GARNER

After months of delay the president and secretary of the treasury apparently have come to the conclusion that a public building program is essential as the government's contribution toward relief of unemployment.

One of the major factors in the retarded improvement of conditions throughout the country is the inconsistency and vacillation of the Hoover administration.

The opposition leadership insisted, as the price of vital reconstruction legislation and over the protest of our leaders upon adding \$300,000,000 of cost to the tax payer through public works inadvisable at this time.

The demand of the country for a public works program, for something tangible in the way of unemployment relief at the hands of the government, continued to rise.

In order to further aid employment, I have instructed the various departments to undertake the speeding up of the federal construction program to the amount of slightly less than \$200,000,000, being the contingent appropriation in the 1932 relief construction act.

This is a complete change of front, effected in less than 30 days, that is one reason why the country has concluded the Hoover administration must be turned out.

The question today is not how many states will the democrats carry but how few will the republicans win. If the election were to be held tomorrow there isn't a doubt in the minds of disinterested observers that the democrats would be swept into power by at least 7,000,000.

Maine went democratic. That was just a foretaste of what will come later. Kansas will follow Maine's example. There isn't the slightest doubt of that. Practically every test poll proves it, and so does the attitude of the people.

CONTEST--

(Continued from page 1) who will be three out-of-town persons, have been instructed to consider figure, poise, and personality in choosing "Miss Pampa, 1932" and her two maids of honor.

known as Miss Mary Anna Scott, and her two maids of honor will appear on the stage tonight, and the Vincent School of Dancing will present several pupils in dance.

Suicide Brings Quick Climax In DuBois Mystery

QUINCY, Mass., Sept. 16. (AP)—Charles F. DuBois, a Tuckahoe, N. Y. Jeweler, committed suicide today to bring to a climax the investigation into the mysterious disappearance of his wife, Edith DuBois.

Wide Search For 'American Nurse'

ROME, Sept. 16. (AP)—The Italian air force and the government continued its wide search over land and sea today for the missing New York-Rome airplane "American Nurse" and its three occupants, two men a woman.

Amarillo Blast Mystery Appears Almost Solved

AMARILLO, Sept. 16. (AP)—The second victim of Tuesday night's mysterious explosion and fire at a local residence was identified today as Ben Hughes, Jr., 30 of Moorewood, Okla., near Elk City.

# PARENT-TEACHER GROUPS HOLD INITIAL GATHERINGS

## HORACE MANN ASSOCIATION HEARS FISHER

### CROWD OF HUNDRED IS PRESENT FOR SESSION

"The education of our children must go on," declared Supt. R. B. Fisher in addressing Horace Mann Parent-Teacher association yesterday, the meeting being the first of the year, and attended by about one hundred persons. "That education will go on," he said, "regardless of the depression."

The new president, Mrs. J. M. Turner, presided for the first time over the meeting. The gathering was opened with group singing of Parent-Teacher songs led by Miss Loma Groom. Miss Josephine Thomas, principal, introduced the teachers and Mrs. Turner introduced the executive committee, including, besides herself, the following members: Vice-president, Mrs. H. C. Schoolfield; secretary, Miss Clara Brown; treasurer, Mrs. Rob Seedy; corresponding secretary, Mrs. Estee Clark; historian, Mrs. George Clark; membership chairman, Mrs. J. M. Williams; program chairman, Mrs. T. A. Cox; finance chairman, Mrs. H. D. Lawson; publications, Mrs. W. E. Riggs. The teachers included Miss Lella Clifford, Miss Wilma Chapman, Mrs. G. R. Clark, Mrs. T. A. Cox, Miss Clara Brown, Mrs. M. K. Griffith, Miss Loma Groom, Miss Frances McCue, Mrs. E. A. Stover.

During the business session the treasurer reported that the playground equipment was up. Mrs. Stover read the state president's message, after which Mrs. Lawson announced the ice cream supper of tonight. Miss Thomas told of the progress of the Boy Scouts and the school cafeteria, and urged members to take the Parent-Teacher study course. The dues were set at 35 cents per year.

Miss Ivan Mayfield, public school health supervisor, made a talk on health.

Miss Chapman's room won the picture for having the most mothers present.

The meeting was adjourned at the close of a get-acquainted game.

## Party Is Held By Clara Hill Class Thursday

An enjoyable evening was spent playing games under the direction of Mrs. Carl Sturgeon, Mrs. J. P. Wolfe, and Mrs. C. L. Gomillion when a party was given by the Clara Hill Sunday School class last evening at the First Methodist church. Members of the Young Business Men's class were special guests for the occasion.

Attractive decorations featured the colors lavender and yellow.

At the close of the evening ice cream, cake, and coffee were served.

Those attending were Mr. and Mrs. Paul Jensen, Mr. and Mrs. Roy Bourland, Mr. and Mrs. J. O. Gilliam, Mr. and Mrs. Kretzmer, Mr. and Mrs. J. M. Collins, Mr. and Mrs. L. M. Hepburn, Mr. and Mrs. Carl Baer, Mr. and Mrs. Ulmer, Mr.

### EX-CEL-CIS COSMETICS

Mrs. Frances Phillips, representative for Ex-Cel-Cis Cosmetics, will give free beauty demonstrations all this week at Mrs. Ligon Beauty Shoppe by appointment. This list of beauty treatments included: hair preparations for the rejuvenating and care of the skin. Advice along all.

## My Beauty Hint

DOROTHY JORDAN

We turn to exercises for body limberness, and to bridge playing for our mental stimulus, but there is a sport that brings about quickness of body and mind together.

This international sport is fencing. Here one is trained from the tips of one's fingers to one's toes. The wrists must be limber to properly handle the foils, and the steps must be quick to protect oneself from one's opponent.

Along with this body training comes one of the mind, for decisions must be quickly made.

## Many Calls Are Made by Loyal Women's Class

One hundred seventy-eight visits were made in the interest of the First Christian church by members of the Loyal Women's class and 613 chapters of the Bible were read during the last month.

The announcement was made at a meeting of the class Wednesday afternoon in the home of Mrs. Roy McMillen. Mrs. E. R. Sunkle was assistant hostess.

A devotional period included scripture reading by Mrs. Paul Hill and comments by Mrs. F. W. O'Malley.

During the business session Mrs. L. A. Estes was appointed to assume the duties of secretary-treasurer and reporter, the place having been left vacant by Mrs. J. Fred Curry, who resigned to teach a class. Mrs. Estes will be assisted by Mrs. DeLea Vicars.

The group voted to care for a needy family of Pampa.

Two readings were given during the afternoon. Mrs. C. E. Hutchins read "Jesus of Nazareth Passes by" and Mrs. Otton Patton read "The Christian Soldier."

Mrs. B. C. Fahy led in the study of a lesson based on the book of Luke, after which the hostesses served refreshments.

The following attended: Mesdames Don Hurst, J. A. Berry, John Beverly, W. G. Kinzer, Otto Patton, C. F. Bastion, C. L. Shearer, B. C. Fahy, Paul Hill, Tom Eckert, J. Fred Curry, George Devern, C. L. Thomas, P. W. O'Malley, D. C. Houk, D. W. Cary, L. R. Williams, DeLea Vicars, A. Cole, J. W. Martin, L. A. Estes, C. E. Hutchins, E. R. Sunkle, and Roy McMillen.

and Mrs. L. C. Gomillion, Mr. and Mrs. J. W. Chrisler, Mr. and Mrs. W. V. McArthur, Mr. and Mrs. H. B. Samuel, Mr. and Mrs. G. L. Lunsford, Mr. and Mrs. Joe Gordon, Mr. and Mrs. F. L. Stallings, Mrs. Carl Sturgeon, Mrs. J. P. Wolfe, Mrs. Clyde Price, Mrs. C. C. Clark, Mr. E. L. Emerson, Mrs. H. B. Samuel, Mrs. W. J. Johnson, Mrs. Arthur Hefflin, Mrs. A. A. Reynolds, Miss Jewel Montague, R. A. Selby, H. L. Wallace, and Rayburn Burke.

## OFFICERS ARE SELECTED BY BAKER GROUP

### MRS. CLAUDE LARD TO SERVE AGAIN AS PRESIDENT

Mrs. Claude Lard, who served efficiently as president of the Baker Parent-Teacher association last year, was elected by that organization yesterday to fill the same office during the coming year.

The following committees were selected: Program, Mrs. A. L. Jones, Mrs. John Bunnell, and Mrs. Earl Reed; publicity, Mrs. W. G. Irving, Mrs. Paul Cooks, Mrs. W. P. Mott; hospitality, Mrs. Cecil Lunsford, Mrs. C. R. Fellowell, Mrs. Homer Johnson.

A case of tonic consisting of optimism, mixed with cheerfulness, loyalty, service to others, grit, and regular attendance, guaranteed to cure any case of pessimism and make a good member out of a pessimist was given in the form of a plaviet, "What Ails Me?"

The following persons attended: Principal J. A. Meek; Mesdames Cecil Lunsford, R. E. Jones, J. P. Arrington, A. J. Johnson, Edna Underwood, Henry Cox, Hoyt Allen, W. G. Irving, George Cormack, J. L. Harrison, J. R. White, H. Simmons, W. H. Moore, C. R. Followell, A. K. Douglas, Earl Root, B. L. Walker, Travis White, S. M. Hepburn, Sam Crossman, J. M. Moore, B. G. Gordon; Misses Leona Reaves, Clarice Fuller, Bernice Larsh, Cleo Snodgrass, Euritha Henry, Martha Wulfman, Julia Shackelford, and Mr. Birch.

## Dresses of Blue Win In Contest

Two dresses of blue figured material were successful in the Achievement day contests.

The woman's dress, made by Mrs. G. F. Brachury of the Bell club, was a print dress of blue figured material and was trimmed in blue. It was outstanding because of clever arrangement of pleats which gave fullness to the skirt.

Blue ruffles were used to trim the child's dress, made by Mrs. A. A. Tampe of McLean. Pink flowers were mingled with the blue in the dress design.

T. W. Patterson of Chicago was here on business the first part of the week.

## HULA QUEENS HAVE RIVALS

Men are taking up the hula dance in Hawaii this year. And they make excellent dancers, teachers say. To be fashionable the 1932 hula dancer must wear her dresses below her knees and the skirt is to have from 40 to 80 leaves in it.

HONOLULU (AP)—Milady of the hula will wear 40 blades of grass, flowers and a smile this season, but she must share these with men who are going in for hula dancing in a big way.

Fashion decrees that the 1932 hula skirt must reach a fraction below the knee, and if the wearer wants to be particularly smart, it will be made of 40 leaves, ranging in number from 40 to 80, depending on milady. For just ordinary wear, raffia and bark skirts are acceptable.

Flower Garland, Too

The hula queen may also wear a mu-mu of red, yellow or purple, a lei poo and a neck lei. The mu-mu is a slip without neck or sleeves, a lei poo is a flower garland for the head.

In the days of the ancient Hawaiians, the hula drew both women and men to its swaying, rolling rhythm to music reminiscent of the Spanish rumba, though of faster tempo. A score of men are taking lessons at one Honolulu studio in the present revival of the dance for men.

Men Good Dancers

"Men make excellent hula dancers once they get started," said Miss Cavanaugh teacher. "Of course, in the old days both men and women danced the hula together and there is nothing new to participation by both sexes."

"Men often make our most apt pupils. Sometimes they are a bit shy when they first start, and do not take enthusiastically to the grass skirt, but they soon learn that the sweep of the skirt lends the real spirit of the dance."

Men do not bedeck themselves with flowers like the women participants, but the grass skirt is the accepted badge of the dance for either sex.

The Hawaiian hula is danced throughout the islands and the fever has spread to the Waikiki tourist colony, where dancing instructors are kept busy tutoring hula queens—and kings.

Lloyd Oldfather and Ralph Irwin, sons of Mr. and Mrs. Sam Irwin, will leave next Tuesday for Canyon, where they will enter West Texas State Teachers college.

T. A. Forrester of Colorado Springs, Colo., is here on a visit.

## AUTUMN USED AS THEME IN CLASS PARTY

### MRS. HESSEY ELECTED PRESIDENT OF GROUP

Autumn leaves made beautiful decorations and the fall colors were featured throughout a party given yesterday afternoon for members of the Friendship class, First Methodist church, in the home of Mrs. Foy Bourland. Mesdames Bourland, Jim Collins, C. C. Dodd, and W. Purviance were hostesses for the occasion.

After several games and contests, a business session was held and the following officers were elected: President, Mrs. John B. Hessey; vice-president, Mrs. B. B. Thompson; secretary, Mrs. Marvin Harris; treasurer, Mrs. L. P. Duvall; historian, Mrs. S. C. Evans; entertainment chairman, Mrs. Sherman White; finance chairman, Mrs. Jim Collins; assistant teacher, Mrs. R. W. Lane.

The chosen colors were featured in the designs for plates and cups used in serving dainty refreshments.

The following women attended: Mesdames Jack Mason, S. Buffington, Howard A. Neath, W. B. Hamilton, Fred Cary, H. B. Lively, F. H. Sitton, W. S. Tolbert, O. H. Booth, Rufe Thompson, R. B. Fisher, A. W. Babione, Marvin Harris, C. E. Haines, C. T. Hunkapillar, J. W. Gordon, Jr., Roy Barnard, Robert K. Elkins, Myrtle Robinson, Roy Tinsley, V. L. Barber, Joe Shelton, R. S. McConnell, R. W. Lane, Bill Alexander, P. S. Wolfe, P. M. Culbertson, Harry Kelley, Frank Bryan.

## Ice Cream Will Be Served For Public Tonight

The public is invited to attend an ice cream supper at Horace Mann school any time between 5:30 and 8 o'clock this evening. Music will be provided during this time.

A charge of 10 cents will be made for a dish of ice cream and cake, and proceeds will be used to buy playground equipment. The occasion is sponsored by the Parent-Teacher association.

Mrs. and Mrs. Jesse P. Wiseman and little daughter, Peggy Marie, and Eddie Joyce, returned last night from Quamiah. They visited Mrs. Wiseman's mother, who has been quite ill but is improving.

Mrs. G. Taylor Cole and son Jerry of LeFors were in the city this morning.

L. P. Duvall, John B. Hessey, Carl S. Boston, Albert Wood, W. C. Spearman, Edwin S. Vleas, Luther Pierce, Clifford F. Jones, W. Purviance, Jim Collins, C. C. Dodd, and Roy Bourland.

## Sewing for Needy Is Done by Women

Women of the Church of Christ held an all-day meeting at the church yesterday to sew for needy families. A covered dish luncheon was served at noon.

# MITCHELL'S

"APPAREL FOR WOMEN"

### TASTY DISHES SUGGESTED BY CLUB MEMBERS

#### WOMEN ARE TO SERVE DELICIOUS MEALS FROM CANS

Regardless of how fastidious a spectator might be about food, he was, without a doubt, made hungry by viewing these choice products of Gray county, which, in canned form, were placed on exhibit during Achievement days.

Scores of women have prepared for the cold months by canning foods with the expectation of serving from the cans well-balanced meals. So one phase of the contest included printed menus together with the cans of food which would form the basis of the menu.

Mrs. T. D. Alford of Meriton, who won first place in the menu division, suggested the following meal: Tomato juice cocktail, roast beef and gravy, creole corn, candied carrots, peaches and cream, thin cookies, and milk. The menu was for a family of five, and with it were the following canned foods: Tomato juice, roast beef, corn, carrots, and peaches.

Mrs. J. C. Browning, also of Meriton, took second place with the following: Fried chicken, English peas, buttered carrots, relish, berries, cookies, and milk. She had cans of food for every dish except the last two mentioned. The menu was for a family of three.

Third place was won by Mrs. S. C. Jones of Grandview, who submitted the following menu for a family of five: Roast beef and gravy, scalloped corn, string beans, Dixie relish, hot biscuits, butter, watermelon marmalade, and coffee. There were cans of beef, corn, beans, relish, and marmalade on display.

#### No Pauper's Grave For Other Woman

SACRAMENTO, Calif., Sept. 16 (AP)—There will be no pauper's grave for Miss Dorothy Millette, identified at the other woman in the life of Paul Bern, self-slain motion picture executive and husband of Jean Harlow, blonde film actress.

Coroner James R. Garlick said today \$38 had been found in the purse of the woman who leaped from a Sacramento river steamer two days after the body of Bern, with two pistols nearby, was found in the Hollywood home he deduced to Miss Harlow at their marriage two months before his death.

The coroner, however, still hoped to receive from Henry Bern, the father of Paul, instructions concerning the disposition of the body.

An inquest here tonight was expected to record Miss Millette's death as a suicide. Her body was found in the river last Wednesday.

#### Lasky To Go Back On Own Hook Again

LOS ANGELES, Sept. 16 (AP)—Jesse Lasky, whose daring exploits with public fancy in the theater gave the film fan probably more screen epics than any other man, soon will turn back to his first love, independent products, after more than a decade as one of the industry's major producers.

A leave of absence which began last May from Paramount studios was ended by a curt announcement from Lasky in which he alleged a breach of contract. It marked the separation of two of the oldest heads in the industry, Lasky and Adolph Zukor, president of Paramount.

### "Old Sister Lott Moved Down To Pampa and Got Into Society" To Be Sermon Subject This Evening

Evangelist B. B. Crimm discussed sin before a large crowd last evening in the W. Kingsmill tabernacle. Tonight's subject will be "Old Sister Lott moved down to Pampa and got into society." Sunday afternoon the evangelist will speak at 4 o'clock on "Highway to Heaven," and Sunday night his subject will be "Why be a Christian, or prepare to meet God?"

Last night Mr. Crimm gave an analogy between fire and sin. He said science had revealed that in every object there was latent fire. "Just so surely as this is true," he said, "there is latent sin in the heart of every person. When Adam sinned and fell all sinned. As Christ lived, we can also live through his atonement on Calvary's cross. The modern idea of church relationships and salvation is to 'raise them up' in the church. This is proving a failure, for sin cannot be educated out of a person. I still believe in a regenerated church membership, twice-born church members. Fire is attractive, as demonstrated by the rushing to fire by persons and even animals. Sin is attractive also. The dance, show, cards, smoking, and other evils of the day are attractive. If sin could be shown in its true light the sinner would forsake it. I wish I could understand it in this city.

"Fire destroys Great forests and cities have been laid low by this monster. Sin also destroys homes and lives. That is evidenced by the full asylums, jails, penitentiaries."

"Remember, according to God's word, the curse of sin is visited upon even the third and fourth generations. The need of Pampa today is a sin conscience.

"Fire can be extinguished if the proper means is used. Just so surely can sin be put out if the proper means is used. Come to the cross of Christ and let His shed blood flood your soul, and the fires of sin can be quenched."

Young people's service continued last night with renewed interest. Mrs. Clifford Solomon will have charge tonight at 7 o'clock.

**YOUTH ACQUITTED**  
CLOVIS, N. M., Sept. 16 (AP)—George Lancaster, 19 year old Clovis youth was acquitted by a jury in district court here today on a charge of slaying his estranged wife, Blanche, on August 27. The verdict was returned after the jury had deliberated less than three hours.

Specify Pampa-made products.

#### Swimming Champ's Wife Asks Divorce

LOS ANGELES, Sept. 16 (AP)—Charging Johnny Weissmuller, swimming champion and film actor, preferred the company of swimmers to that of his wife, Mrs. Weissmuller is seeking a divorce.

Mrs. Weissmuller, known on the stage as Bobbe Arnst, alleged Weissmuller told her he was sorry he was married and wanted to be free and that he frequently remained away from her at night. She signed the divorce complaint yesterday.

They were married in Miami, Fla., in February, 1931, and separated last July 26.

day. He was a war ace in the World War.

Al Silver of New York is here on business for a few days.

HURLEY PRAISES FARM RECORD OF PRESIDENT HOOVER AT FAIR

HURON, S. D., Sept. 16. (AP)—Secretary Hurley today said President Hoover is "successfully plotting this nation through one of the greatest economic storms in history" and credited him with saving "millions of dollars" for American agriculture. In an address prepared for delivery before the South Dakota state fair, the secretary of war declared that Governor Franklin D. Roosevelt, democratic presidential candidate, "has no plan to break the depression or to put men and women back to work."

Tri-State Fair Will Be Same As Last Year

AMARILLO, Sept. 16. (AP)—Officials and department superintendents of the Amarillo Tri-State fair, encouraged by splendid row crops and much feeding of livestock within its territory, have prepared to conduct their exposition Sept. 19-24 on the same scale as a year ago. Premiums in the various departments total \$15,000, the same figure that was offered last year. Rises totaling more than \$5,000 will be paid entrants in the rodeo contests, which will furnish the main entertainment attraction each afternoon. One of the chief entertainment features will be the football game between Texas Agricultural and Mechanical college and Texas Technological college Saturday afternoon, September 24. There will be automobile races four nights of the week, and a world war pageant will be presented the other two nights. The Black Mask players, a local dramatic organization, will present a mystery play each evening. W. F. Lampe, president of the association, said farmers and livestock

Perryton Streets And Alleys Dark

PERRYTON, Sept. 16. (AP)—Perryton's streets and alleys have been darkened because a 50 per cent reduction in light rates, which the city officials asked of the Texas-Louisiana Power company, was denied. "Only one light—atop the water tower—burns in Perryton now. The city's white way and residence streets and alley lights were affected by the order. Mayor Dave Shanks said the order was in keeping with recommendations of the taxpayers league for reductions in expenditures.

Spinach Acreage Large In Valley

EAGLE PASS, Sept. 16. (AP)—Spinach planting on a large scale has resumed in the Quemado Valley, after two weeks of heavy rains and high water of the Rio Grande kept laborers out of the fields. A. J. Tebbe & Sons of Asherton are planting fifteen hundred acres and M. O'Keefe of Crystal City six hundred and fifty acres. These large fields are being planted at the rate of about 50 acres per day in order to have a continuous flow of spinach from the beginning of the season. Approximately 5,000 acres are expected to be planted to spinach in the county this year, of which 3,000 will be in the Quemado valley, first section of Maverick county's large gravity irrigation district. New settlers who are arriving every week to clear land in the J. D. Anderson A. D. Eldon tracts may expand the total acreage to well above the estimated mark, some of the local growers believe. Through plans now being put into effect by district engineers, growers in the Quemado valley are assured a constant flow of water in the irrigation canal while repairs are being made on a section of the ditch that was damaged by the recent 52-foot flood in the Rio

VALUATION LOWER DALHART, Sept. 16. (AP)—Total 1932 valuation of Dallam county is \$11,179,471, against \$12,479,004 last year, according to the tax rolls of the assessor. The most unusual fact is that the number of automobiles and tractors, 1179, is the same this year as last. Land is valued at an average of \$203 per acre for a total of \$5,782,945 for the largest single item. Town property is \$1,99,250; cattle \$460,887 and railways \$1,334,132.

Pampa Officers Invited To Movie

All "wearers of the star," all law enforcement officers, are invited by Harry Lahr, manager of the Rex theater to be his guest at the photoplay "Radio Patrol," a police picture that presents an authentic version of up-to-the-minute metropolitan police and their work. This swift moving story opens Sunday at the Rex for a three-day run. Tom Reed is the author of the story, and Edward Cain, the director. Included in the cast is Robert Armstrong in one of the featured masculine roles with Russell Hopton in the other. Lila Lee is seen in the featured feminine lead. Grande. Damage to the canal was not as great as first estimated but it will require about a month to put it in first-class condition. Specify Pampa-made products.

Choice Fed Steers Reach New Top

KANSAS CITY, Sept. 16. (AP)—Choice fed steers established a new top price for the year here yesterday, despite the fact more cattle were offered on the market in the first four days this week than in any previous full week since October of last year. The new top \$9.60 a hundred pounds, was paid on twenty head of choice fed steers averaging 1,290 pounds offered by A. L. Reed of Smithville, Mo. Arrivals of the first four days were 47,810.

Front of Market Is Made Larger

Renovations in the front of the Consumer's market, 112 South Gayler, were completed this week. By removing the show windows, the store space has been enlarged, making the market easy of access with no barriers between the sidewalk and the store. In the rear of the store are located the chicken coops, so that customers may select their fowls themselves and have them dressed and drawn while they wait. raisers were more enthusiastic over the fair than, in former year.

### Mrs. Tucker's Shortening Is Now Being Kept Fresh In Cellophane

The American public has long been accustomed to buying various products wrapped in that intriguing material known as cellophane. Its sheen and glisten and friendly rustle has made it an ideal packaging media.

Many of the dainty things dear to the hearts of women have long since come to them wrapped in this transparent and lovely wrapper, protecting the article bought from dust, dirt and germs. More and more of recent months cellophane has appeared on food purchases. And today we find candy, cakes, bread and other food items wrapped in this well-known type of wrapping which affords the buyer the opportunity to actually see the product before the purchase.

The utility of cellophane as a wrapping agent is really two-fold. First the transparency allows the purchaser to actually see the product and second it provides a dust and air-tight seal which is an important item with many products.

However, a rather unique use for cellophane is now being announced. It is the wrapping of Mrs. Tucker's shortening in this air-tight seal. Shortening has appeared on the market before having a cellophane wrapping on the outside of a cardboard carton. But Mrs. Tucker's Shortening is offered in an entirely different sort of package; the cellophane actually being next to the shortening, thus providing an air-tight and dust-proof seal of the product itself and even in the warmest weather completely obviating any leakage through the cardboard carton of the slightest bit of odor.

In shortening one of the main things to be guarded against, if the purchaser received it in good condition, is that air shall not have come in contact with the shortening. When this happens, oxidation takes place which makes the elements of the shortening begin to disintegrate and, although it may be still good, usable shortening.

This new cellophane wrapper, however, which Mrs. Tucker is using on her cartons in all sizes absolutely gets around the danger of any air in the shortening whatever. In fact, this seal has at last banished the great enemy of shortening freshness—namely oxidation.

It is believed that this type of packing for shortening will start a new vogue in shortening purchasing habits.

There is a constantly growing tendency on the part of women to make their shortening purchases in smaller units. This enables them to have fresher shortening in their kitchens because they are purchasing only for their immediate needs. The new cellophane-packed cartons of Mrs. Tucker's fits in admirably with this new shortening purchasing habit. The convenient one, two, three and four-pound cartons offer the housewife a package which can be for immediate needs and guarantee absolute factory-freshness in her shortening.

The end of the cellophane seal may be opened and the shortening taken out with a knife or spoon, and the end closed up, the carton being placed in her refrigerator. It makes a much more convenient package to handle and this airtight seal of cellophane has banished forever the enemy of oxidation in shortening and has guaranteed to the housewife a pure, sweet, economical shortening of absolute factory-freshness.

### Land Bill Is Called a 'Steal'

AUSTIN, Sept. 16 (AP)—Charges that large oil interests were sponsoring three bills affecting state lands in West Texas in furtherance of their own ends were made and denied in the house of the Texas legislature.

The statements were made during consideration of one of the bills which sponsors said was designed to remove the cloud now hovering over land titles in the West Texas area, where the state has large land interests.

The house spent virtually the entire morning on the bill without taking action. Representative C. E. Farmer of Fort Worth charged the bill was "sugar-coated" and would cause the loss of millions of dollars to the public free school fund. Farmer said the bill was sponsored by oil companies, interested in West Texas oil lands, to enrich themselves at the expense of the state. Farmer charged that one Dallas law firm would receive a fee of \$350,000 if the bill was passed.

Ralph Metcalf, Marquette university negro sprint ace, has turned down an offer of a European tour to return to his college classes.

### Governor Murray Defies Oklahoma Supreme Court

OKLAHOMA CITY, Sept. 16 (AP)—In defiance of the Oklahoma supreme court, Governor William H. Murray's national guardsmen paraded H. F. Wilcox Oil and Gas company properties in the Oklahoma City field today to prevent opening of ten wells, allegedly far ahead of their prorated production.

Col. Cleo I. Murray, in charge of military enforcement of the state corporation commission's prorating orders, dispatched 25 additional guardsmen into the field late yesterday after the supreme court granted a \$5,000 supersedeas bond to allow the Wilcox company to open its well pending final settlement of the case on appeal.

Governor Murray, at Alva on a speaking tour, said he had directed Col. Murray, his cousin, to keep the wells closed.

"The court had no jurisdiction in the case," Governor Murray said. "Jurisdiction is with the military department. An order directing the military to enforce the prorating law was in the secretary of state's office. The court should have taken cognizance of it."

"We're not going to let them open their wells and steal oil. They took several hundred thousand barrels of oil, or \$45,000 taxes of the state and a proportionate amount from the royalty owners."

He added "\$5,000 bond doesn't mean anything."

"This is a supreme test of whether an oil company is larger than the state of Oklahoma," said Col. Murray.

Informed of Col. Murray's action, W. L. Murphy, Wilcox counsel, exclaimed: "If that's true, then government has broken down. I can't imagine the military, defying the supreme court."

### Pampa Boys Will Attend Encampment

Several local boys plan to attend the Hi-Y encampment which opens tomorrow at Ceta canyon near Amarillo. Grover C. Good of Dallas, state Y. M. C. A. representative, was in the city yesterday in the interest of the meeting, which will last until noon Sunday.

The meeting will take the form of study, recreation and contests. Such well known speakers as Dr. J. A. Hill of Canyon, Rev. Preston Foote of Amarillo, Rev. R. C. Dorn of Daltart, Joe Witherspoon of Wichita Falls and others will be present. Boy speakers will also have a part in the big program, Mr. Good said. There will be music, games and contests during the stay at Ceta.

### Fifty Thousand See Hoodlums Chased

CHICAGO, Sept. 16 (AP)—Fifty thousand persons, homeward bound, were thrown into a panic as three police cars with screaming sirens roared through downtown streets exchanging machine gun fire with six youthful hoodlums who abandoned their car and escaped after it was rammed by a truck.

Of the thousands imperiled by the gun fire, which occurred in the midst of last evening's rush hour, four bystanders were hit. One, shot in the left lung, was in a critical condition today.

The clash was precipitated by the hoodlums' mistaken notion that a squad of policemen, whose car drew up behind theirs on Michigan boulevard as they stopped for a traffic signal, was after them. The gunmen, not waiting for a go-signal, immediately shot forward. The police car, assigned to the Accident Prevention bureau, followed and the chase was on.

### MOUSE CAUSES DAMAGE

WELLINGTON, Sept. 16 (AP)—One tiny mouse that crawled into an electric switch threw Dodsonville, east of Wellington, into darkness for 30 minutes and cost the power company \$150.

### CEREAL RELIEVED HIS CONSTIPATION

Kellogg's ALL-BRAN Brought New Health

Every one who has suffered from constipation should read Mr. P. M. Fisher's letter:

"For many years I suffered from constipation and used, for relief, all kinds of laxatives. After a few days' treatment I would only find my condition the same as before and at times worse."

"Some time ago I started to use Kellogg's ALL-BRAN regularly, once a day as directed. Since doing this, I have found that I do not need any other medicine to procure the desired result, and I keep me in a very healthful condition.—Mr. P. M. Fisher, 352 Evergreen Place, Ridgewood, N. J."

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines; Vitamin B to tone the intestinal tract. ALL-BRAN supplies both—and also iron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Inside the body, it forms a soft mass, which gently clears out the wastes.

How much safer this is than risking pills and drugs—so often harmful. Just eat two tablespoons daily—in serious cases, with every meal. If your intestinal trouble is not relieved in this way, see your doctor.

Equally tasty as a cereal, or used in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

### AERIAL DARE-DEVIL WILL BE SEEN IN NEWSREEL THRILLER

The breath-taking feat of John Runger, aerial dare-devil, in standing aloft on the wing of a looping, spinning airplane, which astounded 35,000 spectators at the National Air Races in Cleveland, is shown, together with other thrills of the meet, in the current issue of the Pampa Daily News - Universal Newsreel. Graham McNamee, ace of radio announcers, famous for his covering of sporting events, describes the high-lights of the big air show as the screen's Talking Reporter at the La Nora theater.

Lieutenant Jean Assolant of France, Emil Kropp of Germany and P. A. Abreu of Portugal also are seen in their spectacular air acrobatic, while Jack O'Meara, champion American glider expert, demonstrates his ability to move his motorless plane at will through the atmosphere. Al Wilson in his an-

cient 1910 pusher achieves surprising gyrations at the risk of his neck, and other air aces are seen in rare and dangerous specialties.

Another thrill reported by McNamee in this newsreel is the head-on crash of two giant locomotives and their complete demolition as the high-light of the Iowa State Fair at Des Moines. Down a 3,000-foot stretch of track the engines speed toward each other, throttles wide open—and then, the rock-shaking, earth-shaking collision. The newsreel also shows the take-off of Captain J. A. Mollison on his return flight from New York to England in his attempt to hang up a record as the first two-way flier. His departure is as just as casual as his arrival last week. With tooth-brush, borrowed shirt and the same ten-shilling note he brought over for spending money, he hops in his

tiny monoplane and sails for home and his recent bride. Prof. Auguste Piccard's remarkable balloon trip, ten and a half miles high into the stratosphere to make cosmic ray tests, also is a feature in addition to the winning of the Canadian 16-mile women's marathon swim at Toronto by Margaret Bayler of Philadelphia for the third consecutive year, and scenes of increased activity in plants and factories throughout the country indicating a decided up-turn in the nation's industry.

### OFFICIAL NAMED

HOUSTON, Sept. 16 (AP)—W. R. D. Moncure, formerly a safety expert with the Houston chamber of commerce, has been appointed South Texas supervisor of the crop loan division of the Reconstruction Finance corporation. Mr. Moncure will maintain headquarters in Dallas.

In 15 years of football coaching at four schools, teams of Dr. Clarence Spears have lost but 26 games out of 135.

Thirty-two candidates will report to Tatum Gressette, new football coach at The Citadel, Charleston, S. C. Thelma Hope, 27, St. Petersburg, Fla., endurance swimmer, swam continuously for 98 hours to claim a new record.

### Roosevelt's Farm Speech Based On Own Experience and Farmers' Advice

By WALTER T. BROWN

ABOARD ROOSEVELT SPECIAL, EN ROUTE TO DENVER, Sept. 16. (AP)—According to an adviser to Governor Roosevelt, the democratic presidential nominee's speech on the farm problem, delivered Wednesday at Topeka, had been several months in the making and was reviewed by many farm leaders, economists and financiers.

The Associated Press was advised that Mr. Roosevelt began assembling information on the farm situation as early as last April so that it would be immediately available in the event the New York governor received the nomination at Chicago.

Mr. Roosevelt, himself a farmer with farms in New York and Georgia, said Wednesday that he had studied the various relief plans proposed in the past few years such

as the McNary-Haugen bill, the export debenture proposal, the domestic allotment plan and other.

Within the past few months the leaders of the farm bureau, the farmers union, the Grange and other agricultural organizations of producers and heads of the outstanding co-operative marketing agencies have conferred with Mr. Roosevelt in Albany.

Henry Morgenthau, Jr., conservation commissioner in Mr. Roosevelt's state cabinet, on a business trip to the middle west last May interviewed many of the publishers of farm periodicals. Prof. Raymond Moley of Columbia university assembled the views of economists and Joseph P. Kennedy, a New York and Boston banker, contacted financiers who are interested in the farm question.

Clyde M. Reed, former republican

governor of Kansas, former U. S. Senator James A. Reed of Missouri and Bernard M. Baruch, New York financier, also conferred with Roosevelt on farm relief. Fred Freestone, master of the New York Grange, also is one of Mr. Roosevelt's advisers.

From all these sources, Mr. Roosevelt obtained data. With that information and his knowledge of farming he made the first draft of the Topeka speech a week ago. And as late as Wednesday, an hour before it was read several times before its delivery, a change was made.

Mr. Roosevelt intends to deal further with the farm problem and the tariff in the last of his four major speeches on this western swing which will be delivered at Sioux City, Iowa, on Sept. 29.

Governor Roosevelt wound up Wednesday with a series of conferences with party leaders from Missouri, Iowa, Oklahoma, Texas, Nebraska, and Kansas. There was an almost continuous parade of them through the late afternoon and evening in and out of Governor Wood-

**FED FOR 28c**

PLAINVIEW, Sept. 16. (AP)—Fifty members of the Plainview American Legion post were fed recently for 28 cents. The meal consisted of hot porridge made from cracked wheat seasoned with butter and sugar. The wheat cost five cents, the butter 13, and the sugar 10.

Dick Hanley of Northwestern, starting his sixth season as football coach there, becomes third oldest mentor in the Big Ten in continuous service, being outranked only by Stagg and Zupke.

ring's home, where they met their candidates for president and vice president.

Last night the governor of New York and the speaker of the United States house of representatives parted company, Garner continuing his journey to St. Louis, and Roosevelt heading toward Denver where, after stops at Colby and Goodland, in northwest Kansas, he was to arrive at 3 p. m. Central Standard Time.

### Second Hearing Friday For Wife Of Charlie Chaplin

LOS ANGELES, Sept. 16. (AP)—A second hearing in which Lita Grey Chaplin will seek approval of the appearance of the two minor sons of herself and Charlie Chaplin, film comedian, in motion pictures will be held here next Thursday. It will be on a petition filed by Mrs. Chaplin, as guardian, in the probate court.

The first attempt to obtain court permission for the employment of her sons in films was unsuccessful. On Sept. 2, Chaplin succeeded in having the original divorce decree amended so the children might not be employed except with the consent of both parents or with the consent of the court.

The two children are Charles

Spencer, Jr., 7, and Sydney Earl Chaplin, 6.

Attached to her petition filed yesterday was a letter of ten pages by Mrs. Chaplin to her former husband in which she asked his permission to allow the two boys to enter film work.

"I feel that I am fully justified in urging this consideration upon you because of the fact their earnings will not be, and can not be, of any financial benefit to me," the letter read. "Of course, you know this. However, I am afraid that the public has been given the impression from the newspaper reports of the recent proceeding in court that I was actuated in my desire to have the children make this picture with me by my own selfish, financial advantage."

Another portion of the letter read: "You know that in the divorce action between us alone I was put in a most unfavorable and unfair light by a very considerable number of newspapers and periodicals; and without any question, even to day, there is a great part of the public still willing to believe any-

### Coach Cawthon Is Expecting Big Year

Pete Cawthon is starting his third year as head coach of the Texas Tech Matadors and Pete's thousands of friends over the state are going to give him the double Pete probably is the most popular look-over this season.

Coach, football and basketball official and "great guy" in southwest sports. From Lubbock, we learn that the Matadors face a schedule that will make or break the school's right to big time football. Football teams from six states are on Tech's schedule.

Cawthon, always strong for a thing detrimental to me on that account."

Mrs. Chaplin wrote that the principal reason for her taking a theatrical career was in order that she might appear before the public "in the hope that I might, by such a contact with the public, be able to remove the impression that I was coarse, vulgar and uneducated."

standing army of material, had fifty-two candidates report to him last week. From this squad, he hopes to select the strongest forward wall and the most powerful backfield ever to represent the college.

The scarlet and black of the Matadors will make its bow as a member of the Border Intercollegiate Athletic conference. Only two conference games are on the schedule, the University of Arizona and the University of New Mexico. Texas A. and M., Baylor and Southern Methodist are southwest conference teams Tech will face.

If Cawthon can sweep through this year with more than average success, the Tech Matadors will be ready to knock on the Southwest conference door and request admittance. That's what a good year means to Cawthon, and his friends hope he has just that kind of a season.

Lee Freeman of Fort Worth is visiting Knights of Pythias members here for a few days.
