J.L. Swindle Is Accidentally Killed in Fall; Was Managing Editor of News

J. L. SWINDLE

J. L. Swindle, 33, managing editor of The Pampa Daily News, was killed early this morning in Ponca City, Okla., when he fell from his hotel room window to the sidewalk, six floors below.

The body was still warm when it was discovered lying face down by D. J. Donahoe, Jr., who had pulled into a parking space about 12:14 a. m.

Mr. Swindle was attending a U. S. Highway 40 Association conference in Ponca City with E. O. "Red" Wedgworth, Chamber of Commerce manager, and G. S. "Pinkey" Vineyard, Chamber of Commerce president.

Investigating officers said Mr. Swindle had apparently gotten sleepily out of bed to close the window after a sudden cold front and heavy rains had moved in. Blankets that he evidently threw aside earlier were found draped across the foot end of his bed.

A sheet, believed to have been wrapped around him, was found trailing from the foot of the bed, across a chair where his shirt and trousers were hanging, to the bottom of an extremely low window sill. A chair in front of the writing desk, in the opposite corner of the room, was toppled over leading officers to believe he had stumbled in the dark, and plunged into the window screen.

Mr. Vineyard stated that the hooks holding the frame of the screen to the window were found still in place but that the wire had pulled away from the frame as he struck it and hurled through the broken screen, falling to the sidewalk, 65 feet below.

Mr. Swindle had attended a dinner earlier with other members of the Pampa delegation and returned to the hotel about 10:30 p. m. His companions estimated, the Ponca News reported, that Mr. Swindle had been asleep for about three-quarters of an hour when he got up to close the window. He had the room alone, just two doors down the hall from Vineyard and Wedgworth.

The body was taken to the Miles Funeral Home at Ponca City where it will be taken overland by hearse to Poplar Bluff, Mo., later today. Services at Poplar Bluff Wednesday will be under direction of the Greer Funeral Home.

He was born in Marmaduke, Ark., in 1917 and was graduated in 1939 from Arkansas State University at Jonesboro, majoring in education. Following graduation he taught English and journalism at Truman High School, Truman, Ark., from 1939 to 1940. He left the high school to work as a reporter on the Poplar Bluff American Republic in 1941.

He came to the Pampa Daily News as city editor on April 3, 1944 and was promoted to managing editor in 1945. During his newspaper career Mr. Swindle also had his own news broadcast. (See J. L. SWINDLE, Page 3)

GOP Is Jubilant Over Guill Victory

Red Probers Given New Accusation

WASHINGTON — (AP) — Senator McCarthy's new charge of "foreign agent" against a United States envoy confronted Senate Communist investigators today.

McCarthy, Wisconsin Republican, made the accusation at a news conference after a speech at Janesville in his home state yesterday.

He did not identify the individual publicly, but described him in a speech as "a United States minister to a foreign country" whose name he previously had given to the Senate foreign relations subcommittee investigating his charges of communism in the State Department.

That committee booked a meeting behind closed doors today to arrange for starting a study of State Department files made available to the inquiry group by President Truman. The files cover 81 persons, including the accused envoy, cited by McCarthy as either Communists, fellow travelers, or otherwise bad security risks.

The committee also was to consider action on a recommendation by its chief counsel, Edward P. Morgan, that Earl Browder and Frederick Vanderbilt Field be cited for contempt of Congress.

Browder, former head of the American Communist Party, and Field, New York millionaire, both refused to answer several questions when they were before the committee. Senator Tydings (D-Md.), the chairman, called their attitude an affront to the dignity of the Senate.

The 81 cases on which the committee will get State Department files were outlined to the Senate by McCarthy last Feb. 20. He named no names then, but later listed them for the inquiry group. The names have not been made public.

In his speech to the Wisconsin Federation of Young Republicans at Janesville, McCarthy said the U. S. envoy he accused was his "Case No. 2."

China Famine Areas Due Airborne Rice

TAIPEI, Formosa — (AP) — Ten Nationalist planes were loaded with 5,000 bags of rice today to be dropped on famine areas in China.

The bags weighed 32 pounds each. The planes were expected to take off during the night to minimize their chances of being intercepted by Chinese Communist fighters.

AFL to Study Labor Merger

PHILADELPHIA — (AP) — President William Green of the American Federation of Labor sits down today with his 13-man executive council to map the political, economic and inter-union paths the AFL will tread in 1950.

Certain to receive major consideration at the council's spring meeting is a proposal by the CIO's Philip Murray calling for formation of a committee to help create a united labor front.

The council meeting tops a full week of AFL activity in Philadelphia, including the 8th annual AFL-Union Industries Show and a five-day convention of the Pennsylvania Federation of Labor.

In his recent proposal, Murray suggested that a joint committee be formed by the nation's major labor organizations to:

- (1) Coordinate labor's economic, political and legislative activities.
- (2) Work toward eventual merger into a single united organization.

Green repeatedly has said he favors a powerful single labor federation in the U. S., but the matter of political and economic cooperation in advance of such a merger is still an open question.

Last month, Green said the executive council would consider that portion of Murray's proposal calling for establishment of a joint cooperation committee.

Murray's plan has already been accepted by John L. Lewis, chief of the United Mine Workers, and Al Hayes, president of the Independent Machinists Union. The railway unions, included in Murray's invitation, have not yet replied.

Indications were strong that the AFL council will reiterate its stand that a merger should come first and the united labor front will follow.

Another development expected by many during the council's sessions is an announcement that the 500,000-member machinists union — which quit the AFL four years ago — is ready to re-affiliate.

Fireworks may develop over charges by Edward H. Weyer, secretary of the Kentucky AFL, that John L. Lewis is "moving in" on AFL coal contracts.

More than 100 resolutions, ranging from demands for repeal of the Taft-Hartley Law to a plea for a neutral Ireland, will be taken up by delegates to the state AFL convention.

Fire Blackens Quebec Town

RIMOUSKI, Que. — (AP) — Stunned and weary residents of Rimouski, Quebec, blackened ruins today and gloomily predicted it would take 25 years to recover from the economic blow of a 30-hour fire that caused \$20,000,000 damage and left 2,500 persons homeless.

By some miracle there were no deaths from the weekend fire in this industrial city of 15,000 on the south shore of the St. Lawrence 180 miles northeast of Quebec.

But the flames swept through 212 homes and more than a score of buildings and stores, large and small. These included the four-story St. Joseph Hospital, the Sisters of Charity Orphanage, the Rimouski Seminary, the technical school, Rimouski Hospital, two hotels and a motion picture theater.

The western section of the city was virtually wiped out. The fire started Saturday night, probably when a power line snapped in a heavy wind and set fire to two big lumber mills. It raced through the mills and spread with almost unbelievable speed, whipped by winds that reached 80 miles an hour.

The flames cut through the western section of the city, destroying one building after another. Throughout Saturday night and all day Sunday fire fighters battled the flames. Amidst the smoke and showering cinders thousands of dazed residents loaded belongings on vehicles and fled.

CRASH FATAL — (AP) — A light plane plunged into a pasture a mile north of here yesterday and killed its 18-year-old pilot, Charles M. Pennington, of Wichita, Kans.

War, Peace Depends On U.S., Truman Says

Texan Offers Plan to Cut Appropriation

WASHINGTON — (AP) — A move to chop \$750,000,000 from a pending \$29,000,000,000 appropriation bill by directing the president to make that much of a cut was started today by Rep. Thomas (D-Texas).

Thomas is a member of the House Appropriations Committee. He said he would offer an amendment providing that the president from cutting any funds through the Budget Bureau, distribute the reduction among the various federal agencies.

Thomas told newsmen the amendment is his own idea and he does not know how much support it will have.

Some leading Republicans previously had opposed suggestions that Congress direct the president to make the reductions. They said such a procedure would be "back passing."

"This is not an abdication of power on the part of Congress," Thomas said. "This is the orderly way to proceed."

A vote on Thomas' amendment may be reached by the House Wednesday. Funds for river and harbor and flood control projects were up for action today.

Republicans, meanwhile, were preparing to put all their strength behind two moves for a cut of about \$1,300,000,000.

Since they have lost in every attempt to make deep cuts in the big bill during the past four weeks, they were pessimistic about their chances on the final test.

The showdown will come just before the House votes to send the measure to the Senate late this week.

It will center on these two moves:

1. An amendment to forbid federal agencies to hire new employees for vacancies occurring during the next fiscal year.
2. A motion to send the entire bill back to the appropriations committee with specific instructions to cut "about a billion dollars" in specified sections.

Rep. Thomas (R-N.Y.), leader of the GOP drive to trim the bill. (See TEXAS, Page 3)

TWO KILLED IN CRASH—This huge double-trailer gasoline tanker, driven by Paul Beamer, 35, of Canton, Ohio, lies at the bottom of a 30-foot embankment near Martins Ferry, Ohio, after colliding with the passenger car driven by Jack Haught, 37, of San Diego, Texas. Both drivers were killed. Blazing gasoline burned down utility poles and cut telephone connections.

Talks on Indochina Opened by Acheson

Air Farmers Welcomed by Pampa Group

About 125 persons attended the pilot's breakfast at the Pampa Country Club yesterday. The breakfast was sponsored by the Pampa Pilot's Association in cooperation with the Chamber of Commerce.

Due to unfavorable weather, only about 25 planes of the previously expected 100 landed at Municipal Airport.

With the breakfast beginning at 9 a. m., the program consisted of an impromptu quartet composed of E. O. "Red" Wedgworth, Jimmy McCune, and two visitors.

Two films were shown to the visitors, one on CAA airports and the other an Abbott and Costello movie, "Flying High."

The purpose of the breakfast and the others to follow was to get pilots in the district acquainted with each other. From now until next fall a breakfast will be held each Sunday in some town in Texas. Sunday, May 21, the breakfast will be held in Clarendon.

Twister Hits McLean Area

McLEAN — A tornado dipped to the ground one mile west of here yesterday, and uprooted four large trees south of the railroad tracks. One tree was uprooted north of the tracks and part of a wire fence, a section of the telephone lines, and about 300 of 400 yards of shelter belt trees were destroyed.

It was believed that the high grade of the railroad bed and the shelter belt might have scattered the tornado and thereby reduced its force.

A downpour of almost two inches of rain accompanied the storm threat. No injuries were reported.

25 KILLED — ISTANBUL, Turkey — (AP) — A bridge in Northern Anatolia collapsed yesterday, dropping a bus filled with 49 passengers into a deep ravine below. Twenty-five of the passengers were killed.

REDS COULD WIN, German Boasts — (AP) — A German Communist leader boasted today that if the western powers went to war with Russia they would be "beaten worse than Hitler," at Stalingrad and Berlin.

The declaration was made by Hans Dahlem, a member of the executive committee of the Socialist Unity (Communist) Party of the Russian zone. He spoke at joint Soviet-German ceremonies here marking the fifth anniversary of "Germany's liberation by the Soviet Army." This is the Communists' new designation for VE day — the date of Germany's capitulation in World War II.

It was a legal holiday in Soviet-occupied territory and German Communists laid wreaths on Red Army memorials, praised the Russians and attacked the western powers as "plotters of a new war."

Isolationists Are Assailed In Tour Talk

ABOARD TRUMAN TRAIN — (AP) — President Truman declared today that the decisions the United States makes in the months ahead will determine whether there will be "a third world war."

In a talk to a train side crowd at Galesburg, Ill., the president assailed "isolationists" who would "let the rest of the world be swallowed up by communism."

"These men, Mr. Truman asserted, cannot see beyond their noses," and forget "the terrible price this country would have to pay for such a course."

"These same men who tell you we should economize by an isolationist policy," he said, "did the same thing after World War One and brought on 'World War Two.'"

"We will have a third world war, if we 'renege' on our allies," Mr. Truman said, just as "Russia is renegeing on her allies."

Speaking on the fifth anniversary of his proclamation of allied victory over Nazi Germany, the president devoted much of his first "whistle stop" speech to a warning on the critical foreign situation.

Mr. Truman's talk was listed as an "off the cuff" speech, but he read from notes.

Defending his so-called "non-political" cross-country speaking trip, which has been assailed by some Republicans, Mr. Truman said he is making "a report to the people" as he has "every right" and "privilege" to do.

A next world war he warned, would not be fought entirely on foreign soil.

He said isolationists in this (See WAR, Page 3)

Four Injured In Accident Near Groom

GROOM — (Special) — Four Wellington residents were injured, one critically, when a Flying Farmer four-place plane crashed near here yesterday morning. Critically injured was Max H. Grabin, 52, who suffered two broken legs, four broken ribs and a laceration. He is in Groom Hospital.

Herman Terry, 21, received a broken rib; Grabin's wife suffered numerous cuts and bruises and Ann Grabin, age 6, daughter of Gain Grabin of Wellington, received a cut on the head. All patients were taken to the Groom hospital for treatment.

The accident occurred yesterday morning as the plane took off from Arthur Brown's field near Groom. The group had attended the Flying Farmer breakfast in Pampa and were en route home when heavy fog over the stalled plane near Jericho forced them to the ground.

After the fog dispersed, the plane attempted to take off and in the south end of the field, banked to the east and stalled. It tumbled into the ground from a height of about twelve feet. Both wings and the fuselage were reported to be beyond repair.

Withrow Services Slated at 4 P.M. — Funeral services for Jimmie Keith Withrow, 19, son of Mr. and Mrs. James C. Withrow, 433 N. Hill, who died Saturday in the Lubbock Memorial Clinic, will be held at 4 p. m. today at the First Baptist Church, with the Rev. Douglas C. Fisher, pastor, officiating.

pallbearers will be Jack Lanford, Jack Curtis, Wilbur Morris, Edgar Parrott, all of Pampa, and Jimmy Popovich and Mac Lowrier of Borger.

Duenkel - Carmichael is in charge.

PRICES CUT — NEW YORK — (AP) — General Foods Corp. announced today a wholesale price reduction of two cents a pound on all its brand lines of vacuum packed coffee, effective immediately.

PLANE CRASH—A Wellington man was critically injured and three other occupants were hurt when this plane crashed yesterday in a field about nine miles east of Groom, near Jericho. The crash occurred when the pilot attempted to miss telephone wires as he was taking off. (Photo by Frank Dove, Groom; News Engraving)

Piano Additions Set Wednesday

More than 25,000 pianists will play this spring in 350 cities to the national piano playing auditions, sponsored by the National Guild of Piano Teachers.

Locally, these auditions will be held on May 10 at the First Methodist Church, and will continue for three days, Mrs. H. A. Yoder, local chairman, announced.

In addition to Pampa students, a large group from McLean will participate, and possibly a few from other towns.

Jillott Griffin, composer and teacher of Los Angeles, Calif. will be the judge for the auditions.

Glaze parsnips with brown sugar, butter or margarine and a little water. Serve with meat or fish.

PIANO SYMPHONY READY TO PERFORM TONIGHT

Harley Bulls

Judith Baer

Janis Foster

Ruth Fulfer

Mrs. May Foreman Carr has put the final polish on her piano symphony, to play tonight and tomorrow night at the Junior High School Auditorium. Both performances will begin at 8 o'clock.

In addition to such experienced and accomplished pianists as John Branson, Mrs. Margaret Heiny, concert pianist, organist and instructor of Amarillo, Miss Eloise Lane, Harley Bulls, Miss Eloise Holmes Scott, Mrs. Carr will present several very young performers, including Janis Foster and Judith Baer. Pictured here are several others who will play in the concert.

Eloise Lane

Evelyn Fulfer

The habit of using a compact, for instance, is bad for young girls with blemished skin. You are likely to carry the same old dirty puff back and forth from compact to face throughout the day. It would be better to fill a cleansing tissue each day with fresh powder and a gauze pad or cotton ball so that if you do apply makeup it will be clean.

There are some medications which physicians recommend which have healing qualities. These can remove shine from the nose and face without the use of powder, helping the skin to heal more quickly. If you must use powder during this skin infection period, why not use a baby powder? Shake it out of its container whenever you wish to do a new makeup job.

At night a special cleansing job is in order. An application of baby oil, removed with a good gauze pad, floats away the day's makeup. The next step is a good lathering with soap and warm water. Tincture of green soap may be used two or three times a week. One beauty expert suggests this once-a-week face scourer: Mix cornmeal and soap beads in equal parts, make a grainy cleanser which mildly "scours" the skin. Rinse your face several times with warm water, and finish off with splashings of cold water.

The nighttime wash-up is a good time for routing blackheads. If you notice some blackheads that look as if they might be easily removed, pat cotton and warm water on them. Then take your sterile gauze pad and press it gently around the blackhead. Don't squeeze it, however, unless you want to leave your face

with unsightly large pores. Finish off your skin cleansing with a bit of antiseptic or alcohol to help prevent infection. Be sure you get enough air while you are sleeping. Don't overload your stomach with rich pastries and starches and cause your system to become sluggish. It will reflect in your skin.

Nose Red as Raw
due to a cold?
To relieve stinging irritation and help restore a healthy complexion, apply a bit of gentle, soothing, carefully medicated **RESINOL** ointment.

Flower Designs Are Demonstrated By Mrs. Price

By creating clever floral arrangements with roses, gladioli, iris and stock, Mrs. Taylor Price of Price Greenhouse, demonstrated to the Jayces-Ettes on Wednesday night how to derive the most beauty from flowers used in the home.

Mrs. Price said that it is important to suit the arrangement to the container used. She also gave many helpful suggestions on how to care for flowers, and presented other useful information on the subject.

The club presented Mrs. Price with a gift.

A business meeting was held following the program with Mrs. Rusty Ward, president, in charge. The minutes of the last meeting were read and the roll call made by Mrs. Allen Brown, secretary.

A list of charitable organizations was submitted by a committee, and the club voted to donate a certain amount yearly to each of these organizations. Several money-making projects were discussed. The club members elected to print programs and sell advertising for the Helen Melder dance recital they are to sponsor in June.

Announcement was made of a barn dance to be held on Saturday night for the Jayces and their wives at the country home of Mrs. and Mr. Bud Johnson.

A guest present at the meeting was Mrs. Jack York of Dalhart. Members present were: Mrs. Weldon Adair, Mrs. Paul Appleton, Mrs. Jim Arndt, Mrs. D. A. Brown, Mrs. Frank Fata, Mrs. Joe Fisher, Mrs. Don Foster, Mrs. Elmer Francis, Mrs. H. C. Grady, Jr., Mrs. Clifton McNeely, Mrs. J. R. Quick, Mrs. Delton Sanders, Mrs. Pinks Sims, Mrs. T. O. Tipps, Mrs. A. B. Udahsen, Mrs. Jack Vaughn, Mrs. Rusty Ward, and Mrs. Bob Miller.

Liberty HD Club Has Meeting and Covered Dish Lunch

LIBERTY — (Special) — The Liberty Home Demonstration Club met in the home of Mrs. H. M. Roth for a covered dish luncheon. Those present were Mrs. Mmes. James Foster, Archie Hardin, Kate Stokes, Roy McCracken, Buster Stokes, Roth and one visitor, Luther Petty.

Others arriving after lunch were Mmes. J. E. Weeks, a visitor from Wheeler, Homer Sanders, Arthur Reaneau, Earl Carpenter, Orphus Tate, and Olen Davis.

Roll call was answered by giving a Bible quotation with "mother" in it. The group voted to pay expenses for anyone making

In scalding milk, heat it only until little beads or bubbles appear around the edges of the pan.

with unsightly large pores. Finish off your skin cleansing with a bit of antiseptic or alcohol to help prevent infection. Be sure you get enough air while you are sleeping. Don't overload your stomach with rich pastries and starches and cause your system to become sluggish. It will reflect in your skin.

Missionary Meeting Held by Members Of McLean WMU

McLEAN — (Special) — Both circles of the women's Missionary Union of the Baptist Church met in the church parlor Tuesday night for a missionary meeting.

Mrs. Hubert Waldrop led the program on "Publishing Glad Tidings." A playlet, "Radio in Missions," was presented by Mrs. C. E. Lee, Jr., Mrs. Howard Williams and Mrs. Cohen Gallegly.

A solo, "Greenlands Ice Mountain" was sung by Mrs. Paul Miller.

Mrs. R. L. McDonald, president, presided during the business session. Reports were heard and plans made for trying to enlist others.

Refreshments were served by Mrs. John Cooper and Mrs. Hugh Kunkel, members of the Elizabeth Pool circle to Mmes. Luthy Petty, Buell T. Wells, R. L. Applying, Oba Kunkel, Leroy Williams, Joe Taylor, Homer Abbott, Smokey Price, George Colebank, Lee Gallegly, Miller, Waldrop, H. Williams, and McDonald.

Bible study will be held Tuesday afternoon at the church by the Elizabeth Pool circle and at night in the home of Mrs. Gallegly.

The Sunbeams, little tots auxiliary, met in the church in the afternoon for a "Flannel Board Talk" on Africa by their leader, Mrs. Harry Harlan. The following children were present: Lequita Cooper, Louvera Taylor, Lequita Wells, Gary Bissett, Sanford Kiser, Vernon Luther Kennedy, Michael and Kathy Karlan.

Refreshments were served.

McLEAN — (Special) — The Rev. Buell T. Wells, pastor of the McLean Baptist Church, and the Rev. H. Bishop Price, pastor of the Kellerville Baptist Church, leave by train from Pampa this morning for Chicago, Ill. to attend the annual Southern Baptist Convention.

They will return home on Saturday before Mother's Day to have charge of special services in their respective churches.

It's efficient to use a piece of waxed paper for sifting flour; but don't throw the paper away each time, fold it up and store it in a covered container ready for use.

For Friday fare serve a casserole of creamed seafood and a tangy salad of greens, grapefruit and orange sections, and French dressing. Have plenty of hot rolls and butter and end with a substantial dessert.

a club trip to Wheeler. A council meeting report was given by Mrs. Davis, Mrs. Buster Stokes.

Mrs. Reneau gave a demonstration on preparing food for a deep freeze or locker storage, and prepared asparagus and strawberries, then showed various containers and how to use them. Mrs. Roth demonstrated her deep freeze and its uses.

The next meeting will be May 16, in the home of Mrs. Tate.

First Plan Your Garden on Paper, Speaker Advises

"When planning a garden, it is wise to first landscape it on paper and get a tentative picture of what the results will be," Mrs. Taylor Price told members of Epistol Sigma Alpha Sorority, when she spoke to them Thursday evening on "Planning Your Backyard."

Mrs. Price cautioned gardeners to visualize their plants at maturity to avoid overcrowding flowers should be planted in groups, not in a straight line, to achieve the maximum effect of colors. Above all, she advised to rush into landscaping, saying a great deal of time is necessary to acquire the most gratifying results.

The speaker also offered suggestions as to which shrubs and flowers should be planted to provide blossoms all summer.

The meeting was in the home of Mrs. Joe A. Mitchell, 1118 Charles, with Mrs. Mitchell and Mrs. Herman Foster as hostesses. Mrs. Foster introduced Mrs. Price. A refreshment plate of strawberry shortcake and coffee was served.

Present were Mrs. Al Doucette, Mrs. William Ragdale, Mrs. Bruce Parker, Mrs. Bert Arney, Mrs. Margaret Dial, Mrs. John Nutting, Mrs. Tom Lindsey, Mrs. Parks Brunley, Mrs. O. J. Payne and Mrs. Charles L. Robison.

Chicken salad sandwiches are delicious served with raw cranberry and orange relish. To make the relish, put raw cranberries and fresh orange through the food chopper and sweeten with sugar; allow to stand in refrigerator overnight to mellow flavors.

Political Calendar

The Pampa News has been authorized to present the names of the following citizens as candidates for offices subject to the action of the Democratic voters in their primary election on Saturday, July 22nd, 1950.

For Congress, 18th Congressional District:

LeROY LAMASTER.

Good Skin Tips For Teen-Agers

By BETTY CLARKE
AP Newsfeatures Beauty Editor

These days cleanliness is the weapon teen-agers use against rash and pimples often caused by stale wash cloths and dirty powder puffs.

A clear complexion campaign is a 24-hour job.

Mornings, the best start is a sudsy water scrubbing, followed by a thorough rinsing and a good "spanking" of cold water to stimulate circulation. Sterile gauze pads make ideal wash cloths for young faces. They can be used once and thrown away, thus lessening the danger of self-infection from dirty hands and much used wash cloths.

Noontime, it's off with old makeup. Fresh makeup applied over old makeup brings the danger of pressing dirt and grime into skin. The morning's stale makeup should be removed with a sterile gauze pad soaked with witch hazel. Of course if the skin is in poor condition, the teen-ager should skip makeup completely.

The Pampa Daily News BUILDING NEWS

PAMPA NEWS, MONDAY, MAY 8, 1950 PAGE 3

New Furniture Styles Slated For Exhibition During July

During the month of July, furniture buyers from stores all over the country will be congregating at the furniture markets in Chicago, Grand Rapids, High Point, North Carolina, and Los Angeles to view the latest designs in furniture, fabrics, floor coverings, lamps and accessories, and all advance reports indicate that the manufacturers are ready with exciting new merchandise to tempt the buyers.
Early reports reveal that more new designs, new woods and finishes, and better all around construction and styling will be unveiled during the summer months than ever before. Manufacturers of the great demand for well-styled, well-made home furnishings at prices within the range of the average consumer's budget and have made every effort to meet this popular demand.
Many of the designs will incorporate newly developed functional features such as individual concealed reading lights in headboards of beds—hosiery drawers built into dressing table chairs and benches, and many other innovations.
There will also be many new dual-purpose and combination pieces introduced, and these have been refined to the point where wendervulgarly versatile cabinets, chests, tables, and sofa beds are as beautifully designed as the single-purpose units but provide greater flexibility and utility.
From a style standpoint, Modern is expected to be the leader but fresh concepts of 18th Century, French Provincial, and Early American will also be introduced.
The fabrics and floor coverings showings are expected to be highly exciting too, with glorious colors, luxurious weaves, and interesting designs making their bow. Best news of all is that along with all these developments, you'll find prices are lower than they have been when all of this sparkling new merchandise is displayed in the retail stores this fall!

Auto Union Warns GM Walkout Near

DETROIT—The CIO United Auto Workers union is sharpening a strike threat against the last big target in its "fourth round" pension and wage hike drive.

A costly, 100-day strike against Chrysler Corp. was hardly over when the UAW threatened Sunday to cancel its contract with General Motors Corp., largest of the car industry's Big Three, unless "progress" is shown in bargaining talks.
Slated to expire May 29, the contract will continue until 30-day notice of termination is given. It has run for two years.

The 89,000 Chrysler workers, who won pensions and other benefits in their walkout, headed back to their jobs today. The agreement was reached Thursday.
The Ford Motor Co., other member of the Big Three, granted pensions last September.
The UAW already has filed a notice of intent to strike against GM, as required by the Taft-Hartley Law. But it still has to poll 235,000 GM workers on a strike, as required by its own constitution and under Michigan law.

With membership approval, the union could call a strike 30 days after serving notice of cancellation of contract.
From General Motors, the UAW is demanding benefits totaling 31 cents an hour. It asks \$125 a month pensions, including social security, a nine-cent-an-hour wage boost and a union shop.
Both Ford and Chrysler granted what the union called a ten-cent-an-hour "package" plan. This provided for \$100 a month pensions, including social security, plus health and insurance benefits.

T. A. Johnstone, the union's GM director, said the UAW national GM conference authorized the negotiating committee to serve cancellation notice on the company at any time.
The committee reported "there had been no substantial progress toward a collective bargaining agreement during 21 meetings with representatives of the General Motors Corp." Talks began March 29.
Johnstone said that the cancellation notice would be served "in the near future unless developments in negotiations indicate a

Lenders Check Ability to Pay Repair Costs

Mortgage lenders report that an increasing number of families, when seeking loans to purchase homes, fail to consider the cost of home maintenance and that many home-seekers are disappointed when lenders tell them they will have to accept smaller loans and consequently smaller homes.
Packaged monthly payments include principal, interest, taxes, and water. They do not cover painting, redecoration, repair or installation of new equipment.
Since lenders require that property be kept in good condition, maintenance is as much a cost of home ownership as taxes and interest. Therefore, a lender examines closely the borrower's income and outgo to determine if the home can be properly maintained without becoming a financial burden.
Some banks are now suggesting that 1 percent of the cost of the home be allowed each year for maintenance—in the case of a \$10,000 property, \$100 per year or about \$8 monthly. They then add this figure to the monthly payments when determining how large a mortgage can be written, but the amount for maintenance is not included in the monthly payments.
Lenders point out that maintenance expenditures can be offset by allowable income tax deductions and through fuel savings if the home is insulated with mineral wool. The insulation also reduces redecoration expense because dirt is deposited less rapidly on insulated walls and ceilings.

Reds Confiscate Truck Cargoes

BERLIN—(AP)—West German border officials said today the Russians have confiscated cargoes of 35 German trucks carrying scrap metal and furniture from Berlin to West Germany at the highway checkpoint at Maricoborn in the past 24 hours.

Similar seizures have occurred in the past months, with the Russians charging their occupation zone is being exploited to benefit the western zones.

William's Hitting, Red Sox Near Lead

(By The Associated Press) Ted Williams' blazing bat and the friendly confines of Fenway Park have boosted the Boston Red Sox to within a hair's breadth of first place.

Joe McCarthy's men today were 42 percentage points behind the American League leading Detroit club. In games won and lost, however, they topped the Tigers by half length.

The Red Sox double triumph over the St. Louis Browns yesterday, 8-6 and 6-3, gave them a 15-7 record as compared with Detroit's 9-4 mark. The Tigers bowed to the Yankees in New York, 6-3.

Williams, whose bat has been a destructive weapon since his return following a siege of the flu, won the opener for Boston. He hammered his seventh home run of the season and scored twice to provide the margin of victory. He drove in a run and scored once in the second game. His fifth inning single snapped a 2-3 tie.

In the nine games since his return, Ted has walloped seven home runs and has driven in 16 runs. He has hit safely in every game and has scored in all but one. The Red Sox have won eight of the nine.

Charlie Schanz, in relief of starter Maurice McDermott, was credited with his first victory in the opener. He allowed three hits after McDermott had walked himself out of the game with 10 bases on balls in less than four innings. Al Pappal was victorious over his former Brownie mates in the second game.

The Yankees' Tommy Byrne, an old Tiger killer, found the going rough in the early innings but settled down for his ninth triumph over the Tigers in four seasons.

Not only did Byrne tame the Tigers with nine hits but he sparked a three-run winning rally if the eighth. His single off relief pitcher Paul Calvert drove two mates.

Bill Gien's bases-loaded homer, his second grand slam in five days, enabled the Washington Senators to come from behind and defeat the Cleveland Indians, 10-8. Mickey Harris, who allowed one hit in the last five innings after replacing starter Conrado Marrero, was the winner.

Chicago and Philadelphia divided a doubleheader. The White Sox pounded Lou Brissie for 10 hits, half for extra bases, to win the first game 7-5. Garmon's three-run homer and Bob Hooper's seven-hit pitching won the second game for Philadelphia, 4-2.

Every club but Brooklyn and Boston switched positions in the National League following yesterday's results. The Dodgers retained their hold on first place, edging out the Pirates in Pittsburgh, 3-2. Jackie Robinson drove in all Brooklyn's runs with a single, double and home run off Murray Dickson. Rex Barney was charged with a brilliant one-hit, five and two-thirds inning relief effort gained credit for his first victory. The defeat dropped the pirates into a fourth place tie with St. Louis.

The Cardinals jumped two notches by humiliating the Boston Braves, 15-0. The Braves were held to four singles by Howie Pollet. Enos Slaughter led a 21-hit attack against Johnny Sain and three relievers with four hits in five times at bat.

The Philadelphia Phillies moved into second place by dumping the Reds' twice in Cincinnati, 6-0 and 6-4. Ken Heintzelman hurled a three-hitter in the first game. Ewell Blackwell was charged with the second game loss, Cincinnati's sixth in succession.

The New York Giants moved out of last place as Cincinnati moved in by sweeping both ends of a doubleheader from the Cubs in Chicago, 4-3 and 6-3. They shelved Bob Rush off the mound in the first inning of the opener and did the same to John Klippstein in the first inning of the nightcap.

Oilers, Garland Toppie Clovis, 13-1

Joe Prucha to Hurl Finale At Clovis

CLOVIS — (AP) — Rightfielder Joe Prucha's ninth-inning triple with two outs and Pete Trabucco on base robbed lefty Bill Garland of a shutout as the Pampa Oilers trounced the Clovis Pioneers 13-1 before 1400 fans here Sunday afternoon.

Garland gave up only five hits to even the series for Pampa. Jess Jacinto's double, Will Ehrhardt's bouncing single over third and a safe bunt by Don Greary were all the Pioneers could do with Garland's offerings for the first eight frames.

Bob Monis rapped Garland for the first solid hit to open the last of the ninth. He was forced out at second by Trabucco, who went hitless in four trips to end his consecutive game hitting streak at 15. Ron George was Garland's fifth strikeout victim for the second out but Pennington carried through with a liner between left and center to spoil Garland's bid for a shutout.

The Oilers won the game in the first inning. Bob Rose scratched a single off Jacinto's hand and came in ahead of Roy Parker who parked one over the right-center barrier. Johnny Jeandron's walk and Virgil Richardson's double gave the Oilers the third run before man could be retired. But Pennington survived the frame without further damage.

Hubbers Outslug Dukes, 23-16

DALLAS — (AP) — Amateur golf's triple crown — the National, Trans-Mississippi and Western — in the bag, silent Charlie Coe, Oklahoma's 41st man, set his sights today on the Colonial National invitation at Fort Worth where he will match strokes with 35 crack professionals.

The Oklahoma City string bean liked Bob Goldwater, 39-year-old Phoenix, Ariz. business man, 7 and 6 here yesterday to bag the forty-eighth Western Amateur title. The poker-faced young man with the million dollar swing put on a show for the gallery of 3,000 in the final 18 holes, finishing with two birdies and an eagle to leave the wise-cracking Goldwater somewhat agast.

"We old folks have had everything," quipped Goldwater, who qualifies as the Jimmie Demaret of amateur golf. "I like to get ahead in the 25-30 Colonial Invitation May 28-28 where he will go against Ben Hogan, Byron Nelson and other greats of golf."

Gold Sox Blast Abilene, 15-10

AMARILLO — (AP) — The Amarillo Gold Sox blasted their way out of the West Texas-New Mexico League today here Sunday afternoon, clouting four Abilene pitchers for 15 hits and a 15-10 triumph.

The loss was Abilene's second in as many games here and showed the team into eighth place, one game behind Amarillo.

Paced by second baseman Ed McKay, who collected two home runs, a double and a single in four times at bat, the Gold Sox hammered for six hits and nine runs in the fourth inning to overtake a 9-2 deficit. Twelve batters went to the plate in the fourth, McKay and Crawford Howard poling four homers, the first of starter Bill Lubbok and McKay's off Lon Dunn, the losing pitcher.

OC Indians Win Sixth Straight

(By The Associated Press) Trouble with the Texas League is that it's in a rut. The race now unfolding before the fans is a virtual replay of last year's. Fort Worth, Tulsa and Oklahoma City, with the rest of the gang fighting for fourth place.

Oklahoma City is the current sensation. The Indians yesterday won their sixth straight, beating Houston 3-1. It kept them a game ahead of fourth-place Beaumont which licked Fort Worth 2-1.

Meanwhile, Tulsa managed to crawl up a game on the Cats by trimming San Antonio 5-2.

Dallas and Houston are getting nowhere in their scrap to see which holds down the cellar. Dallas lost to Shreveport but stayed a half-game out of the dank regions because Houston lost, too.

Oklahoma City got only four hits but drove two of them in a bunch to bring over the winning runs in the fifth inning. Houston smacked six hits but didn't manage to get them.

Bob Marquis singled to bring in Beaumont's winning run in the eleventh inning. Ernie Nevel won a pitching victory the easiest way possible. He threw only two balls in the first of the eleventh to get the Cats out.

Walker Cross twirled a five-hitter in Tulsa's victory over San Antonio. It ended an Oler losing streak that had reached four games. Jim Sumner homered in the sixth to provide the victory margin.

Pampans Tied for Golf Lead

BORGER — (AP) — Phillips Country Club and Pampa golf teams were tied at 335-all after the first 18 holes of play here Sunday in the four-legged Pampans Golf Association.

Ross Rogers of Amarillo followed with a 337 and Phillips' cross town rivals, Huber, brought up the rear but six strokes behind with a 341.

Low gross scores of the day were registered by Ernie Dowell and Kieth Fowler of Amarillo, 69. Low net score of the day, a 64, was registered by Pampa pro John Austin's youthful club member, Ronnie Samples.

Over 120 participants flooded the Phillips greens from dawn to sunset, as the hosts attempted to begin a drive towards retaining the association trophy won last year.

Team scores were those of the five top golfers from each of the association's four clubs.

Members of the Pampa team were: Ronnie Samples, 64; Tommy Cox, 67; Mikeey, Frigmore, 67; George Thompson, 68; and J. C. Mitchell, 69.

Phillips golfers and their scores were: Jack Delamater, 68; C. J. Sweeney, 67; Bill Barton, 67; W. S. Etchison, 67; and Al Tyndall, 68.

Homer in Ninth Gives Gassers 10 to 9 Victory

BORGER — (AP) — A ninth inning homer run by Fred (Pappy) Williams, his second of the game and his eighth of the year, gave the Borger Gassers a 10-9 win here Sunday afternoon.

Williams, the first man up for the Gassers in the ninth, hung a deft one on reliever Jim Reynolds when he socked one of his offerings far over the leftfield fence.

The game was an uphill battle all the way for the Borgerans. They had tied it in the bottom of the seventh at six-all with a three-run spurge, topped by the big Gasser first sacker's other homer.

Charley Coe Captures 48th Western Amateur Title

DALLAS — (AP) — Amateur golf's triple crown — the National, Trans-Mississippi and Western — in the bag, silent Charlie Coe, Oklahoma's 41st man, set his sights today on the Colonial National invitation at Fort Worth where he will match strokes with 35 crack professionals.

WARREN'S WARMUP

QUESTION: What man is credited with the invention of the curve ball in baseball?

ANSWER: William A. Cummings is credited with the invention of the curve ball. He was elected to the Baseball Hall of Fame for meritorious service to baseball.

Bauer Teaches the Youngsters — No. 6

Lengthen Clubs to Fit Youth; Add Irons as Child Progresses

Clawitter hasn't been able to do much at the plate this season, hitting about .150, but he is still a good defensive man.

Malcolm Douglass, former Pampa Harvester basketball captain, won a freshman letter as a member of the Texas A&M frosh basketball team according to a release from College Station. Douglass was a regular on the Fish squad this past winter.

Right now Douglass is playing with the golf team at A&M, getting ready for a crack at the Greenbelt Golf Tournament, the Pampa City Tournament and the Annual Top of Texas affair. In which he battled to the semifinals last year.

The word comes out of Amarillo that Teddie Clawitter, long a backstop in this league, and one-time manager of the Borger Baseball Club, may get his release. The Sox have acquired Rocco Cardinale, a veteran catcher from Austin of the Big State League as part payment for Jim Reynolds, Gold Sox rightfielder and last season who was sent to Austin. Reynolds is now with Lamesa after getting into a scrape with the manager of the Big State club.

Now we add two more clubs — the Nos. 3 and 7 Irons, built in the right proportion, of course. Should the child have a brother or sister two years or so younger the clubs can be handed down, and new ones made for the elder youngster.

In my own family, I used Marlene, the younger of the two girls, as a come-on for Alice. I had Marlene practicing on the No. 10 tee on my course, when she was located only a few feet from the main highway leading to Aberdeen, S. D. Passers-by soon noticed the little girl with the perfect swing, and drove in to watch.

Their comments and admiration soon had Alice taking notice. Before long, Alice, then 11, was pounding away more diligently than the three-and-a-half-year-old Marlene. That first summer, Alice went on to win the first flight in the club championship.

Preakness Next Chance for Nags to Chase Middleground

LOUISVILLE, Ky. — (AP) — Your Host, the Hollywood hope of movie maker William Goetz, will get another chance to earn his Oscar.

The souped-up comet from the Pacific Coast didn't convince his handlers in the Kentucky Derby that he can't carry his great speed more than a mile. He will have to show them in the Preakness May 20.

Although an 8-5 favorite, Your Host lagged in a badly beaten ninth in Saturday's derby.

Trainer Harry Daniels said five different horses challenged Your Host's pace in the Rose classic.

"It's tough enough beating one horse," he said, "but when they keep coming at you, one at a time, only a super horse can stand up under it."

So Daniels said he would take his horse to Baltimore for proof positive. If he shows he can't go the route, he'll be dropped back to sprints. The Preakness covers a mile and three-sixteenths, one sixteenth shorter than the Derby.

The great Derby champ Middleground was taking it easy, meanwhile.

He's among at least seven Derby horses that will go after the second gem on American racing's triple crown. The others are Hill Prince, second in the Derby; Mr. Trouble, third and the also-ran Sunglow, Oil Capitol, Hawley and Your Host.

Despite the close three-horse finish in the Derby, a lot of Middleground's followers argue that the other horses are wasting their time challenging him in the Preakness. They point up that the King Ranch campaigner from Texas emphasized his superiority by winning from the worst post position. He broke from the extreme outside and thus had farther to run than the rest of the field.

That argument couldn't find a willing listener around the Hill Prince and Mr. Trouble camps. Their horses were as strong as Middleground at the finish, they hold forth.

Neutral opinion-holders rate all three horses as potentially great and think they will be beating each other all year in stakes for three-year-olds.

Harvesters Battle Sandies

This afternoon the Pampa Harvesters play the Amarillo Sandies at Otter Park in the final game of the District 1-A season for the Green and Gold. The Sandies are currently atop the standings, but should the Harvesters win it will throw the race into a deadlock between Borger and Amarillo.

Card of Thanks

In my Father's House are Many Mansions. It was not as I would have told you. I go to Prepare a Place for you. And I'll go and Prepare a Place for You. I'll Come Again, and Receive You Into Myself. -John 14:2-3-

I cannot think of them as dead. Who said that? I know they are. They have left but gone before. The Father's House is mansions. Far beyond the stars and here and there are living into Him.

And still their silent ministry Within my heart. And here they walk with me. And met me face to face. Their lives are made forever mine; Hath left henceforth its seal and sign Engraven deep within.

Mrs. Rebecca D. Thomas wishes to express our sincere appreciation to all those who assisted us during the illness and death of our loved one, Mrs. Rebecca D. Thomas. We especially wish to acknowledge the kindness of all our friends and neighbors, to Dr. Faulkner and Dr. Bider for their untiring help. Also to Rev. R. E. Moore and the membership of Assembly of God Church who so lovingly ministered to us so much. May God bless you all.

Back Of The Loaf Is The Man Who Sells It

Pampa Men Form Hard-Hitting Crew For Perpetuation of Fresherized Bread

THE LONG AND SHORT of the Pampa division of Mead's Bakery is pictured above. This hard-hitting and progressive crew is, from left to right, "Runt" Willingham, driver-salesman; Oscar Cox, supervisor; Sam Keel, driver-salesman; Bill Lam, driver-salesman; Mike Davis, driver-salesman, and Leon Allen, driver-salesman.

The best product and the most financially affluent company in the world are of no value to themselves without a well chosen, efficient and hard-hitting stock of manpower. The pressure of Twentieth Century sales resistance serves to highlight the statement and further prove that it is still men, not machines, who are responsible for the success of a company and its products. Such is the case with Mead's Fresherized Bread.

In our slam-bang rush to get to and from our work, meals, and pleasures, few of us realize that the success of the popular Mead's loaf of bread depends on the talents, versatility and desire to keep plugging of a handful of Pampa men and their families. Although there are only six of them directly responsible for the successful distribution of Mead's products in Pampa and considerable of the surrounding territory, their sudden evacuation from Pampa would leave a not inconsiderable gap in our local economy, to say nothing of a sizeable chunk of downright old-fashioned spreading of daily good cheer.

Most of you probably know the Mead's crew when you see the familiar "It's Fresherized" insignia on cap and uniform as the boys make their daily rounds. Did you realize, however, that these men are your everyday neighbors, and that they are most ardent boosters of Pampa?

Let's give the boys their 'brief moment' under the spots. Oscar Cox, the supervisor, has lived in Pampa four years, he's married and the proud father of a couple of boys, both still in the 'handful' stage. Oscar, who has spent the greater portion of his 28 years in the bakery business, is solely responsible for the management of Mead's distribution in Pampa and twenty-five or so other towns in the area. It's Oscar who schedules the runs, iron out the troubles and keeps the boat on even keel. It's no small job; Pampanos eat a lot of bread and demand it in its freshest state. Oscar keeps you satisfied.

The driver-salesman of a nifty company, although he is in constant contact with your dealer, is the unsung hero of a successful sales-distribution plan. He's the boy who gets bread on the table for you, despite the weather

or any other element of interference. Taking them as they come, they form a formidable sales-crew for Mead's. Bill Lam, 2 1/2 years with the company, is married and has two daughters. Bill has the plum of the sales-routes. Pampa is Bill's big worry.

Mike Davis, his wife and three children decided they liked Pampa better than Amarillo. They moved in and took over the Mead's truck covering Miami, Skellytown, White Deer and part of Pampa. Although a junior member of only eight months seniority, Mike is one of the most popular of the Mead men. Leon Allen cast his lot with Mead's about six months ago. He moved his family in from Altus, Oklahoma, and started selling bread in Lefors and Pampa.

Sam Keel, a twelve-year native Pampa boy, has quite a list of towns to cover. He handles Mead's truck through Canadian, Wheeler, Allison, Twitty and points intermediate, and still manages to find time to spend with his wife and two kiddies. Bringing up the rear is "Runt" Willingham, all 6' 6", 230 lbs. of him. "Runt" is the number one man in Pampa driver-salesman categories. You'll remember him from his days as operator of the old Pampa Food Store. "Runt" would be a formidable antagonist in any fray. When it comes to selling bread, he's pretty hard to beat.

Next time you see a Mead's truck on the street, have a look at the driver, he might be your next door neighbor. Make your next loaf of bread one of the many fine Mead's products. It even tastes better when you have a personal angle to remind you of the excellence of the man behind the loaf.

Pitts Pitches New Service Feature to Local Gourmets

That genial entrepreneur of Pampa's most popular cafeteria, John Pitts, has sprung another surprise move on the citizenry of our fair village.

It isn't enough that Mr. Pitts fills his Courthouse Cafeteria with all of the most modern, efficient and comfort giving devices known to the cafeteria trade. The finest possible meals, at the lowest prices to be obtained isn't goal enough for Mr. Pitts.

Now, he has added another community service feature to his popular food and drink emporium. With little or no effort, at extremely moderate cost, you can obtain the services of the Courthouse Cafeteria and its dining rooms for evening functions of various nature. The latest information available indicates that Mr. Pitts will tender the services of the Courthouse Cafeteria and its staff for special parties, breakfast meetings, special events and other meritorious functions. A special menu, to fill the need of your specific case, will be provided through special arrangement with the Courthouse Cafeteria management.

The man who says there is nothing new under the sun hasn't been trying to keep up with Mrs. Pitts. As soon as we get one innovation sufficiently digested to accept it as 'matter of course' the Courthouse Cafeteria announces a new teaser for our fancies of pleasure and food.

Therefore, don't say you weren't warned. If it's the new and different you want, in exchange for high ratio of value to price, keep in touch with the Courthouse Cafeteria. It's a good everyday habit for you, for your appetite, for your health and your pocketbook.

Charley Ford in Warning Against Cleanup Neglect

Seems like everybody is tossing a bit of comment anent the Panhandle. As predicted in earlier editions of the Pampa News, the KoolVent Company is no fly-by-night enterprise. The KoolVent crew has been working frantically to get installations in for real weather-testing by some of the famed Panhandle wind, heat and rain. The only catch to the plan is the lack of rain.

The KoolVent product is claimed to be an ideal installation for areas with a predominance of wind and dust. It seems rather logical, after due study of the product, that the majority of claims so made are quite true. The KoolVent awning is of metallic construction, it is installed as a permanent fixture — no need to raise or lower — on your home. You can obtain KoolVent in a variety of patterns and color combinations to suit your individual needs.

Cretney Drug to Handle Gaston Johnston No-Roach

If the saying, "there's nothing new under the sun" is true, then Gaston Johnston's NO-ROACH is the nearest thing to being new under the sun in Pampa. Furthermore, even though the idea may not be new, the success of the idea and resultant product is refreshing enough to be termed new-hops in the battle against insect pests in Pampa.

When you're plagued with roaches, there's nothing worse for your morale than meeting folks who claim they've never seen the pesky things! Well, everybody has had roaches at one time or another — practically everybody. There's no stigma attached to belonging to the society for the eradication and prevention of roaches. But there is cause for eyebrow lifting if you don't exercise your membership in the society and do something about your troubles — especially now, that Johnston's NO-ROACH is on the market. This product is sensational. It really kills them. There's no excuse for roaches when NO-ROACH is available at so nominal a cost and works so fast. The price is so ridiculously low, so economical when compared to its power, that you'll have to get Cretney Drug to quote it for you. Cretney, incidentally, is the exclusive distributor in Pampa for this amazing product.

Johnston's NO-ROACH is a colorless, liquid coating, which is simply brushed on surfaces frequented by roaches, ants, and waterbugs. It is invisible, stainless, odorless and sanitary. The colorless coating kills these crawling insects and remains effective for months to kill the strays that wander in over it. These may all be friendly creatures, but they don't make for the best of social relationships.

This isn't designed to be a scare story — maybe you've never had a roach, and/or waterbug in your house — but it will set you to thinking about the annual infestation of ants and their first cousins. There's no horror on earth quite comparable with the sensation of leaving a beautifully clean, gleaming kitchen after you've done the dinner dishes, and then returning at midnight for a snack, turning on the light, and seeing the gleaming backs of dark brown cockroaches scurrying across the kitchen table.

KoolVent Could Be Answer to Weather Problems

With a weekend of unpredictable weather under our belts, there are many of us still wondering about the time honored cliches about the weather. "Everyone talks about it, but no one seems to do anything about it." This statement, however, is open to argument. We may not be able to do anything about controlling the weather, but we can control the effects of nature's buffeting on our daily lives.

This past week has been a tutorial for demonstration of the value in permanence and durability of the KoolVent metal awning installations. What with winds up to sixty-five miles an hour, black and brown clouds of dust, and everything else nature could concoct, excepting rain, this has been an ideal time for you to ask for 'show me' proof of the claims of durability and permanence of a KoolVent awning installation.

The KoolVent people are rapidly proving their worth in the Panhandle. As predicted in earlier editions of the Pampa News, the KoolVent Company is no fly-by-night enterprise. The KoolVent crew has been working frantically to get installations in for real weather-testing by some of the famed Panhandle wind, heat and rain. The only catch to the plan is the lack of rain.

The KoolVent product is claimed to be an ideal installation for areas with a predominance of wind and dust. It seems rather logical, after due study of the product, that the majority of claims so made are quite true. The KoolVent awning is of metallic construction, it is installed as a permanent fixture — no need to raise or lower — on your home. You can obtain KoolVent in a variety of patterns and color combinations to suit your individual needs.

The modern housewife demonstrates the modern way to keep a gleaming white, sanitary and insect free kitchen. Simple as the old ABC technique. A simple brushing-on of Johnston's NO-ROACH liquid insect eradicator and the old food preparation parlor becomes a veritable "no-man's-land" for insects of many varieties.

along the floor — everywhere you look.

Watching roaches in the kitchen is no fun after the first experience — a parade of ants around the old plantation's kitchen is no more inspiring. Just like in the army — the winner is the one who gets there "fustest with the mostest." So, it's up to you to get their "fustest" with Johnston's NO-ROACH, which, obviously, is the "mostest" and lay a preparatory barrage against the invasion to come.

Modern Way to Control Roaches

Bothered by roaches or ants? Johnston's NO-ROACH, applied by brush in the kitchen, kills roaches, ants, and waterbugs. What's more, the colorless coating is effective for months, and kills the strays that wander in and walk over it. For scientific control, use Johnston's NO-ROACH!

Prices are: 8 oz., 89c; pint, \$1.69; quart, \$2.98, available at Cretney Drug—adv.
