Your Horoscope

JEANE DIXON

FRIDAY, AUG. 1 Your birthday Friday: The is one of those days when it coming year brings you plenty of opportunity to test your strength and your limitations generally in subtle ways that are, not open to assistance from other people. Your intuition is stimulated by the challenge. Friendships, particularly with older people, deserve your utmost patience this year. Friday's natives are prone to make or break relationships suddenly and seldom fail to make their vews known.

ARIES (March - 21-April 19) Prepare for an uneven day. in which well-meaning friends may inadvertently cause you SAGITTARIUS (Nov. one in another bank. Pretty much inconvenience. Pay no attention to rumors.

TAURUS (April 20-May 20); Check through all the details as you go, as there are likely to be distractions which hinder your work-mates from doing their share.

GEMINI (May 21-June 20); In this unsettled day you may be tempted to spend more than is called for. Impulsive moves may complicate romantic interests. Expect some of your friends to balk over minor items.

CANCER (June 21-July 22); This is the type of day to go it alone! Quit as soon as circumstances permit, seek light entertainment for the

evening. LEO (July 23-Aug. 22); Select your associates carefully or PISCES (Feb. 19-March 20); mother received no child sup- woman with four kids by three else you may wind up carrying much of the obligations. Friday's planning must be tentative at best, as conditions are subject to great hanges this year.

Polly's Problem

lem is frustration with the

complicated instructions

furnished with a recently

purchased afghan kit. I want

to make one that begins with

a dark shade and graduates

out in lighter shades and then

has a final border of black.

All of this would make a four-

inch square which when

joined with others would make the completed afghan. I think beginners would understand more easily if someone would spell out each

step and not assume that we

know what is meant. Could

someone experienced at

crocheting help me and all

the others who would like to

crochet one of these beautiful

afghans but are aghast at the

instructions with commercial

DEAR POLLY - This is in

answer to Emily's question of

how to treat and finish an old

pot-bellied stove that she wants

to use for a planter or for

making a lamp. With a really stiff wire brush, I cleaned and

brushed off all excess dirt and

rust, inside and out. Next came

a coating of one of the rust-pre-

ventative sprays, followed by

one or two coats of flat black

paint which could be either

sprayed or brushed on. Mine

looked lovely, has lasted for the

past five years and still looks

great as a planter, I'm sure

it would also make a lovely

DEAR POLLY - I want to

tell Emily that my husband had

our black pot-bellied stove sand

Then he painted it with dull

wrought-iron paint. It was then

made into a lamp by fitting a piece of wood the used oak

about an inch thick) in the

place where the stove pipe came out, then fastened to it

a brass rod and arm like a

bridge lamp's. I bought a glass

ash tray for less than 50 cents

that just fits in the hole where

a stove lid used to be. A planter

could be put where I have this ash tray. He installed a small

red light bulb inside, When

turned on this glows through the slots in the front of the fire

blasted inside and out to

remove all the rust.
