

37 Perish in Psychiatric Ward Fire

68 Patients Trapped in 'Flaming Hell'

DAVENPORT, Ia. (AP)—A three o'clock in the morning fire that roared through the psychiatric ward of one of Iowa's major hospitals snuffed out the lives of 37 women.

Coroner C. H. Wildman, who officially placed the death toll at 37, said 34 bodies were taken out before nightfall. Bodies of three others "almost certainly" were buried beneath a toppled brick wall, he said. A crane was in use last night to probe this debris.

JOE HACKETT

The weather's nice

Britisher Thinks Texas Weather Is 'Very Nice'

A tall, lean Britisher, who would pass for the story-book Texan type, smiled over a Pampa News headline the other day and said Panhandle weather is "very nice," thank you.

The damp cold of the British Isles, as a lot of Panhandle servicemen will recall from their "over there," is more permeating than the dry cold of this country. To that Joe Hackett, who will operate a new Cabot Company plant in England, agreed.

The genial Englishman has been in the States for several weeks, studying Cabot methods, meeting administrative officers. He will be superintendent of a plant soon to open at Ellesmere, 10 miles from Liverpool.

"Getting time now to get back home," he said. "That, despite the fact he likes the climate in the Southwest. Mr. Hackett, who worked with Rolls Royce during WW II, is married, but has no children.

of the usual questions asked visitors. Yes, he was in bombing raids at Kingston-upon-Hull, his hometown. (But, as one might expect and understand, he didn't like to talk about those Nazi raids.)

The new year? Things are "looking up quite a bit in Britain." The introduction of plants like Cabot's will help considerably. These things, he explained, puffing away on the American cigarette, will help reduce the dollar gap.

The recent devaluation of the English pound hurt the people back there more than Americans would know, he said. "As an air passenger over the United States — and he said he has flown a lot in the past four weeks — he had a good word for U. S. aviation. 'It's efficient.'"

He had no comment on the Labor (socialist) government of Great Britain, but one got the impression that he didn't care for the nationalization program.

Fire Chief Lester Schick said "I doubt if we ever find out what caused the fire." He said it started in a room on the east side of the building and spread into the hall, up a dumb waiter shaft, and then spread-eagled over the top of the building.

Barred windows prevented firemen from reaching many of the victims and they perished in their rooms.

State Fire Marshal Zack Cook said at Des Moines the hospital said was inspected about two years ago. He said that inasmuch as his department inspects only five men, such inspections are made only on request of city or county authorities.

Sister Superior Mary Annunziata, head of the hospital, said 31 other patients were treated for burns or injuries. With 37 presumed dead, she said this accounted for the 65 women and three men known to have been in the destroyed ward.

All of the dead were women. All except Mrs. Anna Neal, 52, a nurse's aide, were patients. The three men escaped, two by leaping from windows.

The alarm was sounded at 2

CED Believes Tax Cuts Feasible

WASHINGTON (AP)—The Committee for Economic Development (CED) said Saturday that tax cuts totaling \$2,250,000,000 are feasible this year.

The planning organization of businessmen, in a policy statement, took a stand squarely opposite that of President Truman.

Mr. Truman has asked a "moderate" tax boost. On Monday he will present a budget message for the fiscal year starting July 1 which, on the basis of forecasts, will show a deficit not importantly less than this year's \$5,500,000,000 gap.

CED proposed a billion-dollar cut in excise taxes, a billion-dollar reduction in the double tax on corporation earnings, and possible other adjustments.

It offered a simultaneous program for federal cost cuts, including veterans' outlays, foreign aid, housing aid and national defense. It claimed this prospective result:

If business climbs back to its 1948 level, with unemployment down to about 2,500,000, the government's cash accounts (not the same as the Presidential budget) would balance and there would be \$3,000,000,000 in cash left over for payment on the national debt.

If business activity is slower and unemployment much higher, causing smaller revenues, CED's spokesmen said the government should not try to strike a balance. To do so, it was argued, would merely add to deflation.

Under the assumption of improved business, CED estimated the economies would leave cash income of more than \$45,000,000,000 and outlays of \$40,000,000,000 for fiscal 1951. Translated into total tax cuts and \$3,000,000,000 debt retirement.

But cash income and outgo differ widely from the familiar "administrative budget" which Mr. Truman will submit on Monday for fiscal 1951. Translated into total tax cuts and \$3,000,000,000 debt retirement.

But cash income and outgo differ widely from the familiar "administrative budget" which Mr. Truman will submit on Monday for fiscal 1951. Translated into total tax cuts and \$3,000,000,000 debt retirement.

If 1951 is a high-business year: federal spending, \$39,700,000,000; federal income, \$41,300,000,000. Result: a surplus of about \$1,600,000,000.

If 1951 business stays at present levels: spending, \$39,700,000,000; income, about \$37,200,000,000. Result: a deficit of about \$2,500,000,000.

By contrast, the President is expected to offer a budget, based on present business activity and present taxes, showing: spending, \$42,000,000,000-plus; income, \$38,000,000,000-plus. Result: a deficit not far from \$5,000,000,000.

The President says a "moderate" tax boost can start the country on the "quickest and safest way" to a balanced budget.

But CED held that more spending in government are an urgent need, along with a revision of the tax system.

Needs of Negro Day Nursery Are Stressed

A need for bathroom facilities at the Negro Day Nursery was stressed by Colored Women's Council President Mrs. Oscar Reed at the Negro Chamber of Commerce meeting Friday night.

The meeting was also attended by Gene Fatheree, who is chairman of the Gray County March of Dimes drive to begin Jan. 16. The drive was discussed. (See March of Dimes story on this page.)

Nine members of the Chamber attended the meeting at St. Mark's Methodist Church annex. President is Oscar Reed. The organization was formed Dec. 14.

It was announced that Jake Garman recently purchased and installed two stoves for the nursery.

Meanwhile, members of the Twentieth Century Club have continued their service project at the nursery for 1950. The club has assisted with many improvements there during the past year.

A Christmas party was the last project of the club. With the assistance of other local organizations, the club brought a market for their products. It is likely that he will throw his main emphasis on a tariff cutting, import expanding policy.

What the State Department experts are reported to be convinced of is this: unless the United States and allied nations begin preparing shortly for the end of the Marshall Plan, the cold war gains of the past two years may possibly be lost.

Europe's newly won economic stability, they argue, may give way if its American dollar partners are withdrawn completely; the line against communism may sag, and the American economy itself likely fall under the impact of falling exports.

State Department studies of the problem are well advanced. In Acheson's office it is now ranked second only to the China-Far East situation in urgency. It is a principal task of the policy planning chief, Paul Nitze, of the staff of economic Assistant Secretary Willard Thorp, and of other departmental officers and divisions.

Ward 2 Voters to Pick Commissioner

Residents of Ward Two will go to the polls Tuesday to vote for what they hope will be a permanent city commissioner.

They have a slate of three men to choose from — all businessmen.

R. A. "Bob" Thompson, 425 N. Yarnor, purchased the Crawford hardware store in 1926 when he came to Pampa, and has operated it as the Thompson Hardware Co., 113 N. Cuyler, since.

A veteran of the first world war, this is his first time to seek public office, although he has been active in both church and civic affairs since he came to Pampa 24 years ago.

He has lived in the ward he hopes to represent for 12 years. He is married and has one daughter. He attends Woodrow Wilson School.

Roy Lewis, a businessman and leader in veteran affairs, was the first to file for the post left vacant by the resignation of Murray Body Nov. 1, 1949.

Lewis, owner and manager of the American Credit Co., 324 S. Cuyler, is the present commander of the local American Legion post.

The third candidate on the ticket is Jesse Mayes, who was formerly in the grocery business in Pampa and more recently was an insurance salesman.

Tuesday's election was called in November to fill Body's unexpired term. Body, in turn, was elected to fill the unexpired term of Vice President H. H. Smith, who resigned in June because of ill health. Body's resignation was effective Nov. 1, when he moved to Abilene.

JC Banquet Is Tomorrow

Fred Thompson, former mayor of Pampa, will be master of ceremonies tomorrow night when the Pampa Junior Chamber of Commerce installs its 1950 officers.

The annual installation banquet will be held at 7:30 p. m. tomorrow in the Palm Room of the City Hall.

Postmaster W. B. Weathered will administer the oaths of office to president, Rusty Ward; first vice president, Travis Lively, Jr.; second vice president, Lee Cisneros; secretary, Roy Taylor; and treasurer, H. D. Grady, Jr.

John Ben Sheppard, Gladewater attorney and former president of the National Jaycees, will be the principal speaker.

Those recently elected to the Board of Directors are: Murray Sealey, Zello Osborn, Tom Tippetts, and Lively.

Leak in Gas Line Endangers Motorists

Motorists on the Pampa-Borger highway were endangered Friday night when a gas leak was caused by a broken valve in a two-inch high-pressure feeder line connecting with the Skelly repressuring plant west of town.

Sheriff G. H. Kyle said the leak was stopped before a any damage resulted. Motorists reports of a break, which was about five miles west of town, to Pampa officers at 8:30 p. m. The line was taken out of service by 9 p. m. No fire resulted.

Storm in Islands

HONOLULU (AP)—A southern storm poured up to 11 inches of rain on Oahu and Kauai Islands Saturday. Several small landslides interrupted traffic, but no major flood damage was reported. Continued thunderstorms were forecast.

Association President Is New Executive

Mrs. H. F. McDonald, Jr., president of the Pampa Girl Scout Association Leaders' Club, has been appointed executive of the association to succeed Mrs. K. E. Thornton.

At a meeting of the Board of Directors Friday, Mrs. McDonald accepted the appointment. The Nominating Committee also named 1950 officers of the association. They will be installed Tuesday at the annual banquet-meeting.

Mrs. Glenn Radcliff will lead the organization as president; Russell Kennedy, first vice president; Dr. Douglas Nelson, second vice president and Staff and Office Committee chairman; Mrs. Dan Glaxner, secretary; and Mrs. Carl J. Wright, treasurer.

Committee chairmen will include: Mrs. Azelle Loftus, program; Mrs. Frank Hogsett, training; Mrs. Frank Farns, public relations; Mrs. R. H. Nestel, camping; Joe Wells, finance; James McCune, nominating-membership; and Mrs. E. A. McLennan, Juliette Low, a committee named for the founder of the Scout program.

Mrs. McDonald will begin her duties as executive Jan. 23, when Mrs. Thornton moves to Drumright, Okla. Mrs. McDonald began her Scout work in 1947 as assistant leader of Brownie Troop 14. She has been a leader of the troop for two years.

A native Pampa, Mrs. McDonald was the former Miss Virginia Patton. She has one daughter, Linda Joyce, who is a member of Troop 14. Mrs. McDonald attended a Scouters training course at Stillwater, Okla., last spring, as well as the National Girl Scout Association convention in November at Milwaukee.

Final plans for the annual banquet were made at the directors' meeting. Mrs. A. H. Burnett, Amarillo, who has been in Scouting work for 19 years, will deliver the main address.

McCune will serve as master of ceremonies and A. C. Troop, out-going president, will preside. Scouts of Troop 19 will present a flag pageant for entertainment and will serve the meal.

Evangelists Make Protest

ROME (AP)—Evangelists from the Protestant Church of Christ, including 11 Texans, said yesterday they had been opposed in Italy and that some of their number had been stoned out of four Italian towns.

The group of 13 evangelists, supported mainly by Texas churches, include six young married couples who began their work in Rome and surrounding towns just a year ago.

One of them, K. D. Pittman of Corpus Christi, said: "Priests aroused the people against us." The population of Italy is overwhelmingly Roman Catholic.

Pittman and Mrs. Harold P. Paden, both of Houston, and a number of the group, said the evangelists had been driven out of Rocca di Papa, Rocca Priora, Monte Compatri and Castel Gandolfo, summer home of Pope Pius XII by crowds, mostly youths, who threw stones at them.

A Vatican source said priests in the Castel towns area had for several months complained that the Church of Christ evangelists were "teaching heresy." This source expressed doubt that the priests had aroused the townspeople against the evangelists.

The Castel Gandolfo incident, last month, climaxed the evangelists' troubles, said Pittman. It happened after the group had conducted Bible classes there for several weeks, while the Pope was in residence there.

WE HEARD...

Firemen will start one of their annual duties tomorrow. They will place iron lung-shaped March of Dimes containers in local business houses.

Residents out on East Frederic have been warned to keep their pets close at hand. Several dogs have been poisoned lately in that area.

SERVICES TO BE IN KANSAS FOR PAMPAN FOUND DEAD IN CAR ON MIAMI HIGHWAY

Plans Are About Ready to Raise \$11,000 Polio Fund

March of Dimes Chairman Gene Fatheree, said yesterday plans are about ready for the annual county fund drive to be conducted Jan. 16-31.

Effort will be made to raise \$11,000 to fight polio here this year. A similar amount was raised in last January's drive.

Fatheree said the Negro Chamber of Commerce will sponsor the drive in the Plains with Lewis Jenkins as chairman of the committee.

The Leffors Lions Club will sponsor the drive in that community, he said.

W. C. Mehrag will serve as city chairman at McLean, and organizations are being recruited to help in the drive there.

Ray Salmon is Pampa city chairman. He said he would announce in a few days a plan for Pampa civic club participation in a street corner drive for funds. Collection cans will be distributed Monday by the Pampa Fire Department. They will sit in business houses.

Paul Kelm at the Citizens' Bank here will act as county treasurer, and money will collect at the Pampa Post Office and other post offices in the county.

1950 Program To Be Planned

The year's work program for the Chamber of Commerce and Board of City Development will be rounded out at noon tomorrow when present and new directors and committee chairmen meet at a joint luncheon in the Palm Room, City Hall.

Old directors include R. M. Samples, Ray Kuhn, Joe Key, Fred Thompson and Ed Weiss. New directors are Gene Fatheree, O. E. McDowell, Fred Neslage, Bob Clements and M. M. Moyer.

Others who should attend the meeting, it was announced, are Jack Sullivan, Gene Green, Ben Ogden, Harold Miller, Hugh Burdette, Frank Culbertson, Ivy Duncan and J. L. Swindle.

Hardy Rites at 3 Tomorrow

Funeral services for Eugene F. Hardy, 22, will be held at 3 p. m. tomorrow.

Hardy was found dead Wednesday morning when his wife returned from a short stay in a hospital to their home at 313 S. Russell.

He had apparently been asphyxiated by fumes from a gas heater that had been turned on high. The heater was not vented and there was no ventilation in the tiny, two-room house.

Jimmy Rhodes, who was found unconscious in the same room with Hardy, has been seriously ill at the Pampa hospital, where he was taken Wednesday morning.

He regained partial consciousness yesterday morning and was able to recognize his mother, who is a nurse's aide at the hospital, and a brother. He was still too weak to talk, however.

Services for Hardy will be held at the Calvary Baptist Church with the Rev. Collins Webb officiating.

Burial, under the direction of the Blackburn-Shaw-Sims Funeral Home, will be in Fairview Cemetery.

Besides his wife, Opal, Hardy is survived by a son, William Ray; by a daughter, Lucille; and by two brothers, Clarence Raymond and Leroy Dale Hardy, both of Springfield, Ill.

Hardy was born in Springfield July 24, 1927, and was working with a crew dismantling surplus buildings at the Pampa Army Air Field.

Gift Air Guns Becoming Menace

Christmas gift air guns are becoming a menace to both life and property, County Juvenile Officer H. A. Doggett said yesterday.

One boy was shot in the corner of his eye by a BB shot and many complaints have been received about boys shooting air guns at windows, automobiles, street lights, dogs, and even pedestrians.

"Shooting an air gun in the city limits is against the law," Doggett warned, and the parents of any boy caught shooting a gun will be held responsible for any damage he has done.

VIA IMPROVING

B. S. Via, 908 N. Somerville, who underwent a major operation before Christmas at the Baylor Hospital in Dallas, is reported to be getting along as well as can be expected.

Mrs. Via is with her husband in Dallas.

Man Suspected in One Pampa Burglary Confesses Another

A man suspected of one Pampa burglary has confessed to another. Sheriff G. H. Kyle said yesterday.

W. R. Matthews, 31, of Waco, who was questioned in connection with the Tom Roster jewelry burglary of Dec. 26, has confessed to stealing several pieces of kitchen equipment from recently-burned Six's Pig Stand, 830 S. Cuyler.

His companion in the cafe burglary, E. L. Rogers, was arrested in Amarillo yesterday and returned to the County Jail here last night.

Matthews, who has used the aliases of Mutt Jones and Mutt Matthews, was in Pampa recently as one of a crew dismantling surplus buildings at the Pampa Army Air Field for the University of Oklahoma.

He had been arrested by city police on a charge of drunkenness and was released after paying his fine shortly before Christmas.

Acting on a tip that Matthews had been seen flashing an unusual amount of money, Kyle and Constable Bill Langley went to Waco last weekend, where they expected Matthews would run to cover.

He was arrested by Waco detectives last Monday but a lie detector test given him proved in asking the wrong questions," Kyle concluded. "We were probably said."

Matthews was brought back to Pampa on suspicion anyway, and (See MAN, Page 16)

3,500 Residents to Get Dividend Checks

About 3,500 Gray County ex-servicemen soon will receive their special dividend checks, it was learned here.

County Men Are Injured in Wreck

County Commissioner Ernest Beck of McLean is bruised and shaken today, but not seriously hurt following an automobile accident in New Mexico Friday afternoon.

Billy Graham, who was with him, was badly lacerated and bruised, but received no broken bones, County Judge Bruce Parker said yesterday.

Beck was driving a 1949 Studebaker two-ton truck west of Melrose, N. M., Friday when he lost control of the wheel. The truck rolled over three times and is reported to be a total loss, Parker said.

Beck and Graham were treated at Melrose. Beck was driving a 1948 Buick when it was not a county vehicle. Further details of the accident were not available yesterday.

Citizens' Group Named to Study Phone Rate Request

The months-old request of the telephone company for a rate increase here is now being studied by a special committee appointed last week by Mayor C. A. Huff, titular head of the City Commission.

The matter was thrown into the 32-man committee's lap at a meeting of the committee and the City Commission at the City Hall Friday afternoon.

Curfiss Douglas, local attorney, was elected chairman of the committee, which subsequently appointed a sub-committee to make a detailed study of telephone rates in Pampa. Several names will be chosen by the citizens' committee, made up of members of the citizens' committee, will make recommendations to the committee, which in turn will form its conclusion to send to the City Commission. The committee is charged by the commissioners with passing on a rate increase

or rejecting it, with other recommendations it may wish to make.

Mrs. "Lefty" Huff told the News yesterday the committee, which he described as a "cross-section" of Pampa, was called "to help us decide this matter so that everybody will be happy." He said when the decision is handed down, whatever it is, nobody can "point to the commission" exclusively as being to blame. No one, he said, had come to the commissioners recommending a raise in rates for telephone service, but that "a lot of people" have said not to grant an increase. The issue has been the quality of service.

He said representatives of Southwestern Bell would be given a chance later to give their argument for this time to the committee and the commission. They have appeared previously before

Fraud Trial Set Monday

AUSTIN — (AP) — Trial of Raymond M. Hanks for alleged motor fuel refund frauds was postponed until Monday morning by District Court Judge Jack Roberts Friday.

Hanks, former chief of the state comptroller's Corpus Christi office, did not appear in 126th District Court at the scheduled time to enter pleadings on three indictments.

Deputy Sheriff Bob Baker said he was informed in a tele-

phone conversation with the sheriff's office at Corpus Christi that a doctor had asked officers not to remove Hanks from a hospital until 10 a. m. Friday.

Hanks was arrested in Corpus Christi Wednesday on two new charges of making false statements and forgery in connection with gas tax refund claims. He became unconscious in a car following his arrest and was taken to a hospital for treatment.

Constable Lloyd Myree of Corpus Christi said Hanks went into a coma after trying to throw a bottle out of the car. A justice of the peace said the pharmacist who filled the prescription said it called for a "very potent" sleeping compound.

Skellytown

SKELLYTOWN — (Special) — The Rev. M. O. Evans attended the district Baptist workers' conference in Amarillo Tuesday.

Mr. and Mrs. T. C. Shultz and son visited in Borger Friday.

Mr. and Mrs. Andy M. Throop and daughter, have returned from a holiday visit in Missouri.

Mr. and Mrs. Wayne Johnson, and son returned Monday from a visit with Mr. and Mrs. Swede Groberg, former Skellytown residents, in Omaha, Neb.

Library Board Officers Named

MIAMI — (Special) — The Roberts County Library Board met at the Courthouse Tuesday for its first meeting of the new year.

Mrs. Clyde Loper, chairman, presided at a business session at which reports on the past year's work were given and officers were elected for this year. They are: chairman, Mrs. Loper; vice chairman, Mrs. Clark Mathers; secretary, Mrs. O. W. Stanford.

Mrs. Woody Pond was elected to take the place of Mrs. W. D. Aldin, who resigned. Committees on finance, building and policies, and adult and children's books were appointed.

Hunter Gets Wings Cut

GRAND FALLS, Texas — (AP) — G. J. Douglas will have to do his antelope-chasing on the ground for a while. A Civil Aeronautics Board examiner decided yesterday the Grand Falls man flew too low while pursuing an antelope in his plane.

Examiner J. D. Poindexter of Fort Worth ruled Douglas was careless — but not reckless — and ordered his pilot's certificate suspended for 60 days.

The attorney for the CAB said he would appeal. He wanted Douglas' license suspended six months.

Douglas asked for the hearing. He was accused of flying within 100 feet of the ground while chasing an antelope near Fort Davis.

The CAB attorney also contended Douglas endangered life and property by circling low over Grand Falls last Sept. 14, landing on a highway and taxiing down the main street.

Poindexter disagreed, since testimony showed Douglas had obtained permission from two members of the City Council and two men in cars went ahead of his plane into town to warn people and make sure nothing was endangered.

The hearing was moved here yesterday after the CAB and Civil Aeronautics Authority presented their witnesses in Midland.

Wetbacks Nearly Double Last Year

SAN ANTONIO — (AP) — The number of Mexican laborers illegally entering the United States in the Texas valley area during 1949 nearly doubled the number crossing in 1948, it was announced here.

Wetbacks taken into custody during 1949 totaled 178,332, H. P. Brady, chief of the Border Patrol, San Antonio district, said. That figure compared with approximately 90,000 during 1948.

August — a cotton harvesting month — was the peak month when approximately 73,000 braceros were picked up.

Local government revenues from alcoholic beverages have increased the past three years while state and federal incomes have fallen.

Darrouzett

DARROUZETT — (Special) — The Rev. and Mrs. Ezekiel F. Alberta, natives and citizens of India, and now students at Phillips University, Enid, Okla., were guest speakers at the Follett Methodist Church Sunday.

Jan Carol Jackson returned Wednesday from a visit with friends at Rochester, Texas.

The Rev. and Mrs. H. O. Rhode and George Herber returned yesterday from attending a Lutheran synod meeting in Sioux City, Iowa.

Mr. and Mrs. Glenn Phillips and son and Mr. and Mrs. Roy Phillips and daughter spent the holidays with relatives in and near Los Angeles, Calif.

Two residents of Darrouzett were stricken by pneumonia recently. Patsy Altmiller, daughter of Mr. and Mrs. Carson Altmiller, returned from the Sanford Hospital Friday. Charles E. Altmiller, Jr., a farmer of south of town, was taken to the Shattuck, Okla., hospital last week.

The Rev. and Mrs. J. W. Rosenberg and son of Borger were visitors of the Rev. and Mrs. C. T. Jackson last Friday. Rosenberg is pastor of the Bunkavista Methodist Church.

New Judge Named

AUSTIN — (AP) — Resignation of Ralston P. Haun and appointment of Bill Allcorn of Brownwood to succeed him as district attorney for the 38th Judicial District was announced by Gov. Allan Shivers. Haun is resigning, effective Feb. 1, to become postmaster at Coleman.

College to Give Eight Degrees

Beaumont — (AP) — A Bachelor of Science Degree in eight fields of study will be offered by Lamar College of Technology, which opens as a four-year school in 1951.

The plan was announced by John Gray, the school's president. The new four-year college was created out of Lamar Junior College by the State Legislature last session. Preliminary plans for new campus buildings will be given the board of regents Jan. 11.

Manager Named for Miami Lumber Co.

MIAMI — (Special) — Jack Walker of Canadian has been appointed manager of the Miami Lumber Company, the position left vacant by the death of W. E. Foglesong several months ago. Bill Nelson has been in charge, pending the appointment of a manager. He will continue as assistant.

Walker will move his family to Miami soon.

Department Stores Show Increases

DALLAS — (AP) — After showing phenomenal sales gains for the week before Christmas, compared with the week in 1948, department stores in three major Texas cities showed a loss for the comparative 1948 period the week after.

This was reported by the Federal Reserve Bank.

Only Dallas stores showed sales up for the week ending Dec. 31, 1949. The increase was two percent. Sales at San Antonio were off three percent; at Houston, two percent and at Fort Worth, one percent.

Wetbacks Nearly Double Last Year

SAN ANTONIO — (AP) — The number of Mexican laborers illegally entering the United States in the Texas valley area during 1949 nearly doubled the number crossing in 1948, it was announced here.

Wetbacks taken into custody during 1949 totaled 178,332, H. P. Brady, chief of the Border Patrol, San Antonio district, said. That figure compared with approximately 90,000 during 1948.

August — a cotton harvesting month — was the peak month when approximately 73,000 braceros were picked up.

Local government revenues from alcoholic beverages have increased the past three years while state and federal incomes have fallen.

"FASHIONED for every taste— Priced for every BUDGET"

Look over the 1950 Buick line, which these two high-fashioned honeys represent, and decide for yourself if that's truth or just talk.

Nineteen—Yes, 19— smart new and varied models to choose from, and all with the eye-catching styling of bold-lined bumper-guard grilles, sleek tapering fenders, the over-all look of a jet plane in flight.

Three full series—SPECIAL, SUPER and ROADMASTER—with SPECIAL models available in both standard or de luxe finish.

Three separate power plants— in five-horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-heads—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road.

Four wheelbases— all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess galore, with rear seats as much as 13 inches wider.

Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady going of torque-tube drive—plus Safety-Ride rims for comfort plus control.

Then look at prices—do they really fit any budget?

They range from the fine-car level of the ROADMASTER down to just-above-the-lowest figures on the SPECIAL. But even these are so little above anything else—buy you so many more years of happy use—and give you a car of such consistently better trade-in value—that you'll find Buick reachable by buyers in any price range.

So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the "deal" is right, and a signed-up order steps you up to that Buick you've always dreamed about!

Your Key to Greater Value

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, live hp ratings (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, class-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SAFETY-RIDE RIDE, from all-coil springing, steady torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional on NINETEEN MODELS with Super and Special series • WIDE CHOICE OF EQUIPMENT adding flexibility to prices that bracket every price range above the lowest.

Industrial Failures Decline During Week

NEW YORK — (AP) — Commercial and industrial failures declined to 109 during the week ended Dec. 29, Dun & Bradstreet reported, to the lowest level in more than a year.

In the previous week failures numbered 196 and for the comparable week of 1948 they were 123.

Famous New York Sun Ceases Publication After 116 Years

NEW YORK — (AP) — It is a sad and bitter thing to see a great newspaper die.

And that's the way it was last week when the famous New York Sun ceased publication as a separate entity after more than 116 years.

Bought by Publisher Roy Howard, its good will and name will live on as the merged New York World-Telegram and The Sun.

But the New York Sun as such — The Sun that Charles A. Dana made into a national institution — was dead. That is the way the men and women who put it out felt.

After the paper had been put to bed for the last time, they held a wake for it in a nearby bar. It was the quietest wake in newspaper history.

Only about a score of the editorial staff of 190 attended the informal obsequies. The rest, stunned, had simply gone home.

An odd thing about the wake was that few of the men and women talked about how the shutdown would affect themselves, how hard it would be for most of them to find new jobs in an overcrowded field.

What they wanted to talk about was their paper, The New York Sun, which some of them had worked on for 35 to 45 years. For a newspaper staff, like an army, has pride of service. And The Sun had been America's first "newspaperman's newspaper."

"How could anything 116 years old die?" asked one reporter, unbelievably.

Pulitzer-Prize winning reporter Malcolm Johnson, who wrote the story of The Sun's sale, told them all he knew. He said the assignment was given to him by 70-year-old Executive Editor Keats Speed, one of New York's best-loved editors. And he said Speed wept when he gave it to him.

Johnson worked all day in secret on the story — so The Sun wouldn't be scooped on its last day. And when he handed in the story, the city editor read the first page, and broke into tears. He asked Johnson if he would like a byline.

"I told him that was a story no Sun reporter would want a byline on," Johnson said. And it bore no byline.

The men talked at the bar about some of the great Sun reporters of the past — Frank Ward O'Malley and Richard Harding Davis.

A few were bitter. They questioned the management explanation that The Sun's sale had been made necessary by rising production costs and falling circulation and advertising revenue. These factors have helped kill many metropolitan dailies in the last half century.

"The paper just wasn't in touch with the people like it was in Dana's day," said one young reporter.

Others differed. "There were many attempts at diagnosis. But postmortems don't bring anything back to life. The Sun had set that was the numbing fact."

JUST FOR LAUGHS
... SEE THIS ONE!

Take our word for it, any resemblance between this picture and complete nonsense is absolutely intentional. It's light-hearted, carefree, gay... in a riotous sort of way... when a lovely bushhand hunter, with matrimony on her mind, discovers that her heart's not an adding machine! It's wacky, but isn't that love?

Vernon Lions Top Local Cagers, 28 to 26

Basket in Final 30 Seconds Relieves Pampa of Crown

The Pampa Harvesters were unseated as champions of the Childress Invitational Basketball Tournament yesterday morning in the semifinal round of play by the Vernon Lions, 28-26, in a game that wasn't over until the final whistle had blown.

Last night the Childress Bobcats were scheduled to meet Vernon for the championship of the tournament and Quannah was to play Samnorwood, defeated earlier by the Harvesters, for the consolation title.

It was a tough game for the Harvesters to lose. They had fought from behind with a strong last-period rally to overcome a 6-point deficit and had the game all tied up with 30 seconds to play. But then, Edwards sank a nice shot for the Lions to give them the two-point lead which the Harvesters could not overcome in the final seconds.

The Harvesters were playing without the services of their regular forward, Duwan Reed, who injured a leg in the Friday night victory over Floydada. James Gallimore led the scoring in yesterday's loss, dumping in 10 points, to give him a 3-game total of 49 points in the tournament. Jimmy Howard was second high with 7 points and Jack Sutton added 6.

Vernon missed a fistful of free throws or it could have had a substantial lead in the final minutes of play. The Lions led 17-12 at halftime.

The Harvesters moved into the finals with an opening round victory over a sharp-shooting and tall Samnorwood team, 50-29. The game was close until the final period, the Harvesters leading 28-19 as the fourth quarter got started. Then the Eagles came out of the tight zone defense they had been using and went to man-to-man defense, and the Green and Gold dumped in 22 points in the final period.

Gallimore led the scoring in that game with 16 points, Howard getting 12. Marvin Bond, playing the majority of the game, did a fine job covering the backboards on rebounds.

Doug Coleman, one half of a set of identical twins on the Eagles' quintet, headed the Samnorwood scoring attack with 14 points on 6 fine baskets and 2 free throws.

In the evening game, the

Grimm Signs To Manage Dallas Eagles

DALLAS — (AP) — Charlie Grimm, former Chicago Cubs manager, will become field boss of Dallas of the Texas League next season.

He will receive \$30,000 a year — the highest ever paid in the circuit. It is almost three times as much as the previous high — the \$12,000 a year Bobby Goff received as manager of the Dallas club.

Dick Burnett, wealthy Dallas club owner, made the announcement at Tulsa Saturday. He was attending the annual Texas League meeting. Grimm resigned Friday as vice-president of the Chicago Cubs, a \$25,000 a year job. He is due to come here Friday to sign a contract.

Goff signed a two-year contract to be both field manager and business manager of the club. He had expressed a wish to relinquish the field manager's post and move back into the club's front office.

Burnett looked upon the Grimm deal as a coup. He had said he figured Grimm would not only be a great field manager but would be a great field manager but would help Dallas get and sell players through his many big league connections. Burnett added Grimm would add to the attendance at Dallas ball games. Dallas last year set an all-time attendance mark of 404,000.

Baylor Seeks New Grid Coach Again

As Woodruff Signs Pact With Florida

Jack Newby Named On All-State Team

By HAROLD V. RATLIFF
AP Sports Editor

Twenty-six schools landed players on the 1949 all-state school football teams selected for the City Conference, Class AA and Class A by the Texas Sports Writers Association.

Hundreds of coaches submitted nominations through a poll conducted by the Texas High School Coaches Association. These and the sports writers' nominations were used in picking the three teams.

Thomas Jefferson of San Antonio landed the most men — the state City Conference champions placing three players. They were both of the ends — Don Raybourn and Don Barksdale, and one back, S. M. Meeks.

In Class AA, champion Wichita Falls got only one place-vice-tackle Jerry Fouts at end. Port Arthur, a semifinalist, and Austin, which lost to Wichita Falls in the finals, each landed two players.

In Class A state champion Littlefield got Jerry Cotter, tackle, and Tom Bailes, back, on the first team and Mexia, the runner-up, also landed a couple — Willie Lambert, tackle, and Derrell Carlile, a back.

Ten schools whose teams did not even get outside the district placed on the all-star outfits. The all-state City Conference team:

Ends — Don Barksdale and Don Raybourn, Thomas Jefferson (San Antonio); tackles — Morgan Williams, Paschal (Fort Worth) and Don Goss, Sunset (Dallas); guards — Emil Gavlick,

Tidwell Passes Rebels to 22-13 Victory Over Yankees and Doak in Bowl Tilt

JACKSONVILLE, Fla. — (AP) — Travis Tidwell spun a football web of passes that carried his Rebel All-stars to a 22-13 victory over the Yankees in the Senior Bowl Game yesterday.

Charlie Justice of North Carolina and Doak Walker of Southern Methodist lived up to their press notices, but Tidwell of Auburn was even better.

Tidwell tossed 19 times to connect on 13 for an amazing gain of 246 yards. End Art Weiner of North Carolina teamed with Tidwell to make a great combination.

The losing Yankees also had a great passing team in Paul Campbell, Texas quarterback, and Jim Owens, Oklahoma end.

Only 20,000 fans turned out to see the All-Stars star. But they got a passing game that was as good as any seen in the history of the game. Besides the aerial fireworks was a demonstration of tough defensive line play by both walls.

Tackle Wade Walker of Oklahoma and center Clayton Tomneker of Minnesota, both all-Americans, led a Yankee line that held the Rebels to 46 yards by rushing. The Yanks could run for only 63 against a Rebel line that was tough from end to end.

The pass defense looked mighty weak in comparison. But it wasn't that nearly so much as the accuracy with which Tidwell, Campbell and Eddie LeBaron of College of the Pacific could drop that ball in the right spot.

Key kick returns by Justice and Doak Walker added to the thrills. Walker started the Yanks off to their first score with a rumbuck for 57 yards.

Justice opened the way to two Rebel touchdowns. He went 26 to begin the first drive and 29 to start the last.

Tidwell threw to Herb Rich, Vanderbilt back, for a 55-yard pass that scored the first Rebel six pointer. On fourth down he set one in the arms of John O'Quinn, Wake Forest end, for 12 yards and the second.

Another Tidwell to Rich toss covered most of 33 yards in the final touchdown march. Eddie Price, Tulane fullback, scored it with a one foot smackover. Dick Sheffield, Tulane, booted two extra points and the Rebels picked up another pair when Jim Ducean, Wake Forest, blocked one of LeBaron's kicks.

Before the Rebels got started, the Yankees had their scoring fling. Taking it from D. Walker's 57-yard rumbuck, they moved 32 yards in a hurry. Lynn Chandnois, Michigan State, rambled over from the four.

The weather was ideal and large galleries turned out to watch the show. Hogan drew by far the largest but sizable throngs followed subsequent threesomes that included Sam Snead, Cary Middlecoff, Jimmy Demaret.

WACO — (AP) — The Baylor University Athletic Committee fanned out Saturday seeking a new football coach to replace Bob Woodruff, who quit to go to Florida at \$5,000 more a year.

Dr. W. R. White, president of Baylor, said each member was instructed to make any contacts deemed advisable but not to make any commitments. A meeting of the committee, probably will be held next Friday at which time all ideas on the subject will be pooled.

"We are going after the best coach in the land," Dr. White said. "And we are going to work to hold together everything that has been accomplished in our rebuilding of the athletic program in the past few years under Coach Woodruff."

Woodruff, who recently figured in an open controversy with Ralph Wolf, the athletic director, causing both to resign but with Woodruff returning to the coaching as coach when Wolf stepped down to be stadium director, asked the Athletic Committee Friday night to release him from his five-year contract at \$12,000 a year.

At Florida, where he becomes coach and athletic director, Woodruff will receive \$17,000 a year and has a seven-year contract. He will make more than the director of Florida.

Dr. White said he thought the Baylor situation had been settled. Woodruff called me several days ago that Florida wanted him to come and see them but he didn't indicate he planned to leave Baylor, in fact requested funds to attend the National Collegiate Athletic Association convention to represent us.

Dr. White said, "Last night he talked to me three times about the matter, insisting that the Athletic Committee release him. I polled the committee and they agreed to give him his release."

Meanwhile, Jim Crow, who has been an assistant coach at the Baylor Stadium Corporation, is busy obtaining funds for the new stadium on which work already has started. Excavating for the structure costing \$1,500,000 and seating 40,000 is well under way.

"I had a talk with the members of the athletic staff," Dr. White said, "and told them to continue in their duties as if nothing had happened. They are going ahead contacting athletes. We are not going to let down here."

Dr. White had no prospective coaches in mind but when the name of Ray Morrison, now at Austin College, was mentioned, said: "I am afraid he is tied up where he is and could not be obtained."

Dr. White agreed that Morrison, former coach at Southern Methodist, Vanderbilt and Temple, was the type man Baylor would like to have.

Baylor was moving up in national football as Woodruff stepped out. He took over a team that had won only one game in 1946 and in three years time had it fighting for the Southwest Conference championship. Last season Baylor won eight games and lost two.

At Florida, Woodruff succeeds Raymond (Bear) Wolf, who resigned recently under pressure after four disappointing seasons and who since has joined the Tulane University coaching staff as an assistant.

Woodruff is a native of Georgia. His parents live in Atlanta. He played college football at the University of Tennessee, where he started his coaching career as an assistant in 1939.

He also was an assistant football coach at the U.S. Military Academy at West Point for two years and at Georgia Tech for one year before he became head coach at Baylor in 1947.

His team won five and lost three and tied two in 1948. Last season it won eight and lost only two.

His teams use the "T" system. Woodruff will be Florida's 14th head football coach in 45 years of football and his seven year contract is the longest ever given.

Although it has been generally assumed that a contract with the state university would be valid for no more than five years, Hantz — said he believes a seven-year contract is valid.

BEAR FACTS — (SF) — The Chicago Bears of the National Football League led in kickoff returns in 1948, with 29 brought back for 781 yards, an average of 25.9 yards each.

Shamrock Preparing for First District Golden Gloves Meet

SHAMROCK — (Special) — Ringside and reserved seat tickets went on sale Saturday for Shamrock's first Golden Gloves Boxing Tournament, to be held at the American Legion Home on Thursday, Friday and Saturday, January 12, 13, and 14.

The ringside and reserved seat tickets, good for the three night sessions, will be on sale at the Tindal and Fry Drug stores through Monday. General admission tickets will be on sale at the door only.

Winners of the tourney here will participate in the Amarillo Regional Golden Gloves Tournament to be held January 24-28. Other district meets will be held at Childress and Dalhart. Boxers from Pampa, where a district tournament has been held in the past, will take part in the Shamrock event.

Entries are already pouring into the office of the tourney director, Jack Griswold. Fighters entered to date represent Pampa, Lefors, McLean, Shamrock, Wellington, Clarendon and Quail. Entries are expected from Dodson, Wheeler, Mobeette, Canadian, Higgins, Hedley and Samnorwood.

All fighters must be registered with the Plains Amateur Athletic Union.

A ring has been set up in the center of the spacious Legion Home and seats are being placed around it. At least 1,000 persons can be accommodated. W. H. Dial, commander of the Shamrock Legion Post which is sponsoring the event, said:

There will be open, novice and high school (or grade school) divisions. Director Griswold said. It was decided last week to add three weight divisions to the event. Boxers weighing 85 pounds, 95 pounds and 105 pounds may enter. Winners in these three divisions will not be eligible for competition at Amarillo but will receive first and second place awards, probably trophies, Griswold said. Points made in these classifications will be counted in determining the winner of the team trophy.

First place awards in the open and novice divisions will be reversible blue and gold jackets. Gold filled miniature boxing gloves will be awarded second place winners in each weight division. A team trophy and sportsmanship trophy will be awarded.

In the open and novice divisions the following classes will be contested: 85, 90, 95, 100, 105, 110, 115, 120, 125, 135, 140, 145, 150, 155, 160, 165, 170, 175, 180 and heavyweight.

H. W. Callan, coach of the Irish boxing team, will enter about 20 ringmen. Among them will be Donnie Ray, 112 pounds, and Joe Landrum, 128 pounds, winners of their weight divisions in the High School Division of the Amarillo Golden Gloves meet last year. Landrum also won at the Plainview AAU meet in 1949.

Out-of-town stand-outs will include Pampa's Leon Kelly, 175-pounder, another winner at Plainview; and Jimmy Bennett, also of Pampa, a 115-pounder who won second place in the Plainview meet, losing to Elmo Sams of Lakeview.

All-tournament tickets will be taken off sale after Monday and may be purchased at the door. Each of the three cards will start at 7:30 p.m. There will be at least 15 bouts each evening.

CANADA LEADS
MONTREAL — (SF) — On the 1948-49 National Hockey league rosters, 91 of 99 players were born in Canada, 34 of them in Ontario.

WARREN'S WARMUP

By Warren Hassel—News Sports Editor

QUESTION: How many major leaguers do you think have ever struck out five times in one ball game?

AN HONOR WAS RECENTLY BESTOWED UPON A PAMPA athlete that probably has never before come to a Panhandle sports figure. Charley Boyles, former Pampa Harvester grid star, was recently nominated for the Nelson Award, an annual presentation made to the "player displaying sportsmanship to an outstanding degree." Charley is currently attending Sul Ross State College and playing football with the Lobos.

Though Charley did not receive the award (it was won by Don Walker) it is a great honor to have been nominated for it. Other boys in the Southwest who were in the running included Kyle Rote of SMU, Don Logue of Arkansas and Floyd Simpson of McMurry.

Charley earned the nomination by saving a boy's life during a football game. The near-catastrophe occurred while the Lobos were playing in San Antonio this past season. An opposing player was injured during the play in such a way that he was strangling to death when Charley, the closest player and the only one noticing what was happening to the other youth, quickly went to his aid and saved him from strangulation. For this life saving act, Charley earned one of the finest honors that could come to any man in any walk of life. Congratulations.

Tickets for the Shamrock District Golden Gloves Boxing Tournament to be held this weekend will go on sale tomorrow at Berry's Pharmacy. Only a limited number are available, so Pampa fight fans had better get them fast.

The only tickets to be sold will be reserved and ringside seats for the three nights of the tournament. General admission tickets will go on sale each night at the door of the American Legion home in Shamrock.

Pampa is sending at least a dozen fighters down to seek a berth in the regional tournament at Amarillo later this month.

Well, the Harvesters were bumped off again yesterday in the semifinal round of the Children's Tournament. It was a tough game and a hard loss, but not too unexpected. Pampa had to fight its way through two games in order to get to the semifinals, and both of them were close, fast, race-horse battles, trying to outscore the opposition in the 15-minute games. Pampa didn't finish until 11:30 Friday night.

Officials of the Denver mint cut the number of mint employees "because of a decreased demand for coins." As the Old Timer says, "That ain't the way I heard it." Those impressarios of the pocket jingle must be living on the other side of the tracks from the rest of America. We can think of a lot of things that haven't any more demand than ice cubes in Iceland, but we never saw anyone ignore a loose coin. Just drop two-bits on a crowded street corner some time and watch a "decreased demand" in action. We don't say the mint officials are wrong...

Short Second Step Is Timed With Downswing of the Ball

(Eighth of a series written and illustrated by NEA Service.)

By VAL MIKIEL

Bowlerette-of-the-Year Time the second step, taken on the left foot, with the downswing of the ball.

This step, like the first, should be short in order to keep the body balanced forward on the ball of the foot. The ball rises to its peak on the next, or third step. As we take the second step, the left hand leaves the ball, and moves out from the body to maintain perfect body control. The ball, swinging downward and backward, passes the left ankle in a smooth motion, swinging easily at the end of the outstretched right arm.

The body is bent slightly forward, but the shoulders are still straight. The ball is held easily in the right hand. The eyes are directed forward toward the spot where we will place the ball.

NEAT: The third step.

Reapers Down Nixon, 40 to 35

The Junior High School Reapers opened their basketball season Friday afternoon by defeating Elizabeth Nixon of Amarillo, 40-35, in an exhibition game at the Junior High gymnasium.

Buddie Cockrell was high-point man for the Reapers, netting 21 field goals and 2 free throws for 43 points. Jimmy Bond had 9 points, Richard Qualls made 8, Freddie Woods added 5, Ed Dudley 4 and John Oden the other 1. Haynie was high-point for the visitors with 9.

Inability to make their free throws kept the Reapers from winning the game much easier. They missed 13 while making 8.

The Reapers will open their Panhandle Interscholastic Junior High School League campaign tomorrow afternoon when they go to Borger to play the Borger Junior High five.

Members of the Reaper team are Buddy Cockrell, Jimmy Bond, Richard Qualls, Freddie Woods, Ed Dudley, John Oden, LeRoy Ellis, Billy Webb, Dick Seawright, Jimmy Martindale, Dean Bills, Don Fagan and David Enloe. Bond was voted captain by his teammates last week.

Coach of the Reapers is Pernal Scoggin.

Independents in Two Victories

Two Pampa independent basketball teams played Friday night at the Junior High School gymnasium, both of them winning. Hesters defeated Skellytown, 42-28, and Culbertson Chevrolet defeated Magnolia of Miami, 35-32.

Guy Hester was high-point man for his team, getting 15 points. Harvey led the Skellytown scoring with 10. Jimmy King led the Chevies with 9 points. Salty Garrett made 8, and Morris Swan 7. Dumnivan led the Miami five with 11 points and George had 8.

Monday night's schedule sees the J. C. Daniels team playing

STRAIGHT SHOOTER—Val Mikiel's body is bent slightly forward.

Top Footballers Receive Awards

WASHINGTON — (AP) — A number of the nation's top football heroes gathered here last night to receive some of the most coveted awards in the sports world.

The annual Washington touch-down Club Dinner drew more than 1,200 — including statesmen, military figures, and a long list of grid greats, past and present.

This year the affair might well have been called Notre Dame Night.

Coach Frank Leahy got the Touchdown Trophy as "the coach of the year" from Attorney-General J. Howard McGrath.

End Leon Hart was tendered the "Knute Rockne Memorial Trophy" as 1949's top collegiate lineman from Marine Corps Commandant General — Clifton B. Gates.

Fullback Emil (Red) Sitko annexed the "Walter Camp Memorial Trophy" as the past season's outstanding collegiate back from General Hoyt Vandenberg, Air Force Chief of Staff.

Kyle Rote of Southern Methodist, who gave the Leahy legions a fit in a recent grid thriller, was awarded a special trophy for turning the season's outstanding individual performance. A fellow Texan, speaker of the House Sam Rayburn, bestowed the award.

RUMMY FIRST ATLANTA

ATLANTA — (SF) — Rummy was voted the most popular card game.

RIPPLE STUDY SEATTLE — (SF) — About 200 colleges now offer regular instruction in rifle shooting.

Miami and Cities Service-Schneider Garage playing Mobeette, both games being at the Junior High gymnasium. Culbertson Chevrolet will go to Briscoe Monday.

Alley Agates

By the TIMBER TIPPER

Football is no longer a member of the Oklahoma City University sports family.

Dr. C. G. Smith, president, said a majority of the university's 46 trustees approved his recommendation to discontinue the sport.

Port Arthur Coaches Receive Gift Awards

PORT ARTHUR — (AP) — Coach John (Bud) Tomlin of the Port Arthur High School Yellowjackets was given a 1950 Mercury four-door sedan Friday night by the 1,000-member Yellowjacket Quarterback Club.

Other members of the coaching staff — Fred Mahler, Tyrus Terrell and Emile O'Brien — received cash gifts totaling \$700 at a special "appreciation night" program.

Northeast Industry Has Tough Sledding

NEW YORK — (AP) — The Northeast's multi-million dollar winter sports industry is having tough sledding.

Snow has been scarce on the vast slopes of the ski country in New York state and New England.

Temperatures have been too high for continuous skating, even on artificial outdoor rinks.

It will be remembered as the year that Jimmy Hagg kicked a field goal in the last two minutes to beat California.

Ohio State fans will always get a boot out of it.

In Honolulu, the Pineapple Bowl crowd saw Stanford score six touchdowns in the last quarter to annihilate Hawaii, 74-20. The invaders alohaed the boom.

Missouri lost the ball five times on fumbles in the Jacksonville Gator Bowl, one of the main reasons Maryland won, 20-7.

That other Missouri team — playing in the White House Bowl — should heed the moral.

Oklahoma accused Louisiana State of sending a spy to watch its secret workouts. It didn't seem to do the Tigers much good, the Sooners winning in the New Orleans Sugar Bowl, 35-0.

Which is one good argument against spying.

Rice toppled North Carolina, 27-13, in the Dallas Cotton Bowl, which really should be spelled Cotton Bowl.

The Tar Heels are convinced they were hexed by weevil spirits.

Rangers Receive Football Awards

PERRYTON — (Special) — A special meeting of the Ranger "A" squad football team was called last Wednesday and Coach Floyd Murry and Lewis Emerick awarded jackets to the team for the season's work.

The boys who received jackets were Dean Morgan, Don Hedgepath, Alfred Carter, Delbert Trew, Don Dietrich, Dan Mayberry, Mickey Huston, Earl Oystead, John King, Steve Wolfman, J. B. Langwell, Gene Melain, Laurel Lovett, Bill Melvin, Dan Rawls, Frank Dutcher, Dean Mayberry, Kenneth Hazel, Ed Melvin, Raymond Vaughn, Dickie Stewart, Jimmy Witt, Curtis Leitch, E. R. Fletcher and Kenneth Slaughter.

The jackets are red and gray, mackinaw type, with white trimming and letters on the left breast.

Skellytown Five Has Clean Slate

SKELLYTOWN — (Special) — The Skellytown Grade School basketball team, coached by Bert Isbell, continued its undefeated ways Thursday, by downing Panhandle, 42-10. It was the fourth straight win for the Skellytown quintet so far this season.

The victors were never in trouble, holding an 18-1 lead at halftime. Panhandle going scoreless the second quarter. The visitors were held to but three field goals the whole game.

Donald Denham led the winners, scoring with 15 points. Ronald Mills had 10, Gerald Hunt 10, Gene Hoskins 4 and Bill Wells 3.

The Skellytown "B" team also won its game, defeating the Panhandle "B" five, 43-19. Donald Coker was the leading scorer with 21. Don Gallaher made 8, Larry Cannon 8, Ed Vaughn 3, Roger Barret 2, Eugene Willis 2 and Gene Clark 1.

Last year James Garner, Amartillo High School end, was selected.

Among those expected to be strongly in the running this year are S. M. Meeks of Thomas Jefferson (San Antonio), Jerry Fouts of Wichita Falls and Tom Bailes of Littlefield.

KANSAS CITY — (SF) — An estimated 100 million fans a year witness football games in the U. S.

Dallas Seeking Pro Franchise

DALLAS — (AP) — If Dallas gets a pro football team it will be made up of former Southwest Conference stars and coached by a man "well known to Southwest Conference fans."

That's what Edward T. Dicker, the man who is trying to get a franchise in the National-American Football League, said yesterday.

Dicker, wealthy construction and investment man, said he planned to meet Bert Bell, commissioner of the pro league, next week. He also said he had talked to Bell and that an application for a franchise was being mailed to him.

He said he and a group of Dallas businessmen are prepared to spend a "half million dollars" to get Dallas a pro football team.

Writers to Select Standout Schoolboy

DALLAS — (AP) — Texas sports writers will be polled next week to name the outstanding high school football player of the state.

When the youngster is selected he will be the guest of honor at the annual football banquet of the University of Houston at Houston Jan. 28.

Harold V. Ratliff, secretary-treasurer of the Texas Writers Association, is sending out ballots to the association membership and the winner of the honor will be known by Jan. 17.

Last year James Garner, Amartillo High School end, was selected.

Among those expected to be strongly in the running this year are S. M. Meeks of Thomas Jefferson (San Antonio), Jerry Fouts of Wichita Falls and Tom Bailes of Littlefield.

COURT PATTERNS

Side Screen Pass With Option Is Sure Scorer for Michigan

By ERNIE MCCOY Michigan Coach ANN ARBOR, Mich. — (NEA) — Michigan's screen pass from the side starts as illustrated in the top half of the accompanying diagram.

The ball is passed from 2 to 1. Player 1 passes to 3, follows his pass to the outside and around. Player 3 gives off to 1, at the same time moving forward in order to pick off the man covering the latter; so that 1 will be cleared for a scoring opportunity.

If the ball isn't fed to 1, 3 returns it to 2, as shown in the lower diagram. The same play is then started on the other side, involving 2 and 3.

Note that 4 clears to the other side, keeping the middle open in the original maneuver.

In the lower option, 4 stays on the opposite side, while 1 circles around and out, so the cutter will have clear sailing once he breaks around.

Player 3 moves forward to pick off opponent covering 1.

The screen pass from the side is a dependable scoring play.

KING'S COMMENTS

By Dr. William L. King

Editorial Director, The Park Observer

THE WHY OF SHORTAGES New York City is complaining about a water "shortage." England harps on its dollar "shortage."

Do "shortages" have a common cause, or is there a separate reason for each one? This question is worth looking into.

On a farm where water for family use must be drawn from a well and carried into the kitchen, 10 gallons per person per day is looked upon as a liberal supply for all household purposes.

It would have been rushed through the lower chamber and become law save for a last-minute protest by Miss Dana Hudson of Atlanta, president of the Georgia Nurses' Association.

The Nation's Press

CHURCH AND STATE IN ENGLAND (The Chicago Daily Tribune) The socialist politicians in England have taken to quarreling with the dignitaries of the Church of England, who recently have become censorious of the Fabian road to reform.

A Car That Starts

In the frosty days of winter, as you travel near and far, there's a lot of warmth and comfort to be found inside your car. And sometimes you'll be reminded of other wintry days, when a car was like a balky mule with many stubborn ways.

When you stepped upon the starter, you would say a little prayer, that your battery would last. But it often was the case that you wouldn't need to say a prayer. And that you'd have to use that awful crank, and you'd hit the engine or you always drew a blank. Then you poured some boiling water on the chilly manifold, and at last the motor sputtered like it had a nasty cold.

But today your car is quick to start and boasts a lot of class, thanks to modern engineering and to new high octane gas. And where once your feet were frozen in a drafty open job, you can ride in solid comfort when you twist the heater knob.

Success Secrets

By ELMER WHEELER

Ed Budd, youthful president of Budd Company, thinks that the secret of success is to analyze yourself. Find out what you can do, what you should do, what you must do, what you ought to do, what you would like to do, what you don't want to do, what you're afraid to do, what you're too lazy to do, what you're too stupid to do, what you're too nervous to do, what you're too shy to do, what you're too proud to do, what you're too vain to do, what you're too greedy to do, what you're too selfish to do, what you're too dishonest to do, what you're too unkind to do, what you're too ungenerous to do, what you're too ungrateful to do, what you're too unloving to do, what you're too unfeeling to do, what you're too unkind to do, what you're too ungenerous to do, what you're too ungrateful to do, what you're too unloving to do, what you're too unfeeling to do.

IN HOLLYWOOD

HOLLYWOOD — (NEA) — just collided with a Hollywood legend. I'm sorry it happened. Legends in the flesh, like Josef Von Sternberg, can be disillusioning. I'll never talk to a Hollywood legend again.

The name Josef Von Sternberg is synonymous with the Hollywood that used to be — the Hollywood of white bear skin rugs, limousines with gold-plated fenders and temperamental exotic stars. More particularly, the name Josef Von Sternberg is associated with: A. Temperament. B. A home built like a castle and surrounded by a moat. C. High screens to shield his leading ladies from the pebbles of set visitors. D. Champagne for breakfast every morning and for lunch. E. The still unequalled record of re-shooting one film scene 91 times.

How does a lady wearing only a towel get mixed up in a movie titled "Jet Pilot"? Especially when the action takes place at a jet squadron base in Alaska where, baby, it's cold outside. Well, it seems that Janet Leigh is a suspected Russian spy and this fellow John Wayne, as commander of the squadron, spots her flying over the base, forces her down and then makes her disrobe so he can search her clothes for evidence.

Mr. and Mrs. James Enloe and baby, 705 N. Wells, will return to Okmulgee, Okla., this week. Enloe is a student there.

"I'll help him all I can, if he'll help himself," he told the Court.

Two men who pleaded guilty in County Court yesterday to passing worthless checks were sentenced to 30 days each in the County Jail and one was fined \$10 in addition to his jail term.

O. C. Timmons was given both the fine and the jail sentence on a charge of passing a \$21.50 check at Friendly Men's Wear, 111 N. Cuyler, last Dec. 2.

W. D. Timmons, 217 N. Sumner, brother of the accused man, testified that he made good one \$10 check his brother passed, and sheriff's deputies told County Judge Bruce Parker that there were more than \$100 worth of checks outstanding that Timmons had passed, some of them dating to late 1948.

W. D. Timmons said that he had tried to get jobs for his younger brother but that the lad had not been able to keep any of them.

The judge gave him the same admonition that applied to Timmons: if his outstanding worthless checks were not cleared up, a separate charge would be made on each of them.

Local Businessman Going to Market

Charles Cook, manager of the Texas Furniture Co., left Friday to attend the American Furniture Market at Chicago and will also attend a showing of new styles in New York.

Mrs. Cook is accompanying him, and they plan to visit his sister, Mrs. Hugh Farrell in Washington, D. C., before returning to Pampa.

Man Fined \$100 On Charge of DWI

Frederick S. Smart, 229 N. Faulkner, pleaded guilty in County Court yesterday to driving while intoxicated and was fined \$100 and costs.

Smart was arrested by city police officers Ed Lawrence and Captain Jim Connor Thursday evening in the 200 block of N. Gillespie.

Smart is alleged to have struck a 1947 Mercury that was parked at the curb, doing about \$150 damage to both cars.

He was arrested at 4:17 p.m. Thursday.

Smart also lost his driver's license for six months, a mandatory penalty in such cases.

Mother Charged In Son's Death

MOBILE, Ala. — (AP) — A 35-year-old mother was charged with murder in the shotgun slaying of her 14-year-old son.

Detective Capt. Talley Rollings said Mrs. Lexie Edardson signed a written statement admitting she shot the 70-pound newspaper carrier during a quarrel the night after Christmas.

Ukrainian Couple Takes Rapidly To Life, Customs on Texas Farm

SHAMROCK — (Special) — Stephan and Victoria Majur, Ukrainian couple from a displaced person's camp in Germany, are rapidly making themselves at home in Texas. They arrived in Shamrock the day after Christmas and are making their home on the Sand Valley Farm with Mr. and Mrs. J. B. Christner.

Stephan is 32 and his wife is 31. His parents were exiled by the Russians to "somewhere in Siberia." Mrs. Majur's parents are in the American Zone in Germany.

Neither can speak English, but Majur can speak German and Polish in addition to his native tongue.

Christner contacted the couple

through the United Ukrainian American Relief Committee, Inc., and he is highly pleased with the way they have taken to American ways in the short time they have been here.

Post Office Near First-Class Rank

PERRYTON — (Special) — Perryton's Post Office is within \$500 of being ranked a first-class post office, Irvin Hergert, postmaster, said.

Postal receipts for 1949 totaled \$39,562.07, which was just \$437.93 short of the necessary \$40,000 to be rated first-class.

Since last year's receipts were nearly \$5,000 more than the \$34,569.06 worth of business done in 1948, Hergert is confident that 1950 will move Perryton into the first-class bracket.

The new post office building on SW Fourth, two blocks south of the present office, is nearly complete and will be ready for occupancy by the end of this month.

Four employees were added to the post office personnel during the year and city delivery was extended 64 blocks, which gives delivery to nearly everyone within the city limits.

McLean Teacher Resigns Post

McLEAN — (Special) — Miss Louise Jensen, who taught in the McLean schools during the first semester, has resigned, Superintendent Logan Cummings said.

Miss Jensen has accepted a teaching position at West Texas. She taught two algebra classes, plain geometry, and two eighth grade arithmetic classes.

No one has yet been employed to replace her, Cummings said.

SLIDE SPIN ON ICE — Narena and Norris, acrobatic skaters with the 1950 Ice Follies, show one of the figures of their program in rehearsal at Madison Square Garden, New York.

Wheeler Chamber Elects New Directors

WHEELER — (Special) — Mr. and Mrs. Ted Clay, former Wheeler residents, have returned to their home at Marcella, Ark., after a visit with relatives.

Mrs. M. McElhiney and Hop Grainger McElhiney have returned from a holiday visit with relatives in Comanche, Texas.

Mr. and Mrs. Jesse J. Dyer left Wednesday to attend a meeting of county school superintendents at Austin. They attended a district superintendent's meeting in Clarendon that evening.

Mr. and Mrs. R. R. McCleskey and children have returned from a visit with relatives in and near Dallas.

Darris Egger, Baptist pastor, announced that the weekly prayer meeting service topic for this month is "Our Faith in the Bible." Wade K. Frey will be the lecturer.

Roberts County Road Work Starts

MIAMI — (Special) — Contractors began work last week on

Chamber Elects New Directors

PERRYTON — (Special) — New directors elected to serve on the Chamber of Commerce board are John Sammons, P. B. Sumpter, and W. H. "Bill" Lance. They will serve with the four holdover directors, Jake LeMaster, Tom Slack, Gene Akers and Orin Bell.

The 1950 president and vice president will be elected by the directors and the new officers will be installed at the annual banquet Jan. 25. John Ben Shepard, an attorney of Gladewater and a former president of the National Junior Chamber of Commerce, will be the principal speaker.

10.52 miles of farm-to-market road paving in Roberts County, Woody Pond, county judge, announced.

Machinery was moved in over the weekend for work on farm roads 1268 and 748, now underway.

Judge Pond said paving would begin soon on farm road 1286 beginning at the Hemphill County line and extending north to a junction with the Laketon-Miami road, which then will be paved from the Gray County line to Miami.

The contractors are Bell, Braden, Barker, and Givens of Amarillo.

10 Named to Advisory Committee

McLEAN — (Special) — Noah Cunningham, superintendent of the Quail consolidated school and a former resident of McLean, has been named to a committee of school and lay people which will serve as a consultant committee to A. R. Bivins, Amarillo, the newly elected state school board member from this area.

This appointment of Cunningham was made through the Pampa School Administrators Association.

Members of the 10-person committee include Superintendent C. M. Rogers, Amarillo, representing the larger schools; Cunningham, representing the large consolidated rural schools; Ruth Richardson, Donley County superintendent, the county superintendents; C. D. Holmes, superintendent at Stratford, the small schools.

Dr. J. B. Roberts, WTSC department of education, Canyon,

Marshal Given Jaycee Honor

BRYAN, Texas — (Special) — Brazos County's outstanding young man in 1949, picked by the Junior Chamber of Commerce, was Clifton C. Carter, U. S. marshal for the southern district of Texas.

His selection was announced at a meeting of the Bryan and Brazos County junior chamber.

Carter resigned from the Bryan City Commission to become U. S. marshal.

BENTLEYS RETURN

McLEAN — (Special) — Fred Bentley and son, Jackie, have returned from Hugoton, Kan., where funeral services were held Monday for Calvin Smith Brun-

ley, a brother of Mrs. Bentley, who was found dead in Enid, Okla., last Thursday.

Bamboo often will grow to 60 or 70 feet in a few months.

THE NEW SENSATIONAL DESOTO TUESDAY

HERE ARE

10 REASONS WHY VOTERS OF WARD 2 SHOULD VOTE FOR BOB THOMPSON FOR CITY COMMISSIONER

1. Resident of Pampa since October 1, 1926.
2. Home owner of Ward 2 for 12 years.
3. Successfully operated own business for 24 years.
4. Veteran of World War I.
5. First time to seek public office.
6. Interested in good, clean city government.
7. Active in Church and Civic Affairs.
8. Favors Economical Administration of all Governmental Affairs.
9. Fully conversant with Pampa and its problems.
10. Progressive --- Yet Conservative.

Because of these outstanding qualifications of Bob Thompson for the office of City Commissioner, we friends and neighbors of his who are writing and paying for this ad would like to recommend his candidacy for your most serious consideration.

CAPABLE, ECONOMICAL, EXPERIENCED BUSINESSMAN

Bob Thompson was persuaded by a group of his friends and neighbors in Ward 2 to run for this office. He is NOT seeking public office due to any thought of personal gain, but rather to attempt to repay the City of Pampa, through service, for all the good things that Pampa has given him.

VOTE TUESDAY, JANUARY 10

SERVICES

(Continued From Page 1)
 anyone had attempted to rob or otherwise disturb the body.
 Kilby, who lived at 1016 E. Frederic, was born April 5, 1896, at Humboldt, Kans. He is survived by his wife, Nellie; by two daughters, Mrs. W. G. Usrey and Miss Patsy Jean Kilby, both of Pampa; by three sons, James A., Jr., of Yates Center, Kans., Victor Norman of Fayetteville, N. C., and Tommy Lee of Pampa; and by his mother, Mrs. Nellie Kilby of Yates Center.
 The body will be sent to Yates Center tomorrow by the Duenkel-Carmichael Funeral Home. Services and burial will be here later this week.
 Kilby was a veteran of the first world war.
 A D-C ambulance made the emergency run to Miami Friday.

PATIENTS

(Continued From Page 1)
 a. m. (CST) when flames broke out on the second floor of the three-story brick structure.
 St. Elizabeth's Ward is one of five hospital buildings operated by the Catholic order, Sisters of Mercy, on two blocks in the north-west sector of this Mississippi River city of 70,000.
 Murray Francis, an orderly on duty in the nearby main hospital building, said he could hear screams of terror as he ran toward the burning ward.
 Terror-stricken women could be seen huddling at the barred and wire-meshed windows of the psychiatric division.
 While other hospital attaches called firemen, Francis broke upon the ward building's front door. Two nurse's aides joined him in leading the first group of patients to safety.
 The flames mushroomed through the wood interior of the 60-year-old building.
 Josephine O'Toole, a nurse's aide, awakened by screams, was one of the first to escape. She ran down a smoke-filled stairway from her third floor room and escaped by a basement exit.
 When firemen and police arrived the interior was a swelling mass of fire.
 "It was a flaming hell," said Fire Lt. Al Kozano.
 Firemen used axes and crowbars in their attempts to get through the steel latticework which held the patients imprisoned.
 "It was pitiful the way the patients waited for firemen to free them from the cell-like rooms," said Fire Chief Lester Schick.

British Recognition

(Continued From Page 1)
 LONDON — (AP) — The British press generally approved yesterday Britain's recognition of the Communist regime in China.
 Contributing to the approval was President Truman's statement that the United States has no intention of aiding Chinese Nationalists in defending Formosa.
 The British had been disturbed by the prospect that the United States might give military aid to the Nationalists in Formosa while Britain was doing business with the Communists.
 Differing policies carried that far might have made chop suey of British-American partnership in the Orient.
 But Britain was still concerned over how deeply the new Chinese policy would affect Communist China's membership in the United Nations and next year's Marshall Plan aid from the United States.

Producer Succumbs

NEW YORK (AP) — William A. Brady, 86-year-old producer and manager of stars, died Friday.
 Brady, who had produced an estimated 250 plays in New York, had been a successful showman since 1888.
 He managed such stars as Douglas Fairbanks, Laurette Taylor, Tallulah Bankhead, Grace George (his second wife), and Alice Brady, his daughter.

Nationalist Claims

HONG KONG — (AP) — The

BITSHER

(Continued From Page 1)
 He said he did not think the Marshall Plan of aid to Europe had had enough time to be judged for its good.
 The general elections in Britain will be held between February and April — and he believes the country will begin the return to the right, as opposed to the left — and socialism. He doesn't believe Churchill will ever return to power — because of his age — but that his "right-hand man," Anthony Eden, will.
 Mr. Hackett will leave Pampa next Wednesday, and in a few days thereafter will be winging his way home.
 In a prepared statement he said: "I am grateful to the Cabot Company for giving me the opportunity to visit America, to see the country and the American way of life. I am also very grateful for the fact that Cabot will be operating in England in the very near future and will thereby help my country to reduce the dollar gap. I also hope that other American firms will adopt the pioneer spirit of the Cabot Company in the near future."
 A friend recently related an incident that occurred on Mr. Hackett's arrival in this country. It went more or less like this: The visitor walked to a tobacco stand and asked for cigars. "How many," the clerk asked. He was surprised, because it's not "Give me a pack of cigars" back home, but "May I buy a pack of cigars?"
 He liked the American way so well he bulged his pockets with packs of cigars. And he's taking a bunch back with him too.
 He looks like the kind of man who would enjoy this kind of freedom from ration cards.

NEEDS

(Continued From Page 1)
 rier Christmas to the 23 children at the nursery.
 A large Christmas tree was furnished by the Colored Women's Council and was decorated by the nursery children. Mrs. Mabel Motteg, who has charge of the nursery, led songs and readings.
 Other organizations that contributed toys were Girl Scout Troop 26, Circle 7 of the Woman's Society of Christian Service of the First Methodist Church and Twentieth Century Allegro.

British Recognition

Nationalist Claims

HONG KONG — (AP) — The

Flood Fighting

(By The Associated Press)
 Soldiers and guardsmen were mobilized Saturday for flood fighting in the Midwest, and an unexpected blast of cold heaped fresh damage on the California citrus crop.
 Floods, following drenching rains, already have driven more than 4,000 persons from their homes in the Midwest and South. Although the crisis still is to come for several cities, waters are receding in some areas and at least 1,000 persons have returned to their dwellings.
 A wave of cold, clear air bore down on the Midwest from Canada, easing the flood threat momentarily, but forecasters said it would be short lived. The freeze is expected to slow the runoff of ground waters into swollen rivers and streams.

Murder Charge Filed

EL PASO — (AP) — A handsome Air Force sergeant was charged Saturday with murder in the shooting of an El Paso business man whom he said he had found with his wife.
 Jailed and charged with murder with malice is T-Sgt. Kenneth L. Jones of 516 Locust St., Toledo, Ohio. He is stationed at Biggs Air Force Base here.
 Killed was Frank Pukli, Jr., 33, member of a prominent El Paso business family who was divorced Tuesday.

Not Enough Jobs, Says Secretary

WASHINGTON — (AP) — The nation is failing to create enough jobs for its fast-growing population.
 So says Secretary of Commerce Sawyer in summing up the 1949 job situation.
 Sawyer pointed out that the average 58,700,000 employed last year was only slightly under the 1948 record.
 However, he said there was an average of 3,400,000 unemployed in 1949. This was a big jump from the average 2,100,000 jobs in 1947 and 1948.
 The answer, Sawyer said, is that new people are entering the labor force, looking for jobs, at a greater rate than the number of jobs are increasing.
 Sawyer's comments were made in connection with Census Bureau employment figures for December. They showed total civilian employment for the month at 58,556,000.
 Chinese Nationalists reported increasing air raids and guerrilla operations against the Communists on the mainland.
 The Nationalist defense ministry in Formosa announced its guerrillas had captured four county seat towns in the provinces Fukien, Kwangtung and Hunan, all in South and South-east China, recently overrun by the Reds.

Raidin' Dale Halted

HOUSTON — (AP) — Dale Richardson, the lone raider from La Porte, has given up on his crusade against Houston's pinball machines.
 He says it is not an unconditional surrender — just a matter of running out of funds to finance the one-man crusade.
 Friday Dale signed a release order on 23 machines he seized in raids here last September.
 H. H. Horton, who said he represents the company that manufactures the tables, paid \$996 in storage charges against the machines and had them hauled away.

British Recognition

(Continued From Page 1)
 LONDON — (AP) — The British press generally approved yesterday Britain's recognition of the Communist regime in China.
 Contributing to the approval was President Truman's statement that the United States has no intention of aiding Chinese Nationalists in defending Formosa.
 The British had been disturbed by the prospect that the United States might give military aid to the Nationalists in Formosa while Britain was doing business with the Communists.
 Differing policies carried that far might have made chop suey of British-American partnership in the Orient.
 But Britain was still concerned over how deeply the new Chinese policy would affect Communist China's membership in the United Nations and next year's Marshall Plan aid from the United States.

Producer Succumbs

NEW YORK (AP) — William A. Brady, 86-year-old producer and manager of stars, died Friday.
 Brady, who had produced an estimated 250 plays in New York, had been a successful showman since 1888.
 He managed such stars as Douglas Fairbanks, Laurette Taylor, Tallulah Bankhead, Grace George (his second wife), and Alice Brady, his daughter.

Nationalist Claims

HONG KONG — (AP) — The

Civil Rights Wrangle Sure

WASHINGTON — (AP) — Congress may be well into the civil rights wrangle before the month is up.
 A main feature of the Truman program—creation of a Fair Employment Practices Commission (FEPC) to forbid job discrimination against Negroes and others—is scheduled for early House action.
 Rep. Lesinski (D-Mich) told reporters he expects to call up the administration FEPC bill for House consideration not later than Jan. 23.
 Lesinski is chairman of the House Labor Committee. This group approved the bill the last session, and Lesinski can call it up from the floor the second or fourth Monday of this month.
 To avoid getting the new session off on a controversial issue, House leaders decided to put the bill over two weeks, instead of calling it up next Monday.
 House passage appears assured. But a Southern filibuster threat hangs over it in the Senate, where other FEPC proposals have died before.

Why not stop in today and choose from our large selection of completely modern mountings. Priced for every post-Christmas budget!

McCarley's
 Pampa's Oldest Jewelers

POST-MORTEM—Checking back, now that the 1949 Christmas-time is retired history, I find that the greatest disappointment of mine was our failure to have a cantata... I heard several rehearsals were held, but there just weren't enough people interested... so the cantata wasn't presented... for the first time in, oh, so many, many years... There are tentative plans, I hear, for an Easter program, and lots of us are anxious to hear some of Pampa's fine talent... like Mrs. Peggy Weaver, Mrs. Mary Wilson, and so many others... Let's push programs of this sort.

THIS "Virus X" business has been terrible around town... lots of people "laid up" with it... that is a refined name probably for something the race has been plagued with from the beginning.

I HEARD about a recent dinner party at which charades was played and I'm still laughing over the description of Paul Carmichael enacting the "Fighting Spirit of Notre Dame."

PANORAMICALLY—It's nice to have Curt Beck about town again... he's back after spending two weeks in Dallas... On occasional weekends I see Mr. and Mrs. E. S. Cochran at 1314 N. Charles... their home before moving to Amarillo... they visit son Bob and his wife Carolyn who now live at that address... Mrs. R. W. Lane greeted Peg with a friendly smile the other day... I see Jean Duett and daughter-in-law Mary Lou together quite often... Another attractive mother and daughter-in-law are Mrs. W. H. Cooper and Ida Ruth... Mrs. C. W. Andrews is just waiting for Mr. Andrews to find a house and then she will join him in Commerce, Texas, where they will make their new home... The young married set will miss the Larry Fullers who are moving to Lefors... and the Gene Lamfords who are Amarillo-bound... these four are Pampans from way back... I saw Doc Pursey busy supervising the building of his new home in the Fraser Addition—it will be on the corner diagonally from the new Crawford Atkinson home, which is across, I believe, from the Bill Fraser home... the W. L. Campbells are building on the Wheeler Highway, and it is the first of several new homes I understand will go up out there.

SEEN ON THE STREET—J. R. Perkins conversing earnestly... Mrs. W. E. Jordan rushing along... Mrs. Ivan Howard waving hello... Mrs. Amy Russell window shopping... Mrs. John McNeill buying theater tickets... Mrs. W. E. Coop opening post office box... George Friauf going to the dentist.

I GUESS Bess and M. K. Griffith have moved into their new home on Mary Ellen, because I saw son Keith playing in that neighborhood, and he's a cute little fellow.

UNSELFISH, charming Mrs. R. G. (Dick) Hughes was spied on the street the other day, going about town getting together some things for the destitute family stranded for a few days on the Clarendon Road—the family, you will recall, had a new baby at Pampa Hospital... Saw the First Baptist's Rev. Carver, back from Hawaii, where he did church work with other Panhandle ministers for a couple of weeks... Irma Jean McWright, daughter of Mr. and Mrs. W. M. McWright, celebrated a birthday Thursday... had a party... she's the brunette baton-twirler of the local band, and a popular girl... Kay Reynolds shopping for a trip to California, leaving tomorrow by plane, will visit Jean Parker who is in the Navy at San Diego... Kay will visit LA and Frisco too... Mrs. Clifford Braly is convalescing at her home, 915 Christine... hope she gets well quick—been ill three weeks or more... Mrs. Kirk Duncan (Jean) is cheerful to meet—saw her down town... Gabe Heater, on the radio, devoted a whole program to talking about (us) women... he said one of every three has left home to do capable job of working... but, he said, would never be a woman president because they don't ever get past 35... they drive with fewer accidents... spend most money... keep household budget in line... wear frivolous hats, etc., etc.

WELL, we're in the first month of the 'Thrifty 50's'—and income tax blanks are coming in—Christmas bills with the tax bills—resolutions are being broken, and a lot of people are going to see the new cars being shown here.

ADD RESOLUTIONS—I'm going to smile a bit more... I'm going to start smiling at lots of people—J. E. White over at the Post Office; Mrs. C. C. Dodd at Murfee's; Estelle, the stock girl, at Bentley's; Cletus Mitchell, teller at the First National... I'll try them all, and you know what! I bet they'll have a smile for me too.

I read an article about smiling. To quote: "If you are 'un-smiling,' there are words to put you in the smiling mood." The late president said "smile" as a warning and sometimes actresses say "peaches." I'm going to say "people" and that oughta bring on a smile because there's so many friendly people about town.

Remember, now, you'll recognize me this year by my smile... I hope lots of folks are mistaken for—
PEG O' PAMPA.

Exchanged Vows on New Year's Day

MR. AND MRS. EDWARD FORAN
MR. AND MRS. EDWARD FORAN, who were married on New Year's Day. The bride is the former Miss Eula Lee Lyles, daughter of Mr. and Mrs. J. W. Shafer of Chandler, Okla. The Forans live at 601 East Harvester, Pampa.

'Japan Begins Again' to Be Study Topic of First Methodist Groups

Mrs. R. W. Lane presented the new study, "Japan Begins Again" by William C. Kerr, at a meeting of Circle One of the First Methodist Women's Society of Christian Service Wednesday. The meeting was in the home of Mrs. Ross Byrns, 641 North Faulkner. Mrs. Joe Shelton, chairman, presided.

Mrs. Lane outlined the book's objectives as follows:

1. To bridge the gap made by four years of war.
2. To break down old prejudices and misconceived ideas.
3. To learn about the countries and people.
4. To study the Christian movement in Japan.
5. To show present day Japan's need for Christ and ways to meet the need.

There were 13 members present. Refreshments were served.

Circle Three met in the home of Mrs. Sherman White, 610 Frost. Mrs. H. R. Thompson presided.

Mrs. Knox Kinard presented the first three chapters of the study "Japan Begins Again."

Those attending were Mrs. H. B. Howse, Mrs. L. E. Cool, Mrs. H. H. Keehey, Mrs. Irvin Cole, Mrs. W. R. Ewing, Mrs. George Westbrock, Mrs. Travis Lively, Mrs. Knox Kinard, Mrs. H. R. Thompson, Mrs. R. J. Davis and the hostess.

Miss John Archer, 314 North

BETROTHAL ANNOUNCED

MISS JEAN BARBER
Mr. and Mrs. Franklin W. Barber of 51 Lakeview Ave., Battle Creek, Mich., announce the engagement of their daughter, Jean, to Bill J. Davis, son of Mr. and Mrs. E. A. Shelton of 735 Waubascon Road, Battle Creek, and brother of Mrs. Cecil Collum of Pampa.

Miss Barber is a graduate of Lakeview High School, and is attending Western Michigan College of Education. Mr. Davis, a graduate of Battle Creek Central High School, is a pre-medical student at Western Michigan College, Kalamazoo, Mich.

The wedding date has not been set.

WILL MARRY AUGUST 6

MISS GRACE DAVIS
A tea in the home of Mrs. Cecil Collum, 421 North Warren, announced locally the engagement of Mrs. Collum's sister, Miss Grace Davis, and S/Sgt. Robert P. Pfister. Miss Davis is the daughter of Mr. and Mrs. E. A. Shelton of Battle Creek, Mich., and Sgt. Pfister is the son of Mrs. Joseph Pfister of Lawton, Mich. The wedding date was announced as Aug. 6.

Tea hostesses were Mrs. Collum, Mrs. T. J. Watt and Mrs. E. A. Shelton.

Freda Tugwell Becomes Bride of Mr. Sonnenburg

SHAMROCK—(Special)—Miss Freda Tugwell, daughter of Mr. and Mrs. Fred Tugwell of Shamrock, became the bride of Raymond Sonnenburg, son of Mr. and Mrs. T. H. Sonnenburg also of Shamrock, Friday evening, Dec. 23, at the parsonage of the First Methodist Church. The pastor, The Rev. S. M. Dunnam, officiated at the double ring service.

Vows were exchanged beneath an archway where an improvised altar was arranged with tall white baskets of white stock and fern and floor candelabra with lighted tapers.

Mrs. Cabot Brannon played the Andante movement of Tschakovsky's Fifth Symphony, and accompanied Walter Bulce as he sang "Because." She played Mendelssohn's "Wedding March."

Miss Jo Nell Gambill of Muleshoe was maid of honor. She wore a mauve corded faille dress with brown accessories and a brown beaver hat. Her corsage was of white gardenias.

The bride was attired in dress of champagne lace accented with nutmeg accessories. Her hat was fashioned of feathers, and she carried a white Bible topped with a green orchid. For something old and borrowed, the bride carried a handmade handkerchief which belonged to the bridegroom's mother. She also wore something blue and had a penny in her shoe.

Mrs. Tugwell, mother of the bride, wore a gray tulle dress with navy accessories and a corsage of orchid carnations.

The bridegroom's mother wore a dress of wine crepe and black accessories. Her corsage was of matching tinted carnations.

Ted Sonnenburg, brother of the bridegroom, served as best man, and Ed Haynes was usher.

Immediately following the wedding a reception, given by the parents of the bride, was held at the parsonage. The bride's table was laid with a lace cloth and centered with large wedding and engagement rings of silver on a silver base, encircled with pale blue mums. Mrs. Travis Cantrell presided at the punch bowl and Mrs. Eldon Sonnenburg of Crain, sister-in-law of the bridegroom, served the wedding cake.

For traveling, the bride chose a checked suit of beige with brown accessories and a corsage of green orchids.

Mrs. Sonnenburg is a graduate of Shamrock High School, where she was a member of the High School Chorus, the Shiloh Club and the Speech Arts Club.

Mr. Sonnenburg is also a graduate of Shamrock High School and served three years with the United States Navy. He taught band in the Shamrock public schools for one year. He will receive his degree from Texas Technological College at Lubbock in June.

After a short wedding trip, the couple returned to Lubbock where they are making their home at 1615 Fifteenth.

About 50 relatives and friends attended the wedding.

Miss Ethelyn Jo Shields Becomes Bride of Del Belflower in Clovis Church; Will Live in Oklahoma City

MRS. DEL BELFLOWER
Miss Ethelyn Jo Shields, daughter of Mrs. Nadyne Shields of Amarillo, and Del Belflower were married Dec. 15 in the study of the First Christian Church in Clovis, N.M. The bridegroom is the son of Mrs. E. A. Henthorne of Pampa.

The Rev. C. A. Lartz officiated at the single-ring ceremony.

For her wedding the bride wore a white crepe dress and a corsage of red rosebuds.

Mrs. Belflower was graduated from Manual Arts High School in Los Angeles, Calif., and attended Amarillo Junior College, West Texas State College, Canyon, and Los Angeles State College. Mr. Belflower is a veteran of the Navy and has attended Amarillo Junior College and WTSU. He was formerly a staff member of radio station KFDA, and is a member of the Amarillo 20-30 Club. The couple will live in Oklahoma City, where Mr. Belflower will be connected with radio station KTKO.

Coffee Honors Perkins' Guests

Mrs. T. A. Perkins, 1139 North Russell, hosted a come-and-go coffee at her home Monday morning. Guests of honor were her sister, Mrs. S. A. Hurst of Forest Grove, Ore.; Mrs. Hurst's daughter, Mrs. A. C. Cox, Jr., of Albuquerque, N. M., and Miss Marjorie. Couples of Dallas, a house guest of Miss Carol Perkins.

Assisting Mrs. Perkins were Mrs. J. M. Turner and Mrs. Bob Campbell. The table was centered with an arrangement of bronze and white chrysanthemums. Grapes, coffee and rolls were served.

The Perkins' guests were also honored at a dinner on New Year's Day. Also present were Jim Troubfield of Quanah, and Mrs. Cox's daughter, Dymda, and son, Ronald.

Miss Robertson and H. L. Turnbo to Wed

LEFORS—(Special)—Mrs. Verba Robertson of Fort Worth has announced the engagement of her daughter, Miss Windie Fae Robertson, to Harold Lewis Turnbo, son of Mr. and Mrs. Y. E. Turnbo of Lefors.

Miss Robertson is a former student of Sherman High School and North Fort Worth High School. She is also a graduate of Texas Christian University, where she was a member of Mu Phi Epsilon sorority. Miss Robertson is teaching public school music in Lefors at present.

Harold Turnbo is attending Midwest College at Pueblo, Colo. Previously, he served several years in the Navy. He is a former student of Lefors High School,

First Christian Women's Groups Plan New Work

"Japan" has been selected as study topic for women's groups of the First Christian Church for the next six months. Their project will be to send boxes of vitamins and medical supplies to Christian missionaries now in Japan.

Five groups of the women's council of the church met in homes Wednesday for the first meeting of the new year, to plan the new study and work.

Group one met in the home of Mrs. Oscar Hurt, with six members and one guest, Mrs. H. H. Tyler, present. Mrs. H. J. Pickett led the lesson study and Mrs. H. R. Kees gave the devotional on "The Kingdom Come."

Nine members of group two met in the home of Mrs. Oscar Shearer. Mrs. C. H. Munday gave the devotional and Mrs. John Beverly had charge of the lesson. A special project of this group is to send cup towels to the Juliette Fowler Orphan's Home and to Roy's Ranch.

Group three met with Mrs. Dale Pinson with eight members present. Letters from Harwood Hall, thanking the group for Christmas gifts, were read at the meeting. A report was made stating that 50 dozen cookies were sent to the Juliette Fowler Home during December. Mrs. O. W. Alleton gave the devotional and Mrs. Charles Meech was in charge of the program.

Group four met in the home of Mrs. Shelby Gantz with seven members present. Mrs. J. W. Alexander gave the devotional and Mrs. Jim Goff presented the lesson. Mrs. Wayne Hutchins was hostess to group six in the home of Mrs. T. V. Parks. Mrs. Doris Brown was in charge of the program. Also on the program were Mrs. Helen Maxey and Mrs. Jean Jackson.

Mrs. Rathjen, Children in Holiday Reunion

CANADIAN—(Special)—Mrs. F. H. Rathjen had all but one of her children and several grandchildren and great-grandchildren with her on New Year's Day. One son, Harry Rathjen of South Dakota, was unable to attend.

Those present were Frank Rathjen of Los Angeles, Calif.; Mr. and Mrs. Fred Rathjen of Wheeler; Mr. and Mrs. D. G. Sims of Mobeetie; Mrs. Kate Ford, Mr. and Mrs. Carl Zybach and Louise; Mrs. Harry Rathjen, and David, Fred, and Anne, of Canadian; Frieda Zybach of Amarillo; Mr. and Mrs. Leonard Rathjen and daughters, Doris and Beth, of Wheeler; Mr. and Mrs. Bill Beck Joanne and Douglas of Dumas; and Mr. and Mrs. Jack Sims and daughter, Sharon, of Wheeler.

Turkey dinner was served in the Carl Zybach home.

However learned or eloquent, man knows nothing truly that he has not learned from experience.—Wieland.

First Baptist WMU Groups in Session

A 1 o'clock luncheon and first of their month meeting brought all Women's Missionary Union circles of the First Baptist Church together at the church Wednesday. Mrs. Douglas Carver gave the invocation.

The meeting was opened with the WMU song, "Christ for the World We Sing," and a prayer was offered by Mrs. P. E. Leach. The watchword of the year was repeated by the group.

During the business session officers gave reports. Mrs. R. L. Edmondson offered the closing prayer. There were 33 members present.

PAMPA NEWS, SUNDAY JANUARY 8, 1950 PAGE 11

County Home Demonstration Clubs Meet; Form Plans for Coming Year

Six clubs were represented at a called meeting of the Gray County Home Demonstration Council on Jan. 2. The meeting was held in the HD agent's office.

Mrs. H. B. Taylor, Jr., co-chairman, was in charge of the business and Mrs. A. M. Nash was in charge of recreation.

Standing committees, which are yearbook, exhibit, finance, recreation, 4-H sponsors, marketing, reporter, radio, education, expansion and fair, presented their plans for 1950, which were accepted.

A new committee, visual aid, has been set up, the chairman to be appointed at a later date.

Council voted to serve plate lunches at the stock show in February.

Mrs. Emmett Osborne was hostess Wednesday afternoon to the Bell Home Demonstration Club's first meeting of the new year.

"Mental Health" was the topic discussed by Mrs. Walter Noel, and Mrs. Mary Ann Duke, Home Demonstration agent for Gray County, talked on "Facilities for Recreation and Living Room Entertainment." Mrs. Duke said that family recreation is a form of relaxation and of bringing together common interests, and advised parents to keep children's hands and minds busy. She said this can be done by keeping in the living room such entertainment as magazines, puzzles, cards, books, games, radios, dominoes and musical instruments.

Cake, fudge and coffee were served at the meeting.

Others present were Mrs. Henry Urbanczyk, Mrs. David

La Rosas Schedule Presentation Dance

A New Year's Eve dance was given in the Palm Room for members of the La Rosa Sorority. La Rosa members also held a recent meeting to discuss plans for their main event of the season, the presentation dance, to be given Feb. 18.

Attending the meeting were Wanda Forducy, Doris King, Malvern Miller, Carmen Thurston, Glenda Husted, Joan Ryan, Lena Jean Smith, Zelma Gatlin, Clara Washington, Donna Washington, Mildred Jones, Elsie Housland, LaJuana Garner, Mary Lou Gantz, Barbara Radloff, Rosemary Sheehan and Jan Dickey.

MARRIED DECEMBER 26

MR. AND MRS. FRED CORBITT, JR.
MR. AND MRS. FRED M. CORBITT, JR., who were married in Dallas Monday, Dec. 26, at a nuptial mass. Before her marriage the bride was Miss Helen Louise Hobson. She is a niece of Mr. and Mrs. Joseph Patrick McDermott of Dallas. The Corbitts live at 716 West Francis.

Formal Initiation, Installation Services Held by Rebekah Chapters

Formal initiation was held for four new members of the Rebekah Lodge Thursday night at IOOF Hall. Members are Lela Pearl Reed, Rosella Rogers, Dora Belle Potter and Paul Bradford. Also admitted to membership, by transfer, was Vertrice Hansborough—Noble Grand-Francis—Branwell announced that there will be a formal installation of new officers on Thursday, and that the January serving committee will serve refreshments. Also, a meeting of the Enter Club with Lilly Noblitt, was announced for Monday night. Everyone was asked to make a special effort to be present.

The initiating team included Babe Mastin, Lilly Patterson, Beva Vance, Etta Crisler; Jewel Kirkham, Ellen Kretzmeier, Lola Nicholson, Ruby Wylie, Lora Brummett, Elsie Cone, Frances Braswell, Colleen Voyles, Bobby Brummett, Bertha Gatlin, Mary Lou Rainey, Hazel Franklin and Vels McClardie.

Others present were Mr. and Mrs. Dewey Voyles, Eula Killian, Vess Brummett, Mr. and Mrs. John Hall, Bonita Brown, Frances Hall, Ethel Bryan, Nyle Franklin, Opal Clay, Irene Brumley, Pat Patterson, Mr. and Mrs. Robert Hollis, Lilly Noblitt, Josephine England, Sammie Sullivan, Jessie Souder and Maxine Stalcup.

Mrs. Skaggs Hosts Venado Blanco Club

WHITE DEER—(Special)—Mrs. J. Skaggs was hostess at a recreational meeting of the Venado Blanco Club Tuesday evening in the high school home-making department. Mrs. George Watson was in charge of the games.

Others present were Mrs. M. E. Edwards, Alvin Smith, Kenneth Gibson, D. V. Biggers, and Misses Helen Walker, Mary Green, Claudia Everly, Gertrude Golladay, Ruby Lee Hill, Doris Smalley, Virginia, Alexander, and Elouise Knox.

At the next meeting, which will be held at the Skellytown teachers' on Jan. 17, Mrs. Rex Reeves of Lefors will give a book review.

Stamps Quartet to Appear January 14

The Stamps Ozark Quartet of Radio Station KWFT, Wichita Falls, will be at the Weatherly School Auditorium in Berger at 7:45 p.m. Saturday, Jan. 14.

The appearance of the quartet is sponsored by the Muscular Dystrophy Society of the Bonavista Methodist Church, and the public has been invited.

Accomplishment by Women in the Church

Under the presidency of Mrs. Frank G. Brooks of Mount Vernon, Iowa, the Woman's Society of Christian Service of the Methodist Church — said to be the largest organized group of women in the world (it has a membership of 1,500,000)—will hold its third quadrennial assembly in Cleveland, Ohio, April 18 to 21, 1950. "Christian Faith for a World in Revolution" is the theme of the gathering which will be attended by Methodist women from every state and representing some 40,000 churches of the denomination. Speakers of national and international note are now being secured for places on the program. In preparation for the assembly, groups of Methodist women across the country are now considering two topics: "The Christian Woman's Responsibility for Human Rights," and "The Christian Woman's Responsibility for World Missions." From these studies and the assembly there will emerge a social-action and a mission-

tion program for Methodist church women.

This is a very challenging time to live in China," says Dr. Wu Yi-fang, president of Ginling College, Nanking, now "behind the bamboo curtain" of Communist control. She reports that the college carries on its Christian and academic program with 200 students, and adds: "What we are hoping is that the new coalition government under Communist leadership may adjust to the Chinese tradition of being moderate. Our people have experienced deep suffering and unsettled conditions for decades and have endured large-scale fighting for twelve years. We can only help, hoping once more that the Communists begin to earnestly to build up the country. We will consider the interests of the people and the nation. We in Christian education wish to contribute what we can to the training of women and the cultivation of personalities."

The recent ordination service for Miss Elisabeth Schmidt, the first woman pastor in the Reformed Church of France, was attended by 32 ministers. Among them was the vice president of the church's national council, three presidents of regional councils, and three presidents of consistories. Miss Schmidt holds philosophy degrees from the Sorbonne and from the faculty in Geneva, Switzerland.

The Social Calendar

Las Cresas Club Chooses Officers for New Semester

Lilla Hundley, Mrs. Baker Henry, 240 1st.

Lois Glass, Mrs. F. A. Gibbs, Cabot Camp, 8:30 a.m.

Eurice Leach, Mrs. W. P. McDonald, 424 North Nelson, 2 p.m.

Geneva Wilson, Mrs. J. H. Tucker, 1304 East Frederic, 2 p.m.

Blance Graves, Mrs. N. B. Ellis, 1352 Garland, 3 p.m.

TOPIC

(Continued From Page 11)
study, "Japan Begins Again."

There were 17 members and one guest, Mrs. Ira F. Key of Amarillo, present.

Circle Seven met in the home of Mrs. R. D. Moore Wednesday morning.

Study books were purchased and Mrs. H. L. Jordan described briefly life in Japan. She spoke of the language, pronunciation, varied climatic conditions and religion before the war.

During a short business session an announcement was made stating that the next meeting will be in the home of Mrs. Wallace Pahle, 600 North Gray, with Mrs. Ell McCarley as co-hostess.

Coffee and rolls were served. After the meeting the group went to Fellowship Hall in the church to see the film on postwar life in Japan.

Officers were elected at a meeting of the club in the home of Janice Mayes Tuesday evening.

Others attending were Dorothy Roberts, Berenice Homer, outgoing president; Janell Ewing, Betty Kiff, Joyce Harrah, Adelaide Williams, Oweetah Overstreet and Sally Cobb.

JANN ETHRIDGE

BERENICE HOMER

Las Cresas Club officers for the coming semester are as follows: Jann Ethridge, president; Martha Hopkins, vice president; Venita Cowan, secretary; Donna Robinson, treasurer; Janice Mayes, reporter; Jean McWright, parliamentarian; Sue Lynn McFall, historian.

Officers were elected at a meeting of the club in the home of Janice Mayes Tuesday evening.

Others attending were Dorothy Roberts, Berenice Homer, outgoing president; Janell Ewing, Betty Kiff, Joyce Harrah, Adelaide Williams, Oweetah Overstreet and Sally Cobb.

Miss Waldron Is WMU Guest Speaker

Miss Vada Waldron, who has served under the Foreign Mission Board of the Southern Baptist Convention for the past 11 years, and who recently returned from Mendoza, Argentina, was guest speaker at the Monday meeting of the Women's Missionary Union of the Central Baptist Church. The luncheon meeting was in the church.

Miss Waldron does kindergarten work in the Good Will Center in Mendoza.

The meeting opened with Mrs. R. E. Warren, Jr., leading in group singing. Mrs. Hal Upchurch at the piano. Mrs. Frank Silcott led the opening prayer, and Mrs.

Revival Scheduled At Calvary Chapel

The Rev. Lee R. Freeman will open a revival meeting Monday at the Calvary Chapel, 800 Lefors, in Pampa.

A fellowship meeting will be held with Guy Shields and the churches of Amarillo and Borger. The revival will continue with the Rev. Freeman, who is an evangelist from San Diego, on the following subjects: "A Christian Foundation in Our Troubled World Today," "Divine Healing, Is it for Us Today?," "The Mystery of Godliness," and "His Touch Has Still Its Ancient Power."

The Rev. Freeman has just returned from China and will also speak on "Communism as Deadly a Foe to Christianity as Nazism," and "It Happened in China, Can it Happen Here?"

Jimmy Silcott sang "Ivory Palaces" as a solo.

During the business meeting quarterly reports were made. There were 38 women present.

GIRL SCOUT NOTES

By MRS. FRANK FATA
Public Relations Chairman

Troop 5
The brand new Girl Scouts in Troop 5 have been realizing many ambitions. Every member of the troop loves dramatics in any form and enjoys singing. With their leaders, Mrs. Don Farley and Mrs. Jim Cunningham, they have incorporated these two activities by writing plays and musical comedies for their puppets.

The cute and ingenious puppets are made with such vegetables as

Couple Opens Own Cafe Here

Mr. and Mrs. Allen Vandover, residents of Pampa since 1937, have opened their own cafe at 846 W. Foster. For the last 13 months they have operated Long's Snack Shack.

The Vandovers said they will specialize in home-made pies, either selling them "to go" or for consumption at the cafe; home-made chili in season, and in merchants' lunches. They will be open seven days a week, and will have special dinners on Sunday.

turnips, carrots, sweet potatoes and Irish potatoes. They use whole cloves for eyes and anything at hand for the nose. Everyone has become adept at whittling the faces to resemble all sorts of characters. They make clothes to fit the puppets. Results are hilarious and much talent has been discovered.

Members of the troop are: Sandra Lou Tidwell, Marlene West, Sandra Petty, Kathleen Martin, Darlene Darrell, Doyle Fletcher, Venita Ann Crocker, Dorthie Pat Cracher and Jeanne Bullard.

Troop 9
Brownies of Troop 9, who have named themselves the "Busy Birds," had an election of officers Monday afternoon in Mrs. John Bradley's room at 3 a.m. Houston.

Officers who were elected to hold office for the next six weeks are: Norma Jean Fatheree, president; Lou Ann Taylor, vice president; Virginia Hopkins, secretary; Virginia Worrell, treasurer.

Mrs. W. S. Marsh, leader, read part of the "Brownie Story," after which Mrs. E. J. Barnes served refreshments of apples and cookies to the following: Bobbie Lee Andis, Betty Jo Barnes, Paula Jo Cumberland, Norma Jean Fatheree, Nellie Beth Greene, Virginia Hopkins, Judith Ann Leland, Martha Jane Marsh, Ann Matlock, Mariana Perkins, Sherry Kay Rhoten, Donna Ruth Farley, Lou Ann Taylor, Carol Triplehorn, Nancy Weaver, Gloria Jean Weir, Virginia Worrell, Mrs. Marsh, Mrs. Bob Andis and Mrs. E. E. Leland.

Troop 15
Learning to cook and sew have been the projects of Brownies in Troop 15. Thursday, the troop was divided with half the girls cooking goldenrod eggs, and the rest making doll clothes.

When the eggs were ready to eat, everyone stopped to enjoy them along with cranberry punch which was furnished by Mrs. E. J. Radcliff, assistant leader.

Those at the meeting were: Signora Ann Bybee, Karen Capps,

Kellerville Troop Is Re-Registered

Kellerville Boy Scout Troop 70 has re-registered for the 11th straight year, John Pound, field Scout executive of the Southern District of the Adobe Walls Area Council, said today.

It was explained 11 years of continued service is unusual for any Scout troop.

The troop is undergoing a complete reorganization, he added. Walter E. Elliott will serve as Scoutmaster, Archie Farran as explorer advisor and Byron Holly as Troop Committee chairman. Troop Committeemen are W. W. Hughes, Ollie McPherson and R. A. Tindall.

Methodist Men Receive Charter

A charter has been granted by Methodism's General Board of Lay Activities in Chicago to a new organization of Methodist Men at the First Methodist Church here.

The local group will become one of 5,000 Methodist Men organizations which the board hopes to charter by 1962, according to Robert G. Mayfield, associate secretary in charge of the promotion of Methodist Men.

Purposes of Methodist Men, it was announced, are fourfold: "to seek daily the Christian way of life; to learn more about the church; to win men and boys to Christ and the church; and, to promote Christian fellowship."

There are 57 charter members of the local organization. President is H. V. McCorkle; Sam A. Beget is secretary. Dr. Orion W. Carter is pastor of the church.

Los Angeles has been getting water from the High Sierra Mountains since 1917.

Women Will Be Interesting Next 50 Years

By HAL BOYLE
NEW YORK — (AP) — The most interesting thing about the next 50 years will be — women.

They have been the most interesting things in any half century.

There is no doubt that this is really a woman's century, and by the year 2,000 the female brand will be stamped more clearly than ever upon it.

The chief task in the 50 years ahead from the standpoint of women themselves is merely to extend their conquest of the male ego. The groundwork was successfully laid from 1900 to 1950.

The ordinary man's attitude toward women has changed from a complacent "dear, what would I

do without you?" to an alarmed "honey, what am I ever going to do with you?"

How will women go about extending their rule?

I think their influence from now on will be felt most in science, finance — and solving the servant problem.

Science is pre-eminently a woman's arena because it is neat and tidy, and the one who comes up with the best recipe wins.

Many of our financiers are going to be in skirts soon, too, for the control of capital intrigues women as much as it does the government.

This brings us to the third chief avenue of feminine effort — the solving of the servant problem.

Since maids are almost impossible to hire and will become more so, the only solution will lie in the further harnessing of husbands. They have taken the place of servants in many families, and this trend will go on.

One wife told me, "the thing I'd like most in the next 50 years is for my husband to bring me my breakfast in bed every morning."

Another woman said: "I think our biggest problem is going to be to find something to do with the time we already have on our hands."

Fellows, your chief duty for the next 50 years — and probably 1,000,001 years after that — will be to keep the fair sex amused.

The more women change the less they do.

Motor Vehicle Production Up

DETROIT — (AP) — Motor vehicle output in the United States last week totaled 118,129 units, automotive news estimated.

The trade paper counted 91,851 cars and 18,289 trucks in the estimate. This compares with 86,383 cars and 18,635 trucks built the previous week.

Automotive news put its final 1949 production estimates at 5,119,396 cars and 130,969 trucks.

Reagan May Choose Own Movie Parts

HOLLYWOOD — (AP) — Seldom do film stars have an opportunity

to stand off and take a long gaze at their careers. Ronald Reagan is the exception.

The chance befell Reagan last year when he and George Tobias engaged in a bit of horseplay during a charity baseball game. Tobias bumped Reagan at first base and the crowd roared with laughter — until it was discovered that Reagan had busted his leg.

"After spending most of last year in bed," he declared, "I'm going to concentrate on my career in 1950. And there are going to be some changes made."

Reagan, now working on his first post-accident picture, "Storm Center," is lining up a select schedule.

"First of all," he said, "I'm going to pick my own pictures. After a review of my latest ones, I have come to the conclusion that I could do as good a job of picking as the studio has done. At least I could do no worse."

With remarkable frankness, Reagan admitted his career had fallen into a rut:

"With the kind of parts I've had, I could telephone my lines in and it wouldn't make any difference. I've had no real acting jobs."

He declared he is seeking characterizations, not "average boy" roles. His ideal is "King's Row," in which he made his first big impression as an actor.

HERE'S MY CHANCE
TO GET RID OF THE
VAMPIRE FOR SPOULIN'
MY PLANS!

REACH,
COWBOY!

NOW I RECOGNIZE
YOU - YOU'RE ONE OF THE
GANG WHO HELD UP
OTARRELL'S WAGON.

YOU KNOW
TOO MUCH,
REDHEAD?

TOO MUCH FOR YOUR
GOOD, FARDNER...

Boots

MR. BUFFINGTON, ROD IS SO
LOADED WITH ZING, I'M REALLY
ALARMED!

I'VE EVEN SUGGESTED
THAT WE GO INTO THE
CLING HERE AT THE
PLANT FOR A THOROUGH
CHECK-UP!

OH, GOOD! WHAT DID
ROD SAY TO
THAT?

I DON'T KNOW! WE'RE STILL
TRYING TO
CATCH 'IM!

Tex Austin

I THINK THAT OLD
GOAT IS LAUGHING
AT ME!

TEXAS IS NO PLACE
FOR IMITATION
COWBOYS, LARRY...
EVEN IF IT'S THE GREAT
WESTERN HOME
STAR HIMSELF!

SAVE YOUR VANITY
FOR THE CAMERA,
LARRY... WE'VE GOT
WORK TO DO!

LET'S FLY OVER THE
BIG-BEND COUNTRY - FROM
ALL I'VE HEARD WE MIGHT
FIND JUST THE THING
WE'RE LOOKING FOR!

MEANWHILE, BACK
IN SWEETGRASS...

FINANCES... BAD
FINANCES!

HOWDY, WAYNE... WHAT'S
YOUR MESSAGE... ABOUT?
WHAT'S ALL THE RUMPS ABOUT?

Freckles

IT WAS
SUCH A
MILD WINTER
NIGHT,
LARRY
MOVED HIS
BED TO THE
SLEEPING
PORCH -
BUT WHILE
HE SLEEPS,
SOME CHANGES
ARE BEING
MADE!

OUT IT! DONT WANNA
SLEEP INNA ICE-BOX! ITS
COLD IN HERE!

HELP!
YOU
CANT
MAKE
ME
BE
AN ICE
CUBE, I -

WELL,
I'LL
BE
WID
THIS?

OH, BOY!

Vic Flint

ALL RIGHT, YOU TWO, WHY
DID YOU TRY TO SHOOT DE CARRO?

AW, WE
KNOW IT
KNOW IT WAS
LOADED.

WISE GUY, EH? YOU
WELL, WE KNOW YOU
RE TRYING TO
PROTECT THE
YOUNG PUNK
WHO
KNOCKED
OFF NICK
THE BOOK.

NICK THE
BOOK? NEVER
HEARD OF HIM.

ME NEITHER.

I DON'T THINK
YOU'RE GOING TO
GET ANYTHING
OUT OF THEM
HERE, INSPECTOR
GROWL.

WELL, TOSS 'EM IN THE
WAGON AND WE'LL TAKE
'EM TO THE CLINK. IT'S
NICE AND COMFORT-
ABLE THERE.

Bo

WHERE DID
THAT MUTT
AND HIS PAL
GO? THEY
SURE GAVE
US THE
SLIP.

THERE ARE
SO MANY
FUNNY SMELLS
IN THIS ALLEY,
I CANT PICK
UP THEIR
TRAIL.

YOU CAN RELAX, BO.
THEY WON'T FIND US
HERE. NOW, I'LL
LET YOU
DOWN HERE!

OH, I GOT SORE AT
THE WAY THE FOLKS
PUSHED ME AROUND
WHEN I WAS TRYING
TO HELP KITTY...

HO-HO-HA-HA... AFTER
ALL THE YEARS I'VE
BEEN TELLING YOU
WHAT A SASS YOU'VE
BEEN, YOU'VE
FINALLY WOKE
UP... HA... HA...

Mickey Finn

YOU MEAN TO SAY
THAT PAUL WENT DOWN
TO UNION STATION TO
SEE HOW KITTY ACTS
WHEN THAT FELLOW
ARRIVES?

YES! ISNT HE
TERRIBLE?
HE FOUND OUT FROM
MR. KING THAT THE
YOUNG MAN IS COMIN'
IN ON THE CENTURY!

Bugs Bunny

YA SURE ON INHALE THEM
ICE CREAM SOPAS, CICERO!

GIVE ME
ONE MORE,
QUICK!

HURRY UP, BUGS!
WHAT'S TH'
BIG RUSH,
KID?

IF I DONT GET
HOME RIGHT AWAY
IT'LL BE TOO BAD!

HOW COME?

I'LL BE
LATE FOR
SUPPER!

Penny

I COULDN'T POSSIBLY LEARN LATIN
DORTHY, AND IF I DID I COULDN'T
POSSIBLY DO ANYTHING WITH IT!

NONSENSE! YOU CAN MAKE
PRACTICAL USE OF ANY KNOW-
LEDGE IF YOU TRY.

ACTUALLY,
FATHER?

CERTAINLY, REMEMBER
SOME PHILOSOPHER ONCE SAID
"HE WHO WANTS TO SING, WILL
FIND A SONG."

YES, FATHER, ISNT THAT THE
REVOLTING TRUTH!

Penny

HAZEL, DID YOU PUT MY
PIPE SOME PLACE?

NO, DEAR,
I DIDNT!

WELL, IT
COULDN'T
HAVE
WALKED
OFF BY
ITSELF!!

WHY
NOT?
IT'S
STRONG
ENOUGH!!

Penny

HAZEL, DID YOU PUT MY
PIPE SOME PLACE?

NO, DEAR,
I DIDNT!

WELL, IT
COULDN'T
HAVE
WALKED
OFF BY
ITSELF!!

WHY
NOT?
IT'S
STRONG
ENOUGH!!

ENOUGH!!

Panhandle Begins New Year With Sharp Production Drop

Activity in the Panhandle began 1950 with a sharp drop in new production. Nine oil wells were completed the past week according to the Railroad Commission for a total increased potential of 579 barrels. This compares to 11 completions the preceding week for 881 barrels.

Two gas wells were completed in the Panhandle and 14 new locations were staked.

COMPLETIONS

Gray County
Texaco Saunders NCT-2 No. 55, 990 feet from S and 1650 feet from E lines Sec. 4, Blk. 1, B&F, tested 99 bbls. with pay from 2,805 to 2,900 feet.

Clifton Service Shields No. 13, 1700 feet from S and 330 feet from E of NW corner, Sec. 151, tested 146 bbls. with pay from 3,158 to 3,268 feet.

Herrmann Bros. & Ruel Smith Morse No. 3, 330 feet from N and 900 feet from E lines Sec. 4, Blk. 26, H&GN, tested 61 bbls. with pay from 2,920 to 2,985 feet.

Dancier Jackson No. 2, 330 feet from S and 990 feet from E lines Sec. 88, Blk. B-2, H&GN, tested 12 bbls. with pay from 3,114 to 3,137 feet.

Hutchinson County
Gray County Prod. Co. Herring No. 1, 330 feet from N and E lines, J. S. Adams Survey, tested 25 bbls. with pay from 3,240 to 3,257 feet.

Amer. Liberty Hedgecock-Whit tennburg No. 43, 330 feet from S and W Sec. 15, Blk. X02, H&OB, tested 79 bbls. with pay from 2,965 to 3,022 feet.

Cody Stinnett No. 1, 330 feet from S and W lines of lease Sec. 22, Blk. M-23, TCR, tested 70 bbls. with pay from 3,048 to 3,142 feet.

Howell & Hewell Bell Wisdom "A" No. 4, 1320 feet from S and 660 feet from E lines of lease Sec. 35, Blk. M-23, TCR, tested 49 bbls. with pay from 2,997 to 3,106 feet.

B. F. Phillips Wisdom No. 7, 330 feet from N and 330 feet from W lines of lease Sec. 35, Blk. M-23, TCR, tested 56 bbls. with pay from 2,990 to 3,070 feet.

NEW GAS COMPLETIONS
Gray County
Panama O. W. Osborne No. 1, Sec. 109, Blk. B-2, H&GN, potential 1,185 MCF.
Panama M. G. Williams No. 1, Sec. 150, Blk. B-2, H&GN, potential 1,715 MCF.

NEW LOCATIONS
Hoval & Dunigan Cubine No. 1, 1625 feet from W and 2,125 feet from N lines Sec. 35, Blk. 25, 11 miles SE Lefors.
Kewanee Oil Co. Morse "E" No. 5, 330 feet from S and 990 feet from W lines S-3 of SE-4 Sec. 15, Blk. A-9, H&GN.
Roy Barker Carpenter No. 1, 990 feet from N and 660 feet from W lines of SW-4 Sec. 39, Blk. 25, H&GN, 9 miles N, 2 miles E McLain.
Kewanee Morse "D" No. 8, 330 feet from S and W lines S-2 of SW-4 Sec. 16, Blk. A-9, H&GN.
Sinclair W. W. Merten "A" No. 10, 990 feet from N and 330 feet from E lines NW-4 Sec. 82, Blk. 3, L&GN.
Hutchinson County
J. Gordon Burch Burnett Estate No. 4, 990 feet from N and 330 feet from W lines Sec. 127, Blk. 5, L&GN.
W. F. Seibold Johnson No. 4, 330 feet from S and E lines Sec. 12, Blk. M-16, AB&M, to 3,250 feet.
Westlund and Beach Whittenburg "E" No. 1, 330 feet from N and 330 feet from W lines Sec. 2, Blk. B-4, D&E.
Moore County
Huber Fuller No. 4, 330 feet from E and 990 feet from S lines of lease Sec. 5, Blk. M-16, AB&M.
Huber Fuller No. 4, 330 feet from E and 1650 feet from S lines, Sec. 5, Blk. M-16, AB&M.

Colorado, New Mexico Heads Disagree on Gas Development

WASHINGTON — (AP) — Two Colorado and New Mexico officials clashed at a power commission hearing over the question of developing a big natural gas pool which underlies portions of their states and Utah.

Colorado's attorney general John W. Metzger asked him if New Mexico had given thought to the fact that withdrawal of gas from wells in that state would cause equal depletion of the resources in Colorado.

Shepard replied "I would suggest that Colorado drill some wells and market their own gas." "In other words," said Metzger, "you want a race on to see how fast you could deplete this natural resource."

Semi-proven reserves of the area were estimated at 11,666,598,300 cubic feet of gas by F. C. Barnes, assistant New Mexico geologist.

The figures were given at a hearing before FPC Examiner Marvin Farrington on an application by El Paso Natural Gas Co. to construct a 451-mile pipeline from the San Juan Basin for delivery of gas in Arizona and California.

El Paso in its application proposed to supply the Southern Union Gas Co. with 15,000,000 cubic feet of gas a day for Northern Arizona cities, and the Pacific Gas and Electric Co. with 150,000,000 cubic feet daily for use in the San Francisco Bay areas.

Attorneys for the FPC indicated they would question the New Mexico geologists' estimates of the San Juan reserves.

Phillips Oil Well Blows Out; Killed

QUITMAN — (AP) — Oil lay deep in ditches and crevices today where a well blew out of control Friday night spouting oil and gas high into the air.

The well owned by the Phillips Petroleum Co. was brought under control shortly before midnight. Oil workers "killed it" — stopped the flow and sealed it off.

It was the B. F. Phillips 7-A, a producer from the Paluxy formation three miles north and slightly west of Quitman.

A strong north wind blew the spouting oil over an area 150 to 200 yards south of the well, which was just across the highway from a Shell Oil Co. camp housing about 350 people.

It is estimated that by the end of the first quarter of 1950 imports will exceed 800,000 barrels daily.

Natural gas production was first taxed in 1931 at two percent of value; today it is taxed 5.2 percent of value.

Two Trillion Feet Gas in San Juan Commission Told

WASHINGTON — (AP) — There are at least 2,294,481,300 cubic feet of natural gas in the San Juan basin fields of New Mexico, Colorado and Utah, the power commission was told last week.

That is the proven gas reserves of the fields, said R. R. Spurrier, New Mexico state geologist.

He testified at the opening of a new inquiry by a commission examiner to determine how much gas is in the basin.

Upon a basis of this finding, the commission will decide whether a pipeline to transport 165,000,000 cubic feet of gas a day from the basin for use in California and Arizona would be justified.

Application to build the pipeline has been made by the El Paso Natural Gas Co.

Objection to Spurrier's figures was made by Alvin Kurta, a Colorado state attorney. He contended they included fields from which El Paso would not draw supplies for the pipelines.

Kansas Hits Drilling High; Pay Slumps

WICHITA, Kans. — (Special) — The search for oil in Kansas in 1949 exceeded the previous year's but actual production for the year declined nearly eight million barrels.

As in the case of Kansas, Texas operators made new drilling records in the number of wells drilled during 1949 but saw production figures drop about eight percent under production for 1948.

Total crude oil runs in the state last year were estimated by the conservation division of the Kansas Corporation Commission at 100,466,928 barrels. Production in 1948 approximated 108 million barrels.

The decline in production results from cutbacks in the permissible output of oil ordered by the commission. The allowable was reduced from 300,000 barrels daily in December 1948 to 245,000 barrels a day by mid-1949. It was gradually increased to 275,000 a day by last December.

Drilling activity last year reached a new high as far back as comparison records go. A total of 3,165 wells were completed, exceeding 1948's activity by 17. Of the new wells, 487 were wildcat ventures and the remaining 2,678 were drilling in established pools. Of the 412 pool wells, 1,446 were gas wells and the remainder 47 wildcats found oil, 10 produced gas and the others were dry holes.

Production of natural gas increased slightly last year in the state to 259,550 million cubic feet.

Stepping Ahead

They are Starting the New Year Right by Adding Spare-time Business Training to Daytime Schooling

THESE two young men are not only lucky, they're smart LUCKY because they have just obtained newspaper routes of their own — which is a privilege only ONE boy in every TEN is fortunate enough to enjoy during his school years.

SMART because they foresee that the best possible preparation for success in the business world of tomorrow, is to ADD newspaper route training and experience to their daytime schooling NOW.

As carrier-salesmen, they are in business for themselves... earning substantial profits... learning modern delivery, collection and sales methods... putting school lessons to immediate use... making many new friends... forming habits of punctuality, courtesy, reliability and thrift that mark them as young men on the way up.

YOUR Son Can Do the Same!

It will be a lucky day for your teenage son, too, when he takes over a newspaper route of his own. Suggest that he contact our Circulation Department for details about becoming a carrier-salesman.

OFFICERS OF the Panhandle Geological Society are shown here during a luncheon meeting of the organization in Amarillo, Wednesday. Pat Meholin, extreme left, district geologist for Sinclair Oil & Gas Co., gave society members a preview of the paper he is to present to geologists of the Mid-Continent area later this month. Meholin's paper concerned subsurface geology in the Anadarko Basin. Society officers, left to right, Meholin, Ray Fickel, treasurer; Robert Herron, president; Robert Totten, vice president; Louise Jordan, secretary.

OIL REPORTS

PAMPA NEWS, SUNDAY JANUARY 8, 1950 PAGE 17

Shell Hits Production on Five Wells in Beckham-Washita

Shell Oil Co. had a good week in the Elk City field. The company found production on five wells and officially completed two other drilpiles developed last week.

Shell's No. 2 E. B. Yelton added a condensate pay section on drillstem test from 98,950 to 9,682 feet. The well flowed 11.7 barrels of 59 gravity condensate and 87,200 cubic feet of gas in 17 minutes.

Officially completed were: Shell's No. 2 G. Slatten in SE SW 9-10-21w with total depth at 9,915 feet plugged back. Well kicked off and flowed 646 barrels of 49 gravity oil and 1,252 MCF gas in 24 hours. GOR was 1,940.

Shell No. 2 G. M. Tucker in NW NW 23-10-21w. The well flowed 301 barrels of 42 gravity oil and 275 MCF gas in 24 hours through 20-64 inch choke for GOR of 914.

Superior was showing production at the No. 2 Nutley in C NE NW of 19-10-20w, adding a well to the Washita County area, east of Elk City. The Nutley tested from 9,700-20 to 190 barrels of oil in unreported time.

United Carbon finished No. 1 Lizzie Walter in C NW SE of 24-10-21w with a flow of 330 barrels of oil and 1,317 MCF gas per day. Total depth was 10,290 feet.

Latest drilling reports from the field are as follows: Drillem test failed on Shell No. 2 Yelton in C SW SE 15-10-21w on first try at 9,889 feet. Test was to be re-run. No. 2 Long in C SE NW 15-10-21w was drilling below 9,721 feet after coring for shows in conglomerate at 9,559 feet to 9,610 feet.

Shell No. 1 Reynolds-Hubbard Unit in C SE S. 2. Slatten while piling were being dug for No. 1 Reynolds in C SW SW of 13. Shell No. 1 Massey was running test at 9,890 feet.

United Carbon No. 2 Cleo Walker, C NE NE of 24, drilling below 8,310 feet and No. 1 Music, in C NW SW of 24 was below 3,005 feet. Wilcox No. 4 Walker in C NE NW of 24 was working below 9,730 feet.

Shell No. 1 Ada Smith, drilling below 10,130 feet and No. 1 State-C in C NW SE of 8 was working from 9,921 feet. The No. 1 Gibbins-A, in C SW NW of 9, was making hole at around 2,760 feet. No. 1 State-D in C NE SE of 9 was below 6,650 feet and the No. 2 State-A in C SW SE of 9 was rigging up rotary.

Shell's discovery well for the field, No. 1 J. G. Walker, in C NE SW of 14-10-21w, was to set plug above present plug-back depth of 10,171 feet.

Oilmen Concerned Over Price Slump

HOUSTON — (AP) — Fear of a crude oil price slump by spring is causing more and more concern among oilmen. Prospects of continued cutbacks in domestic production, combined with resulting strong competition, fill industry spokesmen with gloom.

Oilmen now are saying they expect this year the sharpest competition since the war.

Producers in Texas, Oklahoma and Kansas last week began abating by January allowable cutbacks that threatened to drop domestic output to less than 4,900,000 barrels daily. Production at the end of 1949 was averaging 5,664,000 barrels daily.

The Bureau of Mines last week said domestic crude production last year dropped 8 percent to a total of 1,846,000,000 barrels. It blamed a drop in the postwar trend for increased demand, increased foreign oil imports, and a tendency to reduce additions to stocks.

At the same time, the bureau reported, natural gas production jumped to nearly 6,000,000,000 cubic feet, an increase of about 12 percent over 1948.

Texas crude production alone dropped from 1948's 898,000,000 barrels to 734,000,000 while its gas output climbed to a record 3,433,000,000 cubic feet.

Most oilmen, particularly in Texas, believe a sharp cutback in foreign oil being brought into the United States would remove most of the threat of a domestic fight over crude prices.

Texas congressmen, now back in Washington, promised during the Christmas holidays to seek quick action on legislation limiting imports.

It is unlikely, however, much action, if any, can be expected prior to Jan. 28 when the first quarterly meeting of the National Petroleum Council is scheduled in Washington.

The council is to receive a report from its petroleum imports committee. Congressmen reluctant to step into the oil industry squabble undoubtedly still are hopeful the council eventually will offer a formula for solving the imports problem.

Any solution — whether designed by the council or Congress — would be only temporary, insofar as the domestic industry's anxiety over foreign oil is concerned.

Reserves expansion of foreign oil production and facilities is increasing rapidly. The domestic industry can expect more and more problems to develop with continuation of this trend.

For example, the Bureau of Mines, in announcing that domestic crude output declined 8 percent last year, also estimated that world crude production slipped only 2.2 percent. This means that while United States wells were being shutdown or cut back to reduced flow new and old foreign wells were turning out oil at a higher rate.

The Oil and Gas Journal estimates foreign production in 1949 increased 10 percent over 1948, while United States output dropped 9 percent. The oil publication says imports proven petroleum reserves now approximate 82,000,000,000 barrels just about twice domestic reserves.

Moving into Washington last week along with the opponents of foreign crude imports were the opponents of federal ownership or control of the oil rich coastal tidelands.

The imports battle last year took much of the oil industry's attention off the tidelands dispute but state ownership advocates are confident Congress this year will recognize their claims.

Walter Johnson, special counsel to the National Association of Attorneys General, has predicted Congressional recognition of the state claims will come early in the current session.

Senate committee appointments made this week offered little encouragement to the state ownership group. Senator Glen Taylor, (D-Idaho) who favors federal ownership, was named to the important tidelands legislation under study.

He succeeds the late Senator Bert Miller, (D-Idaho), who generally was considered to favor state ownership.

New Firm to Drill Gassers in Sherman

A newly formed gas company has begun operation in the Texas-Hugoton field.

Tasocsa Gas Co. has staked location on three wells in Sherman County and are planning two additional wells to be staked in the next few days. One of the wells will be drilled in Sherman County and the other in Texas County, Oklahoma, 12 miles southeast of Guymon.

No information was available at present concerning administrative members of the new company but according to Harold J. Steen, agent for Tasocsa, directors of Kerr-McGee Oil Industries will provide personnel for top posts.

While not a subsidiary of Kerr-McGee, Tasocsa Gas Co. originated with Kerr-McGee and will be operated in conjunction with it.

Although not officially confirmed, it is understood approximately 100 sections are available for drilling. Phillips Petroleum Co. has arranged farm-outs to Eastcoast.

It is also understood the company plans to drill approximately 60 gas wells within a year if shows on the first five wells warrants expansion.

Coming to Klean, purpose being forming the company was to develop reserves in the Texas-Hugoton field.

Phillips Co. Gives Awards To Pampans

Clara Lee Shewmaker, 1200 S. Hobart, received a 25-year award from Phillips Petroleum Co. and Frank E. Bailey, 438 N. Warren, retired on pension from the company according to an announcement from Phillips. The award and pension were effective Jan. 1, 1950.

Miss Shewmaker joined Phillips in 1925 as a clerk in the Women's Club. In 1938 she was transferred to Borger where at the present time she is a senior stenographer.

A member and past president of the Business and Professional Women's Club, she has taken an active part in civic affairs in Pampa.

Bailey was born at Warren, Pa., in 1885. After spending a short time in Oklahoma, he joined Phillips in Pampa in March, 1925. He has worked as a pumpjack in the Pampa area during his entire service with the company.

As a result of illness, Bailey has been confined to his home on civil leave until his retirement.

TIPRO Adds Weapon to Oil Import Battle

AUSTIN — (Special) — Texas Independent Producers and Royalty Owners Association is stepping up its fight against crude oil imports. Latest addition to the battle is an eight-page bulletin entitled "OIL IMPORTS — A Problem of Importance to the American People."

The bulletin is a part of the association's Imports Educational Program.

The program, set up at the mid-year directors meeting of the Association, calls for meetings in every Congressional district of the state, at which each Texas member of Congress is urged not only to support a limitation on imports but to work actively to convince his colleagues in other states of the need for some curb. E. I. (Tommy) Thompson, executive vice president of TIPRO, was named to direct the program.

In addition to the meetings, attended by businessmen, bankers, farmers, and oil independents, the pamphlets are being mailed to TIPRO's 4,500 members. Thompson said last week that, in re-

THE DRILLER'S LOG

By BUD ANDERSON

Subsurface geology in the Anadarko Basin was topic of a paper read by Pat Meholin, district geologist for Sinclair last Wednesday. The paper was presented to a meeting of the Panhandle Geological Society in Amarillo. This is the paper he is to give at mid-continent regional meeting of the American Association of Petroleum Geologists in Oklahoma City, Jan. 12-13.

The paper will be published later in the association's bulletin.

Meholin summarized the paper by saying development in the basin would be slow, but that he had reason to believe there were vast reserves in the area. He stated the field should be large but not so large perhaps as that in the West Texas.

The next scheduled program for the society will be Feb. 1 when Robert Roth, geologist with Humble at Wichita Falls, will read a paper on the paleo-geology of the Panhandle field. There is to be a meeting Feb. 18 but no program has been scheduled as yet.

Other speakers have been approached and tentatively scheduled. Paul Grant, Gulf, may read his paper which is a correlation of geologic findings in the Anadarko Basin as a result of the six test wells his company has drilled. He is scheduled for March 1.

Jerry Knight, geologist with Phillips, has been asked to present a report he has prepared on the geological history of the Palo Duro Canyon. This is slated for March 15.

Fanhandle Eastern Pipeline Co. is scheduled to begin drilling soon on a wildcat just south of Liberal, Kans., in Seward County. The well is near the Kansas-Oklahoma line. The company will test the Mississippian. Location of the well, No. 1 Cole, is C 11-35S-33W.

Hoval and Dunigan have filed an intent to drill on their Cubine lease 11 miles southeast of Lefors. Their Cubine No. 1 in Sec. 35, Blk. 25, H&GN, is to be drilled to around 2,500 feet for gas. There have been two other attempts in this area but neither well was completed. Hoval and Dunigan now have lease on the entire section.

Railroad Commission hearing on proration rules in the Texas-Hugoton field is to be held in Amarillo Jan. 25.

Scheduled for review is the question on field allowances. The commission wants to find out whether conditions exist in the fields to make it imperative to adjust allowed production to the actual demand for gas produced in the fields as shown by production.

Said the commission notice: "During the period Oct. 1, 1948, the effective date of proration in the field, to Aug. 31, 1949, the total need for gas as expressed by nominations was used by the commission to determine a each month's allowable, and under production in excess of six billion cubic feet accrued to wells in the field."

The commission believes the underproduction — 50 billion cubic feet in the West Panhandle field — has not been shared proportionately by the operators and some have accrued more than their share.

Shell Oil Co. completed its much-watched No. 1 Ada Smith in the Beckham-Washita field in Oklahoma. This test extends the field one mile west.

A drillem test from 9,700-88 of 57 gravity condensate 129,200 cubic feet of gas in 38 minutes for a GOR of 3,630.

Tool was open 61 minutes with the 1,700-foot water cushion to the surface in 15 minutes, gas in 18 minutes and the condensate in 22 minutes. Top hole flowing pressure was 900 pounds. This was through 3-8 bottom and 1-2 inch top hole chokes. After the tool was pulled, recovery was 420 feet of condensate and 30 feet of drilling water. Bottom hole flowing pressure was 4,225 pounds.

Drilling was continued, with electric, micro and caliper logs run at 9,997 feet. Operators now drilling below 10,130 feet.

In spite of rumor to the contrary, no contractor has been named to drill the Texas Co. McGarrough, deep test in southern Ochiltree County.

According to rumor, Gardiner Bros. of Dallas already has a rig on the location in Sec. 151, Blk. 13. By late Friday, there was no rig on the location. The company has begun moving in pipe and it is understood bids have been requested.

One Gardiner Bros. representative has verified all this information.

This isn't saying Gardiner will not get the contract. It merely points out they haven't gotten it yet — as of late Friday.

Wildcat Reports

Armstrong County
Cities Service No. 1 Swift, Sec. 108, Blk. B-3, H&GN, operators set 9-6-8 inch pipe to 340 feet and cemented with 150 sacks, drilling ahead below 1,928 feet.

Childress County
Stanolind No. 1 Steve Owens, Sec. 81, Blk. 1, SPRR, Drillem test attempted between 5,771 and 5,832 feet recovered 100 feet of drilling mud with tool open one hour. Test between 6,020-90 recovered 1,700 feet drilling mud, fishing at present at 6,104 feet.

Hansford County
Phillips No. 1 Dix, Sec. 4, Blk. 2, GH&H, drilling below 5,656 feet.

Ochiltree County
Gulf No. 1 Wamble, J. J. Balentine Survey, drilling below 11,385 feet.

Texas Co. No. 1 McGarrough, Sec. 151, Blk. 13, T&NO, moving in pipe. Contractor not yet named.

Randall County
Slessman No. 1 George Nance, Sec. 138, Blk. 6, I&GN, drilling below 6,315 feet.

Dibble No. 1 Currie, Sec. 7, Blk. 6, I&GN, location.

Roberts County
Sinclair No. 3-C Lips, Sec. 133, Blk. C G&M, Drilling below 10,650 feet in lime.

Sinclair No. 4 Lips, Sec. 159, Blk. 15, T&NO, drilling below 7,650 feet in shale.

Services Tomorrow For Texas Oilman

SAN ANTONIO — (AP) — Funeral services will be held here tomorrow for Raul Bover Swiger, 51, pioneer Southwest Texas oilman. He died Thursday of a heart ailment.

Flames Lick Detroit Plant

FLAMES LICK DETROIT PLANT — Firemen successfully keep flames from blowing up two 29,000-gallon fuel tanks only a few feet from the center of the blaze at the Aurora Gasoline Co. in Detroit. Three persons were killed and four others injured, two critically. Thirty-one fire companies answered the five alarms after a ruptured fuel pipe exploded and ignited several storage tanks.

1950 Congress Opens Like an Old Record

WASHINGTON — (AP) — The opening of the 1950 Congress was about as unusual as listening to an old phonograph record.

President Truman handed Congress the program he wants passed. But this was just the unfinished part of the program he offered last year.

Right away the Democratic leaders said this was a very wonderful program, indeed, which is what they have been saying all along.

And right away the Republicans condemned the program. "It's socialistic," they said, which is what they have been saying all along.

This brings us to where we were when Congress quit for a few months last fall.

As for the program, Congress probably will pass some of it, leave most unpassed, which is what it did with the same program last year.

In the elections of 1950 and 1952 the voters ought to be able to make a pretty clear-cut choice between Democrats and Republicans to run the country.

They can by their votes show whether they want the Truman program or some program the Republicans offer by election time.

The Democrats now have a slim majority in Congress. But the Truman Democrats become a minority any time the Southern Democrats want to break away and vote with the Republicans.

So long as this up-and-down situation continues in Congress, with neither side in strong control, any program, Democrat or Republican, will have slow going, and we'll get more talk than action.

In a two-party country like this, a fairly well divided Congress is a check against either side going too far too fast. That's the argument against too much control by any one party.

The other side of the argument is this: if at any time the voters give any one party a majority in Congress, it's because at that time the voters like that party's program and want it carried out.

FIRST LADY IS HOSTESS — Donna Inez Munoz-Marin (right), wife of Puerto Rico's first elected Governor, is hostess to stage and screen star Jose Ferrer, native Puerto Rican, and his wife, at opening of the Caribe Hilton Hotel, San Juan.

Professor Says Texas Education Is 100 Years Behind the Times

AUSTIN — (AP) — Dr. Frederick Eby, director of the University of Texas, said today that education in Texas is 100 years behind the times in meeting actual social needs.

Addressing the 17th Annual Conference of School Administrators, Dr. Eby attacked present-day educational patterns and warned that a thorough reorganization is essential.

The professor of history and philosophy of education viewed the Gilmer-Aikin reorganization as an indication of the public's lack of confidence in the leadership of educators.

"The profession is held in such dis-esteem that their judgment is not considered of value," he said. "The Legislature has determined the recent curricular and other changes and has taken the initiative in the Gilmer-Aikin reorganization," he observed.

Public education is not in reality a function of the state, he said. Though he saw merit in the Gilmer-Aikin reform he said the program has not touched the essential problem, namely the teacher-pupil relationship.

Reorganization of education should include these essential points, he said: (1) Every school system should provide nurseries wherever needed. Every child needs kindergarten training.

Failure of public schools to furnish facilities on this level is inexcusable. (2) Reorganization of the high school system which he termed a "relic of pioneer life" which "no country but the United States tolerates."

(3) Junior colleges should form the terminal point of education rather than the high school, college training being necessary for the completion of universal education and vocational training for the masses. The university would then serve for higher professional training, technology and research along all lines.

He said that educators were told that Texas' educational rating has climbed from 37th to 18th in the nation since 1935. The speaker was Dr. L. A. Woods, former state school superintendent who is now an advisor to the State Board of Education. Woods was reviewing his long ad-

gets that his is but another trade mastered like plumbers or electricians learn theirs; and eventually he attributes to himself the significance that belongs only to his work. And then he walks through modern civilization like an uncrowned dictator.

"When I think of the people who don't smoke, eat or sleep when they please, because some doctor's got hold of them," I once told John, "I could scream. When I think of how children were once forced to swallow spinach no matter what, because you medical said it was good. And now, you say it is bad and causes said to form in the kidneys."

Faye Emerson Will Remain A Democrat

DALLAS — (AP) — "I'm still a Democrat!" actress Faye Emerson chuckled. On her way to Mexico City to divorce Elliott Roosevelt, son of the late President, she added: "I vote with my head — not my heart."

The dark-haired, brown-eyed, 32-year-old Texas beauty cleared customs and breakfasted lightly after the American Airlines plane from New York landed. The ship took off for Mexico at 4:44 a.m. Friday.

Sleet and ice and 28-degree temperature greeted the actress as she stepped from the plane and she sighed: "I had to come back to Texas for this nice brisk weather. It was warm in New York."

"Doesn't it smell good?" she kept saying, tilting her head back and sniffing heavily at the raw air. "It smells so good to be back in Texas." She's a native of Beaumont and later lived in Houston and El Paso.

Her estranged husband has been seen recently with Georgeanne (Gigi) Durston, a pretty New York cafe singer. "Do you know about Miss Durston?" Miss Emerson was asked. "I surely do," she replied. "I read about it in the papers."

"How do you feel about this situation?" "I feel fine, I keep telling newspapermen," she smiled tightly. In New York she said both she and the President's son "are very sorry our marriage came to an end" and that a property settlement had been made. She repeated: "There's no other man."

She refused to elaborate on her life with Elliott Roosevelt or the estrangement, saying: "There are just some things that one doesn't discuss at a time like this." She added, however, that she thinks "Elliott is a lot like his father."

She'll stay with friends in Mexico City, hopes to get down to quaint Tazco and to the west coast resort city, Acapulco. "This divorce has been coming a long time," she said. Miss Emerson married Roosevelt Dec. 5, 1944, at the Grand Canyon. The marriage was Miss Emerson's second and Roosevelt's third.

She has a nine-year-old boy by her first marriage to William Wallace Crawford of California. Her grandmother, Mrs. Emma Smythe, lives in Beaumont as does an aunt, Mrs. G. H. Shepherd.

Several Cuts of Beef Cheaper By the Associated Press Several cuts of beef were a little cheaper in many market centers last week, but retail food prices as a whole were holding steady.

Pork and egg prices, which had been skidding for several weeks, leveled off. Increasingly heavy supplies promised resumption of the downtrend, however.

On the produce shelves, minor reductions were noted on cabbage, carrots, celery, cucumbers, and fresh strawberries. Broccoli and green peppers were a little higher. Lettuce was about unchanged.

Good quality lettuce was relatively scarce and prices probably would edge higher. Unfavorable weather in California and Arizona damaged supplies.

Some domestic onion growers complained they were having trouble marketing their crop because onions imported from Russian-controlled Hungary and Czechoslovakia were selling at lower prices.

The Dun & Bradstreet wholesale food price index advanced one cent to \$5.73 and compared with \$6.12 a year ago. The figure represents the total wholesale cost of a pound each of 31 foods in general use.

State to Pay for Half Highway Bill

TAMPIOCO, Mexico — (AP) — Tamulipas State is willing to put up half the money to finish rebuilding the road from Tampico to Mante on the Panamerican highway. Governor Raul Garate said he would go to Mexico City to ask President Miguel Aleman for 750,000 pesos (\$87,000) of federal funds to match an equal sum from the state.

Jurors Picked for January Court Term

Jurors for the January term of County Court were picked Friday afternoon. A jury commission of John V. Andrews, Jimmie Weir, and Boyd Meador picked a panel of 24 men for each of the remaining three weeks in the court term to try civil cases. The panel was picked from the list of those who had paid their poll taxes.

Montanans Just Take Weather In Their Stride

HELENA, Mont. — (AP) — How does it feel to live where it gets so cold the thermometer freezes, as it did in Montana Wednesday? Well, if you're a Montanan, you just take it in stride. You're used to it. And Montanans take a sort of pride in reading or hearing that their state is the coldest in the nation. They're especially pleased when they beat out Canada, which has the advantage of being farther towards the North Pole. After you've seen the temperature go down to 50 degrees below zero — the mercury-type thermometer freezes up at 38 below and alcohol is substituted — you get to be an old hand at telling by "sense" when it's really getting cold. Old-timers say they can smell a temperature nose-dive coming. You take a whiff of the morning air and it feels like it's scalding your throat. It makes you cough. The air bites your face and your ears ache. When they quit aching, that's had — they're freezing up. And you think you can hear better. Sound travels great distances in the biting air. If a wind comes up, that's when being outdoors is really rough. It feels like the skin is peeling right off any exposed parts of your body.

Board Ballots To Be Counted

The second ballot to elect a five-man Chamber of Commerce Advisory Board will be counted at 10 a. m. tomorrow at the CC office. The top ten men on the first ballot were placed on the second ballot. Included were Tom Rose, Jimmy McCune, Noel Dalton, J. Wade Duncan, H. R. Miller, Frank Culbertson, E. M. Samples, Cecil Myatt, Raymond Salmon and A. L. Mills. Present Advisory Board members whose terms have expired are L. N. Atchison, A. A. Schuneman, J. Wade Duncan, Euelyn Laycock and Frank Carter.

Howell Adds New Refrigeration Man

Five new residents were added to Pampa's population last week when Beryl Witherspoon, a refrigeration and air conditioning engineer, started to work for Bert Howell Refrigeration Co., 119 N. Ward. Witherspoon, who has had 15 years' experience in the refrigeration business, was formerly district engineer for the Frigidare Corp., stationed in Amarillo. He is married and has three children.
