To Whom It May Concern DEAR FELLOWS: This note is directed to you who went out to the Davis ranch with your truck last week and had the audacity to steal the man's windmill pump...

To The Headline Writer MY FRIEND: I saw in the Pampa Daily News the other day, this headline: "Two Girls Neck For Horse Show Ribbons"...

To Veterans' Groups DEAR BOYS: I suspect you've been congratulated all over the place by this time for the splendid Armistice Day program you sponsored in Pampa...

To Senator Clint Small DEAR SENATOR: They tell me you have offered to do what you can for Gray county and Pampa if the home boys will only come down to Austin and tell you what they want...

To Pampa Citizens DEAR FOLK: It appears that you have been letting down a pretty worthy organization just a little bit, don't you think?

To Miss Mirophonie SWEET LADY: I enjoyed making your acquaintance when you came up from Texas Tech Friday to be the guest of my citizens. Not only that, but I had occasion to go to the theater and listen in on the new movie sound system which you personified while in Pampa...

To Pampa Residents DEAR FOLK: I reckon you all have read by now that the Junior Chamber of Commerce is offering some pretty slick cash prizes for the best decorated homes during the Christmas season in Pampa...

FDR'S SON TO WED DAUGHTER OF A DU PONT

FAMILY MOST BITTER POLITICAL FOE OF PRESIDENT

WASHINGTON, Nov. 14. (AP)—A post-election announcement that marriage would unite two families decidedly at odds in pre-election activities—the Roosevelts and the Du Ponts—created a flurry of excitement tonight in social Washington.

It could not be said that the word from Wilmington that Miss Ethel Du Pont, daughter of Mr. and Mrs. Eugene Du Pont and Franklin D. Roosevelt, Jr. son of the president, was engaged, came as a complete surprise.

The Du Pont-Roosevelt political feud, growing with the development of the New Deal program, reached its climax in the recent presidential campaign.

Previously they had furnished the principal financial support for the American Liberty League, an organization which for two years has been spearheading at New Deal methods and measures.

The League last winter gave a dinner which was to become famous in current political history.

Franklin D. Jr., fourth child of the President and Mrs. Roosevelt was 22 last August 17. He and his younger brother John, are the only ones of the five Roosevelt children who are not married.

Anna, eldest daughter of the Roosevelt children, was married in 1926 to Curtis B. Dall, a New York stock broker, at the Roosevelt home in Hyde Park, N. Y., in June, 1926.

Pampa's building permits for the year to date, passed \$400,000 last week and crept toward the half million mark.

Two Gray county farmers, residing near Pampa, are modernizing their homes, according to Mr. McKinley, who was asked to inspect the buildings.

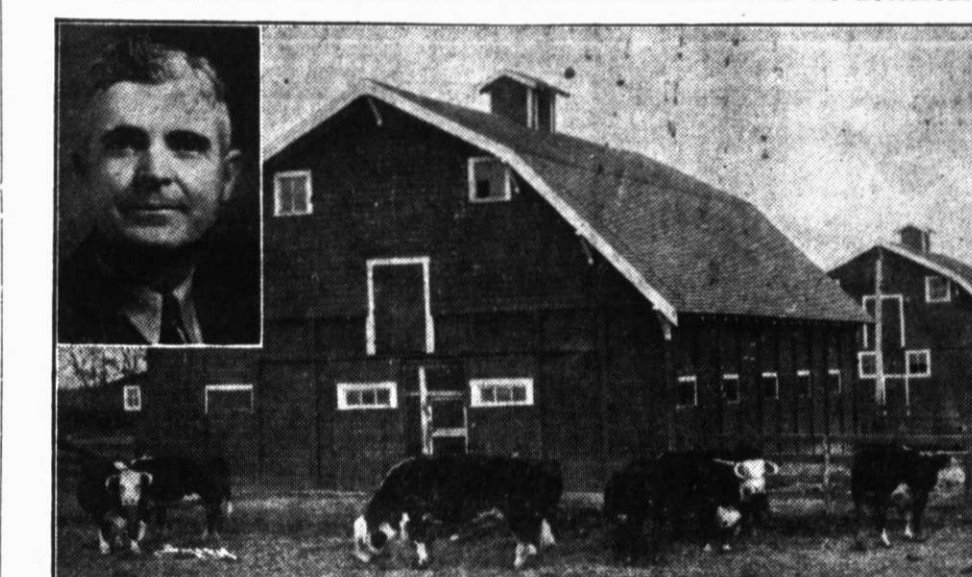

ONLY ONE DRUNK DALLAS, Nov. 14. (AP)—Efforts to prevent drinking at the Southern Methodist University-University of Arkansas football game today at O'Connell stadium were counted successful by University Park police officials when only one person was lodged in jail for being drunk.

Red Cross Drive Is Half Finished

\$1,000 Collected as Workers Continue Efforts

Pampa's Red Cross roll call drive has reached the half way mark on the road to the \$2,000 goal. Allen Hodges, general chairman of the drive, reported late last night.

Turkey Raisers Still Refuse To Sell Their Birds

Only 15,000 of About 250,000 Birds Are Sold

GONZALES, Nov. 14. (AP)—Hard-pressed small raisers of turkeys drove flocks to market today but large producers stood firm in their refusal to sell, chafed by reported pending federal investigation of a "uniform market," and a spread of their strike.

The men, corn destroyed by floods, cashed their turkey crop at the prevalent 12-cent a pound price.

Indications were that the move was growing lethargic here because of a lack of leadership to push the project.

Cooperation of sheriffs, county commissioners and other officials in the 26 counties will be needed to put the project into effect, it was stated.

Mr. and Mrs. R. G. Allen received only minor cuts and bruises when their car and another machine side-swiped about 25 miles south of Wichita Falls Friday night.

OSBORNE SALE WILL BE HELD NEXT TUESDAY

AT LEAST 500 FROM DOZEN STATES EXPECTED

More than 500 buyers and Hereford breeders from at least a dozen states will flock to the J. P. Osborne ranch, 17 miles northeast of Pampa, Tuesday when 42 fine animals bred during the Prince Domino strain, will be offered for auction and will be sold separately to the highest bidder "without reserve."

The sale of such animals as the get of Jr. Prince Domino, Jr. Prince Domino 4th, Jr. Prince Domino B and dozens of other pedigreed animals has breeders all over the United States agog.

The most famous cattle auctioneers in North America, Fred Reppert, Earl Gartin, F. W. Farley and O. R. Peterson of Kansas City have been engaged.

The new store is at the northeast corner of Somerville and Kingsmill. It is owned by Odelle and Willard Harris, Amarillo, who have operated food stores in the Panhandle for the last 30 years.

The Harris brothers have three stores in Amarillo, one in Borger and the new store in Pampa. The building and stock here represent an investment of \$35,000.

Borger Club to Give 'Merchant Of Venice'

BORGER, Nov. 14.—Black Mask players in the high school here will attempt the Elizabethan manner when they present Shakespeare's comedy, "Merchant of Venice," in the school auditorium Monday and Tuesday.

The stage will be arranged in a replica of the Globe theatre in London, where Shakespeare was originally played.

B. Roger Cockrell, school music director, has written music for the songs which Edith Kraal will sing.

DILLARD NAMED COUNTY MEET'S CHIEF DIRECTOR

Teachers in Gray county schools outside Pampa at a meeting in the county courtroom Saturday elected J. W. M. Dillard, superintendent of Alnareed schools, director of general county school affairs.

The following school men and women were named to take charge of the various contests which will be conducted in connection with the county meet:

Declamation, Miss Wilma Jarrell, Hopkins No. 2; Leroy Little Alnareed; extemporaneous speaking, D. V. Biggers, LeFors; spelling, Sam Branch, McLean; reader writers, Mrs. Frank Monroe, Hopkins No. 2.

Rural schools, W. B. Weathered; athletics, Coach C. Y. Palmer, Alnareed; music, memory, Mrs. Roy Corse, Laketon; picture memory, Miss Irene Beckett, Hopkins No. 2; arithmetic, Robert Crown, Hopkins No. 1.

Typing and shorthand, John Harding, McLean; choral singing, Miss Madec Thompson, Hopkins No. 2; story telling, Mrs. Hannah Lee Chambers, Webb; three-boys, Rex Reeves, Grandview; journalism, R. E. Page, LeFors.

Two new contests will be added to the competition this year. These will include rhythm bands for ward and rural schools, and story telling for first grade pupils in ward and rural school divisions.

In the band contests ward divisions will include grades one and two with a limit of 25 in a band, and rural division will include grades from one to four with a limit of 15 in a band.

Upwards of 500 school children are expected to participate in the various inter-scholastic league contests and all schools in the county (See NO. 2, Page 2)

STRIKE LEADERS WARN SHIPPING TIEUP LOOMS

SAN FRANCISCO, Nov. 14. (AP)—Maritime workers threatened today to send western longshoremen on "swing through gulf and Atlantic ports and complete a dock tieup, unless shipowners talked peace soon.

At the same time a committee of the San Francisco Industrial association warned business men to organize for "our common defense" against the "inland march" of the longshoremen's union.

Two west coast strikes not directly connected with the maritime walkout were settled but others appeared to complicate the general labor situation.

Striking "rank-and-file" seamen used an airplane and a motor boat to picket the U. S. liner Washington, which became the key ship in the New York walkout.

The industrial association committee said more than 15,000 men were striking against San Francisco industry and more than 60 plants were closed and "surrounded by mobs of pickets" whose numbers were "growing daily."

Your turn may be next in the march inland as business destruction now being carried on by Local 38-44 (San Francisco) of the International Longshoremen's association, said the committee statement.

Regardless of your present relations with your employer, or their loyalty to you, your business may be stopped in its tracks any day, any hour.

MANY MAIMED BODIES LITTER MADRID PLAZA

GIGANTIC PROJECTILES ARE DROPPED ON MADRID

By H. E. KNOBLAUGH MADRID, Nov. 14. (AP)—Fascist aviators killed 53 persons and wounded at least 50 today in sudden bombardment of a crowded capital plaza where workers had gathered to discuss the defense of Madrid.

Today's raid was one of the most disastrous to the capital and damage was extensive. Dead and wounded lay about the streets. Panic swept through a supposedly bomb-proof subway.

In an angry demand for reprisal, military Governor Jose Miaja exhorted his troops to "wipe out 50,000 of the enemy. Smash through them. Wipe them out."

The mass meeting of workers had been called for 8 a. m. at the Glorieta Atocha plaza. Organizers cancelled the meeting at the last minute but hundreds gathered in the huge plaza on the south side of the capital unaware of the change in plans.

Suddenly a roar of motors sounded above. Three tri-motor bombers lying low swept over the square.

Before the crowds could scatter, five bombs exploded in rapid succession, killing by their blast 50,000 of the enemy. Smash through them. Wipe them out."

SPORT SLANTS

By ALAN GOULD

Since last summer they have been saying that if Minnesota was to be beaten this fall Northwestern would turn the trick. The "experts" certainly had the right slant this time. For, even though the Gophers did outrush the Wildcats of Northwestern, and even though several important breaks did go against Minnesota, it must be admitted that Northwestern's gridgers had the equipment to take advantage of breaks made by lapses of their opponents. The final score was 6-0. That's what they pay off on—not on first downs or on yards gained by rushing.

The pre-season ratings of the Wildcats were a distinct tribute to the ability of Lynn Wardorf, the Methodist bishop's son who is in his second year as coach at Northwestern. And deservedly so, for Wardorf is one of the smartest of the younger football coaches. Given the material, he can be counted upon to hold his own in any company.

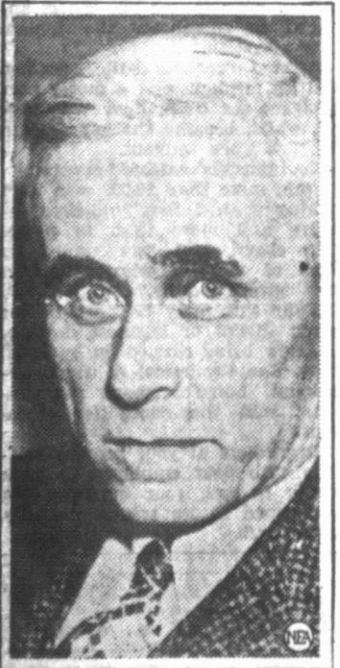

Wardorf played his football under Chick Meehan at Syracuse. All of his coaching experience has been in the Midwest. He made a notable record at Kansas State before taking over his present post at Northwestern. He is noted for his thoroughness and attention to detail. He knows his business. What's more he is gifted with imagination—something too many coaches lack. He has his own ideas—particularly in the matter of defensive formations. His teams are equipped with almost as many formations for defense as for offense.

The Wildcats are now favored to take the Big Ten title, having knocked off the two leading pre-season contenders, Ohio State and Minnesota, which shared the title last season.

For Our Money Much of Northwestern's success this season can be traced to the great all-around play of Don Heap. The Wildcat halfback is a great "money player." His 27-yard run set the stage for the score that spelled final to Minnesota's winning streak. His 15-yard scoring dash broke the 7-7 tie against Notre Dame last year and gave Northwestern its first victory over the Irish in 34 years. He caught a pass and ran for a touchdown late in the fourth quarter against Ohio State earlier this fall. It was the Wildcats' margin of victory over the Iads from Columbus. Heap has repeatedly come through in the pinch for the Purple and, on many occasions this autumn, the difference between victory and defeat was this blond halfback who is earning his way through college by clerking in the campus bookstore.

Heap was born and raised in Eyanston. He grew up in the shadow of Dyche stadium, scene of his present triumphs. Northwestern football greats of the past were his

Follows Landon as Governor

A Democrat will succeed Alfred M. Landon as governor of Kansas when Walter A. Huxman, above, takes office in Topeka Jan. 1, 1937. He defeated Will G. West, Republican, in a close race. Landon's successor is a Hutchinson attorney with large wheat farming interests. A native of Kansas, he is the fifth Democrat to be elected governor since the state entered the Union 75 years ago.

heroes. He was too light to play on the varsity while in high school, so his experience was confined to three years of playing on the lightweight team. Even today you wouldn't call him a big football player—he weighs only 170 pounds, although he hits as hard as any 200-pounder.

Education Before Football Don was out of high school three years before he decided to go to college. It wasn't entirely his ability to play football that prompted him to seek higher education. He likes to play football well enough, but he is not letting his gridiron activities conflict with his aim to get an education. He led the entire football squad last year with an A-plus average. He is one of the leading students in the school of commerce.

Heap's job in the campus bookstore is not one of those soft berths usually offered football players of ability. He really works, and, next to studies and football, the job is his main interest. He has held the job for five years.

Whitney (Rubberlegs) Jaeger, Colgate's gifted back, finally broke loose and did some of the things that the Red Raiders' rooters have been predicting all along he would do. "Rubberlegs" picked the Army game as the spot to cut loose. The result was that the Cadets wound up on the short end of the score. Jaeger is one of the shiftest broken field runners in college ranks. Shake him through the line of scrimmage and he can go places.

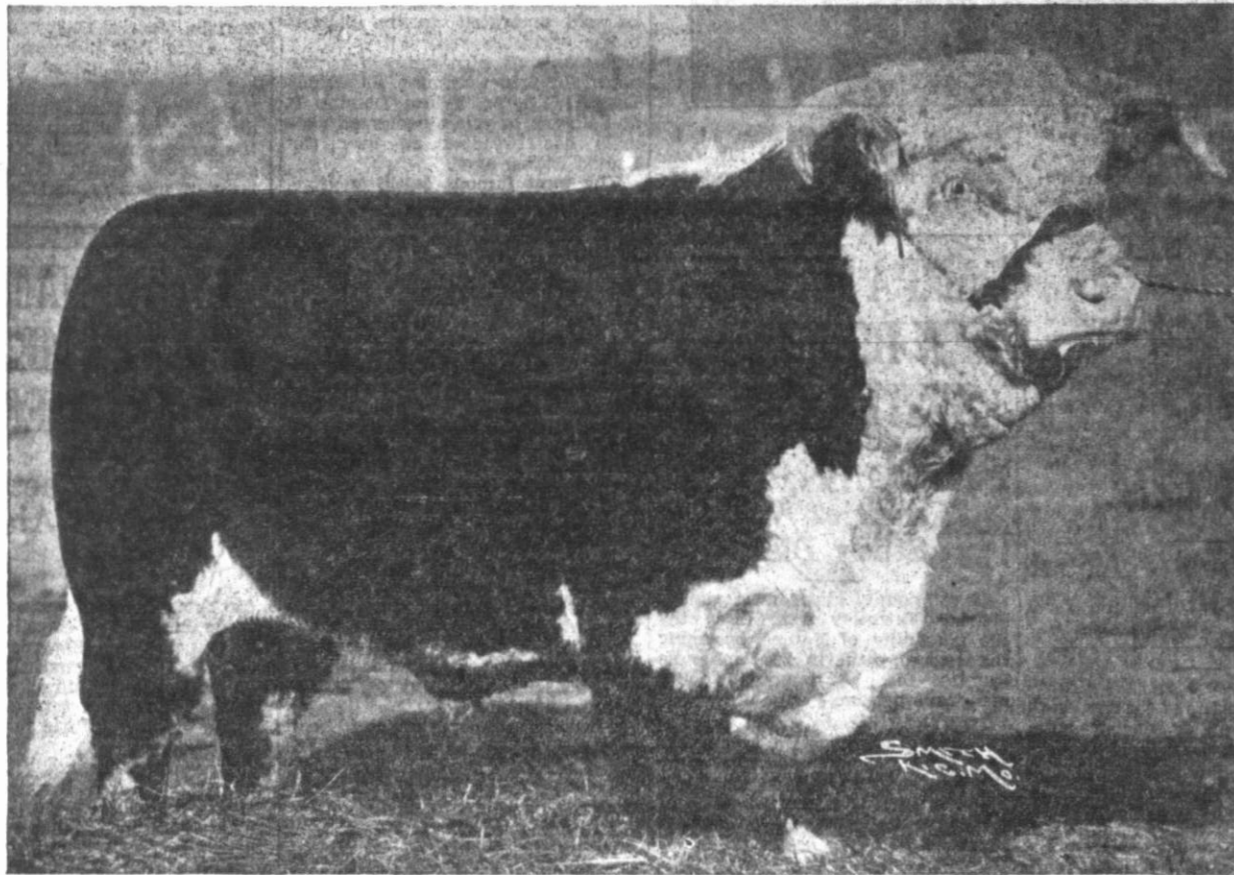

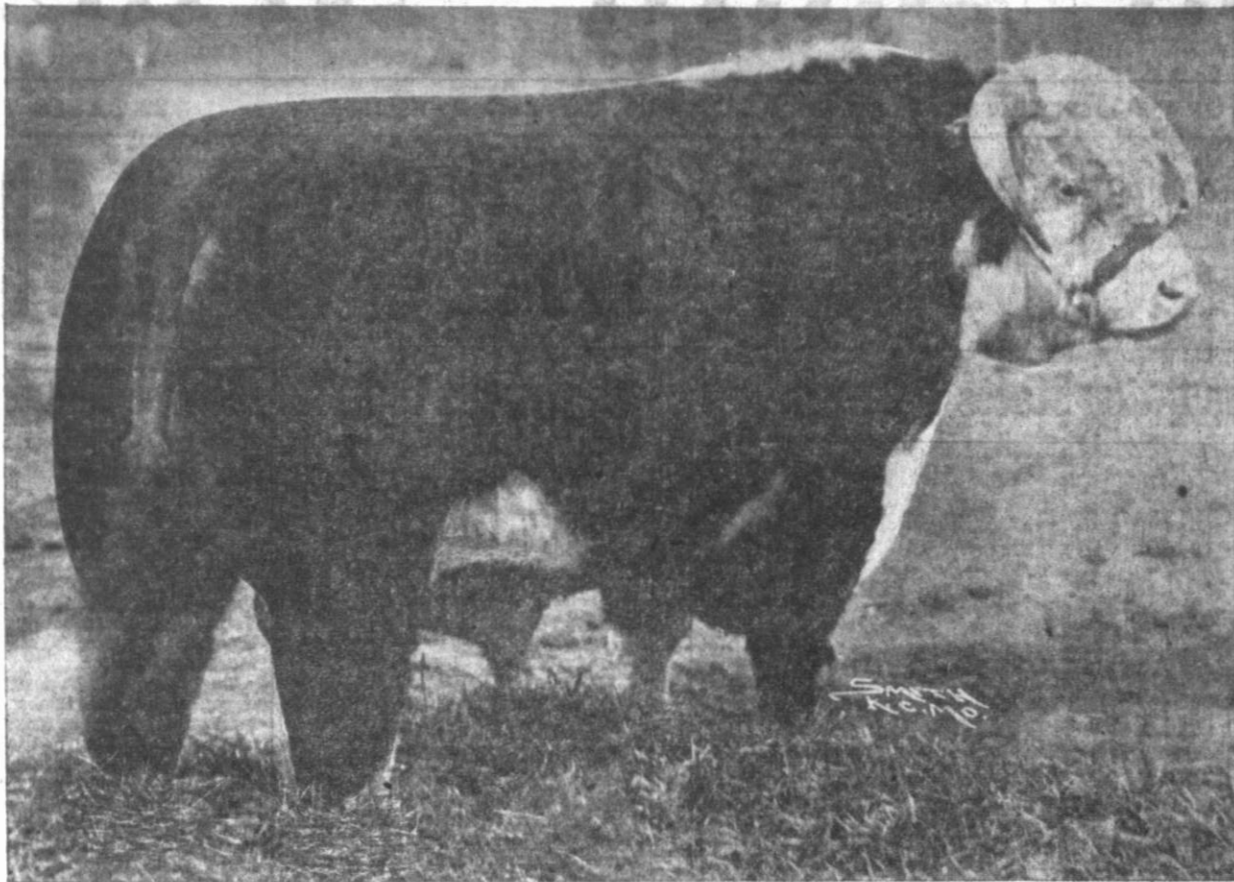

HOWE WRONG AGAIN

KANSAS CITY, Nov. 14 (AP)—Ed Howe, the "sage of Potato Hill," said today he was going to be a mute philosopher and "quit expressing opinions." "I was a bird man before the election," said the 83-year old Atchison, Kas., writer. "I thought the mystery vote was going to turn up for Landon. Now I'm going to quit expressing opinions." Howe stopped here enroute to Miami, Fla., where he will spend the winter.

SEASON TO OPIN

AUSTIN, Nov. 14 (AP)—An army of outdoor sportsmen, more than 300,000 strong, will march forth tomorrow in quest of the elusive buck and the wily gobbler. Will J. Tucker, secretary of the state game, fish and cyster commission, said prospects of the best season in years would bring out an unprecedented number of hunters who would congregate Sunday night at their favorite rendezvous to await the dawn which opens the deer and turkey seasons.

Medieval Pageantry as King Opens Parliament

Britishers who lined the route of King Edward VIII from Buckingham Palace to the Parliament were disappointed in the absence of customary pageantry due to rain, but the ceremonies at the House of Lords lacked none of the traditional colorfulness. Attended by heralds caparisoned in gaudy medieval costumes, Edward appeared in royal splendor as he presided at the state opening of his first Parliament. He is pictured above being helped in to his cloak by the Duke of Beaufort.

NEW PROCESS FOR RECOVERING POTASH REPORTED DISCOVERED

By STEPHEN J. McDONOUGH, Associated Press Science Writer.

PHILADELPHIA, Nov. 14 (AP)—A new process for recovering potash—a vital constituent of explosives and fertilizers—from domestic resources abundant in Texas and New Mexico was reported today to the American Institute of Chemical Engineers. In a group paper four chemists described the method as "flash evaporation" of a mixture of polyhalite

through which they said potash supplies are readily available.

Polyhalite, a mineral, occurs in great quantities in the southwest. The authors were Joseph P. Crough of South Charleston, W. Va., Joseph H. Koffelt and James R. Withrow of Ohio State university, and A. C. Feldner of the U. S. Bureau of Mines. The work, they declared, constituted a further step toward the de-

pendence of the United States on its own natural resources should other countries of the world continue their trend toward economic nationalism.

The opposite course, it was pointed out, is the tendency toward freer world trade as embodied in the reciprocal tariff agreements now being promoted by the United States to encourage mutual intercourse between nations.

During the World War and before the United States obtained its potash from foreign sources, Crough and his co-authors said.

Other engineers added that another process had recently been devised by the Bureau of Mines for

PAMPAN RUSHES OUT IN BARE FEET WHEN 'THEFT' OF CAR LOOMS

Walking outdoors in your bare feet on a cold morning is good for fallen arches or something, in the opinion of H. C. Cottrell, former Gray county deputy sheriff and Texas Company employe. Cottrell knows.

He got up early Friday morning and saw a car parked in front of his home. He knew it didn't belong to him. "Somebody stole my car and left that one," he said to himself. Hurriedly, and without putting on his shoes, he rushed barefoot into the back yard to peek into the garage and make sure.

His car was there. Then he investigated to learn that relatives had come to visit him, but they decided it was so early they wouldn't awaken him. Instead they just sat in the car out in front waiting for somebody to stir inside the house.

To Pampa Kivianians

DEAR FELLOWE: You are to be congratulated for the success of your annual games tournament held Friday night in the Schneider Hotel. You had a splendid turnout, everybody had an enjoyable evening, and I know the underprivileged children of Pampa, who are to be the sole beneficiaries of your charitable move, are grateful to you for your efforts in their behalf. Guests at the party, in addition to the fun they enjoyed, have the knowledge that they, too, had a part in making your annual games tournament a big success.

DEAR GOBBLER: Life must be getting pretty dark for you as the hour for execution draws near. I know exactly how you feel. I see by the papers that some of your owners in South Texas have been griping a bit lately because there are so many of you this year that the price on your poundage is way down, and they figure that you won't bring them such a neat profit as in former years. Personally, we consumers get the break and I suppose that it doesn't make a whole lot of difference to you whether they knock you off at 14 cents a pound or 40 cents. Either way you look at it, you'll get it in the neck in the end. PA PAMPA.

JAP SLAYING STUDIED

PEIPING, Nov. 14 (AP)—The United States embassy ordered an investigation today of the death of an American missionary in North China and a survey of reported fighting in the area allegedly invaded by Japanese troops. Advice to the embassy stated Karl Bernhardt Olsen, a missionary from Gully, Minn., died at Kalgian early today after eviction by Japanese troops from his home where he had been ill of smallpox.

ANOTHER SHACKLE OFF

BERLIN, Nov. 14 (AP)—Germany shook off another of her World War "peace shackles" today by resuming control of traffic on her rivers and repudiating international governing commissions set up by the treaty of Versailles. Signatories of Versailles pact were advised that Germany considers the internationalization clauses to assure foreign traffic equal rights with German shipping is no longer valid.

NATIONAL CHILDREN'S BOOK WEEK TO BE OBSERVED HERE

"Books To Grow On" is the slogan for National Children's Book Week which will be observed by the Pampa public library all this week. It was announced Saturday by Mrs. James To'd, librarian.

The Pampa library's observance of the week primarily will be marked by the offering of many books for children, Mrs. To'd stated.

In the primary division will be found animal stories such as Cinder the Cat, Skags, The Milk Horse, The Squirrel Tree, What They Say in Rabbitville, Dicky and Peggy in the Orchard, Dot and David, Judy's Ocean Voyage, John and Jean, and Betty June and Her Friends, Eozo, the Woodchuck, and Jean and Jerry's Vacation.

New books for the intermediate grades, fourth to sixth inclusive, are The Museum Comes to Life, Our Little Friends of Norway, Our Little Friends of the Arabian Desert, Our Little Friends of the Netherlands, and Our Little Friends of Eskimo Land.

The four books of our little friends of other lands are written by Frances Carpenter, to give a sympathetic understanding of the peoples of other countries of the world.

Robin and Jean in France, Robin and Jean in Italy, by Lawrence S. Williams, tell the travels of two lively American children related in story form, from the child's point of view.

Wi Sapa, or Black Moon, by Lyle Hoffman is the story of a Sioux Indian boy; Si Si, Rosita, by Mary Russell, depicts the life of two children of a middle class Mexican family; Along Nature's Trail, by Lillian Cox Athy; A Summer by the Sea, by Jeanette Smith, and Rambles in Europe, by Roderick Peattie; and Swales of Shepherd Life, by Annie Johnson Burus.

These new books are classified for reading by grades. The library invites parents and teachers to look over the books this week. It is felt they are truly "Books to Grow On," the theme for Book Week," Mrs. To'd said.

The public is urged to visit the public library during National Book Week. Book donations and magazine files will be appreciated, the li-

bridled steak loves to be seen in its company. For seven servings, 1 cup canned corn, 1-2 green pepper, chopped fine, 1-2 cup milk, 1 egg, 1-4 teaspoon paprika, salt and pepper to taste.

TOMORROW'S MENU

Breakfast: Persian melon, honey, toasted bran muffins, jelly, coffee, milk. Lunch: Southern corn puff, green pepper and salad, whole wheat bread sandwiches, ginger pears, lemon cookies, tea, milk. Dinner: Sweet cider, pork chops with pineapple rings, stuffed baked potatoes, brussels sprouts, steamed carrot pudding, hard sauce, coffee, milk.

Grease a round baking dish and dust the bottom very lightly with flour. Beat the egg until fluffy, then add the milk and beat again. Mix corn and egg and milk, add chopped peppers and seasoning. Turn quickly into greased dish, bake in moderate oven for 30 minutes. This is not a soufflé, and the consistency will be rather firm, like that of a pudding. If you want a fluffier corn dish, use 2 more eggs, and beat the yolks and whites separately, adding the whites at the last minute.

TWO WIDOWS OF TEXAS HEROES TO BE HONORED

Husbands Fought in Revolution in 1836
DALLAS, Nov. 14 (AP)—Two of the three living Texas women whose husbands marched with the army that fought the Lone Star State's war for freedom came to Dallas tonight to be accorded rare honors at the Texas Centennial exposition.

They are Mrs. Mary Catherine Berry, 83, frail, white haired relic of Captain Andrew Jackson Berry who battled with Sam Houston's valiant band on the bloody field at San Jacinto, and Mrs. Mary Catherine Longley, 74-year-old widow of Campbell Longley, who joined the army of the new republic the day after that historic struggle.

Mrs. Berry is from Blair and Mrs. Longley from Abilene. Tomorrow they will be honored for the highest civil and military officials will be heaped upon them by a Centennial exposition eager to pay tribute to them as living links between revolutionary days and today.

Mrs. Berry talked gaily with members of the party as she prepared for a press reception at her hotel tonight. Then she urged photographers to give her a little time to primp before appearing before a battery of cameras.

They were met at the union station by a group of centennial officials, who escorted them to their hotel. Tomorrow at 10 a. m. they will enter the exposition grounds where they will be greeted by Harry Olinstead, director-general, and welcomed in behalf of the world's fair.

At 10:15, after a brief tour of the grounds, they will be the central figures in an elaborate military ceremonial at the Court of Honor in front of the Hall of State. The United States Army, represented by units at Camp Stephen F. Austin, then will present the colors to the widows of the revolutionary fighters.

This is an honor usually accorded only to high officers of the Army and Navy, or high civil officials. Following this ceremony, they will be guests of the exposition at a luncheon, and at 1 p. m. they will extend the greetings of the Texas a century ago to the Texas of today in a radio broadcast from the exposition studios.

At 2 p. m. they will occupy the director-general's box at the performance of Cavalcade of Texas, and will be introduced to the audience. They expect to return to their homes tomorrow night.

Mrs. Berry was accompanied by a daughter, Mrs. Paul Gaines of Abilene, and with Mrs. Longley was her daughter, Mrs. S. Inman of Abilene and her grandson, Jerry Jo Inman.

International Sunday School Lesson

BY WM. E. GILROY, D. D. Editor of Advance.
The title of this lesson is The Heroism of Christian Faith, and no better example of either Christian faith or heroism could be found in life and action than that provided by Paul, the Apostle.

His faith was intense and clear. With great strength of conviction, he had come to believe that the way of life he had attacked as heresy was the true way. The spectacle of Stephen calling upon God to receive his spirit, forgiving those who stoned him to death, had evidently shaken Paul to his moral foundations.

From that determination to preach the Gospel, and to build the kingdom of God, nothing could turn him aside. Jesus had said to his disciples: "When they persecute you in one city, flee to another," and Paul fulfilled that counsel with the greatest literalness. His very course was shaped by persecutions. Every form of opposition he took merely as an indication of guidance to preaching and work elsewhere. There was never any thought of abandoning his mission.

Now, as he was returning from his third missionary journey to Jerusalem, he stopped at Caesarea on the coast and was warned by the prophet Agabus that troubled days were ahead of him in Jerusalem. In this there was nothing surprising to Paul.

In his farewell address to the elders at Ephesus, he had stated that he was moving into the unknown, with nothing certain but that bonds and afflictions were awaiting him. On that occasion, he had said: "None of these things moves me. Neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God." Our lesson tells how these predictions and premonitions proved true.

While Paul was in the temple performing his vow, certain Jews from Asia stirred up the people against him, accusing him of perverting the truth of the Scriptures, and of bringing into the temple Gentiles who "defiled the holy place."

The uproar was so great that Paul's life would have been in danger if a Roman captain with his soldiers had not interfered. The captain saved him from the mob, but bound him with chains. Thus began a long course of imprisonment that ultimately brought Paul to Rome.

LEGION TO SALUTE PIONEERS ON KPDN BROADCAST TODAY

Each Sunday afternoon over radio station KPDN the American Legion presents a distinctive broadcast program. Today, beginning at 1:30 p. m. the Legion will salute pioneers of the Panhandle.

All Panhandle old timers are invited to be at the radio station of KPDN starting at 1 o'clock as guests of the American Legion and KPDN. A number of old timers already have expressed intention of being present.

It is hoped that during this one-half hour program to get the old timers to swapping tales of days gone by. "This program gives the Veterans of the World War a chance to salute the Veteran Pioneers of the Panhandle," says Commander Charlie Maisei of the American Legion.

"This country and its people owe a debt of gratitude to these pioneers for their foresight, and this is our chance to tell them how much we admire and respect them."

1937 CHEVROLETS MEET WITH POPULAR APPROVAL IN PAMPA

All records for salesroom attendance at a new Chevrolet announcement, as well as all records for sales in a similar period, have been broken this past week, F. M. Culberson, of the Culberson-Smalling Chevrolet Co. announced Saturday.

Local sales for the week will total more than 40, and visitors in the dealership more than 4,750, he said. These figures are far in excess of anything in the past, and in the opinion of Chevrolet officials, forecast another banner year.

"The demand for the new models made itself felt before a single individual had seen the 1937 line at all," said Mr. Culberson. "There were 91 orders on file the night before the new car made its formal bow."

In celebration of the all-time records made in 1936, and the outlook for even better business in 1937, we entertained our entire staff of 45 people at a breakfast on announcement day. They had seen the new models at the big presentation meeting held recently at Oklahoma City, and were enthusiastic in their prediction of new sales peaks this year.

Mr. Culberson reported a strong demand for the bright-colored models which are prominent in the line this year. All deliveries are being made promptly, he added.

Chevrolet's new passenger cars for 1937, comprising two new series of six models each, were introduced with public showings throughout the United States. The two series, known respectively as the Master and Master De Luxe, are identical except for front spring suspension, rear axle and steering gear ratios, and accessories and trim.

The change most obvious outwardly has to do with body lines. The change, however, goes deeper than appearance, for the bodies are entirely new. They introduce unit-steel construction, in which solid steel turret top, steel side panels, steel double cowl, and steel floor are welded together to form a permanently silent unit.

The bodies are mounted on a chassis which is also new, with the new six-cylinder high-compression valve-in-head engine developing 85 horsepower, new box-girder chassis frame combining rigidity and lightness, and hypoid rear axle drive gears.

Chevrolet engineers emphasize the fact that the 1937 models are more compact, with a gain in strength and a reduction in weight. Sedan, coach, business coupe, sport sedan with trunk, and town sedan with trunk are available in both series. In addition, there is a sport coupe with rumble seat in the Master De Luxe series, and a cabriolet with rumble seat on the Master chassis, finished with de luxe appearance features.

BIRD LAWS WILL BE ENFORCED IS WARNING

Migratory bird laws will be strictly enforced this year, according to Vernon D. Yelton, a representative of the Biological Survey who has opened an office in the Herring hotel in Amarillo. Federal game wardens will work in cooperation with state wardens this year, he announced yesterday.

Several deputies will be with Mr. Yelton during the open season, November 26 to December 26, inclusive. Hunters are warned to secure their federal duck stamps and plugs for pump or automatic guns before the season opens. The duck stamp which may be obtained at any post office, are one dollar. Gun plugs may be bought at a hardware or arms store for a few cents. Only three shells, one in the chamber and two in the magazine, are allowed when shooting migratory birds.

Waterfowl may be shot from 7 a. m. until 4 p. m. The day bag limit for ducks is 10 and geese four. It is unlawful to shoot canvasback, red-head, bufflehead, ruddy or wood ducks. The Ross Goose is also protected as are cranes.

Mr. Yelton said federal game law violation cases are tried in federal district courts. Last year the 405 cases handled resulted in fines totaling more than \$10,000 and jail sentences of 5,775 days.

STOCK MARKET NEVER DID LURE 'EVERYBODY' The little fellow is getting back into the stock market, according to observers in Wall Street.

In the 48 hours following the presidential election, nearly 7,000,000 shares were turned over. A big market seems to be in the making, and it is taken as axiomatic that big markets are made by little people.

And so, of course, if this sort of thing is going to start, we shall start remembering what happened in 1929. If the curve of speculation goes on up, we shall presently be hearing, as of old, that "everybody" is in the market.

There will be stories about scrubwomen, bellhops, ditch-diggers, and other workers loading up with stocks on Margin, and Wall Street leaders presently will be telling us that the ordinary folk of the land to a man are infected with the speculative craze.

Before this business gets going, if it does get going, it might be a good thing for us to take a few of these "everybody" stories apart and throw away the surplus pieces.

Was "everybody" in the market, back in 1929? Were "all of us" turning our attention to the profits that might be made by speculation? Was a majority of ordinary Americans, or anything remotely resembling a majority, putting its money on the line in the brokers' offices?

You need not reflect very long to be convinced that the answer to each of those questions is an emphatic "No." The 10,000,000 farmers assuredly were not represented in the stock market by more than a microscopic fraction of their number.

The 30,000,000 wage earners who manned the country's basic industries—the men below the white-collar class—were hardly in the market to any great extent.

There were a few exceptions, of course, but in the main the people who speculated in the 1929 boom were drawn almost entirely from the white-collar class. And that class, in 1929, numbered approximately 7,900,000 people.

How many of them actually did speculate? One guess may be as good as another; possibly a million, possibly two—hardly any more, surely.

That is how "everybody" was in the stock market in 1929. It is a point worth remembering.

For it is a reminder that the overwhelming majority of Americans never bought a share of stock in their lives, and never will. They have neither the time nor, in most cases, the money to spare.

They are too busy doing the nation's work—harvesting its food, running its trains, mining its minerals, making the million and one articles that keep its factories and its markets busy.

Tell these people that the little fellow is getting back into the stock market and they would undoubtedly reply that, if he is, he is doing them no part of a favor.

The Wrong Murderer

By HUGH CLEVELY

Chapter 33 FATTY BASSETT The injured constable had been removed into a house to await the arrival of an ambulance, and the constables who had been attending to him were hurrying up the street to join in the hunt. The danger now was that, even in that crowd, the tall hulking figure and ugly features of the Irishman would be recognized.

"You slip along, Mister; don't stay with me; let me take me chance on me own," he urged Mahony. "The cops aren't likely to know you, I'm thinking; you'll get away much better without me."

"I'm damned if I will," he said. "The Irishman grinned. 'Right you are, me boy,' he replied. 'But I'm thinking you'd do better...'"

"He broke off as a dirty hand plucked at his sleeve. The hand belonged to a little, squinting, bow-legged man, dressed in a disreputable check suit and a red muffler.

"The bow-legged man edged away from them through the crowd and suddenly raised his voice in an excited shout: 'Look on that roof. I see one of 'em dodge be'ind that chimney stack!'"

"The sergeant ran in the direction of the house at which the bow-legged man had pointed. For the time being the attention of the crowd and police was directed towards that house. That gave Mahony and the Irishman the opportunity to slip out of the crowd and make their way along a dark side street.

"The danger was not over yet. The police in the whole district would be on the lookout for the two fugitives. For five minutes they dodged cautiously about the dark, narrow streets, keeping a wary eye open for prowling policemen. Then they drew into the shelter of an arch overhanging a massive gateway.

"This way," said the Irishman. He led Mahony along a narrow passage that ran between the back of a warehouse and a row of small, grimy back gardens. Halfway along the passage he turned off to the left, crossed a small garden, and descended half a dozen stone steps into a dark area.

In front of him was a door, the kitchen door of a house. He rapped on it sharply three times, paused, and rapped once again. The door opened very slightly, and a gruff, suspicious voice said: "Who's there?"

"Barney Flynn and another," answered the Irishman. "The cops is out after us."

"Come in," said the gruff voice, and the door opened wider. They entered through a dark pantry into a frowsy kitchen lighted inadequately by a flickering gas jet. Three men were seated at the kitchen table drink beer and playing with a greasy pack of cards; another chair and mug had obviously just been left by the man who had opened the door.

"Lc, Barney," he said. "Wat 'ell you doin' over 'ere? I thought you was lyn' low in Joe Walton's doss-house over the other side of the river."

"I was so," answered the Irishman. Mahony talks, tomorrow, for his life.

DRESSED TURKEY SHOW SCHEDULED FOR PLAINVIEW

Annual Event Is Set Dec. 2 and 3; Also Live Exhibit

PLAINVIEW, Nov. 14—Designed to include one of the finest arrays of turkey flesh ever shown in the southwest, the third annual Southwestern Dressed Turkey Show scheduled here December 2-3 is expected to attract more than 500 prize birds from flocks representing Texas and New Mexico counties, those in charge of details said today.

Prize birds from demonstration flocks produced according to approved methods, specimens from flocks of more than a thousand birds as well as top grades from many farm flocks are to be included in the exhibit, calculated at present to be the second largest showing of farm dressed birds ever exhibited in the country.

Added features of the show this year will be a live turkey exhibit designed to encourage improvement of breeding stock and a series of booths arranged to visualize production of a turkey from the egg to the butcher's block. County agents from eight Plains counties have charge of the exhibits to show hatching, feeding and dressing methods. The Plainview high school vocational agriculture class under direction of its teacher, R. H. Wells, is to prepare a booth.

The live bird exhibit will include specimens with as nearly perfect characteristics as can be obtained in this section, Pete H. Smith, manager of the show said. Representatives of Texas A. & M. college who have watched closely the development of turkey flocks in this region declare that nowhere have they viewed more nearly perfect turkeys as are being produced on the plains.

The sale held regularly in connection with the show is set to start at 1:30 on Thursday afternoon, second day of the show. Buyers from Plainview as well as from the eastern markets are showing interest.

HURT IN EXPLOSION Mrs. C. E. Warden, 1019 East Francis, received minor burns on her face and arms in a gas explosion yesterday morning. No fire followed the first flash when Mrs. Warden started to light the stove. It is believed one of the burners had been left partly open.

Mrs. H. F. Barnhart is spending the week-end with Mr. and Mrs. Kenneth Kuris in Borger.

OIL CONVENTION TO BE HELD AT HOUSTON ON DECEMBER 4

DALLAS, Nov. 14.—The Mid-Continent Oil & Gas Association of Texas will hold its annual convention at Houston, Friday, Dec. 4. Oil operators from all sections of the state are sending in advance reservations, according to Jake L. Hamon, president of the association, indicating an unusually large attendance this year.

GO-DEVIL FLIES THROUGH GAS PIPE LINES TO CLEAN THEM

ATLANTIC CITY, N. J., Nov. 14.—Introducing The Go-Devil. It looks like a steel pineapple on the end of a pump-handle and will fly through a natural gas pipeline from the Panhandle of Texas to Denver, Colo., at 35 to 300 miles an hour, cleaning the pipe as it goes.

Frank J. Trelease, New York engineer, described it before the American Gas Association's convention yesterday.

The flying scrub-brush, developed last fall, may weigh from 10 to 200 pounds and clean pipes any diameter up to 22 inches.

Trelease put a locomotive whistle on the first one he made so workmen could find it if it got caught in the pipes, but they soon found the gas whizzing past a halted scrub-brush made plenty of noise without whistles.

Go-devils are old stuff to men who work on oil and water lines, but this was the first to work in a gas line, and it is driven through the pipes by the ordinary flow of gas through the line.

The Amarillo-Denver line was built in 1927 and hadn't been cleaned until last fall. Its efficiency had dropped to less than 70 per cent because of the tar-like deposits that had formed on its walls. The situation was so bad the line sometimes couldn't meet peak demands.

The new go-devil scraped the deposits off and increased the efficiency to 106 per cent—six per cent above that of new pipe. And it was done without interrupting the flow of gas through the line.

The go-devil is inserted through a trap door at one end and emerges at a similar opening at the other end. Sometimes it comes out too fast for its own good. A big haystack at the far end has been a big help, says the engineer.

QUAKER STATE PLANNING NEW GAS ACTIVITY

PLANT WILL BE BUILT IN NEW MEXICO SAYS PAMPAN

The Quaker State Oil company of New Mexico, with headquarters in Pampa, is planning a busy year for 1937. This company is headed by L. W. Tarkenton, president; J. L. Noel, vice president; G. C. Stark, secretary-treasurer; and is principally owned by Pampa citizens.

The company has leased approximately ten thousand acres on the Wagon Mound structure in south Moro county, N. Mex. where a well was drilled in 1925 and 1926, which produced 26,000,000 cubic feet of Carbon Dioxide Gas, known as CO2 gas.

The company has purchased 40 acres in Fee and a well drilled down to 1,380 feet on this structure. It will be completed by the first of the year. After this well has been completed they drill a direct offset to the well which was drilled in 1925 and 1926, Tarkenton said.

The Quaker State plans on building a dry ice plant on the Santa Fe railroad 6 1/2 miles away and produce dry ice and other commodities which can be made from carbon dioxide gas. These products will be marketed throughout the United States.

This company is now completing a 40,000-acre block of leases located on the Cherryvale structure in the north central part of San Miguel county, New Mexico, which now has a well drilled down to a depth of 1,027 feet. The company will start operation for the completion of this well by the first of the year. Negotiations are now pending with a major oil company of Tulsa, for the drilling of a No. 2 well to be located on the structure about 6 miles from the Quaker State No. 1. If negotiations are completed, this well should be started shortly after Jan. 1, it was said.

The Quaker State Oil company also owns approximately 10,000 acres of leases on the Claplain structure in the southern part of Union county, New Mexico, according to Mr. Tarkenton.

8 LOCATIONS IN PANHANDLE ARE REPORTED

NEW TESTS DIVIDED BETWEEN GRAY AND HUTCHINSON

Eight new locations were registered at the local office of the Texas Railroad Commission last week, the smallest number in several months of feverish drilling.

The new tests were equally divided between Gray and Hutchinson counties. All were in proven territory and offset locations.

Intentions to drill: Travelers Oil Co. W. B. Halle No. 3, 330 feet from the west and 814.9 feet from the north of E1/4 of Tr. 4, Owners Sub-Division, section 4, block M-21, Hutchinson county.

Hagy, Harrington & Marsh, J. W. Fields No. 2, 1,320 feet from the north and east lines of NE1/4 of section 158, block 3, I&GN survey, Gray county.

Empire Oil & Refining Co., I. B. Hughey No. "B" 3, 330 feet from the north and west lines of NE1/4 of section 129, block 3, I&GN survey, Gray county.

Gulf Oil Corp. R. C. Barrett No. 6, 330 feet from the north and 990 feet from the east of SW1/4 of section 128, block 3, I&GN survey, Gray county.

Stanolind Oil & Gas Co. Moore No. 8, 990 feet south of north line and 330 feet east of west line of section 125, block 4, I&GN survey, Hutchinson county.

Stanolind Oil & Gas Co. Ware "A" No. 7, 990 feet south of the north line and 330 feet west of the east line of section 124, block 4, I&GN survey, Hutchinson county.

Stanolind Oil & Gas Co. T. B. Cobb "C" No. 9, 990 feet south and 1,320 feet west of the northeast corner of the tract, section 165, block 3, I&GN survey, Gray county.

Stanolind Oil & Gas Co. E. E. Watkins "A" No. 11, 2,210 feet west of the east line and 265 feet south of the north line of section 13, block M-21, TC&RR survey, Hutchinson county.

Dr. and Mrs. F. I. Reid were visitors in Oklahoma City and Norman, Okla.

PRINCETON WINS PRINCETON, N. J., Nov. 14 (AP)—Larry Kelley, who recently said "There can't be an all-America team without me" led Yale to a spectacular 26-23 victory over Princeton today before a capacity crowd of 57,000 who saw the Blues, rallying sensationally around their inspirational leader, come from behind twice to overtake the tigers. Kelley was completely bottled up in the first half, but the Tigers relaxed their vigilance in the second half and that was all the Williamsport, Pa., wizard needed. R. G. Hughes transacted business in Panhandle yesterday morning. Dave Ballou was a business visitor in Amarillo yesterday.

FOUR ACES FOR THE 1937 SHOWDOWN!

Every Buick in the 1937 line has more horsepower, more room, more luxury and more performance — on top of the finest quality and value that General Motors science and Buick workmanship can provide

THE fates are kind to the automobile buyer of next year—just take a look at Buick's offerings and you'll see why!

Here are four lines of new cars—aces every one—the ablest cars, the handsomest performers, the biggest values we believe the automobile industry has so far seen.

There is the 1937 Buick SPECIAL—stepped up in style, power, room and finish—thrifter than ever, and at the same low price.

There is the cyclonic CENTURY—all compact of obedient explosive energy—quicker, quieter, more sensational even than before.

There is the magnificent ROADMASTER—just what its name suggests—more powerful, more maneuverable, more luxurious now than its marvelously mobile predecessor.

And there is the lordly LIMITED—the Avenue's proudest saunterer—fleet, sophisticated, capacious—uncommon carrier of the elect.

Every one of these cars brings something fresh and progressive to motoring—every one of them outranks in engineering and appointments even the phenomenal cars that uphold Buick's current sensational success.

See them and you'll say that the \$14,500,000 appropriated and now being spent on top of the recent \$15,000,000 put into re-tooling and re-equipping Buick factories is money not only wisely but fruitfully employed!

*Safety glass included—accessories slightly extra. Prices subject to change without notice. General Motors terms to suit your liking.

LEFORS HOLDS MUSTANGS TO 14-0 VICTORY

PIRATE FULLBACK IS STAR OF UNIQUE BATTLE

WHEELER, Nov. 14.—Wheeler's mighty Mustangs, coached by Bob Clark, marched to their first district 3B football championship in the school's history last night with a hard-earned 14 to 0 victory over a fighting band of LeFors Pirates.

Although on the losing side, Carruth, LeFors fullback, was the star of the game. The little Pirate carried the ball, passed and punted exceptionally.

Ford, Wheeler's giant fullback, was again the sparkplug of the Wheeler attack. The Mustangs scored in the first quarter, climaxing a drive from their own 13-yard line. Ford and Norman, quarterback, took turns at tearing the LeFors line. A couple of penalties helped get the ball to the LeFors 23-yard stripe from where Ford flipped a pass to Derryberry over the goal line. Ford added the extra point.

Wheeler got their other touchdown on a break in the fourth quarter when Ford's punt took a crazy hop and went out of bounds on the LeFors 2-yard line. Carruth fumbled the pass from center on a flock of Wheeler linemen fell on the ball and again added the point from placement.

The light Pirates gave the Mustangs one of their stiffest battles of the year despite the fact that the Mustangs were undefeated and the Pirates had only one win to their credit. The Mustangs lacked their usual fire and determination while the Pirates were all steamed up to try and overthrow the champions to give Wellington another crack at the title.

Hundreds of fans from over the Panhandle helped fill Mustang stadium to overflowing. Crowds and Norman helped Ford in the Mustang backfield. The play of Green in the Wheeler line was far above that of the other six players.

Simmons, Hall and Husband were powers in the Pirate lineup to help Carruth, a newcomer who is said to have two more years of eligibility. An unusual number of penalties marred the game. LeFors was the victim of the greatest number.

SCOUT NEWS

More than 20 members of Boy Scout troop 80 enjoyed a camping and hiking trip to the Hoover-Strader ranch and the Washita river near Canadian Friday night and Saturday. They camped in and near the cabins on the ranch Friday night, and Saturday, they rode and hiked 15 miles east to the Washita river bottoms where they found ripe persimmons in abundance.

Eight tenderfoot Scouts passed the cooking test for second class Scouts under the experienced eyes of Lee Strader, ranch cook, and the night they passed the Scout pace and tracking tests under Keeton Rhoades, James Archer, Edward Wilkins, Soren Jensen, Bill Coons, Carl Brown and others. The tenderfoot who passed the tests were Eugene Haynes, Jack Baker, Billy Bennett, Bennett Wray, Archie Brown, Richard Keuhl, Omer Herrell, June Roland.

Jack Crook, Doyle Auld, Keeton Rhoades passed part of the requirements for their merit badge in cooking. The Scouts rode to the ranch in a truck furnished by Cullum and son and with their scoutmaster, L. N. Branchers took two boys with him. Roy Lee Jones, Carl Brown and Harry McMahon were in charge of the truck. Roy Lee driving.

Before bedtime the Scouts listened to stories by the scoutmasters in one of the log cabins in which a wood fire burned brightly. Mr. Strader accompanied the troop to the persimmon forest on the Alexander ranch which is near the ranch of Aubra Bowers.

Scouts who went on the trip, in addition to those already mentioned included Bert Isbell, Max Roland, Jack Smith, Buddy Wilson, Ed Terrell.

From now on Scouts in order to become eligible to attend camping trips must either qualify for rank advancement or must pass at least one merit badge or must assist boys in passing tenderfoot, second class, first class, tenderfoot and merit badges. This rule applies to first class, star and life Scouts. Their signature on cards will be considered proof of their activity.

The next camping trip will be Friday afternoon, Nov. 27, and will be either to Dripping Springs in the Palo Duro canyon or to another ranch near Canadian. Boys were urged to qualify by making preparations for advancement at the court of honor. The deadline for passing the tests and qualifying for the trip will be Friday afternoon at 4:30 o'clock.

Sonia's Kin Out for Ice Crown

Stating ability seems to run in the Henie family of Norway, and when competition, too, for 10-year-old Marit Henie, above, cousin of celebrated Sonia Henie, Olympic skating champion and motion picture actress, is preparing to capture her relative's crown. Already the junior skating champion of Norway, Marit Henie bids fair to become the second title holder of the family.

SECURITY ACT DATA WILL BE GATHERED HERE

Forms To Be Mailed Out by Local Post Office

Forms will go out from the Pampa post office Monday to all employers of labor in business and industry in this territory in this territory for information needed under the Social Security Act, according to C. H. Walker, Postmaster.

The forms are returnable to the post office by Saturday, Nov. 21, and on Tuesday, Nov. 24, applications and identification numbers will go to all employees and are returnable by Dec. 5. Persons who employ one or more should receive a form Monday. Application should be made at the post office for the employer's form if it is not received in the mail or by carrier Monday. Domestic and farm help is not included in the federal old-age benefits.

This part of the Social Security act should not be confused with another part of the same act that requires information from employers of eight or more employees for the year 1936, forms for which are now being received from the collector of internal revenue. The post office is handling only the registration of employers of one or more employees, according to Mr. Walker, and it is intended that all such employers be supplied with an employer's application form for identification number.

Under the Social Security act workers will receive benefit payments from the United States government either in lump sums or monthly payments at age 65, the amount received depending on the amount earned after January 1, 1937.

Gas Arguments Set For November 18

AUSTIN, Nov. 14 (AP)—Arguments in the appeal of the railroad commission to the United States supreme court on the right of the state to prorate production of natural gas in the Panhandle field will be presented Nov. 18.

Assistant Attorney General William Madden Hill and State Senator Clint Small will deliver the state's argument in the combined cases of Consolidated Gas Utilities company and Texoma Natural Gas company, both producing companies in the panhandle.

The state was unsuccessful four times in trial court in an attempt to require pipe line connections. The case before the supreme court represents an effort of the state through House bill 266, known as the anti-gas wastage law, to require ratable taking from the panhandle.

Hill said that for the first time in the history of the oil and gas industry there would be presented to the supreme court the question of whether limitation on proration might be had on the theory of protecting the rights of owners in a field, rather than solely on the question of whether such limitation could be applied on the theory of waste.

WHITE SLAVE WAR

WASHINGTON, Nov. 14 (AP)—J. Edgar Hoover disclosed today that federal agents tracking down white slave rings have uncovered evidence necessitating expansion of investigating activity as far west as the Pacific coast. Recent arrests for white slavery have been in the east, south and middle west, but the chief of the bureau of investigation said information now in the hands of his men required activity from Maine to California.

WILDCAT CLUB WINS BIG TEN PIGSKIN TITLE

NEW YORK, Nov. 14 (AP)—Northwestern's undefeated and untied wildcats completed their football sweep through the Big Ten conference today as Notre Dame, Pittsburgh and Minnesota chalked up impressive inter-sectional triumphs and Yale's Bulldogs, paced by their great end, Larry Kelley, topped Princeton in a sensational second-half drive, 26-23.

Northwestern had to overcome surprisingly sturdy resistance from Michigan's Wolverine but won, 9-0 for the Wildcats' sixth consecutive conference victory.

Meanwhile a record crowd of 80,000 packed the Yankee stadium to watch Notre Dame, which will play Northwestern next week, take advantage of all its opportunities and humble the army, 20-6.

Nebraska's hopes of breaking the Pittsburgh jinx went tumbling in the dust at Lincoln as the hard-bitten Panthers flashed an effective running and passing attack that carried them to a 19-6 triumph, their seventh in 11 games with the Huskers.

Minnesota's gridiron juggernaut flattened the Texas Longhorns, 47 to 19, before a crowd of 45,000 at Minneapolis.

Louisiana State stopped Auburn, 19-6, while Alabama fought off a brilliant closing rally by Georgia Tech to win, 20-16.

The most likely far western Rose Bowl representative, Washington, retained its undefeated status with a 14-0 victory over Oregon at the Pacific Coast conference by beating Southern California, 12-0. Georgetown, which with Fordham won the East's only major undefeated team, suffered a stunning setback at Manhattan's hands, 13-0, but play in the Atlantic seaboard sector otherwise pretty well followed form.

Cornell, after a great fight, bowed to Dartmouth's superior forces, 20-6; Navy checked in with a decision over Harvard, 20-13; Duquesne won the Pittsburgh city title with a 13-0 conquest of Carnegie Tech; Columbia stopped Syracuse, 17-0; Penn State Penn State, 19-12; Temple topped Villanova, 6-0; Holy Cross swapped Brown, 32-0; Catholic turned back North Carolina State, 7-6; and Boston college whipped Western Maryland, 12-7. Amherst surprised with a 14-13 victory over Williams to throw the final "little three" standings into a triple tie.

Marquette remained undefeated and untied as the Golden Avalanche buried Mississippi, 33-0. Ohio State beat Illinois, 13-0, as Purdue halted Iowa by the same score and Indiana trounced Chicago 20-7.

In the Big Six, Missouri over-turned Oklahoma, 21-14 and Kansas State crushed Iowa State, 47-7. Kansas was badly beaten by Michigan State, 41-0.

The dizzy Southwest campaign continued merely as Arkansas tripped Southern Methodist, 17-0. Texas Christian, meanwhile, easily whipped Centenary, 26-0, and Baylor tripped Oklahoma A. and M., 13-0.

Georgia pulled a major upset with a 12-6 conquest of Tulane. Tennessee outscored Vanderbilt, 26-13; and Florida beat Sewanee, 18-7. Kentucky barely nipped Clemson in a non-conference engagement, 7-6.

Utah was no match for the Texas Azules who won, 20-7.

Washington's feat in stopping Southern California was the high spot of the far western program marked otherwise by Washington State's stunning 29-7 rout of U. C. L. A.; California's 26-0 victory over Oregon; Stanford's 20-14 triumph over Oregon State, and Montana's 16-0 verdict over Idaho.

Ministers Return From Convention

Ministers of the First Baptist and Central Baptist churches returned yesterday from Mineral Wells where they attended the state Baptist convention at its annual meeting. Both will conduct regular services from their pulpits today.

The Rev. C. E. Lancaster was accompanied by Mrs. Lancaster and Margery while Mrs. John O. Scott and Mrs. J. H. Jinks went with the Rev. Mr. Scott from Central church.

Sailors Picket Liner

NEW YORK, Nov. 14 (AP)—Without a dime in their "war chest," but with unlimited faith in their new-found leadership, New York's striking sailors hitched up their belts today and laid siege to the United States liner Washington. By land, sea and air the picketed the pride of the American merchant marine when she arrived from Hamburg bearing P. A. S. Franklin, chairman of the ship's mother company, who returned from a European trip with the declaration that the government "could end this strike if it would take some action."

ASSAULTS 'ASSASSIN'

PARIS, Nov. 14 (AP)—The widow of Edgar Andra, German communist executed last week at Hamburg, called for a "world crusade against fascism," in a speech tonight before 10,000 Leftists. Her listeners frequently interrupted her with shouts, "Hitler is an assassin!"

NEW YORK, Nov. 14 (AP)—Northwestern's undefeated and untied wildcats completed their football sweep through the Big Ten conference today as Notre Dame, Pittsburgh and Minnesota chalked up impressive inter-sectional triumphs and Yale's Bulldogs, paced by their great end, Larry Kelley, topped Princeton in a sensational second-half drive, 26-23.

NOTRE DAME HUMBLER ARMY MULE 26 TO 6

NEW YORK, Nov. 14 (AP)—Northwestern's undefeated and untied wildcats completed their football sweep through the Big Ten conference today as Notre Dame, Pittsburgh and Minnesota chalked up impressive inter-sectional triumphs and Yale's Bulldogs, paced by their great end, Larry Kelley, topped Princeton in a sensational second-half drive, 26-23.

Northwestern had to overcome surprisingly sturdy resistance from Michigan's Wolverine but won, 9-0 for the Wildcats' sixth consecutive conference victory.

Meanwhile a record crowd of 80,000 packed the Yankee stadium to watch Notre Dame, which will play Northwestern next week, take advantage of all its opportunities and humble the army, 20-6.

Nebraska's hopes of breaking the Pittsburgh jinx went tumbling in the dust at Lincoln as the hard-bitten Panthers flashed an effective running and passing attack that carried them to a 19-6 triumph, their seventh in 11 games with the Huskers.

Minnesota's gridiron juggernaut flattened the Texas Longhorns, 47 to 19, before a crowd of 45,000 at Minneapolis.

Louisiana State stopped Auburn, 19-6, while Alabama fought off a brilliant closing rally by Georgia Tech to win, 20-16.

The most likely far western Rose Bowl representative, Washington, retained its undefeated status with a 14-0 victory over Oregon at the Pacific Coast conference by beating Southern California, 12-0. Georgetown, which with Fordham won the East's only major undefeated team, suffered a stunning setback at Manhattan's hands, 13-0, but play in the Atlantic seaboard sector otherwise pretty well followed form.

Cornell, after a great fight, bowed to Dartmouth's superior forces, 20-6; Navy checked in with a decision over Harvard, 20-13; Duquesne won the Pittsburgh city title with a 13-0 conquest of Carnegie Tech; Columbia stopped Syracuse, 17-0; Penn State Penn State, 19-12; Temple topped Villanova, 6-0; Holy Cross swapped Brown, 32-0; Catholic turned back North Carolina State, 7-6; and Boston college whipped Western Maryland, 12-7. Amherst surprised with a 14-13 victory over Williams to throw the final "little three" standings into a triple tie.

Marquette remained undefeated and untied as the Golden Avalanche buried Mississippi, 33-0. Ohio State beat Illinois, 13-0, as Purdue halted Iowa by the same score and Indiana trounced Chicago 20-7.

In the Big Six, Missouri over-turned Oklahoma, 21-14 and Kansas State crushed Iowa State, 47-7. Kansas was badly beaten by Michigan State, 41-0.

The dizzy Southwest campaign continued merely as Arkansas tripped Southern Methodist, 17-0. Texas Christian, meanwhile, easily whipped Centenary, 26-0, and Baylor tripped Oklahoma A. and M., 13-0.

Georgia pulled a major upset with a 12-6 conquest of Tulane. Tennessee outscored Vanderbilt, 26-13; and Florida beat Sewanee, 18-7. Kentucky barely nipped Clemson in a non-conference engagement, 7-6.

Utah was no match for the Texas Azules who won, 20-7.

Washington's feat in stopping Southern California was the high spot of the far western program marked otherwise by Washington State's stunning 29-7 rout of U. C. L. A.; California's 26-0 victory over Oregon; Stanford's 20-14 triumph over Oregon State, and Montana's 16-0 verdict over Idaho.

From Sarawak Land to London

With this smile, pretty Valerie Brooke greeted London as she arrived from Sarawak, North Borneo, where her father, Sir Charles Vyner Brooke, ruler of the British empire's only white rajah. Valerie was on a visit from Sarawak, where smugglers, reptiles, and insects abound. Sir Charles is third in the line of white rajahs given rule over Sarawak for services rendered the sultan of Borneo in 1839.

5 FROM GRAY COUNTY CALLED BEFORE JURY

Five Gray county residents Saturday received notice to appear before the Wheeler county grand jury in district court there Monday.

Those subpoenaed were H. C. Cottrell, J. W. McWhorter, George Inman, O. T. Lindsey, and Tommy Lyons.

UCIANS WHIPPED

MEMORIAL COLISEUM, Los Angeles, Nov. 14 (AP)—Washington State's powerful Red Cougars knocked the Bruins of University of California at Los Angeles completely out of the West's Rose Bowl picture today with an overwhelming 32-7 triumph. The baffled Bruins were ripped to ribbons in the worst defeat Coach "Babe" Hollingbery's Cougar 7-6; and Boston college whipped Western Maryland, 12-7. Amherst surprised with a 14-13 victory over Williams to throw the final "little three" standings into a triple tie.

Marquette remained undefeated and untied as the Golden Avalanche buried Mississippi, 33-0. Ohio State beat Illinois, 13-0, as Purdue halted Iowa by the same score and Indiana trounced Chicago 20-7.

In the Big Six, Missouri over-turned Oklahoma, 21-14 and Kansas State crushed Iowa State, 47-7. Kansas was badly beaten by Michigan State, 41-0.

The dizzy Southwest campaign continued merely as Arkansas tripped Southern Methodist, 17-0. Texas Christian, meanwhile, easily whipped Centenary, 26-0, and Baylor tripped Oklahoma A. and M., 13-0.

Georgia pulled a major upset with a 12-6 conquest of Tulane. Tennessee outscored Vanderbilt, 26-13; and Florida beat Sewanee, 18-7. Kentucky barely nipped Clemson in a non-conference engagement, 7-6.

Ministers Return From Convention

Ministers of the First Baptist and Central Baptist churches returned yesterday from Mineral Wells where they attended the state Baptist convention at its annual meeting. Both will conduct regular services from their pulpits today.

The Rev. C. E. Lancaster was accompanied by Mrs. Lancaster and Margery while Mrs. John O. Scott and Mrs. J. H. Jinks went with the Rev. Mr. Scott from Central church.

Sailors Picket Liner

NEW YORK, Nov. 14 (AP)—Without a dime in their "war chest," but with unlimited faith in their new-found leadership, New York's striking sailors hitched up their belts today and laid siege to the United States liner Washington. By land, sea and air the picketed the pride of the American merchant marine when she arrived from Hamburg bearing P. A. S. Franklin, chairman of the ship's mother company, who returned from a European trip with the declaration that the government "could end this strike if it would take some action."

ASSAULTS 'ASSASSIN'

PARIS, Nov. 14 (AP)—The widow of Edgar Andra, German communist executed last week at Hamburg, called for a "world crusade against fascism," in a speech tonight before 10,000 Leftists. Her listeners frequently interrupted her with shouts, "Hitler is an assassin!"

M'LEAN TAKES HARD-FOUGHT 13-0 GAME FROM CLARENDON

M'LEAN, Nov. 14.—Coach Bill Allen of the McLean Tigers uncovered a new star last night when his team took a hard-fought 13 to 0 game from the Clarendon Bronchos. The "find" was Ray Humphreys, sophomore fullback substitute who replaced the crippled Bogan in the lineup.

Fumbles marred the game, there being 12 fumbles, eight of which were recovered by opponents. McLean's first touchdown came on the heels of a recovered fumble.

McLean took the kickoff and started for the Broncho goal line but after three first downs by Laswell, Braxton and Humphreys, the Bronchos held and took possession of the ball. Clarendon fumbled and McLean recovered but the advantage was lost when Clarendon intercepted a McLean pass. Another exchange of fumbled ball and an interception each kept both the teams in trouble.

Wingo recovered a fumble on the Clarendon 40-yard line. Humphreys and Laswell tore through for first downs and Braxton went the last 15 yards off his own right guard to a touchdown. Laswell passed to Nicholson for the extra point.

Clarendon opened up a passing attack near the half with Holtz-

claw passing successfully to Grady and Grundy for long gains. McLean held and Bogan was sent in to punt and his boot was long and true.

Humphreys opened the second half with a 40-yard run to the Clarendon 20-yard stripe. Laswell and Braxton pushed to the Clarendon 4-yard line where they lost the ball on downs. Clarendon punted out and Laswell and Braxton started another drive which was stopped by a fumble.

A weak punt out gave McLean the ball and this time the drive was successful, Humphreys making the last five yards for a touchdown. The try for extra point was wide.

Hiel replaced Braxton in the McLean lineup late in the last quarter and thrilled the crowd by stepping for four consecutive first downs before a fumble gave Clarendon the ball.

McLean ran up 15 first downs to 8 for Clarendon. The Tigers had only two passes and both were intercepted. Clarendon's aerial circus registered 24 passes. Six were completed for 76 yards, one was intercepted and the rest fell incomplete.

McLean will meet their old gridiron rivals, Shamrock Irishmen, next Friday night in Shamrock. Bogan, injured again last night, may be lost to the Tigers.

BORGER JAYCEES WILL SPONSOR BOWERY BALL ON MONDAY NIGHT

BORGER, Nov. 14.—The Junior Chamber of Commerce here will sponsor a Bowery ball Monday evening at the Legion hall, with music by the Lloyd Snyder band from Amarillo. Prizes are offered for the most attractive Bowery costumes. A. M. Minton, Jaycee president, is in charge.

Dedication of the new postoffice building here, scheduled for next week, will be postponed because of the illness of Congressman Marvin Jones, who is scheduled to make the main address. The new building has not yet been placed in use.

A Borger delegation headed by Charles Rosson will attend the Potter county division of the Plateau Singing convention, which will meet at St. Francis today.

Carl Reed was in city jail here today, facing charges of theft of a shotgun, blanket, and two hats from an automobile parked at a local night club the first of the week. He was arrested by Police Chief Bill Bates, and will probably be arraigned in justice court Monday.

ARKANSAS LEADS SOUTHWEST CONFERENCE AFTER SMASHING SMU 17-0

OZARK GIANTS INTERCEPT 2 PONY AERIALS

MUSTANGS' AIR CIRCUS IS DECISIVELY SMOTHERED

By Felix R. McKnight
DALLAS, Nov. 14 (AP)—Long legged Jack Robbins and his bold Arkansas playmates made the fall of mighty Southern Methodist complete today with a 17-0 rout that rocketed them into temporary leadership of the Southwest conference scramble.

Not one good break slipped by the rangy Ozark hills giants as they intercepted two wild Methodist heaves for touchdowns and converted a recovered fumble into a field goal that shoved them off ahead.

Six foot two inch Robbins and his halfback companion, Bobbie Martin, stormed all over the premises behind a stout line to outclass a Methodist team that only a week ago absorbed a shelling from Texas A. and M. in what was regarded as an upset.

The score wasn't indicative of Arkansas' superiority. They smothered the Mustangs' celebrated "aerial circus" by rushing the passer and intercepting wild throws and fooled the enemy with a smashing ground attack featuring Robbins, Martin and Glenn.

Kenneth Goodson, Southern Methodist's dashing junior halfback and club "goat," played his role well again today.

Early in the second period Goodson, who had been reeling off tackle threats for the Methodists' only threats, fumbled on his own 16 and Woodell, Porker center, landed on the ball. Robbins contacted Benton with a short pass on the Methodist seven and tossed a shovel pass that Rawlings took to the four. Three line snafus failed but Owen, one of those "in and out" players, placed placement kickers, hurried in and booted a field goal from the ten-yard stripe.

Five minutes later Goodson fell into ill luck again. Backed up to his own 24-yard line, the rangy halfback drew back and hurled a flat pass intended for Dewell, Methodist end. Bobbie Martin, tearing into the Mustang backfield, snagged it far behind the Methodist scrimmage line and ran, unopposed, across the goal line. Owen booted the extra point.

Still another Methodist miscue cost them in the fourth period. Goodson hurled a wild pass that Woodell, his old nemesis, bagged on the Methodist 45. Martin tacked on two first downs with tackle slices to the 19 and Robbins then hurled a hard pass Rawlings drew up on the 13 and carried on across with a sparkling bit of sidestepping. Owen again obliged with the extra point.

For Goodson, the youngster who tossed the fatal pass that cost the Methodists the Fordham game earlier in the season, the game was a nightmare. He started well enough with driving runs off tackle and great kicks that backed the Porkers into their own backyard, but he fumbled twice and threw two costly, aimless passes to ruin his day.

Robbins today proved his triple-threat ability. He was on the heavy end of a varied assortment of passes that bagged 100 yards, kicked expertly and was the chief ground gainer of the day from scrimmage. Martin's groundwork and heads-up defensive play vied with Robbins' work.

Rugged Johnny Sprague, Methodist quarterback, was the whole show for the Methodists—unless he should share defensive honors with his younger brother, Charlie, stormy center. Sprague plowed the line, battered down dangerous Arkansas aerials and tackled fiercely. He was

Longhorns Given Decisive 47-19 Beating By Minnesota

Texas Passing Attack Is Completely Stopped

MINNEAPOLIS, Nov. 14 (AP)—Minnesota bull-dogged the Texas Longhorns in typical Bierman fashion today and when the sun had set on Memorial Stadium 45,000 spectators saw the brand of a 47-19 defeat on the invaders from the southwest.

Stomped for most of the game while the Golden Gophers were scoring seven touchdowns, the Longhorns fought gamely back to score two of their three counters in the last five minutes, one of them the result of a judgment by Minnesota, when the lineup was spotted with reserves. The Texas passing attack was completely stopped by Minnesota while the Gophers worked laterals to great advantage.

Minnesota's great line, the sensational play of fullback, and Alphonse, half, outlasted the Texans throughout the game but to the invaders went the distinction of scoring the most points against a Gopher defense in four years.

Hugh Wolfe, Texas fullback, thrilled the Dad's Day crowd with a 99-yard runback of the kickoff in the third period for the first Longhorn score without the aid of much blocking.

A barrage of passes in the last minutes of the fourth set the stage for a pass on the Minnesota 15-yard line to Arnold, for the second counter. Texas scored again when Wrightson, reserve halfback, let the kickoff touch his foot on the goal line and failed to fall on the ball. Atchison dove on the oval as the Minnesota player looked on.

The Gophers had started early to pile up a big score. Alfson counted from the 15 in the first three minutes. Alfson scampered 28 yards for another marker after gathering in Uram's lateral at the line of scrimmage.

Buhler bulled his way 87 yards for another touchdown in the second period. He exploded through tackle, bounced off two Longhorn players, cracked into Sheridan with his head to knock him out of the way and was away. Three blockers escorted him the last 50 yards.

Twice more the Gophers crossed the line in the third, and in the fourth.

Naiser, guard, and Launey, end, stood out in the Texas line while Lawson, half, played brilliantly on defense against Gopher passes.

Wolfe was the best offensive player for the Longhorns and made good two of three placekicks after touchdowns. Minnesota's smashing attack dwarfed the invaders' showing by marking up 467 yards to 114 for Texas from scrimmage. The Gophers amassed 16 first downs to five for their foes.

IMPORTANT VICTORY

AUSTIN, Nov. 14 (AP)—Charles R. Miller, liquor administrator, today described as "an important victory" a Houston district judge's decision that inspectors were allowed to seize liquor under the law's "nuisance" clause. The law specified that continued and repeated violation constituted the maintenance of a nuisance and made all liquor stocks liable to seizure.

EXECUTION OPPOSED

PARIS, Nov. 14 (AP)—French leftists massed tonight to demonstrate against the execution of Edgar Andre, German communist, with communist posters proclaiming Adolf Hitler an "assassin."

TULANE BEATEN

NEW ORLEANS, Nov. 14 (AP)—Tulane's Greenies fumbled their way to a 6-12 defeat at the hands of an oft-beaten but gallant band of Bulldogs from Georgia university before a home-going crowd of 18,000. The flying heels of Bucky Bryan, fleet wave halfback, which carried Tulane to its lone touchdown, were unable to offset the sloppy offensive play of the Greenies and the scrappy Bulldogs' dazzling aerial and running attack.

Plainview Due To Give Pampa Stiff Battle

Pampa's 1936 football team will attempt to win its second conference game and its third victory of the season Friday afternoon when it faces the Plainview Bulldogs at Harvester field at 2:30 o'clock. It will be the last home game of the season.

Plainview, recovering from the shock of having five players found ineligible, is expected to give the Harvesters one of their stiffest battles of the season. Although the Bulldogs are lodged in the conference cellar, they have not had their teeth pulled or their courage extracted.

When Pampa failed to win an impressive victory over Borger, the Bulldogs stock rose by leaps and bounds. The Bulldogs got down to practice with a determination not previously demonstrated this season. Coach Madison Pruitt, former T. C. U. end who received All American recognition, will bring a team to Pampa featuring a backfield find by the name of George and a 220-pound lineman named Wheeler, who is a polo star and who played here with the Plainview team two months ago.

Like other teams in the district, Plainview has a center who backs the line in a sensational manner. He is Lewis, a find of this year. Plainview's small but effective J. D. Smith, right guard, is another creation of Pruitt's.

With the exception of the giant Wheeler, the weight of the two teams will be nearly even. Coach Pruitt will have a couple of 185-pounders on the bench who might be inserted into the lineup to give the Bulldogs more weight, but they have not been listed in the starting lineup this season.

Harvester coaches this week will polish up on offense, especially on ball handling. Fumbles in the last two games have been numerous and costly.

MATHEMATICS CLASS NEEDS TWO STUDENTS

SKELLYTOWN, Nov. 14 — Ten members have enrolled in a class in elementary mathematics but two more are necessary before instruction will be available. Persons interested are urged to be at the school building at 7:30 o'clock tomorrow night.

Classes in natural gas are now under way with 24 enrolled. John A. McCutcheon of Pampa, graduate of Texas university with his Master's degree, is instructor. Classes are conducted on Monday and Thursday nights at 7:30 o'clock.

WHITE DEER IS MAULED 34-0 BY NEIGHBORS

HUGE PANHANDLE TEAM CONTINUES MARCH TO TITLE

BY HARRY E. HOARE
WHITE DEER, Nov. 14.—Friday 13th was just another day to the huge Panhandle Panthers of Coach Pat Gerald who opened up a second half touchdown barrage to swamp the White Deer Bucks 34 to 0 and keep their season record clear of defeats.

Led by C. Sparks, big quarterback, the Panthers didn't bother to wear themselves out smashing at the White Deer goal line for touchdowns but made long runs responsible. Eighteen yards was the shortest touchdown run by Panhandle backs while the distance event went to C. Sparks with a 45-yard run on an intercepted pass.

Panhandle rang up 15 first downs to 3 for the Bucks and outgained the fighting victims in the air and on the ground. The Bucks made only one first down in the opening half, it coming on the first series of plays after the kickoff.

The entire Panhandle team played sparkling ball with C. Sparks, N. Sparks and Crawford doing some heroic work both offensively and defensively. Paul, Howe, Barrett and Stern led the defense and also opened wide holes in the White Deer line.

With C. A. Austin crippled with a bad ankle, the Bucks attack and defense was badly handicapped. Austin had to be relieved three times during the game. White relieved and did some effective passing. It was Hines, however, who was the Buck standout. He caught several passes and played a sensational defensive game. Harrah, after giving a pitiful performance in the first half, came back strong in the closing stanzas to shine along with Russell, Staats and Osborne.

The opening quarter of the game was featured by the White Deer defense, which time and time halted the Panther attack, and by C. Sparks' sensational punting. Once the big fellow put the ball out on the White Deer 2-yard line. A few minutes later he hit the chalk on the 4-yard line. Midway through the second quarter, the Panthers drove the Bucks 12-yard line where Compton recovered a fumble. After the kickoff, Crawford raced around his right end behind the perfect interference of Anderson and C. Sparks to go 32 yards for a touchdown. C. Sparks added the extra point.

Panhandle opened up midway through the third quarter after Austin had passed 29 yards to Hines on the Panhandle 30-yard line for the first penetration into Panther territory. The drive bogged down at that spot and after an exchange of punts, C. Parks scurried 17 yards and then clipped off 38 paces through left tackle, shaking off three Buck tacklers, to race for another touchdown. He again added the extra point.

White, relieving the injured Austin, flipped three successive passes to Hines before having to punt. C. Sparks stepped off 54 yards to the White Deer 33-yard stripe at the quarter. White Deer held and after an exchange of punts and short gains by Panhandle, C. Sparks raced 28 yards for his second touchdown. He missed the try for extra point.

Smith packed up 21 yards after an exchange of punts and then C. Sparks passed 25 yards to Paul on the White Deer 18-yard stripe. N. Sparks on the next play went for pay and C. Sparks added the extra point.

After the kickoff, C. Sparks intercepted a White Deer pass and ran 45 yards for a touchdown and then he added the extra point.

Panhandle, by the victory, won the right to meet Perryton in a bi-sectional playoff. The meeting will be at Harvester park in Pampa on the afternoon of November 21 at 2:30 o'clock.

The starting lineups:

Panhandle	Pos.	White Deer
Paul	LE	Harrah
Harris	LT	Russell
Howe	LG	Woods
Eagle	C	Pipes
Anderson	RG	Staats
Barrett	RT	Osborne
Watts	RE	Compton
C. Sparks	QB	Austin
Crawford	RB	Russell
N. Sparks	RH	Gaston
Smith	FB	Moore

TEXAS AGGIES DEFEAT UTAH STATE 20-7

THIRD VICTORY IN 8 DAYS PILED UP BY TEXANS

SALT LAKE CITY, Nov. 14 (AP)—Texas A. & M.'s touring griders outplayed Utah university's football stalwarts in a rugged battle in the bowl today, 20 to 7.

The victory was the brilliant Texans' third in eight days. Last Saturday they drubbed Southern Methodist and on Armistice Day University of San Francisco fell victim to a sensational passing attack.

That vaunted Texas aerial circus had an off day against the Indians, however, but a human dynamo, Homer Pitner, 185-pound halfback, more than made up the difference.

Rivalling Pitner for individual honors was Karl Schleckman, giant Utah tackle.

It took the Aggies only seven minutes to reach touchdown soil. Accepting a punt on their 26, the Aggies reeled off a series of first downs to Utah's 20. Southpaw Jim Shockey whipped an aerial to quarterback Richard Vitek for first down on Utah's 7. Pitner scurried thru center to score. William Boyd, halfback, was rushed in to placekick the extra point.

The Indians, thanks to a 27-yard punt return by Reserve Quarter Newell Call, romped to a first down on Texas' 14 near the end of the first period, but Owen Rogers, reserve halfback, intercepted a pass.

Pitner ripped a hole through Utah's line in the second period, racing 30 yards to midfield. Shockey booted through another gaping opening to Utah's 18 and Pitner dashed to the Utes' 2-yard line. Pitner crossed standing up.

Five minutes later, Utah tallied its lone touchdown on a freak. Tacklers swarmed over Quarterback Milton Mechem on the Texas 45. He flipped a wild pass. Halfback Sterling Jensen stole the ball as it bounced out of a dozen eager hands and sprinted 25 yards to pay turf. Bernard McGarry's placement was good.

After a hapless third period, the Texans opened up in the final quarter for their final points.

Center Charles Deware intercepted a pass on Utah's 38. Pitner made a first down in two tries, then added another in the final minutes of the 10. Pitner lateraled to Shockey, who crossed standing up. Boyd once more hurried in to add the extra point.

PROFS OVERWHELMED 34 TO 7 BY RICE

HOUSTON, Nov. 14 (AP)—Rice reserves who had warmed the bench week after week went into action today and whipped the game Bearkats of Sam Houston State Teachers college, 34 to 7, before a crowd of around 4,000. It was a ragged game, neither team taking advantage of the breaks or being able to get in any spectacular play.

Aside from Jack Schuehle, the Bearkats' backfield was composed entirely of sophomore reserves and Schuehle played only 5 minutes. Steen, right end, was the Owl regular in the line. None of the remainder of the usual Rice starters played, Coach Jimmy Kites saving them for the Texas Christian battle next week.

The Bearkats scored on their only sustained thrust, a forward, Callahan to Kivell, bringing a touchdown after Callahan engineered a line drive from midfield to the 14. Rose converted the extra point.

The Rice Owls came alive then and scored twice in the period.

After several punt exchanges in the third, Mecher went through center to score from the 2. Brandon failed to convert. They scored again, Daugherty converting.

BAYLOR BEARS WHAM SOONER AGGIES 13-0

STILLWATER, Okla., Nov. 14 (AP)—Baylor university's Bears rammed over two touchdowns in rapid succession in the final period, after being held scoreless for three quarters, to whip the Oklahoma Aggies, 13 to 0, in the annual "Parents Day" football game today.

Led by Captain Dormer Browning, Coach Ted Cox's Aggies put up a gallant stand most of the afternoon although they didn't make an offensive threat in the ball game.

The Bears finally resorted to the old "Statue of Liberty" play to score their first touchdown. On the second play of the final period Lloyd "Crooner" Russell, captain and quarterback of the Bears, sprinted behind Billy Patterson, took the ball from his outstretched hand and galloped 26 yards across the goal line.

Clarence Germand kicked the extra point.

The Aggies took to the air in the closing minutes of the game. They tried to pass in their own territory and Germanid intercepted a heave by Allie Reynolds on the Aggie 42-yard line.

COWBOYS WIN ABILENE Nov. 14 (AP)—Held to a field goal for three quarters, the Hardin-Simmons Cowboys went on a ruthless fourth period stampede this afternoon to crush their old rivals from Howard Payne college, 31 to 0.

Baugh's Passes Vanquish Centenary In One Period

26 to 0 Licking Given Gentlemen at Cowtown

FORT WORTH, Tex., Nov. 14 (AP)—In one period of brilliant offensive play, Sam Baugh threw two touchdown passes today and then retired to the sidelines to watch his inspired Texas Christian University teammates trounce the Centenary Gents, 26 to 0.

It was the worst licking the tricky Gents, for many years the nemesis of Southwest conference, had taken this season.

The same ruthless scoring tactics the Horned Frogs featured in all their recent games gave them two touchdowns on Baugh's passes within ten minutes after the opening kickoff.

Taking the ball on their 48-yard line, the Horned Frogs went to the air on the first play. Baugh rifled a bullet pass to step into the 18 yards. The big, rangy end took the throw in the wide open flat zone, without a Centenary man close to him.

Roberts and McCall battled thru the Centenary line to the 25-yard line and then Baugh cocked his arm, heaving to Walls, wide open again.

Walls twisted through the Centenary secondary and lunged across the line. Roach licked the point from placement.

Three minutes later the Horned Frogs were hammering again at the Centenary goal line.

They again gained the ball on their 48 and Baugh passed to McCall for nine yards. The next play McCall slipped off tackle for 16, putting the ball on the rattled Gents' 23.

Baugh completed the route by passing over the goal to McClure for the touchdown. Roach missed the kick for extra point.

Coach Dutch Meyer jerked the big back and most of the other first stringers, sending in his "hold 'em" squad, led by tiny Quarterback Davey O'Brien.

But, in the second half, they drove across for two more touchdowns.

Bowman was forced to kick out on his 49 after the third period kickoff. O'Brien opened up with passes, connecting with Walls over center. Walls snagged the throw on the Gents' 30 yard line and lateraled to Montgomery, racing down the sideline.

Montgomery, utterly clear, dashed across the goal line untouched by a Centenary man. Roach failed in an attempt to pass for the extra point. The first string then scored again.

ROSE BOWL CINCHED
SEATTLE, Nov. 14 (AP)—The University of Washington virtually cinched the western bid to the Pasadena Rose Bowl game New Year's Day, bowing over the University of Southern California, 12 to 0, today to move within one game of the Pacific coast conference football title. The worst the Huskies can face in their final conference battle with Washington State college here Thanksgiving Day is a tie with the Cougars for the title.

PAMPA DESCENDANT OF MILES STANDISH RECALLS TREK WEST FROM OHIO IN DAYS OF 1879

Tells of 30-Day Trip To Kansas in Covered Wagon

In the driveway of a modern home sat a late model sedan, ready to take a couple of vacationers on their way.

In the doorway of the home stood a grandmother, patiently listening to last-minute details from a daughter-in-law as to the care of three children she was leaving with grandmother.

Though she listened patiently, it was easy to see there were other things on her mind.

In her mind flashed childhood memories of 57 years ago that very day, when only three years old, she landed in Butler county, Kas., in a covered wagon, ending a 30-day journey from Dawn, Ohio.

It was evident she was noting in her mind the difference then, and now. The miles these two vacationers would cover their first day, and the long, slow journey that she once had taken.

Family Starts West.

Leaving Ohio Sept. 12, 1879, the family had started west. Why? Because the cry from the "Go west, my boy, go west." Her father, anxious to have something better, started, as many other families did. His goal was the California gold mines, but Kansas was as far as they got.

Her memory has come down through all the years, yet still travels back to that home in Ohio.

Born during Garfield's administration, this grandmother, now Mrs. R. E. Partridge, of Phillips Pampa plant, has had the honor of having her genealogy traced back to descendants of Miles Standish. Her grandfather, whose name was Deming, came to America from England.

Her very earliest recollection was of riding early the morning in the engine cab of a train. The railroad ran just in front of their little country home. She would get out of bed early in the morning, go out and sit on the gatepost until the train came, where it usually switched on another track and waited for other trains. Because she was so small, her hair and eyes so black, and a pretty child besides, she was attracted to the engine. He often let her climb into the cab and ride as they switched. Several times she was punished for going out in her long white nightgown. A three-year-old now would hardly know what one was.

Travel in 3 Wagons.

The trip from Ohio to Kansas was a long one, and took three wagons. One for furniture, one for their beds, and a spring wagon. They bought milk, butter, eggs, and bread from farmers along the way, and did all their cooking over a campfire. Cakes and hoes were few and far between, and "filling stations," well, oats took the place of gasoline.

The early days in Kansas reminded her a lot of the Texas plains. There were trees, and the wind blew a lot. The first big dust storm was mistaken for a cyclone, and everyone went to the cave, but later they learned they were just a part of Kansas.

Kansas had three rights by which settlers could own their homes. Homestead, timber claim, and pre-emption. The timber claim, which her father proved, required a certain amount of trees. Because of this requirement Kansas has a great many trees.

Neighborhood Shopper.

They lived 12 to 15 miles from any railroad, which was equal to 50 then. Whenever one of the neighbors went to town he shopped for the whole neighborhood, and was mailman as well. The trip took a whole day.

The late race between Roosevelt and Landon brought back to Mrs. Partridge more childhood memories, when Cleveland was running for president.

The school children didn't seem much excited over the race, but there was altogether a different attitude in that little country school years ago. They took it seriously, chose up sides, and voted to beat the band. The Republican side would

led some. The rain-makers don't seem to be called on much any more.

The biggest disappointment of a child's life was to miss going to Peabody on the Fourth of July, she says.

Whenever Grandmother Partridge hears people saying, "They're going crazy over baseball!" she just laughs and thinks of the time a big team came to Peabody, both men and women. If ever people went crazy they did then. The country was completely deserted for miles and miles around for everyone was there to watch these teams play. They were all dressed in red, and there was quite a contrast in the women's suits then and now.

Her happiest hours were spent in helping her brothers tame calves to pull carts, and playing on the old Santa Fe Trail. They would follow it a long way, and they would wonder where it went and where it ended. Not long ago it was all answered when in Santa Fe, N. M., Mrs. Partridge learned that the La-Fonda hotel is at the end of the Santa Fe Trail.

In New Mexico is a town named Deming. It was named for a cousin of the Deming family who also had started on the gold rush.

NEW FORD V-8 NOW ON DISPLAY AT ROSE MOTOR CO. SHOWROOMS

Pampans got their first glimpse of the new 1937 Ford V-8 yesterday when two of the 85-horse power models and one of the 60-horse power models made their debut before the public at the Tom Rose Ford Motor Co. show rooms.

A pre-showing was given Friday evening for garage men, mechanics, and service station men.

While the two 85s held their share of attention, major portion of the public interest centered in the new 60-horse power two-door sedan which this year brings to the Ford line lower operating costs, and the lowest Ford price in years.

This new model, of which only one could be obtained for opening display in Pampa, is optional in the 5-window coupe and in closed sedan types without de luxe equipment.

Beyond the choice of the two-powered engines, the 1937 Ford V-8 is one car—in size, roominess, appearance, all-steel body, safety brakes, comfort and mechanical excellence.

The lines have been changed. This new Ford car is patterned after the Lincoln Zephyr, another and higher-priced Ford product. It has advanced streamline design.

Another feature of the car is fine quality upholstery which now is the same as found in automobiles in the upper price brackets.

It is a wide, roomy car with a low center of gravity—curves flowing fast from front to back and from side to side. Headlamps are recessed in the fender aprons, and it has a modern lid-type hood hinged at the back. The new all-steel top sweeps back from the windshield in an unbroken line. All closed types types have a slanting V-type windshield that opens. Not an ounce of wood is used to attain the structural strength of the 1937 Ford.

Mr. Rose Saturday was enthusiastic and extended an invitation to the motoring public to attend the Sunday display of the three models at the Rose Motor Co. show rooms.

Mr. Rose has been handling the Ford line in Pampa for upwards of 13 years. He is sole owner of the local company.

LUNCHEON ANNOUNCES ENGAGEMENT OF MISS DALY, MR. ROGERS

Tea Is Compliment For Recent Bride

Former Miss Pope Is The Honoree Yesterday

Entertaining with a tea yesterday afternoon, Miss Zenoelia McFarlin and Jeanne Stennis complimented Mrs. Reagan Peeler, who was Miss Claudine Pope before her marriage last week, at the home of Mrs. F. C. Ledrick.

The vivid colors of chrysanthemums brightened the rooms, and a beautifully arranged floral piece centered the tea table. Mrs. Clinton Henry, sister of the honoree, and Mrs. Harvey Todd poured tea and coffee.

Miss LaVerne Ballard presided at the book where guests registered and while Miss Helen Marie Jones played violin solos. Before a shower of beautiful gifts was presented, Mrs. A. H. Doucette sang I Love You Truly, accompanied by Mrs. Mel Davis, and Mrs. R. M. Klinger sang Love Sends a Little Gift, with accompaniment by Miss Jill Jones.

The guest list included Misses. Dave Pope, Lynn Boyd, Clyde Fatherson, V. E. Fatherson, T. D. Hobart, Doucette, Davis, Siler Faulkner, W. Purviance, Mack Graham, John V. Andrews, G. C. Walstad, Ed Carson, Todd, Klinger, A. A. Tiemann, Joe Vincent, E. E. Finley, W. R. Ewing. Misses Clinton Henry, J. McFarlin, S. D. Stennis, W. E. Bounds, Lee Ledrick, Sam McCullough, William M. Craven; Mrs. Fred Hobart of Canadian, Mrs. Cooper of Amarillo, and Mrs. F. C. Ledrick.

Misses May Blair, Lema Jane Butcher, Josephine Thomas Angela Strnad, Lillian Mullins, Clara Brown, Ballard, Fern Hughey, Wilma Chapman, Kathleen Milam, Sue Winslow, Jill Jones, Helen Marie Jones.

Student Fund to Receive Benefit From BPW Dance

The student fund of Business and Professional Women's club will be swelled by proceeds of a dance on Thanksgiving eve, Nov. 25, for which tickets are on sale now by all club members.

The dance will be at Schneider hotel, beginning at 9 o'clock. Phil Phillips' orchestra, popular with Amarillo dancers for several months and heard here at a recent dance, has been engaged to play that evening.

Students who otherwise will be unable to continue their education will be assisted with funds raised by the dance. The club maintains a fund for student loans, and in the past has helped a number of girls stay in school.

New M. E. Church Year Is Started

Today marks the beginning of a new church year at the First Methodist church, and the Rev. Will C. House, pastor, who was returned for his second year by the Methodist conference, held recently in Houston, will preach at both services. Dr. House will use as his subject for the morning service "Earthen Vessels." The evening services will commence at 7:30 and the message will be "The Lure of the Present." The public is cordially invited to both services.

On Wednesday of this week, members and friends of the church are invited to a covered dish supper in the dining room of the church at 7 o'clock, in honor of Dr. and Mrs. House. The women of the Woman's Missionary society will sponsor this dinner.

Pretty Shower Is Given Friday for Mrs. S. Sherrad

Mrs. Alvin Johnson, Mrs. V. O. Lawrence and Mrs. C. W. Lawrence were joint hostesses in the home of the latter Friday morning, honoring Mrs. Skeet Sherrad. Guests were enjoyed, and Mrs. J. C. Koen and Tracy Cary played piano and accordion solos.

Little Miss Marjorie Lawrence created excitement when she came in to tell the guests to close their windows, as a shower was coming. The shower arrived immediately—an array of gifts presented in a small cradle.

After they were inspected, apple sauce cake and coffee were served to the honoree and Misses Dale Folsom, Tom Price, W. E. Noblitt, Koen, C. E. Cary, A. A. Tiemann, Weldon Wilson, Clarence Qualls, Tracy Cary, H. M. Cone, H. E. Barnhart, and Miss Willie Isbell.

Gifts were sent by Misses A. H. Doucette, Walter Biery, Hugh Isbell, K. R. Taylor, Hazel Wilson, Walter Lewter, Bessie Hartin, Walter Nelson, James Todd; Misses Virginia Mason, Anna Mae Gotcher and Midge Tiemann.

Paris Forecast

The war influence is reflected in Erik's helmet toque (above) of black felt and plush, relieved only by a coral-red braid circling the crown for contrast. Rose Valois' Corinth-red velvet toque (below) literally nestles on the head for it is trimmed with tiny birds shading from deep red matching the velvet to dusty pink.

WINTER RECESS IS STARTED BY GARDEN CLUB

Mrs. Schoolfield Is November Program Leader

The last meeting of the Garden club until February was conducted at city club room Friday morning, with 45 members present. The organization will take its annual recess for the next two months, meeting again in time to make spring gardening plans.

Mrs. H. C. Schoolfield was program leader. She discussed What to Do in November, saying that the month was a quiet one for the gardener. She quoted the verse: Apple-green west and an orange bar, And the crystal eye of one lone star . . . And, "Child take the shears and cut what you will; Frost tonight—so clear and dead still."

Suggestions for winter care of the garden and lawn were made by Mrs. Lynn Boyd, Mrs. R. B. Fisher gave a timely talk on unusual Christmas decorations for the interior and exterior of the home, reminding members of the home decoration contest to be conducted here this Christmas.

Famous Gardens of the South was Mrs. Bert Curry's subject, and Mrs. Ewing Leech discussed Nomenclature.

Bill Frank Deaton Has Birthday Party

Honoring the fourth birthday of her son, Bill Frank, Mrs. J. S. Deaton entertained a group of children at her home on the Wilcox lease east of Pampa Monday afternoon.

Thanksgiving colors and favors marked the party. The hour was spent in games. The many gifts were opened, and refreshments were served.

Those present were Mary Jean and Ottolene Patton, Joyce Ferguson, J. W. and Lynn Darden of Borger, Jackie Oliphant, Willard Moore, Fred K. Ferguson, Jim Hollingswood, the honoree, and Mrs. Willie Darden, Mrs. Jack Oliphant, Mrs. Evelyn Hollingswood, Mr. and Mrs. J. S. Deaton.

VISITOR FROM DOWNSTATE IS CLUB'S GUEST

Contract Club Has Two Extra Tables For Party

Mrs. Gertrude Forrest of Fort Worth was an out-of-town guest, and eight other special guests were present for the party given by Mrs. Mel B. Davis for Contract Bridge club at her home Friday afternoon. Mrs. Forrest is the house guest of her sister, Mrs. Siler Faulkner.

Other club guests were Misses. Reinhardt, Alfred Gilliland, Ed Bisset, W. D. Kelly, George Rainouard, Dan Gribbon, Clinton Henry, and Alex Schneider. Members present were Misses. Faulkner, M. F. Roche, P. D. Keim, J. H. Kelley, Phillip Pond, T. F. Smalling, and A. B. Zahn.

"Home Relation To Character" Is P-TA Theme

AUSTIN, Nov. 14—"Relation of the Home to Character Formation" is the theme of the annual state convention of the Texas Congress of Parents and Teachers which will be held in Fort Worth November 16-19. More than 1,000 delegates are expected to attend this conference which will have its headquarters at the Texas hotel.

Mrs. M. A. Taylor of Bonham, president of the Texas congress, will preside at the session of the twenty-eighth annual meeting and Mrs. Noyes Darling Smith of Austin, third vice president of the national congress, will represent the national organization.

Climax of challenges to parents and teachers during this session will be the youth panel Thursday morning. Miss Chari O. Williams, Washington, D. C. school education chairman of the national congress and field secretary of the National Education association will lead this panel. Her questions will be directed to a high school girl and boy, a rural girl and boy and a college girl and boy. The questions which bring with them human interest are: "What does youth want?" "What do we want for youth?" "What are communities doing to help youth?"

"What is the relation of youth to public welfare?" At the Wednesday morning session Miss Mary England of Montgomery, Alabama, chairman of membership in the national congress and also on the staff of the Alabama department of education, will speak on the subject "Building for Permanence and Power."

A tribute to women who have been state presidents of the organization will be led one evening by Mrs. H. B. Chamberlain of Henderson, state historian. Under the topic "Out of our Past" the leader will present former presidents and their work. In this group are: Mrs. Ella Caruthers Porter of Dallas, founder and first president; Mrs. Chalmers W. Hutchison, Fort Worth; Mrs. F. W. McAllister, San Antonio; Mrs. S. M. N. Marrs, Austin; Mrs. C. E. Maddocks, Ranger; Mrs. Noyes Darling Smith, Austin; and Mrs. A. F. Wood, Athens.

Miss Stephenson And Mr. Hand Wed

SKELLYTOWN, Nov. 14—Miss Jewel Ray Stephenson, daughter of Mr. and Mrs. D. B. Stephenson, and Floyd Hand, both of Skellytown, were quietly married at Pampa last week. The Rev. C. E. Lancaster, First Baptist minister, read the nuptial vows.

The bride was attractive in a royal blue dress with blue accessories. Accompanying the couple were Mr. and Mrs. J. A. Hand, Miss Lottie Hand, and Leonard Fisher, all of Skellytown.

Mr. and Mrs. Hand are at home here to their friends. They were honored with a dinner in the Stephenson home after the ceremony.

Open House Brings Parents to Visit At Woodrow Wilson

Woodrow Wilson school closed a successful observance of Education week Friday, with open house in all rooms throughout the day. Dozens of visitors registered as they attended the classes and saw displays of the pupils' work.

A gift presented to the school during the week was a picture, given by L. E. Keck. It has been hung in the main hall. A special chapel program, evening meeting of the Parent-Teacher association, and numerous visits from parents and friends of pupils have marked the week.

Miss O'Keefe, Mr. Price To Wed Today

Parties Follow Her Marriage

Mrs. Reagan Peeler, before her marriage on Nov. 6 Miss Claudine Pope, is being complimented with parties by her friends. She was honoree at a shower yesterday in the home of Mrs. F. C. Ledrick. Mrs. Peeler is the daughter of Mrs. Dave Pope.

CHILDREN'S AID FUND GROWS AS 200 PERSONS ATTEND THE KIWANIS CLUB GAME TOURNEY

Bridge and Baccarat Players Donate to Underprivileged

Bridge enthusiasts added about \$145 to the Kiwanis club's fund for underprivileged children when they attended a tournament at the Schneider hotel Friday evening. Thirty tables of contract, 15 of auction, and three of baccarat were in play.

Acting as hostesses were Misses. Howard Buckingham, John Roby, Lawton Nicholson, Alex Schneider, and W. W. Jarratt. The committee in charge was headed by Chris B. Martin, and included Howard Buckingham, Dr. R. M. Johnson, E. W. Voss, H. E. McCarley, and Fred Thompson.

In the contract games, Mrs. Roby scored high for women, Mrs. R. M. Johnson second high, and Miss Corinne Worley low. C. L. Wooley made high score for men, Tom Bliss second, and Allen Hodges low.

Mrs. J. O. Ward took the women's award in auction, with Mrs. J. M. Dodson second and Mrs. A. B. Zahn low. Glen Radcliff made high for men, J. M. Dodson second, and J. H. Hulme low. Fred Cullum was winner at baccarat.

Prizes were donated by various firms and individuals, which club officers yesterday thank their assistance. They included the Blossom shop, Clayton Floral Co., and Knight Floral Co., who gave flowers to brighten the room; Cullum and Son, Hampton-Campbell, Pampa Press, Southwestern Public Service, Texas Furnitures, C. E. McGrew, Deak's, C. R. Anthony Co., McCarley's, Mitchell's, Voss Cleaners, Lee Waggoner Tire Co., Cobb Parts & Equipment Co., and Schneider hotel.

W. F. Dean received the club trophy for the largest ticket sales.

Many Visits Made In Education Week At Horace Mann

Visits to Horace Mann school featured Education week observance. A total of 188 visitors to rooms was reported, in addition to the parents and friends who attended the Parent-Teacher program. Special visitors included the Rev. Joseph Wonderly, Paul Hill, and Joe Gordon of the Kiwanis club, Scout Executive C. A. Clark, Suppl. R. B. Fisher, and John Bradley and C. J. Misset of the local veterans' organizations. Two chapel programs and several room programs were given during the week.

Miss Josephine Thomas, principal, expressed appreciation for the cooperation and interest of parents, teachers, and friends in making the week a success.

In connection with the visiting reports, she added that teachers and room mothers of the school have made 404 visits to homes of pupils this term.

COUPLE PLANS TO MAKE HOME IN SKELLYTOWN

Bride Was Prominent Student Here in High School

Mr. and Mrs. R. C. O'Keefe announce their daughter, Ella Faye, and Willis Traylor Price, son of Mr. and Mrs. Tom Price of Reading, Kan., are to be married in Pampa today, and will make their home on the Price ranch near here.

The bride is a member of a family prominent in Pampa and Panhandle. She was honor student when she was graduated from Pampa high school, was active in class and campus activities and school society, and received the A. A. U. W. scholarship. She has attended Northwestern University and West Texas Teachers college since her graduation.

Former Teacher Is Hostess for Class Luncheon

A covered dish luncheon with a former teacher, Mrs. J. F. Reynolds of Amarillo, took the place of the monthly meeting of the Bethany class of the First Baptist church Thursday. The Thanksgiving theme was carried out in the decorations throughout the house, as well as on the small tables from which luncheon was served.

During the business hour a report was made by each officer of the class, and interesting talks were given by the members in service.

Seed from the pumpkin from which the pies were made, were distributed by Mrs. Watt, teacher of the class, with the request each member plant them next year and report the success of the venture at next November's meeting.

Members present were Misses. J. E. Reeves, T. B. Solomon, E. F. Brain, D. W. Blaton, H. B. Landrum, O. A. Davis, Laura Brown, Chas. Kentling, W. E. Towe, L. A. Baxter, Lewis H. Davis, T. L. Anderson, F. E. Southworth, O. R. Wasson, H. L. Watt, H. C. Wilkie, and the hostess, Mrs. Reynolds.

Visitors were Misses. W. B. Clayton, Parks Brown, T. D. Alford, T. B. Rogers, A. A. Steels, Raymond Reynolds, H. B. Reynolds and Dean, also Mrs. Roberts of Amarillo.

Soul of Church Will Be Subject

"The Soul of the Church" will be the subject of the sermon by the minister, John S. Mullen, at the First Christian church this morning at 11 o'clock. Mrs. Dave Dodge will sing, "My Task," by E. L. Ashford. At 7:30 Mr. Aldrich will sing and there will be a selection played on the vibraphone by Howard House. The sermon will be "A Loyal Follower."

On account of the district convention Wednesday at Childress, there will be no Bible study class here. A large delegation from the church here is planning to attend the convention.

Tuesday, beginning at 10 o'clock, Mrs. Harness, state children's worker, will hold an all day institute at the church for teachers, parents and workers with children. There will be a covered dish luncheon at noon and in the afternoon there will be sessions for the different department teachers. The closing session will be at 7:30 p. m.

Supper Planned To Benefit Band

Woodrow Wilson Band Parents club planned a benefit oyster supper for the next meeting date, Dec. 11, at a business session Friday evening. Proceeds will go to the band fund.

The Friday program, directed by Eugene Seastrand, opened with three band numbers. James Paul Cunningham played the piano, accompanied by Mrs. W. L. Brummett. Mrs. Bob McCoy played a piano solo, and Jerry Barber a saxophone solo.

Two numbers were by the new German band, composed of J. D. Williams, Marilyn Keck, Marjorie Blanton, Billy Waters, John Tom McCoy, Blaine Qualls. Mr. Seastrand played a novelty selection, a cornet solo to which he played his own piano accompaniment.

Today's Bride

Miss Ella Faye O'Keefe, daughter of Mr. and Mrs. R. C. O'Keefe of Pampa and Panhandle, is to be married here today to Willis Traylor Price, son of Mr. and Mrs. Tom Price of Reading, Kan., at the Price ranch north of Skellytown.

MISS CLAYTON COMPLIMENTED BY CLUB GROUP

Friends From Beta Sigma Phi Are Hostesses

Fellow members of Beta Sigma Phi complimented Miss Ann Clayton, whose marriage to Roy L. Kay of Fort Worth is announced for next Sunday, with a smile party Friday evening. Mrs. Era Smythe and Miss Frances Stark were hostesses at the former's home.

Clever invitations in verse asked each guest to bring a can of vegetables. These were later presented to the bride-elect for her first dinner. Games were played during the evening, with losers paying forfeits. When the forfeits were paid, Miss Clayton was the last to be called for a stunt. She was blindfolded, and when the scarf was removed she found a table of gifts before her.

Pumpkin pie and coffee were served after the lovely gifts were opened. Guests were Misses Clayton, Lois Hinton, Jewel Shaw, Lorraine Nicholson, Jewel Binford, and Mrs. Raymond Harrah. Gifts were sent by Mrs. C. T. Hunkapiller, Mrs. C. L. Wooley, Misses Josephine Lane, Myrtle Faye Gilbert, Clotilde McCullister and Minnie Olive Montgomery.

Band Will Care For Instruments

Care of band instruments was discussed in a meeting of B. M. Baker Band club Friday, when 20 members met in the school auditorium. Director W. Postma spoke, and there will be a selection played on the vibraphone by Howard House. The sermon will be "A Loyal Follower."

On account of the district convention Wednesday at Childress, there will be no Bible study class here. A large delegation from the church here is planning to attend the convention.

Winning Essay on Education Week Is Written by Girl

Purposes of Education week were explained in papers written by ward pupils. The following essay, by Colleen Padden, sixth grade pupil at San Houston school, was judged best.

"The main purposes of Education week are to recall to both young and old the inspiring story of America's schools and their contribution to state and national life, and to call attention of the community to new services the school gives in response to social demands and needs.

"The progress and the starting of the American school system have been very slow. For a long time children under seven years of age were not permitted to attend school, and only then under the condition that they had already learned to read. "The first kindergarten in the United States was in the home of Mrs. Carl Schurz in Watertown, Wisconsin, in 1855. Later another was opened by Miss Louise Frankenburg in Columbus, Ohio, in 1858. "The American school system has progressed much in the last 10 or 15 years, with the new establishment of a health department and character building. Things have changed and now we have a child's school instead of a textbook school."

WEDDING WILL BE SOLEMNIZED HERE NOV. 28TH

Plans Revealed as Mrs. John A. Daly Entertains

Announcing the engagement of her daughter, Catherine Regina, to Walter E. Rogers, Mrs. John A. Daly entertained with a luncheon at the Schneider hotel yesterday. The date set for the wedding, Nov. 28, was also announced.

Deep-toned chrysanthemums formed the lunch table centerpiece, and the same colors in pompon chrysanthemums appeared in corsages at the places. To each corsage was fastened an orange colored scroll lettered in brown, revealing the engagement of Jean and Walter.

The guest list included Misses. R. E. McKernan, W. H. Davis, Bill Kelly, Walter Biery, Tom L. Wade, Jack Culp, A. J. Holland, Frank Hill, Frank Carter, Lynn Boyd, and John Sturgeon; Misses Lona Willis, Hazel Ligon, LaVerne Ballard, and Fern Hughey.

Miss Daly has been a popular young resident of Pampa several years. She is a graduate of St. Mary's college at Notre Dame, Ind., which she attended after preparatory work at Monte Casino Hall, Tulsa, Okla. Mr. Rogers, son of Mr. and Mrs. P. G. Rogers of Sherman, has been with a law firm here the past year. He was graduated from the law school of the University of Texas.

First National Bank In Pampa. Member Federal Deposit Insurance Corporation. [QUESTIONS THAT ARE ASKED ABOUT BANKING] "Why are Bankers usually conservative?" A BANK is a semi-public institution. It receives money from depositors and lends that money to borrowers. In order to safeguard the funds of depositors a bank must be conservative in loaning their money. Banks are anxious to make good loans—for their livelihood is derived primarily from this source. Yet safety—not profit—must be the first consideration. Consequently, it is not the function of a bank to indulge in speculation, or to make speculative loans, however promising they may seem. Conservative banking policies do not, however, stand in the way of genuine community progress. In fact, they go hand in hand. The permanent, carefully-built progress of any community—not the false, temporary progress of sporadic booms—is dependent usually upon the alert foresight and conservative, experienced judgment of its business men and bankers. MASTERPIECES IN CHIC "Dual Design" Dresses. Fashioned for Women with a Flair for Youth \$19.75. Outwardly they're unmistakably Youth—so obviously youthful you'd presume they were misses' dresses in misses' sizes. But no—they're Dual-Designed, a shrewd innovation conceived to give the smartly-dressed American Woman all the dash, the verve, the trim lines heretofore confined to smaller sizes—rarely found in Sizes 38 to 44, and 16 1/2 to 24 1/2. Two designers create Dual-Designed Dresses. One a specialist in misses' fashions, the other an authority on women's clothes. Put them both together and you have a new, a modern, an utterly revolutionary step forward in ready-to-wear fashions to flatter a Woman. Murfee's, Inc.

'Pigskin Parade' Is Called Funniest Grid Film Of Year

Halfbacks, laugh-backs, tune takers, co-ed cuties, Boola-Boola boys and gridiron heroes clown on the campus, swing on the football field, dance on the sidelines and romance in the stands in "Pigskin Parade," the uproarious Twentieth Century-Fox musical football hit that will open Friday at the LaNora theater.

Featuring a cast hand-picked for entertainment, including Stuart Erwin, Johnny Downs, Arline Judge, Betty Grable, Patsy Kelly, Jack Haley, the Yacht Club Boys, Dixie Dunbar, Anthony Martin and Judy Garland, the film is a flip, fast football frolic, punctuated with torch tunes and highlighted with campus romances.

Merrier than "Thanks a Million" and swifter than "Sing, Baby, Sing," "Pigskin Parade" scores a smashing entertainment touchdown as it tells the hilarious story of a small blackwoods college, invited by mistake to play Boola-Boola in a big intercollegiate game.

Through an error, Yipee university receives the invitation meant for another school in the state. Peopled with amazement the coach, Jack Haley, and his wife, Patsy Kelly, hastily accept before the bid can be recalled.

Aghast at their error, Boola-Boola immediately begins a mammoth publicity campaign extolling the prowess of the Yipee boys and their amazing adeptness at the forward pass.

This gives Patsy an idea and she persuades Haley to use the school's basketball team, intercollegiate champions, in the backfield.

Flipping the pigskin around in amazing manner, Yipee first demoralizes and then demolishes all of its opponents. Their wild climb to national fame is checked, however, when the fullback breaks his leg.

Disconsolate, the school's spirit is revived with the discovery of Stuart Erwin, a hill-billy who flips muskmelons fabulous distances. Erwin is pressed into service in the backfield, and proves a sensation although he refuses to wear shoes and insists on playing barefoot.

After a riotous series of mirthful incidents, Yipee arrives at Boola-Boola for the big game, and ends in a tornado of mirth in one of the most boltrously funny and exciting football games ever played.

The entire cast is great in their

respective roles. "Stu" Erwin, Jack Haley and Patsy Kelly are terrifically funny, while Johnny Downs, Arline Judge, Betty Grable, Anthony Martin, Dixie Dunbar and Judy Garland provide fast-moving, flip-cracking collegiate romance.

The Yacht Club Boys, remembered for their sensational success in "Thanks a Million," stop the show with their hilarious numbers as they turn the tiger loose.

Yes! for youth! Laughing, singing, dancing, swinging, in this rollicking comedy of laughs, laughs, laughs, Lew Pollack and Sidney D. Mitchell wrote the song hits, while Harry Tugend, Jack Yellen and William Conselman authored the screen play, based on a story by Arthur Sheekman, Nat Perrin and Mark Kelly.

Darryl F. Zanuck selected David Butler to direct the film, with Bogart Rogers associate producer.

ROSE BOWL WILL OPEN AT REX THEATER TODAY

While major college teams in the United States are still battling for the glory of being a contender in the annual Rose Bowl classic, Paramount slips in a side-splitting riot with that yearly classic as its theme. "Rose Bowl" which shows at the Rex today and tomorrow includes a typical Hollywood collegiate cast composed of Tom Brown, Eleanor Whitney, Larry Crabbe, William Frawley, and Benny Baker.

Uproarious situations that arise through campus loves of the principals are intermingled convincingly with the unheard of invitation of a jerk-water town to participate in the Rose Bowl game.

Throughout, the picture maintains a gay, youthful quality. Good football, which has been included intelligently, shares with comedy situations and the romance of college boys and girls, to an extent that Rex patrons will find the picture different from any football film they have previously seen.

Farmers were given free seed in 1893 as an inducement to plant cotton in Hall county, Tex. Now it is the county's major crop.

LA SHIRLEY IS MINSTREL IN DIMPLES FILM

LITTLE TEMPLE SINGS THREE SONGS IN PICTURE

Shirley Temple's latest picture, "Dimples," which shows today thru Wednesday at the LaNora gives the little mistress of the screen one of her best roles. It is similar to her other pictures only to the extent that you'll love her... laugh at her faithful but rascally father... and wink away a tear or two during her hardships.

Shirley's new story opens with her reigning queen of the bowery with a troop of harmonica playing children whom she leads in street performances trying to make a living. Intervention of a wealthy spinster, who is caught by the wiles of Shirley, connects her with the show of the spinster's son. During her stage career in the picture, America's darling dances new dances, and sings six new songs including "He Was My Daddy," "Picture Me Without You," "What Did the Bluebird Say?"

One of Shirley's strongest supporting casts includes Frank Morgan as the rascally father; Robert Kent, Helen Westley, and the inimitable Stepin Fetchet, who would steal the show in many places if it were not for the outstanding merits of America's little No. 1 actress. New Mirrophonic Sound, which has been installed only two days, brings out a richness of Shirley's personality that you have never seen before.

A locust thorn found in the heart of a tree trunk at Sherman, Texas, was believed imbedded during a tornado in 1896, when the tree was a sapling.

AROUND HOLLYWOOD

HOLLYWOOD—Elissa Landi is knitting between scenes instead of scribbling in her notebook, and that was unusual.

Working seriously at her second profession (and her novels get published as most movie scribblers' works don't), Miss Landi ordinarily uses those off-stage moments to add to her current mountain of words.

"I was just about to start writing," she responded to the obvious question, "when you came up. I'm glad I didn't—you'd have thought it was an act."

Bright girl, Elissa, and a bright knitter, it was apparent. She was doing "re-takes" on a row of dropped stitches. But the writing career was coming along. Her new book, revised, had gone back to the publisher and she was "hopeful."

Hopeful? Innocently I'd assumed that all an actress-writer had to do was write 'em and send 'em in. Had she ever had a rejection?

"On this one, I did," she said, "I re-wrote it, and now I'm waiting to hear. I like the uncertainty. If I

were sure it would be taken it wouldn't be much fun—certainties never are..."

Elissa for the first time is playing a leading role that is not the leading role. In "After the Thin Man," she plays the woman who is suspected of the murder. (Whether she is guilty she is not quite sure.) And she sounds sincere when she says she would play the maid with a single "Carriage waits, Madame" line for the chance to work under W. S. Van Dyke's direction.

Come July, the Austrian girl who was born in Italy, married and divorced an Englishman, and made

her career in America, will become an American citizen.

"I'd feel old-fashioned," she said, "not to be one. It's a grand thing, to become an American!"

A studio recently purchased 30 acres near its present outlying lot, and is shooting a prison picture there, with quite a bit of gunfire to rattle the quiet of the once serene neighborhood.

Adjoining the new tract but not part of it are several homes occupied by non-movie families. Lately, the movie folk have observed that when they blow the whistle for quiet, ready to shoot a scene, the neighbor-

hood youngsters start playing cops and robbers, tag, or other raucous games. Since their parents, they explain when asked for cooperation

moved way out there to give them a chance to play in peace, the kids don't intend to abandon their innocent pastimes, not for any movie.

The Economy Car in the Low-Price Field

THE NEW 60-HORSEPOWER FORD V-8

It is natural to ask why a 60-horsepower engine is added to the Ford line for 1937. The answer is simply that the smaller engine makes possible a saving in weight—a car that costs less to run—and a lower price.

The 1937 Ford with the new 60-horsepower engine is for those who want maximum economy with good performance. It offers the smoothness and quietness you expect of a V-8—even at speeds up to 70 miles an hour—with gasoline mileage so high that it creates an entirely new standard of economy.

New "60" Meets Many Needs

This Economy Car in the Low-price Field makes the Ford more than ever The Universal Car. It will appeal to families with small budgets. To salesmen who drive their own cars and want to pare expenses to the last penny. To farmers who need a rugged, inexpensive car for bad roads in all weathers. To fleet owners who must hold mileage costs down. To women whose cars are a part of the daily round of family or business duties. To two-car families as a general utility car... and to many others.

Improved 85-horsepower V-8

For those who want maximum performance with good economy, there is the improved 85-horsepower V-8

engine. It delivers the flashing speed and acceleration that more than three million Ford V-8 owners are already enjoying on the road. Yet improved carburetion enables it to give its thrilling performance with unusually good gasoline mileage.

You are invited to see the New Ford V-8 Cars for 1937—in two engine sizes but only one body size—at the showroom of the Ford dealer nearest you.

AUTHORIZED FORD FINANCE PLANS
\$25 a month, after usual down-payment, buys any model 1937 Ford V-8 Car—from any Ford dealer anywhere in the United States. Ask your Ford dealer about the easy payment plans of the Universal Credit Company.

FEATURES OF THE 1937 FORD V-8 CARS

APPEARANCE—Distinctive modern design. Headlamps streamlined into fender aprons. Modern lid-type hood. Larger luggage space and spare tire concealed within body. Interiors entirely new. Slanting V-type windshield opens in all closed cars.

BRAKES—You want two things in a modern braking system. Dependability—and soft pedal action. The Easy-Action Safety Brakes in the new Ford give you both, with "the safety of steel from pedal to wheel." Cable and conduit control type. Self-energizing—car momentum is used to help apply the brakes. About one-third less pedal pressure is required to stop the car.

SAFETY—All-steel construction. Top, sides, floor and frame welded into a single steel unit of great protective strength. Safety Glass throughout at no extra charge.

COMFORT AND QUIET—By every modern standard of design, the 1937 Ford is a big, roomy car. Extra space in the body where you want it—**not** taken up by the engine under the hood. Comfort of the Ford Center-Poise Ride is further increased by smoother action of the long-tapering springs with new pressure lubrication. New methods of mounting body and engine, and other refinements, make this a quieter car.

LET'S KNOW TEXAS AND TEXANS

BY WILL H. MAYES.

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the State and its people. As evidence of good faith inquiries must give their names and addresses, but only their initials will be printed. Address inquiries to Will H. Mayes, Austin, Texas.

Q. What was the period of Clarksville's greatest growth and prosperity? T. E.

A. From 1833 to 1860, during which time it had no important neighboring cities, and received water shipments up Red River to Rowland's landing, 17 miles distant, being a distributing point for a large North Texas territory.

Q. What made Alleyton once a town of much commercial importance? M. B.

A. Alleyton, in Colorado county, three miles east of and across the terminus of the Southern Pacific Ry., from 1860 to 1868, during which it was a marketing and shipping point for a large section of Texas territory, with some trade extending into Mexico.

Q. How many CCC workers are now employed in Texas and at what wages? C. R.

A. At last report, Aug. 31, there were 16,455, who were paid \$30.00 a month each, of which from \$22.00 to \$25.00 was sent to dependents.

Q. What was the customary rate for freight charges in the days of wagon transportation and how does it compare with present rates in Texas? O. R.

A. The wagon rate usually was one dollar per hundred pounds per hundred miles, or about twenty times the present cost on average length hauls.

Q. What renewed Spain's interest in Texas after the gold excitement of the early part of the sixteenth century waned? L. L. K.

A. Spain made little or no effort to settle territory claimed by right of discovery until after Fort St. Louis was built in 1685, but in that year began building forts and making plans to drive LaSalle out of the country and dispute any French claims.

Prior to an earthquake in 1866, Shaking Rock, a balanced boulder at Lexington, Ga., could be moved by the pressure of one finger. The quake destroyed some of its balance, but even now the great stone can be rocked by a small child.

OUT OUR WAY

HOW MUCH FER THIS BEVEL OUTFIT, DEACK?

TAHEETEE? WHERE'S THAT? I NEVER HEARD O' THAT BURG-HOW MUCH FER THESE?

IT'S AN ISLAND IN TH' SOUTH SEAS, AND A VERITABLE PARADISE.

HE'S BEEN READIN' ABOUT A PLACE CALLED TAHITI, IN TH' SOUTH SEAS, AN' HE'S GOIN' TO SPEND TH' REST OF HIS LIFE THERE—WHERE YOU PICK YOUR MEALS OFFA TREES AN' NOBODY EVER WORKS—

OH, HE WON'T LIKE THAT! THAT AINT NO PARADISE, TO A GUY WHO'S WORKED HARD ALL HIS LIFE—IT SHOULD BE A PLACE WHERE MOST EVERYBODY HAS TO WORK BUT YOU—HELL BE BACK!

THE ISLE OF DREAMS

THE FINANCIAL WHIRLIGIG

By LOUIS SCHNEIDER

TEMPORARY.

The flush news of extra dividend declarations is no surprise to Financial Whirligig readers. For months your correspondent has been disclosing that such were in the offing. To Wall Street the news isn't as bullish as the public takes it. These professionals say that the dividends are being paid only because they are forced by tax threats. The same goes for bonus payments to employees. These corporations are distributing the funds so that they will not offset President Roosevelt's "excessive administration costs."

Informed interests say that as soon as the tax situation is corrected extra dividend declarations and bonus payments to employees will stop. The salary increases—it is said—will be taken care of by increasing price levels. It means that in the end the consumer will absorb the charges.

Because of the knowledge that current large cash corporate distributions are non-recurring the big boys aren't adding to share holdings.

DOUBT.

The railroad emergency freight rate surcharges expire on Dec. 31. Carriers are preparing new schedules to offset the \$100,000,000 revenue loss. According to one railroad source the inside dope is that the Interstate Commerce Commission will allow half of the requests. That would give the carriers \$50,000,000 of the decline in revenues.

But that isn't the whole story. The rest is that the I. C. C. will allow those rates only pending hearings at which shippers will have their say. Should the hearings conclude with the I. C. C. opinion that the rates allowed are unwarranted the rails will have to refund the extra collections. Therefore, the railroad rate structure will be in doubt for several months.

NEW.

Union Pacific Railroad has placed orders for \$8,000,000 of new equipment. To banking houses this means the road is to come into the market for the money. With investment funds plentiful an equipment trust issue of that kind could go on a 2 1/2 per cent basis. The funds are to be used for the purchase of twenty high speed locomotives, five coffee shop dining cars and forty passenger coaches.

SHORTAGE?

Crude oil prices have been advanced in Southwest Texas and on the Gulf Coast. California is expected to follow. According to trade insiders this is the forerunner of higher prices for heating and fuel oils.

There was a time when the oil industry operated on seasonal factors.

NEW ORLEANS COTTON

NEW ORLEANS, Nov. 14 (AP)—The cotton market today failed to hold its early gains and ended net unchanged to a point higher.

First prices were the best for the day and the remainder of the session was occupied by a gradual decline down to levels which prevailed at the close of Friday. Dec. ended at 17 1/2, Jan. at 15 1/2, March at 11 1/2 and Oct. at 11 1/2. The average for the season, 8c 1/4, cents advanced yesterday's finish. Dec. 1 1/2%, May 1 1/4%, July 1 1/2%, Oct. 1/2% off to 1 1/2% on Dec. 1 1/2%. May new 30 1/2%, July new 29 1/2%, Oct. 1/2% advanced, Dec. 4 1/2%, and rice showing 1 cent to 1 1/2, cents higher. Dec. 30. Provisions generally varied from 2 cents decline to 20 cents gain.

Corn prices were inclined to sag, despite wheat strength. Receipts and country offerings were somewhat larger, and weather conditions favorable.

Rye and oats synthesized with wheat. Both December and May rice reached new peak prices for the season.

Provisions averaged higher, reflecting demand from shorts.

FATHEREE DRUG BAGS NEW HEALTH CAMPAIGN

Lloyd C. Thompson, director of the Physician's Xpansion Bureau of New York City, was in Pampa last week, accompanied by James E. Lightburne, state director of the bureau, in the interest of the "Better Health" campaign now being conducted in numerous cities. The campaign is being sponsored locally by the Fatheree Drug Store No. 4.

The better health campaign is designed to implant in the minds of the public the fact that modern medicine can conquer virtually every ill of mankind if treatment is begun soon enough. To this end, this firm urges frequent examination by a medical doctor, and each week releases one of a series of better health talks to instruct the public on matters of medical care.

Fatheree Drug Store No. 4, consistent with its ideas of public health, is an ethical pharmacy, where quality is considered of supreme importance, while prices are kept as low as possible, consistent with the high standard of the merchandise carried.

STUDENTS CIRCULATE PETITION FOR COACH

HOUSTON, Nov. 14 (AP)—Houston ex-students of the University of Texas began circulating a petition over the state today requesting the athletic council to get a coach of the "highest type" to replace Jack Chevigny, resigned.

In a resolution drawn up at a meeting of Texas former students, headed by Alva Carlson, president of the Houston alumni organization, the group recommended hiring a man of the type of "Andy Kerr of Colgate, Howard Jones of Southern California, Wallace Wade of Duke or Dana Bible of Nebraska."

Among those attending the conference, and who drew up the resolution to be sent to all former students with a request for signatures of endorsement, were Lester Sette-gast, Joe H. Russell, Dr. W. W. Ralston, Fred W. Moore, George Heyer, Dr. Ghent Graves, W. B. (Tillie) Ferguson, Richard Burns, C. C. (Pip) Dittmar, Joe King, Judge Walter Montheth, Palmer Bradley, Kraft Edman, and Lloyd Gregory.

The petition was addressed to the athletic council and the board of regents of the university.

STAR OF 'ZIEGFELD' AMAZE SID GRAUMAN

Sid Grauman, elated, paced up and down the Chinese theater forecourt for four more famous feet were to leave their impressions in Grauman's gallery of footprints.

The man with the fresh cement was there—the cameramen were poised for action.

Then came the four famous feet, two carrying lovely Myrna Loy; the other two, William Powell.

Grauman had elected to fetter the feet of Myrna and Bill as the most typical "Mr. and Mrs." tooties on the screen in recognition of "The Thin Man," "The Great Ziegfeld," and both "Labeled Lady" and "After the Thin Man" which have not been shown in Pampa.

The crowd looked at their feet and a roar of laughter followed. Powell and Miss Loy were wearing shoes two feet long.

When their laughter ceased, the two stars removed their gargantuan footwear and solemnly returned to the footprint ceremony.

MEMBERS GIVE OPERETTA FOR CLUB IN MIAMI

MUSIC PROGRAM AND PARTY FOR BRIDE ARE HELD

MIAMI, Nov. 14.—The most outstanding club program given this year was an operetta, "Muffs," by Jerome Remick, given Thursday afternoon at the meeting of the Home Progress club at the home of Mrs. Jim Saul with Mrs. Saul and Mrs. Polk Osborne as hostesses. This delightful program began a series of six musical programs to be given by the club.

Mrs. C. T. Locke was director and accompanist for the operetta. The characters were: A Young Husband, Mrs. M. F. Stephens; His Wife, Mrs. Saul; A Young Lady Neighbor, Mrs. Fred Cook; Her Fiance, Mrs. A. L. Muncey. The plot was a note left in the muff, which caused a misunderstanding between the husband and wife.

Lovely refreshments carrying out the Thanksgiving motif were served to a large number of members and four guests, Mmes. Claude McLaughlin, E. F. Ritchey, C. Carmichael and W. W. Davis.

Bride Is Honored
Mmes. W. E. O'Loughlin and T. E. O'Loughlin were hostesses to a charming bride party Wednesday afternoon at the lovely new home of the latter, honoring their sister-in-law, Mrs. Miles O'Loughlin.

After a number of enjoyable games of bridge the honoree was presented with a lovely casserole of ovenware. High score went to Mrs. C. B. Locke Jr. low to Miss Lucile Saxon and traveling prize to Mrs. E. V. Ward. They all received matching pieces of ovenware, which they in turn gave the honoree.

Dainty refreshments were served to Mmes. T. E. Horner, Bill Warde of Atchison, Kas., A. J. Montgomery, Horace Smith, Dale Low, S. J. Montgomery, S. W. Corbin, Buford Low, Locke, Ward, Peiro Dial, Holt Barber, A. C. Wilkin, Clark Mathers, Miss Saxon, Mmes. M. W. Miles, W. E. and T. E. O'Loughlin.

Circus Adds \$94 Proceeds to the Laketon School

LAKETON, Nov. 14.—A capacity crowd attended the Laketon school circus and carnival Thursday night. Almost \$94 was added to the school fund.

The teachers and pupils of the school wish to extend the most sincere thanks to the many merchants in Miami, Pampa, and Mobeetie who contributed prizes for the bingo table and to the large delegation of people representing each town without whom such a successful affair would be impossible.

The loyal workers in the P-T-A, who aided so much this year in preparing for the circus are to be congratulated for their willingness. We hope everyone who attended had a good time and will come back again.

Judge Homer Ratliff Jr. conducted court at the school Friday morning.
