HITLER SEIZES PRESIDENCY

Guard Says Pen Officials 'Picked' On Him In Death Cell Escape

Twinkles The news that highway 41 has been designated as a work relief project in Dallas county is good news and, lamentably, news which did not come during the lifetime of F. F. Reid, sponsor of the road.

Republicans are making war on democratic alphabets, but vacationing youngsters cannot jump to the conclusion that the G. O. P. has a new deal for the schools.

Sometimes it is a little difficult, as the West Foster group observes, to tell whether Mr. Hugh Johnson is going to settle a riot or start one.

We regret the passing of Marie Dreifler, an example of the truth that one does not have to be a beauty to be charming.

Brevitorials Misgivings of the moment: Another session of the legislature, convening August 27, will likely prove once more that we have too many legislators working too few days a year. Relief is the major issue, but there will be a score of other ones if Governor Miriam A. Ferguson yields to the clamor and submits them.

MAYBE it's the heat; probably not. A number of readers are considerably peeved this week. Some of them have had the misfortune to be discharged on the county high-way work. They say they are competent, as proved by the fact that they worked for other contractors recently. They say they worked hard. They charge that out-of-county men have replaced them.

ANOTHER group points to rising house rent in Pampa with alarm. Most salaries have not advanced. Prices of necessities have gone up. Rent houses are investments. Taxes are no higher, in some instances they are slightly lower. There seems to be no grounds for hiking rents.

EXAMPLES are more forceful than precepts. A grass fire destroyed part of the Harvester park fence and incensed the osprey stands. Shamrock had a grass fire. It caused a heavy fire loss when a lumber yard ignited and burned.

SCORCHING, dry summers change our attitude toward the winter season. We like many with whom we have talked lately, have heretofore boasted of our mild and snowless winters in the Panhandle. But we hope next winter will be a tough one, with 2 feet of snow and much cold weather.

Von Hindenburg Enters His Last Sleep in Prayer

NEUDECK, Germany, Aug. 2 (AP)—President Paul von Hindenburg, after suffering for weeks, died peacefully and without pain. As he entered his last sleep there was an expression of great contentment on his rugged face.

TEXAS: Partly cloudy to cloudy, probably local showers on west coast and in the lower Rio Grande valley tonight and Friday. Light to moderate; southerly winds on the coast.

GUARD AT HUNTSVILLE ACCUSED OF FREEING 3 DESPERADOES

HUNTSVILLE, Aug. 2 (AP)—Details of the allegation against Jim Patterson, prison guard alleged to have aided in the sensational death house break here 11 days ago, remained hidden today with those in authority still away, evidently rounding up the loose ends of their investigation of the escape.

Patterson was charged with "conveying or causing to be conveyed" into the prison the three pistols which were used to effect the escape of Raymond Hamilton, Irvin "Blackie" Thompson, and Joe Palmer, all condemned to death.

Patterson remained in the Houston jail overnight, then was removed by Capt. E. N. Owen of the Harlem prison farm. It was understood that he was to be taken back to Huntsville but officers said they were not certain. Newspaper men were not permitted to talk with him.

Child Is Slain While Sleeping In Hot Springs

Unidentified Prowler Kills Girl After Attempting to Rob Her Father.

HOT SPRINGS, Ark., Aug. 2 (AP)—Ten-year-old Bernice Hoffman, daughter of Mr. and Mrs. R. J. Hoffman of Beaumont, Texas, was shot and fatally wounded at a tourist camp near here today by an unidentified prowler who attempted to enter the cabin occupied by the Hoffmans.

The little girl was shot as she lay asleep on a cot near the bed occupied by her parents and a younger sister and brother. The bullet fired through a screen door pierced the child's head.

Police and deputy sheriffs swarmed the scene soon after the shooting at 1:15 a. m., and bloodhounds were put on the trail.

The shooting occurred during an attempted robbery of the Hoffmans. A man occupying an adjoining cabin said that he was awakened by voices and heard some one standing between the cabins command Hoffman to hand over his trousers. The robber apparently found no money in the trousers and ordered Hoffman to hand him another pair hanging nearby. A shot then was fired. The bullet struck the sleeping child.

Hoffman leaped from his bed and fired his shotgun into the air to wake up the camp.

The Hoffmans came here about four days ago.

SHINERY WELL IN 'HOT SPOT' HITS BIG GAS

However, Oil Pay Is Not Necessarily Absent

BY GEORGE L. GUTHRIE, Consulting Geologist, Combs-Worley Bldg. The Shinery oil company's No. 1 Bentley in section 35, block 24, Wheeler county, hit a big gas pay in the granite wash yesterday. This well has been watched with considerable interest by hot spot operators because it will do much to indicate the width of the pay. The north limit has been fairly well defined. The big gas does not necessarily mean that the oil pay is absent, and if the equipment is heavy enough to handle the gas, this well may be made a producer by drilling deeper or it may bring itself in.

17 Fire Calls Are Answered in Pampa

Although the Pampa Fire department answered 17 calls within the city limits last month, the fire loss amounted to only \$225, Chief Clyde Gold's report to the city this morning showed. The department made four runs beyond the city limits. Most of the fires last month were due to the drought. Grass fires, trash fires, and other minor blazes were extinguished. Few of the fires were in buildings.

I HEARD—

A local doctor saying that head colds are numerous now. Can that be a possibility in this terrific weather? A visiting motorist asking how many dozen lives had been lost at the intersection of Francis avenue and Hobart street. Luckily there have been very few, but we cannot be lucky always. Someday a car will tear around the turn and crash a car driving south on Hobart street. The intersection is the most dangerous point in the city.

NEW COLLECTORS ARE APPOINTED BY 'KINGFISH'

NEW ORLEANS, Aug. 2 (AP)—Carrying out Senator Huey P. Long's threat to take over the tax authority in the city of New Orleans, the state today appointed tax assessors throughout the city to supersede the assessors elected by the city last January.

Backed up by the power of the mobilized National Guard, which already has seized the city voting registration office, William Rankin of the Louisiana tax commission announced the appointment of the state tax collectors to take charge in New Orleans, replacing the elected city board of assessors.

Senator Long recently announced this would be done as a result of Mayor T. Semmes Walmsley's refusal to recognize the legality of Gov. O. K. Allen's appointment of two Long lieutenants as assessors to fill vacancies caused by the deaths of two elected assessors.

Rankin announced that a "state assessor" will qualify in each assessment district of New Orleans, except the fourth and sixth districts, in which the state will appoint Joseph Weber and Long Norman Davis, above, is back from preliminary meetings of the naval disarmament conference in London.

Bond Issues To Be Placed in County Budget

A tentative budget for Gray county in 1935 has been filed with the county clerk by County Judge C. E. Cary.

In the preparation of the budget, County Auditor R. C. Wilson made many of the estimates of expected revenue, now a difficult task because of split payments and delinquencies.

HINDENBURG RAN AGAINST COLD WIND TO SUFFER LIKE SOLDIERS

BERLIN, Aug. 2 (AP)—To Germans, Paul von Hindenburg was not only an unusual field marshal and president, but a lovable and loving character whose humor and good nature endeared him to the millions. Death came to him 74 years after he wrote his last will and testament at the age of 13. That will, of course, is not taken seriously but it testifies to the good nature and sense of humor which were two of the many qualities which marked his character.

HINDENBURG IS DEAD; HITLER DEVISES OATH

ARMY MUST SWEAR TO BE OBEDIENT TO DICTATOR

By LOUIS P. LOCHNER (Copyright, 1934, by The Associated Press) BERLIN, Aug. 2 (AP)—President Paul von Hindenburg died today and within seven hours Chancellor Adolf Hitler had succeeded him and ordered a nation-wide presidential plebiscite to be held Aug. 19.

Also within that 7 hours was formulated a new oath by which the Reichswehr—the standing army of Germany—will pledge its allegiance to Hitler.

Von Hindenburg died in his 67th year at 9 a. m. (3 a. m. E. S. T.) in his country mansion at Neudeck, east Prussia. Almost simultaneously with the announcement of his death came the announcement that the offices of the chancellorship and the presidency had been merged.

Hitler is both chancellor and president. New Army Oath Any doubts as to what position the Reichswehr might take were dispelled, at least temporarily, by Werner von Blomberg, minister of war who announced the army would take a new oath. It is expected to be administered within the next few days.

The ceremony of oath-taking will be followed by three cheers for the new supreme army commander who is also the supreme commander of the Nazi storm troops and their black-shirted brethren, the Schutz Staffel—and by the two German national anthems, "Deutschland Uber Alles" and the "Horst Wessel Song," the latter a Nazi anthem.

I SAW—

This report of the Harvesters made by Coach Odus Mitchell and published in a Lubbock paper: "We may have 11 letter men coming back all right," he said, "but that's because I lettered nearly everybody on the squad. That is, I gave 'em sweaters. We had to play without the season, and I had to sort of reward the boys for staying out. As a matter of fact, I have only five regulars coming back, and they're in such bad shape from working in basements and soot parlors (carbon black plants) all summer that I'm going to have to take them out of town for a rest before I can start turning 'em up for fall." Take that, Mr. Blair Cherry!

POLITICAL ADVICE FROM NEW MEXICO

The best advice to Panhandle politicians, and to Amarillo politicians in particular, that has come under the scrutiny of these columns in a month of Sundays was doled out in liberal doses by Jack Hull of the Clovis News-Journal this week.

Mr. Hull's sage advice follows: Amarillo and Panhandle politicians are rather amateurish in their way of doing things political. They have been doing the same thing for fifteen years and from the result they haven't learned a single lesson.

Just as soon as they got Clint Small in the race and came out with the slogan "The Panhandle's Own," I knew right then Clint Small didn't have as much chance as I'd have in a Chicago mayoralty race.

Now, if a few New Mexico politicians of the old school lived in Amarillo, they'd handle it about like this. They'd drive down to Dallas or Houston some night (they always move under cover of darkness) and they'd say to those fellows in one of those big cities, "now you fellows say who you want for governor and we'll give him the Panhandle, if you will in turn give us four million miles of paved roads, and some other things we want."

The next election I'll send a couple of our boys over there if Amarillo wants them, and I'll guarantee that they'll have a mortgage on the state capitol in three months. They would be handicapped a little at first, because the Panhandle hasn't any sheep to vote and they're used to using sheep when the totals look a little shaky, but they would soon find something to take the place of sheep.

Now I'd be glad to arrange for a few of our boys to go over there next time, and if somebody'll pay the freight we can round up enough sheep with two initials and a sir name to kind of help things along a little.

Since I wrote about those Panhandle politicians yesterday I've learned that the three leading candidates in the primary are all from Wichita Falls, which fact savors of at least a hint that Wichita Falls must have some erstwhile New Mexicans living there.

After Col. Thompson traded Amarillo for a place on the railroad commission, they haven't had much in Amarillo except the Tri-State Fair and they admit that even it belongs partly to two other states.

Now politics is the great American sport. We often refer to baseball as our national sport but it isn't. Politics is the game that really goes places if you know how to play it.

New Mexico has more post graduate experts in politics than any state in the union, and in no other state in the union is politics a year-around business.

HOUSTON WILL ENTER OREGON RIVER TODAY PRESIDENT'S SHIP IS TO REACH COLUMBIA RIVER

By FRANCIS M. STEPHENSON. Aboard the cruiser New Orleans en route with President Roosevelt to Astoria, Ore., Aug. 2. (AP)—President Roosevelt, sailed along the shores of the United States today, home from an epochal voyage to American territories.

The cruisers Houston and New Orleans crept slowly along the Oregon coast and pointed for a swing into the Columbia river—the water avenue of the Pacific northwest—by early afternoon.

Refreshed by a month at sea and satisfied with the status of the American ocean outposts, Roosevelt was eager to go over his own continental soil again. His trunks were packed full of reports and data.

After rounding the cape into the Columbia, the presidential flotilla will stop off Astoria before proceeding up the historic Columbia.

The president will debark from his long sea journey at Portland Friday morning.

France Fearful Of Hitler Rule

PARIS, Aug. 2 (AP)—France sent her condolences to Germany today for the death of President von Hindenburg, whose passing may mean much to this country.

The situation was regarded by officials as "dangerous." They expressed the hope Hitler would try to strengthen his position by taking some calmer elements into the cabinet, instead of pursuing his mad campaign of "ruthlessness."

Officials pointed to the June 30 "bloody purification" and the Austrian affair ending in the assassination of Chancellor Dollfus, claiming they were actions that forecast dark days unless Hitler changes his ways.

"We face Hitler now instead of Germany," said one high official. "Von Hindenburg was the brake on the Nazi violence and the touch of conservatism in Hitler's rule. Now Hitler's reign is supreme."

NUMEROUS OKLAHOMA TEAMS EXPECTED TO ENTER BALL TOURNAMENT

16 TEAMS TO BE SELECTED BY MANAGERS

\$1,000 PRIZE MONEY ATTRACTS MUCH INTEREST

A mad scramble of entries to the Pampa Invitation baseball tournament which will open here Thursday afternoon at 1:30 o'clock is anticipated by the tournament committee appointed by the Junior Chamber of Commerce, sponsors of the big event.

Prospects are that two of Oklahoma's fastest Indian teams will be here. Other good Oklahoma teams that will compete in the Sandlot tournament to decide the champions of Oklahoma will also come to Pampa. Of course there will be teams from the Panhandle and other parts of the state. New Mexico, Colorado, and Kansas will likely send representatives to the big event.

Letters of invitation, enclosing contracts and tournament rules, have been mailed to 75 baseball teams in the midwest. From the number of applications received, the tournament management will select the best 16 teams to compete for the big prize money. Many team managers are being visited personally and others are being called over long distance.

A guarantee of \$1,000 for first place winner has been underwritten by local business men. Sixty per cent of gross receipts from the sale of admission tickets will go to prize money. The money will be divided on a 50-30-20 per cent basis according to the order of standing of the teams at the close of the tournament, after \$25 which has been paid for each game won has been deducted. Money won in game prizes by teams in the big money will be deducted from the purse.

Forty per cent of the gross receipts will be used to defray expenses necessary to stage the tournament. Expenses will include umpires, baseballs, ticket sellers, box scorers, advertising, etc. The Junior Chamber of Commerce is sponsoring the tournament, not for gain but to bring Pampa into the limelight as a sporting city.

Pampa football teams are known throughout the southwest but in the past, Pampa has not been known as a baseball city. Pampa teams have, however, won four of the eight Amarillo baseball tournaments but so far Pampa has not sponsored a baseball tournament.

The newly lighted Road Runner park, six blocks from the heart of the city is having the seating capacity enlarged for the tournament. Visitors to Pampa during the big event will be assured good seats in a comfortable, roomy, open grandstand.

Admission to games will be small—25 cents for women, 40 cents for men, and 15 cents for kids not holding Knot Hole Gang tickets. Games will be played two each afternoon beginning at 1:30 o'clock and one game each night excepting Sunday, at 8:30 o'clock.

ROAD RUNNERS BEAT BORGANS BY ONE SCORE

ALL-STARS LOSE 10 - 9 TILT IN COCKS' PARK

Manager George Bulla handed Carl Stewart a seven-run lead when he relinquished mound duties against the Borgers All Stars last night at Road Runner park, but the Pampa right-hander couldn't hold it and Borgers went to the front. Tate who next was called in, held Borgers scoreless while the Road Runners hammered in enough runs to win the game, 10 to 9.

Borgers got only one bingle off Bulla in the three innings he was on the mound. The left-hander's curve was breaking nicely and he was having the better of "Pewee" Bass, who gave up seven runs during the same period. Stewart replaced Bulla in the fourth. He allowed one run. Two more were added in the fifth and six were added in the sixth to put Borgers into the lead, and Stewart to the show-ers. Tate finished the game, allowing only one hit.

Aaron Ward tied the score in the seventh by some pretty base running. He crashed a double to right with one out and made third when Tate was safe on a passed ball into the dugout, after striking out. Barkley then scored the winning run when Brickell flied out behind second, base. The new shortstop gave a nice exhibition of base running to score.

Two home runs were all that were recorded despite the strong wind. Deck, Borgers centerfielder, counted one in the fifth. Aaron Ward contested Whitey Vaughn for the longest home run of the season in the sixth when he sent one neatly over the light pole in left centerfield.

Grover Seitz led the batting attack when he connected for three safe singles. Ward and Barkley followed with two hits, one his homer.

Bass, outside of making three wild pitches, was in fine form. He fanned 13 Road Runner batters and didn't walk a single man. The Borgers catcher kept Bass in trouble by allowing four passed balls.

Borgers rallied in the ninth after the first batter had struck out. The next two batters hit safely but a well executed double play, Ward and Barkley to Cox ended the rally.

RULES OF PAMPA BASEBALL TOURNEY August 9th to 19th \$1,000.00 GUARANTEE FOR FIRST PLACE

Preparation for the Panhandle's greatest baseball tournament are proceeding rapidly now. A number of inquiries have been received from teams not even on the list of prospective entries, and indications are that there may be so many entries that a weeding out process may be necessary to bring the entries down to a reasonable number.

Following rules have been arranged:

1. The tournament will begin Thursday, August 9th.
2. Any semi-professional team in the United States is eligible to compete, provided, however, that no "black listed" players are on the roster.

3. Application for participation in the tournament must be in the hands of Roy Bourland, manager of the baseball tournament, by noon, August 8th.

4. Sixty per cent of the gross proceeds from the sale of admission tickets will go to prize money. The prize money will be divided on a 50-30-20 per cent basis, with the winning team being guaranteed \$1,000.00 cash, according to the order of standing of the teams at the close of the tournament, after \$25 paid for each game won has been deducted.

5. Forty per cent of the gross receipts will be used for defraying expenses necessary to stage the tournament. Expenses include park rental and cost of umpires, baseballs, ticket sellers, box scorers, ticket takers, tournament manager, advertising, etc.

6. National Baseball association rules will govern the play throughout.

7. As baseballs are usually the most costly item of a tournament, players must not keep the "last out" ball of any game except that played for the championship. Cost of balls otherwise taken from the tournament play will be deducted from the forfeit check of the offending player's team.

8. Decisions of the umpires will be final. The umpires will be in full charge of the games, and before each game one of them will be designated umpire-in-chief.

9. Sixteen players will be permitted on the roster of each team and if the manager is a player he will be counted in the 16. Only players and non-playing managers will be allowed on the team benches, during the games.

10. The management, and parties sponsoring the tournament will not be responsible for injury to any player or manager, regardless of the cause.

11. Teams may enter the tournament by applying to Roy Bourland, manager baseball tournament, Pampa, Texas. A forfeit check for \$100 must accompany each application. As each team completes the schedule assigned to it, the forfeit checks will be returned to team managers. The forfeits will be to guarantee that each team will be in during the entire tournament, and that the rules of the tournament will be observed.

12. Winners will play winners, and losers will play losers, as far as possible, until one team has been declared winner of the tournament, one of the final holder of second place, and one the final holder of third place.

13. "Spitball" pitching will not be permitted.

14. Announcement of team rosters may be made to noon, Thursday, August 8th, 1934, to Roy Bourland. The roster of players of each entered team must be in the hands of the tournament manager not later than noon, August 9th.

HOUSTON BEATS DALLAS 3 TO 2 IN EIGHTEEN-INNING GAME

Memphis Golfers Will Play Local Team on Sunday

Instead of going to Clarendon Sunday as planned, the Pampa Country club golf team will play host to Memphis on the local course. Memphis plans to come 25 strong in an effort to continue a winning streak over Pampa golfers.

The Pampa team expected to play a return match at Clarendon Sunday, but as no word was received from the Clarendon captain stating that Sunday would be suitable, the locals scheduled Memphis to come here. Pampa lost two matches to Memphis last year.

Among golfers who will come from Memphis will be Thomas Hampton, winner of the Green Belt championship. Other well known Panhandle golfers who will be here are the Foxall brothers, Roy Greenhill, R. S. Green, L. M. Hicks, A. M. Woods, Carl Harrison, and others.

The first foursome will tee off at 1 o'clock. Local golfers who will be able to play should register with D. I. Leve, Country club professional as soon as possible.

Pampa golfers defeated a team from Clarendon Country club two weeks ago for the first win over Clarendon golfers. The Pampa players have been showing marked improvement this year and are ready for stronger competition.

GIANT HOMERS AGGREGATE 96 THIS SEASON

CHAMPS ARE LEADING CARDINALS BY 4 FULL GAMES

BY HUGH S. FULLERTON Jr., Associated Press Sports Writer.

The New York Giants, who were accused of being "hitless wonders," of winning the world's championship with nothing but the strong arms of four pitchers and even of talking their way to the title last season have fashioned a reply with their bats this season.

Bill Terry's reputedly weak-hitting team has turned into an aggregation of home run hitters, collecting 96 so far.

Mel Ott, youthful leader of the belting brigade, slammed his 25th and 26th homers yesterday to tighten his grip on the National league lead and to help his club strengthen its position at the top of the standing with a double victory over the Braves. The scores were 11 to 2 and 10 to 3.

Johnny Salveson, making his first start since his return from Montreal, and Carl Hubbell shared the pitching burden of the opener while Hal Schumacher, this year's leader of the pitching "big four" rang up his 16th triumph in the afterpiece.

contributing a homer to his own cause.

The double triumph increased New York's lead to four full games as the third place Cardinals, with Paul Dean on the hill, bumped off the second place Cubs, 4 to 0.

The almost daily exchange of first and second places in the American league by the Yankees and Tigers took place on schedule as Detroit walloped the Cleveland Indians 10 to 7 in a free hitting contest which produced 31 hits while the Red Sox, with former Yankees in the starring roles, downed the New York club 7 to 4.

Down in the second division most of the excitement came from the Reds, who spotted Pittsburgh's Pirates to a 3-run lead then won 7-4 on Chick Hafey's 14th homer plus a 4-run rally in the seventh, and by the Senators, who battered out an 11-7 decision over the Athletics in a slugfest which produced five circuit blows, two by Doc Cramer of the A's.

The cellar dwelling White Sox took both ends of a bargain bill from St. Louis, 10-6 and 4-2 to drop the losers into sixth place behind Washington. Brooklyn's Dodgers belted out an 8 to 4 decision over the Phillies.

GROVE INJURY NAMED CAUSE OF SOX FALL

HARRIS CLAIMS SORE ARM LOST BOSTON TEN GAMES

BY ALAN GOULD, Associated Press Sports Editor.

NEW YORK, Aug. 2 (AP)—Bucky Harris admits, naturally with some reluctance, that the battle for the American league pennant race rests between the New York Yankees and Detroit Tigers, but he is also convinced that only one fateful circumstance has kept his Boston Red Sox from riding the crest this season.

The reason, he insists, is Robert Moses Grove, whose \$100,000 sore arm has meant a difference of at least 10 games so far to the Red Sox.

"Figure it out for yourself," says Bucky, "we had every reason to expect Grove to win at least 20 games for us. He has won only four and it's a question whether his arm will be in shape to start another game before the middle of August. Yet we are only nine games or thereabouts back of the leaders, neither of which has the stuff to make a runaway of the race this year. With Grove in shape and taking his regular turn I don't think there's a

doubt he would have 15 victories by now, which would mean we would be right on top of the heap."

It may take another year to settle the great Grove mystery. The lean southpaw pitched in batting drill at the Yankee stadium yesterday, displayed plenty of stuff and told Harris afterward: "My arm feels better than it has in weeks. The soreness is gone and I think I'll be ready to go soon."

No one is more anxious than Grove himself to show a return to form. He has done everything possible, including parting with several teeth and his tonsils, to see the root of the trouble.

"These hard-ball pitchers go fast when they go," suggested Babe Ruth, "testing some cold water on Red Sox hopes. They haven't got so much left when the old hop disappears. I wish him luck, but I'll be surprised if Grove is ever a 20-game pitcher again."

HITLER

(Continued from Page 1)
stubborn resistance to disease and the infirmities of age.

When word came, Hitler and his Nazi cabinet were prepared. In a guarded session last night the cabinet adopted a decree revoking a law of 1933 under which the president of the supreme court would assume interim president.

Announced Over Radio
When news of Von Hindenburg's end was received Paul Joseph Goebbels, propaganda minister, rushed to a microphone. He announced to the nation that the two offices of president and chancellor had been merged.

Hitler thus assumed absolute power over the third Reich. The lowering of the flag to half-staff at Neudeck told Germany and the world of the death it had expected.

Germany went into mourning, on the 20th anniversary of its proclamation of troops for the world war. A state funeral is planned.

Members of his immediate family were at Von Hindenburg's bedside. They were his son, Colonel Oskar Von Hindenburg, and two married daughters, Frau Irminarde Von Brockhausen and Frau Ann Marie Von Bentz.

Von Hindenburg's wife died in 1921. A few hours before his death the former field marshal slipped into a coma.

Mind Wanders
Prostate trouble, combined with infirmities of age to cause his death. One of his physicians said his mind wandered last night, hours after his end had been expected.

The cabinet admonished the German people to go into general mourning. Flags will fly at half-staff from all public buildings and schools. Ships of the nation will accord the leader a 21-gun salute tomorrow.

Amusement and other public places were ordered closed. Traffic, shops and factories will suspend operations for one minute during the funeral hour.

In an order to military forces general Werner Von Blomberg, minister of war, said:
"Hindenburg, our leader in the great war, has left us. His heroic life as a soldier, imbued with a spirit of duty to folk of the fatherland, is ended. Everyone has faith in Hitler, the leader of our people."

Hitler Power is Absolute
The cabinet decree, under which Hitler assumed power, says merely: "The Reich government has passed the following law, which is hereby promulgated:

1. The office of the Reich president is united with that of the Reich chancellor. In consequence thereof, powers heretofore exercised by the Reichspresident are transferred to der fuhrer (Hitler) and the vice chancellor (Franz Von Papen). He (Hitler) determines who shall be his deputy."
Absolute power rests with Hitler, through the combination of the two jobs.

Previously he had to go through the formality of submitting plans to Von Hindenburg for approval. The Reichstag long ago turned over all its power to Hitler and the cabinet.

Goebbels in his radio address lauded Von Hindenburg as "a great leader of Germany in war and in peace, one whose life because of its unrighteousness will always be remembered by the fatherland."

Crowds gathered throughout the nation to discuss the national tragedy. Activities in Berlin were almost paralyzed.

Many conservatives were fearful. They had long regarded Von Hindenburg as a check upon extreme Nazism.

Hitler by the cabinet decree attached the office for which Von Hindenburg defied him in the general election of 1932.

The two once were opponents but the rising power of the national socialist party forced the venerable president to call Hitler in and make him chancellor—in January, 1933.

All troops will wear mourning for 14 days, except the regiment with which Von Hindenburg is associated. It will observe the death for four weeks.

Germany, which shouted the name "Von Hindenburg!" during the war time stress found comfort in it in the political strife of today

CHICAGO GRAIN
CHICAGO, Aug. 2 (AP)—Profit-taking sales on advances wiped out gains in wheat prices late today, and caused net losses in corn.

Upturns which failed to hold were based largely on August unofficial crop estimates indicating that the 1934 yields of the five principal cereals were below domestic requirements. The total production of wheat, corn, oats, rye and barley this season was placed at 2,500,000,000 bushels, the smallest aggregate since 1914.

Wheat closed uneven, 1/4 lower to 1/2 higher compared with yesterday's finish. Sept. new 1.03-1.03 1/2, corn 1/2 down, Sept. 70%-71%, oats unchanged to 1/4 up, and provisions 7 to 15 cents advanced.

WOOL MARKET
BOSTON, Aug. 2 (AP)—The wool and mohair advisory committee of the farm administration today announced it had decided yesterday to lower prices of the so-called government controlled wools ten cents per pound, clean basis, on wools grading half blood and finer, or from 80-83 cents to 70-73 cents.

The price of wools of medium quality was reduced 11 to 13 cents, one quarter blood wools from 60-62 cents to 49-51 cents, and three eights combing wools from 66-68 cents to 53-55 cents.

The committee announced that the reduction brought the price range down to a competitive basis with so-called free wools, and that there would be no further action in prices until after the Australian season opens the end of the month.

The wool trade was reported as hopeful the reductions would stimulate business, and some expressed hope that mills would be able to obtain volume business at the new prices.

CHICAGO GRAIN
CHICAGO, Aug. 2 (AP)—Profit-taking sales on advances wiped out gains in wheat prices late today, and caused net losses in corn.

Upturns which failed to hold were based largely on August unofficial crop estimates indicating that the 1934 yields of the five principal cereals were below domestic requirements. The total production of wheat, corn, oats, rye and barley this season was placed at 2,500,000,000 bushels, the smallest aggregate since 1914.

Wheat closed uneven, 1/4 lower to 1/2 higher compared with yesterday's finish. Sept. new 1.03-1.03 1/2, corn 1/2 down, Sept. 70%-71%, oats unchanged to 1/4 up, and provisions 7 to 15 cents advanced.

Other Pampa beauties entered were Misses Clarice Allen, Georann Gray, Margaret Melton, Rachel Melton, Sarah McMeans, Una Coffee, Mildred Marshall, Velma Smith, Lelia Fern Morris, Pauline Stapp, Martha Canady, Juanita Anthony, Claudine Jeffries.

FOOD FOR HOT DAYS REQUIRES EXTRA APPEAL

Variety Is One Way To Attractive Meals

Men and recipes prepared by Department of Home Economics, Texas State College for Women (C.I.A.)

DENTON, Aug. 2.—Attractiveness in food is most essential in warm weather when the appetite inclines to flag; therefore, one must make an extra effort to secure variety either through wider use of foods or through use of more methods of preparation.

Breakfast: Whole wheat flakes with top milk, stewed dried apricots, emergency biscuits, coffee, milk.

Dinner: Scalloped salmon, Irish potatoes boiled in skin, cabbage slaw with grated cheese.

Supper: Creamed soup (celery), corn or dried peas, applesauce, with gingerbread, tea, milk.

Breakfast: Cornmeal mush with honey, cocoa for entire family.

Dinner: Baked meat loaf, lettuce greens, stewed tomatoes, cottage pudding.

Supper: Macaroni with grated cheese, peach shortcake, tea, milk.

Emergency Biscuits: These are a modification of regular baking powder biscuits and are made by using a larger proportion of liquid so that the dough is too soft to roll and is dropped by spoonfuls into muffin pans and baked in hot oven 10 to 12 minutes.

Cabbage Slaw: Shred 1/2 head of cabbage, marinate with 1-3 cup of vinegar, to which is added 1 t salt and 2 T sugar. Prepare 2 cups medium white sauce using 2 cups milk, 2 T butter, 2 level T flour, 1-4 t salt. Mix flour with equal amount of milk and stir until smooth; add remainder of milk, melted butter and salt. Heat, stirring all the time, until the mixture thickens. Remove from fire and pour over marinated cabbage. This may be served hot or cold.

Cream Corn Syrup: Prepare a white sauce of 2 cups milk, 2 T butter, 4 T flour, 1/2 t salt; add 1 cup canned corn. Heat thoroughly. Add more milk or water to secure the consistency desired when the liquid boils away. Serve hot in soup bowls.

Peach Shortcake: Three-fourths cup milk, 2 eggs, 3-4 cup sugar, 1/2 t salt, 1/2 cup butter, 2 cups flour, 3 t baking powder, 1 t salt. Add baking powder and salt to flour, cream butter and sugar. Add eggs well beaten. Then add milk and flour alternately. Beat thoroughly. Bake in layer cake tins 15 to 20 minutes. Use fresh or canned peaches for filling, putting peaches between layers and on top. Fresh peaches must be sweetened to taste.

with the Pampa Road Runners. It will mark the first appearance of the Phillips aggregation under Pampa lights. Game time will be 8:30 o'clock.

The Borger team has been a lix to the Road Runners under artificial lights. The Road Runners have been blaming the condition of Borger's lighting system for losses to Phillips in Borger. That argument will be settled tomorrow night.

Borger has yet to win a game in Pampa this season and the team will be fighting for a victory. The visitors have been strengthened considerably since the last meeting of the two teams. The Pampa team will also be stronger, since injuries and sickness will not weaken the Road Runners.

All through the Borger tournament, the Road Runners had from one to four players on the injured list. Late in the tournament it was found necessary to recruit new strength.

Eber Hardin or Stegman will get the call to hurt against the Oilers. Bulla, Stewart, and Tate all saw mound duty last night, when the Road Runners won a hectic game from the Borger All Stars. Bass on the mound for the Borgerites, hence the Road Runners will not have to worry about his pitching Friday night.

Either Mulreney or Ellis will get the pitching assignment tomorrow night. Both are big right handers with deceptive curves and a nice fast ball. It has been Bass, however, that has proved the Road Runner lix this season. Last night was the second time he has been defeated by the Pampa nine. The game is hoped to be one of the best under the new lights at Runner park.

Mexican 'Mail' Divorce Decrees Called Illegal

MEXICO, D. F., Aug. 2 (AP)—Every Mexican "mail" divorce granted to Americans in the last few years probably would be declared illegal if appealed to the federal district courts, the American consulate general here has stated after a thorough legal study of recent higher court decisions.

These decisions clearly set forth as a principle of Mexican law that residence of both parties in Mexico at the time the divorce is granted is necessary to make the action legal.

No single decision nullifying divorces by the wholesale has been made nor is one possible under Mexican law, but the recent rulings open the way for individual appeals by thousands of Americans who were divorced in their absence.

SPITE MARRIAGE by Katharine Hayward Taylor

SYNOPSIS: Bob Powers demands that Marsha divorce him, when he learns that she married him because she thought Geoffrey Turleton had married another girl. But now Marsha loves Bob deeply, and is almost glad when he learns that his mother is the victim of an incurable disease, and decides they must play the game of happily married people until her death.

Chapter 25 CHRISTMAS COMES

THE sort of Christmas that Marsha found in the Powers' house was one she had never suspected could be with adults; disillusioned folk who must know there was no Santa Claus of any kind.

The murmur of tissue was blended with human whispers; Mrs. Powers was, obviously, planning many gifts for her, Marsha realized when she found Mrs. Powers hiding mysteries behind cushions, or closing table or desk drawers at her approach, looking too faintly guilty and innocent the while.

Marsha began to wonder what she could give Bob's mother that would make Bob's mother very happy. The matter demanded much thought.

One day she remembered she had always deemed the season, "that ghastly stretch!" It had seemed a time to her when people lied un-

Mrs. Powers was knitting by firelight.

usually well, through gifts and wishes, and that intensification of insincerity that was forced by custom. It did not, she knew with surprise, seem "a ghastly stretch" now.

It was instead, a happy—an absurdly happy—and an exciting line of hurried days. Sometimes she even forgot that her connection with Bob was measured by the beat of his mother's heart, her place in the house seemed so permanent, so solid; she was so entirely at home.

"If it could last!" she thought at first. Then the wording changed; she began to think, "Make—it last!"

Which was probably a foolish petition to something that did not hear she reasoned, yet it kept ringing through her mind with an intensity that hushed her breathing and that made her close her eyes.

Of course it could not last; sober moments told her that. Bob was through with her, and thus her chance for real life was gone. But over and over; over and over! "Make—it last! Please make—it last!"

MRS. POWERS told Bob that Marsha was "losing weight"; Bob studied Marsha anxiously. "Marsha," said Mrs. Powers one evening as they waited the announcement of dinner, "is it customary for you to lose weight in the winter season?"

"I don't know, dear," Marsha answered. Bob was looking at her in that strained, tired, worried way Marsha saw. Poor Bob! "I am quite well!" she said quickly. "I'm the strongest person! I'm never ill!" He must not be troubled by her!

"But you are losing weight," said Mrs. Powers; she added, "Robert must get you a little scales. He will teach you how to use it, dear. It is a matter of adjusting the weights—you will soon learn!"

Bob knew that his cousin Letitia with many of her contemporaries would have had to suppress a rising smile over this. But Marsha was not amused; she laid her hand on his

usual Broadmoor invitation tournament today. Berryhill was the only player in the field of 226 to shoot the undulating course in par 70 in the qualifying round.

Both he and Dawson clung to card numerals in winning their first round matches. Berryhill defeating Homer Joy, Broadmoor, and Dawson substituting Whitney Anderson of Vernon, Texas, both by the margin of 5 and 4.

Other matches scheduled today included: M. L. Massingill, Fort Worth, vs. N. C. Morriss, Denver; Harry Todd, Dallas, vs. Chet Alderson, Colorado Springs; Norris Russell, Denton, Texas, vs. E. P. Brady, Kansas City.

COLORADO SPRINGS, Aug. 2 (AP)—Sapulpa, Oklahoma's best known golfer, Earl Berryhill, faced Johnny Dawson, Chicago amateur, in a second round match in the annual Broadmoor invitation tournament today.

Berryhill was the only player in the field of 226 to shoot the undulating course in par 70 in the qualifying round.

Both he and Dawson clung to card numerals in winning their first round matches. Berryhill defeating Homer Joy, Broadmoor, and Dawson substituting Whitney Anderson of Vernon, Texas, both by the margin of 5 and 4.

Other matches scheduled today included: M. L. Massingill, Fort Worth, vs. N. C. Morriss, Denver; Harry Todd, Dallas, vs. Chet Alderson, Colorado Springs; Norris Russell, Denton, Texas, vs. E. P. Brady, Kansas City.

KAISER MOURNS DEATH OF HERO OF TANNENBERG

Wilhelm II Was One Of First To Be Told

DOORN, Switzerland, Aug. 2 (AP)—Former Kaiser Wilhelm sent a telegram of sympathy today to Col. Oskar von Hindenburg, referring to his father, the late president of Germany, as the "immortal" hero of the Battle of Tannenberg.

The text of the former kaiser's message: "The kaiserin and I mourn with moved hearts with you and the whole German people. A life richly blessed by the Lord has found its end. The crown prince will convey our last greetings and homage to the immortal hero of Tannenberg. Signed, Wilhelm R. I."

ROME, Aug. 2 (AP)—News that Chancellor Hitler had succeeded to the presidency of Germany was received calmly today by Italian official circles. They adopted the attitude that no outside criticism was called for.

PICTOU, N. S., Aug. 2 (AP)—Prime Minister Ramsay J. MacDonald of Great Britain, here on a vacation, paid tribute today to the memory of President von Hindenburg.

"He was a great figure both in war and in peace. He has been a stabilizing influence in Germany, and his death must have no little effect on the present position of that country," he said.

BERLIN, Aug. 2 (AP)—One of the first persons in the world to be informed of the death of Paul von Hindenburg was the field marshal's former supreme war lord, Wilhelm II.

General von Dommes, the chief administrator of the Hohenzollern properties, told the Associated Press today:

"Col. Oskar von Hindenburg telephoned me immediately from Neudeck and requested me to report the field marshal's death to his majesty. This I did instantly.

"The emperor was deeply moved. During the last few days he had frequently called from Doorn to inquire of von Hindenburg's condition. He thus was prepared for the worst, but actually the news nevertheless affected him strongly.

"His majesty requested that the crown prince catch the first train for Neudeck to express the imperial family's condolence. The crown prince, tactfully, will leave the first day to the immediate family but will be the first to place a floral wreath of tribute from the kaiser upon the death bed."
