Ike Is Experiencing Heart Irregularities

By GENE BERNHARDT
WASHINGTON (UPI) — Former President Dwight D. Eisenhower continued to experience heart irregularities through the night, Army doctors said today. His condition remained critical.

At 10:20 a.m. CDT medical bulletin from Walter Reed Army Hospital said the five-star general, "has been in no pain" and that his vital signs such as pulse, blood pressure and temperature continue to remain stable.

"Gen. Eisenhower has continued to show increased evidence of cardiac irritability—extra beats or irregularity—throughout the night," the doctors said.

Doctors had announced Wednesday night that the 77-year-old former President was again showing some increase of "heart irritability."

They had reported earlier

Wednesday that Eisenhower had passed through his first day since his seventh heart seizure on Friday without signs of "rhythm disturbances."

Today's bulletin read: "Gen. Eisenhower has continued to show increased evidence of cardiac irritability—extra beats or irregularity—throughout the night. He did, however, rest comfortably and has been in no pain.

"In spite of his long illness, he has remained cheerful and continues to see members of his immediate family for brief periods daily. His vital signs remain stable and his overall condition may be viewed as unchanged and still critical."

Eisenhower's doctors did not specify whether the new instances of "heart irritability" were irregularities of the kind normally associated with the recuperative period following a

Policemen Die In Fire

WICHITA FALLS (UPI)—Two separate fires gutted downtown buildings Wednesday night, injuring five firemen and causing damage estimated at \$1 million. The wall of one building collapsed early today on a police patrol car, killing the two officers inside.

The two policemen were killed when the wall of the fire-gutted Starr Rooms Hotel collapsed and crushed the patrol car in which the policemen were sitting. They were trapped beneath the debris until wreckers could arrive on the scene to pull the rubble off the car. They were dead on arrival at a hospital.

Observers said patrolman Robert Fellows drove his patrol car to the scene of the fire and officer Eddie Rappley of the Wichita Falls canine corps approached Fellows.

"Rappley got in the car with Fellows and at the exact moment he shut the door, the wall collapsed on them.

Seating Expected For The Texas Delegation

CHICAGO (UPI)—The credentials committee of the Democratic national convention was expected today to seat the regular delegation from Texas, against which liberal leaders railed for hours in testimony Wednesday.

The credentials committee was to rule late today on contests involving the Texas and Georgia delegations. Committee members speculated that the challenge to the Texas delegation, firmly in the hands of Gov. John Connally, would be denied.

U.S. Sen. Ralph Yarborough wound up four hours of bitter exchanges between rump and regular delegation leaders by saying his group did not want to drive anybody out of the party and would settle for 48 per cent of the Texas delegation's vote.

Sour Grapes

Texas State Chairman Will D. Davis of Austin, arguing that the contested delegation represented only a group of sour grapes "outs," said it was an all or nothing at all proposition with the regulars.

Supporters of presidential candidate Eugene J. McCarthy demanded at least 50 seats on the 122-member Texas delegation.

Curtis M. Graves, a Negro member of the Texas Legislature, told the committee that six black members of the Texas regular delegation are "the only conservative Toms in the

country... they are show Negroes who have guaranteed that they will shut up."

Valmo Bellinger, a Negro publisher from San Antonio, said heatedly that he was no "Uncle Tom" and had been a Democratic worker for years before Gov. Connally ever became a party leader.

How to Split

Yarborough accused Davis of showing Democrats how to split a ticket and vote against Yarborough. He said Robert Strauss of Dallas, who will become national committeeman

next week, raised \$250,000 to defeat every liberal precinct chairman in Dallas.

The brunt of the contesting delegation's attack was concentrated against Connally, whom they accused of giving the small end of the stick to minority elements.

One of the chief speakers against the regular delegation was Bexar County commissioner Albert Pena of San Antonio. Bellinger said Pena tells Mexican-Americans to vote only for candidates of their race and

Heavy Fighting Reported In Czech Capital District

Saigon Is Shelled

Viet Cong Hit With Rockets

By JACK WALSH
SAIGON (UPI)—The Viet Cong shelled Saigon today for the first time in two months and sent a 400-round barrage into Allied military bases, ships and villages around the capital. Bicycle-riding terrorists killed an American GI on a downtown street.

Over North Vietnam, U.S. pilots battered a new Communist oil line in 104 missions and chased two Communist MIG interceptors back into their northern sanctuary under President Johnson's partial bombing halt, U.S. spokesmen announced.

Saigon. There, airmen said 50 rocket rounds ignited an ammunition dump and the base was temporarily closed. Damage and casualties were reported light.

The casualty toll for the attacks outside Saigon included eight U.S. servicemen killed and 30 wounded.

Northwest of Saigon a d about 12 miles east of Tay Ninh city where Communist troops launched an offensive last weekend, American infantrymen continued a search and destroy operation. They reported killing 182 Red soldiers in a four-hour battle Wednesday.

U.S. spokesmen said two Americans were killed and 23 wounded.

The missile that struck the apartment building killed Tatsuo Sakai, a newsman for the Tokyo Economic Daily Nihon Keizai Shimbun. He had moved into the apartment only Wednesday night.

Russians Are Citing 'Dangerous Actions'

By JAMES O. JACKSON
PRAGUE (UPI)—Underground Czechoslovak "freedom radio" reported heavy fighting raging today against Soviet occupation troops in major cities. The Soviets said "dangerous actions" were being committed against their invasion forces.

The clandestine radio reported at least 10 persons killed and scores wounded today. Czech news reports said at least seven persons died and more than 200 were wounded in clashes Wednesday.

Radio Free Prague said gunfire from Soviet bloc invasion forces set many buildings ablaze and wounded many civilians in the capital's Karlav district today.

Radio Bratislava reported four persons were killed in the Slovak capital during the day. Radio Kosice said "there are six dead and 38 injured in the city, two of them Soviet soldiers."

Radio Budejovice, another of the hide-and-seek stations broadcasting in defiance of the two-day-old invasion, said the Bohemian beer capital of Pilsen was the scene of combat, with Soviet tanks blasting buildings.

Security Council Pushed To Seek Red Withdrawal

UNITED NATIONS (UPI)—The United States pushed the U.N. Security Council to demand today the immediate withdrawal of Soviet and Eastern bloc forces from Czechoslovakia.

It was apparent to Western nations backing the demand that Russian Ambassador Jacob A. Malik would impose the Soviet Union's 10th Security Council veto and kill the proposal.

"The council was scheduled to resume debate on the Czechoslovakian crisis at 10:30 a.m., EDT.

"We who sit on this council have a responsibility to act quickly," said U.S. Ambassador George W. Ball in 4 hours and 39 minutes of emergency session debate Wednesday.

"The invasion of Czechoslovakia casts a shadow across the world," he said. "It says to every small nation which has a big Communist neighbor: 'When might alone makes right, you, too, may be in danger.'"

Western diplomats huddled past midnight drawing up a resolution demanding the withdrawal for presentation today.

Malik argued the Czechoslovakian matter did not belong before the United Nations since, he said, Czechoslovak government and Communist leaders had asked for the invasion to help put down a threat to socialism from within and without.

Group To Appeal For Funds From State Agency

A delegation from Pampa will leave tomorrow morning for Austin where they will make an appeal for funds from the Texas Aeronautical Commission.

The funds would be used for construction and improvements at Perry LeFors Airfield. Gene Barber, project engineer for the airport projects, said the grant, if made, might run as high as \$27,500. The money would be in addition to \$250,000 approved in a bond referendum last November and about \$172,000 in matching funds granted by the Federal Aviation Administration.

Barber has said that the state Aeronautical Commission had indicated to him that they felt that the money ought to go to smaller airports rather than a Gray County.

But, as he told the Gray County commissioners court yesterday at a specially called meeting, "We have until Sept. 1 to re-confirm our request and I believe it might help to go down and explain our needs."

The delegation from Pampa will include Barber, County Judge S. R. Lanning Jr., George Cree Jr., Ralph Prock, and possibly E. O. Wedgeworth, Chamber of Commerce manager, and H. V. Wilks. Cree, Prock and Wilks are all members of the Gray County Airport Board.

Police 'Invade' Prison; Rescue Hostage Guards

By ROBERT MACVICAR
COLUMBUS, Ohio (UPI)—For 28 hours the warden from the new school of penologists pleaded with the convicts to give up their hostages and return to their cells. Before the 29th hour ticked off the clock they received the ransom paid by the old-school, brute force.

The nine hostages were rescued unharmed. Five convicts were shot dead and the rebels' demands for reform vanished with the detonation of 90 pounds of plastic explosives.

Police assaulted the Ohio State Penitentiary Wednesday to free the nine guards held hostage by 350 prisoners for a day and a half. National Guard troops with automatic weapons backed up the attack.

Explosives blew holes in the wall and roof of a cell block and the police stormed in, shotguns and machine guns blazing.

Five convicts fell dead in their tracks. Eleven others were wounded. Another was critically hurt by his fellow inmates, his throat slashed by a knife.

Guard Hurt

The only casualty among the hostages was Lt. Sam George, who suffered a cut over his right eye.

The rebellion began at 10

Police 'Invade' Prison; Rescue Hostage Guards

Police chased the three terrorists and opened fire on them. They said one was wounded but all escaped. A Vietnamese soldier was wounded by the same bullet that killed the American, spokesmen said.

The Saigon shelling, the first since June 21, posed new problems at Paris for U.S. Ambassador W. Averell Harriman. He bitterly denounced the barrage into the capital in May and June as evidence the Communists were unwilling to de-escalate the war.

It was the heaviest shelling of Saigon itself since June 10 when 26 of the six-foot-long rockets killed 19 and wounded 16. Five of today's rockets landed in the downtown section. One killed a Japanese news correspondent.

Meantime, the U.S. command said 159 Americans were killed in Vietnam combat last week, the second lowest death toll of the year. Another 1,814 were wounded.

Communist losses for the week were 1,393 killed, the report said, while South Vietnamese forces had 258 killed and 738 wounded.

Among the installations hit was the largest military air base in South Vietnam at Bien Hoa, 20 miles northwest of

CHICAGO (UPI)—Police began clamping on the International Amphitheatre today what eventually will be the tightest security restrictions ever imposed at an American political convention.

WASHINGTON (UPI)—President Johnson's meeting today with top military and diplomatic advisers is designed to sharpen the focus of free world strategy to intensify international condemnation of Russia's military intervention in Czechoslovakia.

CHICAGO (UPI)—Vice President Hubert H. Humphrey's campaign team viewed the party platform today as his chief trouble spot in his effort to unify the Democrats for the 1968 presidential campaign. A major aggravation was the Soviet invasion of Czechoslovakia.

Russian Invasion Is Bitterly Denounced

By United Press International
Governments and private citizens alike bitterly denounced the Soviet bloc invasion of Czechoslovakia today and the protests erupted into violent demonstrations throughout the world.

Thousands of demonstrators tried to attack the Soviet Embassy in London and forced the shutdown of a Soviet exhibition. Brazilian students in Rio de Janeiro burned a Soviet flag and Buenos Aires police had to use tear gas to force 500 students away from the Soviet Embassy.

Pope Paul VI expressed his "sharp bitterness and great anxiety" over the Soviet inter-

vention. He called it a "savagely wound" to world peace.

Some of the strongest protests were in London.

More than 2,000 demonstrators chanting "Russians, go home!" were hurled back by police at the Soviet Embassy but they stoned the Bulgarian Embassy and smashed windows of embassies of other Soviet bloc hardline nations. More than a dozen persons were arrested.

Burns Flags

Demonstrators burned Communist flags and hurled carrots and tomatoes at Soviet products at a London trade exhibition.

Choruses of boos greeted the arrival of the Russian state

orchestra at London's Royal Albert Hall. The audience chanted "Freedom for Czechoslovakia."

In Bonn, 2,500 demonstrators smashed windows and hurled paint on the Soviet Embassy and in Rome students threw eggs at the Soviet Embassy.

Paris police arrested 60 protesters among hundreds who tried to assault the Russian diplomatic compound there.

Among the most vigorous condemnations were those of Western Communists.

The Italian Communist party, the largest outside the Soviet Union and China, called the invasion "unjustified" and pub-

licly proclaimed its support for Czechoslovakia.

French Surprised

French Communists, normally pro-Moscow, expressed "surprise and reprobation."

Demonstrators appeared at Soviet diplomatic compounds even in Iceland and on the island of Cyprus.

In Vienna, police said a 25-year-old unidentified man threw two molotov cocktails at the Soviet Embassy and hundreds of persons marched through the center of the city carrying placards that said, "Soviet murderers" and "Freedom for Prague."

"The Soviet leaders are wrong if they believe world

Group To Appeal For Funds From State Agency

Challenged to name the leaders, the Russian refused.

Ball ridiculed the claim that the Czechs had requested intervention. Jan Muzik, acting chief of the Czechoslovak delegation read a statement from his nation's president, Ludwik Sovoboda, denying the request.

"This (invasion) was planned in secret at a time when the public air was filled with smiles," Ball said. "It is a gross act of perfidy that should be universally condemned by world opinion."

Although Western diplomats insisted they had no plan if the Russians veto the proposal, the next obvious move would be to send the Czechoslovak crisis to an emergency session of the General Assembly.

Third Time For Russian Force

VIENNA (UPI)—The Soviet invasion of Czechoslovakia was Russia's third use of force since World War II to keep its East European satellites in line. In June, 1953, the Red army sent tanks into East Berlin to crush a workers' revolt that threatened Communist control over East Germany. In November, 1956, Russian armored units smashed the Hungarian freedom revolt.

Yugoslavians Call Red Party Meeting

BELGRADE (UPI)—President Tito of Yugoslavia, who went his independent Communist way in 1948 and made it stick, called an urgent session of Communist party leaders last night to discuss the invasion of Czechoslovakia. The 25-member party presidium was told to assemble at Brioni, Tito's island retreat in the Adriatic.

Q. Periodically I go to the doctor for the removal of corns and callouses from my feet. Is this covered under Medicare if it is done by a medical doctor?
A. No, routine foot care is not covered whether the service is performed by a podiatrist, osteopath, or an M. D.

A. Claims for podiatrists' services are submitted to the same place and in the same manner as claims for other physicians services. See your Medicare handbook for the correct address.

Wall Street Chatter

NEW YORK (UPI)—Hayden Stone Inc. calls the limited reduction in discount rates by two Federal Reserve banks constructive, particularly for the money-oriented sectors of the market.
 Watson & Co. finds the stock market "quite a bit happier" since the discount rates were pared. Noting that the Federal Reserve continues to increase the total credit supply at a fairly strong pace, the firm observes this record supply of "money" is also very important to the stock market because "it acts something like yeast under stock prices."
 Abraham & Co. believes the Federal Reserve "will be quick to ease money" if a recessionary pattern occurs. It also says chances are the income surtax would be removed next June if recessionary signs persist.

Calorie Watchers Delight In a Shrimp Salad Recipe

By GAYNOR MADDOX
NEA Food Editor
Last year we caught and imported more shrimp than ever before. And we ate about 1.5 pounds each.
Besides being large shrimp eaters, most Americans try to watch their weight. That is where this weight-watchers' shrimp salad comes in. The 4½-ounce can of shrimp used contains about 150 calories.

diagonally cut celery and green onions
2 cups crisp, shredded lettuce
Soy sauce . . .

Rinse shrimp thoroughly in cold water. Drain the beans, reserving liquid. Combine shrimp and beans in a shallow bowl; toss with vinegar, stirring occasionally. Add garlic and bouillon cubes to bean liquid and water.
Heat, stirring until cubes dissolve. Add the rice to cook rapidly, uncovered, for 4-5 minutes. Turn heat to lowest point and cover securely; cook 15 minutes longer without stirring. Turn rice into a chilled bowl and toss with two forks until it cools. Drain shrimp and beans and combine them with celery, onions, lettuce and rice. Toss lightly to mix and serve at once sprinkled with soy sauce. (Makes three servings.)

WEIGHT WATCHERS' SHRIMP SALAD

- 1 can (4½-ounce) shrimp, chilled in the can and thoroughly rinsed
- 1 can (1 lb.) cut green beans
- ¼ cup vinegar or lemon juice
- 1 tablespoon salad oil
- Bean liquid plus water to make 1 1/3 cups
- 1 garlic clove, cut fine
- 2 chicken bouillon cubes
- 2-3 cup raw rice
- ½ cup each thinly sliced

Stuffed Cornish Game Hens Are First Culinary Accomplishment

It's your first anniversary . . . the first month, that is . . . and you want to mark the occasion with a special dinner to demonstrate your culinary skill. Something very elegant, like stuffed Rock Cornish hens, with a creamy rich mushroom-chicken sauce. Sound too difficult? Don't have time?

Once, perhaps, these were good reasons for not attempting such a time-consuming classic. Now, thanks to the use of convenience foods as cooking ingredients, many dishes requiring special know-how and hours of preparation time have become easy-dos.
Prepare stuffing for the hens by combining cubed seasoned stuffing mix with Mandarin orange slices, walnuts, and celery. While the birds roast, create a delicious, velvety gravy with canned condensed cream of chicken soup as a starter. This good soup, expertly seasoned and double rich, insures a perfect, smooth gravy with no long stirring, fuss, or worry over lumpy results. Sliced mushrooms, light cream, small amounts of crushed rosemary and Chablis give the gravy a truly elegant flavor.

CORNISH GAME HENS WITH ORANGE-HERB STUFFING

- 2 cups cubed seasoned stuffing, prepared
- ½ cup finely chopped celery
- ½ cup Mandarin oranges
- ½ cup chopped walnuts
- 2 Rock Cornish hens (about 1½ pounds each)
- Melted butter or margarine
- 1½ cups sliced fresh mushrooms
- 2 tablespoons butter or margarine
- ¼ teaspoon rosemary, crushed
- 1 can (10½ ounces) condensed cream of chicken soup
- ½ cup light cream
- 2 tablespoons Chablis or other dry white wine

Combine stuffing, celery, oranges, and walnuts. Stuff hens; fasten with toothpicks or skewers. Place in shallow roasting pan; breast side up. Roast at 400°F. for 1 hour 15 minutes or until done. Baste with melted butter. Meanwhile, in saucepan, brown mushrooms in butter with rosemary. Add soup, cream, and wine. Heat; stir now and then. Serve with hens and stuffing. Makes 2 servings.

Boned Chicken and Ham Team-Up in Versatile Sandwich

You'll about, "Hot Chicken!" when you try this quick sandwich treat, for it answers innumerable menu problems. This perky petite sandwich feels at home for lunch with the girls, as an after golf snack for hubby, as teen party treats, and at Sunday suppers. Just anytime you need a menu in a hurry turn to petite sandwiches . . . compact, but satisfying when piled high with chicken and ham filling.

Many of the ingredients are kept on hand. The freezer yields brown and serve club rolls. Boiled ham and canned boned chicken with broth are national sandwich favorites. The latter makes slick work of chicken salad and hot chicken dishes, too. And once you taste this delectable compact sandwich, the other ingredients will become standard kitchen items.
For the boned chicken gets a tender coating of sour cream, onion and Worcestershire before

Food Buying Guide

WASHINGTON (UPI) — The following guide to the nation's food buys for the weekend was prepared by U.S. Departments of Agriculture and Interior for United Press International.

USDA's consumer and marketing service reports that poultry and meat, several fresh vegetables, and some fresh fruits are in good supply in food stores and supermarkets for weekend shoppers.

Broiler-fryer chickens and turkeys are the most abundant meats. Beef roasts and steaks and ground beef are almost abundant and should be readily available in most areas. Bacon is the featured pork item along with Boston butts and the usual fresh cuts. Some areas may also feature sausage and smoked picnics. Fish fillets and halibut steaks are fish buys to watch for, according to the U.S. Department of the Interior.

In abundance at the produce potatoes, onions, carrots, celery, corn peppers and tomatoes. In some areas, cucumbers and lettuce will also be abundant. Fruits that will be readily available are watermelon, cantaloupes, grapes, and peaches. Bananas and plums should be in good supply in some areas.

(FOR FRIDAY, AUG. 23)

GENERAL TENDENCIES: An excellent day and evening for a beautiful start to anything that has to do either with the type of work that you are doing or that you would like to start in or where your own health and welfare are concerned. You need a new type of treatment or interests. Get your wardrobe improved now as well.

ARIES (Mar. 21 to Apr. 19) — Be very active today, since there is every opportunity to get everything you have to do done far more efficiently. You have wonderful ideas that you make you more productive. Why do you spend so much time trying to make people over? It is a goal.

Taurus (Apr. 20 to May 20) — Stop moving around and visit with good friends and have fun during spare hours. You'd like to show others you like them, else how can they know? This can lead to fine things, too, especially where the romance is concerned.

GEMINI (May 21 to June 21) — Why don't you start getting your house in better order? You will feel much better, more comfortable if you do. Give your break. Let them in on your plans for advancement, too. Do things right.

MOON CHILDREN (June 22 to July 21) — Start visiting early so that you get the right people allied with you in your present line plans. Some distant phone calls can bring you the backing you want, also. Use the right words.

LEO (July 22 to Aug. 23) — Study your property well today and know where and if you have to make improvements, and then get in touch with experts. Put that new budget into effect now. Stop talking so many changes on big investments.

VIRGO (Aug. 24 to Sept. 22) — While you can do whatever you like now, don't neglect to get that interesting plan working that will give you every chance of success. You may have to go to a little trouble to be with charming people tonight, but will be worth it. Do so.

LIBRAS (Sept. 23 to Oct. 23) — You can now get the information you want from that person who usually says very little. Contact him early. Someone comes to you for a valuable idea. Be sure that you assist this person. Do not be selfish.

SCORPIO (Oct. 24 to Nov. 22) — Being with individuals who are very precise is your best bet today so that you deepen friendships and get the ideas you desire. Out with groups tonight who are very helpful. Why do things in a small way?

Dear Abby

By Abigail Van Buren

DEAR ABBY: Please notice that this letter is from ELIZABETH, NEW JERSEY. There is a man I go with and like very much, but he is a nut about one thing. He wears Texas-type cowboy boots all the time! He wears regular clothes like any other well-dressed man in Elizabeth, but he will not wear anything else but these western style boots. I once asked him if he's from Texas, but he said no. He had once visited in Fort Worth and had become accustomed to cowboy boots — and found them to be so comfortable that he now won't wear anything else.

DEAR ABBY: I need some advice, and quick! My husband is leaving for Viet Nam in 3 weeks. He wants me to live with his parents while he's gone. I want to go home and live with my own parents. We've been married for 14 months and have a small baby.

So far, all we've done is argue about this. I'm sure I'm not the only young wife with this problem. What do other wives do?

HIS OR MINE

DEAR HIS: I don't know what it's like at his home, how you feel about his family, etc. But a woman who is old enough to be a wife and mother should be mature enough to make her own decision. I say, in your husband's absence go where you feel more at home.

INTERESTED IN HIM DEAR INTERESTED: Let him wear what he wants, and do not criticize him. And if you are truly "interested in him," keep him foot happy. No man ever proposed to a woman when his feet hurt.

DEAR ABBY: Our son recently was divorced and married again. His second wife (also divorced) worked for him and there was a lot of talk about these two. Many said it was she who broke up his home.

We tried to be friendly and invited them to our home for supper many times. They came along once, and after that they were always "busy." Our son drops in to see us often, without her. We have never been invited to their home.

One Sunday, when our son was here, his wife phoned for him and answered. She said, "I hope you don't feel hurt that I don't see more of you, but I would rather associate with other people. I don't want to get too attached to you for the simple reason that when you pass away I won't miss you so much."

Needless to say, I was dumbfounded. What do you make of this? We're not going to force ourselves on her. But isn't there something wrong with her thinking? What would you do in our place?

HURT

DEAR HURT: I would steer clear of her. And tell your son to save his money. He may need it

From the New York couture collections, these suits set the trend for the 1968 season. Left to right, sumptuous pink makes a tailored suit go feminine. The hip-riding cardigan jacket slips over a roll collar overblouse, teamed with a slithery skirt. Silk linen ensemble in brown flashed with white has jacket with swinging pleated skirt and matching jacket buttoned and belted in white. White and putty two-piece checked suit with white crepe shell blouse would go well to any afternoon tea. The crisp gold and green plaid suit in Scotch wool has deep front pleat in skirt and cutaway double-breasted jacket for cool evenings.

Designers Broadcast News on Suit Silhouettes

By HELEN HENNESSY NEA Women's Editor NEW YORK — NEA — For the first time in many seasons the fashion message from the New York couture collections did not concern the hemline. While women worried about "Will I have to shorten or lengthen this time around?" designers left the hemline alone. The waist is where the news is. For it's back where nature intended it to be. The silhouette is one of fit and flare. Narrow tops and fitted waists drop to pleated, gathered or flared skirts. Belts abound. They are on coats, dresses and suits, often fastened with huge buckles. Separates are the next biggest news after the comeback of the natural waist. And in this area the shirt is everywhere. There are shirts with Mao collars, Buster Brown collars, ruffles, epaulettes, ties and bows. And sleeves are long. Look for the return of the coat-and-skirt combination, topped with a co-ordinating shirt. Suits lead the separates brigade with shorter jackets and full skirts. And the vest is in, under jackets or simply topping a shirt and skirt to make a sleeveless suit. Fabrics are soft and feminine. There are silks, jersey, light wools, knit crepes and organdies. Color is less shocking than it was last season. Brights are toned down and brightened and whitened pastels are big on the color scene. White is a favorite either alone or banded in bright pastels. Navy and brown make strong fashion points, too. And the renaissance of black continues. The trend in daytime wear is toward the look of the '30s — even to the spectator look in shoes and hats. And small stiff bags give way to larger, punchy ones in pastels or pastel suedes.

Speaker Addresses Auxiliary Members In Veterans' Hall Mrs. Jess Hatcher, president, presided over the recent meeting of Ladies Auxiliary to Pampa Post No. 1657 Veterans of Foreign Wars in VFW Hall. Mrs. Hatcher introduced Mrs. Cecil Rhoades, district president of Amarillo and Mrs. L.J. Nirschl, member of the Amarillo auxiliary. Mrs. Rhoades spoke on programs of the organization of most importance, such as the Voice of Democracy scholarship, Americanism speech for any high school student who wishes to participate, hospital work at the Veterans Hospital in Amarillo and rehabilitation for veterans and their families. Mrs. Rhoades' special project is a cash award to the auxiliary in District Nine having the best Loyalty Program May 1, 1968. The day is a special day the VFW has proclaimed in America to off set the Communist parades of peace on the same date in America and in Russia. Mrs. Earl Eckroat was host for the social. Refreshments were served to one new member, Mrs. Helen Raymond, and Mmes. Eima Bailey, George Benham, J. W. Crisler, J. W. Dart, Earl Eckroat, Clyde Gray, Hatcher, Harry Hoyler, Roy L. Jones, H.G. Lawrence, May Muse, R. S. Morris, Georgia Mack, Lillian Snow, Tony Smith, Vernon Stuckey, A. L. Walling and Carl M. Wright.

Clothes Travel Wrinkle-Free Have you tried wrinkleproofing clothes in a suitcase by leaving them in their dry-cleaner's transparent-plastic bags? A family magazine says it works. Weight Loss After Childbirth No matter how much you have gained before childbirth, you can expect to lose about 15 pounds after your baby is born, advises a family magazine article. This represents the combined weight of the baby, the afterbirth, and the amniotic fluid. Therefore, if you want to weigh less than when you conceived, you must gain fewer than 15 lbs.

HONEY SIPPER Does your youngster turn his nose up when you serve him plain milk? Tempt him with this treat from a family magazine: Combine 3 cups milk with 1/4-cup honey in a small saucepan; heat slowly until warm; pour into a 4-cup measure. Combine 1/2-cup orange juice and 1/2-cup apricot nectar in a 1-cup measure; beat, one quarter at a time, into warm milk mixture until well-blended. Serve warm. Makes 4 servings, 1 cup each.

Be Careful With Lotions Experts of the National Institute of Drycleaning advise extra caution when using sun-tan lotions. Sun-tan lotion may help to tan the skin but it can permanently damage a lot of clothes. If you accidentally splash some lotion on the garment, have it dry-cleaned as soon as possible. Don't allow the stain to age.

TAKE HANGERS ON TRIP If you're planning a trip outside the United States, take along several collapsible plastic hangers. Most European hotels don't supply enough hangers for the traveling gal. Select Durable Fabrics Volles and organdies crush easily. This is why you will need more service from your dry cleaner to maintain the good appearance of your garment. Be sure to select a fabric with a durable finish. Then you will not be disappointed with its appearance after dry-cleaning.

Off The Top By WES DUMONT Pampa News Sports Editor

With the coming of the football season, can basketball be far away? Sterling Gibson, hired as head basketball coach on Aug. 1, Hilltoppers, he never got a chance to play against Adolph Rupp's Kentucky Wildcats...

Gibson, a 37-year-old ex-Texas Tech basketball player, considers his job not of rebuilding a new team but keeping the high traditions here for the Harvesters.

Gibson was recommended to coach Swede Lee by Gene Gibson, head basketball coach at Texas Tech, where Sterling Gibson (no relation to Gene) was freshman coach under Gene Gibson in 1957.

Unlike most of the coaches joining the Pampa High School staff recently, Gibson never met Swede Lee before applying for the position. He had an interview but they have never worked together or met informally at a coaching school.

Sterling played basketball at both Western Kentucky and Texas Tech. He considered himself a better defensive player than an offensive scorer. He was guard at Western Kentucky but switched to forward at Texas Tech when the team found itself short of height.

Like most basketball coaches, he looks like an ex-cage player. He is 6-2 tall and slender. Sterling served in the Korean conflict where he was personnel specialist as a sergeant in the Air Force.

He attended personnel school at Lowry Air Force Base in Denver, Colo., for a brief period and was three years stationed at Roswell, New Mexico, at Walker Air Force Base.

Like a number of Air Force men, he took his basic training at Lackland Air Force Base in San Antonio, Texas. Although Portales where he won state championships in 1965 and 1966 is smaller in population than Pampa (12,000), it had a larger gymnasium. It seated 2,600 while the Harvester gymnasium holds 2,500.

Sterling won't know until his players report exactly what type of offense he'll use. At Portales, his teams concentrated on the shuffle offense which Gibson describes as an offense in which each player plays all the positions and is a "patterned" offense.

POST TIME: Fred Caposella, veteran race-caller at Saratoga Race Track, sizes up the field prior to start of another meeting. "Cappie" has never missed a meeting at Saratoga Springs, N.Y., since he started calling races there 41 years ago.

Czech-Born Valo Reads Headlines

By MILTON RICHMAN, UPI Sports Writer NEW YORK (UPI)—Maybe you remember Elmer Valo. He put so much of his heart into the way he played the outfield during his 20 years with the A's, Phillies, Dodgers, Indians, Yanks, Senators and Twins that he set a record for running into the most walls. Him and Pete Reiser.

Maybe you also remember Elmer Valo was one of the relatively few foreign-born players in baseball. Chances are you never paid much attention to Czechoslovakia. Ribnik, Czechoslovakia, to be exact. Elmer Valo is 47 now and he scouts for the Phillies, the same club he finished his active career with seven years ago.

He was on a scouting assignment for the Phillies, looking over kids in the All-American Amateur Association tournament in Johnstown, Pa., Wednesday when he learned for the first time that the Russians had invaded his native land. "I got an awful sickening feeling in my stomach," said Elmer Valo, the majors' only Czech-born ballplayer during the past half century. "I got up around 7 a.m. and picked up a newspaper in the lobby of the motel I'm staying at. Generally, I only glance at the headlines and then go to the sports page. This time I stopped right there. The headline on the front page said: 'Russians, Polish and East German troops march into Czechoslovakia.'"

Elmer Valo took the newspaper into breakfast with him. He read every word pertaining to the Russian invasion. He didn't enjoy his breakfast much. "I came over here when I was still a youngster but I remember Czechoslovakia well, still have cousins there and I identify with people," said Valo, who understands and speaks the language. "I can imagine how my cousins and all the rest of the Czech people felt when this happened. Now the little bit of freedom they might have had is going to be smothered."

Elmer Valo signed. "I know the Czechoslovakian people," he said. "If they only had the tools to resist, they would. No matter what, they won't give up so easily. It's funny in a way when you stop to think about it. Here the Russians are telling us, the people in the United States, to get out of Vietnam, and now they're doing the same thing themselves in Czechoslovakia."

There were other baseball scouts in Johnstown for the four-day tournament and they all discussed the take-over by the Russians before going out to Engle Field to watch the kids play. Elmer Valo went out, too, when all the other did. At the ballpark he didn't sit still in any one place long but moved around the same way he played the outfield. First, he sat on the third base side, then alongside first base and later on behind the plate.

Enjoys Scouting "I enjoy scouting a lot," he said. "The way I feel about it is this: Someone helped me along helped take my mind off other things for a little while."

Some other young fellow get to the big leagues." Elmo Valo, at 208 pounds is about 18 over his playing weight, but as he says "give him a couple of weeks to get in shape and he probably could still go up there and get you at least a pinch hit or two. He went about his business scouting the kids for the Phillies in Johnstown Wednesday, although the world events of the day made a much deeper impression on him than most others.

"As an individual, there wasn't much I could do," he said, "so I concentrated all the more on my job. At least it helped take my mind off other things for a little while."

Enjoys Scouting "I enjoy scouting a lot," he said. "The way I feel about it is this: Someone helped me along helped take my mind off other things for a little while."

League Leaders Edge Chisox, 3-2

By United Press International Al Downing, the hard-throwing Yankee southpaw, slipped a quick knockout pill to the night as New York won 2-1. The game took only one hour and 58 minutes, allowing both teams and the crowd of 16,330 to get to bed early. In other American League games, the front-running Detroit Tigers nipped the Chicago White Sox 3-2 in 10 innings, the Cleveland Indians routed the Boston Red Sox 8-2 and the Baltimore Orioles edged the California

Angels 4-3 in 1-5 innings. The Chicago Cubs took one of the knuckleballers—the Braves, 5-4 and 13-5, San Francisco ripped the New York Mets 13-3, Pittsburgh mauled Cincinnati 19-1, St. Louis beat Philadelphia 8-3 and Houston tripped Los Angeles 6-1 in National League games.

Downing had a no-hitter going for 5 2-3 innings and allowed only two hits before Bob Allison touched him for a homer with one out in the ninth. Detroit pinch-hitter Jim Price, who used to be a teammate of Wilbur Wood at

San Angelo Tennis Player Defeated

CHESTNUT HILL, Mass. (UPI)—They called the wind the equalizer but it still blew out half the flickering U.S. hopes for winning its own national tennis championship for a change.

When the wind subsided, there was an impressive list of U.S. stars on the sidelines. They included Mary Ann Eisel, Kathy Harter and Kristy Pigeon among the women. They were joined by two seeded men's singles entries, Cliff Richey and Stan Smith, and the vaunted men's doubles team of Clark Graebner and Charlie Pasarell.

Chief victim in the men's singles was Cliff Richey of San Angelo, Tex., the fourth seed who fell to the unseeded veteran Bob Lutz of Los Angeles, 6-3, 6-4. Harter and Kristy Pigeon among the women. Pan American Five Plays Rough Teams

EDINBURG, Tex. (UPI)—Worrying about basketball in August is a bit like singing Christmas Carols in July—but that's how it is with Sam Williams.

They are Cal Oliver, a 6-foot-7-inch, 215-pounder, and Frank Lorthridge, who towers 6-foot-4 inches, and tips the scales at 235. Williams said he still hasn't figured out how to replace Moore in the pivot spot, and that he still desperately needs a playmaker to spark the Bronco attack.

But then, Williams has seen stars graduate before, and the season is very young. He still has three months in which to do his worrying.

Williams said he still hasn't figured out how to replace Moore in the pivot spot, and that he still desperately needs a playmaker to spark the Bronco attack.
