

Top O' Texans Asked To Give Information On Their Native States

NAZIS BEGIN BALKAN DRIVE

Governors Of Three States Send Flags

Blanks To Decide Number Of Floats In Unique Parade

Top O' Texas Folk Fiesta committees today submitted a blank form, see right, to residents of the Top O' Texas and requested that they fill them out and bring, mail or send them to The News in order to determine which states will be represented in the parade of All States and Nations at the Fiesta, June 12, 13 and 14.

What Is Your Native State?

The Junior Chamber of Commerce, sponsor of the 1941 Top O' Texas Folk Fiesta, today asked all residents of this territory, including Gray, Carson, Wheeler, Hemphill, Donley, Ochiltree, Hansford, Hutchinson counties to fill out the blank below

Name \_\_\_\_\_ Address \_\_\_\_\_ State In Which You Were Born \_\_\_\_\_ Town \_\_\_\_\_ Nation \_\_\_\_\_ State In Which Your Father Was Born \_\_\_\_\_ If Not Born In U. S. \_\_\_\_\_ Nation \_\_\_\_\_ State In Which Your Mother was Born \_\_\_\_\_ If Not Born In U. S. \_\_\_\_\_ Foreign Nations In Which You Have Lived \_\_\_\_\_ Length Of Time You Have Lived In Texas \_\_\_\_\_ Length Of Time You Lived In Native State \_\_\_\_\_ State You Have Lived In The Longest \_\_\_\_\_ Length Of Time \_\_\_\_\_ Year You Made The Panhandle Year Home \_\_\_\_\_ Length Of Residence In Panhandle \_\_\_\_\_ Pampa \_\_\_\_\_ Are You Married \_\_\_\_\_ Yes \_\_\_\_\_ No \_\_\_\_\_ Number Of Children, If Any \_\_\_\_\_ Names \_\_\_\_\_ Occupation \_\_\_\_\_ Do You Have Any Articles of Interest From Your Native State That Could Be Used On Floats or in Display Windows? If So, What \_\_\_\_\_ Remarks: \_\_\_\_\_

Information in the blanks will also be used in the organization within the next two weeks of state societies, and in the Top O' Texas special Fiesta edition of The News. The Fiesta committees drew up the blanks after they had received messages from the governors of Arizona, Colorado, Louisiana and Iowa. The governors of Arizona, Colorado and Iowa also sent state flags which will fly from the floats of those states in the parades.

Graham And Kelley New School Trustees

Benton Wants His Paintings In Bawdy Houses And Saloons

M. A. Graham and W. D. Kelley were elected trustees of the Pampa Independent School district in yesterday's election which saw only 520 ballots cast. Graham led the ticket with 261 votes while Kelley was a close second with 243 votes.

Steel Strike Set For Tuesday Night

Texan Urges Government Run Plants

CONNALLY REPORTS 'Temper Getting Pretty Hot'

WASHINGTON, April 5 (AP)—Declaring that "temper is getting pretty hot" over prolonged labor disputes, Senator Tom Connally (D-Tex.) proposed legislation today to give the government broad authority to take over plants where strikes "impede or delay" defense production.

Girl fire-watchers died in dance frocks

Express Staff Reporter  
PILES of spring flowers—daffodils, tulips, violets—bought by East End dockers and factory girls went with Eileen "Smiley" Smith and Maggie Myers, 17 and 16, to a dance Saturday night. The girls were killed by a fire that broke out in the shelter.

Hitler Hordes Invade Greece, Yugoslavia

British Announce Readiness For Showdown

(By The Associated Press)  
The German Balkan armies sprang early today (Sun) upon Greece and Yugoslavia—the one already a British ally and the other now an ally by the unanswerable logic of war—and thus was opened a second and great front certain to soften the pressure of the long siege suffered by the British Isles.

Pampa Sweeps League Meet; Borger Second

Pampa students made a clean sweep of the District 2 Interscholastic League meet here Saturday, rolling up a total of 130 points in all events. The local schools competed in Class A. Borger was second with 52 points.

Packed House Expected Today At 'Panhandle On Parade' Broadcast

The airwaves of the Panhandle will flow in all directions from Pampa this afternoon from 4:30 to 5:00 p. m. when the Pampa Chamber of Commerce cooperates with Radio Station KGNC and KPND in staging the "Panhandle on Parade" broadcast.

Simpson To Talk On National Defense

Officials of the American Legion, V. F. W., Home Defense Guard, Rotary, Lions, and Kiwanis clubs, and the Junior Chamber of Commerce are all urging their respective members to attend the Pampa Chamber of Commerce luncheon tomorrow at noon when Col. E. A. Simpson of Amarillo, will speak on the National Defense program.

Temperatures In Pampa

Shorthand, (no points offered), Mae Bell Wilson, Borger, first; Frances Watson, Borger, second; Cornelia Leake, Shamrock, third; Mayon Goodrich, Shamrock, fourth; Mary Eta Burba, Pampa, fifth.

John Monroe has been appointed chairman of the float-designing committee. Mr. Monroe, artist for the Griffith theaters here, will paint state flowers and mottoes on panels for the floats. Mr. Monroe has already begun this task, and is also designing the floats.

All the floats will be built under the direction of the Jaycees. They will employ local labor in making floral sheeting for the floats, and no out-of-town float builder will be hired. It is estimated that the floats can be built 60 per cent cheaper this way. Making of the sheeting will start May 1.

The Jaycees will meet soon to draft the entire Fiesta program which in general will glorify "plain folks." Features of the Fiesta will be folk dances and music and special programs by famous hillbilly bands, including Bob Wills, the Lightcrust Doughboys, and the Sunshine Boys of KGKO, Dallas. The official dance for the Fiesta will be La Varsouvieria or "New Shoes."

For the first time in the history of the Fiesta there is a strong likelihood that a famous movie star, perhaps Henry Fonda, will be a major attraction. Local personages who have an entrance into Hollywood have at last made contact with the inner circle of Hollywood studios, and have received promises that "perhaps" Henry Fonda may be sent here.

These plans are in an extremely tentative and formative stage and have not advanced to the point of making actual arrangements for sending the star here. Pampanos who have friends who have friends "in Hollywood are carrying on the negotiations."

My Pal George that the incendiaries were coming down fast. So George started to leave. But Eileen and Maggie were right there too—because they were volunteer members of the East End Firewatchers.

George says they mentioned at the time that dance frocks were a nuisance. But they went right out into the fire bits anyway, each carrying a small twenty-pound sack of sand because sand puts out incendiary bombs quicker than a stirrup pump or shovel.

My Pal George says he lost track of the girls after a few minutes because those fire bombs were coming down hot and heavy and everyone would land in the middle of the street and to extinguish them was no trick. Other times, though, a few would strike a warehouse and crash down into the building. That's when you had to rush inside in a fast-moving effort to locate the incendiary before it set inflammable material afire.

That's probably what happened to Eileen and Maggie, George says. They rushed into a warehouse and were trying to locate the incendiary when a high explosive struck the building.

Nobody knew they were there. No one had seen them go in. And when the raid finally ended and Eileen and Maggie failed to show up back at the dance, no one knew where to look. But George got up a search party and they looked the rest of that night for some sign of the girls.

They didn't find them that night, of course. Not that night, nor the next.

But three days later, when some air raid warnings were digging thru a 20-foot mound of broken concrete and twisted steel, they found Eileen and Maggie clasped in each other's arms.

That's why My Pal George says that, when he bought spring flowers for Eileen and Maggie this last time, it was the hardest thing he ever had to do.

Daffodils for Eileen, violets for Maggie.

Nine thousand lead pencils could be made from the carbon in the human body.

# GIRLS KILLED

(Continued From page 1)

German soldiers on the eastern front, Poland, swept aside this instrument of British policy. On April 9, 1940, Britain again attempted to reach its goal by a thrust on the German north flank. The thrust at Norway.

"An unforgettable struggle the German soldiers in Norway eliminated the British within a period of a few weeks.

"What the world did not deem possible the German people have achieved. Again, only a few weeks later, Churchill (Prime Minister Winston Churchill of Britain) thought the moment right to make a renewed thrust through the British Allies, France and Belgium, into the German region of the Ruhr. The victorious hour of our soldiers on the west front began."

"It is already war history how the German armies defeated the legions of capitalism and plutocracy. After forty-five days this campaign in the west was equally and emphatically through."

"Then Churchill concentrated the strength of his empire against our ally, Italy, in Africa. Now the danger has also been banished from the African theatre of the war through the cooperation of Italian and German units."

"The new aim of the British war-mongers now consists of the realization of a plan which they had already hatched at the outbreak of the war, and only postponed because of the gigantic victories of the German army."

"The memory of the landing of British troops at Salonika in the course of the first World War also caught little Greece in the spider-web of British intrigue."

"I (Hitler) have repeatedly warned of the attempt by the British to land troops in southeastern Europe. And I have said that this constitutes a threat to the German Reich."

"Unfortunately this warning went unheeded by the Yugoslav nation. I have further tried, in cooperation with the same patience, to convince Yugoslav statesmen of the absolute necessity for their cooperation with the German Reich for restoration of lasting peace and order within Yugoslavia."

"After long effort we finally succeeded in securing the cooperation of Yugoslavia by its adherence to the Tri-Power Pact, without having demanded anything whatsoever of the Yugoslav nation except that it take its part in the reconstruction of a new order in Europe."

"At this point the criminal usurpers of the new Belgrade government took the power of the state into themselves, which is a result of being in the pay of Churchill and Britain."

"As in the case of Poland, this new Belgrade government has mobilized decrees and laws which in their inner cabinet. Under these circumstances I was forced immediately to recall the German national colony within Yugoslav territory."

"Members and officers of the German embassy, employees of our consulates in Yugoslavia, were daily being subjected to the most humiliating attacks."

"The German schools, exactly as in Poland, were laid in ruin by bandits. Innumerable German nationals were kidnapped and attacked by Yugoslavs, and some even were killed."

"In addition, Yugoslavia for weeks has planned a general mobilization of its army in great secrecy."

"This is the answer to my eight-year-long effort to bring about closer cooperation and friendship with the Yugoslav people, a task which I have pursued most fastidiously."

"When British divisions were landing in Greece, just as in World War days, the Serbs thought that the time was ripe for taking advantage of the situation for new assassinations against Germany and her allies."

"Soldiers of the southeast front: Now your zero hour has arrived. You will now take the interests of the German Reich under your protection as your comrades did a year ago in Norway and on the west front. You will do just as well on the southeast front."

"In doing this, your duty, you will not be less courageous than the men of those German divisions who in 1915, on the same Balkan soil, fought so victoriously."

"You will be humane only in those places where the enemy is humane toward you. Where the enemy confronts you with utter brutality you

# BALKAN DRIVE

(Continued From Page 1)

aster the dreams of the Kaiser—the British figured largely.

They had many men—and much fine equipment—in Greece—and indeed the German officials cried out at this in justifying their march across Europe. Aside from this the British Mediterranean fleet appeared to stand more or less supreme in the Mediterranean, and the actions of this Sunday dawn unquestionably set more and more convays in motion across the Mediterranean from Africa.

The British, taking the line that all had happened had merely confirmed their expectations of this spring offensive above the Mediterranean, said simply that army, navy and air force were ready for the showdown.

In Africa still remained many imperial soldiers—the tough, shouting Australians and all the others who had run Mussolini's men out of most of all east Africa and smote them hard in Libya.

In announcing that Germany was at war with Yugoslavia, the German radio said:

"In the name of the Fuehrer, Adolf Hitler, I am reading the following order of the day to the German army of the east.

Berlin, April 6, 1941. Soldiers of the southeast front. Since early this morning the German people are at war with the Belgrade government of intrigue. We shall only lay down arms when this band of ruffians has been definitely and most emphatically eliminated. And the last Briton has left this part of the European continent. And x x x that these misled people realize that they must thank Britain for this situation, they must thank England, the greatest war-monger of all time. The German people can enter into this new struggle with the inner satisfaction that its leaders have done everything to bring about a peaceful settlement."

"Prays To God"

"We pray to God that he may lead our soldiers on the path and bless them as hitherto."

"In accordance with the policy of letting others fight for her, as she did in the case of Poland, Britain again tried to involve Germany in the struggle in which Britain hoped to win."

"But she would finish off the German people once and for all, to win the war and if possible to destroy the entire German army."

"In a few weeks long ago the

G. D. Holmes was called to Wann, Okla., Friday by the death of his mother, Mrs. J. D. Holmes.

Alamo Hotel, now under new management. French Huvall, prop. (Adv.)

Visiting Mrs. G. D. Holmes in Pampa is her daughter, Mrs. Cecil Miller of Amarillo.

For sale: Residence, 5 rooms, basement, 2 baths, garage, 1001 N. Somerville. Phone 1881. (Adv.)

Mrs. M. C. Johnson, ill of pneumonia, is a patient in the local hospital.

Wanted: Girl for general household work. Must stay night, 459 N. Starkweather. Ph. 1371. (Adv.)

Lee Harris, court house custodian, began an early anti-dandelion campaign Saturday, with men at work yesterday killing out the plants on the court house lawn.

Regular drill of Company D, Texas Defense Guard, will be held at 1:30 o'clock this afternoon on the lot adjoining the American Legion hut on W. Foster.

Miss Doris Hills, formerly employed in the office of the county farm agent, is the new secretary to the county judge. She replaces Mrs. A. E. Hickman, who with her husband, is moving to Brownfield, where they will make their new home.

Lois Cambren, daughter of Deputy Sheriff Dan Cambren, is a new employee in the office of County Farm Agent Ralph R. Thomas. For the past 4 1/2 years she has been administrative assistant to the Hutchinson county agent.

Mrs. F. E. McGrath is convalescing at the home of her mother, Mrs. Mary Hartel, 1024 Christine street.

Jay Taylor, vice-president of the Halliburton Oil Well Cementing company, stopped at the airport Friday, while enroute from Duncan, Okla., to Amarillo.

Mrs. W. B. Murphy is to be taken to her home from a local hospital today.

Roy Taylor, representative of the American Airplane company, Dallas, transacted business here Friday. He flew to Pampa in an Aeronca trainer.

Erwin Thompson was initiated into the Knights of the Ku Klux Klan at a meeting Thursday night. Speaker at the meeting next Thursday will be Dr. C. H. Schukley.

Eleven more Stearman PT-14 training planes passed over Pampa Friday and yesterday morning, total to 41 during the past four days. A number of them stopped at the local airport.

# STEEL STRIKE

(Continued From Page 1)

"Things look bright" for a settlement before long.

"The greatest strike in the Boston repair yards of the Bethlehem Shipbuilding corporation, with \$1,000,000.00 of defense contracts, appeared averted when spokesmen for the state conciliation board announced that representatives of the company and a CIO union would confer again Monday in hopes of settling a wage dispute.

(By The Associated Press)

An order for a work stoppage at plants of the U. S. Steel Corporation went out last Saturday night to CIO steel workers.

CIO President Philip Murray said that effective midnight Tuesday there would be a "cessation of work" which he asserted was "caused by a lockout."

At the time, the company's contract with the CIO will expire. On March 20, the union asked for a new contract providing for an increase of 10 cents an hour for 291,000 workers, a union ship, check-off collection of union dues, liberalized vacations with pay and seniority rights. The company included in a counter-proposal an offer of a 2 1/2 cent an hour increase. Negotiations drifted into what was called an "absolute deadlock" on Friday night.

Murray ordered "peaceful picketing" at all U. S. Steel plants and said there "should be no violence."

"Big steel" holds millions of dollars in defense contracts. As the threat arose of a stoppage in its production, another problem gave definite promise of settlement—that of the bituminous coal strike. Also management and labor laid the issues of the long standing Allis-Chalmers strike before the defense mediation board.

In a statement Murray declared: "The Carnegie-Illinois Steel company has already rejected entirely or submitted unsatisfactory counter proposals with respect to each of the points offered by the steel workers organizing committee in its program."

"The SWOC will attempt to arrive at an agreement with the companies involved to provide for the continuance of work of the necessary maintenance men during the suspension of operations. Further instructions regarding this situation will be forwarded to you by wire."

The stoppage at the Ford plant in Dearborn, Mich., meanwhile was still at a standstill, although Gov. Murray D. Van Wagener of Michigan said "things look bright" for a settlement before long. Not only the Big River Rouge plant was shut, but other Ford plants in the country as well.

At the same time, a new strike threat arose. E. Frank Ward of the Federal Conciliation Service said about \$1,000,000 in ship defense production was in danger of a stoppage in Massachusetts, unless the Bethlehem Shipbuilding company and the CIO can work out a wage agreement over the week-end. The CIO asks wage increases.

Dr. John R. Steelman, director of the United States Conciliation Service, announced that a committee representing the United Mine Workers (CIO) and soft coal mine operators had been appointed to "edit a contract" for the presentation to the full negotiating committee on Monday. When a reporter said that to him the statement meant "arranging the phraseology and punctuation of an agreement already reached," Steelman said: "I am speaking your language."

Steelman had said earlier that some of the idle mines would reopen on Monday and Tuesday.

# CONNALLY

(Continued From Page 1)

man, OPM directors, will testify later.

Members indicated that the group would seek to ascertain where strike situations were most acute and would dispatch subcommittees to hold hearings in individual cities.

## Youth Program At Lake McClellan To Be Talked Saturday

A meeting called for Tuesday has been postponed until next Saturday, April 12, by Walter J. Corserta, at Lake McClellan, when plans for a youths' recreational area will be discussed. C. H. Walker, chairman of the lake committee of the Pampa Chamber of Commerce, announced yesterday. Corserta is head of the Amarillo lakes program.

Any interested official of the Boy Scouts, Girl Scouts, 4-H club, FFA, or other youth organization is invited to attend the meeting at Lake McClellan at the recreational building at 10:30 a. m., next Saturday.

The Soil Conservation service will be unable to provide any building or other facilities at this time, but will cooperate in providing space for a youth center, according to Chairman Walker.

### Italy Closing U. S. Consulates

WASHINGTON, April 5 (AP)—Acceding belatedly to the wishes of this government, Italy advised the United States today that it was closing the Italian consulates at Detroit and Newark, N. J.

The announcement came within two hours after Secretary Hull had told reporters the state department was giving attention to the fact that although it requested the closing of the consulates a full month ago, no action had been taken by Italy.

Late in February, the Italian government asked that American consulates at Naples and Palermo be abandoned. On March 5, the state department notified the Rome government that it would do so. And at the same time it asked that the two Italian consulates here be closed.

### Strike Situation To Improve Rayburn Says

BONHAM, April 5 (AP)—Speaker of the House Sam Rayburn, vacationing at his home near here, told reporters today that "despite some set-backs, the nation's defense preparation in the main is progressing rapidly."

"Under all the efforts which are being expended, I think the strike situation will get better soon."

"It must," he added emphatically. The speaker said that William Roy, assistant to the house parliamentarian, will fly to Bonham tomorrow for Rayburn's signature to a bill extending bituminous coal price fixing. Inclement weather prevented the trip today, and since tomorrow is Sunday, Bonham said he would sign the bill Monday.

### Jap Troops Reported In Full Rout In China

LONDON, April 5 (AP)—Japanese troops were reported tonight by Reuters, British news agency, to be in full rout after a six-day battle with Chinese forces in central China.

Chinese chief of staff, General Ho Ying Chin, described the action as the "most brilliant military feat in the entire war," and said the battle cost the Japanese three generals and about 20,000 men killed and wounded.

### HARRAH PASTOR

The Rev. C. Newton Starnes, pastor of Harrah Chapel Methodist church, will conduct a series of sermons on the subject, "Why the Cross?" during the Easter revival which begins today at the church. Services will be held each evening, including Saturday, through the coming week at 7:30 o'clock. Subjects for the week will be as follows: Monday, "Why the Cross for Jesus;" Tuesday, "Judas Who Betrayed Him;" Wednesday, "Simon Peter, Who Lost His Nerve;" Thursday, "Pilate, Who Shirked His Duty;" Friday, "Herod, Who Betrayed His Soul for Pleasure;" and Saturday, "Why the Cross for You and Me." The public is invited to attend the services.

### "Return This To Sender"

BLUE EARTH, Minn., April 5 (AP)—No mind reader, a railroad post-office clerk near here stamped "Return to Sender" on a letter addressed as follows:

"I forget the name. "Deliver to first farm west of Francis Mitchell's on south side of road on old number 9, East of Lake Park, Iowa.

"Large white buildings on top of hill. Has a lot of horses."

There is yet much homestead land to be procured in Alaska.

### Fleming To Discuss Federal Wage-Hour Law At Fort Worth

FORT WORTH, April 5 (Special)—Delegations of leading citizens from many points in West Texas, Oklahoma, and the Southwest generally, are expected by the Fort Worth Chamber of Commerce to be here Wednesday, April 9, to hear General Philip B. Fleming, Washington, Administrator of the Wage-Hour Division, deliver an address on the Wage-Hour Law to a noon luncheon mass meeting at the Hotel Texas.

Businessmen and employees of Fort Worth have already assured the Chamber, which is sponsoring an all-day Wage-Hour Clinic, during which General Fleming's talk will be the outstanding feature, of an attendance of over 500. Out-of-town delegations will swell that number.

The Fort Worth Chamber urges other Chambers of Commerce throughout the Southwest, and all citizens who are interested throughout this territory, to write, telegraph or telephone at once to make reservations for the noon meeting at which General Fleming will talk.

Every employer and every employee in Texas and adjoining states is invited by the Fort Worth Chamber to come to Fort Worth and take advantage of this opportunity to gain first-hand information about the Wage-Hour Law.

Open forum question-and-answer sessions for which no reservations are necessary, will be held all day.

The first Women's Rights convention was held in 1848.

### Polite Holdup Man Forgets His Swag

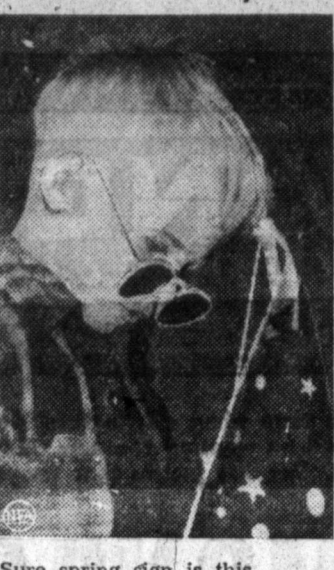

HOLLYWOOD, April 5 (AP)—This holdup man didn't forget his manners, even if he did forget his swag.

He approached Pilling Station Attendant Jack Lutz and remarked, in a well-modulated voice: "If you will be so good, sir, as to fill that sack—with money I mean. And be brisk, if you please."

Lutz complied. Then, at the robber's instruction, he walked down the street. When he returned, the man was gone. But the sack of money was sitting on a counter.

The first Women's Rights convention was held in 1848.

### Kites Are Flyin'

Sure spring sign is this . . . Allan Smith of Kansas City makes last-minute checkup before sending new kite skyward.

### Blind Author Will Address Legislature

AUSTIN, April 5 (AP)—Two blind members of the Texas legislature today were named co-chairmen of a committee to meet Miss Helen Keller, famous blind author and lecturer, on her arrival here Monday to address a joint session of the house and senate.

### Mighty Military Show Impresses Dozens Of Cities

(By The Associated Press) America celebrated Army Day yesterday (Sat.) with a mighty military show designed to impress upon the people of dozens of cities the present great drive for national defense.

From crowded sidewalks, thousands of citizens saw the army on parade, with its tanks, guns, mechanized equipment and newly increased manpower, while military planes of all types roared overhead.

"It is a work wherein domination by armed might prevails in so many unhappy lands," President Roosevelt said in a statement signifying the observance, "it is highly desirable that the American people focus their attention for at least one 24-hour period in a year on those military forces which constitute the land defense of our republic."

"The army must have complete support," said General George C. Marshall, the chief of staff, in a nationwide broadcast. "Without the full cooperation of the mechanic who builds the planes, the machinist who forges the guns, or the farmer who raised the crops, the soldier in the field cannot succeed. With the backing of the American family, of the women he loves and reveres, he cannot be defeated."

"The armed services stand as one service in the national establish-

ment," said Rear Admiral G. C. Rowlett, representing the navy at an Army Day dinner in Washington. The war department, meanwhile, reported a total of 1,124,000 men in uniform—491,000 regulars, 315,000 draftees, 280,000 national guardsmen and 38,000 reserves. A year ago, by contrast, only 225,000 men were under arms.

### Boston Evens Series

BIRMINGHAM, Ala., April 5 (AP)—Battering Jim Turner and Whitey Moore for a home run, four doubles and eight singles, Boston's Red Sox evened their series with the Cincinnati Reds at five-all here today with a 5-2 victory.

### Musto's Handlers Appear Satisfied

ST. LOUIS, April 5 (AP)—Tony Musto's handlers appeared satisfied tonight with the progress the squat Chicagoan has made in training for his fight with heavyweight champion Joe Louis Tuesday and think he should give a good account of himself—particularly if he gets over the first round or two.

"He's not such a good starter, but gets better as he goes along," said Manager Gabe Genova.

Musto laid off today, except for road work, while Louis went through three hard rounds in the ring.

### Senate Forces Could Kill Tobey Bill Against Convoys

By WILLIAM B. ARDERY  
 WASHINGTON, April 5 (AP)—An informal poll indicated today that administration forces in the senate have ample strength to kill proposals to forbid American convoys of shipments to Britain.

A ban against convoys proposed by Senator Tobey (R-NH) is pending before the senate foreign relations committee. An administration poll, corroborated in the main by an Associated Press check, showed that not more than eight of the 22 members of the foreign relations committee would support the proposal.

One administration supporter, asking not to be quoted by name, asserted that "we probably will just smother it to death in the committee."

Opponents of the Tobey resolution argue that the President's hands should not be tied. Not all, however, favor pigeon-holing the resolution in committee. Some were said to believe it might be preferable to report it without recommendation and have a senate showdown.

This group was reported to argue that holding the resolution in committee would only result in repeated charges in the senate of suppression. Senator Wheeler (D-Mont) and several others who opposed the British-aid bill have announced they would support the Tobey resolution, and would demand a senate vote.

Administration leaders said they could count on a two-to-one majority against the bill if it came to a vote. But some contended the proposal would involve days of debate and would delay other pressing measures.

Many supporters of the British aid legislation said during the debate on that measure they were opposed to convoys.

The lease-lend measure merely stated that nothing in the bill could be construed as giving the President power to order convoys. It generally was argued, however, that the chief executive had that power as commander in chief of the army and navy.

**Air Corps To Let Down Bars To Men Already Enlisted**

WASHINGTON, April 5 (AP)—Both the army air corps and the navy were reported authoritatively today to be preparing to let down the bars to enlisted men to assure an adequate number of pilots for their prospective new fleets of warplanes.

The air corps already has started a study of steps to revise downward existing strict requirements for fliers, and the navy has approved a recommendation that 20 per cent of its flying force be enlisted men.

With a few exceptions, only officers now fly American military and naval planes, and pilots candidates must have at least two years' college education or its equivalent.

Some officials believe, however, that only by following the example of Germany and Great Britain in making pilots of enlisted men can the army attain its objective of 30,000 fliers a year.

The existing rate of 12,000 annually was reached only last month when a class of 2,091 cadets started training. "The contemplated expansion would require monthly classes of some 5,000 fleglings—about half of whom normally would be 'washed out' before graduation—and advocates of lower standards have argued no such number of youth meeting existing qualifications can be obtained.

**Quality Babies Urged By Birth League**

AUSTIN, April 5 (AP)—"The quality of democracy tomorrow depends on the quality of babies born today," Mrs. Haywood Neims of Houston, president of the Birth Control League of Texas, said today as she completed arrangements for the organization's third annual convention opening here Tuesday.

Strengthening Texas from within through planned parenthood will be the theme of the session.

### Serbs Singing Old War Songs

(By The Associated Press)  
 SKOLPJE, Yugoslavia, April 5—Singing their old battle songs, the Serb soldiers are marching through this military center to what most of them believe to be death.

But they are light-hearted. In a Turkish cafe, one of the dancers, a fat woman, appeared on the stage wearing a Hitler moustache and improvised a ditty to the effect that the Fuehrer gradually had collapsed with a stomachache in fear of the Serbs.

The soldiers gave her a tremendous cheer. Pleas are entertainers, too, as the tough mountaineers pour in to join their army units.

This morning an urchin in the old Turkish quarters gave an open air performance of his flea circus. The fleas were placed on stone slabs marked "Serbia." From there they jumped into a chalked square labeled "Germany."

"This is how the Germans will run back home," the manager explained. Skopje is getting accustomed to the conditions of mobilization.

Women are replacing the men in shops and offices. The farms are suffering, however, because of the advanced season.

But the people say: "America has plenty of food. If we grow less we shall get it from our allies."

Morale of the army is superb. "We don't expect to survive this war, but if we do, so much the better," said one soldier. "We Serbs go to battle like other people go to weddings."

What the soldiers can't understand is why the war hasn't started yet.

**Oklahoma Considers Bill To Close Pool Halls, Night Clubs**

OKLAHOMA CITY, April 5 (AP)—Sunday closing legislation, already tested favorably in the Oklahoma house, will be advanced next week on the calendar if the author has his way.

H. F. Carmichael, Beckham county, said he would urge the rules committee to push forward his bill to close "pool halls, dance halls, night clubs, honky-tonks and chicken dinner houses" from midnight Saturday night to 6 a. m. Monday.

A stiff misdemeanor penalty would be the alternative.

Much other legislation not germane to the administration's fiscal program piled high in the house and it would have to step fast in view of Gov. Leon C. Phillips' guess at an early May adjournment.

With several expense chopping measures in the mill, including judicial redistricting to cut off some judges, Phillips said the next phase of his program would involve putting them across.

The second step will be digging up between \$3,000,000 and \$9,000,000 for the general revenue funds to start off the next fiscal year with a balanced budget—the constitution demands it.

The final weeks will bring up the spending bills after the money is in sight—appropriations for institutions, departments and common school aid to keep the government functioning.

Legislators turned from a week high-lighted by enactment of the controversial small loan regulation act to searching for the richest—and least painful—tax sources.

**Convict Captured**

HOUSTON, April 5 (AP)—William V. Cummings, 29 year old convict sentenced from Dallas county for robbery, was captured this afternoon near Houston a few hours after his escape from a prison sawmill in Huntsville.

Cummings was driving an automobile stolen in Huntsville.

### Britain Wagers Hitler To Invade Yugoslavia Next

(By The Associated Press)  
LONDON, April 5—A British informant with the best of sources made a next move and rated the invasion of Yugoslavia first and of England fifth in probability.

This authority ranked the invasion outlook in this order: Yugoslavia, Greece, European Turkey, Spain to reach Gibraltar, England, Ireland, the Russian Ukraine.

In putting England so far down the line, he explained: "The invasion of England could scarcely be launched without us knowing it some days in advance. It would be impossible to conceal preparations which would give us the tipoff. These are not now in evidence."

A move against Yugoslavia was placed first because of estimates that 375,000 German troops are already on or near the borders of that country.

It was declared that information reaching here indicated the Nazi soldiers were growing restless from inaction and that an offensive against the Balkan kingdom, primarily to protect the flank for a future move against the Suez canal, might be dictated at this time partly by the need of maintaining morale.

Thrusts against Greece or Turkey-in-Europe would aim at eventual closing of the Mediterranean sea, as would a Gibraltar attack, while a push into the Ukraine would be in search of grain and oil.

Against all these possibilities, London sources indicated that Britain's grand plan is to dispose her strength that she can smash quickly at the German drive wherever it starts.

### Nazi Columns Stopped When Hit By British

(By The Associated Press)  
CAIRO, Egypt, April 5—German-Italian armored columns rumbering east from Bengasi, Libya, were suddenly hit and held today by the waiting British imperial forces, it was officially reported.

This first dividend on Gen. Sir Archibald P. Wavell's elastic defense plan was announced by the middle east command in a single sentence: "Enemy columns advancing eastward from Bengasi have been successfully held and the situation is well in hand."

The location was understood to be some distance east of Bengasi. The British previously have estimated the Axis panzer forces to number about 20,000 men.

The German and Italian commands announced only today that they had taken Bengasi, although the British disclosed its abandonment Thursday.

The RAF today credited the Australian air force with downing six German planes, three of them bombers, in western Libya, and with heavy attacks on German-Italian troops and motor transports in the area.

On the east African front, where Italian resistance threatening to collapse, the British announced they had crossed Ethiopia's Awash river 50 miles east east of Addis Ababa after a sharp battle, had captured Adowa and Adiglat in northern Ethiopia near the Eritrean border, and had increased to nearly 5,000 their total of prisoners seized at Asmara, Eritrea.

Asmara also yielded quantities of military supplies and railway engines and equipment, the British announced.

The Italians dynamited the railroad bridge across the Awash river at the town of Awash, and shattered the South African forces with machine-gun fire from the western shore, then fled as the British advanced across.

The South Africans, who have been advancing at the rate of 25 miles a day for two months, said they ought to be in Addis Ababa in a few more days.

A British spokesman predicted that once Addis Ababa is in British hands, isolated Italian garrisons elsewhere in Ethiopia would be mopped up readily.

### Musical Program Will Be Given At First Methodist

A program of Easter music will be presented by the adult and young people's choirs of the First Methodist church this evening at 7:30 o'clock in the church in observance of Palm Sunday.

Miss Helen Martin and Miss L. Nellie Scheinagen are directors of the choirs and Mrs. J. S. Skelley is organist.

The program will be presented as follows:  
Organ prelude, "Jerusalem" (Maudslayi); procession, "Now the Day is Over"; hymn, "O for a Thousand Tongues to Sing"; prayer, responsive reading hymn, "O Could I Speak the Matchless Worth," offertory, "The Adoration" (Gaul); "O Morn of Beauty" (Sibelius); combined choir; "He Was Deposed" from "The Messiah" (Handel); Louise Smith; "Above the Hills of Time" (Londonberry Air); young people's choir; "I Am Athirst" from the Seven Last Words of Christ (Dubois); adult choir; "God is a Spirit" (Scholin); women's sextet; "Christ the Lord is Risen Today" (Wesley); girls' quartet from young people's choir; "Ave Verum (Mozart); adult choir; "I Know That My Redeemer Liveth" from the Messias (Handel); Dorothy Peacock; "Unfold Ye Portals" from the Redemption (Gounod); combined choir; benediction, and postlude, "Great and Marvelous" (Gaul).

**State Pay Ruled Out For Draftee**  
AUSTIN, April 5 (AP)—A state employe who is drafted for U. S. army service and is not a national guardman or a reserve officer cannot receive vacation pay after induction, Attorney General Gerald C. Mann ruled today.

Tom Deberry, member of the state board of control, had requested the opinion.

Mann recently ruled that members of the legislature called to active military service with the national guard could receive pay for 12 days of absence from civil duty.

Frederick Wilhelm Bessel discovered a star he never saw.

Byrd's round was, with the exception of one hole, a model of consistency. He had 14 pars, for only one of which he required a recovery shot, four birdies, three of them on par-5 holes, and finished with a tremendous gallery at his heels after starting off the first, tie with few more companions than Gene Sarazan and the two caddies.

Byrd was the only man able to crack the wind-swept course for a better-than-70 score this afternoon, and he and Wood were two of only eleven golfers who could equate or improve on par of 72.

Wood played sub-par golf for the third straight day with a 71. Byron Nelson, the PGA champion who had gone into today's round in second place, lost two shots to Wood and five to Byrd with a 73 for third place at 213. US Open Champion Lawson Little, third the day before, was one shot worse with a 74 for 215, where he tied with Willie Goggin of White Plains, N. Y. Goggin turned in a 72.

### Native Georgian Leads In Augusta Masters' Tourney

By BILL BONI  
AUGUSTA, Ga., April 5 (AP)—Samuel Dewey Byrd, a native Georgian who was brought up in Alabama and first gained fame as Babe Ruth's substitute, stood up alone today as one challenger after the other dropped out of the pursuit of Craig Wood in the Augusta Masters golf tournament.

The 33-year-old reformed outfielder shot a brilliant third round 68, four under par for the Augusta National course, to make up three shots on Wood and post a 64-hole score of 211 to the Mamaronock (N.Y.) veteran's 208.

Byrd's round was, with the exception of one hole, a model of consistency. He had 14 pars, for only one of which he required a recovery shot, four birdies, three of them on par-5 holes, and finished with a tremendous gallery at his heels after starting off the first, tie with few more companions than Gene Sarazan and the two caddies.

US Open Champion Lawson Little, third the day before, was one shot worse with a 74 for 215, where he tied with Willie Goggin of White Plains, N. Y. Goggin turned in a 72.

Is individual thrift out of date?

Some people think so. But let's look at the record. Figures recently compiled by the American Bankers Association show that thrift deposits in banks have increased for the seventh straight year. Over 45 million depositors have thrift deposits of more than 25 billion dollars. These figures speak well for the average American's faith and foresight. Our bank encourages thrift and welcomes the accounts of all sincere depositors.

### Revenue Bill Report Likely During Week

AUSTIN, April 5 (AP)—The conglomerate mixture in the legislature's pot of tax proposals may crystallize sharply next week with the report of a senate sub-committee appointed to draft a revenue bill.

Another important development of the session may be the movement from committee of the departmental and education appropriations bills, only major ones which have not made such progress.

The past week was highlighted by enactment of a law designed to prevent strike violence. The senate passed the bill Thursday, and the law became effective yesterday when Governor W. Lee O'Daniel signed it.

The statute made it a felony for anyone to attempt by force or threat to prevent another person from working.

By almost unanimous vote, the house Thursday sent the senate a measure requiring arbitration before a strike can be called. Under its terms, there would be no strikes except when employees were dissatisfied with the settlement proposed by an arbitration board.

A subgroup of the senate state affairs committee had been at work since Thursday on rewriting the \$25,500,000 tax bill passed by the house several weeks ago.

Many observers were of the opinion that the five senators might finish their important task Monday or Tuesday. The opinion was held in some quarters, however, that advocates of the bill might seek to hold off a committee report on it until later in the hope that the legislature shortly before the end of the session would accept it without substantial change.

Senator A. M. Alkin, Jr. of Paris, chairman, said that the senate finance committee probably would report the departmental appropriation bill Tuesday and the educational bill, the last of the major money measures, later in the week.

A drivers' license bill, already passed by the house, will be pending business in the senate when that body reconvenes Monday. The bill would give Texas the uniform drivers' license law which now is operative in most states.

The house won't meet until Tuesday, members having decided to attend "Army day" activities at Camp Bowie, Brownwood.

The Columbia river flows 1,400 miles to reach the Pacific, at a point only 450 miles from where the river originates.

### Market Briefs

NEW YORK, April 5 (AP)—Confusion by more critical war and labor problems, the stock market today stepped into a new territory for the first time this week.

The list was hesitant at the start and prices generally never displayed any real advancing tendency. Weakness was a rarity, however, and most declines at the close were limited to minor fractions.

The Associated Press average of 60 stocks was off 11 of a point at 42.25, but on the week held a net gain of 5. Transfers for the two hours amounted to 225,179 shares.

The business outlook still was up to expectations, although there were a few rifts in the shape of March chain store sales which disclosed a drop under the 1938 month.

Shares on the offside included U. S. Steel, Crucible Steel, Youngtown Steel, Chrysler, General Motors, Santa Fe, Great Northern, U. S. Rubber, Montgomery Ward, Allied-Chalmers, Douglas Aircraft, American Telephone, American Smelting, Standard Oil of N. J., General Electric, DuPont and Westinghouse.

Atlantic Gulf & West Indies common stock advanced from 18 to 18 1/2, respectively, up a shade were Texas Corp., Young Spring and Wire, Consolidated Edison, Sears Roebuck and Philip Morris.

AmGran 10 1/2, Am Gas & El 1 1/2, El Bond & Sh 2 1/2, Lone Star Gas 1 1/2.

CHICAGO GRAIN—Wheat prices rose as much as 1 1/2 cents at one stage today to near the best levels of the past ten months but could not hold the advance in the face of profit taking and hedging sales.

Corn rose almost a cent but closed unchanged to 1/4 higher compared with yesterday. May 27 1/2, higher than a week ago.

CHICAGO LIVESTOCK—Cattle saleable 150, calves 70, trade nominal. Compared close last week, mature beef steers 25-35 lower; top mature beef steers 11.00, yearlings 11.50; hogs 11.00, corn 1.15, hogs 7.25, vealers 12.00.

CHICAGO PRODUCE—Butter, firm; creamery 33 score 33.33, 92 32 1/2, 91 32 1/2, 89 32 1/2, 88 32 1/2, 86 32 1/2, 84 32 1/2, 82 32 1/2, 80 32 1/2, 78 32 1/2, 76 32 1/2, 74 32 1/2, 72 32 1/2, 70 32 1/2.

Transformed into FDR by makeup is Esther Van Wagoner Tuffy, during dress rehearsal for National Press Club women's dinner-play in Washington.

### Hitler Breaks Off Relations With Yugoslavia

BERLIN, April 5 (AP)—The conviction was expressed with increasing emphasis in Berlin tonight that "Yugoslavia has ceased to be a nation."

Earlier in the day authorized commentators had observed that diplomatic relations between Germany and Yugoslavia have, for practical purposes, come to an end.

Inspired comment followed the line that it is impossible to have diplomatic relations with a vacuum or "with such unintelligible, anonymous governmental leadership."

The attitude that "Yugoslavia is no longer a state in the ordinary sense of the word" was emphasized most strongly by an anonymous authoritative personality who was quoted by the Deutsche Allgemeine Zeitung.

The question arises, this personality stated, whether Yugoslavia is still capable of making and observing treaties, which is one of the most elemental functions of a state.

The manner in which the coup of March 27 tossed the three-power pact into the discard a few days after it was signed convinced this personality that Yugoslavia no longer is able to function as a state in this respect.

Germany was being told that Yugoslavia has become a hopelessly divided country where political confusion and worse reign.

The implication has become ever plainer that in the German view it is almost time that someone restore order in the kingdom.

It is argued also that Belgrade, by its present foreign policy, has forfeited its independence to England. "It is already a British conquest which now has the assignment to carry out the British policy of spreading the war," said the Allgemeine Zeitung.

### Texas Student To Urge Bundles For Britain

AUSTIN, April 5 (AP)—J. Ward Potts of Dallas, president of the University of Texas student body, will leave tomorrow for Washington to confer with President Roosevelt on a campaign to create more interest among college students on the "Bundles for Britain" drive.

### Rayburn Sends Famous Pen To Dr. Whitley

COMMERCE, April 5 (AP)—Speaker of the House Sam Rayburn remembers his alma mater, East Texas State Teachers college.

He sent Dr. Sam Whitley, president of the college, one of the pens used by President Roosevelt in signing the historic lease-lend act.

### Fat Lady To Go Under Knife To Remove Poundage

TAMPA, Fla., April 5 (AP)—The operation to remove some 100 of the 300 pounds of Mrs. Ruth Pontico, jovial carnival fat lady, has been postponed—the decay being an engineering rather than a surgical problem.

The standard hospital bed into which she attempted to climb at Tampa Municipal hospital a few minutes before an anesthetic was to be administered collapsed, and there she sat, helpless, but unhurt.

Doctors arrived quickly, and after examination said her pulse had increased to the point where they thought it best to call the whole thing off for the time being.

### Fire Rages In Cuba's Treasury Department

HAVANA, Cuba, April 5 (AP)—Fire believed by authorities to have been started by saboteurs burned unchecked tonight in Cuba's treasury department safety vaults where more than \$36,000,000 in gold and silver coins, and \$1,312,988 in old silver certificates were stored under downtown Havana's streets.

Police arrested nine of the ten laborers working in the vaults. No charges were made but they were held for investigation.

Over 60 firemen suffered suffocation and received medical treatment but none was seriously injured.

Army Uses Lake To Build Pontoon Bridges—SANTA FE, N. M., April 5 (AP)—An artificial lake developed by CCC enrollees in Ascarate County park, El Paso, has become an important cog in the nation's defense preparations.

The lake is being used by army engineer units from Fort Bliss in developing technique and speed in construction of pontoon bridges. Enough bridges have already been built over it to span many times the lake's 40-acre area.

Grandma To Spend 78th Birthday Fishing—SILSBEE, April 5 (AP)—Grandma Evans looks forward to Sunday morning.

She will get up early, travel 96 miles until she reaches the gulch, climb into a boat and, a good bit offshore, will pop a hook into the water.

After a day's fishing she will ride back home, satisfied that that is a fine way to celebrate a 78th birthday.

Her name is Mrs. W. H. Evans but everybody calls her grandma Evans.

# Ray And Twigg To Fight On Tournament Of Champions Card Tuesday Night

## TWO RECORDS SMASHED AS HARVESTERS WIN TRACK MEET

### Irish Second; Heiskell Tops Meet Scoring

The Pampa Harvesters regained their title of District Two track and field champions here Saturday afternoon when they upset all predictions by adding to the defending champions, the Shamrock Irishmen. The Harvesters had to place second in the mile relay to nose out Shamrock 33 points to 29 2/3 points. Booker took third place with 26 points. Booker won the relay.

With only one boy back from last year's team, Coach J. C. Prejean wasn't given an outside chance in the hope of placing anywhere near the top. His boys had worked out less than a dozen times and had not met any competition while other teams had competed in county meets.

Grover Heiskell, ineligible last year, was high point man of the meet, with 13 points. He skinned the 200-yard low hurdles in a 23.9 seconds to set the first record in the event. In the past the low hurdle distance was 220 yards. Heiskell also won the discus with a heave of 115 feet.

First record broke in the meet went to Pat Flanagan of the Harvesters who pushed the shot 46 feet, 10 1/2 inches to beat the old record of 45 feet, 3 1/2 inches set by Ford of Wheeler in 1936.

Only other record shattered was the 220-yard dash in which Robertson of Briscoe filled the distance in 21.1 seconds. The old record of 22.9 seconds was set by Jones of Hedley in 1935. Robertson was assisted by a strong wind in his back.

Robertson of Briscoe, placed second in individual scoring honors, with 11 points, while Henry of Darrouzett, with eight points, was third.

Results in track and field follow:

120-yard high hurdles—Henry, Darrouzett; Fort, Canadian; Clark, Shamrock; Rafferty, Pampa. Time 16.6 seconds.

100-yard dash—Sewell, Shamrock; Robertson, Briscoe; Heiskell, Pampa; Meador, Pampa. Time 10.3 seconds.

440-yard dash—Lawson, Booker; Nipper, LeFors; Dabbs, Canadian; Sewell, Shamrock. Time 5.9 seconds.

220-yard low hurdles—Heiskell, Pampa; Henry, Darrouzett; Hollis, Pampa; Spurlin, Canadian. Time 23.9 seconds.

440-yard relay—Booker, Pampa; Shamrock. Time 47.7 seconds.

880-yard run—Newberry, Phillips; Reynolds, Shamrock; Rogers, Wheeler; Kellan, Higgins. Time 2.23.

220-yard dash—Robertson, Briscoe; Spurlin, Canadian; Jenkins, Booker; Sims, Shamrock. Time 21.1 seconds. New record; old one of 22.9 made by Jones of Hedley in 1935.

Mile run—Medkief, Shamrock; Casper, Wheeler; Hauser, Higgins; Rivers, Canadian. Time 5.29.

Mile relay—Booker, Pampa; Canadian. Time 3.55.

Pole vault—Earhart, LeFors; Creekmore, Mobeetie; Arnold, Pampa; Pearce, Booker. Height 10 feet.

High jump—Wilson and Clark, Shamrock; and Ragland, Berger, tied; Clippner, Briscoe. Height 5 feet 5 inches.

Shot-put—Flanagan, Pampa; Russell, Canadian; Torrell, Pampa; Wilson, Shamrock. Distance 46 feet, 10 1/2 inches. New record; old one of 45 feet, 3 1/2 inches made by Ford, Wheeler, in 1936.

Broad jump—Cates, Booker; Robertson, Briscoe; Wilson, Shamrock; Clark, Shamrock. Distance 21 feet.

Discus—Heiskell, Pampa; Kerns, Booker; Flanagan, Pampa; Wilson, Shamrock. Distance 115 feet.

### Pampa Sweeps Both Boys And Girls Tennis Events

Pampa High school won both boys and girls singles tennis events in the district two interscholastic league meet here yesterday. Girls doubles went to Panhandle, while boys doubles were won by Pollett.

Pampa had the only golf team in the meet.

Borger's volleyball team took first place, with Pampa second, and Wheeler, third.

Cletus Mitchell will represent the district in the boys singles and Virginia Fore in the girls singles.

Final results follow:

Boys' singles—Cletus Mitchell, Pampa, defeated Eugene Sell, Darrouzett, 6-3, 6-3, 7-5.

Girls' singles—Virginia Fore, Pampa, defeated Joan Chambers, Canadian, 6-0, 6-0.

Boys doubles—Bill Tranfield and Winton Jett, Pollett, defeated Wayne Roby and J. D. Adams, Pampa, 6-4, 7-5, 6-4.

Girls doubles—Emmett Jane White and Jean Franklin, Panhandle, won from Gloria Holmes and Huberta Hendrick, Shamrock, 6-0, 6-2.

### Summaries Of Texas Relays

AUSTIN, April 5 (AP)—Texas relays' finals summaries included:

University-college class.

120-yard high hurdles—Won by Owens, Howard Payne college; second, Buck, Texas A. & M. college; third, Tate, Oklahoma A. & M. college; fourth, Goldsmith, Emporia (Kans.) State Teachers. Time: 14 seconds.

University-college class.

100-yard dash—Won by Terry, Texas; second, Ramsdell, Texas; third, Brown, Louisiana State. Time: 9.5 seconds.

University class.

Shot-put—Won by Deal, Rice, 49 feet, 7 1/2 inches; second, Isham, Southwest Texas Teachers, 47 feet, 9 1/2 inches; third, Wilson, Baylor, 47 feet, 8 1/2 inches.

Freshman-junior college class.

100-yard dash—Won by Metcalfe, Oklahoma A. & M.; fourth, Warren, Oklahoma A. & M. Time: 9.9 seconds.

Freshman-junior college class.

Quarter-mile relay—Won by Rice (Cook, Huff, Mattingly, Cummins); third, Oklahoma A. & M. Time: 42.6 seconds.

College class.

Sprint medley relay (440, 220, 220, 880 yards)—Won by Loyola of Chicago (Menes, Dougherty, Layden, Lenox); second, Southwestern Louisiana Institute; fourth, Abilene Christian. Time 3:38.2. (New record—Old of 3:28.6 set in 1940 by Butler).

University class.

Distance medley relay (440, 880, 3-mile, one mile)—Won by Oklahoma A. & M. (Taylor, Patillo, Hafner, Gibson); second, Drake; third, North Texas State Teachers; fourth, Emporia (Kans.) Teachers. Time: 10 minutes, 27 seconds.

Freshman-junior college class.

One mile relay—Won by Rice (Mattingly, Bergman, Whitmore, Cummins); second, Oklahoma A. & M.; third, Schreiner Institute.

University class.

Discus throw—Won by Hughes, Texas, 165 feet, 9 1/2 inches; second, Isham, Southwest Texas Teachers, 145 feet, 9 inches. New record. Old of 163 feet, 3 1/2 inches set in 1935 by Petty of Rice).

College class.

Half-mile relay—Won by North Texas State Teachers (Dodd, Williams, Rogers, Jackson); fourth, Southwestern Louisiana Institute. Time: 1:27.5.

University class.

Pole vault—Tie for first place at 12 feet, 6 inches, Bevan of Kansas, Lay of Rice, Berry of Southern Methodist, and Harris of East Texas State Teachers.

High jump—Tie for first place at 6 feet, 7 1/2 inches, Walters of Baylor and Boydston of Oklahoma A. & M.; third, Sonnenman, Kansas State, 6 feet, 6 inches. (New record: Old of 6 feet, 7 inches, set by Vickrey of Texas in 1937.)

University class.

Sprint medley relay (440, 220, 220, 880 yards)—Won by Texas (Harefield, Seay, Ramsdell, Umstad); second, Louisiana State. Time: 3 minutes, 24 seconds. (New record. Old of 3:28.4 set in 1939 by Rice. Betters world's record of 3:24.5 set by University of Pittsburgh in 1938.)

Javelin throw—Won by Mikeka, North Texas State Teachers, 203 feet, 5 inches; second, Isham, Southwest Texas Teachers, 195 feet, 8 1/2 inches; fourth, Mitchell Oklahoma City university, 192 feet, 9 inches.

Exhibition race.

480-yard shuttle hurdles relay run by Jacques of Texas, Leguens of Louisiana State, Owens of Howard Payne, and Kinzie, formerly of Duke. Time: 58.9 seconds.

University class.

One-mile team race—Won by Drake (Burch, Griffith, Jamieson, Roberts), 23 points scored as in cross-country; second, Abilene Christian, 34 points; third, Kansas State, 41 points. Best individual time: Burch, 4:31.9.

Broad jump—Won by Brown, Louisiana State, 25 feet, 7 inches; second, Clapham, Oklahoma A. & M., 24 feet, 3 inches. (New record. Old of 24 feet, 8 inches, set by Atchison of Texas in 1939.)

### Baseball Banter From Major Loop Training Camps

By JUDSON BAILEY

NEW YORK, April 5 (AP)—Experts are cooling off on the Yankees' team looks good but has too many ifs. . . If the Chicago Cubs hang onto Billy Herman, which they will do unless they have to trade for a catcher. Rookie Lou Stinger probably will open the season at shortstop. . . Two of the three St. Louis writers covering the Browns in Texas went for cowboy boots.

Each boy winning his weight division in the Tournament of Champions will receive an award.

Several boys who hold decisions over each other will be meeting in "rubber" battles. Some boys who have not exchanged blows this season will also meet. One or two boys with decisions over their opponents will be in action.

Starting at the 65-pound weight, Billy Stevens of Pampa will exchange blows with Bobby Dunn of LeFors. Each holds a decision over the other.

Closing the card will be a battle of heavyweights with Pampa sending big John Chesser to the ring and Borger presenting Trotter. They have not met in the ring this season.

Highlight battles in between should include the fight between Miami at 115 pounds. Each fought during the season at 125 pounds but sweated to the lighter weight for the tournament. The battle between Roy Ray of Pampa and Kenneth Twigg of LeFors, at 145 pounds, is another fight that should be a thriller. Twigg defeated Ray last time they met, but it was close all the way. Cornett of Pampa and Thompson of Wellington are scheduled to give fans a real old-time glove-swinging battle.

### 13 Bouts To Be Fought By Glove Champs

Although only 13 players reported for workout yesterday, Manager Dutch Prather of the Pampa Oilers is feeling pretty good. He figures that what he lacks in quantity he makes up in quality and he'll have several more players on hand Sunday.

The catching job, left vacant by the retirement of Lloyd Summers, will be handled by Milburn "Catfish" Smith, former football and basketball coach at Borger High school. Smith signed a contract yesterday and started working out. He is in good shape after playing basketball.

Smith, although a rookie, can be classed as a veteran. He caught for the Mount Pleasant team for six years and for the Huber Blackflies of Borger one year. He has played in three Denver Post tournaments and in two National Semi-Pro tournaments at Wichita, Kans.

The catching job will be a fight, however, because Harry Monroe, last year's team captain, will be counted out of the picture. Monroe has a good arm and he's a lefthanded hitter.

Oiler pitching should be strong despite the loss of Halborg, Elbeck and Vannoy, all sold. Back from year will be John McPartland and Monty Montgomery and there is still a chance that Frank Grabek of the 1939 team will be available. He is waiting for word from "Uncle Sam." Working out for mound jobs are A. C. Miller and Doc Howard, both of Pampa, who had trials last season. Also trying out is Frank Grabek from Chicago, a lefthander who handles himself well. Two more pitchers are scheduled to report Sunday.

Infielders Promising

Manager Prather will be on first. He has no second baseman in sight, but he has two mighty promising third basemen and one may be converted. A hot corner artist is Leon Bills of Seattle, Wash. He is a rookie, but seasoned. He was named one of the most valuable players in the 1940 Denver Post tournament while playing with Billings, Mont. He hit .400 in the tournament to take second place. The other third base prospect is a boy named Malnev. He is waiting for word from "Uncle Sam." Working out for mound jobs are A. C. Miller and Doc Howard, both of Pampa, who had trials last season. Also trying out is Frank Grabek from Chicago, a lefthander who handles himself well. Two more pitchers are scheduled to report Sunday.

### More Potential Oilers Will Show Up Here Today

looks like a ball player and may be the slugger needed in the outfield. Prather revealed yesterday that a deal is pending for an outfielder to fill Grover Setz's shoes and if the deal is completed fans won't have to worry about a fence buster. Prather would say nothing else about the dark horse.

The Oilers will work out Sunday beginning at 11 a. m., and lasting far into the afternoon. The squad worked four hours yesterday.

### Spokane To Give Golfers Lunch And Dinner Each Day

SPOKANE, Wash., April 5 (AP)—Hitch-hiking golfers who come to the National Public Links Golf tournament in Spokane this year—July 14-19—needn't worry about eating. The Spokane tournament committee is going to provide lunch and dinner daily. Dr. George Williams, chairman of the Spokane tournament committee and representative of the U.S.G.A. in Spokane, made the announcement today and said Spokane would spend nearly \$5,000 in entertainment and caring for needs of golfers, officials, and golf writers who attend Spokane's first national tournament.

"Every year," Dr. Williams explained, "a number of the boys hitch-hike to the tournament. It started way back in '29 when Johnny Goodman practically thumbed his way to Pebble Beach to lift Bobby Jones' national amateur crown.

"Sometimes a score, sometimes less, of the young fellows go to the tournament with barely enough money to get there and back. Then they try to play golf for a week on hamburgers.

"But this time, all they'll have to do is to get here and back. And play golf. We'll take care of the eating problem."

### Richesin Shoots Low Score Of Year In Strongest Wind

Yesterday's strong and tricky wind meant nothing to Jimmie Richesin who shot the lowest score of the year over the Pampa Country club course. Richesin shot a 68, making the first nine holes in 35, one under par, and the back nine in 33, two under par.

The course will be in excellent condition Sunday, weather permitting play. Pete Nossent reported last night. Greens, which were uneven yesterday, will be worked over.

Play this year, on favorable days, has been much greater than in past years.

Annual meeting of the club stockholders will be Tuesday night at 8 o'clock at the clubhouse. A Dutch lunch will be served.

Richesin's card yesterday read:  
Front nine . . . 452 643 345-35  
Back nine . . . 533 343 534-33-68

### Beagle Represents Pampa At National Defense Meeting

A. J. Beagle, chairman of the National Defense committee of the Pampa Chamber of Commerce represented Pampa at a meeting Friday in Dallas called by Charles M. Smith, southwestern regional coordinator of the office of production management of the National Defense Council.

Leading industrialists, bankers, and others from the leading cities of Texas attended the meeting.

Phillies Topple Sens

ORLANDO, Fla., April 5 (AP)—The Phillies tonight out of the base hits—two of them round-trippers,—to topple the Washington Senators, 8 to 3. Livingston, who returned to the lineup after a week's layoff with a weak arm, homered in the eighth for the Phils.

### Baker Beats Wilson 8-7 In Thriller

ATLANTA, Fla., April 5 (AP)—The Detroit Tigers wasted a lot of hits today and fell before Kansas City of the American Association, 8 to 5 in ten innings, to spoil a good job from Schoolboy Rowe.

PHOENIX, Ariz., April 5 (AP)—The Chicago Cubs rolled over the White Sox today, 16 to 6, giving them a total of 45 runs in their last three engagements with their bitter home town rivals. The National leaguers piled up 17 hits, including six home runs, off two pitchers.

ATLANTA, Ga., April 5 (AP)—After losing four out of five games to the Cleveland Indians on tour, the New York Giants took a change of pace against Southern Association opposition today and hammered Atlanta 11 to 0.

ALEXANDRIA, La., April 5 (AP)—The Brooklyn Dodgers overwhelmed Alexandria of the Southern league today, 13 to 1, with the National leaguers piling up 14 scattered behind the eight-hit hurling of Bill Swift, who went the route.

COLUMBUS, Ga., April 5 (AP)—The second string Brooklyn Dodgers bunched eight runs into one big fourth inning today to down Columbus of the Georgia-Florida league, 8 to 4.

MEMPHIS, Tenn., April 5 (AP)—The New York Yankees rolled up 17 hits today to wallop the Memphis clubs of the Southern Association 10 to 1.

### Zeke Bonuar Signs With Minneapolis

NEW ORLEANS, April 5 (AP)—Zeke Bonuar's hometown followers, who claim they knew all along the big cabbage-and-banana man would sign with Minneapolis despite his low head in the Army first, are convinced he'll use the Millers as a springboard right back into the big time.

Shunted from one club to another in a seven-year major league career, Zeke apparently was heartened when the Chicago Cubs sold him to the American Association team a month ago.

But he finally signed and slipped out of town so quietly some of his best friends didn't know he had gone.

Other American association clubs aren't exactly happy over having Zeke in the loop. Manager Bill Killinger of Milwaukee has pointed out that the short right field fence in Minneapolis' Nicollet park will be pie for Zeke's batting power to right and center.

# Gulfweight

tailored by HART SCHÄFFNER & MARX

Spring, Summer, Fall . . . where is the suit that weathers them all? It's here! It's Gulfweight! . . . It's Hart Schaffner & Marx' perfect solution to the light, regular-weight suit problem.

For Gulfweight is a suit tailored of light-weight worsteds that are about three ounces lighter, per yard, than the fabrics usually used in regular-weight clothing.

Yet all of the care and skill which Hart Schaffner & Marx put into the tailoring of a regular-weight garment have gone into the execution of a Gulfweight suit.

That's why Gulfweight is the one suit you can put on and wear every day from April until October.

### Exhibition Games

ATLANTA, Ga., April 5 (AP)—After losing four out of five games to the Cleveland Indians on tour, the New York Giants took a change of pace against Southern Association opposition today and hammered Atlanta 11 to 0.

ALEXANDRIA, La., April 5 (AP)—The Brooklyn Dodgers overwhelmed Alexandria of the Southern league today, 13 to 1, with the National leaguers piling up 14 scattered behind the eight-hit hurling of Bill Swift, who went the route.

COLUMBUS, Ga., April 5 (AP)—The second string Brooklyn Dodgers bunched eight runs into one big fourth inning today to down Columbus of the Georgia-Florida league, 8 to 4.

MEMPHIS, Tenn., April 5 (AP)—The New York Yankees rolled up 17 hits today to wallop the Memphis clubs of the Southern Association 10 to 1.

### Dallas Rebels Cut Squad To 23 Players

DALLAS, April 5 (AP)—George Schepps, president of the Dallas Rebels of the Texas League, said today player deals had lopped his squad to 23.

He disclosed sale of Catcher Al Weiland to Pensacola, Fla., of the Southeastern League; the conditional sale of First Baseman Frank Hargrave to Montgomery, Ala., of the same league; and the option of Pitcher Marvin Gramly and H. K. Perry to Pensacola.

Schepps transferred an exhibition with the St. Louis Cardinals, scheduled here Tuesday, to Waco, and said games with Minneapolis April 9 and Toledo April 11 were called off.

Dallas and Wichita Falls of the West Texas-New Mexico League play an exhibition at Wichita Falls tomorrow afternoon.

### Storck Resigns As Pro Grid President

CHICAGO, April 5 (AP)—Carl Storck, president of the National Professional Football league, suddenly resigned today, thus clearing the way for a peaceful induction of Elmer Layden as first commissioner.

Storck said he had decided to step out "for the best interest of the game."

In addition, he said, his health was poor, and that he wanted to go to Florida at once with his wife and daughter. Storck's bags were packed and his daughter was here to accompany him on the trip south.

Pirates Beat Athletics

EL PASO, April 5 (AP)—In typical Pirate fashion, the Pittsburgh National leaguers obtained a 9-1 lead over the Philadelphia Athletics, today, then blew up and lost 12-11 in a 10-inning game.

### Bees Get 20 Hits

ENID, Okla., April 5 (AP)—The Boston Bees set some sort of an exhibition game record today by slamming out 20 hits for a total of 52 bases as they conquered the St. Louis Browns 19-15 in an oversize slugfest. Included in the Bee stickwork were nine home runs, two each being contributed by Max West, Gene Moore and Babe Dahlgren.

# Longhorns Break World's Record In Sprint Relay

By FELIX R. MCKNIGHT  
AUSTIN, April 5 (AP)—Four Texas University lads—ranging from a towering redhead to a shy little fellow of five feet, six inches—whirled to a world's sprint relay record today in an electrifying performance at the fourteenth annual Texas relays.

Forced into a makeshift lineup at the last minute when one of its sprinters fell out with a pulled muscle, the Texas quartet ran the relay—a 440, a pair of 220's, and a final 880—in three minutes, 24 seconds.

It was just a clear half-second faster than the old record established by the University of Pittsburgh in 1938. Referee Lawson Robertson, famed U. S. Olympic coach and Pennsylvania coach, said the time made today would be submitted for official recognition.

Capt. Morris (Red) Barefield started with a 48.7 seconds quarter-mile, saw sprinters Billy Seay and Freddie Ramsdell add 21.6 second 220-yard gusts and then was there at the finish to grab sophomore Mac

Umatid when he finished his fine 1:52.1 half-mile.

Just a few minutes before the Texans failed in another attempt at a world relay record—the quarter-mile event—when anchor man Lonnie Hill, given an outstanding lead over the field, pulled a muscle as he grabbed the baton for the final 110 yards, but just hopped on down the track to give the Longhorns a 42-second performance. The world mark is 49.5 seconds, set by Southern California in 1938.

In all, the Texas team captured the quarter-mile, half-mile, mile, and sprint medley relay events.

It was a rough day on records—one world and nine Texas relay marks tumbling. One other was equalled.

Earle Meadows, the transplanted Texan who went to California and became one of the world's greatest pole vaulters, cleared the bar at 14 feet, six inches, but failed at a 15 feet, two inch height that would have been a new world mark.

Big Jack Hughes, University of Texas discus thrower, shattered a relay mark with a prodigious heave of 165 feet, 9 1/2 inches, breaking the old mark of 163 feet, 1/4-inch, that Petty of Rice had held since 1935.

Two long-legged lads in a record-breaking mood—Don Boydston of Oklahoma Aggies and Dub

Walters of Baylor—tumbled the relays high jump mark with stunning leaps of six feet, 7 1/2 inches and then missed, by the flick of a finger, six feet, 9 1/2-inch jumps that would have equalled the world's record.

Boydston, a man who seems to be all legs, actually did skin over at six feet, nine inches—but Referee Robertson ruled he made it on a fourth try.

Fete Owens, the studious looking chap from Howard Payne college, Brownwood, successfully defended his Texas relays 120-yard high hurdle title, racing over the sticks in 14 seconds flat and then came back an hour later to win an exhibition event in 13.9 seconds.

Wiry little Carlton Terry, University of Texas, came within one-tenth of a second of the world's 100-yard sprint record with an amazing 9.5 second burst.

The touted two-mile relay team of George Pepperdine college of Los Angeles, the bunch of kids who recently bested the University of Southern California, was surprised by a fine Drake university quartet which established a new relays record of seven minutes, 43 seconds—upsetting a mark of 7:47.6 set by another Drake team back in 1937.

Still another relays record tumbled when Loyola of Chicago raced through the sprint medley in 3:28.2, besting the 3:28.6 set by Butler university last year.

Elongated Billy Brown of Louisiana State shattered, by eleven inches, the old Texas Relays broad jump record with a leap of 25 feet, seven inches.

The meet closed with Texas winning its fourth relay event of the day—the mile affair. It missed equalling the relays mark of 3:18.4 by one-tenth of a second, despite the presence in their lineup—as a quarter-mile—of a two mile runner.

Two records fell, and one was equalled, in the high school division.

Woodrow Wilson of Dallas, anchored by a game little man named Jerry Thompson, stamped to a 3:40.8 time in the sprint medley relay to break the old mark of 3:41.2 established by San Angelo in 1930.

Twice during the day the school-boy high hurdle mark collapsed. In

# BITS ABOUT BOWLING

Toppling 2,279 pins, Hughes Potter won three straight games from Dr. Pepper in the Women's Bowling league Thursday night. Tex Evans took two out of three from E. & M. Cafe. High game of 192 pins went to Mrs. Weeks but high series of 540 pins was rolled by Mrs. Duenkel.

preliminary trials, Ray Jones, Austin's fine athlete, ran the 120-yard high in 15 seconds flat and then Vaughn of Laredo equalled the performance in beating out Jones in the afternoon finals.

McClendon of Carrizo Springs tied the 100-yard dash mark of 9.9 seconds set by Cecil of Preopert in 1936 and later tied by Cooley of Kaufman in 1939. Cooley, who had enrolled at Rice Institute, died recently.

# Nova Demands June Fight With Louis

By GAYLE TALBOT  
NEW YORK, April 5 (AP)—Lou Nova, having scored his second knockout of Max Baer and needing only one more to gain permanent possession, still was flexing his muscles today and demanding a June fight with heavyweight champion Joe Louis—nothing more, nothing less.

The big Californian with the stabling left declared he wasn't interested in meeting Billy Conn or anybody else beforehand, loftily implying that he was through with the small fry and wanted to get his tusks into something really big.

"I've stopped both Baer and Pat Comiskey this winter," he pointed out. "What has Conn been doing all this time? Oh, yes, he did manage to beat Gumar Barlund last night in Chicago, didn't he? That must be the same Barlund I whipped here several years ago when I was learning the business."

All of which places Promotor Mike Jacobs in a somewhat embarrassing position. Mike is truly fond of Conn, and only a few months ago he virtually promised the Pittsburgh adonis a June bout with Louis. In fact, he even signed Conn to a contract and told him to go home and get fattened up to heavyweight size.

But in the meantime, Nova has come back from his long illness stronger and better than ever, and Conn undoubtedly pulled a boner

# Music Goes Round And Round At Amarillo

AMARILLO, April 5 (AP)—The music went round and round for Amarillo's high school bandmen.

For three hours they played the same tune for 30 student conductors competing at region one's Texas music festival and not once did they finish the piece. Judges stopped the music as soon as each conductor had worked a few measures.

# Layden Becomes Grid Commissioner

CHICAGO, April 5 (AP)—Elmer Layden became the National pro football league's first commissioner-president today.

The former Notre Dame gridiron coach, chosen by club owners to rule the circuit as commissioner and also fill the presidential post which Carl Storck resigned yesterday, signed a five-year contract calling for an annual salary of \$20,000.

The height of the mercury in a barometer is about one inch less for every 900 feet of altitude.

**DOLLAR DAY**  
BRINGS YOU BIGGER SAVINGS THAN EVER!

**How LONG is a Gallon of Gasoline?**

WELL, it's longer going downhill than up, longer going slow than fast—but the important new discovery of the year (or since Buick's Compound Carburetion\* appeared) is that it's longer when you have two carburetors teamed like Buick's than when you have one!

Here's why:

In easy going like most of your travel, just one of Buick's smaller-than-usual carburetors thriftily handles all engine requirements.

Only when you want extra power does the second carburetor come in.

Then, momentarily, it adds extra fuel and extra power only while it's needed.

Result is that carburetion is always fitted to your driving need.

You're never driving with a carburetor that's bigger than you need for low-range travel, or one that's too small for top-range performance.

Now the net result is that the same-size engines give up as much as 10% to 15% more miles-per-gallon than last year.

And that's a handsome saving—mighty handsome in a car big and roomy and smart as a Buick.

Look over the next Buick that passes you—or better yet, go trial-drive one—and see if you don't agree. \*Optional equipment on the Buick SPECIAL, standard on all other models.

## Miss Flora Deen Finley Becomes Bride Of A. C. Martin Saturday Morning

### Just Between Us Girls

By Johanna Davis

APRIL

Smiles and tears, hopes and fears,  
Timid, yet advancing;  
Fleeting clouds and azure skies;  
Sunlight most entrancing;  
Lark's glad singing, real joy bringing  
To every weary mortal.  
Thlips blooming, fit with gloom-  
ing—  
April's at the portal!  
—Edith Low.

In addition to the current siege of measles and mumps, the most common complaint, seems to be spring fever. . . . Spring's approach just naturally brings wanderlust. . . . as well as beds of jonquils, violets, and iris which are breathtaking in their loveliness. . . . peach and plum trees in bloom. . . . flying kites, colorful marble games. . . . enormous white thunderheads. . . . Wonder how many school children had to skip the music contests in Amarillo last week as well as numerous birthday parties just because of the measles, chicken pox, and mumps?

The words, "A vision of loveliness," could be used to describe Flora Deen Finley who was beautiful in her white satin wedding dress Saturday morning when she walked down the aisle to her husband-to-be, Bud Martin. . . . Pampa loses to Wheeler one of its most popular girls. . . . Flora Deen's "something old" was a large cameo pin, given to her mother by her father. . . . Burton Tolbert, who's engagement to Jeff Bearden is being announced at a coffee this morning, is one of the loveliest and most charming young women we know. . . . Before the month is over the number of marriages and engagements will almost equal that of last June when Helen Draper Gibbons, Alberteen Schukley Triplehorn, Ruth Waggoner Phelan, Madge Deans Braly, Lucille Cole Hoffer, Ethel Wilder Johnson, and Katherine Barrett Reynolds were brides.

Thanks to Mrs. C. E. Cary for a pre-Easter box of delicious candy. . . and thanks to everyone who has cooperated in reporting society news on Friday afternoon for Sunday. . . . Congratulations to Mayor and Mrs. Fred Thompson, who are the proud parents of a six-pound daughter. . . . She has been named Joan Walden. . . . Excited as a June bride herself, Mrs. Bob Curry left yesterday morning for Tucuman, New Mexico, to attend the wedding of her brother. . . . The ceremony was solemnized in the home of their sister.

The life of every man is a diary in which he means to write one story, and writes another; and his humblest hour is when he compares the volume he is with what he would make it.

One of the latest books received at the library is *Conran dePoncin's "Kablona"* or *"The White Man"*, which escapes all literary pigeonholes. . . . It is a work of the imagination, an intense and vivid painting of the life of men of the old ice age and a fascinating revelation of the mentality of primitive man. . . . The author, a white man alone in the Arctic among the Eskimos, points out that the cold was a problem; but a very much more difficult problem was the Eskimo mentality. There was no getting on with the Eskimo except on his own terms. . . . A good part of this book is the story of the encounter of two mentalities and is very interesting, according to those who have read it.

Two organizations greatly affected by the season of the year are the Garden club and the Ladies Golf Association. . . . "Something unusual" is in the air for the Garden club but nothing definite will be announced until after the regular meeting of the group next Friday. . . . At the initial meeting of the women golfers last week, Wednesday was again chosen as the regular Ladies Day.

Among those celebrating their birthdays Tuesday, April Fool's Day, was the striking brunette, Margaret Stockstill. . . . Margaret's pet likes include horses, Indian jewelry, red, and old-time dances.

Students of the Pampa school of Fine Arts were hostesses to art lovers Saturday at an exhibit and tea held at the studio. . . . Many additions have been made to the school's collection of paintings shown at the Beta Sigma Phi art exhibit held in January.

The time has arrived for spring conventions. . . . Parent-Teacher Association members of the Eighth District will gather in Dumas on April 17 and 18 for a conference to be presided over by Mrs. W. B. McMaster of Perryton, district president. . . . Local federated clubs already have named delegates and alternate to the annual spring convention of the Seventh District, Texas Federation of Women's Clubs, to be held in Amarillo on April 29, 30, and May 1.

Comey Joan Gurley, daughter of Mr. and Mrs. F. O. Gurley of Pampa, was one of the attendants of the Personality Queen for 1941 at the Coronation Ball of West Texas State college in Canyon recently.

### Two Local Women Attend State Convention Of AAUW At Abilene

Mrs. V. P. Sheldon and Mrs. F. E. Leech will return today from Abilene, where they attended the state convention of the American Association of University Women on Friday and Saturday. Mrs. Sheldon is president-elect of the Pampa branch.

Theme of the convention was "Defending American Life." Prominent speakers on the program included Dean Margaret M. Justin of Kansas State college, Manhattan, director of the Southwest Central section of A.A.U.W., who gave the keynote address; Miss Fannie Reinford, librarian of the Wren library and the Rare Book collections of the University of Texas, who has been granted fellowships by the Guggenheim and Rockefeller foundations to carry on special research work, who spoke on the fellowship program; Judge Sarah T. Hughes of Dallas, national chairman of the A.A.U.W. legislative committee, who spoke on "National Objectives of A.A.U.W. in the Social Studies Field"; Dr. George Wythe of the United States Department of Commerce, authority on Latin-American economy, trade, and resources, who spoke on "Consumer Problems in the Americas"; and Senora Separata Balmaceda de Josefa, prominent social worker and university professor from Mexico City, one of Mexico's official delegates to the Inter-American conference in Lima, Peru, in 1938, who spoke at the international relations dinner on "The Unity of Women in American Life."

Dr. Anna Powell of Denton, state president for the past biennium, presided at the two-day conference. Newly-elected president is Mrs. A. A. Brown of San Antonio.

Mrs. Hol Wagner, local president of A.A.U.W., served as a member of the state nominating committee and was also invited to be one of the speakers on the convention program but declined because of other responsibilities.

Reports of the convention will be published in the next regular meeting of A.A.U.W. on April 15.

### Mrs. Downs Will Be Leader Of Delphian Study

"Recent Murals and Other Art Developments in the United States" is the topic of the program to be presented at the meeting of Alpha Mu chapter of Delphian society Friday afternoon in the city club rooms at 2:30 o'clock when Mrs. M. P. Downs will be leader.

Topics to be included in the discussion are "Thomas Benton," Mrs. Lee Harrah; "Gilbert Wilson," Mrs. J. C. Vollmert; "Murals of the Chicago Fair and P.W.A.," Mrs. Charles Vaught; and "Other Art Developments in America," Mrs. Roy McMillen.

Continuing the program, Mrs. Raymond Harrah will present "Modern Sculptors in America and Elsewhere"; Mrs. Tom Duvall, "George Grey Barnard"; Mrs. J. R. Spearman, "Second-Hand Pioneers in America"; Mrs. J. R. Spearman, "The Principles of Functionalism"; and Mrs. Bob Thompson, "Functionalism Today and Tomorrow."

Questions will be given as follows: A. Mrs. Garnet Reeves; B and C, Mrs. Raymond Harrah; D and E, Mrs. Bob Thompson; F, Mrs. J. C. Vollmert; G, Mrs. Lee Harrah; H, Mrs. Tom Duvall; I, Mrs. Charles Vaught; J, Mrs. J. R. Spearman; and K, Mrs. Roy McMillen.

### Senior BTU Has Wiener Roast At Lake McClellan

Entertaining members of the Senior B. T. U. of Central Baptist church, a wiener roast was held at Lake McClellan Thursday evening.

After the group roasted wieners and marshmallows, games were played.

### Second Birthday To Be Observed By Girl Scouts

Girl Scouts of troop four will celebrate the second birthday of the troop with a party at the little house Tuesday afternoon at 4:30 o'clock.

Mothers of the girls will be guests at the event.

At this meeting, articles made by the girls on their needlework badges will be displayed.

Joan is a popular freshman at W. T. S. O.

SPRING HOPES  
In Spring the young man's fancy turns  
To thought of love for Nell or Katie,  
While many a fat old golfer yearns  
To know the day he'll break an eighty.

### MEMBER OF PIONEER FAMILY IS APRIL BRIDE

Mrs. A. C. (Bud) Martin, above, was Miss Flora Deen Finley before her marriage which was solemnized in an impressive service at the First Presbyterian church Saturday morning at 10 o'clock. Mrs. Martin, who is a member of a pioneer family, has been complimented at numerous social events since her engagement was announced. Following a reception at the home of the bride's mother, Mrs. E. E. Finley, the couple left on a wedding trip to New Orleans. They will be at home in Wheeler after April 15.

### Mrs. Kay Presides As President For Auxiliary Group

Thursday evening Auxiliary of First Presbyterian church met in the auxiliary room Thursday with Mrs. Bob Mullen as hostess.

The newly-elected officers for the year 1941-1942 presided for the first time. They are: President, Mrs. Roy L. Kay; vice-president, Mrs. Frank Smith; secretary, Miss Dorothy Mullen; and treasurer, Mrs. James A. McCune.

After the business meeting the following program was given: Devotional, Mrs. Mackie Greer; and Mrs. Robert Boshen gave a talk on "Ministering to Shifting Population," the first in a series of pamphlets on "Population Shifts in America Today," by Ethel Prine Miller.

### Eight Circles Of WSCS Will Meet

First Methodist Women's Society of Christian Service will meet in circles Monday afternoon at 2:30 o'clock.

Meeting places will be as follows: One, Mrs. W. M. Pearce, 211 East Foster; two, Mrs. J. B. Williams, 401 North Hill Street; three, Mrs. J. W. C. Tooley, 1318 North Russell; four, church parlor with Mrs. M. N. Cox as hostess; five, Mrs. Nellie Ford, 642 North Banks; six, Mrs. J. C. Payne, Clara Hill class room; seven, Mrs. C. J. McNaughton, 906 North Gray; and eight, Mrs. J. E. Yoder, 443 North Starkweather.

### Civic Culture Club To Study "Mexico"

Members of Civic Culture club will meet in the home of Mrs. E. A. Shackleton for a meeting Tuesday afternoon at 2 o'clock.

Opening the program on "Mexico," roll call is to be answered with American Indian customs.

Mrs. J. H. Dehner will have charge of the parliamentary drill.

### Mrs. McBee To Be Varietas Hostess

Discussing "The American Home," members of Varietas Study club will meet in the home of Mrs. Horace McBee Tuesday afternoon at 2:30 o'clock.

Leaders of the varied program to be presented will be Mrs. J. E. Kirchner and Mrs. Luther Pierson.

### Couple Will Make Home In Wheeler After Wedding Trip To New Orleans

In a beautiful single ring ceremony solemnized in the First Presbyterian church Saturday morning at 10 o'clock, Miss Flora Deen Finley, daughter of Mrs. B. E. Finley, became the bride of Alfred Crawford (Bud) Martin of Wheeler, son of Mr. and Mrs. E. L. Martin, of Oklahoma City, with the Rev. Robert Boshen, pastor of the church, officiating.

White classic baskets and Grecian urns of white calla lilies were grouped around the altar with Kentia palms and candelabra with lighted tapers forming the background. The pointed Gothic arches on each side of the auditorium contained hanging baskets of northern ferns. Opposite these baskets were fan-shaped arrangements of woodwardia. The center aisle

### Mrs. Morrison Hostess At Dorcas Class Meeting

Dorcas class of Central Baptist church met in the home of Mrs. W. R. Morrison Thursday afternoon for a business session and social hour.

Following the opening prayer by Mrs. Harry Dean, Mrs. Earl Furnas presented the devotional and Mrs. H. T. Beckham conducted the business hour.

Mrs. V. J. Castka was in charge of the entertainment which was in keeping with the Easter season. To conclude the meeting, Mrs. O. H. Gilstrap led in prayer.

Mrs. Dean assisted the hostess in serving refreshments in the Easter motif to Meses. A. B. Gossett, V. J. Castka, H. T. Beckham, W. T. Broxson, Earl Furnas, John Browning, Jess Hatcher, W. R. Morrison, O. H. Gilstrap, and one visitor, Mrs. J. W. Morrison of Clarendon.

The class will meet in the home of Mrs. Dean on May 1 for a business session and social.

### P-TA School Of Instructions To Be At Briscoe

Parent-Teacher Association workers of Pampa are invited to attend a school of instructions to be held for Wheeler county at Briscoe tomorrow.

The first session will be held at 2:30 o'clock when a training course for officers will be held. Installation of officers is to be conducted at the night session.

Mrs. W. H. Parsons, fourth vice-president, of the Texas P-T. A. will have charge of these two services.

### Beta Sigma Phi Chapter To Meet Twice This Week

Officers, committee chairmen and pledges of Upsilon chapter of Beta Sigma Phi sorority will have a called meeting Monday evening at 1 o'clock in the home of Mrs. Oscar Hinger.

On Tuesday evening at 7:30 o'clock, all members of the chapter will meet at the high school auditorium where the one-act contest play, "Happy Journey," will be presented under the direction of Kenneth Garman.

Following the play, the group will go to the home of Miss Cleora Stalwart where Mrs. Floy Gobble will be hostess at a regular meeting.

A program on architecture, home building, and planning will be given with Johnnie Davis as leader. Topics are to be discussed by Mrs. Hinger and Miss Margaret Stockstill.

### Women Golfers Have First Meeting Of Season At Club

With the arrival of the first days of spring, local women golfers gathered to reorganize for the season. More than 20 women attended the initial meeting of Ladies Golf association held at the Country Club house.

Presiding at the meeting were Mrs. A. J. Beagle, president, and Mrs. Frank Carter, secretary.

Again Wednesday was selected as the regular day for playing golf each week. Two prizes will be given next Wednesday when the play will be on putting throughout the day.

### 20th Century Will Have Music Program

"Music" is the topic of the program to be presented at the meeting of Twentieth Century club Tuesday afternoon at 2:45 o'clock in the home of Mrs. Tom Rose.

Mrs. W. A. Bratton will be leader of the program which is to be presented with roll call when members will answer with Bible quotations.

A review of "Smattering of Ignorance" is to be presented by Mrs. F. L. Stallings. Mrs. J. B. Massa will have charge of the music.

### Twentieth Century Culture Will Meet

Observing Texas Day, members of Twentieth Century Culture club will answer roll call with unusual facts about Texas at the meeting of the organization to be held Tuesday afternoon at 3 o'clock in the home of Mrs. V. L. Hobbs.

"Art and Sculpture" is to be discussed by Mrs. Garnet Reeves after which Mrs. L. L. McColm will speak on "Texas Musicians."

Assisting in the musical part of the program will be Mrs. L. N. McCullough, Mrs. Foster Fletcher, and Mrs. W. Calvin Jones.

(Continued From Page 9) of white hydrangeas showed with hyacinth flowers.

George C. Davis, Erick Oklahoma, served as best man. Usbers were Charles A. McClain, Oklahoma City; M. L. Ferguson of Corpus Christi, and James L. Myers, Pampa.

After the ceremony, a reception was held at the home of the bride's mother. Guests were received by Mrs. Finley and Mrs. E. L. Martin.

Entre Nous Club Sews For Red Cross At All-Day Meeting

A covered dish luncheon was served at the all-day meeting of the Entre Nous club held Friday in the home of Mrs. Guy Farrington.

A surprise shower was given to honor Mrs. J. L. Stroope on her birthday. After the business session, a reading "Frederika" was presented by Louise Lawler.

The next meeting of the club will be in the home of Mrs. Stroope.

Guests at wedding: Out-of-town guests at the wedding included Miss Nellie M. Warren, Olathe, Kansas, aunt of the bride.

Debs Are Kissing Boys Good-bye--You'd Think A Hurricane Had Hit Cafe Society

Billy Livingston . . . and mournful Brenda Frazier.

By PATRICIA COFFIN New York Society Editor Written for NEA Service

NEW YORK, April 5.—The shadow that falls across Cafe Society these days is a long and lean shadow, topped with the outline of whiskers and a high hat.

It is the shadow of your Uncle Sammy. For while play-girls pout and mamas mourn, Uncle Sammy is giving new meaning to that over-worked phrase, Eligible Young Men: "Eligible" for the army and the navy, says Uncle Sammy!

GLAMOR BOY CHANGES HIS SPOTS. The glamor boy, species of American male otherwise known as the deb's delight, is about to become extinct.

After one year of wearing khaki, for instance, Billy Livingston, Brenda Frazier's one-time best beau, won't know how to don a jacket checked sports jacket. He is going with the seventh.

Donald Munroe, No. 1 glamor boy of the 1939-40 season, has just been drafted and it's a safe bet that he'll be more concerned with the design of a machine gun for the next year than of a dress. His ambition was to become another Mainbocher.

Robin Thomas, step-brother of Diana Barrymore and son of Mrs. Morrison (Michael Strange), had "deserted his class" when he joined up with the regular army.

The polo-playing Guest brothers, Raymond and Winston, have left the Palm Beach picture. Raymond has joined the navy and is to be stationed off Cuba. Winston has volunteered and is awaiting his call along with Gurnee Munn, Jr.

Bob Topping has left his wife, the former Gloria Baker, at home with Mama, Mrs. Margaret Emerson, and has applied for a position in naval aviation. Quentin Felner and Bobby Le Branch were volunteers.

Jorge Andre, Jr., and George Froelighusen were called away from the nightclub scene.

Missing from the social whirl, too, are Detroit's Benson Ford, grandson of Henry; handsome Hank Barber of exclusive Tuxedo Park, whose daily double is divorcee Prune St. George Duke; and golfer-socialite T. Sufferer Taylor.

"FAREWELL-TO-ARMS" PARTIES BY THE SCORE. All this kissing the boys goodbye has led to a number of engagements, engagements, and no end of farewell-to-arms parties.

Bunny Hewitt, prominent poet-deb, wed Daniel Bates, Jr. the other day without as much as a winking patriotic fervor. Foundering marriages reportedly have prompted some. And the romance of the military. Allection Cushman's reason, spurred others. But the section: "It will be good for you." And probably it will.

WOODROW WILSON P-TA TO PRESENT RADIO PROGRAM. Woodrow Wilson Parent-Teacher Association will give the fourth in a series of radio programs.

Easter Party And Program Given For Class And Guests

Mrs. W. J. Parker entertained pupils in her expression and piano classes, their parents, and guests, with a party and program Friday afternoon in the home of Mrs. Willey Day.

The program included a reading, "Radio Quiz Program," and a piano solo, "Alice Blue Gown," by Nelda Joyce Davis; a reading, "A Little Girl's Trouble," and a story, "Not Guilty," by Jane Day; a story, "The Cat and the Mouse," and a reading, "The Little Housekeeper," by Shirley Ann Jordan; reading, "Just So," and "The Old Rooster," by Carol Dean Rankin; reading, "The Champion," and a piano solo, "Blue Bells," by Byron Byars; a piano solo, "Slumber Land," by Jimmy Sue Day; a reading, "Catching Sam'l Jackson," and a piano solo, "Lapaloma," by Lee Mary Parker. A playlet, "Dolly Has the Flu," by Byron Byars and Jane Day concluded the program.

An Easter color motif was stressed in the refreshments, table decorations, place cards, and Easter baskets which were presented as favors to each youngster.

Certificates of merit were given to each student and special awards were presented to Jane Day and Byron Byars for having the most attractively-decorated expression books.

Child Study Club Meets In Home Of Mrs. Simms. Special To The NEWS MIAMI, April 5.—Child Study club met Thursday with Mrs. Marvin Simms to continue the study of South American countries on which this year's programs are based.

Mrs. Art Evans was leader of the program and gave a short history of Peru, also something of its geography and products. For her special feature, Clyde Hodges presented a quiz of current history questions which she called "The Woman on the Street," and a word contest.

In the word contest Mrs. Lee Newman received a surprise package for getting the most words. The program was concluded with a parliamentary drill by Mrs. Theo Jenkins, parliamentarian.

Mrs. C. Carmichael, president-elect, was named delegate to the district Federation meeting in Amarillo. Mrs. H. J. McCustion was elected alternate. Date for the guest party was changed to the first week in May.

The hostess served an Easter refreshment party to 14 members.

Hopkins P-TA To Install Officers. Special To The NEWS HOPKINS, April 5.—Officers of the Hopkins Parent-Teacher Association, who have been elected for the coming year, will be installed at the next regular monthly meeting.

They are Mrs. A. A. Proctor, president; Mrs. R. W. Orr, vice-president; Mrs. Wesley Barnett, secretary; and Mrs. Moore Jones, treasurer.

Mrs. A. A. Proctor has served one term as president of the P. T. A. and two years previously as secretary of the organization. Mrs. Wesley Barnett is the present Tri-County secretary of the P. T. A. and chairman of room mothers in the local unit.

Mrs. R. W. Orr has served this term as vice-president and has been active in P. T. A. work for several years. Mrs. Moore Jones was re-elected treasurer for the second consecutive year.

The president will appoint chairman of the various standing committees at the next regular meeting.

Junior Child Study To Meet On Tuesday

At the meeting of Junior Child Study club in the home of Mrs. C. C. Barnett, a program on "Music and Dance" was presented by Mrs. J. M. Boring.

Gifts were presented to Mrs. E. G. Lowrance and Mrs. Russell Kennedy. Members present were Mmes. C. C. Bogan, C. C. Barnett, J. M. Boring, W. B. Clayton, James Foster, A. M. Funk, Jr., Russell Kennedy, E. G. Lowrance, J. L. Mullinax, Ray Nielson, W. D. Powers, and William Tinsley.

Mrs. James Foster will be hostess to the club Tuesday afternoon at 3 o'clock in her home at 217 North Houston street. The nursery will be at Rice Kiddie Kollege.

Forum To Meet In Home Of Mrs. Loving

Mrs. W. L. Loving will be hostess to members of the Twentieth Century Forum at a meeting to be held Tuesday afternoon at 2:30 o'clock. The program will include a discussion of "Cuba" by Mrs. W. C. Stack and "Haiti and the Dominican Republic" by Mrs. Frank Perry. Concluding the program will be the topic, "Puerto Rico—Watchdog of the Caribbean."

Officers and teachers of the business department of First Baptist church entertained their husbands with an April fool social recently in the home of Mrs. Russell Dean, 212 Wynne street.

Dance Given To Fete Melba Savage On Recent Birthday

Mr. and Mrs. Vern Savage honored their daughter, Melba, recently with a nickelodeon dance at the Phillips Community hall, the occasion being Melba's seventeenth birthday.

Citizenship Program Planned By Club

WHITE DEER, April 5—Plans for a county-wide Citizenship Day program to be held about May 20 were made at a meeting of the Venado Blanco club, Thursday evening at the home of Mrs. Eugene Richardson.

It was voted to spend \$20 of the park fund to match a like contribution from the Centennial club, on the purchase of see-saws and canna bulbs for Venado park.

It was voted also to present the book, "The Business of Being a Clubwoman," to the local branch of the county library.

The program was the fourth in a series on "Home Beautification," with Mrs. Bill Watson as leader. She discussed "Table Decorations"; Mrs. C. B. Chunn, "Table Appointments"; and Miss Vivian Hammack, "Table Service."

AMARILLOANS TO SING IN "THE HOLY CITY"

Three Amarilloans, who will be soloists in the presentation of "The Holy City," on Easter Sunday at the First Christian church are Lorenz Bastion Bar-

rett, left, Wendell Heiny, center, and Mrs. Otis Truelove, right. Mrs. Barrett will sing "Come Ye Blessed"; Mr. Heiny, "To the Lord, Our God"; and

Mrs. Truelove, "These Are They." At the rehearsal to be held this afternoon at 4:30 o'clock in the church, seating arrangements will be made.

Alaska To Be El Progreso Topic

Hostess at the meeting of El Progreso club Tuesday afternoon at 2:30 o'clock will be Mrs. Dave Pope. Leader of the program on "Alaska" will be Mrs. J. B. White.

Mrs. Robert Boshen is to give a five-minute sketch of Admiral Byrd.

Mrs. Locke Hostess To Woman's Study Club

MIAMI, April 5—Woman's Study club met in the home of Mrs. Agatha Locke this week with Mrs. J. L. Selby acting as leader for the afternoon.

Two numbers from current magazines presented by Mrs. Seiber and Mrs. Fitzgerald added variety to the program.

Mrs. Fitzgerald's part on the program was an article from the Atlantic Monthly called "The Bible Goes Home."

Three guests, Mrs. E. M. Ballengee, Mrs. W. O. Russell, and Mrs. Dale Low were present.

Mrs. McConnell Leads Program For Club

WHITE DEER, April 5—Mrs. M. H. Kuykendall was hostess to the Centennial club, Thursday afternoon, in the home of Mrs. R. A. J. L. Harsh, "State Parks."

The Easter theme was used in decorations and refreshments.

Attending were Mesdames George Coffee, Bert Collis, V. D. Crum-packer, Glenn F. Davis, Neal Edwards, J. C. Freeman, E. H. Grimes, J. L. Harsh, Stacey Hasner, Biggs Horn, Girtha McConnell, Bruce Martin, R. A. Thompson, and Miss Anabel Moss.

Mrs. Dial Hostess To Twentieth Century

SHAMROCK, April 5—Mrs. W. H. Dial was hostess to the Twentieth Century club at her home on Thursday.

The order of the day was reversed and the program was given preceding the business meeting.

Mrs. R. F. Fry was leader of the program on "Characters Selected from the Bible." Mrs. Ewell Bradley told the story of Ruth.

After the program, a short business meeting was held.

Couple Entertains Miami Group At Party

MIAMI, April 5—Mr. and Mrs. Vivian Wilkenson entertained a group of friends with an attractive party recently. Five tables were arranged for bridge.

The combination couples' prize for high went to Mr. and Mrs. Horace Smith, with second to Mr. and Mrs. G. B. Rush.

A pie and coffee course was served to Messrs. and Mmes. D. I. Barnett, Dale Low, Buford Low, Sloan Baker, Garrison Rush, Thomas O'Loughlin, Horace Corse, S. W. Corbin, and the hosts.

Art Club Entertained At Forty-Two Party

WHITE DEER, April 5—Mrs. J. C. Freeman entertained the Art Club at her home recently.

High score in the forty-two games went to Mrs. W. J. Stubblefield, and low score to Mrs. Maurice Carlson.

Guests were Mesdames Lorene Skaggs, and Jim White of Pampa, E. P. Tubb, C. B. Collis, Maurice Carlson, and E. C. Morris Members present were Mesdames Stubblefield, McConnell, George Coffee, Roy Matheson, and E. H. Grimes.

First Baptist WMS To Have Luncheon

Members of Woman's Missionary society of First Baptist church will have a luncheon at 1 o'clock in the church.

An executive board session at 12:30 o'clock will precede the luncheon, and a program is to be presented after lunch.

GLORIFYING YOURSELF

BY ALICIA HART

Even a temporary case of jitters spoils any woman's appearance, no matter how well dressed and well groomed she is. There are no two ways about it—fidgety hands, restless feet and the roving eye that bespeaks a lack of inner poise cause charm to fly out of the window and greatly detract from physical beauty, however flawless it is.

The smart woman knows that she never is at her best when she is very tired. She knows that many a case of jitters is due simply to lack of sleep.

She knows, too, that lack of exercise often causes fluttry gestures, that one of the best ways to regain her poise when she is upset is to take a long, brisk walk.

Among other things that your woman of poise and beauty has learned is how to relax at odd moments during the day. For instance, she does not fuss or keep her eyes glued on her wrist watch or, worse yet, fly into a temper when she has to stop her car and wait for a traffic light to change.

She knows that getting upset about traffic lights won't get her to her destination any faster and, in fact, will make her less interesting to look at and talk to once she does arrive.

DON'T LET MINOR WORRIES UPSET YOU

So she has trained herself to relax and think about something pleasant while waiting for lights to change, while waiting for the long distance operator to get a number or a saleswoman to bring back sales check and the right change.

She doesn't "go all to pieces" when the biscuits get too brown or the cake turns out to be not as light and fluffy as she would like to have it. She knows that any guest and every member of her family can survive the tragedy of burned biscuits without batting an eye, but that nobody will have much fun at dinner unless she is calm and good natured.

Central Baptist W. M. S. Will Meet

Members of Woman's Missionary society of Central Baptist church will meet at the church for a luncheon at 1 o'clock.

Following the lunch, a business session will be conducted and reports will be given.

The Royal Service program is to be directed by Lydia circle.

McLean Home Economics Girls To Style Dresses

Special To The NEWS

McLEAN, April 5—The home economics girls of McLean High school will style their dresses Wednesday

afternoon in the high school building.

Some 50 girls are taking part in the styling from first, second and third year girls. The first year girls are styling print dresses while the second year girls are styling tailored dresses and the third year girls

are styling special occasion dresses.

Three girls, one winning first from each class and one club delegate elected by the point system, will go to San Antonio to attend the home economics state rally from April 30 to May 3, along with their sponsor, Miss Idell Gadberry.

# Easter Essentials

BOB CROSBY'S DEBUT

Bob Crosby makes his film debut in RKO's 84-minute entertainment comedy, "Let's Make Music."

lady who teaches musical appreciation to the all-too-bored Newton High pupils, but who sheds her academic cloak completely on composing "Faint on for Newton High."

Mexican Converts Baptized At San Jacinto Monument

SAN JACINTO BATTLEGROUND—Texans and Mexicans have buried the hatchet afresh on this old battlefield.

On the site where in 1836 General Sam Houston and his 600 tattered patriots routed a Mexican force twice as large, hundreds of Mexicans met—but not for battle.

They came for a baptismal service to see converts of missionary work baptized by Rev. Loyd Corder, Southern Baptist missionary.

In the waters at the foot of the glistening San Jacinto Memorial Shaft, the Texan missionary baptized the Mexican believers.

Rev. Corder, who is the Southern Baptist Home Mission Board's superintendent of city mission work in Houston, baptized Hortensia Hernandez and Tomasita Carrizales into membership in the Central Mexican Baptist church of Houston.

Other believers, Jesus B. Ramirez, and Fernando Alcega, uniting with the Memorial Baptist church of Pasadena, were baptized by the pastor, Rev. J. Griffin Chapman.

Mrs. Barkley To See Soldiers In Review

SAN ANTONIO, April 5 (AP)—Mrs. Antonia Barkley of San Antonio, mother of the World War hero for whom Camp Barkley at Abilene was named, will watch 4,000 soldiers pass in review at the camp Monday as principal guest of honor.

The camp was named in honor of David Barkley, only Texan awarded the congressional medal of honor in the World War. He was killed in action.

The 250-pound dragon of Komodo, world's largest known lizard, became known to science as late as 1914.

SHOWBOAT STAR

They have a hard time these days providing a different setting for each Gene Autry pic. Getting away from cactus, sand, rocks, and mountains of the wide-open spaces to the piney woods of Carolina—now it's the land of old man river.

Gene's 10-gallon chapeau, and Smiley Burnette's hat that looks as though it had been in a cattle stampede, may be out of place on the Mississippi but the movie-makers make it plausible in Republic's 79-minute romantic musical meller, "Ridin' on a Rainbow."

at the Rex Friday and Saturday. Action takes place on a showboat. In case you're wondering how Gene got there in the first place—the sagebrush cavalier and his pal have driven a herd of cattle to the Mississippi. Mary Lee, Gene and Smiley, and Carol Adams are the principals in the cast.

BENEFICIAL TO MANKIND

By destroying many injurious insects, ladybird beetles are of great benefit to humanity, but few persons recognize this beetle in the larval stage, in which it does its greatest service.

FIRST OF ITS KIND

Painted in 1369, a portrait of Cardinal Ugone, which hangs in the church of San Nicola, Treviso, Italy, is the first known painting of a person wearing spectacles.

WEEK'S FILMS VIE AGAINST LURE OF BEAUTIFUL SPRING

Twin Bill At Crown, Wallace (Pancho) Beery At LaNora, Aviation Pic at Rex, However, Offer Varied, Entertainment-Packed Competition

By BROWNWOOD EMERSON

These are the days when the later sunsets, earlier sunrises, and the flowers and trees, birds and bees—(there, spring has got us!)—make it tough going to stay inside.

Therefore, the flickers may look for some real competition from now on, as they plug their wares against the allurements of the belle spring. Weather not like prices, subject to change without notice—this is written Friday night.)

Not that this week's film fare is hard to take, but if there's any time a showman needs a super-colossal, special terrific, greatly gigantic offering to make the turnstiles click rapidly, now is the time.

To get on with the story, however, we note the twin bill at the Crown today one pic featuring Bob Crosby and appropriately titled "Let's Make Music," the other bringing back the old time humor of Harry Langdon. The latter opus is slugged "Misbehaving Husbands."

Other week openers include the dynamite-TNT merger of the Dead End Kids and the Little Tough Guys in "Give Us Wings," at the Rex. By wings, they don't mean anything angelic, either. Putting those two groups together is like a flock of Spitties tangling with a dozen Messerschmitts, with a Dornier thrown in for good measure. At the LaNora, Wallace Beery does another of his typical characterizations in "The Bad Man."

Texas' John Boles and Barbara Stanwyck are teamed in "Stella Dallas," current at the State. Bette Davis who displayed nice pistol shooting in bumping off a mere male in "The Letter," battles in a more feminine manner in "The Great Lie"—claws are unsheathed, there's poison in every gesture and menace in every polite adjective at 10 paces—as Bette and Mary Astor engage in verbal combat at a swanky bar over George Brent. It seems that once upon a time George and Bette were Mr. and Mrs.—then along came Mary, and the fireworks start. It's on the LaNora screen Friday and Saturday.

Langdon Back Harry Langdon, Betty Blythe, and Ralph Byrd, have the leading roles in PRC-Jed Bulli's picture, "Misbehaving Husbands," second part of a twin bill opening the week at the Crown.

In the film, Langdon is seen as the department store owner who works late on the night of his twentieth wedding anniversary, missing a surprise dinner planned by his wife, Betty Blythe. He is seen taking a wax window model to be repaired, and picked up by the police who suspect a murder. Running time, 65 minutes.

Typical Family Picture Thoroughly delightful entertainment is The Film Daily's tag on Metro's 78-minute "Keeping Company," with Frank Morgan, Ann Rutherford, and John Shelton. Foulful romance and problems of parents in the case at hand are thoughtfully and realistically presented in this new release. On the LaNora screen Thursday.

Tarkington Story There is also typical American flavor in Paramount's "Seventeen," based on the Booth Tarkington novel of the same name, with Indiana as the locale. Leads in this love story are by Jackie Cooper and Betty Field. At the State Tuesday.

Rioting Ritz Brothers An impersonation of the Andrews Sisters by the Ritz Brothers, who do their act while aboard ship en route to South America with a bevy of beautiful entertainers is a highlight of Universal's "Argentine Nights," on the State screen Wednesday and Thursday.

"This Is England" The motion picture which Harry Hopkins, President Roosevelt's special envoy to Britain, recently brought to this country, will be shown simultaneously in 200 greater New York theaters, the net proceeds going to the Royal Air Force's "Spitfire Fund."

The booking in 200 theaters is unprecedentedly wide for a short subject, according to Columbia Pictures corporation, which is releasing the film.

"This Is England" features a commentary by Ed Murrow, European director of the Columbia Broadcasting system, whose vivid descriptions of England under fire have made him a prominent radio personality in this country.

This latest Columbia picture release depicts England giving herself, both on the domestic and military fronts, for war, and stresses the determination of the British to fight to the bitter end.

Tommy Harmon In Movies Tommy Harmon, famous All-American halfback of the University of Michigan, flew in to New York from Ann Arbor to sign a contract with Columbia pictures. America's No. 1 gridiron player will star in an important production, "Harmon of Michigan," on which shooting will start in July.

Gathered at the Columbia office to congratulate Harmon as he signed his contract were the famous sports announcer, Ted Husing and prominent sports writers from New York newspapers.

Far exceeding the gridiron performance of "Red" Grange, Harmon, during his three years in college, has annually been acclaimed by sports writers as the greatest football player of the country. Unanimously elected captain of the 1940 All-American team, he is also the holder of very important trophy awarded to football stars each year for their outstanding work on the field. During the 1940-1941 season Harmon broke Grange's 13-year record for scoring more points than any other player in college football history.

Dallas Plane Plant To Hold Open House

DALLAS, April 5 (AP)—Alex Burton, Washington representative of the North American Aviation company, said today he had received government approval to conduct an open house program Sunday at the NAA's Grand Prairie plant as originally planned.

Major Z. H. Denison yesterday referred the plan to the war department. He suggested that small groups be shown through the plant at a time under guard.

Visitors will be required to register, swearing their citizenship and allegiance to the United States before being admitted. Persons carrying cameras or parcels will be barred.

BOWERY SQUADRON

Even the Dead End Kids and the Little Tough Guys can't withstand all this wave of patriotism, so Universal takes them away from their playful police-analogy, brickbat hurling, and petty crime and casts them as youthful mechanics at an airport, anxious to become fliers.

THIS WEEK IN PAMPA THEATERS

LANORA Today thru Wednesday: "The Bad Man," with Wallace Beery, Lionel Barrymore, Laraine Day, and Ronald Reagan. Thursday: "Keeping Company," with Frank Morgan and Ann Rutherford. Friday and Saturday: "The Great Lie," with Bette Davis and George Brent.

REX Today, tomorrow, and Tuesday: "Give Us Wings," with the Dead End Kids and the Little Tough Guys. Wednesday and Thursday: "Dead Men Tell," with Charlie Chan. Friday and Saturday: "Ridin' on a Rainbow," Gene Autry and Mary Lee.

STATE Today and tomorrow: "Stella Dallas," with John Boles and Barbara Stanwyck. Tuesday: "Seventeen," with Jackie Cooper and Betty Field. Wednesday and Thursday: "Argentine Nights," Ritz Brothers. Friday and Saturday: "Wagons Westward," with Chester Morris and Anita Louise.

CROWN Today, tomorrow, and Tuesday: Double feature, Bob Crosby in "Let's Make Music," with Jean Rogers; and Bob Crosby's orchestra; "Misbehaving Husbands," with Harry Langdon and Ralph Byrd. Wednesday and Thursday: "Cowboy Quarterback." Friday and Saturday: "Robbers of the Range," with Tim Holt.

Brimestone's hero and the Robin Hood of the range takes the central role in MGM's "The Bad Man," in which Wallace Beery has another of his typical roles. It's a story of whimsical adventure, with Beery as Pancho Lopez. Based on the Porter Emerson Browne play. Lionel Barrymore is the irascible Uncle Henry, defier of bands, and Laraine Day, the other fugitive from the Dr. Kildare series, has the romantic lead. At the LaNora today thru Wednesday.

It's Crime To Sell Two Half-Pound Loaves In Package AUSTIN, April 5 (AP)—Sale of two half-pound loaves of bread in a single package is a violation of the standard weights and measures law regulating the product, Attorney General Gerald C. Mann ruled today.

The opinion had been asked by the state department of agriculture in an asserted violation at Odessa. "Two of these loaves, one whole wheat and one white, were being wrapped in a cellophane wrapper and sold at retail for 10 cents," the statement said. "This package is decidedly deceptive and misleading to the public."

Mann said examination of the specimen loaves showed them to conform exactly to the description given and it is our opinion that you have described a violation of the standard weights and measures statute.

Battle Not Voter In Louisiana Parish SHREVEPORT, La., April 5 (AP)—Burd D. Battle, whose nomination as state auditor in Texas is under fire on the grounds that he is a resident of Shreveport, has not registered here this year, a new registration year and therefore is not a qualified voter in this parish, Miss Jim Martin, registrar of voters, said Friday.

Mr. Battle's name appears in the 1940 (latest) Shreveport city directory, his home address being given as "certified public accountant, 552 Jordan street."

He is the husband of Mrs. Julia Elston Battle, well-known local club woman. From 1913 to 1920 he was professor of mathematics in Centenary college, except for a year's time during which he served in the army as a lieutenant at Camp Lewis, Washington.

"Miss Bishop" Ranks As Top Bracket Film

By BROWNWOOD EMERSON It isn't often that a motion picture clicks from the opening prologue with its list of music by, and direction by—down to the final scene in the story.

"Cheers for Miss Bishop" does that. It tells a story, an interesting one, and does it in a fashion that leaves you thinking about the picture long after you leave the theater.

"Cheers For Miss Bishop," United Artists, drama. Produced by Richard A. Rowland. Directed by Tay Garnett. From the novel "Miss Bishop" by Bees Sireceter. Screen adaptation by Stephen Vincent Benet. Principals, Martha Scott as Ella Bishop, William Gargan as Sam Peters, Edmund Gwenn as Principal Corcoran, Mary Anderson (screen newcomer) as Amy Saunders.

Those who saw a preview of "Cheers for Miss Bishop" here Saturday morning, knew when they left the theater shortly before noon that they had seen one of 1941's best.

"Cheers For Miss Bishop" is a great picture because it contains all the elements that go to make a great picture. First of all, it has a story to tell—a very human, down-to-earth story, rich in pathos, rich in interest.

Second, it has an able cast, headed by Martha Scott, who turns in a splendid performance. William Gargan as Sam Peters shows a surprising ability to enact a role absolutely different to anything he has done in the past.

Third, the direction by Tay Garnett is reflected in the smoothness with which the story unfolds.

Briefly, the plot of "Cheers for Miss Bishop" is the story of a feminine Mr. Chips with an American background. Setting is Midwestern university in 1879, as the story begins, unfolding up to the present when Ella Bishop (Martha Scott) is given an ovation as she retires from the faculty of which she has been a member since her graduation.

The occasion is a banquet, attended by former students, from all over the world.

That is a simple story—but a very real one, and one that will tug at your heart. There's an overtones of patriotism throughout the picture, deftly interwoven.

"One Of Year's Best "Cheers For Miss Bishop" has much of the same appeal as "Of Human Hearts," and well ranks its place as Loew's first "Mark of Morris" picture of 1941.

That's Loew's own designation. Loew's proposes to pick its own 10 best as the passing parade of pictures goes by. "Cheers For Miss Bishop" is their first choice for this year—and their prediction that Martha Scott will be considered for the 1941 academy award is simply justified in Miss Scott's magnificent performance.

# 16 NEW LOCATIONS STAKED IN PANHANDLE FIELD IN WEEK

## Wells Being Tested For Allowables

Sixteen new locations for oil and gas wells were staked in the Panhandle field last week, hiking the number for the year to 263. Phillips Petroleum company led the activity with six first intentions to drill, hiking their new tests to 12 in the past three weeks.

Nine of the new locations were in Hutchinson county, five in Gray county and two in Carson county.

Nearly all companies purchasing crude oil in the Panhandle have met the raise announced last week by Humble. The new scale sets a top of \$1.02 for 40 gravity and above in Wheeler, Carson, Gray and Hutchinson counties. It marks the first time that the four Panhandle counties have had the same crude price. In the past Wheeler and Gray crude brought more than Carson and Hutchinson.

All wells in the Panhandle field are now being tested to determine whether they will make their daily allowable. Deadline for completing the test is April 15. It is believed that many wells will not make their allowable and that need for a much larger well allowable will be necessary to meet demand. At the present time demand is more than 10,000 barrels daily above allowable.

To date this year a total of 203 new locations have been staked in the Panhandle. Completions to date total 128. Locations have been exceeding completions every week for the past two months.

Completions for the week numbered 10, adding 1,631 barrels to the field potential. Six of the new wells

were in Hutchinson and two each in Gray and Carson counties.

Completions by counties follow:

**In Gray County**  
Dancier Oil & Refining co., No. 30 Powell "B", section 28, block B-2, H&GN survey, gauged 119 barrels.  
W. D. Kelley No. 2 J. A. Hood, section 33, block 3, I&GN survey, was given a potential of 423 barrels.

**In Hutchinson County**  
Harry Stekol No. M-8 J. A. Whittenburg, section Lot 26, block 3, W. Neil survey, gauged 27 barrels.  
Harry Stekol No. 5 Canadian "K", section 89, block Z, HW survey, tested 66 barrels.  
Skelly Oil co., No. 14 Watkins "B", section 10, block M-21, TCRR survey, gauged 165 barrels.  
McIlroy Oil co., No. 6 Tomlinson, section 24, block M-23, TCRR survey, was given a potential of 200 barrels.  
Phillips Petroleum co., No. 56 Cockrell ranch, section 3, block M-21, TCRR survey, gauged 157 barrels.  
Kevance Oil co., No. 52 Badger, section 8, block 23, BS&F survey, tested 167 barrels.

**In Carson County**  
Skelly Oil co., No. 116 Schafer ranch, section 196, block 3, I&GN survey, tested 96 barrels.  
Cities Service Oil co., No. 7 Magnolia "F", section 89, block 4, I&GN survey, was given a potential of 211 barrels.  
Intentions to drill:  
Cities Service Oil, Burnett B & C, C-2, 330' from the north and 990' from the east lines of NW-4 of section 102, block 4, I&GN survey, Carson county.  
Cities Service Gas, Burnett Est. 39-A, 2970' from the north and 2610' from the east lines of section 66, block 5, I&GN survey, Carson county.  
Dancier Oil & Refining, Byrum "B" No. 8, 330' from the east lines

## ACCORDION ENSEMBLE TO PLAY AT API MEETING

Entertainment at the regular monthly meeting of the Panhandle chapter of the American Petroleum Institute Tuesday night at 8 o'clock in the city auditorium will be presented by

an accordion ensemble, directed by Bill Haley, and pictured above, and by a Marimba quartet, directed by Jack Andrews. Members of the ensemble are, top row, left to right: J. D. Williams, Ernestine Crane, Ole Ma-

rie Crossman, Marilyn Keck, Geraldine Walker and Wesley Geiger. Bottom row, left to right: Wanda Gordon, Elaine Carlson, Mary Dean Wilkenson, Betty Ann Cushman, Marjorie Gaylor and Janice Wheatley.

## Pre-Easter Revival Continues At First Christian Church

The second week of the "Home Force" revival at the First Christian church begins today. The Rev. B. A. Norris, pastor, delivered some inspiring messages throughout the past week. Singing has been under the leadership of the young people with Charles Madeira directing, and special music has been featured each evening.

L. R. Bowen, chairman of the evangelist committee, announces that the church members have responded in an encouraging way to the call for personal workers.

This morning's sermon will be "The Kingdom of God." A special number, "The Palms," will be sung by Mrs. B. A. Norris. The evening's subject is "The World's Greatest Love Story."

Throughout the week, the Rev. Norris will preach on the following subjects: "The Two Kingdoms of God," "The Art of Standing Up," "A Prodigal Son," "Triumphant Living," "Hearts Strangely Warmed."

The membership anticipates a great climax of the Home Force campaign with the Easter services.

Two sermons with strong appeal will be delivered by the minister: "The Reality of Redemption" and "Earthquake Conversion." Rendition of "The Holy City" at the vesper hour will complete the Easter program. The public is invited to attend these pre-Easter services.

## Speakers And Musicians On API Program Tuesday Night

Two papers of great interest to oil field workers and an interesting musical program will be presented at the regular monthly meeting of the Panhandle chapter of the American Petroleum Institute Tuesday night at 8 o'clock in the city auditorium. The meeting will be open to the public at no cost.

Music opening the meeting will be presented by the Pampa Accordion Ensemble, directed by Bill Haley. Numbers to be presented will include: "You Walked By, Frenesle, Perfidia, Hungarian Dance 5, and There's Something About a Soldier. A marimba quartet, composed of Barbara and Patricia Neal, Jack Andrews, and Aaron Stqats, will

present LaGoidrina and Cielito Lendo.

J. L. Frye of Denver, Colo., chief inspector of the Hartford Steam Boiler Insurance company, will speak on purpose and accomplishments of boiler and machine inspection.

Clarence Glasgow of Tulsa, Okla., chief engineer of the National Tank company, will speak on effects and benefits derived by using small circulating heaters for treatment of oil in settling tanks.

George Berlin will give a brief report on the Mid-Continent API convention held in Amarillo last month. The program will be introduced by Charlie Alford, chairman of the Panhandle chapter.

## Federal Court Awards Oil Field Workers Double Unpaid Back Wages

Three federal court decisions just made in Texas have declared that pumpers of stripper wells and oil field employees generally are covered by the Federal Wage-Hour law. Two oil field employees have been awarded a total of \$1,422.00, which is double the amount of back wages and overtime due to them under the Wage-Hour law, plus attorney's fees.

The importance to these decisions to all employers and employees in the oil industry is pointed out by Gus C. Street, Jr., regional director of the Wage and Hour division, for Texas, Oklahoma, Arkansas, and New Mexico.

In the present term of court in Wichita Falls, U. S. District Judge W. H. Atwell, has twice held that employees engaged in producing oil from stripper oil leases are engaged in the production of goods for interstate commerce, and therefore subject to the provisions of the Fair Labor Standards act. A similar decision was made by U. S. Judge James C. Willard at Fort Worth, in the suit of employees to recover back wages and overtime from R. P. St. John, an oil producer in Comanche county, Texas.

In the case acted upon by Judge Atwell at Wichita Falls, O. H. Rogers, Graham, Texas, employed on the oil lease of Charles E. Knox in Young county, sued his employer for \$450.00 back wages and overtime. The court awarded him \$1,150.00, being double the back wages and overtime due, plus \$250.00 attorney's fee. In a similar suit of A. C. Whigham against the Tucker Oil company for \$86.00, the court awarded \$272.00, of which \$100.00 compensation, and \$100.00 attorney's fee.

In awarding judgment to Rogers, Judge Atwell said the laws of our land are made to help just such men as "He worked hard," said in the court. "He did what he was told to do and he was unpaid. I am thought to find out the truth. If I thought I could not do that I would get off the bench. . . . Rogers needs this law. He worked for less than twenty-five cents per hour for many months. I believe he should have \$450.00 back pay and \$450.00 as the penalty allowed by law."

The decisions in all of these oil cases have pointed out that crude oil or its by-products usually move, by pipe lines or otherwise, into interstate commerce.

## Bill Lang Dies At His Home In Tulsa

W. H. "Bill" Lang, 54, former Pampa resident, died Friday night at his home, 1303 South Jamestown street, Tulsa, Okla., friends here have been notified. Funeral services will be conducted Monday afternoon in Tulsa.

Mr. Lang came to Pampa in 1926 with the Tulsa Rig and Reel company of which he was manager until moving to Tulsa five years ago. He was a member and active worker in the Pampa Kiwanis club, the Panhandle chapter of the American Petroleum Institute, a civic leader, and an enthusiastic sportsman.

Death was of blood stream infection following a throat ailment. He had been ill since last November.

Survivors are the widow, Mrs. Betty Lang, and a brother residing in Keystone, Okla.

## Oil Production Allowance Increased

AUSTIN, April 5 (AP)—The average daily oil production allowance in Texas has increased 8,006 barrels since last Saturday, the state railroad commission said today.

Commission engineers gave the current allowable as 1,375,753 barrels per day. Calculating that actual production was 5 per cent under the allowable, they estimated output at 1,327,602, or 27,698 below the recommendation of the United States Bureau of Mines.

The number of producing oil wells in the state was only eight short of 96,000. That represented an increase of 92 in the last week.

## First Three Months 'Most Prosperous' For Katy Railroad

DALLAS, April 5 (AP)—Missouri-Kansas-Texas Railroad President Matthew S. Sloan said here today that 1941's first three months were the Katy's most prosperous in 10 years.

The southwest, and particularly Texas, is benefitting greatly from the nation's preparedness effort," he said.

Arriving from a western Oklahoma inspection tour, Sloan forecast that section's largest wheat crop in a decade.

## Holy Week Services At Episcopal Church Announced Today

Holy Week services at St. Matthews Episcopal church will consist of the following services:

Holy Communion at 8 a. m., Ante-Communion, Litany and sermon at 8 p. m. today; on Wednesday Holy Communion at 10 a. m., on Thursday, (Maundy Thursday), Holy Communion at 7:30 p. m.; on Good Friday, Meditational service from noon to 1 p. m.

The public is invited to attend any or all of these services.

Steel Production Standings—The United States leads all countries in the production of steel. Germany ranks second; Russia third; and Great Britain fourth.

Recognition Given McLean FFA Member

Special To The NEWS McLEAN, April 5—Assembly program was called Thursday morning at the McLean High school to recognize some outstanding honors won by McLean students.

J. B. Waldrop, a junior in high school, was elected first vice-president of the Texas Future Farmers of America at an F. F. A. meeting in Lubbock recently. He will attend the state F. F. A. convention in Marshall in July; then he will spend two weeks in Michigan, and later visit the capital city, Washington, D. C. He will be sent to Kansas City, Kansas, to the National F. F. A. convention and American Royal.

He will make an extended tour of Texas visiting different F. F. A. chapters, and all expenses will be paid by the Future Farmers of America Association. The McLean judging team, Bob Sherrod, Tommy Beck and J. B. Waldrop, placed third in the livestock judging contest in Lubbock with 66 schools participating. This team will be one of the official teams representing the state at the state judging contest at Texas A. and M. college to be held April 21.

Announcing---

The purchase of the Texas Furniture Co., 210 N. Cuyler, by

J. E. MURFEE, Jr. and CHARLES B. COOK

Mr. Cook will be in active charge of the business. Tracy Cary now becomes assistant manager and Mrs. Vera Lard will remain as head of the book-keeping department.

Quality merchandise, liberal terms and courteous service will be maintained under the new management.

Texas Furniture Co.

Canadian, Perryton Shriners Form Club

SPECIAL TO THE NEWS CANADIAN, April 5—C. A. Studer, president of the Canadian Shrine club, called a meeting Thursday night of all members of his organization and of the Perryton Shrine club at which a union of the two groups to be known as the Canadian-Perryton Shrine club, was effected.

A. B. McPherson, Canadian, was elected president; C. M. Bryan, Perryton, vice president; Naceeb Abraham, Canadian, secretary-treasurer.

The purpose of the organization is to cement fellowship between Shriners of the neighbor cities and have at least two get together parties during the year.

The elected officers and two members to be appointed by the president will serve as a committee to prepare rules and by-laws for the organization.

Dates for the summer parties have not been set, but it is probable the first will be at the country club here sometime in June and another later in the summer at Lake Fryer, Ochiltree county.

CALL FOR REGISTRATION

Recognizing the value of the "first line worker," the Texas State Employment service of Pampa has displayed posters like the one above at the post-office, city hall, court house, and in the lobby of the LaNora theater as a part of the nationwide movement to register workers for defense jobs. Those being asked to register are the unemployed and those

employed workers who have skills in certain defense industries but are not using such skills in present jobs. This does not include anyone now working in aircraft manufacture, shipbuilding, machinery manufacture, or machine shops. Those eligible to register are asked to do so now. The local TSES office is located at 206 N. Russell, with Lonnie Hood as manager.

Two Social Security Bills Await House Consideration

AUSTIN, April 5 (P)—Two bills designed to make state laws conform to federal social security regulations today awaited consideration in the house of representatives.

Both measures were reported favorably by the house state affairs committee last night.

One, which sponsors said was necessary to assure continued federal matching appropriations for payment of old age pensions and for unemployment compensation in Texas, would create a joint merit council to govern operation of federal-supported state agencies.

The other would clarify provisions of the state law enacted in 1939 centralizing all phases of the social security program under the public welfare department.

Garth Daniel, employe of the department, said the major change would authorize counties to appropriate money for child welfare purposes. The attorney general, he declared, had ruled the present law prevented counties from raising such funds.

The merit system provided in a bill by Rep. Thomas Walters of Pickett is required by an act of congress passed since the last state legislative session.

Claude Williams, confirmed by the senate this week as chairman of the Texas Unemployment Compensation commission, said temporary arrangements had been made for the federal funds, but that unless some action were taken by the legislature this session the state would lose this money.

The bill by Walters would apply chiefly to the Unemployment Compensation commission and the State Department of Public Welfare, but other state agencies receiving federal aid would be subject to its provisions, Williams asserted.

The federal government, he said, had already appropriated \$20,000 for the program, but an additional \$30,000 is being held up pending action of the legislature.

Williams said a merit council had already been appointed and dates for the first examinations would be announced shortly, under the temporary program.

Persons employed with the state department prior to Jan. 1, 1940, would be subjected to a qualifying examination, while those employed since that date would be required to take competitive tests, Williams said.

He explained a specific set of standards, however, would be prepared by the council and was not included in the bill.

Average pulse beat of an adult is 72 to 78 beats a minute; of a newly-born baby, 130 to 140 beats a minute.

The valuable heartwood of a black walnut tree does not develop until the tree is 80 to 100 years old.

Party Held At Canadian For Plains Masons

SPECIAL TO THE NEWS CANADIAN, April 5—Shriners, 32nd degree Masons, and Knights Templars with their ladies from the Panhandle area attended the Shrine party here Thursday night. One hundred enjoyed the affair.

J. B. Briscoe, potentate of Khiva Temple, Amarillo, and Mrs. Briscoe arrived in the afternoon by Santa Fe. Many of the Amarillo divan were present.

Everyone registered at the Moody hotel and at 6:30 a parade was staged up main street with the Canadian band leading the men who wore the fez.

Professor Herbert A. Hill directed the band in the absence of Earl Oshersall who had taken his high school glee club to the regional meet in Amarillo.

A buffet supper was served in the city hall. A program followed the supper.

C. A. Studer, head of local Shrine club, introduced Max Boyer, Perryton, as master of ceremonies. He, in turn, introduced a full attendance at the spring ceremonial of Khiva Temple, May 15, Amarillo.

Past potentates present: George Hammock, Amarillo, Harry Wilbur, Canadian, Dr. L. V. Cradit, Amarillo, and Rolla Cartwright, Amarillo, were introduced. Also a visitor, Mr. Calhoun of Waco, member of the Imperial Divan.

Mrs. A. P. McElvey, Perryton, rendered piano numbers, also accompanied Miss Joy Lance who entertained with baton twirling. Miss Joy is the young daughter of Perryton's newly-elected mayor, Bill Lance.

A half-hour intermission provided time to visit and the ladies to repair to the hotel and change to formal dress for the ball.

The Sons of the West, Amarillo, furnished music from nine-thirty on. While a good many sat on the side lines the floor was pretty well filled with dancers. The Do-G-Do club of Pampa did some nice work.

This is a group of women and men who enjoy the old-time dances, have membership limits of thirty-five, and meet twice a month at the Schneider hotel to dance.

Amarillo dancers also made a good team; Lucius McAdams, Canadian, joined with them.

Miss Catherine Kelley and Miss Mary Lee Tepe attended to the registration sheets, put name tags on the men and ornaments on the ladies.

The first oil well was brought in in 1859 by Colonel Edwin L. Drake.

Agricultural Outlook For Texas Bright

By LEDGERWOOD SLOAN Associated Press Staff

The agricultural outlook for most of Texas is the brightest in years although wet weather is keeping farmers out of their fields in some sections.

Spring pastures are assured over the ranch country, often dry at this time of year. Livestock is in excellent shape due to an unusually mild winter. Prices are around the highs of the past year.

Bumper crops of wheat and oats are in prospect with wind damaged grain recovering in the north Panhandle. Only a few days of sunshine is needed to permit planting of row crops in the lower coastal plains and parts of east and north Texas.

Goat shearing is past the half way mark. At San Angelo buyers estimated that half of the 3,500,000-pound spring mohair clip has been sold. Prices were around 50 cents a pound for the grown and 65 cents for the kid. Some clips sold at tops of 53 and 75 cents.

Sheepmen have contracted or sold an estimated 10 to 15 million pounds of a 70-million pound clip of 12 months wool. The top is 40 cents a pound. Two-thirds of a 15,000,000-pound 8-month wool clip has gone at a high of 39 cents. Shearing starts about April 15.

Two-thirds of the lamb crop is on the ground and gaining weight rapidly. The finest ranges since 1928 are drawing heavy shipments of cattle, especially steers, into the Trans-Pecos where stocks usually are at their lowest point at this time. Many of the shipments are from Mexico.

Moisture conditions are exceptionally good in the Big Bend. Highland pastures, normally brown until rains fall in June, are greening. Little if any feeding is expected.

The market for choice steers and yearlings, strengthened by a demand for army beef, is firm at Fort Worth. Plain and medium grade are down moderately.

The fine range conditions resulted in a strong market and active demand for choice stocker calves and yearlings.

Spring lambs at Fort Worth sold this week at \$11 and \$11.75 on a steady market. Cattle parity to the high wool prices.

Steers of less than 1,200-pound averages brought 11.50 a hundred, which affords feeders a good margin of profit. Good fat slaughtered calves brought \$9.25 to \$10.50 with plain and medium sorts at \$6 and \$9. Good to choice stocker calves ranged from \$9 to \$13 and heifer calves from \$9 to \$12.

On the range lambs for spring delivery out of the shearing pens are quoted at 7 1/2 cents a pound.

Planting is off to a good start in Central Texas. In the south plains it will get into full swing in two weeks.

Wheat fields are being grazed longer than usual because of the rank growth.

Plains K. T. To Hold Easter Rites At Perryton Church

SPECIAL TO THE NEWS CANADIAN, April 5—The Knights Templars of Pampa, Canadian, Wheeler, Higgins, Perryton, Mobeile and Miami will observe Easter Sunday by assembling in the Baptist church, Perryton, at 2:30 p. m.

W. E. Fisher, Methodist church, Perryton, will address the assembly on the history of the Crusades. The sermon will be delivered by Leon Barry, pastor of the Baptist church, Perryton.

All Knights Templars are asked to meet at the Masonic hall, Perryton, in uniform, at 1:30 p. m. and march to the church in a body.

Members of De Molay chapter will march with the Masons to the church.

Naceeb Abraham is commander of the Canadian chapter of Knights Templars which has members living in towns mentioned.

WD Council Chosen In 32-Vote Election

SPECIAL TO THE NEWS WHITE DEER, April 5—In one of the quietest elections in the history of the town, White Deer citizens cast 32 ballots to re-elect without a dissenting vote Roy Mathe-son, Eugene Richardson, and Everett Williams as aldermen.

Other members of the city council are Mayor A. J. Dauer, Lee Shield Knight, and W. B. Carey.

Published every evening, except Saturday, and Sunday morning by the Pampa News, 222 West Foster Avenue, Pampa, Texas.

B. C. HOILES, Publisher; TEX DEWESSE, Editor.

MEMBER OF THE ASSOCIATED PRESS (Full Licensed wire). The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to it or otherwise credited to this paper and also the regular news published herein.

Entered as second class matter March 14, 1937, at the post-office at Pampa, Texas, under the act of March 3, 1879. National Advertising Representatives: Texas Daily Press Service, New York, St. Louis, Kansas City, Los Angeles, San Francisco and Chicago.

SUBSCRIPTION RATES: BY CARRIER TO PAMPA, 50c per week, \$2.00 per month. Paid in advance, \$2.50 per three months, \$5.00 per six months, \$10.00 per year. BY MAIL, payable in advance, anywhere in the Panhandle of Texas, \$1.00 per year. Outside of the Panhandle, \$1.50 per year. Price per single copy 5 cents. No mail orders accepted in localities served by carrier delivery.

An independent Democratic newspaper, publishing the news fairly and impartially at all times and supporting in its editorial columns the principles which it believes to be right and opposing those questions which it believes to be wrong, regardless of party politics.

We Are Not At War, And May Not Be

It is not a time to assume, as some impulsively do assume, that the United States is now practically at war, what with the Lend-Lease Act and the seizure of European shipping in American ports.

We are not at war, and we may not be, though there is no longer any question that to support our principles we are taking a desperate risk of war.

We are not neutral in the sense that was understood toward the end of the last and the beginning of this century. At that time, an idea of neutrality began to be built up which meant a rigid impartiality to both sides in a war amounting to indifference.

But Attorney General Robert H. Jackson set before Inter-American Bar Association at Havana the manner in which the concept of neutrality has changed. Grotius, the founder of international law, was cited by Jackson as writing, in 1625: "... it is the duty of neutrals to do nothing which may strengthen the side which has the worse cause, or which may impede the motions of him who is carrying on a just war ..."

Thus the original concept of neutrality was not one of indifference or even of rigid impartiality. This legalistic idea grew up in the late 19th century, the idea that once a war was started, the world was somehow bound to pass no judgment on which side was right, but to treat both precisely the same.

The years from 1930 to 1940 were a fine demonstration of the folly of such a view of neutrality. Had the League been able to put effective pressure on Italy, or on Japan, much that has happened might not have happened.

At any rate, the world has found that it cannot afford to be indifferent when the world's peace is broken by any nation. We all feel the effects of that violation—in fact, Jackson scarcely exaggerated when he said that any aggressive war today is "a civil war against the international community."

Today, any major war affects every country in the world. It is idle and unrealistic for neutrals to pretend disinterest. And until the time comes when a potential aggressor is restrained by the thought that he will find the whole neutral world against him, either actively or passively, there will be small chance that aggressive wars will cease.

Behind The News

By JACK STINNETT

This is the tale of Fala, the most famous dog in America today.

Fala is a jet black scottie. Mrs. Franklin D. Roosevelt calls him the "wiggliest bundle of fur you ever tried to lay hands on." President Roosevelt calls him "Fala."

His formal name is "Fala of Murray Hill." It was appropriated from one of the President's old Scottish ancestors. Fala of Murray Hill, so the story goes, was an outlaw in the days when being successful as a Scottish outlaw was as much an achievement as being elected President of the U. S. for a third term.

Fala came to live at the White House something less than a year ago. He was a gift from one of President Roosevelt's Dutch country relatives.

The President doesn't say from whom and he doesn't say anything about Fala's parents, ancestry or kennels either. The reason is obvious. Many persons would pay fabulous sums and burst with pride if they could say: "My pup is a sister (brother, cousin, nephew, niece) of the dog who lives at the White House." The only thing I could dig out was that Fala was born in Indianapolis, of pretty royal scottie blood.

Others COME AND GO. Aside from the squirrels that scamper around the White House lawn and the pigeons that bum a luxurious living along the White House paths, Fala has in a bid for the only permanent animal resident in the Roosevelt administration.

Jack and Jill, two beautiful brown cocker spaniels that belong to Mrs. John Boettiger, daughter of the House of Roosevelt, have been popular guests, but their tenure never was long. There was another scottie, but he was a snappish sort and had to be packed off to the country before he had got to first base in Presidential affections.

With Fala it's different. There hasn't been a day that he hasn't wagged his way a little deeper into the President's heart, and if there is any one on the White House staff who has ever thought, "Damn that dog," it never has been uttered in a whisper any one

Common Ground

By B. C. HOILES

This column contends there can be no satisfactory program until we measure the shares of each man by the common yardstick of the God-given equal right to create and enjoy anything anyone else has a right to create and enjoy.

USING ORDINARY TESTING METHODS ON LABOR UNION CLAIMS

Labor unionists contend, and many people believe it, that if it were not for the labor unions, wages would be much less than they are at present. These people invariably draw the conclusion that unions raise wage levels from the fact that wages are higher now than they were in the past before labor unions were so strong.

The way, however, to test anything is, to try omitting what is claimed to be essential and see if the results are different.

Let us illustrate: Suppose a man contended that corn would grow better if it were cultivated by a red cultivator. If it had been cultivated with a red cultivator, every other condition being right, and the corn grew rapidly, those who sold the red cultivator would contend the red cultivator was largely the reason for the growth of the corn.

Now let us use the same test on the claims made by labor unions, namely, that unions increase wage levels.

Labor unionists who claim that higher wages are the result of labor unions would not have the affrontery to claim that if there were no tools at all. No labor unions, by restricting the learning of trades, by shorter hours, by establishing minimum wages, can increase the wage levels one iota by so doing.

They do, however, have a great deal to do with keeping the wage rate from rising.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

Man is no better than a beast, if he cannot be free to learn and constantly produce higher wages.

THAT'S THE WAY IT IS WITH TIMETABLES, ADOLF

Around Hollywood

(Lucie Neville is pinch-hitting for Paul Harrison, now touring army camps and defense industries.)

By LUCIE NEVILLE. NEA Service Staff Correspondent. HOLLYWOOD, April 1.—An author who wants no part of Hollywood's million is Willis Cather, who won't even discuss offers for "Sapphira and the Slave Girl." Her last movie sale was the Pulitzer prize-winning novel, "A Lost Lady," in 1925. After seeing the picture she vowed that never—not even for all the gold in Metro-Goldwyn-Mayer—would another of her stories be filmed.

NO COMIC GREEKS. The film industry's censors have become especially considerate of certain foreign nations. I wouldn't know for sure whether the pro-ally attitude is merely a reflection of public opinion or a means for influencing it.

Hollywood thinks Director Alfred Hitchcock's methods are simply revolutionary. When he needed someone to play an interior decorator in "Reverie," he hired Rex Evans—an actor, whose regular job, between pictures is with an interior decorating firm.

Greer Garson and Walter Pidgeon were playing a gay, romantic scene for "Blossoms in the Dust," with an Irish setter supposed to be an interested spectator. The actor was doing fine, he thought, with a long, bantering speech when the director stopped the shot. "What's the matter?" asked Pidgeon, annoyed.

FROM BLACK TO BROWN. Leo Carrillo, Brown descendant of California dons and Spanish grandees, has a new station wagon whose horn tootles "The Campbells Are Coming." Garsin Kanin, anxious to serve his country, is taking his impending army stint very seriously, but his pals aren't; sample gas present sent to him was an ancient squirrel rifle.

Tech R. O. T. C. Rated Excellent. LUBBOCK, April 5.—Texas Tech's major senior engineering unit of Reserve Officers Training Corps was accorded excellent rating this week.

People You Know

By Archer Fullingim

If for military reasons Kenneth Carman next fall is not directing plays and teaching students how to speak good English, he can say with certainty that the last play he ever directed for Pampa high school was one of the best of the best.

Trading at a Hudson's Bay post is a struggle in which two mentalities, the white and the Eskimo, meet and lock. In the end each is persuaded that he has won the match—the white man because in his barter he has got his "price," and the Eskimo because he is convinced of having got something for nothing.

What a great farce this is! Once again they are going to do the white man in the eye, and once more the white man is not going to know what happened to him. All those wonderful things that fill the store are to be theirs for a few foxes.

What a great farce this is! Once again they are going to do the white man in the eye, and once more the white man is not going to know what happened to him.

HIGHLIGHTS FROM LATEST BOOKS

"KABOONA" IS BEST ESKIMO BOOK SINCE FREUCHEN'S STORY. Not since Peter Freuchen's "Arctic Adventure" has there been such a book as Contran de Popoff's absorbing, graphic story of the Eskimo, "Kaboonna" (Reynal & Hitchcock, Inc. \$3). "Kaboonna" (Eskimo for white man) is the diary record of this Frenchman's Arctic winter at King William Land, where he learned to eat frozen raw fish and seal, sleep in an igloo but not stand Eskimo smelly, understand Eskimo mentality, how the baffling Eskimo mind works as vividly illustrated in the following excerpt:

TEX'S TOPICS

By Tex DeWeese

WE had a letter yesterday from a Pampa girl school student who says she is bored and wants to know if we can suggest something new in the way of recreation. Well, right off hand the only thing we think of would be playing tennis on roller skates. Since we reported here about the man who had all the automobile troubles, there have been several suggestions made on how to end that sort of thing, and one man called and says he has a car that used to act just like that. He has promised to come in and let us in on just what was wrong. Another mechanic called to say that kind of stuff is right up his alley and he's ready to gamble he can put an end to what makes the man say nasty words.

Another admirer sends this little note: "I have a funny-looking face like yours and my ears stick out like yours. What kind of a hat do you wear and where can you buy one to fit yours?" You sure have a new trick to take it in this business! Well, if you must know—we wear a brown felt hat with a green band and a cute little green and red feather sticking out. That's another thing we plan to ask Randolph Hemingway, KPND's style and etiquette authority, about this hat we wear—try as we will, just can't seem to get it at that proper rakish angle.

THE question, "Can homeless people find undeveloped public land and seed?" is answered in the affirmative in an article, "Go West, Young Man," which appears in a current magazine article. The writer claims that a new frontier is open; that millions of acres in the public domain can be reclaimed by modern pioneers. He says that for the past six years the National Resources Committee has been classifying productive lands in the Far West and finds that with a reasonable development program approximately 2,500,000 new people can be absorbed in the Pacific Northwest within a generation.

"Irrigation is the new frontier," according to this article. "At present 20,000,000 acres of land are irrigated in the West. On this land—formerly a sagebrush desert—a million people live. With water available, another 20,000,000 acres can be reclaimed. Already projects to irrigate 2,500,000 acres are under way." The author cites specific instances of what reclamation can and has done.

HE further points out that the new American frontier of the old story of boom and bust will be forestalled. A government committee is studying how to improve conditions for people who will settle the new frontier of 1941. Considering in advance the opportunities offered by the new land and how best to develop them, they are also trying to determine how gamblers, land speculators, and other undesirable can be kept out, says this writer.

So They Say

Institutions should at all times be looked upon as practical and changeable means and never as enduring ends.

We have the opportunity of the ages.

WENDELL WILLKIE, former G. O. P. presidential candidate.

Most demagogues and photogogues appeal to the sacred name of social justice and in so doing defile it.

VICE President HENRY WALLACE.

The economic defense of Latin America is even more important than its military defense.

WESLEY FROST, American minister to Paraguay.

The fins of a fish are called ventral, dorsal, anal, pectoral, and caudal.

KPDN Radio Chat

By BILL BROWNE

This afternoon you'll have your chance to attend a big radio broadcast. Amarillo's KGINC and Pampa's KPND are cooperating on the broadcast of Pampa's chapter in the radio series, "The Panhandle on Parade." Both stations will carry the broadcast.

The program will originate in the Pampa High School auditorium, and everyone is invited to attend and witness the actual broadcast. It is a 30-minute program which will start at 4:30. Its purpose is to introduce Pampa to the rest of the Panhandle. There will be talks by local men describing this city. And there will be several musical numbers, including community singing.

Among the musical performers will be those charming ladies, the Tonettes, who so captivated the audiences at the showings of the Lions Club Minstrel last week. If you're in the auditorium to see the broadcast, you'll enjoy the Tonettes' party. You'll see the program about twice as much as because they look every bit as pretty as they sing.

KPDN's employees may be limping around town for the next few weeks. And if you watch them closely, you may notice that when they sit down, they do it gingerly. Already one audience face is in evidence at the studio.

You see, Herman Kreiger, KPND's manager, has become part owner of a young horse that is only partly "broke."

Well, Pampans who heard Randolph Hemingway yesterday afternoon on the KPND Staff Frolic from 3 to 3:45 ought now to know a great deal better how to deal with problems of etiquette in making introductions. That was Mr. Hemingway's subject yesterday.

The staff is still proud of how bad this program is. And they invite more suggestions as to how it could be made worse. It's amazing what a large staff the station has when you get them all crowded into one studio for this program. And of course, the fact they are each one talking in from one to four dialect voices seems to increase even more the size of the staff.

The program, had as it is, has given the employees a lot of fun. Miss Elna Bullard, the station's secretary, has been practicing her nervous sort of a semi-Zazu Pitta accent so much that she has started doing it when she doesn't intend to. Yesterday she failed to get out of character once when she answered the telephone much to the amusement of the rest of the staff.

Another new personality on the Staff Frolic yesterday was Ronald Cuck. His kin Donald Duck of movie fame is unmistakable.

Kathryn Carver and her stooge, Don, have certainly been getting a lot of response to their various recipes. They'll be airing them at 10 o'clock Monday through Friday.

"But I tell you Hitler is going to exhaust me through all these aid parties before he ever gets the British!"

A vertical list of names and numbers, likely a table of contents or index, with names like 'ALEXANDRIA, Egypt', 'IONIAN SEA BATTLE', 'SHAMROCK ELECTS CITY COUNCILMEN', and 'CRANIUM CRACKERS'.

SERIAL STORY

DOLLARS TO DOUGHNUTS

BY EDITH ELLINGTON

COPYRIGHT, 1941, NEA SERVICE, INC.

YESTERDAY: Toby refuses to let Anthony make a date. They find a party, discover that Toby is much in love with a clerk in the comptroller's office. They go to a show, sit in the balcony, then to a dance hall. He is delighted with the electricity and fun. She begs Anthony to dance.

LOVE ON DIMES

CHAPTER XXIII

THE orchestra was a famous "Big Name" band, and when you danced to their music, you understood exactly why. Beatrice had danced until she was breathless. She had danced with Anthony, of course. But she had danced with Terry, too, and with Sam McArdle, and with a dark-eyed lad who had come whooping to their table when he glimpsed Vera.

"Our production assistant, at Simon's," Vera explained. "She means goat and burden bearer," said the boy. "May I bring my girl over?"

He brought her over. She was a stenographer and pretty. She danced with Anthony, and Beatrice danced with her boy-friend. But they went back where they belonged afterward, and Beatrice remembered the night she had taken Clarence away from Miami Frothingham and felt a new and puzzling shame.

Toby devoured sandwiches and Terry kept going back to bring more drinks. Anthony held Beatrice's hand, under the table, every chance he got, and plied her with food.

Vera teased Sam McArdle. "So you work with figures. How strange. So do I. My own figure. Hey, hey, wait a minute, don't blush! I was only trying to be cute!"

Once Anthony clutched Beatrice and whispered, "There goes a Budge Fashion or I'm blind." "With the wrong accessories," said Beatrice.

But that was bad, because it made him remember.

THERE was no terrace to which they could wander, but they managed to be satisfyingly alone in that crowded, noisy place just the same. Vera and Terry went back for more food, and Toby dragged

Sam McArdle off into a corner. "You really like this?" Anthony asked. "I keep thinking you ought to be in Twenty-One. Or El Morocco. Or the Rainbow Room. Not that they'd let me in."

"Of course they'd let you in! Don't be silly! You'd be an ornament."

"You're so beautiful, Bee. I like the way your nose turns up. And your mouth's so tender."

"Just made for kisses, I suppose," she jeered. "Go ahead, if you want to."

"I always want to."

"Especially on sidewalks, and in a crowd, and just anywhere like that, where it's so suitable."

"Then you should stop looking so lovely! Oh, Bee, every time I look at you, you've grown more beautiful." He stooped and kissed her forehead, tenderly. "That's my mark. You belong to me."

"I feel it burning," she whispered. "Like a star on my forehead."

A girl passing by glanced at them quizzically. "Ain't love grand," she murmured to the man behind her.

Defiantly, Anthony kissed Beatrice again.

"I ought to die of shame," she thought. "But I love him so. I want to shout it from the rooftops. I love him. He's mine."

Where was the controlled, poised Beatrice now? Where was the self-assured, queenly girl who could sail into the most exclusive night club and make the headwaiter quail? Where was the girl who had wanted Clarence as she might want a new toy?

"Bee, will you mind waiting? It may be a year—it may be two years, or three..." Now Anthony was gloomy. "You'll get tired. You'll meet someone else. Oh, darling, I couldn't bear it if that happened! Look here, promise me you'll never look at another man."

"Build a fence around me," she teased. "Put blinders on me."

"Don't," he groaned. "I love you so, and when will we be able to get married? We'll be old and gray before Huntington's pays me enough!"

She smiled secretly. "Here

come Toby and her Sam. Look cheerful!"

At 1:30, Vera announced reluctantly that she had to leave. "Us professional beauties," she said, lifting her chin and looking down her nose, "must make such sacrifices for our art!"

Toby said, "I don't want to go home. Sam, it's been such a swell party! I hate for it to end."

"We'll have other parties," he said quietly. And somehow, Beatrice realized, it had all been settled. Right there.

Anthony held her coat as if it were the milk he'd never seen. A thought struck her, and she clapped her hand to her mouth. Why, she'd forgotten all about it! She'd left it there in the parcel locker and they must have cleaned that out weeks ago!

"What hit you?" Anthony asked. "Remember something?"

"Yes. I—I think I left something in the lounge." She scurried off and came right back. That coat bore a label. But perhaps someone had appropriated it. She hoped someone had.

TERRY insisted on singing in the subway. The other passengers didn't mind, so Terry warbled in a pretty fair tenor.

Anthony and Beatrice sat close together, without talking. Her eyes were heavy. She tried to keep her head from sliding down to his shoulder and finally gave it up. The subway was so broad-minded! And she was so tired!

Anthony's gentle shaking awakened her. "We're almost there, Bee. Wake up!"

She stirred sleepily, and struggled to open her eyes. Then suddenly she was blinking in the light, and across the aisle, something was vaguely familiar. A man, reading a tabloid. She frowned. She was still sleepy.

Anthony rose, and helped her to her feet. All at once, she looked again. The tabloid! Why, that was her own picture, staring her in the face!

"For heaven's sake!" cried Toby Masters, shrilly. "Look at that! HEIRESS BELIEVED KIDNAPED

### Oil Situation Working Against Germany, Defense Advisor Claims

By WILLIAM T. RIVES  
 HOUSTON, April 5 (AP)—While the United States has an excellent oil supply and transportation system ready for use in any emergency, the German situation is such that "actual invasion might never be necessary" for Great Britain to win the war, Robert E. Wilson, advisor on oil to the National Defense commission, said today.

"The oil situation is working against Germany for the long pull," he asserted in an address before the American Association of Petroleum Geologists.

There were three reasons, he said:

1. Italy, due only partly to lack of oil, will be more of a liability than an asset to Hitler from now on.
2. Germany's long pull oil outlook must be discouraging to her and requires considerable diversion of attention and energy to getting more oil supplies which she would prefer to use in other ways. Also, the shortage must interfere increasingly with both her industrial production and her military operations.
3. "If and when England can achieve sufficient air superiority to permit long range and heavy daylight attacks on German synthetic plants and transportation facilities she will be striking at such a vital spot that actual invasion might never be necessary in order to win the war."

Wilson said Germany and Italy were carrying on their war operations, "plus the industrial, agricultural and civilian activities of these two countries and the occupied territory of western Europe, with an amount of petroleum products, in-

cluding synthetic products, equal to only about 5 per cent of our domestic production or our consumption of refined products."

Of the United States, he said, "The purely military demand to date has not offset the loss of exports due to the war. . . . We estimate that in the absence of war the 1941 domestic demand for petroleum will be 8 or 9 per cent in excess of the 1940 demand, and that in the event of war toward the end of the year, the demand for the major products would be increased about another 5 per cent."

Wilson asserted "the producing branch of the petroleum industry is particularly well prepared for any emergency."

He lauded states which have conservation statutes, saying he supposed "anyone locating new refineries or industries based on petroleum would naturally favor such states."

Then, in an interpolation into his prepared address, he added:

"This situation might change if Texas passes a processing tax."

Despite the favorable picture, Wilson said the industry should build up a stock pile.

J. Edgar Pew vice president of the Sun Oil company, also said the industry was preparing for any emergency and declared against federal regulation.

Sumner T. Pike, securities exchange commissioner, asked the geologists to appoint a committee to maintain liaison with the SEC, as a cooperative effort to stamp out "geo-quackery." Pike said the move "would foster high standards of professional conduct."

### Lovely for Lenses

This is Mary Anne Baird of Long Beach, Calif., and the reason for the picture, if one be needed, is that she'll be one of 200 lovelies parading charms in an annual beach beauty contest for amateur photographers.

### Wage Statements May Be Secured By All Workers

Every Social Security board field office has been provided a supply of self-addressed post-cards for the use of any wage earner desiring to secure statement of wages credited to his old-age and survivors insurance account, according to Dewey Reed, manager of the Amarillo office.

"These cards may be secured by interested persons calling at the field office or by requesting them by mail," he explained. "When one of these cards is properly filled out with a one-cent stamp attached and placed in a mail box, the sender will receive from the Social Security board a statement of all wages credited to his account."

It was pointed out by Reed that if the wage statement does not agree with the worker's own records, he may call this fact to the attention of the Social Security board and efforts will be made to adjust any discrepancy which may exist.

"This service is extended to wage earners in order that they may keep a check on their wage credits as maintained by the Social Security board for the purpose of determining the amount of old-age and survivors insurance which eventually will be paid to qualified workers or to their survivors."

It was further explained that wage statements may be secured under the above plan by all workers in employment covered by the Social Security act; however, emphasis was placed on the fact that no wage statements will be furnished wage earners unless they make written request on the post-card provided for that purpose.

### Dallas News Case Set For Trial In New Orleans Court

DALLAS, April 5 (AP)—The appellate court hearing of the Dallas News wage-hour case, in which Federal Judge W. H. Atwell recently ruled against the government and in favor of the A. H. Belo corporation, publisher of the News, will be held in New Orleans before the Fifth United States Circuit Court of Appeals May 28, G. C. Street, regional wage-hour director, said today.

Judge Atwell sustained the corporation's method of paying salaries under the fair labor standards act, against the claims of the government, ruling that employees were receiving more than the minimum pay plus overtime under contracts; but upheld the government's contention that the News and its radio stations are in interstate commerce.

### City Workers Look In Trash For \$2,000

DALLAS, April 5 (AP)—Employees at the city hall are doing a lot of rummaging in wastebaskets and they have all trash wagon drivers on the alert.

Two thousand dollars of checks made payable to the city were lost yesterday. It was embarrassing. They got away from the cashier's cage at the water department in some way and a thorough search failed to reveal the missing bundle of checks.

The city officials are not worrying too much. None of the checks can be cashed unless endorsements are forged.

Diamonds will burn if subjected to enough heat.

### Roberts 4-H Boys Start On Projects

MIAMI, April 5—Roberts county 4-H boys are getting started with their demonstrations for this year, according to Marvin Simms, county agent. Four boys, Horace Shield, Sam Ed Nelson, Ralph McLaughlin and Doyle Jackson have started feeding beef calves for their projects.

A number of other boys are planning to get beef calves. Frederick Gordon, Billy Dan Graham and Billy Keen are getting registered gilts and will raise litters for their demonstrations. Fred Gordon, Dan Graham and the county agent made a trip to Wheeler this week to look at registered Hampshires.

Sheep and poultry will also be on the list of the 4-H demonstrations for 1941. Mr. Simms is urging the boys to start with them as soon as possible as the ones who make the best record will be selected to attend the short course at A. & M. college.

### Tech To Present Easter Oratorio Tomorrow Night

LUBBOCK, April 5—"Seven Last Words," Easter oratorio, will be presented for the seventh consecutive year by a Texas Technological college chorus and orchestra tomorrow in Lubbock high school auditorium at 8:15 o'clock. A total of 400 students and special musicians will take part in the orchestra and chorus. Proceeds will go to Milam's orphanage in Lubbock.

Guest conductor is Edouard Blitz, son of Professor Julien Paul Blitz, head professor of music at Tech.

### Hemphill Sheriff To Take FBI Course

CANADIAN, April 5—Sheriff Harry Rathjen left today for Washington, D. C., to attend a school of instruction at the invitation of J. Edgar Hoover of the Federal Bureau of Investigation.

The school will cover a period of 12 weeks and will prepare the sheriffs selected for this schooling for more efficient service in law enforcement.

The instruction will be the same as that received by men preparing to enter F. B. I. service.

Deputies Dawson Curry and H. M. Wood will take care of the sheriff's work in Hemphill county during Rathjen's absence.

### Italians Furious At U. S. Aid To Britain

ROME, April 5 (AP)—Stefani, official Italian news agency, charged today that the United States and Britain through "infernal intrigue" in the Balkans "openly are seeking cannon fodder x x x without Roosevelt being obliged to have American citizens cross the ocean."

"Torrents of gold have been poured into the Balkans," the news agency said. "The Balkans have been deeply upset by infernal intrigue without present in history for the brutality with which it is conducted."

"London and Washington openly are seeking cannon fodder x x x to save the precious British blood and find soldiers to whom to give guns and munitions made in the United States without Roosevelt being obliged to have American citizens cross the ocean."
