Record Attendance At Dances Foreseen

C-C Banquet Postponed

Annual banquet of the Pampa Chambers of Commerce, scheduled for Monday night, has been postponed until a later date because of the inability of R. L. Thornton, president of the Mercantile National Bank at Dallas, to be present to make the principal address.

The banquet will be held either the night of February 12 or February 13, it was announced today.

In a telegram to DeLea Vicars this morning, Mr. Thornton said he had been called to Washington by the war department. His telegram read, "Unexpectedly called to Washington by war department. Therefore will have to cancel engagement Monday night. Very, very sorry but nothing else I could do. If it will be convenient could be with you either February 12 or 13. Advise your pleasure."

"Definite date of the banquet will be set at a meeting of directors and the arrangement committee, headed by W. T. Fraser, tomorrow and the new date will be announced Sunday.

Missourians Will Gather Tonight

"Showmen" are going to gather tonight in Pampa, for the first time since the Top O' Texas Fiesta.

All members of the Missouri club, which was formed here preceding the Fiesta last summer, are asked to attend a meeting at 7:30 o'clock tonight in the district court room.

Purpose of the meeting is to see what can be done toward effecting a permanent organization and to plan outings and entertainment. This idea originated when the club was first formed.

Tonight's meeting is for all members of the club, and is not a committee meeting.

Officers of the Missouri club are W. F. Frazee, president; Mrs. D. V. Burton, vice-president; and Miss Rowena Wasson, secretary-treasurer.

Sheriff Cal Rose's Condition Critical

Condition of Sheriff Cal Rose, confined to a local hospital for treatment of a head injury, was reported serious today.

"Sheriff Rose had a reflex night and his condition today remains unchanged," his physician said today.

Sheriff Rose suffered the injury Friday evening and it is believed it was complicating an old injury received when he was struck by a car last summer.

Bowers Candidate For Commissioner

C. W. Bowers of Laketon today announced his candidacy for county commissioner of precinct 1 in the Democratic primary July 25.

Mr. Bowers has been a resident of Gray county for 30 years, and has previously served as county commissioner representing precinct 1, from 1924 to 1928.

He has also been chairman of the Gray County Agricultural Conservation association.

You Must Have Car Tax Stamp Monday

Monday, February 2, is the deadline for use of the public highways by automobiles, trucks or motorcycles not having a Federal use tax stamp affixed to them. Stamps may be purchased for \$2.00 at any post office or office of collector of internal revenue. Owners or operators of motor vehicles to which a stamp is not affixed by February 1, are liable for a penalty as provided by law.

Price Control Bill Signed By President

WASHINGTON, Jan. 30 (AP)—President Roosevelt signed the Price Control bill today and told reporters that it was good in many respects but that provisions applying to farm prices offered a danger.

"These provisions, he said, provide a real danger in that no farm price could be stabilized below 110 percent of parity.

"For eight years, he said, the administration has sought to work toward parity prices for farmers and the bill, he added, represents a very definite violation of that objective.

"The measure, with the farm provisions, he said, provides a threat to the cost of living.

Nevertheless, he said, the bill is certainly worth having and is the best that could be obtained at this time.

The chief executive asserted that undoubtedly the toes of a great many people must be stepped on in administering it.

He said he hoped that the administration of the bill would be vigorous and suggested that later on gaps in the legislation could be filled in and if necessary, amendments requested.

C-C Livestock Show Will Be Held March 4

The fourth annual Gray County Junior Livestock Show and Sale will be held March 4, according to action taken by the agriculture and livestock committee of the board of city development and chamber of commerce in session yesterday afternoon.

Approximately 25 baby beefs will be entered in the 1942 show, according to estimates from County Agent Ralph Thomas and Vocational Teacher Hood G. Wills, members of the committee.

All regularly enrolled 4-H Club boys and Future Farmers of America boys in Gray county, under 21 years of age, are eligible to enter the show.

Prizes will be the same as last year, according to Otis Pumphy, chairman of the committee.

The exhibitor of the grand champion calf will be given a \$25.00 prize. The reserve champion will be given a \$15.00 prize.

Prizes of \$10.00, \$8.00 and \$5.00, respectively, will be awarded the second, third and fourth place winners in both senior and junior divisions of the show.

A sale will be held following the show at which time Tom Cox, a member of the committee, will be auctioneer.

A judging committee which will visit the boys having calves to enter and will reject from the show any calves that are not finished, has been appointed by Chairman Pumphy with Mel B. Davis as chairman and Tith Wills, Price and Clyde Carruth as members.

Merchants and business men interested in helping promote the livestock industry in Gray county will again be invited by the agriculture committee to support the sale as they have in the past.

Members of the committee are: Otis R. Pumphy, chairman, Floyd Imel, Irvin Cole, G. C. Heard, Ralph Heard, Hood G. Wills, Tom Cox, Clyde Carruth, Mel B. Davis, and H. M. Richardson.

Light Snow Falls; Cold Wave Moves In

After a week of spring-like temperatures, the weather slipped back into the seasonal groove in Pampa today, putting the thermometer down to 31 degrees shortly before noon. Maximum temperature in Pampa yesterday was 68, minimum 31.

A light snow covered Pampa this morning and a strong wind was blowing.

The forecast for Pampa and vicinity was occasional snow flurries this afternoon, colder tonight.

Precipitation from the light snow last night totaled .02-inches today bringing the month's total up to .48-inches. Preceding precipitation this month was from the heavy snowfall of January 3 to January 7. Greatest amount of precipitation in that was 20-inches on January 4.

HITLER HURLS SUB THREAT

Hitler brags worst part 'behind us'.

Same old white against allies heard in Berlin.

BERLIN (From German Broadcasts), Jan. 30 (AP)—Adolf Hitler in the first speech since his declaration of war against the United States told his people today that "America's war with Japan made us free to act" and "now we shall see what our U-boats may achieve."

He declared that "I do not know whether the war will end this year," but said "we are armed against everything, from the North to the South."

Hitler declared that on the Eastern front the armies of the Reich were on the defensive against the weather—not the Russians, and claimed that the front there had finally been stabilized.

Hitler finished speaking at 7:03 p. m. (11:03 a. m. Central Standard time).

He said of the Russian war thus far that "in the East we fought a struggle which one day will be the glory of our nation."

He greeted his statement that in North Africa Field Marshal Gen. Erwin Rommel "turned around the moment that our enemies thought he was beaten and drove the British before him."

"The most difficult part is behind us," he asserted.

He declared that winter had been the great hope of Germany's enemies in the East but that this hope never would be fulfilled.

"The winter will break in the South and the ice will melt," he said "and the hour will come when the ground will be hard and firm again—and when our armies will storm ahead again."

Then, he said, would come the revenge of "those who have now become the victims of frost."

Although he said he did not know whether the war would end in 1942, Hitler declared he was confident, however, that "where we meet the enemy we will beat him."

At one junction he shouted: "We shall see who wins this war—those who have nothing to lose and everything to gain or those who have everything to lose and nothing to gain?"

Speaking for the first time since his declaration of war against the United States, Adolf Hitler assailed President Roosevelt and Prime Minister Churchill today and declared that, excepting his Axis partners, Germany is fighting a new world war against her same old foes.

Most of the address was a reiteration of Hitler's long standing arguments that Germany was persecuted.

He said that even in the last war Prime Minister Churchill was among the English "warmongers" and that President Roosevelt was the right hand of Woodrow Wilson, whom he described as "the man who caused the greatest harm to the German people."

Japs 18 Miles From Singapore; Causeway Mined

By ROGER D. GREENE
Associated Press War Editor

Japan's invasion hordes stormed within 18 miles of Singapore today, hurling 90,000 troops into a bloody, climactic assault to snatch at the \$400,000,000 "crown jewel" of Britain's far Pacific strongholds.

As the battle thundered nearer to the mile-wide Johore strait, separating Singapore island from the Malay peninsula, British headquarters acknowledged the gravity of the situation.

"In the center, there is contact with the enemy about Kulai," a communique said tersely.

Kulai, 18 miles north of the great naval base, lies on a broad highway leading to the Singapore causeway at Johore Bahru. The causeway already has been mined for demolition.

Across the South China sea, Dutch troops were reported locked in bitter fighting with other Japanese invaders in four widely-separated zones of the Indies archipelago—Dutch Papan on the east Borneo coast; above Pontianak, chief port in west Borneo; on the Minahassa peninsula, in northern Celebes island, and around Kendari in southeastern Celebes.

"Fighting continues not only near Balikpapan but in the town itself," a Dutch bulletin said.

Indies troops previously had destroyed Balikpapan's rich oil fields before the Japanese landed.

The hard-hitting Dutch, fighting brilliantly with the small force, were a senate appropriations sub-committee after Chairman Overton (D-La) announced that he would try to put an additional \$400,000,000 in the huge bill for additional aircraft.

WAR BULLETINS

LONDON, Jan. 30. (AP)—An authoritative British source declared today that all British forces were removed from the Libyan port of Bengasi before it was occupied by the Axis African army, and military quarters said most British ammunition dumps and supplies were destroyed before the withdrawal. A military commentator had said earlier some British forces might have been removed by sea, since there was no intention of making Bengasi "another Tobruk."

WASHINGTON, Jan. 30 (AP)—President Roosevelt today asked congress to add \$6,106,300,000 to the record-breaking navy appropriation bill already passed by the house. The estimates were restated by a senate appropriations sub-committee after Chairman Overton (D-La) announced that he would try to put an additional \$400,000,000 in the huge bill for additional aircraft.

OPA Eases Up On Tire Ration Rules

AUSTIN, Jan. 30 (AP)—Governor Coke R. Stevenson was advised today by the Federal Office of Price Administration of a broadened policy concerning tire rationing for farmers and ranchmen.

Replying to a telegram from the governor, which declared the situation serious in Texas, Frank Bane, of the price administration, said he would issue new rules if used for the following purposes:

1. Hauling feed and water from farm to farm to feed livestock.
2. Hauling produce, livestock, milk, etc., from farm to market but not to the ultimate consumer.
3. Transporting farm products but not to the ultimate consumer.
4. Transporting will for transporting farm products provided any other use of the truck must be stated in application.
5. Hauling feed, salt, etc., from market to farm.

Farm trailers also were made eligible if used in transporting farm products but not to the ultimate consumer.

Mark McGee, state rationing administrator, said farmers could be able to obtain tires for their automobiles if the automobiles were used to pull trailers.

Penalty For Driving Car After Feb. 2 Without Stamp

Automobile owners are extremely slow in paying the \$2.00 tax and securing the federal tax stamp which must be affixed to their cars and trucks by Feb. 2, according to word from the treasury department.

Pampa is no exception, only 4,000 of the stamps having been sold at the local post office up to today. There are nearly 10,000 vehicles in the county of which about 7,500 are located in the Pampa area.

It is a criminal offense punishable by a fine of not more than \$25 or imprisonment for not more than 30 days, or both, to use an automobile without having this stamp affixed in the manner provided after due date, Feb. 2, being the last day on which these stamps may be purchased without incurring a penalty.

Spectacular Gains Announced By Russia

By DOUGLAS B. CORNELL
WASHINGTON, Jan. 30 (AP)—President Roosevelt is 60 years old today, and in some respects he doesn't act it.

At a time of life when many men of his means would have turned to a comfortable retirement, he is working harder than ever. Since war broke out Dec. 7, he has scarcely been out of the White House—and he relishes travel.

His personal physician, Rear Admiral Ross T. McIntire, says that the chief executive is in fine physical and mental fettle for a man of sixty. Aside from the deepening of the lines in his face, and the graying and thinning of his hair, almost nine years in the White House have touched him relatively lightly.

In more than 12,000 parties and dances tonight all over the nation, America will celebrate the birthday of the most famous person to overcome the handicap of infantile paralysis. Proceeds of the balls will be spent to help other victims of the dread disease.

The President will speak during an hour-long radio program, to be carried by all four major networks, beginning at 10:15 p. m. (CST).

Temperatures In Pampa

There's just one and one-half days left for Gray county to be brought up to its full voting strength for 1942. Midnight, Saturday, is the deadline. To accommodate the voters, the office of the county tax assessor-collector will remain open tomorrow night, so that citizens can pay poll taxes.

Yesterday poll tax receipts totaled 265, bringing the total number of poll taxes paid up to 2,885, leaving 3,532 more to be issued to bring the county up to the 1940 total.

Payment of the \$1.75 poll tax is required under Texas law by every person between the ages of 21 and 60 who resided in the state on the first of January preceding the year for which the tax is levied.

Exceptions are Indians, who are not taxed, the insane, blind, deaf, dumb, those who have lost a hand or foot, or those permanently disabled.

Date for the payment of poll taxes is in the period between October 1 and February 1.

Hitler finished speaking at 7:03 p. m. (11:03 a. m. Central Standard time).

He said of the Russian war thus far that "in the East we fought a struggle which one day will be the glory of our nation."

He greeted his statement that in North Africa Field Marshal Gen. Erwin Rommel "turned around the moment that our enemies thought he was beaten and drove the British before him."

"The most difficult part is behind us," he asserted.

He declared that winter had been the great hope of Germany's enemies in the East but that this hope never would be fulfilled.

"The winter will break in the South and the ice will melt," he said "and the hour will come when the ground will be hard and firm again—and when our armies will storm ahead again."

Then, he said, would come the revenge of "those who have now become the victims of frost."

Although he said he did not know whether the war would end in 1942, Hitler declared he was confident, however, that "where we meet the enemy we will beat him."

At one junction he shouted: "We shall see who wins this war—those who have nothing to lose and everything to gain or those who have everything to lose and nothing to gain?"

Speaking for the first time since his declaration of war against the United States, Adolf Hitler assailed President Roosevelt and Prime Minister Churchill today and declared that, excepting his Axis partners, Germany is fighting a new world war against her same old foes.

Most of the address was a reiteration of Hitler's long standing arguments that Germany was persecuted.

He said that even in the last war Prime Minister Churchill was among the English "warmongers" and that President Roosevelt was the right hand of Woodrow Wilson, whom he described as "the man who caused the greatest harm to the German people."

The speech—his first since his declaration of war against the United States—celebrated the ninth

Hitler Brags Worst Part 'Behind Us'

Hitler declared that on the Eastern front the armies of the Reich were on the defensive against the weather—not the Russians, and claimed that the front there had finally been stabilized.

Girl Scout National Staff Member To Interview Pampa Officials Next Week

Miss Margaret Murray of New York City, of the Girl Scout National Staff, who will be in Pampa on February 1 and 2, interviewing local council members, is one of the most widely known members of the organization. As adviser on council membership in the Girl Scout national personnel division, Miss Murray travels extensively. Since joining the national staff, she has organized the field institutes where volunteers and professionals in Girl Scouting come for training in the various administrative, program and personnel techniques of the national organization. She has visited nearly every state in the union. Pampa is one of the councils she selected to visit in her study of council practice.

Margaret Murray

Miss Murray has also developed special training courses for Girl Scout council members. A graduate of the University of Minnesota, Miss Murray served as local director of Girl Scouting in Minnesota for 18 months. She has given hundreds of training courses in Girl Scout national training schools, at regional conferences and at the national conventions.

Mrs. Mel Davis, local commissioner, had a council administrative course under her at Gallagher Ranch, San Antonio, last January. Local delegates attending the National convention in Dallas in October met her there.

Miss Murray's coming heralds a full week for Pampa Scout officials as on Monday and Tuesday she will interview council officers and committee chairmen. On Wednesday five Pampa council members will go to Amarillo to attend the Defense Institute which Miss Murray and Edith Sinnett, regional director, will conduct. Thursday, the local council will meet and on Friday and Saturday Miss Sallie Cahill will go to Albuquerque where the professionals in this area meet with Miss Sinnett and Miss Murray again for their war time instructions.

Aptitude Test To Be Given Cadets

All young men who have passed the physical examination for the Aviation Cadets, but who have not yet been given the aptitude test, are requested to contact the Aviation Cadet Examining board either February 4 or 6 at the court house. This may be the last trip they will make to Pampa.

It will offer an opportunity for other young men who are physically sound, married, as well as unmarried—who are 18 years old and not yet 27 years old—to apply for the Aviation Cadets, all at one time. Every applicant must submit a birth certificate or affidavits of three persons (one a parent if possible) establishing place and date of birth.

Every applicant must submit three letters of recommendation from reputable persons, none of whom are relatives.

Applicants who are not yet 21 years of age must submit to the board a statement signed by parents or guardians giving consent to the minors application in this form: "I (we) parent (s) or guardian (s) consent to this application for appointment as Aviation Cadet (Air Crew)".

Young men who are interested are requested to contact Sergeant Harvey M. Gist, U. S. Army Recruiting sergeant, at the recruiting office located in the basement of the post office building for further information.

Prisoner Slashes Throat; Recovering

A frequent 30-year-old prisoner in the Gray county jail was recovering today from severe self-inflicted razor blade cuts on his throat.

The man, held on an intoxication charge, was found last night by officers to have twice cut his throat with a razor blade. The first cut was not serious. Officers took possession of the blade.

Hearing an outcry from the other prisoners a short time later, officers found the man had in some manner obtained another blade, and had cut his throat badly. A doctor was immediately summoned. Officers said the man was "getting along all right" today.

Love Will Be Topic Of Lesson-Sermon

"Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 1, 1942.

The Golden Text is: "We have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him" (1 John 4:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing" (Zephaniah 3:17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is Love. More than this we cannot ask, higher we cannot look, farther we cannot go" (page 6).

Democrats Give Republican A Job As Their Secretary

LOS ANGELES, Jan. 30 (AP)—A misunderstanding among the Democrats gave them a Republican as secretary.

Robert H. Black, acting as chairman of one of two meetings which resulted from confusion in the county central committee, called loudly for 10 minutes for a secretary. He got no response. Finally, to get the meeting started, Claude Forbes, Times reported, volunteered.

"I'm a Republican," he shouted, "but I'll take your minutes."

He got the job, pro-tem—and the loudest applause of the evening. "And I wrote the minutes so plainly any Democrat could read them," Forbes said.

STELLA TREMAINE

Chinese Evacuee To Speak At First Christian Sunday

Miss Stella Tremaine, above, will be guest speaker at the First Christian church Sunday, at the morning worship hour.

Miss Stella Tremaine is in this country, an evacuee from China. At the advice of the United States government she, with 36 American women and children, sailed from Shanghai on Christmas day.

Miss Tremaine who, since 1921, has been a teacher in Wuhu Academy at Wuhu, China, was in the United States in 1937 when the Japanese invasion began. She spent a restless year, for she longed to be back to help the Chinese people.

In the fall of 1938 she returned and entered eagerly into refugee and reconstruction work. As a missionary supported by the churches of the United States through The United Christian Missionary Society, she again took up her work of teaching the children and young people who crowded the schools, and carried on evangelistic and rehabilitation work among the women.

Miss Tremaine was a teacher, and for a time a high school principal, before she went to China. She then entered the College of Missions for a year of special training, and was later sent to China to teach English, music and Bible in the Wuhu Academy. She also taught music in the girls' day school at Wuhu, and organized a group of teachers and students into a church choir.

Miss Tremaine has devoted much of her time to evangelistic work among the women, and visited not only those of Wuhu, but those of the surrounding villages.

Until she was forced to return home, Miss Tremaine worked tirelessly among these people suffering the agony that war brings. Face to face with conditions, we can scarcely imagine, she brings a vivid story of her experiences. She speaks under the auspices of The United Christian Missionary Society.

Yes, Canada Has Rationing Restrictions

EDITOR'S NOTE: There have been rumors in some sections of the United States that rationing restrictions in this country do not prevail in Canada. The following is a report on the situation north of the border.

OTTAWA, Jan. 30.—(AP)—Rationing came to Canada officially this week after 28 months of war but to the average consumer it was not a knockout blow.

Canadians since the war began have felt increasingly the pinch of restricted food supply in many lines besides sugar which now, by law, must not be used at a rate exceeding three-quarters of a pound a person each week.

Canada already has established price controls, forbidden the general sale of automobile tires and arranged to ration gasoline.

Domestic officials said the government is prepared to go further as the need arises.

Authority for price control and rationing is combined in two government boards—the Wartime and Trade Board under Donald Gordon, deputy governor of the Bank of Canada, and the Wartime Industries Control Board under R. C. Berkshaw, who came to the government service from the automobile industry.

Together these men and their associates field powers almost identical with those of Leon Henderson, acting price administrator of the United States.

They can ration commodities, whether in the raw or finished state, set prices from the primary producer to the retailer, license all businesses and regulate production. All these things are being done.

Price controls were imposed by the Prices Board on Dec. 1, the maximum permissible retail charge being based on rates between Sept. 15 and Oct. 11, 1941.

The sugar rationing scheme is informal. No coupon books, no permits are required. As Gordon put it: "There will be nobody to say to the Canadian consumer, 'you can't.' The bonus is entirely on the purchaser. People want to be told what to do in this war. We are telling them."

"There is nothing to stop the consumer from buying more than his quota of sugar except his conscience—and the ever-present threat of a maximum penalty of \$5,000 and two years imprisonment for infraction of any order of the Prices Board.

If the voluntary system doesn't work, Canadians will have to use sugar ration coupons but decision on the need for them will not be reached for at least a couple of months.

The sale of tires generally is banned except for five off sizes which are comparatively rare and will fit only cars of models prior to 1936, and bicycle tires.

Persons and organizations exempt from the order—such as doctors, visiting nurses, police and fire de-

C. W. Bowers Files For Commissioner

C. W. Bowers has been a resident and tax payer in Gray county for over 30 years and has lived this entire time in Precinct 1. This time in seeking office Mr. Bowers says: "I believe economy can be practically carried out so as not to retard road building and other enterprises that have a tendency for a precinct or county to go forward instead of standing still. If elected to the commissioners office, I pledge myself to make no distinctions but give to each individual and each part of the precinct the same consideration."

Before the Primaries, Mr. Bowers plans to see every voter in the county he said in announcing his candidacy.

"Hello Helen!"

"Have you heard about FOXWORTH-GALBRAITH'S 100% Loan Plan for Home Repairing and Redecorating?"

"Oh yes, Clara—"

"Didn't you know? They're already remodeling our kitchen, and we're going to have the entire house repainted and redecorated. It'll be so much more livable! And—Oh, Clara, you must come over and see these new PITTSBURGH PAINT color ideas! They're marvelous!"

FHA PAY-OUT-OF-INCOME PLAN

OUR 100% LOAN PLAN IS SO SIMPLE!

NO DOWN PAYMENT—NO MORTGAGES—NO LIENS—NO RED TAPE!

Our Federal Government—through Title One FHA—encourages and recommends that property owners keep their houses in good repair, well painted and modern, in order to preserve our present housing facilities and to promote more enjoyable and comfortable living.

This is such a wonderful plan, that we want every home and property owner to understand it completely. Here are some of the many features of the Title One FHA Repair Loan Plan:

- 1—Any size repair, or remodeling job, regardless of how small or how large, may be financed through Title One FHA.
- 2—You do not have to live in the house you desire repaired. You can use Title One FHA for keeping your rent property in good shape.
- 3—Labor charges are also included in the loan that is paid in small monthly installments.
- 4—No down payment is required on Title One FHA Loans (Exception—15% down payment is required on plumbing work.)
- 5—There is NO RED TAPE. To secure a Title One FHA Loan, you merely come to our office and fill out the brief application. Only two or three days are required for the approval of your loan. Then you can go to work.
- 6—You may hire labor of your choice. Give them an order to Foxworth-Galbraith for their wages. We pay the labor and you pay us monthly installments.
- 7—You may purchase new plumbing fixtures—even though we do not sell them—send us the bill and pay through your Title One FHA Loan.
- 8—New linoleum for your bath or kitchen floor may be purchased and paid for in the same manner.
- 9—The interest rate is very low.
- 10—You may make your loan for as long as 18 months if the amount is under \$1,000. Loans over \$1,000 may be made for as long as 36 months.
- 11—You sign no mortgages, nor liens—only a note.

Oil Device Used To Spot Plane

HOUSTON, Jan. 30 (AP)—An instrument such as oilmen use in locating new crude pools helped spot the remnants of a submerged army airplane.

The ship plunged into Galveston bay recently. Efforts to locate it failed until an oil well cementing company loaned its electrical device and a technician. By recording the increase and decrease of electric energy generated by approach and departure from the sunken plane, its exact location was plotted about a mile and a half from the supposed spot of its sinking.

Judy Garland Will Be At Camp Wolters

MINERAL WELLS, Jan. 30 (AP)—Actress Judy Garland will head 2,000 Mineral Wells school children tomorrow in a parade to the post office where each will buy a defense stamp in the interest of the Palo Pinto county campaign to sell defense bonds this year.

She also has agreed to purchase the first stamp.

Every Man In Armed Forces, Says Hershey

NEW YORK, Jan. 30 (AP)—Every American man and woman must face the possibility of being in the U. S. armed services, in some essential defense industry, "or be able to give very good reasons to the contrary," says Brig. General Lewis B. Hershey.

The national director of selective service told the advertising club yesterday that the selective service system's ultimate objective is the mobilization of 60,000,000 persons for all-out war.

"Warning against complacency and hysteria in wartime, he added: 'We must realize that we are not now doing many of the things that we shall have to do in the years to come.'"

When you go down to your favorite grocer's and buy your week's supply of groceries, you are one of the most fortunate persons in the world. Practically no where else on the face of this earth is a person able to buy food when needed. Of course, we are at war, but if you buy your food as you have before, not trying to hoard any certain item, or stock up for a long time, we probably will never be rationed,—at least to any great extent. Today's War Analysis

By DEWITT MACKENZIE
Wide World War Analyst

With the Japanese only 18 miles from Singapore, and still driving forward against the bayonets of numerically inferior forces, the position of this great naval base and its city of three-quarters of a million today was increasingly grave for the test of whether it could withstand invasion seemed imminent.

Surely history must search far among its yellowed leaves to find another such amazing conflict as this battle for Singapore and the Dutch East Indies, in which the Japs continue to mushroom their way forward, like a huge octopus spreading and reaching for its prey with the Allies tearing bloody wounds in the enveloping arms.

Just take a look at your maps. See how the beast lies against the China Sea with the Philippines almost in its maw; its right tentacles

are squirming and thrusting through French Indo-China and Thailand down into the sweating jungles of the Malayan peninsula above Singapore; its left arms are twisting and turning among the myriad equatorial islands which shield the golden Indies.

As the octopus devours these guardian isles, so can it progress towards its goal. The islands have been caught without adequate naval and air defense, and their problem is to interpose as much delay as possible so that help may arrive from America across the vast Pacific and from Britain over the long route via the Middle East. The magnificent fight against great odds by MacArthur and his men in the Philippines, and by our allies in neighboring bases, is having its effect, for reinforcements are beginning to reach the battle zone.

Still the octopus slithers forward, fighting against time and disregarding his wounds, to try to outdistance other reinforcements. Out of this has developed the struggle of Macassar Strait into which the persistent Japs thrust an air-escorted armada of troop transports and warships estimated by some observers at 100 vessels. Of these maybe two score or more have been sunk or damaged by American warships and warplanes cooperating with our gallant Dutch allies. Perhaps 25,000 Japs have lost their lives in green waters which boil with sharks.

Still, at latest reports the armada presses on towards occupation of fresh bases, and we don't know whether the attack of the United Nations continues. The fate of Singapore and the East Indies de-

Americans Use Too Much Sugar Anyway, A & M Specialists Say

(By The Associated Press)

Rationing of sugar is probably a good idea — and that isn't our grapes.

A. and M. Extension Service specialists say Americans use too much sugar for their health. During the last 50 years sugar consumption has increased from 10 pounds to between 75 and 100 pounds per person per year. The average consumption in England is 24 pounds. The average Japanese uses only eight pounds.

Louise Bryant, extension specialist in home management, said if there is any handicap in sugar rationing it will fall on rural home makers with large quantities of fruit to can. She urged women to save a part of their allowance for use during the canning season.

Texas 4-H club boys during 1941 swelled the nation's food for freedom larder by producing enough eggs to feed 41,677 persons for a year, enough fruits and vegetables for 37,529 and meat for 31,953.

The club boys own 1,851 dairy helpers, enough to supply a pint of milk a day to 22,643 men when the heifers come into production.

The figures were compiled by the Texas State Nutrition Committee. It was estimated that the club members realized \$61,076 during the year from production of beef, mutton, wool, mohair, dairy cattle, swine and poultry.

L. L. Johnson, state club agent of the A. and M. Extension Service, said plans have been made for increased production to help meet U. S. Department of Agriculture goals for 1942.

Other Texas war developments: Maj. Gen. E. S. Adams, adjutant general of the army, informed eighth corps area headquarters at San Antonio that men 18 years old now may be commissioned officers in the U. S. army. The previous minimum age was 21.

Earlie Ewitt, Post of the American Legion at Throckmorton adopted a resolution condemning "greedy and unpatriotic" labor leaders and asking that they be branded quislings and satellites of Hitler and their names inscribed on a "roll of dishonor" along with all traitors.

The resolution, which denounces all un-American activities including unwarranted strikes in defense industries, has also been passed by the legion post at Haskell and approved by members of the Rule post. It will be sent to other posts in West Texas.

Saboteurs are easily getting all the information they want about Dallas defense industries simply by reading trade magazines in the Chamber of Commerce or in the public library, Burnham Miller, formerly connected with two large manufacturing plants, now conducting a survey on sabotage, declared.

"It is American style to boast of every thing we do and make," Miller said. "We hand out our secrets wholesale."

waffle syrup supreme

M-M-M...

You can't imagine anything more tempting on a cold morning—or evening, than waffles covered with this sizzling hot combination. You'll say the blend of ham and KARO flavors is super-delicious! Fix some tonight!

SYRUP SUPREME
 1 slice (about 1 lb.) ham
 1/2 cup KARO (blue label) 1/2 cup water
 2 tsp. prepared mustard 1/4 tsp. cloves

Cut ham into cubes. Place in frying pan, brown. . . . Combine KARO, water, mustard, cloves. Pour over ham. Continue cooking over low heat until ham is cooked. Serve hot over waffles.

When you serve KARO syrup with waffles, pancakes or French toast, you're serving extra food energy. For KARO is rich in Dextrose, food-energy sugar.

MOBILE, Ala., Jan. 30. (AP)—A Timely Question negro maid in the home of Howard J. Curtis was followed into the house by a small dog. She turned to the animal and said: "What are you doing in here?"

At that remark, a burglar fled from an adjoining room and broke, dropping his loot.

Houston Sheriff Kills Constable, Then Himself

HOUSTON, Jan. 30.—(P)—Angered over a long political disagreement, Sheriff Norfleet Hill last night shot and killed Constable Charlie Graham, once a close friend, and then committed suicide.

A deputy sheriff, Ira Saunders, was seriously wounded by the bullet that killed Hill as he struggled with his superior in an attempt to seize his pistol.

Two other bullets passed through the coat of Lawrence Graham, the constable's nephew, but he was not injured.

Constable Graham, a former deputy under Hill, and Lawrence Graham went to the sheriff's office to turn in Lawrence Graham's resignation as a deputy.

The shooting climaxed a period of political disagreement between Hill and the Graham brothers—Tom, county commissioner and Lawrence Graham's father, and Charlie Graham.

The story was told in statements taken by District Attorney Dan Jackson and considered by Justice of the Peace Tom Maes in arriving at his verdict that Hill murdered Charlie Graham and killed himself.

Hill had been a Houston peace officer 20 years.

Hill and Charlie Graham's friendship was sundered in 1940 when the latter decided to run for Constable of Precinct One—a position held by Neal Polk until Polk resigned to run against Hill for sheriff.

Tom Graham and the sheriff had been involved in numerous arguments at commissioners court meetings.

The shooting was preceded by an altercation yesterday morning between Commissioner Graham and Sheriff Hill at a meeting called to consider the sheriff's appointment of dollar-a-year deputies.

During the argument, Hill drew a gun on Graham—a fact attested to by several witnesses, including Harris County Defense Director Ike Ashburn and County Judge Roy Hofheins, who helped restore calmness.

Graham died in a hospital a few minutes after the shooting.

In July, 1917, Hill performed his most notable exploit when rioting negroes from Camp Logan came up Washington avenue. During the shooting, Hill carried away his detective partner, Tom Binford, who later became sheriff, after Binford was wounded.

Hill, who was 54, entered the sheriff's office in 1937.

Graham, 46, had been a peace officer 13 years.

PLAINVIEW, DISTRICT DARK HORSE, TO PLAY HERE TONIGHT

Westerners Resolved To Get Revenge

Plainview's Bulldogs which will play the Harvesters here tonight in the Pampa cage's third district 1AA game, are somewhat the dark horse in the conference race.

True, they have lost by a big margin to Amarillo, but so did Borger in one game. If Plainview does not have a team in the class with Pampa, Amarillo, Lubbock, and Borger it will be the first year in a decade that such has been the case.

Pampa has usually had more trouble with the Bulldogs than with the Sandies. The Bulldogs have taken the Harvesters here, but have defeated the Pampa quintet more frequently on the Plainview hard-wood.

The Harvesters-Plainview game will begin tonight at 7:30 o'clock on the floor of Junior high gymnasium, and the game with Lubbock's once-defeated Westerners will begin at 8 o'clock tomorrow night.

The Harvesters are scheduled to have more trouble with Lubbock than they did with the Sandies. Lubbock's cage is led by "Tuffy" Nabors who played on the Westerners' district championship team last year.

Lubbock will come to Pampa yearning to get revenge for the licking they took last spring at Canyon in the finals of the regional meet. It will be remembered that Lubbock had defeated Pampa twice before the regional meet, but that the Harvesters, sparked by Thomas Dewey, swamped the Westerners by 15 points in the final game, after Lubbock had eliminated Amarillo and Pampa had run out Quail.

The Westerners haven't forgotten how the Harvesters robbed them of a trip to the state tournament, and they will arrive here tomorrow night with blood in their eye. The Harvesters are by no means favored. Lubbock has practically the same team he had last year—just as Amarillo has.

The game is due to be close because one can see by comparing the scores that there is not much difference between Pampa, Amarillo, Lubbock, and Borger.

Lindstrom Named To Manage Fort Smith

NEW YORK, Jan. 30 (AP)—Bill Terry, general manager of the New York Giants farm system, announced today that Eddie Lindstrom, his roommate of many playing days in years past, would manage the Giants' Western association farm team at Fort Smith, Ark., during the 1942 season.

Lindstrom, manager of the Knoxville, Tenn. Smokies in the Southern association last year, becomes the second ex-Giant to receive a managerial assignment in Terry's revamped farm setup this week. His appointment follows by two days that of Frank (Pancho) Snyder at Jersey City.

Terry and Lindstrom came to the Giants together in 1924, after having been teammates and roommates at Toledo in the American association and played under the late John McGraw.

Texans Answer Crowd's Jostling With Long Shots

By NEA Service NEW YORK, Jan. 30.—West Texas State's towering players learn to handle the ball by holding it on their finger tips, dribbling behind their backs and passing it through their legs. According to Coach Al Baggett, when the Texans played Arizona and started to warm up with these calisthenics, the fans thought they were showing off and threw about 1,000 pennies on the court. So nine of the giants stood at mid-court and shot. Seven of them hit. The crowd applauded vociferously and was with the visitors from then on.

Reapers Win First League Game 31-27

The Pampa Junior High Reapers won their first game of the Panhandle Junior High conference season last night when they downed Sam Houston of Amarillo 31 to 27 in an overtime game here. In exhibition hits, the Reaper reserves lost to Perryton Juniors 21 to 15 while the Reaper Peevees dropped a 19 to 12 game to the Perryton Mites.

Billy Coy Sheehan, tall center, paced the Reapers in their victory over Sam Houston, bagging six field goals and a free throw for 13 points. He missed four other charity shots. The Reapers missed 14 free shots in the game.

Wiggins was high scorer for Amarillo with 13 points, made on five field goals and three charity shots. Hill was next in line with eight points.

Amarillo played a hard charging, football-type game and drew 21 penalties, losing three boys on fouls before the final whistle. The Reapers drew only 10 penalties.

A couple of minutes before the final whistle, Wiggins bagged a field goal to tie the score and from then on neither could hit the bucket. That called for an overtime period and within a minute Joe Cree had dropped two charity shots through the hoop. Then Clayton Noblitt decided to clinch the matter with a field goal. With that lead, the Reapers held the ball and didn't give Amarillo a chance to score.

Holland and Schroeder led Perryton Juniors in their win over the Reaper reserves, Holland with six points and Schroeder with five. Beard added six points for the Reapers with Grantham adding five. Allen bucketed 10 points for the Perryton youngsters in their win over the little Reapers who were led by Fatheree with four points.

The box scores: SAM HOUSTON (27)

Wiggins, f 5 3 4 13 McLanham, f 0 0 1 0 Hill, f 0 0 2 2 Waghorn, f 1 0 2 2 Rudeson, g 0 0 4 0 Watt's, g 1 0 2 2 Hughes, g 0 0 0 0 Graves, g 0 2 4 2 Duke, g 0 0 2 0 Totals 11 5 21 27

LeFors Wins North Half Of District Cage Title

Left to right, Frank Stockman (6-3), Bill Stockman (6-3), Price Briffield (6-4), Jay Madex (6-4), and Charley Hillbert (6-10).

LEFORS, Jan. 30 (NS)—The LeFors Pirates clinched the championship of the north half of basketball District 1A last night with a rip-snorting 42 to 37 victory over a stubborn Perryton Ranger team in the local gymnasium. The LeFors B team defeated the Perryton Reserves 25 to 23.

Now the Pirates will sit back and wait for the south half of the district to decide a champion. McLean and Memphis are in the thick of the race in that section.

"Ox" Oldham, who bucketed 25 points against Panhandle Tuesday night, added 24 points to his scoring record last night. He made 10 of them in the last quarter when the Pirate lead was being threatened. Hamrick added seven points, Clemmons four, McCullik three, and Cole and Bowman two each.

McClung was the big noise for Perryton with 15 points while McWilliams added 13. McClung bagged 10 points in the last four minutes of the game. Allen and Williams made three points each, Correll two, and Parker one.

LeFors lost Hamrick and Bowman on fouls while Perryton lost Correll, Taylor, with 11 points, paced the Tiger Reserves with Dunlap out in front for Perryton with 11 points.

CHAMPAIGN, Ill., Jan. 30 (AP)—In vast Memorial stadium, built during the pre-Grange era of Bob Zuppke - coached Illini football teams, a Zuppke pupil named Ray Eliot will direct the University of Illinois gridlers next fall.

With spring football drills scheduled to begin shortly, Eliot today plunged into his new duties with the declaration: "We will start right away to get things in shape for next fall. We have a great bunch of kids who love to play football and it's going to be our job to mold them into a real team."

Just six years old when Zuppke began his 20-season reign here in 1912, Eliot held the position of line coach when his appointment was announced yesterday.

There was elation on the campus at the sudden announcement, for it presumably meant the end of a four-year period of athletic wrangling.

There was excitement, too, in the Eliot household where the new head coach told his wife and daughter of his appointment, which he termed "the greatest thing that ever happened to me."

In some corners both Illini and non-Illini queried: "Who's Eliot?" Part of the explanation for his relative obscurity is the fact he went through school as Ray Muppel, adopting the name Eliot only a few years ago.

Sports Roundup

By HUGH FULLERTON, JR. (Wide World Sports Columnist) NEW YORK, Jan. 30 (Wide World)—Future book notes—Sports scribers are speculating on the possibility that the major leagues will go back to the old schedule system of fewer inter-sectional tours and longer series now that railroad fares are going up. Most traveling secretaries think they can get accommodations without much trouble but higher costs are something else.

Chances are the subject will be considered at next week's meetings. How about Bernie Bierman as naval academy football coach? Don't think it isn't possible. Major Swede Larson is a marine and since he has been called to active duty somebody will have to take over his two jobs at Annapolis. Wonder what kind of a ration card New Orleans will get for its Sugar Bowl?

Sideline Coaching During a pro basketball tournament game at Rochester last week Bill Harrison of the Rochester Seagrams kept calling to Capt. Jerry Bush: "Take a time out, Jerry." After several shouts, Jerry did, and went to the bench to ask what Harrison wanted. "I need a chair to catch my breath," Les explained.

Shear Nonsense Most discussed subject in recent sports columns has been Buddy Bear's damage suit over his accident before the Louis fight. Some scribers think either the fight or the suit must be phony and both ought to be investigated. Other scribers like Walter Stewart of The Memphis Commercial Appeal, suggest it was a bumper in a six ounce glove that hurt Buddy and Bob Stedler of The Buffalo Evening News suggests: "Charity covers a multitude of sins even unto the boxing game."

Sportpourri Minor league ball players may get more dough this year even though the big league work. Bill Terry points out that they are being moved to higher classifications faster than before and that a lot of kids will be paid as much as league rules allow to offset the appeal of high-pay defense jobs. Lou Diamond, the honest brakeman, has been wearing an iron hat around Jacobs beach this week just to make sure Jimmy Johnston won't have anything on him when Lou's Gus Lesnevich and Jimmy's Bob Pastor tackle tonight. Californians aren't very hopeful about big-time racing this year but most of the county fair tracks will operate. So will the minor coast tracks—Long-actres and Vancouver. Donald Gelb, who had 35 pro fights around Chicago while working his way through art school has a one-man exhibit in New York this week.

Girls Teams Hold Spot In Canadian Tourney

CANADIAN, Jan. 30—Canadian's basketball tournament goes into full swing this afternoon and tonight with 19 boys' teams and 14 girls' teams in action. Picking favorites would stump the experts but according to past performances Spearman, LeFors and Shamrock boys look strong with Bishop, Okla., the dark horse.

In the girls' division Berger, winner of the Shamrock tournament, and Mobeetie, loser to Berger by a single point, could be called the favorites.

Play will be in two gymnasiums, at the high school and at the city hall. Games this evening and tonight, and location, follow: Boys' division: 5 p. m., high school—Samnorwood vs Wheeler. 5 p. m., city hall—Bishop, Okla., vs Wellington. 7 p. m., city hall—Perryton vs Briscoe. 8 p. m., city hall—Winner of Quail-Mobeetie vs winner of Allison-Canadian games in the afternoon. 9 p. m., high school—Alts, Okla., vs winner of Miami-Spearman afternoon game. 10 p. m., high school—White Deer vs Kelton. Girls' division: 7 p. m., high school—Winner of Spearman-Shamrock vs winner of Darroutzet - Wellington afternoon games. 8 p. m., high school—Borger vs winner of Bishop, Okla.—Samnorwood. 10 p. m., city hall—Quail vs winner of Allison-Kelton.

Pastor To Battle Lesnevich Tonight

By SID FEDER NEW YORK, Jan. 30 (AP)—Out at Camp Upton, where they make soldiers out of guys named Joe, Private Louis J. Barrow is going to have a lot of fun tonight while Gus Lesnevich and Bob Pastor pound each other all over Madison Square Garden's ring.

For there is a good chance that the winner of this 10-round tea party may be served up to Private Barrow in a couple of months. And the only dish the private is fonder of than fresh fried chicken is a platter of hopeful heavyweight, served hot or cold.

The chief incentive for rapid Robert and the rugged Russians from Jersey in the present proceedings is this chance for the winner to get his ears knocked off in March, when Private Barrow comes back to the wars.

Of course, there is a small matter of cutting up tonight's gate, which promoter Mike Jacobs figures may touch \$25,000 through the contributions of some 10,000 of the faithful. But both of the battle-scarred gladiators are more interested in the big shot that lies beyond.

The average fan remembers only that Kinney parts the mesh as frequently as a busy dime store clerk rings the cash register.

The 6 foot 6 inch captain of the Owls has scored 229 points this season, an average of 15 points a game despite the fact opposing teams usually hang two men around his neck.

If "Bat 'Em Bob" scores an average of 11 points per game through the rest of the season, he will have scored 1,900 points in three years of varsity competition.

But Kinney's talents do not lie only in his offensive work. He is one of the greatest defensive players the Southwest conference has seen.

The San Antonio star is a wizard at rebound work and his endurance is such that he is able to charge up and down court all night long, working both baskets.

On Temptation To Talk We may not have enough planes, tanks, or ships, but there's one thing we've plenty of, ba-a-by, and that's talk. Shortage of tin, shortage of rubber, shortage of scrap, but a tremendous surplus of verbiage. Words, words, words!

Savings Bonds and Savings The thought behind defense bonds was broader than merely to provide money for conducting the war. It was also, that by channeling some of people's excess income away from the consumer markets and into savings to be spent not now but later, competition for reduced stocks of goods would be lessened, and a tendency toward inflation minimized.

The Nation's Press MacARTHUR (Daily News, New York) A few days ago we ran an editorial suggesting that Gen. Douglas MacArthur be allowed to direct the Philippine defense fight until maybe ten minutes before the last gasp; and that then the command be assigned to some other officer and MacArthur be ordered to grab a fast plane and make a dash for some safer place.

COMMON GROUND By R. C. HOLES "I speak the past-world primer, I give the sign of democracy. By God! I will accept nothing which cannot have their counterparts on the same terms." WALT WHITMAN.

THE NEW YORK NEWS ATTITUDE The New York News has over 2,000,000 circulation daily, or double the circulation of any other paper in the United States, so its attitude is important. I was surprised to read an editorial, under the heading of "Better Do It Now". I cannot understand whether they really believe we have lost all of our American way of life and should give up trying to preserve it, or whether they are using this method to arouse the people as to what is taking place in our country.

Around Hollywood By PAUL HARRISON HOLLYWOOD, Jan. 30—That bare-chested, amateur apeman, Colin Blair, started something when he carpiped in a parking lot opposite Paramount and after a 24-day siege finally won an infinitesimal bit in "Reap the Wild Wind."

People You Know By Archer Fullingim Most senseless and insipid song of the month: "Bluebirds over the White Cliffs of Dover." Even if a bluebird ever saw the white cliffs of Dover, which none ever did because there are no bluebirds in England, the sticky phrase would still be insane, and still wouldn't make sense, and I'm again!

Yesteryear In The News Ten Years Ago Today George Briggs was toastmaster and the Rev. A. A. Hyde made the principal address at the fifth annual Boy Scout Father-and-Son banquet at Whitcomb.

Getting the Bad News The Constitution of the United States originally consisted of a preamble and seven articles. Twelve per cent of the enlisted men in the U. S. Navy display the machinists mate's propeller.

Behind The News In Washington By PETER EDSON WASHINGTON, Jan. 30—Is the new price bill, born of four months' congressional strife and strain, a dead duck before it even has a chance to try its wings and show its stuff?

Sunday School Lesson JESUS' CALL TO FISHERMEN AS DISCIPLES PROVED TO BE OF GREAT SIGNIFICANCE Text: Luke 5: 1-11. By WILLIAM E. GILROY, D. D. Editor of Advance

FARM PRICES NOW NEAR PARITY If, on the other hand, all prices were frozen as of some given date, then no one could squawk. Farm prices are now hovering around parity, and the relationship between prices and industrial prices is in general about what it was in the good years, the almost normal years of 1926 and 1937. Wages are better than in those years and there is more employment. Prices have advanced sufficiently to stimulate production.

TEX'S TOPICS By Tex DeWeese TALKED with a grocer yesterday who said although he couldn't prove it, he had good reason to believe that he knew a half dozen or so persons who stored away as high as five and six hundred pounds of sugar after they learned there likely was to be rationing of the nation's sugar supply.

Who Is The Head of A Family? For income-tax purposes there can be only one head of a family. In addition to being the chief financial support, the head of a family must be related by blood, marriage, or adoption to his dependents, and he must have a legal or moral obligation to exercise family control over them and as such is entitled to the same exemption allowed a married person—that is, \$1,500.

Yesteryear In The News Five Years Ago Today The largest Court of Honor in history was held here by the Boy Scouts with 200 merit badges and advancements granted. Ben Quill resigned his position as high school public speaking and dramatics teacher to take a job in the personnel department of the Cabot companies.

The Nation's Press MacARTHUR (Daily News, New York) A few days ago we ran an editorial suggesting that Gen. Douglas MacArthur be allowed to direct the Philippine defense fight until maybe ten minutes before the last gasp; and that then the command be assigned to some other officer and MacArthur be ordered to grab a fast plane and make a dash for some safer place.
