The other two members on the program, Mrs. Arthur Teed and Mrs. Edward H. Damon, joined to bring an interesting topic, Mrs. Teed spoke briefly of comic operas in general and of the brilliant collaborative efforts of Gilbert and Sullivan in particular.

Calotabs Help Nature To Throw Off a Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fourth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminators, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the blood. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

# HOUSTON GOLF TOURNAMENT WILL BEGIN TODAY

## MORE THAN ONE STAR IS DOOMED TO DEFEAT

HOUSTON, Feb. 24 (AP)—A glance at the entry list in the 23 annual Houston country club invitation tournament showed clearly that more than one champion and many bright stars were doomed to defeat.

Among the some 200 golfers from nine states and Mexico grouped in threesomes for the qualifying 18 holes today were four former tourney titlists and many champions of other link wars.

The former champions were Gus Moreland, Dallas wizard who changed his address to Peoria, Ill.; George Rotan of Houston; Johnny Dawson of Chicago, and Ossie Carlton of Houston.

Other laurel winners in other places included Percy J. Clifford, holder of many titles around his home at Mexico City; Ed McCure, often Louisiana champion from Shreveport; Bobby Riegel, Richmond, Va., had now living in Beaumont where he keeps his 1935 southern cup; Jack Malloy, top flighter from Tulsa; Don Schumacher, Texas champion from Dallas; Reynolds Smith, Dallas, Walker cupper; Jack Mungler of Dallas, Southern titlist; Harry Todd of Dallas, 1935 Texas Champion.

Local hopes were centered on Willie McGuire Jr., Houston City champion, and Dick Nauts, former city titlist.

The field of stars also included such shotmakers as Paul Leslie of Louisiana State University and Hank Bodbeer and Gus Nevoivy of Chicago and many others.

# Boxing Tourney Held at Miami

MIAMI, Feb. 24.—Wild slugging and clever boxing featured the first bouts of the Miami high school boxing tournament Monday night.

Twenty-seven rounds of furious fighting proved popular to an unusually large crowd. The tournament, sponsored by the local F. F. A. chapter, will enter into the second and final preliminary round Thursday night.

In the first round: Evan Webb over W. R. Holland; Frank Craig over Cecil Lewis; Bryce Hubbard over Cecil Hubbard; Jack Osborne over Harold Lewis; Don Meador over Leo Graham; Raymond Maddox over Jimmy Morrison; Keith Kivelhen over Kelsey Graham; Claude Chisum over Bill Hefner; and J. P. Murry over Eldon McKenzie.

Twenty-seven rounds, nine bouts of three rounds each, will feature the final preliminary round Thursday night. Bob Crowson vs. Sam Roach; Lewis Locke vs. Frank Craig; J. W. Thompson vs. Leroy Murry; Raymond Maddox vs. Alvin Bengie; Keith Kivelhen vs. Don Meador; Raymond Puckett vs. Junior Hoskins; J. P. Murry vs. Eldon McKenzie; Jim Tom Saul vs. Hecley Lewis; Cecil Hubbard vs. Mark Arrington, are bouts to be fought. Evan Webb, Bryce Hubbard, and Jack Osborne advanced to the finals as a result of the Monday night fights.

# STUDENTS TO PROTEST IF SUTHERLAND QUILTS

PITTSBURGH, Feb. 24 (AP)—Campus leaders threatened today to call protest demonstrations if Dr. John B. (Jock) Sutherland resigns tomorrow as head coach of the University of Pittsburgh's football team because of a disagreement with the university athletic authorities.

Fraternity men, student heads and alumni lined up solidly behind the "silent Scot" and rallied support for the outbursts despite Sutherland's prediction the differences would be settled.

He declared the trouble between him and W. Don Harrison, athletic director, developed over pocket money allowances for the Pitt players after the Rose Bowl game New Year's day at Pasadena, Calif.

# Pampa Will Play Perryton in FFA Cage Tournament

MIAMI, Feb. 24.—The Pampa district F. F. A. tournament will be held in Miami Saturday. Pampa will play Perryton in the first game Saturday afternoon. Miami will play Wheeler, and the winner of the Pampa-Perryton game will play Panhandle to determine who will play the winner of the Miami-Wheeler game in the finals Saturday night.

The 18-inch gold statue, to be presented to the winning team, and the gold medals, to be presented to outstanding players, have already been received and are on display at this time.

**WESLEYAN WINS.**  
GEORGETOWN, Feb. 24 (AP)— Wesleyan college's basketball team last night scored heavily in the closing minutes of play to defeat Southwestern university 30 to 21 in a non-conference game.

**IN TIE.**  
DENTON, Feb. 24 (AP)—Sam Houston's Bearkats were in a second-place tie today with the East Texas Teachers by virtue of a 28 to 27 basketball victory last night over the North Texas Eagles.

# SMU Wins Southwest Cage Championship First Time

DALLAS, Feb. 24 (AP)—For 13 years Southern Methodist university's cage teams have been knocking at the Southwest conference throne room and today they were in—for the first time.

It fell to the Ponies' perennial rivals from Fort Worth, Texas Christian's Horned Frogs, to be on the losing end of the game that won the conference championship for S. M. U. The score was 34 to 22.

The victory established another athletic milestone for S. M. U. In that the basketball championship was the first conference title the school had won in any sport except football.

Coach Jimmy St. Clair's Ponies have finished second and third several times and once in a three-way tie with Arkansas and Rice for the crown.

Two lank sophomores, Bill Dewell and J. D. Norton, stood out for the Mustangs. Norton scored 12 points, Dewell 11.

The Mustangs found the going slow at first but Norton and Dewell soon found the range and helped push S. M. U. to a 15-8 lead at the half.

Whether the Ponies win or lose their next, and last, two games will not affect their status as champions. They play Rice Saturday and Texas A. & M. next week.

# 2 BOUTS ARE WAITING FOR PLAYBOY BAER

NEW YORK, Feb. 24 (AP)—Max Adelbert Baer, who was ready to retire from the ring for good after dropping his heavyweight championship to Jim Braddock and then absorbing a beating from Joe Louis, was back in the midst of the fight argument today with two bouts waiting for him.

Max has contracts for a bout in England May 6 against either Ben Ford or Tommy Farr and for a bout here against Bob Pastor in Madison Square Garden March 19. He also has a British promoter, Brig. Gen. Alfred Cecil Critchley, on hand to persuade him to go thru with the London fight.

The affair may be settled at today's meeting of the New York State Athletic Commission, when the Pastor bout will come up for approval. Max was summoned for questioning about his often damaged hands and perhaps some other matters, before the New York solons would approve the match.

Meanwhile Critchley is demanding a showdown.

"Either Baer goes through with my offer or I'm through with him," he said. "I don't want any part of him if he fights Pastor. Personally, I think it's silly for him to fight Pastor. If he beats him, what has he gained? Nothing. If he loses, he's through."

"My agreement with Ancil Hoffman (Baer's manager) was that Baer is not to engage in any fights before May 6."

While everyone concerned in the Braddock-Schmeling feud remained silent, reports were current that Braddock would be deprived of his title by the New York commission if he should fail to appear for the June 3 bout with Max Schmeling.

It also was reported that Schmeling would lay claim to the crown if it was taken from Braddock. In that case Max probably would be matched with the best available heavyweight and the winner recognized in New York as champion. Even then it wouldn't have much if any effect on the Braddock-Louis Chicago bout.

# SEMI-FINAL ROUND OF GOLDEN GLOVES FIGHTS TO BE HELD TONIGHT

CHICAGO, Feb. 24 (AP)—Shooting at a place in the finals next month, 192 youthful amateurs will trade punches tonight in all divisions of the third and semi-final round of the tenth Golden Gloves tournament at the Chicago stadium.

Out of tonight's competition will come 32 boxers, who on March 5 will fight for titles and places on the Chicago team which will meet a New York aggregation for the inter-city title.

A crowd of 12,000 spectators saw last night's card of 114 bouts. Results last night included:

In the 147-pound class, Joe Elder of Fort Worth defeated Andrew Roy of Huntington, W. Va., in three rounds. In the same class George Mitchell of Detroit defeated Marvin Liddell of Oklahoma City, three rounds.

In the 160-pound division Carl Higer of Fort Worth decisioned Warren Wilson of Atlanta, Ga., in three rounds.

In the heavyweight division, Babe Ritchie of Lubbock was knocked out in the second round of his bout with John Washington.

# ONE OF THREE NAGS FAVORED TO WIN SANTA ANITA HANDICAP

BY C. ROBERT KAY.  
NEW YORK, Feb. 24 (AP)—Students of thoroughbred breeding and performance adhere to the maxim that "class will tell" in a horse race, and expect the winner of Saturday's \$100,000 Santa Anita handicap to be one of three proven distance runners—Time Supply, Rosemont or Mr. Bones.

F. A. Carraud's Time Supply, though raced seldom this winter, worked the Santa Anita distance of a mile and a quarter in an impressive 2:05 3/5 recently. Time Supply has won \$144,560 during his racing career, more than any probable starter in the far west classic.

William duPont Jr.'s Rosemont also has confined his racing efforts to fast company, and demonstrated his fitness for the rich stake by winning the San Antonio handicap at Santa Anita last Saturday.

John Hay Whitney's Mr. Bones, failed in the San Antonio, but the added distance of the Santa Anita handicap is expected to be to his liking.

Time Supply has the best record in previous Santa Anita handicaps. He was third in the 1935 inaugural and second to A. A. Baron's Top Row last year. Rosemont was third in last year's renewal. Mr. Bones will be making his first Santa Anita handicap start.

Other Santa Anita probable starters accustomed to first class competition are Major Austin C. Taylor's double entry of Special Agent and Indian Broom; C. V. Whitney's Red Rain and Walter M. Jefford's Firehorn.

# WIN BY POINT.

JACKSONVILLE, Feb. 24 (AP)—Jacksonville college's basketball team defeated Tyler Junior college 56 to 55 here last night.

# TECH WINS GAME.

LUBBOCK, Feb. 24 (AP)—Texas Tech's Red Raiders ended their basketball campaign and shouldered the defending Border conference champions, the University of Arizona, out of the pennant picture last night, 42 to 34. The victory gave the Texans a mathematical chance at the championship.

The accord was invented in 1829 by Damian in Vienna.

# DRESSEN SAYS RED WILL END IN 4TH PLACE

PAUL DERRINGER WILL BE ACE HURLER FOR CLUB

CINCINNATI, Feb. 24 (AP)—Charley Dressen, who at the start of two past seasons has forecast accurately where his Cincinnati Reds would finish in the National league pennant race, scanned his roster today and expressed hope "that we'll take fourth place."

"But," he added quickly, "I'm not making any predictions. If we can finish fourth, we can finish in first place just as well, the way the teams stack up now. They're mighty evenly matched."

He referred to first-division clubs at the close of the 1936 season: New York, Chicago, St. Louis, and Pittsburgh, in order.

In March, 1935, starting his first season as manager, Dressen shuffled his eighth-place team of the year before, added new "blood" and declared cockily: "We'll finish sixth."

Few believed him, but he was right.

Last year he told a pre-season

# Freddie Sington Expected To Be Senator Regular

BIRMINGHAM, Ala., Feb. 24 (AP)—If Freddie Sington, the former Alabama football great, comes anywhere near expectations in spring training, he will join a former high school teammate in the Washington Senators' outfield.

The other half of the combination, Ben Chapman, is so confident Big Freddie will make the grade he has asked that Sington be made his roommate for the 1937 season.

The two played for Phillips high school here in 1927, but neither was an outfielder. Sington was a fireball pitcher, and Chapman a sensation at third base.

**BASEBALL VS. BULLFIGHT**  
MEXICO CITY, Feb. 24 (AP)—Mexico opened its arms to the Philadelphia Athletics—but showed no disposition to let baseball conflict with Mexican bullfights. The Athletics, in spring training camp, will play an exhibition game with a Mexican team Sunday. The game will start at 12:30 p. m. (EST) to avoid interfering with the regular Sunday bullfight, scheduled for 4 p. m.

THE FINANCIAL WHIRLIGIG

By LOUIS SCHNEIDER

SELLING. Brokers doing an international business look for additional foreign selling of American shares. These circles report that London has a Washington tip on the dollar. The story goes that the United States is seriously considering lowering the price of gold. If that is so the much advertised American inflationary bubble will burst.

SPECULATIVE. There's a reason for the recent Studebaker share activity. Those taking base their purchases on the fact that the company netted better than 80 cents a share last year. They say too that current operations are at peak levels and expect a net of 50 cents a share for the first three-month period of this year. On that basis they expect the company to show \$2 a share for all of 1937. This makes speculative prospects of Studebaker shares interesting.

WITHHOLDING. Officials of truck manufacturing companies are bullish on 1937 sales prospects not only because of anticipated buying on the part of heavy industries but also because of the demand for buses. As a result insiders have been accumulating the shares of these companies. Fancy earnings figures are being mentioned. White Motors is said to be in line for a \$4 per share 1937 net. Yellow truck and Mack Trucks are expected to earn \$4 and \$5 a share respectively. But insiders say the estimates are high.

EXPLANATION. Brokerage circles can't understand the reason for the price decline in Allis Chalmers shares. This because the issue enjoys a semi-investment rating.

FAVORED. Standard Oil of New Jersey responded price-wise to several rumors and tips heard throughout the financial district. One was that London is a big buyer. Another that the company will net as much as \$6 a share for its 1937 operations. And still another was that a large Canadian insurance company was switching its American Telephone holdings into Standard of New Jersey.

RECOMMENDATION FOR MORE MONEY PUSHED. AMARILLO, Feb. 24 (AP) — A recommendation for more money to combat the threat of greater soil erosion went forward today from the regional advisory committee on land use to Secretary of Agriculture Henry Wallace. The committee urged \$2,000,000 be appropriated to stem erosion in drought-stricken Texas, Oklahoma, New Mexico, Kansas and Colorado. Government agency officials warned that soil erosion hazards in the plains area this year were greater than during the dust storms of 1935.

It appears therefore that the professional trading element took the shares in hand because they regarded them as being "behind" other oils. Then again there was some inflation-hedge buying. Standard Oil of New Jersey always enjoyed a favored position in the minds of portfolio managers.

UNCHANGED. The 1936 potato crop was 329,997,000 bushels. A Department of Agriculture estimate is that the 1937 output will run at 370,000,000 bushels. That's a 40,000,000 bushel increase.

REPORTS ARE THAT: "Free-riding" floor margin traders not disturbed by the Stock Exchange ruling—they haven't been touched. Investment trusts continue to add American Radiator to portfolio holdings. Higher wages to workers means larger revenues for merchants and department stores. Baltimore & Ohio flood damage was much less than earlier estimates. Jewel Tea bought for dividend return. American Rolling Mills enjoys a wealthy long-pull following.

Resin prices will hold steady for next three months—good for Hercules. Powder and Newport Industries. Statistical services urging subscribers into American Bank Note saying shares are due for a price rally. Lima Locomotive's 1937 bookings make year's per share net outlook constructive. Business equipment issues gaining in trading popularity—accounts for strength in National Cash Register and Remington Rand. American Car Foundry's small floating supply of shares reason for wide price movements. Boeing Aircraft is preparing to enter the field of transport manufacture.
