Twinkles
Elections seem awfully vital
sometimes, but we've noticed that,
no matter who wins, folks manage
to get along and forget their zeal
of the moment.

Democracy is a good form of gov-
ernment, but it is not great as long
as lawmakers in Washington over-
look the national welfare to look af-
ter their own by voting for vigor-
ous minorities back home.

Asked if he had any physical
disabilities a local man is said to
have answered that he had a wife
and three children. We've heard
learned men make equally bad
mistakes, however.

The man who invented the spring
cleaning idea certainly didn't live in
the windy Panhandle, guesses the
West Foster group.

You can say this for Mr. Insull:
he at least isn't shooting every-
body that seeks to question him.

Brevitorials
Musings of the moment: Maybe
it was a million dollar snow. And
perhaps it was a minus-\$250,000
dust storm. We don't know. We
don't count our wheat crops be-
fore they are harvested. Many
persons like to predict crops just
as they do the weather. It is
their privilege. No two persons
agree. We hear wheat predic-
tions ranging from 25 to 90 per-
cent of a normal crop. It is an
error to suppose that news-
paper reports affect the grain ex-
change prices. The exchanges
have private wires and full re-
ports on rains and snows, and
Uncle Sam's department of agri-
culture also provides complete
weather data. Newspaper reports
rarely leave this state, and cer-
tainly to suppress weather news
in print would not inconvenience
the exchanges in the least.
Today's antonym for ignorant
is Lettered, literate, erudite, stud-
ied, wise, learned.

WE are arriving at a much bet-
ter understanding of the Fed-
eral Emergency Relief act, al-
though there are rumors in its ad-
ministration which we think should
be liberalized. The Civil Works Ad-
ministration is dead, its projects in-
complete, its schools of instruction
discontinued. Work on the CWA
projects, such as the Pampa-Mc-
Lean highway, will continue with
little regard for the completion
thereof; the whole aim now is to
budget requirements of the most
needy families and individual to
let those who can, to feel.

CITY BALLOTING IS VERY LIGHT

Five Defendants Convicted In \$72,000 Fort Worth Mail Holdup

STEVENS, MAY AND PETTIJOHN FOUND GUILTY

MANDATORY SENTENCES OF 25 YEARS TO BE IMPOSED

FORT WORTH, April 3. (AP)—O. D. Stevens, W. D. May and M. T. Pettijohn, alias Howard were found guilty in federal court today of the \$72,000 Texas and Pacific mail robbery here on February 21, 1933.

They also were convicted of conspiracy to rob the United States mails. Joe L. Martin and Johnny Carson were found guilty of conspiracy as charged by the court, but not of robbery.

The robbery conviction carries a mandatory sentence of 25 years in the federal penitentiary. Conviction of conspiracy carries a maximum penalty of two years' imprisonment and a \$10,000 fine.

M. T. (Blackie) Pettijohn and E. Claude Hill, charged with the other two victims were freed yesterday on an instructed verdict of not guilty. Three women defendants, Mrs. Stevens, Mrs. May and Ruth Winn Howard, common law wife of M. T. Pettijohn, previously went free on similar court instructions.

May, Harry Rutherford and Jack Sturdivant were named in testimony as the actual participants in the holdup. The bodies of Sturdivant, Rutherford and his brother, J. B. Rutherford, were found sunk in the Trinity river east of Fort Worth last July 11. They were the alleged victims of a quarrel over division of the robbery loot. May had been given a death sentence for the murder of Sturdivant, while the murder trials of Stevens and M. T. Pettijohn are pending.

The robbery for which Stevens and his co-defendants were tried occurred in a boiler when a railway mail service employe, trundling a truck load of registered mail pouches down the tramway between the T. and P. station and the railway mail terminal, were held up by three men.

SCIENTISTS ARE WORKING NIGHT AND DAY TO SAVE THREE LITTLE TOTS DYING OF RARE MALADIES

"Peaches"

She's turning her back to single blessedness, announces "Peaches" Browning, above, "slim"—yes, slim—"attractive, and 23," as her lawyer describes her. The blond and blue-eyed actress will divorce "Daddy" Browning, whom she married eight years ago, as soon as she can establish Chicago residence, she says, asking no alimony. She was refused a decree in 1931.

Boy Turning to Stone And Girls Dying Of Leukemia

NEW YORK, April 3. (AP)—Science fought desperately against tremendous odds today to save the lives of three little children.

The victims themselves apparently were unaware of their plight and amused themselves as doctors sought cures for their rare maladies. At Wilkes-Barre, Pa., 7-year-old Benny Hendrick seemed unworried by anything except a broken pop-gun. Shiny and new, it would send corks sailing out from his hospital bed against the wall until he dropped it and it busted.

Benny's body is slowly turning to "stone" as calcium deposits throughout his system harden his muscles. Already his arms and legs are becoming stiff. When the ossification reaches a vital organ the fight of scientists will be lost.

The other two victims are four-year-old girls. Both are suffering from leukemia, a disease in which the white corpuscles slowly crowd the red corpuscles from the bloodstream. Each day the little children grow more listless.

Willie Mae Miller, of Memphis, Tenn., seems to be the least affected of the two. She still can play several hours a day before drowsiness forces her to bed. A cheerful little girl, she romps about, while her strength lasts, singing songs she makes up herself.

The other girl, Roma Garret, of Peekskill, N. Y., is at a hospital at Eastview, N. Y. The cannibalistic white corpuscles have ravaged her blood. Ten minutes of listless playing with a doll left her exhausted.

Scientists are working far into the night, measuring, filtering, testing, to save the lives of the children. They still have hopes of checking the disease.

In some cases of leukemia, transfusions and x-ray treatments help. But according to Dr. William Marston, of Peekskill, Roma's disease is apparently not that type.

TRIPPERS MAY SPEND ONLY \$1 AT BOX SUPPER

Event Set For Friday Evening at Bell Community

A NEW policy adopted by the inter-community relations committee of the chambers of commerce is expected to make the community visits more attractive to all concerned.

It had come to the attention of the committee that the amounts being spent by trippers for boxes and pies was more than they could really afford. This discouraged attendance and also tended to embarrass residents of the communities in which the benefit affairs were held.

When Pampans go to the Bell community for a benefit box supper next Friday evening, a limit of \$1 per box will be put into effect. A large delegation is desired. The group will meet at the city hall at 7:15 o'clock and make the trip together to the school.

The local committees also are planning recreational trips to other communities, in which athletics will be featured, and other trips in which a sort of icecream will be provided by local talent.

Sunday Will Be 'Pampa Day' at Palo Duro Camp

Next Sunday will be "Pampa Day" at the CCC camps in the Palo Duro canyons.

The Pampa high school band and other entertainers will leave here by bus at 1 p. m. Sunday. The concert will be about 4 p. m.

It is hoped by school authorities and the Board of City Development, which is assisting that many Pampans will drive to the canyons in the afternoon and make the effort of the first and third Wednesday night of each month.

Arrangements will be made for the special session at the hut Friday evening, when Department Commander Van Perkins and other high Legion and Auxiliary officials will pay Pampa a visit. The Auxiliary members will be special guests of the occasion, and 40 and 8 members will attend.

Attention of the public is called to a special broadcast over a national chain at 10:30 p. m. Pampa time, sponsored by the 40-8. The 40-8 championship band will be heard. Radios will be installed in the Legion home for the reception of this broadcast.

Missionary Will Be Heard Tonight

Announcement was made near press time today that Miss Blanche Rose Walker, missionary to China, would speak at the devotional period at 7:45 o'clock tonight at the First Baptist church service.

Miss Walker, whose home town is Ashland, has spent 30 years in China and is an authority on the nation.

OFFICIALS OF ARMY BLAMED BY COMMITTEE

IGNORED CONGRESS AND LAW IN PLANE DEALS

WASHINGTON, April 3. (AP)—A report to the house holding above reproach the action of Harry H. Woodring, assistant secretary of war, in connection with the purchase of \$7,500,000 worth of army airplanes was adopted unanimously today by a military affairs subcommittee.

The report also contended certain army officials for years had been ignoring the intent of congress and the law by purchasing airplanes without competitive bidding.

Chairman Rogers (D, N. H.) had not completed the text of the report, but a rough draft of it was submitted.

The committee decided to make a report on the \$7,500,000 transaction immediately so arrangements could be made to buy the airplanes.

Shortly after the PWA allocated money for the airplanes, Woodring ordered that they be purchased upon competitive bids rather than "negotiated" contracts.

Specifications were drawn and submitted for bids, but the army's judge advocate general ruled the specifications barred open and free competition.

The Kerley-Crossman post of the American Legion will have its regular meeting tomorrow night at 8 o'clock under a new plan of meeting on the first and third Wednesday night of each month.

Arrangements will be made for the special session at the hut Friday evening, when Department Commander Van Perkins and other high Legion and Auxiliary officials will pay Pampa a visit. The Auxiliary members will be special guests of the occasion, and 40 and 8 members will attend.

Attention of the public is called to a special broadcast over a national chain at 10:30 p. m. Pampa time, sponsored by the 40-8. The 40-8 championship band will be heard. Radios will be installed in the Legion home for the reception of this broadcast.

Asks Divorce

The only daughter of the late Geo. W. Vanderbilt, from whom she inherited \$50,000,000, Mrs. Cornelia Vanderbilt Cecil, above, has asked court permission in Paris to sue John Francis Amberst Cecil, a former member of the British diplomatic corps, for divorce. The couple, married in 1924, have two sons, ages 8 and 4.

NEW OIL RULES ARE ANNOUNCED BY COMMISSION

Allowables Are Not Changed in Any Field

AUSTIN, April 3. (AP)—The Texas railroad commission today promulgated new regulations for operators in all fields of the state effective April 9 at 7 a. m.

However, existing allowables were not changed.

The order embraced rules governing operation of refineries, the legislature, in special session, having broadened the commission's powers to examine records of those concerns in its effort to stop the flow of hot oil.

In the light of recent legislative enactments, the commission thought it wise to go over all its existing rules and regulations and make such modifications and changes therein as might best permit to perform the duties imposed upon it by law, the commission stated.

Some of the old rules were modified or amended and some were unchanged.

The important changes included: Persons and organizations engaged in any phase of the petroleum industry are required to show ownership, plan of organization and identity of the official personnel.

In the East Texas and Comroe fields, the person in charge of the mechanics of producing oil from each well is required to make and preserve a daily record which would show the time each well began to produce and the time production was closed off.

Lack of Funds Slows Up FERA Work in County

While FERA work in Gray county is slowing to a standstill for lack of funds, the program as a project does not seem to be in danger.

New checks have been received, but there is no money transferred to back them. A local relief party will go to Amarillo tomorrow to attend an institute conducted by the Texas Relief commission. It is hoped that instructions received there will include a money grant which will enable the budgetary relief to continue.

In the party will be Mrs. W. H. Davis, Alex Schneider, C. H. Walker, J. P. Brown, Miss Lillie Pliska, Marvin Davis of McLean, relief officer there.

AT NOON ONLY 300 PERSONS HAD BALLOTTED

POLLS WILL NOT BE CLOSED UNTIL 7 O'CLOCK

It is not too late to vote. The polls in the city election will close at 7 p. m.

REFLECTING the quiet character of the campaigns, balloting in Pampa's city election today was unusually slow. Fewer than 300 votes had been cast by noon.

Balloting picked up appreciably during the noon hour, and by 2 p. m. the total had risen to near 600 votes. But it was obvious that only a last minute rush of near riot proportions would bring the final total to near 1,700, the turnout two years ago. However, there was a noticeable tendency for business folk to take their time about voting, hence the last two hours before the polls close at 7 p. m. may produce a shower of ballots.

Pampans wishing election returns may call THE NEWS between 7:10 p. m. and 8:30 o'clock for the results. Counting will not be completed at 7 o'clock, but a bulletin will be issued at that time, as the law requires.

C. P. Buckler, election judge, and R. A. Thompson, supervisor, are being assisted by George Walstad, B. W. Rose, Miss LaVerne Ballard, Charlie Hughes, J. E. Corson, Mrs. Harvey Todd, L. C. McGurty, Jimmie Wheeler, and A. E. Hickman as clerks.

Candidates for mayor are W. A. Bratton, unopposed for re-election; Clyde Fathene and W. T. Fraser for commissioner No. 1, and R. Earl O'Keefe and Marvin Lewis for commissioner No. 2. Fathene and O'Keefe are present commissioners.

Political activity on the streets was quiet all morning, but interest was stronger this afternoon.

Road Projects At a Standstill

All road projects in Gray county were at a standstill while the local relief board waited on some kind of order from Austin. Contradictory telegrams have been numerous and as a result, the administrator does not have any idea what should be done.

The FERA program went into effect throughout the nation yesterday morning. Gray county had been on that system more than two weeks but rules and orders received recently has caused cessation of the works.

Some definite order is expected immediately and work will be resumed when a working program is outlined.

First Baptist Revival Begins

Opening a two-weeks revival, the Rev. J. D. Brannan preached at First Baptist church last evening on Revivals That Have Been.

He has announced as his subject this evening, Revivals that Ought to Be. Evening services begin at 7:45, and morning services at 10 o'clock. Assisting the evangelist is Ira Powell, leader of music.

Much interest is being shown at the start of the meetings, says the Rev. C. E. Lancaster, minister. He invites the public to attend daily services and bear the two young men who are conducting the revival.

Oil Section Planned for New City Directory

An oil section is being planned for the new Pampa city directory to be issued by the Hudspeth Directory company of El Paso. The plan is to show names of plants, officials, and residents within a 20-mile radius.

The directory also will likely show where the officials of the plants live; that is, if they live in town their street address will be shown in the oil directory. The Board of City Development is cooperating in this move.

George Briggs went to Borger this afternoon.

AUSTIN, April 3. (AP)—Gov. Miriam A. Ferguson announced today she has been advised by the federal relief office that Texas' application for \$1,000,000 with which to match state unemployment funds had been granted.

AMARILLO, April 3. (AP)—Amarillo police scout cars, containing six men, to make a search of the southwest part of the city and contiguous highways, for Clyde Barrow and his associates at 11 p. m. today after receiving an anonymous telephone call that a small (Ford) coupe containing three men had been seen on the city's outskirts.

AUSTIN, April 3. (AP)—Governor Miriam A. Ferguson today approved a deficiency appropriation of \$25,000 for the state parks board to purchase equipment at state parks constructed by CCC workers.

WASHINGTON, April 3. (AP)—Senator James (D., Tex.) of the agriculture committee today said he would ask the house to disagree tomorrow to the senate amendment to the Bankhead cotton control bill and send it to conference.

It Happens Every Day—Ask Audrey

Yesterday evening THE NEWS carried a house-for-sale ad in the classified ad columns. Approving the advertiser called up. Said he, "Please kill that want ad I put in the paper yesterday. I sold the house last night. . . I don't want to be bothered with answering the telephone."

It happens every day. There are people waiting, sometimes in line, to read the want-ad columns every day. They read one. They read all. A small investment in a classified ad, whether it advertises a house for sale, an apartment for rent, furniture or used cars for sale, will bring instant customers.

Phone 666 or 667 and ask for Audrey.

OIL FIELD UNION POLICY TOLD

Collective bargaining and collective force go hand in hand, accompanied by the possibility of much good or evil. Reports, often circulated without the least foundation, or without authorization, can do much harm to any movement.

In this connection, The NEWS is asked to publish on this page today a statement which spikes and clarifies a rumor which has been going the rounds—that the Oil Field union is using force and threats to gain its ends and to obtain advertising for its journal.

The NEWS is assured by responsible officials of the Oil Field union that they have no intention of using coercion in obtaining advertising. Neither are they attempting to tell members where to trade in connection with the placing of any advertising. They recognize that any form of boycott is a federal offense and one that would do vast harm to the cause of collective bargaining.

This assurance is timely and fortunate, in that radicalism will not be tolerated in this section of 100 per cent Americanism, and efforts of the oil field group to let cooperation and reason guide its activities are to be commended. Anyone hearing reports that the union is resorting to force is referred to the official union statement appearing on this page.

The PEOPLES COLUMN

Editor, The NEWS:
"I, Ray Rucker, Publicity Director of the Union, Local No. 235, speaking officially in behalf of the Pampa Union, wish to take this opportunity to inform the people of this territory that unionism is in no manner attempting to dictate policies or decisions to business organizations in this area.
"Because some members of our organization, voicing only their own opinions and not those of the official directing its policies, have indulged in various forms of collective force in various forms desired by those few individuals, we wish to assure the citizenship of the Pampa that such statements do not have the sanction of the union, nor will any such action be countenanced.
"We further wish to assure the people that the Pampa Daily NEWS has always given due consideration to union news and affairs, and is still endorsed by the union as a news and publicity organ."
(Signed) RAY RUCKER.

Pampa Boys Win Cage Crown at Hi-Y Conference

The Pampa nigr. school Hi-Y basketball team won the Northwest Texas championship title at a Hi-Y session in Amarillo Saturday. Eleven teams competed. More than 500 boys attended the session.
The Pampa basketball team opened the series by noosing out Hartley, 17 to 16. The Pampa team then downed Dalhart 30 to 7 to go into the finals with Amarillo. The score of the final game was 17 to 10 for Pampa. The Pampa boys competing were Edward Scott, Buck Mundy, Elmer Irving, Roscoe Pinnell, Bill Seeds, Otto Rice, Wilbur Irving, D. Enloe, and Porter. Amarillo had Stodgrass, McAllen, and Blackwell of the Amarillo Sandies on their team.
Nineteen Pampa boys accompanied J. L. Lester, local sponsor, to the convention. Otto Rice, Jr., is president of the Pampa Hi-Y club. Paul Schneider represented the local club in the speakers contest.
Some of the outstanding young men of the state, past the Hi-Y age, were present. There were many inspirational addresses and the Pampa boys were inspired.

COLTEXO NINE WHIPS ELVES

LeFors Club Piles Up 25 to 5 Victory Over Texas Elf Carbon Team at LeFors.
The Baseball season was ushered in Sunday afternoon at LeFors when the last Coltexo Carbon Black team downed the Texas Elf Carbon team 25 to 5. The LeFors carbon men made the Danziger Roadrunners sit up and take notice that there is another team in this section to give them trouble this year.
Mullins, starting hurler for the Coltexo outfit, went five innings before being relieved by White who finished the game. Mullins had 12 strikeouts and allowed only two hits while he was on the mound. White also pitched effective ball.
The Texas Elf hurlers were unable to hold the LeFors bludgeon wielders who hit to all parts of the field. The Coltexo team is now open for engagements and teams desiring games should get in touch with J. T. Ray, Box 1668, Pampa.

PAMPA TOPICS OF OUR CITY

(Continued From Page 1)

It is a blow to the hundreds of men on OWA lists to learn that their employment, as such, has been discontinued. Budgetary relief is less adequate and only the more needy families will be helped. Those men who are dissatisfied with the arrangement have no recourse. Their chief hope is that more contract highway work will be started, as promised, elsewhere in this territory.

PERA budgets are basic as to human needs, and not adequate as measured by living standards in this section. They must therefore be considered as not intended to be complete; rather, they are to be supplemented by the enterprise and resourcefulness of the families assisted.

AND it is necessary to look upon the PERA projects not as ends in themselves but as means to give the men assisted a chance to earn the relief received. Not the completion of the Pampa-McLean road, but the rehabilitation and relief of the registered men must be regarded as the goal. But it is necessary to give consideration to the progress of the project. If, by liberalizing a few rules, the work can be done more efficiently and without doing violence to the aim of PERA, we think such liberalization would be wise. We refer to rules governing truck hire, which now impede effective work by the large group. When so many men are available, it is desirable that they be enabled to do effective work. The state administration of course holds the key to the problem.

Three Track and Field Lettermen Back This Year

Cosch Odus Mitchell will find out tomorrow afternoon whether he has anything that looks like a track and field team this year of whether he has only two or three individual stars. A full size track and field meet will be staged at Harvester field at 3:30 clock tomorrow afternoon.

The team to represent Pampa in the district meet to be held here with county champions of nine other counties April 13 and 14, will be selected. Most of the winners will be taken to Amarillo Saturday afternoon to compete in the Amarillo College invitation meet at fair park.
Only three lettermen will be available this season. They will be Bert Stevens, dash man; Orville Heiskell, dash and distance man; and Miles Marbaugh; field man. Several distance boys have been working out for the last three weeks and are in fair condition. The dash men and field men will be in poor condition.
The try-outs tomorrow will be run-off in the order of the inter-scholastic meet recommendations.

Dallas Man To Referee Ross-Herrera Fight

PORT WORTH, April 2 (AP)—When Barney Ross, world's junior welterweight champion, defends his title here April 20 against Tony Herrera, the third man in the ring probably will be Bernie Bickers of Dallas.

Bill Burmaster, local boxing commissioner, said today no official appointment had been made but that he favored Bickers and was confident that Sam Plan, co-manager of the champion, would favor Bickers over any other referee.
Burmaster is aiding Promoter Griffin in plans for the fight. Ross is in Chicago where he will rest for 10 days. Then he will come here to start training.

CHURCH SOCIETY MEETINGS ATTENDED BY MANY YESTERDAY

CENTRAL M. S. CHANGES DATE FOR MEETINGS

ALL-DAY QUILTING IS PLANNED FOR THIS FRIDAY

Their meeting day was changed from Wednesday to Monday, women of Central Baptist Missionary society decided at a meeting yesterday. The program was advanced this week because of a district Sunday school convention scheduled for Wednesday.

Mrs. J. W. Smith was in charge of the study period. The topic was *Waking to World Vision*. Mrs. S. L. Anderson conducted the devotional. Discussions were presented by Mrs. O. C. Weekly, G. C. Stark, W. W. Hughes, R. M. Mitchell, G. D. Holmes, Smith, and Miss Vernon.

Mrs. Stark presided at the business session, when plans were made for an all-day quilting Friday at the church. A covered dish luncheon will be served at noon. Circle meetings will be held next Monday.

Mrs. Altman gave the closing prayer. Other members present were Mrs. J. B. Hill, E. L. Mathis, D. H. Coffey, O. H. Gilstrap, R. A. Overall, Wood Overall, Cecil Lunsford, Moore, T. N. Gillham, D. L. Lunsford, Nat Lunsford, John Busby, Etta Gillham.

Burl Stuckey of Wichita Falls has been a Pampa visitor for a few days.

H. A. Burke of Wheeler was a Pampa business visitor yesterday.

Claude Williams, McLean attorney, was in the city today.

WORLD PEACE IS SUBJECT OF M. E. PROGRAM

DAILY PRAYER HOUR TO BE OBSERVED THIS WEEK

Coming generations hold the key to world peace, women of the Methodist Missionary society emphasized yesterday in circle studies. Their topic was *Promoting World Friendship Among Children*.

In addition to programs and a social hour when refreshments were served, each circle heard the announcement of a daily period of prayer for this week. Every member is to observe a moment of prayer and meditation at 7 o'clock each morning of the week.

Circle One.
Mrs. A. L. Patrick entertained circle one at her home, and conducted the opening devotional from I. Sam. 3:10. Discussions were on *Value of Teaching World-Mindedness*, Mrs. Herman Jones; *World Friendship and Peace in Missionary Education*, Mrs. C. R. Price; *Plans of the Missionary Council*, Mrs. Nell Bever.

Questions were given on the Christian training of children for world fellowship, to form the basis of an interesting round-table discussion.
Mrs. Hatfield and Miss Whistler were visitors with Mrs. S. C. Evans, A. B. Pulling, Bever, Gaston, Foote, G. H. Gray, H. E. Johnson, C. R. Nelson, J. G. Noel, Price, G. L. Ott, Lloyd Roberts, G. R. Roberts, Harry Hoare, and the hostess.

Circle Two.
A lecture by Mrs. O. H. Booth covered the lesson topic for circle two, and Mrs. S. A. Hurst spoke on missionary education. A business session was conducted by Mrs. H. W. Kiser. Mrs. H. L. Wilder gave the opening prayer and Mrs. W. R. Ewing the benediction.
Others present at the home of Mrs. Joe Shilton were a new member, Mrs. Ira Sparman, and Mrs. John Hodge, W. R. Campbell, J. M. Fitzgerald, A. B. McAfee, H. B. Carson, Fred Cary, F. L. Stallings, Joe Gordon Jr., E. D. Zimmerman, George Walstad.

Circle Three.
Mrs. A. A. Kelly was hostess to circle three at her home, Mrs. J. M. Turner presented the lesson after an opening prayer by Mrs. C. T. Nicholson and a devotional on *Discovery of Prayer*, by Mrs. W. Purviance. Sentence prayers closed the hour.
Miss Florence Marion of Wheeler was a guest, and other members present were Mrs. W. M. Castleberry, Ralph Chisan, M. E. DeTar.

GIRL CHECKERS ANNOUNCED FOR BENEFIT GAMES

Carnival Amusements Will Add to Fun Thursday

Checker fans and also those who know nothing about the game are promised an exciting evening Thursday by the high school P-T. A. when a giant checker game will be staged in the gymnasium at 8 o'clock with living checkers.

Names of the girl "checkers" were announced today.

A representative has been chosen from each of the civic clubs to play in the match. A. L. Patrick will play for the Kiwanis club, Gilmore Nunn for the Lions, and Hamp Brown for Rotary. C. P. Buckler will referee the games. High school girls representing various oil companies will be the checkers on the giant board drawn out on the gymnasium floor and will be moved with fishing poles.

Funds for Awards.
The game promises to be a gala affair. Concessions of various sorts have been granted, and a carnival atmosphere will pervade. The general admission price will be 10 cents. All proceeds will be applied to the fund for presenting awards in literary events.

Mrs. Curtis and Miss Ruth Siddons, members of the committee on "checkers", announce that the following girls will assist in the games: Red checkers: Patty Will, Mary Price, Mildred Tolbert, Elizabeth McAfee, Dorothy Jo Moore, Betty Curtis, Janice Purviance, Mattie Lee Clay, Mary Somerville, Rosemary Hampton, Flora Dean Finley, Lillian Rice.

Black checkers: Sue Dodson, Daley Lane Shields, Dorothy Brunley, Lurton Tolbert, Claudia Attebury, Jean Mann, Virginia and Claudine Jerries, Betty Jane Blythe, Charlene Sidlow, Mary Keahey, Nell Meers.

EX-SHERIFF DIES

NEW YORK, April 3 (AP)—Former Sheriff Thomas M. Farley, who furnished the nation with the "tin box" episode of the 1932 Scabury prosecution of the city graft inquiry, died today at Fifth Avenue hospital. He was operated on three weeks ago for appendicitis.

CROWD ENJOYS PLAY HOUR IN H. D. PROGRAM

FAMILIES FROM ALL PARTS OF COUNTY GATHER

Entire families, young and old, played together in a county wide recreation hour sponsored by the recreation committee of home department clubs at the high school cafeteria last evening.

Despite bad weather, six different clubs were represented in the gathering. Mrs. E. A. Shackleton, county recreation chairman, directed lively games and Joy Elobe of Meriton led stant songs.

This county gathering launched a series of recreation programs scheduled for various sections of the county. They are designed to bring farm families together, teach various age groups to play together and enjoy community life.

Guests Registered.
Those who registered yesterday were Mr. and Mrs. F. E. Leech, Mr. and Mrs. Irvin Cole, Mr. and Mrs. Hugh Isbell of Pampa, special guests; Mr. and Mrs. A. R. Walberg, Mrs. N. B. Cude, Mr. and Mrs. E. R. Sunkel, Mrs. C. D. Hill, Dale Hill, of Bluebonnet; Katharine Enochs, Mr. and Mrs. Leonard Darnell, Mr. and Mrs. E. P. Vandenberg, Gwendolyn Couis, Fae and Opal Davis, Mr. and Mrs. C. P. Couts, Eddie Couts, all of Hopkins. Mr. and Mrs. Shackleton, Delbert Hughes, Austin Hughes, Mr. and Mrs. J. M. Daugherty, Mrs. Norman Walberg, Mr. and Mrs. C. A. Tignor, Mrs. J. L. Stroppe, Donnie Lee Stroppe, of Priscilla; Joy Elobe, Mrs. A. C. Elobe, Mrs. C. O. Bridges, Mrs. Alva Phillips, of Meriton; Mrs. Emil Rastpina, of Bell; Billy Wallace Scott, R. T. Willis, and B. E. Grab-Bag Social Benefits Sewing Club at Skelly

SKELLYTOWN, April 3 (AP)—A grab-bag gift exchange to benefit the club treasury was enjoyed by women of the P. H. Sewing club at the home of Mrs. Dallas Bowsher.

Each member brought a handmade gift for the bag, then drew a gift and paid 25 cents for it. Games were played afterward, and refreshments served.

Guests of the club were Mrs. Wesley Black, E. R. Kershner, Joe Miller, E. Crawford, Harve Skaggs, Norman Osborn, W. B. Campbell, W. J. Castka.

Members present were Mrs. E. M. Stafford, Jack Propst, E. W. Patchet, J. C. Sims, Iris Looman, Art Johnson, Les Roberts, Jack Tomlin, J. W. Lee, E. R. Hawkins, Emil Hutto, and the hostesses, Mrs. Herbert Campbell and Mrs. Bowsher.

BEAUTY SHOW STRESSES GILT FOR THE LILY

Stripes Smart This Year in Hair And Nails

By RUTH COWAN
CHICAGO, April 3 (AP)—Here's how the lily, feminine 1934 spring variety, will be gilded, it was announced today at the 11th annual mid-west beauty trade show attended by beauticians from all over the country.

G is for gray hair (which is smart, strikingly streaked with a lock of black or dark hair that has either been dyed or touched up with a pencil).

I is for intriguing jeweled finger tips—nails decorated with gleaming bits of colored glass glued on to the finger nails.

L is for the latest coiffure idea—wisps of real hair dyed in pastel shades, (yes, pink, blue, green, orchid) to match garden frocks.

D is for dots that bespeckle the spring manucure—for example, a pale pink nail trimmed with a dot of green.

E is for ears that will be partly or entirely uncovered this spring.

D is for dashes of color that trim the finger and toe nails in horizontal or longitudinal stripes. (And through this fad Mare Gartman, president of the Illinois Hair Dressers' association, sponsors of the show, suggested that college girls might proclaim their school or sorority colors.)

L is for the latest bob—a streamline effect with the hair cut shorter and brushed back up off the ears. In back it is swirled and the curls are worn high. In general the waves and curls are softer.

I is for that feminine question: "If I dye, what color?" the answers this spring are golden blonde, reddish gold or red.

L is for lowbrows that can now become high brows by that same procedure in which eyebrows are arched. By the use of tweezers stray or straggling hairs that mar the forehead hairline can be eased out and by the same method the widow's peak can be accented.

Y is for youthful and natural make-up.

Alexia Brown Has Easter Party For Seventh Birthday

The seventh birthday of Alexia Brown was honored when her mother, Mrs. B. L. Brown, entertained a group of youngsters at her home. Games were played, both outdoors and indoors.

Cake and jello were served with gay Easter favors on each plate. Alexia received many pretty presents from Dual Lee and Billie Brown, Billie Don and Junior Cornack, Olive Ruth and Viola Kilcrease, Thelma Jo Thompson, Dorothy Deacon, Leatrice Winton, Betty St. Clair, Lawrence Brown, and Colleen Welch.

Wayne Kelley left for Amarillo last night after spending the Easter holidays here.

REVIVAL HOLDS ATTENTION OF BAPTIST WMU

QUARTERLY REPORTS MARK BUSINESS SESSION

A PRAYER service devoted to the revival now in progress at First Baptist church was conducted instead of a program at the general business meeting yesterday afternoon.

Women of all four circles met at the church. Reports for the past month and the quarter were heard, and a devotional was given from Mark 14.

EPISCOPAL WOMEN WILL HAVE LUNCH
Women who attended the covered dish luncheon of Episcopal Auxiliary tomorrow are asked to bring not only a contribution to the meal, but also some sewing for work of the afternoon.

The lunch will begin at 12:30 at the parish house. A business hour and program will follow, then members will spend the remainder of the afternoon at needlework. All are urged to be present.

Missionary Will Visit Mrs. Leech—Asked To Speak

Miss Blanche Roe Walker, for 30 years a missionary in China, is expected to arrive today to be the guest of Mrs. F. E. Leech.

She will be en route from Wellington to Amarillo and it is not known whether she will be in Pampa long enough to gratify the wishes of many persons who wish to hear her speak.

Miss Walker's home town is Abilene. Her work is supported by the Naacodches Baptist church. She is on a year's furlough.

BARBER LAW QUESTIONED

AUSTIN, April 3 (AP)—Constitutionality of law requiring registration and certificate of barbers was questioned today in an appeal filed in the court of criminal appeals.

FENTON WINS ROUGH MATCH FROM DETTON

CANADIAN PROTECTED FROM ANGRY CROWD BY OFFICERS

Officers of the sheriff's department assisted Lightning Rod Fenton from the ring amid a shower of pop bottles last night after the wild Canadian had defeated Dory Detton, popular Utah Mormon, in the main event wrestling match.

Pampa wrestling fans have seen some tough hammers on the Pampa mat but last night they saw the king of them all. Fenton, sparring like a cornered wildcat, stepped from his corner and landed an elbow to Detton's chin and he never let up until both his feet landed on Detton's jaw to win the third and deciding fall.

Next Monday night, Fenton will tangle with Sailor Otis Clingman in what should be the wildest battle of the century. The Canadian beat Clingman in Amarillo three weeks ago, but the sailor came back to win last week. The match Monday night will be the "rubber" affair. Don Hill, sensational Californian, will tangle with Dory Detton in the semi-final.

The best exhibition of wrestling on the card last night was the preliminary. Andy Gump, local product, showed more speed, ability, and a greater knowledge of holds than ever before to defeat Farmer Miller in 16 minutes with a double steep over toe hold. The game farmer stayed in the hold so long that he had to be carried from the ring. The going got rough at times and the Gump opened a long cut over Miller's eye, which bled freely over both contestants. Both matlers got into some tough spots but managed to come out.

Pat Garrison, Phillips oil man, wrestled a draw with big King Cole. Dallas Swede, Garrison was out weighed, but his speed and ability to rough things saved him from being pinned to the mat. The Swede was too big and powerful to be put to the mat and Garrison had to fight a defensive battle.

Referee Don Hill was drawn into the battle several times, but he was able to take care of himself, once having the better of the two matlers at the same time. Feet were used freely on any part of the anatomy in sight and hair was a main factor in breaking holds.

A minute after the main event opened, fans figured it was "curtain" for Detton. The Canadian wildman, who changes his style of wrestling for no one, battered the Mormon over the ring and then threw him from the mat. Detton, however, came back strong and traded hold for hold, kick for kick and wallow for wallow until he had Fenton running around the outside of the ropes.

Detton put the Canadian through four flying headlocks and then stepped in for another when Fenton's feet landed on his chin in a drop kick. The first fall went to Fenton in 15 minutes.

The Canadian started in too fast in the second fall and Detton got the advantage by getting a punishing double toe hold and then an arm lock. He rushed Fenton all the way but took considerable punishment in getting holds that proved effective. Fenton used his feet again and appeared to have Detton down, but the Mormon came up with a well placed Sonnenberg that allowed him to get an upline spin to down Fenton in 11 minutes.

The third and deciding fall was even wilder than the other two. Both matlers used the ropes for strangle holds and both were kicked into the ringside seats while resting

VIOLET CULTURE STARTED BY STEVENS, FORMER YALE COACH

Albie Booth Is Assistant; Both Line and Backs To Shift in Screwplay Plays

BY EDWARD J. NEIL, Associated Press Sports Writer, NEW YORK, April 3 (AP)—Dr. Marvin A. Stevens, late of Yale university, where head football coaches lead a precarious existence, marched out on Ohio field to take charge of the blushing Violets of New York university.

A megaphone rested on one hip of his baseball uniform, slung three from a strap that went around one shoulder, much like the arrangement for carrying field glasses.

"There goes another ancient tradition," muttered a veteran onlooker at the first spring football practice under the new Yale regime that has moved into New York. "There goes Chick Meehan, in the days when the Violets had men like Al Latham, Len Grant, Jock Connors, Bullet Brant, and the like. Meehan always had an assistant manager following him around with a megaphone, a whistle and an extra ball."

With his assistants—the glamorous Albie Booth, Heater Barnes, Fred Linehan, and the veteran end catcher, Charlie Comerford, all of Yale and three N. Y. men, Archie Roberts, Jack Weinheimer, and Buff Collins—Stevens has worked out what he calls a "screwplay" offense for the Violets.

TRAINING WITH THE MAJOR LEAGUES

By The Associated Press.

INDIANS

BATON ROUGE, La., April 3.—Joe Vosmik's new title with the Cleveland Indians is "dumb killer." His pinch hit home run in the ninth yesterday gave the Indians a 3 to 2 victory over the New York club, just as his home run in the seventh inning of the first game of the series enabled the Indians to defeat the Giants Saturday.

REDS

TAMPA, Florida.—The Cincinnati Reds will be "patriotic" this season. They are to blossom out in red, white and blue uniforms.

The new suits still have plenty of red, but borders of royal blue have been added.

ATHLETICS

JACKSONVILLE, Fla.—The Philadelphia Athletics bid farewell to Florida today after their game with the Baltimore Orioles.

The A's are feeling better over their departure by virtue of three successive victories. Not the least

of their satisfaction comes from Johnny Marcum's pitching line in his return against Brooklyn yesterday, when he ended the game better than he started.

YANKEES

JACKSONVILLE, Fla.—Joe McCarthy, manager of the New York Yankees, has had an interesting conversation with Billy Evans, business manager of the Cleveland Indians but Oral Hildebrand, crack right hander, still is Indian property.

McCarthy would like to swing a deal for Hildebrand but he offered nothing Evans would take in exchange.

SENATORS

BILOXI, Miss.—The speed afoot of the Senators new outfielder, Johnny Stone, is drawing a lot of attention from Manager Joe Cronin.

Indication that Cronin intends to let Stone scamper after a flock of stolen bases was seen yesterday when he had the former Detroit fielder charging around the diamond and hitting the sacks head of the peps from Catcher Elmer Klump.

NEW BOWLING STARS

PEORIA, Ill., April 3 (AP)—New names graced the first place brackets in the doubles and all events today at the 34th annual American Bowling Congress, and eight other changes were made in the leaders, George Rudolph and John Ryan, Waukegan, Ill., hit 1321 yesterday to top the doubles, while Clyde Wells, Columbus, O., connected with 1858 pins in nine games to take first in the all-events.

Lamesa's Polo Team Comprises Father, 4 Sons

By The Associated Press

ARLINGTON DOWNS, April 3. (AP)—Ernest Paine's hard-hitting Wichita Falls polo quartet, with Paine, Horace Robbins, Bill Barry, Luther Weekes and Bill Kuykendall in the lineup, will battle the El Rancho Reds tomorrow morning. The Reds will be skippered by Dr. Raworth Williams and are defending champions in the Tom Mix Texas Rafter spring tournament. The El Rancho Blues, headed by Cecil Childers and including A. B. Wharton, Jr., Charles Waring, and Clarence Starke, will engage the Lamesa Yellow Jackets Friday morning. The championship will be determined Sunday at 3 o'clock. Tom Mix, famous movie star who is donating the trophy, will referee.

The Lamesa Jackets are headed by Hayden Barron and his four sons. This is the only instance in American polo circles where one family is able to form the complete lineup of a polo team. All tournament games will be played on the El Rancho field under rules of the United States Polo association.

2 INFELDERS GIVE HOUSTON OUTFIT COLOR

TOLEDO MUDHENS BEAT BUCS 9 TO 4 IN PRACTICE GAME

By BILL PARKER

The baseball situation at Houston is looking better. Manager Carey Selph's optimism is increasing as the Buffaloes hustle, dash and speed around the stadium in their routine practice. In Monday's workout, Selph was very much pleased when he talked of a pair of young infielders, Don Kuttridge, third baseman, and Johnny Keane, shortstop. These two boys have injected color into the team.

The outlook is not bad at Beaumont. Manager Lorber is determined to have batting punch from the very top to the final man in his lineup. In practice he collected his mound candidates around him and told them they had to pitch and hit if they stayed on his team. "I don't like the idea of a pitcher working to the plate and back to the bench," and with that Lorber sent his pitchers through a long batting practice. It was a picnic for Red Phillips who was a slugging first sacker before he started pitching.

Rookie Galveston right-hander certainly did not help themselves when they issued the Toledo Mudhens ten bases on balls that added in the Buccaneers losing a 9 to 4 practice game. John Huek, sent to Galveston with a Chicago White Sox recommendation, walked seven men in the last four innings. The Buccaneers turned in some binnacle base running to keep the recruit pitchers from feeling too badly.

Perhaps Houston and Birmingham made mistakes. Anyhow, Oklahoma City fans are going to the park and applauding the plays of Billy Baneroff and George Binder. Baneroff was turned over to the Indians by Birmingham, and Houston sent them Binder. These two infielders have been the training camp idols the last week.

All of time Oklahoma sandstorm prevented the Tulsa Oilers from playing their first scheduled practice game at Shawnee.

Manager Griggs said that Alexander Hooks, elongated first sacker, is still a bona-fide holdout, and that Jimmy Cronin, second baseman obtained from Kansas-City, is thinking of retiring from baseball.

outside the ropes. Detton went over the ropes to haul the Canadian into the ring and the referee became mixed up several times. He treated Fenton roughly for strangling and other violations.

Detton appeared to have the Canadian on the run with Sonnenbergs when Fenton landed another pair of drop kicks. Then the bottles started flying at 11 minutes.

Its lower consumption and greater protection to motors proved by the most convincing test ever made!

These six new stock cars were used in the "destruction" test. Delivered direct to AAA Officials who assigned the brand of oil each carried by drawing of lot numbers. Only the Chief Official knew which oil was in any car.

THIS new oil has a tremendously increased "film strength"—and a penetrative oiliness to always protect your motor. The "Hidden Quart" never leaves a dry spot or a bearing without lubrication—it resists dilution—and eliminates most trouble caused by carbon and sludge.

The process which gives these exclusive new features is protected by recent U. S. patents. Conoco refines a high quality paraffin base oil and then adds the extra oiliness that is absolutely necessary to obtain the protection and low consumption every motorist should demand.

...New and Improved Conoco Germ-Processed Motor Oil excels in the most convincing test ever made, under the supervision of the Contest Board, American Automobile Association.

MANY "new" oils are presented to you without proof of claims made for them. You have to "test" them at your own expense.

In presenting New and Improved Conoco Germ-Processed Motor Oil you are furnished facts of performance. You will at once be convinced of the direct value of this new oil. A test so dramatic, so honest, that it will go down in history!

This test was held at the Indianapolis Motor Speedway. The Contest Board of the American Automobile Association supervised all details, thus assuring an unbiased opinion. Six new regular stock cars were delivered direct to them. They tested and measured each to obtain an equal condition in all.

Six brands of motor oil, of the same S. A. E. grade, were used. Five of them, all purchased by the AAA on the open market, were nationally known, widely recognized leaders. The other one was New and Improved Conoco Germ-Processed Motor Oil. All cars were then carefully broken in for 2500 miles.

Five quarts, a new and complete fill, were put in each car and the crankcases sealed. Then the real battle for supremacy began. The cars were driven for as long as the motors continued to operate. Started

equally, they were driven as far as they would go—completely ruined—run dry and cracked up.

Here are the results: Oil No. 4 quit at 1713.2 miles; Oil No. 6 quit at 1764.4 miles; Oil No. 5 wrecked the motor at 1815.9; Oil No. 1 ceased its lubricative protection at 2266.8 miles; and Oil No. 3, at 3318.8 miles.

New and Improved Conoco Germ-Processed Motor Oil carried on to a total 4729 miles! Over three thousand miles farther than the first oil to go out, and over fourteen hundred miles farther than the final oil of the five!

It is the Germ Processing principle, only used by Conoco, that won the test. This "Hidden Quart" that lubricates all parts at all times—that stays up in your motor and never drains away. Here then is proof of motor protection and proof of low consumption. Here is the oil that will make your motor last longer and cost less for the oil it uses.

Drive into a Conoco Station or Dealer for a fill. You are getting the most in lubrication value that money can buy.

Warning To New Car Owners...

Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures resulting from increased power and speed. New and Improved Conoco Germ-Processed Motor Oil has been sensitively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market.

Protect your new car by using the motor oil you can be sure of.

NEW AND IMPROVED CONOCO GERM PROCESSED MOTOR OIL
EXCLUSIVE NEW FEATURES PROTECTED UNDER RECENT U. S. PATENTS

AAA Sanction No. 3001

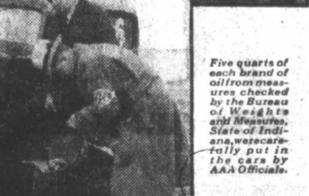

Here are the representatives of the Contest Board of the A. A. A. who supervised every detail of the test and attended to the records made. The certified test sanction number was 3001.

Five quarts of each brand of oil from measures checked by the Bureau of Weights and Measures, State of Indiana, were carefully put in the cars by AAA Officials.

The official sealing of crankcases after final fill of five quarts was done. No more oil was permitted in this "destruction" test.

These were new motors before the test. Close examination will show how each was wrecked when the oil contained failed to lubricate. They were wrecked to prove to you how to protect yours.

ILLINOIS PRIMARIES NEXT WEEK START TEST OF NEW DEAL

ELECTIONS TO CONTINUE FOR SEVEN MONTHS

REPUBLICANS HOPE TO GAIN 70 SEATS IN HOUSE

WASHINGTON, April 3 (AP)—A nation-wide ballot box test of the "new deal" will start a week from today.

Illinois voters, lining up for the first of the primaries of the national off-year elections, will inaugurate activities that in the next seven months will reach into every state. November will finish the election of 34 senators, about the same number of governors, and the entire house.

Republicans are voicing openly the hope that the usual off-year tide will restore them to many offices they lost in the Roosevelt landslide of 1932. Democrats predict that gains in the senate will offset an immaterial loss of seats in the house.

The Illinois primaries next week will mark the start, but will give little indication of the outcome of the whole race. There is neither a gubernatorial nor a senatorial contest in that state this year.

Speaker Rainey brought the White House angle strongly into the picture, however, when he reported advice from his friends that financial interests in New York were planning to donate in an effort to defeat him because of his stand for Roosevelt measures.

In addition the Illinois primaries will see the choosing of party candidates for 36 other house seats. In the 1932 elections, the republicans lost their majority of the Illinois house delegation when the democrats won six new seats.

The battling will get under way in earnest next month, with primaries in six states. The first come May 1 in South Dakota and Alabama, where governorships are at

22 Boys Attend Hi-Y Conference

Twenty-two Hi-Y boys and their sponsor, J. L. Lester, attended the district conference held in Amarillo last Friday, Saturday, and Sunday. Otto Rice, president, officially represented the Pampa club in the conference.

Something like 400 boys attended the conference and enjoyed the hospitality of the Amarillo club. In addition to the business and inspirational talks, there were various contests among the clubs. The Pampa Hi-Y basketball team won the championship over 10 other competitors for district honors. Paul Schneider represented the Pampa club in the speaking contest and did well.

Those who made the trip were Elmer Irving, Bill Seeds, Wilbur Irving, George Porter, Doyle Elnoe, Travis Gee, Paul Schneider, Philip Noland, Street Wines, Boyd Owens, Tom Sweatman, Otto Rice, Richard Wilkes, John Engle, Hallard Hinkle, John Lawson, Leroy Johnson, Ed Sidham, Abraham Lewis, Ed Scott, Buck Mundy, Roscoe Finnell, and J. L. Lester.

Regular Hi-Y meeting will be to-night at 7:30 o'clock.

stake in addition to house seats.

The first senatorial contest will be reached in Indiana May 8, with Senator Robinson, republican incumbent, fighting for re-election. Democrats are planning a warm fight to gain this seat, and three majority house members—Ludlow, Pettigill and Mrs. Jencks—are reported to be angling for the democratic nomination.

Republicans base their hope for gains in the house on the usual swing of the pendulum in off-year elections, and the fact that democrats are now holding scores of heretofore normally republican seats.

While democratic leaders privately concede they probably will lose some seats in the house, republicans say they will gain as many as 70 or 80. Even the latter, however, would leave the democrats in control.

In the senate, the situation is far different. Thirty-five senators are up, including 17 democrats, 17 republicans, and one farmer-laborite, Shipstead of Minnesota.

Six of the democrats, however, come from the so-called solid south, where even the republicans concede there is no chance of a turn-over, while many of the republicans face their contests in closely divided states.

Representative Bailey (D., Texas) is running against Senator Connally (D., Texas).

DECLAIMERS TO REPRESENT HIGH SCHOOL IN DISTRICT MEET HERE APRIL 13 AND 14 ARE SELECTED

J. G. McConnell, Ella Faye O'Keefe Are Winners

Try-outs for high school declamation were held last Wednesday afternoon in the Presbyterian church. Ella Faye O'Keefe and J. G. McConnell won first places in the senior contest and will represent P. H. S. in the district meet to be held here April 13-14.

Virginia Roberts was ranked first and Katherine Tilley second among the junior girls. These two girls will compete with two junior high girls this evening to see who will go to the district meet. No junior boy's title has as yet been given, as so few have tried-out in that division. Few high school students are eligible for junior declamation, as a junior must not have been over 15 years of age last Sept. 1.

Ella Faye O'Keefe was chosen first among the senior girls, giving as her declamation "Shilster Shadows" by David Goldman. Those who competed against her were Sue Dodson and Grace Kite. J. G. McConnell won first place in the senior boys' contest with the same selection. John Plank was the only other senior boy who tried-out.

Six junior girls entered the contest: Virginia Roberts, Katherine Tilley, Estelle Taylor, Betty Sue Cornell, Geraldine Mitchell, and Mary Crocker. Virginia Roberts was ranked first, giving "The Best Road of All" by Charles H. Towne, and Katherine Tilley was second with "When the Old Man Smokes." Carl Champ was the only junior boy to try-out.

The contest was conducted by Ben Guill, public speaking teacher. The speech classes observed the contest, and several of the contestants were students of Mr. Guill.

DON'T GET UP NIGHTS USE BUCHU AND GIN Make This 25c Test

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire for leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. Cast For Annual Junior Play Is Now Rehearsing

The cast for the junior play, "Atorney for the Defense," to be given the latter part of this month, was chosen last week, and work has now begun in earnest.

The play will be directed by Ben Guill, dramatics teacher and junior sponsor. Ella Faye O'Keefe, as Dorothy Hampden, will carry the leading feminine role. Roy Webb as Jimmie Carlyle and Paul Schneider as Jackson Mullen have the most important male parts. The complete cast is as follows:

Jimmie Carlyle—Roy Webb.
Judge Carlyle—Buck Talley.
Joseph Hampden—Charles Frazee.
Jackson Mullen—Paul Schneider.
Freddie Warren—Alvin Rothchild.
Mark Nelson—Bill Mack Parks.
Dorothy Hampden—Ella Faye O'Keefe.
Beth Winters—Burton Tolbert.
Allie Traylor—Jerry Mitchell.
Elsie (the maid)—Minnie Dittmeyer.
Roger Townsend will be stage director.

The junior play is one of the traditions of Pampa High school and an event much looked forward to. The proceeds will be used to help defray the cost of the junior-senior banquet.

Debate Teams Win From White Deer

Both PHS debate teams won in practice matches here with White Deer last Wednesday afternoon. In both debates Pampa upheld the affirmative side of the question: Resolved that the United States should adopt the essential features of the British system of radio control and operation.

Helen Joe Daugherty and Lortia Hogan are the girls' team. The boys are Joe Gribben and Norman Whisenand. Debate this year being coached by R. W. Castleberry. He states that the teams are planning a match with Elk City soon.

Favorites Win First Round in Houston Tourney

HOUSTON, April 3 (AP)—The large field of entrants in the men's singles competition in the annual River Oaks tennis tournament here, was narrowed to 32 today as second round play began.

Lester Stoefton of Los Angeles and Wilmer Allison of Austin, the top-seeded players, were matched against comparative unknowns and it appeared virtually certain that they would repeat their straight-set victories of yesterday.

George Lott, colorful Chicagoan, was accorded a good chance of upsetting either of the top-seeded stars.

Allison drew Leslie Coleman of Houston, as his second round opponent. He overwhipped young Israel Elkowitz of Victoria, 6-0, 6-0, notwithstanding that he obviously was taking it easy.

Stoefton, who advanced to the second round through defeating Lious

Letcher of Houston, 6-2, 6-1, was matched against Eddie Holden of Houston. Young Bobby Kamrath of Austin's tennis playing family was slated to be Lott's victim. Lott beat C. I. McClean of Houston, 6-0, 6-2.

The match between Louis Thalhimer, Dallas veteran, and Wilbur Hess, Rice itinerant star, promised to be a feature.

Judith Lane by JEANNE BOWMAN

SYNOPSIS: Judith Dale has seen Norman, her husband, having dinner with Mathie Bevins. Judith resents his guilelessness, because Mathie and her mother are trying to break the will, under which Big Tom Bevins has left his fortune to Judith, to be used to complete the Rio Diablo Dam, and Norman's law partner, Morton Lampere, is directing the fight for the Bevins heirs. Norman is in a difficult situation.

Chapter 24 NORMAN'S DEMAND "Judith... I think you forget my firm represents the Bevins—" "Forget it," Judith's laugh was hysterical. "I'd like to... oh, how I'd like to. But with Lampere treating me like an unmentionable and you dancing attendance on those two women like a legal rigolo—" "You've gone far enough Judith. I hadn't meant to make this Bevins fortune an issue between us, but you're forcing me to it. They wanted you would, I'm beginning to be here they know you better than I do."

"I'm leaving for Galveston again. I'll have to fly back to make court, but under the circumstances I think you'd better stay and think things over. Talking only brings on trouble." "This Bevins affair will blow over and then you and I can settle back into our normal way of living."

"Judith," he pointed out of the window to where an ink-black cloud was sweeping down from the north. "I have to go, there's a storm coming in and I can't be late for court. He drove her to the end of the nearest street car line and by the time she reached Judge Morgan's office, she had outlined the path she would follow.

One of Mrs. Nathalie Bevins' first actions after finding she owned the Bevins building, had been to ask the newly organized Bevins Construction Company to move. Big Tom, owning the building, had never considered a lease necessary, and regardless of Judge Morgan's intervention, she was able to demand their eviction.

"I'm not," she assured him, "I expected it." The two men exchanged quick glances of understanding. "As for money," said Cunard, "remember I have a couple of producing oil wells along Longview and I can turn them over to the Rio Diablo project at any time... the proceeds, I mean."
