KIDNAPERS CONTACTED, IS CLAIM

Ex-Convict And Mary O'Dare 'Squeal' On Clyde Barrow, Hamilton

Twinkles
Dated coffee is widely advertised. The latest dated product is beer. But the most needed dates are those that ought to be placed on eggs.

Spain, campaigning for the old-time capes, is trying to oust the non-Spanish overcoat style. You see, they don't have the equivalent of a Panhandle norther in most of Spain.

Everything is being streamlined these days. But the dollar probably won't be redesigned in contour—it gets away from one fast enough as it is.

Lots of folks we meet are frankly worried about the "Yellow Peril" of Japanese aggression. Personally, we wish that were the most serious problem Uncle Sam has menacing him.

If this country had a dozen Dillingers, instead of one, we wouldn't have to provoke a war to test the efficiency of the standing army, the air force, and the navy.

Brevitorials
Musings of the moment: Sometimes we think consistency is the thing most deplorably lacking in this country. Again, we are happy that radicals lose their consistency quickly when placed in a good position. . . . We think talk of one generation being the "world's worst" is foolish. The list of human sins was completed very shortly after Adam, and nothing really new is likely to be added. . . . Today's synonyms for hoax: Hum, cod, string, sell, take-in, canard.

OUR MR. ROOSEVELT promises to give the country "breathing spell" following a year of breath-taking action. And a year, too, of tremendous spending. Business and industry will welcome the change. Indeed recovery cannot proceed in the face of such uncertainty as grips the country in the early part of this year. It will be a disappointment to the radicals who have made whoopee during the wave of experimentation.

IN a sense, the psychology of the country is changing a year ago everyone wanted a change—many changes, any kind. Relief was con-

WHO WAS FIRST? IN AMERICA?
By Joseph Nathan Kane
Author of "Famous First Facts"

Where was the Ferris wheel first used?
When was the Farmer Labor party organized?
What American was first to receive a Nobel prize?
Answers in next issue.

ANDREW JACKSON, FIRST PRESIDENT TO PROTEST ACTION OF CONGRESS
FIRST VAUDEVILLE HOUSE BOSTON, 1883.

STANDARD NAVAL UNIFORMS ESTABLISHED SEPT. 5, 1776.
Answers to Previous Questions
In 1834, President Jackson signed a protest against the Senate resolution censuring him for his course in the bank controversy. B. F. Keith built the Boston vaudeville house next to the old Adams House in Washington street, calling it the "Clubs, Musicians," and offering "Baby Alice," a midjet, as chief attraction. The first naval uniforms were far different from what you see today; captains' uniforms being blue, but officers' dress being green.

INFORMATION OBTAINED BY RANGER FORCE

WOMAN DECLARES SHE IS THROUGH WITH HAMILTON

WICHITA FALLS, April 27 (AP)—James Mullen, an ex-convict who made a lengthy statement purporting to reveal detail of Raymond Hamilton's January 16 escape from Eastham state prison farm, was taken by state rangers today from jail at Montague, where he had been in custody for some time, to an unnamed jail.

He said Barrow had been wounded several times and is in poor physical condition. Mullen also said Bonnie Parker, Barrow's woman companion, weighed only 78 pounds and was suffering from tuberculosis.

He also told officers of a hide-out which Barrow and Bonnie had 11 miles southwest of Ringgold, Texas. He said they often went there to rest, change wheels on stolen automobiles and keep out of the way of officers when the chase became too pressing.

DALLAS, April 17 (AP)—A death blow was aimed today at the old Clyde Barrow gang of outlaws as officers acted on "inside" information they have concerning hideouts of the notorious killer and his woman companion, Bonnie Parker. Meanwhile, Dallas county authorities worked on their case against Raymond Hamilton, the bank robbing expert of the Barrow gang when it was in its more affluent days.

Hamilton already is under prison sentences aggregating 263 years for a number of robberies and a killing and authorities say they will not be satisfied this time unless he is given a death penalty. They will try Hamilton, probably on May 6, for robbery of the Grand Prairie bank and will demand a death sentence under the habitual criminal law.

Mary O'Dare, whose married name is Mrs. Pitts, told officers here she was "through with Raymond Hamilton" and was going back to her husband "when I get out of this trouble."

"I still think a lot of Raymond. I was attracted to him because of his promises to buy me nice clothes and show me a good time. But I realize I don't love him. My husband has forgiven me for running off with Raymond and I am anxious to return to him."

When informed of Mary's statement, Raymond Hamilton expounded a bit of philosophy as he saw it. "There is no such thing as a real friend any more," he declared. "They will all double cross you. Women cause men to become criminals. Then after you risk your life for them, they generally are the cause of you getting caught. As long as you have money, people will pretend to be your friend. Then, when you go broke, they double cross you."

"I robbed that bank at Lewisville because Mary had sent me word she needed some money. I intended to get some money for her at Lagrange. O'Dare and Hamilton were arrested together at Bay City, Mich., and returned here after the robbery."

It was while Raymond was running around with O'Dare that he met the latter's young wife. She divorced O'Dare and married Bernet Pitts, a Wichita Falls tailor. She is a sister of Odell Chambless, serving a term for robbery of a bank at Grapevine.

I HEARD—
Henry Thut sneezing loud and lustily as he drove down the street this morning. His enjoyment could be heard for nearly a block.

Hamilton Is In Death Cell

Behind bars again is Raymond Hamilton, Texas No. 2 bad boy, in a picture that brings cheer to the hearts of the citizenry as well as to peace officers of the southwest. Their only hope now is that Clyde Barrow may soon be framed in such a photo.

ROUNDUP FOR SCOUTS OF AREA TOMORROW INCLUDES ATHLETICS AND DISPLAYS OF SCOUT WORK

Parade, Circus, Free Theater Party on Program

PRESIDENT, A. G. POST of the Adobe Walls council, Executive C. A. Clark, and other local officials have completed plans for the second annual Boy Scout roundup and circus which will bring many lads and Scout leaders to Pampa tomorrow.

The day's program will include athletics, displays of Scout work in downtown windows and buildings, a parade, free theater party, and the big circus Saturday evening.

The complete program follows: 8:30 a. m.—Registration at headquarters in city hall; informal gathering to get acquainted, conferences.

9 a. m.—Trophy contests in tennis, baseball, archery and basketball at high school.

12:45 p. m.—Mobilization by troops at gymnasium.

1 p. m.—March to La Nora theater for free show.

3 p. m.—Parade of all troops and Scouts, starting at high school campus, led by McLean band. Troop flags will be massed behind the American flag. The order of march will be scoutmasters, troop committeemen, then Scouts.

See SCOUTS, Page 8.

BETTER WAYS TO MEASURE FARM LANDS STUDIED BY AGENTS HERE

More accurate methods of measuring land than are usually used were studied by county agents here yesterday under the direction of Farker D. Hanna, special agent for the A. & H. extension service.

Those attending included T. R. Brown, Donley; Jack Hudson, Armstrong; M. P. Leaning, Carson; Luther Hunter, Hutchinson; Paul McMeans, Roberts; Jake Tarter, Wheeler; and Ralph R. Thomas, Gray.

Under the plan, angles and measurements are taken in the field and calculations are made in the offices. The agents in turn will instruct farm supervisors, five of whom will be named in each coun-

MESSAGES ARE FORWARDED TO TWO CAPITOLS

CONNALLY AND JONES URGED TO IRON OUT DIFFERENCES

TELEGRAMS from Pampa and other Texas Panhandle cities poured in to Austin and Washington today as residents of this section protested continued delay in working out the long promised highway program for emergency relief in this drought-stricken section.

"If ever swear words were allowed in telegrams," said one Pampa man today, "we would include a number and feel better."

Meanwhile, groceries and barest necessities of life can be issued, but no work given. The only work allowed here now is that of a few small crews which will be permitted to fill up ditches in South Pampa where traffic hazards exist along Highway 33.

Feed, Flour Coming.
Invoices have been received for shipments of a car of feed for subsistence stock owned by men on relief rolls. There will be 200 sacks of mixed dairy feed and 200 sacks of kaffir chops. Cows, chickens, and hogs will consume most of the feed, since work stock cannot be fed with it. The feed will be given at the rate of \$5 worth each month per farm.

Program In Doubt.
AUSTIN, April 27 (AP)—Status of a proposed \$8,900,000 emergency roads program to alleviate extreme conditions in three sections of Texas was in doubt today.

The state highway commission differed with the Texas relief administration in interpretation of federal agreements, and asserted man power offered by the relief commission for projects in 23 Panhandle counties would be sufficient for a maximum of only \$335,000 work.

Gib Gilchrist, state highway engineer, contended federal funds had been promised to supplement a grant of \$2,670,000 of PWA funds set aside for materials to bear the cost of labor. Miss Marie Dresden, director of relief commission, said no federal funds would be available and that labor costs must be borne entirely for state relief funds.

Not Enough Trucks.
A further point of difference was the allocation of the funds for such expenses as truck and team hire. Gilchrist said the federal agreement would have permitted use of 30 per cent, while Miss Dresden declared the state relief act limited to 10 per cent expenditure of state funds for such purposes. She and Gilchrist agreed very few projects would be available for construction on that basis.

United States Senator Tom Connally and Congressman Marvin Anderson of Amarillo have been urged to request Harry L. Hopkins, federal administrator to smooth out the differences.

Inch of Snow Falls at Dumas

An inch of snow fell at Dumas, 41 miles north of Amarillo, last night.

A report of the snow was received by the Santa Fe dispatcher's office here. Scattered flakes fell in Amarillo shortly before 9 a. m.

Light rains, falling from showers to half an inch, fell in the lower Panhandle and on the south plains, from Wellington and Quanah to Lubbock. Boise City, Okla., received a quarter-inch, and showers fell at Texline and Channing.

"Better Blacks" Is Corporation Name

Better Blacks Inc., is the name adopted for the corporation now owning the carbon black plant founded by John H. Mann on the west side of a short distance west of LeFors.

The corporation was incorporated by Mr. Mann, J. B. Bowers, and John F. Sturgeon, the latter being attorney for the firm.

Plans of the corporation are not yet ready for announcement.

Ray's Friend

Mary O'Dare, sister of Odell Chambless and wife of Gene O'Dare, both serving time for bank robberies, has been identified as the companion of Raymond Hamilton. She was arrested in Amarillo and officers laid in wait there for three days waiting for Hamilton to show up. Mary is said to have confessed to being with Hamilton when he robbed a bank at West, Texas, recently. Victims identified her picture. She is known in Pampa.

Junior Class To Show Realistic Drama Tonight

A REALISTIC drama of modern life, the kind of a play that Ben Guill, high school dramatics teacher, is adept in directing, will be presented at the city auditorium at 8 o'clock tonight. Proceeds will be used to finance the Junior-Senior banquet.

Final dress rehearsal last night revealed characterizations as thoroughly defined as those in "Smoke-screen," one-act play which won the regional tournament last week. Students in the cast have been studying under Mr. Guill all year. The rehearsal also indicated that Mr. Guill has many students in his classes who are as accomplished on the stage as those in "Smoke-screen."

The 4-act play, "Attorney For the Defense," deals with such realistic circumstances as a kidnaped girl, a ruthless, scheming district attorney, the "framing" of an innocent woman. However, in the end, the young man triumphs over villainy and wins the hand of the woman he loves.

HIGH SCHOOL BAND WILL PLAY OPEN AIR CONCERT NEXT SUNDAY

Pampa's high school band will offer a varied and interesting program for its first spring out-of-doors concert, which is to be given next Sunday afternoon at the city park at 3 o'clock. The park is now at its prettiest season with its trees all out green. There is a fine carpet of grass. It will furnish a fine setting for the band and a comfortable place for the audience.

The first group of selections includes the "Washington Post March" by the famous march king, John Philip Sousa. Sousa's career as a master of marches started early when he became director of the Marine band at the age of 26 and

Murder at Mocking House

Chapter One
AMBUSH

State Trooper Watson was in anything but an amiable mood. To be vigilant, he had been out nearly the whole of the night before on a special detail that had turned out to be a wild-goose-chase, and now he was tired, chilled and disgruntled. He ran his motorcycle off the macadam road and onto a level patch of hard, frozen ground. Balancing himself on the tilted machine by one out-thrust leg, he pulled off his heavy gauntlets and reached inside his coat. As his numb fingers drew forth the plug of strong tobacco he gazed bitterly around him at the bleak landscape.

"For once the papers are right, it's going to snow," he grumbled to himself, eyeing the gray pall closing

Bremer Kidnap Money Located On Ex-Convict

Children 'Snatched' By Car Thieves at Longview Are Found in Automobile.

TUCSON, Ariz., April 27 (AP)—A Fima county deputy sheriff, who declined to allow his name to be used, said today he understood a contact had been made during the night with the kidnapers of six-year-old June Robles.

The contact, if it was made, was believed to have followed a temporary withdrawal of official and volunteer searchers at 2 a. m., by request of the Robles family.

Members of the family were quoted by investigators as saying they desired to negotiate direct with the abductors, if possible, fearing the little girl's life would be forfeited if the search continued much longer without result.

The unverified report said that Bernward Robles, reputedly wealthy grandfather of the child, had agreed, in communication with the abductors, to pay the \$15,000 ransom demanded.

Members of the family refused to make any statement.

CHICAGO, April 27 (AP)—Arrest of a suspect carrying \$3,000 of the \$200,000 paid for the release of Edward Bremer, St. Paul banker and brewer, from kidnapers several months ago was disclosed here today.

The suspect, William E. Vidler, 34, a reputed ex-convict, was arrested yesterday in a Chicago gambling establishment and has been held incommunicado.

The money found in Vidler's pockets, Purvis disclosed, included \$2,665 in \$5 and \$10 bills identified as part of the ransom money.

LONGVIEW, April 27 (AP)—Two children kidnaped while their parents attended church in Gladewater last night were found unharmed today in their parents' car, which had been stolen by the abductors, beside the highway four miles west of Halstable.

The children, Winnie May Camp, 5, and Beatrice Camp, 7, were sleeping soundly when a Dallas-Shreveport bus driver, Joe Hubbard, pulled up beside the abandoned car to investigate. The elder child told him two roughly dressed men, one armed with a "big pistol," carried them away.

The child said the abductors left the car when it broke down. They had written the road name and officers were trying to pick up their trail through the oil field.

BISHOP ACQUITTED WASHINGTON, April 27 (AP)—

Bishop James Cannon, Jr., and Miss Ada L. Burroughs were acquitted today of conspiracy to violate an election law in the case against Alfred E. Smith. The jury had been out three and one-half hours.

Corn-Hog Data For County Goes To State Board

Records on Gray county corn-hog contracts were sent yesterday to the state board of review at College Station.

One hundred and sixty-four farmers signed contracts, according to County Agent Ralph Thomas. Production is or will be reduced by 2,000 hogs. Payments to result later will bring \$30,000 to Gray county.

Corn will be reduced by 800 acres, and will bring in about \$3,500 more. Forty farmers are in the corn plan. Corn acreage in the county during the last two years has totaled about 2,700 acres.

The county contracts on cotton have been approved at College Station and forwarded to Washington.

Skellytown Gives Praise to Program Taken by Pampans

Much enjoyed was a program presented at Skellytown high school last night by Pampa school talent. The proceeds went to the Girl Scouts of Skellytown.

ONE DEAD AND 2 ARE DYING AFTER FIGHT

SCHOOL HOUSE SLAYING FOLLOWS FAMILY QUARREL

NACOGDOCHES, April 27 (AP)—A gun fight in Seed Tick community last night caused the death of one man and the probable fatal wounding of two others.

Joe J. Clevenger, Jr., 31, was killed outright, eight bullets hitting him. Four struck him in the face and four others tore into his body. Curtis Waggoner, 18, was in a dying condition with several pistol bullet wounds in the body. Tom Looney, 45, was in almost a critical condition with wounds in the abdomen.

The encounter occurred on the highway in front of the Seed Tick community school house and, so far as officers here could learn from reports reaching them, resulted from a family quarrel. Seed Tick community is in the western part of Nacogdoches county.

The sheriff of Nacogdoches county and some deputies started for Seed Tick community to ascertain the facts of the case. They said they had been unable to learn much by telephoning, as residents of the community were reluctant to talk about the shooting.

BISHOP ACQUITTED WASHINGTON, April 27 (AP)—Bishop James Cannon, Jr., and Miss Ada L. Burroughs were acquitted today of conspiracy to violate an election law in the case against Alfred E. Smith. The jury had been out three and one-half hours.

THE DANGER OF DRIFTING

This editorial was prompted by a church announcement in one of our exchanges.

"People are being carried away, like driftwood, from the things of primal importance," says the minister.

The things that are of primal importance today are steady habits and due regard for the welfare of others.

The ship that is securely anchored does not drift. The boat that is anchored is safe and the other boats about it are safe.

Today there seems to be a startling lack of safety; danger is lurking in every direction.

The car on the pavement is not safe. Children on the curb are not safe. Somebody is drifting.

Drifting into habits that may be the ruin of themselves and the ruin of those about them.

Crime is not a thing of the moment. It is the result of giving away, little by little, to the baser elements of human nature.

Habits are not formed in a day. They are the outgrowth of things that once begun are kept up until they gain mastery.

The character formed in youth goes with a person to the grave.

And while a bad man may reform and may become different, he has his early habits to fight and his life is marred by the evil that has become a part of his character.

It is easy to drift into bad habits. Companionship, circumstances, the influence of older people who care for nobody but themselves and the gratification of themselves, and a weakness inherited from one generation to another, have much to do with the formation of character.

The father who has drifted into bad habits should not be surprised if his son follows in his footsteps.

And, more's the pity, the daughter may also be of the same stripe as her father and the beauty of her life is ruined because she also takes of the cup that inebriates.

If you are letting habits that are not good get the better of you, stop. You are in danger. Those about you are in danger.

If you are helping others to form bad habits, stop. Stop before somebody's crime is also your crime.

There is danger ahead. Stop! Look! Listen!—Higgins News.

Hunt For Nelson Dims Search For John Dillinger

FITFIELD, Wis., April 27. (AP)—A man believed to be George (Baby Face) Nelson, quick-shooting gangster of the John Dillinger gang, today was believed in near range of a posse that had tracked him in the northern Wisconsin woods.

The man the authorities think is the machine gunning pal of the elusive Dillinger and who was identified as the gangster who moved down Federal Agent C. Carter Baum when the Dillinger crew shot their way to freedom last Sunday near Mercer, was believed to be making his last stand against the law.

Once during the hours before dawn the "Baby Face" was reported to have been surrounded by federal agents and deputy sheriffs in the desolate wooded area of this section, but as the hours wore on and no further definite trace of the gangster was found it was believed that Nelson might have made good his escape, after all. All sheriffs of the section, however, were beating the woods and side roads to scare him out.

The trail of the Dillinger marksman, who momentarily at least stole the spotlight of notoriety from his chief—who is still being hunted by 5,000 or more officers—was first picked up in the village of Friesland, Flambeau, northeast of Friesland, when an automobile was stolen there by a man the authorities are convinced was Nelson.

Public Speaking Classes Are Still Open to Students

The Emergency Education school is a thing of the past as far as the name is concerned but some of the classes started when it opened here are still continuing in full blast.

The EES uncovered an unusual interest in public speaking. Students who enrolled in that course, taught by Miss Beth Bythe, are still "going to school." The class meets Monday, Wednesday and Friday in the high school at 7 o'clock, and is open to any persons who want to take the course. Miss Bythe said, "It's not too late to enroll," she said. Fundamentals in public speaking are taught, also ample opportunities to practice the art of "soap-boxing" are afforded.

One of the longest known strings of beads, 37 feet, 3 1/2 inches, made of white and red shells, was found in a prehistoric Indian village in Arizona.

FEEDS

From all records available this year on large poultry flocks, statistics show that Merit All-Mash Starter has a livability of not less than 95%. Feed Merit All-Mash starter this year and watch your chicks live and thrive.

SCENES OF HAKODATE FIRE THAT KILLED 1,500 COME TO LA NORA

Scenes of the terrific fire that swept Hakodate, one of the largest towns in northern Japan, are to be seen in the current issue of the Pampa Daily News - Universal newsreel. Graham McNamee, the screen's talking reporter, describes the terrific havoc caused by blaze, which reduced the town to a shambles, killing fifteen hundred persons, in the film at La Nora theater.

Fanned by a 70-mile-an-hour gale, the flames gutted the town as the apparatus attacked the blaze without effect. When finally brought under control the catastrophe left 200,000 homeless and poverty-stricken and caused untold damage. Hundreds fled seaward to escape the flames only to be drowned when they were trapped on the shore.

Other important news events reported by McNamee include exclusive pictures of rioting CWA workers, protesting the loss of their jobs and clashing with police at Minneapolis in a riot which injured 15 persons; the widespread floods in the middle west in which seven lost their lives and forty are reported missing as the waters subside; the Army Day parade in New York as 15,000 troops mark the 17th anniversary of America's entry into the world war; a midget auto, which cost \$9,000 to build takes a trip to the top of the Empire State building in New York and Franklin D. Roosevelt, Jr., out for crew practice with the Harvard freshmen at Cambridge, Mass. Also are the picking of Miss Cuba of 1934 at Havana, Cuba; elephants learning the fine art of bowling at Cincinnati, O., and girl jockeys riding ostriches in a unique race in California, also are shown.

The recently issued sixth report of the United States Geographic Board was the most comprehensive ever published, including about 25,000 decisions upon names, spellings, locations and pronunciations.

Scientists have estimated the earth's age to be three billion years.

For District Attorney—LEWIS M. GOODRICH. State Representative—JOHN PURYEAR, Wellington, EUGENE WOLFE, Shamrock, PHILIP WOLFE, Pampa.

SPAIN IN CHAOS AS DISORDERS, STRIKES MARK NATION'S CRISIS

By REX SMITH, Associated Press Foreign Staff. MADRID, April 27. (AP)—Monarchists seized upon the governmental crisis today for an attack on the young republic while bombs boomed defiance to enforcement of a nationwide state of alarm. For the third day, the country was without a cabinet. President Alcalá Zamora, struggling to halt a rising tide of disorders, promised formation of a new government before nightfall. Grave difficulties confronted him. Some factions clamored for the reappointment of Alejandro Lerroux, who resigned with his cabinet Wednesday, but there was bitter opposition. The premiership was offered to Martínez de Velasco, the Agrarian party chief. He turned it down. The expectation was that if the president could not assure peace through formation of a government acceptable to all major groups he would himself resign. Some advisers contended that only a left republican government could "prevent a revolutionary uprising of the masses." Others urged the dissolution of congress and new elections for a "complete new start."

Monarchists, in a note deploring the crisis, declared "the situation had no parallel in the worst days of the monarchy." High excitement prevailed at word from Zaragoza—now in the 25th of a general strike—that another bomb explosion had resulted in serious injuries to three persons. There were reports of widespread similar displays of violence. At Guadalajara, 215 prisoners began a jail hunger strike after the release under Spain's new amnesty law of 20 political prisoners.

"It Helps Me!"

That's what 98 out of 100 women say after taking this medicine. It quiets quivering nerves, gives them more strength before and after childbirth, aids them over Change of Life... makes life seem worth living again.

MINORITY REPORT HITTING SENATE MARKET BILL IS DRAFTED

3,200 Entered In Penn Relays

PHILADELPHIA, April 27. (AP)—Thirty-two hundred athletes from 500 institutions start feet flying, bodies soaring above the ground and missiles flying through the air today in the athletic kaleidoscope that makes up the Penn relays.

The field of entrants is the largest in the forty years of the University of Pennsylvania's relay carnival. Eighty-seven events are listed.

Among those scheduled to arrive today is Glenn Cunningham, the "Kansas cyclone," who will try to reassert his supremacy over Gene Venzke on the Penn flier's own track in a special mile race Saturday.

One hundred and seventy-seven New York City policemen were awarded "certificates of honor" recently by the Humane society for rescuing animals.

Women! Accept This Offer At Your Favorite Grocery

YOUR CHOICE

... any one of 8 PIECES in Friendship patterns Wm. Rogers & Son guaranteed silverware ABSOLUTELY FREE with the coupon below and a sales slip from your grocer showing that you have purchased a 48-lb., 24-lb., 12-lb. bag (or two 6-pound bags) Carnation Flour. Start your set of this beautiful Friendship pattern today.

Once you try Carnation Flour, you will go on using it always... because it is so dependable! Flour of the very highest quality milled from choice wheats... and absolutely uniform. It never varies... always acts the same satisfactory way. Tests show that 90% of all baking failures are caused by variations in the flour. In the Carnation Flour Kitchen, a kitchen much like yours, home cooking expects bake pies, cakes, breads and cookies, with samples of each day's grind of Flour, to prove its uniformity. Only flour that bakes perfectly is sold.

Economical to use. No variations to cause ruined bakings, loss of other more expensive ingredients, waste of time and labor. Try Carnation Flour!... you are sure to like it.

COUPONS IN ALL CARNATION FLOUR SACKS For Complete Sets of This Same Silverware

Now you can build a complete set of Wm. Rogers & Son Silverware, all eight pieces named above, in the beautiful Friendship pattern... by saving and redeeming the silverware coupons packed in all sacks of Carnation Flour. This offer good for 2 weeks only.

SENATE PLANS TO PASS BILL WITHIN WEEK

MAJORITY REPORT IS FILED BY SENATOR FLETCHER

By NATHAN ROBERTSON

WASHINGTON, April 27. (AP)—A new attack on the stock market control bill, in the form of a minority report, took shape today within the senate banking committee.

The minority statement was being drawn in reply to a majority report which held that the projected federal regulation of markets was "essential" to sustained prosperity.

Senator Walcott (R-Conn.) disclosed that the minority report was under draft but said it had not been definitely determined whether it would be filed. Eight members of the committee voted against the bill and it was recorded for it.

Senator Fletcher (R-Iowa) disclosed that the minority report was under draft but said it had not been definitely determined whether it would be filed. Eight members of the committee voted against the bill and it was recorded for it.

The majority report filed yesterday by Chairman Fletcher found federal legislation necessary because self-regulation by the exchanges had proved unsound. Referring to exchange authorities, the report said:

"Their adherence to the view that manipulation, pool activities, and the creation of illusory 'price mirage' are proper and legitimate, except where certain technical violations of their rules are involved, is inconsistent with the type of regulation the public interest demands."

The committee cited the speculative boom last summer as evidence that "the country has learned little from the catastrophe of 1929."

Discussing the proposal for regulation of margins, the committee reported "many thoughtful persons have taken the view that the only way to correct the evils attendant upon stock market speculation is to abolish margin trading altogether."

"The committee," it said, "has deemed it unwise to adopt a measure calculated to abolish margin trading because of the deflationary consequences which might follow."

"Nevertheless, it feels that the time has arrived to remove the control of credit in margin transactions from the hands of those, who, by reason of their self-interest, are least qualified to administer such control—the stock exchanges and their members."

Chairman Rayburn of the house interstate commerce commission planned to seek permission from the rules committee to get his measure up for debate next week.

FIGHTS LAST NIGHT

By The Associated Press

Dallas, Tex.: Davy Barry, 121, St. Louis, outpointed Henry Hook, 123, Indianapolis.

Billy Hallas To Wrestle Fenton On Monday Night

A Greek and a Canadian in a small space may not be congenial, as it may be brought home to Pampa fans Monday night at the Pampa auditorium when Billy Hallas, Greek wrestler, meets Rod Fenton, Canadian wildman, in a main event wrestling match.

Fans of this area have seen both grapplers operate against some of the best wrestlers in the country, and they will also be first to see the two on the mat together. Billy Hallas has a complex. He believes that the entire world is against him when he steps through the ropes. He may be right in his belief because he has been the victim of the roughest maulers in the game today.

Fenton doesn't have any complex unless it is the belief that he is the best grappler in the world. He is rough, tough and mean, but he will be meeting a mauler of his own type in Hallas. In fact, Hallas might be just a little trickier than the Canadian. Hallas likes to get a headlock and then shove a finger in the windpipe, under cover, of course. He also has a number of other tricks up his sleeve.

The Canadian is confident that he can take care of himself. He believes his drop-kick will subdue the Greek, and if it doesn't, Fenton reports "he has some other fine tricks ready to show Hallas and Pampa fans."

Fenton is anything but popular here, but that doesn't worry him in the least. He thrives on abuse.

Pat Garrison, Pampa oil man, has promised to wrestle with Eddie McMillan of Greeley, Colo., in the semi-final of the Pampa event. He is not a roughhouse mauler but a scientific grappler and Garrison has agreed to let him prove it to Pampa fans in the main event last week. McMillan declared after the bout that he didn't know how to get rough.

Sailor Morgan of Childress will meet Wildcat Willie of LeFors in the preliminary.

PHILLIES WIN FIRST BATTLE FROM CHAMPS

CINCINNATI REDS ARE VICTORS OVER CUBS

By HUGH S. FULLERTON, Jr., Associated Press Sports Writer.

With the first failure of a Cub starting pitcher to go the route Chicago's 7-game winning streak that opened the National league season in sensational style has come to an end. And, oddly enough, the only flinger who has pitched consistent ball for the Phillies wound up that club's seven-game string of defeats at the same time.

The Cubs met their Waterloo yesterday facing the Cincinnati Reds, a former "jinx" which has been thoroughly dissipated by five heatings so far this season. Charley Root ran into a streak of wildness in the second and had to give way to Bud Tinning, but even then it took a ninth-inning homer by Sunny Jim Bottomley with one on to earn Cincinnati a 5-4 victory. Previously Chuck Klein had walloped his fourth homer to help Chicago take the lead.

Fidgety Phil Collins, who had held the New York Giants to four hits in his first start, came right back at them with a five-hitter to pitch the Phils to their first triumph, 3-2. Egan Allen's homer in the sixth spelled the winning run.

Pitching also dominated the other two National league games as the Boston Braves turned back Brooklyn 2-0 in a duel between old Tom Zachary and young Emil Leonard in which each allowed six hits and Bill Hallahan's six-hit flinging aided the St. Louis Cardinals in a 10-1 triumph over Pittsburgh. Spud Davis' homer in the seventh with two on ended a flinging argument between Hallahan and Ralph Birkoff.

A big shakeup at Washington, which brought a 10-7 victory over the Boston Red Sox, furnished the high spot of the American league's three-game program. Manager Joe Cronin benched Ossie Bluege, Buddy Myer and Johnny Stone in favor of Cecil Travis, Bob Boken and Sheriff Dave Harris, and up with a combination that scored eight runs in the first two innings and pounded four flingers for 15 hits.

Vic Sorrell's expert five-hit hitting and some timely hitting by Hank Greenberg gave Detroit's Tigers a 2 to 1 triumph over the White Sox and sent them back into first place. A pair of rookies, Joe Casarella and Frank Hayes led the Athletics to a 3 to 2 victory over the Yankees. Casarella pitched three-hit ball.

After relieving Roy Mahaffey in the fifth while Hayes batted in the winning tally with a double in the ninth.

The Cleveland-St. Louis encounter was rained out.

Sharpness of razor blades is tested with a device in which piles of several hundred are subjected to reflected electric light beams, defective ones causing variations in the intensity of the light.

An international fair will be held at the Rio de Janeiro in the fall in celebration of the first century of the political organization and self administration of that city as the capital of Brazil.

Germany Would Force America To Buy Goods

BERLIN, April 27. (AP)—German financiers were ready to place before the nation's creditors today in formal conference a problem they admittedly cannot solve themselves—how to pay what Germany owes in foreign debts.

At three o'clock this afternoon representatives of long-term and short-term creditors will meet officials of the Reichsbank to thrash out the matter.

Through Dr. Hjalmar Schacht, president of the Reichsbank, Germany's position already has been made clear.

He pointed to "boycott agitation against German goods," tariff barriers, the dwindling of world trade to one-third its volume in 1928 and currency devaluation by the United States and Great Britain as making increasingly difficult the payment of Germany's debts.

The largest share is owed to United States bondholders.

The only solution, he said, was the raising of Germany's foreign volume and "the willingness on the part of creditors to meet us on the matter of interest rates, the postponement of redemptions and the like."

Financial experts reduced from the tenor of Dr. Schacht's remarks that he would not hesitate to ask for a complete transfer moratorium.

Churchill Downs Race Season To Open on Saturday

LOUISVILLE, Ky., April 27. (AP)—The annual spring meeting at Churchill Downs opens tomorrow with the mile and a sixteenth Clark handicap for older horses, sharing interest with the six-furlong South Louisville purse for three-year-olds, offered as a tune-up for Kentucky Derby eligibles.

Pair of Gallant Sir, handicap star of Norman W. Church's Northway stable, to arrive at the Downs leaves Col. E. R. Bradley's entry of Bungoo King and Broker's Tip, both Kentucky Derby winners, the probable public choice for the \$2,500 added Clark handicap, a race as old as the derby itself.

Another tightener for derby eligibles will be offered Tuesday in the preparation purse, a mile race more commonly known as "the derby trial." The South Louisville and the preparation will give turf followers a more accurate line on the condition of western hopefuls for the \$30,000 added derby May 5.

Exports of motor boats and internal combustion marine engines from the United States increased 40 per cent in number last year compared with 1932, Brazil being the chief purchaser of boats and Canada of outboard motors.

ONLY JAPS DREAM OF NEW ASIA RUN BY JAPAN, ASSERTS BRITON

By ALBERT W. WILSON
(Copyright)
By The Associated Press
LONDON, April 27. (P)—A British authority's answer to the "Asia for Asiatics" doctrine came today from a source close to the British Indian administration.

Japan, the authority said, may dominate China by force and may gain some influence in Siam through intrigue—though this latter is doubtful—but she will never exercise even minor influence in India and other areas of Southern Asia.

"Asia for Asiatics" is rapidly becoming the slogan of all eastern peoples, he added, "but only the Japanese conceive of this new Asia as being run by Japan."

The authority attributed the popularization of the slogan to Japan's rise to power and imperialistic expansion.

A doctrine of "Asia for Asiatics" under the leadership of Japan; acting in close collaboration with other Asiatic powers," has been enunciated officially by the Tokyo government through Masayuki Yokoyama, consul general at Geneva.

No official reply, it was made, but the answer given the Associated Press was represented as accurately reflecting the views of the British Indian administration.

The informant described as "utterly fantastic" any possible Japanese aspirations to an extension of influence over India and other Southern Asiatic areas.

Even if independent of Great Britain, India would never permit Japanese influence, he asserted. First of all the authority went on, the Indians are Aryans more similar to Europeans than northern Asiatics.

Second, the Indians have a deep distrust and suspicion of the Japanese as a result of commercial contracts.

Third, India's greatest problem is to raise the standard of living and this means she must fight Japan industrially; and,

Fourth, Hinduism has "swallowed up" every other Asiatic cult with which it has come in contact and the Moslem minority remaining in India now has been saved only by British intervention.

Leroy Parmelee Begins Recovery From Operation

NEW YORK, April 27. (P)—The world champion Giants' pitching "big four" had become a threesome today as Leroy (Tarzan) Parmelee, fast-ball right-hander, began a recovery from an emergency operation for acute appendicitis.

Stricken ill suddenly at Philadelphia a few hours before he was slated to pitch against the Phillies, Parmelee was brought hurriedly to New York and underwent an operation for removal of his appendix late yesterday afternoon.

Although Parmelee's case was acute, Dr. Harold Kelley, club physician of the Giants, said the pitcher had stood the operation well and, barring unforeseen complications, should make a rapid recovery. He will not be able to rejoin the club, however, until mid-summer, if then.

The loss of the young right-hander comes as a major blow to the Giants in their campaign for another National League pennant. Carl Hubbell, Hal Schumacher and Fred Fitzsimmons now will have to shoulder most of the pitching burden while Manager Bill Terry attempts to develop novices.

Max Chipman, former New York taxi cab driver, today faced a trip to Boston for trial as the alleged "finger man" in the abduction of Herman P. Rutstein, October 11, 1932.

Chipman, sought by Boston police since Rutstein was accidentally discovered five days after he was kidnaped and held for \$40,000 ransom, was surprised by officers at a night club here last night.

Max dropped a dice game he was playing and started to ease his way out. Detective Lieut. George V. Augusta and Detective Joseph Decker, both of Boston, and Kansas City officers followed. When he reached the sidewalk, Lieut. Augusta said: "All right, Max."

Max took another step. "I'll blow your head off," warned Decker.

Max turned. "You got me," he said, "you got my fingerprints, haven't you?" Searched for weapons, Max surrendered a .38 caliber revolver, its wooden grip contained two notches.

Mackerel Arrive Early Off Island On Texas Coast

GALVESTON, April 27. (P)—Spanish mackerel schooling off Galveston Island several weeks ahead of schedule, has resulted in the local deep-sea fishing season getting an early start. Because of unusually mild weather along the coast, the mackerel began appearing late in March in contrast to early May in other years, and a number of large catches have been made.

Old salts and commercial fishermen of this section predict the season will be a good one. It isn't, the signs are all wrong.

Numerous bayous and bays in the vicinity of Isaac Walton plenty of action the year-round, but it is not until the mackerel arrive that interest begins to pick up in the deep-sea sport. Sportsmen are attracted here from all parts of the southwest and practically every week-end sees scores of parties fishing in the nearby waters of the gulf.

The "big run" of mackerel, which lasts several days, is expected to start any day. The fish, however, remain here until fall when they seek warmer waters.

Not all of the sport is provided by mackerel for the silver king, or tarpon, also has a large following. Extra large ones are occasionally caught—sometimes by the surf fishermen.

Red fish, pompanos, speckled trout, red snappers, and Jewfish are a few of the other species which are caught in large numbers. Indications are that they will all be fairly plentiful this summer.

Pioneer Killed With Own Gun By Comanche Chief

THORNDALE, April 27. (P)—A primitive grave stone in what is known as the "old Lackland cemetery," a half mile south of the San Gabriel river and inscribed "Peter Mercer, born Dec. 25, 1807; killed by the Indians, June 17, 1884," marks the resting place of one of Milan county's earliest pioneers.

The stone, a slab of native sandstone, suggests a table top on edge although its dimensions of four feet in width and 5 in height make it short the proportions of a circle. It stands on a hill with the inscription facing away from the grave and overlooking the San Gabriel river valley.

Merced, guided by "Mustang" Gray, noted Indian fighter under General Bowie, moved his family into this region in 1827. They erected a fort with a stockade approximately a quarter of an acre in area on the high south bank of the river for trading and protection against hostile Comanche and Lipan Indians.

The area was a grassy plain broken with groups of great pecan trees and, according to legends and stories handed down by pioneers, was the scene of many conflicts between the white settlers and Indians.

Pete Mercer was fatally shot with his own gun June 17, 1884, by "Mad Fox," chief of a Comanche tribe, who seized Mercer's rifle while he was standing unarmed at the front of the fort. Another version attributes his death to a fall from the high bluff to the river but it has been established that his body lodged in a vine a few feet below the edge of the bluff and his death by shooting is generally accepted.

Thousands of Indian relics have been found on the side of the river opposite the location of Mercer's fort. This has led historians to believe that in their sanguinary contests the Indians mobilized on one side of the stream and their white foes on the other.

Nature outlived the handiwork of the pioneers. The steep bluff and a spring remain as Mercer and Gray found them when they marked this line of the southwest frontier.

Dairy Show Will Be Held May 12 At Texas A. & M.

COLLEGE STATION, April 27. (P)—A demonstration classification of the college dairy herd and a contest among students of dairy husbandry in fitting and showing animals will be two features of the second annual spring dairy show to be sponsored May 12 at Texas A. & M. college by the Cream and Kow Klub, student organization of dairy husbandry students at the college.

As the initial work in preparation for the show, 25 students have selected their calves which they will fit and prepare for exhibition in the show.

Three nationally known dairy judges will help conduct the show. Prof. J. W. Pitch of Kansas State university will classify the college Holstein-Friesian herd; Prof. C. H. Staples of Louisiana State university will classify the Jersey herd and J. W. Ridgway of Fort Worth will judge the student show.

All facilities of the college dairy husbandry department also will be open for inspection throughout the day. These men all are members of the official type classification committees of the two breeds represented in the college dairy herd.

FORMER TEX LEAGUE STAR IS SOX' HITTING SENSATION

Red Bluff Dam Will Irrigate Seven Districts

SAN ANGELO, April 27 (AP)—Work should begin on the Red Bluff dam project within 30 days, is the belief of H. E. George, civil engineer and surveyor who recently finished surveying the shore line of the lake that will be formed.

Field notes are being completed and the seven irrigation districts that form the parent corporation that is building the dam have elected directors. About 600 men will be employed.

Deeds are being signed by the property owners whose lands will be inundated, Mr. George said. None of the deeds, however, permit reservation of mineral rights. The lake will cover the remains of many tests for oil that failed.

The lake will have a shore line of 50 miles in Texas and extend three or four miles into New Mexico. It will be 6 miles wide at point of greatest width and some places will be 150 feet deep. Two thirds of the lake will be deep water, Mr. George said.

The dam will be 6,000 feet long. An estimated 3,000 horse power of electricity will be produced at the river while 36 giant siphons will pour water into the river which will be used as a distribution canal to the irrigation districts in Loving, Reeves, Ward, and Pecos counties.

The dam and lake will be so constructed that in extreme floods the water will not rise more than one foot above the maximum shore line.

Federal funds are to be available as soon as the deeds to the land are signed. The dam will cost \$2,600,000. The town of Red Bluff, which started from nothing, now has 100 houses.

The lake will submerge in 40 feet of water mysterious old Fort Pope, about which little is known. A massacre of white men by Indians took place there but old settlers in the region know little of its history. In 1871, a water well was drilled. When the fort was deserted soldiers polluted the well to make it useless for their victors.

For Bonura's sake I am glad he got out of the Texas league because another season of night baseball would have ruined him, Morse said. "Zeke is a big league day-time baseball player without a single weakness at the plate. At night, like thousands of others, he is just a man in a uniform. Flood lights have ruined more major league prospects than anything I know of. Night ball would have ruined Bonura, but not now for that 'baby' is up where they play under old Sol's burning rays and believe me he is due to stick around a long time."

Spring Training For Gorillas To End Wednesday

The spring training period for Gorilla football prospects will end Wednesday afternoon with an intra-squad game. Then for a week and a half Harvester prospects will practice. Their period of spring training will cease either May 11 or 12 with a big scrimmage against the ex-Harvesters.

Coach Odus Mitchell will call his ends and backs on Monday afternoon but will not issue a call for the rest of the squad until Thursday afternoon. The backs and ends will practice in shorts until Thursday when they will be issued uniforms along with the rest of the boys.

This practice session will be serious. It will be all work and no play. Coach Mitchell will know the boys who have been breaking training and he will not forget next fall when the season opens. Hard scrimmages and long hours of practice will be the order during the entire period.

It may be that several changes will be made during the schedule. The changes will be compulsory if ineligibility of one of the boys is established. The coach has not released the changes contemplated. They will be startling, he intimated yesterday.

Coaches and several members of the team were to go to Amarillo this afternoon to see the Sandies meet the ex-Sandies in an exhibition game.

Waste Oil In East Texas Is Hearing Topic

SHERMAN, April 27 (AP)—The East Texas oil field reclamation plant controversy reached Federal court before Judge Randolph Bryant here yesterday when F. W. Fischer, Tyler attorney, stated the case of the plant operators in their application for an injunction against the state railroad commission. The plant operators ask that the commission be restrained from charging "waste oil" they take from tank bottoms and creek beds and ditches against the allowable of the lease owner.

"Some make a practice of creating this waste oil, don't they?" Judge Bryant asked.

"Well, I don't know," Fischer replied. "If they do, it is the commission's fault. The persons doing it can be found if the commission is on the job and their employees are in the field instead of sitting under the trees at Kilgore."

Neal Powers, of the state attorney general's department, arose from sick bed to attend the hearing. Asked by Judge Bryant why he made the trip while ill, he replied: "I thought the people were entitled to a hearing."

The illness of Neal Powers shortly before noon, ended scheduled hearings on the reclamation oil suits. Judge Bryant excused himself from the bench and took Powers to a doctor. When he returned, he announced he would hear both sides of the case "as soon as Mr. Powers is able to attend court."

Judge Bryant had heard the statement from Fischer before he recessed. He did not indicate whether he would hear the suits here or in Tyler.

For tamping concrete used in highway construction the New Jersey highway commission is using two air driven vibrators mounted on a plank which two men handle.

18 Champs Are To Compete In Drake Relays

DES MOINES, Ia., April 27 (AP)—Fair weather and a colorful entry list combined today to honor Major John L. Griffith, founder of the event, upon the silver anniversary running of the Drake Relays.

Relay officials predicted the "largest opening day crowd" in the 25 years of the classic as 3,000 athletes from 17 states made ready to assault the records.

Among the outstanding performers are nine men who hold 18 national championships, and it is from them observers expect the major assault on the records.

Besides Duane Purvis, Purdue, national collegiate javelin champion there are: Ralph Metcalfe, Marquette's great dash man; Jack Torrance, Louisiana shot putter who heaved the brass ball for an unofficial mark of 55 feet in a practice toss at Springfield, Mo., on his way here; Ray Sears, of Butler in the two-mile event; Glenn (Slats) Hardin, Louisiana (State murderer) Heye Lambertus, hurdler from Nebraska; Nathan Blair, Louisiana javelin thrower; Vincent Murphy, Notre Dame high jumper; and Jimmy Luvall, I. C. A. A. A. 400-meter title holder from the University of California branch at Los Angeles.

The daily attendance at moving pictures in America has been estimated at 11,500,000.

A ban on dancing, in effect since the school was founded many years ago, recently was lifted by the trustees of Lenoir-Rhyne college at Hickory, N. C.

During March, factory employment in New York state gained 3.3 per cent over February, more than double the average increase for the period in the last 15 years.

A. A. U. W. INSTALLS OFFICERS AT AN INFORMAL GUEST PARTY

SEXTET FROM CANYON IS ON THE PROGRAM

REGIONAL CONFERENCE REPORT MADE BY MISS MAY

OFFICERS for next season were installed by the American Association of University Women in a guest meeting last evening at the city hall club rooms. Mrs. Bruce Pratt is the new president, succeeding Mrs. J. B. Massie.

Mrs. Ben Slower took office as first vice president, Mrs. Roy Wallenstein as second vice president, Mrs. T. H. McDonald as third vice president, Mrs. Marvin Lewis as treasurer, Miss Madge Husk as recording secretary, Mrs. Lamar Jones as corresponding secretary, Mrs. W. Purviance as parliamentarian, Miss Sue Smaling as publicity chairman, and Mrs. Ewing Leech as representative to the Council of Women's clubs.

Report Is Feature.

The report of Miss Fannie May on the regional conference which she attended at St. Louis last week was a program feature. Appearance of a woman's sextet from West Texas Teachers college, Canyon, was another interesting program number.

The sextet includes Elizabeth Faulkner, Florene Bowman, Lucy Jo Lauder, Rue Warren Marion Hill, and Ruth Wells, with Royce Park as pianist, and Mrs. Brigham as leader. Piano solos were played by Lilla Beth Burroughs.

Numbers by the sextet were Song of the Persian Captive, Daniels, Serenade, Von Suppe; The Star, Rogers; Sweetheart Land, Huerter; Gianna, Ma. Primi; The Clock, Grant-Schaffer.

Contests directed by Miss Violet Durrett opened the program. The winner was presented with a ticket to the basketball tournament which the association will sponsor Monday and Tuesday as a benefit for its scholarship fund.

A complete treasurer's report for the year was presented by Miss Charlotte Embry, who has served in that office.

Only four times a year does the sun reach the meridian at exactly 12 o'clock.

Baker Faculty Is Entertained With Picnic by P-T. A.

Sand, fried chicken and ice cream in ideal proportions for a picnic marked the outing at which the executive board of B. M. Baker Parent-Teacher association entertained faculty members yesterday.

Hosts for the picnic supper at Hoover were Mr. and Mrs. W. G. Irving, Mr. and Mrs. H. T. Cox, Mr. and Mrs. J. A. Meek, Mmes. Cecil Lansford, G. B. Carmack, J. M. Miller, Roy Holt.

Special guests were Supt. R. B. Fisher, Mrs. Claude Lard, and Mrs. Virgil Castle of Ferris, former Baker teacher. Faculty members present were Walter Hurst, Herman Jones, Mmes. J. P. Arrington, B. G. Gordon, A. J. Johnson; Misses Beatrice Drew, Clarice Fuller, Bernice Larsh, Julia Shackelford, Inoc Snodgrass, and Martha Williams.

Club Score Prize For Playing Last Month Is Awarded

Mrs. Nell McCracken was hostess to La Femme club Thursday. An animal contest was held, with Mrs. W. H. Dennis as winner. A prize was awarded to Mrs. C. S. Alexander, who had high score for the past month. She also scored high yesterday.

Refreshments were served in a green and orange color scheme. Place favors were Japanese roses, salad, sandwiches, and omelette were served to Mmes. Alexander, Dennis, I. F. Cordell, and the hostess.

DOCTORS ADMIRE THIS LAXATIVE

To banish headaches, dizziness and other constipation ills, doctors regularly prescribe the laxative ingredient used in Feen-a-mint, the modern, pleasant-tasting, chewing gum laxative. Feen-a-mint acts more promptly, thoroughly and satisfactorily, for it is gently released into the intestines by chewing, thus giving a "full" more natural action. Feen-a-mint is pleasant to take, but contains no richness to upset the stomach or diet. Feen-a-mint is the modern development from old-fashioned, unpleasant-tasting, habit-forming, bow-elabusing laxatives. Does not interfere with duties. "Delay" is dangerous—chew Feen-a-mint for constipation. 15c and 25c at druggists.

ROUNDUP PLAN HERE IS SAME AS LAST YEAR

HEALTH PROGRAM IS STARTED OVER COUNTY

SUMMER health roundup plans are being made by Parent-Teacher associations in schools of the county, preparing for physical examination of pre-school children so that defects discovered may be corrected during the summer and the pupils may be ready to enter school in the best possible health.

The roundup in Pampa will be conducted this year as it was last summer, with each child going to his own family doctor. Announcement of plans in McLean, for examinations May 2 in the Baptist church, as it appeared in The Daily NEWS yesterday, may have been misleading and those interested in the roundup are requested to note the correct arrangements in their community.

All doctors of Pampa cooperate in giving examinations for this annual event. Parents have only to take their children to a physician on the dates designated. No definite announcement of dates has been made.

The program at McLean will be in charge of doctors and dentists there, and Miss Ethel Cockrell, Red Cross nurse. Several county schools have already conducted their roundup examinations, with assistance of Miss Cockrell and cooperating doctors.

M. E. FIDELITY CLASS

Dear Lil, Meet me at Young People's forum Sunday evening. The subject is Letters. We are asked to bring a letter we have treasured. I'm going to take the one Uncle George wrote me when I graduated from high school. It's a wonderful letter. How about you bringing one of those love letters you have hidden away? Ralph Irwin is going to read the letter Abraham Lincoln wrote to his wife when he proposed. Era Smith will sing. Ruth Palmeter is leader so I know it will be good. Forum is always interesting. Be sure to meet me there at 7. Yours, Lib.

FEATURES FOR REVIVAL TODAY ARE ANNOUNCED

Children Will Give Bible Drill, Men Will Sing

Several interesting features are scheduled for tonight in the meeting at the First, Christian church. There will be a chorus of men again tonight and the special will be arranged by the men. Mr. Reeves has been training the boys and girls in a Bible drill. Tonight Horace Mann school band will play beginning at 7:30.

Last night the Sam Houston band played and the verdict of all was that the boys and girls were exceedingly well trained and their selections were enjoyed.

Last night the junior department filled the choir loft and sang well. Miss Mary Ellen Carey sang the solo, "The Sweet Voice of Old." She has a sweet, voice and sang the solo in a manner that people appreciated.

The sermon subject as presented by John S. Mullen last night was "The Confession." He asserted that there are several ways in which the Christian church is different from other churches and one way is in taking the confession of faith in Christ when a person desires to become a Christian. The minister gave the reason for taking this confession—"I believe that Jesus is the Christ, the Son of the living God," by quoting a number of scripture passages, Romans 10:9-10, says, "If thou shalt confess with thy mouth the Lord Jesus, and shall believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." Mr. Mullen contended that when a man makes this confession that he accepts the fact that Jesus Christ is the teacher of great truths; that in confessing the Christ, we affirm that he is the High Priest; further that Christ is the King of Kings and the Lord of Lords; and that he confesses the creed of the church, "I believe in the church," asserted the minister is, "Jesus is the Christ."

The speaker also contended that when Jesus predicted the fact that he would build his church, that the truth the church was built on was the fact that Jesus is the Christ. He further said that all down the ages this confession has been going on. Said he, "God confessed Jesus as his beloved Son; Jesus Christ made this confession before Pilate; also John the Baptist, Paul, Peter, Stephen, James, and John confessed Jesus as the Christ. Every church history also shows that this confession was made," asserted the minister. And in conclusion the joy in heaven over the sinner who repents and confesses Christ was pictured.

At the close of the sermon there were four people who confessed their faith in Christ and were immediately baptized.

Mr. Mullen urged the members of the church and Bible school to work for a big attendance in the Bible school Sunday morning. The aim is over 500 in attendance, he said.

Neighboring County Invites Visitors to Singing Convention

PANHANDLE, April 27.—The Carson County singing convention will meet at the Methodist church in Panhandle Sunday, April 29, at 1:30 p. m. Everyone is invited to attend. Singers are expected from Potter, Hutchinson, Carson, Gray, Armstrong, Roberts, Randall and Moore counties, and from New Mexico and Oklahoma.

John F. Taylor of Clovis, president of the plateau singing convention, plans to attend. The Melody Boys, a popular male quartet, will be present.

A special invitation is given to all singing organizations to be present and enjoy the singing, and to take part in the program.

The Tennessee Valley Authority plans to establish two nurseries near Norris, Tenn., for the study of trees and shrubs native to that section.

Refinery Helps Build City

The Danciger Refineries, Inc., East of Pampa is an institution of Distinct Value to Gray County; Refiners and Distributors of Roadrunner Brand of Gasoline, Kerosene, Fuel Oil, Distillate, and Kerosene Products. Earl C. Roff, Manager.

The history of progress in any community or city in the United States that has made any progress of note, invariably shows that the growth or expansion can be attributed to manufacturing industries. With few exceptions wherein climate and natural resources have been the contributing factors, the towns and cities which have forged to the front as leaders in their part of the state and which have become prosperous communities, have had alert and progressive business men who pioneered in various manufacturing industries.

In this respect Pampa is fortunate in having the Danciger Refinery, a concern which is one of the leading oil refiners in Texas. This concern refines and wholesales Roadrunner brand of gasoline, kerosene, fuel oil and distillate. All of these products are the equal or superior of similar products refined and shipped in by other companies. Roadrunner gasoline is retailed locally at a number of filling stations where you will be extended all the

Growth of Bible School Is Aim in Nazarene Revival

Revival services now in progress at the Nazarene church are proving of unusual interest, the pastor announces. Rev. D. W. Simpson of Hinton, Okla., is the evangelist.

Opening services last Sunday were attended by the largest congregations in the history of the church here. Rev. Simpson was here in a meeting during the holidays, one of the most successful ever conducted in the church.

REV. D. W. SIMPSON.

Present meetings will continue to May 20. Special efforts are being made to build up the Bible school. A rally has been announced for May 20, when special music will be heard and a group picture will be taken. A prize is being offered to each pupil that enrolls during the next three Sundays. Members hope for a record crowd on the rally day. The Nazarene church is located at 823 W. Francis, in the old Moose hall. The public is invited to attend the revival and other services.

Busy Skellytown Week Sees Trips And Club Party

SKELLYTOWN, April 27.—Mrs. Mabel Marti entertained the T. N. T. Sewing club last Thursday afternoon in the home of Mrs. Henry Paulsen. The afternoon was spent in sewing, and at the close refreshments of apple pie a la mode and coffee were served.

Those present to enjoy the afternoon were Mmes. Wayne Sutton, Bill Campbell, Wesley Black, Howard Simmons, Henry Paulsen, Conally, J. C. Jarvis, and the hostess, Mrs. Sutton will be hostess next week.

Personals.

Earl Gunter of Allison was a visitor here Monday. Mrs. Layburn Fulton and Mrs. Ruby Murphy shopped in Pampa Monday.

Misses Edith and Madge Cooper, Dorothy Steele, and Mrs. Ruby Murphy visited in Pampa last Saturday evening.

Ray Bowden spent the week-end with his parents near Pampa. Mr. and Mrs. Jim Summers made a business trip to Amarillo Saturday afternoon.

Mr. and Mrs. Harry Sherrieb spent the week-end in Hereford with friends. Bert Norville of LeFors was a visitor in the community Sunday afternoon.

Mrs. Carl Williams, who has been under treatment in a Pampa hospital, was able to come home this week. H. A. Johnson of Amarillo was here on business Monday. Miss Lucille Cooper of near Pampa visited her sisters here Sunday. Mmes. Joe Miller, Ed Pachett, and Jack Probst shopped in Amarillo Wednesday.

Lester Morrow and Roy Wilson of Borger transacted business here Tuesday evening. Edward Fields of Pampa attended to business here Tuesday.

H. D. Club Women Of County Attend Wardrobe School

A school of instruction for wardrobe demonstrators and cooperators in all home demonstration clubs of the county is being conducted today at McLean. Miss Ruby Adams, county agent, is in charge.

Work is on foundation patterns, following the instruction received from a state wardrobe expert in a recent school for demonstrators. The meeting today is in the sewing laboratory of McLean high school.

Calvary Baptist Church to Start Revival Sunday

After preliminary songs and prayer services that have continued all this week, a revival will open in Calvary Baptist church Sunday with Evangelist King of Wellington in charge.

A large crowd is expected at Sunday school, according to the minister, J. L. Ratcliff. Services will be at regular hours Sunday, and evening services will continue through the two weeks revival at the usual time. The hour for morning services during the week will be made later.

Pastor and congregation of the church invite visitors to the daily meetings.

Two-Table Party Is Given Members Of J. U. G. Group

J. U. G. bridge club was entertained this week at the home of Mrs. C. D. Windom, who served a delicious refreshment course of angel food cake, strawberries and whipped cream, and iced tea after the games.

Mrs. R. A. Rankin won high score for members, Mrs. J. T. Grogan low, and Mrs. E. C. Cooper a guest favor. Other players were Mmes. H. N. Clay, H. L. Nellis, L. L. McGee, and J. W. Logan.

Look Young With Mello-glo

Beautiful women, admired for youthful complexions, use MELLO-GLO, the new wonderful French process face powder. Purest and smoothest powder known. Stays on longer. No flaky or pasty look. No grime or grit. Prevents large pores and never smart or feels dry. Blends naturally with any complexion. Demand MELLO-GLO. 50c and \$1. (6)

County Rule Is Topic for H. D. Club at Merten

Mrs. T. L. Sirman was hostess to Merten Home Demonstration club at her home yesterday, and Mrs. Fred C. Fischer was leader of a lesson on county government.

Mrs. A. Phillips, secretary, read the club constitution and by-laws to members. Mrs. A. C. Enloe was elected delegate to the county home demonstration council after the resignation of Mrs. Fred Berry.

Present were Mmes. Taylor, Smith, Baily, Phillips, Enloe, Ford, Fischer, Lavery, Browning, and the hostess.

Girls Hear Plan For Summer Camp

Camping plans for the summer were outlined to Girl Scouts of troop five in their meeting this week. Miss Opal Cox, Girl Scout leader here, talked of the Scout camp near Amarillo, where several of the girls plan to spend a part of the summer.

Members planned a hike for Saturday. Wilma Willis and Mary Lynn Schofield were appointed as an arrangements committee. Others present were Jackie Hurst, Hazel Bath, Dorothy Thomas, Martha Price, Mattie Brown, Ruth Mullinax, and the captain, Mrs. C. C. Wilson.

Try The NEWS' classifieds.

Pampa Students Receive Honors

Two Pampa students at West Texas Teachers college, Canyon, were honored when members of the Lloyd Green Allen chapter of Alpha Chi, national scholastic society, presented their shingles in a recent college assembly.

H. L. Ledrick, Jr., highest ranking member of the freshman class, was presented a copy of Carl Sandburg's "Abraham Lincoln" as an award for his scholastic accomplishments of the year.

Miss Dorothy Clark, a junior student, was one of the students receiving a shingle from Mrs. Edna Graham, national president of Alpha Chi.

It has been estimated that 822,000,000 copies of the Bible or part of it have been printed and circulated since the invention of printing.

EXTRA! EXTRA!
GLORIOUS NEWS!
FOR 10,000,000 JAM-MAKERS

NEW PRODUCT GIVES 66% MORE JELLY!

Yes, Sure-Jell—a revolutionary pectin product—gives 2/3 more jelly or jam from the same amount of fruit than you would get the old long boil way . . . and better tasting jelly, too.

JELLY makers! Here's the most extraordinary jelly-making aid you've ever seen!

Sure-Jell gives you more jelly. And it assures you perfect jelly every time. An ideal "set." Clear. Firm. And with all the real flavor of the ripe fruit itself.

Such jam, too! The first time you taste it you'll scarcely believe that any jam could taste so very delicious. In fact, that's why you buy Sure-Jell on a money-back guarantee. See offer at left.

Sure-Jell saves you time, of course! Only 1/2 minute boiling is needed for jelly. Only 1 minute for jam. And you get exact, easy-to-follow recipes inside every package.

Remember! "Sure-Jell" is what you ask for—the new powdered pectin. Two packages for only 25¢. A Product of General Foods.

SURE-JELL GUARANTEES

- Two-thirds more jelly than the old-fashioned method.
- Perfect results every time from any fruit.
- Real fresh fruit flavor, color and texture.
- Only 1/2 minute boil for jellies and 1 minute for jams.

MONEY BACK OFFER!

Buy two packages of Sure-Jell. If Sure-Jell does not do all we claim for it, we will do it. We will take back the entire container and the unopened package back to you, good. We will refund the full price, of both packages of Sure-Jell, and we will reimburse him.

TIRED BANK BANDITS ARE CAPTIVES AFTER TREK IN SWAMPS

MONEY TAKEN IS RECOVERED FROM YOUTHS

TRIO CAPTURED WHILE WADING IN SLOUGH NEAR HIGHWAY

PINE BLUFF, Ark., April 27. (AP)—Willing captives after trudging thru miles of Arkansas swamp lands in a futile fight from posies, three men accused of robbing the Merchants and Farmers bank of Dallas, Ark., rested in jail today.

"We were ready to quit," said J. O. Hillbrand, 24, of Little Rock, one of the weary trio. "I'll bet we walked 48 miles through these swamps."

Hillbrand and his companions, William Cantrell, 18, of Harlan, Ky., and Thomas Richmond, 26, of Conway, Ark., were overtaken near here last night.

A city marshal was wounded as the robbers fled after the holdup. Officers said \$815 of the \$934 taken in the robbery was recovered from the trio. They were held for a hearing May 2 on bank robbery charges.

The bandits fled with the cash after locking officials in the vault, but a minister passing along the street saw the robbery in progress and spread the alarm. Then men were captured by Deputy Sheriff John Elliott and Charles Kirk, accompanied by Lon Bugh, a merchant of Tama, as the searching party stopped to rest on a roadside embankment and saw the fugitives wading along the edge of a slough below them.

Fellowship Class Will Have Dinner

Wives will be guests of their husbands at a banquet in the First Baptist church at 7:45 o'clock tonight.

It will be a session of the Men's Fellowship Sunday school class. Officers will be installed, with Mrs. F. E. Leach in charge of the ceremony.

An excellent program has been arranged by E. C. Link. A full attendance of the class is desired.

More than 140 large American business firms use a 13-month calendar.

THOMPSON LOSES TO SPEEDY RYAN IN HIT-CLINCH AFFAIR

Parris Whips Averdon; Jim Perry Wins Exciting Fight From Perryton Slugger

Speedy Ryan, popular little New Mexico boxer, won a 10-round decision over Jack Thompson of McAlester, Okla., in a hit-and-clinch affair at the Pla-Mor auditorium last night. Thompson was somewhat of a disappointment to Pampa fans, who expected to see a colorful boxer and puncher. Instead, Thompson held on and clinched until Ryan was unable to get loose.

Jim Perry, Fort Sumner, N. M., won a wild and woolly affair from Dick Hedgespeth, Perryton, in the semi-final. Hedgespeth bore into the big bluntnose from the second round but he couldn't match Perry's hammer-like blows. Hedgespeth has short arms and it is only when he gets through the opposing guard that he becomes effective. He weathered many blows to get close, and several times rocked Perry.

The bout that stole the card was the special event between Chief Eugene Parris, Oklahoma City, and Harry Averdon, Wichita, Kan., which ended abruptly in the second round when Averdon went down for the second count of the round. The first stanza opened with Parris rushing and Averdon countering. The Indian "got the range" in the second round and before half a minute had passed, Parris had Averdon on the ropes where he connected with rights and lefts.

Averdon took the count of eight as he fell from the ropes. He was hurt badly but he returned game to box Parris for a minute. The Indian, however, worked Averdon in to the ropes and connected with a right to jaw and a left to the head which put Averdon down for the full count.

Joe Palacio, Roswell, N. M., was too big and had too much experience for Ignacius Fernandez, Fort Sumner, N. M., in the opener and Palacio won by a technical knockout in the fourth round. The youngster put up a wild swinging battle against Palacio.

The first two rounds of the main event were "feellers" and then Ryan opened up with a nice attack. Thompson, long and rangy, wrapped his arms around Ryan every time he came close and his rushes were ineffective. Ryan brought blood from Thompson's nose in the fourth round and won it by the blood margin.

The fighting became livelier in the

18 HOME RUNS BY JUNE 1 IS FOXX'S GOAL

HOPES TO BREAK BABE RUTH'S RECORD OF 60 FOR YEAR

BY EDWARD J. NEIL, Associated Press Sports Writer.

NEW YORK, April 27 (AP)—If you don't care to worry along through the closing days of September adding up Jimmie Foxx's home runs and wondering if he'll break Babe Ruth's record of 60 in one season, here's a short cut.

Put a ring around June 1 on your baseball calendar.

"If I have 18 by then," says the burly better of the Athletics, "I'm on my way. I'll make it. If I'm under 18, well . . ."

Jimmie shrugs his wide shoulders and grins cheerfully. He's only 27 years old with years of slugging still ahead of him. He hit 58 in 1932, two shy of the Babe's great mark. It would seem as though adding two homers to that output shouldn't be too tough a task for a fellow who was that close once. But it's far from simple.

"You have to have every break in luck," Jimmie explains. "You've got to be in there swinging in every game. I always get away to a slow start and have to make up ground late in the season. One minor injury will ruin everything."

Jimmie has suspicions that the American league ball this year isn't as fast as the National league whippers. It seems that they're still using balls in the American league that were manufactured last season and they don't seem to vanish with the celerity of the National league balls that were rushed into manufacture when uniformity was decided upon last winter.

He has an idea, too, that the 1934 pennant race in the American league will wind up in a mad scramble. "The Yanks look good, sure, but I don't think they're as strong as last year with those Kids Rolle and Heffner in the infield. And the Senators, why they might not even finish in the first division. They look like they're still suffering a hang-over from the licking the Giants gave them."

Convicts Kidnap 2 Officers And Escape Prison

SAN QUENTIN, Calif., April 27. (AP)—Two desperate convicts, heavily armed, today held the fate of two kidnaped policemen in their hands.

The pair, Wanda T. Stewart, 29-year-old robber, and Walter H. Wyeth, 40, robber and forger, escaped from San Quentin prison yesterday after slugging a guard.

They fled in an automobile in which the policemen had been seeking them. Arms known to be in the possession of the convicts included three revolvers, two rifles, a shotgun, a hunting knife and many rounds of ammunition. Except for one pistol taken from the prison guard, the weapons were in the police automobile.

Summoned by the prison alarm, Officers A. M. Dewey and Phil Lecorne of San Rafael found the convicts hiding in a freight yard where they had fled after hearing and binding their guard, Charles L. Green, who was assigned to watch a gang of prisoners at work outside the walls.

Kenneth Wulbern, service station attendant, said the convicts suddenly leaped on the running board of the police car and the machine drove away with Dewey at the wheel.

Both of the convicts were serving five-year to life sentences.

There are 148 forests under administration of the federal government.

NAMES OF PLAYERS IN AAUW CAGE TOURNAMENT RELEASED

Six Teams To Compete for Trophy Next Monday and Tuesday in Local Gym.

Starting lineups in the A. A. U. W. basketball tournament to be played Monday and Tuesday nights at the high school gymnasium are being kept deep, dark secrets by most of the entries. Proceeds will go to the scholarship fund with which annually some girl is sent to college.

Six teams will participate in the tournament. Teams will be entered by the Kiwanis club, Lions club, Rotary club, and Junior chamber of commerce in the men's division, and the A. A. U. W. and a team in the women's division. The two women's teams will play both nights, with each game counting a half game in the standing.

Captains of the civic club teams will get together and draw for opponents on the first night. Winner will meet winner and loser meet loser on the second night.

The A. A. U. W. team has been named by Mrs. Ben Ferris, captain. The starters will be Miss Angela Strnad and Mrs. E. L. Norman, forwards; Miss Madge Rusk and Mrs. Bruce Pratt, centers; Mrs. C. C. Wilson and Mrs. Henry Thut, guards.

Mrs. Ralph Thomas, captain of the Town team, has 10 players ready and all will see service. She has not definitely decided on a starting sextet. Mrs. Thomas will play center and will have Mrs. Ruth Sewell and Mrs. Glen Sheehay available for the same position. Forwards will be Mrs. Grace Bell, Mrs. Claude Lard, and Mrs. S. A. Burns. Guards ready will be Mrs. W. G. de Cordova, Mrs. Ruby McMahan, Miss Juanita Montgomery, and Miss Lorene Weir.

The Jaycees will select a team from Jack Back, Russell Kennedy, Fred Lamb, Carl Sturgeon, Dan McNaughtan, Burl Folan, Bill Boren.

GALVESTON IS LEADING TEXAS PENNANT RACE

OKLAHOMA CITY DROPS THIRD STRAIGHT TO CATS

BY BILL PARKER, Associated Press Sports Writer.

Manager Billy Webb piloted his Galveston Buccaneers into first place yesterday in the Texas league pennant race with a win from Beaumont, 2 to 1. Harry Gumbert gave the Buccaneers the second straight game of the series when he limited Beaumont to five hits while his mates pounded out sixteen. Dick Freitas was allowed to pitch the route in spite of the heavy Galveston bombardment that included six doubles.

The Oklahoma City Indians dropped to second place for the first time since the season started when they lost their third consecutive game to Fort Worth, 10 to 1. For Worth bunched 11 hits in the last three frames for a clean sweep of the series. Rufus Meadows had the Cats baffled for five innings, not a batter reaching first, but he received poor support and finally cracked. Peaches Davis pitched a commendable nine-hit game for Fort Worth.

Payne and Chambers were "cousins" to the San Antonio Missions, who trimmed Houston 6 to 4. The Missions connected for 11 timely blows off Payne and Chambers. Abe Miller held Houston to seven hits and pitched exceptionally well in the pinches.

The Dallas Steers made it three straight over the Tulsa Oilers, 8 to

NEGROES PLAY BALL AS WELL AS ACT FUNNY

ROADRUNNERS WILL BE OPPOSED BY B'ACK SPIDER NINE

The baseball menu for the weekend is colorful, to say the least. The Danciger Roadrunners will meet the Amarillo Black Spiders tomorrow afternoon at 3 o'clock and again Sunday afternoon at the same hour.

The Black Spiders are headquartered in Amarillo this spring, but they are not Amarillo negroes. The team came north less than a month ago. It was assembled in the south part of the state and went through a month of spring training near San Antonio.

The usually worth the price of admission, but most of the teams can really play baseball as well. The Spiders were noosed out by one run in Borger two weeks. They defeated the fast Tucuman team Sunday and came back by way of Dalhart to win another game.

"We are taking that bunch of ball players seriously," Manager Aaron Ward of the Roadrunners announced yesterday at practice.

"I have come across some of the players on the team and I know how good they are. The Spiders have two pitchers that are of big league caliber and several other positions are in the hands of real stars."

The Roadrunners have been practicing faithfully following their two hard tussles against Phillips Oilers of Borger last week. There are many wrinkles to be smoothed out.

Theater tickets purchased from federated club women for motion pictures this afternoon or tonight will add to funds for the state federation clubhouse at Austin. Women of Pampa federated clubs are helping the observance of state woman's day.

Only tickets sold by the club women will benefit this fund. Events federated clubs in the city is aiding in ticket sales.

Mrs. Dick Walker is in charge of woman's day observance for this district, and Mrs. Ralph Dunbar has directed the observance in Pampa.

MARKET BRIEFS

NEW YORK, April 27. (AP)—There were a few firm spots in today's stock market, but the list, as a whole, backed and filled without getting anywhere in particular.

A fair rally in commodities failed to create any noticeable enthusiasm and dullness ruled throughout the session. The close was steady and transfers approximated \$50,000 shares.

Table with 4 columns: Commodity, Price, Change, and another Price column. Includes items like Am Rad, Am T&T, Anaconda, etc.

"We are taking that bunch of ball players seriously," Manager Aaron Ward of the Roadrunners announced yesterday at practice.

The Roadrunners have been practicing faithfully following their two hard tussles against Phillips Oilers of Borger last week.

Ticket Sales to Theaters Today Aid Club Women

Theater tickets purchased from federated club women for motion pictures this afternoon or tonight will add to funds for the state federation clubhouse at Austin.

Women of Pampa federated clubs are helping the observance of state woman's day.

Only tickets sold by the club women will benefit this fund. Events federated clubs in the city is aiding in ticket sales.

Mrs. Dick Walker is in charge of woman's day observance for this district, and Mrs. Ralph Dunbar has directed the observance in Pampa.

Petitions to Urge Bridge in Gray

Petitions urging construction of a bridge over either the North Fork or McClelland creek to permit oil field traffic to the new development in eastern Gray and western Wheeler counties are being circulated in Pampa and the oil fields.

Meanwhile, county commissioners are improving the roads and trying to keep approaches to the nearby dry streams usable.

Official Inspects Local Fire Drills

Pampa firemen last night demonstrated their knowledge of fire fighting and life saving to Chief G. F. Williams of College State, field instructor of the state firemen's drill school, who was here on an inspection visit.

Chief Clyde Gold's boys went through the routine as taught by the drill school. The drill included strapping hose, throwing water, overhauling equipment, life saving, and artificial respiration.

Keys to Police Station Found On Gang Moll

LOS ANGELES, April 27. (AP)—A report that keys to the Hollywood police station had been found in the possession of Evelyn Prechette, alleged aide of John Dillinger, stirred police in the movie city today.

The Times said keys found in the woman's possession had been tried by department of justice agents in the locks of the police station and that they fitted the door to the detective bureau and "other strategic places."

Joseph Dunn, in charge of the department of justice agents here, declined to comment.

Alex Rainouard of Monroe, La., is here visiting his parents, Mr. and Mrs. George Rainouard for a few days.

P. C. Heffer of Skellytown was in Pampa visitor last night. Mrs. John Shannon of Phillips shopped here yesterday afternoon.

CHURCHES

FIRST CHRISTIAN CHURCH John S. Mullen, minister. Corner E. Kingsmill and N. Stark-weather Streets.

Our evangelistic meetings come to a close Sunday night. We are expecting three great services Sunday. At 9:45 a. m. we want to have 500 in the Sunday school.

At 11 a. m. the morning church worship begins. The Lord's supper is observed in this church every Sunday. The subject of the sermon will be "Four Monuments" Sunday night, the sermon subject will be "Midnight Songs." Every one is invited to our services.

M. E. YOUNG PEOPLE A. L. Patrick served icy bars and doughnuts to officers of the young people's department Wednesday night. Thus inspired they planned big things for Sunday.

Delegates to the district meet at Memphis May 5-6 were elected as follows: Lawrence McBee, Raymond Palmittier, Burton and Mildred Tolbert, Harriet Hunkapillar, Steve Goodwin, Katherine Pritchard, Geo. Lane, Irene Brewer, and alternates.

Worship will begin promptly at 9:45 Sunday morning. Each teacher and pupil is requested to be on time. League at 7 p. m.

FIRST METHODIST Gaston Foote, minister. Sunday school, 9:45 a. m. Morning service, 10:55. Sermon by the pastor, on "The Peril of Worshipping Jesus." Music includes an anthem, He Leads Us On, Holton, by the choir, and a solo, O Divine Redeemer, by Mrs. E. R. Jones.

Evening service, 7:47. Sermon subject, "What Youth Is Asking." Anthem, Now the Day Is Over, McConoughy. Number by a young men's quartet.

FIRST BAPTIST CHURCH Corner Kingsmill and West Streets. The pastor will preach at both hours Sunday. Bible school, 9:45 at 9:45, training service at 6:45, and evening worship at 8.

Sunday morning's subject, "Man's Rules vs. God's Principles." Evening, "Roads That Do Not End." A cordial welcome at all of these services.

An active Christian fellowship and a definite Christian program are the aims of this church.

MEN'S BIBLE CLASS Meeting at 8:45 Monday, a. m. "Christ's Mother and Brethren" will be our lesson and an introductory to the parables. Some of the fellows fell from grace Sunday but interest in the class was not lessened. The officers are anxious for every member to be present.

Class Officers.

HOPKINS SUNDAY SCHOOL Christ's Standard of Greatness is the lesson subject Sunday. The Bible study aim is to learn about the ambitions of James and John and what Jesus told his disciples about true and false ideals of greatness.

Mrs. Abernathy acted as superintendent last Sunday, explaining the lesson clearly. Beulah Owens led the singing and Miss Hamrick the prayer.

Attendance increases each Sunday. The goal is 100 present. Sunday school begins at 9:45. A mothers' day program is being planned by Mrs. Bert Fitzsimmons and Miss Nan Crouch. A cordial invitation is extended to you to attend.

CENTRAL BAPTIST CHURCH Sunday school begins at 9:45 a. m. under the direction of Supt. G. C. Stark. Preaching at 11 a. m.

Mrs. T. S. S. Preaching at 8 p. m. Our pastor, Rev. Vernie Pipes, will leave Friday and go to Sumnerfield, Texas, where he will conduct a two weeks revival meeting.

In his absence Rev. Lee Miller will fill the pulpit Sunday morning and evening. If you are not attending some other church, or encumbered with cares that cannot be avoided, we earnestly and cordially invite you to come and worship with us.

FULL GOSPEL TEMPLE 500 South Cuyler. H. E. Comstock, pastor. Sunday school, 9:45. Classes for all. We had a record attendance last Sunday with 174 present. We hope to reach the 200 mark this Sunday. Will you help us?

Preaching, 11 a. m. Christ Ambassadors, 6:45 p. m. Preaching, 7:45. The revival conducted by Evangelist Wallace J. Ross continues this week, ending Sunday night. The Lord is confirming his word with signs following, in that some 20 have been to the altar for salvation and eight have been baptized with the Holy Ghost, speaking with other tongues as the spirit gave the utterance.

We invite you to attend all services.

MEN'S FELLOWSHIP CLASS First Baptist Church. Our class is growing each Sunday in numbers and interest. Ours is a class where you are never a stranger. We invite men to meet and worship with us.

At 9:45 Sunday morning we render the following program: Songs, He Leads Me, and the Cross Alone; scripture, by three men; prayer, E. S. Jamison; song, I Need Thee; scripture, by four men; assignment, Harvey Downs; Why They Served, Dr. Paul Owens; song, The King's Business; Self-Denying Service, E. C. Link; introduction of new members and visitors. Dr. Schuyler.

T. L. Anderson, Sec.

CHRISTIAN SCIENCE SOCIETY 901 North Frost. "Probation after Death," is the subject of the lesson-sermon which will be read in all churches of Christ, Scientist, on Sunday, April 29.

Class Officers, New Members, Guests at Party

Honoring officers and new members of the Methodist Fidelity class, Mrs. Gaston Foote, teacher, entertained with a buffet supper Tuesday evening. The rooms were fragrant with laces and bridal wreath in tall baskets.

The hostess led her guests to a table laid with lace over lavender, centered by a lavender basket of sweet peas, where they were served tuna fish salad in lettuce cups, potatoes, artichoke, hot rolls, iced tea, and dessert.

Officers conducted their April business meeting, which they tried to make a model business session. Each gave a written report of work accomplished in her department, and plans for May.

Among projects of this class of young business women are: A mother-daughter banquet for May 12, under direction of Hermine Stover; tennis and baseball teams in charge of Erle Smyth and Georgia Ford; membership drive directed by Alice Gordon; mission activities supervised by Lillian Mullinax, who reported that the crippled child he helped by the class is much improved. Joan Ragsdale, work on the secretary's book and records was complimented.

To close the meeting the members clasped hands in a friendship circle, offered prayer, and sang "Living for Jesus."

Those present were the four new members for April: Misses Faye Gillespie, Florence Oates, Johnson, and Emma Pottee; and Okalee Whitfle, Alice Gordon, Jean Ragsdale, Idelle Cox, Hermine Stover, Ila Pool, Georgia Ford, Bonnie Patton, Clarice Fuller, Lillian Mullinax, Virginia Dwyer, Ruth Palmeter, Era Smyth, Mrs. C. W. Foote Jr., and Mrs. Gaston Foote.

MADONNA CLASS Madonna class of Central Baptist church met with Mrs. W. I. Hughes Tuesday afternoon. Members present for the regular business session were: Misses Jerry Lockard, George Berlin, J. B. Holloman, Ben Seibold, E. V. Davis, Earl Phillips, and Hughes. The next meeting will be on May 1 with Mrs. Holloman.

BAND

(Continued from Page 1) numbers on a program in certain ways. The band will play in the way of march music. The other three numbers in the group as "Castle Chimes" a gavotte by Hildreth; "A Night in June," a serenade by K. L. King, which is, according to Director H. Walbratenstein, the most tuneful waltz that the band has in its library, and "Zacatecas," a Mexican number which is often played by the national band of Mexico.

The band will play "Largo" by Handel, a religious contribution. Handel is better known for his "Messiah" and other oratorios; however, he is equally as proficient in writing music for instruments as he is in writing it for voices. His music has all of the grandeur and majesty of old gothic cathedrals for which it was originally written and in which it is generally played. This composer has to his credit over 40 operas, 26 oratorios, and a long list of cantatas, sonatas, and anthems. He is a deeply religious and a difficult number.

For the first time in any of the band concert programs, they are presenting a group of novelty numbers. This group is certain to please. It consists of "Barium and Bailey Favorite" (circus march by K. L. King); "Mary Had a Flock of Sheep"; by Yoder; "Jolly Copper-smith," a humorous march featuring the Anvil chorus by Peters; and "Jolly Good Fellow" (the only tune the band could play) played first as a Street Parade, second as concert in the "Opry," third as a Saturday night dance, fourth as at a funeral and fifth as at a home talent minstrel show.

The program includes "Tota," a Valse de Ballet by Weidt, and "S. I. B. A. March" by R. B. Hall. Those taking part in the concert will be: Trumpets—Roger Townsend, principal, Vinton Roberts, Harriet rate, Tom Sweetman, Robert Lee Banks.

Clarinet—Turney Mullinax, principal, Virgint Roberts, Harriet Hunkapillar, Paul Schneider, Madge Townsend, Ann Sweetman.

Trombones—Charles Frazee, principal, Ella Pate O'Keefe, Robert Mann, John Lawson.

Horns—William Gillstrap, principal, Charles Peger, Gerald Maxie. Drums—Junior McIntrath, principal, Jess Allison, William Bratton, Sousaphone—Wayne Larsh.

The golden text is: "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die" (John 11:25, 26).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Behold my hands and my feet, that it is I myself; handle me, and see; for a spirit hath not flesh and bones, as ye see me have" (Luke 24:39).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all natural conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave. Jesus was 'the way'; that is, he marked the way for all men" (page 46).

Sunday, 11 a. m. Sunday school, 9:30 a. m. Wednesday, 8 p. m. The reading room is open Monday, Wednesday, and Saturday from 1 to 4 p. m. and Wednesday evening before and after services. The public is cordially invited to attend our services and see the reading room.

PAMPA TOPICS OF OUR CITY

(Continued from Page 1)

ceived as anything different from the troubles at hand. Today it is different. Conditions have improved until it would be possible to slip back disastrously. Business and industry has been given a shove upward. Now they must get up their own steam. Business is "on the spot," as the Washington writers view it.

THE government wants business to make profits. Uncle Sam has lent billions to business and will wish the money to be repaid. Uncle Sam must have taxes to support the new deal and the public works and relief programs. Taxes can only be paid out of profits in the long pull ahead.

Individualism will suffer and is beginning to determine that profits are made. Business, large or small, that cannot exist without price cutting and undermining of NRA principles will be allowed to die. Individualism will suffer and is beginning to determine that profits are made. Business, large or small, that cannot exist without price cutting and undermining of NRA principles will be allowed to die.

Laten Stanberry New Supervisor Of Oil Division

AUSTIN, April 27. (AP)—Laten Stanberry, head of the gas utilities division of the Texas railroad commission, today was appointed chief supervisor of the oil and gas division.

Stanberry succeeds R. D. Farber, recently made chief administrative officer of the commission in its drive to curb the flow of illegal oil in the East Texas field.

Olin Culbertson, chief examiner in the gas utilities division, was named to succeed Stanberry and Captain E. N. Stanley, formerly in charge of oil proration enforcement officers in the East Texas field was appointed chief engineer of the valuation department of the oil and gas division, a new position.

G. W. Boykin has just completed the remodeling and enlarging of the Pampa Fruit and Vegetable market and has stocked a complete line of groceries and fresh meats.

The building is now three times as large as the original one with new fixtures in both the grocery and meat departments. A poultry department is also operated.

The market is located at 204 North Cuyler street.

Adult Education To Be Continued; Back Pay Assured

AUSTIN, April 27. (AP)—Receipt of \$486,000 federal funds to continue Texas' emergency education program was announced today by Miss Marie Dresden, Texas relief director.

The fund will be used to provide normal terms for school in towns of 5,000 population or less and to re-instate certain adult education, vocational and nursery classes.

Miss Dresden said teachers who worked after April 1 when some of the projects were temporarily ended, would be given their back pay in a

International Sunday School Lesson

BY DR. J. E. NUNN

General Topic: Christ's Standard of Greatness.

Scripture Lesson: Matt. 30:17-26. 17. And as Jesus was going up to Jerusalem, he took the twelve disciples apart, and on the way he said unto them:

18. Behold, we go up to Jerusalem; and the Son of man shall be delivered unto the chief priests and scribes; and they shall condemn him to death;

19. And shall deliver him unto the Gentiles to mock, and to scourge, and to crucify; and the third day he shall be raised up.

20. Then came to him the mother of the sons of Zebedee with her sons, worshipping him, and asking a certain thing of him.

21. And he said unto her, What wouldst thou? She saith unto him, Command that these my two sons may sit, one on thy right hand, and one on thy left hand, in thy Kingdom.

22. But Jesus answered and said, Ye know not what ye ask. Are ye able to drink the cup that I am about to drink? They say unto him, We are able.

23. He saith unto them, My cup indeed ye shall drink; but to sit on my right hand, and on my left hand, is not mine to give; but it is for them for whom it hath been prepared of my Father.

24. And when the ten heard it, they were moved with indignation concerning the two brethren.

25. But Jesus called them unto him, and said, Ye know that the rulers of the Gentiles lord it over them, and their great ones exercise authority over them.

26. Not so shall it be among you; but whosoever would become great

among you shall be your minister; 27. And whosoever would be first among you shall be your servant; 28. Even as the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.

Golden Text: The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.

Time: March, A. D. 30, in the closing months of Christ's ministry. Place: Perea and Jericho. Parallel Passage: Mark 10: 22-52.

Introduction

The standard of true greatness was set forth by Christ in the present lesson. He was on his way to Jerusalem for the last time. Crucifixion Week was only a few days ahead. He was in Perea east of the Jordan, excluding his ministry there. Almost the last thing he did was to make the third forecast of his approaching death by crucifixion and to give his second rebuke of ambition in the apostolic circle. Thus he taught an impressive and still vital lesson of greatness through sacrificial service.

"It is always our peril that we hunger for place more than for character. These disciples wanted to be great and prominent; the Lord wanted them to be pure and good. They longed to be Prime Ministers; the Lord purposed that they should be glad to be ministers, working contentedly in an obscure place. They wanted to be the King's cup-bearers; he offers them to drink of his cup. They call for sovereignty; he asks for sacrifice. They seek a life of getting; he demands a life of giving. Through self-sacrifice we pass to our throne."

Faithfulness In Little Things.

"Many people's great difficulty in thinking of serving God is that they feel that there is nothing great or heroic that they can attempt, and so they lose the noble opportunities which each recurring day brings with it. But if there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not" (2 Cor. 8:12). And if God sometimes denies us the larger spheres of service after which we long, this should only make us the more earnest and faithful in the performance of the work that is lying right before us. Our Lord himself has taught us that "he that is faithful in a very little" — he that turns to the best possible account the little time, the little opportunities within his reach — is faithful also in much" (Luke 16:10). He is preparing himself already for the higher glory that will one day be his." — Rev. George Milligan.

The Ambition of James and John vs. 29, 31

The request of ambition was made right after the Lord's prediction of his sufferings, death and resurrection. "Then came to him the mother of the sons of Zebedee with her sons," Zebedee was the head of a prosperous fishing firm on the shores of the Sea of Galilee. His wife was Salome who was probably a sister of the mother of Jesus. Their two sons, James and John, were among the first of the disciples of Jesus and they had time and again been admitted to special intimacy with him as at the resurrection of the ruler's daughter and on the Mount of Transfiguration. Did the two sons enlist their mother in making this request or did she prompt them to join her in it? At any rate the three came to Jesus with an indistinct idea of his Kingdom. They evidently thought that the sufferings he had foretold were simply the valley of humiliation out of which he would emerge to the sunny heights of power beyond. Could they not by reason of their

station in life and their relation to Jesus expect preferment in his Kingdom?

Mistaken Greatness: Station

The two brethren in their ambition were clearly mistaken in their idea of greatness since they identified it with station rather than service, although they were willing to render any service that might be required. However, the very statement of their desire caused a ripple of anger among their associates. Is it not always true that ambition becomes angry at ambition?

Worldly Greatness: Rome

The peak of worldly greatness had

To Wed Actor

station in life and their relation to Jesus expect preferment in his Kingdom?

Mistaken Greatness: Station

The two brethren in their ambition were clearly mistaken in their idea of greatness since they identified it with station rather than service, although they were willing to render any service that might be required. However, the very statement of their desire caused a ripple of anger among their associates. Is it not always true that ambition becomes angry at ambition?

Worldly Greatness: Rome

The peak of worldly greatness had

been reached by the world empire of Rome. As a matter of fact the Roman eagle hovered over the Holy Land as he did over practically every land in the time of Christ. In such an empire men were reckoned great according to the authority they could exercise. "Their great men make them feel their authority" (Weymouth). We think of golden thrones and shining crowns and royal radiance around the seat of power, while underlings and outsiders are made to toil in sweaty field or grind in dismal prison house or fight or fall on far frontiers.

Christian Greatness: Service.

There is such a thing as Christian greatness; but the mount of eminence lies in the field of service. Let those who aspire to become great know that "whosoever would become great among you shall be your minister." Let those who desire primacy in position under the reign of Christ know that "whosoever would be first among you shall be your servant." So it is that "greatness in the eternal Kingdom is not a matter of rank or birth or favor; it is a matter of service. It cannot be bestowed as a favor; it must be won. And the mark of the great man in the Kingdom is not that he has multitudes of people waiting upon his beck and nod, but that he himself is everybody's minister and servant."

Divine Greatness: Sacrifice

In his own person Jesus was and ever remains the eternal example and illustration of what he said. He is the greatest earth ever knew, because by life and death he rendered the greatest service.

"The Son of man came." He was born of the Virgin Mary. He proved himself the Son of God. Undoubtedly the Word was made flesh and dwelt among us.

"The Son of man came to minister." He laid aside a brighter crown than earth could offer. His business among men was to serve them. And none ever served our sinful race as he did.

"The Son of man came to give his life." That was the climax of his ministry. But for that he would have been a great prophet and healer and citizen—nothing more. With that, he was the world's Saviour and Sovereign.

O Lord, I pray that for this day I may not swerve By foot or hand from thy command, Not to be served, but to serve. —Babcock.

STOREY RE-ELECTED

TOPEKA, April 27 (AP)—W. B. Storey of Chicago, former president of the line, Myron C. Taylor of New York and Joseph E. Otis of Chicago were re-elected members of the board of directors of the Atchison, Topeka and Santa Fe railway company at the annual stockholders' meeting here today.

Three men at Warrenton, N. C., have engaged in their own private poker games regularly since 1866.

In Ohio, March employment gained 4.5 per cent over February, reports to Standard Statistics company indicate.

Trotsky Is Still Hiding in France

BARBIZON, France, April 27 (AP)—Leon Trotsky, has been spirited away from his forest villa near here. He is in hiding pending word from some other country willing to accept him.

The Russian exile's secretary revealed that both Trotsky and his wife fled, but declined to say where they went or when.

It is understood, however, that French authorities, who have ordered Trotsky out of France, helped him make his secret plans and were guarding him pending his departure.

Trotsky's baggage and 15 cases of books were carted away for storage in Paris today.

MURDER AT MOCKING HOUSE

BY WALTER C. BROWN

(Continued from page 1)
But before he could complete the maneuver the crushing car came hurtling by, the sole occupant crouched over the wheel like a man racing against death.

The State Trooper's whistle sounded in frantic blasts as his motor roared into action and he darted after the reckless driver. Somewhat to his surprise, his shrill warnings were heeded. The car ahead came to a swaying, screeching halt, with brakes squealing and skidding tires scoring the road.

Officer Watson sallied majestically alongside the driver and rested one foot on the running board. The car was a gleaming brown coupe of expensive make, with an unusually powerful motor under its hood. The window at the left was down, despite the nipping chill of the air, and the driver's head and shoulders projected, awaiting the Trooper's approach.

Watson saw a distinguished-looking gentleman of early middle age, his fine, clear-cut features graced by a meticulous moustache and goatee. His face was vaguely familiar to the Trooper, but the license-plate on the machine bore no sacred numerals.

However, the Trooper did not bring forth any of the time-honored greeting between traffic officer and speedster, such as, "Say, where d'you think you're going?" or "Where's the fire?" Instead, he flipped open his little book and produced a pencil stub from the band of his cap. "Well, Mister, what's the story this time?" he inquired with a deceptive show of patience.

The driver's reply was as calmly uttered as his heavy and labored breathing would permit. His cheeks were whipped with color and his exhaled breath formed a frosty vapor in the air. "I was shot at, officer. Ambushed, about two miles back on that road. Look at the

windshield!"
He climbed out stiffly and stood in the road while Watson stared in astonishment at the glass plate. A bullet had certainly winged its way through there at an angle that must have missed the driver's head by the narrowest of margins.

"There were three shots before I pulled out of range," the driver explained. "That first one nearly got me! After that I put on speed, but I heard the others hit the car. Let's look."

An investigation soon revealed the course of the other bullets. One had splintered off the left door, the gouged brown enamel marking its path, while the third had splintered one corner of the luggage grid. Officer Watson looked with renewed interest at this dapper man who had ridden through a deadly ambush. "Did you catch sight of the shooter?" he asked.

The motorist looked at him indignantly. "Do you suppose I would get out and look for this armed person who was trying to murder me?" he demanded with biting sarcasm. "I kept going at top speed. There were no other cars in sight and I saw no one by the roadside," he added, in more reasonable tones.

The Trooper posed his usual question. "Got any liquor in that car?"
"See here, Officer," Dufresne protested vigorously. "This is ridiculous. You'd be far more usefully employed in going back along the road and trying to catch the person who takes pot shots at passing cars. This was no careless boy with an air rifle. I'm going through Edge Hill. I'll report this to the police here, and show them the car. Captain Robinson knows me."

The drive brought out his wallet and extracted two cards. One was the regulation driver's license, the other his personal calling card. The light of recognition dawned in Watson's eyes, and his whole manner changed. He returned the cards and his hand went up to his cap in ready salute. "Sorry, Mr. Dufresne," he apologized, thankful that he had heeded the cautious impulse. "I thought your face looked familiar, but I couldn't place you for the moment. If you'd been driving your big car the plate number would have put me wise. I know your tag's in the 40's."

"Forty-seven, Officer. This is Mrs. Dufresne's car."
"You see, Mr. Dufresne, we've been having a bit of trouble out this way with hijackers. It's a real tough stretch of road."

Dufresne's raised hand cut short Watson's flow of words, and a slow smile transformed his drawn features with a kindly charm. "No harm done, Officer, and no need to apologize for doing your duty—but we're not all bootleggers."

Watson threw him a keen look. "I'll ride back there and see what I can find," he said. "Can you remember the exact spot, Mr. Dufresne?"
The motorist looked off into the distance, his brows knitted in concentration. "I had just passed under a concrete bridge, a railroad bridge, I think it was. There was a long dip in the road, then a rising curve. CHAPTER ONE—Continued . . . There were high banks on each side of the road. I had just topped the rise."

Watson nodded. "I know the place, Mr. Dufresne. It's a good

place for an ambush, and it's been used before. Just one thing more, sir. I've got to turn in a report on this. Do you carry a gun in your car? Just a matter of form, you know."

Dufresne saluted. "No gun, Officer, and no liquor."
Watson saluted. "That's O. K., Mr. Dufresne. If I meet any cars coming this way I'll look them over carefully. You'll hear from us. Less than fifteen minutes' drive

along the undulating road brought Dufresne into the quiet town of Edge Hill. He drove directly to the Police Station and drew up at the curb.

Dufresne walked briskly up the cemented path and entered the building. He turned into a room to the right of the corridor, marked "Roll Room." A rookie policeman was busy at a typewriter, filling in some labulated form. The young officer looked up inquiringly.

"Is Captain Robinson here?"
The Captain was indeed in his office, with the door ajar, and hearing his name spoken, looked out. Recognizing his visitor, he advanced smilingly to shake hands.

"Well, well, Mr. Dufresne," he beamed. "What brings you out here?"
"Trouble!" was the terse answer. Captain Robinson noted the genuine gravity of his visitor's demeanor, and his face became seri-

ous at once. "Come in here," he invited, motioning toward his office.

"Now, Captain, take a good long look out that window. I don't want to cause you any embarrassment in your line of duty."
The rotund police chief chuckled as he obeyed this whimsical order. He went to the window, turning his back on the room. He heard little gurgling noises behind him, followed by a smothered cough. When he turned around Dufresne was just

stowing away a flat silver flask in the inside pocket of his overcoat.

"I needed that," he observed. "So would you, Robinson, if you'd just with me for a minute, I want to show you something."
They walked out to the car. Dufresne pointed out the marks left by the bullets. Robinson was greatly perturbed by the sight. "Don't tell me somebody has put the finger on you?" he gasped, using the gangster

argot meaning "marked for death." (Copyright, 1934, by Walter C. Brown)

Tomorrow, the higher ups learn of Dufresne's ambush.

NAMED DENTAL HEAD
FORT WORTH, April 27 (AP)—Dr. J. F. Clark, Beaumont, today was named president of the Texas State Dental society, succeeding Dr. W. P. Deiafield, Dallas.
