

The Capital Jigsaw

By HOWARD C. MARSHALL

AUSTIN, Aug. 5 (AP)—From time to time in recent years, the Texas Capitol has been called a fire trap, while some persons have said the most of granite structure was all but falling down.

Most of these statements, some of which have been supported by reports of engineers, have emanated from members of the Legislature, which at the last general session approved a large appropriation to make repairs.

One of the safe spots in the building, from the standpoint of collapse is in the office of the board of Control, where about a year ago a large area of plaster fell from the ceiling. Clerks working directly under the area say they have nothing more to fear because there is no more plaster to fall.

Persons who express alarm over the amount of the deficit in the State's general revenue fund, currently about \$10,000,000, might consider new figures made public by the Comptroller's department.

That department has estimated the deficit at the end of this fiscal year Aug. 31, will be 10,913,000, and at the end of the next year, or Aug. 31, 1938, it will total approximately \$17,000,000.

The latter figure, of course, may be changed if the Legislature, slated to meet in special session late in September, raises new revenue, which Gov. James V. Allred has been urging for a long time.

It also would be affected by other factors, for example, by continuing increase in the allowable production of oil and maintenance of the price with resultant greater yield from the tax on petroleum.

Then, the chain store tax might finally be held valid and the intangible assets levy on pipelines sustained, both of which would send more revenue into coffers of the State.

Less than a year since it was laid, the beautiful new floor of terrazo, one of the show pieces of the capitol, is being torn up in spots. Some months ago, cracks appeared around supporting columns and a few other places, and the construction company is removing them.

Officials of the Board of Control say that the floor in general has been very satisfactory and the cracks apparently were the result of settling in the foundation which could not have been prevented.

Final payment for the floor has not been made. Ultimately it will cost probably around \$30,000.

One of the rare things in the Texas State government will occur Aug. 31 when an appropriation for a building will lapse.

An appropriation of \$200,000 made by the Legislature two years ago for construction of a building to house higher State Courts in Austin will lapse for want of assistance from the Federal government. The appropriation was contingent on receipt of federal aid, which, despite much solicitation at Washington never was forthcoming.

The move for a courts building was strengthened by the crowded conditions among State departments, some of which are housed in rented offices. Its sponsors argued that if the Supreme Court, the court of Criminal Appeals and the Austin Court of Civil Appeals were removed from the capitol, together with the Attorney General's department, there would be sufficient room left to care for everyone else.

There is doubt now with reference to the argument and a growing feeling that the best solution of the problem would be erection of a modern office building which could be expanded as necessity required.

One proposal is that such a building be financed by an added tax of one cent a gallon on gasoline for a period of three months. The author

To Try Movies

Reaching for a higher rung on the success ladder in her self-made career, blond Helen Jepson, above, has left the scene of her whirlwind conquest of New York music circles for a try at the movies. "Goldwyn Follies" was listed as the vehicle for her screen debut. Within a year after she began canvassing producers' offices for singing bits, she became the sensation of the Metropolitan opera.

VETO LOOMING ON SUGAR BILL

WASHINGTON, Aug. 5 (AP)—Chairman Jones (D-Tex) of the House agriculture committee said today President Roosevelt had informed him he would veto the pending sugar control bill if it reaches him in its present form.

The Texan said the chief executive had told him he could not approve the bill if it was passed with a provision limiting refined sugar imports from Hawaii and Puerto Rico. The House opened debate on the measure today.

This provision has been a subject of controversy for weeks between the congressional sugar bloc and the administration.

Shortly after Jones passed the word along sugar bloc leaders hastily summoned their group together to discuss the situation. Jones said he would offer an amendment to eliminate the restrictive provision.

He said the President told him he felt that inasmuch as the islands were under the American flag they should not be restricted on refining their sugar.

HIGH SCHOOL COACHES ELECT NEW OFFICERS

WACO, Aug. 5 (AP)—Texas high school coaches took time out to elect new officers at their annual meeting and then went back to their football studies today.

Last night they chose Carrol Wood of Cameron for their association president; W. B. Chapman of Lubbock, vice president; Bryan Scheby of Teague, secretary-treasurer; and J. T. Nelson of Athens, assistant secretary-treasurer. Directors to serve with the officers: L. H. Mitchell of Yoakum; S. Decamura of Laredo; Herman Clark of North Fort Worth; D. A. Mayhew of Abilene; Ted Jefferies of Wichita Falls; G. M. Moore of Binton; Swede McMurry of Gainsville, and J. Riley of Garland.

The United States weather bureau is developing a system of weather forecasting by analysis of air masses.

Ruin or damage by erosion of 100,000,000 acres of soil in the United States is blamed by the government on faulty use of land.

FLINCHED WITH STOMACH PAINS

Gas and Bloat Caused Him Misery; But Now Van-Tage Has Relieved Him

"I never would have believed there was such a medicine!" People over this entire Section are saying that about Van-Tage, the Amazing New Medicine which is being sold in large quantities here in Pampa. Recently, Mr. Chas. Green of 415 21st St., Denver, Colo., endorsed it:

"For the past year I had been suffering with a gassy, upset stomach," said Mr. Green. "My food would lay in my stomach in lumps, and I just had to FLINCH with awful pain. I had cramps so bad it felt like my stomach was being tied up into regular knots, and my bowels were constipated. I was almost as sick and discouraged as a man can be. I read about Van-Tage and decided to try this medicine and it helped me RIGHT FROM THE START. It acted on my upset stomach and cleared out so much of that awful gas and bloat that my digestion started getting better almost at once, and now I don't have those awful pains. It gave my bowels such a fine cleansing that they are getting more regular every day. I am a man of 70 years, and I'll keep on praising Van-Tage if I live to be a hundred!"

VAN-TAGE helps clear away poisonous wastes from the system in several ways at once! It helps cleanse bowels, assists Nature to flush excess impurity from kidneys and brings forth gas and bloat from stomach. So much Van-Tage is sold that its price is very reasonable, so get it—TODAY—at the Cretney Drug Store, next to La-Nora Theatre.

FOUR SEEKING 'KIDNAPED' BOY

CHICAGO, Aug. 5 (AP)—Otto and Martha Horst turned to the courts today, hoping to win permanent custody of the dark-haired boy they cherish as their own since infancy and who was taken from them Tuesday in what police first believed to be a kidnapping.

The 36-month-old boy, Donald, was being cared for at St. Vincent's orphanage pending settlement of the dispute between the Horsts and Fred Ewert, accused of driving the car in which Donald was taken from the Horst home, might be questioned if found. Police said Ewert, missing since the time of the snatching, had a criminal record.

"The sure Donald will be back here playing with all his toys by tonight," Mrs. Horst said cheerfully after discussing plans to have an attorney start legal proceedings at once to regain the child.

While not showing any animosity toward the Horsts, Miss Nelson, 25-year-old common-law wife of the machinist, indicated she would fight for the child.

Crowley said Miss Nelson told him that although she tried for more than two years to find the baby, it was only ten days ago that she learned the Horst had the child.

John and I knew it would be hopeless to ask the Horsts to give up the baby, so we decided just to take him. We didn't think Mrs. Horst would make a fuss, knowing the circumstances of the child's birth.

RANGE IMPROVEMENT BEGINS AT HIGGINS

HIGGINS, Aug. 5—Approximately 210,000 acres of land are included in the range improvement program for Lipscomb county.

Dam sites, spillways, drainage areas and pondage areas have been blocked out. Pond projects already mapped out include the one on the ranches of Roscoe Bradford, G. H. Robbins, George Tubb, D. M. Jamison, and J. L. Pundt; two ponds on the John T. Kendall ranch and three on the ranch of R. T. Kelley.

SCOUT NEWS

Troop No. 70 (Written by Paul Miller, Wilfred Newbury and Jack Harris.) Troop No. 70, of Kellerville, Texas, spent last week-end at Palo Duro Park camping.

The Troop left Kellerville at 1:30 o'clock Tuesday, on the school bus with Mr. Hansford driving.

The Scouts stopped at Amarillo and visited the jail there. They arrived at the camping place about eight o'clock. Most of the night was spent trying to find a place to sleep out of the rain. Saturday was spent in hiking, swimming, and visiting the museum at Canyon.

Sunday morning before breakfast the troop went on a hike to Indian Springs, Rainbow Ridge, and other places of interest. On the hike Scoutmaster Mr. Clifford West killed a rattlesnake which had five rattles and a button.

Scout Troop on Vacation

Shown above is Troop 80, First Methodist church troop who are enjoying a two week's vacation in Colorado. The boys, including 14 of those above, left yesterday for the camp in Rocky Mountain National Park.

Mainly About People

Misses Mary Ann Meyers of Amarillo and Jonnie Lee Ingle of Oklahoma are house guests of Miss Flora Deen Finley.

Mrs. Minnie Harvey and Mrs. Landers left Monday night for Missouri. Mrs. Clara L. Apple left Tuesday night after spending several days here with her sister, Miss Apple. Her home is in Shattuck, Okla.

Mrs. Mable Anderson is spending this week and next in Brownfield as the house guest of Miss Helen Gillham, who formerly lived in Pampa.

Mr. and Mrs. H. C. Chandler returned with their daughter, Helen, who has been visiting relatives in Dallas and Houston.

Miss Verna Fox is visiting friends and relatives in Colorado and Nebraska.

Mr. and Mrs. Hiram Blakemore and daughter, Betty Joe, of Fort Smith, Ark., left yesterday for their home after visiting her brothers, Leroy and Raymond West, for the past week. Mr. Blakemore is service manager for Eberhard Motor company of Ft. Smith, and Mrs. Blakemore is owner of Hunt's Beauty shop.

A marriage license was issued to Grady W. Rogers and Mrs. Mae Briley yesterday.

Bitz Hoover visited in Amarillo last night at an affair in honor of his birthday.

Mr. and Mrs. Charles B. Cook are on vacation.

Mr. and Mrs. W. B. Pettit are the parents of a son, born yesterday at Worley hospital.

Mrs. W. F. Tucker was admitted to Pampa-Jarratt hospital yesterday.

Mr. and Mrs. Houston Stroud are the parents of a son, born at Pampa-Jarratt hospital.

Mrs. C. G. Keith was admitted to Pampa-Jarratt hospital this morning.

Mr. and Mrs. H. C. Chandler returned with their daughter, Helen, who has been visiting relatives in Dallas and Houston.

Mr. and Mrs. L. H. Thompson of LeFors are the parents of a son, born at Worley hospital.

Mrs. Eyard Low of Houston, former Pampian, arrived yesterday to visit Pampa friends. Mr. Low will come to Pampa later in the week.

Mr. and Mrs. Paul Carmichael and son Bobby left this morning for

Granbury where they were called by the death of Mr. Carmichael's uncle.

R. E. Craig of Amarillo was a business visitor here today.

R. H. Dodds was admitted to Pampa-Jarratt hospital last night.

BIG BRASS BELL WON BY BAKER GOLF TEAM

By virtue of a three to two win on their own course yesterday, the Baker school junior golf team clinched the Big Brass Bell tournament.

The Baker boys defeated the Woodrow squad for a majority of times in the tourney series, and are therefore the winners of the brass bell, much coveted prize in the matches.

The young golfers have been playing for the bell all during the summer, and much close competition has been seen. The matches were arranged as a part of the summer play program by Wilmer Postins and

Genie Sestrand, coaches of the Baker and Woodrow Wilson teams, respectively.

Scores of the matches are as follows: Baker youngsters first, Stan Riley won 4 up and 3 from Charles Eoyles; Royce Cupp won 4 up and 39 from Austin Hughes. Olin Riley won 3 up and 1 from Delbert Hughes. Bobby Smith lost 3 down and 2 to Marvin Gray; Ross Buszard lost 2 down and 1 to Randall City.

Lowering wage rates fixed by collective bargaining or from fixing wages below the prevailing rate.

The committee retained its own amendments to prohibit shipment in interstate commerce of imports produced in violation of the bill's provisions. It eliminated a Senate-approved exemption of employees of local retailers, except commission salesmen.

Besides the wage-hour bill, the farm bloc also threatened to tie up housing legislation.

Midwestern wheat, corn and hog belt congressmen joined southern cotton states representatives in insisting that "something be done to help farmers" before congress adjourns.

Representative Eicher (D-Iowa), chairman of the prairie states congressional farm bloc called a meeting for next Monday to discuss the situation. He said representatives from southern cotton and tobacco states would be invited.

NO. TWO

(Continued From Page One)

degrees to 76 degrees. San Antonio, where the mercury rose to 101, reported showers on its outskirts.

Wichita Falls, simmering in record-breaking 108 degree weather, took solace of a sort in a brief dust storm which forced down temperatures 27 degrees.

Other records: Record 105 at Temple; Gainesville and Corsicana 104; Fort Worth 104.4; Waco, 102; a record; Dallas 101; Austin, 102; Lubbock, 103; San Angelo and Amarillo, 100.

In spite of a cooling rain last night, Pampans were sweating in the heat again today. At 2 o'clock, the mercury was 97 1-2 degrees and was steadily rising.

The weatherman failed again when he predicted fair weather, locally, for last night. Beginning with a light shower about 8:30, the rain became heavier until at 10 o'clock it was coming down in sheets. Lasting for about an hour, the precipitation was recorded as 12 of an

MORE CLOTHES?

Hinda Wassau, (above), striptease dancer in Billy Rose's Pioneer Palace Honky-Tonk Revue at the Fort Worth Frontier Fiesta, must wear more clothes, municipal authorities have decreed.

inch, twice as much as on Tuesday night.

The rain came as a return engagement for the entire Panhandle. In the midst of 100 degree heat, Amarillo, Claude, Memphis, and Clarendon enjoyed the shower. Rains were reported as far north as Texline where a half-inch shower fell, northeast to Higgins, and southeast as far as Quanah.

The showers fell in a line from Quanah to Estelline. Estelline to Quitaque, and Childress to Pampa.

In front of the rains was a heavy dust, reported more dense in Panhandle cities than in Pampa. Other towns reported electrical storms as well.

edly closer to central government troops south of the ancient dragon capital.

American Prepare

On the Shanghai American emergency committee were specialists in communication, transportation, food supply, medicine, housing and registration. Gauss said that the committee was putting into execution a long established formula all American communities in China have for use whenever needed.

Communication with all Americans is being attempted, establishing their whereabouts and issuing instructions for their procedure if a concentration is ordered.

Uncounted thousands of Chinese in Chapel, Hongkew and other Chinese controlled areas of Shanghai began to pour forth with their belongings to seek safety elsewhere. Vivid in their memory was 1932 when war swept over the Chinese sections of the city, leaving thousands dead in its wake.

SENATE LEADERS WILL DEFEND HOUSING BILL

WASHINGTON, Aug. 5 (AP)—Administration leaders reformed their lines in the senate today to defend the Wagner housing bill against further restrictive amendments.

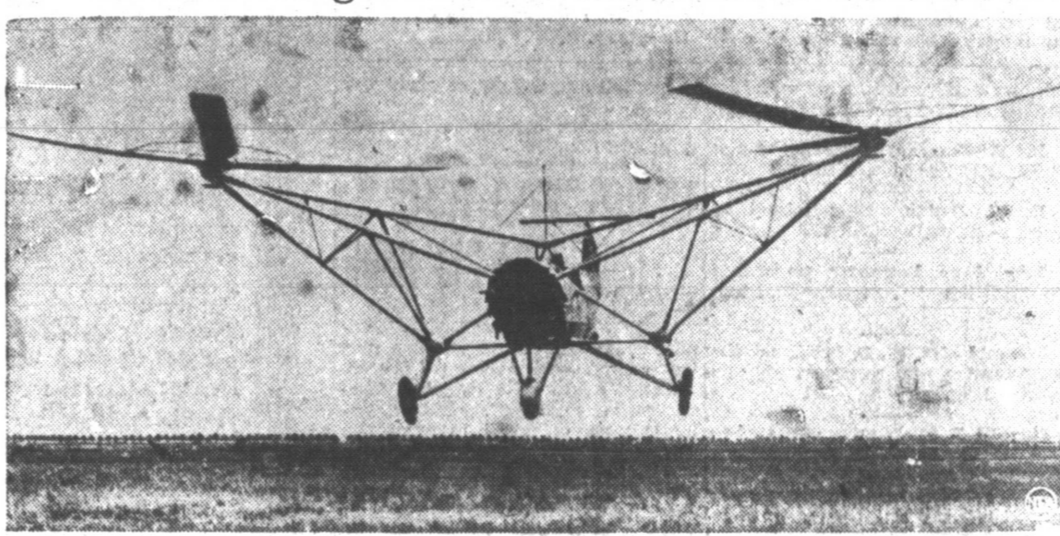

They discussed the possibility of reconsidering a 40-39 vote that fixed a limit on the cost of proposed housing following a market-up in the price of lead and export copper. Steels, motors and many other recent leaders on the other hand, encountered selling handicaps that kept them in the background or reduced their quoted values as much as a point or so.

Japanese Army Chiefs Map Campaign Strategy

Outlining plans to deliver a crushing blow to all Chinese opposition in North China, Commander Tsutsui, one of the leaders of Nippon's army in the battle zone, is shown above right, without cap, as he discusses military strategy with members of his staff, before launching his smashing offensive at Peiping. The floor serves as the conference table in Nipponese war councils.

So! You Thought It Never Would Leave the Ground

To look at it, you'd never think the contraption invented by Professor Heinrich Focke ever could leave the ground; yet it's not an optical illusion that confronts you above. It's actually in the air, at the Bremen airport. Devoid of conventional airplane wings, it is lifted by whirling autogyro vanes poised at the sides.

Market Briefs

NEW YORK, Aug. 5 (AP)—Mining issues took on a show of strength in today's stock market following a market-up in the price of lead and export copper. Steels, motors and many other recent leaders on the other hand, encountered selling handicaps that kept them in the background or reduced their quoted values as much as a point or so.

With the news out on settlement of the wage dispute with non-operating unions, rails lost their buoyancy of the previous session and contented themselves with nosing to a small traction area.

Table with market data including various stock prices and percentages. Columns include company names and their respective values.

CHICAGO GRAIN CHICAGO, Aug. 5 (AP)—Grain prices rallied strongly today, increased buying lifting wheat two to 8 1/2 cents at one stage and corn two to almost four cents at a bushel. September wheat in North America grain. Short covering and stop loss orders accelerated the rise in all grains. Dry weather complaints influenced corn market action but the highest hog prices in 11 years, coupled with an advance of 50 cents a hundred pounds, the day limit, in fact also were factors.

PHILLY TRUCK STRIKE ENDS PHILADELPHIA, Aug. 5 (AP)—Trucks began to move normally throughout Philadelphia today. The flare-up last night a few hours after the city-wide strike had been announced as ended except in the case of companies under contract to haul goods for the Great Atlantic and Pacific Tea company, subsidized and everywhere business houses were replenishing their supplies.

MAY RUN FOR GOVERNOR SAN ANTONIO, Aug. 5 (AP)—Mayor C. K. Quin is strongly considering entering the 1938 race for Texas governor to succeed James V. Allred, the San Antonio executive revealed today.

17 INJURED AS MINE HOIST CAGE PLUNGES PRINCETON, B. C., Aug. 5 (Canadian Press)—Seventeen men were injured, one perhaps fatally, when a hoist cage in the Copper Mountain mine plunged 400 feet to the bottom of its shaft late yesterday.

UAW Keynoter

Over pending negotiations to renew the contract between General Motors and the United Auto Workers' Union, hang heavily the charges made against the union by Alfred P. Sloan, chairman, shown above in a new and smiling picture. Sloan charged the union with irresponsibility, and blamed on its continual interruption of production schedules a grave decline in G. M. net profits for the second quarter of 1937.

Underground rivers of perpetual ice are found in the Modoc, Calif., lava beds. Purchase of land for federal forests was first authorized in 1911.

WAGE INCREASE ROUTS FEAR OF RAIL WALKOUT

CLEVELAND, Aug. 5 (AP)—Threats of a strike of more than a million railroad employees diminished today.

A five cents an hour wage increase announced in Washington brought peace between the nation's carriers and 800,000 non-operating employees, since ratification was held only formally.

Still confronting the railroads, however, was the vote of 350,000 members of five operating brotherhoods, authorizing a strike to enforce demands for 20 per cent raises.

Settlement of the dispute with non-operating brotherhoods, such as clerks and shopmen, was announced last night by the National Mediation Board. These 14 crafts authorized early this week a strike if their demands were rejected.

Otto S. Beyer of the board said the raise represented an increase of between 8 1/2 to 8 3/4 per cent. One non-operating employee, like the operating employees, had demanded 20 per cent increases.

First discussion of the operating brotherhoods' demands will be held in Chicago Aug. 11.

Beyer has been attempting to work out a settlement in accordance with the railway labor act. If either side rejects arbitration, a Presidential appointed fact-finding board must study the case and make a report before the men can strike.

The increase in the operating craft, who announced 88 per cent of their members had authorized a strike, amounts to \$88,000,000 annually for the nation's class one railroads on the basis of 1936 operations, the mediation board said in halting the settlement as "disposed tially appointed fact-finding board sighted manner."

EMPIRE CHANGES NAME TO CITIES SERVICE OIL

Name of the Empire Oil & Refining company has been changed to Cities Service Oil company, effective July 31, according to a notice received here today.

The change in name will not cause any change in Pampa offices of the company. The production department will remain west of Pampa with the pipeline and gas offices remaining at the company booster plant east of the city. Company headquarters will remain at Bartlesville, Okla.

Empire Oil & Refining company has been a subsidiary of the Cities Service company since its organization in 1918 as the Empire Oil & Fuel company. The name "Fuel" was changed to "Refining" two years ago.

BODY OF LEFORS MAN TAKEN TO KIRKLAND

The body of J. D. Lisenbee, 68, was taken to Kirkland for burial following services conducted at 10 o'clock this morning in Church of Christ, LeFors. Burial will be under direction of Pampa Mortuary.

Mr. Lisenbee died in a local hospital yesterday morning. He had resided in LeFors for the last seven years, moving there from Kirkland.

TRITSCHLER SELECTION AS 'AMBASSADOR' WINS PROFESSION'S PLAUDITS

DALLAS, Aug. 5.—The Texas newspaper profession today lauded the Greater Texas & Pan American Exposition at Dallas for its recognition of Henry Tritschler of Chattanooga, Tennessee, in his selection of "Ambassador Extraordinary" of the world's fair.

Mr. Tritschler, president and secretary of the Nelson-Chessman Company, Chattanooga, advertising agency for The Chattanooga Medicine Company, makers of Wine and Cardui and Theford's Black Draught and other accounts, today received a formally engraved commission of appointment from Director

of General Frank L. McNeny of the exposition. The appointment, it was explained, is being accorded for outstanding efforts of a quarter of a century in the advertising profession. The title "Dean of Media Supervisors" is inscribed on the scroll, translated in Spanish in carrying out the exposition theme.

"Mr. Tritschler for 25 years has evidenced faith in Texas by his continuous advertising schedules in newspaper of this state," it was explained at exposition headquarters.

With the appointment, Mr. Tritschler becomes a member of that select group which is limited to United States senators, governors, industrial leaders and Latin-American dignitaries of the 26 nations of the western hemisphere participating in the exposition.

Mr. Tritschler's eligibility was sponsored by daily newspapers of Texas for distinctive services he has rendered the advertising profession and for his outstanding recognition in this field. Newspaper publishers supplemented the embossed scroll with a personal gift—a 10-gallon, broad-brimmed hat, synonymous with hospitality and friendship of the Southwest.

The priceless records of William Gilbert, originator of the modern science of electricity, were lost in the Great Fire of London in 1666.

HOG, GROSSY, CLIMBS BACK ON WATER WAGON

FINCASTLE, Va., Aug. 5 (AP)—Willie Huffman's hog is on the water wagon now.

Given some blackberry preserves grown potent with age, Mrs. Huffman fed them to the pig at the rate of a quart a day. When her husband took over the feeding he tripped the ration.

The hog passed out, Huffman said, and when it revived, fell twice in attempting to stagger to another wallowing place.

OFFICER CHARGED IN HOUSTON MURDER CASE

HOUSTON, Aug. 5 (AP)—Authorities checked today a statement of Special Officer C. E. Southward that he fatally shot Louis L. Segrest, 32, in a railroad scuffle last night.

Southward, charged with murder, said he mistook a bottle of whisky in Segrest's shirt for a pistol and fired his own gun when Segrest resisted search.

The victim, who once worked as an accountant for the relief adminis-

tration, died in a hospital of body wounds.

Southward's statement said he met Segrest and a second man in a railroad yard. They told him they

intended catching a freight train.

Southward said when he ordered Segrest to submit to search, the latter scuffled with him and reached inside

his shirt. When he did Southward fired, the railway officer said.

The radio distress call—written SOB—was adopted in 1908.

XYZ correspondence is the name given to the dispatches in 1797-98 of three American commissioners of Talleyrand and other members of the French Directorate as the
