

# British Say Hitler Has Given Up Hope Of Capturing Moscow, Leningrad

(By The Associated Press)  
Adolf Hitler's boast that German victory would attend the drive on Moscow in the "last great, decisive battle of this year" has been exploded by tenacious Soviet resistance, informed London quarters said today, declaring that the Führer has now abandoned hope of capturing either Moscow or Leningrad this winter.

Russian reserves were reported to have broken through Nazi siege lines before the U. S. S. R. capital, while on the southern (Ukraine) front, Soviet dispatches said the Germans were retreating from a corpse-strewn zone of the Donets river basin.

In a broadcast from Moscow, on the eve of the 24th anniversary of the Bolshevik revolution, Premier Joseph Stalin said German losses in the four-month-old struggle had reached 4,500,000 killed, wounded and captured.

Stalin declared flatly that "the blitzkrieg has failed," but with an evident reference to Great Britain, he complained that "one of the chief factors facing the Red army at the present moment is the lack of a second front in Europe."

Soviet newspapers have repeatedly urged Britain to establish a new front either by invading the continent across the English channel or striking from the Middle East.

"Feeling assured that they would not be attacked on the western front, the Germans are throwing in the bulk of their forces in the east," Stalin said.

Informed quarters in London said the German air force was withdrawing most of its planes from the Moscow, Leningrad and far north fronts, leaving land back to carry on a "defensive" winter campaign.

Meanwhile, a broadcast from Helsinki, capital of Japanese-occupied Manchukuo, reported that the 18th Chinese (Communist) field army had promised 100,000 Chinese troops to aid Russia against Germany and that they were "about to be transported westward."

## The Weather

West Texas: Generally fair tonight and Friday, except considerable cloudiness in the Panhandle. Not so warm in the Panhandle Friday.

# Commissioners To Consider Jury Recommendations Monday

# CANADIAN MAN KILLED IN CAR-TRAIN CRASH

### \$106,407.75 Paid Pickett In 13 Years

#### Contract Already Signed For 1942; White Absent

Although a contract for 1942 has already been drawn up with Gray county's oil assessor for the last 10 years, County Commissioner John Haggard said that the court would meet Monday to take up recommendations in yesterday's grand jury report which charged that tax valuations were unequal and that the commissioners should hire a county man to assess the taxes.

Asked for a statement today on the grand jury report in which it was stated that members of the county commissioners court favored employment of local residents in making assessments on oil properties in the county, rather than continuing the use of the services of Thomas Y. Pickett & Co., Dallas, County Commissioner John Haggard said:

"Commissioner C. M. Carpenter and myself appeared before the grand jury and speaking for ourselves, we favored the change. I believe the work should be done by local people, if they are qualified, and the price is the same or less."

On Oct. 11 a contract was drawn up between the county and the Dallas firm, providing for their services in the ensuing tax year. This contract was approved in order 2228, passed by the county commissioners at their meeting two days later.

Members of the commissioners court are to meet Monday, following the return of County Judge Sherman White from San Antonio where he is attending the annual convention of the Texas County Judges and Commissioners association this week.

See JURY, Page 8

## Armistice Day Parade To Be Held In Pampa

With a world in chaos, more than usual importance will be attached this year to the observance of November 11, Armistice day.

Members of the Pampa posts of the American Legion and of the Veterans of Foreign Wars are planning an observance that will appropriately stress Americanism.

Boy Scouts and members of Company D of Dan Texas Defense Guard will be invited to join the V. F. W. members, Legionnaires, ex-service men, in a parade to be formed at 10:30 a. m. at 706 W. Foster. Civic clubs and bands will also be asked to take part.

An impressive ceremony will be held at 11 o'clock in downtown Pampa, probably in the 100 block on N. Cuyler. At 6:30 p. m. open house will be held by the Legion at its hut at 706 W. Foster, open to all ex-service men, regardless of affiliation with veterans organizations.

A movement has been started to ask stores to close on Armistice day, but no definite announcement has been made.

Arrangements for the Armistice day observance are by a committee composed of Dan Williams, W. L. Heskew, and Paul D. Hill.

## I HEARD . . .

A wag suggesting that Texas send their first team to the Rose Bowl, their second team to the Cotton Bowl and their third team to the Orange Bowl and win three games in one day.

## Youth Sentenced In Highway Slaying

TALLAHASSEE, Fla., Nov. 6. (AP)—Thirty minutes after it started in circuit court here, the trial of Utah Houston, 10, of Pittsburg, Texas, ended today with a voluntary plea of manslaughter and a sentence of 10 years for killing George H. Moje, his traveling companion, near Tallahassee last April.

State Attorney O. G. Parker, Jr., agreed to the manslaughter plea, and recommended the 10-year sentence to Circuit Judge W. M. Walker, who immediately imposed it with credit from April 3, when Houston was arrested in Texas. If he makes a good prison record, the state's main time law will allow his release in six years and 20 days.

Moje, 35, a New York painter, was found dead in an abandoned automobile near Cason, Tex. Florida charged that Houston killed him in an argument near here and then drove to Texas with his body concealed in the back seat of the car. The two men came here from Miami, where they worked last winter.

Houston was returned here from Texas on federal charges of interstate transportation of a stolen automobile and crossing state lines as a fugitive. A Leon county grand jury indicted him for first degree murder for killing Moje, and federal officials turned him over for state prosecution.

Houston pleaded innocent of murder, but after a trial jury was selected in 15 minutes, he withdrew that plea and offered a substitute plea of guilty of manslaughter.

He made no comment when Judge Walker sentenced him. He was embraced by his sister Ruth, and by other relatives. His parents, Mr. and Mrs. C. C. Houston of Pittsburg were not in the courtroom at the time. Houston will be sent to the state prison at Raiford, Fla., next week.

Houston was represented by Carroll F. Rice, Tex. Fred Pine of Miami, Fla., and Lewis Hall of Tallahassee. Florence said Pine was associated in the case because Houston had lived in Miami, and also has a sister who lives there.

## First Light Frost Does Little Damage

A seasonal low temperature of 27 degrees, recorded at 1 a. m. today, brought Pampa its first frost of autumn, but the frost was light here and no apparent damage was likely to result to crops.

Temperatures rose rapidly this morning, reaching 43 degrees shortly after sunrise.

The freeze last night was widespread over the Panhandle, resulting from an outbreak of polar air from northern Canada.

## Red Cross Handled 253 Cases In Year

There will be no quota set in Pampa's 1941 Red Cross drive which will begin Nov. 11, Armistice Day. This year's drive is an "All out for the Red Cross" campaign with the sky the limit.

"Because of the great need, not only in foreign countries but right here in the United States, we are asking everyone to give, not just a dollar membership, but all they can spare," Roll call chairman Joe Key said today. "The Red Cross has done a magnificent job, locally, while nationally it has gone the limit."

Industrial firms and large contributors are now being contacted by Hal Lucas, chairman of the industrial committee, in a pre-drive campaign, and already several letters stating that gifts will be sent to the Pampa chapter have been received.

The Pampa Red Cross chapter handled a total of 253 cases between Sept. 30, 1940 and Sept. 30, 1941. The case record released today by

PRESIDENT ROOSEVELT receiving a Buddy Poppy from seven-year-old Carol Betty Wickman, ward of the VFW National home for the orphans of war veterans, Eaton Rapids, Mich. This project and the nationwide rehabilitation program

## Roosevelt Endorses V. F. W. Poppy Fund

THE WHITE HOUSE  
WASHINGTON

Commander-in-Chief, Veterans of Foreign Wars of the United States, Washington, D.C.

My dear Commander:

Every orphan deserves a chance for happiness equal to that enjoyed by the average American child. This opportunity is given the orphans of veterans by the V. F. W. National Home at Eaton Rapids, Michigan, maintained by the Veterans of Foreign Wars of the United States.

Proceeds from the annual sale of Buddy Poppies make possible the maintenance of this orphanage. Buddy Poppies also offer a source of employment and relief for needy and disabled veterans in their home communities. For these two very real reasons, we all should wear Buddy Poppies on Memorial Day.

Very sincerely yours,  
*Franklin D. Roosevelt*

## Anti-Peddling Law Held Void By Judge

Pampa's "Green River" ordinance, the anti-peddling law, took a "spanking" on a judgment filed Wednesday in 31st district court in the case of C. C. Kuykendall vs. City of Pampa, et al.

The court ruled the ordinance void and unconstitutional and permanently enjoined the city (named as Mayor Fred Thompson, City Recorder C. E. McGrew, Chief of Police John B. Wilkinson, and City Attorney Robert F. Gordon) from restraining the plaintiff in his business here. Kuykendall is of Bethany, Okla.

The plaintiff had previously been granted a temporary restraining order, after the city had halted the photographer from canvassing at Pampa residences, in violation of ordinance 188, which bars such solicitation except on invitation of the householder.

Sinclairize your car for winter months. Paul V. Clifford Service, east of Court House.

## Stalin Calls For Second War Front

LONDON, Nov. 6. (AP)—Russia, fighting "a war of liberation alone against Germany" and her allies, is handicapped by lack of a second European front, but "the assistance given by Great Britain and the United States is of great importance and growing continually," Premier Joseph Stalin declared today in an address over the Moscow radio.

German losses since the invasion of Russia last June 22 have reached 4,500,000 men, dead, wounded and captured, Stalin said, and "if the Germans want a war of destruction, they will certainly get it."

Speaking on the eve of the 24th anniversary of the Bolshevik revolution, Stalin said slaughter and plunder were the Hitler policy, and therefore "the policy of the Red army is to destroy the Germans to the very last man."

Mentioning in passing that the French government had sold out to Hitler for fear of a revolution, Stalin said, "only the Hitlerite madmen can think they can build a new order under the present conditions in Europe."

"The new order is ready to collapse at any moment and bury Hitler in its ruins."

Stalin said Soviet losses were 350,000 killed and 358,000 casualties, presumably meaning wounded. He said the Soviet rear never had been so strong as at this moment and that Red army morale was infinitely higher than that of the German army.

"The German army had been forced to construct new bases on unfriendly territory, whereas 'our army is fighting on its own territory,' the Russian premier asserted, 'with our people exerting every effort to keep it supplied.'"

"It is unnecessary to add that the blitzkrieg has failed."

"One of the chief factors facing the Red army at the present moment is the lack of a second front in Europe."

Stalin continued, "feeling assured that they would not be attacked on the western front, the Germans are throwing in the bulk of their forces in the east."

"Our country is carrying on a war of liberation alone against the Germans, Hungarians and Italians."

He declared that "another reason for the temporary Red army setbacks is the shortage of tanks."

"It cannot be said that our tank force is in a state of collapse."

"The increase in the number of dead raised to 123 the members of the army and navy whose lives thus far have been reported lost by belated action or accident in the battle of the Atlantic."

See STALIN CALLS, Page 6

## Litvinoff To Be Envoy To United States

WASHINGTON, Nov. 6. (AP)—Maxim M. Litvinoff, an old-time advocate of Soviet collaboration with the western democracies, will become Russian ambassador to the United States at an early date.

Authoritative sources said today that Litvinoff, former people's commissar for foreign affairs, had been chosen to succeed Constantine Gumeny, who is now in Russia.

Litvinoff, who in foreign minister, personally negotiated with President Roosevelt at Washington United States recognition of Russia in 1933, after a lapse in diplomatic relations of 20 years. Since 1939, however, he has been in the background of Soviet politics due to his opposition to collaboration with Germany.

Besides Gumeny there has been only one other Soviet ambassador to Washington, Alexander A. Troyanovsky, who took over the post immediately upon recognition eight years ago.

During his term of office as foreign affairs commissar, Litvinoff was the outstanding exponent of Soviet collaboration with the western democracies. It was his voice that was most often heard in Geneva, during sessions of the League of Nations, urging united action against aggressors and proclaiming the "indivisibility of peace."

Collective security was his crusade, and he seldom missed an opportunity to denounce who he termed the apathy of the other great powers toward Japanese aggression in the far east, Mussolini's aggression in east Africa and the

See LITVINOFF, Page 6

## Destroyer Death Toll Reaches 98

WASHINGTON, Nov. 6. (AP)—The navy department published seven corrections in its list of men reported lost on the torpedoed destroyer Reuben James raising from 97 to 98 today the total of deaths in the sinking of that vessel the night of October 30-31.

As a result of recheck of the list of those originally reported on board the navy announced the names of seven enlisted men who previously had not been reported on the destroyer and declared that they all had been lost.

At the same time the navy eliminated six names from the list of the lost and also eliminated one name from the list of the saved.

The increase in the number of dead raised to 123 the members of the army and navy whose lives thus far have been reported lost by belated action or accident in the battle of the Atlantic.

## 66 Already Entered In Amateur Night

Mortimer Snerd, Donald Duck, and Bonnie Baker will be seen and heard in the annual Pampa Junior High school amateur night program to be held at 7:30 o'clock tomorrow night in the junior high school auditorium.

The famous stage, screen, and radio characters won't be there actually—but they will be ably imitated in the variety of acts scheduled in a top-flight program.

Also, there will be a twirling and tap dancing act that is excellent, along with the "Texas Swingeroos," a string band, and enough accompanists to form another band.

There have been 66 entered in the try-outs, so many that all could not be heard yesterday, so the try-outs will be continued this afternoon. Ward, junior high students, and adults are represented in the entries.

The program is sponsored by the junior council and proceeds will be used to send council representatives to a state meeting in Fort Arthur next spring.

Hey, Bud! Don't forget your hat! See Roberts The Hat Man.

## Ethyl Tepe Injured At Crossing Here

### Coupe Carried 105 Feet Before Engine Stops

G. Russell Nolan, 40, Canadian business man, died in a local hospital at 1 o'clock this morning, two hours after the car he was driving was wrecked by a Santa Fe passenger engine at the Hobart street intersection here.

Ethyl Tepe, riding in the car with Nolan, suffered a fracture of the jaw, head injuries and lacerations. Her condition was reported favorable this afternoon.

Police Chief J. B. Wilkinson said today that the Nolan car was being driven south on Hobart street and that it had been stopped at the crossing while a freight train, going east, passed and that the driver apparently failed to see the passenger approach from the east and drove on to the track.

"The front of the engine struck almost center on the Nolan coupe, carrying it 105 feet before the train was brought to a stop. The car was still upright on the front of the engine, witnesses said."

Mr. Nolan, on the left side of the car, suffered a crushed chest, collapsed lungs, crushed ribs and other injuries.

Both passengers of the car were taken to the hospital in Duenkel-Carmichael Funeral home ambulances which were summoned.

The accident happened at 10:55 o'clock. The westbound passenger had just left the station and was starting to pick up speed when the crash occurred. Santa Fe officials said the train was not traveling fast and every effort was made in the short distance. The train was delayed a half hour.

The Canadian couple had been visiting in Pampa and were en route home when the accident occurred, Canadian friends said today.

Mr. Nolan had been a resident of Canada for 30 years. He operated the Nolan Hardware and Furniture company in Canadian. He is survived by one sister, Mrs. John Caylor, wife of the mayor of Canadian.

The body lies at rest at Stickey Funeral home where Canadian funeral arrangements have not been completed.

## Grandview School Pupils Buy Defense Bonds And Stamps

Ninety per cent of the students at Grandview school, 15 miles southwest of Pampa, came to Pampa this morning and purchased United States saving defense stamps. They were accompanied by Principal A. L. Jones.

Before the students made their purchases, they inspected the year-office building and then gathered in the civil service room where Walter Rogers, chairman of the speakers committee of the Gray county defense bond and stamp committee, explained the campaign and congratulated the students on their patriotism and loyalty to their country.

After hearing Mr. Rogers, the 42 students lined up in front of the sales window and purchased their defense stamps.

## ISAW . . .

Officials of the Gray County Tubercular association who emphasized that school pupils whose tests showed positive do not necessarily have the disease now. A positive test means that the child at some time in his life has had the disease, or that he may have it now. Children whose tests showed positive should consult their family physician at once to learn the status of the disease. The tests do not show the time element of the disease, it was pointed out. T. B. tests are being given all Pampa school children in the first and ninth grades this year. Children of other grades have been tested in previous years.

The Safe Way on the Highway is the Star Way. Williams-Sill "Tire CO.

### Wallace Said To Favor 100 Per Cent Parity

WASHINGTON, Nov. 6 (AP)—Vice-President Wallace was reported today to be taking a leading role in attempts to convince farm state legislators that they ought to accept 100 per cent parity as the ceiling for agricultural commodities in pending price control legislation.

Wallace was said to have enlisted the support of some conservative farm state congressmen for pegging farm prices at the 1909-14 purchasing power level established as parity for major crops.

The vice-president was represented as contending that farmers should not be placed in the position of appearing to be grabbing for all they could get.

The pending price control bill, approved by the house banking committee, would ban any farm price ceiling below 110 per cent of parity, the market price on October 1 or the average price in the 1919-29 period, whichever was the highest.

Wallace's reported contention that 100 per cent of parity would give farmers a fair return, if other prices were likewise controlled, was shared by Secretary of Agriculture Wickard, Wallace's successor in that post. But there still was no indication that President Roosevelt had expressed a view on the subject, even privately.

Senator McNary of Oregon, the Republican leader, was said to be lending his support to a move looking toward revision of the bill along the lines championed by Wallace.

The question of wage controls, avoided by the house bill, also was under discussion in many quarters. But Senator Taft (R-Ohio) said this presented an even more complex problem.

Full-grown African pigmy elephants weigh only about twice as much as the Alaskan Kodiak bears, or about 2,700 pounds.

**BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys**

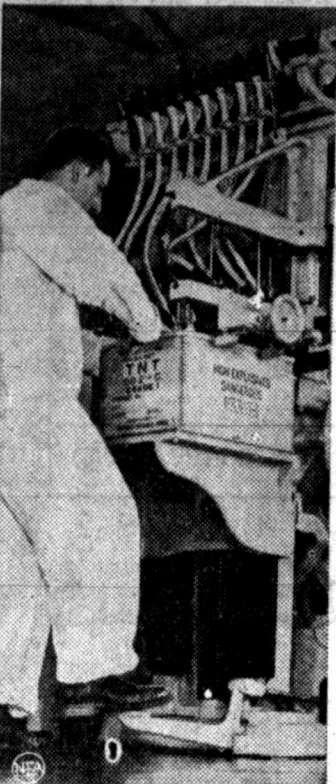

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 quarts a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisons and waste from the blood. Get Doan's Pills.

### Ticklish TNT Task

Add dangerous jobs: nailing covers on 50-pound boxes of TNT, all in the day's defense work at Kankakee, Ill., ordnance plant.

### Disappointed R. R. Workers Plan Strike

CHICAGO, Nov. 6 (AP)—Leaders of organized railroad workers, disappointed over a recommendation for temporary wage increases far short of their demands, called a conference today to map their next move—possibly the announcement of a strike date.

The five operating and 14 non-operating brotherhoods, with a total membership of 1,250,000, previously voted to strike. Enforcement of the vote was held in abeyance, by law, until 30 days after the extensive anti-strike procedure of the national railway act had been exhausted.

The final step provided under the act was taken in Washington yesterday when an emergency fact finding board submitted to President Roosevelt its report on weeks of hearings on the controversy. There is no legal provision for enforcement of the recommendation.

The board recommended wage increases of 7 1/2 per cent for the 350,000 operating employees who had demanded boosts of about 30 per cent. The lowest paid of these now earns \$5.06 a day.

For the 900,000 non-operating workers, the board proposed an average of 13 1/2 per cent. They had asked for 30 to 34 cents more an hour. They now receive 35 to 85 cents.

One-week vacations with pay were proposed for the non-operating employees by the board which also recommended wage increases of 7 1/2 cents an hour for 40,000 or more employees of the Railway Express company.

Chiefs of the operating unions described the recommendation as "an engraved invitation for transportation men to leave the service." They said it was "the most disappointing of any recommendation rendered by a federal tribunal during the past 50 years" and that they "regret to advise that they cannot recommend its acceptance."

Spokesmen for the carriers likewise expressed disappointment over the board's report. They estimated their annual payroll increase at \$200,000,000 or more under the proposals and said it would be "a much greater burden than the industry should be asked to assume at this time."

**Bridge-Luncheon Given Wednesday At Hotel For Club**

Wednesday Contract club members were entertained yesterday when Mrs. J. H. Gilliland was hostess at a bridge-luncheon in the Schneider hotel.

Varly-colored chrysanthemums formed the centerpiece for the luncheon table and a patriotic color note was observed in the tallies and place cards.

In the bridge games prizes were awarded to Mrs. Frank Hunt for high score and to Mrs. Glen Morley for second high.

Present were Mmes. H. C. Berry, Roy Rounsavell, Bob Sidwell, L. E. Erick, Robert L. Freney, Frank Hunt, Glen Morley, and J. H. Gilliland.  
 Mrs. Hunt will be hostess at the next meeting of the club.

**Newly Organized Alanreed H. D. Club Has Meeting**

ALANREED, Nov. 6.—The second meeting of the home demonstration club organized by Mrs. Julia E. Hunt at Alanreed met today in the home of Mrs. Dorsey at Eldridge.

Officers of the club are Mrs. Ray Brown, president; Mrs. Jewel Edes, vice-president; and Mrs. J. C. Atchley, secretary.

Committee chairmen include education and expansion, Mrs. Jewel Edes; reporter, Mrs. Kate Pettit; Mrs. Dorsey, assistant reporter; Mrs. L. L. Prock, Council representative; Mrs. Ray Sherrod, finance; Mrs. Forman Stubbs, exhibit; and Mrs. George Elms and Mrs. Plea Hill, recreation.

Normally, Italy is one of the principal wheat-growing nations, the third largest producer in Europe, with a crop about one-third that of U. S.

**The Social Calendar**

**FRIDAY**

Alpha Mu Study club will meet at 9:30 o'clock in the home of Mrs. J. W. Garman, 108 West Browning avenue.  
 Entire Noun club will meet at 2 o'clock in the home of Mrs. F. A. Shuckleton.  
 Federated club nutrition group will meet at 9 o'clock in the city club rooms.

 Veterans of Foreign Wars auxiliary will meet at 7:30 o'clock in the Legion hall.  
 B. G. K. club will have a spaghetti supper for mothers of the members.

**Miss Martin Guest Speaker At Parent Education Club**

Parent Education club met in the home of Mrs. Wiley Day Tuesday afternoon when Mrs. W. A. Rankin, president, presided over the business session.

Mrs. Carlton Nance, was appointed treasurer for the nursery and Mrs. Joe Gordon was welcomed as a new member.

Mrs. Hol Wagner, representative from the local defense stamp board, urged the participation of the club in buying stamps and bonds.

Guest speaker, Miss Helen Martin, who discussed "Give Them Music," was presented by Mrs. L. N. Atchison. Miss Martin stated that with other things being equal, children are better individuals if they are appreciative listeners of music. Surround a child with good music casually; make it a part of ever day living, she advised.

Refreshments were served by the hostess to Mmes. Hugh Anderson, L. N. Atchison, R. F. Bielefeld, J. K. Coats, Wiley Day, R. K. Edenborough, Foster Fletcher, Pery Gant, R. G. Herring, M. E. Lamb, Carlton Nance, R. H. Neustiel, Fred Radcliffe, W. A. Rankin, Frank D. Smith, Aubrey Steele, Fred Thompson, and J. W. C. Tooley.

**Shower Given As Courtesy To Mrs. Graham Recently**

Mrs. M. E. Graham, who is convalescing following an extended illness, was honored at a miscellaneous shower given in her home, 941 East Campbell, by Mrs. Jock Long, Mrs. D. L. Brown, and Mrs. Willie Smith.

Refreshments of sandwiches, cookies, and coffee were served to Mmes. Jack Long, A. A. McCullum, George McCullum, Willie Smith, D. L. Brown, Gordon Amos, W. F. Earnest, Misses Nadine Mauldin and Anna Mae Graham.

Gifts were sent by Mmes. N. B. Goodwin, Pete Brown, S. L. Brown, S. H. Stone, Bob Miller, James, Joe Bell, A. D. Cotton, Susie Eldridge, Mable Clark, Alvin Crawford, and Alvin Cheek.

**Contract Bridge Club Entertained In Arwood Home**

Special To THE NEWS  
 SKELLYTOWN, Nov. 6.—Mrs. J. A. Arwood was hostess to members of Contract Bridge club and their husbands this week, when she entertained with a chill and pie supper at her home in the Skelly Schaffer camp.

Garden flowers in profusion were placed about the entertaining rooms as decorations for the occasion.

Following the supper, bridge was the feature attraction, for the evening.

**SLIMMING**

The raised skirtline of this dress does wonders in slenderizing the figure which wears it. The bodice, cut with a deep low neckline has ample fullness gained by darts at the shoulder and gathers above the slim fitting skirt. Simple to make, this dress is suitable for every winter occasion and serves effectively as a background for a variety of accessories. You'll enjoy wearing it with a frothy ruffle at the deep neckline, with a necklace of pearls or with a pretty brooch.

Pattern No. 8066 is in sizes 36 to 52. Size 38 takes 5 yards 35-inch material. 1 1/2 yards machine-made ruffling for neckline.

For this attractive pattern, send 15c in coin, your name, address, pattern number, and size, to The Pampa News Today's Pattern Service, 211 W. Wacker Drive, Chicago, Ill.

Pep up your winter wardrobe. Send for our Fashion Book of new designs for all ages, all sizes. Pattern, 15c; Pattern Book, 15c; One Pattern and Pattern Book, ordered together, 25c.

**Five Rainbow Girls Receive Merit Bars At Regular Meeting**

Merit bars for outstanding ritualistic work were awarded to Edna Mae Cade, Mary Frances McMullen, Phyllis Parker, Phyllis Casey, and Mary Goble at the meeting of the Order of Rainbow for Girls held Tuesday evening in the Masonic hall.

Plans were made for a breakfast next Sunday morning at 8 o'clock at the White Way Drive Inn. Friendship Night will be observed November 18 at 7:30 o'clock in the Masonic hall when guests from Berger, Panhandle, Amarillo and Canadian will be present. Guests will hold officers for the initiation at that time.

Following the initiation of Eudell Hancock, refreshments were served to Edna Mae Cade, Elsie Ruth Graham, Frances Dean Crocker, Clarice deCordova, Naomi Snyder, Mary Frances McMullen, Virginia Symonds, Peggy Murphy, Mary Lee Goble, Mary Jane Davis, Phyllis Parker, Nadene Mauldin, Jo Ellen Simmons, Ann Arwood, Phyllis Casey, Eudell Hancock, members; Mary Ellen Moss, a visitor; Eastern Stars and Masons, Mrs. Hazel Parker, Mrs. Edrie Colvin, Mrs. Burl Graham, and Henry Lewis.

**Presbyterians To Have Bazaar On December 10**

Plans for a bazaar on Dec. 10 were announced at the meeting of Woman's Auxiliary of First Presbyterian church held Wednesday afternoon in the auxiliary room at the church.

During the business session Mrs. Robert Boshen read the constitution which was accepted by the members. Also Mrs. Erent Blankvist reported on the successful rummage sale which was sponsored recently by the auxiliary.

Continuing the spiritual life study, Mrs. George Briggs presented a chapter from the book "The Open Gate to Prayer." The program for the afternoon was led by Mrs. Dick Walker, who spoke on "A Certain Presbyterian Goes Forth to Sow," which included letters from missionaries supported by this Presbyterian.

Mrs. R. H. Neustiel and Mrs. Floyd Ward served refreshments to 34 members and one guest, Mrs. R. H. Austin.

**Monthly Meeting Of High School P-TA To Be Tonight**

Results of the contest conducted by the Student Council of Pampa High school will be announced at a meeting of the High School Parent-Teacher Association tonight at 8 o'clock in the new school cafeteria.

The program will include refreshments by the Vanderburg trio. Games will be under the direction of Jim Edwards' assistants.

An executive board meeting will be conducted at 7 o'clock in the office of Principal Doyle Osborne. Mrs. W. L. Campbell, president, has asked that all officers be present.

**Poultry Raising Is Profitable For Shackletons**

Mr. and Mrs. E. A. Shackleton have found that a flock is profitable. They have had an average of 158 hens for the past 12 months and the average expense per month for mash, mix-grains, and purchase of baby chicks is \$12.48. They had a monthly income above all expenses from their fryers, culled hens, and eggs of \$39.69. The total income above all expense for the year is \$476.30 and in addition to this amount they have 285 hens for production for 1942.

The improvements on their poultry house this year include electric lights, laying nests, feeding troughs, and a sun shed. They are going to add dropping boards to make the house easier to clean.

For successful production they have kept laying mash before hens at all times, added grains to the litter on the floor for scratching in the morning and at roosting time, green stuff, and milk. They have had a comfortable place for the chickens to roost, also.

For successful production they have kept laying mash before hens at all times, added grains to the litter on the floor for scratching in the morning and at roosting time, green stuff, and milk. They have had a comfortable place for the chickens to roost, also.

**Presbyterians To Have Bazaar On December 10**

Plans for a bazaar on Dec. 10 were announced at the meeting of Woman's Auxiliary of First Presbyterian church held Wednesday afternoon in the auxiliary room at the church.

During the business session Mrs. Robert Boshen read the constitution which was accepted by the members. Also Mrs. Erent Blankvist reported on the successful rummage sale which was sponsored recently by the auxiliary.

Continuing the spiritual life study, Mrs. George Briggs presented a chapter from the book "The Open Gate to Prayer." The program for the afternoon was led by Mrs. Dick Walker, who spoke on "A Certain Presbyterian Goes Forth to Sow," which included letters from missionaries supported by this Presbyterian.

Mrs. R. H. Neustiel and Mrs. Floyd Ward served refreshments to 34 members and one guest, Mrs. R. H. Austin.

**Monthly Meeting Of High School P-TA To Be Tonight**

Results of the contest conducted by the Student Council of Pampa High school will be announced at a meeting of the High School Parent-Teacher Association tonight at 8 o'clock in the new school cafeteria.

The program will include refreshments by the Vanderburg trio. Games will be under the direction of Jim Edwards' assistants.

An executive board meeting will be conducted at 7 o'clock in the office of Principal Doyle Osborne. Mrs. W. L. Campbell, president, has asked that all officers be present.

**Poultry Raising Is Profitable For Shackletons**

Mr. and Mrs. E. A. Shackleton have found that a flock is profitable. They have had an average of 158 hens for the past 12 months and the average expense per month for mash, mix-grains, and purchase of baby chicks is \$12.48. They had a monthly income above all expenses from their fryers, culled hens, and eggs of \$39.69. The total income above all expense for the year is \$476.30 and in addition to this amount they have 285 hens for production for 1942.

The improvements on their poultry house this year include electric lights, laying nests, feeding troughs, and a sun shed. They are going to add dropping boards to make the house easier to clean.

For successful production they have kept laying mash before hens at all times, added grains to the litter on the floor for scratching in the morning and at roosting time, green stuff, and milk. They have had a comfortable place for the chickens to roost, also.

For successful production they have kept laying mash before hens at all times, added grains to the litter on the floor for scratching in the morning and at roosting time, green stuff, and milk. They have had a comfortable place for the chickens to roost, also.

**Hole Fails To Give**  
 TUCSON, Ariz., Nov. 6 (AP)—The big hole in the line for which Jim Negri, University of Arizona freshman backfield star, was heading last night failed to open and as a result he had to have four stitches taken in his head.  
 Negri disclosed wryly that the play was made in his sleep. The hole for which he aimed turned out to be the wall of the dormitory.

Mississippi's population increased from 2,006,821 in 1930 to 2,181,783 in 1940, according to census figures.

**Drivers May Yet Feel War's Impact**

SAN FRANCISCO, Nov. 6 (AP)—Automobile drivers may yet feel the impact of war on their driving habits. Dr. John W. Frey, deputy petroleum coordinator, impressed that possibility upon the American Petroleum Institute today.

Motorists may not merely run into gasoline shortages, Dr. Frey asserted. They may have to press longer on the starter to get the engine going; they may have to shift sooner on hills; they may have to keep oil in the crankcase more than the traditional 1,000 miles.

Looking ahead along the highway Mr. Motorist will travel, this is what he foresees:

Increased production of aviation gasoline will take more butane—the stuff that makes gasoline more volatile, helping quick-starting of motors. The need for butane, he said, is likely to push so-called bottled gas distributors to replace butane with propane, affecting households using the tanked gas for heating and cooking.

Aviation gasoline will take more tetraethyl lead. And army equipment requires premium grade gasoline. When the military needs are met, there will not be enough left to keep up octane ratings of motor fuels sold to the motorist. So his motor will knock on grades he used to skim over with engine purring.

Five thousand to 6,300 men comprise a brigade in the United States army, under command of a brigadier general.

Pennsylvania now leads the Union in the number of miles of improved roads.

Operating an automobile today costs no more per mile than the expense alone 35 years ago.

**Gasoline Made From Garbage, Cane, Sawdust**

PASADENA, Calif., Nov. 6 (AP)—A building contractor who turned chemist because he became irritated at the size of his gasoline bills, has developed a process to convert garbage, waste lumber and farm products into motor fuel.

J. W. Jean has obtained final patents on the method he developed in a machine shop laboratory here. He says tests of his synthetic fuel have shown it has an octane rating of 88.7, comparable to aviation gasoline, and that it has developed 25 per cent more mileage than the petroleum fuel.

Without any knowledge of chemistry, Jean developed his process after extensive reading on the subject, and then disregarding many of the accepted notions.  
 The raw material first is fermented into alcohol and then converted into a synthetic hydrocarbon. To produce butyl alcohol cheaply, it was necessary to develop an unpatented bacterium. He met the problem by isolating one from potato peelings.

One hundred fifty tons of bagasse or sugar cane waste, he said, can be converted into 9,875 gallons of motor fuel, 60,100 pounds of carbon dioxide for dry ice, 2,700 pounds of hydrogen gas from which synthetic alcohol can be produced, and 50 tons of humus for the soil.

By-products include ammonia salts which, when blended with fertilizer, provide a high nitrogen content. When the fuel is produced from garbage, a superior lubricant is developed.

Among materials from which the fuel can be produced, Jean said, are molasses, sawdust and shavings, waste from paper and sugar mills, old newspapers, potatoes, fruit, nuts and nut shells, and second and third cotton crops, seldom harvested, including the entire cotton plant.

He said successful tests of the fuel have been made at the United States experimental station at Annapolis, the federal bureau of standards, the army's Holabird quartermaster depot at Baltimore and the naval experimental station at Anacosta, D. C.

**Galveston Firemen Win Pay In Ruling**

AUSTIN, Nov. 6 (AP)—The supreme court today affirmed appellate and trial court rulings against the city of Galveston awarding overtime pay to city firemen.

In its decision, the supreme court asserted it agreed fully with the appellate court opinion which amply discussed the case and ruled correctly.

The civil appeals court consolidated the cases of Firemen A. J. O'Mara, John P. Heffernan and others.

The firemen alleged they were entitled to 75 additional days' compensation for extra work between Sept. 20, 1937, and March 12, 1939. They asserted they received no pay for the overtime.

The trial court ruled against the city and awarded O'Mara \$416 and Heffernan and 83 other firemen an amount aggregating \$32,654.

The civil appeals court affirmed the lower court ruling and declared the firemen were entitled to the full amounts they sought because a state law provided no members of a fire or police department in a city of more than 25,000 be required to be on duty more than six days a week.

The city contended it was not liable for the firemen's compensation because the services were rendered in violation of the state penal code, she, firemen accepted their pay at the time without protest and that the firemen's pleadings failed to show the extra pay was authorized.

**Miami School Nets \$150 From Annual Frolics**

Special To THE NEWS  
 MIAMI, Nov. 6.—The Halloween Frolics, a carnival, sponsored by the Miami grade school Friday night, was a huge success. It was estimated that at least 250 were in attendance.  
 After a program of fun, stunts, and music in the auditorium the main carnival was held in the gym. All the booths sold out, and the other attractions had a good response.  
 About \$150 was taken in from the event. This will be used to buy books for the grade school library.

ARKANSAS TORNADOES CAUSE GREAT PROPERTY DAMAGE—Wreckage of homes

and automobiles as a result of the tornadoes that ripped thru Arkansas causing many deaths

and much property damage. This scene near Monticello, Ark.,

is but part of the damage caused by the storm.

### Bishop Will Address WPA Supervisors

Annual three-day conference of community service supervisors of Works Projects Administration opened in Pampa today, directed by Mrs. Albert Walker, division director, from the District 16 headquarters in Amarillo.

"The Home in National Defense" was the theme of speeches and panel discussions today. Highlighting Friday's program will be an address by the Rev. E. C. Seaman of Amarillo, bishop of the missionary district of North Texas, to be delivered at 8 o'clock that night at a dinner at the Schneider hotel, convention headquarters. His subject will be "The Home in National Defense."

Representing Pampa projects in the community service division at the conference will be Jim C. Edwards, Dalton B. Hall, and A. C. Hoffman. Library, school lunch, recreation, and housekeeping aid are the projects in the division holding the conference.

### Youth Up For Trial In Highway Slaying

TALLAHASSEE, Fla., Nov. 6 (AP)—Utah Houston, 19, of Pittsburg, Tex., was up for trial today on a charge he killed a traveling companion and carried the body by automobile through four states to Texas.

### Welders Going Back To Work

A back-to-work movement gained momentum today among striking west coast welders, but the nation's shippers and travelers continued to face the threat of a possible countryside railroad strike.

Welders at Los Angeles accepted an OPM proposal that they go back to their jobs pending a conference on their grievances, but their fellow craftsmen in the Seattle area remained out.

The welders want a charter from the AFL for a separate union. Under present conditions, they say, they must pay dues to several unions in order to ply their trade. The welders claim their walkout affected some 20,000 men, but the OPM estimates the figure at not more than 5,000.

### Ickes To Consider Shorter Pipelines

WASHINGTON, Nov. 6 (AP)—The office of Petroleum Coordinator Ickes took under consideration today a proposal by the supply priorities and allocations board that it might be advisable to build shorter pipelines than the 1,589-mile pipeline which SPAB rejected yesterday.

### Lifelong Resident Of McLean Dies

J. B. Pettitt, 52, lifelong resident of the McLean community died this morning in a local hospital. Mr. Pettitt was admitted to the hospital yesterday afternoon following a heart attack. He was a retired farmer.

Survivors are the widow, a daughter, Mrs. Wheeler Carter, Pampa, a son, Buster Pettitt, McLean, his mother, Mrs. J. B. Pettitt, and two grandchildren, Kenneth and Barbara Ruth Carter.

### Sinclair To Hike Crude Oil Price

TULSA, Okla., Nov. 6 (AP)—Sinclair Prairie Oil Marketing Co. announced that effective at 7 a. m. today it would increase prices seven cents a barrel for the 21,000 barrels of crude oil it purchases daily in north central Texas.

### Pampa Dry Cleaners

A fortnight is two weeks, or 14 nights. "BETTER CLEANING ALWAYS" Made-To-Measure Clothes. Pampa Dry Cleaners 204 N. Cuyler Ph. 88 J. V. New

### Pampa String Band To Play At Homecoming

CANYON, Nov. 6—The most casual observer could see that things are happening at West Texas State college this week. Reserved faculty members are wearing western costumes, if no more than a bright handkerchief. Many have brightly hued shirts. Some have boots. Prof. D. T. Swinford, teacher of art, took the week seriously; he is growing a full beard and wearing truly western apparel.

This is Homecoming week. The official program will begin Friday night and continue until after midnight of Saturday, November 8. High-lights in the program include a 3-act play, a huge bonfire, and dedication of a huge neon sign Friday night. On Saturday morning at 10:30 o'clock the new \$170,000 science building will be started at a ground-breaking. High school bands in large numbers will parade before the Saturday afternoon football game. The football queen, Miss Muriel Faye Phegley of Lockney, will be crowned just before the kickoff in

the game between the Buffaloes and St. Mary's of San Antonio. Eighteen queen candidates already have been certified for the coronation pageant at 7:30 p. m. Saturday. Following this program, the night club jamboree will open at various places on the campus. A noisy, colorful carnival, a floor show with an orchestra and Dixie Dice entertainers, and a Spanish-American program will be presented in Cousins Hall. Old Tascosa will be reconstructed in the women's gymnasium, where Jesse's string band of Pampa will play. Students and the more recent ex-students will mingle at Burton gymnasium, where Sunshine Butler's orchestra will play for dancing. Many other features will be added.

Queen bees treated with ultraviolet rays can be made to lay from 10 to 40 per cent more eggs.

### Senator Johnson Shouts At Downey

WASHINGTON, Nov. 6 (AP)—Senator Downey (D-Calif.) told the senate today he had been "very much surprised" to learn that 75 to 80 per cent of the people in California favored neutrality act revision, and his Republican colleague, Senator Hiram Johnson immediately disputed him.

"Take it from me," Johnson shouted in debate. "I am in touch with the state of California." Johnson argued that to revise the act to permit the arming of ships and their travel to belligerent ports would surely mean war.

Downey, who previously had been associated with the senate's so-called "non-intervention" bloc, told his colleagues that he had talked with a

representative cross section of California citizens in arriving at his percentages. The Downey-Johnson exchange came shortly after senate leaders reported that President Roosevelt voiced the view at a White House conference that congress should enact pending legislation without tacking on amendments designed to curtail defense strikes.

Mountain goats are classed as the rarest and wildest of Rocky Mountain game.

BRITISH SAY

(Continued from Page 1)

reporting that the city of 80,000 was defended by well-supplied troops manning "very strongly fortified positions."

He said the stronghold could become "another Odessa, perhaps with not the same results"—referring to the long defense of the Ukraine mainland port against German and Rumanian siege armies. Odessa finally surrendered in mid-October.

Adolf Hitler's field headquarters declared that pursuit of "the beaten enemy" was continuing along the entire Crimean front and asserted that Soviet resistance had been broken in the mountains east of Sevastopol.

Retreating yesterday's claim of a break-through to the Black Sea, the high command said German and Rumanian troops defeated isolated Red army units in the Yalta mountains and "pushed through a broad front" to the coastal region between Yalta and Feodosiya.

On the central front, authoritative London quarters said the 35-day-old German drive on Moscow was now "very definitely held."

German newsmen from the front significantly stressed the hazards and difficulties of assaulting the U. S. E. R. capital, displaying diagrams and pictures of Moscow's successive outer defense system—successive barriers of flame-throwers, tank traps and barbed wire, a moat, mine tank traps and barbed-wire entanglements, and finally bunkers.

The government-controlled Moscow radio said the Germans were fleeing from an unspecified Donets river battlefield, "leaving behind them heaps of dead and many guns." Much of the bitterest fighting in the 670-mile-long basin has centered about Rostov-on-Don, gateway to the Caucasus oil fields.

A British broadcast said German armies driving into the central Donets region were being held up short of Voroshilovgrad, 70 miles east of German-captured Stalino and almost due north of Rostov.

The Soviet radio said the battle of Tula, 100 miles south of Moscow, continued to rage "but the enemy is not fighting with the same ardor as when he began the offensive."

There were indications that Siberia-trained Red army reserves, some 200,000 of them now reported fighting on the Moscow front, may have turned the tide in that important struggle. The Russians said German soldiers were again entrenching defensively and half burying tanks to use as pillboxes against Soviet counter-attacks.

The possibility of a winter campaign in the south, with Caucasus oil as the stake, occupied the attention of both.

German sources made no bones about the economic value of the Caucasian oil fields, not so much for the booty that would fall to Germany as for the blow Russia would suffer if she lost three-fourths of her petroleum output.

Such a drive, it was asserted in Berlin, would be a logical consequence of Nazi gains in the Crimea, a back door to the Caucasus, and along the Black Sea coast.

The Russians linked the possibility of a major southern drive with the report of a possible winter operations.

JURY

(Continued from Page 1)

County records reveal that the county has paid the Dallas valuation engineers a total of \$106,407.78 in the 13-year period, 1928 to 1940, an average of \$8,185.21 a year. The school district has paid Pickett approximately \$40,000, Roy McMillen said.

Employment of the firm to assist in evaluating oil properties in Gray for the tax rolls came after the oil development here. Before that time, the total tax valuation was less than \$4,000,000.

County tax valuation and the amount paid Thomas Y. Pickett & Co. for their services, in order, are:

- 1928—\$13,182,449—\$4,156.65.
- 1929—\$21,249,179—\$7,750.
- 1930—\$27,775,856—\$8,900.22.
- 1931—\$27,685,357—\$8,917.37.
- 1932—\$23,931,100—\$7,201.48.
- 1933—\$23,494,206—\$7,106.24.
- 1934—\$24,180,051—\$7,577.38.
- 1935—\$28,281,755—\$9,265.07.
- 1936—\$27,941,535—\$9,082.44.
- 1937—\$30,229,550—\$10,284.43.
- 1938—\$30,750,930—\$10,426.47.
- 1939—\$30,667,318—\$7,800.
- 1940—\$28,751,116—\$8,000.

The new contract with Thomas Y. Pickett & Co. provides for payment for skilled services and technical knowledge in assisting in the assessing on oil properties.

Classified as oil properties are oil, gas, and sulphur deposits, storage, pipe lines, refineries, gasoline plants, tanks, carbon black plants, power and light, rigs, supply houses, oil and gas leases, developed and undeveloped, and transportation.

Payment to the firm is from the general fund on the basis of 4 cents on \$100 valuation, with a maximum set at \$8,000.

The schedule of payment is \$500 on Nov. 1, and \$200, and \$500 on the succeeding first of each month extending to June. Other payments are after the completion of their work and approval by the county commissioners, sitting as the board of equalization.

Work of assessing oil properties is a continuous process, starting in January or February and lasting throughout the year. The valuation engineers gather data from the Texas Railroad commission at Austin and here, confer with various officials, and meet with the county board of equalization.

The board ordinarily meets in July or August and there are four or five of the firm's men that confer with the board.

The 1941 tax valuation of Gray county is \$28,664,727, while the oil roll valuation is \$23,673,190. For the county the oil property valuation represents three-fourths of the total tax valuation.

Coloradoans Feted  
MCALEEN, Nov. 6 (AP)—Governor Ralph Carr and a party of prominent business men, who visited the lower Rio Grande valley of Texas, today were bathed in hospitality and drenched in grapefruit juice.

The visitors, who are in Texas for a week, were guests at a breakfast at Raymondville, at a luncheon in Weslaco, and a wild game dinner at Matamoros, Mexico.

# PLAINVIEW HAS UNIFORM LINE AND DEADLY PASSING ATTACK

## Mason Boys Dominate Backfield

When the Pampa Harvesters go to Plainview Tuesday for what is now their most important game of the season, they will meet a team that has just about everything. The Bulldogs have a fairly big, uniform line, backed by three scooters, one giant and a deadly passing attack.

The game is the most important because a loss would put the Harvesters completely out of the running for a chance of a three-way tie in the district, while a victory would put the Harvesters in the thick of the fight. All they would have to do would be to stop Amarillo to make a mess out of things.

Neither Pampa nor Plainview has been given much consideration as threats in the district. In fact some state sports writers have already drawn the flag around the main forms of Coach Howard Lynch's Amarillo Sandies.

But the Harvesters and the Bulldogs have a very good reason for playing Armistice Day. They won't be playing just to finish the conference race. They'll be playing to show the smart boys that Pampa and Plainview are still in the district and with the belief that one of them will knock the mighty Sandies over this season.

Plainview, after a rather disappointing start against Abilene, has come along rapidly. The backfield is led by Wick Mason, 180-pound full-back, John Mason and Red McNeely. Wick Mason does the plowing with John Mason and Malone doing the scooting. Red McNeely does the blocking.

The Bulldog line is uniform and fast as greased lightning. In Alvin Thomas, 181, and Joe McAdams, 164, the Bulldogs have a pair of ends that are rugged on defense and top pass receivers. Mel Jowell, 176, and Frank Baker, 172, have been outstanding tackles all season. Otis Olds, 165, and Herman Friedsam, 185, have carried the brunt of the defense at their guard slots. E. C. Barry, 141, is center and midget but he's a giant on defense. He is a three-letterman and backs the line despite his lack of weight.

Plainview is reported to be weak on reserves but to date they haven't needed them. The Bulldogs will also be without Mick Mason, twin brother of Wick. He has been on the injured list for three weeks and may not be ready to face Amarillo.

Coach Buck Prejan and Mac Best have been working their Harvesters on both offense and defense, especially on pass defense. The line is being given a grooming to stop Mason while the ends are getting a lot of work on how to stop the end sweeps of Mason and McNeely.

"Plainview will be double tough," Coach Buck Prejan told his Harvesters yesterday.

Yans Favored Over Gorillas Friday Night

A preview to the Pampa Harvesters-Amarillo Sandie football game will be played Friday night at 7:30 o'clock on Butler field, Amarillo, when the Pampa Gorillas meet the Amarillo Yans. Next year the same boys will be battling in the Harvesters and Sandies, respectively.

Coach Jack Davis of the Gorillas has been working his boys long and hard this week. He knows that his squad will be badly outnumbered and outweighted when the face the Yans. He also knows that his boys will never stop battling, even against such opposition.

So far, this season the Gorillas have failed to break into the win column. They lost a close one to Higgins and were downed twice by Spearman. But they've been gaining experience and that is what they are playing for, so that they'll be ready for the Harvesters squad.

Coach Davis hasn't named a starting lineup for tomorrow night. It is likely that he will make several changes. It has been noticed in practice that he has been using Kuehl, an end, in the backfield and he looks like a real sack back.

The Yans have won two, lost three and tied one this season in games played on the other fellows' fields. Highlight of the season thus far was their 26 to 0 victory over the Lubbock Cowhorns in game at Lubbock. Portales beat the Yans 19 to 6. LeFors took them 39 to 7, and Clayton beat them 22 to 6. They tied 6-all with Tucumcari.

## Crucial Games Will Be Played Armistice Day

(By The Associated Press)

It's the slack week of the season in Texas schoolboy football. None of the leaders in the district races meet and it's even quiet for the undefeated, united teams.

Only 33 games are scheduled as part of the field waits for big doings next Tuesday—Armistice day. Then you'll find crucial games galore.

Seven of the nine teams with perfect records have games but with little chance of an upset. Sunset (Dallas) plays Dallas Tech. Paris meets McKinney, Masonic Home clashes with La Fort Worth, and Paschal, Temple engages Waxahachie. Waco entertains Cleburne. Conroe takes on Port Arthur and Goose Creek plays South Park (Beaumont). Amarillo and Sweetwater rest until Tuesday.

Top battles of Armistice Day send Odessa's once-beaters eleven against Sweetwater, Tyler against Longview and Lufkin against Nacogoches.

Odessa is considered the major barrier to Sweetwater's sweep to the district 3 title. This week's schedules by districts: 1—No games. 2—Friday: Electra at Wichita Falls (conference), Graham at Vernon (conference), Quannah at Childress (conference). 3—No games. 4—Friday: Bowie (El Paso) vs. El Paso (conference), Las Cruces, N. M., at Ysleta; Saturday: Albuquerque, N. M., at Austin (El Paso). 5—Friday: McKinney at Paris. 6—Friday: Arlington at Highland Park (Dallas) (conference). 7—Thursday: Masonic Home (Fort Worth) vs. Paschal (Fort Worth) (conference); Friday: Poly (Fort Worth) vs. North Side (Fort Worth) (conference). 8—Friday: North Dallas vs. Woodrow Wilson (Dallas) (conference); Saturday: Dallas Tech vs. Sunset (Dallas) (conference). 9—Friday: Mineral Wells at Stephenville (conference). 10—Friday: Corsicana at Mexia (conference), Denton at Ennis, Waxahachie at La Fort Worth (conference), Bryan at Hillsboro (conference). 11—Friday: Gladewater at Killbuck (conference). 12—Friday: Henderson at Jacksonville (conference). 13—Thursday: Sam Houston (Houston) vs. Milby (Houston) (conference); Friday: Jeff Davis (Houston) vs. John Reagan (Houston) (conference); Saturday: San Jacinto (Houston) vs. Austin (Houston) (conference). 14—Friday: Port Arthur at Conroe (conference), San Antonio Tech at Orange; Saturday: Goose Creek at South Park (Beaumont) (conference), Galveston at Beaumont (conference). 15—Friday: Lubbock at Brackenridge (San Antonio) (conference), San Antonio Tech at Laredo (conference). 16—Friday: San Benito at Harlingen (conference), Edinburg at Brownsville (conference), Beville at Corpus Christi (conference).

Donelli May Be Forced To Quit As Steeler Coach

PITTSBURGH, Nov. 6 (AP)—Buff Donelli disclosed today he may be forced to quit as coach of the Pittsburgh Steelers of the National Professional Football League to keep a pledge made to Duquesne university's gridlers when he resigned as their tutor to join the pros.

Donelli's dilemma, he told friends, stems from the refusal of Elmer Layden, the pro league commissioner, to permit him to accompany the Steelers to San Francisco where they met St. Mary's on Sunday, the same day the Steelers engaged the Philadelphia Eagles in Philadelphia.

Layden told Steeler owners Bert Bell and Art Rooney that if Donelli went to the coast instead of Philadelphia, he must resign as coach, Donelli explained.

Donelli wanted to direct both the Steelers and the collegians when he assumed the pro job five weeks ago, but Layden ruled he must quit one or the other. He chose the pros but, before returning from Duquesne, Donelli promised his college charges that he would sit on their bench at all remaining games.

Thus far he has done so, serving in an advisory capacity to acting Coach Steve Sinko.

The Dukes have notched six straight victories under the arrangement.

Ammonia is vital in the making of military explosives.

LEADING GROUND GAINER—Bill Dudley, 170-pound University of Virginia quarterback, is making a strong all-America bid. He's the country's leading ground-gainer, averaging better than eight yards per try, has scored 75 points in six games and has thrown 10 touchdown passes.

## Price Of Texas Mines Leads Nation In Passing And Punting For 1941

SEATTLE, Nov. 6 (AP)—A year ago Tom Harmon of Michigan and Al Ghesquiere of Detroit were hailed as the nation's most prodigious football ground gainers, but maybe it's just as well the boys have graduated.

Because American football statistics bureau figures released today show that they would be trailing a threesome consisting of Bill Dudley of Virginia, Elmer Madarik of Detroit and Frankie Sinkwich of Georgia.

At this stage last year Harmon was the nominal total offensive leader with 633 yards from rushing and passing. This year the three leaders are Dudley with 1,173 yards; Madarik with 1,131 and Sinkwich with 1,003, putting Harmon 180 yards behind the third man.

Ghesquiere last year led the rushers with 617 yards. This year Sinkwich has gained 655 yards for the same period, despite playing with a broken jaw.

Dave Allerdyce of Princeton was pacing the 1940 passers with 51 completions out of 103 attempts. This year Owen "Mugsy" Price of Texas Mines has completed 53 of 135. Price is shooting for Davey O'Brien's modern record established in 1938 when he completed 93 of 167 for Texas Christian. Price has more attempts and completions per game for his five games than had O'Brien.

Only in punting does the 1941 top figure fail to measure up to that of 1940, but even there it's the same leader, something the bureau says is unusual in its experience. The leading punter in each season was and is the same Owen Price. Last year his average for 26 punts was a phenomenal 48.15 yards. This year it's 44.90 for 31 boots.

Henry Stanton of Arizona usurped this week's pass receiving lead, catching 23 for 451 yards. Last year's leader at this time was Jack Jennings of Oklahoma who had 19 for 252 yards.

The figures: Total offense—(gains rushing and passing)—Bill Dudley, Virginia, 1,173 yards; Elmer Madarik, Detroit, 1,131; Frankie Sinkwich, Georgia, 1,003; Owen Price, Texas Mines, 806; Bud Schwenk, Washington, (Mo.), 774; Derace Moser, Texas A., and M., 766; Bill Smetana, Arizona, 734; Steve Filipowicz, Fordham, 726; Booby Payne, Clemson, 710; Tom Davis, Duke, 680.

Rushing offense—Sinkwich, Georgia, 655 yards; Johnny Origas, Holy Cross 574; (first last week but gained only one yard in two plays against Colgate); Bob Steuber, Missouri, 520; Dudley, Virginia, 510; Sutch, Temple, 488.

Forward passing—(ranked on completions)—Owen Price, Texas Mines, 63 completed out of 135 attempts for 596 yards; Madarik, Detroit, 46 of 92 for 730; Schwenk, Washing-

## Grange Backs Navy To Beat Notre Dame

By RED GRANGE

The Original Man-in-Motion

BALTIMORE, Nov. 6—If Navy's scoreless tie at Harvard dampened your enthusiasm for Maj. Svede Larson's two-ocean feat, you should have seen the Crabtown Sailors on maneuvers against Pennsylvania in the muddy waters of Franklin Field.

The fleet air arm was hampered by weather but that didn't stop the Middles from scoring their first touchdown that way and unorking a rousing ground attack to completely dominate the play.

Navy meets Notre Dame, Nov. 8, and I look for the Sailors to keep afloat, although the Irish may brew up a storm.

Both teams should be high for the game. The Middles are gunning for

## Turn To Page 10 For Additional Sports

an undefeated season and a possible Rose Bowl bid. The Irish undoubtedly are incensed by their tie with Army in the mud. A dry field will help Notre Dame's aerial attack with Angelo Bertelli pitching, and I look for a real dog fight. But Navy's depth and power gets the nod.

## HARVARD SHOULD FIND ENOUGH PUNCH

Army moves to Cambridge to tackle Harvard, and I'm stringing along with the Crimson. They have one of the finest defensive teams in the East and should find enough punch to win.

Pennsylvania will be hopping mad when Columbia invades Philadelphia. Despite the Lions' fine victory over Cornell, they have the manpower to give the Quakers a battle.

One of the best games in the East finds Penn State playing host to Syracuse. Ossie Solem, reverse center and all, has a powerful team at Syracuse. He has lost only one game to Cornell. Syracuse whipped Wisconsin last week and should handle the Pennsylvanians.

Temple and Villanova renew a neighborhood rivalry. I'll take Temple in a close one.

I'll give over Holy Cross, Cornell over Yale, Missouri to Wop Nell N. Y. U. Fordham to do the same pit, Dartmouth over Princeton, Boston college over Wake Forest, and Williams over Wesleyan in the Little Three.

## GRANGE GIVES 'BAMA VOTE OVER TULANE

I'm casting a shaky vote for Alabama over Tulane in the South's game of the day. Tulane again showed power in knocking Vanderbilt out of the amateur ranks, 24-14, while Alabama has been moving nicely since its early defeat by Mississippi State.

Mississippi should handle L. S. U. unless the Louisiana boys have one of their good days, as they did against Duke.

Duke should get by Davidson. Mississippi State has too much for Auburn. Georgia should take Florida, and Texas Christian can handle Centenary.

I like Georgia Tech over Kentucky, Georgetown over Maryland, North Carolina State over Virginia Polytechnic Institute, Virginia over Washington and Lee, West Virginia to win an inter-sectional tilt from Kansas, and William and Mary over Virginia Military Institute.

NORTHWESTER BOUNCES BACK AGAINST INDIANA. Northwestern figures to bounce back against Indiana. The Wildcats were outsmarted by Minnesota, but should be able to out-brown the Hoosiers.

Minnesota, which rarely lets down, should handle Nebraska. Iowa, gaining momentum, is the choice over Illinois.

## Games At Panhandle And LeFors Hold Limelight

By ROBERT MYERS

## Ban On Navy Leaves Texas At Top Of Rose Bowl List

LOS ANGELES, Nov. 6 (AP)—Rose Bowl stock of the University of Texas took a jump today—whether it's a safe buy remains to be seen, however—with the disclosure that the Navy is on record as opposing at least one proposed post-season appearance by the Annapolis Middles.

Secretary Knox, no less, wrote a letter and combined with it a recommendation by the superintendent of the naval academy which turned thumbs down on a proposed game between the Navy and the champion Army team in California or an all-star aggregation of service men in training out here.

The rejection did not apply to the Rose Bowl game, but the reasons given for the official decision might govern a Rose Bowl invitation, if and when extended.

Harry Myers, American Legion executive, had been toying with an idea of matching Navy against a service team yet to be selected. He asked Secretary Knox if the academy might be obtained.

The secretary's reply was a definite "No." He quoted the academy superintendent as saying: "The final game of the regular

## AP Football Poll Result Of Analysis By 130 Experts

Editor's note: The AP football poll has come to be regarded as the top authority on the ranking of the nation's football teams. The following story tells how the poll is handled, what it's all about.

## Does The Wife Know How To Cook A Duck?

In case the wife of the mighty nimrod is uncertain as to how to roast a duck, here's a suggestion.

Salt and pepper the bird inside and out, place breast down in roaster or rack, roast at 360 degrees (moderate oven) 35 minutes per pound, and baste several times while roasting.

Everybody wants a good dressing to go with roast duck, and a good dressing nine times out of ten means a wild rice dressing.

Here's how you make it. Wash rice in several changes of warm water (wild rice swells more than twice during cooking). For each cup of rice add two tablespoons of butter, one-half teaspoon of salt, and cook in top of covered double boiler until done. For dressing, use two cups of cooked wild rice, add one tablespoon of minced onions, one-half cup chopped celery, one tablespoon of sage, one teaspoon of minced parsley and add cream to bind the ingredients together.

Here's a duck-for-breakfast recipe from the American Cookbook that might be of interest.

"Cut the meat (from the remains of wild roast ducks) from the bones, pick out all the little bits from the recesses, lay them in a frying pan and cover with water and the cold gravy left from the roast. Add a piece of butter, let boil up once and if not quite thick enough stir in a little dissolved flour. Serve hot."

The current duck and goose season will last through December 31st. Shooting hours for ducks, geese and limit is sunrise to 4 p. m. The bag limit on ducks is 10 per day or 20 in possession. Daily bag may contain 3 buffheads or 3 redheads, or 3 of these two species together, and not more than 6 of these may be possessed. Daily bag may also contain one wood duck, and not more than one of this species may be possessed. In addition, hunters may take 3 blue geese per day and they may have 6 blue geese in possession. The original 3 or 6 geese may include or consist entirely of blue geese and it is thus possible for a hunter to take 6 blue geese per day or have 12 in possession of he takes or possesses no other kinds of geese.

Duck stamps are required of all migratory waterfowl hunters over 16 years of age. Buy them at the post-office. Price, \$1.00.

Star Sight

Although we apparently can see countless stars, the naked eye is capable of viewing only about five or six thousand, and not all of these at any one time. Only persons with exceptional sight can see stars of the sixth magnitude.

New Location Pampa Office Supply

211 N. Cuyler

Pampa football fans will be able to see two football games Friday. They can go to Panhandle tomorrow afternoon to see the traditional battle between White Deer and Panhandle and tomorrow night they can go to LeFors to see Lakeview battle the Pirates.

LeFors, current leaders in their district, meet Lakeview, a team from the smallest town in the district. But size of the town doesn't keep Lakeview from having a great football team and Coach Francis Smith and John Rankin are doing a lot of worrying about the game. They know that a momentary slip might cost them.

Shamrock faces a tough foe tomorrow night when they entertain the Wellington Skyrocks.

Wheeler goes to McLean tomorrow night for the other important conference game in this section.

Despite season records, the game between Panhandle and White Deer is always a thriller. Only once has a White Deer team defeated the Panthers while once the two teams played to a tie.

Tomorrow the dope favors White Deer. Neither team has been impressive this season because of the large number of inexperienced boys. Both Coach Gene McCollum of White Deer and Coach Jack Atkins of Panhandle led nearly every starter from last year's outstanding teams. Now they are rebuilding and next year should be "the year" for both schools.

## Armstrong Gives Up All Thought Of Return To Ring

NEW ORLEANS, Nov. 6 (AP)—Because he was the only one hurt in an automobile accident, hammering Henry Armstrong of the triple crown has given up all thought of returning to the ring in which he won nearly 300 fights.

"I sort of took it as a warning," said the only man who has ever held three world boxing titles at once. "I've been appearing in some exhibitions and thought if I felt all right in those bouts I'd try a comeback."

"But a month ago in Oklahoma our auto turned over. I broke my finger and nobody else was hurt. My finger's all right, but that incident scared me. I'm not going to fight any more."

"I don't want to tear down with one poor fight the reputation I built up in 12 years."

In partnership with Freddie Sommers of Los Angeles, Henry is managing a stable of fighters. He even has Mike Della, 19-year-old lightweight, for a match with Irish Bobby Ruffin Monday night.

"From here on I'm going to specialize in handling fighters," declared the soft-spoken hammerer in his meticulous English which sounds more like the speech of a poet—while he is by avocation—a than of a boxer.

victions—which is, no doubt, as it should be.

Most painstaking voter of all, probably, is Cy Sherman. One Monday, buried deep in the work that faces every sports editor at the start of the week—and notably so in the football seasons—he stopped suddenly, swung his typewriter in front of him, and hurriedly typed out a wire message to "Herb" Barker, sports editor, Associated Press, New York. It read:

"Pulled a boner today. Forgot to send in my football rankings. Here they are. . . ." And there followed the list of Sherman's ten top teams—headed, late in the season of 1941, by the Texas Longhorns, which have supplanted Minnesota as the No. 1 consensus choice.

# Rattlers To Be Next Foes Of Buffaloes

Special To THE NEWS  
CANYON, Nov. 6—West Texas State's Buffaloes, still boasting the nation's leading score and status as tops in the ground-gaining department, will play their last home game Saturday afternoon before a large homecoming crowd.

Ben Collins will attempt to widen the margin he holds over all other point-makers. A score of high school hands will be special guests, and a football queen will be crowned before the kick-off.

Coaches Jack Curtice and Leslie Van Meter spent most of Monday going over the Buffs' 20-13 loss to Hardin-Simmons Saturday, commencing the locals on their two specific touchdown drives but pointing out glaring errors in their defense. Tuesday was devoted to defense against the kind of plays St. Mary's of San Antonio is expected to use here on Saturday afternoon, November 8.

Saturday's contest will be one of powerful offenses. West Texas State has Ben Collins and Larry Sanders, but the Rattlers have in Curt Sandig a back who for all-around performance is one of the best in the Southwest. Sandig can out-kick and probably out-pass Collins, although his ground-gaining ability may be equal to that of the local youth.

The Buffaloes will roar with an all-out performance intended to hold their position as leading ground-gainers and to confine their losses to one reverse. Recovery of Buford Emier, star end who has been out with an ankle sprain, should add much to the Buffs' power this week.

Undeclared St. Mary's, formidable this year under a new coach, will provide powerful competition before the exes this week.

**Illiterate Defined**  
Any person 10 years of age or over who is unable to read or write in any language is an illiterate, according to rulings of the United States Census bureau.

The average tax burden per motor truck in 1940 stood at \$102.29, as compared with \$64.91 in 1930.

## This KING of All Cough Mixtures Acts Like A Fleah

The King of all cough medicines—Buckley's CANADIOL Mixture—has been used for years in over 75% of Canada's homes. Past working trials show Buckley's Mixture quickly loosens and raises phlegm lodged in the tubes—clears air passages—soothes rasped raw tissues, eases or two-ups and forest coughing spasms cease. You get results fast—no fee!

Compounded from rare Canadian Pine Bark and other soothing healing ingredients Buckley's CANADIOL Mixture is different from anything you ever tried. Do get a bottle of this great Canadian cough medicine today at Modern Pharmacy and Wilson's Drug Store or any good drug store on our standing guarantee of satisfaction or money back. ## Sports Roundup

By HUGH FULLERTON, JR.

NEW YORK, Nov. 6 (The Special News Service)—The golden ball is rolling. . . . The Naismith memorial committee, which is collecting cash for a "temple of basketball" to honor the inventor of the game, reports that more than 400 teams have listed "golden ball" games and will contribute the receipts. . . . The D. C. boxing commission, trying to improve the quality of fight judging, has drafted Washington sports writers for the job: Bob Rutak, one of the first to serve, says he dreads to read what he will have to say about himself the first time he hands down a bum duke. . . . The Fordham-Boston college football series, hot stuff a half dozen years ago, will be resumed next season now that the seven-year Fordham-Pitt hookup is running out in more ways than one. . . . John Roxborough 2nd, nephew of Joe Louis' manager, is a miler on the Michigan track team.

**Today's Guest Star**  
Nixon Denton, Cincinnati Times Star: "In 1939 the Cincinnati baseball club gave us for Christmas a cigar humidor. We don't smoke cigars."

"In 1940, we received a decanter set. We don't drink."

"And now Frank Grayson hints that this Christmas we may get a bath robe."

### Hot Stove Warmup

Officially opening the Hot Stove League, Drumbeater Bill Brandt announces that the 1942 rookie crop will be the best in National league history. How about Connie Mack's announcement that the Athletics will be in the race? . . . Jim (Ripper) Collins of the Pirates, has applied for the job of managing Portland's Coast league club. So has Truck Hannah, 1941 pilot of the Memphis Chickens. . . . If Ted Williams gets the American league's most valuable player prize, the Red Sox will have three most valuable in camp next spring. Yank Terry of San Diego and Johnny Pesky of Boston took the awards in their league. The Birmingham Eastern league franchise (owned by the Yanks) may go to Providence or Worcester next year. . . . This Speaker, a draft board member himself, says Bobby Feller could get a deferred rating if he didn't think it was his duty to serve his term in the army.

### Tommygun Silenced

As a practice novelty, Coach Cliff Olson of Pacific Lutheran college staged a game between the linemen and the backs. The "Mates" ran all their plays over Marvin "Tommygun" Tommervik, the halfback who made the little All-America last year, and earned a 6-6 tie. Hoisting himself out of the dirt at the line-

One of the duties of these patrol planes is to keep a protective watch over such convoys as

literally come under their wings. Photo approved by U. S. Navy.

## Arkansas 'Ramrod' Goes In To Think For Razorbacks

FAYETTEVILLE, Ark., Nov. 6 (AP)—Arkansas in scoring position—it's time to send in the ramrod.

That's a familiar chant from the stands when the Razorbacks cross into enemy territory during the current football season.

The ramrod is slender Louis Lafayette Ramsay who swaps brains for brawn to earn a college letter. Considered too small for the grueling grind of regular play, Ramsay goes in when there's thinking to be done.

They wouldn't let him play much as a freshman, he didn't play at all as a sophomore and only a few minutes as a junior.

But 1940 was his year to shine.

The Fordyce, Ark., law student marked time until past mid-season before he got his chance. It came against Mississippi and calling the plays for one of the year's big upsets as Arkansas beat the Rebels 21-20 was Ramsay, the guy they thought too little to play football.

It was a Mississippi player who rose up out of the line as Ramsay came in the third time to direct the scoring drive and shouted:

"Watch out fellows, here comes Arkansas' ramrod." The name stuck.

Novice airplane pilots are learning the "feel" of the controls in a new dummy trainer whose spotlight traces the course of the roost on a chart facing the pilot.

Eight sailors from the battleship North Carolina entered the metropolitan A. U. boxing tournament. . . . Private Gurdon Woods of Camp Croft, S. C., is the sculptor who designed the new trophy for the best steeplechase horse of the year.

### Last Laugh

For the week's worst gag, we offer the observation of the guy who saw where John (Wrong Down) Getchell was the referee involved in that Northwestern-Minnesota argument and remarked: "Every time that guy works a game somebody's sure to getchell."

### Colorful Canyon

Chaco canyon is located in the northwestern part of New Mexico. It covers 20,269 acres of prehistoric ruins, sage-brush, cedar trees, brilliant-hued cliffs, and gay-colored sands.

## TEXAS COLLEGES' Intersectional Wins Number 28

(By The Associated Press)  
Texas colleges are doing all right in intersectional gridiron warfare with 28 victories, 7 losses and 3 ties.

They'll try to add four more scalps this week-end with fair chances out of making it a slam.

Stephen F. Austin, which hasn't done so well in its own state, tackles Southwestern Louisiana Institute.

Texas Christian of the Southwest conference plays Centenary and is a prohibitive favorite to win.

Texas Tech, licking the wounds of its first defeat at Miami last week, tangles with Creighton.

Sam Houston State, whose record is similar to Stephen F. Austin, clashes with Southwestern State of Weatherford, Okla.

Texas colleges may break even. Conference play is not rushing with none of the leaders meeting each other.

In the Southwest conference Rice plays Arkansas, Baylor tackles Texas and Southern Methodist meets A. and M.

The Howard Payne Yellow Jackets, tied with Abilene Christian college for the Texas conference leadership, play Trinity. A. C. C. doesn't play this week.

East Texas State, tied with North Texas State for the top in the Lone Star conference, meets Southwest Texas State, North Texas rests.

The week's schedule:  
Friday—Trinity vs. Howard Payne at Waxahachie (night), Austin college vs. North Texas State at Denton, Stephen F. Austin vs. Southwestern Louisiana Institute at Lafayette, La.  
Saturday—Rice vs. Arkansas at Houston, Baylor vs. Texas at Waco, Southern Methodist vs. Texas A. and M. at College Station, Texas Christian vs. Centenary at Shreveport, McMurry vs. Southwestern at Georgetown (night), Texas Tech vs. Abilene Christian at Abilene, Texas.

## GIVE LIVER BILE FLOW A BOOST

And You Too After 40 May Enjoy Life More—Sleep Sounder—Awake Refreshed—Ready for Work.

Normally your liver should discharge about a quart of bile-containing bile juices every 24 hours. A scanty flow—a slowing up—may mean Sick Headaches, Biliousness, Poor Digestion with that "half sick" depressed feeling.

Save yourself! Do this for 30 days: take half a teaspoon of Kruschen Salts (a famous blend of six salts) in three-quarters of a glass of hot or cold water every morning, half an hour before breakfast. Don't miss a morning! This simple sensible prescription that has worked wonders for thousands should do the same for you. Try it for 30 days and you too may shake off that "run down" feeling and get a real "lift." But don't start unless you agree to keep it up for 30 days. If then you do not feel 100% better, get your money back.

RICHARDS DRUG CO.

### 23 Girls And 24 Boys Born In October

Of the 47 birth certificates registered with W. C. deCordova, city registrar of births, 23 were for girls and 24 for boys. They were certificates of births in Pampa during the month of October. County births are not included in the list.

There were no twins born in Pampa during the past month, according to the certificates.

Certificates filed were: Marlene Kay, daughter of Mr. and Mrs. Truman Attaway; Harold Lee, son of Mr. and Mrs. Harold J. Spence; Ronald Dale, son of Mr. and Mrs. R. D. Greene; Nancy Evaline, daughter of Mr. and Mrs. Tom B. Moon; Patricia Jill, daughter of Mr. and Mrs. Howard E. Bettis; Kingsmill; Naomi Kay, daughter of Mr. and Mrs. Kermit B. Lawson; Marlene Sue, daughter of Mr. and Mrs. A. V. Greene; Berry Lee, daughter of Mr. and Mrs. Berry L. Barnes; Roxana; Joan Marie, daughter of Mr. and Mrs. Frank N. Blanchard, Jr.; June Marie, daughter of Mr. and Mrs. George W. Frazier; Earl Hudson, son of Dr. and Mrs. Earl H. Turner; Judith Marie, daughter of Mr. and Mrs. Earl E. Atkinson; LeAnn; Janice Gayle, daughter of Mr. and Mrs. V. A. Holland; Gordon Allen, son of Mr. and Mrs. Gordon A. Brooks; Robert Lee, son of Mr. and Mrs. Robert L. Hudspeth; Baby boy, son of Mr. and Mrs. A. J. Collins; Buddy Gray, son of Mr. and Mrs. Phillip H. son of Mr. and Mrs. Nick P. Carter; Lou Ellen, daughter of Mr. and Mrs. William R. Howard; White Deer; Gary Cecil, son of Mr. and Mrs. Robert C. Rowden; Reva Kay, daughter of Mr. and Mrs. Will E. Leslie; Borge Ardath Mae, daughter of Mr. and Mrs. Winifred G. Chapman; Gary Roger, son of Mr. and Mrs. George E. Smith, LeFors; Marjorie Kay, daughter of Mr. and Mrs. John F. Subanks; Barbara Jane, daughter of Mr. and Mrs. Bert J. Schaefer, Skellytown.

**WORK FOR MOTOR CORPS**—Red Cross Motor Corps volunteers made almost 200,000 trips during the year for veterans, crippled children and in connection with the defense program.

### Flashes Of Life

**Life Begins At 70**  
DUBLIN, Ind.—The proverbial life limit of three score years and ten doesn't hold for Riley A. Laymon. Now, at 71, he's the father of twins—a boy and a girl—by a 29-year-old wife. And he has a new job in a Cambridge City factory.

**Play Ball**  
PRINCESS ANNE, Md.—When the Brooklyn Dodgers succumbed to the New York Yankees a month ago most folks forgot baseball, and football took a bow—but not on Maryland's eastern shore. Jack Donoway of Willards, Md., was in "mid-season" form as he pitched at 10-0 classic, evening up the series with the Princess Anne Independents at four-all, and the clubs plan to play the rubber game Sunday provided it doesn't snow.

**Handy Gadget**  
SALT LAKE CITY—Police figure maybe a nearsighted traveler picked up the map, missing from the wall of a downtown building. It's affixed to a six-foot sign, with a three-foot thermometer and the route to Denver.

**Service**  
KANSAS CITY—Citizens are beginning to learn to use the public library. A patron roused from his book as a messenger boy tiptoed in and presented a telegram at the main desk. The librarian reached but the patron interrupted. "It's for me. I'm expecting it. Here are my credentials."

**Easy Winner**  
WAVERLY, Pa.—State Senator John W. Howell is looking "for the guy who wrote my name in" and caused his election as justice of the peace. There were no other candidates. "This town is so good it doesn't need any peace officer," he asserted. He thinks the office has been vacant "since the Civil War."

**Forbidden Fruit**  
DENVER—Mrs. Margaret Simon investigated scratching noises on her front door screen and found a young eagle, exhausted from a long flight. She took it inside and rigged up a broom handle perch on the back porch—which was all right with Mickey, the wire-haired terrier. That is until the eagle ate up a plate of hamburger set out for Mickey. The bird department at the zoo has a new eagle.

**Surprise**  
RUSHVILLE, Neb.—Tony St. John was helping to clean up the chemistry laboratory after hearing his high school instructor explain that water mixed with sodium would explode. Tony poured some water into a bottle—and found that it contained sodium as a blast rocked the room. Tony suffered burns and cuts.

**Coffin Didn't Cough**  
BOISE, Idaho—"Who's coughing?" demanded a nurse, entering the hospital ward, medicine and teaspoon in hand. "I'm Coffin" spoke up a patient. A whoop from another bed, just in the nick of time, saved Pvt. Lorne J. Coffin from a dose of nasty-tasting cough medicine.

**Firearm Accidents Fatal To 179 Texans**  
Special To The News: AUSTIN, Nov. 6.—A timely and urgent warning against the careless handling of firearms during the hunting season was issued today by Dr. George W. Cox, state health officer. "During the year 1940 a total of 179 deaths occurred in Texas as a result of firearm accidents, by far the majority of them due to hunting activities," said Dr. Cox. "A hunter's loaded gun when not carried on safety is a menace to himself and to everyone within firing range."

of the country. Most of the positions to be filled are on or near the Mexican border. Experience requiring a program of arduous physical activity is necessary. Applications must be on file not later than November 28, 1941. All applications must be sent to the Washington office of the Civil Service Commission (not later than the closing dates specified). Full information as to the requirements for these examinations, and application forms, may be obtained from O. K. Gaylor, secretary of the board of U. S. Civil Service Examiners, at the post office or customhouse in this city, or from the secretary of the board of U. S. Civil Service examiners, at any first- or second-class post office.

SERIAL STORY

FOR THE LOVE OF PETE!

BY BURTON BENJAMIN

COPYRIGHT, 1941, NEA SERVICE, INC.

THE STORY: "You were magnificent," says Hollywood's Stephanie Stevens to football's white hope of the season, Pete Laird, after the California game won by State in a walkaway. Pete is dazzled, momentarily forgetting that he is to meet his college sweetheart, Anne Humphreys, before her train leaves for the east.

LANDERS dropped the paper and wiped his forehead. "There," he sighed. "There almost went State's 1941 season."

An inviting swimming pool. Two men ran out of the open doorway to meet the cab. One wore a tweed coat with a polo shirt and scarf. Words poured from his mouth.

PETE LAIRD CHUMPS

CHAPTER III

ANNE HUMPHREYS' face crinkled into a worried frown. "I can't understand Pete's not being here, George," Landers was sitting opposite her in the hotel lobby.

"Where's Pete now?" Anne's face was white. "Doesn't say," replied Landers. "Just says he wasn't hurt seriously."

"Steph, baby... are you all right? What a scare! Rand and I have been worried sick. We heard it on the radio. You're O. K., aren't you, baby? You're—"

"Anne," replied Landers uncomfortably, "all I know is what I've told you. He was late because of that crowd of reporters. He said he'd be right along."

"Probably with this Stevens," Landers bickered, "but I wouldn't bother him tonight, Coach. He gets sort of riled when people butt into his personal affairs."

"Well, hello, Laird," said Winship. "Say, this is nice. Brother, you were the berries today. What a football player! I thought Orv Mohler was pretty fair, but that run of yours—"

"Dinty Dugan walked up. "Hello, Anne," he said. "Where's Pete?"

"If he thinks this football team is his personal affair," Dugan snapped, "he's got another guess coming."

"Cut it, Larry," interposed Stephanie curly. "Mr. Laird isn't interested and we've heard it."

"Not this long," Dugan shook his head. "Everyone had left when the manager closed up almost an hour ago."

"What are we going to tell the wolves in their Coach's cab," Dugan asked. "What can we say?" retorted Dugan uncomfortably.

"And this is Sterling Rand, my producer, Pete," said Stephanie of a short, dapper chap in chalk-strips. Impeccably dressed and well-groomed, Rand was the epitome of how most men would like to look.

Dugan started to leave, but a commotion at the far end of the lobby stopped him. A newsboy held a paper aloft, shouting something that made them all numb.

"Splendid game today, Laird," he said, holding out his hand. "Best single-handed job I've seen."

"Winship had been quiet too long. "Well, folksies," he said ingratiatingly, "how's about a little touch? What'll you have, Laird—Scotch, rye, bourbon, sherry, beer, gin, or goat's milk? After that wild ride with Steph here, I'd suggest anything but the last."

Laird pushed his way through the crowd and grabbed a paper. Splashed across page one was the story.

"Pete Laird, State football star, whose team ran wild against California this afternoon, and Stephanie Stevens, film actress, were slightly injured in an automobile accident in North Hollywood, chauffeur of Miss Stevens' car, died of injuries on his way to a hospital."

"Don't blame that on me, darling," she replied, kissing him again. "That was unrequited and almost fatal. How's Field?"

"Pete Laird, State football star, whose team ran wild against California this afternoon, and Stephanie Stevens, film actress, were slightly injured in an automobile accident in North Hollywood, chauffeur of Miss Stevens' car, died of injuries on his way to a hospital."

"You're bleeding," Stephanie cried as he pulled his hand away. "Just a little cut. Hit my head against the door, I guess."

"Never mind that. How's big stuff taking all this?" "Baby," she smiled, "big stuff is a cinch. This may be easier and better than we figured."

"The car in which Laird and Miss Stevens were riding was hit head on by a truck which was out of control. Laird was knocked unconscious but required no hospital attention."

"What are we going to tell the wolves in their Coach's cab," Dugan asked. "What can we say?" retorted Dugan uncomfortably.

"Baby," she smiled, "big stuff is a cinch. This may be easier and better than we figured."

Oil Can Win War, Says Rep. Cole

SAN FRANCISCO, Nov. 6 (AP)—Oil can win the war, a congressman told the American oil industry today. William P. Cole, Jr. (D-Md.), sometimes rated foremost authority on oil in congress, told the American Petroleum Institute: "This is an oil war. The outcome depends on how wisely we use our own oil and how cleverly we deny it to our enemies."

Herd Of Elephants Chase Natives Away And Get Drunk

LISBON, Portugal, Nov. 6 (AP)—A herd of elephants is sobering up after an impromptu cocktail party which created new records of tree climbing among the native population, said dispatches published here today from the region of Lourenco Marques, Portuguese East Africa.

County Collects \$300,000 In Taxes In Last 12 Days

More than \$300,000 in taxes has been collected in the past 12 days by the office of F. E. Leech, county tax assessor-collector, with October 31 as the high mark for the period, with \$64,302.41.

Complete figures for the monthly report have not been compiled, but records indicate that Pampa and Gray county residents are paying their taxes promptly.

For the past three days, the taxes collected have been \$27,396.81, \$26,768.25, and \$13,366.91, respectively.

### Plug for Peavy

Pretty Peggy Snell perches atop fire plug in Hutchinson, Kan., a fugitive from fast rising flood waters.

Famous November Names

Marie Antoinette, Mohammed, Martin Luther, Louisa May Alcott, St. Augustine, Schiller, Van Dyke, Goldsmith, Andrew Carnegie, Laurence Sterne, Mark Twain, and Robert Louis Stevenson, all were born in the month of November.

Black ironwood is the heaviest wood grown in the United States.

### Local Men Return From Farm Loan Meet

Better times on Texas farms and ranches are reflected in "the most consistent farm mortgage debt retirement in years," according to L. R. Taylor, president of the Pampa National Farm Loan association, who with Forman Stubbs, president of the Alanreed association, and C. W. Bowers, vice-president of the Miami association returned Tuesday night from a conference of directors at Childress.

Attending the conference were leaders chosen by the board of directors of 19 farm loan associations in this territory. The conference was held Monday and Tuesday. Representatives discussed conditions and the 1941-42 plans with officers of the Federal Land bank of Houston.

Records of the Federal Land bank reveal foreclosure sales and acquisitions of farms, for the year ending September 30, were smallest since 1931—20 per cent below the previous year. Delinquencies are the lowest in several years.

During the past year in Texas land bank and land bank commissioner loans were made for a total of \$14,000,000, which is the largest dollar volume since 1935. Total land bank loans in the amount of \$12,540,757 and land bank commissioner loans in the amount of \$3,828,980 were outstanding as of September 30, 1941, and in the 19 associations representing this area.

Tourists Increase

LAREDO, Nov. 6 (AP)—The Mexican Automobile association office here reported today a 75 per cent increase in tourist travel to Mexico by way of Laredo for October, 1941, over October, 1940.

The office estimated 7,245 American tourists passed through here by automobile this October as compared with 4,144 a year ago. The estimate was based on the figure of three and one-half persons per vehicle.
