LEGISLATURE JAMS THROUGH COLORADO ACT

RIVER BILL PASSED IN FINAL HOURS OF SESSION

AUSTIN, Nov. 10. (AP)—The fourth session of the 43rd Texas Legislature adjourned at 9:48 o'clock tonight after meeting 30 days at the call of Governor Miriam A. Ferguson to enact recovery measures.

The house, its chamber virtually deserted since noon, quit at 8:10 p. m., but the senate remained in session longer to hear speeches by former Governor James E. Ferguson, Governor-Elect James V. Allred, retiring Lieutenant Governor Edgar E. Witt, and Senator Walter Woodul, lieutenant governor-elect.

Parr Honored
Senator Archie Parr of Duval county, 74 year old senior member, elected president pro tempore and interim as a final honor on involuntary retirement after 20 years of membership, adjourned the senate after he said:

"I never expect to run for office again."
Contrary to precedent, both houses ceased work before the final hour, and 28 senators remained until the end, the largest number known to remain throughout.

Allred and Ferguson, political antagonists, sat on the rostrum beside Witt, one of Allred's primary opponents, and smilingly shook hands. Governor Miriam A. Ferguson also was invited by resolution to address the senate, but it was explained she had left the capitol.

Ferguson began his talk with a laudation of Senator Parr. "Twenty years ago Archie Parr and I started our ill fated political careers together," Ferguson said by way of introduction. "I have been on the outside looking; the rest of the time I have been on the inside looking out, naturally I feel very kindly toward Archie Parr. His record of service is remarkable."

Grows Philosophical
"You are to be congratulated on what you have accomplished. Posterity may congratulate you on what you didn't accomplish. I have not always agreed with you, nor you with me. But that all is water over the wheel."

"After 20 years, one learns that most things become immaterial. I think this senate is a good body and has tried to do its duty conscientiously."

"Let's be proud of the time in which we live. Let us realize that we can't all hold office. I have learned that a man can't render service to his country in private life as well as in public life. I have learned he can do just as much."

"I have reached the stage of life where I love everybody some more than others, some less than others. As a matter of fact, if you get to hating their people it rates all your time. Let's just go through life doing the best we can."

Allred Talks Friendly
Allred, noting the fraternal spirit engendered by secondarily speeches to the nomination of Senator Parr, observed:

"I feel my presence and appearance is an imposition upon the spirit of this occasion."
Fledgling cooperation to the legislature during his administration, Allred asked "the same charity" as the senators extended each other. "For I feel I am going to need it. I want your help for the Lord and Jim Ferguson know I need it."

Past political differences with members of the legislature will be forgotten, he said in urging a friendly relationship.

"I hold no bitterness in my heart. I want friends."

AUSTIN, Nov. 10. (AP)—Fines were written in indelible letters on labors of the forty-third legislature today as the fourth called session of that law-making body approached a natural death at midnight.

Moving as swiftly in its final hours as it had lagged during the initial days of the session, the legislature jammed through the remaining measures of those it favored, without requiem over those it opposed.

Chairs echoed through the big hall of the house of representatives as that legislative branch finally adopted a conference report creating a state authority by means of which a loan of \$4,500,000 will be obtained from the federal government for completion of an old Insub project on the Colorado river.

There was less demonstration when the senate adopted a conference report on a bill setting up a permanent tax payment plan, including reduced penalties for delinquent taxpayers, but sponsors of the measure were just as jubilant.

Only the centennial and relief bonds measures failed to receive legislative sanction. The relief bonds never were given serious attention.

(See LEGISLATURE, Page 6)

I Heard . . .

Mr. and Mrs. Sidney Bronson of Lincoln, Neb., parents of Coach Bill Bronson of the LeFors football team, "pouring it on" their son Friday night. They told him that they didn't drive 650 miles to see the Pirates lose. Bill was proud of his team even in defeat. It fought brilliantly against odds as McLean won 20 to 7.

A baseball argument, in this time of football, believe it or not.

GOVERNOR DEFIES U. S. IN DAM FIGHT

Long Orders Legislature To Declare 2-Year Debt Moratorium

HALFBACK TO GO TO SENATE SAYS SENATOR

'SHARE-YOUR-WEALTH' SCHEME IS GIVEN ANOTHER PUSH

BATON ROUGE, La., Nov. 10. (AP)—Stirred into ecstasy by his dreams of "Kingsfish" rule, Senator Huey P. Long today began adding towers to his kingdom of Louisiana.

He ordered the legislature to meet next week and declare a two year debt moratorium for debt-burdened "survivors of the depression" as his big stroke of the day in his "share-your-wealth" scheme.

Ab Mickal, Louisiana State University football star, was "State Senator" Mickal tonight, "eligible" by Senator Huey P. Long's decree to sit in the Louisiana legislature special session Long is convening to pass "debt postponement" and other "poor man" legislation.

And Long said that "if he had anything to do with it," Abe "would sit."

Mickal, who sat recovering from an injury on the sidelines today while Louisiana State was defeating George Washington University 6 to 0 in the nation's capital, was proclaimed "state senator from East Baton Rouge parish" by an assembly of fellow students that the "Kingsfish" declared was a "citizens' mass meeting."

Long said that Mickal would sit as a senator when the legislature meets—probably Monday night—that he would receive the customary \$10 per diem, and that his name would be placed on the senate elective voting board.

Mickal, 20-year-old, a junior student from McComb, Miss., who came to America as a child immigrant from Syria, was designated "successor" to former state Senator J. V. Sanders, Jr. of Baton Rouge, foe of Long, and now sixth district congressman.

The senator's title was bestowed in an abrupt, unceremonious way which Long capitalized as a chance to poke fun at Sanders and his other political enemies.

"Governor Allen's been a friend of mine," Long said, "but he's been too high handed about not setting an election for the senate from East Baton Rouge. We just had to tell him 'I have anything to do with it.' Abe will be seated at this extra session."

He was asked later whether he wasn't a resident of Mississippi, and whether he wasn't an alien by birth.

"Oh, that doesn't make any difference," he replied airily, saying he didn't know the answers to all three questions.

**McADOO'S GIRL
AND LOVER WED
IN NEW MEXICO**
Senator Says 'Love
Laughs At Lock-
smiths'

ALBUQUERQUE, N. M., Nov. 10. (AP)—Ellen Wilson McAdoo, grand daughter of the late President Wilson, and Ralph Lopez de Onate, film actor, overcame the last obstacle to their romance and were married quietly here today. They then left on an east bound train for an announced destination, with the blessing of the bride's father, Senator William Gibbs McAdoo.

"It all goes to show the truth of the old adage that 'love laughs at locksmiths,'" Senator McAdoo, in Los Angeles, said joyfully. "You can say for me that I am sure my daughter and her husband will be very happy."

ARMISTICE DAY PARADE

Roll Call Plans Finished

Fire Department Already
100 Per Cent Members—
Workers to Meet.

Although Pampa's Red Cross roll call will not officially open until Tuesday, a number of supporters, already are working and reported that the Pampa fire department employees had joined 100 per cent and that a number of business firms were nearing this goal.

Inasmuch as Pampa has had few drives this year, it is considered reasonable that firms strive for 100 per cent membership in the Red Cross. Memberships are one dollar each.

Campaign workers will meet Roll Call Chairman Jim Collins at the city auditorium, Tuesday, Nov. 13, at 10 o'clock. Final instructions will be given and the meeting will not last more than half an hour. Boy Scouts yesterday distributed supplies to about one hundred canvassers, but anyone overlooked or not located can obtain supplies at Tuesday's meeting. Volunteer workers will be welcomed.

This is part of the national annual roll call. Although the government has an extensive relief program, it is by no means adequate. The following endorsements of the Red Cross are typical of the thousands being written this year:

Harry L. Hopkins, Federal Emergency Relief Administrator: "Neighbors help neighbors through the instrumentality of the Red Cross. This is our great volunteer resource."

(See RED CROSS, Page 6)

INSTITUTE OF BUSINESS WILL BE HELD HERE NOVEMBER 19-21

Lubbock Tilt
To Be Brought
Here by Wire

Provided the Amarillo-Lubbock football game to be played tomorrow afternoon in Lubbock is not broadcast, a play-by-play account of the game will be received over a Western Union circuit and relayed over a loud speaker provided by the city bakeries.

The report will be received in Julian Barrett's office in the Ross building and the loud speaker will be placed somewhere at the entrance of the alley between the G. C. Malone Funeral home and the Father's Drug store.

The report of the game is being brought through the efforts of a number of Pampa football fans who will be unable to go to Lubbock for the game. The broadcast will begin about 2:15 o'clock, or 15 minutes before the game.

The account will be sent to Pampa by Harry E. Hoare of the Pampa Daily News, who will be in the press box at Lubbock.

DANCIGER GETS INJUNCTION TO FREE FIELD PROPERTY

Striking Danciger Oil & Refining company employees were restrained from interfering with operations of production and pipeline properties under provisions of a temporary injunction granted late yesterday in 31st district court. The injunction was asked by W. C. Hock of Fort Worth, Danciger attorney, and the local law firm of Cook, Smith, Teed & Wide.

The petition named 16 employees as strikers. They are J. L. Dykes, C. S. Dykes, W. N. Simmons, C. N. Watson, F. G. Arney, B. E. Godwin, J. H. Vaughn, L. A. Easterwhite, Earl Snyder, E. A. McKencher, C. V. Webber, E. Taylor, G.

B. Stewart, O. V. Hunt, and E. R. Ballinger. Writs were not to be served by the sheriff's department until today. Defendants were to be increased, attorneys said, through an amendment to the injunction naming strike sympathizers who had assembled from other locales. Violators of the injunction would be subject to fine for contempt of court.

M. B. King, local secretary of the Oil Workers union, said he had no statement other than that the strike had halted operation of the field properties of the company, was growing in sympathy, was peaceful in operation, and that negotiations were proceeding.

Miss Angela Strnad is leaving today for a visit with relatives in Lubbock.

West Texas: Fair, cooler in southeast portion Sunday; Monday partly cloudy, warmer in north portion.

PLAN SECURITY PROGRAM

INSURANCE FOR JOBLESS WILL BE DEMANDED

PROVISIONS FOR OLD
AGE SECURITY ARE
DESIRED

BY W. B. RAGSDALE,
Associated Press Staff Writer.
WASHINGTON, Nov. 10. (AP)—A 10-point plan through which the administration hopes to take men and women out of soup lines and porches and keep them out is gradually taking shape under the guidance of the committee on economic security.

To aid this committee, composed of four cabinet officers and Relief Administrator Hopkins, President Roosevelt today named an advisory council consisting of 19 men and women who have long studied and evinced interest in this endeavor. The council will be headed by Frank P. Graham, president of the University of North Carolina.

Unemployment insurance and old age pensions top the program of social security with which they are dealing. When they finish they hope to present a rounded program that will cover the 10 phases into which their problems have led them. Undoubtedly, however, while a rounded program will be recommended to President Roosevelt before December 1, the legislation in which it will be embodied and presented to congress will be split into several bills.

In all probability those calling for unemployment insurance and old age pensions—now already effective in one form or another in 28 states—will go to the newly elected congress. What will be necessary with regard to some of the other phases cannot be determined until the effect of these two have been measured.

The 10 points, compiled by experts in the different fields, or the committee and the advisory council to assemble into a workable plan are:

- Unemployment insurance.
- Provisions for meeting the economic risks of illness.
- Public works as a means of economic security.
- Employment opportunities.
- Special measures for economic security of children.
- Survivors insurance.
- Dependency and relief.
- Economic security for farmers and agricultural workers.
- Handing and investment of reserve funds.
- Other studies have been directed into the local aspects of a security program and administrative possibilities and constitutional questions. Much background factual data is ready to bolster the arguments that will be presented in the recommendations of the plan finally assembled.

Eccles Is Named Reserve Governor

WASHINGTON, Nov. 10. (AP)—A staunch advocate of administration policies that have brought obvious displeasure to some conservatives was named today by President Roosevelt to be governor of the federal reserve board.

Only 44, small, brisk and quick-spoken, he is Marriner S. Eccles, who has been assistant secretary of the treasury.

BY FRANK N. BELGRANO JR.,
National Commander, The American Legion.

(Written For The Associated Press.)
The Armistice day we celebrate on the eleventh of November is a day of double significance—a day of remembrance and a day of thanksgiving.
It is a day of memories—memories poignant and tender. For those of us who were privileged to serve our country during the great World war,

Many Firms To Close Monday For Holiday

Monday will be observed as Armistice day in Pampa, with many stores, bank, postoffice, utilities, barber shops, beauty shops, hardware stores, lumber yards, and various other businesses closed for the day.

However, it was not assured last night that grocery and dry-goods stores would close.

Many Pampans will go to Lubbock for the Sankle-Westerner game. Others will take hunting jaunts, play golf, visit relatives, or attend to accumulations of business.

The NEWS will publish a paper as usual but probably at earlier hour.

PRESBYTERIANS CALL MINISTER OF OKLAHOMA

Rev. L. Burney Shell
Will Arrive in
December

The Rev. L. Burney Shell of Tahlequah, Okla., who was officially called by the Pampa First Presbyterian church a few years ago, has accepted and will assume the pastorate here on the first Sunday in December.

With him will come Mrs. Shell, an active church worker, and their three children, the oldest of which is nine. Rev. Shell is a graduate of Trinity university at Wapakoneta and of McCormick Seminary of Chicago. His previous pastorate include a 5-year stay at Plainview. He is about 40 years old and has been active in civic club and community work in a number of cities.

The call was made here Thursday evening on unanimous action of the congregation after Rev. Shell had been unanimously recommended by the pupil committee. The action came after a talk by the Rev. R. Thomsen of Amarillo who was appointed moderator for the occasion by the presbytery of this territory. Dr. Thomsen said that Rev. Shell was very well and favorably known among the ministers of this section, who would welcome his return to the Panhandle.

Mrs. Cheek Is Indicted in Death Of Her Husband

Mrs. Patsy Cheek was indicted late Friday for the slaying of her husband, Nyle Cheek, on Wednesday. She was released on \$2,000 bail.

Cheek died almost immediately after being stabbed with a bread-knife during a violent quarrel at the home of his estranged wife. Mrs. Cheek was placed in the city jail pending action of the grand jury, then released on bond.

The grand jury returned five more indictments before adjourning for the term. Returns had been made on three yesterday afternoon. Oscar Williams was indicted for maintaining and assisting to maintain a "nuisance" where whiskey was "kept, possessed, and sold."

(See MRS. CHEEK, Page 6)

MARTIAL LAW IS DECLARED BY ARIZONA

TROOPS INSTRUCTED TO REPEL INVASION OF GOVERNMENT

PHOENIX, Ariz., Nov. 10. (AP)—Martial law was invoked today by Governor B. B. Moer in an apparent attempt to stop the United States government and the Metropolitan Water District of California from building a diversion dam across the Colorado river.

Twenty machine gunners and 40 infantrymen were ordered out to augment a militia squad already on the scene. The troops were instructed to "repel the threatened invasion of the sovereignty and territory of the state of Arizona."

A declaration that Arizona's governor might find himself in the position of using national guard troops to "fight the United States government was made by one California Water District official who declined to allow the use of his name.

An intimation that the matter was beyond the pale of Arizona's authority was dropped in Washington by Secretary of the Interior Harold Ickes, whose department has supervision of the big construction project.

"We have" said Ickes, "a fairly respectable legal opinion that the

(See DAM FIGHT, Page 2)

Biplane Damaged By Fire At Port

Half a tank of gasoline still remains in the tank of a burned biplane at the local airport. The fire, caused from the backfire of the motor when being "cranked," burned the wings and the wood frames, leaving only the motor, propeller, and aluminum frame.

The plane caught fire Friday afternoon when being prepared for a flight, and before the fire department arrived, everything inflammable had been destroyed, yet the gasoline did not explode.

The ship, a Lincoln K5 training biplane, belonged to W. S. Boyston of Groom, who had it for sale at the local airport. T. M. Keenan, local pilot, was in the cockpit and Wesley Lewis was at the prop when the motor backfired. The plane caught fire underneath and was soon a mass of flames. The damage was estimated in excess of \$300.

Doctor Watches 22 Boys He Attended At Birth In Tilt

HARLINGEN, Nov. 10. (AP)—Dr. L. M. Davis had more than an ordinary grid fan's interest in the Donna-Weslaco high school game.

Donna won, practically clinching the district title, but that really wasn't the big thing in the Harlingen physician's mind as he watched those boys struggle for victory on the field below.

To him, the paramount interest was the spectacle of those players grown to healthy youth. For he was the attending physician at the birth of thirteen of the Donna players, a nine of those on the Weslaco team.

I Saw . . .

Roy Bourland run down a rooster in front of the high school yesterday. He chased the screaming fowl twice up and down Francis avenue between the red light and Russell street. Roy first called over a bunch of boys from the school and offered a nickel to the one who caught it. They all began chasing but the boys soon gave out and Roy kept steaming ahead.

Go To Church Today—
White Deer lose to Panhandle Friday—but that's not all. There is a potential gridiron genius on that team that Pampa can't afford to overlook—after allowing Lubbock to get Morris White and Doc Merrill and Amarillo to get Shoals.

Gaston Foote To Preach His Last Sermon Tonight

A year in Pampa for Gaston Foote will end this evening at the First Methodist church where he will preach his final sermon of the conference year at 7:45 o'clock on the subject, "The Forks of the Road." An illuminated cross presentation will precede the sermon. The male quartet will sing.

The pastor and church officials urge every member of the church to make a special effort to attend church this morning and this evening. Rev. Foote will preach against war this morning using the subject "The Unknown Soldier Speaks."

Rev. Foote will leave early this week for Abilene to attend the Northwest Texas annual conference. Pampa church officials hope he will have time to return to the local church for another year. Numerous churches in Texas, including the second largest church in Fort Worth have petitioned the conference for Rev. Foote's services next year, according to local stewards.

Reports of the year will be made at the services today.

Christopher's New Plane Will Arrive In City

A new airplane will arrive at the Pampa airport between 11 o'clock and noon today and will be stationed here. The plane belongs to George Christopher, local aviation enthusiast, who sold his Waco plane to Ben Hoover at Canadian last week and then purchased the new ship.

The latest addition to the many ships here is a Command-Air bi-plane with a 185-horsepower Curtis-Wright motor. It is being flown here from California by Monty Keenan of Los Angeles, brother of T. M. Keenan, pilot of Merland M-1 monoplane owned by Bert and V. A. Howell.

Mr. Keenan brought the ship as far as Albuquerque, N. M., where he stopped last night.

Annual Kiwanis Picnic Will Be Held On Dec. 6

The Kiwanis program Friday was in observance of Armistice day. Short talks were made by Raeburn Thompson and Paul Hill. All of the members who were ex-service men were asked to stand during the date for the annual Kiwanis banquet was announced as Dec. 6. The program will be in charge of Alex Schneider, Dan McGrew, Chris Martin and Bill Jarett.

Farris Oden asked the support of everyone in making the Red Cross roll call drive a success in Pampa. Visitors included Paul Simpson and J. O. Cutham.

Negro Fighter Moves To City

Pampa is now the home of K. O. Brown, one of the most promising negro fighters in this section of the country. Brown formerly fought out of Amarillo but moved to Pampa last week to make his home. Brown is working for B. W. Kelly at the Rex Barber shop.

Brown appeared here twice against good boxers. On his last appearance, he lifted the mythical state light-heavyweight crown, negro division, from Schoolboy of El Paso, by the knockout route.

Brown works out every afternoon about 2:30 o'clock in the Plamor auditorium. He is working with Joe Vernon, local middleweight, who is showing the negro flash some of the finer points of boxing.

The negro is one of the best built boxers to be seen here in some time. He has a long reach, a beautiful pair of shoulders, slim waist, and slim legs. He packs a terrific punch in either hand and is exceptionally fast for a big fellow.

TELEPHONE MEN HERE

Three officials of the Southwestern Bell Telephone company were visitors in Pampa where they inspected the local system. The visitors were F. L. Joster, division plant superintendent, and B. W. Schaffer, division maintenance superintendent, both of Fort Worth, and C. P. Soudner, district plant superintendent, of Amarillo.

WILL HUNT BEAR

Dr. W. Purviance, Dr. W. Mitchell, W. M. Castleberry, and George Kendall left yesterday morning for Old Mexico where they will hunt bear. The party will cross into Old Mexico at Del Rio and will hunt in the Sierra Madre mountains.

Miss Leora Kinard is visiting her parents at McLean today and tomorrow.

Miss Martha Wulfman is spending the week-end with relatives in Amarillo and Farwell.

LEGION HEAD

(Continued from page 1.)

Interrogation point.

Results in War's End.

We cannot reproduce on this anniversary of that world-moving event that all-consuming joy, that over-sweeping wave of emotion which marked our first armistice. It was spontaneous; a thing of the moment, a burst of relief.

The great war as fought with weapons and with suffocating gases had come to an end. It remained then to bind up the wounds and to lend a helping hand in knitting together the broken strands of thousands of lives upon whom that time of conflict had cast a blighting shadow. Comrade turned to comrade, and out of that feeling of mutual dependence and mutual helplessness the American Legion was born.

Service In Peace

The patriotic service of the men who bore arms in defense of our country in 1917 and 1918 is not yet ended. These defenders of our republic are now charged with rendering a peace-time service equal to—if not greater than war service.

We are just emerging from a great national crisis—a time that tried the souls of men—a time when the mettle of the former soldiers was again tried and tested. They stood firm and steadfast, exemplars of that fine spirit of Americanism which has made our country great and which will again lead it back to happier days.

Message and My plea to the people of the United States is to have faith in our form of government—faith in this great country of ours—and, even more important, have faith in ourselves.

The former soldier, who on this day reflects with tender memory, is lending his best efforts to alleviate present conditions and bring our nation back to a normal status.

DAM FIGHT

(Continued from page 1.)

federal government has jurisdiction over navigable streams (the dangerous Colorado river has been held navigable in the area involved). Under this opinion it is believed the United States has a right to decide a question of the sort involved here.

Governor Meier immediately telegraphed President Roosevelt outlining the action taken and explaining his reasons. Adjutant General Oscar Temple of the national guard said it was the first time in Arizona history that martial law had been declared.

Meier's sudden move was another ramification of the long struggle between Arizona on one hand and the six other states involved in the Colorado river compact for building of Boulder dam and the distribution of river water, much of it to the thickly populated Metropolitan area of Southern California.

Arizona contended the compact did not give her a just share in the great project. Despite this, the federal government went ahead with the construction of Boulder dam, the great structure which will hold back the flood waters and form a huge lake from which both cities and irrigated farms will drink.

The site of the dispute is a desolate, uninhabited area on the river, which serves as the border line between Arizona and Colorado. There a diversion dam is being built to supply Southern California with water.

BUILDING REPORTS

AUSTIN, Nov. 10 (AP)—Austin led the state in volume of new building last week with a total of \$103,617. Included was an \$81,801 project financed through the public works administration for construction of a 4,000,000-gallon settling basin for the city water and light department.

City	Week	Year
Austin	\$103,617	\$995,048
Corpus Christi	62,123	379,746
Dallas	52,495	2,001,766
Houston	43,050	4,328,258
Longview	37,974	525,370
Fort Worth	24,100	742,478
Tyler	23,658	660,863
Amarillo	9,452	349,278

Sooners Beat Iowa State Eleven 12-0

OWEN FIELD, NORMAN, Okla., Nov. 10 (AP)—Two rapier-like thrusts in the first period gave the up-and-coming University of Oklahoma Sooners a 12 to 0 victory over Iowa State here today.

The victory, cheered by more than 8,000 fans, gave the Sooners undisputed hold on third place in the Big Six conference and a chance to step into the runnerup position against Kansas State next Saturday.

State-Wide Oil Hearing Is Set For November 23

AUSTIN, Nov. 10 (AP)—A statewide oil proration hearing of Texas oil operators today was set for Nov. 23 by the railroad commission. Revisions in production schedules for the various fields for December will be based on testimony received at the hearing.

Lon A. Smith, chairman of the commission, said he anticipated only routine matters would be brought to the commission's attention at the hearing.

"I don't see much necessity for a hearing, but there may be some need for some revisions," Smith said.

Proration schedules were revised after the previous hearing to boost Texas production by about 5,500 barrels to 953,995 barrels daily.

The federal recommendation for November was 957,300 barrels.

The East Texas proration basis of 3.6 per cent of the hourly potential for each well was unchanged in the November reallocation. Also, the commission took no action on plea of certain operators for an increase in the Conroe field allowable.

Engineering reports of Gordon Griffin, the commission's chief engineer, on several fields not considered last month may be received at the November 23 hearing.

E. E. School Has Mounting Favor as Civic Project

Interest in the Emergency Educational school is increasing, as is indicated by enrollments and inquiries concerning the school.

Following a recent Emergency Educational school assembly talk by James Todd Jr., an invitation has been extended to him to speak next Tuesday evening at the general office camp of the Standard Oil and Gas company. Faculty members of the school are prepared and in readiness to speak to clubs and organizations that are desirous of securing information concerning the school and giving it support and co-operation as a civic project in the city.

Announcement will be made within the very near future of the personnel of the Emergency Educational school board.

As soon as the board is created and organization gets way toward maintaining of permanency, it is thought that the enrollment will show a decidedly marked increase.

All classes for Monday evening will meet at the regular hours, and registration will begin at 6 o'clock and continue throughout the evening for those who are desirous of enrolling in any of the classes.

MARKET BRIEFS

NEW YORK, Nov. 10 (AP)—Stocks were traded briskly in the brief week-end session today but net price changes on the average were small.

While most markets continued to reflect buying optimism, traders supplied buyers with shares as they evened up accounts at the week-end or accepted profits following yesterday's sharp upturn near the close.

The increase in speculation since the election resulted in a turnover of 687,750 shares in the two hours of trading, the largest for a Saturday session since June 9. A week-end the volume was only 311,000 shares.

Most of the buying again was concentrated on industrial shares. Utilities were easier on the whole. The Standard Statistics Co. average for 90 stocks was only one-tenth of a point higher at 74.

United States government bonds firmed and corporate issues had a good undertone.

The share market diverted attention from commodities. Most of them moved in restricted lanes. Wheat was virtually unchanged at the close. Cotton ended 40 to 50 cents a bale higher. Most European exchanges yielded a little ground to the dollar.

CHICAGO GRAIN

CHICAGO, Nov. 10 (AP)—Pre-holiday adjustment of accounts, drought complaints from domestic wheat territory southwest, and unfavorable crop conditions in Argentina, gave wheat values an upward tilt today.

Profit-taking sales on price advances, though, confined wheat gains to narrow limits. On the other hand, forecasts pointed to showers and warmer weather in Argentina over the week-end an additional strengthening influence as to wheat as well as regarding corn, came the bullish showing of the government crop report and from assertions that a further reduction of the government estimate of the 1934 corn crop appeared likely.

It is contended that the present official estimate of United States corn production is upon the basis of the acreage reported July 1, and that the sole allowance for the enormous area which was altogether abandoned has been an effort to discount the total production by arbitrarily reducing the actual yield per acre on the total area originally planted. Oats and rye sympathized with corn strength.

Provisions went higher than hog values and with grains. All deliveries of lard reached a new high price record for the season.

KANSAS CITY LIVESTOCK

KANSAS CITY, Nov. 10 (AP)—(U. S. A.)—Cattle trade at midwestern markets this week was featured by a continued liberal movement of steers and yearlings and increased supplies of grass slaughter cattle.

Fed steers and yearlings opened the week 25 to as much as 50 higher, but increased runs after Tuesday enabled packers to wipe out most gains. Closing prices are unevenly steady to 25 higher as compared with a week ago. Fat cows were stronger. Reduced supplies of stocker and feeder cattle and calves ruled steady to strong. Stocker and feeder steers cashed mostly from 2.75-4.75 with choice stockers around 5.00-25. Aggregate receipts of commercial cattle were around 216,000 as compared with 234,545 last week and 217,868 a year ago.

Hogs were unevenly higher for the week with butchers up 15-30 and weights under 200 pounds unevenly 25-75 higher. Demand continued most broad for weights above 200 pounds. St. Louis and Chicago had late top of 6.05. Total offerings were around 403,600, an increase of 9,000 over last week and 37,000 heavier than a year ago.

The week's supply of commercial sheep approximated 227,500 against 322,468 last week and 318,918 a year ago. Fat lambs are steady to unevenly lower than a week ago, clipppers at the river markets off 25-50.

NEW ORLEANS COTTON

NEW ORLEANS, Nov. 10 (AP)—Trading in cotton was quiet active in today's brief Saturday session and prices developed a fair upward tendency. Cables were better than due, outside markets were firmer and there was good trade buying and price fixing. Shorts also covered rather freely for over the week-end and in advance of Monday's holiday. After opening 3 to 5 points up, prices gradually gathered strength until at the highest of the late trading they were 9 to 10 points above the previous close.

After easing off 1 to 3 points at the end on realizing the market, closed very steady with prices showing net gains for the day of 7 to 9 points.

December closed at 12.38 and March at 12.49 or 9 points net up for the day. May closed at 12.48, or 7 points net up.

Port receipts 17,637, for season 2,491,877, last season 3,946,786. Exports 25,057, for season 1,533,828, last season 2,738,483. Port stock 3,164,844, last year 4,002,483. Combined shipboard stock at New Orleans and Galveston 44,483, last year 90,450. Spot sales at southern markets 13,429, last year 32,812.

ARMISTICE DAY

IN EARNEST TRIBUTE TO THE MEMORY OF AMERICA'S SOLDIERS, LIVING AND DEAD, WHO BY THEIR SACRIFICE AWAKENED A NATION'S CONSCIOUSNESS TO THE WASTING FUTILITY OF WAR AND KINDLED A LASTING DEVOTION TO THE CAUSE OF PEACE... IN THIS SPIRIT WE DEDICATE OURSELVES TO THE CAUSE OF ARMISTICE DAY.

He lies in final peace, who fought the battle of all nations. In sacred beauty stands his tomb, and each year countless thousands pay it reverence with bowed heads. A famous general places a wreath of laurel at its side, a diplomat utters inspirational phrases to commemorate another Armistice day. And still he lies in peaceful slumber, embraced by eternity. For what are wreaths, and what are phrases... without peace? When we assure our Unknown Soldier of peace everlasting, then are we paying him the tribute which was worth life itself.

WHITEY BACCUS IS STAR AS SMU'S AERIAL MAGIC DAZES AGGIES 28 TO 0

RICE CONQUERS PORKERS WITH SINGLE SCORE

OWLS ALSO USE PASS TO MAKE THEIR TOUCHDOWN

OWNBY OVAL, DALLAS, Nov. 10. (AP)—Up to their old passing tricks again after several weeks of devastating running play, Southern Methodist's Mustangs plastered the Texas Aggies with one of their worst southwest conference defeats in 20 years here today 28-0.

All kinds of passes, lateral, forward and backward, netted the Mustangs a total of 196 yards via the air. Eighteen times they attempted ozone gains and 14 times they clicked. Once the Methodists dazzled a homecoming day crowd of 12,000 by completing nine straight aerials. One of the Methodist's former stars, Whitey Baccus, came back into his own with his bullet-like passes and twirling running plays. The big thrill came when he faded far back of his line and rifled a pass that whizzed 53 yards through the air before little Robert Wilson gathered it in on the Aggie 10-yard line. On the next play Wilson floated another forward to Stewart, end, who went over for the touchdown. Orr converted to give the Methodists a 14-0 lead at the half.

After a scoreless first period, the Mustangs tallied when Stewart recovered an Aggie fumble on the Farmer 30-yard stripe. Two passes, Wilson to Stewart, placed the ball on the 16-yard line and Wilson rushed around end for the first score. Orr converted.

The aerial barrage accounted for the third touchdown. Finley threw straight and hard to Carroll, end, for two long gains that placed the ball on the 34-yard line. Finley cracked center for nite, tossed another forward pass to Carroll on the six yard line, saw his efforts nullified by an offside penalty and then recovered nicely with a 10 yard heave to Bray on the one yard line. Finley smashed across for the marker and Spain kicked point. "Cotton" Meyers, a shifty sophomore back, gathered in a lateral toss from Turner in the fourth period, started out on the Aggie 34-yard line and wiggled his way through a horde of Aggie tacklers to cross the goal line. Spain again kicked the point. Just a few minutes before, Baccus put on another long range passing exhibition, completing a 27-yard throw to Tipton which carried the Mustangs to the Aggie 16-yard line. Baccus twisted over tackle for five yards but the ball went over when line plays and laters failed to pick up the needed ten yards.

Cleanness Beats Arkansas
FAYETTEVILLE, Ark., Nov. 10. (AP)—A clever spread formation with Bill Wallace passing to John McCauley caught the Arkansas Razorbacks off guard today and gave the Rice Owls, leaders in the Southwest conference, an important 7 to 0 victory.

The touchdown came as the result of a 60-yard combined running and passing drive in the middle of the second quarter. Wallace laid the setting for the advance when he returned Arkansas' punt 30 yards to the Porker 36-yard line. A pass, McCauley to Witt, was good for 16 yards. McCauley and Wallace added three yards on two line attempts. An offside penalty placed the ball on the Arkansas 12-yard line, where Wallace picked up two yards around right end.

On the next play, a quick spread formation left McCauley open behind the Razorback goal-line and Wallace's bullet pass true. Sylvester, lanky Owl wingman, sent the ball squarely through the bars for the extra point.

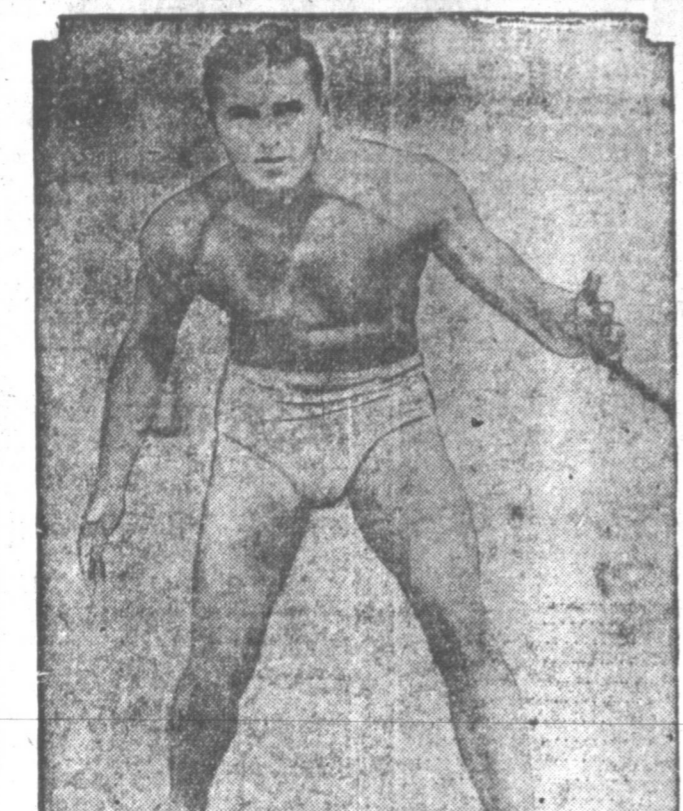

Opening the game with terrific defensive play, the Razorbacks twice backed the Owls to their own four yard line in the first quarter. A 30-yard punt against the wind by Gardner, substitute Porker quarterback, plus a 15-yard penalty on the Owls forced Rice to take the ball on their own 4-yard line early in the game.

Wallace kicked out safely but Jordan, injured cornerback, shot kicked back to the Owl 4-yard line where Lake, Porker end, downed the ball. Wallace's left toe again pulled the visitors out of their difficulty.

Misses Field Goal
Taking the ball on Rice's 26 near the end of the first period, the Arkansas backfield opened up a passing barrage but after three successive aerials were knocked down, Geiser, bantam halfback, who gave Arkansas a 3 to 0 homecoming victory over Southern Methodist last year, dropped back to the 34-yard line for a field goal. His try was short by inches.

After the Rice touchdown in the second quarter, Coach Fred Thom-

M'LEAN BEATS LEFORS 20 TO 7 WITH FIVE-MAN BACKFIELD

Blocking, Tackling, Punting Make Game Best Seen In This Section This Season.

(By STAFF CORRESPONDENT)
LEFORS, Nov. 10.—A five-man backfield, the first of its kind seen this year, was used by Coach Garrison Rush of the McLean Tigers to win sectional honors from the LeFors Pirates at Shaw field last night. McLean, after being outplayed the first quarter, came thru with two running passes and a long run to defeat the light but game Pirates, 20 to 7.

Rush started Christian, Dowell, Jackson, and Tolliver in the backfield, but repeatedly called Cunningham, a giant guard, out of the line to carry the ball, while Dowell went to the guard position. The system worked so effectively that the Tigers were able to crush LeFors by terrific punting, and then sneak across pretty passes for gains.

The game, from a fan standpoint, was the best played in this section during the 1934 season. The tackling of both teams was brilliant, while waves of blockers cleared the way for ball carriers. Punting also played a large part, with both teams averaging more than 40 yards per punt. McLean made 11 first downs to 7 for LeFors.

Little Morgan, LeFors ball totting ace, was a marked man from the first whistle. The little fellow worked hard, but was able to break loose only at intervals. Cumberland, big fullback, was the most effective ball carrier on the Pirate eleven. Still, quarterback, and Hall, substitute halfback, came in for some nice work.

It was the work of the LeFors ends that was outstanding. Flynn and Hearn were powers on defense, with the Irishmen having a slight advantage. The big fellow was taken out of many plays but managed to get the ball to the end by reaching a long arm for his foot. Maness, although playing with a temperature past the 100 mark, was the power in the LeFors line. Moore at center also showed up well.

The entire McLean backfield started. Little Christian, quarterback, spent the entire evening blocking, not once carrying the ball. Tolliver was probably the star ball totter of the game, although he was ably assisted by Dowell and Cunningham. Jackson made long gains on most of his attempts. The work of Stratton, end, was a feature of the Tigers' line play. The big fellow was a power on defense and also on offense. G. McCarty, center, and Andrews, guard, were power-houses on the forward line.

The same eleven players who took the field for McLean finished the game without being relieved. LeFors used five substitutes.

More than 3,000 fans packed Shaw field to see the game. The McLean band and pep squads paraded at the half.

The first quarter was a midfield battle, with LeFors having the upper hand. The little Pirates slashed through the big McLean line for nice gains and recovered a blocked punt. They played smart football to outguess their opponents but could not get the ball into scoring position.

BY HARRY E. HOARE,
Sports Editor, The News.
Pampa's Harvesters steam-rolled their way to a 32 to 7 win over the Borgers Bulldogs Friday afternoon to take the lead in district 1 with two wins and no losses. The Harvesters failed to show the form of a few games ago in their victory, while Borgers seemed anything but the team that held Amarillo to a 12 to 6 score three weeks ago.

Pampa's blocking was inferior to past performances, and the team generally looked sluggish despite the large score. The substitutes put the fire into the game. Captain Monroe Owens and Fred Mumford, ends, were in the starting lineup. Both showed flashes of old form but Owens was much slower than before his injury.

Dunaway's Nose Broken.

The game was the roughest played on the local field this season. D. Stevens, Borgers' ace guard, was ejected from the game early in the second quarter after he had broken Bill Dunaway's nose with a two-fisted attack while Dunaway was on the ground. Several other Harvesters came out of the game with clawed faces and battered mouths and noses.

The stiffest play of the game came in the last quarter when Brown, Harvester substitute, intercepted a Borgers pass on his own 40-yard line and ran for a touchdown. Brown reversed the field after intercepting the pass and waited briefly for his interference to form before scooping up the sidelines. Brown made another touchdown on an intercepted pass at the whistle but it was not counted as Umpire Hicks had tried to halt play before the Borgers center passed the ball to Shaw, who in turn attempted to pass to a Borgers player hiding on the Pampa 45-keeper Berry scooped up a bad pass from center behind his goal line and was tackled by Hooper and C. Parker. Half of the Gentlemen's 22 passes were attempted in the final five minutes and the ball was placed in scoring position on the 7-yard stripe, from which Buddy Parker carried it over in two plunges after a line play and another pass failed.

Chapman blocked a Centenary kick in the third on the 21 yard line and after Tack Dennis had passed to Berry to the 5-yard mark, the plunging fullback bucked the ball over on four tries.

It was the second defeat suffered by Centenary in 30 games, the first being administered five games ago by the University of Oklahoma.

Centenary scored on a safety and touchdown. In the first period, Skeeter Berry scooped up a bad pass from center behind his goal line and was tackled by Hooper and C. Parker. Half of the Gentlemen's 22 passes were attempted in the final five minutes and the ball was placed in scoring position on the 7-yard stripe, from which Buddy Parker carried it over in two plunges after a line play and another pass failed.

Chapman blocked a Centenary kick in the third on the 21 yard line and after Tack Dennis had passed to Berry to the 5-yard mark, the plunging fullback bucked the ball over on four tries.

Spot Passing Good.
Shaw's passing was the outstanding feature of the Borgers attack. His throws were accurate to a given spot, but the receivers were often absent or they dropped the ball. The Bulldogs hit at the Harvester line with monotonous consistency to gain little. Borgers showed a powerful defense in the first quarter in holding the Harvesters to a single touchdown.

The lone Borgers touchdown came on a recovered fumble two completed passes, and five line plunges against the Harvester second string. The Harvesters held for three downs on their one-yard line, took a 10-yard penalty before Borgers went across.

The first Harvester touchdown came on a drive after the kick-off. The Harvesters returned the kick-off to their 37-yard line, from where Nash, Hamilton, Mackie, and Dunaway carried the ball to the 6-yard line, where Mackie took it around left end for the touchdown. Hamilton added the extra point.

Nash Goes Over.
The Harvesters counted again early in the second quarter on another long drive, with Nash and Hamilton doing all the ball totting. Nash crashed through from the 3-yard line and Hamilton added the extra point.

Six more points were added within 3 minutes after Borgers was penalized 25 yards for roughing. Stewart passed 20 yards to Dunaway on the 1-yard line and then carried the ball across. Green missed the extra point.

Borgers scored just at the half when Zumwalt went across after 5 plunges into the line. He also added the extra point.

At the half, the Borgers pep squad paraded and was followed by the Pampa high school band with Paul Schneider, drum major, and Misses Claudine Jeffries and Pauline Stapp expertly doing baton juggling. The Harvester pep squad followed the band on the field.

Mackie Speeds Across.
Hamilton intercepted a pass on his own 35-yard line and carried it to the Borgers 10-yard line after the kick-off. A 15-yard penalty for clipping set the ball back to the 25-yard line, but on the next play Parks and Mumford cleared the way for Mackie to cross the goal line standing up. Hamilton added the extra point.

Owens blocked a Borgers punt on the 23-yard line a minute later and then gathered it up to run to the Borgers 5-yard line before being downed. Owens lost 2 yards, but Nash picked up the necessary 7

WHITE LEADS DISTRICT IN SCORING RACE

'White Phantom' Of Lubbock Has Scored 91 Points—Played Less Than Any

Morris White, Lubbock's swivel-tipped backfield ace, is leading the District one scorers with 91 points, despite the fact that he has played less than any other player in the upper bracket. John Harlow, Amarillo's backfield star, is crowding White with a total of 72 points.

Lloyd Hamilton is leading the Pampa scorers and is in third place in the district with 58 points. The Pampa quarterback made 22 of his total points via the point after touchdown route. Dunaway and Nash follow with 48 points each.

The "Big Ten" are:

Name—Team	Points
White—Lubbock	91
Harlow—Amarillo	72
Hamilton—Pampa	58
Dunaway—Pampa	48
Nash—Pampa	48
Zumwalt—Borgers	46
Fanning—Pampa	30
Stidger—Amarillo	28
Mackie—Pampa	25
Elkins—Pampa	18
Powell—Pampa	18
Buflin—Amarillo	18
Hill—Lubbock	18

Fans May Travel By Bus To Game

Pampa football fans will be taken to Lubbock from the local bus terminal for \$4 round trip ticket. Roy Quinn announced yesterday afternoon. The regular bus leaves here at 8 o'clock a. m.

If 10 or more fans wish to make the trip, a special bus will be sent from Pampa and will return after the game, which will make it unnecessary to wait for the regular bus out of Lubbock.

Fans are asked to call the station today, although a bus will be available if the required number desires to charter a special bus Monday morning.

Mrs. R. D. Whisenand and daughter, Marinell, returned Friday from Chanute, Kan., where they visited Mrs. Whisenand's parents, Mr. and Mrs. S. B. Rohrer.

See TEXAS DOWNS, Page 4

TEXAS DOWNS BEAR PASSING ATTACK 25-2

LONGHORNS WIN FIRST CONFERENCE GAME OF SEASON

AUSTIN, Nov. 10. (AP)—A driving University of Texas football team smashed its way to a 25-6 victory over Baylor University's Bears in a Southwest conference game today.

It was Texas' first conference victory of the season and the fourth time Baylor has bowed to league opposition.

Texas was master of the game from the start to the finish with the exception of a few brief moments near the end of the second period when Baylor unleashed a dazzling aerial offensive that carried them to one touchdown and dangerously near to another score. Baylor's highly touted overhead attack, however, was smothered at crucial points by alert playing on the part of Texas backs while the Baylor ball toters found the Texas line too tough to handle on nearly all occasions.

The Longhorns drove to Baylor's three yard line shortly after the game opened but Hugh Wolfe fumbled and Baylor recovered. A few plays later, Pitzer, smashing Texas fullback, drove through Baylor's right tackle for 34 yards and a touchdown and Hilliard place kicked the extra point.

Texas tallied again on the second play of the second period when Hilliard passed to Jack Gray, gangling Texas end, for 15 yards, and Gray scampered seven more for a score.

Pitzer's poor punt gave Baylor the ball on Texas' 38-yard line. Hensley passed to Williams on Texas 19. Baylor lost 25 yards on two attempted passes when the Bears backs could not find anyone open and it appeared Baylor's threat was ended.

Hensley, however, shot a bullet pass to Williams for 26 yards and then rocketed one to Aubrey Stringer for 19 more and a touchdown. Stringer's try for a score was wide.

Near the end of the period Baylor ran and passed its way to Texas' 21-yard line but Texas linemen

NAVY BEATS NOTRE DAME 10 TO 6 IN GREATEST VICTORY

CLEVELAND, Nov. 10. (AP)—Bitter as though the inland seas themselves were in danger, the young men of the Navy made a magnificent stand on the shores of Lake Erie today, hurled back the green might of Notre Dame, 10 to 6, and sailed on toward unbeaten glory as great as any of the football forces from Annapolis ever have known.

It was the seventh straight conference win for the Navy today, romping to four touchdowns and leading Duquesne to a 32 to 0 victory over the Oklahoma Aggies.

SOONER AGGIES LOSE
PITTSBURGH, Nov. 10 (AP)—Art Strutt, the leading eastern scorer, treated a hometown delegation from Bellaire, O., to a dazzling exhibition of his prowess today, romping to four touchdowns and leading Duquesne to a 32 to 0 victory over the Oklahoma Aggies.

FOR RENT—Two-room furnished house. Two blocks west and 1 block north of Hilltop Grocery. 2c-187

RICE

(Continued from Page 3)

sen rushed Ray, substitute guard into the lineup. He dropped back to shoot long passes but the alert Owl defense successfully turned back the attack.

The third period brought a great defensive battle between the forward walls. Neither set of backs was effective and the only outstanding play of the quarter was a 45-yard sprint by Metzler, Owl halfback. He was eddied back because a Rice tackle clipped.

Taking the ball on his own 15-yard line, Jefferies, shifty Parker halfback, broke through left tackle to give Arkansas its only scoring chance. He reached a clear field but was forced to the sidelines by Wallace, Rice's triple threat star, after a 31-yard gain. The powerful ball turned back line thrusts and a last-minute passing attack ended when Letts, Owl fullback, intercepted a long fling from Harris.

Wallace Stars

Wallace turned in by far the most outstanding backfield performance. His left-handed passes and left-footed punts kept the Razorbacks at arms length all afternoon. Wallace and McCauley played with equal brilliance in the visitors' running attack.

For Arkansas, Jefferies and Geiser were instrumental in accounting for five Razorback 1st downs. Rice chalked up 12 first downs. Newby, tail Parker center, was most effective in checking the visitors' attempts at the middle of the Parker line and knocked down numerous Owl passes. Lake, Arkansas wingman, also turned in a great defensive performance. Sylvester and Williams, Rice's veteran wingmen, broke up Razorback running plays and threw passers for losses.

McLEAN

(Continued from Page 3)

McLean unlimbered his big guns at the opening of the second half when Cunningham, Dowell, and Tolliver gained at will. They, however, made the mistake of hitting the zone. LeFors carried out and punted but their advantage was short-lived when Robertson got LeFors a 25-yard penalty for roughing, which put the ball on LeFors' 30-yard line. Two line plunges failed and then McLean added a perfect running pass for a touchdown.

Tolliver took the ball and started around end, but suddenly stopped and backed up to throw a perfect pass to Stratton over the LeFors left halfback for a touchdown. Greer added the extra point.

The same play, only over the LeFors right halfback, accounted for the next McLean touchdown, near the half. This time Tolliver spearheaded on an end run to pass 25 yards to Dowell on the goal line. Dowell missed the extra point.

LeFors came back fighting in the second half but in watching the Tiger passing attack, failed to see Jackson slip through tackle behind perfect interference to race 40 yards for another touchdown. Dowell added the extra point.

The lone LeFors touchdown came in the last quarter when the Pirates opened up and played their first real football since the first quarter. With Still and Morgan carrying the ball around ends and Cumberlandidge hitting the line, the Pirates started a march down the field. Hearn flipped a left-handed pass for 25 yards to Still on the 10-yard line. Still carried the ball to the 3-yard strip from which point Cumberlandidge crashed through for a touchdown. Combs added the extra point.

LeFors was on another drive at the whistle.

The starting line-ups:
LEFORS (7) Pos. McLEAN (20) Hearn LE Greer Mathis LT H. McCarty Maness LG Cunningham Moore C G. McCarty Howell RT Andrews Godwin RE Johnson Flynn RB Stratton Still QB Christian Robertson LH Dowell Morgan RH Jackson Cumberlandidge FB Tolliver Substitutes—LeFors, Hill, Duncan, C. Mathis, Combs, Stone.

Officials—Referee, Barrett (Georgia Tech); umpire, Vaughn (Simmons); headslinesman, Gilham (W. T. S. T. C.).

HARVESTERS

(Continued from Page 3)

yards on the following play, and Hamilton kicked goal.

Nash scored his third touchdown of the game on the third play after the fourth quarter got under way. Mackie placed the ball in scoring position with a 25-yard run. Nash and Hamilton made a first down after the whistle for the last quarter and then Nash went across. Hamilton kicked goal.

Ball Changes Hands

Smith intercepted a pass following the kick-off but on the next play, Carver of Berger intercepted one of Owens' heaves. The Bulldogs kept the ball for only one play when Nash intercepted one of Shaw's passes and carried it Berger's 40-yard line. Mackie, Stewart, and Elkins carried the ball to the 12-yard line when Powell went into the game and took it across on his first plunge. Green missed goal.

Brown scored the last Harvester touchdown near the end of the play on a nice 60-yard run of an intercepted pass. He failed to kick the goal.

The starting line-ups:

PAMPA (63) Pos. BERGER (7) Owens LE Calder Nebitt LT Galster Smith LG Dunaway Haner RG Adams Park RT Barron Green RE B. Stevens Mumford RB Trotter Hamilton QB White Dunaway RB White Mackie RH Shaw Nash FB Brickell Substitutes—Pampa, Stephenson, Scott, Walker, Nix, Barham, Fagers, Johnston, Harbour, Nolan, Welton, Bivins, Rice, Eldridge, Harvey, Felner, Wise, Rose, Webb, Brown, Drake, Elkins, Powell, Stewart, Berger, Jones, Meyers, Cummings, Del-emeter, Sinks, D. Stephens, Chamberless, Carver, Miles.

TEXAS DOWNS

(Continued from Page 3)

broke through to smear Finley and Henley for a total loss of 20 yards in two plays and Texas took the ball on downs.

Texas took the kickoff at the start of the second half and passed and ran its way for a touchdown with sprinkling dashes by Wolfe and Hillard. The Orange flash got through left tackle and squirmed 18 yards. Wolfe carried the ball from Boyler's 22 to the 18-inch line in one play and slanted through tackle on the third try for a score.

Boylor kept the ball in Texas territory during the last half of the third period but their ground and aerial threats fizzled whenever the Bears got the ball within Texas' line.

Texas' final score came after a 40-yard drive. Hillard picked up 12 at right end and Gilbreath drove left tackle for six with Buster Juraska slipping through left tackle for 22 yards and a touchdown.

BUCKEYES PASS TO WIN

COLUMBUS, O., Nov. 10 (AP)—With their fathers sitting on the sidelines as guests, Ohio State's Buckeyes put on an aerial show today and smothered Chicago's Maroons, 33 to 0, in a Big Ten conference game.

Army Loafs Half Of Game To Beat Harvard 27 to 6

CAMBRIDGE, Mass., Nov. 10 (AP)

Loafing a minute for every one they worked, the high-powered Army Cadets counter-marched back to victory today by overwhelming Harvard's inexperienced forces, 27-6, before the grey-uniformed corps and 45,000 civilians, a combination that provided the Crimson with its largest crowd of the season.

The tip-roaring Army backs, behind the tank-line blocking of their captain, Joe Stancock, hit almost a point-a-minute rate during the first half, when Right Halfback Whitey Grove carried over two of Waco Jack Buckler's passes for touchdowns and Bill Grehs, sub quarterback, ploughed over for two more.

The Cadets, in gaining their third straight win over the Crimson, enjoyed a half holiday, for little of their second half time was spent beating down on their helpless Harvard rivals, who had seven touchdowns in their startling lineup.

The Harvard touchdown, rammed over by the 187-pound Bill Parqueskie, a highly skilled passer, came late in the second period, after the Army fire had ceased.

Bob Sanford is visiting in Lubbock today, and will attend the Amarello-Lubbock football game tomorrow.

DRILLING ACTIVITY IN GRAY AND HUTCHINSON SPURTS AHEAD

NEW AREA IN LEFORS FIELD BEING TESTED

HUTCHINSON GETS PLAY NORTH OF RIVER RECENTLY

BY GEORGE L. GUTHRIE.

Consulting Geologist, Combs-Worley Bldg. Fourteen new locations were staked in the Panhandle last week, an increase over the 12 announced last week. Gray county continues to be the favorite with six of the locations. Wheeler county was a close second with five. In Wheeler county three new starts were made effecting the Magic Oil & Gas company's No. 2 Walker which came in last week and is holding to around 100 barrels on test.

During the last two weeks there has been a decided upturn in drilling activity. Wheeler county has shown down considerably from her recent activity and Gray and Hutchinson counties have more drilling activity than has been usual, especially in Hutchinson county which has been comparatively inactive during the past months as compared with Carson, Gray, and Wheeler counties.

In Gray county, the area between Lefors and the west Wheeler "hot spot" is being tested out and some nice wells have been brought in. In Hutchinson county the trend north of the river is getting a little play.

In Gray county the locations were scattered and are all in proven territory.

The Dixon Creek Oil & Refining company is bringing production right up to the city limits west of town with its Benedict lease wells, Nos. 1 and 2 with 1,600 and 900 feet of oil in the holes respectively. The wells are in section 114, block 3, I&GN survey, and the company has started No. 3 well on the lease.

Much interest is being shown in the Doswell-White well south of town to the left of the highway. The well will test the trend between the production west of town and the production on the Saunders and Hood properties southeast of town.

In Moore county, the Phillips Petroleum company deep test No. 1 Wilson is drilling below 7,030 feet.

The other Panhandle deep well, the Chicken Creek Oil company's No. 1 Ledrick in Roberts county is drilling at 5,240 feet after setting the 8-inch at 5,065.

NEW LOCATIONS. Collingsworth County. Anderson & Kerr No. 1 Bell is moving in material to rig up in the center of the northwest quarter of section 6, block 12, H&GN survey.

Gray County. The Turman Oil company No. 1-B Bowers is located 330 feet from the south line and 560 feet from the west line of the west 70 acres of the north 120 acres of the west half of section 92, block B-2, H&GN survey.

The Humble Oil & Refining company No. 3 J. H. Palmer is 358 feet from the south line and 309 feet from the east line of section 31, block B-2, H&GN survey.

The Skelly Oil company No. 19 West Schaffer is 330 feet from the south line and 660 feet from the east line of section 198, block 3, I&GN survey.

The Champlin Refining company No. 8 McLaughlin is drilling at 1,835 feet, 990 feet from the north line and 990 feet from the east line of the northeast quarter of section 93, block 3, I&GN survey.

The Claude Drilling company No. 3 Byrum is building the rig 330 feet from the north line and 330 feet from the east line of the west half of the northeast quarter of section 188, block 3, I&GN survey.

Devore & Robinson No. 1 Ayer is located 990 feet from the north line and 330 feet from the east line of the east 200 acres of the north half section 41, block 25, H&GN survey.

The Skelly Oil company No. 18 E-Schaffer is 330 feet from the south line and 1,650 feet from the east line of section 189, block 3, I&GN survey.

The Southern Exploration company No. 6 McConnell is 1,320 feet from the south line and 330 feet from the west line of the northwest quarter of section 174, block 3, I&GN survey.

The Stanolind Oil & Gas company No. 5 Jackson is 1,350 feet from the north line and 330 feet from the east line of the west 100 acres of the east-half of section 90, block B-2, H&GN survey.

The Texas company No. 3 Webb is 330 feet from the south line and 330 feet from the east line of the southeast quarter of section 12, block A-9, H&GN survey.

Hutchinson County. The Texas company No. 6 Garner 'A' is 330 feet from the north line and 2,269 feet from the west line of the northwest quarter of section 30, block M-21, TCRR survey.

Potter County. The U. S. Bureau of Mines No. 2 Bivins 'A' is in the center of the northwest quarter of section 22, block 6, BS&F survey.

The Sulok Oil company No. 3 'A' Morse is 330 feet from the south line and 925 feet from the west line of the north half of the southwest quarter of section 16, block A-9, I&GN survey.

The Skelly Oil company No. 4 South-Jackson is 1,320 feet from the north line and 330 feet from the east line of the southeast quarter of section 94, block B-2, H&GN survey.

The Skelly Oil company No. 19 East Schaffer is 330 feet from the south line and 660 feet from the east line of section 189, block 3, I&GN survey.

The Turman Oil company No. 1-B Bowers is 330 feet from the south line and 560 feet from the west line of the west 70 acres of the north 120 acres of the west half of section 92, block B-2, H&GN survey.

Hutchinson County. The Walter Caldwell No. 1 B. R. Clifton is the center of the northwest quarter of the northeast quarter of section 2, D&P survey.

The Texas company No. 2 J. W. Moore is 330 feet from the south line and 330 feet from the west line of the southeast quarter of section 21, block M-21, TCRR survey.

Moore County. The Texoma Natural Gas company No. 1 Mary Has is 2,672 feet from the north line and 1,793 feet from the east line of section 30, block PM, EL&RR survey.

Wheeler County. The Bell Oil & Gas company No. 1 Walker is 330 feet from the south line and 330 feet from the east line of the southwest quarter of section 44, block 24.

The Bell Oil & Gas company No. 1 Walker 'B' is 330 feet from the north line and 330 feet from the east line of the southwest quarter of section 44, block 24.

The Piney Oil & Gas company No. 2 Walker is 330 feet from the south line and 2,310 feet from the east line of the northeast quarter of section 44, block 24.

The Post Dated Oil company No. 1 George Sitter is 660 feet from the north line and 2,295 feet from the west line of the northwest quarter of section 33, block 24.

The Skelly Oil company No. 11 Derrick is 990 feet from the south line and 990 feet from the east line of the south half of section 53, block 24.

COMPLETIONS. Four in Carson. The Claude Drilling company No. 3 Byrum in section 188, block 3, was a location and has been abandoned.

Blaney No. 6 McDonnell in section 201, block 3, I&GN survey, was completed for 91,100,000 cubic feet of gas with the hole bottomed at 2,658 and the pay from 2,455 to 2,458.

The Northern Oil company (Reynold et al) No. 1 Copper in section 5, block 9, I&GN survey, averaged 518 barrels a day on its 5-day test. It was shot with 270 quarts from 3,087, 3,160, the bottom of the hole.

The Texas Interstate Pipe Line company No. 1 Burnett in section 79, block 5, was completed for 13,500,000 cubic feet of gas from the pay 2,370 to 2,665, the bottom of the hole.

Six in Gray County. The Stanolind-Prairie No. 1 Smith in section 127, block 3, I&GN survey, averaged 511 barrels daily on a 5-day railroad commission test. It was bottomed at 3,285 feet.

The Cambrian Oil company No. 1 Saunders in section 4, block 1, ACH & B, survey averaged 427 barrels on test with the hole bottomed at 2,915 feet and the pay from 2,890 to 2,912 feet.

The Humble Oil & Refining company No. 2 Palmer in section 31, block B-2, H&GN survey, was bottomed at 3,070 feet with the pays from 3,020 to 3,025 and 3,030 to 3,040 feet. It averaged 427 barrels a day on its 5-day test.

The Shell Petroleum company No. 2 Combs-Worley in section 34, block 3, I&GN survey, was bottomed at 3,061 and a hundred feet of oil in the hole. It was shot with 120 quarts and treated with acid and made 18 barrels of oil and 5 barrels of water.

The Stanolind Oil & Gas company No. 2 Hood in section 33, block 3, I&GN survey, averaged 186 barrels daily for five days after it was bottomed at 3,042 with the pay from 2,920 to 3,042 feet. It swabbed 24 barrels in 8 hours before it was shot with 300 quarts.

The Sun Oil company No. 4 Combs-Worley in section 35, block 3, I&GN survey, averaged 678 barrels on railroad commission test after it was bottomed at 2,976 feet with the pays from 2,847 to 2,850 and from 2,902 to 2,921.

Four in Wheeler County. The Alma Oil company No. 6 Johnson in section 47, block 24, averaged 420 barrels on railroad commission test with the bottom of the hole at 2,451.

The Shell Petroleum company No. 4 D'Spain in section 52, block 4, averaged 673 barrels daily on test with the hole bottomed at 2,421.

The Gibson Oil company No. 2 Bentley in section 42, block 24, was a location abandoned.

The Skelly Oil company No. 6 Derrick in section 53, block 24, was bottomed at 2,563 with the pay from 2,450 to 2,495 and averaged 343 barrels daily on 5-day test.

DRILLING IN Gray County. The Danciger Oil & Refining company No. 3 Barrett in section 128, block 3, I&GN survey, is bottomed at 3,260 with the pay from

3,230 to 3,260. It pumped 25 barrels the first hour and 100 barrels the next 10 hours and 144 the next 24 hours. It is preparing to shoot. Its No. 4 Barrett on the same lease is bottomed at 3,262 with the oil pay from 3,217 to 3,262 and has 1,200 feet of oil in the hole.

The Dixie Creek Oil & Refining company No. 1 Benedict in section 114, block 3, I&GN survey, is bottomed at 3,270. It was shot with 310 quarts from 3,190 to 3,264 and has 1,600 feet of oil in the hole. It swabbed 250 barrels in 12 hours and is on the pump testing. It made 368 barrels the first day and 330 barrels the second. Its No. 2 Benedict on the same lease is bottomed at 3,280 feet and had 900 feet of oil in the hole from 3,262 to 3,275 feet. It was shot and made 345 barrels the first day of its test.

The Kewanee Oil & Gas company No. 7 Smith in section 140, block 3, I&GN survey, is bottomed at 3,256 and was shot with 265 quarts from 3,156 to 3,256 feet. It swabbed 334

barrels in 24 hours; after cleaning out made 285 barrels the first 24 hours on test.

The Magnolia Petroleum company No. 4 Hayward in section 113, block 3, I&GN survey, is bottomed at 3,301 with the pay from 3,255 to 3,295. It swabbed 60 barrels per day before it was shot with 150 quarts and made 240 barrels after the shot. Its No. 5 Sailor in section 138, block 3, I&GN survey, is bottomed at 3,281 with the pay from 3,225 to 3,271 and made 60 barrels in 8 hours. It is preparing to shoot.

The Plains Holding company No. 1 Chapman in section 45, block A-9, H&GN survey, is bottomed at 2,707 with the pay from 2,635 to 2,705, and is cleaning out with an estimate 1,600 feet of oil in the hole.

The Stanolind-Magnolia No. 2 Saunders in section 40, block 3, I&GN survey, has a temporary potential of 250 barrels and is swabbing 150 barrels in 12 hours after a

shot of 320 quarts from 2,915 to 3,040 feet, the total depth.

The Sun Oil company No. 5 Combs-Worley in section 35, block 3, I&GN survey, is bottomed at 2,975 with the pay from 2,930 to 2,935 and 2,990 to 2,995, with an estimated 600 feet of oil in the hole.

The Texas company No. 14 Faulkner in section 29, block B-2, H&GN survey, is bottomed at 3,014 feet with 800 feet of oil in the hole.

The Texas company No. 24 Saunders in section 1, block 1, is bottomed at 2,610 feet with an estimated 25 barrels of oil per day from the pay, 2,695 to 2,610 feet.

Hutchinson County. The Brownie Oil company No. 1 Ware in section 124, block 4, is bottomed at 3,032 feet with 1,600 feet of oil in the hole from the pay, 2,957 to 3,025 feet. May deepen.

The Amtex Oil company No. 1 Stevenson in section 7, block M-24, is bottomed at 3,295 feet and was

shot with 80 quarts from 3,211 to 3,270 feet and had an estimated 1,000 feet of oil in the hole.

The Phillips Petroleum company No. 4 Lela in section 49, block 24, made 117 barrels the first day on test.

The Stanolind Oil & Gas company No. 7 Ware in section 124, block 4, is bottomed at 3,125 with 600 feet of oil in the hole and is swabbing 150 barrels in 8 hours. The Sinclair-Prairie No. 4 Merehead-Vacuum in section 37, block 47, is bottomed at 2,872 feet and swabbed 60 barrels in 14 hours. Will plug back on account of water.

The Texas Plains Oil company No. 1 Watkins in section 72, block 2, is bottomed at 2,984 feet and has 1,300 feet of oil in the hole.

The U-Tex Oil company No. 1-2 Ware in section 20, block M-21, is bottomed at 3,075 feet and made 305 barrels the first day on test.

Wheeler County. The Champlin Refining company No. 5 Williams in section 49, block 24, made 208 barrels on the first day and 144 barrels the second day on

test, pumping with the hole bottomed at 2,540.

Child Welfare Board Carrying On Much Work

Although many cases of juvenile delinquencies and problems of boys and girls of the county have been cleared through the County Board of Child Welfare, it has not been found necessary to send any child to a reform school.

In making this statement yesterday following a meeting of the board, Chairman A. G. Post said he considered that the group had been fortunate in having the cooperation of the children and all concerned. Many individuals, officials, and institutions have assisted in placing the children where they may have a better chance in life. In some instances, the board investigates and recommends; in others it actually disposes of the children through making satisfactory arrangements.

Present yesterday were Mr. Post, Mrs. W. R. Ewing, and Mrs. F. E. Leech. Unable to be present were C. O. Greene of McLean, Mrs. Clifford Braly, and Mrs. A. Carpenter of LeFors.

Some of the problems which have faced the board have required weeks of study.

RED CROSS

serve for the war upon human distress. Every twelve months sees a succession of social emergencies and every twelve months rings up a fine new record of humanitarian service. Particularly do we depend upon the Red Cross as the Nation's relief agency in time of disaster. To maintain this cherished institution at full efficiency millions of memberships are needed. It is as a simple matter of good citizenship, that generous support be accorded in the Annual Roll Call, November 11 to 29."

William Green, president, American Federation of Labor—"The American Federation of Labor and the American Red Cross have many warm, human interests in common. Both are patriotic, constructive, actively of, by and for the people. They deal in the fundamental, basic issues of human need, human welfare and human happiness. The matters of food for the hungry, shelter for the homeless, help for the distressed are of deep and instant concern to both. The more difficult the times, the greater is the need, organized labor has always been zealous in its support of our country's Red Cross, because the Red Cross is the friend of all, without regard to race, creed or position in life. As an individual who admires the work of the Red Cross, I gladly pledge my cooperation. And as president of the American Federation of Labor, I commend the Red Cross to our membership and ask all good citizens to accord their fullest support during the annual roll call, November 11 to 29."

LEGISLATURE

Attention by the great body of the legislators. The subject of appropriating money for the centennial was a bitter bone of contention almost from start to finish.

Challenge Issued

Under terms of the Colorado River bill, the Buchanan or Hamilton dam will be completed near Burnet, with a stage agency, the lower Colorado river authority operating the property as a public enterprise. The house adopted the conference report on the bill, already approved by the senate, by a vote of 75 to 39. Water rights of municipalities and individuals will be kept superior to those of the state authority. An amendment which would have prevented payment or any fee or commission in acquiring the property, strenuously favored by the house, was stricken out of the measure as finally passed. Opponents of the bill claimed that R. W. Morrison, San Antonio realtor, would make about \$1,500,000 as

EMERSON BAND TO RETURN TO PLAMOR SOON

What is billed as "the peer of all dance bands" will furnish the music for an Armistice dance at the Pla-Mor auditorium Monday. Ralph Emerson and his Gulf Coast recording orchestra will return to Pampa for the big gala Monday night affair.

The dance will be a balloon dance and the regular price of 25 cents admission and 5 cents per dance will be charged.

Emerson and his orchestra has provided music for dances in Pampa previously and many have claimed that his was the best orchestra which has played in Pampa. The orchestra is a national favorite, containing eleven of America's leading musicians, and is conceded by many to be the biggest dance attraction of the year.

The orchestra is a favorite of the Hotel Holt, Wichita Falls; Capitol Beach, Lincoln, Neb.; Club Ticondo, Chicago; Del Rio, Dallas; Roschill Club, New York; and the Venetian F. Ballroom, Lake County, St. Joseph, Mo.

A big evening is planned for those who attend the ballroom dance at the Pla-Mor Monday night. Plans are being made to care for a large crowd and to provide for a "large" evening. (Adv.)

commission unless the amendment were adopted.

Immediately after the Colorado river bill had passed the house, one of its bitterest opponents, Representative Sarah Hughes of Dallas, speaking on a point of personal privilege, told the house that "those who voted 'no' will go down as immortals, for this bill is a blot on the escutcheon of Texas." Nevertheless, its champions hailed the legislation as a tremendous forward step in the state's history.

Mrs. Hughes and Representative Weaver Moore of Houston served notice they would seek to repeal the bill in the next legislature. Moore has been elected to the senate.

Chavez Claims He Is Elected Despite Count

ALBUQUERQUE, N. M., Nov. 10 (AP)—Despite tabulations of all but 16 New Mexico precincts, giving Senator Bronson Cutting (R) a lead of 1,275 votes in his bid for re-election, Congressman Dennis Chavez, his democratic opponent, not only declined today to acknowledge defeat, but declared his own figures showed his election.

There are approximately 3,000 absentee ballots to be considered

in the final count.

Associated Press tabulations late this afternoon on 751 of the state's 751 precincts gave Cutting 74,643 votes, Chavez 73,368.

DeMolays Will Attend Church In Amarillo Today

Pampa De Molays will attend church service in Amarillo this morning and be guests of the Amarillo chapter at a lunch at noon. The local chapter members will leave here at 8:30 o'clock, going to Amarillo with Masons who will furnish the transportation.

Degree work will be conferred at an afternoon session of the Amarillo

temple. Those unable to go to Amarillo this morning will attend the degree work which will begin at 2:30 o'clock.

MRS. CHEEK
(Continued from page 1.)

sold in violation of law." A similar indictment named George Walters. The third indictment was against Mrs. Cheek.

The "nutances" indictments represented the action of the state in perfecting its action against "nutances" here. The state court of criminal appeals ruled that, since passage of the 3.2 beer law, it was necessary to make the indictments more specific as to type of liquor.

The new indictments cite sale of "spirituous and intoxicating liquor; to-wit whiskey."

A jury commission composed of C. C. Warford, W. E. James, J. L. Noel, Boyd Meador, and E. C. Barrett has completed its work.

Long Infant Dies; Funeral Is Today

Joy Joe Long, infant son of Mr. and Mrs. L. E. Long, died in a local hospital yesterday morning. Funeral services will be conducted at 3 o'clock this afternoon in the Methodist church at Groom with the Rev. W. S. Sherrill, pastor, officiating. Burial will follow in Groom cemetery in charge of the Pampa Mortuary.

The child is survived by its parents, who moved here from Groom, Pampa, a few weeks ago, and grandparents, Mr. and Mrs. R. D. Davis of Groom, and Mr. and Mrs. P. Y. Long of Pampa.

PRICE FIVE CENTS

GARDEN CLUB TO HELP BEAUTIFY COUNTY IN STATE PROGRAM

ONLY CHARTER MEMBER SAT O E S DINNER

TWENTIETH BIRTHDAY OF CHAPTER HERE OBSERVED

Two decades of existence was celebrated by the Eastern Star chapter here with a dinner Thursday evening at Masonic hall.

Also honored were the past matrons and past patrons of the local order, and grand officers.

Mrs. Maude Ripley, member of the grand jurisprudence committee, and Mrs. Ruth Sewell, grand representative, spoke briefly on the program.

Entertaining Program. Mrs. Lou Gomillion welcomed the guests after the invocation by O. M. Anderson, and Mrs. Bunting responded.

In addition to honor guests and program guests, those present were Mrs. Goida de Cordova of Washington, Okla.

Mrs. J. M. Saunders, Mrs. Frank H. Yealy, Mrs. Annie Day, Mrs. Beatrice Foster, Mrs. Ray E. Huling, Mrs. Catherine Fitzsimmons, Mrs. Lena Mae Graham, Mrs. Estella Wilkes, Mrs. J. P. McClard, Mrs. E. L. Reese, Charles E. Ward, Sammie Ward, Mrs. Davis, Mrs. J. K. Cook, Mrs. E. R. Gower, Mrs. F. M. Foster, Kathryn Steele.

Recipe Given to Back H. D. Club On Candy Making

"Sometimes the whole fate of candy, whether it is grainy or smooth, lies in the temperature at which it is beaten, whether hot or cold," said Mrs. Ruby Adams, county Home demonstration agent at the Back home demonstration club candy making at Mrs. Ernest Dowell's home Friday.

Light Opera Recipe. 2 cups sugar, 1 cup milk, 1/2 teaspoon salt, 1 cup nut meats, 3/4 cup heavy cream, 1 tablespoon corn syrup, 1 teaspoon vanilla.

Put all of the ingredients except the nuts and vanilla into pan and cook, stirring constantly until 228 F is reached. Cool to 118 F, add vanilla, and beat until it is creamy and loses its shiny look.

Members and visitors present: Mrs. N. G. Back, Mrs. L. M. Watson, Mrs. C. E. Humphries, Mrs. Vestor Dowell, Mrs. Goldie Copeland, Mrs. Travis Herring, Mrs. Milton Carpenter, Miss Grace Carpenter, Miss Ruby Adams, and hostess. The next meeting will be at Mrs. Milton Carpenters on Nov. 23.

Clubs Plan For Achievement Day

Preparing for their annual achievement day programs, women of county home demonstration clubs are conducting their regular meetings this month with lessons on Christmas candy making.

New Style Tickles Cecilia

Like it? Why, Cecilia Parker, youthful movie player, was tickled half to death by her new chapeau. It's a formal version of the Tyrolean hat, the black velvet crown

CLUB'S BOOK TEA AT LEFORS IS ONE OF THE MANY EVENTS PLANNED IN NEARBY CITIES

LEFORS, Nov. 10.—A book tea to benefit the public library was planned by the Art and Civic club at its meeting Wednesday.

Cecil Stubbs and Miss Gertrude Smith were married last week, and are at home west of town.

Work on Bazaar. CANADIAN, Nov. 10.—Dates for the annual W. C. T. U. bazaar which supports the city library here have been set on December 7 and 8.

Clubs Have Programs. MIAMI, Nov. 10.—Mrs. James Kivlen was hostess to Child Study club at the home of Mrs. Dan Kivlen last week for a program on Homemaking.

Girl Scouts Work. WHEELER, Nov. 10.—Girl Scouts of Wheeler will repair and dress dolls for needy children's Christmas stockings, and collect and repair other toys.

AUTO RACE WON BY PARENTS' VISITS IN EDUCATION WEEK

Each room at Sam Houston school observed national education week, with work units, talks on education, and visits of parents.

An auto race contest in Miss Violet Durrett's fourth grade room gave points to pupils whose parents called.

Problems in buying were featured by arithmetic classes in Miss Florence Jones' room.

Vocations chosen by each pupil, and the education necessary for each, were discussed in Mrs. Stout's fifth grade room with the relation of education to unemployment.

Regular school work was conducted in Miss Tilde Sessions' third grade room. Visitors were Mmes. W. C. de Cordova, H. F. Robinson, M. B. Davis, J. M. Dodson, F. W. Broyles, W. G. Snell, Bertha Davis, H. B. Taylor, C. S. Rice, W. H. Arrington, E. G. Frasher, Pat Lanham, F. Hitchcock, J. E. Mason, Snyder, O. P. Taylor, F. A. Hicks, and Mrs. J. R. Minnick, N. L. Weitow.

CLASS ADOPTS FAMILY TO AID THIS WINTER

HOLIDAY CHARITIES PLANNED WITH PARTIES

Holiday cheer for a needy family as well as for class members was planned when Clara Hill class of First Methodist church gave a Thanksgiving party at the church parlor Wednesday afternoon.

The annual Christmas party of the class was planned for the early part of December, in the home of Mrs. Philip Wolfe.

Mmes. C. L. Jackson and Tony Balch were guests at the party. Mmes. I. W. Base and P. A. Winget were new members.

Baker Band Has Busy Week With Party And Trip

B. M. Baker school band made its first program trip this year Friday evening, presenting a concert at Briscoe school in Wheeler county.

Others who went from Pampa were Messrs. T. O. McKimney, T. C. Cooksey, Luther Holmes, Elliott; Mmes. Earl Roof and H. K. Coons.

Clubs Enjoy Bridge. BORGER, Nov. 10.—Recent hostesses were Mrs. George Pinger to the Bidjour Hand club, Mrs. C. S. Campbell to Sans Souci club, Mrs. Edd George to the Tricky Eight club in the home of Mrs. J. D. Shipp.

SHAMROCK, Nov. 10.—Educational leaders of the city will speak at a joint meeting of the North and South Ward Parent-Teacher associations Tuesday evening.

Two Clubs Meet Together For a Lesson on Candy. Bell Home Demonstration club was hostess to Kingsmill club Wednesday afternoon in a joint meeting and candy making demonstration at the home of Mrs. G. P. Bradbury.

Miss Ruby Adams, home demonstration agent, was assisted by Miss Lillian Dalton in presenting the candy making methods.

Eighteen mothers visited Miss Wilma Chapman's room, were introduced to teacher and pupils by their own children, and heard special readings and phonics classes in addition to usual classes.

An Indian exhibit was arranged by Miss Lillian Mullinax's second grade and displayed to 11 visitors.

Indians of the southwest were chosen by Mrs. L. C. Peddicord's second grade for their work unit.

Woman Speaker To Lead Revival. Evangelist Ethel Musick will give a week of sermons at the Full Gospel Temple here this evening.

A feature will be a children's choir from 7 to 7:15 each evening. This and other music during the services will be in charge of Mr. Whitney, musical director of the church.

FACTS SIFTED FOR COOKS IN HAPPY KITCHEN

Theories Are Tested Before Director Accepts Them

Facts, not theories, are what Beulah Mackey Yates, nationally known expert on foods and home economics, will offer at the Happy Kitchen cooking school, which will be presented by this newspaper at city hall auditorium on November 19, 20, and 21.

"The school, as may be judged from its title will feature the Happy Kitchen, which may be any kitchen if that kitchen is conducted in the manner Mrs. Yates advises. She will speak with experience and knowledge, not untried theory.

During the progress of the Happy Kitchen cooking school, Mrs. Yates will bring to housewives of this city only those proved and workable recipes which experience and intelligence would choose for varying conditions.

Every session of the Happy Kitchen cooking school will be worthy of your close attention. And please remember—there is no admission charge and no obligation.

Miss Locke To Present Austin Play Thursday. The one-act play, "Introduction to a Sacrifice," based upon an actual incident in the life of Stephen F. Austin, the father of Texas, which was produced by Ben Guill and his public speaking pupils for the first time, at the Centennial banquet here Oct. 9 and the next night at a district Lions meeting, will be presented by Miss Dona Locke at her public speaking pupils, Thursday evening in the Panhandle high school auditorium at a Parent-Teacher association meeting.

It will be the only night PTA program of the year and a capacity audience is expected to attend the program. Miss Locke has been rehearsing her cast for two weeks on the play. She is the daughter of Mrs. Agatha Locke of Miami, and a member of a pioneer family of that community.

The play, whose motive is to arouse patriotism in the hearts of hearers in preparation for the Centennial, will have a musical background. Compositions appropriate to the moods and atmosphere of the play will be played off stage.

Two Pampa musicians played in the Amarillo Philharmonic orchestra in its first concert of the season last evening, and many others attended this Panhandle musical event.

Miss Hermina Stover is a violinist with the group, and Raymond F. Culp plays cello.

Among the Pampa residents who heard the concert were Mrs. May F. Carr, Mrs. E. A. Stover, Mrs. Mrs. Arthur Teed, Mrs. Culp, Miss Marjorie Ericsson, Jack Skelly, and Dr. John Hooper.

Bridge Club And Guests Enjoy An Afternoon Party. Happy Hour club and a group of guests met in the home of Mrs. Stanley Kretzmeier Thursday afternoon.

Mrs. H. O. Roberts scored high in the bridge games; Mrs. Verle Tinkler was consoled for low, and Mrs. Estelle Tinkler received the guest prize.

Other guests were Mrs. W. Shair and Mrs. Harry Hoare. Other members playing were Mmes. Carl Baer, Roy Kretzmeier, Bill Beard, Kenneth McDonald, and Harold Ulmer.

Sandwiches, angel food cake and coffee were served after the games.

LIBRARIAN HERE. Miss Gorse of the state library board was in Pampa a short time yesterday, conferring with Mrs. James Todd Jr., city librarian, and Miss Ruth Siddons, high school librarian.

Royal Beauty of Yugo-Slavia

A royal beauty whose position in Yugo-Slavia is next to that of Queen Marie is Princess Olga, above, wife of Regent Prince Paul, who really rules the country for the boy King Peter. Princess Olga, now 31, is the eldest daughter of Prince Nicholas of Greece and a sister of Princess Marina, who will wed Prince George of England.

Her engagement to Christian of Denmark once was announced, but later the match was broken. Rumor who betrothed her to W. B. Leeds Jr., son of the American tinplate king. She married Paul in 1923.

BOOK WEEK TO BE EMPHASIZED IN PUBLIC LIBRARY, SCHOOLS, AND CLUBS FROM NOV. 11 TO 17

Emphasis on books, especially books for children, will be placed by schools and clubs in programs next week, national book week.

The public library will hold open house all week. Mrs. James Todd Jr., librarian, announces. Visitors will be welcomed at all open hours from 9 to 12, 2 to 5, and 7 to 9 o'clock daily.

Two Parent-Teacher associations have announced observance of the week with book gifts to their schools. Sam Houston association set aside \$25 to purchase new books, and Horace Mann association will sponsor a book shower and a book week chapel program next Friday.

Children's Book Week celebrates its sixteenth anniversary this year from November 11 to 17. Some of the varied reading fare offered to youngsters in all of the age groups are listed below.

For Older Boys. "Team Play," by Donald Hamilton Haines; a school story filled with lots of sports activities.

"Heroes of the Air," by Chelsea Fraser; a new edition, bringing fliers and their lofty attainments right up to the moment in a volume replete with interesting and inspiring facts.

"The Best Stories of Herosim I Know," by John Clair Minot; in which both girls and boys may find inspiration and adventure.

"Battling the Elements," by Bob Buck, in collaboration with Bob Nixon; an adventure story dealing with an expedition to Mexico, that never lets the reader down until the landing on the last page.

"Children of the Covered Wagon," by Mary Jane Carr; bringing the days of 1844 vividly to the young people of 1934.

"The Riddle of Live Oaks," by Augusta Huiell Seaman; which includes two mystery stories by an experienced author.

PROJECT FOR TWO YEARS IS ADOPTED HERE

SCHOOL CHILDREN OF CITY TO BE GIVEN TREES AGAIN

Joining the state-wide Citizens Beautification movement, Garden club members voted at their meeting Friday morning to devote their major efforts of the next two years to making this part of Texas more attractive for Centennial year.

Mrs. Ray Hagan was named chairman for the club to cooperate in the county organization, which Mrs. C. T. Hunkapiller heads.

Purposes of the movement are to beautify towns, mark entrances to cities, counties, and the state, establish city and county parks and way-side picnic grounds, and otherwise make the state attractive to visitors expected during the Centennial celebration.

A city beautification plan started by the club last year will be continued, members voted. They gave seedling trees last spring to all ward school pupils here. First grade children will be given the tiny trees this year, and in succeeding years, they decided.

The club was invited to visit home demonstration clubs of this county on their achievement days, starting Nov. 20.

A report from the recent fall flower show revealed that 150 entries of 41 different varieties were made, and that 400 visitors registered.

A motion was adopted to drop from the club roll members absent three successive meetings without excuse. To regain membership, they would have to be voted upon, pay back fines and dues.

Flower Talks. Mrs. A. B. Zahn opened Friday's program with a discussion on collecting cacti. Cactus is the state flower of Arizona, she said.

Some varieties are used for making dye and crochets, and even for Christmas-blooming. They may be grown in soil or in bowls with water and pebbles, and will bloom in about four weeks.

Bulbs should not be planted in new pots, Mrs. Hagan said, because chemicals in some pots are harmful to them. They should be shaded until the leaves are a healthy green.

Legends of many familiar flowers were told by Mrs. Ewing Leech. Especially interesting was the Indian story of the bluebonnet, which told of a tribe affected by drought.

Others attending the meeting, which will be the last until February, were Mmes. J. P. Wehring, Henry Thul, Arthur Swanson, E. A. Shackleton, Luther Pearson, R. B. Fisher, Arthur Teed, Paul Kasishak, Frank Yealy, Fred Cary, R. F. Dirksen, Clyde Fatheree, Jim Saunders, P. C. Ledrick, E. A. Damon, Charles Thul, N. P. Maddox, Sherman White, Joe Gordon, W. C. Mitchell, C. H. Schulkey, Emmett Dwyer, and those on program.

Girl Honored at Birthday Party

Betty Joyce Weeks was honored with a party for a number of her friends Thursday afternoon on her sixth birthday, at the home of her mother, Mrs. John Weeks.

She received many lovely gifts from the girls and boys who enjoyed games, favors of balloons, having their picture taken, and the pink candle-light birthday cake that was served with ice cream.

Present were Phyllis and Richard Scheig, Barbara and Burton Bassham, Lanora and Richard Dixon, Janet and Patsy King, Helen and Mary Lou Massey, Barbara June and Jerry Morrow, Evonne Berry, Patricia Kelly, Mary Jo White, Jackie Rains, Sonny Geppelt, Joan Evelyn Weeks, Frances Abblone.

Mrs. Shaw Is Club Hostess At Bridge Party on Thursday

Mrs. Duke Shaw entertained two tables of bridge when she was hostess to the Thursday club this week. She stressed a Thanksgiving note with fall flowers and table appointments.

Mrs. Frank Roach scored high and Mrs. Jack Bass low. Pumpkin pie and coffee were served to them and Mmes. Fred Bentley, Jack Griggs, G. B. Frazier, Delia Lockhart, Clyde Winchester.

EDITORIAL

WHY BE ANXIOUS?: Matthew 6:24-27.

No man can serve two masters; for either he will hate the one, and love the other; or else he will hold to one, and despise the other. Ye cannot serve God and mammon. Therefore I say unto you, take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? Behold the fowls of the air: for they sow not, neither do they reap, nor gather unto barns; yet your heavenly Father feedeth them. Are ye not much better than they? Which of you by taking thought can add one cubit unto his stature?

An Idea That Took Root

Pampa's Red Cross chapter, one of the most active in this section, will formally launch its annual roll call Tuesday. The Red Cross, chartered by Congress, offers everyone an opportunity to contribute to the great program for humanity.

It has been said that nothing is more powerful than an idea which has found its time. All human behavior, habits, activities, originally spring from ideas. The world revolves around them. Often they serve no purpose and are discarded, but the fittest survive.

Springing from a desire to render voluntary service to humanity, the Red Cross movement in 1859 was merely an idea—but one which had found its time. Soon it took root, flourished, and in half a century spread around the world. Today, the Red Cross is recognized as a vital part of community life throughout the world.

That the Red Cross is the pioneer of its broad field is shown in a review of its origin and development.

Moved by the horrors of the Battle of Solferino in 1859, Henry Dunant, a young Swiss idealist, and a small band of villagers he had summoned, braved the danger of gunfire in a determined effort to give voluntary succor to victims of the ferocious encounter. Later Dunant wrote a stirring volume on the barbaric practices among nations toward fallen warriors. Although other influences helped to crystallize sentiment for such a movement, the original aims and purposes of the Red Cross spring from Dunant's emotions and from a sympathetic reaction which his writing captured.

Prior to its inception in this country, in the work of Florence Nightingale during the Crimean war was born the principles of modern nursing. Thousands of lives were saved on the battlefields when she and her devoted followers nursed many back to recovery and brought order and sanitary practices out of chaos and gross neglect.

European leaders set about to correct this wartime evil a few years after the Crimean and Solferino engagements and in 1863 assembled a committee at Geneva to study the problem of neutralizing aid to the wounded in the war. The solution was found in the Treaty of Geneva which was ratified by twelve nations in 1864. Today more than a half hundred countries are banded together in this cause. There also exists an International Red Cross Society with headquarters in Paris. It is headed by John Barton Payne, American Red Cross Chairman.

The United States, although observing the formation of the Geneva group, was extremely backward in becoming affiliated with the movement. Not until Clara Barton had spent many years of tireless effort to the founding of the Red Cross in the United States did the government finally recognize the widespread need for such a society.

Surrounded by less than fifty forward-looking citizens, Miss Barton was selected as the organization's first president when the Red Cross came into being after receiving governmental sanction in 1881. Today there are nearly four million senior memberships and seven million junior enrollments.

Accomplishments of the Red Cross during and since the World War are well known. Its peace-time program, reaching into practically every county in the United States, has kept alive the organization's voluntary spirit toward mankind.

A noble, powerful, glorious idea which found its time, lives on!

History Moves in Circles

We again complete a year's cycle, returning to a birthday of the Armistice. A world observer for The NEWS, surveying the political and military situation, see little to wax optimistic about.

Armistice day, 1934:

Blocs, ententes, alliances—

The clump-clump of marching feet, the whirring of planes and the swish of sharp-prowed warcraft cutting through the waves—

Civilians buying gas masks—

Massed banners in parades and assemblies.

Drums beating loud over Europe 16 years after the armistice was signed.

The setting in some respects parallels that of 1914. Then the principle of "balance of power" was in full force. The great powers were grouped in the "triple alliance" of Germany, Austria-Hungary and Italy, and the "triple entente" of France, Russia and Great Britain. Neither grouping survived the outcome of their clash.

Now there are two distinct "blocs" in the old world. Germany, Austria and Hungary demanded peace treaty revisions. France and her war-expanded allies, Belgium, Poland and "little entente" nations of Czechoslovakia, Rumania and Yugoslavia, resist proposals to disturb the status quo.

Great Britain, from the side lines, essays the role of umpire. Small neutrals talk of strengthening frontiers.

Drilling, Too

There are enough treaties, pacts, agreements, understandings and covenants in existence to outlaw armed conflict for all time. But Europe keeps on drilling.

In the first decade of the century, before the guns of the World War had begun to rumble, Europe was pictured to America as an "armed camp"; be-medalled officers thronged boulevards and cafes; annual maneuvers were affairs of pomp.

Today the thud of dust-raising hooves has given way to the muffled staccato of automobile and tractor exhausts. Delicately adjusted instruments plot the range for artillery, or spot the approach of air fleets. The war game has grown complex.

Nations which depended upon armaments for security—and that is the announced purpose of every military and naval establishment in the old world—find that they can not "spring to arms overnight," but must train for years.

Thus Italy has put into effect a system which be-

gins at the age of 6 for every able-bodied boy and continues for 27 years.

France has fenced herself in with concrete and steel forts and "pill boxes" and contemplates lengthening her term of compulsory military service.

French 75's have been mounted on, and fired from airplanes. She is building warcraft to outmatch Germany's "vest pocket" battleships.

Great Britain, told a few months ago that her "frontier" is on the Rhine, is building up her air force.

Poland, Yugoslavia, Czechoslovakia and Rumania all have well-drilled armies.

Germany, granted the principle of "equality of armaments" by the moribund disarmament conference, has turned to political armies and from boyhood to middle age her brown-shirted manpower is marching.

The Union of Socialist Soviet Republics has doubled the trans-Siberian railroad, strengthened her garrisons and outposts in the Far East.

Sixteen years after the armistice, in the air, on land and afloat—Europe is arming.

FREDDY BERGIN WILL BRING HIS FAMED MUSICAL GROUP TO CITY

Irish Freddy Bergin is bringing his band to Pampa.

The famed musical group will appear at the Pla-Mor Nov. 19, it was announced this morning by Al Gilliland, sponsor.

Although only 29 years old, Freddy has one of the leading bands of the middle west and southwest.

Recently he has been playing at the Shadowland night club in San Antonio.

In addition to the band there will be an elaborate floor show.

Included in the floor show will be Skeeter Palmer, widely known accordionist, pianist and vocalist; Morey Baker, funny man and former partner of Joe Penner; Louis Zenovitz, tenor vocalist; Kenny Baldwin, 220 pound drummer, affectionately known as "Blimp"; Mary Tudor, songstress and pianist

who was formerly with the team of Charlotte Meyers and Mary Tudor, and several trio, quartet and glee club numbers.

The dance will be from 9:30 until one o'clock.

Admission will be \$1.10 per person and \$1.50 each for stage.

The dance will follow a concert in the city auditorium to begin at 8 o'clock and continue until the dance begins. Admission for this attraction will be 45c for adults and 15c for children.

Mr. Gilliland said that if the dance and concert were satisfactorily patronized, he would bring other orchestras of similar high-class calibre here. The Bergin entertainers and orchestra will be brought here through cooperation of Wilbur C. Hawk who is bringing the band to Amarillo as a feature attraction.

DEPARTMENT OF AGRICULTURE IS NOW A BILLION-DOLLAR CONCERN

WASHINGTON, Nov. 9. (AP)—The department of agriculture, not so many years ago one of the minor government agencies, has moved into the select circle of billion-dollar outfits.

An official report, to be published next month, emphasizes the way the department's importance has grown under the new deal. It will show that during the fiscal year ended June 30, 1934, funds avail-

able to the department totaled \$1,243,547,402.

Of this amount, \$111,673,984 was under the regular budget and \$1,131,873,418 was emergency money.

Obligations incurred during the year, however, totaled only \$795,798,326, of which \$63,097,545 went for regular activities other than road building, \$246,014,356 for highway construction and \$486,685,425 for the AAA, public works, civil

works, and emergency work projects.

Appropriations for the present

We Repair Your Shoes By The Goodyear Welt Shoe Repairing System CITY SHOE SHOP 104 1/2 West Foster

year provided the regular budget with \$78,703,918 or about \$3,770,000 less than last year. Emergency appropriations for this year total \$857,719,577, or \$274,153,841 less than last year.

The largest single appropriations went to the AAA. Last year it received \$647,135,000 of which it arranged to spend \$456,903,584, and this year \$641,950,185 has been made available. Most of the AAA money is expected to return to the treasury through processing taxes.

'CRINOLINE DAYS' BACK IN LONDON LONDON (AP)—Memories of crinoline days are revived in London's autumn fashion parades. Clinging satin frocks surrounded from waist to knee by bell-shaped lace "cages," stiffened at the bottom to stand out like old hooped skirts, are being shown.

LEAVE FOR SOUTH Mr. and Mrs. Finis Jordan left yesterday for a vacation trip to Southern Texas and the Gulf coast. They will spend a few days with her parents at Lubbock, then go to

San Antonio, Galveston, and New Orleans. Hollie Cross, teacher in Junior high school, is spending Armistice day holiday in Lubbock.

P-TA Convention To Mark Silver Jubilee in State

By MRS. JOHN M. FOX
State Publicity Director
Texas Congress of Parents and Teachers

A week from tomorrow, on Nov. 19th, there will convene in the scenic, lovely and hospitable coastal city of Corpus Christi, the silver jubilee convention of the Texas Congress of Parents and Teachers. Several Pampa women plan to attend.

With a background of 25 years of consistent, continuous and faithful effort looking toward the welfare of every child in Texas from a mental, moral and physical standpoint, the Texas congress looks back with pardonable pride, which every member of every local unit shares at the unselfish devotion and cheerfulness given service for childhood which has marked and charted the course of this branch of the national congress for the past 25 years through the untiring labors of consecrated men and women in every community who have the love of childhood in their hearts.

In many ways the convention at Corpus Christi will make history for the Texas congress, for it will be outstanding in its program, different in that there will be a separate conference time allotted for every phase of the work, distinguished in that not only the national president will be an honored guest and participant, but four other members of the national board, three of them coming from distant states, will be present.

The Texas branch is also extremely fortunate to have with them at the coming convention all of the state presidents, except one, who has served the congress since its formation in Dallas 25 years ago. They are our own Mrs. Ella Caruth-Foster who organized the Texas branch and for many years was its pioneer president; Mrs. Chalmers W. Hutchison, second president; Mrs. F. W. McAllister, third president; Mrs. E. A. Matters, who was fourth president, has passed away. Then came Mrs. M. N. Marrs, who was fifth president and also national president soon after; Mrs. C. E. Maddocks, sixth president; Mrs. Noyes Darling Smith who served as seventh president, and Mrs. A. F. Wood, president who will preside at the coming conference.

Mrs. Noyes Darling Smith, who is third vice president of the national congress, will lead a panel discussion on Tuesday afternoon during the general assembly at the First Methodist church. The topic of the panel will be "Education for Tomorrow." Since the creation of the state board of education Mrs. Smith has served as vice chairman of that board and will bring to the delegate body a wealth of information which she has gained through this service.

Romance Ends

"Madame, your services are no longer required." Thus, says Mrs. Elizabeth Edlund of Pennsylvania, wealthy Philadelphia dairyman, ended the romance which had induced her to divorce her husband. Details will be presented in the trial of her \$100,000 bail suit being heard at Camden, N. J.

New Church at Denworth Opened By Large Crowd

DENWORTH, Nov. 10.—First services in the new Denworth church were conducted last Sunday. There were 86 in Sunday school and the house was nearly full at the dedication service in the afternoon. Rev. Erwin, pastor of the McLean Presbyterian church had charge of the dedication service. \$77.97 was donated at the close of the services, which leaves around \$150 to pay on the completion of the building. We do not have any stoves yet.

Mrs. John Lantz is chairman of the finance committee and Vester Dowell, Charley Carpenter, Emmitt Gatlin, Fred Browning, L. L. Morse are board of directors.

Brother Williams and others from LeFors were among the many who were present at the dedication services Sunday.

Personals

La Voy Farris, little daughter of Mr. and Mrs. Jack Farris, is very ill with diphtheria.

Mr. and Mrs. Bun Copeland and little boys visited in the home of Mr. and Mrs. Vester Dowell Sunday.

The Bible class will meet at the church Thursday at 2:00 p. m. We are studying Genesis. Mrs. John Lantz is our leader for Thursday.

Dr. Finley of McLean spent two days last week at the Back school.

The majority of the Back and Webb folks went to the McLean and LeFors football game at LeFors Friday night.

Max Travis bought the Forster and Company lease north of McLean.

Miss Peggy Lancaster visited in the L. L. Morse home Sunday.

Mrs. Ernest Dowell visited in the T. B. Masterson home Monday afternoon.

Many Friends at Birthday Party For Laketon Man

A surprise birthday party was given L. E. Tackett Thursday evening by a large number of friends in the Laketon community at the school building.

Games and races were enjoyed, the most exciting a "school hop" race won by T. E. Keeney from Mrs. Clellie Tackett. A gay table of refreshments was spread, centered with a beautiful birthday cake with 26 lighted candles. After the lights were blown out, the cake was served with punch.

Present were Messrs. and Mmes. A. A. Epley, T. E. Keeney, Sam Armet, Floyd McLaughlin, Wheeler Paris, Walter Jones, Leo Paris, J. Evans, Edward Thomas, Clyde Gray, Tom Breeding, Ransom Carter, Audrey Evans, L. E. Tackett, Charles Talley, Ennis Jones, Ray Jones, Melvin Roberts.

Mmes. Jewell Cunningham, Chess Terry, John White, Hallie Robertson; Mr. Harry Gillespie; Willard, Millard, Cecil, Hazel, and Louise Carmichael; Sybil, Margie, and Lloyd Roberts.

Martha Sue Talley, Mary Frances and Paul Jones, Enrique and Laura Epley, Ralph and Elmer McLaughlin, Jewel and Garnet Christopher, Dortha, Bennie, Betty Jean, Billy Jo, and J. D. Paris; Betty Ruth Thomas.

Kenneth, Lela C. and Lena Ruth Gray; Billie and Helen Breeding; Carl, Darlene, and Bernice Carter; Douglas Tackett, Manson and Ralph Haggard Gillespie, Hugh and Florence Terry, and Elizabeth Chapman.

Programs Extend Education Week

National education week observance will be extended into next week by two Parent-Teacher associations here, which have announced programs for Tuesday. B. M. Baker association will meet at 3 p. m., and Woodrow Wilson unit at 7:30.

The latter meeting will be open to the public with parents of all pupils especially invited. After a number by the school kid band and a reading by Helen Gillham, the "Know Your School" program will be led by Mrs. C. T. Hunkapillar.

Topics to be discussed by school officials follow: Personnel and Qualifications of School Board, by J. M. Daugherty; Taxes, Joe E. Smith; School Buildings, Mrs. Annie Daniels; Training of Teachers, Mrs. W. B. Murphy; Is the Curriculum Being Revised?, Supt. R. B. Fusher; Compulsory School Laws, Mrs. J. W. French; Proposed School Legislation, Mrs. Ralph Thomas.

The Baker program that afternoon will feature the same topics, with Mrs. Hunkapillar, state chairman of school education, as leader.

A membership drive will also close there. Mrs. R. K. Douglas, membership chairman, has been in charge.

CANADIAN NEWS

CANADIAN, Nov. 10.—Mrs. J. S. Dorsey returned Thursday from a visit to the World's fair.

Dr. and Mrs. Walcott of Amarillo were here Thursday en route to Higgins to see Dr. Goethe, who is very ill.

Mr. and Mrs. Bob Sowder of Lovington, N. M., spent Thursday night here.

Members of the P. E. O. were entertained Friday afternoon by the Misses Tepe.

Mr. and Mrs. Thurman Adcock announce the birth of a son weighing seven pounds, on Nov. 7.

Mrs. Marti Gives Recent Party For Skellytown Club

SKELLYTOWN, Nov. 10.—Mrs. Mabel Marti was hostess to the Pleasant Hour club Friday afternoon at the home of Mrs. Joe Carroll. Sewing and conversation furnished entertainment at the meeting.

A salad course in Thanksgiving motif was served to Mmes. L. R. Jones, D. Bowsher, A. C. Carroll, J. C. Simms, C. M. Shipley, Joe Carroll, Carl Williams, W. W. Hughes, J. Tomlin, A. Johnson, E. M. Stafford, L. Roberts, and the hostess.

The club will meet at 2 p. m. Friday, Nov. 23, with Mrs. Roberts.

Mrs. J. L. Nunn of Amarillo and Mrs. Horace Gooch of Colorado Springs, Colo., were guests in the home of Mr. and Mrs. Gilmore N. Nunn yesterday.

BLACK VELVET REVIVED IN LONDON

LONDON (AP)—Not only is black velvet being used a great deal for afternoon and evening ensembles this season in London but there has been a revival of popularity for the old Edwardian party drink known as "Black Velvet." It is made of one-quarter champagne and three-quarters stout.

Auto Glass, replaced by Pampa Glass and Paint Co. (Adv.)

AUTO RACE

Miss Frasher, and Mrs. R. E. de Cordova of Oklahoma City.

Meaning of education of national education week, and of methods to receive an education were discussed in Mrs. Sam Irwin's room, in addition to regular work which was prepared in work books. Visitors were Mmes. H. B. Martin, Roy Benzley, Tom Bekard, C. E. Ruddy, W. R. Wanner, W. D. Moore, H. V. Turner, Paul Post.

Invitations for Thursday were taken to parents by first grade pupils of Mrs. John Bradley. Rhythm band numbers preceded a reading activity period for this visiting day. Forty-three guests signed the register and received small school houses as souvenirs.

An appropriate Armistice day study of the World war was conducted in A. C. Cox's room, with a collection of relics made. Visitors included Mrs. L. M. Batton, Mr. and Mrs. H. H. Nichols.

A radio-style reading program was given in Mr. Peek's room Wednesday by Irene Frawner, Roy Ferguson, Junior Zimmerman, and Billie Key Coombes. Friday morning discussion on "Who Is the Educated Man?" was presented.

Beautification of their room was completed by Miss Estelime Harris' pupils to welcome their visitors, and a new set of World books was also displayed. An Armistice day project was stressed.

"Little Gossie-Gossling," by Helen and Alf Evers; in which "Gossie-Gossling" wanders into a house, there's a delicious scene in which he plays loudly upon the piano.

"Do You Know?" by Janet Smalley; fascinating facts about insects and spiders.

Laff-a-Lot Club Is Entertained in Mrs. Batten's Home

Mrs. L. M. Batten was hostess to the Laff-a-Lot bridge club with a prettily appointed two-table party this week. Fall flowers decorated the rooms, while tallies and score pads were in colonial design.

Prizes, wrapped in cellophane and tied with gold ribbon, went to Mrs. A. S. Gray, a guest; Mrs. W. W. Wilson, who scored high, and Mrs. Jordan Simmons, who received consolation in the games.

Refreshments were served to them and to Mmes. Walter Sill, Roy Quinn, L. L. Dyer, and Charles Clark.

Miss Louis Stallings and Miss Jill Jones are visiting at former's family in Slaton this week-end.

Tech Professor to Speak for A.A.U.W. Program Thursday

A special speaker at the A. A. U. W. meeting Thursday evening will be Mrs. Dingus, professor of foreign languages at Texas Tech, Lubbock, and student of international relations.

She is chairman of international relations in the Texas division of A. A. U. W., and representative from the southwestern section to the national committee on international relations. In September she attended the New York Herald-Tribune's annual conference on world problems, and reported on it at the state A. A. U. W. convention in Wichita Falls last month.

Her talk here Thursday evening will be on the same theme.

CALENDAR

Merry Mixers club will be guests of Mrs. L. L. Dyer, 415 N. Stark-weather.

Junior High PTA will have its regular meeting.

Tatapochoon Camp Fire girls meet at American Legion hut, 4:15.

Junior Treble Clef club will meet at city hall club room, 4:15.

A. A. U. W. will meet in city hall club rooms, with Mrs. Dingus of Lubbock as guest speaker.

FRIDAY

Regular meeting of the Order of Eastern Star starts at 8 p. m., Masonic hall. All members urged to be present.

MORE THAN FIVE THOUSAND PERSONS USED IN FILMING OF 'CLEOPATRA' FOR PARAMOUNT

HISTORICAL CLASSIC IS BROUGHT TO LA NORA HERE

During the production of Cecil B. DeMille's most recent film, "Cleopatra," at the Paramount studios in Hollywood, someone with a penchant for plain and fancy statistics unearthed the following choice tidbits.

More than 5000 persons were employed on the picture, which is now playing at La Nora, with Claudette Colbert, Warren William and Henry Wilcoxon. This includes, of course, the technicians, leading players, extras and bit players.

The feathers of 600 pheasants were used to make up the fans of the Egyptian dancing girls in one scene.

A total of 185 pounds of clothing was worn by Claudette Colbert, as Cleopatra, and Henry Wilcoxon, as Marc Antony, in one of their love scenes. Wilcoxon's armor weighed 110 pounds, and Claudette's beaded gown weighed 75 pounds.

It took 600 ostrich feathers to make up the solid feathered arch before which stood Cleopatra's coach.

150 Foot Bathub—The DeMille "bathub" in this picture (the public bath at Rome) measured 100 by 150 feet.

To add that necessary tan to the Egyptians and Roman legionnaires, 65 gallons of body make-up was used throughout the productions.

Twelve persons worked nine months on research before a camera was turned.

More than four tons of armor was cast in the foundries at the Paramount studio to be worn by Roman and Egyptian soldiers.

It took approximately 250,000 square feet of space on which to build all of the sets.

Among the creatures used were eight peacocks, four leopards and two asp.

It took the hair of 700 European peasants to make up the wigs, curls, switches and hair pieces used by principals and extras, it is estimated.

The plaster shop at Paramount hired 120 sculptors and plaster workers to make the sphinxes, columns and other portions of the sets.

BAPTISTS VOTE TO END SCHISM WITH BRETHERN

Would Reunite With Missionary Group

BY HARRELL E. LEE. SAN ANTONIO, Nov. 10 (AP)—The Baptist General convention of Texas has given its enthusiastic endorsement to a plan of unification with the Baptist Missionary association and like action by the latter organization at its annual meeting next week would mean the end of a schism of 37 years.

The general convention places its membership at approximately 500,000. Leaders of the Baptist Missionary association which broke away from the larger group after a meeting here in 1897, state that their organization has almost 100,000 members.

Not a voice was raised in protest as the general convention ratified the unification plan, which was formulated by a committee of 25 members from each organization.

Leaders of both factions called the occasion one of the greatest hours in Texas Baptist history.

The plan called for an alteration of the constitution. Under the revised document representation in the state organization will be on the basis of membership in the various churches rather than on the financial contributions of those churches to the Baptist program.

The policy of apportioning representation according to contributions was one of the matters which led to the separation.

The convention met this morning to conclude its business affairs. Delegates planned a sight-seeing tour this afternoon and the annual session will end with an address tonight on "The Baptist World Affairs" by Dr. George W. Truett of Dallas, new president of the Baptist World Alliance.

The organization will hold its 87th meeting at Houston November 5-8, 1935.

Announcement of anonymous gifts of nearly \$100,000 each to Southwestern Theological Seminary at Fort Worth and Baylor college at Belton was made to the convention.

A will filed for probate provided for the gifts, delegates were informed.

The convention approved a resolution by Dr. Millard Jenkins of Abilene pledging unrelenting war on "motion picture abuses."

"We believe that the moving picture is an important agency of education, but we also believe that today it is being prostituted into an agency of immorality and drunkenness," the resolution said. "It seems to us that particularly during the last few years there has been a deliberate attempt to educate our youth to approve the use of alcoholics through propaganda disseminated by means of the cinema. Drinking scenes have been constantly juggled into the pictures and drink itself has been glorified as a fashionable habit which is shared by those who know their way around. It is intolerable that thus at our very doors our children should be taught the things that we hate."

George J. Mason of Dallas, executive secretary of the Texas Baptist foundation which handles the assets of Baptist institutions, reported that the outstanding development of the past year was the establishment of the Hardin trust of \$900,000 by Mr. and Mrs. John G. Hardin of Burkburnett.

No prorations of the fund will be made during the lifetime of the donors, but the income will be invested with the result that the amount will be increased. Mason said that when the income becomes available it will be distributed as follows: Under-privileged children of Wichita county 25 per cent; Baylor college, Belton, 25 per cent; Baylor university, 16 2-3 per cent; Hardin-Simmons university, Abilene, 16 2-3 per cent, and Howard Payne college, Brownwood, 16 2-3 per cent.

Jean Parker and James Dunn find happiness in "Have a Heart" an exciting romance now showing for three days at Rex theater.

Pug Grubbs To Fight 10-Round Bout In Kansas

KANSAS CITY, Nov. 10 (AP)—Announcement was made today by Tommy McHugh, promoter, of the signing of Bus Breese, Manhattan, Kas., and Neil (Pug) Grubbs, Borger, Texas, lightweights, for a 10-round feature bout here Tuesday night, November 13.

Breese, with an impressive record since joining professional ranks two years ago, will be making his first appearance in a Kansas City ring in an all-over key pattern and cut on severely tailored lines.

Grubbs, hard-punching Texan, has found favor with local crowds in three fights.

QUITTED SILK USED FOR EVENING COAT
LONDON (AP)—One of the most striking evening coats seen in London smart circles this season is of white Ottoman silk, finely quilted in an all-over key pattern and cut on severely tailored lines.

Alexander the Great Is Desired By Local Pupils

Alexander the Great was the most popular historical figure with eighth grade history students in junior high school here in a recent essay contest sponsored by David Dallas, assistant manager of Pampa theaters.

Next were the Crusaders and Helen of Troy, the freshmen indicated in writing on the subject. What historical spectacle I should like to see Cecil B. DeMille Produce Next.

Various historic incidents were mentioned, including the lost tribes of Israel, and one boy emphatically wanted his movie of medieval Europe to be "realistic, without silly loves scenes."

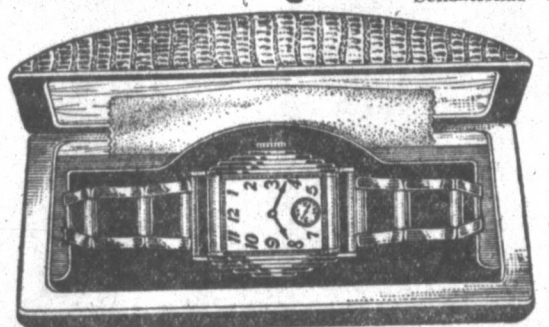

Writers who were given free tickets to see "Cleopatra" at La Nora theater were: Nettie Lee Vaughn, Dorothy Lee Wood, D. L. Killingsworth, Vernon Casey, Bobbie Karr, Helen Arnett, Mary Elizabeth Seeds, Velma Turner, Geraldine Boydston, Edith Lane, Lon Taylor, Margaret Gavin, Lillie Mae Redman, Helen Scott, Rupert Calhoun, Rosalie Kribbs, H. C. Covington, Muriel Home, Madge Sirman, Ida Ralston, Adeline Hollar, Emma-dean Hudgens, Doris Cupp, Clifford Scott, Vernice George, Helen Reid.

ARMISTICE DAY

Carry On!

One year . . . five years . . . ten years . . . sixteen years since the white flag was flown across a gory field, since voices hoarse from crying out against slaughter and strife found new strength to shout—"the war is over . . . the Armistice is signed!" Sixteen years of peace . . . questionable at times, but clung to with all the ardor of the mother who, having lost one son . . . two sons in bitter warfare, holds yet to a third, denying his life's blood to a cause of hatred. Sixteen years—yet that is not enough—for we must hope and pray, and strive for endless years of Peace . . . with Armistice Day each year a revered anniversary teaching that they died not in vain.
