Johnny Rigney Pitches Three-Hitter For Wife

By AUSTIN BEALMEAR Associated Press Sports Writer

Johnny Rigney, ace of the Chicago White Sox mound staff, will do his future pitching for Uncle Sam, but before he decided to don the navy blue he had to win one for the boss.

The boss is Mrs. Johnny Rigney, the former Dorothy Comiskey, treasurer of the White Sox. And Johnny's present to her in his last major league appearance for the duration of the war was a three-hit pitching job against the Washington Senators in the second game of yesterday's doubleheader.

After winning the first game, 7-1, behind the six-hit hurling of Earl Lyons, the White Sox rallied to overcome a three-run deficit and pull the nightcap out of the fire for Rigney, 4-3.

The double victory didn't get the White Sox out of the American league cellar, but it stretched their winning streak to six straight games and put them within striking distance of seventh place.

Bobby Estalella drove in all of Washington's runs with a homer in the first game and a second-inning double in the afterpiece which emptied the bases that had been loaded on a pair of passes and a single.

But Don Kolloway came to Rigney's rescue in the second game, batting in three runs with as many doubles and scoring the winning marker on a two-bagger by Sam West. Rigney, a 27-year-old right hander, expected to enlist in the navy. He told reporters that yesterday's game was "definitely" his last for the duration.

The New York Yankees saved their lead in the American league by gaining an even break with the St. Louis Browns, but the second-place Cleveland Indians sliced the margin to half a game by bumping the Philadelphia Athletics twice.

At St. Louis, a three-run homer by Chet Laubs featured a four-run assault on Charley Ruffing in the first inning of the opening game and the Browns coasted to a 4-2 decision as Eldon Auker limited the winning run after the catch.

Atley Donald pitched five-hit ball for the Yanks in the second game and Frank Crossetti's single brought in the run that won it, 3-2, scoring Joe Gordon who had three hits in four times at bat.

Jim Bagby and Al Mumar threw in a pair of sparkling four-hitters for the Cleveland Indians, who downed the Athletics, 4-1, and 9-3. Jimmy Bloodworth's tenth-inning home run gave the Detroit Tigers a 4-3 victory over the Boston Red Sox in a single game at Detroit.

In the National league, the Brooklyn Dodgers hiked their lead from five games to six and a half, sweeping a twin bill with the Chicago Cubs.

Bucky Walters stole Jim Tobin's thunder at Boston, pitching the Cincinnati Reds to a 9-3 victory over the Braves. Walters yielded only seven blows and blasted a two-run homer off Tobin, who hit three home runs in a row in Chicago last Wednesday. Walters cut the scheduled doubleheader to a single game.

The Philadelphia Phils kept the Pittsburgh Pirates two percentage points behind the second-place Braves by winning the second game, 5-4, after the Pirates had grabbed the first game, 7-2.

The New York Giants and St. Louis Cardinals divided their double bill to remain deadlocked in fourth place. Carl Hubbell scattered eight hits for a 7-1 decision in the opener, his first triumph of the year, but the Cards came from behind to take the afterpiece, 8-6.

The throw and everyone was safe. Bailey was walked intentionally, filling the bases. Manager Ratliff then strode to the plate and lifted a fly to center, Surratt scoring the winning run after the catch.

Cunningham paced the Oilers at the plate with three singles while Surratt and Pickering each parked a double and single. Buckel had another big day defensively, coming up with five assists and a putout. Pickering had the same record in the field. Frierson, first baseman for Clovis, hit a homer and single.

Pickering, sent to Pampa by Roger Hornsby of the Fort Worth Cats on 24-hour recall terms, looked good except in the one inning and for a streak of wildness. He walked four and made three wild throws, two of them costly.

Bernard Schmitt, who is leading the league pitchers this season with four wins against a loss and probably take the mound tonight unless Manager Ratliff decides to send one of the Isaacs boys to the hill.

A former Pampa Oiler star will be with the Bombers, who until Saturday were the Wichita Falls Spudders. He is Jared Jordan, third baseman, and he's going great this season Robert "Pepper" Martin, until last week with the Oilers, will be at second for the Bombers.

In the final fourth Quillen, first batter, was safe when Cunningham let his dinky grounder roll between his legs. Wyatt fouled out trying to bunt on a third strike. Skieker walked. Then Harriman doubled and Steiner. Frierson and Harrison singled in succession. Setz forced Frierson and Taylor was an out. In the fifth Frierson hit one over the right field fence.

Pampa's first two runs crossed the plate in the third when Pickering opened with a double down the left field line. Surratt walked. Cunningham singled to score Pickering and Surratt scored on Ratliff's infield out. The Oilers scored another in the sixth. Bailey, who bunted safely, was forced by Ratliff. Brown whiffed. Summers and Isaacs singled. Ratliff scoring. In the lucky seventh the Oilers tied the score when, with two away, Cunningham, Bailey, Ratliff and Brown singled in succession. Summers grounded out to short to end the inning.

The Oilers took a golden opportunity to win the game in the eighth. Isaacs singled and went to second on Buckel's sacrifice. Pickering lined one to center and Isaacs tried to score but was caught at the plate when Setz threw a strike to Quillen. Pickering was then trapped off second.

Surratt Wins Game But not to be denied, the Oilers came back in the ninth. Surratt opened with a double. Cunningham hit a dribbler toward first. Lou Frierson fielded the ball and deflected to try to Surratt going to third but the little shortstop beat him.

Merv Comors, Rebel first baseman, was a ball of fire in both Fort Worth games. In the opener he hit two home runs, a double, and reached base when struck by the pitcher, scoring a total of four runs. In the second he walked, singled and sacrificed and scored the tying run.

The league-pacing Beaumont Exporters continued their fast clip before the home fans by sweeping a doubleheader with San Antonio.

Borger Woman Still M'Clellan Racing Champion

A woman is still the motor-boat racing champion of West Texas. She is Mrs. Bobbie Byler of Borger who yesterday afternoon at the formal opening of Lake McClellan for the 1942 season won the 33 h. p. and the free-for-all races, defeating some of the best men drivers in the country.

Pampa made a clean sweep of the other races, George Lawley winning the 22 h. p. race and Alva "Shorty" Phillips winning the 33 h. p. race. An estimated 6,000 persons visited the lake yesterday and witnessed the races, sponsored by the McClellan Boat Club. The formal opening started with a big dance at the lake Saturday night. Picnic parties were numerous and there were many fishermen on hand. Several "big ones" didn't get away yesterday.

Water-ski exhibitions were given by Bert Howell and Pete Colgrove. Jack Lyons, in his big 60 h. p. racer, gave entrants in the free-for-all half lap start and he passed everyone but Mrs. Pyle, who needed him out.

Results follow: 16 h. p.—George Lawley, Pampa; Blair Knorr, Groom; J. C. Stewart, Pampa. 22 h. p.—Alva Phillips, Pampa; A. L. Jones, Paducah; W. A. Notand, Pampa. 33 h. p.—Mrs. Bobbie Pyle, Borger; Earl McConnell, Pampa; Alva Phillips, Pampa. Free-for-all—Mrs. Bobbie Pyle, Borger; Jack Lyons, Pampa; Alva Phillips, third.

Patriotic Profit Plan Of Big Ten Due To Spread

By CHARLES CHAMBERLAIN
 CHICAGO, May 18 (AP)—The Big Ten athletic directors' plan today was expected to spread to other conferences and raise thousands of dollars for Army and Navy Relief funds during the football season.

The plan, approved by Big Ten athletic directors at their annual spring meeting, calls for the pooling of all football revenue above the actual cost of financing sports programs. The money is to be contributed in the name of the Big Ten conference—not individual members—to the army and navy funds.

At South Bend, Frank Leahy, Notre Dame's football coach and athletic director, said that such a plan met with his approval and that he would confer with school authorities in regard to adopting it. Patriotic-profits also met with the favor of Jimmy Hagen, Pittsburgh's athletic director, and other heads outside the Big Ten who were at the meeting.

Increased expenses, however, were foreseen because of the support to vast programs of physical fitness courses.

The plan, which Major John L. Griffith, athletic commissioner, termed a climax to the Big Ten preparedness program built up since the last war, had wide approval.

"We have been building programs of physical fitness through athletics ever since the last war taught us the lesson that we needed able bodied men," he asserted.

"Every school also has given room to house enlisted men's unit training groups studying sign, work, radio, or engineering. Most of these classes, under direction of staff officers, are held in gyms and field-houses which the Big Ten gladly has given to the necessity of constructing cantonments."

 CANADIAN, May 18—Hemphill County Judge Gladys, veteran of World War I, presided at the community program Thursday night in the high school auditorium.

In addition to the planned program, there was a talk by William Grant (Billy) Lindley, son of Mr. and Mrs. J. B. Lindley. Lindley is stationed at Fort Leavenworth, Kansas, rating first class private, member of the 4th Corps Reception Center band.

Lindley expressed confidence in the ultimate success of the Allied forces in the present war but stated that it would require the outstanding cooperation of everyone at home if the peace which follows it is to be worth the cost.

H. E. Hoover, dean of Panhandle lawyers, made the address of the evening and expressed confidence in the downfall of dictatorship and the forces which have caused the present world conflict. He based his belief on the history of wars since the beginning of time. He cited the "war in heaven" when Satan was turned loose on the world; the war of the Medes and Persians; conquest by the Romans; Napoleon's shattered dream of world conquest.

USO Film Exhibited
 Following the wars of history, he stated that whenever any person or nation through hate, greed, or desire for self-aggrandizement set into motion the machinery of war, the result always was defeat. He said that in the end a lie hurt only the person who told it, that if one would win a war, let that war be for the right.

H. A. Hill, local musician and musical instructor, composed the musical arrangement of the 23rd Psalm used as a duet, sung by Mrs. Del D. Crosby and Martha Lou Strader.

As a fitting closing for the program, movies showing men in training centers and USO reading rooms were thrown on a screen with explanations. The equipment for this was furnished by the Olin company, Pampa, the film sent from Houston, courtesy of the Humble Oil & Refining company. The men sent out to put on the show, Walter Dean, superintendent of the Humble Oil company, Pampa, and Franklin Morris of Wichita Falls, were through courtesy of the Humble Oil company.

Tom Abraham is in charge of the USO drive for the quota of \$500 for Hemphill county. House to house canvass will be made beginning Monday, May 18. Mr. Abraham's assistants will be J. M. Noble, publicity; Miss Vivian Winston, women's activities; solicitors, Mesdames C. W. Isaacs, T. W. Carver, Frank Chambers, Jim Ingwerson, Russell Carver, Walter Bader, W. D. Fisher, F. N. Diplomas Given 19 Miami Grade School Graduates Thursday

Special To The NEWS
 MIAMI, May 18—Nineteen members of the eighth grade of Miami schools were promoted to high school in special commencement exercises in the school auditorium Thursday evening. Students in the class gave the entire program, which included a play, musical numbers, valetictory, salutatory, class history, presentation of diplomas and some special awards.

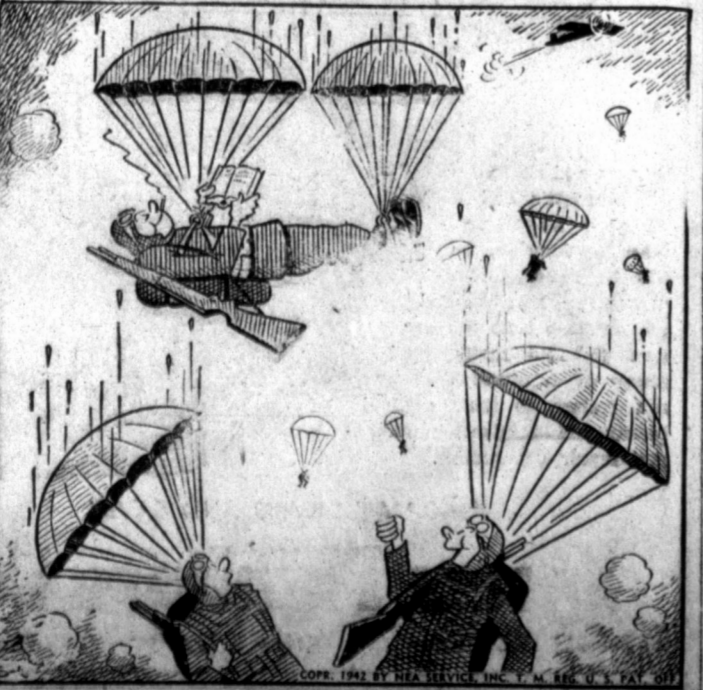

The awards, which were presented by Supt. E. M. Ballengee, were for attendance and citizenship.

Lucile Nelson received the girls' award, and Belton (Pee-Wee) Howard, the boy's award for unusual citizenship. These awards which include a certificate, a plaque, a pin to wear, are presented each year by Pulaski Post 106, of American Legion, to the girl and boy in the eighth grade who most nearly meet the qualifications of best citizen as defined by consideration of seven attributes of character.

Lucile is the daughter of Mr. and Mrs. Hall Nelson, and has an excellent scholastic record and has been active in band and other school activities.

Belton, son of R. L. Howard, has

Night Baseball May Be Banned In New York City

NEW YORK, May 18 (AP)—New York police, at the insistence of military officials, apparently have thrown the switch which will darken all ball parks and sports stadiums in the metropolitan area for the duration.

Mayor LaGuardia yesterday broadcast eight regulations which would deepen the city's dimout. The fifth banned all floodlighting for sports events unless it could be screened to prevent glow or reflection.

Asked later if that meant no night baseball, LaGuardia replied: "I guess so." Then he explained: "It seems almost impossible to eliminate objectionable light reflection there."

A definite decision is expected before Friday when the New York Giants and the Brooklyn Dodgers are scheduled for a night game in the Polo Grounds.

Both the National League clubs have 14 home games listed for nights and if all are banned the loss in revenue to the two has been estimated from \$100,000 to \$250,000.

Larry MacPhail, president of the Dodgers, said he thought the reflection could be eliminated and the games held.

Texans Used Sugar Substitutes In 1845

Special To The NEWS
 AUSTIN, May 18—Substitutes for foods of which there is a shortage didn't start with this war.

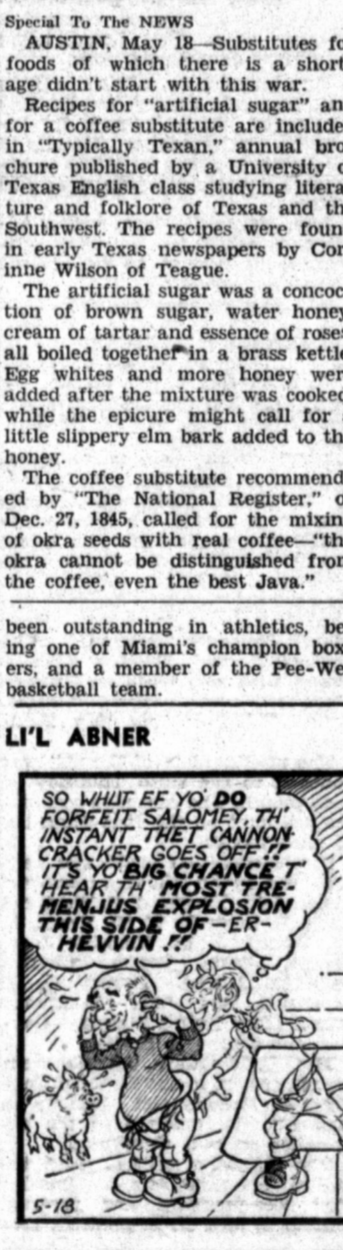

Recipes for "artificial sugar" and for a coffee substitute are included in "Typically Texan," annual brochure published by a University of Texas English class studying literature and folklore of Texas and the Southwest. The recipes were found in early Texas newspapers by Corinne Wilson of Teague.

The artificial sugar was a concoction of brown sugar, water honey, cream of tartar and essence of roses, all boiled together in a brass kettle. Egg whites and more honey were added after the mixture was cooked, while the epicure might call for a little slippery elm bark added to the honey.

The coffee substitute recommended by "The National Register," of Dec. 27, 1845, called for the mixing of oak seeds with real coffee—"the oak cannot be distinguished from the coffee, even the best Java."
