FLEMINGTON, N. J., June 27 (AP)—The prosecution won the first engagement of the trial of John H. Curtis, alleged Lindbergh case hoaxer, when Judge Adam O. Robbins refused today to dismiss the indictment against Curtis.

FLEMINGTON, N. J., June 27 (AP)—The prosecution won the first engagement of the trial of John H. Curtis, alleged Lindbergh case hoaxer, when Judge Adam O. Robbins refused today to dismiss the indictment against Curtis.

As soon as court convened this morning the defense applied for removal of Harry Stout, special assistant prosecutor, on the ground that when he was being considered as a defense lawyer he learned secrets of the defense strategy.

Judge Robbins heard argument on the motion in his chambers, the argument lasting more than an hour and a half.

### Kiwanians Will Meet Tonight In Banquet Session

Fellowship existing in and between the 1886 Kiwanis clubs of the United States and Canada will be expressed in simultaneous programs this evening at 8:15 o'clock by all of the clubs.

There will be a period of silent fellowship and singing and a message from William O. Harris of Los Angeles, international president, will be heard by radio.

Other local features will follow in 15-minute simultaneous programs, and members of other civic clubs in Pampa will be guests.

### I HEARD--

That Frank Foster got his hat back this morning. He lost it at the Better Citizenship army breakfast last Monday. Tom Barnes, county tax collector, was the offender. Frank met him in the chamber of commerce rooms this morning and claimed the hat. Tom hadn't noticed the difference.

That Tom Perkins and P. O. Sanders went fishing yesterday. Perkins' lefthanded luck still held and he pulled out a three and one-half pound bass. P. O. got a couple nearly as big.

### THE WEATHER

OKLAHOMA: Partly cloudy tonight and Tuesday.  
WEST TEXAS: Partly cloudy, probably scattered showers in north and extreme east portions tonight and Tuesday.

SEATTLE (AP)—A fellow who looks more like Harold Lloyd than Lloyd himself was responsible for the unusual police order to arrest any man resembling the comedian. Lloyd's double, instead of devoting himself to comic capers, specializes in armed robbery.

### ELECTED

Dr. R. A. Webb, local Legionnaire and former committeeman of the 18th district, was elected commander of the fifth division at the annual convention in Sweetwater yesterday. W. C. de Cordova was the other Pampa delegate.

Not For Us  
Nudists are welcome to their fad. The Pampan, after a day picnicking minus a few customary garments, has a blazing countenance from the effect of Old Sol.

About the "Murphys"  
The paraphrase a Topeka newspaper, the "Murphys"—meaning average family—are not broke.

In 1929 the Murphys were making \$40 a week.

In 1929 the Murphys were paying \$50 for a \$35 house.

In 1932, the Murphys had their wages cut to \$34 a week.

In 1932, the Murphys forced the landlord to accept \$35 for his \$35 house. Or accept it and Murphys moved to a house owned by a landlord who had discovered times had changed.

The Murphys' income has been reduced \$312 a year, but the Murphys have cut their rent \$180 a year.

In 1932, Mrs. Murphy has discovered she feeds the family better on \$7 a week than she could in 1929 on \$12.

Rent and food savings amount to \$440. The wage cut totals \$312.

In 1929, the Murphys were in debt some \$500; in 1932 they are in debt about \$60.

Mrs. Murphy needs at least two new dresses, which can be bought at less than half the 1929 price. Mr. Murphy needs a new suit. The radio which cost the Murphys \$160 in 1928 can be duplicated for less than \$75. The old radio has started to wheeze.

SENATOR BARKLEY IN ADDRESS HITTING G. O. P. REGIME

### CITES YEARS OF ERRORS

COOLIDGE IS BLAMED FOR RISE OF EXPENSES

CHICAGO, June 27 (AP)—A biting attack on Republican rule through three administrations and a plea for a vote on repeal of the 18th amendment were laid before the democratic national convention today in the keynote speech of Speaker Alben W. Barkley of Kentucky.

The Kentuckian punched and jabbed unceasingly at his republican foes—calling the Harding administration the "darkest chapter of public betrayal in the history of this or any other nation," heaping blame on President Coolidge and Secretary Mellon for an "orgy of speculation and inflation that had no foundation in real values," and terming the republican plank on prohibition "a promiscuous agglomeration of scrap-lumber."

Barkley denounced President Hoover and republicans for the "exorbitant and indefensible rates" of the Smoot-Hawley tariff act and promised to lift tariff making above the sordid processes of log-rollers and back-scratchers.

The keynoter gave over the major part of his speech to mistakes he charged to the republican party since 1920. He did go into the prohibition question rather briefly, however, and urged that the convention recommend the passage by Congress of a resolution submitting a repealer of the 18th amendment for ratification by the people through state conventions whose delegates

### Pickett Expected To Assess Taxes Despite Term

County commissioners expressed the opinion this morning that the jail sentence assessed Thomas Y. Pickett of Dallas, oil assessor of Gray county, for evading the federal income tax, would not prevent his company from returning a valuation of oil property in the county late this summer.

Mr. Pickett was given a four-month sentence and assessed a \$5,000 fine by Judge William Atwell in Dallas federal court after a jury found Pickett guilty on two counts of evading taxes in 1928 and 1929. The four months will be served in the Ellis county jail.

Mr. Pickett has been oil assessor of the county since 1928. Last year, he was given a two-year contract which will not expire until after 1933. The commissioners reserved the right to cancel the contract at any time. The court has expressed satisfaction with Mr. Pickett's valuation many times. He was a frequent and well-known visitor here.

Government testimony intended to show that Pickett received more than \$112,000 from the road contracting firm of W. L. Pearson of Houston in connection with a highway bond election in Hutchinson county. It was also testified that Pickett deposited \$25,000 in an Edinburg bank.

Before being sentenced, he said he had paid the taxes as soon as he learned Pearson had not paid.

His appearance came as the senate and house conferees met for the

### NEWS FLASHES AT PRESS TIME

CHICAGO, June 27 (AP)—The democratic platform committee was given notice today by Senator Walsh of Massachusetts he would take a report to the floor of the convention asking for a plank pledging the party to repeal of the 18th amendment and immediate modification of the Volstead act.

NEW YORK, June 27 (AP)—The stock market slipped through support lines in an early afternoon selling flurry today which reduced the general level to approximately the cyclical low of June 1. Selling led up a little in the late trading, but the closing tone was weak, with numerous losses of 1 to more than 2 points. The turnover approximated 800,000 shares.

KILGORE, Tex., June 27 (AP)—Three well-dressed young gunmen walked into Hotel Kilgore early today and robbed H. R. Kidd, clerk, of \$113. The robbers then locked Kidd in a closet and escaped.

MORGANTOWN, W. Va., June 27 (AP)—One man was killed and seven others wounded, two dangerously, in a coal mine strike shooting at the Mayville mine of the Kelley's Creek Colliery company today.

ROSEDALE, Miss., June 27 (AP)—John Hunter, one of four brothers who set world's airplane endurance record at Chicago two years ago, was killed here today when the propeller of his ship struck his head.

### Hour For BCD Session Changed

The called meeting of the directors of the Board of City Development will be held at 8:30 o'clock tomorrow night instead of 8 o'clock as formerly announced. The new hour was set because of conflicting meetings at the earlier hour.

Plans for the celebration in connection with the completion of the Fort Worth and Denver railway line from Childress to Pampa, July 15, will be discussed and passed on to the entertainment committee for execution. It is expected that several special trains will come to Pampa that day.

### Kirkpatrick Wanted In New Mexico Shooting Charge

Fritz Kirkpatrick who was sentenced here over two years ago on a charge of burglarizing the Rex theater, is wanted at Lovington, N. M., in connection with the shooting of a deputy sheriff there Saturday night, Pampa police were advised last night.

Local officers were urged to be on the lookout for Kirkpatrick and to arrest him if he came to this section. Kirkpatrick served his time in the penitentiary.

He was arrested here after an attempt had been made to open the safe in the theater.

HARD ON JEWS  
BERLIN, June 27 (AP)—Early yesterday morning the Prussian Diet passed a national socialist taxation bill which provides among other things for confiscation of the property of all Jews who immigrated from the east after 1914.

### SCOUT DRIVE END CALLED

Officials Wish to Check All Cards—Reports to Close Tuesday Noon.

Members of the Better Citizenship army collecting funds for the continuation of Boy Scout work in Pampa will be given until noon tomorrow to finish their work.

At that time they will report to general headquarters in the chambers of commerce rooms in the city hall with their cards and money or pledges regardless of whether they have completed their lists.

General C. H. Walker is anxious that workers get busy tonight and tomorrow morning and make an effort to finish their territory. More than one half of the amount necessary to carry the work through the balance of the year on a cash basis has been raised.

### Former Pampan Held in Shooting

O. S. (Happy) Hannah who was charged with murder yesterday in connection with the shooting of his partner, George A. Nicar, near a sub-police station at Houston, was formerly a trucking contractor at Pampa. Mr. Hannah was engaged in the trucking business at Houston. He moved from Pampa about a year ago.

The shooting of Mr. Nicar, 36, a peddler, in the heart, followed a dispute between the two partners. They were en route to the police station to settle it when Nicar was killed.

The shooting was witnessed by 21 persons, including police officers, firemen, Nicar's wife and five children, one of whom Edward Sherman, 11-year-old son, rushed forward and hurled himself upon the man, endeavoring to protect his father from the blows Hannah was raining upon the prostrate form.

Witnesses said Nicar was killed as he struggled with Hannah over the possession of a pistol Hannah had drawn as the truck in which the Nicar family and Hannah were riding drew near the police station. The two partners were disputing over the possession of a motor truck trailer, Hannah's statement said.

### Property Owners Must Cut Weeds

Property owners in Pampa are going to cut the weeds in their own yards, the yards of homes they own and rent, and on vacant lots owned by them or the City of Pampa will do the cutting and take a lien on the property until the expense of cutting is paid. City Manager C. L. Stine announced this morning. Violators will also pay a daily fine until the weeds are cut.

Ten days notice will be given the property owner, and if the weeds are not cut within that time, the city ordinance will be enforced. Weeds are considered a nuisance when they get 10 inches tall.

The fine for not cutting weeds after the official notice by registered letter, or by person is from \$1 to \$50 a day until cut.

Dr. J. Worrell, assistant city health officer, says that weeds breed disease and that they must be cut immediately or he will file complaints.

### FLOOR FIGHT IN SIGHT

INSURGENCY PROMISES LIVELY SESSION TUESDAY

ALBANY, N. Y., June 27 (AP)—Governor Franklin D. Roosevelt today telegraphed supporters at the democratic national convention to cease their efforts to abrogate the two-thirds convention rule. The governor indicated he was confident of nomination without resorting to a change of the long observed rule of the democratic party.

The leading candidate for the nomination sent his instructions to abandon the fight to the director of his campaign, James A. Farley. The New Yorker said the action was taken in the interest of harmony and not because he had swerved from his opinion that the two-thirds was undemocratic.

CHICAGO STADIUM, June 27 (AP)—Cheering and demonstrating as its orators lambasted the republicans and asked for prohibition repeal, the democratic national convention began today with a session peaceful enough on the surface but encircled with a tightening ring of controversy.

Although the Roosevelt managers took temporary control of every convention agency, the crumbling of their support on the proposal to do away with the old two-thirds nominating rule led some of the delegates to consider abandoning the project entirely, rather than permit the issue to come to a doubtful decision tomorrow.

Cut and Dried  
Conferences on this question proceeded among knots of delegates on the floor and behind the scenes as the convention went through a previously-agreed-on program of preliminary organization. The only change seemed to be a steady

### Four Veterans On Way To Washington Well Equipped

Sgt. Jim Logan, D. C. Fornsshell, Noah Milliken, and Peri Klesow left Pampa this morning with Washington as their destination. They drove a Chevrolet coupe with enough oil in the turtle back to take them to Washington and back and \$74.16 cents in their pockets. The money was donated by 90 citizens and business houses Saturday.

The Pampa men left here with orders to look over the situation in Washington with much care and to notify Pampa ex-service men daily on conditions in the "bonus army camp" and the treatment accorded the men. They were instructed not to mix in any demonstrations but to keep their eyes open and to follow orders.

When the trippers reach Washington, there will be a tent and equipment waiting for them, the gift of M. W. Jones of the Jones Everett Machine shop.

"Just a social call" was the explanation William Gibbs McAdoo (right) gave of his long conference behind closed doors with Alfred E. Smith in the latter's headquarters in the Congress hotel at Chicago. McAdoo, who narrowly missed the democratic presidential nomination in 1924, is the ardent backer of John N. Garner for the nomination at Chicago. The picture incited Al (left) and McAdoo parted the best of friends after their pow-wow.

### BILL IS SLIGHTLY MUFFLED

"Alfalfa Bill" Murray, Oklahoma's colorful governor, was taking no chances on Windy City breezes playing havoc with his vocal cords when he stepped off the train in Chicago to fight for the Democratic presidential nomination. Despite the heat, a black muffler encircled his neck, as pictured here.

DOWN TO FUNDAMENTALS

An age of disillusionment may be a hard time to live through, but it can also be extremely healthful. Right now we are well on the third year of one of the sharpest eye-openers any people ever had to face.

For it is becoming obvious every day that the high old times which ended the market crash of 1929 were, above all, an era of bunk. We kidded ourselves and we permitted our leaders to kid us.

All of this, somehow, is brought to mind by a graduation address made at an eastern university the other day by a prominent American statesman.

This statesman told his audience that they must cultivate the qualities of "self-reliance, common sense, industry, energy, perseverance, honesty, sobriety and education, since the nations leaders invariably owe their rise to their possession of such traits.

Now all of that is very fine, and the least that we can say is that it ought to be true; but if you will think a minute you will see that a lot of men rose very high indeed during the boom years without developing any of those qualities very greatly.

A politician could rise notably without either self-reliance or common sense. A "financial wizard" could amass a fortune without industry, perseverance, honesty, sobriety or much of an education; and it seems, in fact, that energy was about the one trait that was necessary in those days.

It is vital that we recognize this fact. We let ourselves get away from the need of those fundamental virtues, and we are paying for it now—paying for it through the nose. If we could avoid a repetition of the present depression, we must tie up to them more firmly than ever before.

The Murphys in 1932 have more money than in 1929. THEY HAVE QUIT BUYING BECAUSE THEY FEAR THE DEPRESSION.

Why not talk to the Murphys and convince them that they and their kind are prolonging slow business conditions? The Pampa Daily NEWS columns furnish the best way to do it.

Chicago political writers declare Alfalfa Bill Murray defies description. But not if you invite him to do the talking on the subject.

The five-day week plan should be adopted. For how else can these unteem dozen itinerant candidates get their crowds together as they travel perspiring through the villages?

Horses Begin Arriving for July 2-4 Celebration in Panhandle, in Which Free Barbecue to Be Held

PANHANDLE, June 27.—Horses have begun arriving in Panhandle for the race meet to be held under the auspices of the Southwest Exhibition Saturday, July 2, and Monday, July 4.

Ed Deahl and M. B. Davidson, who are in charge of the races, have announced purses of 50 to 100 per cent more than most of the races being held in the Southwest this summer.

W. E. Hancock of Arnett, Okla., one of the famous owners of running horses in Oklahoma, plans to bring five head to Panhandle.

J. W. Cross of Wheeler county has brought a horse, as well as J. E. (Slim) Latta of White Deer.

The new half mile track, which has just been completed, is a big incentive to horse men. They want to have the honor of helping to dedicate the track, which is considered the finest in the Panhandle.

H. W. Robinson of Amherst and Bob Norfleet of Plainview, a brother of the famous Frank Norfleet, have made inquiries about the races.

Interest in the new track is unusually large. At least 100 out of town visitors in the average week are inspecting the track. Work of fencing the half mile track, both inside and outside, was completed this week.

Among the local entries in the meet will be Ed Deahl with two horses, J. F. Ellis with three, and C. H. Huff and M. B. Davidson with one each.

The Panhandle Oilers will play a game the Fourth as a curtain raiser for the races. The opponent will be announced in a few days.

JOE BAILEY TO SPEAK HERE

NEXT WEDNESDAY 2:30 P. M.

Friends of Joseph Weldon Bailey Jr., candidate for Congressman-at-Large, Place No. 2, are making preparations to welcome him when he speaks at Pampa next Wednesday.

Although this is Mr. Bailey's first campaign for office, he is thoroughly versed in the problems and questions now before the public. We will discuss the paramount issues of the campaign and give his position on them.

It is hoped that every voter interested, will avail himself of this opportunity to hear a fair and full discussion of the political questions of the day.

(This advertisement contributed and paid for by the Gray County friends of Mr. Bailey.)

Bailey To Speak Here Wednesday

Friends of Joe W. Bailey Jr. have telegraphic information from his campaign headquarters that all arrangements have been completed for Mr. Bailey to speak here on Wednesday, June 29th, at 2:30 p. m. at the courthouse.

Mr. Bailey is a son of the late Senator Joe Weldon Bailey and his a candidate for congressman-at-large for place No. 2.

In his platform, Mr. Bailey stands on those principals of democracy enunciated by his father in his many years in public life. Mr. Bailey pledges himself, if elected, to work to balance the budget of federal expenditures by reducing and eliminating many, as he believes, unnecessary activities and expenses of the federal government.

Mr. Bailey in his platform is quoted as saying: "In this connection, let me say that I do not believe prohibition is the most important question before us today, nor do I insist the enforcement upon the reversed powers of the states is a party question and violates a vital principle of our government."

It is anticipated that a large crowd of those who believe that present distress is due to a failure to adhere to those principles of democracy for which Mr. Bailey stands will be in attendance.

## OTHERS GIVE OPINIONS AT CHICAGO MEET

### NUMBER OF WOMEN AT CONVENTION BREAKS ALL RECORDS

CHICAGO, June 27. (AP)—The biggest and busiest corps of women ever assembled in a political camp meeting claimed official place today in the democratic convention.

More than 500—women who are talking right out on every issue from candidates to rules—held tickets to the floor and platform in Chicago stadium. They were delegates, alternates, national committee members.

Outside their number, one outspoken woman, who believes the vice-presidency "would never suit Bill Murray of Oklahoma" because he's got to have something to do" typified spectator-articulate.

It was the Oklahoma governor's wife who swept into the spotlight shared by Mrs. Woodrow Wilson, a half-dozen other presidents' kin by giving her ideas in the homespun, straight-spoken manner that makes "Alfalfa Bill" picturesque.

**WOMAN BOOSTED**  
CHICAGO, June 27. (AP)—Arizona's "Mrs. Isabelle Greenway for vice-president," was happy today to the women here, feminist, conservative, Roosevelt and anti-Roosevelt alike.

There was no confident belief that the handsome, wealthy woman who made her debut with Mrs. Franklin D. Roosevelt would get second place but the suggestion was regarded in itself as a woman's victory.

The Arizona nominee has been active in politics only about five years. Isabelle Selmes when she made her debut back about 1927, in New York, she went west soon after marrying Robert Ferguson. Later she married John H. Greenway, well-to-do mine owner.

Widowed once more, she moved into public life via an interest in social welfare. Then she became national committeewoman.

Shaking the dust of an auto trip from her black suit, she went to the governor's headquarters "just to let him know I'm here," motored about 40 miles to a big and happy—and politically permeated—reception at the Clarence N. Goodwin estate in one of Chicago's swankiest suburbs.

There, tall and friendly, peering over the terraces through silver-rimmed glasses she chattered unabatingly on all sorts of topics.

Franklin Roosevelt's daughter, Anna Roosevelt Dall, and young Mrs. James Roosevelt were there beside Mrs. Goodwin, handsome and vivacious.

But these social affairs were no more the be-all of the delegates' consciousness than was the sight-seeing of their masculine colleagues. They came back to their hotels and went to state caucuses. And then it was the two-thirds rules and the Roosevelt band-wagon rumble that claimed their conversation.

### COMING EVENTS

**TUESDAY**  
Business and Professional Women's club will meet at 7:30 o'clock in the club rooms for installation of officers.

First Baptist W. M. S. will serve the luncheon for the Panhandle meeting to be held at the church.

Royal Neighbors will have a covered dish luncheon at 7:30 o'clock at the First Baptist church.

Women's Convention Bible class, First Baptist church, is to meet at the church at 2:30 o'clock and go on a picnic.

Merton home demonstration club will meet with Mrs. D. H. Pounds.

London Bridge club will meet at 7:30 o'clock with Mrs. Julian Barrett at hostess.

O. D. O. Bridge club will be entertained by Mrs. Floyd Archer.

**Tenth Birthday Is Occasion of Party**  
Mrs. W. O. Workman and daughter, Frances, celebrated their birthdays Saturday.

Frances, who was 10 years old, entertained with a party for a group of friends. Those attending were Edward and Calvin Bidham, Betty and Boots Roundtree, Charles and Joella Shelton, Walter Jean Workman, W. O. Workman, Jr., and Oma Jo Johnson. Games were played until 5:30 o'clock, when refreshments were served.

### NEW HAIR STYLE BOBS UP

Now we have the "chisel bob," designed for a carpenter—that is to say, Charlotte Carpenter of Los Angeles. It's the latest in coiffures, created by Dermott of London. They call it the Olympic Chisel Bob in honor of the Olympic games at Los Angeles. Quite an event, eh?

### POLITICS FROM WOMAN'S ANGLE

The women's department of The NEWS produces more than a society page. To be sure, it is interested in every party, every women's meeting, every wedding which takes place in Pampa or is of interest to Pampa residents, but it is no less interested in politics, in business conditions, in sports, in international relations, if women have a part in them. Whatever is holding the interest of women, that thing also has the interest of the women's department of The NEWS.

This week it is the democratic convention opening today in Chicago which will be, and has been for the last few days, the principal event of interest to both men and women. The NEWS has recognized that fact and the women's angle of the convention has been "covered" almost daily by The NEWS. When the first women of importance arrived at the convention, The NEWS carried an account of that fact.

When the first convention proposals were made by women, The NEWS stated that fact. Now that more than 500 women are at the convention and are taking very potent roles as the convention gets under way, the Associated Press and The NEWS will spare no effort in bringing every phase of the women's activity to readers.

For adequate coverage of women's political activities, the women's department of The NEWS is dependable.

## SPORTS HOLD INTEREST OF LARGE GROUP

### WOMEN JOIN SKILLED SOFT BALL TEAM IN GAME

Pampa Daily NEWS employees have not learned the graceful art of blushing, nor have their wives adopted the scarlet-cheek fad of flapper days. Blame for the false impression is attributed to Old Sol, who furnished a generous dose of ultra-violet rays when Pampa's newspaper family attended an all-day picnic yesterday.

North Fork of the Red river was the spacious beauty spot selected for the outing. Leaving the newspaper building about 10:15 o'clock, the crowd found time for an hour of fun before luncheon. A crowd of men, composed largely of the usual NEWS ball team, joined in a game of soft ball, and other groups of men, women, and children found pleasure in swimming, wading, hiking and swinging.

**Call To Luncheon**  
The elaborate luncheon, planned the early part of last week by wives of men in the advertising department, included fried chicken, bread and butter sandwiches, several kinds of salad, potato chips, pickles, deviled eggs, coffee, lemonade, pecan crisp ice cream, cookies, and plenty of cold water. And there was an abundance of everything left for an evening meal.

How to reach the first base was the biggest problem for the women who took part in the afternoon soft ball game, but they found solace in the fact that the game was the first they had played this year, while the men had received much training in their efforts to defeat the famous faculty team.

**Other Sports**  
The crowd also pitched horseshoes and dollars, and practiced approach shots in golf. Harry E. Hoare, sports editor, was in general charge of the outing.

Those attending were Mr. and Mrs. Philip R. Pond, Mr. and Mrs. Ben F. Reno and little daughter, Jacqueline, Mr. and Mrs. L. O. Johnson and daughter, Barbara, Mr. and Mrs. Olin E. Hinkle, Mr. and Mrs. Carl Sturgeon, Mr. and Mrs. Emmet Gotcher and little daughter, Grace, Mr. and Mrs. Harry E. Hoare, Mr. and Mrs. P. A. Wampler, Archer Fullingim, Miss Virginia Fullingim, Henry W. Fullingim, Eugene Johnson, Roy Marshall, Hol Wagner, E. B. Emerson, Elton Jones, Albert Lard, Bill Thomas, James Gotcher, and Andy Walker.

### Merry Mixers To Meet Only Once

The meeting of the Merry Mixers club has been postponed from tomorrow afternoon to July 12. That will be the only meeting from now until next fall. It will be held in the home of Mrs. Homer Sprinkle with Mrs. Weldon Wilson as hostess.

Mr. and Mrs. Bert King of Fort Worth and visiting with Dr. and Mrs. H. H. Hicks.

### Christian Science Studied on Sunday

The lesson-sermon subject was "Christian Science" in all Churches of Christ, Scientist, Sunday, June 26.

"When we received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe," was the golden text from I Thessalonians 2:13.

The lesson-sermon included the following passages from the Bible Isaiah 29:18,19: "And in that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness. The meek also shall increase their joy in the Lord, and the poor among men shall rejoice in the Holy One of Israel."

The service also embraced citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, among them being the following from preface p. vii: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity."

### Glovers Are Home After Bryan Trip

Mr. and Mrs. John T. Glover and daughter, Mary Virginia, have just returned from Bryan, where George H. Glover underwent an operation for appendicitis last Tuesday. He is now doing nicely, Mrs. Glover reported this morning.

The Glovers were accompanied home by Mrs. L. N. McCullough and children, Martha Lou and Neil, Jr., who have been visiting relatives in Fort Worth.

### STUDYING BUDGETS

BRECKENRIDGE June 27 (AP)—The second budget making institute to be conducted by the West Texas Chamber of Commerce was arranged here today. It was sponsored by the chamber's central taxation and public expenditures committee.

The first institute was held at Lubbock Friday, officials and citizens from 42 counties attending. Today's speakers included City Manager John N. Eddy, Dallas, and George D. Fairtrace, Fort Worth; D. A. Bandeen, Stamford, manager of the West Texas Chamber; and Wilbur Hawk, Amarillo, president.

Swimming, hiking, and picture-taking at Palo Duro canyon were enjoyed by a group of Pampans on Sunday. The young people spent the day at the canyon and spread delicious lunches at noon.

Those attending were Miss Elizabeth McMillan of Amarillo and the following Pampans: Misses Violet Shafer, Audrey Noel, Isabel Baer, and Lois Hill; Joe Stephens, Delbert Brown, Leroy Price, Jay Walker, and Marvin Elder.

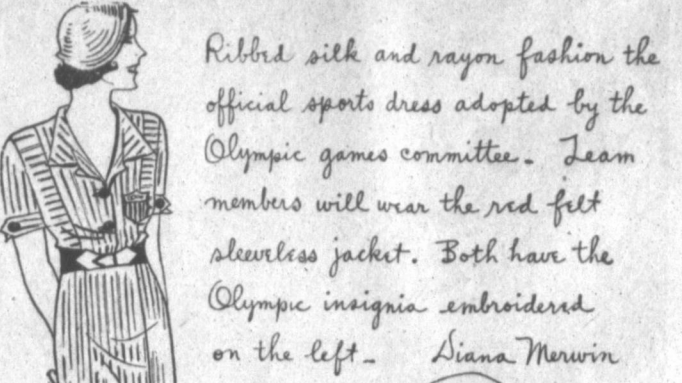

### Evangelist Is Told of Suit

LOS ANGELES, June 27 (AP)—Myrtle Joan St. Pierre's heart balm suit against David Hutton, husband of Aimee Semple McPherson, resumes today but the evangelist now knows the trial is in progress. The starting of the \$200,000 suit for alleged breach of promise a week ago was kept from Mrs. Hutton because she is seriously ill. She was informed yesterday when she sought information from her physician as to why her husband had not visited her more often. The physician, Dr. E. H. Williams, said she became slightly worse after hearing the trial had begun, but said it was not because of the information she received.

Hutton said his wife treated as a joke the suit brought by the 30-year-old twice married, pretty, brunette nurse.

"My wife was only amused," Hutton said after visiting her at the sanitarium where she is being treated. "Mrs. Hutton knows all about the trial now and thinks it is something of a joke anyone would bring such a suit against me. I hope, however, that it will soon be over, for it takes me away when I ought to be here."

### INFLUENCED BY OLYMPICS

Ribbed silk and rayon fashion the official sports dress adopted by the Olympic games committee. Team members will wear the red felt sleeveless jacket. Both have the Olympic insignia embroidered on the left. Siana Marwin

THE forthcoming Olympic games are exerting a strong influence on summer sports wear. The striking colors appear on dresses, jackets, raincoats and hats, while even jewelry adopts the gay hues to some extent.

The dress illustrated is chosen as the official sports dress for the American team. It is made of ribbed silk and rayon with the Olympic insignia embroidered on the side. The colors are repeated in the buttons. The skirt is pleated both in front and back to allow the necessary fullness. The short sleeves and conservative neckline treatment make it a practical type of sports dress. The sleeveless jacket is fashioned of red felt. It, too, has the Olympic insignia embroidered on the side.

Felt is quite important as an accessory fashion. It is smartly interpreted in this simple tailored jacket. The belt is also made of felt.

## BUSY WEEK IS IN STORE FOR BAPTIST FOLK

### PANHANDLE GATHERING TO BE HELD HERE ON TUESDAY

Regular Sunday school and B. T. S. gatherings yesterday opened a busy week for the First Baptist church. Large groups attended both of these meetings. There were 650 in Sunday school, and 145 attended the B. T. S. session, which was featured by the presentation of awards earned at the recent training school.

This evening at 7:45 o'clock will be a B.T.S. business meeting. It will be opened by a 15-minute general assembly and followed by separate meetings.

Meetings of the four W. M. S. circles were slated for this afternoon. Representatives from the various churches of the Panhandle will meet at the local church tomorrow for an all-day conference on evangelism. The meeting is a part of the plan of the entire Southern Baptist convention territory to arrange revival meetings in all communities where there are no churches, or where there are churches without pastors.

Prayer meeting and teachers meeting will be held Wednesday evening at 7:30.

Several class social meetings also have been arranged.

A party that visited in LeFors yesterday afternoon included Mrs. J. T. Considine, her mother, Mrs. Clifford Braly, Mr. and Mrs. Heary Thut and Mr. and Mrs. J. H. Blythe and children.

# PITTSBURGH PIRATES GRAB LEAD BY 3-POINT MARGIN

## GIBSON'S MEN WIN PAIR OFF REFS SUNDAY

### FINE PITCHING HELPED BY TIMELY BLOWS BY TEAM

By HERBERT W. BARKER  
Associated Press Sports Writer

Quietly and unobtrusively George Gibson's Pittsburgh Pirates have moved into temporary command of the hottest fight the National league has ever known.

Winning both ends of a doubleheader from Cincinnati yesterday, the Pirates snatched first place by three percentage points from Chicago who split even with St. Louis.

Gibson's Corsairs have been winning because they've been getting straight pitching and timely hitting. Yesterday Larry French limited the Reds to four hits and won 5-0 in the opener. They won the nightcap, 9-5, by scoring six runs in the ninth.

Jimmy Reese's pinch double in the ninth drove in two runs and enabled the Cardinals to trip the Cubs, 4-3, in the first game of a double bill. Charley Root outpitched Dizzy Dean in the nightcap and the Cubs won, also by a 4-3 count.

Boston split two games with the Phillies, taking the first, 5-4, and dropping the second, 5-2.

In the American league, the New York Yankees protected their eight and one-half game lead by beating Philadelphia again, 6-2. The Athletics fell back into fourth place behind Washington, who tripped Boston, 8-4.

Blanked by Milt Gaston for seven innings, Detroit took advantage of three errors and two walks to score five runs and down Chicago, 5-1. Wes Ferrell won his 13th game as Cleveland stopped St. Louis, 10-5, in the first game of a double header but the Browns won the second, 6-5.

## BUFFS NEARING TITLE IN FIRST HALF OF RACE

### RALLY IN NINTH GIVES LEADERS NEEDED VICTORY

By The Associated Press

It looks like a breeze for Beaumont.

The only way the Exporters can lose the Texas league first half championship is to lose both their remaining two games while the Houston Buffaloes win both of theirs.

The Buffs stayed grimly in the running last night with a three-run, ninth-inning rally that beat Dallas, 7 to 6. Homer Peel, Houston right fielder, got four for five at bat. Two were doubles and another a home run.

The Exporters likewise won their game in the ninth. The game with Fort Worth was a see-saw affair. The Panthers scored twice in the fourth. The Exporters tied the count in the fifth and went one up in the sixth. The Panthers drew even, 3-3, in the seventh. Then the Exporters won in the ninth as Pete Fox's double scored Clifton from second.

Tot Pressnell of Longview pitched a three-hit, 8-0 shutout to defeat Galveston. He walked two and hit a man.

San Antonio wasted a quantity of hits and runs to beat the Tyler Sports 11-1 in the first game of a doubleheader, then lost the second, 7-5.

## ODD FELLOWS LOSE SUNDAY BY ONE RUN

The Odd fellows ball team was the second Pampa line to lose a 12-inning tussle by a 5 to 4 score Sunday afternoon. Miami defeated the lodgemen at Magnolia diamond in one of the best games of the season.

Big Dillman hurled one of the finest games here this season but weakened in the twelfth with his support to let the Warriors score the winning run. Richele went the distance for the Miami team. Both pitchers allowed nine hits.

Bradley, Ragsdale, Tillman, and Dillman were the big hitters for the Odd Fellows. Their bats accounted for most of the hits gathered off Rickie, Nelson, Baker, and Cunningham did the hitting for the Warriors.

Never more than one run separated the teams throughout the game. The Odd Fellows went out in front early in the game but were soon overhauled. They again went into the lead and held it until the eighth inning when Miami tied. The winning run came on two hits and an error.

Tillery was behind the bat for the Odd Fellows while Debus was on the receiving end for Miami.

The Cleveland Indians, after three double headers in one week in which they won six of the eight games, have concluded that two games a day means good luck.

## FOUGHT FOR OPEN CROWN

Outstanding rivals for supremacy in the National Open Golf tournament, Gene Sarazen (right), and Billy Burke (left) are pictured here as they marched together over the Fresh Meadow Country club course on Long Island. Burke was the defending champion, and Sarazen, winner of the British Open, duplicated Bobby Jones' performance by winning both major open meets of the year.

## SARAZEN HAS TAKEN BOB'S GOLF CROWN

### JONES' SCORES BEATEN IN BOTH GREAT TOURNEYS

NEW YORK, June 27. (AP)—In a much shorter time than anyone thought possible, golf has found a worthy successor to the mighty Bobby Jones.

Sarazen's smashing victory in the national open at Fresh Meadow Saturday definitely placed the swarthy professional on the throne vacated two years ago by Jones.

When Jones retired it seemed unlikely that any golfer would arise for years to dominate the game at the Atlantic had done. Yet in little more than two weeks, Sarazen has duplicated Jones' unprecedented feat of winning both the British and American opens in the same year and has bettered Jones' best scores in either classic.

Sarazen's 283 at Sandwich set up a new record for the British open, bettering by two strokes Jones' 285 at St. Andrews in 1927 which had stood as an all-time low for that classic. Gene's 286 at Fresh Meadow equaled the all-time record for the national open set by Chick Evans at Minneapolis in 1916. Jones' best record in an American open was his 287 at Interlachen in 1930.

## Mrs. Helen Moody Triumphs Easily

WIMBLEDON, Eng., June 27. (AP)—Mrs. Helen Willis Moody continued her march toward the Wimbledon tennis championship today with a 6-0, 6-1, victory over Dorothy Round in the quarter-final round. She will play Mary Healey, young Irish player, in the semi-finals.

Mrs. Moody's victory gave the United States two semi-final representatives in the women's singles, Helen Jacobs defeating H. H. G. Krahwinkel of Germany, in an earlier match, 6-2, 6-4.

Wilmer Allison and John Van Ryn, Wimbledon doubles champions in 1929 and 1930 continued their fine play in that department to defeat Ian G. Collins and J. C. Gregory in a third round match, 6-4, 6-1, 6-4.

Jerry Dalrymple, Tulane's football captain of last year, and All-America end, has signed a movie contract.

## PAMPA TEAM LOSES BATTLE OF 12 INNINGS

### Lefty Freshour Fans 10 Men And Deserves to Win—Allows Seven Hits.

Lefty Freshour pitched a seventh-inning doubleheader against the Borger Phillips 66 in Borger yesterday afternoon, but the Pampa 66 team lost, 5 to 4. Two home runs were the big factors in the Borger win. Koy, former University of Texas baseball, football, and track star, hit one for four bases in the 12th inning to break up the ball game.

The Pampa 66 team will enter the Amarillo baseball tournament which starts Saturday afternoon. The team will be composed of players from Pampa, LeFors, Cotxoxo, Phillips, and some additional talent recruited for the occasion. Only five members of the regular team saw action in Borger yesterday but they looked good.

Pampa got a bad break in the ninth inning while leading 4 to 3. The base umpire failed to see a play at first and called the player safe on the game would have ended without extra innings. The Pampa nine collected 11 hits off the pitching of Ellis. Freshour sent 10 Borger batsmen to the showers via the strikeout route. Richardson got the other home run off the Indian.

Rusty Cahill collected two hits to account for three runs. He scored one himself. Manager Eddie Pullian, Newsome, and Marcum also wielded nice sticks. Freddy Newsome and Joe Marcum were the outstanding fielders of the game. The two Pampa outfielders gobbled everything that came their way.

Richardson and Koy were the outstanding players for the Borger 66.

Manager Eddie Pullian of the local team has not announced his line-up to represent Pampa in the Amarillo tournament but he has already signed up Bryant, Cahill, Baldwin, Al Williamson, Weathered, Newsome, Fowler, Shriver, and Pitches Fonken, Freshour, Meeks and Weathered brother of Red Weathered.

## SHOPS AND KINGSMILL IN CABOT LEAGUE VICTORIES

### Schafer and Bowers Losers Sunday—Close Contests Feature Program.

All four teams in the Cabot league appeared at Stinson Park Sunday in a double header in which the Shops defeated Schafer, 7 to 6, and Kingsmill defeated Bowers 12 to 4.

The first game, between Shops and Schafer, was a nip and tuck, ten-inning affair. The Shops went into the lead in the second inning after two men were out. Mills singled to right center and went to second on a wild pitch. Lane was hit by a pitched ball and White walked, filling the bases. Cady hoisted a high fly to short right which Oglesby muffed. Mills and Lane scored.

Schafer came back in their half of the next inning and scored three runs to take the lead. McGinnis was hit by a pitched ball and went to third on the first of Horner's two doubles. McGinnis scored and left out went to third. Ledgerwood pitched. Ledgerwood walked and stole second. Tinsley struck out for the first out, but Fowler scratched an infield hit, scoring Horner. Oglesby was safe at first and Ledgerwood scored on Furness' pop. Throw out after two were out. Mills forced second. Aycock pulled himself out of this hole by starting a fast double play on Carroll's grounder, via Heath to Furness.

The Shops tied the score in their half of the third after two were out. Heath led off with a single to left but was out. Ledgerwood to Oglesby, trying to stretch it into a double. Russell grounded out for the second, but Hayes was safe at first on an infield hit. Furness came through in the pinch with a clean single to center and went to third. Hayes scored when Paulsen let the ball get through him.

Things rocked along on a pretty even basis until the sixth when the Shops again forged into the lead by two runs, and again they did it after two were out. Mills forced second at second for the second out. He advanced to second on Lane's single to center. Both runners advanced on a wild pitch, and Mills scored a moment later on another wild pitch. Lane taking third. White walked and stole second any when Tinsley threw wild to second. Lane scored and White went to third. Cady ended it by grounding White walked and stole second and Schafer did not trail long, because they scored three in their out-to Fowler.

left and went to second on a wild pitch. Paulsen walked and McGinnis singled to right, filling the bases. Patson and Paulsen scored on Horner's double to right. Aycock whiffed Ledgerwood for the first out and Sharkey, attempting to bunt, popped to Aycock for the second out. Fowler was given an intentional pass, filling the bases, but Aycock couldn't locate the plate and passed Oglesby also, forcing in McGinnis with the run that put Schafer in the lead. However, Aycock ended the rally by whiffing Carroll for the third out.

Aycock's double to left and half of the seventh. Bason singled consecutive hits, tied the count in the Shops' half of the seventh. Neither side had an opportunity to score again except in the ninth

# RAIL TRANSPORTATION IS EFFICIENT AND ECONOMICAL

● THE RAILROAD is the most efficient and the most economical transportation agency the human mind has ever devised.

The ability of commercial trucks to operate with various charges for their services has been because they are not required to carry all kinds and classes of freight. The truck can choose its freight and is privileged to reject that which it cannot handle, either because it is not equipped for such heavy service or the rates are too low to be profitable. The railroad CANNOT DISCRIMINATE but must accept all freight offered it.

In 1930 the shippers of Texas paid the railroads \$225,223,142 in freight charges. If the same volume and character of traffic had been carried by trucks it would have cost the shippers, according to the best available data on trucking costs, \$900,000,000, or four times as much.

What will be the effect on the shippers of Texas if only the traffic which the trucks cannot handle is left to the railroads? If traffic paying the higher rate is taken from the railroads by the trucks, it will be necessary for the rail carriers to increase their rates on the low grade traffic or go out of business. The total transportation bill will be greatly increased.

The railroad rate structure is a composite designed for the purpose of enabling the free movement of ALL ARTICLES OF COMMERCE, making it possible to bring even the cheapest commodities into general use and distribution. Were it not for the low rates made available by the railroads on many low grade commodities and raw materials, their distribution and use would be impossible and all commerce and industry would be seriously affected.

● THE RAILROADS CANNOT SUBSIST ON LOW GRADE TRAFFIC ALONE.

### Candidates Are Marking Time as Friends Pour in

By the Associated Press  
**FRANK D. ROOSEVELT**  
While optimism reigned in his camp, the governor, at Albany, sat at a telephone linking him to Chicago. He denied last night that he had asked any one to be his running mate. He also contradicted accusations of bad faith in refusing to support J. J. J. Shouse for permanent convention chairman.

Alfred E. Smith, all the 1928 Standard Bearer, fighting Roosevelt, found time for church services and golf yesterday. One of his leaders, Mayor Frank Hague of Jersey City, predicted "thundering chastisement" for the Rooseveltians.

Albert C. Ritchie, the Maryland governor, whose calls are many, had to cut short a visit from Senator Huey Long, Louisiana "Kingfish," to attend tea given by women supporters. He smiled when Long accused him jokingly of being a "lady killer."

Metis Graybill, the Chicago banker went into a caucus of the Illinois delegation and said he would rather "see the party go down into defeat than to win on a demagogic platform appealing to class prejudice."

William H. Murray, "Alfalfa" Bill of Oklahoma went to the head of the class in hand-shaking and had several conferences. Into the wee small hours he lay down on a bed and stuck one hand over the side for a shake with visitors.

James A. Reed, the former Missouri senator was as assured as ever in his expressions of confidence that the Missouri delegation would be for him, despite attempts to get it to break.

John N. Garner, the speaker of the House, at Washington, did little, said nothing. With the House marking time awaiting Senate action on important legislation, Garner rested yesterday, free from party conferences.

### Marchers Will Convene July 4

WASHINGTON, June 27. (AP)—The boys who came to Washington to get their bonus money will decide on independence day what to do next. Their executive committee has set July 4 for a convention at which the resignation of Walter W. Waters of Portland, Oregon, as commander-in-chief of the bonus expeditionary force will be considered.

At the same time, said W. S. Keyser of Cleveland, head of the convention committee, the former soldiers will try to set up a permanent organization coordinating the activities of all veterans of all wars.

Such co-ordination, Keyser said, would "promote the political, economic and social welfare of all veterans."

But police continued their efforts to get the veterans out of town. They dispatched letters to all congressmen whose districts sent bonus-seekers to Washington asking them to see if the folks back home would provide money to pay railroad fare for the trip back.

Several representatives expressed a willingness to co-operate.

**Texans Whoop It Up Merrily While Waiting**

By FRED DYE  
Associated Press Staff Writer  
CHICAGO, June 27 (AP)—Granting another day for negotiations by the routine nature of today's opening session of the democratic national convention, the Texas delegation carried on its efforts to ditch the Roosevelt bandwagon and pick up delegate votes for the speaker of the house.

Sam Rayburn, national head of the Garner forces, Senator Tom Connally, who will nominate Speaker Garner, and William Gibbs McAdoo, the California leader for Garner, continued optimistic over the Texan's chance. They expected Garner's vote total to run above 100, counting the 44 pledged California votes and the 46 from the speaker's home state. They looked to Alabama, Minnesota, and other states who sent unpledged delegations to Chicago.

Bound by the unit rule and instructions of the Houston state convention to adhere to Garner until released by him, the Texas delegation had no alternative. There were approximately 25 delegate votes ready to leap on the Roosevelt bandwagon however, upon the moment of release, according to the compilation of one of the Texas delegation.

Garner headquarters in both the Sherman and Congress hotels were thronged throughout yesterday by the one by the great number of delegates the largest delegation ever sent to a national convention, and the other by Garner well-wishers.

Clad in another new outfit far removed from their famed "rich clothes, the Old Gray Man band whooped things up for Garner in a series of hotel lobby concerts last night. It got a big hand and a swell off-key singing when, in the Congress lobby, it struck up Alfred E. Smith's campaign song, "Zoe Sidewalks of New York."

Will Rogers, the Claremore, Oklahoma, and rest of the world, greeted Texas friends and wished them well in their fight for his friend Garner. Rogers was chewing his usual cud of gum when Senator Connally introduced Byron Utecht, staff writer of the Fort Worth Star Telegram, and a Dallas staff man to him.

Lieut. Frank M. Nichols, pilot, arrived yesterday in Juarez, across the border from here, and Lieut. B. Arroyo was reported on his way here. The ship was separated from others in a mountain cloud bank.

### Contesting for Delegate Seats Enlivens Session

CHICAGO, June 27 (AP)—Led by the embittered Louisiana, contesting delegates from Minnesota, Porto Rico, and one Pennsylvania district will plead their cases late today before the credentials committee, empowered to recommend to the convention the seating of delegates.

As before the democratic national committee, when the temporary convention roll call was completed, the Louisiana and Minnesota contests will be the main attractions, the others mere side-shows.

The outspoken pro-Roosevelt delegates won before the national committee at a stormy session in which the words "lie" and "crook" were bandied about and physical clash was averted narrowly.

The same issues and the same performers will appear in the credentials committee hearing with the Louisianans, if anything, more in fighting mood than before. Both the Huey Long, "State Central committee" delegates and the J. Y. Sanders "state convention" delegates declare most emphatically that they will carry their case to the convention floor if they lose before the committee.

The Sanders' delegation has gone so far as to work among the delegates of other states and to consider sending either John W. Davis, former democratic presidential candidate, or Senator Carter Glass of Virginia to the floor to lead their attack.

But Huey Long refuses even to consider the possibility of the case reaching the floor and says: "It is all over but the shouting."

**"FAKE AND SHAM"**  
 HOUSTON, June 27 (AP)—Alvin S. Moody, one of those who led Texas' swing to Herbert Hoover four years ago, in a statement today urged his supporters to enter the July 23 democratic primary. He claimed the loyalty pledge on the ballot would not bind them to vote for the national ticket.

Regarding his prohibition referendum, he called it "a fake and a sham ballot." He assailed the democratic state executive committee, calling it "our high handed and power-usurping state executive committee."

Bennett Pearson, 18, of Biloxi, Miss., rode a bicycle from his home to Henderson, Ky., in 60 hours.

shall be chosen upon this issue alone.

"If the people are to pass again upon this question," he declared, "let them pass upon it in such bold, naked and unequivocal terms as to make their decision intelligent and certain."

**Boom Is Recalled**  
 The history of the stock market "boom" was recounted and blame for the collapse was placed on the leaders at the helm of the nation. Barkley said expenses of the national government had increased under President Coolidge "more than \$650,000,000." He gave credit to the present democratic house for reducing President Hoover's requests for appropriations "by more than \$100,000,000."

He bespoke enactment of laws setting up co-operative agencies through which the farmer may work out his own problems over a period of years, along with a recommendation to take the government out of "the dubious adventure of speculation" in farm products, and installation at the head of the department of agriculture of a secretary who has "some knowledge of the subject and some sympathy for those who struggle with it."

**Abolish Bureaus**  
 He promised that the democrats would "abolish every useless office, every unnecessary bureau and commission" and proposed that the democrats solve the tariff problem by inaugurating friendly international conferences with a view to re-opening normal trade channels in the world and make the tariff commission a fact finding body for Congress.

To strengthen the banking structure he urged giving consideration to revising the federal reserve act to insure more direct contact with commercial banks and borrowers. He ridiculed "fine spun" distinctions between local and national responsibility on unemployment and deplored "sophomoric dispute over the identity of first aid" while the nation's defenders on their dependencies suffer from want and neglect.

The keynoter advocated consideration of the five day week or

**DEMOCRATS—**  
 (Continued from Page 1)

growth of insurgency in the Roosevelt ranks.

Meantime, as one speaker after another, including John J. Raskob, the national chairman, and Senator Alben Barkley of Kentucky, the keynoter, asked for a prohibition change, it developed that a floor fight on that question, too, was in prospect. Senator Walsh of Massachusetts, an Al Smith supporter, said he would take to the convention itself a plank committing the party to repeal, not merely submission.

Raskob's espousal of a repeal submission plank was contained in a surprise speech, preceding that of the keynoter. He declared the time had come to do away with the reign of the dry laws.

**Cites "Blundering"**  
 Barkley, long a prohibitionist, made almost the same recommendation in the course of a keynote speech which also asked for lower tariff rates and condemned republican "blundering" at Washington.

Only a few formalities, aside from that, were before the convention at its opening session. The delegates approved a temporary slate of officers by acclamation, set up and started to work its platform, credentials and rule committees, cheered Al Smith, Albert Ritchie, John W. Davis, Harry Byrd, William G. McAadoo, Alfalfa Bill Murray and many others as they appeared in their places on the floor and listened to the reading of Jefferson's first inaugural.

Altogether, it was a session alive with color and noisy with applause of its heroes but smothering its real controversies under a seemingly universal urge to have one convention day, at least, free from strife.

**Abilene "Balm"**  
**Case Is Settled**

ABILENE, June 27 (AP)—There will be no third trial of Miss Madge Roberts' \$50,000 breach of promise action against J. Louis Keel, ranchman of New Mexico.

Final decision in the bitterly contested suit, twice tried in Taylor county and each time resulting in a hung jury, will be rendered here this week, not by a jury, but by Judges M. S. Long of 42nd district court and W. R. Chapman of 104th court.

Their decision, based on the record of the second trial last fall before Judge Chapman, will be final, binding, and there will be no appeal.

An agreement to have the judges decide the case was made here Sunday night by the two principals and their attorneys.

The oldest hotel of Duluth, Minn., will be torn down to make room for a \$1,000,000 Medical Arts office building.

Salesmen and peddlers are not permitted to show their wares to or use high-powered sales talk on employees at the Montana capitol.

**Ag Committee Is To Meet Tonight**

The agricultural committee of the Board of City Development will meet at 8 o'clock tonight to discuss plans for holding an Achievement Day in Pampa instead of the fair for which funds are not available this year.

It is planned to display accomplishments of home demonstration clubs, 4-H clubs and vocational agricultural club in store windows and give prizes in each section. Gray county clubs have accomplished wonders this year.

The B. C. D. has not enough money this year to sponsor the fair. Travis Lively is chairman of the agricultural committee.

The allowance to state officials and employees of Montana for use of their automobiles on state business has been reduced from 10 to 7½ cents a mile.

**Gambler's Throw**  
 by Eustace L. Adams

**SYNOPSIS:** Two men have been mysteriously murdered on the island where Limpy Ashwood is holding six prisoners for ransom. Jerry and Emory, who are hoped to rescue Nancy Wentworth, one of the prisoners, and his friend, Emory, believe they have captured with a detective, Stevens, and held by Ashwood and his gang.

Chapter 25

**WHO KILLED THEM?**  
**MURDER-DRUNK** bird ruffling around with a gun that we've got to have," Stevens groined. "Limpy brooding about some new scheme he's got in mind but doesn't want to talk about. Heat scrambling our brains like a pan full of eggs. Rewards slipping out from under us every minute. First thing you know there won't be any rewards to get; everybody'll be bumped off by the madman with the gun. We've got to get busy right away."

"Who killed Williams and the guard?" asked Jerry, his mind busy with the most obvious of the immediate problems at hand.

"I wish I knew. Might be almost anyone. I guess Limpy's right in blaming it on one of the prisoners. It's easy to guess, of course, that it would be Malory or Lucel. Malory's half off his cork now. I feel would just as soon knock on another man as crack a peanut. But I'm not sure. Williams was a barn-lean little squid and hadn't been arguing with either of them. That leaves only the three of us. Hamilton and Martin. You boys didn't do it, did you?"

Jerry and Emory stared at him incredulously, but the old blue eyes were serious.

"Well, of course I really didn't think you did," he hastened to inform them. "But it doesn't seem a likely thing for anybody to do and this heat and everything certainly plays hell with a feller's state of mind."

"Now this killing of the guard," he went on, "was another matter. Anybody—the three of us, even—would have had a motive there in getting his gun and ammunition. But it was cold blooded as the devil, a thing I wouldn't want to do. If it hadn't been for the killing of Williams, a few minutes later, I'd have blamed it on Lucel. He's always sneaking around here at all hours of the day or night. It's a wonder the guards haven't shot him long ago. But I can't see him bumping Williams off. That's where my engine misses fire every time. I guess I'm not as bright as I used to be."

"I've had about enough of it," declared Jerry, a reckless gleam in his gray eyes. "You fellows keep your eye on me and when I start something, be ready to jump right into the middle of it. I haven't been in a good, old-fashioned, knock-down and drag-out bar-room brawl for so long that I'm beginning to crave action."

"Wish I'd brought along a couple of older men," complained Stevens plaintively. "It's all right to fight when there isn't any other way to get out of trouble. But the older you get, the more peaceable you become. You just jump a second too soon or a second too late, young man, and that Limpy will empty a whole clip into you before you reach him."

Jerry's face bore a stubborn expression which the detective's words failed to erase. The flyer was fed up with inaction and was determined to force things to a conclusion. The sooner the better.

Emory, a wide smile on his reckless face, cared little what happened as long as something happened soon. He was enjoying every minute of his stay on the island. Not since the armistice had his nerves tingled with such pleasurable anticipation of impending action as they did here, where every moment which passed in peace brought the inevitable crisis just that much closer. Even the thought that the murderer might pick him as his next victim did not decrease his happiness by a single whit. He believed he could take care of himself and the excitement of the moment would make the experience a delightful one. Emory's only conscious dread was of the days, months and years of probable boredom to come when this adventure had reached whatever conclusion was destined for it.

"Look," exclaimed Stevens. "Here comes Miss Wentworth. In a hurry, too."

The girl was approaching through the scrub, her face pale and drawn with emotion.

"Oh, Mr. Calhoun," she gasped. "I must get off this island this morning!"

**GRAINS STRONGER**

CHICAGO, June 27 (AP)—Grain prices tended upward early today, influenced by heavy rains south-ward and almost 6,500,000 bushels increase in the amount of wheat on ocean passage. Besides, official estimates of the world's carry over of wheat totaled but 640,000,000 bushels as of July 1, compared with 656,000,000 bushels a year previous. Opening ¼ to ½ up, wheat afterward rose all around. Corn started unchanged to ¼ lower and subsequently advanced.

He ridiculed "fine spun" distinctions between local and national responsibility on unemployment and deplored "sophomoric dispute over the identity of first aid" while the nation's defenders on their dependencies suffer from want and neglect.

**The right BLEND... the right BALANCE**

A "balanced" blend... the right Domestic and Turkish tobaccos in the right amounts... blended in a different way... "welded" together.

That's the Chesterfield Cross-Blend... an important reason why Chesterfields are milder and taste better.

It isn't just taking the tobaccos and mixing them hit-or-miss.

The Chesterfield Cross-Blend makes one type or one variety of tobacco partake of the qualities of another. It "welds" together all that is best in each variety.

It's a balanced blend in the truest sense... giving you what really amounts to a new kind of tobacco... Chesterfield tobacco... milder, more fragrant, better-tasting.

*that's why Chesterfields TASTE BETTER*

Wherever you buy Chesterfields, you get them just as fresh as if you came by our factory door.
