VOL. 27, NO. 298 Full (AP) Leased Wire PAMPA, GRAY COUNTY TEXAS, THURSDAY EVENING, MARCH 22, 1934. (Ten Pages Today) PRICE FIVE CENTS

PAMPA TOPIC OF OUR CITY
Twinkles
Spring styles vary widely, and we're glad that the well-dressed man in this country doesn't have to choose a shirt of a certain dictated color.

We regret to inform you that winter will be a state of a two before letting spring take charge. Make your plans for warm weather, but don't box up all the blankets.

France doesn't want any more of Uncle Sam's turpentine. France doesn't, in fact, wish to take any of the medicine that America prescribes for what ails her foreign relations.

Even Mr. Roosevelt's closest friends are unable to say where he will be heading away from the depression, and will let him play quarterback and call the signals.

State Press in the Dallas News says Texas is a state of a few precious autumns, whimsical winters, superb springs, and settable summers. But some Easterners lately arrived wax equally alliterative and call them awful autumns, withering winters, suffocating springs, and sizzling summers. Choose your own synonyms, folks.

Brevitorials
Musings of the moment: The Texas Full-House special to Washington next month will be an interesting gesture. Easterners learning about our Centennial may conclude that it took us a hundred years to get this way. So it has. They are years well worth remembering. Perceiving it is that, in these days of high finance, neither Uncle Sam or Old Man Texas seem able to locate eight million dollars. Pampa and Gray county are interested. Today's synonyms for Old Dobbin, the horse; Courser, charger, geegee, barb, daisy-cutter, clipper, nag, naggy, hunter, wheeler, Arab, whistler, ginger, cayuse, clicker.

WHO WAS FIRST IN AMERICA
By Joseph Nathan Kane
Author of "Famous First Facts"
Who was the first woman to fly around the world in an airplane?
Who was the first American to be lost in the World War?
When did the U. S. flag assume control of Illinois?
Answers in next issue.

GOV. EDWARD WINSLOW OF PLYMOUTH COLONY BROUGHT COWS TO AMERICA FIRST IN 1624.
AMERICAN LEGION WAS ORGANIZED IN PARIS, FRANCE, 1919.
GOLD WAS FIRST DISCOVERED IN CALIFORNIA IN 1842.

Answers to Previous Questions
The first cows to come to America were raised principally for their hides, then for their meat and only incidentally for milk. The American Legion is one of the few organizations to be incorporated by special act of Congress, Sept. 16, 1919. Although gold was discovered in 1842, no real importance was attached to this event until early in 1848, when it was "discovered" again.

LOST LINER IS LOCATED AMID ANDES PEAKS

PLANE DISAPPEARED 2 YEARS AGO WITH 9 ABOARD
MENDOZA, Argentina, March 22 (AP)—The Pan-American Airways airplane "San Jose," lost in 1932 with nine persons aboard, was found today in the Argentine Andes four miles south of Puento del Inca. The disappearance of the great airliner has been one of the mysteries of aviation for many months. For days after it was lost on a flight between Santiago, Chile, and Buenos Aires other planes cruised back and forth over the regular route, in constant radio communication with Mendoza and Santiago. Other expeditions were sent out on foot, through snow-covered mountain passes, in an effort to determine the fate of the fliers. The ship carried six passengers and three crew members. The San Jose left Santiago at 6:40 a. m. July 16, 1932. Its radio was last heard at 7:40 a. m., but an hour later, the plane was seen flying over the Argentine Andes near Las Cuevas, Argentina. Not only was the flight in the middle of the Chilean-Argentine winter, but the climate at the top of the Andes is always bitter cold. Despite the fact that a terrific storm raged on the days following the San Jose's disappearance, as many as 12 airliners, some supplied by the Chilean army, went into the air simultaneously in the determined search. The first expedition to reach the wreck came back with the bodies were well preserved under a heavy blanket of snow but that two of them were headless. The plane was discovered by employees of the Puento del Inca hotel who advised the Pan-American Airways that the plane was wrecked and contained human bodies. The airline immediately organized an expedition to the spot which is near the Chilean border at the base of Mount Aconcagua, 23,500 feet high and the loftiest in the Americas.

Alleged Union Discrimination Will Be Probed
WASHINGTON, March 22 (AP)—The administration let automobile labor union representatives know today that part of its plan for peace in the industry is appointment of a committee to probe into several hundred charges of anti-union discrimination by manufacturers. Showing this much of its hand just before the labor men took their position to President Roosevelt personally, Hugh S. Johnson met with thirty spokesmen of American federation of labor locals in Michigan, Wisconsin, Ohio and Missouri. They laid the discrimination charges against their employers before the NRA head. It was indicated the question of an election to choose worker representatives for the collective bargaining had not been touched upon, being left for the White House parity.

Three Killed In Air Liner Crash
LIMA, Peru, March 22 (AP)—Three persons were killed today when a Pan-American Airways plane crashed at the takeoff on board the plane and injured in the crash, was Manuel Trucco, Chilean ambassador to the United States. Twelve persons were aboard the plane which was heading south toward Chile. Among those injured was a daughter of ambassador Trucco. All three members of the air liner's crew were killed. They were: Homer V. Paris, pilot; Lawrence Wagner, radio operator; Frank Large, steward.

I HEARD
A number of Pampans "raising Cain" about Pampa last night, beating about the streets with little regard to traffic ordinances. J. S. Wynne declaring that Mrs. Wynne never puts enough stamps on her letters and he gets "stuck" for the difference every time.

the Weather
TEXAS: Partly cloudy tonight and Friday; moderate to fresh southerly winds on the coast.

Last of Gang

Frank (Porky) Dillon, above, is the only member of the once-dreaded Touby gang still at liberty. All other "mobsters" of this notorious criminal band are dead or serving long prison terms.

BURGLARS LOOT MUESTER BANK OF LARGE SUM

\$4,208 In Currency And Silver Taken From Vault
GAINESVILLE, March 22 (AP)—Burglars obtained \$4,208 in currency and silver from the Muenster State bank at Muenster, 15 miles west of Gainesville, during the night, burning their way into the inner vault. Joe M. Wenzapfel, cashier, discovered the loss when he went to open the bank for business. The burglars burned a large hole in the main door of the vault, knocked the knob off a second door, the vault and burned through the time lock combination. The currency taken was in bundles and the silver was in two small, locked boxes. The boxes, with lock broken, were found in the rear of the building. Joe B. Pettit, fingerprint expert of the sheriff's department, said the burglars wore gloves and expressed the opinion they were experienced. The vault was flooded with water and employees were put to work bailing it out. A Muenster citizen, returning from Dallas shortly after midnight, said he saw lights in the bank building.

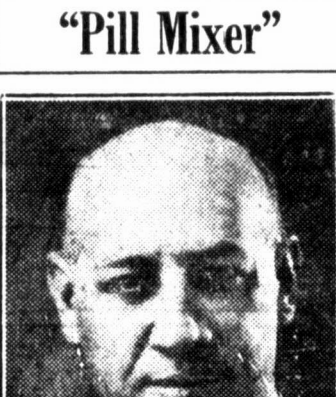

House Stands by Roosevelt on Vet Allowance Issue

WASHINGTON, March 22 (AP)—The house today refused to join the senate in voting higher allowances for war veterans than the administration desires. A veto had been promised by President Roosevelt if it approved the higher senate figures. WASHINGTON, March 22 (AP)—The house today refused to join the senate in voting full restoration of cut pay to government employees. This action, by a standing vote of 146 to 98, assured delay in sending the independent offices appropriation bill to the White House. In that measure it tied up the controversial veterans' allowances question. President Roosevelt has assured a veto if the \$118,000,000 voted by the senate for veterans is retained in the bill. A vote on that question was to follow. The house voted to restore five per cent of the cut federal pay as of February 1 and five per cent more on July 1. The senate voted for five per cent as of February 1 and the full 5 per cent on July 1. Henry Cole is recovering from a serious attack of pneumonia at Pampa hospital. John F. Sturgeon, local attorney, is in Borger on business today.

BURGLARS TRY TO LOOT BANK AT PARADISE NEAR SHANNON'S FARM

DECATUR, March 22 (AP)—Burglars tried unsuccessfully to loot the Peoples State bank at Paradise, Wis. county, early today. Tom Faith, sheriff, reported the men broke through the front door of the bank and burned 16 holes in the vault but were unable to enter the safe. Heavy roofing paper was draped over the cages to hide the light under which the men worked. Dr. H. Peck, president, discovered the attempt when he went to open the bank. Paradise is ten miles from

GARNER SAYS HE WILL VOTE FOR SENATOR TOM CONNALLY OVER REP. JOE BAILEY, JR.

Tom Connally, above, is the Democrat who has been named as the opponent of Representative Joe Bailey, Jr., in the Senate race.

"Pill Mixer" MYSTERY PLAY TO BE STAGED THIS EVENING

'CAT AND CANARY' AT LA NORA THEATER TONIGHT
THE Kiwanis club was prepared to do two things today: (1) present "The Cat and the Canary," mystery-comedy tonight and tomorrow night, beginning at 8:15 o'clock at the La Nora theater, and (2) assure underprivileged children of the city for whose benefit they are presenting the play, that every cent of profit derived from the gate receipts will be used to make life happier for them. "A home talent play's got to be good before the La Nora will stage it," members of the club said. Director Ed Damon's cast knew the play so well that no rehearsal was necessary last night. Sale of tickets has been satisfactory. The mystery is a "thriller" it has been stage and screen hits for several years. The sets include secret panels, closets, trap doors, weird sounds. A dead man falls out of a closet. A hidden hand clutches its victim by the throat and drags him through a secret door. A will is read at midnight. One of the characters is an old negro, a West Indies mammy, who believes in voodooism. The cast includes the best talent the Kiwanis club could find in the city. A number of the players will make their first appearance on the stage here. Just before the curtain rises on "The Cat and the Canary," Ben Guill's high school band will present "Sixescreen," realistic drama to be entered in the one-act play tournament.

GOVERNOR 'MA' PRAISES CITY'S SAFETY HONOR

Only Town In Texas Receiving An Award
I am advised that Pampa has been awarded second place in the National Safety contest. I congratulate your city on this honor, and your citizenship has reason to be proud of the distinction of being the only city in Texas receiving an award. MIRIAM A. FERGUSON, "Governor"

LATE NEWS

AUGUSTA, Ga., March 22 (AP)—Playing a highly erratic golf around the greens, Bob Jones signaled his return to competition after nearly four years by shooting a 76, for his first 18 holes of play in the \$5,000 Masters' invitation tournament over the beautiful Augusta national course today. He was four strokes over par and two shots behind his young professional rival, Paul Runyan of White Plains, N. Y., who carded a 74. AMARILLO, March 22 (AP)—The Potter county grand jury today began an inquiry into the death of Shirley Pauline Palmaster, 3, who was killed by a car yesterday as she and a brother and sister sat on a street curb playing. Joe V. Moore, local attorney, who was charged with the child's death, was still in the Potter county jail, and no effort had been made to obtain a hearing or to make bond. WASHINGTON, March 22 (AP)—The conference report on the Vinson treaty naval bill was adopted today by the house. It now goes to the senate where early favorable action was expected by the leaders. It provides for a naval construction program of 102 warships and 140 airplanes, estimated to cost about \$580,000,000. SAN ANTONIO, March 22 (AP)—W. T. Coble of Amarillo today was elected president of the Texas and Southwestern Cattle Raisers' association. Coble succeeds Dolph Briscoe of Uvalde. Other officers elected were: J. C. McGill, of Alice, first vice president; J. T. Sneed of Amarillo, second vice president; E. B. Spiller of Fort Worth, re-elected secretary and general manager; W. E. Connell of Fort Worth, re-elected treasurer; Dayton Moses, Fort Worth, attorney, and Tax Moses of Fort Worth, assistant secretary.

Highway 33 To Be Given Topping

Topping of highway 33 through South Pampa with asphalt will begin next month, it was stated today by L. A. White, resident state engineer. Local residents are showing added interest in the road since it was announced that a new baseball plant would be placed nearby in Southwest Pampa. The type of asphalt to be used will be determined by the bids. Miss Gertrude Stone is a patient at Pampa hospital, where she is receiving treatment for pneumonia. L. H. Sullins is recovering from a major operation at Pampa hospital. W. B. Calvert entered Pampa hospital yesterday for treatment for pneumonia.

HIGH SCHOOL JOURNALISTS TO ORGANIZE AT CANYON MEETING

PAMPA school folk who will move toward Canyon Friday morning to attend the Northwest Texas Educational conference will include a group of high school journalists. Members of the Little Harvester staff will participate in the organization of a Panhandle High School Press association. One of the speakers at the press gathering sponsored by Canyon high school will be Olin E. Hinkle, managing editor of the Pampa Daily News. Schools of the Panhandle Independent district will close Friday to permit teachers to attend the educational conference. This will not shorten the school term. CANYON, March 22—With citizens from all sections of north-

Oil Well Flows 80 Barrels Per Hour in Wheeler

The Mid-Continent Oil company's No. 2 Carwiles in section 51, block 24, Wheeler county, flowed at the rate of 80 barrels an hour for the first three hours after cleaning out Tuesday. The well was then shut in for storage. Pay was from the granite wash formation from 2,510 to 2,518 feet which was shot with 120 quarts of nitro last week. Cleaning out had been in progress since that time. A higher pay was located in the DeWitt formation. It was good for 210 barrels a day. The new producer in near the Gray county line and in a territory that has become a "hot spot" in the field. The Indian Territory Illuminating Oil company has made a new location in section 10, block 26, on the J. C. Chapman lease.

SMITH HANDS IN RESIGNATION AS OUTLOOK EDITOR

Has Tiff With Owner Over Air Mail Controversy
NEW YORK, March 22 (AP)—A schism over the air mail controversy is reported to have prompted Alfred E. Smith's resignation as editor of The New Outlook. The resignation of the former governor from the magazine post he had held since the fall of 1932 became known last night. It was confirmed by Frank A. Tichenor, publisher of the magazine, without comment. Although Tichenor, who is interested in aviation, has been a vigorous critic of the government's cancellation of the air mail contracts, New Outlook, with Smith at the helm, has been silent on the subject. The New York Times said the underlying reason for the resignation is believed to lie in a difference of opinion between Smith and Tichenor over the air mail. The New Outlook, the Times noted, has remained "conspicuously silent" on the matter. Smith's letter of resignation is understood to say that Smith needs the time to devote to other duties, including management of the Empire State building. Mr. and Mrs. Charlie Buddy and children visited in Borger Tuesday night. W. B. Calvert entered Pampa hospital yesterday for treatment for pneumonia.

FERRA Workers To Be Paid In Cash

Workers on FERRA projects in Gray county will be paid in cash Saturday. It has been rumored that workers would receive one-third cash and two-thirds groceries. It is not known here whether the part cash, part grocery plan of payment will be started later, however. Local officials believe the drought-stricken areas will be placed under a classification differing from other sections. Only 250 men are working this week. A larger number will probably be placed next week. The men are at work on Highway 33 through the city and on each end of the Pampa-McLean project.

Check Forgery Is Cited in Warning

Periodically, forgery outbreaks vex business men and keep officers busy for days running down clues. As 1933 closed, losses reaching beyond \$1,000 were reported in Gray county when checks of large denominations were forged. According to the law of averages, it is about time for rogues to venture into this territory again. Officers are urging that business men be watchful and that they report losses promptly. I SAW—Easter lilies popping out of practically every window on the second floor, south side, of the Rose building. People who ought to know something about the law of averages will probably be the best play ever given here. The expert eye of C. T. Heston, showing of the 1934 Harvester football team.

INSURANCE WEATHERS DEPRESSIONS

This is Financial Independence week. The life insurance industry has lived through 19 major depressions—and in every instance it has come out with colors flying. It has proved itself the cornerstone of man's financial structure and provided a road to financial independence.

In 1857, paper inflation was estimated at \$2,000,000,000. Banks failed and mobs ran riot in the streets. And life insurance whose fundamental principles were then being tried and tested, survived.

In 1873, 72 railroads were in default. The New York stock exchange closed for a week. Depression and unemployment were rampant. Thirty-one life insurance companies, which are still in business, carried on as usual, meeting every rightful obligation.

In one month of 1893, 407 banks failed. One-hundred-sixty-nine railroads were unable to meet mortgage interest. Interest rates rose to 360 per cent. The government came closest to bankruptcy in its history. And in a year of which it is said that money almost disappeared from circulation, life insurance paid out a total of \$175,000,000.

In 1907, one of the greatest of all financial crashes occurred. Depression was world-wide. Yet every life insurance company paid contracts in cash exactly when they fell due.

In 1930, 1931, and 1932 businesses collapsed, banks failed, moratoriums were declared. During those years cash payments of 48 leading life companies aggregated more than \$6,000,000,000, about half the original war debt owned our government by Europe, 11½ billions of which is still unpaid.

STORM AFFECTS BUYING
The sandstorm Saturday kept many housewives indoors, but it didn't keep them from making their usual Saturday purchases and taking advantage of special bargains. Many telephoned and had their purchases delivered while others used taxis rather than take out cars.

One of the busy stores Saturday was the Standard Food and Market, which delivered 462 orders during the day. Two large trucks were assisted by two taxis in making deliveries. Other stores also had to call for assistance.

OUT OUR WAY

Athens To Play Mexico Champs

LORDSBURG, N. M., March 22.—(P)—Virden high, 1934 New Mexico high school basketball champions, and Athens, Texas, high school, champion winners of the Texas championship, will clash in a two-game series here Friday and Saturday nights.

Athens high, winner of the Texas title for last two years, will enter the game the favorites.

Virden, a tiny consolidated school near the Arizona-New Mexico state line and with only 25 boys in the high school unit, won the 1934 New Mexico state championship two weeks ago at Albuquerque by defeating the Albuquerque U. S. Indian school.

JARRETT STOCK COMPLETED
Jarrett's have completed the stock in their new store here and are holding a special selling event for Easter. Morton Lambert is manager of the store and Mrs. Alice Delaney, Mrs. Harry Schwartz and Mrs. Jessie Phillips are salesladies. The shoe department is in charge of J. W. Dunn, assisted by Holly Hoffield.

Air craft of full size will be tested in a gigantic wind tunnel being built in England.

MEDICAL ADVICE

If you want to...

- ...relieve constipation gently and safely
- ...take the exact dose suited to your need
- ...avoid danger of bowel strain

—use a liquid laxative

Can constipation be safely relieved? "Yes," say medical men. "Yes," declare thousands who have followed their advice and know.

You are not apt to cure your constipation with salts, pills and tablets, or any habit-forming cathartic. But you can safely relieve this condition just by gentle regulation with a suitable liquid laxative.

Why Hospitals use a liquid laxative

The dose of a liquid laxative can be measured. The action can thus be regulated to suit your individual need. It forms no habit, you need not take a "double dose" a day or two later. Nor will it irritate the kidneys.

The right liquid laxative will bring a perfect movement, with no discomfort at the time, or afterward.

The unwise use of strong cathartics may often do more harm than good.

In buying any laxative, read the label. If it contains a doubtful drug, don't take it. If you don't know what is in it, don't chance it. The contents of Dr. Caldwell's Syrup Pepsin is stated plainly on the label; fresh herbs, pure pepsin, active senna.

Its very taste tells you Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. Drug stores have it, ready for use, in big bottles.

THE TEST:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics!

First: select a properly prepared liquid laxative. Second: take the dose you find suited to your system. Third: gradually reduce the dose until bowels are moving of their own accord.

Dr. Caldwell's Syrup Pepsin has the highest standing among liquid laxatives, and is the one generally used.

GATE RECEIPTS WILL HELP BUY BAND UNIFORMS

JUNIOR ORCHESTRA TO PLAY AT HALVES OF GAMES

Just when everybody thought the basketball season over, the "biggest" games of the season are announced. They will be played this evening in the high school gymnasium, the first game starting at 7:30 o'clock. Admission will be 10 cents.

The first game of the evening will be between the women teachers of Pampa Junior high and the mothers of students in Junior high. The second game will be between male teachers and fathers of children in Junior high. Proceeds will go toward buying uniforms for the Junior high orchestra. The orchestra will be present and will play at the halves and between games. Popcorn and candy will be sold.

Several former Pampa high school stars will appear in the games. Among the mothers who will participate will be Mmes. H. H. Heiskell, C. T. Hunkapillar, Cyril Hamilton, S. A. Hurst, Frank Foster, J. B. Hestey, E. C. Will, P. O. Anderson, J. G. Gilbert, J. M. Lybrand, H. O. Schofield, W. Mullinax, and Claude Laird, captain.

The women teachers available will be Misses Anna Louise Jones, Margaret Jones, Doris Strader, Juanita McAllister, Marguerite Terrell, Ha Poole, Madge Rusk, Opal Cox, Roy Riley, Elma Phelps, and Helen Martin.

Miss Anna Louise Jones is captain. Fathers selected to compete against the teachers include E. C. Will, captain; W. O. Workman, Frank Culbertson, Rob Seeds, Mel Davis, Ivy Duncan, P. O. Anderson, C. L. Thomas, New Dille, Dr. H. L. Wilder, E. W. Lauer, and Mr. Brown. Teachers ready for action are Tom Herod, captain; Emmitt Smith, Frank Monroe, Ernest Cabe, and P. A. Selby.

The top of a new breakfast tray can be tilted to hold cards for a game of solitaire.

TRAINING WITH THE MAJOR LEAGUES

By The Associated Press.
 BLOOMING, Miss.—The master minds of the Washington Senators were ready to day to do a bit of self-congratulating.

Johnny Stone, exchanged for Goose Goslin in a trade with Detroit, came through with a home run, another hit and three runs batted in during yesterday's 11 to 1 trimming of the Yankees by the regulars. Incidentally he broke four bats, two of them the cast-off property of Goslin.

Braves
 ST. PETERSBURG, Fla.—It was Frank Hogan's birthday—and it was the day of the Braves' first pre-season victory. Frank did his utmost to celebrate while at bat. Four different times he drove the ball high above the heads of the St. Louis Cardinals' outfield and out over the left field fence into Tampa bay. Four times the wallops went foul.

Athletics
 ST. MYERS, Fla.—Connie Mack, who scattered the Athletics of last year to the baseball winds, is reported arranging another trade. Gossip says he will obtain Bob Weiland from the Boston Red Sox to meet the lack of a left-handed pitcher, and in exchange probably give Lou Finney, outfielder.

Indians
 NEW ORLEANS—When Willis Hudlin ended his holdout campaign and donned a Cleveland Indians uniform for the first time yesterday, there appeared little reason for worry over his training condition. Twenty pounds lighter than he was last year, and hard as nails from a winter of golfing at Hot Springs, Ark., Hudlin impressed his teammates as being ready to step into the pitcher's box without many preliminaries.

Dodgers
 TAMPA, Fla.—Now that the Brooklyn Dodgers are here to play the Cincinnati Reds something may be done about their most determined holdout. So far Lopez has been acting a little more than indifferent. In reply to a telegram from Quinn asking him to come to Orlando for a conference Lopez replied: "If you think meeting you will get me the salary I ask for, I would be more than glad to come. Otherwise I prefer to stay in Tampa."

Sox
 PASADENA, Calif.—If speed afoot will do it, Frenchy Bordagary, recently obtained from Sacramento, will be a hard man to keep out of a job in the Chicago White Sox outfield. Bordagary's speed in the field and on the bases since he joined the club a week ago, has been little short of sensational. His hitting also has been adequate and he may push Evar Swason, another speedster, for the rightfield position.

Tigers
 LAKELAND, Fla.—Detroit's chance of being a pennant contender this season will get its second trial here today when the Tigers meet Connie Mack's Athletics in an exhibition game. Detroit lost its first league tilt with the Boston Red Sox, but Manager Cochrane is hopeful of a better showing today. Steve Hamlin will pitch the opening innings, and the infield will include Parker at shortstop, Rogell at third, Gehring at second, Greenberg at first, with Goslin, Walker and Fox patrolling the outfield. Cochrane will do his own backstopping.

Lathe centers have been mounted on ball bearings by a German inventor to retain the stress at the cutting point.

EXES ARE RUN OVER BY 1934 GRID PLAYERS

BOYS LOOKING BETTER THAN AT ANY TIME THIS SEASON

Looking better than at any previous time during the spring training period, the Harvesters yesterday afternoon ran through a group of "Exes" in a hard scrimmage at Harvesters park. Coaches used several combinations and exchanged players frequently.

The first training period for the 50 boys now out will end March 31 when a big scrimmage will be staged with former Harvesters, home from college for the Easter holiday. After Easter, a group of the younger and smaller prospects will be called out for a month of spring training.

The work of several new boys was outstanding in the scrimmage yesterday. Jack Powell, former backfield prospect, showed up well in the tackle and guard positions. He is hoped to be a mighty valuable player and a starter. Chubby Stewart was used at end and in the backfield and was good in both positions. He needs more practice and more training.

Big J. R. Green clicked well in the backfield and later went into the line to do mastery work. Bill Haner took his usual guard position, but later went to end where he looked just as good. Lloyd Hamilton's defensive work was even better than his often offensive playing and Mayze Nash called a nice game and also showed marked improvement in carrying the ball. Carl Smith gives promise of being a great tackle before the season ends. Charlie Welton, Charlie Johnson and Leon Noblett are staging a big fight for a guard position and the scrimmage yesterday didn't settle the dispute. They looked about the same. Captain Monroe Owens was as usual, a powerhouse and deadly tackler. Bill Dunaway is expected to be a great triple threat man, and if he gets his kicking back to normal should come through. His back, injured last season, apparently is bothering him.

Robert McAnley is putting up a good fight for the center position. His defensive work is his strong point. Robert Montgomery is working at both center and end and will have to be considered. Red Fanning, former Plainview boy, is likely to make things uncomfortable for someone in the backfield. Roy Webb, Tom Rose, and Brown and Drake are also making themselves noticeable in the backfield. Bill Park, George Mix, Goodwin and a few others are making their presence felt in the line. The aggregation will be more powerful when knitted together. So far they are ragged and unfamiliar with new positions.

Son No-Billed In Slaying of Wealthy Father

VERNON, March 22 (AP)—After investigating the shooting to death of John Fuhmann Sr., the Wilbarger county grand jury no-billed the wealthy farmers' 15-year-old son, John, and decided the slaying was "justifiable homicide."

The elder Fuhmann was shot the night of March 1, at his home 12 miles southwest of Vernon, immediately after his wife wrested a pistol from him. He was killed with a shotgun charge which struck him in the head.

ing a great tackle before the season ends. Charlie Welton, Charlie Johnson and Leon Noblett are staging a big fight for a guard position and the scrimmage yesterday didn't settle the dispute. They looked about the same. Captain Monroe Owens was as usual, a powerhouse and deadly tackler. Bill Dunaway is expected to be a great triple threat man, and if he gets his kicking back to normal should come through. His back, injured last season, apparently is bothering him.

Robert McAnley is putting up a good fight for the center position. His defensive work is his strong point. Robert Montgomery is working at both center and end and will have to be considered. Red Fanning, former Plainview boy, is likely to make things uncomfortable for someone in the backfield. Roy Webb, Tom Rose, and Brown and Drake are also making themselves noticeable in the backfield. Bill Park, George Mix, Goodwin and a few others are making their presence felt in the line. The aggregation will be more powerful when knitted together. So far they are ragged and unfamiliar with new positions.

BOBBY JONES' TOURNEY WILL START TODAY

TEES OFF CO-FAVORITE WITH PRO STAR. RUNYAN

By DILLON GRAHAM
 Associated Press Sports Writer
 AUGUSTA, March 22 (AP)—The biggest golf show of the year, with Robert Tyre Jones as its central figure, started today with the first round of the \$5,000 masters invitation tournament.

The attempt of a retired champion—one who withdrew four years ago in possession of the four major titles—to come back on even terms with his former rivals lifted this competition to a position of prominence rivaling the national championships. There was no title involved but many professionals considered a victory over the Georgian more valuable than the national open crown. This was the professionals' first skirmish with Jones since he beat them in every championship start in 1930.

Even after his long layoff, Bobby teed off at lowest odds of 6 to 1, a co-favorite with Paul Runyan, the White Plains, N. Y., professional who has been the star of the winter season.

It was a "Jones" tournament. The leading professionals of the winter circuit and a group of the best amateurs, including George Dunlap, the national titleholder, accepted invitations to joust with Jones, and the society and sporting clans, flocked here, drawn by the drama to be unfolded over the Augusta National Golf course.

NOTICE OF ELECTION
 Notice is hereby given that an election will be held in the Pampa Independent School District on the first Saturday in April, being the 7th day thereof, for the purpose of electing two trustees for a term of three years each. Said election will be held at the high school building in the City of Pampa, Texas, between the hours of 8 o'clock a. m. and 6 o'clock p. m.

L. C. McMurtry has been appointed judge of said election, and J. W. Rose and Chas. I. Hughes, clerks. All names of candidates should be filed not less than ten days prior to the date of election, in order that the same may be printed on the ballots.
 PAMPA INDEPENDENT SCHOOL DISTRICT.
 C. P. BUCKLER, Secretary.

America - here they are!

To fill the record-breaking nationwide demand, Chevrolet cars are being produced at a record-breaking rate of **4000** units a day!

CHEVROLET
 A GENERAL MOTORS VALUE

Drive it only 5 miles and you'll never be satisfied with any other low-priced car

CHEVROLET
 CHEVROLET MOTOR CO., DETROIT, MICHIGAN
 Low delivered price and easy C.M.C. terms

CULBERSON-SMALLING CHEVROLET CO., INC.
 NORTH BALLARD AT FRANCIS
 PAMPA, TEXAS

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. February output was twice that of January. March output, according to present indications, will be three times that of January. More Chevrolets are now being produced than any other make of automobile in the world. And today, Chevrolet is happy to report that all its dealers will soon be in a position to make immediate deliveries.

When you consider how short a time the new Chevrolet has been in production—when you consider, also, that the 1934 car is not last year's model improved, but a basically new automobile, with sweeping changes in design—this production record becomes somewhat of an accomplishment. But, a still greater accomplishment, in our opinion, is the way that these cars have all been produced!

Despite continued nationwide pressure for more and more volume, every car that has left the factories has been built and tested to meet Chevrolet's highest standards of care, precision and quality. The result: When you place your order for a new Chevrolet, you'll not only get a big, rugged "Knee-Action" car—you're also assured of getting a typical Chevrolet car in economy, dependability and long life.

RUSSIA SEEN AS LEAGUE OF NATIONS ENTRY

SOVIETS EXPECTED TO JOIN ASSEMBLY IN SEPTEMBER

BY STUART MORGANEY, Associated Press Foreign Staff.

PARIS, March 22 (AP)—The entry of Soviet Russia into the League of Nations at the September assembly was predicted in diplomatic circles today.

Since Turkey joined the league July 6, 1932, the Moscow government is reported to have shown a strong tendency in favor of following suit.

Germany's abrupt break from the league last October 14, is regarded as having further contributed to an atmosphere favorable to Russia's admission.

Reports said Soviet government leaders have been sounding out member powers and have received assurance that Russia would be welcomed to the league.

First she would have to obtain official recognition from some league members with whom she now has no diplomatic relations—such as Holland, Denmark, and Finland.

Confidence was expressed that all barriers could be quickly cleared away since a desire to bring Russia into the fold has long been manifested at Geneva.

It was suggested that the possible entrance of Russia might result in bringing back her neighbors, Germany and Japan.

MOSCOW, March 22 (AP)—In response to Paris reports that Soviet Russia is about ready to join the League of Nations, it was said officially today that there have been no developments here since Foreign Commissar Maxim Litvinoff's speech last December indicating Moscow might consider cooperating with the league if she found that by so doing she could further the cause of world peace.

Luncheon Enjoyed By Altar Society

A covered dish luncheon was enjoyed by members of Holy Souls Altar society yesterday in an all-day meeting at the home of Mrs. M. E. Hollern. Mrs. Helen Fitzgerald was co-hostess. Mrs. H. E. Schwartz was a guest.

Hi-Y Boys Will Attend Sessions Of Conference

A number of Pampa high school boys will attend the Northwest Texas Older Boys' conference when it convenes in Amarillo March 30, 31, and April 1. The theme of the conference will be "Religion in Industry."

Three Amarillo boys, Joe O'Neill, Marvin Collier, and Charles Woodburn, accompanied by Horace Russell, visited Pampa high yesterday and discussed the conference with Prof. J. L. Lester, Hi-Y director, and interested young men.

Delegates from all over West Texas and speakers from all over the state will be quartered in Amarillo homes during the sessions. There will be much entertainment, the Amarillo boys said, including possibly trips to the helium plant and the Palo Duro canyon.

The Hi-Y clubs are formed to promote Christian leadership.

New Officers of County PTA Take Posts Recently

LEFORS, March 22 (AP)—Attendance cut by the year's worst blizzard, the County Parent-Teacher council had its last meeting of the term here Saturday, and installed officers for next year.

Miss Elizabeth Kennedy of McLean was chosen president, after Mrs. O. E. Locheridge of McLean had announced her inability to serve in the office. Mrs. O. E. Palmer of Pampa was installed as vice president. Mrs. Mary Sligar of McLean secretary, and Mrs. Carpenter of Back treasurer.

Supt. E. C. Sanders of LeFors presided at the meeting and installed the officers, in the absence of Mrs. W. B. Murphy of Pampa, county chairman.

LeFors school presented an entertainment number, and Harry Kelley of Pampa gave a talk and demonstration on the value of play in character building.

Representatives were present from Pampa, Hopkins, and McLean.

and members present were Misses H. B. Carlson, William Dec, Ed Fitzgerald, J. W. Garman, P. H. Lane, R. E. McKernan, L. H. Sulins, H. W. Waddell, J. P. West, and the hostesses.

P. O. Rankin, who recently underwent a major operation at Pampa hospital, is reported recovering nicely.

COWBOY BAND TO PLAY HERE THIS EVENING

The "Rambling Cowboys" of radio station KORS in Amarillo are booked for a special cowboy dance at the Pla-Mor Thursday night according to C. A. Huff, manager. The "Rambling Cowboys" have long been in the radio favorites in the Panhandle of Texas and only recently have they played for dances.

This dance was really arranged by the demand of the radio listeners of Pampa and vicinity.

There are five musicians in this all strong orchestra and each musician has learned to play the original style of the "Rambling Cowboys." Cowboy songs and cowboy dances will be featured along with modern music for modern dances.

The boys were chosen from a wide field of musicians to be the featured entertainers of the recent Cattlemen's Convention in Amarillo, much to the delight of the cowboys and cattlemen.

This booking is in keeping with the policy of the Pla-Mor, in offering the best music available for the people of Pampa. (Adv.)

Footo To Speak At EES Chapel Program Tonight

Students of the Emergency Education school will meet in general assembly program this evening at 7 o'clock in the cafeteria of junior high school, it was announced this morning. Every student will be required to be present.

The Rev. Gaston Footo will deliver an address. Several numbers will be played by the Junior High school orchestra, and Miss Martin's glee club will sing selections.

In 48 Hours Back-Ache-Rheumatic Agony Gone

Automobile Fire Is Extinguished

A cigaret stub is believed to have caused the fire in a Chevrolet car parked in front of the Harvester Drug store last night. The fire department answered the call but had to smash a ventilator to get water to the burning cushion. Water from the booster truck was sufficient.

The department made a run to South Barnes street early yesterday morning to extinguish some burning hay. Damage was slight. A cigaret stub was again blamed for the fire.

WINS POETRY CONTEST

Malcolm Carr, Pampa youth enrolled at the West Texas State Teachers college, has been awarded first place in a poetry contest held by Type High, the college press club. The poem will be entered in the contests of the Texas Intercollegiate Press association. He is a son of Mrs. May Foreman Carr, local music instructor.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Elsewhere at drug stores. © 1931 C. M. Co.

FOR ECONOMY and SAFETY Replace Smooth, Worn Tires Now!

The few miles which are left in smooth and treadless tires are not worth the dangerous risk you take when you drive on them. It is wise economy to replace them now while tire prices are still low. New Goodyears give you safety, traction, freedom from puncture expense. There is no better investment than a whole new set of Goodyears right now. Come in and see the real "buys" we have in your size.

When you buy Goodyears you know you are getting the best... the tire that is built by the world's largest manufacturer of automobile tires... a tire backed by a reputation for outstanding service.

DEANS EXPECT TO SHOULDER CARD BURDEN

SOONER BROTHERS NOT EGOTISTICAL, JUST CONFIDENT

(Note: This is the ninth of a series of stories dealing with the 1934 prospects of major league baseball clubs.)

BY ALAN GOULD, Associated Press Sports Writer

BRADENTON, Fla., March 22 (AP)—The Dean boys of Oklahoma have done their best this spring to relieve Frank Frisch of worry about how far his pitching staff will carry the St. Louis Cardinals in this year's National league pennant race.

Frisch has some pretty fair flingers on his staff otherwise, including Wild Bill Hallahan, Jesse Haines,

Good News for Kidney Sufferers!

Here is relief that goes right into the kidneys and bladder organs so quickly, you can actually feel results within a few hours. Flushes out poisons, neutralizes burning acids, brings prompt soothing comfort. No more aching back, weak bladder, sore painful joints from lack of kidney activity. Ask druggist for Foley Kidney Pills. No other. Money back guarantee. 61133

Texas Carleton, Bill Walker, and the ubiquitous Burleigh Grimes, but the Brothers Dean, Dizzy and Paul, have separately and collectively expressed an entire willingness to shoulder the main burden. Twenty victories apiece is the minimum they have set for 1934. In fact, Paul, the family's freshman who won 22 for Columbus last year, assured Branch Rickey he would turn in 25 triumphs just to prove he has more stuff than his brother.

Even if Paul only does half as well as he predicts, the Cardinals will be that much better fortified to challenge the Giants and seek their fifth pennant in nine years.

Outside of their mound staff, the Cardinals have a number of star players but it is a question whether they have the right balance and enough batting punch. The trade of Jimmy Wilson to the Phillies for big Virgil Davis, who hit .349 last year, increases the batting power but Wilson's skillful backstopping will be missed.

Several new combinations have been tried and recruits tested, but the infield seems certain to start the season with Jim Collins at first, Manager Frisch in the keystone spot, Leo Durocher, baseball's premier "jockey" at short and the acrobatic Pepper Martin on third. The Cardinals who lost a great shortstop when Charley Gelbert filled a leg with buckshot, earnestly sought Dick Bartell of the Phillies, and still have hopes of adding strength to the infield. Burgess Whitehead, Columbus recruit and "Pat" Crawford will be reserves.

Martin made the switch from the outfield to third base last season so successfully that baseball men consider him the defensive superior now of the great Pie Traynor, in addition

Brazil Will Bar Jap Immigrants

TOKYO, March 22—High government officials were described as "gravely alarmed" today at a Brazilian move toward inclusion of restrictive measures against Japanese immigration in that nation's constitution.

The situation was compared to that of almost exactly ten years ago when the congress of the United States voted to bar the Japanese.

Brazil in recent years has offered the largest outlet to Nippon's surplus population. In 1933, 22,310 Japanese emigrated there.

The foreign office instructed Kuyjiro Hayashi, ambassador to Rio de Janeiro to handle the Brazilian affair tactfully, but firmly.

to which Pepper's batting, base-running and aggressiveness mean much to club's pennant chances. Martin led all the Cardinal regulars at bat last season.

Joe Medvick's first full year in the outfield stamped him as another fine product of the Cardinal farm system. His fly-snagging mates, Ernie Osrati and George Watkins, have given the club so much argument as holdouts that the camp is filled with trade rumors, including one report that Osrati would go to the Phillies in a deal for Hec Phillips. Jack Rothrock, who hit .347 with Columbus last season, is a candidate for outfield duty and has had enough major league experience to make him useful.

Pope Permits Commoner To Wed Emperor

HUE, Annam, March 22 (AP)—A slim, striking girl bride of 18 who on Saturday is to become the Queen of Annam was shielded from the public gaze today, the second of four days of Buddhist wedding ceremonies.

The youthful Emperor Bao Dai yesterday was wed to the French educated, convent-reared N'Guyen Huu Hao, a commoner from neighboring Cochinchina.

All the gorgeous pomp of the East attends the ceremonies in this flower-decked city, but only a small part of the impressive ceremonies is witnessed by the public, the rest being conducted in official secrecy behind closed doors.

Accorded only a brief glimpse yesterday of the Catholic bride and queen-to-be, the populace was anxiously waiting for her public presentation.

There had been some discontent manifested at the union of the emperor and a Christian bride. Last week it was announced she intended to renounce Catholicism and embrace Buddhism.

Reports from the Vatican, however, said the necessary dispensation had been granted to permit her to marry as a Catholic.

Mr. C. E. Schooley of LaFors was a Pampa shopper this morning. R. L. Ayers of Berger transacted business in Pampa yesterday.

Barrett Scores Administration's Business Policies

Julian Barrett sharply criticized government interference in business policies of the Roosevelt administration in a talk Wednesday at the Rotary club.

He said it was his belief that the administration reached the peak of its activity in business enterprises of the nation when it canceled the armistice contracts. He said that the reaction of the people against the various business control measures had set in, and that from now on better advice would be sought and better policies administered.

Mr. Barrett in discussing the business future predicted that inflationary measures would be adopted by the government in two or three months, and that business then would continue to improve. He said business had steadily improved since last November.

Miss Josephine Lane read her prize-winning essay on the use of leisure time. Archer Fullington explained the pre-Centennial celebration and Pioneers Roundup which the Junior Chamber of Commerce has tentatively adopted, subject to the approval and support of Pampa people.

TEACHERS AT CANYON

Principal J. B. Milsap, Misses Evelyn Shanklin and Louise McLean, teachers in Merton school, will all attend the Northwest Texas Educational conference at Canyon tomorrow. Mrs. C. R. Nelson, president of the Parent-Teacher association there, will also attend as a representative of the P.-T. A.

Past Problems Of Cattlemen Are Recalled

SAN ANTONIO, March 22 (AP)—The problems of overproduction which beset the cattle industry today were likened to those which harassed the industry following the civil war as the 58th annual convention of the Texas and Southwestern Cattle Raisers association opened here.

Mayor C. K. Quin in an address told members of the association that their industry faced almost the same problems after the civil war that it does at present.

Those problems, Quin said, were solved when the first herd went up the trail and opened an outlet through the northern markets. With no new market in sight, there must still be something like a parallel solution for the industry, he said.

In a heated session, the executive committee discussed whether the association should go on record as

NERVOUS AND WEAK

Mrs. Gertrude Hill of 230 Witterman St., Fort Worth, Texas, says "I was nervous and irritable, had headaches, periodic pains, poor appetite and restless nights. One bottle of Dr. Price's Peppermint Cure—Prescription was all I found necessary as after its use I felt so well and strong I think I was in normal condition again."

Write Dr. Price's Clinic, Buffalo, N. Y. New size, 10¢ per bottle, 30¢ per 30-day supply. Large size, 25¢ per bottle, \$1.00 per 30-day supply.

advocating the government's projected program of \$200,000,000 in loans to the cattle industry. A move to support the program met with determined opposition from some members who felt that the government would be placed directly in control of the industry.

The first general convention meeting was opened with an invocation by Rev. P. B. Hill of the First Presbyterian church. Mayor Quin and Perry S. Robertson, president of the San Antonio chamber of commerce, welcomed members of the association.

Cpl. Ike T. Pryor, one of the oldest cattlemen in the state, sent a letter of welcome which was read by Dolph Briscoe of Uvalde, president of the association.

Addresses of welcome were responded to by Coke R. Stevenson

of Junction, speaker of the Texas house of representatives. Briscoe in his annual address dwelt on problems of the industry.

years to man's 13.85 years. It has been computed that in the British Isles, out of every 100,000 men, only 23 can expect to celebrate their hundredth birthday, but that out of every 100,000 women 76 will demonstrate their hardiness by becoming centenarians.

TOO many laws brilliantly conceived are virtually nullified because of faulty enforcement. Among these is the law making it mandatory for every person handling food offered for public consumption to have a health certificate from a reputable physician.

Unfortunately the effectiveness of this law can be nullified when any physician makes a practice of ignoring the necessity of bonafide examinations. But the compulsory physical examinations are about the only safe-guard that can be legislated.

TYPHOID fever, diphtheria, and amoebic dysentery carriers have been found numbers of times working in dairies, cafes, and other places where food is prepared or offered for sale. It is not too much for the consuming public to demand that those who sell them food shall be free from communicable diseases. If the examinations for food handlers are properly carried out much good will be accomplished in protecting the health of the buyer as well as giving the applicant for a certificate accurate information as to his physical condition.

The Texas State department of health has repeatedly advised periodic physical examinations for the general public, as it is during these examinations that many incipient diseases may be discovered and treatment begun in time to stop its developing to such a degree that treatment will not be helpful. Many deaths and much suffering would be eliminated if every one would have this periodic check. In the case of food handlers, only the diseases that are communicable will withhold the issuance of a certificate. The cost is money well invested and the consuming public should demand that those they buy from have this evidence of good health.

ONE by one, the professors of the Roosevelt "brain trust" have left the capitol. First Moley, then Berle, then there was a reshuffling of the professional staff and now Prof. Tugwell has been assigned to study agricultural conditions in Porto Rico. One gets the impression that while the educators have been very helpful, they have been men with intellectual axes to grind and not the best that the universities have to offer. One must recall that professors have had heart-breaking times in politics. The late President Wilson heads the list although his idealism was along somewhat different lines. It is no secret that socialism and liberalism have their effective support in the big universities.

---HIGH SCHOOL (Continued from page 1.) The Canyon P.-T. A. has issued a special invitation to fellow workers and twenty towns have already indicated that they will be represented. Clubs throughout the Seventh district have been urged by their education chairman to take part in this forum on current issues.

Youth will be present at this time, for young journalists at least fifteen Panhandle schools will be here to organize a Panhandle Press association.

To them as well as their elders, Dr. W. B. Bizzell will address his challenge on "Learning and Leisure," while Dr. J. A. Hill will address them on "Dimensional Education."

The whole conference, the first of its kind to be held here will center around a theme stated by President Franklin D. Roosevelt who recently said, "This crisis can meet, but not in a day or a year, and education is a vital factor in meeting it."

Many Noted Speakers Others who will develop this theme are Dr. Doak Campbell of Peabody college, Nashville, State Sup't. L. A. Woods, Dr. Fred C. Ayer of the University of Texas, and J. O. Loftin, of San Antonio, president of the Texas State Teachers association. Among those who will participate in the program are Sup't. Ferman Sawyer of Canadian, Dr. R. P. Jarrett of Canyon, Mr. John E. Hill of Amarillo, Sup't. H. T. Burton of Clarendon, J. O. Guleke of Amarillo, E. E. Chambers of Canyon, Sup't. W. H. Younger of Tulsa, Sup't. C. H. Dillehay of Hereford, Sup't. C. A. Croyer of McLean, Mrs. Clarence C. Baley of Childress, Miss Ola Boyles, Amarillo, Sup't. E. E. Davis of Plainview, and Senator C. C. Small of Amarillo.

The band and orchestra of the West Texas State Teachers college, the orchestra of the Amarillo high school, the Glee club of the Canadian high school, and the Physical education department of the local college will furnish entertainment numbers.

Rev. C. L. Dickey and Rev. J. O. Quantlebaum of the local Presbyterian and Methodist churches will have a part in the program. The conference will close at noon on Saturday.

Markets

NEW YORK, March 22. (AP)—The stock market displayed a much improved tone today as hopes were renewed by a speedy settlement of the automobile labor difficulties.

Led by the metals, rails and motors, many of the leaders rallied 1 to 2 or more points after early irregularity. The trading was quiet and transfers approximated only 1,000,000 shares. The close was firm.

First Spring Day Is Really Spring

Spring was ushered in yesterday with a bright sun, no wind and no sand. The temperature reached 84 degrees during the afternoon, according to the Santa Fe railroad reading.

Tuesday set a year's high record when the mercury rose to 86 degrees. Both Tuesday night and last night were warm. Rain is not in sight, the weather man reports.

Pampa golfers yesterday enjoyed golf on both local courses. The baseball "bug" also came out as several teams started spring workouts.

CHICAGO, March 22. (AP)—Late upturns lifted wheat values today to above yesterday's finish, but top quotations were not well-maintained.

WON'T TRIFLE WITH "NERVES"

Judith Lane

By JEANNE BOWMAN

SYNOPSIS: Big Tom Bevins' death breaks up Judith and Norman Lane's masquerade ball. Judith was formerly Big Tom's secretary, and has promised him to carry out his plans for the Rio Diablo dam and reclamation project should he die. Norman just has returned from the Bevins house, where he was called by Mathilde Bevins. Judith's would-be rival, Norman tells Judith he finds he is married to a millionaire stenographer.

Chapter 14
"RIGHTFUL HEIRS"
Norman sat down on the couch, but this time instead of drawing Judith into the circle of his arm, he faced her.
"What did you mean about a millionaire stenographer?" she asked, with serious intentness.
"A reporter just telephoned and asked me how it felt to be married to one, Judge E. C. Morgan has Tom Bevins' will, he filed it in probate court this morning. And—"
"Norman . . . go on."
"He left you the bulk of his estate, several million dollars and the controlling interest in the Bevins Construction Company. His wife and daughter will be cared for through a trust fund."
He paused and waited for Judith to say something, but she sat mute, staring into the flames.
"Judith," there was a note of irritation in his voice, "haven't you anything at all to say?"
Judith looked up, her cheeks chalk white, her eyes limpid with unshed tears—"What can I say?" she asked.
"Aren't you surprised . . . Judith?" and now she heard suspicion in his voice. "You didn't know this was coming did you?"
"No, Norman," she spoke with firm honesty, then added, "at least not this way."
"You mean you expected money?" he asked.
"No, I really didn't."
"And under the circumstances you'll return it to the rightful heirs," he suggested gently.
Judith looked at her husband a forecast of pain to come in her eyes. To whom was her loyalty more important, the ghost of a memory, or this man beside her?
Guardedly, she answered, "Norman, I think we'll find when the will is read, that the money and the company stock has been left me in trust, not for my personal use."
"But of course that will be depriving Mrs. Bevins, the rightful heir, from using it as she would prefer."
Judith looked up in surprise. She started to ask if the money had not been earned by Big Tom, then realizing he would see only the ethical side of such a question, countered with: "Let's wait and see for ourselves what the will contains. What else did the reporter want to know?"
"A million and one things: He wanted to know why the old gentleman left his fortune to you,

have been a strain at the Bevins, then handing it to you and Doctor Kelly."
Norman gave a wan chuckle — "Mathilde was actually angry. Said one night that he was your father instead of hers."
"He was almost that, Norman. He'd taken me into his home if Mrs. Bevins hadn't balked him, not that I wanted to live within a hundred miles of her, but he was a darling. You had to work with him day after day to really appreciate him. Wait until his funeral and you'll understand. His 'poorings,' the people he quietly helped, will be there."
The funeral was an ordeal. Mathilde had insisted Norman be seated with the mourners. Norman had quietly refused unless Judith were invited and Mathilde had yielded with characteristic ungraciousness.
"I'm sorry, Judy," he apologized when asking her to overlook Mathilde's attitude. "I wouldn't ask you to do it, but considering how close our two families have been, and that I'm the only man left in the two, I could hardly desert them at a time like this. You won't mind, will you?"
Judith didn't mind where she sat. Numb with sincere grief she scarcely realized Mathilde was only kept from edging her away from Norman by his firm grip on her arm and his mother's, leaving the two Bevins women to Morton Lampere, who had graciously offered his services.
Judith surveyed the great floral display with awe. She had known Tom's Bevins admired, beloved . . . but this, and then her quick eyes took note of nosegays of wild flowers, withered, tied with shabby bits of ribbon. An understanding attendant had tucked these in among the gorgeous blossoms which blanketed the rest. Big Tom would have preferred these gifts of his poorings.
There were photographers present as the imposing cortege made its way through the city streets, kindly for the most part, gracious and thoughtful with the exception of one. The following day Judith found the Union with a blurred picture of herself, Mathilde and a hazy Norman, under a caption— "Millionaire Stenographer and Bereaved Daughter Mourn Together as Prelude to Will Fight."
Judith wondered where they had obtained information that there was to be a fight or quarrel of any kind. Norman had not mentioned any . . . but then he had scarcely spoken to her since the morning following Mrs. Bevins' death.
He had gone to his office and returned saying Mrs. Bevins had retained his firm to represent her interests and that Lampere would handle everything.
That afternoon, accompanied by Judge Morgan, she entered his conference chambers and there confronted those who were interested in the reading of the will: Mrs. Bevins, Mathilde, Lampere, and her own husband, Norman Dale.
As soon as she was seated the judge handed her a letter. She glanced at the writing in shocked surprise. It was from Tom Bevins. She opened it and read:

"Dear Child: You are about to face a grueling ordeal. I realize this and write to strengthen you. Tears blurred her reading— (Copyright, 1934, by Jeanne Bowman).
Judy listens, tomorrow, to a voice from the grave.
H. A. Burke of Shamrock transacted business here yesterday afternoon.
Miss Ruth Reeder of Kingsmill shopped in Pampa yesterday afternoon.

National Leads In 'Grapefruit League' Games

NEW YORK, March 22. (AP)—If it weren't for the New York Yankees, the American league wouldn't even be a close second to the National in early returns from the annual "grapefruit league" competition.
Twelve inter-league contests have

been played so far and the American leaguers trail by a margin of only two games, seven to five. The Yankees, picking on the Boston Braves, have won four of their five victories. The other was chalked up to the credit of the Philadelphia Athletics who were beaten in five other jousts with national league outfits.
Setting the inter-league pace for John Heydler's loop are the world champion New York Giants and the Chicago Cubs. The Cubs have a perfect record against the American league with two successive triumphs over their city rivals, the White Sox.

while the Giants have won four and lost one. The Brooklyn Dodgers earned the seventh National league victory, handing the A's one of their setbacks.
The Yankees, Boston Red Sox, and Washington Senators alone have escaped defeat so far. Joe McCarthy's fustlers have won four in a row all from the Braves. The Red Sox defeated the Detroit Tigers in the only game they have played so far. Washington hasn't even begun its exhibition schedule.
M. R. Ayres of Clarendon transacted business here today.

650 KILLED, 460 ARE INJURED AS FLAMES RUIN JAPANESE CITY

BLAZE WRECKS 23,000 HOMES IN PORT TOWN

MANY PERSONS DROWN WHEN DRIVEN INTO SEA AT DOCKS

By GLENN BABB
Associated Press Foreign Staff

TOKYO, March 22. (AP)—The governor of the prefecture of Hokkaido announced officially today that the casualties in the fire which destroyed the beautiful port city of Hakodate yesterday were:

Killed, 650.
Injured, 460.

Houses destroyed, 23,000.
It was Japan's direst tragedy since the Tokyo-Yokohama earthquake and holocaust of 1923.

Witnesses described the city—which held 213,000 citizens as "a living hell." Firemen, police and soldiers moved through the still smoking buildings searching for corpses.

Meager details which seeped thru to the capital over partially wrecked communication systems told how during the day and night before, whole crowds trapped between fires jumped en masse into the water.

Many of these persons, already injured and burned, drowned at dockheads.

The fire meant freedom—perhaps—for many convicts for they were turned out of the jails into the streets when flames bore down upon the prisons. Authorities feared that their presence abroad would increase the chances for crime.

A storm which raged in the empire from Formosa to the island of Hokkaido, was blamed for the holocaust at Hakodate, largest community in the nation north of Tokyo and ranked as Japan's tenth city.

The equinoctial gale knocked over chimneys. Roofs caught fire. Before the winds, the conflagrations quickly spread beyond hope of control.

Shocked by the catastrophe, the government ordered the seventh division of the army to the scene, two destroyers were dispatched from Ominato naval port, near Aomori, and trainloads of supplies rumbled out of Ashigawa.

Additional efforts were pressed to speed relief work as suffering was intensified by sleet-laden winds. Physicians and medical supplies were rushed by special trains from many points.

Communication facilities were disrupted before the news could be flashed from the city itself. First word of the fire reached the outside world by wireless messages from ships nearby.

Increasing the terror in the city, electric plants were consumed shortly after the fire began to gain disastrous proportions. Thereafter, until daylight, leaping flames formed the only illumination.

PULPIT PLEADING AIDS U. S. HUTCHINSON, Kan.—Tax collectors here have a new idea on the collection of delinquent taxes.

On Sunday County Commissioner Charles Hornbaker spoke from the pulpit in a nearby town and referred to unpaid taxes.

Since then Collector Eli Stuckley has received remittances from three parishioners long overdue with large assessments.

150 YOUNG PEOPLE TO ATTEND CONFERENCE AT CHURCH HERE

FIRST SESSION WILL OPEN AT 10 TOMORROW

WORLD FELLOWSHIP IS THEME OF 2-DAY MEETING

YOUNG people from a region extending from Henrietta and Slattin on the east and south, thru the entire Panhandle and western Oklahoma, will be here tomorrow at the opening of a two-day world fellowship conference at First Christian church.

More than 150 visitors are expected, and all young people of Pampa are invited to attend the open sessions Friday and Saturday morning and afternoon. The conference includes young men and women of the ages between 15 and 25.

Visitors will be entertained at a banquet in the church Friday evening. Mrs. J. B. Townsend has been in charge of banquet preparations, and Mrs. C. W. Stowell of program arrangements.

Program Speakers. Speakers for the program include Ray L. Six, missionary on leave from China; Myron Hopper, new national superintendent of young people's work in the Christian church; R. C. Snodgrass, minister of First Christian church at Amarillo; Chas. M. Ross of Fort Worth, regional secretary of religious education; Mrs. Bessie Hart of Fort Worth, director of world fellowship meetings; and Miss Georgia McKinney of Enid, Okla., leader of young people in that state.

The program theme is Matching the Hour. Discussion topics are Planning for the Hour, Needs and Interests of the Hour, Activities of the Hour, Living for the Hour.

Mr. Six is to be the speaker for the first session, beginning at 10 a. m. tomorrow.

O. E. S. STUDY CLUB The Eastern Star study club will meet with Mrs. W. P. Vincent Friday evening at 7:30. All members are asked to be present.

RE-TEX

NOTICE

Members of Teaming Contractors Association

A meeting will be held in the county court room, Courthouse, Friday, March 23, 8 p. m. All members and other team contractors invited.

Recital Pianist

—Photo by Wirsching.

Catherine Barrett, one of the pianists who will be presented in recital by the May F. Carr school of music at Methodist church tomorrow evening, ranked excellent in the recent Panhandle music festival contests at Amarillo. She is the daughter of Mr. and Mrs. Ernest Barrett and a student in junior high. Several others in the recital won high rating in the festival contests. Catherine will play two piano solos.

MUSIC SCHOOL WILL PRESENT OLDER PUPILS

Ensembles And Solos Are on Program Tomorrow

Advanced and intermediate pupils of the May F. Carr school of music will be presented in recital at the Methodist church tomorrow evening at 8, in an interesting spring music event.

Piano, voice, and violin students will appear in the varied program, to which the public is invited. The following numbers are to be given: Piano quartet, Andante, Haydn, by Elizabeth Mullinax, Mattie Velma Brown, Ethel Wilder, and Charlotte Rhea Malone.

The Secret, Gautier, Madge Sirman. Parade of Daffodils, Pauline McKay. Carefree, Rapoport, and Hovring. Butterflies, Gaynor, by Margery McCole.

Duet, The Rope Dance, Madge Sirman and Margaret Cary. Etude, Prima, Helen Draper. Ghosts in the Chimney, Godard, Ethel Wilder.

Vocal solo, Waters of Minnetonka, Lleurance, Rowena McNett. Second Valse, Godard, Elizabeth Mullinax.

Violin solo by Helen Poolas. Celestial Voices, Heller, and Valse in E, Durand, Catherine Mullinax.

Tree Planting Program Started By More Than 1,500 Pupils

THIRD PATROL OF CAMP FIRE GIRLS FORMED

Outdoor Study And Camping Chosen As Aims

A new group of Camp Fire Girls was organized yesterday afternoon, when eight high school girls met with Mrs. Bo Barrett, guardian, and planned for a special study of outdoor life this summer. The group name chosen was Inala, denoting a free outdoor life.

Their first venture will be a hike and sunrise breakfast tomorrow morning, in which they will be joined by the two other Camp Fire groups here. On this trip the new members will learn how to start work for camp honors.

A baked food sale was planned for Saturday, March 31, to secure funds for paying dues of all members. Regular meetings will be on Wednesday afternoons, at the Camp Fire club rooms.

Members of the new group are Melba Williams, Hazel Nicholson, Hazel Jo Elder, Rosalie Dudgey, Evelyn Nash, Elva Smith, Mildred Miller, Dorothy Elder.

VARIED PHASES OF MISSIONARY TOPIC STUDIED

CHRISTIAN WOMEN IN UNUSUAL PROGRAM YESTERDAY

A NEW aspect of African missions was presented to the Christian Women's council yesterday by Miss Helen Martin, teacher here who has taught two years in Egypt. She spoke of the lives and customs of higher-class Egyptians.

Missions in equatorial Africa were discussed on the program directed by Mrs. DeLea Vicars. As a preliminary she presented an unusual devotional program with "Time" as its subject.

Readings were given by Mrs. C. L. Thomas, who read "Lost Time"; Mrs. J. E. Townsend, Mrs. R. C. Wilson, and Mrs. W. G. Kinzer. Short talks were on the topics, "I'll Go Where You Want Me," Mrs. Mundy; "The Open Door," Mrs. W. E. Speed; "We Have Today," Mrs. J. R. Moore; "One-Tenth of Our Time Belongs to God," Mrs. Vicars.

A vocal solo, "Face to Face," was sung by Mrs. W. A. Bratton. The lesson proper, in addition to Miss Martin's talk, included stories of African superstition by Mrs. C. J. Wilson, Moore, Mundy, and Speed; a talk by Mrs. Kinzer, "By Way of Contrast"; and a talk by Mrs. Thomas, "Thoughts of a Missionary's Mother."

Group one had 14 members present, group two had nine, group three, which was in charge of the program, had 11, and group four, 8.

Central Baptist Society Studies And Plans Visits

A Bible lesson was conducted by Mrs. F. L. Anderson for the Central Baptist Missionary society yesterday afternoon at the church. Mrs. R. M. Mitchell gave the opening prayer and Mrs. D. M. Scaief the benediction.

Next week was set aside for visiting, and no meeting of the society is scheduled.

Those present yesterday were Mrs. O. C. Weekly, Cecil Lunsford, Altman, R. A. Overall, D. H. Coffey, J. W. Smith, T. M. Gillham, O. H. Gillstrap, Busby, Sculief, W. L. Lane, Owen Johnson, Louis Tarpley, Keith Caldwell, C. L. Moore, D. L. Lunsford, Matt Lunsford, Anderson, Mitchell, and Gillham.

Delegates From Culture Club to Meeting Chosen

Mrs. E. A. Shackleton was elected delegate to the district convention of federated women's clubs from the Civic Culture club at its meeting Tuesday, and Mrs. H. H. Isbell was named alternate. The convention will be in Amarillo next month.

Mrs. Pat Crawford was appointed by Mrs. Ralph Thomas, president, to represent the club in the newly organized Pampa Recreational association.

Mrs. J. A. Pearson was hostess at her home, and Mrs. V. L. Dickinson was leader of one in a series of travel programs. Her subject was Canada. Roll call was answered with names of rivers in that country.

The leader spoke of three large cities, St. John, Vancouver, and Dawson, while Mrs. Hugh Isbell described Ottawa, Montreal, and Quebec.

Products and industries of the nation were discussed by Mrs. Crawford, and its mountains by Mrs. Paul Jensen.

A salad course was served in the social period after the program to Misses Katie Vincent, Joe Berry, A. L. Patrick, Thomas, Shackleton, and those on program.

British India is the largest single producer of cattle hides in the world.

P-T. A. Speaker

John S. Mullen, First Christian minister, has been a recent speaker to both the B. M. Baker and Junior High Parent-Teacher associations. He has discussed to both the motion picture as a fourth major educational force, emphasizing its importance in the character training of the average modern child.

Club and Guests Are Entertained

Two tables of guests were entertained with members of the newly organized Ace of Clubs Tuesday at the home of Mrs. Ben Reno.

Mrs. B. Cooper made high score for members, and Miss Hawkins for guests in the games. Lovely refreshment course was served afterward.

Double ... or nothing

Many young men feel just that way when it comes to selecting a model... double-breasted are what they want... a double-breasted it must be!

Of course, when they say "Double or Nothing," they really mean... Varsity-town's double-breasted "Mer-ton" or nothing.
