Panhandle Oil Field Allowed One More Production Day In May

STUKAS BOMB DEPARTING BRITISH TRANSPORTS

468-Barrel Hike Given By Commission

Adequate Relief Not Yet In Sight For Panhandle

The Panhandle oil field will be allowed one more production day in May over April, according to an order issued today by the Texas Railroad Commission...

The Panhandle output for May will be 88,620 barrels compared with 88,152 barrels for April. Shutdown days will be May 10, 17, 24 and 31, according to the new order.

The Panhandle had the same number of holidays in April but there is one more day in May which will give the extra production.

An increase in allowable for the Panhandle was sought by witnesses appearing at the recent statewide hearing but their plea was ignored by the commission.

AUSTIN, April 24 (AP)—The railroad commission today announced a May oil production permit...

Engineers said reduction of a normal 3.5 per cent under-production would result in an average daily flow of 1,367,619 barrels next month, 14,581 under the U. S. Bureau of Mines estimate of May market demand.

Nine shutdown days were ordered for the east Texas field and the remainder of the state with the exception of the Panhandle which must close four days in May.

Holidays for east Texas and other fields, excluding Panhandle, were decreed for May 2, 4, 10, 11, 17, 18, 24, 25 and 31. Panhandle closings were ordered for May 10, 17, 24, 31.

Numerous exceptions to the shut-in order were granted because of "excess water production and other physical reasons in some fields."

The basic May 1 allowable will be 1,853,990 barrels compared with the April 1 basic of 1,857,960. The average net production on May 1 compared with an estimated average of 1,382,697 reported by commission engineers last Saturday.

Comparative basic allowable for May 1 and April by districts, were: Southwest Texas, 306,966 and 306,937.

Gulf Coast, 339,812 and 341,301. East Central Texas, 87,339 and 80,212.

East Texas, 517,143 and 518,898. West Central Texas, 56,431 and 56,794.

West Texas, 318,499 and 317,850. North Texas, 140,180 and 141,826. Panhandle, 88,620 and 88,152.

I Heard . . .

Fire Chief Ben White saying that all fire calls should be made to the central station, telephone 60. A direct connection has been installed to the new South Pampa station and that all fires in the south portion of the city will be answered by the truck now stationed in the 800 block on South Cuyler street.

Special attention given to ladies felt hats by Roberts the Hat Man. (Adv.)

9th ANNUAL NATIONAL WANT AD WEEK APRIL 20-26 INCLUSIVE Many new people come into our city daily who are looking for a place to live. They have no time to drive around searching for the sign in your window. They consult the Pampa News first. Place your ad on our classified page and secure a tenant immediately. Bring, send or phone your ad to 666. We'll do the rest.

'FEMALE DILLINGER' FIGHTS COPS

'June Mad' Rated Best Play Of Year

Three Killed In Horrible Car Accident

Three persons were killed and another critically injured in a horrible head-on collision at Twitty, seven miles south of Shamrock, about 6:30 o'clock last night. The dead are Mrs. Ina Mae Schaub, and her 10-month-old son, Gary Don, of Mobeile, and W. W. Barclay of McCook, Neb.

Injured critically was Clyde Schaub, husband of the dead woman, who was taken to a Shamrock hospital for treatment of serious injuries. His condition today was reported "stable" and his recovery was anticipated.

Witnesses told officers that the car driven by Schaub was proceeding north toward Shamrock and that upon reaching Twitty turned across the road to the Twitty store. It was in near head-on collision with the Barclay car, being driven south.

The triple-death marked the 24th traffic fatality in the Panhandle this year and the sixth in four days. Mrs. Schaub is survived by her father, R. S. Coward, Twitty; a sister, Mrs. A. C. Brown, Shamrock; and a brother, W. L. Coward, Twitty. Funeral arrangements have not been announced. Survivors of Barclay have not been learned.

Defense Mediators Tackle Coal Tie-Up

The national defense mediation board took command today of efforts to settle the soft coal tie-up. Secretary Perkins certified the 24-day-old wage dispute to the board after southern operators withdrew from conferences with CIO United Mine Workers in New York last night.

Other important labor developments included: Ten thousand Southern Railway shopmen were reported by the Knoxville Journal to have voted to extend their work week from 40 to 48 hours, at the present wage scale, to fill the gap in ranks of skilled labor caused by the national defense program.

Governor Murray D. Van Wagoner of Michigan named a special commission to mediate a contract dispute between the CIO United Automobile Workers and General Motors corporation. The Cudahy Swift and Wilson Packing companies announced 8 per cent wage increases for more than 31,000 production and maintenance workers in Chicago.

The soft coal dispute affects some 400,000 miners and 7,000 producers in the eight-state Appalachian area and in outlying districts where wage scales customarily follow the Appalachian contract.

Because of the developing coal shortage, four blast furnaces at Cleveland and Youngstown, Ohio, have been shut down. President Roosevelt took notice of the growing seriousness of the situation Monday night when he declared that "National Safety" demands prompt reopening of the mines. At that time, he proposed that the northern mines, where the UMW and operators were in agreement on a new wage scale, reopen at once, and that the union and southern producers enter into negotiations and

to your city. "Tim up the lawn and really give the place a good spring house cleaning. That is what your neighbor is going to do, so don't be a sore eye to the neighborhood and to your city."

"Now, about that trash man that you have been fussing about. Have you really been giving him a break, or have you been hindering him? "If you burn the trash you are hindering the man and also the service for when there is a fire in

Firemen Join In Drive For Cleaner City

In red, black, and white, a banner across the front of the Pampa Fire station on W. Foster today told Pampans to do their part in Clean-Up Week, which begins next Sunday, ends May 3.

Continuing the series of radio talks over KPDM, Jack Davis, volunteer fireman, spoke today over the station. Mr. Davis was also the speaker Monday, pending the series. Yesterday, the speaker was Dr. N. L. Nicholl, assistant city health officer, who spoke on "City Sanitation." He is also to deliver a radio talk Saturday.

What Clean-up Week should mean to Pampans was explained by Dr. Nicholl in his talk yesterday. "Clean-up Week, just what does it mean? It means, Mr. Citizen, that it is your duty to get rid of those lousy bones get out that hog and rake get all those weeds cut and the leaves raked, clean up the corners of the back alley and the lot next door. Get those tree limbs that you have been leaving around and pile them all out in the alley."

Today's registrations had many bright spots and one of them was Judge W. R. Ewing's. He has lived in the Panhandle so long he's thoroughly Texan but that's the way with most people here. Judge Ewing was born at Carrollton, Mo.

The largest family to register today was the Burge family, all of whom were born in Oklahoma. —Mary Louise Burge, Leslie Burge, the Harvester, basketball and football star; Emily Burge Leonard, D. C. Burge, and Mrs. Lena M. Burge.

Blanks showing town and state of birth as follows, were filed out: Harvey Hutton, Elmer, Okla. C. N. Gunn, Sparta, Tenn. Mrs. S. W. Brandt, Prescott, Ark. Beverly Jean Brandt, Oklahoma City. Stanley W. Brandt, Okemaha, Mich. Mrs. A. W. Shubring, Glenfield, N. D.

A. W. Shubring, Oconomowoc, Wis. Janet McMillen, Clovis, N. M. Mrs. Chas. E. Ward, English, Ind. Mrs. Glenn Radcliff, Decatur, Mich. Mrs. R. C. Scarberry, Springdale, Ark. Ewart A. Revard, Pawhuska, Okla. Mrs. W. L. Wilson, Burkburnett, Tex.

NAMED TEXAS TECH BEAUTY

Miss Martha Price, above, daughter of Mr. and Mrs. W. D. Price of Pampa, yesterday was announced as one of the eight Texas Tech beauties who will be pictured on full pages in the student yearbook, La Ventana. The beauties were chosen by Phil Harris, the orchestra conductor. The above photograph of Miss Price was taken when she was queen of the Top O' Texas Coronado Fiesta last June. Miss Price played the role of Beatriz in the Entrada of Coronado here. Another of the eight Tech beauties, Miss Kathleen Webb, Lamesa, played the role of Beatriz in the Entrada at Lubbock last fall. The other beauties were Ollie Sue Armstrong of Fort Worth; Dorothy Lou Emmitt, Tulsa; Mrs. Paul Scott, Tulsa; Mary Ann Stephenson, Lubbock; Julia Jones, Lubbock; Dorothy Neely, Waco. It was the third consecutive year for Miss Price to be named a Tech beauty. She was queen of the Reumda last year.

Canadian Auditorium Packed For Program

With Dr. Calvin Jones master of ceremonies and sing-song leader, the Canadian citizens and school pupils nearly raised the roof off of the fine new Canadian High school auditorium at Canadian last night when 60 Pampans made another goodwill trip.

Next trip will be made to Groom next Tuesday evening, April 29. W. B. Weathered, chairman of the Pampa Chamber of Commerce goodwill committee announced today. All the goodwill committee and other citizens are urged to attend the Groom meeting. Weathered said, "Dutton Ford, superintendent of the Groom public school has arranged the meeting and we have never taken a group to Groom, so we are anxious to have an exceptionally large crowd next Tuesday night."

The Great Virgil who has spent a lifetime developing this unusual attraction, is rated as the world's greatest magician. Tons of equipment, including special lighting effects, scores of beautiful costumes, six complete changes of scenery and a crew of trained assistants and stagehands are used in this awe-inspiring extravaganza of mysticism.

Nazis Claim 160,000 Tons Of Ships Sunk

British expeditionary troops were reported still fighting desperately today in the Thermopylae sector, 100 miles north of Athens, in what was apparently a rearguard action to check Germany's blitzkrieg armies until the main body of the B. E. F. has embarked from southern Greece.

German aviators described scenes of the wildest confusion as Nazi Stuka dive-bombers rained death and destruction on troop-jammed British transports. Berlin sources asserted that at least 160,000 tons of ships had already been sunk, and an official Greek communique acknowledged that assaults by waves of screaming Stukas had inflicted "considerable damage to ships and other installations."

While the fall of Athens and the end of the 19-day-old battle of the Balkans appeared imminent, authoritative quarters in London insisted that B. E. F. troops were clinging stubbornly to defense positions.

Parents of boys who intend to enter the third annual Pampa News-Pampa Lions Club Soap Box derby, to be held here July 17-18, should see to it that their signatures are on the entry blanks along with the signature of the boy.

Second in the series of the Soap Box clinic sessions will be held at 10:30 o'clock Saturday morning at the Rex theater. Frank Culbertson, co-chairman of the 1941 derby, today said the program would consist of a talk by Mark Bratton, 1940 city champion, on design; another talk by John Wheelchel, automobile mechanic, on brake construction; and a talk on streamlining by an employee of the local airport.

Boys who attend the clinic are gaining a big advantage over other possible entrants, as they are securing important information on how to construct their cars well in advance—information that is expert and practical, and that may mean the difference between winning and losing in the races here this summer.

Crowds riot as Lindbergh again belittles Britain. NEW YORK, April 24 (AP)—Colonel Charles A. Lindbergh says Great Britain seeks another A.E.F. to turn the tide in a "losing" battle. "It is obvious that England is losing the war," he said at an America First committee rally last night, "but they have one last desperate plan remaining. "They hope that they may be able to persuade us to send another expeditionary force to Europe and to share with England militarily, as well as financially, the fiasco of this war."

Man Who Claims He's Cousin Of Hitler Registers In Canvass

It's probably just another gag, but today the News received the registration blank of Karl Hans Hitler who gave his address as Skellytown.

This Mr. Hitler claims he was born in Berlin, Germany, and that he has lived the longest in Germany and the "Ukraine oil field." He gave "Rhinestead" as the state he has lived in the longest.

But the Skellytown Hitler really had the jack-pots with his comments under "remarks."

"My brother will kill Hitler. He is cousin." That was the astounding statement penciled in a foreign-looking handwriting. So it may be that Mr. Hitler is a real person; the registration had a ring of authenticity about it, but of course all clear boxes have a ring of genuineness about them.

Rogers Elected President Of Rotary Club

Walter E. Rogers, lawyer, was elected president of the Pampa Rotary club at a meeting of the new directors held after the club's regular weekly luncheon at noon yesterday.

He will take office, along with the directors, and W. J. Daugherty, re-elected secretary, on July 1, succeeding Charlie Burton. Mr. Burton will automatically take the office of vice-president.

Barefoot Girl Fined In City Police Court

It was a barefoot girl and not a barefoot boy who appeared before City Recorder C. E. McGrew today, charged with being intoxicated. A fine of \$10 was assessed.

The young woman was picked up by city officers on West Craven street last night, barefooted, Judge McGrew said. Two men were fined \$10 each on intoxication charges and a third man was turned over to the county on charges of driving while intoxicated. Officers received reports of two more bicycles being stolen and an immediate investigation into the unusual number of bicycle thefts is being launched immediately.

Athens Not In German Hands, Says Spokesman. BERLIN, April 24 (AP)—A military spokesman, denying "Scandinavian reports," said that as far as known at 5:30 p. m. (9:30 a. m. CST), "Athens is not in German hands." (So far as the high command communique indicated the Germans had not yet passed Thermopylae.

Temperatures In Pampa

Table with 2 columns: Time and Temperature. Rows include 6 p.m. Wednesday (53), 9 p.m. Wednesday (50), 9 a.m. Today (47), 8 a.m. (46), 7 a.m. (45), 6 a.m. (44), 5 a.m. (43), 4 a.m. (42), 3 a.m. (41), 2 a.m. (40), 1 p.m. (39), 12 p.m. (38), Wednesday's maximum (53), Wednesday's minimum (38), Forecast for Pampa and vicinity, partly cloudy tonight and Friday, with slowly rising temperatures.

Virgil To Make Lion Vanish In Mid-Air Monday

Laughs, laughs, and more laughs as well as spine chilling scenes of mystery and illusion are in store for the people of Pampa when The Great Virgil and his company present a full evening mystery show at the high school auditorium, Monday night.

The Great Virgil who has spent a lifetime developing this unusual attraction, is rated as the world's greatest magician. Tons of equipment, including special lighting effects, scores of beautiful costumes, six complete changes of scenery and a crew of trained assistants and stagehands are used in this awe-inspiring extravaganza of mysticism.

Among the hundreds of mysteries to be seen in The Great Virgil's performance will be: "The Mystery of the Jungle, featuring a real live African lion named Simba; Simba is placed in a strong cage and hoisted into the air, and in the twinkling of an eye he vanishes in a puff of smoke; The Beautiful Hindoo Princess Asleep in Mid-air; The Chinese Opium Den Mystery; The Fascinating Oriental Fantasy of Chinatown After Dark. The Seven Great Unsolved Mysteries of India, including the Famous Hindoo Basket Mystery and the Hindoo Rope Miracle. The Great Virgil has actually solved these two great accomplishments of the Hindoo magicians, brought them to this country and will present them here. In the Rope Miracle, Virgil casts a rope high in the air on a fully lighted stage. A boy climbs to the top of the rope and while all eyes are on the boy he vanishes from the very top of the rope and the rope falls back to the stage. You will gasp at the uncanny awfulness when Satan Burns a Man, you will thrill to the beauty of the beautiful Hindoo princess asleep in mid-air defying all laws of gravity. You will see the dissolving of the bodies of two human beings. You will shudder

Crowds Riot As Lindbergh Again Belittles Britain

NEW YORK, April 24 (AP)—Colonel Charles A. Lindbergh says Great Britain seeks another A.E.F. to turn the tide in a "losing" battle. "It is obvious that England is losing the war," he said at an America First committee rally last night, "but they have one last desperate plan remaining. "They hope that they may be able to persuade us to send another expeditionary force to Europe and to share with England militarily, as well as financially, the fiasco of this war."

A crowd thronged the streets outside packed Manhattan Center as Lindbergh made his anti-war plea, and for a brief time there were scenes of disorder as police, pickets, and bystanders clashed. One man was arrested and later sentenced to one day in jail for seizing the hand of a mounted patrolman's horse during a kicking and slugging melee as pickets with anti-Lindbergh placards were dispersed. Lindbergh declared he did not blame England for its loss of an A.E.F. "But we know now," he added, "that she declared a war under circumstances which led to the defeat of every nation that sided with her, from Poland to Greece."

Houston Says He's Going To Washington

By WILLIAM T. RIVES
HOUSTON, April 24. (AP)—Texas' 86-year-old appointee as interim senator—fiery General Andrew Jackson Houston—today announced he would assume his post actively.

Full of spunk and slightly irked at reports the suddenness of his appointment had resulted unfavorably upon his physical condition, the son of immortal Sam Houston declared he felt "tip-top" and would leave for Washington probably "within a week."

In his first interview since Governor W. Lee O'Daniel appointed him Monday, General Houston said he was uncertain when he would take the oath of office.

"I can't say—just any time," he said.

The octogenarian's voice, coming over the telephone from his Bay-side home 25 miles from Houston, sounded strong and clear.

General Houston, believed to be the oldest man ever appointed or elected to the national senate, said he would not be a candidate in the

special election set for June 28 to determine who will fill out the unexpired term of the late Morris Sheppard.

He reported he was writing a history of the Republic of Texas and "simply wouldn't have the time."

General Houston in the past has shown the same high spirit of his illustrious father, who served Texas as a senator before him. He has been in several disputes over status and pictures representing his father, declaring they did not do him justice.

He indicated he would assert himself in the same manner in the national senate, answering promptly and decisively questions regarding world affairs. He admitted his mind was not made up on certain of them, but each question he answered forthrightly.

He said he favored aid to Britain, but "wouldn't know" whether the United States should enter the war on the side of England.

He was not certain of the attitude of his constituents, he said, "and I must wait until I get to Washington to learn the sentiments of congress and the sentiments of the President."

He added, "I know how I feel about it, but I don't know how others feel."

He did not elaborate regarding his own views, but said: "I don't know about the business of us sending ships loaded with

tons of supplies and equipment to run the risk of being sunk by German submarines."

"It's too bad they appointed a sick man, isn't it?" he laughed.

General Houston, apparently referring to the political rumpus caused by the stationing of a state highway patrolman at his residence to keep out newspapermen, photographers, and other undesired visitors said:

"If the governor hadn't stationed a man there, I'd have asked him to do it myself. I'm glad he did."

Stationing of the policeman and the fact Governor O'Daniel took along his own photographer when he visited Houston and made the appointment, caused severe political repercussions.

No other photographer was permitted to see General Houston, and the only pictures released were those taken by the governor's cameraman, which were given to the press in Houston several hours after O'Daniel announced the appointment at the San Jacinto battlegrounds Monday.

Yesterday, a resolution, tabled in the house of representatives would have requested the public safety department to tell under whose orders the patrolman refused press representatives permission to interview General Houston.

Bandit Kills Self In Gotham Hold-Up

NEW YORK, April 24 (AP)—An unidentified woman and a traffic patrolman were shot and a robbery-killed himself in a series of quick-breaking events following a holdup today at the New York Athletic club at 59th street and 7th avenue.

Three bandits had quietly staged a holdup in an upper floor of the club and were attempting to make their getaway when the shooting started.

The woman first was shot, police reported, and then the robbers jumped into a stolen car and sped away. On East 53rd street they collided with a limousine driven by a negro chauffeur.

Two of the bandits fled on foot and engaged in a running gun fight in which Patrolman George Schack was shot. The third bandit, apparently caught in the wreckage of the accident, shot himself through the head.

Mr. and Mrs. D. V. Burton and son, Billie, 811 North Russell street, have returned from Winfield, Kansas, where they attended the wedding of their son, Lieutenant John C. Burton, of Randolph Field, and Miss Maxine Dobson. The marriage was solemnized in the home of the bride's parents. The couple will visit here tomorrow before going on to San Antonio, where Lieut. Burton is a flight instructor. Mr. and Mrs. Burton visited in Arkansas City, their former home, before returning.

Miss Hazel Wilson, teacher in Pampa Junior High school, is a patient in a local hospital receiving treatment for food poisoning.

Jack Johnson of Amarillo was a Pampa visitor yesterday.

Koy L. Speck and Nora Lee Alley, both of Pampa, were married this forenoon by D. R. Henry, Pampa Justice of the peace.

Bond of \$1,000 was set in the court of E. F. Young, Pampa Justice of the peace, today for V. L. Scott, charged with drunken driving in a complaint signed by Ray Dudley, Pampa traffic officer. The alleged offense occurred yesterday on Ripley street.

Regular drill of Company D, Texas Defense Guard, will be held at 7 o'clock tonight on the lot west of the Legion hut on W. Foster.

FIREMEN JOIN

(Continued From Page 1) the barrel the trash man has to miss the barrel. It then has to go another week, and if this happens a few times to that one barrel it gets full of ashes. If he tries to load it with a few live coals in the barrel, he gets the truck on fire and causes more delay.

Saves Barrels "Not only that, but you shorten the life of the barrel by burning out the bottom and that calls for a new one. Your neighbors do not appreciate it either when all the smoke comes drifting in their windows and smelling up the house."

"You, Mrs. Housewife, hinder, too, when you dump that wet garbage in. It would take only a minute longer to let the water drain down the sink before you throw the garbage in the trash. Just think how much fun it is to go around trying to put those barrels full of wet garbage in the truck, when you could take a few minutes and stop that trouble."

"Pampa has five trucks and ten men trying to keep the city clean, but 50 men and trucks could not keep it clean if you do not do your part."

Health Angle "Now let's look at it from the health angle. Summer is almost with us, that means that flies and mosquitoes and that well-known and dreaded old summer friend, hay fever, will soon be knocking on our door. This is a good time to start fighting them. Flies are one of those things that live and die, on and off. They carry all types of germs."

"Remember last year, when you were going to spend the evening in the back yard and the mosquitoes would not let you? Now is the time to start fighting them. Get those cans, both on your place and that lot next door, and let the city haul them off."

Hay Fever "Now, if you are one of those who suffer from hay fever, I don't have to warn you, there has been enough moisture to bring up all those favorite plants and weeds that you love to see growing. Do your part in helping us rid Pampa of them. If you are not a sufferer, do a good deed today and help the man who is one."

"It all goes back to the old saying that 'Cleanliness is next to Godliness,' and we are hoping that more and more people will take this to heart in the next few weeks, and really do some hard work."

Everyone in Pampa is invited to see this greatest magician of all times as they sit in the audience. Julie is now on a round-the-world tour and it may be years before he shows here again.

NAZIS CLAIM

(Continued from page 1) tions in the Thermopylae zone. It was in this historic sector, the scene of bloody strife 2,400 years ago, that the Germans claimed yesterday their panzer columns had smashed the British rear guard and plunged on towards Athens.

A British spokesman declared that reports the British flank had been turned were without basis. He said it was "very doubtful" too, that the Germans had seized the island of Lemnos, near the Turkish-controlled Dardanelles.

Hitler's high command gave few details of the climactic struggle and made no claim to a major drive through the Allies' "last ditch" defenses.

"In a fight with British rearguards, we succeeded in breaking into Thermopylae positions, which were situated in especially favorable terrain," the German communiqué said.

"Between Larisa and Lamia, 30 British tanks were captured." A Nazi spokesman yesterday had asserted that the Germans "annihilated" the British rearguard.

British middle east headquarters in Cairo reported tersely that B. E. F. troops "yesterday were in contact with the enemy, but no important engagements took place."

Dispatches from Athens said that, despite the tidings from the battlefield, there was no indication of a mass exodus from the Hellenic capital, already abandoned by King George II and his government, who fled yesterday to the Isle of Crete.

In Berlin, at least one German newspaper called for the death of a wholesale batch of royal personages driven from their thrones by Adolf Hitler's war machine—re-

calling the "hang the kaiser!" cry of the 1914-18 World War.

Thus the Berlin newspaper Zwölf Uhr Blatt demanded "to the gallows with these deserters" over photographs of 17-year-old King Peter II of Yugoslavia, King Zog of Albania, King George II of Greece, ex-King Carol of Rumania, King Haakon of Norway and Prince Bernhard of the Netherlands.

Greece's high command, explaining the collapse of the Greek armies in the northwest after they had been cut off by German panzer columns, summed up that debacle in seven words:

"These forces did not possess anti-tank guns."

Premier Mussolini's high command listed 6,000 Italian troops killed or wounded, including 400 officers, in the final offensive against the Greeks on the Albanian front.

Hostilities ceased at 6 p. m. last night (10 a. m., CST yesterday).

under the terms of an armistice signed at the Salonika headquarters of German Field Marshal Siegmund List, commander of the Nazi southeast armies.

Stefani, the official Italian news agency, asserted that 11 Duce's legions had driven as far as 90 miles in northern Greece before the Greeks surrendered.

By contrast, the Greek high command declared that, until the hour of the armistice, the Greeks kept the Italians off Hellenic soil, and even the German radio broadcast an official Greek communiqué declaring:

"It is confirmed that, at the moment of capitulation, Italian forces had not succeeded in advancing onto Greek territory, but that they were held back on Albanian territory by our troops."

In the Far East, Britain heavily reinforced the main body of Australian troops which reached Singapore on February 28.

liner Queen Mary—arrived there with a "formidable" contingent of fighting men.

Domei, Japanese news agency, broadcast a report that "a secret military agreement between England and the Chungking (Chinese) government would appear to have been concluded for the defense of Burma."

The report said that 2,000 Chinese troops had crossed the Burma frontier within the past few days and that others were stationed along the Burma-Thailand frontier.

Italian troops which reached Singapore on February 28.

Commerce, who was a member of the delegation.

Willis Stark played a cornet solo and was highly applauded. He was accompanied by Ken Bennett, his instructor. Both Willis Stark and Ken Bennett have assisted on every goodwill program the committee has had this spring, and at each place they have been given a warm reception by the audience.

The Pampa High school a cappella choir was introduced by Dr. Calvin Jones as one of the very best musical organizations in Pampa and their part of the program last night at Canadian certainly proved this statement.

Miss Helen Martin, director of the choir, first introduced Miss Lucille Johnson, who sang a solo. Then the girls' sextet sang, followed by several numbers by the choir.

Others attending from Pampa were H. L. Crump, Ralph Dunbar, Frank Culbertson, Rachurn Thompson, Mr. and Mrs. B. M. Behrman, Miss Pauline Bruton, Mrs. Myrtle Simmons, Mr. and Mrs. B. D. King, Mr. and Mrs. A. P. Stark, Douglas Stark, Andrew Stark, B. B. Altman, Shelby Gantz, Doc Pursley, Bob Miller, Miss Elizabeth, Steve Matthews, J. L. Nance, E. E. Chapman, F. O. Gurley, Hol Wagner, W. C. Wilson, Paul Clifford, Jo Thompson, Molly Anderson, Marcene Berry, R. W. Lane, Mr. and Mrs. J. C. Cashion, Miss Dorothy Taylor, Miss Johnnie Hodge, Dr. C. H. Schulkey, D. C. Burge, Clyde Garruth, Morris Goldfine, Edwin Leech, H. E. Jacobson, Claude Roberts, and Garnet Reeves.

with The Great Virgil. It is claimed that Julie has a mind 4000 years ahead of our times. Julie can and will read the minds of the audience and tell their exact thoughts as they sit in the audience. Julie is an exponent of thought wave communication between human beings and believes that thousands of years from now the projection and receiving of thoughts will be as common as the telephone, telegraph and radio.

Everyone in Pampa is invited to see this greatest magician of all times as they sit in the audience. Julie is now on a round-the-world tour and it may be years before he shows here again.

BEST PLAY (Continued From Page 1) son, Chuck, played by F. H. Meskimen, is a glider fan. F. H. has a natural droll wit, is versatile student, and an expert as a drunk major. Milly Lou "Tager" The "tagging" part of Milly Lou is well played by Naomi Harrell, who has a juvenile crush on college boy Mervyn Roberts (George Neef). A good speaking voice and stage presence characterize the acting of Neef, a linesman on the Reaper grid team and popular junior high student. Jimmy Berry as Roger Van Vleck, is the handsome visitor in a little country town who plays his concealed line on two girls, loses both. Effie's part is played by Vivian Lafferty. Chief troubles of Effie are her uninvited guests and the petticoat which persists in showing to the disgust of Mervyn Roberts, brother of Mrs. Woods, in whose home he is visiting. John Robert Lane, who had a minor role in last year's comedy, "Believe It or Not," has the part of Elmer Tuttle. Dorothy June Johnson is cast as Shirley Wentworth, Don Locher as Ralph Wentworth, and Marceline Drake as Penny Woods, blonde freshman with an interpretation all her own. Director of the play is O. T. Hightower.

New Officers Of AAUW Installed For Ensuing Year

"Problems of Defense" was the subject of a panel discussion conducted by Miss Jessie Bumpass, assisted by Mrs. J. D. Beach and Miss Lola Campbell, at the regular meeting of the American Association of University Women in the city club rooms Tuesday evening.

Mrs. Hol Wagner, out-going president, installed the following officers for the next year: Mrs. V. P. Sheldon, president; Mrs. William S. Dixon, first vice-president; Mrs. George Prief, second vice-president; Mrs. R. H. Sanford, third vice-president; Mrs. Jessie Bumpass, secretary; Mrs. R. G. Peeler, treasurer; and Miss Mary Reeve, parliamentarian.

Mrs. Sheldon and Mrs. F. E. Leech gave highlights from the recent state convention and Mrs. Sheldon outlined some of her plans for next year.

On Saturday afternoon the A. A. U. W. will sponsor an illustrated garden talk by Mrs. E. W. Hardin of Amarillo at 2:30 o'clock in the city club rooms. She will show colored motion pictures of famous American gardens. The public is invited.

Other meetings announced for the remainder of the year include the following:

Interior decoration group, April 28, at 7:30 o'clock in room 212 at the high school.

Annual bride's breakfast, May 3, at 9:30 o'clock at the Schneider hotel.

Final meeting of the international relations group, May 5, at 7:30 o'clock at the home of Mrs. William S. Dixon.

Annual reception honoring high school graduates and their mothers, May 20, at 8 o'clock in the city club rooms.

Those present were Mmes. J. D. Beach, Robert Boshen, William S. Dixon, George Prief, M. E. Lamb, F. E. Leech, H. V. Matthews, R. G. Peeler, V. P. Sheldon, Hol Wagner, Misses Loraine Bruce, Jessie Bumpass, Lola Campbell, Helen Montgomery, Pearl Spangh Josephine Thomas, and the hostesses, Mrs. J. B. White, Mrs. Hugh V. Anderson, and Miss Viola Shaffer.

Air express shipments, now at an all-time high, showed an increase of 28 per cent for the first nine months of 1940 over the same period in 1939.

In 1904 there were only 700 trucks for all purposes registered in the nation. In 1937 the automotive industry produced its maximum up to that time of 1,000,000 trucks.

New Under-arm Cream Deodorant Safely Stops Perspiration

1. Does not rot dresses, does not irritate skin.
2. No waiting to dry. Can be used right after shaving.
3. Instantly stops perspiration for 1 to 3 days. Removes odor from perspiration.
4. A pure, white, greaseless, stainless vanishing cream.
5. Arrid has been awarded the Approval Seal of the American Institute of Laundering for being harmless to fabrics.

25 MILLION jars of Arrid have been sold. Try it today!

regular meeting of Coterie members will be held at 7:30 o'clock.

Club Mayfair will have a regular meeting.

Jolly Dozen Sewing club will meet with Mrs. A. Holmes.

Baptist WMS Has Regular Monthly Meeting At Miami

MIAMI, April 24—The missionary program from Royal Service was presented in the regular monthly meeting of all circles of Baptist W. M. S. this week when they met in the home of Mrs. Dan Graham. Mrs. George Graham was assistant hostess.

Mrs. E. Sides, leader for the afternoon, gave the devotional from Psalms, and called on Mrs. W. M. Byers to lead a special prayer.

The topic for the program was "True Discipleship." Mrs. W. F. Locke discussed the "Test of Discipleship," and Mrs. J. B. Saul "Discipleship and Total Abstinence."

During the business session it was voted to serve the dinner both days at the Osborne sale in May. The hostesses served refreshments to 20 members.

Thirty-six per cent of the World's annual coal production is consumed in the United States.

Red Cross War Production Committee Makes Special Call For More Workers

The local Red Cross war production committee is making a special plea for workers at this time so that all material now on hand may be made into garments by May 15.

Material for 100 dresses is at the home of Mrs. Omer Russell, 312 North Gillespie street, and it is the hope of the committee that organizations and individuals will volunteer to take these by the end of this week.

Reports from England say that Great Britain has needed 10 times less cotton than it had anticipated but 10 times more clothing. The American women cannot fall them, local workers have pointed out.

There is on hand in the Red Cross office in the city hall yarn for 25 more sweaters which must be completed immediately. All finished sweaters should be turned in at once.

Mrs. Bruce Walters states that all layettes have been given out and she asks that they be returned to her at her new home, 1019 North Frost street.

An English soldier dying in France wrote: "If perchance you meet my mother along the way, will you not reach out your hand; she needs so little—a warm shawl, shoes without holes, a little medicine perhaps. She has no one but me and I am not there."

Officers For New Year Installed By VFW Auxiliary

A report on the ninth district convention held at Tulsa was given at the regular business meeting of the auxiliary Tuesday evening in the American Legion hall with Mrs. John Bradley presiding.

Arrangements were made to make poppy wreaths to be placed on veterans' graves on Memorial Day. The auxiliary gave a blanket to the Salvation Army to be sent to England. It was reported that Woodrow Wilson "Parent-Teacher" association has purchased 12 flags from the auxiliary to be presented to each room at the school.

The Americanism chairman, Mrs. Roy Chisum, pointed out that more than \$200 worth of flags has been sold. A quilt which has been completed is to be sent to the V. F. W. home at Eaton Rapids, Michigan.

Mrs. E. J. Kenney, ninth district president, installed the following officers for the ensuing year: Mrs. Harry Beall, president; Mrs. E. S. Via, senior vice-president; Mrs. Fred Fender, junior vice-president; Mrs. LeRoy Franks, secretary-treasurer; Mrs. C. C. Jones, chaplain; Mrs. Robert Orr, musician; Mrs. Roy Chisum, conductress; Mrs. Katherine Huling Johnson, guard; Mrs. John Bradley, historian; Mrs. W. S. Kiser, patriotic instructor; and Mrs. Nellie Ford, trustee.

Other members present were Mmes. Katherine Schwind, Estella Pollard, Howard Neath, Jewel Shackelford, Al Lawson, and B. W. Rose.

Hopkins P-TA To Sponsor Kid Party Friday Evening

SPECIAL TO THE NEWS
HOPKINS, April 24—Friday evening at 7:30 o'clock in the Phillips Community hall, the Hopkins P-T. A. will have a back-to-school kid party and miscellaneous for the boys' ranch of Amarillo. The shower is being given as a means of expressing the P. T. A.'s gratitude for the splendid program given by the boys at Hopkins recently under Cal Farley's direction.

The teacher for the evening of fun will be Deacon Jones. A regular school-day schedule of classes will be followed. Special features of the school day program will be a reading by A. W. Colthorp, a special skit by LaVerne Courson, music by Mesdames D. E. Partridge and Emory Smith, and a reading by Mrs. A. W. Colthorp.

Coltco Sunshine Club Will Discuss Table Service

Table service will be demonstrated and discussed when the Coltco Sunshine Home Demonstration club meets Friday in the home of Mrs. Kenneth Irwin.

Mrs. N. C. Jordan will give a report on the district home demonstration association held Monday in Pampa.

Silver will turn black with the application of very little sulphur.

B-PW Entertains At Pan-American Dinner At Hotel

To assist in promoting a better understanding of the people in Pan American countries and their way of life through education of United States citizens, members of Buss and Professional Women's club entertained with a Pan-American dinner and program this week in the Schneider hotel.

Guest speaker for the evening was Mrs. Stacy Hazzer who discussed "South American Countries." Miss Avis Heskell, dressed in Spanish costumes, sang three songs in Spanish with guitar accompaniment, and the entire group joined in singing "God Bless America."

Carrying out the theme of the dinner, miniature palms were used as place favors and place cards were letters addressed to the guests with South American stamps on the envelopes, which contained hand-drawn programs and menus.

Decorating the tables were figurines of South American animals and people, including two miniatures of "Christ of the Andes," made entirely of butterfly wings.

Woven rugs, baskets, and a lama skin were displayed as well as a collection of South American dolls belonging to Mrs. Blanche Pumphrey of Amarillo. This display was flanked by tall yucca plants. Throughout the dining room were cacti, Mexican gards, and pottery.

The committee in charge of arrangements for the event included Allie Huckaby, Myrtle Simmons, Leah Behrman, Lillian McWright, Maureen Jones, Hazel Snow, Mayme Counselor, Nalthe Tinnin, Blanch Anderson, and Rowena Wasson.

Attending the event were Iva Eckern, Hazel Snow, Effie Atkinson, Mayme Counselor, Blanche Dresher, Allie Huckaby, Eva Prater, Elvise Hurt, Henry Jacobson, Polly Jacobson, Oree Kromer, Ursula McGarty, Blanche Anderson, Neva Burgan, Opal Wright, Natha Tinnin, Maurine Jones, Audrey Fowler, Mildred Overall, Letha Northup.

Rowena Wasson, Pearl Mitchell, Myrtle Simmons, Madge Rusk, Madeline Murray, Lillian McWright, Avis Heskell, Mrs. S. Hasner, Jewel Meeks, Ruba McConnell, Mildred Lafferty, J. B. Bourland, Ruth Sewell, Ida Adams, Leah Behrman, Maxine Shadwick, Pauline Bruton, L. B. Cornelius, Katie Beverly, Theresa Humprey, Geneva Briscoe, Frances Craver, Mable Gee, Ruth Griggs.

Gertrude Barber, Dalton Hall, Ann Heskew, Lillian Jordan, Finis Jordan, Julia Kelley, Leora Kinard, Vera Lard, Lillian McNitt, Fay Albright, Grace Pool, Ruth Waldstad, Etta Brittain, Gypsy Maloy, Clara Lee Shewmaker, Margaret Moser, Cherry Madtux, Gladys Robinson, Ida Mae Jones, Tommie Stone and four guests from Amarillo, Mildred Butker, Orvaice Pond, Elva McGraw, and Hattulu White.

The United States annually consumes 69 per cent of the world's crude petroleum production.

Seven Circles Of Baptist WMS Meet For Weekly Study

Meeting in seven circles this week, members of Woman's Missionary society of First Baptist church studied the book, "The Heart of the Levant."

Mrs. A. L. Prigmore was hostess at the meeting of circle one which was opened with a song by the group and a prayer by Mrs. L. M. Salmon preceding the study of the book, conducted by the hostess. A prayer by Mrs. Tummy Stone preceded the serving of refreshments to six members.

At the meeting of circle two in the home of Mrs. Elzie Whately, nine women met for a program which included a prayer by Mrs. E. L. Anderson. Following the business session conducted by Mrs. L. H. Simpson, circle chairman, Mrs. Lewis Tarpley presented the devotional and Mrs. Rufe Jordan taught the book, "A Golden Milestone in Japan," after which Mrs. W. E. James led in prayer. Refreshments were served to nine women, including one visitor, Mrs. J. R. Pennington, of Shamrock.

Circle three met in the home of Mrs. Tom Duvall with Mrs. J. W. Munn leading in prayer. A song by the group was followed with the business session conducted by Mrs. Robert Carr and the book, "The Heart of the Levant," taught by Mrs. G. W. Hill. Refreshments were served to nine members.

Members of circle four met in the church for a business session conducted by the chairman, Mrs. S. T. Beauchamp. The second chapter of "The Heart of the Levant" was taught by Mrs. G. H. Corington and prayer was led by Mrs. Beauchamp. Five members were present.

At the meeting of circle five in the home of Mrs. T. J. Worell, a song by the group and a prayer by Mrs. Gladys Davis preceded the devotional by Mrs. Fredella Potter and the study of the book taught by Mrs. Fred Forrester. Following a prayer by Mrs. Ellen Chapman, refreshments were served to members.

Mrs. H. B. Landrum was hostess to seven members of circle six and Mrs. M. O. Meek led in the opening

B. G. K. Club Will Have Spring Dance At Hotel May 2

At the weekly meeting of B. G. K. club in the home of Miss Mary Gaylord Booth Tuesday evening, reports were given by the Girl Scout, Red Cross, and social committees.

The club will have its spring formal on May 2 at 9 o'clock in the Schneider hotel.

Attending the meeting were Mmes. Freda Barrett, Skeet Wise, Allen Evans, George Pollard, Gaston Harbor, Jack Smith, Tom Rose, Jr., Wayne Phelps, Phil McGrath, Bill Gray, H. E. McFarley, Ed Myatt, Gerald Fowler, and Misses Lucille Bell, Gloria Posey, Beth Mullinax, Catherine Pearce, Jane Kerbow, Donna Jo Berry, Idabelle Wagner, Betty Jewell, Townsend, and Mary Gaylord Booth.

The next meeting will be held Tuesday evening at 7:30 o'clock in the home of Miss Elizabeth Mullinax when program night will be observed.

A federal appropriation recently authorized an expenditure of 40 million dollars more for construction of 250 additional airports.

WD Operetta To Be Presented Tomorrow

Special To The NEWS
WHITE DEER, April 24—"Puddin' Head The First," a rollicking operetta in two acts, by Edward Bradley and Geoffrey O'Hara, will be presented by the third and fourth grades, Friday evening at the grade school auditorium at 8:15 o'clock.

Members of the cast are: King of Lamponia, Puddin' Head the First, Teddie Harvey; Queen of Lamponia, Vina Louise Dittberner; General Quakenboots, in command of the army, Celia Gores; Count Pennypinchin, the lord high treasurer, Patricia Huddleston; Doctor Pillsbury, the court physician, Bobby Frances Holmes.

Court jester, Prince Roland in disguise, Tommy Horn; Marianne, a peasant girl, Mary Lou Skaggs; Dame Woodenshoes, a peasant, Theola Reim; Dorothea, a lady-in-waiting, Dorothy Joan Ballard; the tin soldier, Jack McFarridge; Toby Turnkey, the jailor, Bobby McBrayer; the herald, Hoyt Taylor.

Pages: Manuel Hernandez, Arthur Lee Phillips, Gene Rapstine, and Eddie Gordzell; courtiers: Bonnie Swinford, Donald Warminski, Gaynell Sharp, Joe Bailey Gentry, Billie Ruth Walker, James Kirkwood, Scottie Wood, Harry Buchanan, George Eller, Evelyn Jo Kalka, Antonio Arellano, Mildred Hester, Freda Mae Taylor, Claudia Osman, and Deano Boyd.

Peasants: Jane Powers, James Culbertson, Martha Jo Moon, Ernie Bills Terry, La Donna O'Neal, George Eichsel, Theola Reim, Isabel Lopez, Clara Meaker, Al Kuykendall, Ger-

aldine Hester, Billie Fred Newton, Violet Thornburg, Joe Aaron, Melba Lipton, and Charles Banks.

The story is of King Puddin' Head the First, who is ambitious to earn the distinction of being the wisest monarch in the world; however, his dull wit allows him to fall prey to the Royal Council, three wily schemers who gain control of the kingdom by having Prince Roland thrown into the dungeon for treason.

AFL Plans Strike At Construction Projects

SAN DIEGO, Calif., April 24 (AP)—The Building Trades Council announced today that a strike of AFL construction workers was under way at defense projects in support of their wage demands. The extent of the walkout, shortly after 8 a. m., had not been determined. K. G. Bitter, council secretary, said.

Wellington Band Plays In McLean

Special To The NEWS
McLEAN, April 24—The Wellington band came to McLean High school Tuesday, and gave a program to the student body.

The beginners band played two numbers then the senior band played "Crusaders Overture," novelty arrangement of "Down on Our Farm," "Preston March" and "Union March."

Deward Cook played a trumpet solo. The Wellington band is directed by Mr. John Cooper. This was a return program for the program McLean students gave in Wellington a short time ago.

Universities of the United States spend \$22,000,000 annually on research of all kinds.

Senate Committee Approves Rice Tax

AUSTIN, April 24 (AP)—Approved by committee, a house bill taxing milled rice two cents per hundred pounds today was advanced to the calendar of the Texas senate for future debate.

The senate agriculture committee last night approved the bill, estimated to raise \$225,000 annually to increase consumption of rice by advertising and research into new uses.

Despite insistence of Rep. Jimmy Phillips of Angleton, chief legislative opponent of the measure, the committee refused to accept an amendment requiring a referendum among rice growers as a prerequisite to placing the bill in effect.

An amendment providing that should the tax be held unconstitutional the revenue would be refunded to persons from whom it was collected was approved.

Phillips declared the proposal was substantially the same as an original measure which was held to be unconstitutional by the attorney general's department. The bill considered was a substitute, drafted and passed by the house after the ruling.

Phillips said the proposal was sponsored by the American Rice Growers association "because they can't get more than 25 per cent of the farmers to join and they want to bring them in by legislation."

Twin Convention At Baylor Opens

WACO, April 24 (AP)—Walling sirens will welcome early arrivals today for Baylor university's third annual Texas twin convention opening tomorrow.

Pretty Dixie Marie and Mary Maxine McClure of Central college at Conway, Ark., will be met by a police escort when they arrive in a car driven by an Arkansas patrolman. Selected in a statewide contest, they were designated by Gov. Homer Atkins as official representatives.

Others arriving as official delegates of their states will be Doris and Dorothy Watson of Boise, Idaho, Phyllis and Lona Coit of Iowa, and Ruth and Rae Tatum of Dodd college, Shreveport, La.

Governors of North Carolina, South Carolina, New Mexico, Oklahoma and Alabama also promised to designate delegates.

Editor Dies

WASHINGTON, April 24 (AP)—Charles Edward Russell, 80, prominent Socialist, formerly city editor of The New York World and publisher of The Chicago American and The Examiner, died last night. He won the 1927 Pulitzer prize for biography.

Thirteen Killed In Azores Powder Blast

HORTA, The Azores, April 24 (AP)—Twelve soldiers and a civilian were killed and nine soldiers were injured by a munitions explosion which destroyed a barracks Tuesday at the Mid-Atlantic Portuguese stopping place for Transatlantic air liners.

The blast occurred only 10 minutes after most of the garrison had departed for morning drill. Considerable military equipment was destroyed, a church entrance was demolished and windows were shattered over a wide area.

Military authorities suggested the explosion might have resulted from spontaneous combustion in black powder used in saluting shells.

The Pan American Airways base was undamaged.

'They That Fought for England ...'

Three British attackers of Benghazi lie in a common grave somewhere in the Libyan desert, their resting place marked by a rough board and three bullet-battered helmets.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be over-worked. These tiny filters and tubules are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause itching, headache, rheumatic pain, leg pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, leadenness and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Kidneys may need help the same as bowels, so ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Lost in Atlantic

LONDON, April 24. (AP)—The United States embassy announced today that a large shipment of supplies from America, including two trucks for military attaches, had been lost through war action in the Atlantic.

Three Ships Sunk In Tripoli Sea Battle

LONDON, April 24 (AP)—An admiralty communique said today that a fresh report of the Monday naval shelling of the Libyan port of Tripoli, the Axis major North African base, "indicated the bombardment was even more successful than was at first thought."

Seven ships, including a destroyer, were hit and three of these were sunk, the admiralty account said, in this assault which naval officers have described as the heaviest of its sort in naval history.

"Three transports lying in the naval basin were hit and set seriously on fire," the communique asserted. "One of these was actually seen to sink."

"A fourth ship in the naval basin appears to have been laden with ammunition, for when it was hit by a 15-inch shell the ship exploded."

U. S. Bans Escaped German Prisoners

WASHINGTON, April 24 (AP)—The United States put a stern new "keep out" policy into effect today for German prisoners of war who seek a haven here after escape from Canada.

The action followed the disclosure that Franz Von Werra, Nazi war criminal who escaped from Canada three months ago, had jumped bond of \$15,000 and fled the United States for Peru.

Attorney General Jackson ordered the borders closed to escaped prisoners last night. He called Von Werra's flight "a flagrant abuse of neutral hospitality."

Hereafter, Jackson directed, all escaped prisoners reaching the border must be turned back with "any force—reasonably necessary."

Music Hath Charms To Make Hens Lay

RAMONA, Calif., April 24 (AP)—Listening to the radio 24 hours a day makes hens lay 10 per cent more eggs, C. H. Lee has discovered.

It's not the soothing effect of the music, Lee said. After a steady diet of radio programs, day in and day out, the hens refuse to be bothered by any noisy diversion.

Lee bought 1,500 young hens about a year ago and started raising chickens on a scientific basis.

Result: A 10 per cent increase in production. The hens take opera, swing or political speeches in stride.

WD Church Notes Education Day

Special To The NEWS WHITE DEER, April 24—Dr. W. A. Stephenson, assistant dean and head of the department of government at Hardin-Simmons university, Abilene, and the Golden Girls quartet, from that college had charge of the services at the First Baptist church here Sunday, in observance of Christian Education day.

Dr. Stephenson spoke at the morning service on the need for Christian education and part that it must play in bringing about world peace, and the quartet sang a medley of sacred songs.

Water Well Owners Favored In Ruling

AUSTIN, April 24 (AP)—The State Board of Water Engineers is without authority to compel owners of ordinary water wells to file annual reports similar to those required by law from artesian water well owners.

SS Account Numbers Needed By Men On Defense Projects

During the next 12 months thousands of additional workers will be required to carry on the defense projects now under way and in contemplation throughout the nation.

It was further pointed out that many women workers may replace men who are now employed in stores, offices, and factories.

An automobile, traveling at the rate of 25 miles an hour, gathers sufficient momentum to turn over once. At a speed of 50 miles an hour it will turn over five times, and at 70 miles an hour it will turn over approximately nine times.

According to the latest figures, only 24 states are responsible for 85 per cent of the highway debt now outstanding.

The average automobile in the United States in 1940 used 750 gallons of fuel, an increase of 12 gallons over the 1930 figure.

American Legion Opposes Rugg's Books In Schools

INDIANAPOLIS, April 24—Bursting into print for the first time in its long-smouldering opposition to the use of subversive textbooks in American schools, the American Legion, in the April issue of its magazine, devoted mostly to national defense, has turned its heaviest guns on the voluminous works of Dr. Harold O. Rugg and the teachings of George S. Counts, both of the faculty of Teachers College, Columbia university.

In an article entitled "No 'New Order' for Our Schools," R. Worth Shumaker, assistant national Americanism director of The American Legion, and long a prominent West Virginia educator, assailed the communist fringe of American academicians who style themselves "Frontier Thinkers" and particularly scored the "new order" philosophies of Drs. Rugg and Counts.

Mr. Shumaker pointed out that although these two professors oppose private capital, individual enterprise, and free competition, the Rugg textbooks enjoy wide use. More than 5,000,000 copies of Dr. Rugg's school publications alone are in use. The 14 volumes and 28 accompanying guide books and work manuals embraced in Dr. Rugg's social science series under the general title of "Man and His Changing Society," are official textbooks in approximately 5,000 American schools from the 3rd to the 9th grades, in the age ranges of 8 to 15 years, the most formative period of youth.

Regarding the expression "accelerating change" Mr. Shumaker explained: "We define that as an attempt to bring in a hurry a type of civilization which Counts or Rugg guesses we are inevitably to have, say 20 years from now, and which we might as well get much sooner."

"Our charges are based on such premises as their attacks on American loyalties, the indoctrination of youth against traditional ideals and institutions (Dr. Rugg... wishes to abolish intercollegiate sports competition since in his view it has 'no educational value whatever'); lack of emphasis on true American life and too great emphasis on the unfavorable aspects; failure to give acknowledgment to the deeds of our great American heroes; questioning private ownership; too favorable emphasis on what has been done in the Soviet Union; the creation of doubt in the minds of pupils and teachers as to the ability of our democracy to function successfully; the dissemination of false propaganda; and statements that the United States Supreme court favors vested interests."

SS Account Numbers Needed By Men On Defense Projects

Oil And Gas Taxes Argued By Senators

AUSTIN, April 24 (AP)—The complex \$23,661,000 omnibus tax bill went under the microscope in the Texas Senate today for the third successive day.

Attempting to provide the answer to financing of bigger old age pensions, aid to the needy blind, aid to dependent children, teachers retirement and other governmental functions, the bill, approved by the house in different form, was the No. 1 piece of legislation before the current session.

The upper legislative chamber, having blocked the moves to increase the 4-cents a barrel oil tax, yesterday permitted the committee-proposed 5 per cent of value gas production tax to stand but pegged the minimum rate at 1 1/2 of one per cent per 1,000 cubic feet.

The house passed to the senate a \$14,306,228 appropriation for the state's far-flung eleemosynary institution system, \$2,300,000-odd less than that approved by the upper chamber.

The appropriations measure authorized a \$2,000,000 building program affecting a majority of the institutions while the senate bill al-

Spokane Voters Turn Down Munny Power Proposal

The rejection of public power by Spokane, Wash., located "in the shadow" of Grand Coulee Dam, looms as a vital factor in the forthcoming political campaign to sell located a slightly larger amount to new buildings.

With the final form due to be written by a conference committee, the house bill was subjected to few alterations on the floor. The major amendment would provide a \$90,000 recreation building at the Big Spring hospital, replacing one of three proposed dormitories.

A proposal to reduce all salaries 10 per cent below the committee-approved figure was killed.

A senate committee last night recommended passage of a house-approved bill levying a tax of two cents per 100 pounds on milled rice, proceeds of which would be used for advertising and research designed to increase consumption of the grain.

Another group in the upper chamber favorably reported a bill exempting privately-owned trucks from licensing required under the motor carrier act.

A house committee killed a bill designed to outlaw loan sharks in the state.

West Texans on the socialistic plan for distribution of electric power generated at Possum Kingdom Dam through government agencies, according to news reports.

Spokane voters turned down municipal ownership of their electric distribution system by a thumping majority.

Although Spokane had enjoyed a boom-town prosperity for nearly 10 years as a result of Grand Coulee's construction, when given an opportunity to choose between political management and investor-owned utilities, the city's voters cast 26,600 "No's" on the question of going into the power business. In favor of the proposition were 17,279 votes.

Defeat of the proposal, according to Spokane newspapers, was due in large part to the "officious intervention of senators, congressmen, Secretary Ickes, and the Bonneville brigade."

"There can be no question that the verdict on the principal issue, that of the ordinance to authorize establishment of a municipal power distributing system, represents the well-settled judgment of an impressive majority of Spokane citizens," said the Spokesman-Review.

Strong condemnation of interference by Ickes and other public power proponents from as far away as Mississippi was voiced by both the Review and the Spokane Chronicle.

"Congressmen and senators bombarded the city with letters, in franked envelopes, and they read long dissertations into the Congressional Record—all at public ex-

pende... The propaganda for the most part idled up by top notch news men who are paid high salaries to step into government propagandist roles. Bluntly, they're feeding the public propaganda for which the public pays. Such Federal interference in municipal affairs threatens to submerge still further the foundation stone of American government—local autonomy," said the Chronicle.

Voters Resent Action

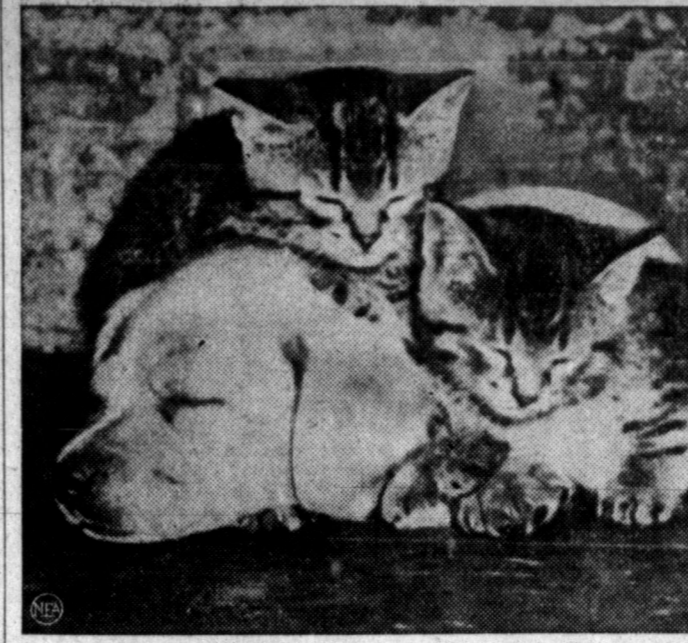

"Spectacle of these outsiders meddling in a city election and trying to dictate how the citizens should vote on their local problems was strongly resented by a great number of voters," and a Review editorial. "Such interference would be unpardonable at any time, but it appears preposterous at this particular time, when the nation is facing a grave war crisis, that a cabinet officer and members of Congress should turn their attention from a world emergency involving the future destiny of the country to inject themselves into Spokane's municipal election. It is not surprising that their advice should have been spurned and their effrontery rebuked."

Another answer to the question of why Spokane voted as it did was believed to be "found in the taxpayer and public service record" of the investor-owned service company. It was pointed out that the company "had been an integral part of the community from the time of its incorporation in the town" and had done much to help Spokane grow into a thriving city through payment of heavy taxes and because its management included men trained and experienced in the problem of providing good, cheap power and light.

The fact that a Congressman dominated the meeting at which Possum Kingdom's power output, contracted to government agencies, and that his threats of federal reprisals had some influence in the decision to sell the power to REA units instead of the private companies for distinction snacks of the methods used by outsiders in Spokane.

In view of the action taken by Spokane voters to show their resentment against socialistic encroachment by federal agencies, it won't be surprising if West Texas towns, which show their preference for the tax-paying investor-owned utility when the time comes for disposing of Possum Kingdom's power output.

So-o-o-o Sle-e-e-e-py

Look at this picture and see if you can keep from yawning. Left to right are Jackie, Terry and Martha cuddled up for a spring snooze waiting their turn to strut at New York's Boys Club pet show.

Flashes Of Life

(By The Associated Press)

LAWRENCEBURG, Ind.—Inspector Patrick Hyland of the Indiana fire marshal's office came here looking for fire hazards.

An alarm called firemen to Ohlen Bishop's saw works. Hyland went along and helped put out the blaze.

An alarm called firemen to Joseph Ahaus' house. Hyland went along and helped put out the blaze.

Then, with renewed interest, he started looking for fire hazards again.

BELLEVILLE, Ill.—Thar's gold in these parts, says a WPA foreman, who nevertheless is holding tight to his present job.

Because so far he's found only \$125 worth, panning the metal from a mixture of sand and clay near here.

The gold prospecting business—and its heart-breaking—is not new to the prospector-foreman. He panned 16 cubic yards of material in California one time—and found 50 cents in gold.

CHICAGO—Service is John Serw's middle name.

Manager of a house and garden exposition, he got up at 7 a. m. to show a Texas woman through the exposition because she had to board a plane and couldn't make the usual 1 p. m. opening time.

Workers Houses To Be Built At Dumas

The town of Dumas, capital of Moore county, will benefit from the construction of two-bedroom houses to rent for \$20 to \$25 a month.

Houses will be built by the Federal Works Administration under the Lanham act for the employes of the American Zinc company.

In Gray county, since there are no industries holding primary defense contracts, there is little chance of obtaining these low rent units for Pampa.

For the nation there is an overall need of 11,570 dwelling units which would be constructed partly by private and partly by public funds, according to C. F. Palmer, coordinator of defense housing.

In a letter to President Roosevelt, Palmer said 7,100 dwelling units "could be provided" by private enterprise.

President Roosevelt approved construction of 4,470 units yesterday.

Advance Sales Of Opera Tickets At Dallas Net \$74,000

DALLAS, April 24 (AP)—If gross receipts are any evidence, enthusiasm for grand opera here is greater than in 1939 and 1940.

Arthur J. Kramer, president of the Dallas Grand Opera association, said yesterday that sponsors of the three-day Metropolitan Opera company appearance here already have banked \$74,000, exceeding advance sales of the two previous years.

The brief Metropolitan season here will open tonight with presentation of Verdi's Il Trovatore at Fair Park auditorium. Arthur Carron, British tenor, will be featured as Manrico; Richard Donnell, American baritone, as Count Di Luna; Stella Roman, Rumanian soprano, as Leonora, and Bruna Castagna, Italian contralto, as Azucena. Ettore Panizza will conduct.

Other performances will consist of the following:

Friday, 8 p. m.—Mozart's L'Nozze di Figaro with Ezio Pinza, John Brownlee, Salvatore Baccaloni, Elizabeth Rethberg, Jarmila Novota and Bidu Sayo.

Saturday, 2 p. m.—Donizetti's La Fille du Regiment with Lily Pons, Raoul Jobin and Baccaloni.

Saturday, 8 p. m.—Verdi's Rigoletto with Lawrence Tibbett, Charles Kullman, Josephine Tumina, Bruna Castagna and Norman Gordon.

Patrol Of Atlantic Planned By Navy

WASHINGTON, April 24 (AP)—A major extension of hemisphere defense strategy—the patrol of the north Atlantic half-way to Europe—was reported being planned today by the high command of the United States navy.

The creation of such a broad security zone might have the incidental effect of relieving some of the strain on part of Britain's most important supply line but, in the absence of details, the full significance of such a policy was a moot question.

Officials here gave no encouragement to the reports of the widened defense patrol, but the informed quarters where they originated cited the statement of New York's Mayor Fiorello H. La Guardia that provisions had been made for off-shore defense beginning at a line 1,000 miles out to sea.

La Guardia, speaking as chairman of the Joint U. S.-Canadian defense board, made his assertion during an address at Ottawa yesterday. The circumstances led to the belief here that he spoke with White House approval.

"Off-shore defense, as we understand it, is three hours' distance from the furthest point of either the Canadian or the United States coast," La Guardia said.

"And when I say three hours I mean three hours by airplane doing 333 miles an hour. That's our St. George's Day message to the people of England."

OILERS WILL OFFICIALLY OPEN SEASON HERE TONIGHT

McPartland Will Oppose Gasser Crew

Fresh faces shining at five positions, the Pampa Oilers will officially usher in the 1941 baseball season here tonight when they meet the mighty Berger Gassers, bitter diamond rivals of the West Texas-New Mexico league. Game time will be 8:15 o'clock.

Only sideline activity preceding the game will involve an honorary battery.

After that the Oilers will be on their own, and into the hands of big John McPartland will pass the gleaming ball and the responsibility of getting the Oilers away fast in the first of three games with the mighty Gassers.

The critics believe it can't be done but Manager Dutch Prather and his Oilers believe they can take the Gassers. The big first baseman, who will guide the destiny of the Oilers this season, will have no less than five rookies in his starting lineup while the Gassers will have only two, which is a mighty big handicap to overcome.

THE PROBABLE LINEUPS

OILERS	GASSERS
Haralson, ss	Gilchrist, ss
Monroe, c	Williams, 3b
Scott, cf	Willingham, 2b
Frisher, 1b	Nell, 1b
Bills, 3b	Scopetone, cf
Phillips, lf	Littrell, lf
Matney, 2b	Newsome, rf
Myers, rf	Rodriguez, c
McPartland, p	Vannoy, p

Three new faces will appear in Oiler infield tonight as Leon Bills, outfielder, Newsome and Vannoy, third base; Kelly Haralson, shortstop; Howard Matney, second base; Frank Scott, center field; Ernie Myers, right field.

Bills comes to the Oilers from Seattle, Wash., where he played semi-pro baseball for three years. Haralson is from Hollywood but the property of Anaheim, Cal., in the new California Baseball league. Matney is the property of Shreveport. He is a third baseman by trade but with Malvica going to the army, he is being tried at second base. Scopetone played ball with Mount Pleasant last year. Myers is a Crawford, Okla., boy.

Other Oiler outfielder is Joe Phillips who finished the 1939 season with the Oilers but who was out of organized baseball last year. Manager Prather will be at first as usual. Behind the plate will be Harry Monroe or Wayne Kelley, former Harvester football star, both rookies. McPartland is scheduled for mound service, unless Prather decides to send Frank Grabek to the mound. Grabek, a holdout, signed a contract yesterday afternoon. The one that lays out tonight will start tomorrow night's game.

Manager Gordon Nell of the Gassers said he would probably send Milbert Vannoy against his former teammates. Vannoy is rounding in to form early this season. The Gassers have a class A infield that wouldn't have to back up to any Texas league team. In Nell, Willingham, Gilchrist and Williams he has a round of dandies.

During 1940, motor vehicle travel in the United States was six per cent greater than in 1939.

PAMPA'S 1941 BASEBALL SEASON OPENS TONIGHT

The lid will be lifted officially opening the Pampa baseball season tonight when the Pampa Oilers and Berger Gassers play at Road Runner park. Game time will be 8:15 o'clock. Pampa mer-

chants will give away nearly \$200 in merchandise to members of the Pampa team for their prowess on the diamond. Club owners decided to try a night opening, hoping for nice weather.

er. They thought Pampa might win the attendance cup if given a break in the weather. John McPartland is scheduled to hurl for the Oilers, opposed by Milbert Vannoy, sold by the Oilers to Berger this season.

Best Arrives To Coach Harvester Backfield

Mac Best, new Pampa Harvester football coach, arrived yesterday and immediately took over the backfield prospects. Best, graduate of Texas Christian university, coached the Herford Whitefaces last season following his graduation.

Illness, senior parties, and junior plays have been playing havoc with practice sessions. Several boys have been absent from every practice because of illness or participation in school activities. Coach Buck Prejan plans to stage an intra-squad scrimmage next week, open to the public. At present the Harvesters are working behind closed gates.

Coach Prejan has refrained from picking anything that looks like a first team. He has been waiting for

his backfield coach to look over the prospects before starting heavy practice. The Harvesters will build their offense around a double wingback formation, similar to that of Texas A. & M., and a single wingback, Coach Prejan revealed.

Most of the spring training period will be devoted to runmenials and teaching each boy his assignments. El Galento, on tour as a wrestling referee, left a wallet containing ten century notes under his pillow in a Green River, Wyo., hotel. . . . The loss wasn't discovered until 24 hours later in Tremont, Utah. . . . P. S.: The hotel found the dough, shipped it along and it caught up with Tony at Salt Lake City. . . . Eddie Mead, who managed Henry Armstrong to three titles in a little more than a year, will turn promoter if he can get control of one of the small clubs on the subway circuit. . . . Some of our best boxing minds say Billy Conn will find himself on the outside looking in so far as meeting Louis in June is concerned. . . . Joe Gould seems to have Kayo Morgan, the Detroit lightweight, off to a successful comeback.

leading the barrage with three bingles.

Greenberg Gets Induction Orders
DETROIT, April 24 (AP)—Doleful talk in Detroit—at any cigar store, tavern or street corner: "Guess the Tigers can't win now." "Nope, not with Greenberg out of there." The inevitable had come. Hank Greenberg, great slugger of the Detroit Tigers, received his formal orders for induction into the army. Local Draft Board No. 23 notified Greenberg for induction May 7 at the induction center here. On that day the Tigers have planned to raise their league pennant to the top of the flag pole in Briggs stadium.

According to the latest figures, approximately 2,000,000 obsolete automobiles are scrapped each year.

Borger Pitcher Strikes Out 20 Pampa Oilers

A little left-handed pitcher named Garland pitched the Berger Gassers to an 8 to 3 victory over the Pampa Oilers last night in Borger. Tonight the two teams move to Pampa for an opening game at 8:15 o'clock.

Garland shot full of holes the strikout record set by his teammate Hausman the previous night when he fanned 20 Oiler batters. Hausman whiffed 14 batters and thought he had set a league record that would stand up for a long time.

The Oilers got only two hits off Garland, one by Prather and the other by Myers. Four Borger errors were costly.

The Oilers played good ball in the field last night, booting only two chances. Haralson, shortstop, had a big night, with two putouts and five assists with one error. Matney, at second, registered three putouts and three assists.

Glab started on the mound for Pampa but was relieved by Howard. The pair gave up 11 hits, Scopetone

Sports Roundup

NEW YORK, April 24—One of the Boston papers started something when it charged Notre Dame is raiding Boston college football talent. New England is very much hot up about it. . . . Frank Leahy denied everything from South Bend. . . . Trainer Max Hirsch has just about made up his mind not to start Disque (which fell by the wayside last week) in Saturday's Wood Memorial, eastern section of the Derby preview. . . . Right up to this minute, Joe Louis' ring earnings over a seven-and-a-half-year stretch are \$1,789,463.46. . . . And those pay guys with the Meers. Earl Simon, Conn. and Nove may shoot him over the two million mark. . . . Bad weather cost the Tigers 30 grand during the first week of the season.

Deacon Cashes In
We think McKechnie rates a cheer for hanging on to Vander Meer. It looks like he will gain his ends, for Johnny's paying dividends.

Sports Tabloid
That's Lynn Waldorf moaning about his Northwestern line. . . . Attention, scouts: There's another Joe Di Maggio playing the outfield in the New York U. line. . . . Goller Francis Quimet, one of the new owners of the Reds, aspired to be a ball player, but soured on the idea after walking three miles to the nearest playing field every day for two years. . . . Every other club in the National league is after Tom Hughes, young Philly right-hander. . . . Music lovers can tune in next Saturday night if they want to hear Charlie Grimm play a left-handed banjo and Lou Novikoff a right-handed harmonica on that Barn Dance show. . . . William Maxwell, No. 3 player on the Michigan State net team, is ambitious and can serve 'em up just as hot with one hand as the other.

Texas Speedsters Gun For Comeback At Drake Relays
DES MOINES, Iowa, April 24 (AP)—A quartet of sun-tanned Texas lads—Morris Barefield, Fred Ramsdell, Bill Seay and Mac Umstadt—is gunning for a comeback in the sprint medley, feature attraction of the first-day program at the thirty-second annual Drake relays tomorrow. The University of Texas speedsters two weeks ago rambled through the event in 3:24, world record-breaking time, at their own relays. A week later, however, at the Kansas games, where the Longhorns ran in cold weather, Texas was beaten by Indiana's Hustling Hoosiers in a 3:25.2 race. Saturday's program will include a special mile and a half race involving Greg Rice, Ralph Schwarzkopf of Michigan, Forrest Elaw of Oklahoma A. and M. and John Munski of Missouri.

Big Trains In Baseball Getting Right Of Way

Associated Press Sports Writer
The big trains are getting the right-of-way now on baseball's main line after a little more than a week of confusion. The World Champion Cincinnati Reds, with the best pitching staff in the major leagues, have just won two shutouts from the Chicago Cubs. The St. Louis Cardinals and Brooklyn Dodgers are making their moves at the same time. The Cleveland Indians have squeezed into a tie for the American league lead. The New York Yankees are climbing up and the Boston Red Sox are sliding down.

Bucky Walters pitched the Reds to their fourth straight triumph yesterday with a five-hit 5-0 conquest of the Cubs. The day before Johnny Vander Meer clipped the same club 1-0 on four hits. The New York Giants still are setting the pace in the National league, but with a faltering gait that may give way at any moment. They edged out the Boston Bees 5-4 yesterday. The Brooklyn Dodgers plastered 4-0 shutout on the Phillies with Whitlow Wyatt scattering four hits, never closer than one every other inning. The Dodgers suffered a handicap when young Pete Reiser was hit one by the Phillies, but x-rays showed no bones were broken and he may be back in the lineup by the time the club has to defend itself against the western invasion next week.

The St. Louis Cardinals penned the Pittsburgh Pirates again 3-1 on the three-hit pitching gem of Sam Nahem, who was the "sleeper" in last year's trade that sent Joe Medwick to the Dodgers. Cleveland cooked up a four-run inning to help Bob Feller get a 5-2 decision over the St. Louis Browns. At the same time the Yankees handed the Red Sox their third straight defeat 4-2 on Phil Rizzuto's homer with one on in the 11th inning. Hal Newhouser, who kept the Detroit Tigers in striking position through the early months of last season, pitched eight-hit ball, while his teammates found their batting eye and crushed the Chicago White Sox 13-5.

The hard-hitting Philadelphia Athletics crammed nine runs into one inning for an 11-7 triumph over the Washington Senators.

NATIONAL LEAGUE
CINCINNATI 200 620 100-5
CHICAGO 000 000 000-0
Errors—Herman 2. Runs batted in—Goodman, F. McCormick, Gleason 2. Two-base hit—Nicholson. Three-base hit—Goodman. Losing pitcher—Erickson.

BROOKLYN 200 002 000-4
Errors—Ehran 3. Reese. Runs batted in—Lavagetto 2. Owens. Two-base hits—Eiten, Medwick. Three-base hit—Lavagetto. Winning pitcher—Wyatt. Losing pitcher—Parsons.
PITTSBURGH 000 000 010-1
ST. LOUIS 100 000 200-3
Errors—Anderson 2. Marion, Walker. Runs batted in—Slaughter 2. Mize. Two-base hits—Fletcher, Mize. Losing pitcher—Butcher.

OWNS FAVORITE

Robert J. Kleberg, Jr., manager of the world-famous King ranch of Texas, owns Malvica, wonder horse of the Florida racing season, and the favorite in the Kentucky Derby, greatest of all races. Kleberg is chairman of the board of the Thoroughbred Horse association of Texas, which hopes to see racing legalized in this state, because of the tourists it would attract, the benefits it would give to ranching and agriculture, and the estimated \$2,500,000 in taxes it would bring to the state.

subject to immediate call to serve in the United States army. Malvica was examined by a local health board physician and placed in class 1-B, which would have deferred him until the next call. The examining physician reported to the local board that Malvica has bad eyes and could see very little without glasses, but that glasses would correct his sight. The Amarillo board apparently decided that Malvica, because glasses would correct his sight, should be placed in Class 1-A. Malvica does not expect to be called for at least another month and he may sign a contract and play until called. He and Grabek, who secured a six-month deferment, are the only two Oilers in the low-number bracket. Either McPartland or Grabek will be used tonight, opening game.

SERIAL STORY

LOVE POWER

BY OREN ARNOLD

COPYRIGHT, 1941, NEA SERVICE, INC.

YESTERDAY, Carolyn and Robert agree that the X-999 must remain a secret and the remaining portion safeguarded against danger.

SAFETY IN THE WEST CHAPTER IX IT was obvious to Carolyn that Leana Sorni was irrational about the discovery in the Schoenfeld Laboratory, and victimized by her own emotions.

But no; no, she wasn't either. She spoke too earnestly, too impressively; plainly she had been thinking all this out. Plainest of all now was the fact that Leana loved Dr. Robert Hale.

"She's crazy about him!" Carolyn half whispered to herself. A flash of practical reasoning told her instantly to quit this strange new secretarial job and go back to her old position in the bank or find a new routine somewhere with good, solid Ken Palmer.

She knew in the same instant that she would never do that now. If all the X-999 in Bob's laboratory was about to blow up in her face she'd still stick to this new job, even though she couldn't have said why.

FOR another hour he did a great deal of thinking out loud. During that time he ordered maps brought in. He surveyed the western half of the United States with minute care, measuring the distance to cities, calculating mileage, estimating what his labora-

said, unnecessarily. "Did you hear her?" "Oh, why—yes." She wouldn't lie about it! "She sounded rather distressed, Bob. Naturally so, of course. At least, I thought I heard her voice indicate that, uh—"

"She will be all right. She is a brilliant woman. Girl. She is only 29. I mean, well, that's a woman, isn't it?" He smiled a bit. "Exactly when does a girl become a woman, come to think of it?"

"I wouldn't take that up today if I were you. We still have a moving job on hand." "That's very true. And you were saying you had an idea."

"My idea was about moving the X-999. It seems to me that the only safe place to store it is away out on the plains or mountains. You said you would need electric power to run the experimental laboratory. I mean, while you and your helpers adapt the stuff to—factory engines, and trains, and automobiles, and whatever, isn't that so?"

"Yes." "Bob, aren't there electric power lines from dams and things on rivers? I saw in the movies, or read somewhere—"

"Goodness, Bob, you'll have no peace as long as it stays in this city laboratory here, you know that. Any nearby farmhouse such as you first chose would be dangerous. But away off—"

"That's the ticket!" Bob had hung one leg on a corner of her desk, half sitting, but he suddenly got up to walk back and forth as he did when intent on anything, Carolyn. "You're a dream!"

That startled her a bit. She looked quickly at him. But he was gazing off, planning. It had been simply a careless word of thanks.

more, talked and dictated notes, and planned with Carolyn's help. Eagerly, almost hungrily, he seemed to confide in his secretary here, to seek her counsel and advice, her co-operation. She was touched by that; no man could have paid her higher tribute; at least, no employer could have.

When it was done and he had returned to his own office desk and she was making her typewriter sing its hearty staccato again, she heard the outer door open for the second time this morning.

But it was a man's voice this time and she recognized it for one of the three elderly watchmen who made constant night-and-day patrol of the Schoenfeld Laboratory buildings, punching clocks and keeping guard.

"Letter, Dr. Hale," the man said. "From Miss Sorni, sir." "Miss Sorni?" Carolyn heard Bob reply. "Why, she was just in here an hour or so ago. And her office is only—"

"Hmmm. Well, she sent it. She's the queer one anyhow, if you ask me. Never laughs, nor passes the time of day with us like you always do, sir. Say, when you gonna tell us what you got them cops guarding the main lab for, Dr. Hale? Danged if you ain't got my cu-ro-sty up!"

The old fellow ended on a genial chuckle, but he passed on when he saw that Bob was already intent on Leana's letter. (To Be Continued)

Hank Leiber Flies For Conference With Cubs Manager

TUCSON, Ariz., April 24 (P)—Hank Leiber, sole remaining major league holdout, took a plane (American airlines) for Chicago today to talk things over with Jim Gallagher, Cubs general manager, but the ace outfielder's demeanor was anything but indicative that a deal was in the air.

The husky blond, a National league fixture since 1935, said he was making the trip at Gallagher's request and at his own expense.

Leiber has been a perennial hold-out since he went up from Nashville in the Southern association after hitting .427 during the 1934 season. He played with the Giants in 1935, 1936, 1937, and 1938, and was traded with several other players to the Cubs in 1939.

He hits around .300 consistently. Last year he batted .302 in 117 games, polling out 17 homers.

Graceful Gophers Swing It

Fullback Bill Daley puts on airs of gopher coming through arch formed by Bob Bjorklund, left, co-captain and center, and Helge Pukema, guard, as Minnesota football players show they have rhythm in gym class, too. Dances replace weight lifting, bar exercises, handstands, etc.

Jerry Thompson Hopes To Break Mile Record At Meet

BY HAROLD V. RATLIFF
DALLAS, April 24 (AP)—In the blinding, biting dust of Memorial Stadium track at Austin on a stifling day in May, 1940, was born "Texas" greatest schoolboy mile runner.

Little Jerry Thompson lay on the cinder path, dazed momentarily by a collision at the first turn in the interscholastic league state mile final.

But out of the dust there arose a youngster of courage and stamina—an amazing boy with pipstern legs but a heart of steel.

When Jerry started in pursuit he was in last place, 20 yards behind the bulky field. But at every turn he passed a runner or two.

One, two, three, four—and five, they finished. Thompson just a few yards short of fourth place. He had failed but only because of the most unfortunate of circumstances and

the crowd gave him a hand as he slumped dejectedly from the track. Seven days a week since then this 117-pound youngster has whirled around the track in punishing half mile, mile and mile and a half runs. And now he's ready.

Last week Thompson galloped the fastest mile ever turned in by a boy racing under interscholastic league banner. It was 3:29.6, almost two seconds better than the state record.

"I hope to break the record at Austin next week," he said, "but the main thing is to win that mile. Last year I got hit in the head by a discus before the meet started, then I was knocked down at the first turn in the mile. My head cleared up with the first lap but when I started down the stretch everything got pretty dark."

Thompson not only is the premier miler of the year thus far in Texas but he also has the fastest time in the half-mile, a race he has run in 2 minutes. And he can clip off the quarter-mile in 51 seconds.

He's 17 and graduates in June. This far he has but one invite to college—that from Southern Methodist university—but chances are that after he runs the mile at Austin next week there will be a flock of offers.

Approximately 44 states have modified their compulsory license purchase laws from the customary date of Jan. 1 up to and including April 1.

Cars traveling at 30 miles an hour can stop within 57 feet on asphalt streets surfaced with dolomite, asphalt, and filler.

Sunflowers were cultivated by the Indians long before the white men came to America.

Room 67 Noses Out Room 68 In 8-7 Thriller

In an extra inning game Wednesday, Room 67 nosed out Room 68 by a score of 8 to 7. Coach Donald Riley pitched and batted his team into the second round of the 7th grade Junior High Intramural Softball tournament.

with Room 68 having the edge until the last of the fourth when the winners started hitting pitcher Billy Gethin's fast ball and tied the game up. Coach Donald Riley, Roy Noland and Wayne Proper went to bat twice and got as many hits for Room 67.

The outstanding player for the losers was Charles Hatcher who banged out three doubles in as many trips to the plate. Doyle Foster, Jackie Fletcher, Charles Showers, Dee Griffin, and Billy Gethins hit safely to make a total of 8 hits for the losers.

be proclaimed singles champion of the River Oaks tennis tourney. The match between the two was washed out yesterday for the third consecutive day.

At the present, there are approximately 35,000 parking meters now installed in cities and towns throughout the United States.

A TYPICAL AMERICAN IDEA CLEAN-UP CAMPAIGN

THAT EVERYONE WILL BENEFIT BY -- JOIN IN! Starting Sunday, April 27, is a good citizenship movement under the title of "Clean-Up Campaign"!
