

## CHARTER IS ADOPTED BY PAMPA

### Jordan Construction Company Gets Sewer Contract

#### LOWEST BID IS ACCEPTABLE TO CITY COUNCIL

#### Concrete Pipe or Clay Tile Alternatives Not Decided

#### PRICE TO BE ABOUT \$110,000

#### Final Details Will Be Determined on Nov. 17

Jordan Construction company of Plainview and Childress was awarded the Pampa sewer contract late Tuesday night.

Because the city council did not wish last night to commit itself to either clay tile or bent-concrete pipe, the exact amount of the contract was not announced. There is a small difference between the two alternatives. The contract price, however, will approximate \$110,000, and leave more than \$20,000 surplus in the city treasury from the bond issue for public improvements.

The council decided to determine November 17 whether concrete pipe or clay tile shall be used.

The specifications accepted include a disposal plant with the latest type of settling basin. This disposal plant will be located on the new site purchased about 2 miles northeast of the city.

The contract price is regarded as exceptionally low. The Jordan Construction company, which was represented here by W. M. Hale, has had a number of large contracts in the Panhandle. Work on the extension is expected to begin sometime this month.

#### Loaded Arms Are Signs of Thrift On Trade Day

Residents of the city and surrounding country visited the downtown stores yesterday and were seen to be going home loaded with parcels because yesterday was the third Pampa Trade Day and the thrifty women of this territory took advantage of the bargains offered by the firms who are members of the Pampa Trade Day.

Nothing over one dollar was placed on sale by the merchants, and the amount to a customer had to be limited owing to the demand. The local Trade Day is held once a month and is said by the members to be a grand success.

#### Students of Central High to Provide Patriotic Program

Students of the senior and junior classes of Central high school will provide patriotic entertainment at the morning celebration on Armistice day at the American Legion hall.

All those taking part in the parade are asked to be at the Legion hall by 10:30 o'clock, the parade being scheduled for 11 o'clock.

The morning entertainment will be following the parade.

The Pampa Harvesters will meet their old rivals, the Panhandle high school eleven, on Ayres field at 3 o'clock in the afternoon. Coach Verde Dickey is getting his warriors in great condition for the battle.

A dinner and dance will be given at the Schneider hotel at 8 o'clock, with an eight-piece orchestra in attendance.

#### City Officers' Car Found in Canadian

The Ford sedan owned by City Officer Bud Cottrell, which was stolen from in front of the city hall last Friday night, has been recovered in Canadian.

According to the report received from the insurance company in New York, the car is in good condition and had apparently been driven only from Pampa to Canadian.

The officer's car was chosen from a group of large cars parked on the street at the time.

#### DEEPER PAY IS FOUND IN NO. 1 GEORGE WELL

#### Promising Test Located Four Miles West of Pampa

#### AMAGRAY PROVES NEW ACREAGE

#### Oil Fires Put Out Pampa Field Area

The Empire Fuel and Gas company's No. 1 George in section 154, block 3, about 4 miles west of Pampa reached second pay at 2,230 feet and is standing with 700 feet of oil in the hole. First pay was struck last week at 3,150 feet, which caused 200 feet of oil to rise in the hole. The well is shut down waiting for storage and a test.

The Amagray Oil company's No. 1 Chapman in section 9, block 26 made 211 barrels the first 24 hours from 2,720 to 2,725 feet. Granite wash pay was found at 2,640 feet for 25 barrels a day. Definite pay in this well extends the south Pampa field about 9 miles from the Bowers pool and proves up several thousand acres. The oil is the same gravity as from the Delaney et al's No. 1 Jackson in section 88, block B-2, which is 14.8.

Tex Thornton succeeded in shooting out the fire in the Shamrock Oil company's No. 1 Back in section 44, block 25, Gray county. The fire had been burning since Monday, when it caught from some unknown reason. Difficultly was encountered owing to the cellar being full of oil which had to be put out before the shot could be placed.

Drillers succeeded in quenching the fire in the McMan Oil company's well in the Noel pool yesterday. The well mysteriously caught fire Tuesday night. Steam was used to put out the blaze. The well had been on the pump for some time, and no noise was near the well when it caught fire.

#### Large Increase in Postal Receipts for October Is Noted

The report from the Pampa post-office for October, which has just been completed, shows an increase over the previous month.

The stamp or office receipts compiled for the month of September totaled \$2,298.68, as compared with \$2,169.55 for October.

During September, 2,170 money orders were sold for a total cash amount of \$24,884.47, plus \$91 worth on international money orders as compared with 2,199 money orders for a cash value of \$25,880.72 plus international money orders for \$886.54 in October.

In September, 226 money orders were paid out for a total of \$4,731, as compared with 244 for a total of \$4,325.58 in October.

During October, the expenditures of local post office totaled \$1,816.10.

#### Legion Announces Program To Be Given in Observance of Armistice Day—Football Game in Afternoon

Observance of Armistice day will be largely in charge of Kerley-Crossman Post 334 of the American Legion.

A parade of members of the American Legion, fire department, city officials, and school children will take place in the morning, followed by addresses at the American Legion hall, which will be attended by the students of the Senior and Junior classes of the high school and residents of the city.

Addresses will be given by the Rev. W. L. Evans, Mayor F. P. Reid, and other speakers not yet named. The city council will be asked to attend the meeting in the Legion hall.

In the afternoon at 3 o'clock the Central high school football team will meet their old rivals, Panhandle high in a conference football game. The local team should be in great condition, as their game with Perryton High school scheduled for this afternoon was canceled. The boys will have a rest before taking up training for the coming strenuous games.

A banquet and dance will be held at the Schneider hotel commencing at 8 o'clock. A ten-piece orchestra will be in attendance during the dinner hour and will play for dancing.

Tickets may be obtained from members of the Legion or at local drug stores.

#### Wholesale Grocery House to Locate in Pampa Soon

The Pampa Grain company, operated by Chas. S. Barrett, is erecting a two-story warehouse on its property along the Santa Fe right-of-way. The building will cost approximately \$10,000 and is to be completed by the middle of January.

The J. M. Radford wholesale grocery company with head offices at Abilene, Texas, will occupy the building on its completion. The contract for the erection of the warehouse has been let to the Clem Lumber company and excavation work has commenced.

J. M. Radford and company is one of the largest grocery wholesalers in Texas and is well pleased with the prospects in Pampa.

#### Education Week Observed Here in Public Schools

Education week is being observed in Pampa public schools. Yesterday was health day, and discussions of personal hygiene were held in most of the rooms.

Today is "Visit Your School" day. Each teacher will make a fifteen-minute talk on education. Tomorrow at chapel the Rev. James Todd, Jr., will speak. Thursday is home and school day. Friday, being Armistice Day, will be observed in a patriotic manner, and likely patriotic songs will be sung at the Legion service by the pupils. Saturday is town and community day.

An important part of Education Week will be the sermons on education Sunday. The local pastors will make education their themes.

#### Route of Armistice Day Parade Announced by Legion Commander, Who Will Head Big Procession

The Armistice day parade will commence at 11 o'clock from the American Legion hall, and will go north of Frost street to the high school, turning east of Francis st. to Cuyler street, thence south to the end of the pavement on South Cuyler street. It will then move back up Cuyler street to Foster avenue and back to the Legion hall.

Lewis Cox, commander of the local post of the American Legion, will lead the parade, followed by the drum corps, the colors, rifle squad, Legion band, veterans of the Spanish-American war, confederate veterans, Boy Scouts, Ladies Auxiliary and school children.

If veterans of the Spanish American war or Confederate veterans will leave their names at the office of

#### McConnell Made Strong Bid For The Shrine Ring

Roger "Shoofoot" McConnell, Panhandle entry for the shrine ring at the ceremonial at El Paso last week, received the largest vote of any of the entries among the class of 125 taking the decree. As past members were allowed to vote, Tom Hendrick of Odessa won the ring, but the Panhandle entry was third in the race.

"Shoofoot" McConnell, called the Kaffir Corn and Wheat King of the Panhandle, was the popular man at the convention and ably assisted by his campaign manager Sam A. Peisberg, also of Pampa, made a strong fight. The large El Paso fire truck was secured by the campaign manager and the Pampa man in full farmer regalia sat in state while driven through the city. He also made a hit in the large hotels and on the street corners.

The ceremony was the largest and most important event ever held in El Paso. Mr. McConnell is receiving the congratulations of his friends, who have received the news from members of the delegation who attended the ceremony in El Paso.

#### Safety First Bus Station Robbed

Three traveling bags, a rifle, and a shot-gun were stolen from the Safety First bus line station sometime Friday night. The thieves gained entrance by prying open a window in the front of the station. Officers have notified nearby towns, but no trace of the thieves has been reported.

Mrs. Nathan Jones is visiting her parents in Memphis, Tenn.

#### Two Miami Men Burned in Explosion

Albert Roberts and E. R. Hagerman are in Pampa hospital suffering from burns about the head and arms.

The two men, working for the Western Union construction department, were burned this morning at Miami when a gas stove in their work car exploded.

The two burned men were rushed to the Pampa hospital after receiving first aid treatment in Miami. The burns are not thought to be fatal.

#### NEW TOTAL OF 15,750 BARRELS FOR THE WEEK

#### Panhandle As Whole Down to 85,985—Loss of 2,765

#### HUTCHINSON IS NOW 61,635

#### Sherman County Gets Another Small Gas Well

In a dull week from the standpoint of oil activity, Gray county sent the Pampa field crude production total up 285 barrels daily to a new high peak of 15,750 barrels.

This took place while the Panhandle as a whole, without a new well, slumped 2,765 barrels daily to the low total of 85,985 barrels daily from 1,387 wells. Last week this territory made 88,750 barrels from the same number of wells.

Carson county made 7,645 barrels from 163 wells, a loss of 285 barrels daily.

Hutchinson county's 1,016 wells were good for 61,635 barrels daily, a loss of 2,555 barrels compared to last week.

Moore's three wells jumped to 60 barrels, raising 35.

Potter's lone well made 30 barrels daily, her total being 1,175 from 38 wells.

Gray county is enjoying the new production of the Bowers pool, and probably could be opened up for considerably higher production. New wells drilling should greatly increase the early spring total.

Spring activity also will be notable for numerous lease renewals and royalty contracts, as many agreements will expire. The start of construction of the Pampa-to-Cheyenne railroad will result in sale of warehouse and business sites, and it is known that only exorbitant requirements are halting a number of important negotiations at this time.

Prominent oil men state that Pampa is one of the most talked-of cities in the United States, and they predict a substantial growth within the next year.

Sherman county is getting a share of the wildest interest, the latest discovery being 5,000,000 cubic feet of gas in Gibson Oil corporation's No. 1 Bivens, located in section 35, block B-3. The first showing was at 2,980 feet, and at 3,002 feet the flow had increased to 5,000,000.

About three weeks ago 3,000,000 cubic feet of gas was struck and produced at 4,006 feet about 12 miles away.

#### Bowers Trial Is Now Under Way

The trial of Joe Bowers, Sr., on a charge of driving a car while intoxicated got under way this afternoon at LeFors.

The regular jury panel was exhausted before a jury was completed this morning.

#### CITY MANAGER AND B. C. D. IN ITS PROVISIONS

#### Vote Small, With 328 For and 54 in Opposition

#### ELECTION TO BE HELD NOV. 22

#### Mayor and Two Other Commissioners Will Be Named

By a small but decisive vote, Pampa Tuesday adopted the proposed special charter having as its major provisions the commission-manager form of government and the board of city development plan.

The vote was 328 for and 54 against the proposal. A majority was necessary for passage.

Three commissioners, elected at large, one of them to be designated as mayor, are to be chosen November 22. If either commissioner or the mayor fails to receive a majority vote in this election, another vote will be held on the first Tuesday in December as a run-off proposition. Within five days after the election of all the commissioners, they will take the oath of office and qualify. Their tenure will be until the first Tuesday in April, when the regular election will be held.

Must Meet Weekly

The commissioners are required by the charter to meet at 10 a. m. at the city hall on the first Monday after their election and qualify. Thereafter they will meet at their convenience, but they must convene at least once each week. The commissioners will receive \$10 for attendance at each regular meeting, but such meetings are limited to one per week. Two commissioners will constitute a quorum, and any commissioner refusing to vote will be entered upon the records as having voted in the affirmative, unless excused by the other two members.

The commission will appoint a city manager, "who shall be the administrative head of the municipal government, and shall be responsible for the efficient administration of all departments; he may or may not be a resident of the city of Pampa, when appointed, and shall hold his office at the will of the Commission." He must be employed without a time contract, and may be discharged at any time. The charter prescribes his duties as follows:

Manager Is Responsible

"The city manager shall see that the laws and ordinances of the city are enforced. He shall appoint all appointive officers or employees of the city with the advice and consent of the commission (such appointments to be made upon merit and fitness alone), and may at will remove any officer or employee appointed by him. He shall exercise control and supervision over all departments and offices that may be created by the commission and all officers and employees appointed by him. He shall attend all meetings of the commission with the right to take part in the discussion, but having no vote. He shall recommend in writing to the commission such measures as he may deem necessary or expedient. He shall keep the commission fully advised as to the financial condition and needs of the city, and perform such other duties as may be prescribed by the charter or which may be required of him by ordinance or resolution of the commission.

Board of Fifteen

The charter also provides for a Board of City Development, which will replace the present privately supported Chamber of Commerce. The city commission will appoint the

Annual Carnival Friday Is Going to be Good

Traditional Foe Battle Harvesters Here on Friday

The Panhandle Panthers, our traditional rivals, will battle with the Harvesters tomorrow afternoon at 3 o'clock. The game will be played on Ayres field. This will be the next to the last game of the regular season.

Panhandle has a strong team and the game promises to be a very close one. The Harvesters have been working hard to be prepared for this coming game. It will be recalled that last year Pampa and Panhandle played two tie games, which were never played off.

Rev. James Todd Stresses Service

Rev. James Todd, Jr., in his address to the students Wednesday urged them to prepare themselves to give to the world instead of preparing to take.

Wit and Humor

Vernon Culverhouse, Editor
Coach, combing his hair after taking a showerbath: My hair is full of electricity.
Archie: It ought to be; it's attached to a dry cell.

BEAT PANHANDLE

Sam O: "How long is a short road?"
Mr. Fisher: "The same distance a how-legged grasshopper can jump backward on a dark night."

Lamar School Notes

The sixth grade girls have begun playing volleyball. They are very enthusiastic over the game and are learning to play well.

The sixth and seventh grade boys soon will begin basketball practice. At present, playing football and performing on the parallel bars are the favorite sports of the boys.

The cup which was presented to the boy scouts by the business men of Pampa in recognition for their work of the scouts during "Fire Prevention Week" will be displayed for a time at the Lamar and Baker schools.

Each teacher of the Lamar school made a fifteen minute health talk in her room after the lunch hour Monday.

The pupils in Mrs. Daniel's fourth grade are using their fifteen minute art period a day, this week in making vases for the hospital rooms.

We would appreciate the donation of empty pickle bottles and small jars and we will transform them into vases so the sick folks will have a place for flowers sent to them.

The pupils in Miss Beatty's room are beginning their Thanksgiving work this week. They are writing Thanksgiving stories, and are making some very interesting scrap books of the Pilgrims.

The first grade children in the Central Ward School are enthusiastic over the approaching Thanksgiving season. They are making booklets, miniature Dutch, Indian, and Pilgrim Villages.

Miss Mail's pupils are working on their health chart and each one is trying to get the most stars for keeping the health rules.

The first grades are also studying about Armistice Day, November 11.

Beauty Contest Is Nearing Its Close

ARMISTICE IN AMERICA

Ah! Such a happy day was the eleventh of November, 1918. How everyone celebrated! Whistles blew, bells rang, men shouted, women cried and sang little children danced about for joy.

It is impossible to realize the happiness brought to the American people by the signing of the Armistice. The great war was ended and the boys would soon be coming back to the "land of the free."

There was also much sadness intermingled with gladness on that celebrated day, for only a few of the many who had been true to their country returned with all they had started with. Some were gassed, some hideously crippled, many physically disabled for life.

All this was necessary for the salvation of democracy, and the people of the American nation sacrificed much as individuals and a group for the sake for their glorious United States.

Susie Bell Smalling.

MANY ENTER CONTEST

Much enthusiasm is being shown in the Lamar contest. Fourteen students from the high school have entered. Mr. T. D. Hobart has been very generous with his volumes of Texas History. We wish to take this means of thanking Mr. Hobart for the use of his books.

Orchestra Masters Selections For Occasions at High School

Under the capable direction of Professor Schick, the high school orchestra is progressing rapidly. It has practiced faithfully after school Monday and Thursday afternoons.

The National High School Orchestra was the outstanding feature at the meeting of the National Educational Association, held in Dallas early in March. This orchestra was composed of 266 pieces, selected from the best performers of high school orchestras over thirty-eight states.

Under the efficient direction of Joseph E. Maddy, Ann Arbor, Michigan, and with only two rehearsals, this orchestra rendered its selections in a most professional manner, which was really a revelation, and showed without a doubt the high attainments being reached by many of the high school musical organizations.

Professor Schick is rendering his services to the school orchestra "free-gratis," and they hope this will be an added incentive to his beautiful accomplishment, "Sweetheart of Mine."

Girls Lead Boys in Attendance

The high school attendance report for the first six weeks has just been announced. The percentage follows:

Table with 3 columns: Grade, Boys, Girls. Eighth Grade 96.1 96.3, Ninth Grade 95.8 96.4, Tenth Grade 93.6 97.8, Eleventh Grade 97.1 97.6.

Entire high school—Boys 96.1, Girls 97.
Entire high school both boys and girls, 96.5.

Agriculture Boys Busy on Projects

We the Vocational Agriculture boys, believe both conveniences for and beautification of the home. We express these ideals in our shop projects as follows: Two of us boys have made our mother a window box, some of us are making flower stands, bookracks and stands, tie racks, rocking chairs, hall trees, tables, together with many other useful and beautiful conveniences for our homes.

We worked in groups and made recently six benches for the Methodist church.

Besides the shop projects that we are doing from week to week, we, first year boys, are studying dairying and dairy cattle. Just last week we were taken on a trip to visit the modern dairy plant of W. E. Minatree. Mr. Minatree is now erecting a modern dairy barn with every modern convenience. He is now having his cows tested for T. B. He milks about seventy cows.

We second year boys are studying at present the soil in its relation to the production of plants. We are planning a field trip for the study of soil formation.

We third year boys are studying feeds and feeding of live stock, balanced rations, maintenance, rations, productive rations and economical rations.

Former Student Hurt in Wreck

Miss Tommy Tisdale, who now lives in Santa Anna, has had a very serious accident. The car in which she was riding with her uncle and several other young people, was wrecked, killing one of the girls and probably fatally injuring one of the boys. Tommy is now in a hospital, not suffering so much from her injuries, perhaps, as from a nervous collapse, which she is reported to have had following the horrors of the accident.

Tommy is remembered and loved by many of the pupils of Pampa high school. She was a good student besides leading her class as President. We are all sincerely hoping for her rapid recovery and wish to extend our sympathy to her.

Leave Dogs at Home—Animals To Be A-Plenty

Dear Readers of the Spotlight: We want all of you to know that the seniors are boosting for a bigger and better annual this year. All of us are working hard. The girls make candy and roast peanuts to sell at the games so we can have more money. They are going to do that this Friday.

Then, of course, you know about our arrival. If you don't, just listen. It's going to be Friday night at the high school. We're going to have an athletic show, an ounce baby, a Rock-of-Ages (that's going to be good), a radio, a doll stand, burlesque shows, pop-corn, peanut, candy, hamburger, and confetti stands, besides the many stunts and side shows. Oh, yes! We're going to have a telegram booth and a fortune teller.

Something else real good and thrilling—we're going to have a King and Queen of the Carnival! There will be Knights and Ladies-in-waiting, too. You see we've been having a beauty contest at school. The winners will be king and queen. The others will be their attendants. No one knows yet who will win and everyone is buying votes. Be sure to bring lots of money so you can vote for your favorite beauty and handsome man. The contest will close about 8:30, and soon afterward the winners will be announced. Don't be late. It won't matter if you don't look your very best, just so you're on I guess this is about enough, but time.

Be sure to come to our Carnival. Yours sincerely, One of Your Seniors, F. S. "No Dogs Allowed." Please leave your dogs at home. We'll have plenty of animals and entertainment for everyone.

Old Glory

There's a flag unfurled in a Western world, Far famed in song and story, It stands for the land of the free and brave, And it is christened "Old Glory."

It has flown to the breeze on battle fields, It has stood the tests of time; Yet, still it waves o'er soldiers' graves, Who stood for that flag sublime.

They fought for the things the flag stands for, Bravery, purity, and truth; So let it wave o'er the home of the brave; Be instilled in the hearts of youth.

The flag with stripes of red and white, With stars on a field of blue, Waves a welcome to this land of the free, It is what is protecting you. —Lillie McMillan, (Senior)

SENIOR NOTES

Mr. Truman Fletcher, a representative of the Southwestern Engraving company, was present Tuesday at the Senior class meeting. He has the contract for the engraving of the senior invitations and cards. We are greatly pleased with the selections made.

The seniors are to have their pictures made for the annual as soon as possible. The class has been divided into groups to go to the studio certain days, beginning Wednesday. The other classes will follow in order.

In order to put over a good annual we must have the help of every student.

We regret the absence of Doyle Ward from the classes due to his injured eye and hope that he will soon return.

Jack Price of the fifth grade is wearing a new pair of trousers today. His baby sister cut the seat out of his others to use in making her doll a dress.

Reception Is Given For Parents and Faculty Thursday

The Home Economics room was the scene of a lovely Halloween reception given by the foods classes school faculty Thursday evening, in honor of their parents and high Oct. 27.

Appropriate decorations made the Halloween spirit prevail throughout the evening, while the following program was given:

- The Origin of Halloween—Virginia Rose.
Ukelele Duet—Virginia Rose and Susie Bell Hickman.
Hawaiian Guitar solo—Cinda Spurlock.
Reading—Virginia Spurlock.
Violin Solo—Mr. Schick.

Refreshments carrying out Halloween colors, orange and black, were served. They consisted of moulded salmon salad, bread and butter sandwiches, Devils food cake, punch, Orange divinity and fudge.

Baker School Notes

The fifth grade history classes are making posters depicting the first Thanksgiving.

We received our science books last Thursday of which we are very proud.

Teachers and pupils are anxiously waiting the arrival of the new clock, which is being presented by Mrs. Daniel's mother.

The following persons were over to visit Baker School Friday evening after P. T. A.: Mrs. V. E. Finley, Mrs. T. E. Ross, Mrs. Charles Barrett, Mrs. Oeta B. Lankford from Mountain Park, North Carolina. Each spoke very highly of the building and the work of teachers and pupils.

Armistice Day Parade

We licked the Huns, we took their guns, We bowed their heads down low; But we paid the price for their vicious vice, Ere we turned our foot-steps home.

Wave not the flag 'till you understand What each dear stripe implies, Take off your hat! You yellow sap! While the flag goes passing by.

Shed those same tears as you see us pass, That you did when you saw us go. As a tribute true to those left behind, 'Neath the crosses row by row.

We hold the flaming torch they won, Please help us keep it high, A grave salute, a mighty cheer, As the parade goes marching by. —Marie Scott.

### Miss Sawyer Is Honored With Tea At Wynne Home

Mrs. J. S. Wynne, Mrs. George Gill, and Mrs. LeLen Vickers were joint hostesses in a lovely announcement tea Wednesday afternoon honoring Miss Annie Laura Sawyer. Mrs. Wynne's home was beautiful in decorations of carrying out a color scheme of yellow and white. Attractive bowls of yellow chrysanthemums added to the beauty of the scene.

After the guests had arrived, the hostess was called to the door to receive a message from Dan Cupid announcing the approaching wedding of Miss Annie Laura Sawyer to H. Otto Stuber on Wednesday, November 30. Suggestions were then made that the guests make the honoree a friendship quilt. Nimble fingers were busy for the next hour putting the individual yellow and white blocks together in the centers of which each guest had embroidered her name.

Mrs. Carson Loftus gave two humorous readings, after which clever contests were enjoyed by the guests. "T's" were matched for partners for a contest in which Miss Sawyer won the prize, and was awarded with a dainty little tea pot.

The hostesses served a delicious luncheon with a dainty yellow rose on each plate, in the center of which was a fortune to be read aloud much to the merriment of those present. Attached to the rose was a place card seating the guests at various places about the room.

The refreshments consisted of bread and butter sandwiches, cheese straws, carrot salad, Biarney stone cake and tea.

The guest list included Mrs. I. B. Hughey, Mrs. Raymond Harrah, Mrs. Carson Loftus, Mrs. P. B. Carson, Mrs. Wade Duncan, Mrs. Sam Fenburg, Mrs. John Studer, Mrs. Mack Graham, Mrs. A. H. Doucette, Mrs. Emma LeFors, Mrs. Ora Duenkel, Mrs. Frank Carterton, Miss Mable Davis, Miss Wilma Chapman, Miss Julia Mae Barnhart, and honoree, Miss Annie Laura Sawyer.

### Baptist W. M. U. Completes Study of Manual Wednesday

The Woman's Missionary Union of the Baptist church held a meeting Wednesday at the church from 10 o'clock until 4 o'clock in the afternoon. The day was spent in the study and review of the W. M. U. Manual.

Mrs. W. L. Barrett was teacher of the manual, and also leader of the devotional, while Mrs. Harry Barnard, president of the entire W. M. U. of Pampa, presided over the meeting. Those present completed the study of the manual and took examination over the work studied, after a review of each chapter by individual discussion.

The W. M. U. will take up mission study courses in the various circles.

The 22 present enjoyed a basket lunch during the noon hour, to which every one present contributed. The W. M. U. is well pleased with the work that has been accomplished during the study of the manual, and are certain of the benefit to be gained from the mission study.

The next meeting will be a general monthly meeting with the regular Missionary program on the book, Royal Service. This meeting will be held at the church Wednesday, November 16.

### W. M. Lewright Is Host Tuesday To Visiting Friends

W. M. Lewright was host to a number of his friends Tuesday evening at a dinner honoring Judge Newton P. Willis of Canadian and Curtis Douglas of Panhandle. The gentlemen were served a most delicious dinner by Mrs. Lewright after which the evening was spent in various business discussions. Those present were Judge Willis, Curtis Douglas, Mr. McConnell of Panhandle, Joe Smith, and Frank Hunt.

Mr. and Mrs. Marion Howard have gone to Wink, Texas on business.

Word has been received of the marriage of John Lard, formerly of Pampa, now a Glendale, California.

## CHURCHES

### FIRST BAPTIST CHURCH

Last Sunday was another great day in the First Baptist church. The Sunday school attendance is going right on up and the auditorium will no longer accommodate the people that come. We had a high hour at the morning service. People responded to the invitation, and three united with the church when the pastor brought us one of his very best sermons, "Are We Juggling With Justice?" he spoke right out without fear or favor, beginning with the higher-ups and coming right on down to the smaller sins.

He said, "Most of our youthful criminals come from godless homes," and most all the juvenile criminals never attend a Sunday school."

No doubt more comment has been made on Rev. Truhitte's sermon of last Sunday than any sermon ever preached in Pampa, and if the pastors of this city don't stand against sin that it is a dead moral fact that the Devil will not fight his own business.

We will never, never accomplish the work and bring the world to Christ until we, who profess Christ, arouse ourselves and wake-up and shake the Devil's fleas off ourselves and live for Christ.

What we need to-day is prayer. God is proving to us that "prayer is changing things." The Word of God meets every need of human life, answers every question and solves every problem. It is a complete encyclopedia within itself. Only the Bible could have accomplished what has been done by Christian people.

Rev. Truhitte will speak Sunday morning on the subject, "Crowding Out Christ." Sunday evening, "The Most Horrible Sin in Pampa." This subject will point out the sin that causes the most sadness, breaks the most hearts, causes the most tears to fall, puts more grey hairs in father's heads and sends more mothers to premature graves than any other sin. Hear this sermon Sunday night.—Reporter.

Mrs. W. C. Mitchell and daughter, Miss Ruth Ann, left today for Norman, Okla., where they will attend the homecoming at Oklahoma university.

Miss Charles Thorpe of Stratford is the guest of her sister, Miss Thorpe.

## Amusements

Were you one of those who saw the initial performance of "What Price Glory" at the Crescent theatre last night?

If you weren't there you missed one of the finest pictures that was ever shown on the screen. It is great entertainment, a picture which offers thrills, and lots of them. One moment you laugh and the next you cry. That's the kind of a picture they have made from the play by Maxwell Anderson and Laurence Stallings, "What Price Glory."

Victor McLaglen, as Captain Flagg, and Dolores Del Rio, as Charmaine, and Edmund Lowe, as Sergeant Quirt, have given the screen three of the greatest characterizations on record.

Mr. and Mrs. Loyd Bennett, and Miss Myrtle White, left today for Abilene, where they will visit Mrs. Bennett's mother, Mrs. W. R. Henry and sister, Ruth Henry, who is attending school in Abilene.

Mrs. W. D. Benton and daughter, Erdie, have returned to Barnard, Texas, after visiting relatives here. They were accompanied by Mrs. Benton's son, Lee.

Miss Fay Martin of Whitewright, who is visiting Mr. and Mrs. Charles Jarvis, has accepted a position with Kraft's Mint.

Draper Mathis of Stinnett visited friends in Pampa this week.

Mr. and Mrs. Oliver Eliot of Miami, Mrs. C. T. Hunkapillar, and Mrs. A. Cole were Amarillo visitors Wednesday.

Miss Euritha Henry arrived today from Canyon to spend the week-end with her parents, Mr. and Mrs. D. R. Henry.

Mr. and Mrs. H. A. Gilliland returned last night from Oklahoma City where Mr. Gilliland was attending a large gathering of theatre magnates.

Mrs. G. W. Newton and daughters of Eric, Okla., were the guests of Miss Lillian Newton early this week.

Mrs. Beardmore, nurse of the local hospital, is ill this week.

Miss Theima Tyles left this afternoon for Hereford to spend the week-end with her parents.

Finley will attend to some personal business.

B. E. Finley, president of the First National bank, left this afternoon for Kansas City to attend the American Royal Stock Show, which is the largest of its kind in the world. While in Kansas City, Mr.

Miss Mary Welford is visiting with her parents in Plainview over the holiday.

Mr. and Mrs. W. E. Davis and Frank Davis have returned after a visit in the home of Mr. and Mrs. C. E. Davis of Dallas.

## El Progresso Club Meets Tuesday With Mrs. James Todd

The El Progresso club met Tuesday afternoon in the home of Mrs. James Todd, Jr. Mrs. W. L. Woodward was leader of the subject of study, "The Immortal Marriage," by Gertrude Atherton.

Mrs. Woodward made a very interesting comparison of the books, "The Immortal Marriage," and "Black Oxen," both by Mrs. Atherton, but written in different periods.

Mrs. C. M. Bryson ably discussed the daring and success of this scheme of presentation of the old philosophies, and portrayed the individuality of the woman of the Ancient Greece. The portrayal of Socrates as a character of the story was given by Mrs. Carson Loftis. Mrs. John Andrews pictured Aspasia the young woman of the story, in various phrases such as the friend, the wife, the mother, and the heroine. This was followed by general discussion by those present on the historical setting of the book.

Mrs. Todd's home was lovely with fall decorations of pumpkin, leaves and autumn flowers and a pre-Thanksgiving atmosphere was created by the scene. The hostess served refreshments of sandwiches, salad, pumpkin pie, and coffee to those present.

Those present were Mrs. John Andrews, Mrs. V. E. Fatheree, Mrs. T. D. Hobart, Mrs. P. C. Ledrick, Mrs. Carson Loftis, Mrs. Dave Pope, Mrs. W. Purviance, Mrs. G. C. Walstad, Mrs. W. L. Woodward, Mrs. C. M. Bryson, Mrs. J. M. McDonald, Mrs. H. L. Ledrick, and Mrs. James Todd.

## Mr. and Mrs. Fisher Are Honored at Twiford Home

Mr. and Mrs. H. G. Twiford honored Mr. and Mrs. E. E. Fisher Monday evening with a most enjoyable bridge party. A color scheme of pink and white was used throughout the evening.

The guests played bridge until a late hour, after which Mrs. B. J. Dickey was awarded a very pretty bud vase for high score, and Mrs. Raymond Harrah received consolation prize, a dainty vanity case. High score for gentlemen was won by T. A. Ashby, who was awarded a Chinese hammered brass cigarette container. W. M. Lewright won consolation prize, novel ash tray.

In observance of the immediate departure of Mr. and Mrs. Fisher for Iowa, Mrs. Fisher was presented with a beautiful string of pearls, while Mr. Fisher received an attractive pen and pencil set.

The hostess served a delicious salad course to the following guests: Mr. and Mrs. A. H. Doucette, Mr. and Mrs. T. A. Ashby, Mr. and Mrs. Raymond Harrah, Mr. and Mrs. B. J. Dickey, Mr. and Mrs. W. M. Lewright, and Mr. and Mrs. E. E. Fisher.

## Mrs. Carol Taylor Is Hostess to Ace High Bridge Club

Mrs. Carol Taylor was hostess last Friday evening to the Ace High Bridge Club. The afternoon was enjoyably spent in playing bridge and after several interesting games, Mrs. W. H. Lang was awarded high club prize, and Mrs. Douglas Day second high. Mrs. L. R. Hartell was a special guest of the club.

The hostess served lovely refreshments to the following guests: Mrs. Tommie Thomas, Mrs. Raymond Holland, Mrs. Douglas Day, Mrs. W. H. Lang, Mrs. Carol Taylor, Mrs. L. R. Hartell, and Mrs. Don C. Davis.

## W. M. U. Meet In Observance Of Prayer Week

The Women's Missionary Society of the Methodist church will meet Wednesday and Thursday at the church with Mrs. Fred Cary as hostess to observe the Week of Prayer and Self Denial.

Following is the program for Wednesday: Hymn Lesson, "Jesus Calls Us," Bible Lesson, "Pray Ye Therefore," Luke 10-2. Ten-minute talk, "Valley Institute," Mrs. Edwin Vickers. Prayer, Mrs. W. Purviance. Ten-minute talk, "Palmore Woman's Institute," Mrs. Lee Harrah.

## Prayer, Mrs. Tom Brabham Offering Service

A second meeting will be called Thursday in which the following program will be given: Hymns, and devotional period. Bible Lesson, "Youth's Search for God and Our Responsibility" Isaiah 19.

Period of Prayer and Heart Searching. "A word about Our Week of Prayer Specials," Mrs. W. Purviance. Self denial offerings.

Intercession Period for Our New Missionaries and Deaconesses. Candle Lighting Service. Hymn, "Lead Kindly Light," Mrs. J. M. Dodson.

## Miss Cassie Ledrick and H. D. Balthrope Are Wed in Clarendon

A wedding of much interest to the young people of Pampa was solemnized Saturday at noon in Clarendon, and united Miss Cassie Ledrick and H. D. Balthrope in marriage. The ceremony was performed by the Rev. Moore at the Methodist parsonage in Clarendon.

Directly after the wedding, the young couple left for California, where they will be gone a month or more.

Mrs. Balthrope is the charming daughter of Mr. and Mrs. Lee Ledrick who have been long-time residents of this city. She is a graduate of Pampa high school and has had college training in both the College of Industrial Arts at Denton, and in the Kansas A. & M. at Manhattan, Kansas. For the last two years she has been secretary of the city water department.

Mr. Balthrope is the son of Mr. and Mrs. W. T. Balthrope of Memphis, Texas, and has made Pampa his home for the last six years. He has been employed by the local Buick company.

The many friends of Mr. and Mrs. Balthrope join in congratulating them, and will be pleased to learn that they will probably make their future home in Pampa.

## Miss Velora Reed Entertains Friends Friday Evening

Miss Velora Reed entertained a number of her friends Friday evening in the home of Mrs. Jack DeGraffenreid. The time was enjoyably spent in playing bridge, which proved an entertaining diversion until a late hour. Honors went to Mrs. Campbell and Verde Dickey.

The hostess served delicious refreshments of tuna salad, cookies, and hot chocolate. Those present were Mr. and Mrs. Campbell, Mr. and Mrs. Robinson, Miss Irma Crowe, Miss Lucille Mooney, and Bill and Jack Gould, Frazier Taylor, and Verde Dickey.

## Mr. and Mrs. Fisher Are Entertained In Doucette Home

Mr. and Mrs. A. H. Doucette entertained in their home Monday evening Mr. and Mrs. E. E. Fisher. The hostess served a most delicious dinner after which the guests went to the home of Mr. and Mrs. H. G. Twiford. Those present were the immediate family of Mr. and Mrs. Doucette, and the honorees, Mr. and Mrs. E. E. Fisher.

## Mrs. R. M. Byers Celebrates Birthday Of Son Friday

Mrs. R. M. Byers celebrated the birthday of her son, Leo Byers, with a dinner Friday night. Following the serving of a most delicious three-course dinner, the guests enjoyed music and games. The honoree received many gifts and enjoyed the congratulations of his friends present.

The guests were Mrs. Hannah Clark of Cushing, Oklahoma, Gavin Albin of Tulsa; Tom Martin of Panhandle, Miss Opal and Myrtle Byers, Mr. and Mrs. R. M. Byers.

## Bridge Party Is Given by Mr. and Mrs. G. A. Holloway

Mr. and Mrs. G. A. Holloway entertained a number of their friends Friday night with an entertaining bridge party. The apart-

ment was lovely with decorations of fall flowers and leaves, and was carried in the table decorations and table linens.

The guests enjoying bridge until a late hour, and at the close of several interesting games, Mrs. Chiles was awarded high score for the ladies and T. A. Ashby received high score for men.

The hostess served a delicious salad course to the following guests: Mr. and Mrs. C. T. Hunkapillar, Mr. and Mrs. T. A. Ashby, Mr. and Mrs. John Willis, Mr. and Mrs. H. D. Lewis, Mr. and Mrs. L. N. McCullough, Mr. and Mrs. M. E. Finney, Mr. and Mrs. Lester Chiles, Mr. and Mrs. O. K. Baker, and Mrs. J. D. Sugg.

## Baptist Circles Meet in Various Homes Wednesday

Circle two of the Baptist W. M. U. met at the home of Mrs. G. C. Clark in an all-day meeting Wednesday, with sixteen members present. The forenoon was spent in quilting and in an enjoyable social time.

The hostess served a delicious luncheon to the members present after which a regular business meeting was called. Mrs. L. H. Greene was leader of this session and various subjects of interest were discussed.

Circle three of the Baptist W. M. U. met with Mrs. W. B. Barton Wednesday afternoon. The members discussed the first lesson in the new study, "Plan of Salvation." A short business session was held afterward. The hostess served delicious refreshments of sandwiches and coffee to the 2 members present.

The meeting of Circle Four of the Baptist W. M. U. at the home of Mrs. D. H. Truhitte Wednesday afternoon was opened with a devotional by Mrs. Truhitte followed by a very interesting lesson on "Plan of Salvation." The business meeting was entered into with much enthusiasm. Some of the main points of discussion were a thorough census of Circle Four, seals and diplomas on study courses, a year book, and also the election of a reporter.

Delicious refreshments of whipped cream, pumpkin pie and coffee were served to the eleven members present. The Circle had as a guest of honor, Mrs. Langford of Mountain Park, North Carolina, who gave some very helpful suggestions for the holidays.

Everyone went away happy and full of vim and vigor. The Circle wishes to extend a special invitation to each lady within the district of Circle Four to meet with them on Wednesday afternoon and share this happiness.

## P-T. A. Meets Friday With Child Study Club

The Parent-Teachers Association held the regular monthly meeting in the Vocational Agriculture rooms Friday afternoon at 2:30 o'clock.

Mrs. Joe Smith the president presided over the business session, in which Mrs. Roger McConnell was elected recording secretary.

Following the reports of officers a very beneficial program was given by the Child Study club. Mrs. W. M. Bratton, Mrs. C. T. Hunkapillar, Mrs. Tom Rose, Mrs. Joe Smith, Mrs. G. C. Walstad, Mrs. James Todd, Mrs. A. H. Doucette, and Mrs. C. M. Bryson took part in this program and made it interesting to those present.

After the meeting a committee was chosen to investigate the sanitary conditions of the local schools. A large crowd was present and everyone is please with the progress that has been made this year.

## C. L. S. C. of LeFors Meets Thursday In History Study

The Chautauqua Literary and Scientific Circle of LeFors met at the home of Mrs. George Clardy Thursday afternoon with six members present. The Roll Call was answered by a scripture reading.

The report of the critic, Mrs. A. Carpenter was very interesting and beneficial, and was followed by the following program:

"Citizen Genet as he really was, and the Unpopularity of Washington in 1793," Mrs. A. Carpenter.

"Yellow Fever and Girondists," Miss Doris Paxton.

"Monticello Jefferson at Home," Mrs. C. Bacchus.

"Whiskey Rebellion," and "The Younger Pitt," Mrs. V. Wagner.

"The War 1793 between England and France," Miss Fine.

"Treaty making in the U. S. Constitution," and "Town Meetings," Mrs. George Clardy.

The meeting was closed with

very good discussion on various current events.

## Birthday Festival Is Given in Christian Annex

The ladies of the circles of the Christian church sponsored a very entertaining birthday festival held in the church annex Friday night. A novel method of giving the program was used in that there were six tables, each representing the period of two months of the year, and decorated symbolic of the months represented.

The ladies presiding at the tables were also dressed in accordance with the months portrayed. Those present chose their tables by the month in which their birthday occurred, and left as many pennies as their age required.

At intervals during the evening a special program was given in which Mrs. W. A. Bratton, Miss Ruth Ann Mitchell, Mrs. Harry Marbough, Mrs. Art Hickman, Miss Hazel Campbell, Charles Thomas, and Dorothy Mae and Nellie Meers, Susie Bell Hickman, and Dorothy Lou Hickman gave attractive numbers.

The annex was very lovely with the different tables decorated so attractively, and on each was a beautiful birthday cake.

There was a large number present and every one enjoyed to the fullest extent the lovely refreshments of cake and punch served them by the ladies in costume.

## Senior B. Y. P. U. Is Entertained Friday Evening

**A New Record for Balloons, and—**

Here is the balloon which Captain Hawthorne C. Gray sailed from Scott Field, Ill., 43,000 feet into the blue to a new altitude record—and death. Captain Hawthorne's log showed that he was alive at 40,000 feet when he threw out his last sand bag. Failure of the oxygen supply carried in tanks in the balloon was blamed for the flyer's death. The balloon finally drifted down and landed in a tree, as shown above.

**Harvesters Aspire To Be Undeclared in This Division**

Tomorrow afternoon the Pampa Harvesters, high school football team, aspirants for the class B championship in this conference, will meet the Panhandle high school team on Ayres field at 3 o'clock. The visiting team is reported to be strong both in the line and backfield.

All places of business will be closed and a large crowd is expected as the football game is the only attraction in the afternoon. The regular backfield, Walstad, Carlton, Roberts, and Maness, will be used by Coach Dickey. The Pampa line is strong and few plays go through Herliach and company while the local backfield is the fastest and shiftest seen on the local field this year.

In Walstad and Carlton the Harvesters have two fast and shifty broken line runners while Maness and Roberts are the ground gainers through the line. Both these boys have been hitting the line low and hard the last two games and seem to have found their feet on the line plugging.

Next Friday the Harvesters will have their hardest game of the season when the Shamrock Irishmen invade the city.

**Cattle and Hogs are Steady; Lambs Higher in K. C.**

KANSAS CITY Stock Yards, November 9—Monday's cattle receipts carried nearly 100 car loads of stockers and feeders on through billing to feed lots. This cut down the available supply of cattle. Fat cattle in proportion to total receipts were usually small, and stockers and feeders were in liberal supply. The market held fully steady. Hog prices were steady with last week's close and 40 to 50 cents above the low point ten days ago. Cool weather is improving the demand. Sheep were fully steady and lambs 25 cents higher, with trade active.

Receipts were 50,000 cattle, 6,500 hogs and 7,000 sheep, compared with 28,500 cattle, 7,000 hogs and 7,000 sheep a week ago and 33,752 cattle, 8,325 hogs and 8,300 sheep a year ago.

Though total cattle receipts were liberal the supply of fat steers was less than on any Monday for some time past. Trade opened slowly but later became active with a good demand reported. The bulk of the fat steers was in the short fed class. Straight grass steers were in moderate supply and prime long fed steers were lacking. The best steers here sold at \$13. to \$14.50. Some steers warmed up from grass brought \$12 to \$13.50 and straight

grass steers sold at \$8.50 to \$11.75. Straight grassers were final shipments or cut outs and average quality was rather plain. Cows and heifers were quoted steady. Medium quality heifers short fed and not very fat were quiet weak. Cows, straight grass heifers sold readily. Trade in veal calves was quiet at weak prices.

Receipts of stockers and feeders were liberal. Demand continued active with no quotable price change. Next week will probably end the big movement of stockers and feeders. Close to 2,500 thin cattle, calves yearlings and twos will be offered in the car lot division of the American Royal next week.

Hog prices were fully steady with last week's close and at the high point of the past ten days. Cooler weather has improved the demand, but quality of the offerings is below normal for this season of the year, especially in the lighter weight kinds. General indications are that late October prices will stand as the low point of the season. Today the 190 to 250 pound hogs sold at \$9.50 to \$9.90; 140 to 195 pounds \$8.50 to \$9.50; packing sows \$7 to \$8.15 and stock hogs and pigs \$8 to \$9.

With indications that the western range lamb movement is over, prices advanced 25 cents under an active demand. Western lambs sold at \$13.75 and \$13.80 and native lambs up to \$13.65; some fresh shorn weathers at \$6.75 and yearlings at \$10.25, were about the only fat sheep offered. They were quoted strong.

Demand for good horses and mules remains active. The supply is short of requirements. Plainer kinds are steady.

Mrs. E. T. Howell of San Diego, Calif., mother of Mrs. Frank Keehn, Jr., who has been seriously ill, recently motored to Pampa accompanied by Mrs. Jack Brown, a former member of the staff of the San Diego Sun and the San Diego North Park News. Mrs. Keehn's condition is somewhat improved, but she is not out of danger, physicians say.

Mrs. Hannah Clarke of Cushing, Okla., visited with Mrs. R. M. Byers over the week-end, while on her way to California on a visit.

**Gilliland Gets Pictures of Fight**

H. A. Gilliland returned from Oklahoma City yesterday after attending the theatre owners convention there. While in the city he secured the films of the Tunney-Dempsey fight pictures and will show them at the Crescent here Saturday.

Mr. Gilliland reviewed the fight pictures at Oklahoma City, and says that the slow motion which is given in the eventful seventh round should settle some arguments between the local fight fans.

The pictures will be shown in connection with each show on Saturday, and in order to accommodate the largest number of patrons possible, Mr. Gilliland will run his show continuous from 1:30 o'clock Saturday afternoon until midnight.

**Markets**

FORT WORTH, Nov. 10—Receipts of cattle Tuesday show considerable shrink from Monday, the estimate today being 3,200 cattle and 1,000 calves, or about 10,000 head less than yesterday. There were not many steers in the offering today, sales being steady with yesterday. The best cake-feds today brought \$10.25. Stockers are fully steady and selling in good demand. We sold a load of white-face, horned stockers steer yearlings this morning for R. L. Nunn of Kent, Texas, averaging \$10 pounds at \$9.60.

Butcher cattle are fully steady, and with a little more life in the trade; bulk of the good butchers cows in car-lots from \$6.50 to \$7; common kind of fat cows selling from \$5 to \$5.50; cutters, \$4.50 to \$4.75; canners \$4 to \$4.50. Bulk of the fat suckling yearlings selling from \$7.75 to \$9 while some strictly choice ones, weighing around 500 pounds, would bring \$10. Stock cows and stocker heifers steady with yesterday's decline.

Calf market a little stronger than yesterday, choice heavy killing calves selling up to \$8.25 today, bulk of the good killing calves, \$8.25 to \$8.85 today, bulk of the good killing calves, \$8.25 to \$8.75. Stocker steer calves, choice quality, sold up to \$10.25, while heifer calves of the same flesh and quality would bring \$8.75 to \$9.00. We sold two cars of black stocker heifer calves today, averaging 304 pounds at \$9.10. Veals about steady. Choice veals quotable \$10.50; medium veals, \$8.50 to \$10.

Hog market 15 to 20 cents lower today, top in the carlot division being \$9.55. A few choice trucked in hogs brought \$9.65. Bulk of the good butcher hogs quotable today from \$9.25 to \$9.50. Packing sows, \$7.50 to \$8.00, butcher pigs, \$8 to \$8.50. Sheep steady. Best fat weathers, \$7.50 to \$8. Fat yearlings around \$10.00. Some strictly choice lambs sold today at \$13.50.

**Highway Meeting to Be Held at Fort Worth Nov. 28, 29**

FORT WORTH, Nov. 10—Invitations have been sent out to county judges and commissioners courts of the 253 counties in Texas to attend the highway session to be held here Nov. 28 and 29 by the Highway club of Texas and the Oklahoma Good Roads association.

"The meeting is called," the invitations said, "for the purpose of discussing what is known as the Hoover Motor Code, the adoption of same, if found desirable and the establishment of closer relations and

co-operation between Oklahoma, Arkansas, Louisiana, New Mexico and Texas on all highway matters.

"The Hoover Motor Code has been assembled by a committee of the most outstanding students of highway matters in the country," the invitations said. It proposes certain laws controlling motor vehicle operation in the adjoining states and we believe it will be worthy of the most serious consideration. Speakers of national prominence from Washington, New York, Ohio and the other states will appear on the program.

**CONTROVERSIAL**—The so-called "average" American is said to belong to a church, but to attend irregularly. Perhaps so, but this same American is always ready to defend his church and his actions are apt to be severe if he is stirred up.

The church as a subject for written and spoken thought is one of that small number which is always sure of an audience. Churchmen more and more are talking of affairs outside the church, and outsiders are placing the denominational creeds upon the dissecting table.

Although the churches' spirituality is being questioned as a development, statistics show that the denominations are making the most rapid strides in their history in growth and material prosperity. Their organizations are closely knit.

A St. Louis pastor recently said "we are living today in the most brilliant age of the world. The church was never so busy in doing splendid things, the church was never so well organized, never raised so much money, in the history of the world. But there are forces terrible to confront, and the church is lacking in an inward spiritual life. People have lost peace of soul and mind. They have forgotten silence and meditation with their God. They are living outwardly, but inwardly are lost in a jungle. I believe that there is more genuine knowledge of Jesus in the world today, more widespread desire to accept Jesus' plan for a good life, than ever before. But there is an amazing lack of interest in being Christlike. We must fight for quiet in which meditation may begin,

**Who Said He Couldn't Come Back?**

and the soul of the church revived by its members."

This minister goes further in asserting that in his opinion "if a church does not solve community differences or try to lift the burdens that oppress men, or prevent conditions that destroy youth, it only partially expresses the spirit of its Master."

The Methodist conference now in session at Big Spring has expressed some of these ideas in connection with very encouraging reports. It is slightly at variance, however, on the part that the church should take in local affairs. Or at least, in the much applauded address of the Rev. W. B. McKeewn of Abilene, it was declared that "some preachers do not preach the gospel, but about the police judge, Al Smith, and other things. . . . Our call to the ministry is a call to the ambassadorship of Christ. If you are not a prophet or the son of a prophet you should not be in the ministry."

It is the spirit of the age to be indifferent. But the force of habits, rightly and early formed, is the mainstay of the church. That there are thousands of children without proper home and religious training should vitally interest the church. Cynicism or indifference usually develops in the absence of a more positive force. This situation, rather than organized influence against the church, is its greatest danger.

**WASHINGTON LETTER**

By **RODNEY DUTCHER**  
NEA Service Writer

WASHINGTON—Senator J. Boonboom McWhorter, friend of the people, sterling patriot and foe of all foreign nations except Liberia, has welcomed the opportunity to associate himself with that other friend of the people, sterling patriot

and foe of all foreign nations except Liberia, Mayor William Hale Thompson of Chicago.

While Mayor Thompson bombards the ramparts of Chicago's public library, Senator McWhorter will undertake to clean out the library of Congress.

The senator, like all other senators and congressmen, recently received Mayor Thompson's collect telegram inviting all hands to join the America First Foundation at \$10 a head. He is willing to overlook the charges on the message, but feels that it is not necessary for a man of his record to pay \$10 to prove his patriotism and that no doubt when he has gone into action Mayor Thompson will loosen up with some honorarium for the senator if not a definite cut-in on each \$10.

Such news as this, of course, is bound to have an effect on the political gilly-pot, for it is known that both McWhorter and Thompson have presidential ambitions. Already there has been some mention of a Thompson-McWhorter ticket, but Senator McWhorter assures us in confidence that this was a typographical error which placed him on the wrong side of the hyphen.

"It will readily be seen," says Senator McWhorter, "that Mayor Thompson's activities must of necessity be limited because his authority does not extend outside his city limits and there is no library in Chicago or anywhere else that offers such a field for patriotic operations as the Library of Congress, where everybody has to send free copies of his book when he copyrights it, so that there is hardly any book in the world that we cannot burn on the capitol grounds if we so desire."

"I propose that the Congressional branch of the American First Foundation start right off collecting all the books in the library printed in foreign

languages, because nobody can read them and there is no way of knowing whether there is British propaganda, Bolshevik propaganda or other seditious material concealed in those books and what can we hope for in this country if even the Library of Congress isn't one hundred per cent American?"

"That will be our first bonfire and we will have the marine band playing on the capitol steps and perhaps President Coolidge will recognize the overwhelming sentiment of the American people and come up and make a brief conflagratory address. I am sure we can depend on Tom Heflin and

a few other noble patriots to participate in the official ceremonies, especially our so-called isolationists and irreconcilables. Something probably will have to be done to keep Congressman Tom Blanton from grabbing books and throwing them at people and Borah probably will try to swipe some of the Spanish books, but those are minor details.

"After that we will go after the traitorous books written by Englishmen and half-of-one per cent Americans. I read a history book once. It was in grammar school. And I am personally willing to take the responsibility for burning the history books which traduce our forefathers.

"As you must realize, I do not believe Mayor Thompson's campaign is comprehensive enough. I will give this campaign scope as well as dignity. Why does he declare war on King George Third and King George Fifth and leave out King George Fourth, who was as bad as any of them. And why does he yell only at the British when the French, Germans, Chinese, South Americans, Russians and other nations are as bad as any of them and all anxious to overthrow our great institutions and high tariffs?"

## Dr. J. A. Hill Stresses Principles of Regional Development and Outlines Work of West Texas Teachers College

Dr. J. A. Hill, president of the Canyon Teachers college, as the principal speaker at the Lions club Thursday, made an eloquent plea for "a better state consciousness" in the Panhandle.

The speaker asserted that the North Panhandle is relatively undeveloped, and that its present citizens by building wisely and well can win for themselves the esteem with which the early Texas pioneers are now viewed.

"I have been traveling over this vast territory for seventeen years," said Dr. Hill, and yet I find some new resources on every trip."

In pleading for the North Panhandle and its people, Mr. Hill also declared that the Teachers college is equally outstanding in its resources and possibilities, and that the riches of this section should be shared with the Canyon institution, which through its teacher-graduates is serving almost every school in the Panhandle.

After describing the splendid physical plant of the only North Panhandle state institution, Dr. Hill told of some of its needs, and suggested that some of Pampa's citizens could not do better than give to the Teachers college as have South Texas wealthy men to Texas university, Rice Institute, and other schools.

"I have no hesitation in asking your interest and your support," the college head remarked, "because it is your school, and I am your servant."

Dr. Hill said that he will this month let a contract for what is to be one of the best education buildings on the American continent. It will cost, complete, about \$25,000. The school is much in need of additional buildings.

In scholastic standing, it was pointed out, the Teachers college ranks with the state university, and its work is accepted at par value by the great universities of the nation.

The Lions club extended a rising vote of thanks in recognition of Dr. Hill's message and work.

Lion McMillan gave an interesting analytical talk on the tire business. His statements on the manufacture drew much interest.

Prof. R. B. Fisher, principal of Central high school, rendered vocal solos. He received much applause for his clever parodies relating to the Lions club. Mrs. Tom Braham accompanied him at the piano.

Olin B. Hinkle was chairman of the day. Guests included Don Hughes of Amarillo and the Rev. W. L. Evans and Mrs. C. N. Melton of Pampa.

## Monte Wins Over Vincent by Shade in Hard Fight

Wildcat Monte of Drumright, Okla., Monday shaded Bobby Vincent of Stillwater, Okla., at the Pampa Athletic club. Vincent stole Monte's thunder and was the wildest all the way through the fight, which would have given him the decision except that Monte had him missing more than half his blows.

Monte is probably the fastest boy yet seen at the Pampa Athletic club. He is here one second and gone the next. He is the type of boxer who hits hard, steps back, and is gone without a return. Vincent depends more on solid punches while coming in, but found an elusive and hard hitting opponent last night.

Vincent started out on the aggressive and had the Wildcat on the run the first round, but began missing in the second and by the third round was swinging wild.

The fourth and fifth went as draws, with Vincent being the aggressor and swinging wild for a knockout. Both boys were hitting wild, but Monte was doing damage in the clinches.

The sixth and seventh showed Monte playing his old game of leading and hitting hard. Vincent was missing, not landing more than three blows in the seventh round, and apparently hanging on. Rounds eight and nine were slightly in favor of Monte, but Vincent seemed to be coming back and was landing more often but taking punishment in the clinches.

Vincent came out in the tenth and battered Monte all over the ring for the first two minutes, they slowed up. He had the round all to himself and was really the wildest of the evening.

The third man in the ring was Red Andrews, from the Amarillo Athletic club, who refereed an ex-

## Material Contracts on Methodist Church Awarded This Week

Work on the new Methodist church is well under way, and contracts have been let for most of the materials.

Concrete work started Friday morning, and brick laying is expected to start within the next few days.

The following contracts have been let:

Stone—To Lusco Brick and Stone company, Wichita, Kan.

Steel—Moiser Steel company, Dallas.

Lumber—Tulsa Rig and Lumber company, Pampa.

Brick—Rollance Brick company, Amarillo.

Mill Work—Panhandle Lumber company, Pampa.

The building committee intends to rush the work to completion. The finished church is expected to be one of the best structures in the North-west Texas conference.

## City Square To Be Sown With Grass, Mayor Says

City workmen with teams, grader, and scrapers have been leveling Albert square in preparation for the sowing of grass seed. Mayor Reid stated this morning that it was his hope to see a good city hall standing on the square within another year, and to have trees surrounding the block and a nice lawn.

The square has been a parking place for old machinery, trucks, and cars, but has now been closed to traffic and will be beautified. Some of the enterprising organizations of the city are in favor of making a park out of the location and propose to erect a bandstand on the square later.

## Lee Ledrick Is Injured by Truck

Lee Ledrick suffered severe injuries to his shoulder and right side Sunday afternoon when a truck loaded with casing fell on him.

Mr. Ledrick was under the truck when it slipped off the jacks, crushing him. The only thing which saved his life was the differential's landing on a high place in the road.

The accident occurred near the Big Bend Oil company's No. 1 Ledrick, in section 7, block 5-A, Roberts county. Mr. Ledrick is resting at his home here, and doctors believe no bones were broken.

## Business Survey of City Is Started

A business survey of the city of Pampa was started this morning by Scott Barcus in the interest of the Chamber of Commerce and Carson Loftus for the Business Men's Association.

The survey will include a census of the industries and business houses in the city, the number of employees, the payroll, and the total business so that people may know what Pampa has to invite residents and business people to the city.

During the month ending October, 25 new members had been added to the membership of the local Business Men's association making the total 75. Several hundred cards have also been added to the files of the organization.

Mrs. Harry Edenborough and Mrs. White of White Deer were Pampa visitors Monday.

ceptionally clean bout.

The semi-final saw Battling Bob outpoint the bigger and heavier Buckshot Peeples in eight fast rounds. The kid is one of the cleverest boxers that has ever stepped in the ring and with a couple of years more experience will be ready for all comers.

He was in, pecking at Peeples' face, and out before the heavier boy could land.

The surprise event of the evening was what should have been a six-round bout between Kid Daniels and "Black Cloud" Goldie, two negroes. The "cloud" had it all the way, until Daniels quit from a left to the head, in the third round.

Club boys furnished the early events.

Next Monday night, Wildcat Monte and Jimmie Carter will furnish the entertainment in the main event, while Rusty Cahill and Duff Stanley will feature the preliminary bout.

## TURKEYS ARE SCARCER THAN LAST SEASON

### Excessive Rains Are Blamed East of Rockies

### TEXAS UP 12 PER CENT, THO

### Government Bureau Says Quality Is To Be Better

(By Associated Press)

CHICAGO, Nov. 10.—Thanksgiving turkeys are birds this year.

The turkey crop is about 5 per cent smaller than 1926, the United States division on livestock estimates reported today.

All states east of the Rocky mountains except Texas show smaller production than last year, with excessive rains blamed. In Texas the largest producer of turkeys, this year's crop is 12 per cent larger than last year.

The government bureau predicted, however, that the average quality young turkeys at Thanksgiving time would be better than those of the last two years.

FORT WORTH, Nov. 10.—The turkey picker has come into his own.

Produce dealers have begun to "talk turkey" to the professional class known as pickers.

Persons who ply either trades for eight to ten months of the year, but whose nimble fingers pluck from 80 to 100 fowls daily for at least two months, will appear at the leading poultry houses for work Monday.

Turkey picking, for some of them, is an art. Their part of the process which takes the Thanksgiving or Christmas turkey from the fully feathered breathing state to the packed-in-the-barrel frozen one is done with machine like speed.

The turkey enters the poultry house and spends a few days in all the luxury known to his like before he reaches the hands of his assassin, the gigger. The gigger kills the bird with a sharp jab to the mouth, using a sharply pointed instrument. The bird is allowed to bleed to death. Then the hot water dip and the plucking begins.

From the picker the fowls go to an elaborate rack where they are wrapped in brown paper. Then to the cooling room for day's chilling, and finally packed in large barrels. The turks are shipped to northern and eastern markets—from 12 to 20 birds in a barrel.

Intensive shipping to the markets will begin from local poultry houses next week. Shipments of from 3,000 to 12,000 birds daily from Ft. Worth will continue until Christmas.

## St. Louis Man To Join Texan in X-Ray Work

AUSTIN, Nov. 10.—Interest aroused by the discovery that hereditary genes in animal life and probably also in plant life may be marvelously developed by the application of x-ray has caused Dr. Frank B. Hansen, geneticist of Washington University, St. Louis, to secure leave of absence from that school in order to come to the University of Texas to become connected with Dr. H. J. Muller, professor of zoology, in his experiments with fruit flies.

Dr. Muller, who recently returned from Berlin where he addressed the International Genetic Congress, has resumed his experiments in developing hereditary particles in fruit flies by means of the x-ray. It is planned by Dr. Muller and Dr. Hansen to enlarge upon the scientific discovery by applying x-ray to higher forms of animal life as well as upon various kinds of plant life, including cotton, wheat and corn.

## Make Your Dreams Come True

By SYDNEY J. BURGOYNE

I WOULDN'T give two cents for the man who didn't have a "DREAM." A vision toward which to work and plan, and not to drift with the stream.

But it isn't enough to dream, and sit just planning—there's work to do, and you've got to pitch in and tackle it. To make that dream come true.

Or while you are dreaming, the other chap is going to sell in and win. And write his name all over the map. That you had the chance to begin.

It's easier—sure!—to sit around and simply dream away. The days and years—but I've never found any joy in the easiest way.

So roll up your sleeves with a smile and say: "Here's right where I start in. To make my own dream true TODAY, and I'll be the one to win!"

So DREAM—by all means—but then go out and hustle the whole day through. And then there won't be the slightest doubt about making your dreams come true.

So here's to the man who buckles in with vigor—and so succeeds in being happy and able to grin—As he turns his "dream" to DEEDS! (Copyright.)

## WHEN I WAS TWENTY-ONE

By JOSEPH KAYE

At 21—Sir John Martin Harvey had a hard time with Sir Henry Irving.

AT TWENTY-ONE I was with Sir Henry Irving, with whom I remained for fourteen years. He taught me all I know, and looking back upon the path I have traveled I realize how stupid I must have been in my early days. I remember my pride when I was selected for the part of the attendant in "Much Ado About Nothing," the first play I appeared in at the Lyceum. I had no words to speak but I determined that I would impress Sir Henry in particular and the public in general, with the attire of that messenger.

"At that time I prided myself upon my taste in clothes. I had become a sort of incipient Beau Brummel. I went out and bought a feather. It was a wonderful feather—a dream of youthful vanity. I went further. Mustaches had a certain fascination for me so I painted on my upper lip what to my mind was a beautiful mustache. "Alas for the dreams of youth: No sooner did Sir Henry catch sight of me than he pointed a long, lean forefinger and with that dreadful prelininary, 'Ha—hem!' of his, growled, 'Take out that boy! I fear I must have offended his artistic eye, as I did at another rehearsal when, being slightly out of place, he rapped out, 'Don't stand there—get back—get back. You are like a cabbage in the foreground of a beautiful landscape.—Martin Harvey.'

TODAY—Martin Harvey has reached a position where he can look back with amusement upon these early gibes of his elders. He is one of the most distinguished actors in the world and has received the honor of knighthood from King George.

Sir John recently toured this country, where he introduced his striking production of the Greek tragedy, "Oedipus Rex."

## PARENTAGE OF HARDING DENIED

That Warren G. Harding was the father of her child, claimed in a recent book by Nan Britten, formerly of Marion, O., has been denied by a spokesman for the relatives of the late president. Nan Britten and her daughter, Elizabeth Ann, are pictured above.

## Investigation Of Woman's Death Is Dropped Today

TEXARKANA, Nov. 10.—Falling to find anything to aid in identifying the skeleton of the woman found in a dry creek bed three miles north of here Wednesday, Bowie county officials today dropped the investigation into the case.

In dropping the probe they expressed a belief that the skeleton was that of Susie Sanders of Wynne-wood, Okla., who disappeared from a tourist camp near here in 1926.

## EDITOR DIES

SAN ANGELO, Nov. 10.—D. C. Broyles, Concho county judge and publisher of the Concho Herald, died at Paint Rock following a stroke of paralysis Saturday.

## City Manager

board of fifteen members, who will serve without compensation, and it may prescribe the qualifications and duties of the board and the tenure of office. For the support of the Board of City Development, the commission may appropriate not exceeding two mills on the one dollar valuation of the taxable property of the city, from the general fund.

Salaries of all appointive officers will be determined by the city commission. The charter goes into detail regarding all business transactions, and provides for the most approved procedure.

The charter may be amended by a majority vote of the qualified voters of the city. It specifically empowers the commission to regulate public purchases, public improvements, public and private construction, peddling, zoning, and similar projects that may be considered from time to time. It goes far beyond the general law under which the city hitherto has been operating.

Another Step Forward  
The adoption of this charter marks another long step in the modernizing of the New Pampa, which in less than two years has grown from a town of 1200 to a city of 8,000. The change in the form of city government is regarded as being in line with the progress of other improvements, which have given Pampa the civic attributes of cities much older and larger.

An attempt to vote the commission plan, without the manager, failed last February by the narrow margin of thirteen votes.
