

Chinese Communists Caled Chiang Dissenters

CIVIL WAR EXPLODES ALL ALONG RIVER

NANKING — (AP) — The dreaded Chinese civil war exploded all along the Yangtze River front tonight.

Communist attacks were started at several points. Gunfire could be heard and for the first time of the war seen from the capital.

Pukow, across the river, was under attack. Kiangpu on the north bank seven miles southwest of Nanking, was hit. Serious fighting was reported by government sources opposite Wuhu, 60 miles southwest of here. Haioakan, 45 miles north of Nanking, was the focal point of the Red 43rd Army.

A top-ranking Nationalist general expressed fear the Reds may try a quick landing in this vicinity, trapping Nationalist officials in the capital.

The general feeling at the moment is that Wuhu is the government's weak point. The river front there provides a good landing area.

Observers on the Nanking river front said they saw a pumber of fires about two miles west of Pukow.

Communist shells burst on the north bank of the Yangtze. Wharves along the river front were heavily shaken by the firing.

There was intense troop activity throughout Nanking. Soldiers were marching up to the river front.

Along the river troops were digging trenches and other earthworks.

The military news agency reported that simultaneously the Communists launched their heaviest attack so far against Taiyuan, besieged capital Shansi province 600 miles to the northwest.

The agency said high casualties were reported inside the walled city from Communist shelling. Neutral observers believe that the city, sometimes called the "Pittsburgh of China," may not stand much longer.

A high ranking Ministry of National Defense source said the Red attacks seemed to be directed at all Nationalist positions on the north bank of the river. There were only a few Nationalist pockets left on the north bank.

Communist shore artillery today crippled the British sloop Amethyst in the Yangtze River and drove off the destroyer Comberford before she could help the smaller vessel.

The helpless Amethyst, with at least 50 wounded or dead among her crew of 348, was grounded on Rose Island 60 miles northeast of Nanking tonight. Not far away swirled the first attacks of the resurging civil war.

Conference on National Affairs Here Tomorrow

H. J. Dollinger, (above), assistant manager of the Southwestern Division of the Chamber of Commerce, will lead a round-table discussion at the National Affairs Conference at 7:30 p.m. tomorrow in the Palm Room, City Hall, Fred Thompson, president of the Chamber of Commerce, said.

Dollinger is a veteran of 25 years' experience in Chamber of Commerce work and his experience covers historical research, veterans affairs and credit control. He is past president of State Secretaries Associations in Michigan and Nebraska and has served as a faculty member of Western Institute at the University of Oregon and of Southwestern Institute in Dallas.

Plans have been completed for the conference, Thompson said. The conference will be jointly sponsored by the local Chamber of Commerce and the U. S. Chamber of Commerce to bring delegations together from Panhandle towns to be informed on the national legislation now before the next Congress.

Towns that have agreed to send delegations thus far include Canadian, Amarillo, Borger, White Deer, Dalhart and Miami.

Tom V. Watson, national affairs advisor of the Dallas Regional Office of the U. S. Chamber of Commerce, will address the group. He will arrive tonight to assist with preparations. J. E. Cunningham, president of the Southwestern Public Service Company, Amarillo, will deliver the keynote address. Thompson will preside and C. S. "Pinkie" Vineyard will introduce out-of-town guests.

Reservations for the dinner and conference may be made until May 19 will be for 16-inch supply line from the old wells to the S. Hobart pumping station, where the water will then be pumped into the city's existing water system.

Bids will also be opened May 10 on proposals for ditching and laying the supply line and for two deep-well pumps and miscellaneous pipe fittings for the second and third wells.

The commission is trying to speed up the work on the new wells so that a part of the expanded system can be put into operation by July 10. The improvements authorized in last year's \$550,000 bond issue will not all be finished by that date, commissioners pointed out; storage tanks and booster and pump stations will probably not be finished before the first of next year. But the city hopes to be drawing water from the new wells to supplement the existing supply by July 10.

The city originally called for bids on cast iron pipe about year ago last October. City Manager Dick Peppin said. But all pipe manufacturers contacted then could not deliver in less than 18 to 24 months.

Some thought was given to (See CITY, Page 2)

County Attorney John Studer was elected chairman of the Board 52, U. S. Selective Service, during the board's meeting in the Courthouse late Monday afternoon.

Studer was appointed a member of the board on April 4 by a Presidential decree to succeed the late C. H. Walker who had served as chairman from the board's inception last year.

Other members of the present board are: Luther Pearson, Pampa; Dr. Scott W. Corbin, Miami; William E. Hodges, Clarendon; and Allen Kavanaugh, Wheeler. (See CHILDREN, Page 2)

CHILDREN — Six defeated candidates have contested victories by Malone Hagan and John Herren in the recent independent school district election.

Ninety Ill, Dozen Leave Town During Industrial Fumes Test

DONORA, Pa. — (AP) — More than 90 persons were ill today and a dozen others had left town as government experts tried to duplicate smog conditions suspected of causing 22 deaths last fall.

Doctors reported numerous cases of hoarseness, sore throats and coughs as the Public Health Service sought for the third day to determine if the suffocation cases last October were caused by a combination of smoke and fog.

Through the tests, the government agency hopes to prevent a recurrence of the October tragedy.

As a result of the deaths last fall the zinc smelters of American Steel & Wire Co. were operated at limited capacity. They operated full-blast last Monday so that resulting fumes using inferior concrete pipe for could be observed in connection with the tests.

City Commissioner, Donora, Dr. William Rongaus, Donora health officer, said the effects reported by residents yesterday were "like the early symptoms during the smog."

Some persons have left town for the period of the test, particularly those suffering from asthmatic and heart ills. These were particularly vulnerable last October.

Worst sufferer yesterday was the little town of Webster, across the Monongahela River. Prevailing winds blew toward Webster yesterday and citizens there said they got the full effect of the fumes issuing from the zinc plant.

Dr. Rongaus said 12 persons reported "smog symptoms" to him. He said he did not believe the fumes sufficiently strong to cause any serious danger.

A similar opinion was expressed by George Clayton, chief of the health service field party making the test. Clayton said, however, the fumes "undoubtedly are strong enough to cause discomfort to some individuals."

Should the saturation become dangerous, Clayton said, the government's test would be halted at once.

Posse Finds Lost Child in Swamp

BIG RAPIDS, Mich. — (AP) — Swamp searchers found 2 1/2-year-old Jacqueline Symon this morning after an all-night hunt. State police reported that Jacqueline, sought by a posse of 100 men since she became lost yesterday, was found conscious three-quarters of a mile from her home.

The child was brought to a Big Rapids hospital where her condition was described as "fair." She was reported suffering from exposure.

World Peace Congress Opens, Attended by 2,000 Delegates

PARIS — (AP) — A Communist-sponsored world peace conference opened here today with a plea for the formation of peace committees throughout the world to carry out the congress's plans.

The French Communist atomic scientist, Frederic Joliot-Curie, told the 1,800 delegations from 52 nations.

"We will show the warmongers that they have to reckon with us. We fight this fight with the certainty of victory," Joliot-Curie said. He was an U. S. attorney general. He was also a member of the Preparatory Committee which he headed. Among 12 vice presidents announced to the meeting were O. John Rogge of New York, former assistant U. S. attorney general; Soviet writer Alexander Fadeyev; Louis Aragon, editor of the pro-Communist Paris newspaper Ce Soir; former President Lazaro Cardenas of Mexico; and Danish author Martin Andersen.

Famous Leader of Jewish Cause Dies

NEW YORK — (AP) — The body of Dr. Stephen S. Wise, world-famed Jewish leader and militant defender of liberal causes, will lie in state today at the Free Synagogue which he founded 42 years ago.

The noted, 75-year-old rabbi, who spent a lifetime preaching for peace, freedom and tolerance, died late yesterday at Lenox Hospital.

He had undergone an operation early this month for what the hospital called a "malignant stomach ailment."

His body will remain in state through tomorrow. Funeral services will be Friday in Carnegie Hall.

Death of the crusading rabbi, who was president of both the American Jewish Congress and of the World Jewish Congress, stirred sorrow around the world.

Thousands — including those with whose opinions Wise had sometimes clashed — messaged their grief and affections.

Wise was a central figure in the long battle for establishment of a Jewish homeland in Palestine.

From rostrums here and abroad and in the hearing rooms of lawmakers, the blunt, outspoken rabbi fought in behalf of civil rights, labor welfare legislation, racial equality and world unity.

In recent days, he had become deeply troubled by the trend of international relations. He said it appeared that this country's leadership was bent upon war rather than peace.

He strongly criticized Soviet policies, he said the alternative war would be the "tragedy of tragedies."

"I am going to speak for peace," he said on his 75th birthday, "until my last breath."

Wise's humanitarian endeavors brought him the respect and admiration of Jews and Christians alike.

Body Returns Here Friday

The body of Pvt. Marion La Dell Welch, who was killed on Luzon, P. I., April 22, 1945, will arrive here at 8:25 a. m. Friday for military burial, plans for which are incomplete.

Born at Drumright, Okla., Oct. 23, 1922, he moved with his family to Electra, Texas, in 1923 where he lived until 1942. He married Miss Jewell Rawlings of Vernon in 1940, and he and his wife moved to Lefors in 1942.

He was employed by Colton Gasoline Plant until he went into service in June, 1944. He leaves, besides his wife, of Lefors, two children, Edna Ardina, and Cecil La Dell, his parents, Mr. and Mrs. M. L. Welch, all of Lefors; three brothers, W. J., Jimmie and Carl, all of Lefors; and two sisters, Mrs. Hulet Smith, of Amarillo, and Mrs. Roy Smith, of Alabaster. Funeral arrangements will be made by Duenkel-Carmichael Funeral Home.

Admiral Believes 'Ism' Is Waning

Rear Admiral Ellis M. Zacharias, USN (Ret.), told the Top o' Texas Knife and Fork Club here last night that Chinese Communists are "actually dissenters of the Chiang regime, and they are interested solely in overthrowing Chiang, kicking out the really top capitalists, but not bothering the middle or bourgeois capitalists."

He told members of the young club at the High School Cafeteria he was optimistic that communism is on the wane.

The former psychological warfare chief speaking on "Secret Missions: Past and Future Security" prophesied no war between Russia and the U. S., and the failure of Moscow to control China after the present regime of Chiang Kai-shek falls to the Chinese Communist armies.

On the Chinese problem Admiral Zacharias said the Chinese have no love for the Western world and are only using its peoples to their own advantage before they "kick them out."

He referred to the time Chiang made his northward drive in 1949 when the present Chinese leader asked every country for military advisors and got help only from the Russians. When the drive was finished, "China thanked them, told them he would see them later and put them on a boat headed for Russia."

He amplified his talk on the Chinese civil war by saying the "only aid Russia ever gave China was indirect. That was permitting Chinese troops in the north to keep the weapons of surrendered Japanese troops — only because the weapons were a different call by that Russian weapons and could not be used by the Muskovite troops."

On the Communist problem in Europe, he forecast a steady weakening of communism starting with the Tito break with Moscow and intended that it had more serious repercussions than appeared. At least 70 percent of the people in France and Italy are fully aware of what will happen to their countries should they follow the "Marxist" shouters.

"The same that has happened to the Russian satellites behind the iron curtain," Stalin doesn't want war now, he declared, nor in the future because a war to them "would mean the end of their existence." They are in no position financially to wage an aggressive war and know that this country can retaliate better with everything Russia has at present, the admiral said.

He stated Russia fears U. S. (See ADMIRAL, Page 2)

'Conditional' Stop Battle Rages Again

ELECTRA — (AP) — Electra's mayor is ready to battle the Fort Worth and Denver railroad again to keep his city from becoming a "conditional stop" on the line.

The railroad plans to make stops with its Zephyr at Electra and six other North Texas and Panhandle towns conditional after May 1.

Yesterday railroad officials and Chamber of Commerce officials met at Henrietta to discuss the matter.

"We will meet them in the courthouse if they want to break the agreement we made last November," Electra's Mayor T. Leo Moore said last night.

"We had a definite agreement," he continued, "with the F. W. and D. R. R. and the City of Electra will have the support of practically every town that will be effected by the new ruling."

Moore said the agreement made by Robert L. Boyd's general passenger agent of the line, with the cities involved, was to keep service at all stops now made by the Zephyr.

In November Moore issued threats of new city restrictions on rail traffic and a court injunction to halt operation of the new schedule.

Hoyt, whose offices are in Fort Worth, explained that the northbound streamliner Zephyr would stop at Decatur, Bowie, Henrietta, Chillicothe and Electra to discharge passengers from Fort Worth and beyond and to take (See CONDITIONAL, Page 2)

Studer Heads Draft Board

County Attorney John Studer was elected chairman of the Board 52, U. S. Selective Service, during the board's meeting in the Courthouse late Monday afternoon.

Studer was appointed a member of the board on April 4 by a Presidential decree to succeed the late C. H. Walker who had served as chairman from the board's inception last year.

Other members of the present board are: Luther Pearson, Pampa; Dr. Scott W. Corbin, Miami; William E. Hodges, Clarendon; and Allen Kavanaugh, Wheeler. (See CHILDREN, Page 2)

House Orders Members Rounded Up to Assure Quorum to Hear School Bills

AUSTIN — (AP) — The House today passed on second reading the first of the three Glimmer-Aikin school bills.

The vote was 85 to 17. Backers of the bill reorganizing the administrative setup of the public school system beat down the strategy of opponents who walked out in an effort to keep the House from conducting business today.

AUSTIN — (AP) — The House sergeant-at-arms was ordered today to round up members to assure a quorum for action on the bitterly-fought public school bills.

The House by a vote of 78 to 7 approved a motion by Rep. William George Richards of Lockhart instructing the officer to "arrest, 'em, handcuff 'em anything to get 'em in."

Childress School Election Contested

CHILDRESS — (AP) — Six defeated candidates have contested victories by Malone Hagan and John Herren in the recent independent school district election.

A brief filed yesterday in 190th District Court says a count of legal votes shows Herren and Hagan did not win posts on the district school board — that Jess Cannon and Pat Powell, two of the six contestants — did win.

Applause repeatedly interrupted Joliot-Curie when he assumed American atomic energy policy. He called on the world to concentrate on peaceful uses of atomic energy, and to let A-bombs alone.

He assailed the Marshall Plan as "installing a blockade" against trade between Eastern and Western Europe. The consequence, he predicted, would be depression and unemployment.

A controversy developed promptly after his speech when (See WORLD PEACE, Page 2)

Muster Will Be Held Tomorrow

ALUMNI OF TEXAS A&M who live in the vicinity of Pampa will meet tomorrow night at 7:30 at the Court House Cafe on the day which is called Muster Day wherever there are former students of the school.

Local alumni will have dinner together at that time, it was said. George W. Scott is chairman of the local group.

"Muster" was begun 46 years ago at A&M, when a group banded together on April 21 to pay homage to Texans who had stood at the Battle of San Jacinto. Since then, the event has included those who fought against the Spanish and in the two world wars.

"It is quite likely a lot of representatives won't be in town tomorrow," said Hanna, a caustic critic of the G-A bills. He said he planned to be out of town.

"Everybody knows & by now, that the House likely will not have a quorum tomorrow, at least (See HOUSE, Page 2)

WE HEARD . . .

That it rained all day in Amarillo yesterday and it didn't in Pampa. Only goes to prove that Pampa has a better climate.

TRIAL

(Continued from Page 1)
 accepted at 10:33 to fill the jury box. The remaining 24 men were paid off and dismissed from the venire. It took one hour and 33 minutes to select the 12th juror. When the jury was completed Judge Blair ordered them into the jury box and swore them as an "added precaution." The judge said he took that precaution "just in case any one of them might have been misled when they were originally sworn to acceptance."

During the voir dire examinations the defense used eight of its allowable 15 challenges and the state used five. The remainder were excused on cause which is not chalked against either side.

An unexpected development turned up this morning when McGee's ex-wife showed up in court. She is the former Wanda Warrick of Plainview who now resides in Dallas as an employe of the Southwestern Bell Telephone Co. The record shows that McGee and Miss Warrick were married on Jan. 13, 1948, and were divorced on June 19 of that same year — just a few weeks before the shooting of R. L. Allston, father of Betty Jane Allston, McGee's intended bride.

McGee's aunt, Mrs. Joe Hale, Dumas, also came into court this morning.

The young defendant, charged with the pistol slaying last July of Allston, Lubbock grocery executive, gave up his Bible reading yesterday and commenced chewing gum that was examined first by court officials for any hidden narcotics. This morning he spent his time twiddling small

rubber bands.
 After the jury was sworn at 10:40 a.m. Judge Blair recessed court until 1:30 p.m. today when testimony is expected to begin. Both state and defense expect to call a total of over 60 witnesses to the stand throughout the trial.

WORLD PEACE

(Continued from Page 1)
 delegates from Spain, Sweden, Norway, Israel and some other countries complained because their names were not listed among the nominations for membership on the congress Organizing Committee.

Most of the delegates are Communists or fellow travelers, who the conference leaders said represent a following of 600 million persons. They are here, the advance billings said, to express their "disinterested desire for peace," a statement which drew skeptical comment from non-Communist newspapers. These newspapers portrayed it as a sounding board for profusion propaganda. Five days of speech making lie ahead of the delegates, with a heavy oratorical fire expected against the North Atlantic Defense Alliance.

CITY

(Continued from Page 1)
 the supply line from the wells into town, but that was given up when it appeared that the cast iron manufacturing situation had changed, he said.

Recently, representatives of two large pipe manufacturers were in town, representing the National Cast Iron Pipe Co. and the U. S. Pipe and Foundry Co.,

WHAT COMES

(Continued from Page 1)
 peace negotiations by the groggy and disorganized Nationalists. Today's developments are likely to be written down as among the most critical in the world war between communism and all other political creeds.

The fate not only of China but of Asia as a whole is involved. Indeed the conflict of the isms may ultimately be decided in that vast theatre.

One of two things can grow out of the current situation in the immediate future:

1. A coalition government of Communists and Nationalists might be formed. The Communists are reported to have proposed that such a regime be inaugurated by May 1.

2. The civil war continue its bloody course, with the Reds ruling Northern China and carrying the fight into the Southern part of the country.

The formation of a "coalition" is a favorite Red procedure in taking over a new state. The coalition quickly undergoes a purge and gives way to complete Red domination of the government.

Then if the Communists had the strength to control the whole country militarily, communism would be established. Otherwise both of Birmingham, Ala. They said that in the past 60 days pipe makers had just about caught up with demand. They now can begin delivery in three weeks and complete delivery in about 60 days, Pepin quoted them as saying.

Last week the commission changed its weekly meeting time from 10 a.m. to 1 p.m. each Tuesday. Yesterday's meeting was its first afternoon session.

the civil war would break out again.
 Observers generally expect that, if full scale fighting is resumed, while the Reds might be expected to make quick advances, this doesn't necessarily mean they could sweep Southern China. On the contrary the prospects are that the fighting would progress by zones, with Nationalist forces putting up a vigorous battle in many areas.

HOUSE

(Continued from Page 1)
 not until late in the day," Hanna added.

Rep. Jimmy Horany and several other opponents of the G-A legislation disclaimed knowledge of the suggested walkout. They said they would have nothing to do with it.

Today marked the fourth week in which the House has debated the school bill, already passed by the Senate. Two days each week, Wednesday and Thursday, are the only times when the House can take up Senate bills.

An explosive bill to allow cooperative development of oil fields fell just shy of Senate passage yesterday. By Senator George Moffett of Chillicothe, the bill was passed on second reading. Then seven senators blocked 20 of their colleagues who attempted to suspend a rule requiring bills to be read on three separate days. A four-fifths vote is needed to suspend the rule.

Opposition centered on whether the measure would give the oil industry an exemption from the antitrust laws of Texas.

For protection against rival headhunters, when on an expedition, fierce savages of Formosa wear baskets over their heads.

CIVIL WAR

(Continued from Page 1)
 Filers out of Nanking witnessed the running duel between the Communist and Red shore batteries. Earlier Premier Ho Ying-Chin told the Chinese Parliament the government had rejected Red peace proposals in their present form.

He told the legislators that the Communist plan would not provide for lasting peace, a member disclosed after the secret parliament meeting. The legislator quoted Ho as saying the terms were those laid down by a victor.

The premier stressed the fact that the Red terms were not in keeping with efforts of the government to seek peace.

The premier said the Nationalists had asked the Communists to reconsider their demands for immediate surrender of the government. National peace delegates in Peiping have been instructed to convey the government's answer to the Communists at once, he said.

KIRK

(Continued from Page 1)
 ed Naval phases of the cross-channel invasion of France.

As envoy to Belgium-Luxembourg, Kirk has been concerned chiefly with American relations with Western Europe and has not been identified with the more violent phases of the "cold war" with Russia.

This presumably figured importantly in his selection for the hottest spot in the American diplomatic service.

It means he goes to Moscow with an open record, from the Soviet standpoint. That might influence the Russians if, as some diplomats anticipate, the Kremlin should decide to negotiate for a real truce in the cold war.

ADMIRAL

(Continued from Page 1)
 friendship more than she does "our working as a unit here" because she can use that for propaganda among her own people, whereas should the situation be otherwise, U. S. friendship would hurt the Communist movement. He pictured the present conflict of nerves and money "not a war between" capitalism and communism, but between a democracy and a police state.

"The Russians have the utmost respect for Gen. George C. Marshall since their experience with him as a determined and aggressive commander," Admiral Zacharias pointed out. He amplified that by explaining Marshall's victory over Churchill on the landing decision on D-Day. "Marshall wanted the U. S. to invade France — Churchill didn't," he said.

The retired naval officer made no bones about claiming U.S. intelligence service could be more efficiently handled if left entirely to the military instead of civilian bureaus in Washington. He cited the present publicity given spy hearings and Communist activities in the papers. He said "if that job had been turned over to the military, Communist activities could be controlled and in part halted with Russia being none the wiser."

He blamed Pearl Harbor on General Short's and Admiral Kimmell's taking the advice of an ill-informed junior planning officer instead of depending on Naval Counter Intelligence which advised the Japs would attack a Naval base by air and on a weekend, as they did on December 7.

A strong exponent of the further development of naval aviation and increased use of carriers, Admiral Zacharias flayed present trends to unify the Army, Navy and Air Force.

About 20 minutes was taken after his talk in a question and answer period.

The meeting was opened by President Roy Bourland who introduced officers and directors of the new dinner club, and W. H. Lence, field director of Knife and Fork International. Lence told Pampans there are 300 clubs now in existence, of which 27 are in Texas and 15 in Oklahoma. Fred Thompson, former Navy officer, introduced Admiral Zacharias.

It was announced this morning that Harold Eldes will be the club's speaker on May 12. His subject will be: "My Alaska Adventures."

The dinner was attended by 375 — approximately 85 percent of the charter membership.

Passengers from Wichita Falls northward may board the train for passage to Claude and Clarendon and beyond. Wichita Falls is a regular stop on the line, but passengers will be unable to board the train at Bowie, for instance, to ride to Wichita Falls.

Only if they are going to Clarendon or further north may they ride the Zephyr.

The schedule is reversed for the southward trip, except that passengers from Trinidad, Colo., or beyond may be discharged at Channing and Claude.

The Cornetfish can swim backward as well as forward. It has a mouth shaped like a trumpet.

Agricultural Picture Is Presented

AUSTIN — Texas Agriculture paraded in full dress rehearsal here at the annual meeting of the Texas Dirt Farmers Congress as twelve committees made reports and state officials addressed the session.

Lt. Gov. Allan Shivers stated the advantages for Texas people to process for market the products they grow. Gov. Beauford H. Jester said the State's gross annual income from agriculture could be increased by proper development from two to ten billion dollars.

Dr. Ide P. Trotter, director of the Texas A&M College Extension Service, said that the volume of Texas farm products in foreign trade could be greatly expanded by establishing more direct contacts with world markets. Dr. Robert W. French, director of the Bureau of Business Research at the University of Texas, spotlighted the great volume of grains, proteins and other farm products now being shipped into Texas that could be produced in the state.

LIVESTOCK

Recommendations of the Texas Dirt Farmers Congress on livestock are that the existing Texas laws on Bang's disease control be changed to permit Bang's disease control according to the United States Livestock Association plan with supervision by the Texas Livestock Sanitary Commission; diligent continuation of the Hoof and Mouth disease program; and that sanitary regulations be applied to public livestock auction sales. D. T. Simons, Fort Worth, secretary of the Texas Jersey Cattle Club, spoke for the Livestock Committee.

SOIL

The congress called for a speed-up in the detailed soil survey work covering individual counties and a re-appraisal of the classifications given general soil types for the state as a whole. It is a recognized public necessity that the state soil conservation work be expedited without further delay. The only way to speedily expedite this work is for the state to furnish financial assistance to the 148 official state soil conservation districts. The dirt farmers declared in a recommendation, that a minimum of \$10 million be made available to soil districts. L. L. Mackey, Rt. 5, Longview, and Charles C. McKamy, Rt. 1, Carrollton, headed the Soil Conservation Committee.

Even Learned Men Play Boyish Pranks

DENTON — (AP) — W. J. McConnell, president of North Texas State College here, was looking for something which will dissolve glue. He recently went to Austin. Enroute he stopped at a cafe and met Dr. Geo. Gee, president of East Texas State College. Dr. Gee left ahead of Dr. McConnell. When Dr. McConnell next inspected his car he found it plastered with East Texas State College stickers.

Thief Sent to Catch Thief—Both Missing

HAMBURG, Germany — (AP) — "Lift your feet, please, said a polite thief as he rolled up the rug in a doctor's waiting room. When the receptionist discovered the rug had been stolen she accepted the offer of a woman patient who said she would catch the thief if loaned a bicycle. Yet, lost to the doctor: one rug and one bicycle.

SMART TERMITES "Central heating," by means of heaps of leaves and other decaying matter which give off heat, is used by termites, or white ants, in warming their nests.

NAVY'S BIRTHPLACE Beverly, Mass., is known as the birthplace of the American Navy, according to the Encyclopedia Britannica. It was the home of George Cabot, first secretary of the Navy.

Pacific Chief

Vice Adm. Arthur W. Radford, above, was named the new commander-in-chief of the U. S. Pacific Fleet and high commissioner of the Pacific Islands, succeeding Adm. Dewitt Clinton Ramsey, who retired. Radford will have full rank of admiral.

State Health Officer Warns Vacationers of Typhoid Menace

AUSTIN — The month of the health and well being of every man and child. A vacation can relax nervous tension, bring renewed vigor, and usually supply an opportunity for more sunlight and outdoor activities than is customary for office workers and those of sedentary occupations. But traveling to vacation spots for the purpose of "roughing it" can also bring a serious health menace in the form of typhoid germs from impure water supplies, and for this reason, Dr. Geo. W. Cox, state health officer, advises all persons contemplating such a vacation to first be inoculated against typhoid.

Persons planning a vacation where sanitation standards may not be carefully observed, should protect their health by typhoid inoculation, and thus avoid the risk of serious illness from this debilitating and sometimes fatal disease," Dr. Cox said. "An individual not previously rendered immune, can establish immunity by having one typhoid vaccine injection administered each week for three weeks; if he has kept his immunity from a previous inoculation, one 'booster' shot each year will keep him protected from typhoid."

Java is the most thickly populated country in the world. It has 821 persons to the square mile. Rate of night fatal accidents has risen 20 percent in rural areas.

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly, you can stop! Because a New York doctor has now proved you may break the habit by taking Pilex. Second week one doctor said, "I have had 80-90 cases of laxative habit in my office. Every day, 80-90 cases of laxative habit, a definite time for regularity."

Five New York doctors found the plan can break the laxative habit. How can a laxative break the habit? Because Pilex is a natural, lower digestive tract stimulant. It makes use of the natural action of the Pilex. Second week one doctor said, "I have had 80-90 cases of laxative habit in my office. Every day, 80-90 cases of laxative habit, a definite time for regularity."

Break the laxative habit with Pilex. Pilex is a natural, lower digestive tract stimulant. It makes use of the natural action of the Pilex. Second week one doctor said, "I have had 80-90 cases of laxative habit in my office. Every day, 80-90 cases of laxative habit, a definite time for regularity."

PIWORMS
NOW CAN BE BEATEN!

A new, scientific treatment now often used to relieve the millions who suffer from the maddening itching and other miseries caused by Pin-Worms. And experts report that at least one out of every three persons is infected with these ugly pests. Whole families may have Pin-Worms and never even know it!

But now you can and should do something about this common condition. Joyce's Pin-Wormage contains a special, medically-approved ingredient that attacks Pin-Worms in the intestines and removes them from the body. Play it safe! At the first sign of Pin-Worms, ask your druggist for P-W, the small, easy-to-take tablets perfected by the famous Joyce Chemicals in worm remedies for over 100 years. Destroy those Pin-Worms...relieve that itch!

Just Remember: P-W is for Pin-Worms!

Northern Natural Club Meets

SKELLYTOWN — (Special) — The Northern Natural Sewing Club met at the home of Mrs. Martha Trantham Friday afternoon, April 15.

Sandwiches, cookies, jello, and coffee were served to: Meses. Alleene Moran, Leona Smith, Ida Shubring and daughter, Jo Beighle and daughter, Melva Rapstine, Mrs. Jack Watson, Margaret Hand, Dorothea Barethin, Helena Johnson, and Miss Addie Fern Lick, a new member.

The next meeting will be April 22 at White Deer, with Mrs. Melva Rapstine as hostess.

Mrs. Mary Boydston Celebrates 89th Birthday Anniversary

McLEAN — (Special) — Mrs. Mary Boydston celebrated her 89th birthday anniversary recently at the home of her daughter, Mrs. Myrtle Kiser, of Kellerville, about 15 miles northeast of McLean.

The birthday cake with its many candles was the center of attention and movie pictures of it and the group were taken by C. J. Merrick of Groom.

Those attending were: Robert F. Boydston; Mr. and Mrs. Henry Merrick and daughter, Marys, of Pampa; Mr. and Mrs. C. J. Merrick and daughter, Janie; Mr. and Mrs. Roy Clark; Mr. and Mrs. Berry James and daughters, Cora Venal, Elizabeth, and Nellie; Mrs. Allen Knapp and children, Lawrence and Laura Jean, all of Groom; Mr. and Mrs. Roy Kiser and sons, Sanford and Phil, of McLean; Mrs. Cora Harris, of Erick, Okla.; Mrs. Ethel Ricketts, of Clinton, Okla.; Mr. and Mrs. C. C. Gibson; Mrs. Leta Phillips and daughter, Judy, of Amarillo; Mr. and Mrs. Walter Elliott and children, Feleise, Wayne, and Don; Mr. and Mrs. S. Bradley Kiser, of Kellerville.

Baptist WMS Has Royal Service Program

SHAMROCK — (Special) — The Royal Service program and business meeting of the Baptist WMS was held at the church Monday afternoon. The Mary More Circle was in charge.

The meeting opened with group singing led by Mrs. J. D. Mallow who also gave the program introduction. The devotional was given by Mrs. Charles Daughtry. Mrs. L. T. Davis led in prayer.

The program was conducted as a classroom with Mrs. Mallow serving as teacher of the group. "Christ, the Answer in the Rural Community," was the subject.

Those taking part in the program were: Miss Minnie Watson, Mrs. T. J. Bryan, Mrs. J. J. Baird, Mrs. Frank Exum, and Mrs. T. J. Bryan.

Mrs. J. J. Baird closed the meeting with a prayer.

Present were: Meses. Fred Holmes, Murray Davis, Lee Newman, Lucy Darling, R. W. Shields, L. T. Davis, Frank Exum, T. J. Bryan, Bill Wilson, Neal Lanham, Charles Green, J. J. Baird, J. D. Mallow, F. T. Boston, Charles Daughtry, Norman Patrick, Raymond York, Martin Dwyer, and Miss Minnie Watson.

A delicious dessert can be made by lining sherbet glasses with lady fingers (split or halved), then filling the glasses with chocolate tapioca cream and topping with whipped cream and marshmallow cherries.

Pampa News, Wednesday, April 20, 1948 PAGE 5

Norma E. Puckett Becomes Bride Of Patrick H. Johnson of Shamrock

SHAMROCK — (Special) — Miss Norma E. Puckett, daughter of Mr. and Mrs. Floyd Puckett, Syracuse, Kas., became the bride of Patrick H. Johnson, son of Mr. and Mrs. Ted Johnson, of Shamrock, April 8, at the Central Christian Church of Oklahoma City, Okla.

Vows were exchanged in the church sanctuary before a background of palms, baskets of white gladioli and lighted tapers in floor candelabra. Boyd L. Lammiman officiated.

Miss Emily Ann Siemens, Watonga, Okla., sang "My Hero," "If I Could Tell You," and "God Gave Me You." Accompanying her at the organ was Bob Davis of Ashland, Kas., who also played the traditional wedding marches.

Miss Maxine Marshall, Atlanta, Kas., was maid of honor. Her dress was of light green tulle, styled with a fitted bodice and bertha collar. She carried a bouquet of variegated rose carnations.

Bridesmaids were Misses Lila Joyce Puckett, sister of the bride, and Rose Johnson, sister of the bridegroom. Their dresses were in the style of that worn by the maid of honor. Their bouquets were of yellow carnations.

Erick, Okla.; Mrs. Ethel Ricketts, of Clinton, Okla.; Mr. and Mrs. C. C. Gibson; Mrs. Leta Phillips and daughter, Judy, of Amarillo; Mr. and Mrs. Walter Elliott and children, Feleise, Wayne, and Don; Mr. and Mrs. S. Bradley Kiser, of Kellerville.

McKENNEY ON BRIDGE

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NEA Service

The late Maurice Maschke of Cleveland, O., who was one of our finest rubber bridge and tournament players, had a pet theory about doubling slam contracts in tournaments. He used to say, "Never double a slam contract

▲ J 5 4 2	▲ Q 10 8 3

 Opening—♥K

unless you have two different ways of beating it. If your opponent makes the contract doubled, you are bound to get a bad score. If you do not double and he makes it, you will get a more normal score."

In today's hand North would never have had the chance to get into seven no trump, which was makeable by a squeeze. If East had had two ways of setting the contract, seven spades would have been beaten automatically, but seven no trump was made with the following play.

East opened the king of hearts, which declarer won with the ace. The queen of diamonds was cashed, and a small club led to dummy's king. The queen of clubs was cashed, and now declarer took five diamond tricks, discarding three spades and two hearts from his own hand. Next a small spade was led from dummy to the ace and the ace of clubs was cashed.

East, who was down to the queen-10 of spades and the queen of hearts, was squeezed on the spade, dummy's king-nine would be good. If he discarded the queen of hearts, declarer's ten of hearts would take the thirteenth trick.

Leftover pinoles are usually eaten with relish if they are sliced, spread with butter or margarine and broiled until lightly browned on both sides. They may be dusted with paprika, if you like, before they are sent to the table.

Fine Arts Club Has Book Review

SHAMROCK — (Special) — A tea and book review was given April 14 by the Thursday Fine Arts Club at the home of Mrs. Guy McBurnett.

Hostesses were: Meses. Roy Barten, Aaron Fry, Joel Gooch, Robert Laycock, Lyman Benson, Cabot Brannon and Guy McBurnett.

Mrs. Vernon Carver, president, headed the receiving line. Others in the line were Mrs. Mary Pace, Mrs. Royce Lewis, president of the Thursday Literary Club, and her mother, Mrs. B. A. Zeigler.

During the tea hour Mrs. Patrick Boddy and Mrs. Aaron Fry played musical selections.

The tea table, laid with peach damask, held a centerpiece of orchid stock and silver candelas. Plate favors were nosegays of violets.

Pouring alternately were: Mrs. Robert Laycock, Mrs. Roy Barten, Mrs. Cabot Brannon, and Mrs. Joel Gooch.

For the program, Mrs. Bedford Harrison gave an interesting review of "Dinner at Antoine's," by Frances Parkinson Keyes.

Special guests and members of the Thursday Literary Club included: Meses. B. A. Zeigler, S. M. Dunnam, E. T. Fields, E. C. Hoffman, J. R. Benson, L. S. Griffin, Ben Skidmore, Marshall Adams, L. E. Davis, C. R. Green, A. N. Holmes, J. B. Christner, R. C. Lewis, H. B. Hill, Price Barrett, Raymond Zeigler, E. W. Poole, Carl Linkey, Sol Blonstein, Perry Bear, Clyde Whittle, Ted Rogers, of Canadian and Miss Re Lummus.

Fine Arts Club members present were: Meses. Scott McCall, M. H. Clay, Jr., Walter Fendleton, Jr., Lyman Benson, Jack Stroup, Baxter Purcell, Earl Gobble, Bedford Harrison, Patrick Boddy, Mary Pace, Vernon Carver, A. Fry, Cabot Brannon, Robert Laycock, Roy Barten, Joel Gooch, and Meses Pauline Benson, Ruth Zeigler, and Nell Adams.

A dash of sugar added to the water in which vegetables are cooked adds to their flavor.

RHEUMATISM YIELDS TO SPECIALIZED SYSTEM OF TREATMENT

Excelsior Springs, Mo., April 2—So successful has a specialized system proven for treating rheumatism and arthritis that an amazing new book will be sent free to any reader of this paper who will write for it.

For those who suffer with aches, pains, stiff or sore joints, nervousness, over acidity, systemic toxemia, colitis, or other rheumatic symptoms, this book entitled, "Rheumatism," fully explains why drugs and medicines give only temporary relief and fail to remove the causes of the trouble.

The Ball Clinic, Excelsior Springs, Missouri, has perfected a specialized system of treatment for rheumatism and arthritis, combined with the world famous mineral waters and baths. This system of treatment, which has proven successful for over thirty years, is fully described in a book that tells how it may be possible for you to find freedom from rheumatism.

Write today for this instructive book—"RHEUMATISM." You incur no obligation, and it may be the means of saving you years of untold misery. Address your letter to The Ball Clinic, Dept. 2548, Excelsior Springs, Missouri—but be sure to write today. adv.

House Shower Given Shamrock Couple

SHAMROCK — (Special) — Mr. and Mrs. Donald Veerter, who have recently moved into their new home at 1600 North Main, were given a shower at "house warming" last Thursday evening.

Hostesses for the affair were: Meses. P. A. Anderson, Actis Henderson, Marvin Davis and Luther Troxell.

Waterspouts more than a mile high have been seen at sea.

sparkling chambray

this dress of fine combed yarn chambray will add sparkle to your wardrobe. tiny rinstone studded yoke, full flared skirt with front tie belt. colors: butternut, grey, grapevine, arial blue and primrose pink.

sizes 10 to 18
16.95

Miss Mary D. Henderson registered the guests.

The tea table was laid with cloth of hand-made lace. The centerpiece was an arrangement of snapdragons. The silver service was placed at one end of the table and Mrs. Anderson and Mrs. Davis poured alternately. They were assisted with the serving by Mrs. Troxell and Mrs. Henderson.

About seventy-five guests called during the receiving hours.

It's a good idea to have two sizes of rotary egg beaters in a kitchen. The small size is handy for beating a single yolk or egg white or for other small quantities of food.

Examined the new **DE SOTO?** You won't know what's happened until you do!

"The Car Designed with YOU in Mind" is changing a lot of minds!

Crowds of people have visited our showrooms since the first announcement of the new De Soto. It has been very interesting to watch their reactions.

First of all, of course, they walk all around the car and admire its smart, low lines and its sleek appearance. They tell us they like its looks because it is "modern but not modernistic."

But the big surprise comes when they open those wide doors and step inside. The roof does not hit their hats, There's lots of headroom. The steering wheel doesn't hit the driver's knees. And because the luxurious seats are chair high, you can see everything without craning your neck.

Get in. Front seat or back, they're both wider. There's more leg room for all passengers, too. And you get all this extra space without sacrifice of convenience, because the outside dimensions of the new De Soto are not increased. You can still park with ease. And you needn't rebuild that garage.

Before you make any decision about any new car, come in and let us show you De Soto's many great features including Tip-Toe Hydraulic Shift with Fluid Drive, that lets you drive without shifting. Compare this car with any other at any price... for beauty, comfort, safety and value. Then decide. Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

DE SOTO FEATURES THAT MEAN MORE ENJOYMENT EVERY MILE

- ★ Tip-Toe Hydraulic Shift with Fluid Drive
- ★ New Feather-Light Steering
- ★ High Compression Powermaster Engine
- ★ New All-Weather Comfort System
- ★ Faster Getaway
- ★ New Ignition System
- ★ Longer Wheelbase with full "catted" ride
- ★ Safeguard Hydraulic Brakes with new Cycle-bonded linings
- ★ Scuff-Resistant Finish on Cylinder Walls
- ★ Safety Rim Wheels and Super Cushion Tires

DE SOTO LETS YOU DRIVE WITHOUT SHIFTING!

Rain Slows Activity in Texas League, But OC Still Loses

Big State League Gets Underway

By The Associated Press
Texarkana, Greenville and Wichita Falls made opening night in the Big State League pay in the standings if not at the box office.

Rain washed out the Austin Temple tilt last night and cut attendance at the three games played almost to zero.

Texarkana spoiled the opener for Sherman-Denison's defending champions, 4-3. Wichita Falls did better by its homefolk, beating Gainesville, 5-4, and Greenville did the same for its fans with a 4-3 victory over Waco.

The same teams meet again tonight. Waco is at Greenville, Texarkana at Sherman-Denison, Gainesville at Wichita Falls and Austin opens against Temple at Temple.

Select Teams for '50 Cotton Bowl Cage Tilt

DALLAS — (AP) — An invitational basketball tournament matching four top basketball teams has been scheduled here Cotton Bowl week.

St. Louis University, Navy, Baylor and Southern Methodist University will compete in the tournament Dec. 30 and 31, two days before the big New Year's Day football game.

Rodeo at Abilene

ABILENE — (AP) — The third annual Hardin-Simmons University Intercollegiate Rodeo will be held here April 29 and 30 with college cowboys and cowgirls from a dozen schools entered.

Sul Ross, defending champion and recent champion of the National Collegiate Rodeo at San Francisco, is among the entries.

By JACK HAND (Associated Press Staff Writer)

Bobby Feller's failure is the most disturbing note of the major league baseball operations which otherwise read like a carbon copy of 1948.

A year ago Bobby pitched a two-hit shutout opening day as the Cleveland Indians rushed in to a six-game winning streak. Before they stopped winning, they were world champions.

Yesterday Feller was yanked after two innings because of wildness and a sore arm. He yielded one run as the Indians lost to the upstart St. Louis Browns, 5-1. Ned Garver scattered seven hits to beat the champs before 12,817, the Browns' largest opening crowd in 15 years.

Otherwise things were normal. Rip Sewell of Pittsburgh resumed his favorite job — beating the Chicago Cubs. He scored his 10th opening day triumph, 1-0. Lou Bristle, the Philadelphia A's brilliant second-year man, repeated his 1948 rookie job of spoiling the opener for the Boston Red Sox, 3-2. Larry Jansen of the New York Giants continued to find it tough to whip Brooklyn, losing 10-3 under a deluge of homers by Jackie Robinson, Roy Campanella and Carl Furillo.

With outfielder Joe DiMaggio on the bench in street clothes, the New York Yankees shaded Washington, 3-2, on a ninth inning home run by Tommy Henrich.

The crowds were slightly off but some of the smaller parks were the sites of yesterday's games. The total for Monday and Tuesday was 227,459 as compared to 331,783 in '48. However, the remaining openers Friday, including an expected 70,000 at Cleveland, should better last year's 16-game total.

The largest crowd was 53,435 at Briggs Stadium opening record, that came to see the Detroit Tigers thump the Chicago White Sox, 5-1.

Bouncing back from Monday's shutout by Ken Kintzler, the Boston Braves whipped the Philadelphia Phillies twice, 4-3 and 11-2 before a Patriots' Day crowd of 30,337.

Cincinnati capitalized on errors to whip the St. Louis Cardinals, 3-1.

Lobs Given Watches For Football Record

ALPINE — (AP) — If members of the undefeated 1948 Sul Ross State College football team are late for the second day of spring grid practice today, it's their own fault.

Yesterday they received gold watches from Dr. R. M. Hawkins, president of the college.

Sixty intercollegiate rodeo will be held here April 29 and 30 with college cowboys and cowgirls from a dozen schools entered.

Sul Ross, defending champion and recent champion of the National Collegiate Rodeo at San Francisco, is among the entries.

A scoter is a type of sea duck.

By WILBUR MARTIN (Associated Press Staff)

It was "Rain, rain go away, come again some other day," for all but Oklahoma City and Tulsa in the Texas League last night. Oklahoma City might well wish it could have joined the refrain. The Indians lost again, to Tulsa, 7-4 for their seventh straight setback.

The same teams that would have met last night tangled tonight. So nothing was lost — except at the boxoffice.

The Indians came close to breaking into the victory column, but a four-run outburst in the ninth inning fell one run shy. For Tulsa, the victory sent it into a fifth place tie with Houston.

The high-flying Dallas Eagles gushed like one of owner Dick Burnett's oil wells, come tonight for a series with arch rival Fort Worth. Clarence Iott will try to protect the Eagles' perfect record with his south-paw slants.

Other games tonight find Beaumont at Houston, Tulsa at Oklahoma City, San Antonio at Shreveport.

Roy Parker Faces Eaves or Fries in Opening Battle

Bubble Gum King Runs Into a Stuck-Up Area With Ball Club

Tennis Stars Play In River Oaks Meet

HOUSTON — (AP) — Seeded entries in the 15th annual River Oaks Invitational Tennis Tournament get tougher competition in the second round of play today.

National Champion Richard Gonzales faces Bobby Curtis, former Southwest Conference singles champion and National Intercollegiate doubles champion at Rice Institute. Second seeded Ted Schroeder tangles with Felix Kelley, University of Texas ace.

Gonzales yesterday downed Leo Laborde, Baytown, Tex., 6-0, 7-5, and Schroeder defeated W. M. Dickey, Houston, 6-1, 6-2.

Bob Falkenburg, Beverly Hills, Calif., seeded fourth, ousted Howard Startzman, University of Texas, 6-4, 3-6, 6-2. Third seeded Bill Talbert, New York City, downed Jake Broyles, Texas Tech, 6-3, 6-3.

Curtis beat John Baker, Texas Christian University, to advance to the second round, 6-4, 6-3.

Virginia Kovacs, seeded second in women's singles, walloped Bettie Gray, Houston, 6-0, 6-1, as this division got underway.

THE PAMPA OILERS

Page 6 Pampa News, Wednesday, April 20, 1949

Ed Brawley may start in place of Tootor Harper.

In addition to being the leading pitcher during the training season, Parker has led the hitting department, too. He has hit .440 through seven games, to lead the men with 25 or more times at bat. Closely trailing him are the regulars are Charles Ridgeway, who is currently sticking .388 and Virgil Richardson, with a .335 average.

Lots of new faces will be present this season, and it appears that they will be improvements over last season.

Many awards will be given to the various players again this year. Awards for the first hit, the first stolen base, the first home run, and so on. Lists were printed in yesterday's Pampa News and will also be available at the ball park tonight.

Tonight's game is scheduled to begin at 8 o'clock, with the ceremonies starting shortly before the game time.

John Michel, manager of radio station KPND, announced today that KPND will carry the opening night ceremonies from Oiler Park for the benefit of those who are unable to attend.

Broadcast of the ceremonies is scheduled to begin at 7:30, with Carl Livingston at the microphone.

In other opening night games around the league Albuquerque is playing at Lamesa, Clovis is at Lubbock and Amarillo journeys to Abilene.

MR. WEATHERMAN:

For the past two years you have given us nothing but rain for opening day. All spring you have given us nothing but cold and windy weather when we were scheduled to play at home. How about a break on the weather tonight?

The fans have scheduled a special program for opening night. The Harvester Band is going to parade through town early in the evening. They are going to introduce all of us, including our guests, the Berger Gassers, just before the game. The Roy Scouts, Troop 14, are going to raise the flag, and the mayors of Pampa and Berger have been getting in shape for the past two weeks to throw the opening pitch.

Give us a good night, huh?

BETTER BOWLING

By BILLY SIXTY
NO MIX POWER: If it's any consolation to you, the finest bowlers in the country sometimes develop a little flaw that throws their game off, and they are completely baffled as to what it is.

To have a former individual match champion and one of the greatest bowlers of all time, unable to detect an error in style is strange enough. But it was amazing that Hank Marino, besides being a champion, also a leading analyst of form and a top teacher, should be stumped so thoroughly.

The error took six months to locate because it was such a small detail. Just observing his style, nothing was apparent, the ball action was the same as it always has been. But, when it hit the target, between the 1 and 2 pins, the concussion power was not there. The carrying action had just disappeared.

Thinking something might have happened to the ball, Marino tried all kinds of them. But they made no appreciable difference. The power to carry the end pins, 7 and 10, just wasn't there. It was a puzzle for a long time, but at last he found it.

Having passed the half-century mark, Marino's speed of delivery was reduced somewhat. To make up for this, he unconsciously hurried or forced the wrist turn to get the same old spin.

When Marino forced the wrist turn, his swing-through was a short and his shoulder came out of the groove too quickly and off to the left (see illustration). The whole action brought about a "top spin" instead of the one-time gradual power turn.

Sports Round-Up

BY HUGH FULLERTON, JR.
NEW YORK—(AP)—A lot of it pros snicker at George Schneider's idea of staging "minor league" open tournaments. . . They figure it costs a minimum of \$500 a week to make the tour and a guy would be able to shoot for less than the \$10,000 minimum purses for a tournament. . . But at Augusta someone was asking what had become of the kids who used to hit the trail in an old jalopy, sleeping in it if they had to, and eating in crumb joints, hoping to pick up a little cash and fame. . . They could borrow a few hundred bucks from a club member and, with luck, survive the whole winter tour. . . Several of them reached the top that way. . . The "kids" you see in tournaments now are around 30 years. . . Maybe a regular round of tournaments too small to attract the bigshots would bring out a new crop of hungry 20-year-olds. . . And you'd be sure of plenty of hot competition if every player figured he'd have to win or thumb his way back home.
SHOT STORY
 Penn State's new basketball

NBC Needs Umpires

WICHITA, Kans.—Five thousand umpires are required for the 1949 league and tournament program of the National Baseball Congress.
 That's why the national organization has started a training course in an effort to increase efficiency in officiating.
 The umpires are being organized by the NBC into a national association. Each member is sent one of the new umpire manuals, which are published for umpires in Organized Professional Baseball. They are sent monthly instructions, and also receive a copy of Official 1949 Official Baseball Annual and Rule Books; also an arm band. They're to be listed by cities in following edition of the Official Baseball Annual and in The Sporting News. Only approved members will be eligible to officiate NBC tournaments.
 The coaching combination of Elmer Gross and assistant John Egli won't be greatly perturbed when and if the alumni sharpshooting begins. Both are Purple Heart veterans who have been under more serious fire. Gross was wounded at St. Lo shortly after the Normandy landings and Egli was wounded at Bastogne several months later.
 The infield is secure with Richardson on first, Ridgeway at second, Velasquez playing shortstop and third base being fought for by Tooter Harper and Eddie Brawley. Rich is still the blue chip player that he has always been, as was proved by his performances against Amarillo and Lubbock. Both places he lashed out four hits, including home runs, the one at Lubbock winning the ball game in the tenth inning. Ridgeway is a consistent hitter, who doesn't hit the long ball but instead gets those punch hits for singles and doubles. And with his speed he will be best out of a lot of infield blows as well as puffer the bases. Velasquez hits a long ball, and as soon as he starts hitting them on the line he will be very dangerous at the plate. The two boys battling for third base both appear to be capable fielders, but both will have to prove themselves with the stick.
 The catching should be no worry with Mike Feduniak, backed by John Warren. Both are capable receivers. Mike has proved that he can hit the long ball, but he is another who will be a lot stronger at the plate as soon as he gets his swing levelled and starts hitting the line, drives with all of his power.
 If a fair amount of pitching can be obtained from the moundsmen now in camp, the hitting

WARREN'S WARM UP

By Warren Hass—News Sports Editor

QUESTION: What famous lefthanded pitcher won the most major league victories in a lifetime?

140 TO GO: Tonight the Pampa Oilers swing into action in the 1949 version of the West Texas-New Mexico League race. The Oilers stand a very good chance of coming out on top in this 140-game schedule. The Oiler front office has completely revamped the ball club, and early season appearances are that it will be all for the better.

The Oilers should have the best outfield in the league. All three of the men playing in the outer gardens are heavy, long ball hitters, and they all are steady in the fielding department as well as having strong throwing arms. Peacock in left, Matney in center, and Teyema in right is the way the outer garden stacks up now, and the way it will most likely remain all season, barring injury.
 The infield is secure with Richardson on first, Ridgeway at second, Velasquez playing shortstop and third base being fought for by Tooter Harper and Eddie Brawley. Rich is still the blue chip player that he has always been, as was proved by his performances against Amarillo and Lubbock. Both places he lashed out four hits, including home runs, the one at Lubbock winning the ball game in the tenth inning. Ridgeway is a consistent hitter, who doesn't hit the long ball but instead gets those punch hits for singles and doubles. And with his speed he will be best out of a lot of infield blows as well as puffer the bases. Velasquez hits a long ball, and as soon as he starts hitting them on the line he will be very dangerous at the plate. The two boys battling for third base both appear to be capable fielders, but both will have to prove themselves with the stick.
 The catching should be no worry with Mike Feduniak, backed by John Warren. Both are capable receivers. Mike has proved that he can hit the long ball, but he is another who will be a lot stronger at the plate as soon as he gets his swing levelled and starts hitting the line, drives with all of his power.

Kansas Relays Saturday May Endanger Many Old Records

LAWRENCE, Kas.—(AP)—The heat will be on at least five records in the 24th running of the Kansas Relays Saturday.
 Marks in danger include the discus throw, mile run, pole vault, university two-mile relay and college class sprint medley.
 The final list of entries announced by Inset Director Bill Easton show a total of 722 contestants representing 19 schools in the university class, 28 in the college division and 9 junior colleges.
 Entries for the Intercollegiate Relays, scheduled for Friday, total 1,810 athletes coming from 165 high schools.
 The "Glenn Cunningham" mile standard of 4:10.3 established by Elaine Rideout, of North Texas State, in 1940, will be endangered by Wisconsin's Don Gehrman, Little Jerry Thompson of Texas, and Tarver (Cy) Perkins, of Dekalb, Ill., the defending champion.
 Thompson turned in a 4:12.3 in the recent Texas Relays.
 At least four days will go after the pole vault record of 14 feet 8 inches, set by Beefus Bryan, of Texas, in 1938. Warren Esteman, of Colorado and Harry Cooper of Minnesota are the defending co-champions. Bill Carroll, Oklahoma, and Wisconsin's Tom Bennett are others who have done 14 feet or better within the last year.
 The Longhorns will send only one sprinter, Perry Samuels, and three field events men. They are Ray Marc, javelin throw; Bob Walters, high jump; and Clay Krames, discus throw.

Longhorns Shoot for Seventh Straight Win

By The Associated Press
 The University of Texas Longhorns pitch their ace at Texas A&M today in a bid for a seventh straight Southwest Conference baseball victory.
 The Steers catch the Aggies at Austin, where they have won their last 38 conference games. Murray Wall will be on the mound.
 Wall has given up only one run in 17 innings.
 Dragonflies can fly at a rate of

run in his last 15 innings. Yesterday, Southern Methodist University chalked up another victory in the conference race by blasting Texas Christian University, 19-5.
 Bruce Morise, Texas A&M's mound ace, will probably seek to keep the Aggies in the thick of the pennant chase. He has given up only one unearned run in 17 innings.
 Dragonflies can fly at a rate of

Higgins Nine Loses To Follett High, 17-1
HIGGINS—(Special)—A group of unhappy Higgins High School Coyotes returned from Follett Friday, where one was injured during a baseball game played there that afternoon. Final score of the game was 17-1, for Follett, with Bobby Allen making the lone run for Higgins.
 Troy Carmichael was injured at third base as he was endeavoring to tag a runner. He was able to return to school Monday.
 The Coyotes will play Canadian Friday at Higgins, and will try to avenge their one run defeat suffered earlier in the season when Canadian won by score of 19-20.
 Bishop, Oklahoma, played both boys and girls volleyball last Thursday and again Tuesday with Higgins winning both matches. The grade school played the Bishop grades softball in the afternoon, with Higgins winning.

Odessa Excited Over Women's AAU Track Meet
ODESSA—(AP)—This West Texas city is pretty hepped up over getting the Women's National AAU Track and Field Meet.
 In the first place, it obtained the cinder path carnival by outbidding such places as Philadelphia and Chicago. In the second place, it looks like a good financial netting for the Odessa Shrine Club, which will turn the proceeds to aid of underprivileged children in this area.
 John Summers, who heads the sponsoring group, says enough funds to put over the meet already have been realized through advertisements sold for the programs.
 The meet, to be held August 12 and 13, will be in the High School Stadium which has a seating capacity of 18,000.
 Responsible for bringing the meeting here were Summers and Dr. Charles W. McCollum, a Shriner who also is president of the Chamber of Commerce. Erich Pohl, head of the South Texas AAU who put on the Women's Meet in San Antonio several years ago, mentioned the possibility of bringing the event here this year to Summers and McCollum and they did the rest.
 Odessa has assured the AAU that there will be accommodations for everyone. The High School Gymnasium will be used to house contestants who like to operate on a thin budget. Board and room will be provided for as little as \$2 per day.
 Bob Clark, a member of the Odessa High School coaching staff, is the meet director.
 Summers plans to get a flock of notables. He has invited Governor Beauford Jester of Texas; Harold Lloyd, the motion picture celebrity who is imperial potentate-elect of the National Shrine; and others. The Odessa American, local newspaper, and the three Odessa radio stations are planning a three-day open house for writers, radio men and officials. The Shriners are arranging an Aug. 11 party for contestants that will include a chuck wagon barbecue.
 There will be quality as well as quantity in the track and field meet according to Daniel J. Ferris, secretary-treasurer of the National AAU. "Interest in women's track and field seems to be on the upgrade," he says. "At the National Indoor Track and Field Championships in New York the girls turned in some eye-catching performances."
 Miss Fagg, one of the youngest members of the United States Olympics Team last year, beat such stars as veteran Stella Walsh and Audrey Paterson of Tennessee State College, a finalist in the Olympics 220-yard dash, and her time was 25.9—only a tenth of a second over the world's indoor record. Both Nancy Cowperthwaite Philips and Bernice Robinson of Chicago broke the American record in the 50-yard hurdles in the preliminaries and Miss Robinson won the final in 7.2—two-tenths of a second under the world's indoor mark.

A Change is in Order...

Change to OIL-PLATING!

DEPENDABLE! ... Mature judgment indicates the best oil for you is the one that gives you the greatest protection at the lowest cost. That's Conoco Motor Oil!

SAFETY! ... because OIL-PLATING can't all drain down, even overnight. Cylinder walls and working parts are protected against "dry-friction" starts.

SECURITY! ... because an extra shield of lubricant clings to metal... actually OIL-PLATES your engine.

BANK THE DIFFERENCE ... because hardy Conoco Motor Oil fights combustion acids... reduces repair bills.

Oil-Plats today at your **Conoco Mileage Merchant's!**

Conoco 1949, Continental Oil Company

Wheeler County Gins Handle Double 1947

SHAMROCK — (Special) — The cotton gins of Wheeler County handled more than twice as many bales from the 1947 crop as the previous season, according to a report from the Department of Commerce.

The final report shows there were 15,912 bales of cotton ginned from the 1947 crop, as compared with 7,870 bales from the 1946 crop.

ROGER THE LODGER

By Elizabeth R. Roberts

THE STORY: Roger the Lodger who lives with Mr. and Mrs. Roberts, grows more than a weary guest. It is a wretched and Roger is a somewhat eccentric appointment for office training.

Several times in rapid frenzy, He slapped his breast pocket. He felt carefully in his watch pocket, sneaking up on it like a man touching a sore tooth with his tongue.

He began to look like a frenzied chicken locked out of the roost at night and crazily running from possible loopholes to possible loopholes trying to get in.

Major said, "Here. Keep your shirt on. I've got a match." "Match, nothing!" Roger roared. "I've lost the key to the car."

He did a quick search of his pockets again. "It was in my watch pocket. I always carry my keys there."

"And match folders," Major said solemnly. "They just fit," Roger explained, becoming more calm, now that he had pooled his trouble.

"And keys just fit match folders, too," Major snapped. "I've heard of fool things before in my life, but to carry a key loose in a pocket with match folders is asking for trouble. And we've got it."

Not having eyes in the backs of our heads, we missed Old Faithful as we snugged out tin foil, bottle caps, and keys, and so forth, and so forth, and so forth.

Millions of people have seen it just that way, but they weren't with Roger.

We were on the balcony before dinner when Roger slipped the red, stuck a cigarette in his mouth, and drew a match folder from his watch pocket. He lit the cigarette and in an airy gesture tossed the match folder over the balcony railing.

Those making all A's were Troy Carmichael, Junior; Carol Crouch, Alice Cloud, Neil Samsing and Velora Ann Williams, all Sophomores. Other honor students making three A's and one B were Louise Koch, Senior and Wilma Jean Brown, Freshman.

In the Junior High School, the only honor student for this six-week term was Grace Cloud, according to Gaines Gourley, principal.

The following is a list of the grade school students making the honor roll for the fifth six-week term of school: First grade, Jo Ann Jackson; second grade, Gary Gourley and Virginia Davis; fourth grade, Charles Gourley, Lee Elva Kimbell, Anna Lee Pittsgerald and Jimmie Page; fifth grade, Marilyn Hunter, Dee Alvis Kimbell and Carlene Freeman; sixth grade, Lee Wayne Brown and Hope Cloud.

His topic will be "What They Should Know About Marriage." The Junior High Band will present several selections, under the direction of Miss Marianna Pierce preceding the talk.

Jack Bailey Is 'Cook Booking'

A Hollywood premiere for a cook book, Jack Bailey's "What's Cookin'", replete with Klieg lights, Hollywood celebrities and the fanfare coincident with film debuts, will be the subject of a special Mutual-KPDN broadcast tonight at 9:30 to 10.

What Roger saw must have restored his appetite, for when we approached the dining room, he was already at the head of the line.

OLD FAITHFUL spouted, so we were told, while we were asking our steaks.

He stretched his neck to settle his collar, fingered his tie into position, stroked his hair, swallowed hard, and replied, "I... well... this is—"

"Oh, no. He's not my husband," I explained again. "Now, what I need to help. How are we going to get home? Roger doesn't want me to tell my husband he lost the key, and I left mine in Geese Falls."

The agent finally got the drift. "Don't worry," he said. "There's a kid here who's clever at breaking into locked cars and twisting wires together and rigging up a dummy switch."

Higgins Schools Post Honor Rolls

HIGGINS — (Special) — Honor roll students for the fifth six-week term of school were named this week by Max E. Hunter, principal of the Higgins High School.

Those making all A's were Troy Carmichael, Junior; Carol Crouch, Alice Cloud, Neil Samsing and Velora Ann Williams, all Sophomores.

Other honor students making three A's and one B were Louise Koch, Senior and Wilma Jean Brown, Freshman.

In the Junior High School, the only honor student for this six-week term was Grace Cloud, according to Gaines Gourley, principal.

The following is a list of the grade school students making the honor roll for the fifth six-week term of school: First grade, Jo Ann Jackson; second grade, Gary Gourley and Virginia Davis; fourth grade, Charles Gourley, Lee Elva Kimbell, Anna Lee Pittsgerald and Jimmie Page; fifth grade, Marilyn Hunter, Dee Alvis Kimbell and Carlene Freeman; sixth grade, Lee Wayne Brown and Hope Cloud.

His topic will be "What They Should Know About Marriage." The Junior High Band will present several selections, under the direction of Miss Marianna Pierce preceding the talk.

Executive board members of the P-TA have been asked to meet at 2 p. m. tomorrow.

Chemical War on Weeds Demonstrated at Clinic

CANADIAN — (Special) — "Chemical warfare" on weed and insect pests can increase the productivity of a morning but to the Park and perhaps reach us here by tomorrow night.

This was brought out by the speakers in the morning session of the weed control clinic held at the Hemphill County Airport Saturday.

Mr. Klaus, president of Klaus and White Chemical Company of San Antonio, gave a comprehensive talk on grasshopper control, stating that the three methods—spraying, dusting, and using poison bait—each have their advantages and conditions of weather and vegetation should govern which to use.

C. E. Fisher of the Spur Agricultural Experiment Station spoke on weed and brush control by spraying. Telling of extensive experiments carried on in the last few years, he told how some plants, notably mesquite, can become worse if sprayed with some chemical that only kills the tops, than if it had been left.

When mesquite tops are killed, the roots will produce a number of sprouts to take the place of the one that was killed. He also warned that conditions have to be right for obtaining a good kill on such pests as bind weed, because it has been proven that the seed of the bind weed does not all sprout in one year. The seed has been known to sprout after having been in the ground 26 years.

Another thought emphasized was that no amount of weed and brush control and grasshopper control will make up for damage often done by over-grazing.

Hemphill County Agent Walter Grist showed a series of slides showing "before and after" scenes where sage brush and other brush had been killed by spraying. Motion pictures were also shown to make clear the mechanics of chemical weed control.

The airport, especially near the hangar, looked like a county fair. All types of spraying and using equipment—from hand pumps to tractors and airplanes—were on display. Demonstrations were staged in the afternoon in spite of the rather high winds.

The clinic and demonstrations were sponsored by the Canadian Chamber of Commerce. Tom Abraham, president, opened the meeting and introduced the speakers.

I'VE GOTTA GET UP EARLIER!

Wash Tubbs

WELL, WE WERE BEGINNING TO WONDER IF YOU TWO HAD GOTTEN LOST!

OH, WE HAD A WONDERFUL TIME! DIDN'T WE, DADDY?

YES, WE DID, HONEY!

YOU WHEENT DISILLUSIONED HER, YET, GIG! SHE'LL NEVER FORGET THIS DAY!

I COULDN'T SPOL IT, EASY, SO I PUT OFF TELLING HER I HAVE NO PLACE TO KEEP HER—NO JOB...

MM... WHERE DID CATHY GO?

EVEN IF I COULD TAKE HER, EASY, I CAN'T RISK RUINING HER LIFE! SHE MUST FIND OUT THE TRUTH—

DADDY! I'M ALL PACKED AND READY TO GO WITH YOU!

Red Ryder

MISSY BETH!

LITTLE BEAVER! BLESS YOUR HEART!

FETCH'UM ROPE, RED RYDER—HELP'UM MISSY BETH OUT?

BETH! YOU'RE SAFE AND WELL! WHO BROUGHT YOU HERE?

ACE HANLON! HE SAID I'D DIE HERE IF YOU DIDN'T SELL YOUR RANCH TO BUY MY RELEASE!

GET TO THE RANCH AS FAST AS YOU CAN—IT'S YOUR RANCH TO FIGHT IT OUT!

MAYBE I CAN BEAT THAT CAN OF MONEY FLOATING DOWN STREAM AND HELP HANLON FIGHT IT OUT!

Boots

WELL, I THINK I CAN UNDERSTAND ROGIE AND JEEP FALLING IN LOVE!

I SUPPOSE (SIGH) THAT'S LIFE!

BUT EAGER WEAVER'S ROLE OF COUNSELOR, ADVISER AND TOP ASSISTANT IN THE ROMANCE DEPARTMENT—THAT I CAN'T UNDERSTAND!

THE FIRST TIME I EVER SAW EAGER I RECOGNIZED HIS IMPOSSIBILITIES!

Tex Austin

I DON'T KNOW THINGS WERE SO BAD!... MAYBE WANNE'S RIGHT!

WHAT—SELL THE RANCH? GOSH, TEX! I WOULDN'T DO THAT, NOW, WOULD YUH?

I DON'T KNOW, BANJO—I JUST DON'T KNOW!

MEANWHILE, BYLINE HAS MANAGED TO HITCH A RIDE WITH DONNA...

I WARN YOU, BYLINE, STOP PLAYING DAN CUPID!—I LIKE TEX—HE'S CLEAN CUT—A-NICE BOY, BUT—

OKAY, OKAY! FORGET ALL THAT... I'VE A GREAT IDEA! A SMASHER!

BEAUTIFUL! HOW WOULD YOU LIKE TO BE THE INSPIRATION FOR THE NEXT HEAVYWEIGHT CHAMP OF THE WORLD?

Bo

FEELING SORRY FOR OLD MRS. HOYT IS FINE... BUT DON'T WRITE TO HER SON JOHN... THAT'S OUT.

EVERY FAMILY HAS TO SETTLE THEIR OWN PROBLEMS—THEIR OWN WAY, REGARDLESS OF WHAT OUTSIDERS THINK.

ALL YOU CAN DO IS BE NICE AND SIT WITH HER WHEN THE TEMPESTS GO OUT... BUT DON'T LET YOUR FEELINGS RUN AWAY WITH YOU.

TAKE THAT AND THAT... GUY TEMPEST, AND LAY OFF MRS. HOYT.

Mickey Finn

SHERIFF FINN!

WELL, I'LL BE DOGGONED! JOE HE AVY! WHAT ARE YOU DOIN' HERE?

YOU WERE ONE OF THE BEST DELEGATES WE HAD AT OCEAN CITY A YEAR AGO, JOE—HOW COME YOU DIDN'T GET DOWN TO SURF-SIDE?

WE'VE BEEN VERY BUSY HERE AT THE BANK, PHIL! NOW TELL ME ALL ABOUT YOUR RE-ELECTION!

Penny

WHO DID YOU PHONE FROM THE CHOCOLATE BAR, WOODY?

GOSH, DO I HAVE TO TELL YOU?

I CERTAINLY DID NOT SAY I HAD TO TELL ME.

WHY DID YOU SAY THAT THEN? DO YOU HAVE TO KNOW? UH, CAN'T WE JUST DROP IT?

QUESTIONS! QUESTIONS! DO YOU HATE TO TELL ME? WHY DID I SAY? DO I HAVE TO KNOW? CAN'T WE DROP SOMETHING? AND THEY SAY WOMEN ARE INDUSTRIVE!

AHEM...

LOST THE FIELD, SH. LIEUTENANT? DON'T WORRY, YOU'LL GET USED TO IT! IT'S LIKE WEATGR OR TAKES YOU'LL EVEN BE WEATGR OF YOUR SCARS!

YES SIR, THANK YOU, GENERAL SIR.
