

You'll Aid Army, Navy By Attending Garden Show Tomorrow

There's no greater thrill than the sight of the good earth of Gray county producing its wealth of vegetables and flowers. That's the thrill that awaits you tomorrow and Saturday, along with the "lift" you'll get when you know you are doing a part in helping the

members of the Pampa Garden club help the men in the armed forces for 85 per cent of the proceeds of the Victory Garden Harvest show, to be held at the red brick school building on the junior high school campus. Time is from 3 p. m. to 9 p. m.

tomorrow, and from 9 a. m. to 9 p. m. Saturday. Admission is 25 cents. Not only will the show be a beautiful display, but it will amaze you with its demonstration of what can be grown in Gray county. Even if you can't come to the show, you

should buy a ticket for the biggest portion, nearly all, of the proceeds go to army and navy relief. **Dahlias Wanted** There are some extra large dahlias that have been grown in town this year and Mrs. H. E. Schwartz would like to have these specimens entered

in the show. It doesn't matter whether you are a member or not, you can still put your prize flowers, and vegetables, too, for that matter. Into the show, which is county-wide and open to everyone in Gray, not for Pampa alone. Probably you know that the dol-

lars you give to the navy relief society help make possible the proud slogan, "The Navy Takes Care of Its Own." But perhaps you know less about the actual operation behind that slogan. The Navy Relief society's functions are almost as varied as the

emergencies that beset its members, especially in wartime. The society stands, in the words of Secretary of the Navy Knox, "as a substitute head of the family during the absence of navy men at sea, ready at all times with friendly aid and advice." It is ready with loans without in-

terest or, if necessary, outright grants to tide over a sailor's family in time of illness or financial straits. If a navy man is lost at sea the society will help in caring for his family and dependents, in educating his children and seeing that

5 Killed In Crash Of Crack Passengers

DICKERSON, Md., Sept. 24 (AP)—Five persons, and perhaps as many as 23, were believed killed near here today after a rear-end collision of two Washington-bound passenger trains. A pullman passenger train was struck by a freight train passing on an adjoining track. Eighteen of 21 persons were unaccounted for in the rear sleeping car and many of them may be dead or injured, Baltimore and Ohio officials said. Seventeen persons in the car ahead of it were "all accounted for" and the injured among them hospitalized.

A Washington Evening Star reporter made the indefinite count of five or perhaps 23 persons killed. The sleeper fell into a deep cut. Wreckage was strewn over the track in a rending three-way crash. Dickerson is 35 miles northwest of Washington. The Ambassador, express from Detroit to Washington, crashed into the rear of the Cleveland night express, and the rear pullman on the Cleveland train was sideswiped by a freight train going in the opposite direction. The Cleveland train had stopped near Dickerson, Md., because of engine trouble and the Ambassador express between Detroit and Washington crashed into the rear of the train shortly after the trouble had been repaired and the Cleveland train had started up.

Nazis Claim Sinking Of Three Destroyers

BERLIN (From German Broadcasts), Sept. 24 (P)—A special German communique reported today that Nazi submarines had sunk three destroyers, an auxiliary cruiser and five transports in an attack on an allied convoy between Spitzbergen and Iceland. "Neither the reported attack on the convoy nor the German claims of losses inflicted were confirmed by any other source. Previous German claims of Allied ship sinkings on the Arctic supply route have been termed "grossly exaggerated" by the British. The announcement said the convoy, described as British, was bound from Soviet Russia to British and American ports and "consisted of a large number of protecting vessels, transport vessels." The Germans also reported their submarines had sunk 13 Allied merchant ships totaling 75,000 tons and a corvette in attacks on Allied supply lines in the Atlantic, off the Atlantic coast and in the Caribbean.

Lost: 12-Bed Hospital

PHILADELPHIA, Sept. 24 (AP)—John Michel, Red Cross executive, made this appeal: "Will the party who found a 12-bed emergency hospital in North Philadelphia yesterday kindly return it to the Red Cross?"

Gray County Farmers Pace Scrap Drive

There's no stopping the all-out efforts of Gray county farmers to bring in scrap metal. Take Jack Stephens, farmer living southwest of Grandview, for example. Way back this spring he brought in 18,000 pounds, but he hasn't quit. He's still collecting metal off his farm and says he isn't near ready yet for the sign offered him certifying his farm as 100 per cent clear of scrap metal turned into the campaign.

He's a World War I veteran, served in the Canadian army, made 10 trips across the Atlantic, and is a naturalized American. Stephens is a native of England. Mr. and Mrs. Oscar Tibbets, who reside near Alameed, have brought in 1,840 pounds of scrap metal since their 4,470-pound load, reported in yesterday's issue of The News.

That's in addition to the three tons previously turned in by the Tibbets earlier this year. And Mr. Tibbets, who has been farming the same place for 25 years, still isn't satisfied that he's gotten all the scrap metal off his farm. He doesn't want to ask even yet for a 100 per cent sign. "I'm going to plow a spot where I think some metal is buried," he said today.

Alcan Highway To Be Completed By December 1

WASHINGTON, Sept. 24 (P)—The Alaska highway will be ready for use about Dec. 1, Secretary Stimson announced today, and traffic is expected to move steadily over its 1,600 miles until spring thaws make it impassable in April and May.

Not only is the highway being completed months ahead of schedule, Stimson said, but instead of the contemplated rough "pioneer" road, the "Alcan highway as it is now being constructed by the corps of engineers is a well-graded, well-drained truck road for practically its entire length and will afford two-way traffic over many long stretches."

The highway, beginning at Dawson Creek, British Columbia, runs northwest to Whitehorse, Yukon territory, and then crosses the Alaskan boundary, terminating at Fairbanks and the United States at Dawson Creek, and not only provides a motor highway to Alaska, but serves also as a feeder route for various military airfields which previously had to depend on air transport alone for all supplies.

RAF Bombers Blast Nazi Submarine Yard

LONDON, Sept. 24 (P)—British bombers in their first night raid against Germany this week attacked objectives in the north and northwest, including submarine yards at Flensburg, last night, the air ministry announced today. This thrust accompanied a raid by coastal command aircraft on an Axis convoy off the Dutch coast in which three medium-sized ships were declared hit. "Ten of our bombers are missing from these operations," the air ministry said. Authorities said that overnight aerial activity against Britain was confined to flights by three Nazi bombers. One was reported destroyed before it crossed the coast. "Stop oil consumption with a set of Perfect Circle Oil Stoppers. Your favorite mechanic will install them."—Adv.

GARDEN SHOW TICKET WILL HELP HIM

A navy sentry, as shown above, doesn't seem to have much connection with the Victory Garden Harvest show to be held in Pampa tomorrow and Saturday, but there's a definite relation in that 85 per cent of the proceeds go into army and navy relief. On lonely posts in the four corners of the earth navy and army men know relief societies

Administration Tries To Split Farm Bloc

WASHINGTON, Sept. 24 (AP)—Administration leaders strove desperately today to split the congressional farm bloc with a compromise on its demands for a higher agricultural parity price level in legislation to give President Roosevelt broad controls over the cost of living. Beaten back already in the house by passage of the bill late yesterday by an amendment moving parity upward by the inclusion of farm labor costs as a factor, leaders scheduled a hurried conference today with farm bloc members in an attempt to head off similar action in the senate.

Senator Brown (D-Mich) told the senate today he feared congress and the President were heading for a "collision" that, "God forbid," might have to be settled by the third branch of government, the supreme court. Taking the floor immediately after 13 senate agriculture committee members had voted to reject an administration-sponsored compromise in the controversy over farm parity price provisions of the anti-inflation bill, Brown told his colleagues: "I believe the congress and the President are headed for a collision."

"I am fearful at this time when unity is the need in the conduct of the government today that we are going to have criticism, disunity and discord between the legislative and the executive branches of the government." "God forbid that this should happen," he continued, "but it is entirely possible that this dispute may have to be resolved in the third branch of our government." Brown alluded to the demand of the congressional farm bloc that farm parity prices be revised upward to take into account cost of all labor on the farms, a revision

Nazis Make No Claim Of Gains

By ROGER D. GREENE Associated Press War Editor Bolstered by shell-fire from Volga river gunboats, Marshal Semeon Timoshenko's Red armies were reported to have driven the Germans from a series of fortified points in Stalingrad today, rolled up a four-day toll of more than 13,000 Nazis killed, and struck a sharp counter blow northwest of the Volga metropolis. Adolf Hitler's field headquarters again stressed the fury of the battle, declaring in a terse, noncommittal bulletin: "Street fighting in Stalingrad is continuing with undiminished bitterness." Significantly, the Nazi communique made no claim if fresh gains in the bloody house-to-house fighting, despite the reported arrival of strong German reinforcements. The Nazi command further noted "strong Soviet counter-attacks" north of the city in which 34 Red army tanks were reported destroyed.

Salvation Army Drive Passes Half-Way Mark

Pampa's Salvation Army drive has passed \$2,500, the half-way mark, at noon today, and Capt. Frank White, head of the local post, said it is hoped to close the city-wide canvass by civic club members at Saturday noon. General Chairman Arthur Teed used an appeal today to Pampa business houses and industrial plants to complete their canvass of workers as soon as possible and turn the contributions in. "At noon today," he said, "only six institutions had completed their employe canvasses. It is important that we get the cooperation of plant managers and department heads to get this solicitation completed." The Salvation Army is seeking to raise \$5,000 to carry on the organization's charitable work the coming year. Workers from the Lions, Rotary and Kiwanis club and from the Junior Chamber of Commerce were in their second day of solicitation today.

Pampans Invited To Hear Former Flying Tiger Speak

Officials of the American Legion and Veterans of Foreign Wars today urged Pampans to turn out in front of the LaNora theater in Cuyler street at 6:15 o'clock this evening to greet Paul Greene, Clarendon, former Flying Tiger of the A. V. G. in China. Mr. Greene is in Pampa today in the interest of Gray county's scrap metal drive. He arrived shortly before noon and made his first appearance at the Lions club luncheon in the Methodist church. At 6:15 p. m. he will be interviewed on the LaNora theater marquee and the program will be broadcast by KFDN. At 7:30 o'clock Greene will be guest of the Legion and Veterans. One 80 h. p. stationary motor for sale. See it at Pampa Garage and Storage, Ph. 978.

I HEARD . . .

That Lt. Col. Daniel S. Campbell, commanding officer of the Pampa air base, has a man to maintain his special plane. He is Sgt. Joseph Roland of Kelly field, who arrived in Pampa yesterday, and who will be crew chief at the base. Ladies! Let us sharpen your knives free. Bring them in to Lewis Hardware.—Adv.

Market Briefs

NEW YORK, Sept. 24 (AP)—Stocks, led by rails and industrials, today added fractions to more than a point to yesterday's rally, with volume reaching the second best level of the year.

Sharpening the buying appetite was the heightened inflation threat resulting from the apparent refusal of congress to enact the administration's wage-price controls, a revival of dividend expectations for many companies long in the non-paying class, and more favorable news from the Stalingrad battlefield. The pace, fast in the forenoon, slackened at intervals as offerings appeared, but picked up after mid-day. Near the close prices hardened in virtually all categories.

Transfers of around 800,000 shares were the largest since July 9. Turnover was \$44,000 on that date was a peak since Dec. 31.

Pattern of Axis Near East Thrusts

New German drives in Egypt linked with Nazi successes at Stalingrad shape the pattern of axis aims of joining forces in the Near East by thrusting from one major objective to the next. Goals are oil fields for thirty Nazi war machine and communications centers and bases like Suez Canal, Stalingrad and Alexandria.

Gray Men Asked To Enlist In Lexington Group

Who'll be the first from Gray county to enlist in the navy and be assigned to the new aircraft carrier U. S. S. Lexington, which will be launched Saturday?

Warrant Officer C. M. Norman, topman, U. S. navy recruiting service, Amarillo, wants Gray county to do its share in the nation-wide recruiting drive underway by the navy, with the launching of the Lexington. The drive will continue through October 3.

Secretary of the Navy Frank Knox added that the launching of the Lexington, named for the plane carrier which added a glorious chapter to American naval history before it was lost in the battle of the Coral Sea, would in itself be a tremendous inspiration to patriotic Americans who want to serve their country.

The original plane carrier Lexington, a sister ship of the Saratoga, was commissioned on October 3, 1925, or exactly 17 years to the day. The new recruiting drive is to end. It has a complement, including a flying personnel, of 2,122 officers and men.

Displacement was 40,000 tons full load; length, 888 feet; beam, 105 feet; draught, 32 feet, maximum. Its equipment included 90 aircraft, eight 8-inch guns, 12 5-inch anti-aircraft guns, and eight 50-caliber machine guns.

Enlisted personnel recruiting in the campaign, the secretary explained, will be identified as "Lexington Volunteers" in tribute to the fighting men of the former Lexington, who smacked the Japs in the battle of Bougainville, again in the battle of Lae and Salamaua, and a third time in the Coral Sea.

Victory Dinner Given Carriers Of Pampa News

Fried chicken melted away like snow by a hot Panhandle wind when carriers and street sellers of The Pampa News were guests of the newspaper at a dinner at the Schneider hotel last night, given in appreciation of the obtaining a certain quota of new subscribers during the past month.

Quicker-acting healthy all-American boys—not a sassy in the lot—had an all-out fun fest as they joked with one another, ate fried chicken, beans, biscuits, mashed potatoes, gravy, and later attended the Rex theater to see "Burma Convoy."

There were only four "grown-ups" present and the dinner program was all enceed by one of the boys themselves, Darrell Hogsett, who is among the leaders in the sale of Victory bonds.

Not only did the dinner signify that the boys had reached a certain circulation goal, but it also marked the magnificent record made by the boys in the sale of Victory bonds and stamps.

It is something special when a grown-up sells a lot of Victory bonds and stamps, but when a boy can go out and take time off from his job of delivering newspapers, and roll up a record—it's super.

Champion Sellers
Any adult who thinks being a carrier boy is any snap ought to try it. It's easy for men to forget they were once boys—a lot easier than it is to be on the job every day on time, walk or pedal a bike many miles, regardless of rain, sleet, wind, deliver your copies, and be responsible for the money due for those papers.

The carriers of this newspaper have sold a total of \$29,692 in Victory bonds and stamps since the plan of the treasury department for newspaper boys to work in this activity was started, about a year ago. Leading in sales is Dale Butler, who has sold the amazing total of \$2,577.80 worth. Second place is almost as good, Burl Graftman, with \$1,947.

BUY VICTORY BONDS—Dissatisfaction Of Italy Indicated In Bitter Tirade

BERN, Switzerland, Sept. 23 (AP)—A bitter tirade against France by a semi-official Italian publication was interpreted today as indicating Italy's growing dissatisfaction with what she has gotten out of the Axis and her dwindling hopes of winning any material rewards from participation in the war.

This conclusion was drawn by experienced observers from an article which appears in the Weekly Foreign Affairs Journal, Rome, and which, though directed at France, lacked any expression of faith that the Nazis would support Italy's ambitions.

Temple-Austin Game To Highlight State Grid Contests This Week-End

By HAROLD V. RATLIFF Associated Press Sports Editor The powers of Texas Schoolboy football slug it out from Panhandle to tip toe in a series of full-on fights in the glittering array of attractive games in Temple's march against Austin's Maroons.

The Wildcats, back with another fine team which must be rated among the top six until some foe shows otherwise, meet at Turtar in an Austin team, potentially greater than the 1941 eleven that went to the quarter-finals.

This game is set for Friday night at Austin.

There are two games on the schedule marking the start of championship play, with Amon Carter Riverside opening defense of its title in Fort Worth Tech and Tyler doing the same in district 11 against Athens.

The complete schedule by districts:

1.—Friday: Electra at Berger, Olney at Plainview; Saturday: Sunset (Dallas) at Pampa, San Angelo at Lubbock.

2.—Friday: Breckenridge at Wichita Falls, Nocona at Burkburnett, Walling at Childress.

3.—Friday: Brownwood at Sweetwater, Amarillo at Abilene, Cisco at Big Spring, Brownfield at Lamesa.

4.—Friday: Yelton at Carlsbad, N. M., Midland at Austin (El Paso), El Paso High at Roswell, N. M.

5.—Friday: McKinney at Sherman, Denton at Bonham.

6.—Friday: Denison at Greenville; Saturday: Groesbeck Tech (Dallas) vs. Highland Park (Dallas).

7.—Thursday: Graham at Paschal (Fort Worth); Friday: Amon Carter Riverside (Fort Worth) vs. Fort Worth Tech (conference); Saturday: Gainesville Poly (Fort Worth) vs. Dallas.

8.—Thursday: Gilgore at North Dallas; Friday: Masonic Home (Fort Worth) at Adamson (Dallas); Saturday: Goose Creek at Woodrow Wilson (Dallas).

9.—Friday: Merkel at Ranger, Strawn at Stephenville, Vernon at Mineral Wells.

10.—Friday: Ennis at Corsicana, Forest (Dallas) at Waco, Cleburne at Hillsboro, Palestine at Bryan, Jesuit High (Dallas) at Waxahatchie.

(Continued from Page 1) signs for farms cleared of scrap, were turned in to Director Williamson.

On the closing day of the state extension conference, last Friday, September 18, Director Williamson held up the sign before county farm agents and home demonstration agents at College Station, and lauded the county campaign.

The work done has also been praised by Knox Parr, district 1 agent, who was in Pampa today.

Nearly 50 tons of metal was collected in the period ending in the latter part of August.

The Victory Agricultural council, Gray county agent, and farmers, and ranchers joined Pampans in putting over the project.

Work of collecting scrap metal has only started. As soon as the southern part of the county has finished its job, work will commence in the northern half.

Wayne Maddox To Be Moore County Agent

War is draining extension agents from Gray county.

For the fourth time this year, a change is being made in the office of the Gray county farm agent.

Wayne Maddox, son of Roberts County Commissioner L. A. and Mrs. Maddox, and Gray county assistant farm agent since January, will become county farm agent of Moore county, with office at Dumas, on October 1.

He will succeed J. B. Wade, Moore county agent, army reserve officer who has been called into active duty.

Ralph R. Thomas, county farm agent here for a decade, also an army reserve officer, was called on April 17. The army also took Lawrence Neese, his assistant, and of Mr. Maddox. Glenn T. Hackney arrived here in May to succeed Mr. Thomas, making four changes to date. Mr. Hackney must show his annual report for this year.

Mr. Maddox took up his work here on January 21. He is a graduate of Miami High school and graduated from the Agricultural & Mechanical College of Texas in 1941.

Junkman Plays Important Part In Scrap Campaigns

By HUDSON PHILLIPS NEW YORK, Sept. 24 (AP)—Wait a minute before you get sore at the junkman for not coming around for your 25 pounds of scrap or not giving you the price you thought it was worth.

Maybe the sight of scrap piled high in his yard discouraged you from realizing fully that there was a real and serious shortage.

Maybe the junkman would have good answers to your wondering. If you don't know the answers or don't understand them and therefore stop collecting scrap, the war job suffers.

Because the junkman is doing important work in the war, the government is taking the trouble to set public thinking straight about the role he's playing.

More than ever he'll be valuable in the next three weeks as American newspapers spearhead scrap collections for the mills which are producing 5 million tons less steel than they should because of scrap lack.

More than 1,400 newspapers are in the drive which officially runs from Sept. 28 to Oct. 17, but in some states already is under way. The war production board warned this week that unless there is an

General Weathered To Inactive Status

DALLAS, Sept. 24 (AP)—Brig. Gen. Preston A. Weathered will revert to inactive status as a brigadier general Saturday, following his retirement from active service because of age.

General weathered was commander of the 72nd infantry brigade of the Texas 36th division until his brigade was broken up in the change of the 36th from a square to a triangular division.

The army's age-in-grade policy cuts off from active command brigadier generals of his age, which is 58. A veteran Dallas National Guard and regular army officer, he returned here yesterday.

WPB chief, gives to critics of the junkman: Only the junkman has the experience and equipment to do the right job of sorting, grading, preparing, packing and accumulating scrap in lots large enough to be shipped efficiently to the mills.

Farm Bloc Holds Whip Hand In Senate Fight

WASHINGTON, Sept. 24 (AP)—The farm bloc apparently held the whip hand in the senate today, with 40 of the 96 senators expressing approval of the principle of an amendment to revise the parity price formula to include farm labor costs.

Senators Connally and O'Daniel of Texas were among those favoring the amendment, according to an Associated Press poll, as efforts were begun by administration leaders to effect a compromise.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

If you have an excess of acids in your blood, your 15 miles of kidney tubes may be overworked. These tiny filters and tubes are working day and night to help Nature rid your system of excess acids and poisonous waste. When disorder of kidney function permits poisons to remain in your blood, it may cause nagging backache, rheumatism, leg pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Present or scanty passages with ammonia and burning sometimes show there is something wrong with your kidneys or bladder. Kidneys may need help the same as bowels, so ask your druggist for Doan's Backache Kidney Pills by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Mrs. Tripplehorn Entertains With Coffee In Home

When Mrs. Robert Tripplehorn entertained with a coffee at her home Wednesday morning, Mrs. Helen Butterfield and Mrs. Carl Kitchen of Boise City, Idaho, were guests of honor. Both are house guests of Mrs. Lee Cady.

An autumn theme was stressed in the flowers arranged throughout the house and in the mints. Mrs. R. E. McKernan poured coffee at a table centered with an attractive arrangement of vari-colored grapes.

During the morning a review of the book, "The Moon Is Down" by John Steinbeck was given by Mrs. F. E. Leech.

Attending the affair were Mrs. Lee Cady, Mrs. Helen Butterfield, Mrs. Carl Kitchen, Mrs. C. H. Schulky, Mrs. Morris Levine, Mrs. Walter Daugherty, Mrs. T. F. Smalling, Mrs. F. E. Leech, Mrs. W. D. Kelly, Mrs. J. L. Wheatley, Mrs. R. E. McKernan, Mrs. J. M. Collins, Mrs. H. T. Hampton, Mrs. F. E. Carlson, Mrs. Raymond W. Harrah, Mrs. C. W. Briscoe, Mrs. Alex Schneider, Mrs. George Rainoud, Mrs. J. C. Richey, Mrs. E. J. Dunigan, and Mrs. H. H. Hicks.

PHILLIPS, Sept. 24 — "Mutual understanding between the home and the school is only the more valuable and important when both home and school, like all other social institutions in a time of war and uncertainty, are threatened with undesirable change. The Parent-Teacher association, a stable and sound interpreter, stands as a reliable sentry to protect the enduring interests of all America's children." Miss Mildred McGhee, principal of the Phillips grade school stated in her initial address to the Phillips P. T. A. at the regular meeting Tuesday.

Mrs. A. O. Pickett, president presented Miss McGhee with a corsage as an expression of the community's appreciation for her services.

Following an entertainment by the first grade music class, directed by Mrs. Bob Gerner, Mrs. Marie Wheeler spoke on "Your Child's First Year in School." Mrs. Wheeler's address was followed by refreshments served by the executive committee in the school cafeteria.

Mrs. Wheeler's first grade had the highest percentage attendance, 93 per cent, for the first meeting. Miss Peables' room followed with 42 per cent.

11-19

"Plenty pretty" is the verdict junior girls are passing on this gay young frock. Work it out in contrasts—red top with blue and red checked skirt for instance — and you'll have real styles excitement. Or make it of light weight wool, outline the low basque bodice and the cute pockets with a bright embroidered braid.

Pattern No. 8265 is designed for sizes 11, 13, 15, 17 and 19. Size 13, contrast takes 1 3/4 yards 39-inch material for top with short sleeves, 2 1/8 yards for bias cut skirt. Monotone dress with 3-4 sleeves, 3 3/4 yards 39-inch material, 8 yards braid.

For this attractive pattern, send 15c in coin, your name, address, pattern number, and size to The Pampa News Today's Pattern Service, 211 W. Wacker Drive, Chicago, Ill.

If you have home sewing ambitions, consult the Fashion Book for the latest fashion ideas! This complete Pattern catalogue is 15c. Or you may order a copy of the catalogue with a 15c pattern for 25c plus 1c for postage.

Wool With Self Trim

Wool with self-trimming is newest fall news. Matching yarn fringe outlining a wide yoke and deep front-V and edging the brief basque, emphasizes the tapering bodice line in this smart New York creation of gold wool. The slim skirt has center front seam and gently rippling flare that stays well within wartime limitations.

Grimes, social welfare; and Miss Claudia Everly, publicity.

After the business meeting, Mrs. Roy Reeder, music teacher in the local schools, accompanied by Glenn F. Davis, sang "Lindy Lou" and "I'm a Little Tea Pot"; and Mr. Davis, with Mrs. Reeder as accompanist, led the group in singing "America." "I'm in Uncle Sam's Navy," and "God Bless America." Supt. Chester Strickland then expressed his appreciation of the excellent attendance, assured the group that the meetings would be continued as long as possible, and urged full cooperation.

Concluding the program, Miss Virginia Martin, physical education teacher, led in a "get-acquainted" game, and refreshments were served by Misses Dorothy Wittliff and Vera Taylor.

Merten H. D. Club Members, Families Have Picnic Supper

Members of Merten Home Demonstration club and their husbands were entertained recently in the home of Mr. and Mrs. T. L. Sirman where a picnic lunch was served.

Following the lunch dominoes and bridge were played and a quiz game was conducted.

Attending were Messrs. and Mmes. A. Swafford and Marlene; H. H. Threait and Douglas; C. B. Haney, Wesley and Etta Frances; Ben Hoover; J. H. Fish, Virgil, Wanda and Sylvia; E. B. Davis, Earl Daryl and Sylvia; a guest, Clea Ann Benton; Mr. and Mrs. T. L. Sirman and Thomas and Madge Sirman.

El Progreso Club Begins Study Of America At War

Beginning the course of study for the year, "America in a World at War," El Progreso club met in the city club rooms Tuesday afternoon with Mrs. Carl Jones, president, presiding and Mrs. John Andrews as hostess.

Mrs. T. D. Hobart spoke on "Colonial and Revolutionary America," telling why the people left their mother country, England, and came to settle and establish homes in America. The colonists, both English and Dutch, had one element in common—a devotion to the cause of liberty and a hatred of oppression and wrong. The colonies were made up of pilgrim fathers and puritans, the pilgrims sailing to America in 1620 and the puritans following 10 years later. Mrs. Hobart pointed out that the puritans were called the Reformers, the pilgrims were called Separatists, because they felt the Established Church was bad and no reform could purify it. Mrs. Hobart spoke on the establishment of the different colonies in New England and Virginia.

Mrs. P. C. Ledrick discussed "The Democratic Life Begins," saying as Americans we take democracy in its idealistic sense; that democracy like religion is in reality an elaborate superstructure of rational idealism.

"As Americans we look upon our constitutional government as children look upon their parents. Democracy is good, true, wise and benevolent, in the spirit of the letter of its enactment, but we are assailed by 'Black Fridays' of commercial collapse, by 10-year depressions, by multi-millionaires springing up overnight; and that we see crime rampant, then as American people we begin to wonder about our democracy. America passed through a season of pure Jeffersonian democracy, then followed a season of preferment, and bureaucracy, and then war."

Mrs. Ledrick, concluded her talk by saying, "After the war, after the last battle is waged, people of America should wake up to the fact, that it is time to have a real democracy, of the people, by the people, and for the people of these United States of America on America's soil."

Answering roll call were Mmes. Carl Jones, T. D. Hobart, Lenora McMurry, W. M. Craven, Charlie Thut, E. L. Biggerstaff, P. C. Ledrick, Dave Pope, D. V. Burton, and James Todd.

Texas P-TA Will Meet At Houston For 34th Session

AUSTIN, Sept. 24—The annual call to convention has gone out from state headquarters of the Texas Congress of Parents and Teachers to send delegates to the thirty-fourth convention, meeting in Houston November 18 and 19.

The theme this year is "Our Concern, Every Youth." Outstanding features will be two round-table conferences, participated in by representative students from leading colleges and universities over the state and from the armed forces, entitled "Youth Morale—What Is Morale?" and "What Resources Are Available to Youth Both Within Themselves and Within the Community?" Response to the latter discussion will be made by president of the institutions, from which the students come, in a round-table entitled, "Do Our Universities and Colleges Prepare Youth for Life."

The convention has been "streamlined" to a two-day session in keeping with requests made by the federal government and the president of the National Congress of Parents and Teachers. It is being held in the middle of the week to relieve traffic and hotel congestion. Headquarters will be the Rice hotel. There will be few social affairs and only one dinner session. Every talk, report, conference, general session and business session is to be "streamlined" also, according to Mrs. Jack M. Little of Dallas, president of the congress.

Among those assisting Mrs. Little are Mrs. E. H. Becker of Houston, first vice-president and convention consultant; Mrs. C. R. Larimer of

Houston, president of the eleventh district; Mrs. P. J. Dulin, president of the Houston city council of parents and teachers.

Mrs. William Hastings of Wisconsin, a national vice-president, will represent the National Congress of Parents and Teachers.

Sixth Birthday Of Geraldine Sloan Observed At Party

SKELLYTOWN, Sept. 24—Geraldine Sloan celebrated her sixth birthday this week with a party at the home of her parents, Mr. and Mrs. Ralph Sloan, of the Skelly camp.

The afternoon was spent in playing outdoor games after which pictures were made of the youngsters. The gifts were presented the honoree, and refreshments of ice cream and punch were served with the prettily decorated pink and white birthday cake aglow with 6 lighted candles, by Peggy Ann Covey, sister of the little honoree, assisted by Bonnie Satterfield. Miniature flags and balloons were presented the guests as favors. Garden flowers in attractive vases decorated the refreshment table and rooms.

Those present were Geraldine Sloan, Betty Jane Murray, Pampa, Norma June Rice, Minnie Lou Vaughn, Barbara Jean Hughes, Betty Lou Cofer, Billie Joyce Adams, Peggy Ann Covey, Bonnie Satterfield and the hosts.

GLORIFYING YOURSELF

By ALICIA HART
If you haven't yet tried those cosmetic stockings—now is your time. For there's some question about whether some firms making them for the first time this summer will be able to do so again next summer under war restrictions... and some of the most interesting kinds are just coming up now.

There is a new cream kind from a London house—very easy to apply, very smooth. And a new milky kind from a well known Fifth Avenue house—very rich brown, real-socking color, also on in a jiffy.

TWO SCHOOLS OF THOUGHT ON DE-FUZZING
Once you doff your stockings you may decide to go without them well through Indian Summer, maybe into fall, especially if you are wearing stockings as heavy as some predict they'll be. Or you may choose the latest suggestion for sports and casual work and play occasions—socks of ankle-length or knee-length.

In any case, you surely need to do a good job of de-fuzzing your legs right now. There are two schools of hair-removers. I've told you about the razor school. Its adherents insist the hair grows back no faster, stiffer or thicker than it grew before shaving. Then, there are the epilators. They believe that this trick, which removes the hair in the small sac at its under-skin end, discourages growing back.

There's one thing about epilation—hair removed thus takes longer to grow back than shaved hair takes because you get more of the hair off. If you have to shave less weekly, an epilation should do for several weeks.

Most good salons now do the epilations and sell you the wax for home use.

One good method and very good quality wax is used by a Czech pharmacist who transferred her beauty establishment from the Rue de La Paix to New York about a year ago. She is extremely careful and gentle in her work, and thorough. She sells the wax, which she compounds in her own laboratory, in a little jar all ready to use. And to reuse, by the way, for you can do that, too, at least five or six times.

The yellow, slightly piney stuff is put over a low flame till it melts completely, is cooled to honey thickness, is applied to the leg with spatula or knife. It cools there in about a minute and is zipped off in one quick stroke. Off comes the hair also, with the sacs. A bit of cream or lotion to close the pores—and your skin is beautifully smooth.

Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. In complimenting the owner of a house should you say, "It's such a pretty little house?"
 2. In complimenting a woman on a dress should you add, "Mary Smith has one almost like it?"
 3. In complimenting a woman on the dress she is wearing is it better to say what a pretty dress it is, or how becoming it is to her?
 4. Should you tell a mother how cute her child is, in front of the child, if he is old enough to understand?
 5. Should a guest take a child's part against his mother if the mother is trying to get the child to go to bed?
- What would you do if—
You drop in to see some friends and they are listening, with obvious enjoyment, to a radio program you think is terrible—
(a) Ask them how they can listen to it?
(b) Keep your opinion to yourself?

- Answers
1. No. The owner might not like the "little"—thinking you are being condescending.
 2. No!
 3. Say how becoming it is.
 4. No.
 5. No.
- Better "White Would You Do" solution—(b).

Oddfellows Pass Quota For Bomber

DALLAS, Sept. 24 (AP)—Texas Odd Fellows have raised \$1,036,407.90 in war bond purchases, instead of the \$278,000 they set as a goal for the purchase of a bomber, S. M. Williams, Dallas, grand secretary of the Grand Lodge of Texas, disclosed yesterday.

He estimated that final tabulations would show at least \$1,250,000 pledged by Odd Fellows and Rebekahs.

The drive began Aug. 19.

Kenneth Blackburn Leads Sunset Bisons

Game Tickets On Sale At Drug Stores

The Sunset Bisons of Dallas, one of the teams picked by the experts to be a contender for state schoolboy honors this season, will be the Pampa Harvesters' opponents Saturday night at 8:30 o'clock at Harvester park. It will be Pampa's first and only Saturday night game and a record crowd is expected to witness the game.
 Roy McMillen, who handles the ticket sales, begs fans to buy general admission tickets at downtown drug stores instead of at the game. Long lines formed at the field last Friday night when they could have been averted by fans purchasing tickets downtown anytime during the week.
 A large block of new season reserved seat tickets are now available at the school business office in the city hall. The Harvesters have five more home games this season, two of them conference affairs with Lubbock and to win the district, and Plainview.
 The Harvesters face the task of stopping a blocking back rather than a bunch of hot ball carriers Saturday night. The blocking back is Kenneth Blackburn, brother of All State Bill Blackburn who is missing from the Bison lineup this season. The Bisons make no bones about the fact that "wherever Blackburn goes, the ball carrier follows."
 Knowing that, Coaches Buck Prejan and George Scott have been working their Harvesters at top speed this week. They closed workouts with a stiff scrimmage yesterday afternoon. The rest of the week will be spent on dummy scrimmages, smoothing out plays, and on defense.
 From the Dallas News comes the following dope on the Bisons:
 Gene Arthur, Bill Blackburn, Johnny Hamberger, Hurdling Bill Hamman and fleet-footed Sonny Kemble.
 But three returning lettermen and seven substitute lettermen and a host of reserves in last year's great team make the Bisons mighty potent.
 Backfielders Ned Welch and Kenneth Blackburn, brother of Bill, are the mainstays in the ball-handling department. Welch, who weighs in at 157 pounds, is perhaps the fastest back on the squad although Blackburn, who weighs 190, is no slow poke. He works at the blocking back position.
 A letterman, Arthur Burch, and a squadman, Dave Seibenhausen, will round out the starting Bison backfield. Burch, a six-footer, weighs 168 pounds and is a competent passer, runner and kicker. Seibenhausen is a 145-pound scat back.
 The Bison backfield compares favorably with that of the 1942 team excepting in speed.
 This year's Bison line will be big, averaging about 178 pounds per man.
 A standout in the Bison line is End Charley Powers, letterman, who drops back to do a lot of the team punting. Noble Bryant is one of the best tackles in the state. He weighs his running-mate at the other tackle slot, Monte Moncrief, are 190-pounders. Earl Cook, 190 pound giant, and Robert Rollway, 160, are the guards. Buster Stanley, 160, holds down the other end slot with Fred Goodwin, 170, the center.

Cardinals Can Win National League Championship Today

By JUDSON BAILEY
 Associated Press Sports Writer
 While the National league squabble was continuing unabated yesterday, the Cardinals, secure with their sixth American league championship in seven years, trimmed the Washington Senators, 4-1, on the five-hit hurling of big Ernie Bonham.
 The Dodgers reached the 100 victory mark last year on the last day of the season. It was the occasion for a lot of whoop-la because the Cardinals also triumphed in a night game against Cincinnati, 4-2.
 This made it possible for the Cardinals to clinch the pennant today if they win again from the Reds and the Dodgers lose to the Boston Braves.
 The Cardinals came from behind last night to down the Reds, who scored both their runs in the first inning on a walk, an error, a wild pitch and a single. After the first frame Cincinnati made only one hit—a total of two for the game—off Rookie Johnny Beasley as he attained his 20th triumph of the season.
 This reduced the Cardinals' combination to any two St. Louis victories, or Dodger defeats, or one of each, to take the world series to the banks of the Mississippi for the first time since 1934. Even though the Dodgers remained 2 1/2 games behind the lead by winning yesterday, they can do no better than tie if St. Louis wins one of its re-

Teams Coached By Brothers To Play Tomorrow

Special To THE NEWS
 WHITE DEER, Sept. 22—Just a family affair will be staged when Brother Tyson Cox's White Deer Cox's McLean Tigers, at Bucks Field Friday night at 8 o'clock.
 McLean trampled the Bucks last year 26 to 0, but the teams seem to be more evenly matched this year, although the Tigers still have the advantage in weight.
 Both teams have lost one game this season, the Bucks having fallen before the Shamrock Irishmen two weeks ago, 19 to 0, and the Tigers having yielded to the Phillips Blackhawks, 6 to 0.
 The starting lineup for the Bucks probably will be: Lawrence Hester, rf; Leon Wrinkle, rf; Joe Romack, rg; Dean Lassiter, c; Adrian Halduk, lg; Jesus Lopez, lf; Guy Hester, le; Willie Urbanczyk, qb; Gilbert Morris, rh; Walter Roberts, lh; and Leroy Milton, fb.

SOMEONE'S LIFE IS IN YOUR HANDS!

Round up your scrap metal—it's needed to make steel. Steel for armor plate to protect him from bombs and bullets. Steel for weapons to help him do the job that must be done before he can come home again.
 What happens after that depends on all of us. If production falls and you've not done your part, will you rest easy?
 Next week we're starting a collection drive—to build the biggest stockpile of scrap metal you've ever seen. Then when the mills need it, we'll have it—because you came through . . . for HIS sake!
 You don't want production figures. It's enough to know that 50% of all new steel is made of scrap—that our steel mills now have only enough scrap in sight to last another 30 days at the most!

Sports Win Texas League Playoff; Meet Nashville

SHREVEPORT, La., Sept. 24 (AP)—Shreveport's battling Sports, who came from behind in a breathless surge that blasted Beaumont's Texas league pennant hopes, are heading for Nashville and a crack at the baseball championship of Dixie.

The Sports defeated the Exporters 4-0 last night to take the seventh and deciding game in the Texas league Shaughnessy play-off. It was the third straight night Shreveport had held Beaumont scoreless.

Meanwhile Nashville's Vols were downing Little Rock in four straight games to win the Southern association title, and the seven-game Dixie series will open tomorrow night at Nashville.

It's the first time for Shreveport to hold the Texas league championship since 1919 but Nashville has often been in the Dixie series. In fact, this is the fourth consecutive year for the Vols, who will be seeking their third straight championship over the Texas league entry.

The slugger boys from Nashville swept over Dallas in four straight last year and beat Houston four games to one in 1940.

The last time the Texas league took the Dixie series was in 1939 when Fort Worth beat Nashville out in seven games.

Secretary Milton Price of the Texas league announced the Dixie series schedule as follows:

Friday night, 8 o'clock, at Nashville.

Saturday afternoon, 3 o'clock, at Nashville.

Monday, off day.

Tuesday, Wednesday and Thursday nights, 8 o'clock, at Shreveport.

If more games are needed the two clubs will decide when they will be played but they will be at Nashville.

Price announced that the umpires would be Dusy Boggess and Milt Stenegriffe of the Texas league and Paul Blackard and Red Jones of the Southern association.

Shreveport climaxed the best-attended Texas league Shaughnessy play-off since 1939 by beating Beaumont out after the Exporters had taken the first two games and the fourth.

Price said that around 95,000 saw the 20 games in the play-off between Fort Worth and Shreveport, Beaumont and San Antonio and

Beaumont and Shreveport. In 1939 there was a total of 107,000.

Both Shreveport and Nashville finished second in their respective leagues over the full season route.

Bill Dudley Called

Better Than Whizzer

PITTSBURGH, Sept. 24 (AP)—Youthful Bill Dudley is off to such a brilliant start in pro football that he's already called better than "Whizzer" White—but Bill draws, "I've been lucky."

The 20-year-old back, drafted from the University of Virginia, has played only two games for the Pittsburgh Steelers, yet Walt Kiesling, veteran coach, comments: "He's the best back we've ever had."

And co-owner Art Rooney smiles: "He looks better to me than 'Whizzer' White, the Rhodes scholar we paid \$15,000 last year."

The Whizzer led the National league in total ground gained in his first year. But, on the basis of Dudley's two game record, some experts expect his performance to be eclipsed.

Dudley scampered 44 yards for a touchdown against the Philadelphia Eagles in his first pro game—and passed 15 yards for another. A week later, after being knocked out in the first quarter, he ran back a kickoff 84 yards for a touchdown against the Washington Redskins, and set up another touchdown with an 11-yard pass and a 23-yard run.

The perennially last-place Steelers lost both games, as usual, but might have won against the Redskins with better breaks.

Cardinals Down Cincinnati 4-2

By CHARLES DUNKLEY

ST. LOUIS, Mo., Sept. 24 (AP)—The pennant-bound St. Louis Cardinals today are 24 hours closer to hitting the jackpot—the National league championship, their first since 1924.

Even illness or a replacement in the lineup failed to check or stop these amazing Cardinals, who last night, registered their 103rd victory of the campaign to equal the New York Giants' mark of 1912. The league record, however, is held by the Chicago Cubs at 116 in 1906.

Behind the superb two-hit pitching of rookie righthander, Johnny Beazley, a marvelous 23 year old youngster, the Cardinals smothered the Cincinnati Reds, 4 to 2, and tear into them again today, doggedly determined to triumph and sweep on to the championship. If the Cardinals win the next two of the remaining games, they can't miss regardless of what Brooklyn does. They've regained their lead of 2½ games.

Billy Southworth, manager of the Red Birds, selected big Morton Cooper, ace right hander, to face Cincinnati. Cooper will be seeking his 22nd victory and his ninth straight. He will be opposed by Ray Starr, with a record of 15 games won, 12 lost.

Beazley and Ray Sanders, a rookie first baseman, thrilled the top-coated crowd of 26,514 with their achievements last night. Southworth was forced to replace Johnny Hopp, ill with a cold, at first base and Sanders, a rookie first sacker, filled in for him with marvelous success. He smashed a triple to score two of the three runs registered in the third inning and fielded faultlessly.

Aggies Get Dates— And A Free Meal

BATON ROUGE, Sept. 24 (AP)—Two six-foot Texas Aggies seeking "dates" for the L. S. U.-Aggie football game and dance Saturday night will not only have their dates but dinner at the executive mansion here with Governor and Mrs. Sam Jones.

Mrs. Jones fixed things up today for the Texas Cadets, Marvin James and George Grimes, who sought "dates"—either blondes, brunettes, or red-heads, preferably with automobiles," through the sports editor of the Baton Rouge Advocate.

She wired the youths that she had arranged dates for them, and asked them to be guests at the mansion for dinner Saturday night.

Fire Prevention Program To Stress Factory, Farm And Home Protection

Need of protecting factories, farms, and homes against fires that may be set by saboteurs or incendiary bombs will feature Pampa's observance this year of National Fire Prevention week, October 4-10.

In connection with the war angle on the observance is the date of October 12 set by Fire Chief Ben R. White for the formation of another auxiliary firemen's class. Study consists of six weeks work on fire prevention, fighting incendiaries, and use of fire fighting equipment.

There is also a 10-week standard Red Cross first aid course, the first class in which "graduated" on September 8. Certificates were presented to 28 of the 38 men in the class who finished the course. Additional study will be required of the other 10 to make up the required number of hours.

Members Listed Fire Chief Ben R. White is head of the auxiliary firemen, which is a branch of the Pampa Civilian Defense Council.

Members of the auxiliary firemen are: J. V. Andrews, Ray Barnard, Doc Buzbee, Tracy Cary, J. C. Cashion, A. H. Doucette, R. K. Douglass, Walter Doyal, C. C. Ford, Raymond Harrah, W. F. Men In 3-A Asked To Volunteer As Officer Candidates

WASHINGTON, Sept. 24 (AP)—Men classified 3-A by the selective service were asked by the anti-aircraft command today to volunteer as officer candidates at the anti-aircraft school, Camp Davis, N. C.

Volunteer officer candidates undergo a 90-day basic military training course, followed by 12 weeks of instruction in school. Those who fail of appointments as a second lieutenant are permitted to return to civilian life.

Men who have completed high school algebra and trigonometry have the necessary mathematical training for anti-aircraft. Green said, and "opportunities for advancement are as good here as anywhere in the armed services."

Applications should be filed through local draft boards.

Want To Be Officer In Engineer Corps?

Want to be an officer in the engineer corps? An additional quota for the number of volunteer officer candidate applicants who may be inducted to compete for selection to an engineer officer candidate school has been announced by the war department.

Technical education and experience, while desirable, is not essential. Most important requirements are the desire to earn a commission, leadership ability, plus sufficient mental ability to complete the course of instruction satisfactorily.

Interested qualified registrants should apply through their local boards, according to Lt. Col. Marvin B. Durette, recruiting and induction officer at Lubbock, headquarters of the recruiting and induction district in which Gray county is located.

Quotas also exist for anti-aircraft, coast and field artillery, armored force, tank destroyer, infantry, ordnance, signal, cavalry, and chemical warfare service.

Historians believe the banjo was first used by the Arabs, who introduced it to West Africa.

Principal Savage volunteered to make the arrangements for speakers to address the high school, junior high, Woodrow Wilson, Horace Mann, B. M. Baker and Sam Houston schools; Chief White, Carver and Holy Souls. Besides the six schools, Principal Savage is also to make arrangements for speakers to address Parent-Teacher associations.

Assignment of Mr. Oden will be to have speakers at the regular weekly luncheons of the Pampa Junior Chamber of Commerce, Rotary, Lions, and Kiwanis clubs.

Next meeting of the National Fire Prevention week committee has been set for 2:30 p. m. Wednesday, September 30, in the city commission room.

Amnesia Victim Decided To Try Trial Marriage

HOLLYWOOD, Sept. 24 (AP)—Pretty Mrs. Glory Weller Miller and the husband she says is a stranger to her after nearly five months of married life will try to find happiness in the bizarre situation into which a capricious fate has cast them.

By means of a trial marriage, they announced last night, they will attempt to form a permanent relationship out of what was to him a normal domestic life, but to her was merely a hiatus in her existence.

A psychiatrist yesterday predicted a complete recovery by Mrs. Miller from the amnesia which gripped her upon the death of her first husband, H. Pierce Weller, former Binghamton, N. Y., editor, and under the spell of which she said she married Henry Miller, a commercial photographer.

"I've decided to stay and give him a chance," said Mrs. Miller, 25, to interviewers, "we will live together a while to see how it works out. It will be sort of trial marriage."

"That's all right with me," Miller concurred. They will occupy separate quarters in the Hollywood apartment in

New Racial Policy Outlined By Hitler

MOSCOW, Sept. 24 (AP)—A new racial policy, dividing the vaguely defined Nordic race into "full-valued" and "devalued" elements has been outlined by Adolf Hitler, the official Soviet news agency Tass reported today in dispatches from Stockholm.

The division into first class, and second class Nordics has become necessary because Nordics living on the periphery of Germany have which they have resided since their Las Vegas, Nev., marriage May 1.

Mrs. Miller said she was becoming accustomed to the new life to which she awoke Friday, in a city strange to her and wearing clothing she did not recognize.

Mrs. Miller's plight was disclosed Sunday night when she appeared at Hollywood police station following her disappearance Friday. She told police she found herself driving on a North Hollywood street in a strange automobile. Miller meantime had reported her absence, and they were reunited. But when informed Miller was her husband she screamed and became hysterical.

She told police her last memory was of entering her Atascadero, Calif., home Nov. 1, 1941, and finding her first husband, Weller, dead in a chair.

allowed themselves to become debased by inferior foreign elements. Tass asserted, quoting a curious secret document which it said had been circulated among German authorities in the occupied Scandinavian countries and the Netherlands. The failure of Nordics who live on the "contaminated periphery of the race" to establish their racial standards "establishes their unfitness to be classed as Nordics of the first order," the document said.

Finnish, Mongols, Slavs, Celts, Gauls and Anglo-Saxons have contributed to this chaos, it was said, and Germans inhabiting Germany are the sole examples of the "healthy Aryan nucleus."

"The events of 1940 to 1942 have confirmed the right of this superior element of the race to assume the leading political and educational role in the German space," the document continued.

German occupying authorities, Tass continued, were advised to adopt three measures of policy to emphasize the superiority of the "nucleus German."

First—Take political activities "from the hands of mixed and impotent national elements," and concentrate such activities among persons "bound by blood ties with initial Germany."

Situation In Alaska Good, Magnuson Says

WASHINGTON, Sept. 24 (AP)—Representative Magnuson (D-Wash.) declared today upon his return from Alaska that the war situation was "very good" in the territory.

"The joint army and navy command is clearly now offensive minded," he told a reporter. "The occupation of the Aleutian Islands by Japan has definitely been turned to our advantage by the navy, giving us the opportunity to sink Japanese ships we otherwise would have been unable to get to. It has clipped Japan's offensive wings if she had any idea of using the Aleutians as a stepping stone for an attack against Alaska."

The representative, who with Representative Lyndon Johnson (D-Tex.) visited the territory, as representative of the house naval affairs committee, said the morale of the fighting forces in the territory was "very good."

Nebraska Donated 104 Pounds Of Scrap Metal Per Capita In Campaign

By GEORGE GRIMES
Managing Editor, Omaha World-Herald

OMAHA, Sept. 24 (P)—Years ago in Nebraska and many farm states, steam engines mounted on huge iron wheels with great boilers were used to generate the power to operate the threshing machines.

Modern farming, with combines and gas engines displaced those old steam veterans, which were abandoned.

There are five to ten tons of scrap metal in such old engines. In Nebraska the old engines were given decent burial in junk piles, then hauled off to steel mills. Now they are becoming howitzers, guns, tanks.

Nearly every farmer accumulates a huge scrap pile, thinking to replace broken parts on his machinery from that pile. The pile grows, he makes occasional use of it—but if he hasn't used a piece of scrap this past year he never will. Uncle Sam needs it now.

That stuff is farm scrap, the best sort of metal for the open hearth furnaces, and it is needed for war production.

A large electric fan has enough steel for three .38 caliber revolvers; enough zinc for the zinc in one military motorcycle; enough copper for 77 machine-guns, enough aluminum for seven gas masks. Let the housewife know that and her abandoned or rarely used machine goes into the scrap heap.

It has to go to the junk man for he alone knows how to sort out the 75 different kinds of junk, and from his yard must flow the metal to the mills.

Nebraskans learned all about that, when they collected 68,000 tons of the stuff—104 pounds per capita, in their recent great three-weeks effort.

This state became scrap happy. The United Aids abandoned sewing for missionaries in favor of scrap collection. The boss in the industrial plant learned something about the bowels of his building by going down into the dark basement and marking for scrap the abandoned heating system, the old engine of steel, the spars machine parts never used.

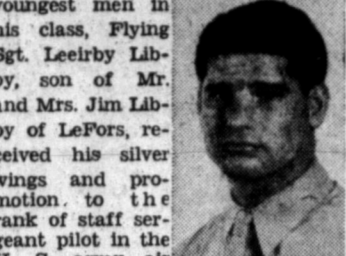

Those old toys, kiddie cars, tricycles, trains, the kids have outgrown, belong in the scrap pile. So do broken scissors, old pots and pans and vacuum sweepers, the atrocious monument to the veteran that is in the city park, the cannon from Cuba, the old set of golf clubs, the broken hose nozzle, busted furnace grates, that ancient jalopy, brass curtain rods, old stoves, radiators, water tanks, auto bumpers, tire chains—all make hard-throwing weapons. Hitler wants them left alone; Uncle Sam needs them.

Million Pounds Of Scrap Turned In By Shamrock Area
SHAMROCK, Sept. 24—A million pounds of scrap has been shipped out of the Shamrock area. Patriotic citizens have turned in 207,550 pounds of scrap in the recent junk rally, and a carload of steel was shipped last week and two car-loads are in the yard being loaded, one with steel and the other with scrap. These will be shipped out this week.

All told, Shamrock's junk dealer will have shipped out 1,166,000 pounds of scrap since the first drive which opened in the spring.

There are no figures available on the amount of scrap shipped from the northern part of the county, but it has been tremendous. Most of it went to Pampa buyers because the haul was shorter than to Shamrock.

One of the youngest men in his class, Flying Sgt. Leelby Libby, son of Mr. and Mrs. Jim Libby of LeFors, received his silver wings and promotion to the rank of staff sergeant pilot in the U. S. army air forces at graduation exercises held September 3 at the army air forces advanced flying school at Napier field, Dothan, Ala. Staff Sergeant Pit. Libby is a graduate of LeFors High School.

JAMES ESTLE CORNETT, left, enlisted in the army on June 27, 1940, a year and a half before the sneak Jap attack on Pearl Harbor. Son of Mrs. J. L. Fritchard of Pampa, Cornett is with an ack-ack (anti-aircraft) unit of the coast artillery corps, is stationed at Seattle, his third post since enlisting, Fort MacArthur, Calif., was his first station, then Camp Haan, in the same state.

Ex-Girl Kissing By Husband Ires Wife
LOS ANGELES, Sept. 24 (P)—Mrs. Irma Sommermeier, 26, protests in her 8000 a month separate maintenance suit that her husband, Thomas, Jr., 27, had a habit of introducing her to his former girl friends.

"One night in a Hollywood cafe," she testified, "he rushed up and kissed a woman, and said: 'Hello, darling, I've missed you so much. I want you to meet my wife.'"

Mrs. Sommermeier said that when she protested, her husband replied: "Don't be upset. They do things differently in the United States than in South America."

The plaintiff, a former Argentine dancer, and Sommermeier, grandson of the late Andrew Jergens, cosmetics manufacturer, were married at Buenos Aires in 1939.

On several occasions, Mrs. Sommermeier said, her husband beat her with his fists. One of her witnesses, Mrs. Bessie Price, testified:

"At a Thanksgiving party in 1939, Sommermeier became angry when she refused to play poker, forced her to go to an upstairs bedroom and we heard slapping noises like he was spanking her. She began crying and screaming for help."

Sommermeier, who had been serving as a civilian air patrol pilot at Brownsville, Tex., has four socially prominent women ready to testify in support of his cross complaint for divorce.

Italian Gunners 'Awful Marksman'

(By The Associated Press)
Gunners on an Italian submarine had such poor aim that the submarine was finally forced to expend a valuable torpedo to send a med-

ium-sized U. S. merchant ship to the bottom last month, the navy disclosed today (Wed.) in announcing the ship's loss off the northern coast of South America.

One of the 19 survivors who reached an east coast port said that the submarine closed to short range

and unsuccessfully tried to shell their vessel. Half the shells went wild.

"They were awful marksmen," one member of the crew said. Nineteen men were missing from the ship which was the first announcement of a Western Atlantic

sinking in six days. It brought the Associated Press total of announced neutral and United Nations sinkings in the Western Atlantic to 472. Survivors were adrift 23 days before they were picked up by a United Nations freighter.

Sweet Dreams, Private
FORT BLISS, Sept. 23 (AP)—Headquarters battery, 1st battalion, 512th coast artillery, stood at attention for roll call. Suddenly one of the men collapsed in the ranks. Hastily the others gathered to give first aid.

Pvt. L. B. Hanna recovered immediately—and sheepishly. He had fallen asleep.
