. Allston is local representative.

Board to Meet
Described in notices as "very important" is the session of the Board of City Development and the advisory committee of the chamber of commerce this evening at 7:30 o'clock at the city hall.

Going to Indiana
Mr. and Mrs. John J. Corrigan were to leave today for Fort Wayne, Ind., where Mr. Corrigan is to be connected with a gas corporation. Both have been among the most popular members of the younger set in Pampa. Mrs. Corrigan has been pianist for the Lions club for four years.

Air Dust-Laden
Old Sol was a brownish disc this morning, although the sunrise was apparently clear except for high-flying dust clouds borne on a cold norther. As the dust settled, visibility was limited to about 5 blocks. Then the sun came out my're brightly through the yellowish atmosphere. At noon, the air was still heavily dust-laden but the duster lacked the severity of last week's phenomenon. The dust followed one of the most pleasant Sundays of the year.

Fort Worth Will Spend 5 Millions On Frontier Fete
FORT WORTH, March 30. (AP)—With Billy Rose, creator of "Jumbo" New York Hippodrome show world sensation, as director general, this city, where the West begins, will spend about \$5,000,000 on the entertainment of Centennial year visitors to Texas.

SPORT SLANTS

By ALAN GOULD

Leroy Parmlee will have to come through in sensational style on the mound for the St. Louis Cardinals to compensate Manager Frankie Frisch for the loss of the services of Burgess Whitehead, who went to the Giants in exchange for Parmlee, Allyn Stout and Al Cucinello; for the Cards' capable substitute to fill in at second base when his aging legs demand an occasional rest.

Frisch cannot expect any help from the speedy Lyle (Punch) Judy, the 22-year-old recruit who stole 107 bases for Springfield in the Western Association last season and fielded sensationally with that farm club of the Cardinals. They' young infielder has been forced to undergo an operation on his shoulder as the result of injuries sustained in an automobile accident. Any help Frankie will get is likely to come from the diminutive Pat Ankenman, who came up from Columbus.

Smallest in Big League
Ankenman played shortstop for the Red Birds last season and is one of the smallest athletes ever to play in the big leagues. He is 5 feet, 4 inches tall and scales around 130 pounds. He looks like the best bet for a berth as utility infielder for the Cardinals.

Frisch never gave Al Cucinello much consideration for the utility role despite the fact that Al played in 48 games for the Giants last year. For one thing, he made too many errors and was not the fastest second baseman in the league in making double plays. His stick work, too, left much to be desired.

MRS. COULTER KILLS HERSELF OVER HER SON

BOY IS PLACED IN CUSTODY OF HER EX-HUSBAND

SAN ANTONIO, March 30 (AP)—Justice of the Peace O. L. Wiley held today that Mrs. Alice Morgan Coulter, wife of Harold K. (Duke) Coulter, dashing polo star and former army captain, shot herself to death at the Coulter apartment yesterday.

Justice Wiley's suicide verdict was returned a full day after Mrs. Coulter's body was found by a maid. A bullet had entered her head and a revolver lay nearby.

Comely Mrs. Coulter was one of the principals in a secret court martial that led to her husband's dismissal from the army on grounds that he was guilty of misconduct while married to another woman.

Dependancy over custody of her son by a former marriage probably caused the woman to take her own life, friends said.

Coulter was located at Seguin, Texas, and notified of the tragedy. Mrs. J. H. Huppel, operator of the apartment house, said Mrs. Coulter had been confined to her apartment by a sprained ankle and was dependent over loss of her son, William F. Morgan Jr., who was given into his father's custody in a district court action here.

The father, William F. Morgan Sr., Houston oil man, sued for custody of his son after the Coulter court martial in which the then Mrs. Morgan's name figured. After Coulter's dismissal from the army, he was divorced by Mrs. Frances Biddle Coulter and later married Mrs. Morgan.

THE SPRING THAW

HERB LOCKY

HAUPTMANN

(Continued from page 1) and produced the following paper, dated Feb. 24, 1936:

"I am willing to stay in your custody until the investigation is concluded. (Signed) P. H. Wendel."

"I treated him like a guest," Dr. Jones said.

Prosecutor Marshall was considering what action to take on the Wendel case.

Hauptmann Confident Another convicted murderer, Charles Zied, also is to die tomorrow night. Hauptmann, unflinching and unchanging in his profession of innocence, was represented by the prison warden as confident he would not "go out through that door"—the door to the execution chamber. The prisoner, Paul Wendel, whose midnight arraignment in the office of the jail warden yesterday came as another in a tumbling series of climaxes in the Lindbergh case, is 51 years old; a former Trenton druggist and lawyer. He was convicted in 1922 of perjury and sentenced to the workhouse, as well as being disbarred. He charged he was "framed" and the court of pardons granted him a full pardon, followed by his reinstatement to the bar.

An investigation into charges involving forgery in 1930 was followed by Wendel's resignation from the bar. In 1932 he became a voluntary patient at the state hospital, remaining four days. Prosecutor Marshall said yesterday that embezzlement charges which were laid against him about that time are still pending against him.

His "confession," which he now repudiates, quotes him as admitting the kidnaping of the Lindbergh baby and as the writer of the ransom note found in the baby's nursery. He said he made no effort to collect ransom, and that he disposed of the body when the child died several days subsequent to the kidnaping.

Wendel's attorney, John Kafes, conferred with him for some time and issued a statement in which he said Wendel "could not have been at the Lindbergh home" the night of the kidnaping, March 1, 1932. He said Wendel was forced to sign a "confession" at the point of a gun, and that he was severely beaten and tortured by persons whose identity he did not know.

Confession 'Worthless' The Gaston Means "confession," which the governor had available for presentation to the court, said that Means was "hired to kidnap and kill" the baby; that he made the ladder used in the kidnaping; and that the lumber yard, the name of which he gave, could confirm that he purchased the ladder lumber from it.

He said it had been planned to kill the baby at a quarry near Hope, well, but that the baby died of a skull fracture.

(Regarding Means' recent "confession," the United States department of justice said all angles of his statement had been investigated previously and found to be worthless.)

Means now is serving a 15-year sentence for defrauding Mrs. McLean of \$104,000 in the Lindbergh ransom hoax.

Of the 24 national parks in the United States, only six now are closed to winter travel.

Last Gap Closed in Giant Bay Span

Clinging to girders and dangling from cables, workmen in the upper photo appeared like flies as they completed the difficult job of "hooking up" the last arms of the world's largest cantilever bridge, the San Francisco-Oakland Bay span. Working on their precarious perches, the bridge crews hoisted two huge eyebars simultaneously and fastened them with pins weighing several tons each. In the lower photo the bridge is shown after the last gap had been closed, the arrow pointing to the juncture. Traffic will flow east from San Francisco across the tandem-suspension bridges, through the Yerba Buena tunnel, and across this cantilever span, 185 feet above high water.

At-La Nora

Even though they monopolize the limelight, the Dionne Quintuplets are not the only up and coming young stars in the Fox picture, "The Country Doctor," which comes Sunday to the La Nora theater thru Wednesday night.

Prominent in the supporting cast of this picture, which presents the world's most famous little girls in their first feature length production, are June Lang and Michael Whalen. Featured together in the romantic roles of this thoroughly human story, they too are making their bids for stardom.

Michael Whalen is the handsome and smiling young man whose

film debut in "Professional Soldier" created a flurry among impressionable feminine fans. Miss Lang, for four years a bit player at 20th Century-Fox, proved so successful in the recent "Every Saturday Night" that the studio is projecting a series of leading roles for this lovely miss in forth-coming productions. Featured with Jean Hersholt, Slim Summerville and Dorothy Peterson in support of the quints, their pair contribute to the human and stirring drama of a doctor who devotes his entire life to serving a backwoods community. Henry King directed the picture from a screen story by Sonya Levien.

Sugar Institute Held Guilty in Anti-Trust Suit

WASHINGTON, March 30 (AP)—The supreme court today, in its long-awaited sugar institute decision, held that the Sherman anti-trust law was a "charter of freedom" permitting voluntary action to end abuses in industry—provided such action does not restrain competition.

The court, upheld in the main a lower court decision enjoining the sugar institute from many of its practices, but permitting the trade association to continue in existence.

In a voluminous decision partially read by Chief Justice Hughes, the court outlined its view in great detail of the scope of the famous anti-trust statute. There was no dissent.

It held that exchange of trade information and statistics was legal. An agreement by members of the sugar institute to abide by posted prices without deviation was construed as an "unreasonable restraint" of competition and so illegal.

Walter L. Rice, special assistant to the attorney general, who participated in argument of the case for the government, said:

"We regard the decision as a sweeping victory." The changes in the decree are of comparatively minor importance.

WOMAN ARRESTED STAMFORD, March 30 (AP)—A 26-year-old woman was under arrest in Dallas today as West Texas authorities tightened their investigation into the death of Bill Jackson, Stamford, farmer, whose weighted body was found in the clear fork of the Brasos river March 28.

SELF-DEFENSE PLEA

NEW YORK, March 30 (AP)—Vera Stretz will plead self defense in the slaying of Dr. Fritz Gebhardt, her wealthy lover, said Attorney Samuel Leibowitz today during a recess in her first degree murder trial.

FABRICATION

TRENTON, N. J., March 30 (AP)—Court action against those "responsible for railroadings" Paul H. Wendel, held on a Lindbergh murder charge, was promised today by the prisoner's attorney, John Kafes. "It is clear to anyone that the murder charge is a fabrication," Kafes said, "and the grand jury will dismiss it."

11 PERSONS KILLED

BYRON, Ga., March 30 (AP)—Investigators sought today to fix the blame for the train-notor bus crash here in which 11 persons lost their lives. J. B. Horne of Macon, Central of Georgia engineer, who was aboard the bus, died today. Three

Children's Colds Yield quicker to double action of VICK'S VAPORUB. STAINLESS now, if you prefer.

Negroes Saved From Lynching

HUNTSVILLE, Ala., March 30 (AP)—Closely guarded by national guardsmen and state police, four negro suspects, saved by prompt action of civil officers from a possible lynching in the slaying of 19-year-old Vivian Woodard, were rushed to Birmingham today.

Although mob spirit, fired by the attack slaying of the pretty blond daughter of a Huntsville city official, seemed to have subsided, it was decided to take the prisoners to Birmingham, 140 miles away, for safe keeping.

Mob action against the prisoners was averted shortly after the negroes' capture late yesterday. Local officers and highway patrolmen took the four men from angry possemen and later used tear gas to disperse a crowd that gathered menacingly around the jail. Governor Bibb Graves later ordered three companies of national guardsmen here.

KARPIS DRIVE FAILS

HOT SPRINGS, Ark., March 30 (AP)—Federal agents raided a pretentious farm house near the one-time stamping ground of the notorious Alvin Karpis today on an assignment which they insisted later had failed. "We did not get the people we were after," said one of the fifteen bureau of investigation operatives who closed in on the silent home behind a tear gas attack.

MARKET BRIEFS

NEW YORK, Mar 30 (AP)—Demand for a few specialties, some of which managed to hold gains of 1 to around 2 points, today kept the stock market on a fairly even keel.

While the close was steady, it was the dullst full session in six months. Transfers approximated only 900,000 shares.

Table with 4 columns: Stock Name, Price, Change, and Volume. Includes Am Can, Am Rad, Am Te, Ana, AT&SP, Avia Corp, Baldwin, B & O, Barnsdall, Bendix, Beth Stl New, Cae, Chrysler, Coml Solv, Cont Oil Del, Gen Elec, Gen Mot, Goodrich, Goodyear, Int Harv, Int Nick, Int Tel, Kelvin, Kennec, M Ward, Nat Dalry, Nat Dis, Packard, Penney, Penn RR, Phil Pet, Pub Svc N J, Radio, Repub Stl, Sears, Skelly, Soc-Vac, S O Cal, S O Ind, S O N J, Studebaker, Tex Corp, U S Rub, U S Stl, New York Curb Stocks, Cities Svc, Elec B & S, Gulf Oil Pa, Humble.

NEW ORLEANS COTTON

NEW ORLEANS, March 30 (AP)—Old crop months made a little progress on the upside during the morning, but trading fell off to a slow pace May sold at 11.22, July at 10.87, Oct at 10.19 and Dec, at 10.16.

Light speculative buying was noted in the nears with the trade supplying contracts. New crop months were ignored almost entirely.

TEXAN FATALLY SHOT

JACKSONVILLE, March 30 (AP)—Ben Gifford was charged with murder today for the fatal shooting of Elvis Bonner, 23, in an apartment-house affray here. Bonner was shot through the chest. Improvement was reported in the condition of Gifford, who was in a hospital suffering from an ice pick wound received in the altercation yesterday.

NED REIGH, NEW RACE STAR IS KILMER HOPE IN DERBY

By FRANK H. FULLER REMILIK HALL, Va. (AP)—Thundering hoofs beat a fast tattoo on a heavy track as Ned Reigh, Kentucky Derby contender, flashed past two fillies after a breeze around the track at this Kilmer training ground.

"Well?" inquired Jack White, veteran trainer, as he leaned back on his cane, a smile beginning to play around the corners of his mouth while he endeavored to look serious.

"You are going up to talk to Mr. Kilmer," he said. "I think I had better leave the comment to him. I'll tell you that the horse hasn't missed a day this winter and he is far advanced."

Owner Is Enthusiastic White looked on approvingly as Ned Reigh, dark brown son of Neddie out of Reigh Nun, came off the track and headed for the big indoor track, where he is exercised in cold weather, to be led around until cooled off.

Later, in the residence, William Sharpe Kilmer, noted turfman and breeder of great thoroughbreds, leaned back in an easy chair in a room adorned with the pictures of such noted horses as "Sun Briar," "Sun Beau" and his recent importation, "Gino," and said:

"Ned Reigh is more like Exterminator than any horse I've ever owned. He is big, good on a fast track or in the mud, and he can go the distance. I think he is a good horse. Like Exterminator he doesn't need a rider, but will take advantage of any opening."

If Ned Reigh could comment he probably would add to the spirit of confidence here. He runs with a smooth, seemingly effortless action that carries him over the ground with an amazing speed. Experienced observers in this horse-breeding state agree he will be hard to beat in the Derby. In fact, some say he will be THE horse.

Entered in Preakness E. E. Coussell, writing in the Bloodstock Breeders Review, London, says Ned Reigh "is probably the best horse Mr. Kilmer has bred and owned since Sun Beau."

As a 2-year-old last season Ned Reigh won the Troy Claiming Stakes at Sartoga, the Babylon Handicap, the Junior Championship Stakes and the Walden Stakes, the last named at Bowie over a mile and a sixteenth.

White feels that he will be ready shortly to battle the best in the state. Before the Derby, Ned Reigh will run in the Wood Memorial at Panama and after the Derby he will go on to Baltimore for the Preakness.

Speaking briefly, telling many interesting incidents in his trips over the nation as sidights, the commander declared that although he was a member of a veterans organization, that group had for its policy the desire of the citizenship at large to outlaw war. He declared that the Veterans of Foreign War fought for payment of the bonus and other legislation but that their major work was leading a fight for a neutrality policy and good citizenship.

In thanking Pampans for the gift of hat and chaps, Commander Van Zandt said he would wear them when he makes his yearly trip to a Montana ranch and that his thoughts will turn often to Pampa. He didn't mind the dust storm or storms. He encountered several different ones on his trip through New Mexico and the Panhandle.

The commander donned hat and chaps for pictures at the luncheon. Asked if he wanted to rest before speaking at city auditorium, the commander remarked that he had rather look over "one of the prettiest little cities it has been my privilege to visit."

Jingoists Blamed

Nothing but good will is expected in Japan, Mr. Van Zandt said. He charged that jingoists are responsible for any tenseness of feeling in either country and that the peoples have no quarrel. Japanese veterans are fighting communism as their major objective, the commander said. He added that the Japanese expansion in China and Manchuria is very largely an extension of this campaign. Communism, not Russia, is Japan's fear as the red menace sweeps into China, he added.

The veterans' leader refused to be bothered by dust. He instructed the local arrangements committee and the district officers to proceed with their plans as if there were no dust, adding: "It seems to be lightening, anyway," acknowledging that soil erosion is damaging in the section and westward. He cited that his journeys take him into many sections, all of which have their problems. His home state, Pennsylvania, is flood-swept and the Pampana Red Cross chapter is receiving contributions almost daily for the relief of sufferers there.

The commander, active in V. F. W. affairs as an official for 6 years, estimates that he will have traveled more than a million miles for the organization by the end of his present term. He is paid no salary, receives \$5,000 a year for expenses, out of which he employs a secretary and operates an office in Washington. His home is at Altoona, Pa. His employment is with the Pennsylvania railroad.

Working for Peace

Concerning the promotion of world peace, the visitor said it was the function of the V. F. W. to begin where other organizations halt. He was referring to the international contact between veterans which tend to bring about better understandings and extend the periods of peace.

More than 100 veterans and guests attended a luncheon at noon in the Schneider hotel dining room. Commander Van Zandt was presented a 10-gallon hat, the gift of the Pampans Veterans of Foreign Wars, and a pair of chaps. The presentation was made by Jim Collins.

Commander D. A. Bartlett of the local post presided at the luncheon. John Bradley, member of the arrangements committee, acted as toastmaster and presented State Commander E. E. Wiseman of El Paso, who said that Commander Van Zandt did all the talking for the organization and that everyone agreed with him.

Speaking briefly, telling many interesting incidents in his trips over the nation as sidights, the commander declared that although he was a member of a veterans organization, that group had for its policy the desire of the citizenship at large to outlaw war. He declared that the Veterans of Foreign War fought for payment of the bonus and other legislation but that their major work was leading a fight for a neutrality policy and good citizenship.

In thanking Pampans for the gift of hat and chaps, Commander Van Zandt said he would wear them when he makes his yearly trip to a Montana ranch and that his thoughts will turn often to Pampa. He didn't mind the dust storm or storms. He encountered several different ones on his trip through New Mexico and the Panhandle.

The commander donned hat and chaps for pictures at the luncheon. Asked if he wanted to rest before speaking at city auditorium, the commander remarked that he had rather look over "one of the prettiest little cities it has been my privilege to visit."

Prize Crop Tobaccos make them Double-Mellow!

2 JACKETS OF "CELLOPHANE" keep them Factory Fresh!

AGAIN WE SAY:

If you don't get a thrill we'll pay the bill

and Double

SEVERAL MILLION smokers, men and women, have tried out Double-Mellow Old Golds since our Double-Money-Back offer was announced last October. Less than 1 in 10,000 of these smokers have asked us for a Double-Money-Back check. Yet that check is ready and waiting for any smoker who tells us that Double-Mellow Old Golds did not please him.

With nothing to lose and double to gain, why not get that "try-out" pack of "Double-Mellows" today? P.L. Lorillard Company (Established 1760) P.S. . . . to get double-your-money-back, plus postage, mail the Old Gold wrapper and ten unsmoked cigarettes to P. Lorillard Company, Inc., 119 West 40th Street, New York City, before May 1st, 1936.
