### Your Horoscope JEANE DIXON

FOR TUESDAY, JUNE 24, 1969 Your birthday Tuesday; you get off to a flying start with a bright idea and a strong push to bring it into reality. Drastic effects are not the thing to strive for, but steady building of interest. The later months of the year promise generous rewards for your earlier, steady dev-to-day routines. Tuesday's natives have a general sense of drama, often touched with mealancholy.

ARIES (March 21-April 19): Pause a moment in the midst of your routines to express your personal feelings to those you care about. Fast moving action, short trips are indicated.

TAURUS (April 20-May 20) Tuesday promises to show some increase in your productive capacity. Ask for SAGITTARIOUS (Nov. 22-Dec. the raise you have earned. Your mate has something to say-listen!

GEMINI (May 21-June 20) Now your efforts to keep life pleasant pay off as all CAPRICORN (Dec. 22-Jan. 19): around you people respond in cooperation. Use this auspicious moment to push through some long-wanted personal project.

CANCER (June 21-July 22) Commit your available energy to your experimental version of how things can be done more directly, more efficiently. Just be sure those trial run understand what they are to do and the reason for the changes.

LEO (July 23-Aug. 22): Settle with mate any uncertainties a b o u t financial security Understanding brings cone fidence and accord.
