Musings of a number of holdups, sluggings, and strays in this and nearby communities lately, and a murder here. They occurred because there were "that kind of people" present. This area cannot afford to grow too lax in its attitude toward the "rougher elements." To do so would be to broadcast an invitation that Gray county is "easy" and hospitable to undesirables. The court records reflect much too late conditions which arise out of congregating of rough characters. Peace officers have a responsibility to the public, and the public to the peace officers. Slack reins have caused many a run-away. And don't forget that WE NEED THAT BRIDGE NORTH OF US. Other words for which the little word GO does most of the work: Repair, proceed, draw, bolt, gallow, march, advance, speed, ply, swarm, jog, lope.

PERCENTAGE OF TAXES ARE TOO OFTEN FIGURED ON A BASIS OF RETAIL COSTS.

This system encourages levies that are too high for an industry to carry without serious danger to its markets. An invoice of a Texas refinery illustrates the point. Here is the invoice: 950 gallons of gasoline @ 2 cents \$19.10
State taxes 4 cents \$3.80
Federal taxes 1 cent \$0.95
Total \$23.85
If the invoice were made now the total would be about \$71.93. In other words the taxes on a commodity sold at the refinery for \$19.10 amounts to nearly 270 percent. Increasing the price per gallon at the refinery would naturally reduce the percentage but only add to the problem by increasing the retail price of the commodity. Americans have shown a remarkable ability to absorb taxes through gasoline purchases but there is a limit on what the traffic will bear. And it is well known that boot-legging of any commodity is invited by an exorbitant tax levy.

AMERICANS COMPLACENT IN THEIR WAY OF THINKING UNSCIENTIFICALLY IN CRIMINOLOGY WERE PROFOUNDLY SHOCKED WHEN THE GERMAN GOVERNMENT ANNOUNCED RACE IMPROVEMENT PLANS BY STERILIZATION.

But the shock rebounded quickly when it became generally known that sterilization is compulsory in certain criminal cases in many states of this country. In fact, of thirty states which have adopted a total of 64 sterilization laws, 27 still have these statutes. To believe in sterilization you must believe strongly in the influence of heredity. American scientists are by no means agreed upon the effectiveness of the plan. Birth control in some environments is contended to be more needed than sterilization. Bad environments and density of population have a very direct relation to sterilization. The opinion of many American scientists can be found conclusively helpful only in the most extreme cases. It is almost impossible to determine who are carriers of latent mental deficiencies because in thousands of instances mentally disordered persons

PARDONS FOR 4 AMERICANS RECOMMENDED

Spain's Attorney General Urges Clemency for Inmate of Palma Jail.

MADRID, Jan. 24 (AP)—The attorney general of Spain recommended to the supreme court today a pardon for four Americans held in jail at Palma, Mallorca, for assaulting a civil guard. The four Americans are Mr. and Mrs. Clinton B. Lockwood of West Springfield, Mass.; Roger F. Mead of New York and Edmund A. Blodgett of Stamford, Conn. They have been held in custody at Palma since last Sunday when they were arrested following a supreme court reversal of a military tribunal verdict. The military court had acquitted them of the charge, but the supreme court found them guilty and sentenced them to six months and a day in jail. Intervention for their freedom was made directly to the Spanish government by Anastasio Claudio G. Bowers of the United States.

Oil Firm Will Begin Campaign For Production

Start of an active cleaning out, deepening and drilling campaign by the LeFors Petroleum company was announced this morning by Mel B. Davis. The company has been inactive in the field for more than two years. The company's wells were allowed to produce unregulated and their production has dropped considerably. The first work on the new program will be the cleaning out of seven wells in or near LeFors. Work on the first well was started this morning. Some of the wells may be deepened after being cleaned out. Several company wells "on the river" will be deepened. Mr. Davis said. Tests, deepened by other companies in the area have shown a marked increase in production. Locations for new tests have not been released. The company plans to spend between \$50,000 and \$60,000 in its program.

Negro Wants To Eat With White Men at Capitol

WASHINGTON, Jan. 24 (AP)—The threat of Representative Depriest to force a vote on whether negroes, eat with the whites in the house restaurant was blocked temporarily at least, today by Speaker Rainey. The speaker called Depriest to his office for a conference later in the day. Rainey told him: "Don't you do anything about that matter until I see you."

LONG CANDIDATE DEFEATED

Kingfish' Henchman Runs Poor Second in Mayoralty Race in Orleans.

NEW ORLEANS, Jan. 24 (AP)—Senator Huey P. Long's political machine today had apparently met its first major defeat as the polls in this city were closed. The complete returns from yesterday's mayoralty primary continued to send the Walmisley old regular faction far out in front in a four-cornered race for city hall control. The Long candidate for Mayor, John Klorer, was running more than 14,000 votes behind Mayor T. Senn. Mrs. Walmisley on the face of returns from 240 of the city's 262 precincts, but Klorer headquarters and Senator Long continued to withhold a statement on whether the issue would be forced into a second runoff primary. The Walmisley total at 9 a. m. was some 9,000 votes short of a clear nominating majority over his three opponents. When the weary polling commissioners, up all night, suspended their work this morning to take a three hour rest, the unofficial returns from 340 precincts showed Walmisley 41,066; Klorer 26,854; Francis Williams, independent anti-Long campaigner 23,882, and Herbert B. Homes, independent non-factional candidate, about 500. These figures included 192 precincts officially canvassed by the parish democratic committee which gave Walmisley 31,910; Klorer 20,803; Williams 18,131, and Homes 242. Walmisley broke up a three-year political alliance with the Long machine just before Christmas and sought re-election on a straight anti-Long issue.

SALESMAN HAS IDEA HE SAW KIDNAP GANG

WAS BOTTLED UP FOR WHILE ON ROAD HE CLAIMS

ST. PAUL, Jan. 24 (AP)—The \$200,000 ransom demanded by kidnapers for the release of Edward G. Bremer, wealthy St. Paul banker, had not been paid up to 12:30 p. m., well-authenticated sources close to the family disclosed today. State highway patrolmen said this bore out their investigation of the story told by Harry Bachman, St. Paul salesman, who yesterday advanced the theory he might have stumbled across the kidnapers as they drove along highway No. 1 north of here to keep the purported pre-arranged meeting. Bachman related how he was bottled up for while on road. He was prevented from forging ahead by the jockeying of the two cars. After several miles, when he finally succeeded in drawing up along side of the leading car, he was told to "beat it" and he sped away. Investigators pointed out this occurred at about 2:15 p. m., while the ransom money was known to have been kept in St. Paul up to 5 p. m., yesterday. The scene of Bachman's experience is in the vicinity where the \$100,000 ransom was paid last June for release of William Hamm, Jr., millionaire brewer held prisoner almost four days.

J. I. Downs Will Seek Office Of Constable Here

J. I. Downs today authorized THE NEWS to announce his candidacy for the office of constable of precinct 2, Pampa, subject to the democratic primary of July 28. In placing his name before the voters of this precinct, Mr. Downs stated that he was running for office on his own merits and not for any person, persons, or clique, and that if elected he will fill the office to the best of his ability. He has had a wide experience as a peace officer both in Texas and Oklahoma. Mr. Downs moved to Pampa on June 14, 1927, and in May of the following year was appointed chief of police of this city, a position he held until his resignation August 23, 1932. Mr. Downs started his career as a peace officer May 27, 1921, in Erick, Okla. He later became an officer in Elk City.

Sole Witness

WASHINGTON, Jan. 24 (AP)—The testimony of Miss Louise Pearce, former high school beauty, against Mrs. P. A. Worley, pioneer resident, was given today in the trial of W. L. "Billy" Walker today. Mrs. Pearce, who has been very ill, may not be able to appear in court. The jury in the suit is composed of C. V. Davis, Leo Paris, Raymond Howard, W. T. Fraser, E. E. Plank, Roy Campbell, E. Bachus, Fuller Barnett, Les Quarrels, Wm. Bell Jr., E. S. Carr, and H. E. Means.

Verbal Skirmish Delays Opening Of Slander Suit

Arguments of attorneys over exceptions in petitions and answers today delayed opening of testimony of Miss Louise Pearce, former high school beauty, against Mrs. P. A. Worley, pioneer resident. Attorneys for Miss Pearce are John Simpson of Pampa and Major E. A. Simpson of Amarillo. Mrs. Worley's attorneys are of the Amarillo law firm of Madden, Adkins, Pipkin, and Ketter. It is alleged that Mrs. Worley defamed her father, Ollie Pearce. Mrs. Worley, who has been very ill, may not be able to appear in court.

Was His Face Red! And They Laughed at Him!

Reg Parless' face was red last night. The reason? Slaps received in rehearsal for the Little Theater play, "Who Gets Slapped." Parless has the title role of the clown, and the practice slaps were given in earnest at the last rehearsal. Audience reaction to the slaps was tested by the presence of a few visitors, who chuckled at the clown's antics and his treatment at the hands of others in the cast. Clowns with less important roles in the story are played by Wayne Hutchins as Jackson, Bert Hobson and George Aispaguh, Tilly and Polly. Although assumed the role this week with the departure of Clem Followell for Amarillo. "He" is slapped not only by them, but by the dainty Consuelo, played by M. Louella Wade, in one of the most dramatic scenes of the play. Although she laughs at the clumsy clown, "He" works to save her from her scheming father, Count Mance, played by John Ketter, and Baron Benard, enacted by Neal Bean. He favors Benard, young bareback rider. Ralph Morrison has the role of Benardo. Mrs. G. L. Green "Pampa's Panhandle" loves Benard, and adds to the complications, portrayed in the setting of a French circus.

Three-Part Church Program Is Tonight

Preparations to seat 100 persons at the "faith-food-and-fun" program tonight were being made at the First Methodist church. The food will be a covered dish luncheon to be served at 6:45 p. m. The "fun" is the secret of the Rev. Gaston Foote, pastor, until after the dinner is served. The faith will be a continuation of a discussion of the book of Mark by the pastor. Attendance of church members is urged by the pastor.

Jack Reed Due To Be Appointed Administrator

WASHINGTON, Jan. 24 (AP)—The Texas relief commission probably will be asked to name Jack Reed of Galveston as director when Lawrence Westbrook resigns that post to become an assistant to administrator Harry L. Hopkins here. It was learned today Reed will have Westbrook's backing. Reed formerly associated with the Moody-Seagraves interests at Galveston, is Westbrook's assistant. Appointment of a successor to Westbrook will be made by the relief commission, subject to confirmation by Hopkins.

Mrs. Zula Brown, who has conducted a beauty shop on 429 North Russell Street, has moved her shop this week to 520 N. Russell.

THE WEATHER

WEST TEXAS: Cloudy, rain in southeast and rain turning to snow in north portion, colder tonight. Temperature 16 to 20 in north portion. Thursday partly cloudy and colder. Strong northerly winds. Livestock warnings in north portion.

FIRST NORTHER IS ON WAY TO TEXAS, REPORT

REAL BLIZZARD, SNOW ARE PREDICTED FOR PANHANDLE

DALLAS, Jan. 24 (AP)—The weatherman said today that a cold wave, probably the first real blizzard of the winter, was on its way to Texas. For the Panhandle, he predicted strong north winds and light moisture tonight with a minimum of 20 above. For north Texas he predicted a "cold wave and much colder by or during Thursday night with minimum temperatures ranging from 18 to 28." The shippers' forecast for a radius of 300 miles of Dallas said: Protect shipments during the next 24 to 36 hours from temperatures as follows: North and northwest 16 to 28 and freezing may extend south nearly to the coast during Thursday night.

Crowds Hail Cuba's New Chief

Cuba's fourth provisional president in five months, Col. Carlos Mendiccia, is pictured in the midst of a crowd before the presidential palace in Havana as his admirers cheered him in a wild and jubilant street celebration. The enthusiasm was born of a hope that the new administration will bring an end to threats of a civil war.

WITNESS SAYS MAN KILLED HIS FREQUENT BENEFACTOR BECAUSE HE REFUSED TO GIVE MORE AID

Defendant Backed In Business By Slain Friend

GALVESTON, Jan. 24 (AP)—The state introduced at the murder trial of W. L. "Billy" Walker today testimony intended to show that Walker, a former bottling works manufacturer at Beaumont, harbored a grudge against his frequent benefactor, Hubert Oxford, because the latter had refused him additional financial aid. Walker was indicted in the slaying of Oxford, Beaumont lumberman, last September 9 at the cottage of Mrs. Seawillow Keith, Beaumont widow on the Gulf. Walker also wounded Mrs. Keith and Earl Blue, young negro. J. D. Birdwell of Beaumont, Oxford's business partner, testified that Oxford had prevailed upon 15 of his friends to back Walker in business about six years ago. He said the venture was unsuccessful. At a meeting of directors of Walker's concern, "The Brandy-Mist Bottling company," about five months before the slaying, Walker had asked them for an additional \$3,000 to put a syrup called "Billy Walker" on the market. Birdwell, one of the directors, said: "Hubert was the first director to reply to Walker," Birdwell testified. "As far as I'm personally concerned, I'm through putting up for the Brandy-Mist Bottling company," Oxford was quoted as saying. "That was the last directors' meeting before the company went bankrupt, Birdwell said. G. H. Howran, Beaumont carpenter, stated he heard the last of the conversation between Walker and Oxford in Oxford's office about a month before the shooting. "Tell the jury whether or not Walker seemed in good humor at that time," C. W. Howth of Beaumont, special prosecutor, asked. "He didn't seem in good humor to me," Howran replied. "He was mad."

Enrollment In CWA School To Commence Today

Signs that the CWA school which will open this afternoon in the red school building on the high school campus, will have a surprisingly large enrollment were evident today. The announcement yesterday immediately aroused the enthusiasm shown for the school by the general public. The CWA school at Amarillo has an enrollment now of between 500 and 600 pupils who are going to school with gusto and interest, it was reported. The five teachers of the school here, who will be paid out of relief funds, will enroll students from 4 until 8 o'clock this afternoon. Enrollment will continue after school begins and through Friday. The school is free—no tuition—but pupils will be required to furnish their own books and supplies. Classes will be held from 4 until as late as 10 o'clock, if necessary. Instruction will include elementary, intermediate and advanced classes. Every subject that pupils want will be taught. The school should be attended by all persons who are unable to read and write the English language, it was said.

Deadline Coming Near in Payment of Taxes Here

With only 1,600 poll taxes paid, it is evident that many Gray county residents either do not intend to vote this year or they are going to have to stand in line at the tax collector's office. While only 1,900 poll taxes were paid last year, it is expected that the number will approximate 4,000 this year. There will be only 3 days next week in which to pay taxes and license fees of all kinds. About 1,700 automobile licenses have been issued. This number is about 2-5ths of the total expected. State highway patrolmen are in the county to enforce the license laws after February 1. There can be no extension of time because the legislature is not in session. Mrs. T. C. Castleberry of White Deer was a Pampa shopper this morning.

PRODUCTION CREDIT BODY IS FORMED IN THIS TERRITORY

CANADIAN, Jan. 24.—Completion of the organization of the Canadian Valley Production Credit association has been announced here. Officers of the association are as follows: President, T. H. Black, Higgins; vice-president, Fred A. Hobart, Canadian; secretary-treasurer, C. W. Allen, Canadian; directors, Mr. Black, F. P. Rogers, Perryton; L. L. Palmer, Alameda; Willey Wright, Canadian; J. A. Bryant, Wheeler; C. L. Thomas, Pampa; Mr. Hobart, Canadian. The association has been chartered with a capital of \$100,000 and with rediscount privileges of \$500,000 at the intermediate credit bank of Houston. The purpose of the organization is to make sound loans to farmers and stockmen at an interest rate of approximately 6 per cent. The association is of a permanent nature and is not to be confused with various relief set-ups, officers said. Educational meetings at various places will be held to explain the procedure. The body is identical with 51 other such organizations in Texas, and with them will be ready for business on or before Feb. 15.

BUT DEMANDS REJECTION OF MONEY BOARD

WASHINGTON, Jan. 24 (AP)—Administration willingness to accept some vital committee changes in the monetary legislation made the going easier for it today in the senate, but it was not too easy. While the house devoted a third day to the new strengthening bill, preparatory to passing it in late afternoon, the democratic leader—Robinson—took into the senate debate the news that President Roosevelt would accept the 3-year time limitation put by committee yesterday on his dollar devaluation powers and on the \$2,000,000,000 stabilization fund. All was not so serene, however, inasmuch as the senate simultaneously learned of administration opposition to having a board of 5—instead of the treasury secretary—operate the stabilization fund. "Obnoxious and impracticable," Robinson of Arkansas called it. Vice President Garner gave the monetary measure right of way as soon as the senate met, and the forensic forays were on. It was hoped the spirit of compromise would make a vote possible this week, but there were doubters. The senate is expected to accede with little question later to the "bigger navy" proposals receiving such commendation in the house these days. Of the other problems facing the nation, meanwhile, another \$50,000,000 for relief, \$350,000,000 being to carry the CWA at least until May, was advocated by the president. Congress probably will soon grant it. Should need arise, the government would use some of the direct relief fund—even though it is intended principally for use next fall—in financing the CWA somewhat past the May deadline. It became known that Mr. Roosevelt expects congress to legislate with regard to the stock exchange, but elsewhere it was indicated that official recommendations will not be as stringent as had been expected in some quarters heretofore.

The five teachers of the school here, who will be paid out of relief funds, will enroll students from 4 until 8 o'clock this afternoon. Enrollment will continue after school begins and through Friday. The school is free—no tuition—but pupils will be required to furnish their own books and supplies. Classes will be held from 4 until as late as 10 o'clock, if necessary. Instruction will include elementary, intermediate and advanced classes. Every subject that pupils want will be taught. The school should be attended by all persons who are unable to read and write the English language, it was said.

Deadline Coming Near in Payment of Taxes Here

With only 1,600 poll taxes paid, it is evident that many Gray county residents either do not intend to vote this year or they are going to have to stand in line at the tax collector's office. While only 1,900 poll taxes were paid last year, it is expected that the number will approximate 4,000 this year. There will be only 3 days next week in which to pay taxes and license fees of all kinds. About 1,700 automobile licenses have been issued. This number is about 2-5ths of the total expected. State highway patrolmen are in the county to enforce the license laws after February 1. There can be no extension of time because the legislature is not in session. Mrs. T. C. Castleberry of White Deer was a Pampa shopper this morning.

PRODUCTION CREDIT BODY IS FORMED IN THIS TERRITORY

CANADIAN, Jan. 24.—Completion of the organization of the Canadian Valley Production Credit association has been announced here. Officers of the association are as follows: President, T. H. Black, Higgins; vice-president, Fred A. Hobart, Canadian; secretary-treasurer, C. W. Allen, Canadian; directors, Mr. Black, F. P. Rogers, Perryton; L. L. Palmer, Alameda; Willey Wright, Canadian; J. A. Bryant, Wheeler; C. L. Thomas, Pampa; Mr. Hobart, Canadian. The association has been chartered with a capital of \$100,000 and with rediscount privileges of \$500,000 at the intermediate credit bank of Houston. The purpose of the organization is to make sound loans to farmers and stockmen at an interest rate of approximately 6 per cent. The association is of a permanent nature and is not to be confused with various relief set-ups, officers said. Educational meetings at various places will be held to explain the procedure. The body is identical with 51 other such organizations in Texas, and with them will be ready for business on or before Feb. 15.

Enrollment In CWA School To Commence Today

Signs that the CWA school which will open this afternoon in the red school building on the high school campus, will have a surprisingly large enrollment were evident today. The announcement yesterday immediately aroused the enthusiasm shown for the school by the general public. The CWA school at Amarillo has an enrollment now of between 500 and 600 pupils who are going to school with gusto and interest, it was reported. The five teachers of the school here, who will be paid out of relief funds, will enroll students from 4 until 8 o'clock this afternoon. Enrollment will continue after school begins and through Friday. The school is free—no tuition—but pupils will be required to furnish their own books and supplies. JUST ONE RACKETEERING CURB

Racketeering begins, whether in a small community or a big one, when indifference and lax law enforcement begin. New York police, spurred by Mayor LaGuardia, are at last trying to stamp out racketeering at the Fulton fish market.

This market happens to be the largest wholesale fish trading center in the country, and doing an annual business of around \$25,000,000. Dealers, called before a police inspector, who is looking into the racket, testified that as a group they have been paying a certain racketeering ring \$5000 a year for protection.

Every tug that lands at the docks has to pay a fee; every truck that enters the market also has to pay.

And the dealers weren't especially anxious to have the police try to drive the racketeers out. Everything worked smoothly, they said. Paying the \$5000-a-year fee was a nuisance, of course, but it works; they did get protection.

Every so often some sneak thief would steal a basket of fish or something, but as soon as the "protective association" was notified, the stolen goods would be returned.

Thus you get the first picture; racketeers levying their toll in an efficient and businesslike manner, staging a theft now and then, and returning the loot immediately afterward, to demonstrate the dealers' need of their services. Now listen to the other side of it.

Last winter a patrolman who didn't believe in racketeers was assigned to duty at the market. He cracked down on the gangsters; he found one collecting tribute from an aged dealer, and he beat the daylight out of him.

For two weeks the market was entirely free of racketeers. Then a Tammany-controlled police administration transferred the cop out of there, and the old order returned in full swing.

Now Police Inspector Lewis J. Valentine tells the dealers that they might just as well save their \$5000 a year. If they will refuse to pay, he says, and will testify freely whenever they are threatened, the police can break up the racketeering ring completely.

"The racketeers will run like yellow dogs with their tails between their legs, if a good cop cracks them on the jaw," he remarks.

All this is deeply instructive. It shows just how a racket is worked and just how it can be stopped. To work it, you need political influence and a set of business men who would pay tribute rather than stand up for their rights. To stop it, you need only honest cops and fearless business men.

The way to stamp out racketeering, after all, is simple. You just stamp it out.

CHICAGO GRAIN

CHICAGO, Jan. 24. (AP)—Eastern buying lifted the wheat market today, and earlier fractional declines in prices were about counterbalanced.

Advances of wheat values, however, at no time were of a striking character. Taken as a whole, the day's transactions lacked volume, and observers said changes in quotations represented a death of aggressive action on either side, rather than anything else.

Wheat closed steady at the same as yesterday's finish, May 90-92, July 88-90, corn unchanged to 1/2 off, May 52-54, July 54. Oats also unchanged to 1/2 off, and provisions unchanged to 10 cents decline.

MARKET BRIEFS

NEW YORK, Jan. 24. (AP)—Stocks were turned over in large volume today under profit-taking and accumulating flurries. While gains predominated during most of the session, most of these were moderate. Prices tapered in the last half hour, but there was no pronounced pressure apparent and realizing was well absorbed. The close was steady. Transfers approximated 3,300,000 shares.

HARVESTERS OVERCOME BORGER'S LEAD IN LAST QUARTER TO WIN 28 TO 21

LUBBOCK TEAM TO PLAY HERE FRIDAY NIGHT

CHANGED LINEUP FAILS TO CLICK AGAINST BULLDOGS

Training until late in the fourth quarter, the Harvester basketball team last night put on a rally that gave the team enough points to beat the Borger Bulldogs 28 to 21 in the Bulldog lair. It was impossible to stop Hanna, Borger center, who made 12 points.

Four of the Borger boy's field goals were from near the center line and were one-handed "pushes." O. W. R. Green and Captain Miles Mar- tingham tied for high honors on the Harvester five when they made 10 points each. Green left the game late in the third quarter on personal fouls. At that time the Bulldogs were leading by two points. Hamilton replaced Green at forward.

Coach Odus Mitchell started Heskell at forward and Owens at guard, but the changed combination failed to click and Borger took an early lead. Heskell was soon sent back to his old guard position and Woodward went in at the forward position. Although the mid- ward failed to loop any field goals, he was working the ball into scoring position and was good and he passed the ball.

Bill Dunaway found his scoring eyes to loop two field goals and a free throw. Hamilton, Woodward and Heskell each made free throws. The Harvesters will go to McLean tomorrow night for a conference game with the Tigers. The exhibition is scheduled to be tough. Friday night the Lubbock West- erners will come to Pampa for a game and Saturday night the Plainview Bulldogs will be here. "Pewee" games will be featured before the senior games. The mid- week teams of Coach Herod of Pen- sylvania and Coach Graves of LeFors will play at 7 o'clock Friday night. Junior high teams from the same two schools will clash at the same hour Saturday night.

Getting away to a bad start, the Harvesters failed to find their rhythm until late in the last quarter and the Borger girls won their game 35 to 15, last night.

The score book could not be located this morning and individual records were not available.

'Ho, I Feex Tommy Queek!'

Resembling nothing short of an old sea walrus, with his tusks flashing and a woolly coat wrapped around his huge frame, Primo Canera, heavyweight champ, is shown above as he arrived in New York. He plans to start training immediately for his title bout with Tommy Loughran, who, Primo vows, he'll knock out "queek."

'OLD WING IS FIXED UP BY POT LIKKER'

DETROIT, Jan. 24 (AP)—There is joy today in Mickey Cochran's heart, because from down Arkansas way has come the news that one of the Tigers' choicest bits of pitching apparatus, Schoolboy Rowe's right arm—is ready for the coming campaign, and in the Schoolboy's own words, is "better than new."

And what did it? The schoolboy again is authority for the assertion that it was "pot likker, greens, grits, hominy and dog bread." To the healing virtues of these alone the promising youngster attributes his recovery from an injury that put him on the bench in mid-season last year.

It all came out in a letter to Frank Navin, head of the Detroit club. The letter, addressed to "my dear Mr. Frank J," was sent from the schoolboy's home in Eldorado, Ark., and brought a whiff of spring to those, who like the schoolboy, are "longing to get going."

"I have been following the doc's instructions right faithful like," the letter read. "It's planting time hereabouts and I work with a hoe like he said. The old wing gave me some misery at the beginning but that was because it was weak."

But, Schoolboy goes on, his labors made him hungry, and the diet prescribed by the "doc" proved slim pickings. He stuck it out though, until one day the boosters club of a nearby town asked him to make a speech. As their guest he simply could not refuse the good old dishes. So, he said:

"First we ate. And Mr. Navin, I tried to remember what doc said about diet, but them greens, grits, hominy, dog bread and pot likker was too much for me. I dived in, and I made what I hear was a pretty good speech."

"Come the next day and out I go and hoe four acres. And the arm felt good like. The misery was completely gone and the weight was right. So the folks fill me up again with pot likker and greens and I feel like flinging fast balls all day."

And that's why Manager Cochran is looking up the best recipes for "pot likker." That item, along with greens and grits, may turn up on the Tiger training menu this spring.

SCHOOLBOY ROWE TELLS ABOUT ARM CURE IN ARKANSAS

Attention of stamp collectors is called to the issuance of 3-cent Little America commemorative stamps in sheets of six stamps each as printed on the postage-stamp press to be included in the display of the Bureau of Engraving and Printing at the National Stamp Exhibition of 1934 to be held at Rockefeller Center, New York, N. Y., February 10-18.

The sheets will be approximately 3 1/2 by 5 1/2 inches in dimensions and will be issued un gummed and unperforated. The following printing will appear in small type in blue ink on the four sides of the sheets: "Printed by the Treasury Department, Bureau of Engraving and Printing, under authority of James A. Farley, Postmaster General, New York, N. Y., February 10-18, 1934, in compliance to the National Stamp Exhibition of 1934. For the benefit of stamp collectors who do not attend the National Stamp Exhibition, provision will be made to place the souvenir sheets of Little America stamps on sale at the Philatelic Agency, Post Office Department, beginning February 19, to which office mail orders may be submitted for the desired number of full sheets, with remittance by postal money order at the rate of 18 cents each, in addition to which advance must be made for return postage and registration fee. Personal checks and other postage stamps will positively not be accepted in payment. For further information see the postmaster."

Mr. and Mrs. George Crosby and Mr. and Mrs. Charles Crosby and daughters, Louise and Gwendolyn, left for their homes in Oklahoma City yesterday after spending a few days in the home of Mr. and Mrs. B. S. Via.

ALLISON BOYS AND GIRLS WIN MOBEETTIE CAGE TOURNAMENT

Largest Crowd in History Witnesses Strong Teams Play in Final Games.

MOBEETTIE, Jan. 22.—The strong Allison boys' and girls' teams won first places in the second annual invitational basketball tournament at Mobettie Saturday. Mobettie boys and Highpoint, a consolidated school in Childress county, won second places in their respective divisions. Mobettie girls and Community Center boys took off third place honors.

The tournament was very successful and large crowds thronged the gymnasium from the opening game. The largest crowd ever to witness a ball game at Mobettie gathered for the night sessions on both Friday and Saturday when approximately 700 people filled the gym until standing room was at a premium.

In the boys' division the scores were as follows: Head, 26, Briscoe 25; Dozier 22, Higgins 21; Allison 38, Kelton 19; Canadian 18, Aberdeen 17; Community Center 30, Miami 22; Mobettie 40, Wheeler 12; Chamrock 17, Dozier 16; Allison 30, Canadian 18; Community Center 28, Head 16; Mobettie 33, Community Center 18; Allison 29, Shamrock 21; Community Center 25, Shamrock 19; Allison 29, Mobettie 16.

In the girls' division the games were as follows: Briscoe 42, Kelton 16; Canadian 46, Plymouth 16; Highpoint 33, Miami 18; Mobettie 23, Higgins 21; Allison 27, Wheeler 17; Mobettie 38, Briscoe 18; Highpoint 32, Canadian 24; Allison 33, Mobettie 25; Allison 26, Highpoint 23.

WASHINGTON, Jan. 24 (AP)—The secretary of war approved the allotment of \$13,000 today for dredging in the Galveston channel, Texas, to restore the 32 foot depth.

Barney Ross Is 2 to 1 Favorite Over Petrolle

NEW YORK, Jan. 24 (AP)—Barney Ross, speedy champion of the lightweight, risks prestige but no title in a ten-round bout with Billy Petrolle, battle-scarred scourge of the lightweight and welterweight divisions, at the coliseum tonight.

Stirred from their lethargy by prospects of a knock-out, drag-out battle between two first-class fighting men, boxing fans rushed for the ticket windows. A virtual sell-out—12,000 seats—was in sight.

Ross' position as a 2 to 1 favorite was due in part at least to the fact that the youngster outpointed Petrolle in Chicago last March but New York ringsters have seen 10th-ranked Billy dispose of too many ring greats to near-greats to understand how any rival can be held at such odds against him.

The match was made at 142 pounds, Petrolle's best poundage. When they fought at Chicago, Billy undoubtedly was weakened by the effort he had to make to cut his weight down to 137 pounds. Ross probably won't scale much over 136 1/2 pounds.

INDIAN QUAKE DEAD REACHES 25,000 TOTAL

GREATEST CALAMITY IN GENERATIONS IS INDICATED

CALCUTTA, Jan. 24 (AP)—An appalling toll beyond any previously hinted may be reached in India's earthquake dead, it was indicated today when the Rajah of Monghyr said deaths in Monghyr alone have reached 25,000.

It will be weeks, he added, before ruins can be removed to reveal the incalculable bodies buried by the earthquake last week, which shook the region during the Hindu New Year festival of Eidul Fitr.

The Rajah predicted two generations will pass before the devastated areas can be rehabilitated.

The district of Monghyr is in northeastern India in the Bhagalpur division of Bihar and Orissa. It has an area of 9,927 square miles and is divided by the Ganges.

An unnamed engineer was quoted as having declared after a survey that the names of both Monghyr and Muzaffarpur might as well be erased from the map.

Authorities generally appear anxious to conceal the true proportions of the disaster, but nothing can hide the fact that it is India's biggest calamity in generations.

Thousands who escaped with their lives have been utterly ruined—their homes destroyed and lands torn.

The general administration in Bihar province is at a standstill, due to damage to government buildings—damage estimated in one town alone at 250,000 pounds.

Bihar now is a province of tents, with thousands of homes demolished. Relief measures, however, are reported to be adequate. The public has rescinded generously to calls for help.

U. S. NAVY WORRIES JAPS

TOKYO (AP)—Foreign Minister Koki Hirota told parliament today he was "communicating with the American government" in an effort to facilitate a friendly solution of "difficult problems likely to arise one or two years hence." He referred to naval issues expected to come to a head in 1935 and 1936, when the present naval limitation treaty expires.

NO DISTRICT TILTS TO BE ON SATURDAY

HARVESTERS TO PLAY TWO GAMES ON FRIDAY

The Harvester football team will play no Saturday conference games in 1934. One game will be on Monday, one on Thursday, and two on Fridays. All conference games will be played in November, thus giving the team plenty of time to develop through non-conference games.

Two holiday games will be played by the Harvesters this year but both will be away from home. Borger will be host to the Harvesters on November 12 when the Armistice game will be played. November 11 comes on a Sunday this year and it was agreed to play the game on Monday instead of Saturday. The Harvesters will go to Amarillo Thanksgiving day, which is a Thursday.

The conference season will open November 2 with Plainview coming to Pampa. The Harvesters will be in Borger November 12 and at home to Lubbock November 23. The last game will be in Amarillo on November 29, Thanksgiving day.

The full district 1 schedule follows:

Notre Dame Star Will Be Mentor At St. Edwards

AUSTIN, Jan. 24 (AP)—The Notre Dame system of football will be a popular brand in Austin next fall. It will be played both at the University of Texas and at St. Edwards' university.

Rev. Fr. Hugh O'Donnell last night announced the election of John O'Brien, former Notre Dame star, as athletic director and head football coach at the Catholic school. O'Brien succeeds Jack Chevigny, another Notre Dame luminary who has signed as coach at the University of Texas.

O'Brien is assistant coach at the Navy, where he has tutored the line for the past two years and also served as assistant track coach, professor of physical education and director of boxing and wrestling.

O'Brien will assume his duties February 3, following which his assistant "will certainly be a man who can teach the Notre Dame system," Rev. Fr. O'Donnell said.

The play of O'Brien in the 1928 Notre Dame-Army game made him a hero at the South Bend institution. Sent in at end, O'Brien snatched a pass on the first play that was good for 45 yards and victory. He was immediately removed by the late Knute Rockne to be publicly embraced.

O'Brien won his football letters in 1928, 1929 and 1930. He also won three letters in track and captained the 1931 team. For a few brief moments he was holder of the world record for the sixty-yard indoor high hurdles. He was timed at 7.5 but the same night Len Semman, Illinois star, dropped the record to 7.4.

BOXING MEET WILL BE HELD IN PITTSBURGH

FISTS FLY IN 5,000 BOUTS DURING YEAR

PITTSBURGH, Jan. 24 (AP)—They're getting ready for another big amateur boxing tournament in the Allegheny Mountain association where the young idea seems to be to put on a pair of boxing gloves and tell somebody to put up his dukes.

The forthcoming flurry of fact-cuffs, scheduled for the Keystone A. C. February 8, 9 and 10, will be the second of the season, bringing together the amateur battlers of Western Pennsylvania, West Virginia and Eastern Ohio.

The entrants will be the cream of some 5,000 Simon pures in this district of the Amateur Athletic Union—a district in which the boys eagerly take to the padded gloves.

In fact, William S. Haddock of Pittsburgh, president of the association, estimates that some 1,000 fists fly in about 5,000 bouts over a year's time.

Haddock, who has headed the association since its organization 16 years ago and who was boomed for the presidency of the A. A. U. last year, says he thinks there is probably more amateur boxing in this section than in any other A. A. U. district in the country.

He and John Taylor, the secretary, and a host of other officials have been building up the boxing spirit over a long period of years and the A. M. A. has produced many an Olympic fighter and national amateur champion in recent years from the athletic clubs scattered throughout the region.

The season's first big tournament, with sectional eliminations, was marked by hundreds of bouts. The February tourney, says Stanley Wachter, Keystone A. C. Boxing

HUNTER WANTS BRIBE TAKERS PUT TO DEATH

Announces Platform As Candidate For Governor

WICHITA FALLS, Jan. 24 (AP)—Execution of state officials convicted of taking bribes was favored by Tom P. Hunter in the platform made public today upon which he will ask the voters of Texas to make him their candidate for governor in the democratic primaries this year.

"The practice of a state official receiving compensation from a corporation is wrong," the platform declared. "This practice shall be made a felony. One who betrays his trust to the extent of taking a bribe should be executed."

This will be Mr. Hunter's second attempt to win the democratic nomination for governor of Texas. He emerged from the 1932 primary topped only by Gov. Miriam A. Ferguson and Ross S. Sterling, then governor.

Mr. Hunter favored submission to the voters of an amendment to the state constitution for repeal of prohibition. "It would be just as wrong to refuse submission of the repeal amendment now as it would have been to refuse submission of the prohibition amendment when its adoption was sought," the platform stated. "We shall, though, if and when the sale of liquor is permitted, make sure that the old saloon and its attending evils do not return. The youth not yet at age of discretion, shall be protected, temperance must be taught."

WILL GIVE PROGRAM

Members of the Amarillo Lions club will come here tomorrow to present a program for Pampa Lions.

Baker school carnival, January 25.

Committee chairman, will find several hundred fighters in there giving their all for glory of the manly art of self-defense.

VITAL FLEA STATISTICS

BALTIMORE—The number of fleas on a rat's back averages four. This figure was reached on a count of the 4,000 rodents caught last week in the CWA rat-catching project here. About half of the total were alive when they reached the quarantine station. The fleas were combed from three and the rats were classified.

One rat, taken from a private residence, had 89 fleas, which was the record.

FEMINIST JUBILANT

NEW YORK (AP)—Doris Stevens, feminist leader, came back from South American today jubilant because the recent Pan-American conference at Montevideo was "the first conference that ever has said women are as important as men and tariffs." As chairman of the inter-American commission of women, Miss Stevens led the fight at the conference for women's equality rights.

The Electric Sewing Machine

With an electric sewing machine you will enjoy sewing, perhaps for the first time. Many of your friends and acquaintances no doubt now stay well dressed at small cost because they make their own clothes. With the new patterns almost anyone can cut the material. With the electric sewing machine you merely guide the cloth, and the machine actually makes the dress.

Besides making new things at small cost there are alterations that can be done to remodel old clothes so that they appear to be new. The cost of operating the electric sewing machine is negligible. A penny will run the machine for hours.

An electric sewing machine will pay for itself in a short time.

TWENTIETH CENTURY CLUB ENTERTAINS HUSBANDS AT DINNER

GUESTS ASSIST IN PRESENTING THE PROGRAM

HUMOR IS SUBJECT THROUGH ALL NUMBERS

NONSENSE was the program keynote at a dinner given by the Twentieth Century club last evening for husbands of members. A debate on the value of club women as wives, which ended in a tie when one judge refused to cast his vote, was the climax.

Mmes. W. R. Campbell, A. H. Doucette, and Edwin Vickers were hostesses at the home of Mrs. I. B. Hughey. Mrs. Ivy Duncan was program leader, and offered a toast to the gentlemen after the roll call in which members told why they married their husbands. Mrs. Cannon well introduced the guests with clever rhymes.

Husbands Debate. Mrs. Duncan led the club collect as an invocation. The debate was between John Sturgeon and Otto Studer, supporting the affirmative of "Resolved: That Club Women Make the Best Wives," and R. B. Fisher and H. H. Hicks, negative speakers.

Copious notes, reference books, and pitchers of water were used by all speakers. Affirmative speakers cited ways of saving money learned by their wives in clubs, and also savings in the price of newspapers made unnecessary by attendance at club meetings. Their opponents exhibited mislaid socks and unmatched garments to prove their case. Bouquets of vegetables were awarded to both.

Songs Close Program. Mr. Sturgeon and Mr. Fisher then joined to sing the opening chorus from the forthcoming Lions club minstrel, and led the singing of "The More We Get Together" to close the program.

Dinner was served buffet style from a table decorated with sweet peas. The same flowers centered small tables where the diners found places.

Those present were Mmes. Lynn Boyd, Campbell, Clifford Braly, and Lee Cruden of Oklahoma City; Messrs. and Mmes. W. A. Bratton, P. M. Culbertson, Doucette, Duncan, Fisher, J. M. Fitzgerald, Hicks, Hughey, Paul Kassihke, Studer, Sturgeon, Vicars, and Dr. Sawyer.

CARD OF THANKS
We wish to express our deepest gratitude and heartfelt thanks to our friends and neighbors, Brother Lancaster and the Odd Fellows and Rebekah Lodges for their sympathy and help at the time of the passing of our dear husband, father and brother.

AMERICAN ART IS TOPIC FOR EL PROGRESSO

Living Painters And Sculptors Are Studied

American painters and sculptors were studied by El Progreso club members yesterday, at the beginning of a series of fine arts programs that will also include music and literature.

Mrs. J. M. Dodson was hostess at her home, and Mrs. W. M. Craven acted as program leader. Roll call was answered by naming paintings of American artists.

Mrs. Craven discussed living painters of prominence in America, and Mrs. Lee Ledrick the living sculptors. Art exhibits, museums and individual art collections devoted to American art were described by Mrs. S. G. Surratt.

Mrs. Charles Thut presided in the absence of Mrs. W. Purviance, president.

Members present were Mesdames George Briggs, C. P. Buckler, Craven, T. D. Hobart, C. T. Hunkapillar, Lee Ledrick, P. C. Ledrick, Carson Leftus, Surratt, John K. Sweet, Thut, George Walstad, and the hostess.

Madonna Class Has Meeting for Social And Business Plans

Madonna class of Central Baptist church met in the home of Mrs. Ben Siebold yesterday for a business and social hour. The devotional was conducted by Mrs. O. L. Gilstrap.

Tea and cakes were served after the business session in which members reported 29 visits to the sick, 24 to absentees, 20 to prospective members, and eight phone calls last week.

Those present were Mmes. H. C. Howell, Earl Phillips, Gilstrap, Jerry Lockard, Fred McCann, and G. B. Davis.

Hopkins Pupils to Entertain Between Acts of Operetta

Between-act entertainment is being arranged for the program at Hopkins school Friday evening, when fourth and fifth grade pupils will present the musical playlet, "Goldilocks' Adventure."

The operetta is in three acts, a full evening's entertainment. It will start at 7:30. Miss Marie Townsend and Ruby Gibson are directing.

THURSDAY
Mrs. Marvin Harris will entertain the Delta Handa club.
Queen of clubs will meet with Mrs. J. H. Kelley.
C. H. Schuker of the Council of Women's clubs will convene at 9 a. m., city club room.
Mrs. C. D. Hunter will entertain the Merry Mixers club at her home, 517 N. Faulkner.
High School P-T-A will meet in the cafeteria, 3 p. m.
Camp Fire Girls will meet in their club house, 4 p. m.
Merten P-T-A study club will meet with Mrs. Charles O'Connor. All members are urged to be present for a special program.

Famous City of Texas Discussed By Culture Club

Members of Twentieth Century Culture club who have visited in San Antonio added interest to the program yesterday, which concerned historic and scenic aspects of that old city. Roll call was answered with descriptions of interesting spots there.

Mrs. Marvin Lewis was hostess at her home, and Mrs. J. E. Cunningham was program leader. Mrs. C. H. Schuker outlined the history of San Antonio; Mrs. J. P. Wehring discussed famous old missions; and Mrs. Cunningham presented the future outlook for the city.

"Thermopylae had her messenger of defeat; the Alamo had none," was the quotation theme of the program. The story of both these battles was retold.

Mrs. J. E. Burrow was elected to membership in the business meeting. Afterward, the hostess served an appetizing apricot ice, pecan cookies, and coffee.

Present were Mmes. O. H. Booth, C. S. Boston, Cunningham, K. I. Dunn, Ralph Dunbar, Clyde Gold, R. S. Lawrence, A. M. Martini, L. N. McCullough, L. L. McCombs, T. F. Morton, Schulkey, Wehring; Miss Mabel Davis, and the hostess.

For Hard Coughs Or Colds That Worry You

Cremolium is made to give supreme help for coughs or colds. It combines seven helps in one—the best helps known to science. It is for quick relief, for safety.

But careful people, more and more, use it for every cough that starts. No one knows where a cough may lead. No one can tell which factor will go most. That depends on the type of cold.

Cremolium costs a little more than lesser helps. But means the utmost help. And it costs you nothing if it fails to bring the quick relief you seek. Your druggist guarantees it. Use it for safety sake.

FIFTH AVENUE FASHIONS

Smart Sleeves Stop Above the Elbow

Some like them long—but Paris likes them short, this season! Whether it's a dinner gown, an afternoon frock, or a simple little all-day, everyday frock like this, short sleeves are often the favored style feature of each.

In the frock in question, the sleeves are puffed and finished with tiny bands. To accord with their feminine daintiness, there's a frill that edges the yoke at the neck and gives springliness to the shoulders. Notice how charmingly the yoke is cut—in one with a pointed extension that reaches below the belt. This model is easily adaptable to silk or cotton—which means you can wear it in town, down South, or on busy mornings at home. Of course it's Easy-to-Make!

Size 16 requires 3 1/2 yards 36-inch material, 1/2 yard 36-inch contrasting. Width about 1 1/2 yards.—For other smart models see the Winter Fashion Book.

Pattern No. 5434 is designed for sizes 14, 16, 18, 20 years, 32, 34, 36, 38, 40, 42, 44, 46 bust.

BRIDE WHO IS TO LIVE HERE GIVEN SHOWER

Skellytown Friends Compliment Mrs. Cannon

SKELLYTOWN, Jan. 24.—Mrs. Mabel Marti was hostess to a beautiful shower in the home of Mrs. Henry Faulken Thursday afternoon for Mrs. Clifford Cannon.

Before her recent marriage Mrs. Cannon was Miss Beulah Horner, popular young lady of this vicinity. Mr. Cannon is a Pampa resident, employed at the Danziger plant. They are to make their home at 719 N. Somerville, Pampa.

Mrs. Marti carried out a pink and white color scheme in decorations and in the refreshments of angel food cake, ice cream, and minis. Gifts were presented in a pink and white umbrella. The honoree was seated in a pink and white chair.

Refreshments were served from a large table to which pink and white streamers extended from a bell on the chandelier.

Those present were the honoree and Mesdames Bill Campbell, Charles Nevins, Arthur Johnson, Tom Horner, Wayne Sutton, D. C. Paulsen, Henry Paulsen, Letha Lillie, Roy Andrews, Leonard Wilson, J. Looman, George Lewis, Carl Williams, Roy Hawkins, Roy Christopher, M. N. Osborne, J. G. Johnson, Wesley Black, Dallas Bowsher, Tom McAdams, J. C. Jarvis, Connelly, John Collins, Lew Stalder, J. C. Simms, Bill Knight, Tomlin, Lewis Senior, and the hostess.

Others who were unable to be present sent gifts.

Bridge Club Entertained

La Nueva bridge club met in the home of Mrs. S. C. Dickey Wednesday afternoon. Sandwiches and coffee were served after the games.

Present were Mesdames John Dalton, John Kuehn, Charles Wayne, T. B. Parker, S. Sherrieb, B. Galaher, J. C. Jarvis, and the hostess.

Personals

Mrs. E. B. Jones and grandson, and Hugh Kirby visited Mrs. Marble Kirby of Canyon Wednesday and Thursday.

Hugh Ellsworth returned last Monday night after a trip to Mineral Wells.

Mrs. Howard Simmons has been quite ill the past few weeks, but is somewhat improved.

Mrs. Letha Lillie accompanied Mrs. Clifford Cannon to Berger to shop Friday afternoon.

Mr. and Mrs. Jim Summers motored to Pampa Saturday evening.

Mr. and Mrs. S. C. Dickey and son were Pampa shoppers Saturday.

Mr. and Mrs. J. C. Jarvis, Mr. and Mrs. E. D. Harvey and children, motored to Pampa last Wednesday evening and surprised Mrs. McCracken on her birthday. Dinner and gifts were taken to her.

Mr. and Mrs. Clifford Cannon moved to Pampa Sunday and will make their home there.

Mrs. Charles Nevins was a Pampa shopper Monday.

MERTEN P-TA REVIEWS WORK IN COMMUNITY

RECITAL AND CLASS SESSION SET FOR TOMORROW

GAINS in weight were recorded by almost every child in Merten school when physical check-ups made at the end of the semester recently, members of the Parent-Teacher association were told at a meeting yesterday afternoon.

Accomplishments and problems of the community were talked over in round-table fashion, and announcement was made of a special Parent-Teacher study class meeting and a recital, both scheduled tomorrow.

The class will meet in the home of Mrs. O'Connor promptly at 2 p. m. Mrs. J. B. Townsend of Pampa will be the speaker. The meeting will end in time for the recital at 3 o'clock, when Clyde E. Riley will present his expression plays in a program to which the public is invited.

Members Discuss Needs. Principal C. Millspaugh directed the discussion yesterday, and practically every member present joined in. Emphasis was placed on health conditions of the community. Improved health conditions in the school were attributed largely to the cafeteria that is being conducted this year. It is in charge of Misses Taylor and Treadwell.

Proceeding the forum, pupils entertained with several numbers. Second and third grade pupils sang health songs. Readings included "The Windmill," by James Treadwell; "I Like Little Pussy," by Maxine Taylor; and "The Duty of Children," by Tommy Lou Woodward.

Club Woman Aids In Meat Canning

Carrying the gospel of meat canning the A & M way has been the means of helping nine families can almost 1,000 pounds of meat, reveals the annual report of Mrs. C. W. Stonecipher of the Busy Bee Home Demonstration club.

"It's fun teaching the husbands of Gray county farm women to cut their beets for the wife to can," Stonecipher said at a club meeting Thursday.

She received her training at a meat cutting and canning demonstration given by the county agents, Ralph Thomas and Miss Ruby Adams.

Present for the club meeting Thursday were Mmes. E. P. Boyd, R. F. Ferguson, W. R. Whitsett, Lance, J. Henry, E. Bachus, C. W. Stonecipher, Rolin, John Tschirhart, C. C. Alexander, W. D. Champaign, Ogden, and Garruth.

Forum To Follow Address to P-TA

A forum will follow the talk of the Rev. Gaston Foote at High School Parent-Teacher association tomorrow afternoon, when he will discuss "Spending Time and Money by the High School Student."

Various phases of the subject will then be discussed by Mrs. Roy McMiller, Mrs. W. Purviance, Mrs. J. H. Moyar, and Mrs. E. Bass Clay.

Musical numbers will be presented on the program by the Carr school. The meeting will start at 3 p. m. in high school cafeteria, preceded by an executive meeting at 2 p. m.

Work of German Women Discussed By Visitor

Business and Professional Women in Germany was the subject of a talk by Miss Inge Stein, visitor from Berlin, to the Business and Professional Women's club last evening.

Members and guests enjoyed the discussion and the speaker's willingness to answer the questions they were eager to ask about Germany and other European countries with which she is familiar. They were especially interested in radio conditions on the continent, and whether varied languages made for confusion.

Clara Lee Shewmaker, the other speaker, discussed the 10-year objective of national Business and Professional Women's association.

A quartet with Mesdames Alex Schneider, Carl Sturgeon and L. O. Wirsching and Miss Shewmaker sang two numbers, accompanied by Mrs. Walter Stein, pianist.

Refreshments were served and Mrs. Graham was hostess and program leader for the social meeting, assisted by Mrs. E. W. Voss and Mrs. Schneider. They served refreshments to close the evening.

GRINDER MAKES MATTRESS

A new use for the hammer type feed grinder has been discovered by Clyde E. Riley, community reporter of home improvement in home demonstration clubs reveal.

By removing the sieve from the grinder and running a lumpy, discarded mattress through it, the cotton was matted like new, and furnished the filling for a new mattress.

THREE NEW TRENDS APPEAR IN U. S. DESIGNERS' COLLECTIONS

NEW YORK, Jan. 24. (AP)—An analysis of the spring openings of America's leading designers shows the following main trends for spring:

1. A new silhouette known as "windblown" marked in daytime dresses and coats by a forward movement, and in evening gowns by a sweep to the back.

2. It will be a great suit season—better than for several years, and the suits will be of many types, both tailored and soft.

3. Off-the-shoulder hats. Probably the most widely worn hat will be the saucer-brim, breton sailor. Spring will see a revival of flowers, veils and quills on millinery, and the bouffant will be back for the first time since pre-war days.

Clothes are Wearable. In general, spring clothes are conservative and wearable. The two-piece dress, for example, an ultra-practical frock, is back after an absence of several years.

There are no extravagant changes. Radical sleeves have gone. Everything has a normal shoulder line, or, in suits, a simple raglan shoulder. The silhouette is still slender, with curves, but the waistline is a little slimmer and more fitted than before. Lengths have not changed.

To serve the post-repeal vogue for restaurant cocktails, daytime frocks are dressier, often with lingerie yokes or insets. The costume suit—a three-quarter coat with a full dress under it—will be popular for this transfer from street to restaurant.

One-piece day frocks often have

BLOND GODDESS

A New Serial by HERBERT JENSEN

SYNOPSIS: With his pal, Spin...
It was not to be wondered, then, that Janice, having learned her profession letter perfect, made the best of the fact that she was an actress and a famous one. Her drawing room manners, her "cello" voice and expressive hands were the technical materials of the trade that had made her the greatest artist that worked in romantic leads in Hollywood.

It is a little tragic, of course, that during the apprenticeship of an artist something of the human being is deadened. A man may not see a hero in his vial, but an actress had better be a heroine to her personal maid—if she wishes to retain her professional standing.

CHAPTER 13 ABOUT JANICE

Miss Janice Kent, despite her unquestionable beauty, her servants, her two fan-writers and that much photographed black-and-gold motor, was somewhat of a creature of circumstance. Her public, had it been told of this fact, would have agreed that it was most pleasant circumstance indeed. However, Miss Janice might have, but didn't, inform it differently.

So, while it may be said that Miss Kent was a creature of circumstance, it doubtless might have been more accurate and kinder to have said victim of circumstance, she was a representative product of an age that pays women salaries—and good ones too—for value received, but also rubs stamps their characters with a certain emotional artificiality.

M'LEAN LIONS MADE HEADS OF THIS GROUP—CLARENDON GIVEN NEXT QUARTERLY CLUB SESSION

M'LEAN, Jan. 24.—T. A. Landers and Claude Williams of Clarendon were elected chairman and secretary respectively of group 3 Lions here yesterday and Clarendon was chosen as the next quarterly meeting place. The local meeting was attended by club members of McLean, Clarendon, Pampa, and McLean, and club spokesmen of these towns reported—dozens of worth while activities. Memberships of these clubs are as follows: Childrens 32, Clarendon 35, McLean 19, and Pampa 75.

The occasion was notable for the presence of three officials of Lionism who were District Governor Del W. Harrington of El Paso, International Director Sam M. Braswell of Clarendon, and District Secretary Olin E. Hinkle of Pampa. Governor Harrington made the principal address stressing the high code of ethics and reporting that the West Texas district is leading the nation in numerical per capita gains.

Group Chairman C. A. Blanton of Childers who presided, was appointed a deputy district governor and the Childrens club was placed in a new group number 7 with Matador, Paducah, and Turkey. The old group now are McLean, Pampa, Clarendon, Claude, and Miami.

In the Pampa delegation present yesterday were John B. Hessey, Sherman White, C. A. Clark, A. M. Teed, Charlie Truitt, F. E. Leech, S. S. Via, and Ralph Thomas. Governor Harrington went to Pampa after making a short talk at McLean high school and was the guest of Mr. and Mrs. C. H. Walker until they went to a group meeting in Pampa last night. Lion Braswell also spoke briefly to school children of McLean.

Governor Harrington was to preside over a business meeting of West Texas Lions in Amarillo today. While in this part of the Panhandle he is meeting many old friends. He moved to Clarendon in 1890 and later lived in Dalhart. He is now counsel for the Southern Pacific railroad in El Paso.

Brother of Pete Cawthon Is Dead

LUBBOCK, Jan. 24. (AP)—Funeral services for Kirby H. Cawthon, 35, of Lubbock, who died unexpectedly of acute indigestion about 5:30 p. m. Tuesday at El Paso, will be conducted at Houston, his former home, from here today. Burial will be at Houston.

Mr. Cawthon was a cousin of Peter W. Cawthon, director of athletics and head football coach at Texas Technological college.

After operating a jewelry store in Plainview, Kirby H. Cawthon about last August came to Lubbock. He was manager of a vending machine company here and left Monday on a routine trip through the firm's territory. He died a few moments after being carried from a street into a hotel at Happy.

A widow and a son, Carl, survived.

PIKE'S PEAK was discovered by Pike in 1806, but he was balked by snow, ice and hunger, in his attempt to climb the mountain. Major S. H. Long made the ascent in 1823, and in 1829 a cogwheel railway was completed to the summit, which now is reached also by an auto road.

Transferred

The appointment, effective February 1, of N. H. Moore as district commercial superintendent of the Southwestern Bell Telephone company with headquarters at Amarillo, was announced today by M. F. Caldwell, division commercial superintendent. Mr. Moore will succeed Don Hunsaker, who has been transferred to Dallas as connecting company agent for Texas.

Moore comes to Amarillo with a background of 32 years of telephone service, the last fifteen of it spent in West Texas. He is at present district manager at Abilene and Mineral Wells.

A member of the West Texas chamber of commerce, the Rotary club, and a Shriner, Moore has long been active in West Texas civic affairs. He and Mrs. Moore will shortly make their home in Amarillo.

OIL OPERATORS WILL DISCUSS PURCHASE ACT

EXECUTIVES MEETING WITH ICKES AT WASHINGTON
By WILLIAM VOIGT, JR., TULSA, Okla., Jan. 24 (AP)—The birth of a radical experiment in price control in Washington and flying rumors over the midcontinent that Administrator Ickes plans to invoke drastic embargo provisions of the "hot" oil order of last summer kept the oil industry on the alert today.

Meanwhile the bare signing of the agreements and the probability that from the conferences will come a working organization to administer the embargo provisions of the "hot" oil order of last summer kept the oil industry on the alert today.

Middle grade gasoline, which has languished at 4 1-2 to 4 7-8 cents a gallon with no spot raises, appeared due for a half-cent rise today, and the low grade, the "hot" oil merchant price and the base of the legitimate operator's existence, hovered around 3 1-2 to 3 5-8 cents a gallon.

The third grade has sold around 3 1-4 cents for some time and a considerable volume was available at even less if purchasers were not particularly discriminate as to its source.

There were currently reported about 500 cars of distress gasoline in the east. Texas are available.

Chief of the questions to be asked at the meeting today was whether the effectiveness of the purchase, or "pooling," agreement would be a means of preventing refiners who are not too scrupulous from providing an ever present supply of "distress" motor fuel.

Some of the operators in Washington were understood unofficially to be ready to seek inclusion of the two agreements as part and parcel of the oil code itself. This would apply the agreement provisions to every oil company, instead of to signers only. Trucking operators whose slogan is "from tank car to your car" would be included if this develops, and were planning vigorous opposition to any such course because it would deprive them of cut price sales talk they now possess.

While no official statement had come from Washington, it was reported currently that the purchasing agency to be set up under the "pooling" agreement would agree on something like 5 1/2 cents a gallon for middle octane distress gasoline, and 5 1/2 or 5 3/4 for the low.

LOCAL OLDSMOBILE DEALER IS HAPPY OVER SALES PROSPECTS FOR AUTO INDUSTRY IN 1934

Returning Tuesday from Oklahoma City where he viewed with his organization the first presentation in this area of the 1934 Oldsmobiles, Tom Rose of the Tom Rose Motor company expressed marked confidence in the 1934 automobile business outlook.

Executives of the Oldsmobile factory at Lansing appeared simultaneously yesterday before thousands of Olds dealers and salesmen in 30 cities throughout the country to tell them of the automotive business outlook during the coming year. This appearance of factory executives before thousands of dealers was made possible through the medium of sound motion pictures.

Mr. Tom Rose announced that Oldsmobiles are an enthusiastic over the future because of the sales strategy of the company with which we are associated. In the face of the upward trend of motor car prices, Oldsmobile has announced for 1934 a vastly improved eight cylinder car held at last year's low price. In addition, Oldsmobile will soon enter the low price field with a new six cylinder car.

Spectacular motion picture demonstrations of Oldsmobile's new features were made in the sound motion picture shown dealers yesterday. These included driving Oldsmobile down a railroad track over the ties, racing across rough railroad crossing at forty miles an hour, and making sweeping turns at high speed around curves to illustrate the advantages of Oldsmobile's new knee-action front wheels, ride stabilizer and center control steering.

The 1934 Oldsmobile Eight was unveiled for the first time for the sales organization by Zone Manager W. J. Bryan of the Oklahoma City zone of the Olds Motor Works.

Mr. Tom Rose announced that shipments of the 1934 Oldsmobile eight were already enroute to the Tom Rose Motor Co., from the Oldsmobile factories in Lansing. Local display of these cars will be announced within a few days. Initial showings of the new low-price, all-features six will be made in Pampa at a later date.

Dealers and salesmen of the Tom Rose Motor Co., organization, who returned last night, have started to arrange for the first showings of the new cars as soon as received. The factory at Lansing, Michigan, according to the statement of Mr. Tom Rose is launching into full production as rapidly as possible in order to supply the large demand for new Oldsmobiles as evidenced by the large number of orders from all parts of the country.

Prince Quizzed About Passport At Tokyo Port

YOKOHAMA, Japan, Jan. 24. (AP)—The reunion of Prince Alexis Mdivani and his pretty princess, the former Barbara Hutton, will occur in Yokohama as planned.

Held aboard his ship when authorities questioned his Georgian passport, the prince was finally allowed to come ashore after the French consul had given immigration officials required guarantees.

The prince left for Tokyo with some American friends of the princess and will return to Yokohama tomorrow. He will meet his wife when she arrives here on another ship Friday morning.

Immigration officials had looked askance at Alexis' Georgian passport because it could find no Georgia.

His passport was said to have been issued by the "Georgian legation at Paris" but it was understood in Yokohama that the legation ceased to function some months ago.

The young prince explained that he and his wife, heiress to the Woolworth millions, crossed the Pacific on separate steamers because he didn't want to test his case "where my brothers are in trouble."

Mrs. Sam Keith underwent a minor operation at Pampa hospital this morning.

Insull Appeal Is Rejected By Greek Council

ATHENS, Jan. 24 (AP)—The supreme state council rejected Samuel Insull's appeal today and thus placed the official stamp of legality upon the government's order that he must seek another refuge at the end of this month.

The council ordered the former Chicago utilities operator to pay the costs of the proceedings.

Insull appealed after the minister of the interior refused to extend his residence permit beyond January 31 and thus enable him to continue evading extradition to the United States by remaining in his Athenian retreat.

Twice before, Greek courts had ruled in Insull's favor in cases through which the United States sought his extradition to face charges of larceny, embezzlement and violation of bankruptcy laws.

The formal announcement said that the minister of the interior's decision constituted in itself an administrative act and therefore was a matter which could be dealt with by the council.

It was added, however, that the evidence before the council plainly showed the decision had had the consequence of influencing Greece's foreign relations and therefore the matter became a governmental and not an administrative act.

BROKERS STRIKE
ALEXANDRIA, Egypt. (AP)—The minister of finance's reference to them as "blood-sucking bandits" so riled local brokers that they went on a strike today. They closed the Bourse and declared it would remain that way until the minister makes a formal apology.
