GAS WASTAGE IS CALLED 'CRIME'

Senate Body Lines Up For N. Y. Stock Exchange

BY OTHER WRITERS
R. B. HAYNES in Miami Chief-Bank statements show that Panhandle banks are in far better condition than last year, and that means that most of the people are. There are many people that are not flush with money now, but most of the farmers are pretty well caught up, and do not owe the large amounts they owed last year. There is great improvement in conditions and we should feel proud we are living in the Panhandle.

C. G. MILLER in Wheeler Times—You can't have a nation half socialist and half individualistic any more than you can have it half slave and half free. If industry is socialized and its right to private ownership denied, agriculture will be socialized as sure as the sun rises and sets and the old homestead, which has been the rallying point for family life and patriotic ideals in America, will be destroyed.

SAM BRASWELL in Clarendon News—Intelligence is what you get from home. Common sense you must develop yourself. Learning is what you obtain in school. Knowledge is what the world hands you. Judgment comes only with the years. Experience is a bitter medicine administered by life itself, and must be taken with a bit of conscience. Wisdom is a phantom often chased but seldom overtaken. Success or failure are a matter of opinion. Reputation is the golden scale. Contentment is the final objective.

C. E. CLARK in Childress Index—Seven hundred thirty-one Childress persons voted in the city election Tuesday. Exactly the same number have the right to criticize city politics and the conduct of official city business.

J. C. ESTLACK in Donley County Leader—If we have the most civilized nation on the globe, the

Q—Who was the first president of the Pampa Country club?
A—H. Otto Studer had that honor and was elected in 1930.

WALL STREET WINS VICTORY IN CLOSE VOTE

COMMISSION TO RULE EXCHANGES IS CREATED

WASHINGTON, April 9 (AP)—The New York Stock Exchange scored a smashing victory in the senate banking committee today by a 10 to 8 vote to create a new commission to regulate the exchanges instead of giving jurisdiction to the federal reserve board and the federal trade commission.

The committee adopted an amendment to the stock market bill offered by Senator Glass (D. Va.), upsetting plans of the bill's authors and President Roosevelt to have the exchanges regulated by the two existing governmental agencies.

Friends of the original legislation planned to carry their fight to the senate floor, and with President Roosevelt's expressed support, were hopeful of final victory.

One of the warmest battles over the stock market bill when it first came out was centered on the proposal for control by the federal trade commission, with the stock exchange and other critics asking for a new and separate agency.

Friends of the legislation believed this had been settled, however, when President Roosevelt let it be known he favored administration by the trade commission.

The committee's action today took them by surprise and they did not hide their chagrin.

Hudson Motor Company Closes Detroit Plant

DETROIT, April 9 (AP)—The Hudson Motor Car company announced a shut-down, effective at 1 p. m. today, because of inability to obtain parts, particularly those manufactured by the Motor Products company, where a strike is in progress.

New City Dads In Office; To Meet Tonight

Dead Official Is Praised By Father; Commissioners Take Oath of Office.

GLROOM was cast over the city this morning as Mayor W. A. Bratton and Commissioners William T. Fraser and Marvin Lewis took the oath of office and Clyde Fatheree and Earl O'Keefe retired from the city hall.

The air of sadness was because of the sudden death early this morning of J. H. Blythe, city secretary, police court judge and tax collector and assessor. Judge Blythe was to have read the oath of office to the "city fathers." In his place, Mrs. Lee McConnell, assistant city secretary, read the oath.

Before adjourning until 7 o'clock tonight, the new commission passed a resolution of sympathy and ordered the city hall closed the afternoon of Mr. Blythe's funeral. Mr. Blythe had been with the city for the last four years. Clyde Fatheree, retiring commissioner, in a brief talk to the new commissioners, spoke highly of the work of Mr. Blythe in the efficient manner he handled the tax situation in the city. Mr. Fatheree spoke on some of the situations that would confront the new commissioners and offered his services at all times in assisting them.

Mayor Bratton and the commissioners swore that they have never fought a duel with deadly weapons, not accepted or sent a challenge, and have not directly or indirectly paid, offered or promised to pay, contributed or promised to contribute, any money or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election.

The commissioners will continue to meet at 7 o'clock every Monday night, the first meeting to be tonight. City Manager C. L. Stine accompanied the two new commissioners on a brief inspection trip this morning. Mayor Bratton and the commissioners will make further inspections during the week.

Commissioners Fraser and Lewis were elected over Fatheree and O'Keefe in a close election last year. Mr. Fatheree had served four years and Mr. O'Keefe two years. Mayor Bratton was unopposed. Mr. O'Keefe was unable to attend the meeting this morning.

Public Invited To P-TA Rally At 8 Tonight

Everyone interested in the schools is invited to the rally sponsored by Parent-Teacher associations this evening at 8, in high school gymnasium. Glasses into schoolrooms of various buildings will make up the program.

Presidents of P-T. A. units will act as hostesses, and two members from each unit as ushers. Parents will be given badges designating the school their children attend.

Numbers by a uniformed massed ward school band, with 200 young musicians directed by Winston Savage, will open the program.

The presence of the journalists, he said, gave him much consolation.

"Newspapers were a considerable element in creating the magnificent world-wide resonance which the holy year has created a new, exalted religious spirit on earth. I am grateful, therefore."

EL PASO MAN TO FIGHT FOR BOARD PLACE

HOLLIDAY REMOVED BY SPEAKER OF THE HOUSE

AUSTIN, April 9 (AP)—The Texas relief commission by a vote of 4 to 3 today seated Col. Julius Dorenfield of Amarillo in place of R. L. Holliday of El Paso, as a member of the commission.

Dorenfield said he would ask an opinion from the attorney general on the legality of his commission as a member of the relief board.

Holliday indicated he would oppose strenuously the effort to seat Dorenfield and said he would remain at the commission meeting to challenge his vote on all questions.

Holliday reportedly has been removed as a member of the commission by Speaker Coke Stevenson, who appointed him Dorenfield in place of Holliday. Stevenson stated in a letter to the secretary of state that Holliday was removed for cause.

Holliday has been involved in a controversy with El Paso labor leaders over relief in El Paso county.

Dorenfield said he would ask for the opinion after M. N. Chrestman of Dallas announced an intention of withdrawing from the session until the question had been decided and he was sure the commission could proceed legally.

"This opinion won't be binding either on Holliday or myself," he said.

Belief was expressed by both sides of the controversy that a supreme court decision would be necessary to finally determine the issue.

Voting to seat Dorenfield were Commissioners W. A. Brooks, Jr., E. Giesecke, Jack Reed and Ed Hession. Against the motion were Earle Adams, Chrestman and Houston Harte.

Neither Dorenfield nor Holliday voted, agreeing that each would be marked "present" and challenging the other's right to a seat.

Harte, San Angelo publisher, criticized the commission's action.

"The important point is whether the members of this commission are separate identities in which they can exercise their own judgment or if they are subject to whims and fancies of those who appoint them," Harte said.

Harte is an appointee of Stevenson.

Governor Miriam A. Ferguson, ex officio chairman of the commission, recognized Dorenfield as a member throughout discussion on Adams' motion.

Country Club's Directors Will Meet on Tuesday

Directors of the Pampa Country club will meet at 4 o'clock tomorrow afternoon in the offices of the White Deer Land company. Officers for the coming year will be elected and committees appointed.

Lynn Boyd has completed service as president of two terms. He will preside at the meeting tomorrow. An active season is anticipated. Plans are being made to hold several tournaments.

Mr. Boyd urges all members to be present on time.

Allred Opens His Campaign

has declared himself as a dry who favors submission of repeal of state prohibition.

Allred asserted effective control of lobbyists was the first step toward perfecting reforms necessary to place the state on a practical basis.

"So long as paid lobbyists of certain privileged interests are permitted to carry on, without adequate regulation, their practices during legislative sessions, we will make no progress whatever in dealing with the people's problem," Allred said.

"Under corporation influence a system of lobbying has grown up which is a menace to free government."

"Few worthwhile measures are introduced in the legislature but efforts are made to slip 'jokers'

into the bill. The very lobby law we now have, ineffective as it is, has a 'joker' in it."

"Not all lobbyists are 'insincere' or 'out of line,'" Allred said, but many of them "employ every device calculated to reach a particular legislator and will not hesitate at intimidation to accomplish their ends."

"Many business institutions have been driven to the same doing because of the methods adopted by a predatory few. Legitimate business is being preyed upon. Common decency demands that we pass an effective lobby regulation bill that will require registration of legislative representatives and filing of

(See ALLED, Page 6)

Illness Fatal To J.H. Blythe, City Official

City Mourns Passing of Tax Collector-Assessor; Funeral To Be Held Here.

AS IT MUST to all men, death came to Judge J. H. Blythe at 8:15 o'clock this morning in a local hospital. He was city secretary, tax assessor and collector, and judge of the municipal police court.

Funeral services will be held Wednesday afternoon. The hour has not been set. The body is at the G. C. Malone Funeral home.

Mayor W. A. Bratton announced that the city hall would be closed on the afternoon of the funeral. Crepe was on all city hall doors this morning.

Mr. Blythe, a well-known resident of Pampa for the last eight years, had been ill for a month of pleurisy and influenza complications. Twice, he thought he had sufficiently recovered to go back to work at his office in the city hall. He was taken to a local hospital several days ago, and he was reported recovering. A sudden heart attack this morning shortly before he died was fatal to his weakened condition.

He had been a popular and well-liked member of the city's official family for over three years. Mr. Blythe is survived by his wife, one son, Dee, and three daughters, Beth June, Betty Jane, all of Pampa, and Mrs. S. F. Hueser of Clifton City, Mo. All members of his family are well-known. Mrs. Blythe has been prominent in Parent-Teacher association work, and is now secretary of the Pampa Independent school district.

Miss Beth Blythe was principal of the Emergency Education school here. Dee Blythe is city editor of the Advocate. Another survivor is a brother, George H. Blythe, Clifton City, Mo.

Mr. Blythe was born March 21, 1879 in Clifton City, Mo. He "railroaded" for 30 years in the north-west and central states, working in various capacities including telegrapher, station agent. He moved with his family to Pampa in May, 1926, from Wichita Falls. He entered the real estate business here and sold the Moreland addition in the south part of the town.

Judge Blythe was a member of the Masonic lodge and the Methodist church. The family home is at 705 North Cuyler.

Before moving to Wichita Falls, the family lived at Cherokee, Okla., where they made the acquaintance of a number of people who have since moved to Pampa.

Majors Donated To IPA, Claims Texas Operator

WASHINGTON, April 9 (AP)—Donations by major oil companies to the Independent Petroleum Association of America were listed before the NRA review board today in support of claims that the planning and coordinating committee, which cooperates with the federal oil administration, is dominated by the big companies.

The list, was submitted by W. G. Williams of Fort Worth, a critic of the petroleum code and its administration, who said it came from the office of the treasurer of the association.

Two members of the personnel of the Independent Petroleum association will occupy positions on the planning and coordination committee.

Williams denied he was employed by the Danciger refineries in Texas, long foe of oil proration in that state, but agreed the Danciger organization paid part of his expenses.

WITNESS SAYS STRIPPING IS RUINING FIELD

'GREATEST ECONOMIC CRIME IN HISTORY,' SAYS CHASE

AMARILLO, April 9 (AP)—F. L. Chase, of Dallas, a veteran of the natural gas industry and champion of ratable taking by pipelines told a senate investigating committee here today that ratable taking alone would not stop the tremendous wastage which is taking place in the Panhandle.

He testified that the business of the Lone Star Gas company, which takes ratable from the east Panhandle field, is being "demoralized" by stripping plants, and that his company was losing connections to the gasoline plants.

Chase stated that, although the pipeline paid a higher price per thousand cubic feet, by stripping plants could process larger quantities and the operators and landowners received larger monthly checks.

"There is absolutely no regard throughout the Panhandle field for the value of gas, the witness told the committee which was sent here by the state senate to investigate the wastage.

"To my mind it is the greatest economic crime in history. In some instances, the landowners are getting no more than one-sixty-fourth of a cent per thousand cubic feet for their one-eighth royalty."

"Our company serves 3,500,000 people in 250 towns of central and

(See GAS, Page 6)

Bishop Cannon Goes to Trial

WASHINGTON, April 9 (AP)—Bishop James E. Cannon Jr. and Miss Ada L. Burroughs today pleaded "not guilty" in criminal court to a charge that the conspired to violate the corrupt practices act by failure to report all the anti-Smith contributions they received in 1928.

Indications that issues that played a large part in the Hoover-Smith campaign more than five years ago would enter into the trial proceedings came when the anti-Smith counsel framed a question to test the jurors on their religious, prohibition, and political views.

Relief Board of County To Meet

An important meeting of the Gray County relief board has been called for 10 o'clock tomorrow morning in the chamber of commerce rooms. The board will discuss the new "set-up" under FEPA and will study problems in this county.

Alex Schneider, chairman of the board, urges all members to be present. Mrs. W. H. Davis, administrator for Gray county, will make a detailed report on conditions in the county and present problems for immediate consideration and action.

Work on all projects has been temporarily halted. Road projects will have to be re-submitted. The board will study the situation thoroughly.

For-Rent Ad Placed in Fun Gets "Results"

It was all in fun—but both some fun it turned out to be. Friends of a local man inserted, in fun, a classified ad Sunday about "four-room bungalow, \$17.50" and gave a telephone number. The man had no such house to rent.

His telephone rang every ten minutes Sunday morning. "You can say," he said, "that I now know fully the pulling power of ads in The News, and I know something of the demand for rent houses, too."

Report Robberies At Alanreed And McLean Buildings

Deputy Sheriff Bud Cottrell was called to McLean and Alanreed this morning to investigate robberies in those places. The Blakey store at Alanreed was entered sometime last night but the amount of the loss is not known here.

Deputy Sheriff R. B. Stout is investigating the robbery at McLean. He had not called any particulars as to the building entered or the amount of the loss this morning.

STAKE IN RECOVERY NATIONWIDE

It ill behooves any section or any industry to try to raise itself to ideal economic levels without considering the effect on the whole nation. What goes on in Detroit vitally affects this section. Our industrial set-up is hair-triggered.

It took the discovery that a strike of auto makers in Michigan could tie up the entire national recovery program to make us realize that this condition exists.

And the fact that it does exist is bound, sooner or later, to make a profound change in our method of running our society.

We have talked a great deal, in these 1900 years, about the brotherhood of man; but so far we have treated the idea as the Levite treated the man who fell among thieves—we have looked at it respectfully and then passed by on the other side.

Now we are being forced to discover that this is an idea which, in the sheerest self-defense, we must turn into a working reality.

We may not feel like brothers, but we must act like them. Are we our brothers' keepers? We might as well be, for they are ours.

When an argument between the workers and bosses in a few Detroit factories can threaten to disrupt the recovery program of the entire United States—can imperil the happiness, the security, the very livelihood; that is to say, of rubber workers in Ohio and textile operatives in North Carolina and machine shop employes in Rhode Island and lead miners in Colorado—then the complete and inescapable interdependence of the people of the nation is too plainly demonstrated to admit of any more argument.

We no longer have any "local" troubles. You may live in California or New Hampshire; industrial relations in Michigan are a painfully direct concern of yours.

Something has happened to us, while we have been arguing and disputing. It is high time that we realized it: We are all in the same boat nowadays; no one can rock it without disturbing all of us.

The PEOPLES COLUMN

Editor, THE NEWS:

The Forty and Eight honor society of the American Legion and known as the play-ground of the organization believes in work as well as play.

Realizing the dire need of child welfare work among the children of Texas, we have endeavored to stamp out America's most dreaded disease—diphtheria. More than 600 children in Texas died of this disease last year. The national organization of the 40 and 8 spends more than \$18,000 each year in the welfare work of the kiddies that have parents unable to care for them, also the children of our World War veterans. Every child 8 months of age to 10 years of age should be immunized.

The underprivileged children of Texas, that is the children whose parents are unable to pay for the immunization of their children, local receive this service through the local office of the 40 and 8 and the local post of the American Legion.

We believe the four point program of the American Legion adopted at the Chicago national convention should meet with the approval of every citizen of the entire United States, because each point is for the welfare of the service-connected, disabled World War veterans. The American Legion has never asked one penny for the veteran who served in the World War, whose disability was not caused from his military service. President Roosevelt stated time and again that service-connected World War veterans receiving compensation would continue to receive benefits as in the past; however, the economy laws slashed the benefits from 10 per cent to as high as 60 per cent.

The recent amendments voted by congress restoring these benefits are part of the program of the American Legion. But we resent such statements as the one carried in a press association dispatch March 28 as follows: The over-riding (of the veto) means that approximately \$80,000,000 to \$100,000,000 will be returned to World War and Spanish War veterans annually without review of their cases to determine whether their disabilities were of service origin. It is unfair to include in this amount more than \$10,000,000, because all the balance pertaining to World War veterans refers to veterans whose disabilities have been proven and admittedly are direct service trauma. This statement classifies all disabled as pre-

sumptives when only 29,258 of the world war veterans affected are now in that category. Of the stated total, less than \$43,000,000 will go to World War veterans. Approximately \$31,308,000 of the \$43,000,000 will be for restoring service-connected compensation to admittedly service disabled back to what it was prior to March 20, 1933.

Marcus Girls To Leave Japan By Order of Police

TOKYO, April 9 (AP)—Police, cold to the beauty of 45 American show-girls whose charms have lured Japanese targets, ordered their early departure today.

The company, known as the American revue troupe, headed by A. B. Marcus and including 75 members, was notified it must leave Japan on the first liner after completion of the Tokyo engagement April 15.

The action will force cancellation of several weeks' booking in Nagoya and Osaka.

The troupe arrived in Tokyo from San Francisco on February 23. Members' transit visas expired March 28. Police granted an extension until April 15. A further extension was refused.

Since the police move was in conformity with the law, the United States embassy was unable to act officially. It was understood, however, that embassy attaches had informally asked the foreign office to intercede.

Indians of the northwest followed the lead of Navajo in the southern discarding the old tribal sheep-herd system for individual ownership.

SAFE KITE-FLYING DEMANDS THAT PRECAUTIONS BE TAKEN

With the kite flying season here again, we must repeat the warning that while it is a lot of fun, it may also be very dangerous unless certain precautions are taken. This is particularly true in the city of Pampa and vicinity, along high voltage, electric lines and in traffic.

This warning is being broadcast over various radio stations and is featured by the Pampa Safety Council through the schools, police departments, Boy Scouts and other organizations. Employees of the Southwestern Public Service Company are also spreading this information and warning whenever possible. It may save human lives.

Here are some Safety First rules which grown-ups would do well to drill into the minds of young kite-flying enthusiasts:

- DO NOT use kites with metal ribs.
- DO NOT use wire or tinsel twine of any kind. Use only cotton string.
- And, don't forget that WET CORD is a conductor of electricity and will cause as much trouble as wire if brought into contact with electric lines.

DO NOT fly your kite near power, telephone or high-tension transmission towers.

DO NOT let it go over radio aerials.

DO NOT let your kite get away from you. Serious injury to yourself and serious damage to property are likely if you do.

DO NOT attempt to climb poles to release kites entangled in wires or to free them by throwing stones at them.

DO NOT run across streets or public highways while flying a kite. KITE STRINGS are open and unobstructed paths away from traffic.

These warnings are for the safety of your children and they should be reiterated every time they go kite-flying.

San Jose, Calif., State Teachers college awarded teaching credentials to 486 students last year, covering 12 weeks of practice teaching in city and rural schools at a cost to the state of \$38 each.

Insull Might Leave Turkey On Wednesday

ISTANBUL, April 9. (AP)—United States Ambassador Robert P. Skinner announced today that Samuel Insull might be placed aboard a vessel sailing for America Wednesday.

He said American agents expected to reach a final decision within a few hours.

If the Chicago fugitive is started on his homeward voyage Wednesday, it probably will be aboard the American export boat Executive.

Announcement that the departure of this steamer had been postponed from Tuesday, when she originally was scheduled to leave Istanbul, centered all attention to the probability this would be the route chosen.

Mr. Skinner said it was unlikely that a combination train and ship route would be decided on for Insull's return, but said passages on some foreign boat had not been ruled out altogether.

He said no difficulty was anticipated in returning Insull for trial on embezzlement and fraud charges in Chicago. Burton V. Berry, third secretary of the American embassy,

CONSTRUCTION OF RESIDENCES IS INCREASING

HOME BUILDING DRIVE EXPECTED TO BE NATION-WIDE

By CLAUDE A. JAGGER
Associated Press Financial Editor
NEW YORK, April 9 (AP)—Residential building—one of the nation's largest potential sources of employment—is showing stirrings of recovery this spring.

Latest statistics indicate, however, a little more than a change of trend has occurred. The volume of contracting for new homes is still but a small fraction of what was considered normal in the years 1922-1930.

This industry, still wallowing deep in depression, is therefore awaiting with keen interest details of the plans under consideration in Washington for a nation-wide home building and renovation campaign.

The plan is understood to have received the serious attention of President Roosevelt's national emergency council, as a means of spurting activity in the durable goods lines, and taking up the slack in employment resulting from curtailment of the C. W. A.

It has been suggested that the campaign might induce the spending of at least \$1,000,000,000 on home improvement alone.

L. Seth Schmitman, building statistician, points out that contracts let in March for new residences in the 37 states east of the Rockies, as tabulated by F. W. Dodge Corp., amounted to \$208,000,000. This was almost twice the total of February and 80 per cent above March of last year. But in view of the extreme stagnation of the industry, Schmitman says this spring campaign can be considered favorable only from the standpoint of an apparent reversal of the downtrend of recent years.

Judith Lane

by JEANNE BOWMAN

SYNOPSIS: Judith Dale has gone to Rio Diablo dam to supervise its construction, according to the instructions in the will of Big Tom Bevin, her former employer. Bevin has left Judith his fortune to be spent on the dam. But her husband, Norman, sides against her, and with Morton Lampere, his law partner, who is trying to break the will in favor of Mrs. Bevin and her daughter Mathile. The mail just has come, but there is no letter from Norman.

Chapter 29
DELPHY'S LETTER

"Miz Dale," Delphy came from the house, full of new dignity and importance. "I have a letter he's ah an I done fo'get to bring my readin' glasses. Would you-all read it to me?"

Judith nodded. She saw through that ruse. Delphy belonged to the generation which could neither read nor write, but proud of their children's ability, dreaded to admit their own lack.

She took the letter and with the light shining through the door at her shoulder, read:

"Dear Mummy-Delphy, I guess you don't suspect to hear from me so soon—"

"That'll be from Lige," contributed Delphy.

Judith nodded and went on. "But I got something to worry me. Mister Norman, he come long home from Galveston the night you-all left and he sure was upset."

Norman's wife looked up, startled.

"Delphy, I don't know that I have a right to read this letter—"

"You-all read it, then afraid of what it might contain, went on reading."

"He bring Miz Dale and Miss Tilly with him. They was spose to talk to Miz Judy."

"Mister Norman he ask me where is Miz Judy. I tell him she gone to the dam-and Miss Tilly, she make a joke from it. She say she told him so and Mister Norman he sit down quick and he say did she leave a letter for him."

"I tell him she didn't and he say where is Delphy and I say where is Miz Judy. Miz Judy have her nerve when Delphy done raise him for Miz Judy steal you way."

"Did she say that?" fumed Delphy. "She always has been the cunning girl in the world. Go on Miz Dale."

"I tell Miss Tilly, right sharp, that Miz Dale didn't know you was going. I tell her Delphy she says she is gone with Miz Judy and I tell him you got it from me and he say he sure pay me back but I tell him you won't it honest shootin' crap and he laugh some more. But he pay me anyhow and now I got eighty dollars and I think I better marry Rosa Williams 'cause she got twenty left from her first husband's funeral and we can put it in the bank and go to Galveston for our trip."

"I ask Miz Dale, you know, old Miz Dale, if she think that is a good plan and Miss Tilly she speak up and she say it is, 'cause if Delphy was going to stay 'till Mister Norman get ready to take Miz Dale back I'd be too old to marry—"

Judith put the letter down a moment. So she had had a right to be jealous of Mathile, and Norman was through. Queer to be reading of it, seeing the things she saw through the penciled scrawl of a servant.

"What does he mean, Miz Dale?" questioned Delphy, puzzled.

"Goodness only knows," answered Judith and turned again to the letter.

"Mister Norman he is gone upstairs when she say this, but Miz Dale she don't like it none. I didn't go long with him because I ain't never forgot the time Mister Norman had his tenth birthday and I had mine same time. Mister Norman, he say I can have the box of candy, the biggest one with the red bow, then he go way and Miss Tilly she stole that box right outen from under my eyes and she say she have Big Tom hoss whp me if I tell. I didn't want her to steal nothing from Miz Dale so I stay."

Judith put the letter down again. What Mathile was stealing from her couldn't be seen with the physical eye, but it was more valuable than any treasure in Hillendale.

"Read on," prompted Delphy.

"Miss Tilly she acted up just like she own the house. She make some talk about how she'd put the davenport by the sun window and then Miz Dale she speak up right sharp. She say 'Lissen here, Mathile, she say, don't you go long holdin' no wack 'till the patient is sure nuff daid.'"

"Mummy Delphy, whyd didn't you-all let me Miz Dale our young Miz Dale was so sick?"

"Miss Judy, what do be mean by that?"

Judith looked up, her eyes hot with humiliation and bright with tears. "I think he didn't unders and what Mrs. Dale said. She meant that Miss Mathile mustn't . . ." she sought for a word the woman would understand, "mustn't gloat

over Mr. Norman divorcing me until it had actually taken place, and then she mustn't think she's going to move into Hillendale until Mister Norman marries her."

"Miz Dale, is you or mister Norman going to get a dee-vo'ce?"

It was a personal question and if Delphy hadn't sacrificed her own comfort, in fact everything pertaining to herself in her zeal to take care of her "Miz Dale," Judith might have resented it. As it was she could understand.

"I hope not, Delphy. I don't want a divorce. You and I both know that Mister Norman is the finest man in the world."

"Sure do," affirmed Delphy, then, "But, Miss Judy, how come you run away and leave him 'thout you don't want?"

Judith put into words the old woman would comprehend what had led up to her taking Big Tom's place at the dam.

Delphy interrupted—"I see," she said, and proceeded to condense Judith's wordy explanation into a line. "Big Tom wanted the dam built for good, 'n' old Lampere-he wanted it built for evil." She studied a moment then arose.

"Miz Dale, you gotta stay right here, you 'n me. We gotta stay right here 'till that dam is finish, else Old Mister Tom, he'll come back and hant you the rest'a your days. Judith paid little attention to Delphy the next day and so did not see her in conference with Goodwin, a young engineer with whom she, Judith, had gone to college, nor did she talk to that delightful young man until after the mail had gone out the day following.

"Say, Judy, that old servant of yours is a card," he confided that evening. "She had me write to her son Lige, because she forgot her 'founting pen.'"

"She asked you to write," Judith was alarmed. She not only had hoped to know what went into Delphy's letters but to protect herself from word of her personal affairs getting out into Big Tom Town.

"Yes, she said you were too busy. I thought you'd get a kick out of hearing some of the things she had me write. For instance, she said you were eating your heart out for Mister Norman, but scared to come home for fear Big Tom's ghost would come along after you and shoot you right, back. She had me tell Lige that you took all of your orders from that ghost and she thought you were his me-jum."

"Me-jum?" questioned Judith, then with a wail "Oh, dear she meant medium, can't you imagine what a delicate morsel of gossip that will be at er Lige spreads it with his usual elaborations? Anything else?"

"Nothing much. She said for him to take good care of Mister Norman and, as such, will deliver the class valedictory address at commencement exercises early in June. Holmes is president of the college student chapter of the American Society of Civil Engineers, secretary of the students scholarship honor society and is a captain on the corps staff of the college cadet corps. He has been a distinguished student for the past two years."

Yet the body now lies in an obscure corner of the undertaker's parlors, giving the sister in Los Angeles time to claim the ashes if she still desires.

SHAMROCK STUDENT HONORED

COLLEGE STATION, April 9.—William W. Holmes, civil engineering student from Shamrock, has been elected valedictorian for the 1934 Texas A. & M. college senior class, and, as such, will deliver the class valedictory address at commencement exercises early in June. Holmes is president of the college student chapter of the American Society of Civil Engineers, secretary of the students scholarship honor society and is a captain on the corps staff of the college cadet corps. He has been a distinguished student for the past two years.

Necktie Party

The flair for hanging Huey Long in effigy has spread from Louisiana to Kentucky. Here is a dummy Huey hanging from a tree in Louisville, placed there by admirers of E. R. Bradely, prominent turfman, target of Huey's most recent attack, with some pleased spectators viewing the sight.

Oil Field News

During last week in the Panhandle field there were 104 wells drilled and there were 13 shut down, some for pipe, some for repairs, and others for various reasons of a temporary nature. Childress county has one active and one shut down; Carson has three active and one shut down, Collingsworth has one active and one shut down; Dallam has one active; Deaf Smith, one shut down; Gray leads all with 60 wells drilling and five shut down; Hutchinson has 12 tests, all active; Moore has two drilling; Randall has one shut down; Roberts has one shut down and Wheeler has 24 drilling and one shut down.

Development is in high gear in Gray and Wheeler counties especially. During the week there were 12 new announcements and five wells were put on the completion list with a total daily average of 1,591 barrels of new oil production. At this time there are several tests in both these counties that are nearing the pay and a few that are already in the pay but have not been officially placed on the "completed" list.

One of these, and a very interesting one, is the Watchnon No. 1 Johnson in the northwest corner of section 47, block 24, H&GN survey, in Wheeler county. The test which is two miles southeast of production in the western area of Wheeler county, completed its five-day test late in the week and averaged 795 barrels a day. Already two offshoots have been announced. The Elbar Oil company on the north and the Skelly Oil company on the northwest diagonal.

In the eastern part of the county there is much interest in the Piney Oil & Gas company No. 1 Mankins in section 54, block 13, H&GN survey. This test is a north offset to the discovery well of the pool, the No. 1 Admire of Osborne which was deepened into oil at a depth of 2,193 feet. It was completed several years ago as a gasser at 2,147. The Piney well just above the pay had trouble with a bad cave and had to cement. The first job didn't hold and a second try was made.

Carson—The Skelly Oil company No. 28 west Schaffer in section 68 block 4, I&GN survey is waiting for the cement to set on the 8 inch casing at 2,256.

Childress—Humble deep test in section 27 block 9, H&GN survey, on the Smith ranch is drilling below 900 feet.

Gray—British-American No. 5 Phillips in section 127 block 3, I&GN survey, is preparing to shoot again. Pay from 3,218 to 3,273 was shot with 60 quarts a week ago.

Continental No. 5 Wright, section 13 block 3, I&GN survey is preparing for test. Did 300 barrels of oil and 250 barrels of salt water from the pay at 2,790 to 2,800 and 2,820 to 2,825.

Skelly Oil company No. 3 Heaton in section 164 block 3, I&GN survey is going on the pump. Pay was shot with 350 quarts from 3,184 to 3,306 and it swabbed 208 barrels in

19 hours after the shot. Bottom of the hole is at 3,308.

The No. 9 Vicars of the same company in section 127 block 3, I&GN survey, is now on test after a shot of 340 quarts from 3,220 to 3,290 and an acid treatment. It swabbed 48 barrels in 24 hours.

Stanford No. 2 Cobb "C" in section 165 block 3, I&GN survey, is drilling below 3,325 with 800 feet of oil in the hole from the pay at 3,390 to 3,325.

Texwell is again trying to get a producer from its No. 1 Combs-Worley in section 39 block 3, I&GN survey. Now plugged back from 3,148 to 3,060 and about 300 feet of the five-inch liner pulled. Preparing to treat with acid.

Vulcan Oil Corp. is building storage tanks preparatory to bringing in its No. 1 Kinard in section 41 block 25, H&GN survey. This test has 55,000,000 feet of gas and sprayed oil at a depth of 2,264, almost 300 feet above where other wells in that area got production.

The Wilcox No. 25 Combs-Worley in section 35 block, I&GN survey, is bottomed at 2,920. Oil pay from 2,913 to the bottom where it swabbed 570 barrels in 12 hours.

Moore—Shamrock Oil & Gas company No. 1 Ruppert in section 151 block 3-T, T&NO survey, is down 3,572 feet. Had a show of oil at 3,443 to 3,450 and 20,000,000 feet of gas at 2,880 to 2,885. Making 20 barrels of water per day from 3,562 to 3,563.

Randall—Woolsey & Devore No. 1 Oxnard in section 65 block 2, A&M survey, is still shut down for 8 inch casing at 5,065.

Wheeler—King Royalty No. 1 Tindal in section 19 block A-8, H&GN survey, is at a total depth of 2,245 and running liner. Estimated 300 feet of oil in the hole with 3,000,000 feet of gas.

In section 73 block 13, H&GN survey White et al are rigging up. This test will be watched with interest as it is somewhat north of the trend as it is now known.

New Locations

Collingsworth—Milton et al No. 1 Franks has been located in the southwest corner of the northeast quarter of section 8 block 23, H&GN survey.

Wheeler—Elbar Oil company No. 2 Noel has the cellar ready 330 feet from the west line and 330 feet from the south line of the southwest quarter of section 54 block 24, H&GN survey.

Pendleton & Vaughn No. 1 Mary E is building a rig in the center of section 5 block A-8, H&GN survey. Skelly Oil company No. 1 Derrick has the rig 330 feet from the south line and 330 feet from the east line of the south half of section 53 block 24, H&GN survey.

Hutchinson completions—Dixon Creek Oil & Refining company et al No. 2 Halle in section 4 block M-21 TCR survey was bottomed at 3,032. Pay from 2,970 to 3,027 was shot with 310 quarts and it swabbed 153 barrels on five day test.

Stanford Oil & Gas company No.

War Games To Test Strategy Of U. S. Fleet

SAN PEDRO, Calif., April 9 (AP)—"Anchors aweigh" was the order among the 101 fighting craft of the United States fleet today.

Terminating a two year stay on the Pacific coast, the fleet was under orders to proceed to the east coast, through the Panama canal.

The movement meant a giant tactical problem.

Fifteen giant patrol planes, the largest units of the navy's aircraft, poised for a take off from San Diego to fly in four hops of about 700 miles each to the Panama canal. They will rejoin the fleet there April 21. Seventy-five officers and men will make the flight.

Simultaneously the navy's giant of the air, the U. S. S. Macon, was to cast off the Sunnyvale, Calif. The dirigible will return to Sunnyvale after joining the fleet in the first of the war game which will occupy the 35,000 fighting miles throughout most of their cruise to the east coast.

Conditions of war will be simulated by the fleet in its journey to the canal. Only the roar and smoke of actual gunfire will be missing in the constant maneuvers, which will test the tactical strategy of commanding officers.

A sheep owned by A. Lauder milk of Gooding, Idaho, has given birth to 27 lambs in nine years, including sets of quadruplets, triplets and twins.

This year marks the 200th anniversary of the migration of Lutheran exiles from Salzburg, Austria, to Oglethorpe's Georgia province.

3 Pitcher in section 19 block M-21 TCR survey was bottomed at 3,120. Pay from 3,020 to 3,110 was given a shot of 210 quarts and it swabbed 382 barrels the first 20 hours. Averaged 237 barrels on five day test.

Phillips Petroleum company No. 1 Royal in section 34 block Y A&B survey was bottomed at 3,047. Granite wash pay from 3,997 to 3,001 and water came in at 3,009. Water was shut off and the big pay was found from 3,034 to 3,047 where 1,200 feet of oil came into the hole. After swabbing it started to flow and averaged 704 barrels on five day test.

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good.

Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in liquid form. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels back to regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. All druggists, ready for use, in big bottles. Member N. R. A.

Julian's Body Still Unburied

SHANGHAI, April 9 (AP)—An undertaker is beginning to wonder what to do with the body of C. C. Julian, former Oklahoma and California oil operator who killed himself.

Upon orders of British authorities, after the Canadian-born fugitive from Oklahoma justice took poison March 25, the firm prepared the body and arranged for a simple funeral.

Then came instructions from Julian's sister in Los Angeles, Mrs. Viola Greenhow, to have the body cremated and the ashes sent to America.

The undertaker today, however, said that no money had been received for expenses, despite repeated queries sent to Los Angeles.

The wife of the one-time millionaire who died in poverty, was said to have sent funds from her home in Winnipeg, Canada, to "ensure burial."

Chesterfield
a bully good cigarette
I enjoy them

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality—and hence of better taste—than in any other cigarette at the price.

WINNERS IN CITY INTERSCHOLASTIC LITERARY EVENTS NAMED

ENTRANTS FOR DISTRICT MEET ARE SELECTED

WARD PUPILS CONDUCT THEIR OWN MEET SATURDAY

PAMPA entrants in literary events of the district meet next week-end have all been named after contests extending over several days, and winners in the annual ward school meet, who do not go to the district, were chosen Saturday.

District literary entrants from Pampa follow: Debate, boys, Norman Whitstead and Joe Grubbs; girls, Helen Jo Daugherty and Loretta Hogan.

Declamation, senior high, J. G. McConnell and Ella Faye O'Keefe; junior high, Carl Camp and Leona Hurst; ward, Pat Patterson and Geraldine Smith, both of Horace Mann.

Essay, high school, Jim Bob Johnson; Extemporaneous speaking, Stephen Stennis and Josephine Lane. Music memory, team of six from junior high.

City Ward Meet. Ward school pupils whose events do not go to the district meet held their own city-wide meet Saturday. Results were announced as follows, listed according to place:

Story telling: First grade, Charles Maxwell of Sam Houston; David Caldwell of Merten; Shirley Ann Tucker of Sam Houston; second grade, Henry Shel of Sam Houston; Virian Rogers of Woodrow Wilson; Ellen Louise Baxter of Sam Houston; third grade, Edna Brown of Baker; Willadean Ellis of Sam Houston; Wanda Lee Giles of Horace Mann.

Arithmetic: Fourth grade, Jack Lohr and Junior Chesser of Sam Houston; Leonard Smith and Derwood Williams of Baker; Ada Arthur and T. J. Haney of Woodrow Wilson; fifth grade, Harold Thompson and Floyd Lee of Woodrow Wilson; B. A. Davis and Matrine Clements of Horace Mann. C. V. Edwards and Maurine Ott of Sam Houston.

Spelling Teams. Spelling, sixth grade, Wayne Coffin and Mary Lou Austin of Sam Houston; Donna Lee DeZern and Daisy Anne Ivey of Woodrow Wilson; Maxine Houchin and Thelma Mann; Doris Taylor of Raymond Perkins; Bobby Lane, J. B. Hicks, Anne Buckler, Lucille Mason, Sarah Frances Bourland, Vergil Brown, of Sam Houston.

Music memory, teams of 25 with Horace Mann, Sam Houston, and Woodrow Wilson ranking in order. Choral singing, teams of 25, with Woodrow Wilson, Baker, and Horace Mann ranking in order.

Playground ball, boys, Horace Mann, Sam Houston, Woodrow Wilson; girls, Horace Mann, Baker, Woodrow Wilson.

Judges for the meet were Mmes. Carl Herod and Joe Mims of White Deer, and Miss Skaggs of Skellytown.

CLASS MEETING CALLED
All members of the Fidelis Matrons class of First Baptist church are urged to be present for a prayer service Tuesday morning at 9:30, at the church.

Army and Navy Joined at Altar

In a wedding ceremony made colorful by the many guests in naval and military uniform, Cora Elizabeth Glasford, daughter of Brig. Gen. Pelham Glasford, of Exig, Che. of Washington, D. C., and Lieut. Lee Wood Park, U. S. N., were married in Glendale, Calif. The couple are shown here in a happy pose, immediately after the rites.

ALL CLUB WOMEN OF McLEAN ARE GUESTS AT JAPANESE TEA

McLEAN, March 9.—Honoring members of all other ladies club in town, the Study club was hostess Thursday afternoon from 4 to 6 with a lovely Japanese tea at the home of Mrs. C. O. Greene.

The spacious reception rooms were lighted by Japanese lanterns which shed their soft radiance on pictures, statuettes, ornaments, and throws from the Orient. Here and there were vases filled with plum and cherry blossoms.

An interesting program on Japan was rendered by Mrs. Cecil G. Goff, Mrs. J. W. Butler, Mrs. Eric Cubine, Mrs. S. D. Shelburne, Mrs. Bob Thomas, Mrs. C. O. Greene, Mrs. Jim Back, and Willie Louise Cobb. Refreshments of fan canapes, rice cakes, Japanese almond cookies, crystallized ginger, and spiced tea were served from miniature tables at which the guests knelt or sat upon soft Japanese pillows. Those assisting with the serving were Mrs. Eric Cubine, Mrs. Cecil G. Goff, Mrs. H. E. Franks, Mrs. S. D. Shelburne, Mrs. C. A. Coyer, Mrs. C. O. Greene, Mrs. W. E. Bogan was general chairman for the evening. Others assisting her were Mrs. C. C. Bogan, Mrs. Ed Dishman.

Guests enjoying the lovely affair were Mmes. Norman Johnston, Harris D'Spain, Rued Smith, Ben Chilton, Ralph Caldwell, E. F. Gray, Robert C. Davidson, A. R. McHaney, J. R. Glass, Raymond Hall, Lee Wilson, Harris King, Thurman Atkins, J. S. McLaughlin, Wilson Boyd, Bob Thomas, Dwight Upham, W. K. Wharton, N. E. Poage, W. D. Biggers, J. B. Hembree, O. E. Lochridge, Earl Stubblefield.

Misses Elizabeth Kennedy, Isabel Baley, Frances Noel, Lane, Pearl Simmons, Vera Cummings, Aline McCarty, Viola Smith, Katherine Simmons, Eunice Stratton, Roma Cousins, Jewell Cousins, Lillian Abbott, Margaret Glass, and Willie Louise Cobb.

Members present not mentioned above were Mmes. Willie Boyett, T. A. Massey, John Harris, W. B. Upham, H. W. Finley, D. A. Davis, and H. W. Brooks.

Mrs. Stewart Has Dinner. Honoring her sister, Verlyn, on her birthday, Mrs. F. E. Stewart entertained with a dinner Wednesday evening in her home on North Main. After dinner guests enjoyed playing "Three." Those attending were the honoree and Misses Mary Emma Back, Mildred Finley, Lena Williams, Louise Holmes and Myrl Andrews, and Mr. and Mrs. Stewart and children.

Tired.. Nervous Wife
Wins Back Pep!
HER raw nerves were soothed. She banished that "dead tired" feeling. Now her youthfulness is restored. All because she used the system of bowel-cleansing tablets that were soaping her vitality. MR. V. (Nature's Remedy)—the mild, safe, all-vegetable laxative—cleared the trouble. No colic, no constipation, no hemorrhoids, no acid, no dizziness, no headache, no indigestion. At all druggists. "N-T-O-NIGHT" is the name. "TUMS" Quick relief for acid indigestion, heartburn. Only 10c.

CROWDS SWELL AS SECOND WEEK OF REVIVAL STARTS IN FIRST BAPTIST CHURCH

SUNDAY ATTENDANCE AT ALL CHURCHES IS LARGE

STARTING the second week of a spring revival, First Baptist church had a record crowd of 200 in training services yesterday, 772 in Sunday school, and large audiences for both preaching services.

Other churches reported good attendance also. The Church of Christ having the largest crowd of the year last evening, and 172 in Sunday school.

Young people's prayer services will be stressed this week in First Baptist church. They are conducted each evening at 7:30, as are services for men and women. Revival services begin at 7:45.

The subject announced for this evening by the Rev. J. D. Brannon, evangelist, is "A Man Whose Wife Was a Member of Another Church." About 30 addition to the church have been reported in services of the past week. A baptismal service is to be at 8 this evening.

Sunday school reports from other churches follow: First Christian, 429 and 7 additions to the church; Methodist, 404; Central Baptist, 174; Presbyterian, 127; Calvary Baptist, 7.

Hopkins P-TA To Sponsor Movies

HOPKINS, April 9.—Three picture shows have been scheduled for the Hopkins Parent-Teacher association for the near future. "The Fighting Coward" with a comedy "His Private Life" is to be given April 13; "The Lucky Devil" with a good comedy will be shown April 27; "Ella Cinders" with a comedy will be given on May 11.

The association has recently purchased and repaired tennis equipment for the entire school and is thus planning to complete the financing of the project.

Plans Mothers' Day Program. As has been the custom for the last three years, the community Sunday school is looking forward to a Mothers' day program. Committees have been appointed as follows: Program, Mrs. Burton Fitzsimmons and Nan Crouch; arrangements, Mrs. Homer Gibson and Mrs. E. S. Broom. In previous years a special lunch and an afternoon of play have been featured.

NEW LAXATIVE DOES 6 THINGS

Doctors believe a good laxative should have the six features which Feen-a-mint, the chewing gum laxative possesses.

1. So delicious to take that you will take it when you need it. 2. A full, prompt, complete, action that does not interfere with daily duties. 3. Non-habit forming. 4. Safe for even the delicate digestive organs of children. 5. No rich element to upset stomach or diet, or to go stale. 6. A most natural action because chewing distributes the laxative ingredient more uniformly into the intestines. That's why Feen-a-mint does these things. It's proven because doctors themselves regularly prescribe the laxative ingredient which is in Feen-a-mint. "Delay" is dangerous—chew Feen-a-mint for constipation. 15c and 25c at druggists.

FIFTH AVENUE FASHIONS

Even daytime necklines are moving down from the chin where they hovered so smartly earlier in the season. Now the square neck claims its own, daintily flattering when framed by a double ruffle of lace. Paradoxically enough, sleeves are getting shorter, and the three-quarter length is smartest of them all. Here they feature a ruffled cuff and repeat the ruffled note of the neckline.

Every sewing detail of this new frock is easy, and little material is required. Size 16 requires 3 1/4 yards 39-inch fabric. 3/4 yard 35-inch all-over lace. Width about 1 1/2 yard.

Pattern No. 5538 is designed for sizes 14, 16, 20 years, 32, 34, 36, 38, 40, 42 bust.

Hoover PTA Has 60 Present For Recreation Talks

HOOPER PTA HAS 60 PRESENT FOR RECREATION TALKS

Hoover Parent-Teacher association had a program on recreation at the meeting Friday afternoon. Mrs. J. C. Morehead gave a practical discussion of the use of leisure time, and Marvin Daugherty told how adults enjoy organized play.

Pupils demonstrated how music is taught in Hoover school. Boy Scouts from Wayside troop No. 22 gave a first aid demonstration. This troop, recently organized, has applied for a charter with E. W. Hogan as scoutmaster, Paul Caylor as assistant, and C. D. Turcotte, J. M. Daugherty, and Fred Sloan as committee men.

C. V. Fleming spoke especially to the boys on Scout laws. Refreshments were served to about 60 persons.

Mrs. W. H. Dennis has been visiting the past week in Oklahoma City.

Singer Wins High Contest Ranking

Mrs. Ethel Powell, only voice entrant from Pampa in the Tri-State music festival contests at Canyon Saturday, won a rating of highly superior, the highest given in voice.

A coloratura soprano, Mrs. Powell sang Verdi's Cara Nome. The judge, Rollin Pease, noted concert singer and teacher, praised especially the quality of tone displayed.

Mrs. Ethel Powell, Malcolm Carr, son of Mrs. May F. Carr of Pampa and student in the Teachers college at Canyon, was given in addition by Mr. Pease, who commended the dramatic quality of his baritone voice. Mrs. Carr is acquainted with Mr. Pease, having accompanied him some years ago when he sang in the opera Mignon at Des Moines university.

BO-KNOT CLUB HAS PARTY FOR BPW MEMBERS

PROTEGES ENTERTAIN BUSINESS WOMEN IN CLUB ROOM

BO-KNOT club girls entertained their sponsors, women of the Business and Professional Women's club, at the city club rooms Friday evening. Their program was postponed from national business women's week by bad weather.

A quartet composed of Leona Hurst, Coleen McMann, Ethel Wilder, and Martha Price sang a medley of old-fashioned songs, dressed in colonial costume.

Heleen Poolman played a violin solo with accompaniment by Miss Hermine Stover. A negro dialogue and song was presented by Edith Beckham and Fay Dyer. Betty Jo Anderson played a trumpet solo, accompanied by her baritone voice. Mrs. Carr is acquainted with Mr. Pease, having accompanied him some years ago when he sang in the opera Mignon at Des Moines university.

Ernestine Holmes, seven-year-old piano pupil of Mrs. Carr, was eligible for the Tri-State contests but was ill and unable to compete. Mrs. Powell is a teacher of piano in the Carr school of music.

New Study Club Is Organized by Women at Skelly

SKELLYTOWN, April 9.—The Eleanor Roosevelt study club was organized Thursday afternoon at the home of Mrs. Herbert Campbell with the following charter members:

Mmes. Earl News, Allen Black, John Lee, I. C. Loran, J. C. Summs, E. F. Hutto, and Campbell.

Mrs. News was elected president. Mrs. Black vice president, Mrs. Campbell secretary-treasurer, Mrs. Loran parliamentarian, and Mrs. Hutto librarian.

Plans for a course of study were discussed. The next meeting will be at the home of Mrs. Lee on April 19, accompanied by Mary Lynn Schofield.

A playlet presenting Bo-Knot aims was given by Helen Draper, Maxine Ott, Dorothy Burton, Charlotte Malone, Theresa Campbell, Barbara Johnson, Sarah Ellen Will, and Martha Price.

Stomach Gas

One dose of ADLERIKA quickly relieves gas bloating, cleans out BOTH upper and lower bowels, allows you to eat and sleep good. Quick, thorough action yet gentle and entirely safe.

TEXAS LEAGUE WILL OPEN IN ANOTHER WEEK

BUFFALOES NOSE OUT TOLEDO MUD HENS 2 TO 1

By The Associated Press
Texas league clubs started today on their last week of practice before the curtain goes up on the pennant race April 17. If their Sunday exhibition games are indications, the Texas leaguers are all but ready for the championship drive.

The Galveston Buccaneers clicked with a 10 to 0 victory over Interurban-Queen, Galveston county amateur champions. Joe Gibbs and Merritt Hubbell limited the sandlotters to a pair of bingles. Gibbs allowed the two hits in two single innings he worked. Hubbell pitched hitless ball the last three frames. Buck Fausett, last year Texas league infield sensation, hit five for five, including a triple and double.

Carey Selph's Houston Buffaloes put on the steam to nose out the Toledo Mud Hens, 2 to 1. Fisher and Payne hurled effectively for the Buffaloes, stopping the Mud Hens with 7 hits.

Fort Worth and Beaumont tangled at Beaumont and at the conclusion the Cats held a 3 to 2 margin thanks to a home run and two singles off the bat of Fred Tauby. Hugh Holliday's home run in the third with Manager Lorbeer on counted for two runs.

The Dallas Steers and the New Orleans Pelicans are rashing the season. They split a doubleheader Sunday at New Orleans, the Steers winning the first 5 to 1 and dropping the second, 13 to 3.

The Tulsa Oilers again poured it on the Oklahoma City Indians, 11 to 10, with an eighth inning rally that netted three runs.

Radium, Kan., the state's newest incorporated city, boosted the number of such communities in Kansas to 560.

SENATORS PICKED TO REPEAT AS AMERICAN LEAGUE CHAMPS

New York Yankees Is Only Club Given a Chance To Upset the Champions.

By ALAN GOULD
Associated Press Sports Editor
NEW YORK, April 9. (AP)—Given a substantial vote of confidence despite their failure against the Giants in the 1933 world series, the Washington Senators are picked to repeat in this year's American league race, starting exactly one week from today in the national capital.

Tabulation of votes in the eighth annual Associated Press pennant ball, conducted among major league sport writers and editors, shows the champions to be the choice of 49 out of 97 experts.

The conviction that the New York Yankees are the only club with a real chance to upset the senators echoes from the fact that they are the choice of 33 observers to win the pennant. This vote gives Joe McCarthy's club a solid hold on second place in the consensus.

The rest of the clubs are picked to finish in this order: Boston Red Sox, third; Detroit Tigers, fourth; Cleveland Indians, fifth; Chicago White Sox, sixth; Philadelphia Athletics, seventh; and St. Louis Browns, eighth.

Some of the experts may wish to hedge if Lefty Grove doesn't produce pitching results in keeping with his \$125,000 price tag but the Red Sox are the sensation of the poll, nevertheless, with majority support for their first division chances and no less than eight observers naming them to dash off with pennant.

The Tigers and White Sox, the other two clubs benefitting from trades with the Athletics, are the only remaining long-shot choices to top the entire standing. In the consensus, however, Cleveland takes fifth place from the White Sox by a narrow margin, and the Indians may turn out to be the real dark horse of the race, if their exhibition performances against the world champion Giants are a criterion.

NEW ORLEANS PUT SHIPPERS INTO PICTURE

BEAUMONT SEEMS TO HAVE WHAT IT TAKES

BY BILL PARKER
Associated Press Sports Editor
BEAUMONT, April 9. (AP)—Harvard slugger outfielders with youth and speed, young pitchers and hustling young infielders will be seen in Beaumont uniforms when the 1934 Texas league pennant marathon starts April 17.

Bud Bates, Hugh Shelley and Hal Patchett loom as the trio of meadow guardians. Fiery youngsters with speed and scolding punch, they promise to win history's approval of Beaumont fans. Patchett played in 84 games last season and swatted 341. Shelley batted 336, and Bates played 123 games for Shreveport in the Dixie league and was successful in 231. He hit 60 doubles, three triples, 14 home runs and stole 17 bases. Patchett stole 31 bases. Bates was the outstanding center fielder in the Dixie league and was successful in 18 runs and two base hits, and was second in home runs.

Beaumont's new manager, Ernest (Dutch) Lorbeer, is a catcher, and along with him he has Mike Treist, a lock-out pitcher, and Ed Harter, a muckman seeking jobs. All, with exception of Lorbeer, are youngsters. In 70 games last year for Shreveport, Treist batted .300. In 78 games for Bartlesville in the Western circuit, Harter batted .261. In 12 games for Shreveport, York pitched 334.

Fans will find it difficult to recognize Beaumont's mound staff. A look at the Dixie league's mound staff shows Joe Har, George Gill, Frank Cook, Joe McLaughlin, Paul Sullivan, Jake Wado and Herman Wade are only a few of the new boys with wrinkles on their faces. Ed Albert, who won 1 and lost 2 last year, is the only hold-over.

Hare, Gill, Sullivan, and Jake Wade pitched for Shreveport in the Dixie league and are successful in winning a majority of their games. Cook hurried for Huntington in the mid-Atlantic, while Herman Wade and McLaughlin pitched for Longview in the Dixie.

Iggy Walters, last year regular first baseman, retains his job. One of the best infielders in the minors, Walters hopes for a better year at the bat. He hit only .249 last year.

Ben Catchings from Bartlesville of the Western league has an inside track for the second base job. Catchings led the Western in hitting last year with .340 and was successful in 14 home runs and 10 runs batted in, which forced him into retirement for 10 days. He finished the season with a .309 average.

Roy Prigley for Huntington is the leading shortstop candidate. He hit .267 last season and was ranked the best fielding shortstop in the Mid-Atlantic. Two other shortstop aspirants are Ben McCoy and Don Cheater.

Chester Morgan is here to retain his third base job. Morgan, who last year appeared to be a great young hitter, may get some stiff competition from Don Ross from Shreveport who hit .286 and proved a sensation in the field.

District Meet Will Be Held Next Saturday

The District 2 track and field meet, to select athletes for competition in the regional tournament in Canyon, will be staged at Harvester park Saturday afternoon. Teams from 10 Panhandle counties will compete in the event.

The meet will start at 2:30 o'clock with preliminaries in the events. Some of the outstanding athletes in this section of the country will compete. The Harvester team, tested the strength of some of the teams Saturday in Amarillo and found them strong. Panhandle, Clarendon, Berryton, and one or two other schools have exceptionally strong teams.

Local school officials are asking Pampa citizens to care for some of the students who have to be here Friday to compete in literary events. There will be about 150 students and instructors have to stay Friday night. Persons who can care for one or two or more persons are asked to call 70.

ALIGNMENT TO MEET FENTON THIS EVENING

DON HILL AND DETTON ARE MATCHED IN SEMI-FINALS

Two of the mat's greatest gladiators will appear in Pampa tonight when Sailor Oles Clingman tangles with Lightning Rod Fenton in the main event at the Pla-Mor auditorium. The semi-final will also be a main event when Don Hill of California meets Dory Detton of Utah.

Clingman and Fenton will be "razed" in a grudge battle. Each holds a decision in wild encounters. The Canadian, one of the roughest and toughest maulers in the mat game, nearly killed the Sailor in their first match. The battling job came back and annihilated Fenton two weeks later. Tonight's meeting will decide matters between the two top-notchers.

Fenton is the type of mauler who steps from his corner and slaps his opponent anywhere possible without ever letting the battle come to one of holds. He is just as liable to try a drop kick from his own corner as to come out with his feet on the mat. He is as full of tricks at a Catamount and about as dangerous.

The Pampa favorite is in for a mighty interesting evening but he believes he can look after himself. He asks his Pampa friends to refrain from man-handling the Canadian who claims he lost his match in Amarillo because fans nearly killed him. "If I am not able to take care of myself in the ring, I have no business being there," Clingman told friends this morning.

The semi-final should be one of fast scientific grappling. Hill and Detton are both wrestlers of the clean type when allowed to go that way. They are fast and know the game. Both are strong and fans are due to see one of the greatest exhibitions of the year.

The big card will be opened with Joe Bauer, German clown, meeting Farmer Miller of Lubbock.

MANAGER BELIEVES OKLAHOMA CITY CLUB IS ONE-TWO TEAM

Red Harvel To Be Player Manager of Indians; Tank Horton Is Trying Out.

By BILL PARKER
Associated Press Sports Editor
OKLAHOMA CITY, April 9. (AP)—Owner Jack Holland on the Oklahoma City Indians is determined to give local fans a probable one-two team in this year's Texas league chase. Holland made several winter trades he is confident will aid his ballgame has team defensively and offensively.

Luther "Red" Harvel, outfielder, will be playing manager. He was one of the best pasture guardians in the league last year when he batted .274 in 152 games and fielded .939 in his regular leftfield position, although he played center and right center and right during the season.

Joe Perrost and "Cap" Crossley appear to be Harvel's two outfield mates. Perrost was with Birmingham last year where he batted .273 and fielded .974 in 70 games. Crossley is well known to Texas league fans, having played last year with San Antonio where he batted .303 in 143 games.

Several semi-pros are trying for outfield jobs, but Harvel, Perrost and Crossley promise to give the Indians one of the best outfield combinations in the league.

Joe Hassler from the Kansas City Blues and Bruce Sloan, who played centerfield last year for the locals, are competing for first base. Hassler and Sloan are dangerous hitters, with Hassler probably the better, fielder around first base. Sloan is a semi-pro from Amarillo, and is sure to retain a job somewhere on the team because his heavy-hitting will be needed.

The veteran William Bancroft of Birmingham will be stationed at second base. He played 117 games at second last season in the Southern and finished with a fielding average of .951 and a batting average of .262. He still has several years of Class A baseball left, and promises to make the Indians a valuable addition to the infield.

George Binder, who played with Houston last year, will take care of shortstop. Binder is one of the best shortstops in the league and the trade Holland made to get him was one of the best during the winter. Binder batted .235 in 152 games last season and fielded .940. Cleo Voth, a semi-pro from Amarillo, Ill., is a shortstop candidate but has little chance of taking Binder's place.

Ben Hassler and Melvin Pickens are third base candidates. It is doubtful if either will make the grade. Hugh Willingham was slated to play third base but Holland sold him when he protested against the contract sent him. Ben Hassler played in the Dixie league and is a semi-pro from the local lots.

Tank Horton from Wichita, Kan., of the Western league, Seiden Fant, Alex Coleman, both of Oklahoma City, and Greene Sikes from Brownwood, Texas, are the catchers. Fant caught ten games last year and Coleman worked in 27. They joined the club late in the season and appear to have inside calling for the two catching assignments although Horton may develop into the head-maskee.

Holland expects pitching help from connections with a major league club. Kinmer Graf, Don King, Archie Wise, Russell Evans and Mike George Pollock are the experienced hurlers in camp. King, a southpaw, won six and lost ten last year. Graf, the other hold-over, pitched in less than five games. Archie Wise from the Chicago White Sox, and Russell Evans who played the Mississippi Valley league in 1931 and the three-eye in 1932, will have to show something to make the club. Pollock played last year with Beatrice in the Nebraska state circuit and was the second ranking pitcher in games won with 19 victories and six defeats. There is a chance Holland will get such last year stars as Kennedy and Denton back from the majors, and if he does, he is assured of a well balanced pitching staff.

Hilton Bybee Given 25-Year Prison Sentence

THROCKMORTON, April 9. (AP)—Hilton Bybee, jail-breaking convict, has been given a 25-year prison sentence for a filling station hold-up and abduction near Throckmorton, and the man who allegedly participated in the crime with him, Jim Welling, was up for trial today on similar charges.

The two men, who recently escaped from the Crockett jail, were accused of robbing the filling station of \$15 and a watch, after which they allegedly kidnaped the station operator, Hilton Latham, and two customers.

Defense counsel tried to obtain an acquittal for Bybee on the grounds of insanity, calling several relatives to testify they believed him of unsound mind. The state asked for the death penalty.

Bybee was one of five convicts who fled from Eastham state prison farm some time ago when a gunman, believed to be Clyde Barrow, opened fire on guards with a machine gun.

Officers recaptured Bybee later and jailed him at Crockett. After his arrest, he was taken to the county jail with Welling, he was hunted widely over West Texas and finally was caught March 30 near Woodson, Throckmorton county. The filling station was robbed the day before. Latham identified Bybee as one of the robbers.

District Attorney H. F. Grindstaff said the death penalty would also be asked in Welling's case.

Bermuda on "Main Street" Hamilton

BERMUDA ON "MAIN STREET" HAMILTON, Bermuda—Sinclair Lewis, who knows enough about main streets to make a book—any day—is afraid motorization would make one of Bermuda. Members of the house assembly are considering the admittance of automobiles to the colony. It irks the novelist. He envisages the now peaceful coral island as one long main street, strewn with "hot dogs," empty cigarette cans, beer bottles. . . Besides, he argues in the current issue of "The Bermudian Magazine," "if by the introduction of motors you are going to make Bermuda more like Detroit and Pittsburgh, then why should the citizens of Detroit and Pittsburgh take the trouble to come here at all?"

Mr. and Mrs. Ulysses Thorne visited yesterday in Sayre, Okla.

West Point, N. Y., April 9

A crashing rock slide down precipitous Stony King mountain on a scenic highway left three motorists dead today and three others injured.

The avalanche loosed rocks, ripped down the mountain side yesterday, killing Mrs. Otto Seilheimer, 28, and her 8-year-old son, Otto, Jr., of East Paterson, N. J., in their automobile and fatally injuring Lambert Shacknis, 27, of Brooklyn.

Seilheimer and his daughter, Gertrude, 18 months, were injured. Shacknis and his wife were struck by a boulder with tore thru the top of their car. Mrs. Shacknis was not seriously hurt.

Another boulder hurled into a third car just after its occupants, Dr. Francis E. Lehman, a dentist, and Miss Mary Wolf, both of long residence, had leaped from the highway. 18 months, were injured.

The highway, which skirts the side of the mountain above the Hudson river, was crowded with motorists at the time.

"There wasn't the least warning of what was to come," said Dr. Lehman. "The sky suddenly seemed to have roared."

Recent rains were blamed for the slide.

Mobeetie Schools Win League Meet

MOBEETIE, April 9.—Mobeetie high school won all-around championship honors in Class B competition in the annual Wheeler county interscholastic league meet here last week-end. Both high school and grade school took high points in literary and athletics fields.

The annual school event was held by participants and spectators to be the most successful in history. A book was given by the Blue-bonnet club of Mobeetie to the girl winning the most literary points, and a purse by the Mobeetie faculty to the boy with the best literary record.

Mrs. H. F. Barnhart is spending several days in South Texas, visiting a sister and other relatives.

Alger Fulton was dismissed from Pampa hospital yesterday.

Earl Madden To Appear On Card Thursday Night

Promoter B. W. Kelley has rematched the main event and semi-final boys from last week and will present them Thursday night at the Pla-Mor auditorium. Fans who saw the fight, and hundreds who were unfortunate enough to miss the big battle, asked the promoter for a return bout.

Mickey Dumivan on the october trail in earnest will meet Speedy Ryan of Santa Rosa, N. M., in the 10 round main event. Joe Vernon will tangle with Jim Perry of Fort Sumner, N. M., in the six-round semi-final.

Earl Madden will appear in a six-round special event. His opponent may be the great Dempsey Cook of Wellington but Promoter Kelley is not sure that he can secure Cook but he will have some good boy to meet Madden.

A good four-round battle will open the big card. Fans who don't like to see the bloody fist and leather slung from all angles, had better not attend the fight.

NEW BUILDING PLANNED
HOUSTON, April 9. (AP)—The Humble Oil and Refining company announced today that it had let contracts for the American Construction company of Houston, for erection of a 14 or 15 story tower annex to its general office building on Main street and Polk avenue here. The cost was not divulged.

Mother Charged With Poisoning Her 2 Children

COSHOCTON, O., April 9. (AP)—A 43-year-old mother, who collected \$1,877.84 in insurance when two of her offspring died, today was charged with the murder of her two children. Climaxing a sensational, year-long inquiry into the strange deaths of a son and a daughter, a grand jury indicted Mrs. Amelia Rivers Week Wednesday. It held three counts, two of first degree murder, and a third charging the administering of poison with intent to kill to a 21-year-old nephew, Charles Hughes.

Crippled from the hips down and hobbling into Prosecutor Russell E. Lyon's office on crutches, young Hughes a year ago told the story that led to the sensational investigation, a secret nighttime exhumation of the bodies of his cousins and discovery by a chemist that each contained poison enough to have caused death.

The woman, twice married and divorced from her second husband ten years ago, was held incommunicado. She has denied poisoning her children, but Lyons said, admitted giving both of them medicine. She first denied that.

Summer-izing Of Cars Is Urged By Magnolia Co.

DALLAS, April 9.—With the approach of hot weather, increasing numbers of motor vehicle owners are finding it profitable to safeguard their cars and assure care free operation with Magnolia's "Summer-ize" service. J. M. Marrian, chief engineer for Magnolia's technical department, reports, "Summer-ize" is a coined word describing the 7-point service provided only by stations and dealers of the Magnolia Petroleum company.

"Just as merchants change their stocks in spring and housewives clean house and rearrange their furniture, automobile owners are rapidly coming to understand the need of preparing their cars for hot weather driving. Certain simple precautions are necessary to put any automobile or truck in condition for safe and economical summer driving. Lubricants which were suitable for winter operation cannot be expected to provide adequate protection under hot weather driving conditions."

"Thinner, quick-flowing winter lubricants should be changed to heavier grades of lubricants capable of resisting the high temperatures generated under summer heat in the crankhouse, differential, transmission, and other vital parts of motor vehicle."

Gertrude Kurts underwent a major operation at Pampa hospital yesterday.

Coltco Team Defeats Texas Elf Nine 15-5

The Coltco baseball team of LeFors defeated the Texas Elf team 15 to 5 yesterday afternoon on the Texas Elf diamond. Maillen and White divided hurling duty for the LeFors nine and were effective in the pinches. Johnson was behind the bat.

Sawyer and Meeks were in the box for the Texas Elf boys and pitched good ball for so early in the season. Walstad caught the game. The Texas Elf boys showed much more ability than two weeks ago when they were swamped by the fast Coltco nine. Rodgers of Coltco hit the only home run of the game.

Coltco will meet the Busby Indians Wednesday afternoon at 4 o'clock on the Coltco diamond five miles east of LeFors. The public is urged to attend. No admission will be charged.

The Coltco team will soon appear in new uniforms. J. T. Ray is manager of the team.

When Mrs. I. F. Cordell entertained La Femme club at her home Thursday she included Mrs. M. B. Marlow as her guest.

WOMAN'S WEAKNESS

Mrs. C. M. Windham of 3111 Lake Ave., Dallas, Texas, says: "I was nervous, rundown generally, had poor appetite, severe pains in my back and side, lost weight and felt miserable. I first noticed that Dr. Pierce's Favorite Prescription was helping me when I began to enjoy a full night's rest. Soon my nervousness became normal, the pains left my back and side, and my appetite returned."

MARKET BRIEFS

NEW YORK, April 9. (AP)—Firmness of the non-ferrous metals and a few specialties failed to promote any great enthusiasm in the stock market today and most of the leaders held to a restricted range.

Table with market data including Am Can, Am T&T, Amac, etc.

CHICAGO, April 9 (AP)—Illinois will have a primary election tomorrow but Joseph Tiermo, politician in Chicago's "Bloody Ward" ward, will take no part in it.

They found his body in the street yesterday, with bullets in his back. He was a precinct captain in a ward where there is bitter strife for control of the democratic organization.

POLICE WILL WATCH PRECINCT VOTING TOMORROW

They will keep their eye on the twentieth tomorrow, nevertheless, for it is a ward with a history of bloodshed.

CHICAGO, April 9 (AP)—Butter, unsettled; creamery specials (92 score) 21 1/2-22; extra (92) 21; extra firsts (90-91) 20 1/2; firsts (88-89) 20-20 1/2; seconds (86-87) 19 1/2; standards (90 centred) 19 1/2-20 1/2.

NEW ORLEANS COTTON

NEW ORLEANS, April 9. (AP)—The market remained dull all during the morning and prices kept within the early range with fluctuations not exceeding 2 points.

KANSAS CITY LIVESTOCK

KANSAS CITY, April 9 (AP)—U. S. D. A.—Hogs 7,000; 1,100 direct; slow, uneven, mostly 15-25 lower than Friday's average; top 3.80 on a few choice 200-230 lbs.; good and choice 140-160 lbs. 2.75-3.05.

CHICAGO GRAIN

CHICAGO, April 9. (AP)—Owing more or less to suggestions the government crop report tomorrow would prove to be something of a stimulus, grain prices averaged slightly higher today.

GRAIN TABLE

Table with grain prices for Wheat, May, July, Sept.

TO BARROW 'SIGHTERS'

AUSTIN, April 9. (AP)—L. G. Phares, chief of the state highway patrol, today asked persons having information concerning Clyde Barrow and his companion in crime, Bonnie Parker, to notify the highway patrol at Austin and the department of justice at Dallas simultaneously with local officers.

Mrs. C. L. Seaton entered Pampa hospital yesterday for medical attention.

DESKINS WELLS in Wellington Leader—My recent experience in filling a pulpit has made me feel sorry for preachers.

COMMITTEE CONTROL DISPUTED

Most of the interest in the primary centers on contests for control of the democratic county central committees.

J. C. PHILLIPS in Borger Herald

The politician-gangster connection has not disappeared. The connection among the politician, the dispenser of liquor, the gambler, and the racketeer has not disappeared.

FOURTH VICTIM DIES

LONGVIEW, April 9. (AP)—The fire which destroyed the Longview hotel here ten days ago claimed its fourth victim today when Mrs. H. E. Peck of Shreveport, La., died in a hospital.

C. W. WARWICK in Canyon News—Saturday's vote was not conclusive that the people of Randall county do not wish to legalize beer in this county.

PAMPA TOPICS OF OUR CITY

(Continued From Page 1) other folks must be having quite a time. According to a report of the department of justice at Washington, Nevada leads with the largest criminal element in proportion to the population.

Club Entertains With Husbands

Mrs. J. W. Logan and Mrs. W. A. Rankin were joint hostesses to J. U. G. bridge club and husbands of members Saturday evening at the home of Mrs. Logan.

Priscilla Club Studies County

Priscilla home demonstration club met Friday with Mrs. Norman Walberg. Mrs. Minnie Jackson conducted an educational program concerning proposed changes in the system of county government.

Farrington Child Dies on Saturday

Albert Dale Hughey, young son of Mr. and Mrs. C. N. Hughey of the Farrington community, died in a local hospital at 5 p. m. Saturday.

ELK CITY INFANT Nearly Freezes, Then Drinks Lye

ELK CITY, Okla., April 9. (AP)—Trouble knocked twice in three weeks for three-year-old Eugene Carr, who lives on a farm near here.

"DODGING TRAFFIC TAKES HEALTHY NERVES, TOO, MR. HOCKEY PLAYER."

Miss Ruth Dodd of New York City speaks with authority on the perils of a pedestrian. She says:

"Of course it takes healthy nerves to lead a championship hockey team. But let me say a word about healthy nerves in behalf of those millions of us who do our walking along city streets. People rushing madly by—trolleys clanging—traffic whistles shrilling—huge trucks bearing down on you at every crossing—it's enough to make nerves jump and quiver! I enjoy a smoke any time—and smoke steadily, too. My cigarette? Camels. They're milder, taste marvelously—and don't interfere with healthy nerves."

Captain "Bill" Cook of the New York Rangers, 1933 Champion Hockey Team, says: "A hockey player can't afford to have nerves. The way I guard my nerves and yet smoke all I want is to smoke only Camels. They have a taste that sure hits the spot. I smoke a lot and I find that Camels never get on my nerves or tire my taste."

How Are YOUR Nerves? Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand. You'll find Camels rich in flavor—yet mild and delicate. Smoking will have a new zest. And each Camel renews the enjoyment... the pleasure of smoking at its best!

How Are YOUR Nerves? Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand. You'll find Camels rich in flavor—yet mild and delicate. Smoking will have a new zest. And each Camel renews the enjoyment... the pleasure of smoking at its best!
