In Memoriam

Mrs. Bedell was born in Washington County Texas July 1848

Died at the home of her son, Will Bedell, August 12 1914. She was the mother of six children, her husband and two children had gone before her. She leaves four children, Will Bedell of this county Mrs. Ira Wasson, of Big Springs Mrs. John Howe, of Winkler County, Mrs. Frank Good, of Kenna New Mexico. She also leaves sixteen grand children

She died of that dreaded disease cancer all that loving childre and kind friends could do could not relieve her suffering. She was a devoted member of the Baptist church. Her life was gentle, but

like the still waters it was deep in her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in ministering unto caring for and waiting upon those who were in any way dependent upon her

Her children and grand children shall rise up and call her blessed.

None but those who have sat in the shadow of a great bereavement can justly weigh such a sorrow as this.

Those who have gone down in the valley of suffering and stood for months by the side of a loved one, as hope after hope dropped away as the petals fall from a fading flower, know that such anguish cannot find solace in the tenderest words. She who has

gone forth could not be supported on her solitary path by any earthly friend. The son, whose strength was given sweetly, tenderly to this precious mother, whose heroic devotion never faltered, could not detain her by clasp of earth by love; but after the last word had been spoken, the last sign of recognition was gone, a look of peace settled on her face which proclaimed victory and he knew she was resting on a mighty arm.

Kay-Naylor

Mr Loyd Kay and Miss Maud Naylor, a popular young couple of this city, stole a march on their

many friends Sunday, and hied themselves to S'aton where the nuptial knot was tied that made them husband and wife. They were accompanied on their trip by Mr. Ross Edwards and Miss Clark

Miss Maud is the daughter of Mr and Mrs. D. E. Naylor, and is a charming and accomplished young lady whose friends are numbered by her large circle of acquaintance Mr. Kay is a young man of sterling worth and holds a responsible position at the Postex Cotton Mills.

The Post joins the many friends of this happy young couple in wishing for them a long life of pappiness and prosperity—

'WORLD AT HOME' AT COMING FAIR

Splendid Amusement Attractions
for Coming State Fair.

SHOWS ARE HIGH CLASS.

Twenty-Five Cars Necessary to Transport
Mammoth Aggregation of Almost
Every Amusement Device in Existence.

Dallas — Can you imagine a miniature World's Fair brought to your very doors? Well, that is what THE WORLD AT HOME will do when it arrives in Dallas for its stay of sixteen days at the State Fair of Texas, which begins Saturday, October 17. It requires twenty-five double length solid steel railway cars to transport this mammoth aggregation. Almost every known amusement device in existence is carried by THE WORLD AT HOME, some of them have never been presented by a traveling organization.

In addition to the amusement features in the way of riding devices, etc., there are many shows of the highest order, included among them are the Garden of Allah (Arabian Village); California Frank's Wild West and Indian Congress; Mazeppa, the horse with a human brain; Omar Sami's, the Human Butterfly and the Marvels of the Universe; Willard's Wonders of Melodia; Armstrong's Congress of Oddities; the Diving Horses; Prof. Victor Eslick's Champion Concert Band and sensational exhibitions in the mid-air and on the elevated platforms. The Garden of Allah is a wonderful exhibition, over seventy men, women and children of the desert appear in it. There are camels, elephants, burros, donkeys, dogs and goats. Mazeppa is the most remarkable equine in the world, and does everything—but talk. Willard's Wonders of Melodia is the greatest musical novelty in the world. California Frank's Wild West and Indian Congress embraces all that is interesting appertaining to the Far West in the early days. Omar Sami's East Indian Exhibitions are unique and Armstrong's Congress of Oddities will make you laugh as you never laughed before. The riding Devices will afford plenty of amusement for the patrons who seek thrilling sensations. The Band Concerts are a musical treat. The World at Home is conducted along high class lines, perfectly equipped.

If you hear a big splash at the 1914 State Fair of Texas, don't worry. It's merely the elephants taking their daily plunge in the big tank provided for that purpose this year.

FARM IMPLEMENT DISPLAY.

That at State Fair Will Be Rich in
Suggestions of Value.

Dallas—The implement and farm machinery display will be larger and more varied than in previous years, judging by the amount of space already signed up for exhibits of this class at the 1914 State Fair of Texas, which begins Saturday, Oct. 17. Farmers will have an unusual opportunity of studying the latest and best in farm implements. Competent demonstrators will be on hand to display the latest improvements and explain the most effective methods of using the machinery.

Don't forget the big day, Monday, October 19. That's when the newspaper makers of Texas assemble at the State Fair of Texas for their day at the greatest of all expositions. E. J. Kleist, a newspaper man himself, a director of the State Fair, is in charge of the program, and he sends the word broadcast that there will be more real enjoyment this year than ever before.

CHILD WELFARE EXHIBIT.

College of Industrial Arts Assembling
State Fair Features.

Dallas—Larger and more instructive this year than ever before the College of Industrial Arts exhibit at the 1914 State Fair of Texas, October 17-19. November 1, will not only house the regular class room displays, but will devote 200 feet of wall space to subjects dealing with child welfare.

That prevention is wiser than cure will be treated on in two sections dealing with children's diseases. The results of scientific research in the splendid results achieved through a complete physical examination of children attending school will be demonstrated.

The importance of vocational training will be emphasized by facts received from the National Society of Industrial Education.

How bad home surroundings, bad recreation and low wages contribute to the delinquency of children will be dealt with in the section on children's institutions.

In fact the faculty of the College of Industrial Arts has assembled a splendid exhibit that will deal with every phase of the child welfare subject, something that the fathers and mothers of Texas should not overlook.

New shows, new conveniences for the comfort of all, a striking change in exhibits, in other words "A Different Fair"—that's the program for the 1914 State Fair of Texas, which begins Saturday, October 17, and continues sixteen grand and glorious days.

BRILLIANT AUTO SHOW.

1915 Models Shown First Time in
America at Coming State Fair.

Dallas.—Dealers in automobiles are preparing for a marvelous exhibit of 1915 models in their own building at the coming State Fair of Texas, which begins Saturday, October 17. This will be the first showing of 1915 models in America. Every make sold in Texas, every model and kind will be on exhibition.

Remember the dates: State Fair of Texas, Dallas, Saturday, October 17, to Sunday, November 1.

Style Show at Fair.

Dallas—A style show of the latest imported and domestic designs in women's wear and millinery will be one of the features of the 1914 State Fair of Texas, which begins in this city Saturday, October 17, and continues sixteen days. New York and Paris will be ransacked to bring to Dallas the latest and most beautiful creations in hats, gowns, frocks and dresses.

In the ladies' textile department of the State Fair of Texas, Dallas, rich premiums are offered for the work of school children of the state in domestic science, manual art, drawing, arts and crafts and culinary. The 1914 meeting starts Saturday, October 17.
