CALLS TO POLLS HERE SOUNDED

New Jersey Officer in Scotland to Interview Miss Gow's Mother

VOTE TOMORROW!

Call to Polls
This clarion call over the land is being heard with particular emphasis this year of the Washington centennial. The National Junior chamber of commerce is seeking to help get out 50 millions of voters this year as a memorial to the Father of His Country.

Avoid the Rush
There can be no truly good citizenship without voting. Remember this, men; remember this, women of Pampa—then go to the polls in the city election Tuesday between the hours of 8 and 7. Go early and avoid the rush. Are you a good citizen? Then prove it—VOTE.

Shelve Prejudices
Vote cautiously, carefully, thoughtfully, without prejudice, and with the intention of helping Pampa, your home. Don't let others think for you. You are voting for men, for Pampa. Consider the men's personal fitness, ability, and consider how they will fit into the civic structure for the next two years. Your vote is important to your city—cast it at the city hall without fail.

Work to Do
Pampa's municipal improvement needs have been met, but there is work to do. A city's officials have a large part in molding public opinion, inspiring public cooperation, speaking for the citizenship as a whole. Pampa, to provide jobs for its unemployed, must go FORWARD. Think it over.

Don't Get Scared
The saddest story any community or any firm could write at this time would be to take to the economic and promotional storm cellars, assuming that prosperity, progress, advancement are gone forever and that there is no hope except in utter retrenchment. We are near the turning point in national finance, if the history of many similar periods of business stress may be believed. Will we be ready to reap the profits, or will we stek to the storm cellars long after the worst of the storm is gone?

Unity in Strength
Pampa as a city should be united and pushing forward as never before in the next two or three years. (See COLUMN, page 2.)

WEATHER

WEST TEXAS: Generally fair cooler in north and east section tonight; Tuesday generally fair.

—AND A SMILE
PHILADELPHIA, (AP)—Maj. Gen. Smedley Butler swears the smashes, but he also prays before every campaign address. "I ask the Lord to please help me say the right thing," he said, "and it's been a big help."

IMPORTANCE IS NOW ATTACHED TO THIS VISIT

GLASGOW IS SEARCHED FOR TRACE OF BABY

LINDBERGH VERY ACTIVE

MYSTERY SURROUNDING ALL MOVEMENTS OF WEEK-END

GLASGOW, Scotland, April 4. (AP)—It was officially reported here today that Major Charles H. Schoeffel of the New Jersey state police will arrive tonight from London. It was understood he was coming to interview a Mrs. Taylor, the mother of the Lindbergh nurse, Betty Gow.

The city is excited about it and the question is being asked on the street "is the Lindbergh baby in Glasgow?" The police have even gone so far as to institute a search for the child.

Keeps Quiet
Mrs. Taylor maintains reticence, however. When informed that the (See LINDBERGH, Page 5)

Fosdick's Sister-in-Law Kills Her Children, Self

MONTCLAIR, N. J., April 4. (AP)—Mrs. Bessie Fosdick, sister-in-law of the Rev. Harry Emerson Fosdick, shot and killed her two small children and herself at her home here today.

Police found the bodies in the house after neighbors heard the shots at about 9:30 a. m. Mrs. Fosdick had been very nervous, the police learned, and under the care of a physician. Her husband, a lawyer and brother of the noted New York pastor, was not at home and was believed to be in New York.

The two children were Susanne, 15, and Blaine, 9. Fosdick is former under secretary general of the league of nations. He is a trustee of the Rockefeller foundation and of Princeton university.

He was assistant corporation counsel of New York from 1908 to 1910 and comptroller of the finance committee of the democratic national committee in 1912. In 1916, he was a special representative of the secretary of war on the Mexican border.

Lizzie Looking Like Lady, Say Spectators Here

Comments of the hundreds of people who inspected the new Ford at the Miller-Lybrand Motor company here today indicated that they believed Henry Ford has at last made a lady out of "Lizzie."

WON'T LEAVE

Russia's loss will be France's gain if dark-eyed Vera Veronina (above) succeeds in winning naturalization as a French citizen. Once selected as the most beautiful girl in Moscow, she recently has been appearing in French and German films. Now she is reported to have flatly refused to obey orders to return to native Soviet Russia.

OLD PROBLEM PASSED ON TO SENATE TODAY

INDEPENDENCE WOULD BE REALITY IN 8 YEARS

BIG MAJORITY IS GIVEN

ACTION CONTRARY TO STIMSON'S OWN DESIRES

WASHINGTON, April 4. (AP)—The house, by more than a two-thirds vote, agreed today to grant independence to the Philippines at the end of eight years.

It passed and sent to the senate the Hare bill providing freedom for the islands at the end of such a preliminary period during which the framework of the island government is to be set up and its constitution approved by the president of the United States.

The issue has irked congress for the last three decades. The vote was 306 to 47, far above the two-thirds majority required for passage under the procedure by which the measure was brought up.

Prospecting on Public Lands to Be Started Soon

WASHINGTON, April 4. (AP)—Secretary Wilbur of the interior department today reopened 180,000,000 acres of public lands to oil prospecting.

One of the first acts of the Hoover administration was to withdraw the public domain from further application for permits to prospect for oil and gas.

The reopening is conditional upon unit operation in discovered fields. Under unit operation the whole of each field is pooled, holders sharing in its profits on the basis of the acreage they possess.

"Unit operation of the oil pools," Secretary Wilbur said in a formal announcement, "offers the most substantial realization basis yet developed for constructive handling of oil conservation."

Authority to require unit operation was given the interior department under an act by congress at the last session. The act was sponsored by Senator Walsh, (D., Mont.).

MOVE AGAINST INJUNCTIONS
AUSTIN, April 4. (AP)—The state today moved to dissolve the approximately 250 injunctions granted in Travis county restraining enforcement of the 7,000-pound limit provision of the truck law passed by the 42nd legislature. The motions to dissolve were filed in 98th district court.

CANDIDATES IN MUNICIPAL ELECTION HERE

Above are three candidates in the local city campaign, which will come to a climax in tomorrow's election. Reading from left, they are W. A. Bratton, for mayor; Clyde F. Fatheree, for commissioner No. 1; and R. Earl O'Keefe, for commissioner No. 2. Pictures of other candidates were requested, but not furnished to The NEWS.

W. S. Haggard, 82, Is Dead

Funeral To Be Held Tomorrow Afternoon; Two Ministers in Charge.

Winfield Scott Haggard, 82, old-timer of the pampas, died at his home at 600 South Somerville at 1:55 o'clock yesterday afternoon. He had been ill since Aug. 7, 1931.

Funeral services will be held at the First Baptist church tomorrow afternoon at 3 o'clock under the direction of Stephenson mortuary with the Rev. C. E. Lancaster and the Rev. F. W. O'Malley officiating. Burial will be made in Pampa cemetery.

Mrs. Haggard is critically ill at the family home here. Mr. Haggard is survived by his wife and the following children: Mrs. Rebecca Berryman, John Haggard, Bush Haggard, and Mrs. Lizzie Welton of Pampa; Mrs. Mattie Fearsall of Gatesby, Okla.; Mrs. Ella Epperson, Winchester, Ky., and Emmet, Haggard.

Other survivors include a sister, Mrs. Sadie Hampton, Winchester, Ky., a brother, Woots Haggard, Nevada, Mo., and 14 grand children and 15 great grand children.

Palbearers will be W. A. Rowe, John McCamey, R. A. Smith, A. A. Nell, A. R. Eldridge, and H. L. Blackstock.

Legion Head Says Organization Not In Politics Here

Due, he said, to numerous inquiries by citizens of Pampa, Commander C. M. Carlock today issued a statement for the Kerley-Crossman post No. 334 of the American Legion.

Gilmer Deputy Sheriff Kidnaped But Later Is Released Unharmed

KILGORE, April 4. (AP)—Marvin E. Slaughter who allegedly kidnaped Deputy Sheriff Clem C. Hill of Gilmer today in an effort to resist arrest, was shot and fatally wounded in a gun fight with an officer who halted his flight here this afternoon. He died an hour after the shooting.

GILMER, April 4. (AP)—Deputy Sheriff Clem C. Hill, who was kidnaped today when he went to a hotel room here to question a man suspected of stealing a typewriter, was located several hours later near Gladeview. Reports indicated he had not been injured by his captors.

Hill was victimized by a ruse. The man told him if he would go with him down to an automobile he would show him papers to prove the typewriter was his own property. After they reached the car Hill was inducted to enter it.

The man then drew a pistol and disarmed Hill. He drove away in the direction of Big Sandy, holding Hill prisoner. Near Big Sandy the car was turned off on a side road and Hill was released.

MURRAY WOULD HELP

OKLAHOMA CITY, April 4. (AP)—Governor William H. (Alfalfa Bill) Murray today offered to protect the kidnapers of the Lindbergh baby "from prosecution or molestation" if they would communicate with him or leave the child at the governor's mansion here.

EXPORTS ARE LESS

WASHINGTON, April 4. (AP)—The total value of exports from the United States to the principal countries of the world, for the month of February totaled \$153,924,528, compared with \$224,345,572 in the same month of 1931.

Arson Trial Is Begun Here Today

The trial of Floyd Batsin, charged with arson in connection with the burning of a general merchandise store in the oil field south of Pampa, was begun in 31st district court this morning.

The store burned after someone had thrown a bucketful of gasoline on a red hot stove in the center of the store. No one was in the store at the time except the 17-year-old son of the owner who was sitting in front of the stove with his back to the door, reading. He did not see the man who threw the gasoline.

The defendant's attorney is Will R. Saunders. Jurors in the case are J. E. Yoder, E. M. Conley, O. L. Tibbets, A. L. Meek, E. G. Parsler, J. R. White, J. C. Cox, W. T. Kinzer, P. B. Farley, C. B. Bell, Mack Graham, and Ray Willis.

Four Men Die In Air Accident

DULUTH, Minn., April 4. (AP)—Four men on their way to Detroit to compete in the national aircraft show, were killed this morning in an airplane crash 25 miles north of Duluth.

Those killed were Herb (Dutch) Fuller, 25, pilot; S. E. Kervinen, 35, aviator; T. J. Somero, 32, fur buyer and part owner of the plane, and his brother, William Somero, 28. They all lived at Ely, Minn.

Fuller flew into a snowstorm near the home of a farmer who heard the plane circle his home three times and then crash. Fuller apparently was blinded by the heavy snow on the windows of the cabin plane. The plane hit a snow fence, and all were instantly killed.

SIX NAMES ON BALLOTS MUST BE CONSIDERED

RECORD VOTE IS LIKELY UNDER STIMULOUS OF DRIVES

SUPPORTERS ARE ACTIVE

JUDGE AYRES WILL BE IN CHARGE OF POOLS

Pampans today were making preparations to go to the polls tomorrow to vote in a city election which has held the interest of local people for several months. With six men in the campaign and their supporters working hard, a record vote should be cast at the city hall between the hours of 8 a. m. and 7 p. m.

On the ballots will be the names of W. A. Bratton and E. E. Reynolds for mayor; Clyde F. Fatheree and W. C. de Cordova for commissioner No. 1; Robert Woodward and R. Earle O'Keefe for commissioner No. 2.

Reynolds, de Cordova, and Woodward are the Citizens League candidates. There will be only one voting place—the city hall. John B. Ayres will be election judge, assisted by L. C. McMurry, Lennis Anderson, B. W. Rose, Kelly Patterson, A. J. McAllister, and E. J. Pafford. Qualified resident living within the city limits are to cast the ballots, which may total 4,900 or more.

The non-partisan Junior chamber of commerce will make a special drive tomorrow—as part of a national campaign—to get out a big vote as a memorial to George Washington. Cards mailed to voters by the Junior chamber said "as a good citizen you should vote in all elections. If you are a voter within the city limits you should vote Tuesday, April 5."

Beyond needing transportation to the polls may call the chamber at 238 and a car will be provided. Workers will plan their drive at the city hall tonight. Citizens are urged to note that in Texas ballots are marked by scratching or marking through the names of the candidates for whom the voter does not wish to vote.

Of the present city commission, Mayor D. W. Osborne and Commissioner Lynn Boyd are not in the race. Commissioner Fatheree is seeking his second term. There was to be much beating of the political bushes for votes tonight and tomorrow. The league announced a meeting to be held at the Brunow building basement at 8 o'clock tonight. Vehement statements and denials were being issued, boiling the political pot merrily on the eve of the crucial battle of ballots.

SCHOOL IS DESTROYED

CHICKASHA, Okla., April 4. (AP)—The grade school at Rush Springs and two nearby stores were destroyed by fire early today at an estimated loss of \$50,000.

Sunday's NEWS Big in Proportion To Population

The Pampa Daily NEWS is striving to give Pampa the best newspaper possible. It is no secret that newspaper everywhere are, to say the least, not getting rich at this time. In proportion to population, The NEWS had a really big Sunday paper. It was half as big as Sunday editions reaching here today from cities four or five times as large.

With a new railroad, improving oil conditions, and unfolding opportunities to obtain industries as prosperity returns...

Vision Is Needed To take advantage of these opportunities, Pampa must have in public and private positions of leadership men of vision, ability, and compelling influence.

One Direction For the average person who must earn his livelihood from month to month, there is only one direction—FORWARD.

SOVIET OFFICIALS FIND TOO MANY BOSSES FORCE CLOSING OF GIANT AUTOMOBILE PLANT

MOSCOW, April 4 (AP)—The gigantic effort of the soviets to "put every Russian peasant behind a steering wheel" was interrupted today by too many bosses.

Production of cars at the giant \$119,000,000 automobile plant at Nizhni-Novgorod, opened three months ago as Russia's challenge to Detroit, has stopped.

"Too many fingers in the pie" was given as the cause but the powerful executive committee of the communist party demanded drastic reforms in the leadership of the workers at the plant so production may be resumed April 15.

POLITICS at random

BY BYRON PRICE (Chief of Bureau, The Associated Press, Washington) The element of chance which always supplies the spice of politics, appears to have reserved an especially beautiful bag of tricks for 1932.

York. When he was made undersecretary of the treasury in 1927, after Al Smith had smothered out his candidacy for the New York governorship, it was the custom to speak of him as distinctly a "jame duck" appointee.

Les than a year ago, while Secretary Mellon was abroad, and Mills was acting secretary, a world financial crisis made Washington once more the capital of the world.

He did so well in the moratorium negotiations, and in other difficult tasks that when Mellon resigned, Mills went in almost automatically.

The other day he addressed a meeting of the directors of the United States chamber of commerce. He arrived riding on a commandeered treasury truck, because he was late and in a hurry.

He presented to the assembled industrial leaders an analysis of fiscal affairs which left some of them saying that the republican party might go further and do worse than to name Mills for the presidency in 1936.

Bulkley Comes Back Consider Robert J. Bulkley of Ohio.

In 1930 he had a brief season of presidential-possibility fame when, as an anti-prohibition democrat, he was overwhelmingly elected senator by the republican home state of the anti-saloon league.

Then he went into eclipse. Now, D. Baker, James M. Cox and Governor George White were given preference of the Ohio democracy, and White finally was pledged the delegation. Now neither Baker nor Cox is gathering in delegates, and White's administration at Columbus has come under heavy criticism.

Today one of the shrewdest Washington politicians is predicting that if Roosevelt is stopped, Bulkley will be the nominee. Stranger things have happened.

TEXAS COLLEGE BASEBALL RACE WILL FEATURE WEEK

THREE NINES ARE TIED FOR LEADERSHIP

TRACK MEET WILL BE HELD; GOLF MEET PLAYED

BY BILL PARKER
Associated Press Sports Writer.

DALLAS, Apr. 4. (AP)—Seven championship baseball games, four tennis meets, one triangle track event and one golf match are scheduled for the Southwest conference this week.

The baseball games will command the spotlight because the permanent chase started last week and left Texas, Rice, and Baylor tied for the leadership. This week those leaders compete against each other.

Today at Houston, Texas was scheduled to open a two-game series against Rice. Texas breezed in a 10 to 6 winner Saturday against Southern Methodist. The Owls inaugurated the season Friday by taking a 3 to 1 battle from Texas Christian when "Smoky" Klaerner out-pitched "Slim" Kinzy.

Baylor will go to Houston Thursday to play Rice. The Bears started their campaign Friday by beating Southern Methodist, 18 to 0.

Friday, Texas invades Fort Worth to play Texas Christian. The Christians, after losing to Rice, staged a comeback Saturday to beat A. & M. 1931 champion, 7 to 1. Another game Friday will be the Baylor and A. & M. affair at College Station. Saturday at Dallas, Texas is doped to hand Southern Methodist a defeat, and at College Station, Baylor and A. & M. will close their two-game series.

Two conference net meets were unveiled last week when Southern Methodist beat Texas Christian, 4 to 3, and Texas stopped Baylor, 6 to 0. In last week's non-conference competition, Texas beat Illinois 5 to 1 and Rice beat Illinois, 6 to 0. Today at Houston, A. & M. and Rice were scheduled. The Texas netters are due to get some tough non-conference competition tomorrow at Austin from the San Marcos Teachers.

Saturday at Austin, the Great Wave netters from Tulane are scheduled against Texas, and at College Station a conference battle is due between Texas Christian and A. & M.

The lone conference triangle track meet is scheduled for Saturday at Dallas between Southern Methodist, Texas and Baylor. In last week's track events, Texas beat A. & M. 72-2-3 to 40-1-4; Southern Methodist beat Baylor, 79 1-2 to 42 1-2, and Rice outdistanced Texas Christian, 75 to 50.

The conference golf race is due to open Saturday at College Station with Texas playing Texas A. & M.

Tilden Back at Old No. 1 Post

NEW YORK, April 4. (AP)—Big Bill Tilden gains the No. 1 place in the first national ranking ever issued by the professional lawn tennis association.

Vincent Richards is placed at No. 2; Howard Kinsey, No. 3; Frank Hunter, No. 4; and J. Emmett Pare, Chicago, No. 5. Behind these trail, in order, Paul Heston, Washington; Charles M. Wood, New York; Robert Sellar, San Francisco; J. Basil McGuire, Brooklyn, and John J. Cardenas, Ardley, N. Y.

TWO STRAIGHT

BEAUMONT, April 4. (AP)—The Beaumont Exporters made it two straight over New Orleans yesterday, winning 6 to 3 behind the steady pitching of Marrow, Collier, and Rowe. Saturday the Bakers scored three times in the eleventh to nose out the Southern Association team 10 to 9.

Skipper Del Baker planned a two-hour batting and fielding drill today.

GIANTS MOVE EAST

SAN FRANCISCO, April 4. (AP)—Their spring training program in California completed, the New York Giants were on the way back east today. Their next stop is Kansas City, where they are to meet Detroit Wednesday. In their exhibitions on the coast the Giants won 20 games and lost eight.

HURLERS LOOK MUCH BETTER

Galveston Encouraged The Buffs Take Two Out of Three Contests.

GALVESTON, April 4. (AP)—Solace was gained by Galveston baseball fans from the mound work of Ed Carroll and Hank Thormahlen and the stickwork of Harvey Ballew when the Houston Buffs made it two out of three exhibition game wins over the week-end in Houston by winning Saturday and Sunday, 4-2 and 8-5. Two weeks ago the Bucs beat the Buffs, 3-2.

Much is being expected of Carroll this season. All of his mound appearances have been favorable except his first and his work is gaining him popularity for the role of ace on the staff.

Indian Hurlers Are Not Ready

SAN ANTONIO, April 4. (AP)—Manager Claude Robertson of the San Antonio Indians today said he regarded his club as just about set except for the pitching staff. With four outfielders, six infielders and another on the way, three catchers and eight pitchers, the tribe today began the last drive to get ready for the opening of the Texas league season. Outfielders Lew Frierson and Joe Rendon and pitcher Eddie Albers were released last night. The Indians beat the Beville Bees, 11 to 1 yesterday.

FIND MUCH STEALING

KANSAS CITY, April 4. (AP)—Larceny of bases, the Detroit Tigers have discovered, is rife in the American Association. Yesterday they watched the Kansas City Blues steal three bases in the eighth inning of an exhibition game which the Blues won, 6 to 5. It was their second straight victory over the major leaguers. Vic Sorrell and Art Herring, both veterans, proved no puzzle to the Blues, who found them for 11 hits, one more than the Tigers gathered.

FULL STEAM AHEAD

MEMPHIS, Tenn., April 4. (AP)—Manager Le Fonseca's White Sox pitching staff is proceeding full steam ahead. In two successive games his pitchers have yielded but a grand total of six hits. "Bump" Hadley and Vic Fraser turned in a three-hit act between them yesterday as the White Sox defeated Little Rock, 1 to 0.

CUBS IN FAREWELL

LOS ANGELES, April 4. (AP)—The Cubs said goodbye to California today, leaving behind a record of 15 victories and 10 defeats. Five of the defeats were administered by the New York Giants in eight games, three by the Pittsburgh Pirates, one at the hands of the Detroit Tigers and another by the Missions. They resume their exhibitions at Fort Worth tomorrow.

HOPES FOR HITS

JERSEY CITY, April 4. (AP)—Manager Shono Collins of the Red Sox hopes his men will continue the batting streak that has marked the trip north. Earl Wobb has hit safe 10 times out of his last dozen times at bat, McManus has been crashing out double headers and Rothrock, despite his charley horse, has been enjoying his best showing of the spring.

Bank Loot Is \$15- or \$4,000

CORSICANA, April 4. (AP)—Officials of the First State bank of Rice, near Corsicana, hoped to be able to determine today whether burglars early yesterday obtained \$15 or \$4,015.

The burglars bound the night-watchman and burned into the vault and safe. Fifteen dollars in pennies was missing. Bank officers feared approximately \$4,000 in currency had been burned in the safe although it was possible it was still there or had been stolen. The safe had been time-locked until today and could not be opened. Many valuable papers were burned.

ADD TEN MORE

PIERRE, S. D., April 4. (AP)—Add to Gov. Franklin Roosevelt's 95 pledged votes for the democratic presidential nomination, ten from South Dakota.

Cornell university recently awarded 138 varsity letters for the 1931-32 season in sports. Fourteen athletes received two awards.

ALLISON WINS HOUSTON NET MEET; LOSES IN THE DOUBLES

Austin Man Displays Best Form of Career; May Make U. S. Team Yet.

HOUSTON, April 4. (AP)—Wilmer Allison of Austin won the second annual Houston invitation tournament singles championship yesterday and played brilliantly, though unsuccessfully, in the doubles semifinals.

His play sent him measurably nearer to membership in the United States Davis cup team.

Allison beat Jake Hess of Rice Institute easily, 8-6, 6-3, 6-2. Paired with Gilbert Hall of New York, he lost the doubles title to Ellsworth Vines of Pasadena, Calif., and George Lott of Chicago, the country's ranking number 1 and number 2 players, 5-7, 6-1, 7-9, 6-2, 7-5.

It was Hall, however, on whom was centered the attack of the winning team. Allison, former intercollegiate singles champion, played the ablest game of the match, save in the 11th game in the last set, where he lost his service, allowing Vines and Lott to go on and win on Vines' service.

In the junior singles finals, young Frankies Parker of New Orleans easily defeated George Dulling of Houston, 6-0, 6-0.

MOVING TOMORROW

ST. PETERSBURG, Fla., April 4. (AP)—The 27 players who comprise the 1932 Boston Braves hit the trail northward today. The first game of the trip is scheduled for tomorrow at Richmond, Va., where they meet Richmond of the Eastern League.

SMITH COMES BACK STRONG IN TOURNEYS

DEFIES FRACTURE WITH PAR-CRACKING ROUNDS

CHICAGO, April 4. (AP)—Golf's most celebrated cripple, Horton Smith, isn't satisfied to merely trudge over the road back.

He's galloping back, tossing allisbids aside and chasing old man par into his dugouts with old-time flashes of brilliance despite a painful wrist that would force almost any stout-hearted campaigner to park his clubs and wait for the healing process to end.

The "Joplin ghost" broke his right arm—just above the wrist last December and was forced out of the big winter money tournaments. Even many of his friends feared the injury would forever ruin his scoring punch. Smith remained idle for a little over three months and the tested out his game.

He surprised even himself. Although his wrist pained him severely at times, he toured the Lake Shore club layout at Springfield, Mo., with par flirting scores and then followed through to score a 69, two under par. He then tackled the tougher Hickory Hills course nearby, compiled a fine average of 74, and left his enforced retirement.

This year he will teach the duffers of the Suburban Oak Park country club here and get himself in the "pink" until the big summer tournament drives.

"I'm satisfied that my game or mental attitude hasn't suffered from

Spuders Beat St. Paul Saints

WICHITA FALLS, April 4. (AP)—The biggest baseball boost Wichita Falls has known in many days came over the week-end when Hank Severeid's Spuders defeated the strong St. Paul Saints decisively in a pair of games. The team functioned smoothly in all departments and produced four pitchers who had little trouble subduing the heavy ex-big leaguers in the Saint lineup. An 8 to 2 victory yesterday followed a 10 to 5 conquest Saturday.

The next exhibition tests for the Spuders send the team to Frederick, Okla., tomorrow and Wednesday against the Des Moines club of the Western league.

A routine camp drill was on the program today at Athletic park.

ATHLETICS WIN PHILADELPHIA, April 4. (AP)—Humbled under an 8 to 4 count by the Phillies in the city series opener Saturday, the Athletics heartened themselves yesterday by traveling to Newark to defeat Al Mamoux's Bears 4-2. The five-game city series for the championship of Philadelphia, will be renewed today.

The injury," he beamed with his usual confidence. "The wrist troubles bother quite a bit now and then, especially on cool days, and I can't get all the flexibility I need. But some more time and warmer weather should remove that impediment. Since I started to play again about two weeks ago, I discovered that my short game was never better while my long iron shots were far off form. I'm not worrying a bit and intend to play a lot of tournament golf this summer and shoot my best game in the national open and professional golfers' association tournament at St. Paul.

"If I fall to make a good record, I won't alibi on the strength of my broken arm."

Lyn Lary Has Them All Fooled

LOUISVILLE, Ky., April 4. (AP)—The New York Yankees have just about given up the job of trying to figure out what Lyn Lary will do next.

Lyn was hopefully stationed at third base at the start of the training season, and immediately began to look like a star there. When his hitting began to slump he was dropped to eighth place and he repled to that change yesterday by batting out two doubles and a triple in the Yank's slugfest against Memphis, scoring four runs and batting in two more.

VANCE STOPPED 'EM

NEW ORLEANS, April 4. (AP)—Dazzy Vance of the Brooklyn Dodgers stopped the Cleveland Indians dead for four innings yesterday, but the Tribe won the game from his successor, Babe Phelps, 2 to 2. Vance got seven strike-outs. Wesley Ferrell went the route for the Indians and was effective in the pinches.

TUNE UP FOR YANKS

CINCINNATI, April 4. (AP)—The Cincinnati Reds, here from their annual sojourn in the south, were ordered to take a long workout today to tune up for the New York Yankees tomorrow. The Reds lost to the Louisville Colonels yesterday 5 to 3. Walter Hilder, pitching the full game for the Reds, weakened in the eighth inning and allowed the Colonels a three-run rally.

WILL PLAY PAIR

DALLAS, April 4. (AP)—A double-header was scheduled here today between the Dallas Steers, St. Paul Saints and the House of David team. The Steers were carded to play St. Paul the first game and then the bearded team managed by Grover Cleveland Alexander, former major league hurler, in the second.

Yesterday, the Steers beat Columbus, 3 to 2, when pinch hitter Kelly tripled in the tenth inning, scoring Styles.

Spring Hats Blend With Costumes

Spring chapeaux are made of the same material as frocks and their trims. The black wool beret at left is trimmed with a bow of silver, black and green striped taffeta to match the vest. Green felt worked with matching straw makes the turned up hat at right which matches the detachable cuffs of the costume. Karen Morley (center) of the films favors a matching cap and scarf for spring and summer sports wear. It is in red, white and blue.

BY DIANA MERWIN

Associated Press Fashion Editor
PARIS (AP)—Hats made of the same woolly fabric as a suit, or designed to match a costume's knick-knacks, are the last word in spring chapeaux.

The woman who wants to be chic this season is cutting her bonnet from the same stuff of which her costume is made or ordering it to match her scarf, her belt or her novelty cuffs.

Trig berets or toques of jersey or

soft tweed are worn pulled over the right ear and trimmed with bright pompons of yarn or fringed straw. Others are made of striped ribbon to match a scarf, white flat crowned chapeaux with narrow brims are built of fine straw to match the cuffs of the accompanying frock.

Ribbon berets and toques are great favorites because of their practicability and jaunty chic. They are flat enough to collapse into a small space in any traveling bag and their gay colors contribute to

the smartness of any costume to which they are matched.

Even the straw chapeaux often suggest fabrics in their elaborate weaves, many of which are as intricate as the patterns of the new wools. In dull or shiny finishes they promise to enjoy great popularity during warm days.

This spring's hat tilts over one ear, leaving the opposite side of the head bare. Its crown is shallow or peaked, its brim generally small and its trimming sparingly applied.

Boasting Seen As Cause of Crime

EL PASO, April 4. (AP)—Investigating officers today considered the theory that Melquiades Espinosa's habit when intoxicated of boasting of imaginary money he possessed might have led to the massacre of seven members of his family Friday night.

Espinosa said the seven were killed at their home near Berino, N. M., when they were unable to comply with the demand of three robbers for \$5,000.

Mrs. Luis Espinosa, widow of one of the victims, said Espinosa, though he seldom drank, always imagined himself fabulously rich when intoxicated. She expressed the opinion he might have claimed to have a large amount of money concealed in his home, and the trio, hearing the report, determined to rob him.

The inquiry shifted to Mexico as authorities investigated a ranch deal in which Espinosa and three men living south of Juarez, opposite El Paso in Mexico, were said to have been involved. Mrs. Luis Espinosa said Espinosa had gone frequently to Juarez in connection with the ranch transaction and that three men in an automobile had visited the Espinosa dairy several times in the last two weeks.

Mrs. I. D. Craig of Kingsmill was shopping in Pampa Saturday.

WOMEN'S CIVIC PRIDE IS TO LEAD THEM TO VOTE IN ELECTION TOMORROW

To ignore Pampa's city election tomorrow would be the confession of a lack of civic pride and personal responsibility.

Pampa women have proved their interest in their home city by aiding the needy, by pledging help in improving the park, by supporting and sponsoring educational activities, by helping to finance church buildings.

Such activities have been by small groups. But it is not reasonable to assume that the women who cooperate with small groups will gladly join with the mass of voters in an undertaking far greater than any small group could accomplish—that tremendously important task of selecting civic leaders for the next two years?

"My vote wouldn't make any difference one way or another," is an excuse given by some who stay at home on election day. But remember your vote added to a few others which people decide at the last minute to cast can sway an election. It can place governmental responsibility into the hands of competent citizens, or the lack of it can mean two years of civic instability.

Study carefully the platforms of the two groups of candidates, and study the men themselves. Then go to the polls tomorrow and do your part to entrust civic responsibilities to those most competent to handle them, to those with the wisest, sanest outlook on city affairs. Cast your vote for the progress of Pampa.

Harbor Project May Be Modified

WASHINGTON, April 4. (AP)—Modification of the Brazos Island Harbor, Texas, project to eliminate the requirement of contribution of specific sums by local interests was recommended to congress today by Major General Lytle Brown, chief of army engineers.

Only two of the conditions providing for local co-operation in the project would be affected by the recommendation. These were that no work be undertaken on the channel to Brownsville until the sum of \$2,175,000 had been contributed, and "That no work be undertaken on the channel to Point Isabel until the sum of \$450,000 had been contributed."

TEAM WORKING OUT

A baseball team has been organized by the Gray county home labor association and will work out each afternoon at 2 o'clock in the Talley addition, according to D. N. Walker, manager. Ball players are invited to join the club.

STATE AGENT HERE

H. H. Williams, state agent for the extension division of Texas A. & M. college, spent the week-end in Pampa visiting his sister, Mrs. H. T. Cox. While here, he also visited County Agent Ralph E. Thomas.

COTTONS ARE GETTING WOOL THIS SEASON

MANY NEW WEAVES IN SPRING STYLE SHOWINGS

By JANE EADS

NEW YORK, April 4. (AP)—Cottons went wool gathering this spring and returned to become the height of style.

New cottons look very much like the new woolen fabrics. Some are ribbed, some are tweeded, some look like serges, others like home-spuns.

Cotton laces and cotton meshes of all types are stressed. There are new chain meshes, cord meshes and lacy meshes all of which are smart.

Striped or plaid patterns lead, with darker shades, even black, favored. Old-fashioned seersucker is one of the popular striped fabrics.

Pique is already a dominating fabric and is used for collar and cuffs and pipings on dark blue, or black frocks for daytime occasions. Pique in white or pastels is used for evening gowns, simply, but smartly made.

Cotton dresses, coats, jackets, blouses, skirts and hats will be much favored for mid-summer wear. Even cotton accessories are expected to figure largely in the fashion picture during the warmer months.

Members Added to Baptist Church

Several confessions were made and new members were added to the First Baptist church as a result of the revival just closing.

At yesterday's services special music was furnished by Miss Loma Groom and H. C. Price, who gave solos.

There were 766 present at Sunday school and 109 at B. Y. P. U.

HORSES USED TO TERRACE 1700 ACRES LAND HERE THIS SEASON

According to reports of County Agent Ralph Thomas nearly 2000 acres of farm land on 17 different farms have been terraced in Gray county since the first of the year.

Although the terraces that are built with teams may not always be as high, wide and handsome as the terraces thrown up with heavier machinery, most of the farmers figure that they should make a start this year to stop soil erosion and loss of moisture from runoff on land.

BEHIND THE SCENES IN Washington

By RODNEY DUTCHER NEA Service Writer WASHINGTON—Legislative history records many famous fizzes after preliminary trumpeting and drum-beating, but the administration's proposed investigation of the bears of Wall Street threatens to develop into the prize washout of all time.

It all grew out of a theory held by friends of Mr. Hoover that every time the administration put through one of its reconstruction measures a group of gentlemen immediately proceeded to drive down stock prices.

Whereupon everyone began to be afraid of the investigation. It was learned that there were Republican bears as well as Democratic bears. People here began to hear from Wall Street, with advice that they'd found a sure-fire method of further damaging the business situation.

That Naval Probe Who doesn't remember the famous investigation of William B. Shearer and the shipbuilding companies, inspired and magnificently ballyhooed by the White House?

It Became "Too Hot" In other words, the investigation became "too hot." Chairman Shortridge, the chief investigator, suddenly postponed hearings for three months, resumed them for an hour or so and then never made any report.

Senator Borah once got a resolution through the Senate to investigate alleged scandals in the Alien Property Custodian's office, after a loud campaign for it.

TO THE PUBLIC

The Citizen's League, through its advertising, letters and word of mouth gossip has attacked various forms and procedures in our city government.

In order that the people may know some facts relative to city affairs which the Citizens League does not know or evidently does not want to be known, this letter is being written.

The last complete city audit was prepared by H. V. Robertson and Company, certified public accountants of Amarillo, Texas. During 1927 the above mentioned firm installed a complete and accurate accounting and bookkeeping system for the city of Pampa.

The amount named by the Citizens League in plank No. 2 of their official platform is the item of the expense account of the Police Department. The correct amount of this expense is \$17,992.17.

Insinuations contained in plank No. 3 of their Platform relative to working hours, etc. We find that the City of Pampa is conducting nearly as large a volume of business as any institution in the city with probably smaller expenditures for office expense than any other comparative business.

Regarding plank No. 4, the building inspector's office during the fiscal year mentioned in the audit was operated at an expense of \$2076.47.

The Citizens League is careful but show the amount of this expense but again they fail to tell you that in this same audit are figures showing that the Inspector's office received \$2902.25 in fees for its services, thereby earning the city a net profit of \$25.78.

With reference to the loud cry about delinquent taxes, we will only state that many people are of course unable to pay their taxes this year, while others may simply try to avoid such payments and a search of the city tax rolls divulges the fact that Dr. Brunow now has a total of \$514.35 due the city in delinquent taxes and penalty, this being one of the largest delinquencies.

The receipts from the police department were derived from fines, etc., assessed against law violators. Another item that might be interesting to the people is the fact that the expense of the police department during the month of February, 1931, amounted to \$1840.80, but during the month of February just passed the expense of this department amounted to \$969.23, a reduction from last year of \$871.57.

Regarding plank No. 4, the building inspector's office during the fiscal year mentioned in the audit was operated at an expense of \$2076.47.

PAMPA Wed. Apr. 6

month of February, 1931, the total operating expenses of the city amounted to \$8945.75, while during the month of February just past the total of this expense amounts to \$568.55, a reduction of some \$1400.

These facts related above will probably be more interesting and satisfying to the public in general than they will be to promoters of the Citizens League. No statement is made herein that cannot be substantiated by City records, which are open to all citizens who are broad-minded enough and willing to investigate.

Pampa has had a remarkable growth and has no doubt an equally promising future. It is only fair to Pampa that its real citizens understand its true conditions and strive to protect them.

Wisconsin Vote Is Much Divided

MILWAUKEE, Wis., April 4.—Aroused by a heated campaign intended to determine state leadership in factions of two major parties, Wisconsin goes to the polls tomorrow to elect delegates to the national republican and democratic conventions at Chicago in June.

Democrats were split into one group favoring the candidacy of Gov. Franklin D. Roosevelt of New York and another officially unpledged but known to approve selection of former Gov. Alfred E. Smith of New York as the party's standard-bearer.

Mexican Primary Election Is Worm

MEXICO CITY, April 4.—Mexico's first nation-wide primary election, held like an old-fashioned spelling bee, passed into history with two dead and more than two score injured.

At the stroke of noon, under the eye of 60,000 troops, the voters lined up on the streets in 3,000 voting districts throughout the country and were counted off by officials. It was all over in an hour and the counting boards made their tallies, announcing the winners shortly afterward.

NOTED ARTIST DIES SANTA-BARBARA, Calif., April 4.—Lockwood de Forest Sr., 82, internationally known artist, died at his home here last night.

BURGESS HAS APPEALED AUSTIN, April 4.—Jack Burgess, sentenced to ten years' imprisonment on conviction of a robbery charge in Canyon county, today filed an appeal at the court of criminal appeals.

SUSPECT IS KILLED

HOUSTON, April 4.—S. Whatley, short call officer, killed Jesus Gomez, about 35, suspect of theft, early yesterday. Whatley said he sought to question Gomez and the latter attacked him with a knife.

Don't Be Fooled -- Watch The Real Issues

The self-appointed chairman of publicity for the so-called "Citizens League" (V. E. v. B.) is making his final effort to gain support for his ticket.

The clumsily apologetic advertisement appearing in The NEWS Sunday seeking to explain the malicious error in regard to the cost of a city water well is typical of the wild mis-statements which he has peddled to his "League" and which he is trying to thrust upon the thinking people of this city.

Why cannot his "League" have the fairness to base its campaign on real issues, instead of on claims and insinuations which in no way concern the election tomorrow? Why has his "League" ignored the fact that with one exception all of the candidates in the city race have never held office before and are therefore not concerned with the past?

We'll tell you why: The "League" is his creation, conceived by him with the aid of a small group who are placing personal grudges above all else and who are using rumors and promises as a smoke screen.

But his Majesty is scared. He has lamely tried to resurrect the city manager issue which he admitted in Friday's paper was dead. Truly there is something dead in this campaign and the thoughtful citizens of this community are getting mighty tired of the stench.

When the "Citizens League" yielded to its minority and entered politics it forfeited its name and belied its purpose. It is high time that its fair-minded members were showing this community that they are not peddling prejudices.

There is a place in every community for a non-political taxpayers organization, and one will probably be formed here, but these groups are NON-PARTISAN and NON-POLITICAL and are NEVER DISBANDED!

Four years ago, this man stood before the voters of this city as a candidate for Mayor. He received 203 votes to his opponents' 929. Tomorrow he stands before you again, not with himself as a candidate, but with his so-called "Citizens League" to mislead you.

COTTON FIRM

NEW ORLEANS April 4. (P)—The cotton market today opened steady, first trades showing gains of 2 to 4 points, which was not a full response to the advance in Liverpool. As New York opened easier the market here lost to 3 points right after the start in sympathy, but soon rallied again, May advancing to 6.17 July to 6.33 and October to 6.54, or 3 to 5 points above the opening figures and 5 to 6 points above Saturday's close.

Near the end of the first hour the market was steady and at the high. Secretary Hester's report on sales of fertilizer tags for March was bullish, showing a decrease for the month of 629,000 tons. The decrease for the eight months of the season to the end of March was 1,174,000 tons.

While these figures were bullish they did not appear to affect the market.

GRAINS ADVANCE

CHICAGO, Apr. 4 (P)—With unfavorable weather continuing in domestic winter wheat territory, grain prices made a fresh advance today after a wavering start. Liverpool reported general improvement of transatlantic demand for wheat, despite larger quantities on ocean passage. Opening unchanged to 1/2 off, wheat later rose all around. Corn started unchanged to 1/2 lower and subsequently went up grade.

BLAST AT MINE

HOPKINSVILLE, Ky., April 4. (P)—A dynamite blast early today destroyed a machinery and equipment building of the Williams Coal company, near Mannington, with a loss estimated at \$15,000. The building housed generators of the mine's electrical power and caused a shutdown which will throw 200 miners out of work.

ROBBERS ARE FOILED

LE ROY, Kan., April 4. (P)—After severing all telephone and telegraph wires entering into the town and making prisoners of six persons, two or three robbers worked more than two hours early today to cut a hole into a safe in the First National bank here only to find it empty.

Barry Wood, football, hockey, baseball and tennis star at Harvard, also plays on the school's rugby team.

HAGGARD

(Continued from Page 1)

PL—W S HAGGARD—30 months later began operation of a farm 2-1/2 miles northeast of Pampa. At the time of his death, Mr. Haggard was living at the residence he built when he first came to Pampa. He was a member of the Christian church, and was superintendent of the Sunday school in Winchester for several years.

The Haggards came to Kentucky from Petersburg, Va., in the eighteenth century. Mr. Haggard's father was born in Kentucky's famed blue grass region in 1811. Last summer, about 50 relatives and friends celebrated Mr. Haggard's eighty-second birthday. On May

Slight Man Tells of Many Robberies

CHICAGO, April 4. (P)—A debonair man of 30 whom a woman's jealousy placed in the hands of the police has erased "unsolved" from records of bank robberies in more than a dozen cities through a confession attributed to him by police.

For a long time the authorities of the middlewest and the west coast sought Donald Loftus, 30, as a dangerous robber who worked alone. Yesterday he was apprehended in a barber shop of Mishawaka, Ind., because, authorities said a jealous sweetheart tipped them of his whereabouts.

Of build so light and manner so calm there was nothing of a holdup man in his appearance. Loftus laughed over his own joke as he unfolded the story of his activities to Chicago officials.

A hundred thousand dollars, he said, was the loot he obtained in 14

RARE MALADY FATAL

AUSTIN, April 4. (P)—A rare malady today resulted in the death of Shirley Miller, 19, despite a 12-day battle of medical science to save him. Miller was a victim of "purpura", a blood disease. Four blood transfusions had been given Miller since he was removed to a hospital March 24. Five pints of blood, donated by friends, were used in the transfusions.

ENTHUSIASM DAMPENED

HELSINGFORS, Finland, April 4. (P)—Whisky at \$6.50 a bottle and cognac at \$9.25 dampened somewhat the widespread celebrations planned for tomorrow when Finland's twelve-year-old prohibition law goes into the discard, following last December's referendum.

BIG GAP REMAINS

WASHINGTON, April 4. (P)—Standing out conspicuously today in the whole question of balancing the federal budget, was the necessity of bridging a gap of approximately \$200,000,000 between the expected deficit for 1933 and the billion-dollar tax bill just passed by the house.

The insistence of Secretary Mills that only government reorganization and definite suspension of the least essential activities now required by law can save this sum, has brought the matter to a definite head. A solution may be indicated this week.
