GASOLINE RATIONING TO START AROUND NOV. 22

Willkie Backs Russian Plea For Second Front

By FRED VANDERSCHMIDT
Associated Press War Editor

Soviet Russia gained the powerful, outspoken advocacy of Wendell Willkie Saturday night for speedy establishment of a real second front in Europe, in an hour when the official voice of the Red army gave Stalingrad a fighting chance to throw off the tiring German army masses.

The Soviet information bureau's midnight communique said Soviet troops had advanced somewhat northwest of Stalingrad and that repeated German counter-attacks had been repelled with heavy losses, while similar losses were experienced by the Nazis in the Mozdok area of the Caucasus where they made five attacks.

The communique also claimed the Soviets repelled enemy attacks southeast of Novorossisk and in the area of Sinyavino southeast of Leningrad.

The eve of the second anniversary of Nazi Germany's decision to align with Japan for the ultimate purpose of attacking the United States, found Hitler unable to conceal these plain facts:

1. The military campaign to isolate and swallow the Caucasus and its Volga outlet is dangerously late, and may fall far short of its goal before the snows.

2. There is intense trouble of a rising nature in both France and Norway, the countries which were to have been the western and northern bulwarks of the vassal "New Europe" under the Swastika.

3. The only truly coordinated German-Japanese action which the Nazis can boast about on this sinister occasion is the rather pitiful way in which Tokyo and Berlin propaganda mountains have labored to produce a mouse—the purported presence of a Japanese submarine in the Atlantic ocean.

For the United States and Great Britain, Willkie brought right out on the table the half-hidden issue which has been causing a disturbing divergence of thought between the Soviet Union and the western Allies.

He spoke while the battle of Stalingrad, which could become the turning point of the war, raged through its 33rd day inside and outside of the city. The defenders still were in command of the situation, the Red armies were retrieving more ground in some sectors, and Red Star, the official army organ, was saying: "The point is that help will be repulsed by the Fascists."

It was indeed, the fate of Stalingrad and the German penetrations into the Caucasus ranges which gave the Russians the feeling that they were shouldering all the burden of the war with Hitler and that help was too long in coming from the west.

Willkie had heard this frankly from every side in Moscow, undoubtedly from Stalin himself, and without waiting for an emissary of his tour as an emissary.

Fire Prevention Proclamation Issued By Mayor

Seeking to emphasize the need of Pampans taking precautions against the danger of fire, Mayor Fred Thompson of Pampa today called on all residents to be on guard against the conditions that have resulted in an increase of the number of city fires made by firemen here of from 56 in 1937 to more than twice that number, or 132, in 1941.

The mayor's proclamation, announcing the annual observance of National Fire Prevention week, October 4-10, follows:

"Whereas, the week of October 4 to 10 is National Fire Prevention week, and

"Whereas, in these times of war dollars worth of property in the United States is destroyed by fire, and

"Whereas, much property is being destroyed through sabotage and incendiary bombs, and

"Whereas, in the times of war the American people should be alert and aware in order to protect their property and the property of their neighbors and should take every precaution possible to prevent the same from becoming lost or damaged by fire.

"Now therefore, I, Fred Thompson, mayor of the City of Pampa, Texas, do hereby proclaim the week of October 4th to the 10th, inclusive, as fire prevention week to the City of Pampa, and urge every citizen to observe said week in the proper manner and to take every precaution and means in the fighting of fires that are started accidentally, by saboteurs, and possibly by incendiary bombs."

War And The Top O' Texas

Vital Information

In the first civil suit of its kind in the Dallas Office of Price administration region under the treble damage clause of the price control act of 1942, Judge Clair E. Robb of a Wichita, Kas., city court awarded a tenant \$50 damages and attorney's fees when it was found by the court that the tenant had been charged rent in excess of the legal maximum, regional OPA rent control officials were advised.

The tenant, R. C. Conner, brought a cross action when his landlord, Mrs. Alice Garrison, filed suit to evict him so she could remodel her house. Judge Robb held that the eviction was legal under the federal rent regulations.

Conner brought the cross action charging that the maximum legal rent for his apartment was \$4.50 per week and that since June 1, 1942, when the rent law went into effect in Wichita he had been required to pay \$5 per week. For this overcharge he claimed damages as provided under the emergency price control act of 1942.

Barkley Farm Price Measure Gains Support

By JACK BELL

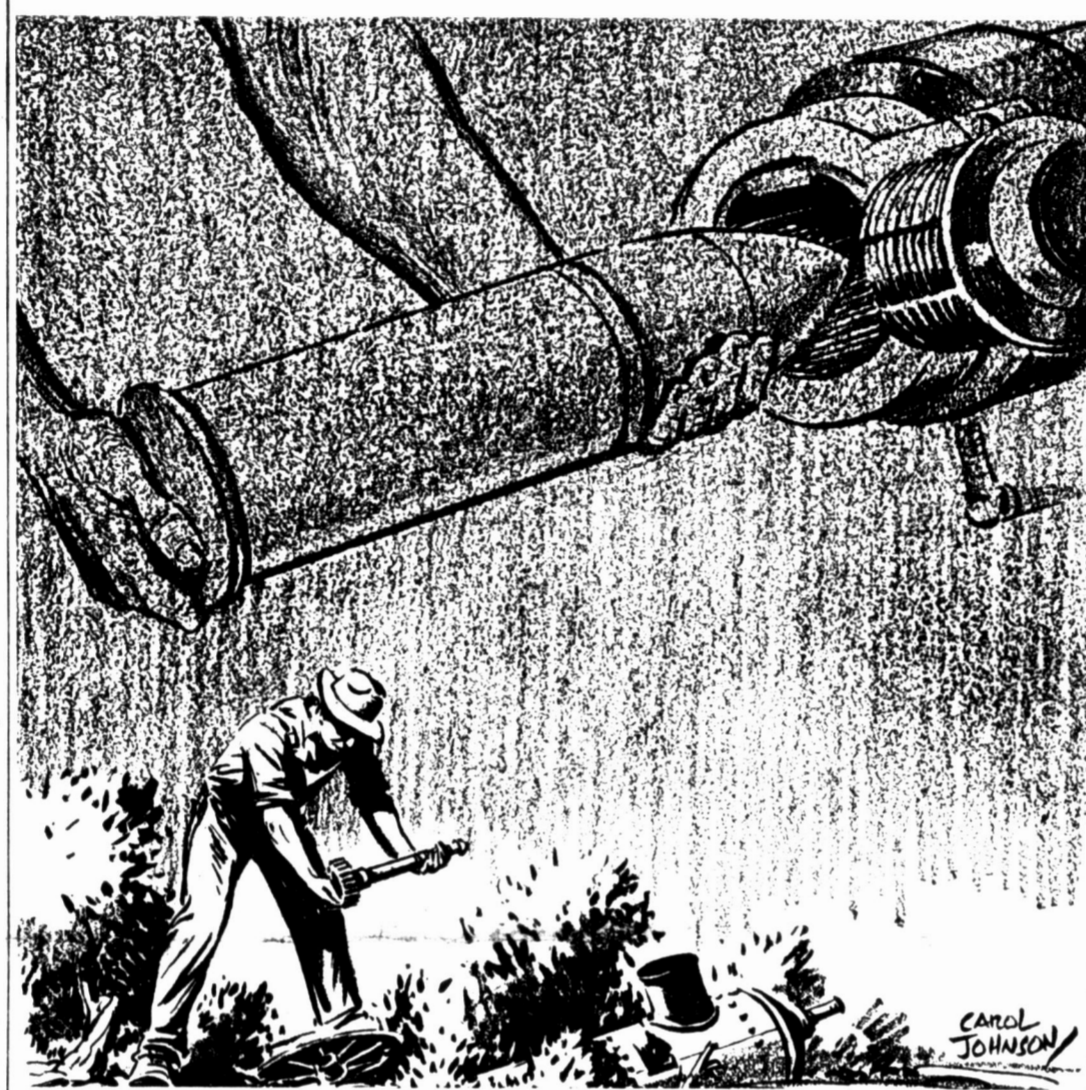

WASHINGTON, Sept. 26 (AP)—The administration's compromise proposal for dealing with farm prices in the anti-inflation bill appeared today to be headed toward adoption by the senate next week with Republicans counted upon to furnish the necessary margin of support.

Administration strategists claimed at least 62 of the 96 senate votes. An Associated Press poll showed 40 senators publicly committed to the principle of the amendment offered by Democratic Leader Barkley (Ky.), 15 against, 34 either undecided or non-committal and 7 not reached.

The Barkley proposal would require President Roosevelt, or his aides, to lift farm price ceilings where they did not reflect to producers the increased cost of labor and other items on the farm. It was offered as a substitute for an amendment by Senators Thomas (D-Okla.) and Hatch (D-N. Mex.) proposing to increase parity price levels.

James Barrett Candidate For Gray Sheriff

James Redford Barrett, deputy sheriff here since June 1 of this year and before that employed as an extra deputy for two years, today announced himself as a "write-in" candidate for sheriff, in the general election of November 3.

As a "write-in," Barrett will oppose G. H. (Skinner) Kyle, who won the Democratic nomination for sheriff in the second primary election of August 25. Kyle defeated Sheriff Cal Rose, under whom Barrett had served as deputy.

Succeeding Barrett, will be Miss Ernestine Crane, daughter of Mr. and Mrs. Ernest Crane, who reside on a farm 2 miles northwest of Pampa. She began work Saturday. Her duties will be those of the sheriff's office and bookkeeping.

Laying the ground work for Gray county's "bombing" of all available scrap iron, members of the Oil Field Protective association steering committee and of the industrial scrap metal salvage committee, both branches of the Pampa Civilian Defense council, will chart their course in a meeting to be held at 7:30 o'clock Thursday night in the BCD committee room at the city hall.

This meeting, called by C. K. Trease, chairman of the industrial scrap metal committee, has for its purpose the assignment of territory, and moreover, telling district directors just where the scrap metal can be found.

Lewis C. Huff, assistant executive secretary of the Texas Salvage committee, War Production board, Dallas, who was in Pampa a month ago in connection with the start of the campaign, will return to Pampa on October 13 to talk on the campaign at the autumn meeting of the Panhandle chapter of the American Petroleum institute, to be held at 8 p. m. at the junior high school auditorium.

A motion picture, titled "Steel Manufacture," will be shown, and there will be other entertainment on the program of which R. B. Saxe is chairman. R. T. McNally is chairman of the Panhandle chapter.

Quantity Lots Sought
Commenting on the second phase of the campaign, Mr. Trease said today:

"There should be no question of anyone being too busy or short-handed to gather in the scrap. If each company would set aside one day in which to collect scrap metal, a day regardless of whether their wells are on or off, we could collect a lot of metal."

"Big stuff, such as the 100 tons of the Coltoxo company, is the aim of the drive, which will concentrate on the biggest amounts possible.

By the middle of next week.

Each Autoist To Get Four Gallons Weekly

WASHINGTON, Sept. 26 (AP)—Price Administrator Leon Henderson announced tonight that nationwide gasoline rationing would start probably about Nov. 22 with a basic ration of slightly under four gallons a week.

Motor fuel rationing for the country's 27,000,000 private vehicles—patterned after the system now in effect on the Atlantic seaboard—will be merged with tire rationing into a single program, Henderson said. He did not explain how this would be accomplished.

Earlier in the day Joseph B. Eastman, director of the Office of Defense Transportation, called for a nationwide speed limit of 35 miles an hour. Compliance with this, Henderson announced, will be a basic requirement for obtaining both tire and gasoline rations.

In addition, tires on all cars must be submitted every 60 days after rationing starts for on-wheel inspection to insure that proper care is given them.

The 35-mile limit speed limit on all highways and streets was decreed in an official ODT order. It did not carry enforcement or penal provisions but Eastman said he would request the governors of all states to make it effective "through proclamation or otherwise." The governors will be asked to call upon state and local officials for strict enforcement.

The speed limit was ordered effective Oct. 1 for all vehicles except trucks and buses operated by common carriers over regularly-scheduled routes and for the latter Oct. 15.

Motor vehicles operated by the armed forces or under their direction were exempted, as were cars driven in emergencies "for the protection and preservation of life and health or for public safety." The latter must be held to "reasonable" speeds consonant with the emergency existing.

Second Cold Snap In Week Strikes Panhandle-Plains

B-T-F-F

A September cold snap, second within a week, brought jacket, sweater, even overcoat weather to many sections of Texas yesterday.

In the Pampa area light frost was predicted and near freezing temperatures over the Plains. Locally the minimum temperature was 39 degrees yesterday.

At Amarillo the season's first real frother dropped the temperature to 39, and the weather bureau issued a warning that flowers and vegetables be protected.

For that section along the Gulf coast from Morgan City, La., to Brownsville, Tex., the New Orleans weather bureau ordered storm warnings, predicting winds of 28 to 38 miles an hour for afternoon and night.

Dalhart Man Awarded DFC By Vice-Admiral

A Panhandle man, Sidney K. Weaver of Dalhart, was among the five Texans receiving awards for heroism from Vice-Admiral William P. Halsey aboard a fighting ship at Pearl Harbor, T. H., Saturday.

Weaver was the recipient of a Distinguished Flying Cross as was Dallas J. Bergeron and his brother Frederick P. of Freeport and Leslie A. Till of Houston.

Lt. Thomas E. Edwards, Corpus Christi, received the Navy Cross. In making the presentation Vice-Admiral Halsey said:

"You have won your honors in the battle of the Coral Sea and the Midway operations which have demonstrated the superiority of our fleet air arm over that of the enemy." Admiral Halsey told the men.

"Many of you were under fire for the first time. Yet each of you did a job—in many cases against heavy odds—with a cool courage that proved that you are better fighting men than you are given credit for."

Coke Hopes Gas Rationing Won't Force Tax Raise

(By The Associated Press)

AUSTIN, Sept. 26—Despite gasoline rationing, Governor Coke Stevenson said today he hoped it would not be necessary for the forty-eighth legislature to attempt to raise any new taxes because state departments have already made plans to meet the pinch.

"Whether the pinch will be more than we can stand without a new tax bill I do not know," he said. "We will try our best to avoid it through economies."

Stevenson said he would not yet attempt to figure the precise effect of rationing on the state's financial structure. He had no further comment on rationing, which he has consistently opposed on the grounds that it would not save rubber and that it would affect tax revenues, but said he was still receiving letters upholding his stand.

"Hardest hit will be the highway department, the schools, and the road bond redemption fund," he explained in regard to his study of revenues.

"We anticipated a decrease in revenue from the gasoline tax for schools and increased the state ad valorem tax from 16 to 35 cents per \$100, estimating income from the gasoline tax would be cut about 40 per cent. The increased ad valorem tax, plus economies, should take care of the school situation."

"The operation of the road bond redemption fund is more or less automatic as far as state financing is concerned. Only the income from

900 Texans Killed In Traffic Accidents

AUSTIN, Sept. 26 (AP)—The State Department of Public Safety said today that motor vehicle traffic accidents killed 900 Texans during the first eight months of this year.

The figure marked a decrease of 315 over the first eight months of 1941 when 1,215 persons lost their lives in traffic accidents.

Among cities of over 100,000, Dallas led the state in safety for the first eight months of the year with 17 traffic fatalities and a population rate of 6.1 (the population rate is the number of deaths annually per 100,000 population and is computed on the assumption that fatalities will continue to occur during the remainder of the year at the same monthly average as they have for the period covered by this report.)

Fort Worth was second in this bracket with 21 deaths and a population rate of 11.0, Houston third with 34 deaths and a 12.5 rate and San Antonio fourth with 23 deaths and a 16.0 rating.

For cities between 50,000 and 100,000 population Amarillo recorded no traffic fatalities and Galveston was second with a rate of 2.5. Ratings of other cities were Beaumont 10.2, El Paso 12.4, Waco 13.4, Austin 13.6, and Corpus Christi 15.7.

No traffic deaths were listed for Lubbock, Tyler and San Angelo in the 25,000 to 50,000 population group. Fort Arthur had a 9.8 rate, Abilene 11.3, Laredo 11.5 and Wichita Falls 13.3.

Texas To Receive 3,694 Passenger Tires In October

Texas will receive 3,694 new passenger tires to be apportioned among the counties next month, in addition to 4,307 grade 2 tires for distribution to war workers. The grade 2 quota is a decrease of 17 per cent from September.

No information has been received by the Gray County War Price and Rationing board as to what the quota for this county will be. The local office stated this information would probably be received sometime next week, but nothing is definitely known to date.

The new passenger tire quota for the state for October will be 32 per cent above September's but quotas for all other classes will be cut by varying percentages, the state office of price administration at Fort Worth announced Thursday.

Available passenger tire retreads will number 12,823, a drop of 9 per cent, and the passenger tube quota will be 14,228, a decrease of 8 per cent.

New tires for trucks, farm tractors, and other purposes will number 14,353, a 22 per cent decrease, and retreads 15,088, a decrease of 17 per cent. The truck tube quota of 15,936 will represent a decrease of 21 per cent from the current month.

A total of 2,126 new automobiles will be available for rationing in October, against 2,090 in September. The increase in the new passenger tire quota was due to inclusion of taxicabs in the list of eligibles for new tires and retreads with track-type camelback.

Miami Resident Given Party On 98th Birthday

MIAMI, Sept. 24—Uncle Charlie Harris, aged 98 years, the oldest citizen in Roberts County, celebrated his birthday recently with a dinner in the home of his daughter, Mrs. Roy McGee.

Uncle Charlie expressed a desire to live to be 100 years old. He is totally blind but has retained vigor and strength and enjoys walking to town when someone guides him. He has lived in Miami for 40 years.

Those present at the birthday dinner were: Judge J. A. Mead; Co. Clerk M. M. Craig, Jr.; Sheriff G. Ramsay and Mr. and Mrs. Henry Taylor; Mr. and Mrs. Bert Ridge, of San Antonio; Mr. and Mrs. Frank Harris; Mr. and Mrs. Alex Harris; Mr. and Mrs. Dim Harris; Mr. and Mrs. Ray McGee; James Harris of Panhandle; Mrs. Charlie McClasky.

War Hits Quaker Jail

MERCER, Pa., Sept. 26 (AP)—Twenty-five prisoners at Mercer county jail are feeling the pinch of wartime rationing. Sheriff Alex Elliott announced that because of a shortage of coffee, Java is being served only at breakfast, instead of twice daily.

No Foolom Second Time—Ugh

NEW YORK, Sept. 26 (AP)—The Indians don't want New York City back even as a gift. "The assessments are too high," six of them said today during a call at City Hall in celebration of "Indian Day," a statewide observance.

Nation Facing Food Shortage, Solons Say

WASHINGTON, Sept. 26 (AP)—A food shortage threatens this country and can be avoided only by allowing farmers to take into consideration labor costs in calculating prices their crops should bring, according to view expressed by three Texas congressmen on a radio program prepared for Sunday broadcast in their state.

Speaking on the Texas Forum of the Air, Representative Mahon of Colorado City expressed resentment that many national commentators had accused farmers and the so-called "farm bloc" in congress of trying to profiteer on the war situation.

Representatives Wright Patman of Texas and Ed Gossett of Wichita Falls shared views with Mahon, all agreeing that big salaries paid workers in war industries were luring hands away from the farms and that unless some means were devised of enabling the farmers to compete in wages they would be without sufficient help to get normal crops planted or harvested next year.

Prisoner Given Time Off To Work For Family Support

URBANA, Ill., Sept. 26 (AP)—Earl Scharder of Sadorus, accused of passing a fraudulent check, was sentenced today to 30 days in the county jail—with time off each day so he could continue working.

County Judge C. M. Webber directed that Scharder be freed at 6:30 a. m. each day and return to be locked up at 10 p. m., so his wife and five small children would not be deprived of support.

"Justice and necessity both will be served," the judge said.

Army Takes Chicago Hotel

WASHINGTON, Sept. 26 (AP)—The war department announced today acquisition of the Chicago Beach hotel, Chicago, for use as an army hospital.

The war department also announced these construction contracts: Airforce installation at Abilene, Tex., to cost more than \$3,000,000. Construction will be supervised by the San Antonio district engineer's office.

All Schools In City Plan Drive For Wool Material

Woolen scraps, still usable and clean, will be collected by the Junior Red Cross and Girl Scouts when a special drive will be conducted for one week.

Plans for the drive were made when representatives from all of the schools in the city met at junior high school last week.

Entire wool garments or scraps will be collected and will be used in making Red Cross afghans and blankets.

At the meeting attended by ward school, junior and high school, and parochial school representatives, plans for the year were outlined by Miss Lillian Mullinax, general chairman.

Longtime Resident Of Alanreed Dies

E. B. Reeves, Sr., 65, resident of the Alanreed community for more than 40 years, died unexpectedly at his home in Alanreed at 7 o'clock last night.

He was one of the early settlers in the community and was a trader and real estate agent as well as oil operator.

Survivors are the widow, two daughters, Mrs. Charles Cousins, McLean, and Miss Bonnie Payne Reeves, Alanreed, and five sons, Jack and Graham, both of Pampa, Jess of Corpus Christi, E. B., Jr., of Alanreed and Ray, in the air corps stationed at Las Vegas, Nev.

Stalingrad Fly In Ointment Of Axis Festival

ALVIN J. STEINKOPF as a member of the former Berlin bureau of the Associated Press witnessed the signing of the three-power pact making the Berlin-Rome-Tokyo Axis a military alliance, in Berlin on Sept. 27, 1941.

By ALVIN J. STEINKOPF
NEW YORK, Sept. 26 (AP)—Germany has set the stage for an emotionally extravagant observance of the second anniversary tomorrow of the signing and sealing of the military alliance joining the Reich, Italy and Japan.

The propagandizing machine was running full-tilt to make the anniversary seem, somehow, to be a great military victory and a political achievement of first magnitude.

Outstanding symbol of the occasion is the Axis claim that a Japanese submarine has berthed in a German U-boat base on the Atlantic coast.

The Axis press and radio around the world is resounding with the achievement of that single Japanese vessel, which made its way through hostile waters half way around the earth to turn up in Europe at just the right moment to be in the center of the picture for the Axis anniversary celebration.

A better symbol for the occasion, which German propagandists obviously had been hoping they might use, would have been the fall of Stalingrad. But the Russians perverted it to be cooperative, so officials entrusted with the task of stimulating German morale and who are expected to produce a victory each Sunday, when Germans have some leisure to reflect, were making the most of the submarine.

There was, also, a speech by Foreign Minister Joachim Von Ribbentrop, and Japanese diplomats in all Axis-dominated Europe were being feted and praised.

The pact, when it was signed two years ago, was hailed in Berlin as a major thunderbolt of Hitler diplomacy which was going to keep the United States out of the war.

Jap Transport Sunk By Allied Bombers

JAP TRANSPORT SUNK—18 GENERAL MACARTHUR'S HEADQUARTERS, Australia, Sunday, Sept. 27 (AP)—Allied bombers have destroyed a small Japanese transport off the Trobriand islands, east of New Guinea, and heavily bombed two other ships near Rabaul, New Britain, a communique said today.

The situation was reported unchanged in the Owen Stanley mountains, north of Port Moresby, main Allied base in New Guinea, where some Japanese outposts were kept withdrawn under Allied pressure.

Allied attack planes, however, continued their sweeps over Japanese ground forces, strafing their supply lines and positions near Efogi, about 40 miles from Port Moresby.

Pampa Veterans To Attend Meeting In Amarillo Today

Members of Pampa Post 1657 Veterans of Foreign Wars of the United States, and auxiliary members, are to gather at 9 o'clock this forenoon, 706 W. Foster, to go in a group to Amarillo, where an all-day quarterly district 9 meeting will begin at 10:30 a. m.

Principal business at the session will be the institution of the new by-laws adopted at the department convention held this summer at Harlingen.

While the men are in session at the I. O. O. F. hall, the women attending the auxiliary gathering will meet at the Herring hotel.

District 9 is composed of nine V. F. W. posts of the Panhandle and South Plains, including the posts of Pampa, Borger, Dalhart and Childress.

W. O. Pruitt of Borger is district commander and Fred Fender is commander of the Pampa post.

Glider Cadets Take Quarters In NTSC New Residence Hall

DENTON, Sept. 26—College furniture and college boys have been moved from North Texas State Teachers college new men's dormitory, Chilton hall, to provide barracks space for the cadets of Denton's recently acquired glider training center.

The first group of men, who arrived this week, found that college furniture had already been moved out and army equipment, including double-deck beds, had gone into the two-story men's residence hall.

Although all the rooms in the hall had been reserved by college boys at the earliest date since its completion in 1939, the NTSC men moved out in cooperation with the army contract. The college has arranged to house all college men who had reserved rooms at Chilton hall.

Pigeons generally hatch their eggs in pairs. Smaller eggs produce the male offspring, while the larger eggs produce the female.

SECOND FRONT

(Continued from Page 1)
Chairman Trease said, the campaign should be in full swing, so that when Secretary Hitt comes to Pampa he will find the county going to put fighting tools in the hands ahead full steam on the movement of America's fighting men, and save the lives of thousands of Uncle Sam's sailors, soldiers, and marines.

Leaders Named
Under the plan of a county-wide cleanup of scrap metal, as explained by Mr. Trease, there will be eight districts, with the following leaders:

1. Wesley L. Godfrey; K. W. Bunch; 2. L. E. Frary, Frank Perry; 4. L. R. Fortner, R. B. Saxe; 6. Reno Stinson, Deacon Jones; 8. Clayton Husted, Ray Chastain; 9. Gus Howard, J. L. Reed.

Districts 3, 5 and 7 are outside oil company operation for the campaign, but the drive will be extended into Wheeler county by J. R. Posey and into Carson county by C. E. Smith, McLean, another district in the county set-up, has its own campaign.

Biggest part of the scrap metal will go direct to the dealer. The object is not gather the metal into a series of collection depots but to get the metal in as fast as possible.

Junk yards in Pampa have been stripped of metal by shipments. City Manager Steve Matthews said yesterday.

LeFors Pirates Introduced At Assembly Program

Special To The NEWS
LEFORS, Sept. 26—High school assembly was called at 9:45 Thursday morning for all classes.

Rex Reeves, superintendent, opened the assembly with a short talk, followed by the student body singing "God Bless America" and "The Star-Spangled Banner."

Mr. Ellis' girls chorus sang two numbers, "Open Now Thy Gates of Beauty," and a novelty, "Pansy and Daisy." John Rankin, football coach, gave a talk and introduced all of the Pirates and gave their positions.

A short pep rally was in charge of the three new leaders, Betty Jean Seals, Erma Jean Reed, and June Williams. J. D. Fonburg, principal, closed the assembly with a talk and a few reminders.

White Deer Pupils Buy \$99 In Victory Stamps In One Day

Special To The NEWS
WHITE DEER, Sept. 26—In the first Victory stamp sale of the school term, White Deer school students and teachers bought \$99.20 worth of stamps, the second largest amount sold here in one day, since the sales began last December.

The sale is sponsored one day each week by the Student council, under the supervision of Adrian Hatduk, president; and Glenn F. Davis, sponsor.

Steel Men Give Gloomy Warning Unless Scrap Collection Succeeds

By JAMES MARLOW
NEW YORK, Sept. 26 (AP)—While the nation's newspapers today sparked enthusiasm for the next three weeks' intensive scrap metal salvage campaign, steel men gave this gloomy warning:

Unless millions of tons of junked iron and steel are soon found, some of their furnaces, which otherwise could be producing all-out for war, will have to lie idle.

C. M. White, vice president of the Republic Steel corporation, said: "Last winter and spring the scrap situation was so acute that Republic had one or more open hearth furnaces standing idle continuously from November through May. Had sufficient scrap been available, these furnaces could have produced 173,000 additional tons of ingots."

Newspaper executives and steel men agreed that collection of the vital scrap might be speeded if city dwellers and farmers knew the why and whereof of scrap from the time it is found in a home until it is sent on its way as a plate for a ship or tank.

Following is an explanation: In peacetime, steel mills can reclaim a great part of the rejected scrap from their own operations and it is thrown back into the furnaces to make more steel.

But now the recovery is much smaller because so much of the production is for war purposes, such as ingots for export to this country's Allies and plates for ships and tanks that may be lost at sea or in a desert.

If any householder, reading that the mills this year will need more than 45 million tons of scrap, gets the idea his little 20 or 25 pounds

Snake Killed On Steps Of Shamrock Postoffice Building

Special To The NEWS
SHAMROCK, Sept. 26—There has been quite a lot of excitement around Shamrock over the number of snakes being found in the residential section recently, but the snake causing the most comment was the one killed on the steps of the post office last week.

There has been much comment as to what business the snake would have at the government building—but it is the opinion of the editor of the Shamrock Texan that the crawling thing was a Nazi spy, and that he was expecting mail from Hitler who is probably a not too distant relative of the late reptile.

And this one wasn't even allowed a military trial!

Firemen Set House On Fire

UNION TOWNSHIP, N. J., Sept. 26 (AP)—The fire engines screamed up the 150-yard-old Kent house in Vaux Hill road. Firemen jumped down—set fire to the house and watched it burn.

It was part of the township's program to get rid of old, dangerous and useless buildings. The Kent house had no plumbing, and there was nothing to salvage, said Building Inspector Fred Baumann.

tanks, machinery, new war plants, naval and cargo ships.

Before the ingot becomes a plate it must be heated white hot, flattened on a rolling mill, inspected, shorn to size, and tested for quality.

From the time the lawnmower enters the furnace until the finished ship plate is placed on a railroad car en route to a ship yard 8½ days elapse.

Miami Classes Elect Officers

Special To The NEWS
MIAMI, Sept. 26—The Tom Tom staff of the Miami High school paper has been elected as follows: Pauline Russell, editor-in-chief; Leland Ethel, assistant editor; James Seitz, sports editor; Dorothy Sue Stanford, special feature; Adella Jane Craig, assistant special feature.

The high school classes also elected officers, sponsors and room parents, as follows:

Seniors: L. D. Guill, president; Leslie Moore, vice-president; John Porter Pennington, secretary and treasurer; Dorothy Sue Stanford, reporter; Miss Ervine Scribner and E. A. Deering, sponsors; and Mr. and Mrs. Leo Paris and Mr. and Mrs. W. L. Russell as room parents.

Junior: James Seitz, president; Florene Keehn, vice-president; Bob Haynes, secretary-treasurer; Lola Tolbert, reporter; and Mrs. Edwin E. Sluder. No room parents yet elected.

Sophomores: Junior Dunliven, president; Bob Smith, vice-president; Norris Kivlehen, secretary; Virginia Huff, treasurer; Florene Terry, reporter; room parents: Mr. and Mrs. Porter Pennington, and Mr. and Mrs. C. M. Smith; Mrs. Zack Jagers, sponsor.

Freshmen: Joan Maulsby, president; Mary Lynn Allen, vice-president; Yelva Grace McCulliston, secretary; Rosemary Cowan, treasurer; Billy Jo Paris, reporter; Miss Frances Phillips, sponsor; Mr. and Mrs. Hall Nelson and Mr. and Mrs. W. D. Allen, room parents.

Theatres guilds, for the purpose of protecting the rights of actors, were formed as early as the fourth century B. C.

White Deer Offers Woodworking Course

Special To The NEWS
WHITE DEER, Sept. 26—A war production training course in woodworking will be sponsored by the local high school, beginning about the first of October.

This course, financed by the Federal government and supervised by the White Deer agriculture department, with Ronald Davis, director, is designed to prepare the local farmers and other citizens to do their own repair work when it becomes necessary for all the carpenters to enter war or defense work.

LeFors Athletes Join Air Corps

Special To The NEWS
LEFORS, Sept. 26—Two LeFors men, Junior Ammons and Walton Hughes, enlisted in the United States army air corps Monday. Both are students in the local high school.

Junior, a student in high school for the past three years, is a three year letterman in both football and basketball; and the president of the senior class this year.

Walton, a student in high school for the past three years, also is a three-year letterman in boxing and lettered one year in football. He was one of the star players Friday night when the Pirates went to Pampa.

U. S. Ambassador To Turkey En Route Home

ANKARA, Turkey, Sept. 26 (AP)—Laurence A. Steinhardt, United States ambassador to Turkey, left Ankara tonight by train en route to the United States for conferences with President Roosevelt and the state department.

"What happens when I join the NAVY?"

Thousands of men—17 to 50—are asking this question. They're red-blooded Americans, men who want to get in and fight for their country. "Just tell us what to do!" they ask. Okay—here's the answer. First, have a friendly chat with the Officer in Charge at any Navy Recruiting Station. Here are some of the things he'll tell you...

1. You're off to training station! And what a thrill it is! The Navy takes care of all your expenses. Meals in the dining car. A Pullman berth for overnight travel. When you arrive, you'll find comfortable quarters waiting for you. And you'll meet the swellest bunch of shipmates in the world!
2. You get free clothing—\$133 worth! Complete uniforms for both winter and summer. You'll be proud—and rightly so—when you step out in your smart Navy blues. From then on, you soon get into the swing of real Navy life. You learn Naval history, Naval regulations, Naval traditions.
3. You get the finest food! Three square meals a day with all the seconds you want. Wholesome, hearty meals that stick to a fellow's ribs. And you'll have an appetite for them, for you'll be living a rugged, outdoor life—the kind of life that will put you and keep you in tip-top physical trim.
4. You're trained for a trade! If you qualify, you go to one of the great Navy trade schools. Here you get expert training worth \$1500 in your chosen field—radio, aviation, engineering, electricity, photography, telegraphy, welding—or any of 49 skilled trades. Whatever your specialty, Navy training fits you to do a better job now—and after the war.
5. You get good pay, quick promotion! After approximately two months' service, upon completion of recruit training, you get a raise in pay. By the end of your first enlistment, you can be making up to \$138 a month, plus allowances. And remember, your pay is all yours, because your meals, quarters, clothing, medical and dental care are free!
6. You get action, travel, adventure! You go places, meet people in the Navy. And you do big things for your country. Deeds of courage and heroism. Deeds that are writing history. The kind of deeds that are making the U.S. Navy the finest on the seas. Here's your chance for real service. Take it now while you still have time to choose!

They'll Serve You Well IF They're Well Serviced

The first consideration of every loyal American is to help win the war! One way you can assist is by conserving labor and materials . . . by getting along for the duration with the electrical appliances you now own. Minor repairs or adjustments will keep many appliances in serviceable condition . . . to serve you well.

Why not have your nearest electrical dealer inspect and service your Electrical Appliances now . . .

ELECTRICITY IS STILL LOW PRICED

Southwestern PUBLIC SERVICE Company

FREE NAVY BOOK TELLS WHOLE STORY

WERE IN ONE EXCITING BOOK you can get all the details that will help you decide what to do for your country—for yourself. This book gives you all the facts you want to know about the Navy. It pictures the life you'll lead, the ships you may serve on. It describes the pay you will get, the promotions you can win, the skilled trades you may learn. Covers all the requirements you must meet. Get your personal copy of this free book before it is too late. Just ask at your nearest Navy Recruiting Station for "Men Make the Navy." Do it today!

Vichy Ousts Secretary
VICHY, Unoccupied France, Sept. 26 (AP)—Jacques Benoit-Mechin, secretary of state in the foreign ministry, is no longer a member of the government, it was announced officially tonight.

A statement to this effect will be published in the official journal, it was said. No reason was given for his dismissal.

Forty per cent of all workers in manufacturing industries owe their employment to the production and use of steel.

Pretty as a Picture

Artist Dan Osher was gilding the lily when Anne Scott, New York Powers model, posed for the poster she's holding. It's a call to United Nations officers to visit New York for a royal welcome by the Officers Service Committee.

Series Of Bible Lectures To Begin Tonight At Hall

A different type of Bible lecture is promised by W. N. Andrews, Bible lecturer, at a meeting tonight in the Bible Prophecy hall, 117 North First street, former location of the bowling alley. "The Doom of Dictators" will emphasize the Bible and the current war.

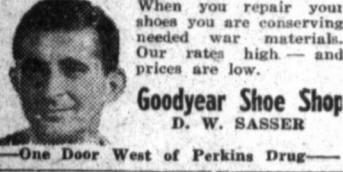

The purpose of this and subsequent lectures is to bring the people back to a study of the Bible. Mr. Andrews stated. He pointed out that these meetings are not simply a revival, but an attempt to make the Bible more easily understood. In other cities where he has given similar lectures, many have declared that they learned more Bible in a few weeks than they had ever known before.

The meetings will begin tonight at 8 o'clock, when congregational singing and special music will be added attractions. The public is invited to take advantage of this opportunity for Bible study.

AUTOISTS

(Continued from Page 1)
basic A card ration for vocational needs—including driving to and from work—may get additional mileage up to 470 miles a month by applying for a B ration book. In such a case, the motorist must prove he has formed a car-sharing club for driving to and from work, or that it is impossible and that no other transportation is available.

The O card is a special "preferred mileage" category, open only to 14 occupational groups rated essential to the war effort and to the public health and safety. The C books are trimmed to meet the driving needs of the applicant by tearing out excess coupons, but no specific ceiling is placed on mileage.

night on the Texas coast.
Berger had a minimum of 39, Wichita Falls 49, Tyler a reading of 51 at 4:30 p. m.; Dallas and Fort Worth, readings in the fifties. Abilene reported 55 degrees about noon. The temperature then at Corsicana was in the sixties. Chilly winds hit Corpus Christi.

A. M. Hamrick of the Dallas weather bureau predicted temperatures in the forties there early Sunday. The maximum for Fort Worth was 63, and the forecast there also was for cooler weather.
At Houston, the weather bureau explained that the coastal warnings were displayed "because of moderate storm conditions without definite storm developments."

The Amarillo weather bureau said that there was likely to be no frost, but vegetables might be damaged. The earliest killing frost of record there was on Oct. 16, 1903.

A blustery wind dropped the temperature at Laredo from 90 to 80 degrees. Cooler weather was forecast there for Saturday night.

Hey, Wade a Minute

Most surprised man in Los Angeles was this man who was starting across the street when the fire hydrant burst after being sideswiped by an auto.

Manila, Isolated And Uneasy, Faces Untold Hardships

By EDWARD E. BOMAR
WASHINGTON, Sept. 26 (AP)—Japanese-occupied Manila was pictured today by Americans recently returned to this country as an isolated and uneasy capital, facing mounting hardships with supplies nearing exhaustion.
The Philippine capital was said to be almost as remote from other parts of the Philippines as from the United States, without postal or telegraph service and with trains running only to nearby points.

On the basis of detailed information supplied by some of the 13 Americans who returned from the Philippines last month on the Swedish diplomatic exchange liner Hatch proposal, since it must come to a vote before the compromise amendment, Barkley said he had no doubt, however, that many senators then would switch to the compromise.

Gripsholm, a volunteer "relief for Americans in the Philippines" committee reported in a circular to parents and friends of internees:
"There are no medicines, not a scrap of leather, very little soap, no brushes, toothpaste, paper, nor other materials and certain food staples. Manila stocks had either been taken by the Japanese or consumed by the population. Perishable foods are available but there is no money to buy them."
Much food and other necessities are imported into the tropical Philippines in peacetime, but since Pearl Harbor, shipments for civilian use were said to have virtually ceased.

Some 3,500 civilians, mostly Americans, are interned at Santo Tomas university, but another 1,000 Americans were estimated to be at liberty in the city, mostly persons over 60, the chronically ill, women with small children, and missionaries willing to agree and cooperate with the conquerors. Most of the former homes of Americans were said to be occupied by Japanese military officials.

WILLKIE BACKS

(Continued from Page 1)
sary of President Roosevelt he said last night in a formal statement:
"I now am convinced that we can best help Russia by establishing a real second front in Europe with Great Britain at the earliest possible moment that our military leaders will approve."
By coincident, Anthony Eden, the British foreign secretary, was making an address in England which provided graphic figures on how much Allied naval tonnage is being used right now to supply Russia—short of a second front.

Eden did not go into the military needs for a second front, but he did disclose that 75 British warships were employed in guarding the latest convoy to carry heavy arms to Russia—"the largest total yet transported in a single voyage from Britain and the United States."
Despair and bitterness were seething into open action in Norway and into something incalculable for all of France.

In both countries the open tide of hate was descending on the men who chose to do business with Hitler—Vidkun Quisling, in Norway, and Pierre Laval, in France.
Four secret-type RAF planes which dumped bombs on Gestapo buildings in Oslo Friday afternoon from 100-foot altitudes, breaking up a Quisling convention rally, evidently gave the signal to the Norwegian patriots. They broke into a stadium set for a big Nazi parade, started fires, and spread trouble through the streets in the form of leaflets urging a boycott of Quisling marchers.

Quisling, whose flying coat-tails led all the rest in the rush for the basements during Friday's bombings, screamed out furiously today that Britain had sent "murder planes" against him, and pleaded for a halt to disunity in his own party.
In the France called unoccupied, Laval took the unusual course of calling in newspapermen to deny that his government is crumbling. Rumors to that effect—the Vichy censorship withheld the details—had been current; Fighting French sources in London said Laval already had Field Benoit-Mechin, his foreign minister for plotting against him with Doriot, the Paris Fascist editor.

But probably the thing that has endangered Laval more than anything is his attempt to sell the French workman into labor slavery in Germany—three workmen in exchange for every French war prisoner turned loose by Hitler. He still is trying to push this melancholy trade. Meanwhile there are signs that Laval and his military colleagues are maneuvering to accept more German "protection" for Dakar, French West African base, under the cloak of charges that the Allies are going to attack it.

Market Briefs

By BERNARD S. O'HARA
NEW YORK, Sept. 26 (AP)—Stocks generally lost a little ground in today's brief market although on balance the week's recovery was the most extensive since mid-July.
The Associated Press average of 60 stocks was off 1 of a point at 37.5, its first recession since Sept. 19. On the week, the composite showed a net advance of 3. Transfers of 226,253 shares compared with 178,480 in the preceding two-hour stretch and a dwindle the largest for an abbreviated session since March 7. The week's volume of 3,302,311 shares was the best since the period concluded Jan. 11.

CHICAGO, Sept. 26 (AP)—Grain prices hovered around previous closing figures

during the shore session today, with trading virtually at a standstill much of the time, while the market continued to await adoption of a definite farm price control program.
The range of wheat price fluctuations was held to 1/2 cent and rice to 1/2 cent while changes in corn and oats were within 1/4 cent.
Soybeans rose more than a cent in light trade, being strengthened by reports of damage in important producing areas especially in late fields.
Wheat closed unchanged to 1/4 higher compared with yesterday, December 1.25 1/2, May 1.33 1/2; corn unchanged to 1/4 off, December 85 1/4, May 90 1/2. Oats unchanged to 1/4 down; rice 1/4 off and soybeans 1 1/2-1 1/4 higher. Wheat was about 1 cent higher than a week ago, 2 to 3 cents above the season's highs and 10 cents above the lows. Corn was about 5 cents below the season's highs and only 2 cents above the lows.

COKE HOPES

(Continued from Page 1)
one per cent of the gasoline tax is dedicated to retirement of county road bonds issued for state highway building. If the income is not enough to pay the state's part, the difference must be made up by the counties, since the roads are their obligations.

While not adding anything to his direct comment on rationing, Stevenson again referred to letters he had received about it.
One he exhibited was from a Perryton tire dealer, who said he had 100 tires in stock when the freeze order was issued, that he had been permitted to sell only 16, and he feared the others would rot since at the present rate it would take six and a half years to sell them. He wrote he had offered to sell the tires to the war department, but had been turned down.

BARKLEY

(Continued from Page 1)
els about 12 per cent by including farm labor costs, a move which President Roosevelt has opposed.
Of the 40 senators who endorsed the Barkley proposal, 29 were Democrats, 10 Republicans, and one an Independent. Senator Norris of Nebraska, Twelve Democrats and 3 Republicans flatly opposed it.

Administration leaders were confident that they would draw from the 34 uncommitted senators and the 7 who were not reached sufficient votes to show a 2 to 1 margin on the showdown roll call expected Monday.
Of the 34 not committed, 16 were Republicans and administration strategists significantly were listing 11 of these as likely to vote for the Barkley proposal in the end.

Any such Republican support would reverse the minority party's trend in the house, where 99 Republicans joined with 105 Democrats to write into the anti-inflation measure—which the house later passed overwhelmingly—an amendment identical to that offered by Thomas and Hatch. Voting against the amendment were 117 Democrats and 54 Republicans.
Paradoxically, the senate appeared likely also to adopt the Thomas-

V Notes RED CROSS VOLUNTEERS

By MRS. FRED ROBERTS

Twenty-five years of service was observed on September 15 by more than 14,000,000 young Americans who are members of the Junior Red Cross.

Formed by proclamation of President Wilson in 1917 to enable boys and girls of school age to serve their country in World War I, the silver anniversary found members of the Junior Red Cross redefining the organization to its original purpose.

Since December 7 attention of the Junior Red Cross has been focused on World War II. Larger and more active than ever before, its membership is shattering all previous records for the armed forces. More than 3,000,000 comfort and recreation articles for servicemen, ranging from menu covers for res-

ive occasions to furniture, have been made by Junior Red Cross members in home economics and industrial arts classes in the nation's schools. Its members also have led in the war on waste, lending their services to salvage collection and conservation drives in every section of the country.

Through the Junior Red Cross National Children's Fund, members have contributed large sums to the upkeep of war nurseries in England; sent powdered milk to the children of Unoccupied France; sent supplies to the Chinese; and bought shoes for refugee children of Russia.

On the home front they have made splints, stretchers and first aid cabinets for use in civil defense; taken part in the Victory Book campaign; worked Victory Gardens; and completed in Red Cross Home Nursing courses. Many certificates in first aid, life saving and water safety and nutrition have been earned by members. Thousands more belong to first aid detachments in schools, organized for work in time of emergency. In other places Junior Red Cross members organized Disaster Relief Corps and Bicycle Courier Corps.

In Pampa, the Junior Red Cross is one of the most active branches of Red Cross work. This past week, under the direction of Miss Lillian Mullinax and Harlan Yoder, co-chairmen, the leaders met with the school economics, shop, and art teachers of the schools and invited Scout leaders to make plans for the fall work. Activities will be carried out in every school in Pampa for the Junior Red Cross membership is composed of all children from the first through the twelfth grades.

The women of Pampa will be interested in Wool Week, the 5th through the 9th of October, when Juniors are being asked to bring to school clean, durable woolen scraps. Any piece of wool, such as an old dress, or trousers, will do as long as it is both clean and durable. Women will cut this wool in the production room into four inch squares and groups will be asked to blanket-stitch or crochet around the squares and then weave them together to make an afghan.

Miss Mullinax asks that you get out your woolen pieces and wash them this week, so that the children can take them to school on October 5th. If you have no children going to school, look up a neighbor's child. An afghan is a very important thing to an invalid in one of our government hospitals.

Girl Scouts are going to take an active part in this project. For, to them, it will serve two purposes. They will be helping as members of the Junior Red Cross, and giving service to the Red Cross as Girl Scouts.

Mrs. J. B. White, executive and home service chairman, reports that as far as the Red Cross office knows, there is a message on its way to every service man from Pampa who is missing in action. Most of our messages went to Java and the Philippines.

On Tuesday, September 29, a group of Pampanians are going to a district Red Cross meeting in Amarillo to plan the new fall work. Going from here are Doyle Osborn, chairman of the board; Mrs. J. B. White, executive secretary; Rayburn Thompson, chairman of the disaster relief committee; Miss Lillian Mullinax and Harlan Yoder, of the Junior Red Cross; Mrs. L. K. Stout, of the Home Service department; Mrs. Frank Culbertson, chairman of Volunteer Services; Mrs. F. E. Leech, chairman of the speakers' bureau; Mrs. M. C. Roche, chairman of production; and Mrs. C. P. Buckler, chairman of the surgical dressings department.

The First Aid class, to be taught by Mrs. W. R. Campbell in the

Couple Observes 50th Anniversary At Buffet Dinner

Special To The News
SHAMROCK, Sept. 26—Mr. and Mrs. Charles May, who reside near Wheeler, celebrated their fiftieth wedding anniversary last Sunday.

Charles May was married to Miss Angie Brown, September 20, 1892, at Llano. They are the parents of nine children, all of whom were present to help them celebrate their golden wedding day.

Mr. and Mrs. May have 29 grandchildren, and one great-grandchild, all of whom were present with the exception of eight grandchildren.

Their children are Mrs. Mary Wright of Canyon; Mrs. Della Newsum of Allison; Charles May, Jr., of Georgetown; Mrs. Alice Newsum of Tulsa; Denver May, Amos May, Mrs. Ruby Ford, and John May, all of Wheeler.

The celebration was held at their country place near Wheeler. Dinner was served buffet style and pictures were made of the group during the afternoon. Many lovely gifts were received by the couple.

Those attending the affair were Mr. and Mrs. John Wright, daughter, Wilma, and sons, Frank and Tommy, of Canyon; Mr. and Mrs. Worthie Newsum and sons, Clayton and Charles, of Allison; Larry May, Jr., of Georgetown; Mr. and Mrs. Karl Newsum of Allison; Mr. and Mrs. Clyde Newsum and daughters, Loveta, Mary Gladys and Mildred of Tulsa.

Mrs. Guy Welch and daughter Joyce, of San Francisco, Cal.; Mr. and Mrs. Amor May, daughters, Betty Joyce and Barbara, and son, James; Mr. and Mrs. Denver May, daughters, Mozelle and Allene, and sons, Robert and Delmer; Miss Emily May, John May, Chester Bowles and Jack Trout, all of Wheeler; Mrs. C. E. Ford and son, Tommy, and Mr. and Mrs. John Cornelius, of Wheeler.

Floral decorations for the rooms were carried out with fall flowers. The program was on "Ecuador" with Mrs. Marshall Adams as leader. Mrs. Roy Berten had as her subject, "A Trip From Quavaquie to Quinto," and Mrs. Pedro Dial discussed, "Quinto And Its Art Treasures."

At the close of the meeting, refreshments were served by the hostesses to Mrs. M. M. Baxter, guest, and Mesdames Marshall Adams, Roy Berten, Charlie Beck, Duell Bradley, L. E. DePew, Pedro Dial, J. M. Hulse, Glen LaDue, Richard Harvey, R. Stuart Tisdal and W. R. Doty.

Homecraft Study Club Has Initial Meeting Of Year

SHAMROCK, Sept. 26—Mrs. Rorcraft Study Club had the initial meeting for the year at the home of Mrs. Cecil Cardwell Thursday.

Fall flowers decorated the rooms, and a buffet luncheon was served. Mrs. Burl Golson, president of the group, presided over the business session. The club will continue the study of South America this year.

Mrs. Jack Taylor was leader of the program on "Columbia." Mrs. J. L. Walker had for her subject, "Cantango, the Walled City." Mrs. R. M. Craton, "The Products and Industries;" and Mrs. Kenneth Twyman, "Bogalo, the Athens of South America."

A special guest was Mrs. A. C. Choate, of Corsicana, and the following members: Mesdames Burl Golson, Jack Taylor, Lester Hartsfield, R. M. Craton, Art Fleming, Glen LaDue, Kenneth Twyman, George Miller, Johnny Reeves, J. L. Walker and Ed Schaffner.

Volunteers Of Horace Mann Do Red Cross Work

Volunteer Red Cross workers and room representatives of the Horace Mann school met Thursday afternoon in the auditorium for Red Cross work.

While there they tacked and finished two comforts and cut enough squares for three afghans.

Present were Mesdames Clyde Batson, W. A. Spoonmore, W. O. Prewitt, B. A. Sumner, Don Perrin, Frank Bonner, Y. E. Turbo, Roy W. Williams, D. B. Hutchens, Fred Smith, R. L. Norris, W. R. Cook, Cecil Myatt, Jess Weed, J. H. Wington, L. F. McDaniel, Ray Williams, Hugh Grainer, O. B. Schiffman, Ervin Pursley, Lee Sharp, George Clark, Katie Zachry, and Misses Josephine Thomas, Fern Spangh, Myra Millard, Mary Reeves, and Kathryn LaMaster.

20th Century Club Has Program This Week On Ecuador

Special To The News
SHAMROCK, Sept. 25—Mrs. Robert Baxter was hostess to Twentieth Century Club at the home of Mrs. M. M. Baxter.

Floral decorations for the rooms were carried out with fall flowers. The program was on "Ecuador" with Mrs. Marshall Adams as leader. Mrs. Roy Berten had as her subject, "A Trip From Quavaquie to Quinto," and Mrs. Pedro Dial discussed, "Quinto And Its Art Treasures."

At the close of the meeting, refreshments were served by the hostesses to Mrs. M. M. Baxter, guest, and Mesdames Marshall Adams, Roy Berten, Charlie Beck, Duell Bradley, L. E. DePew, Pedro Dial, J. M. Hulse, Glen LaDue, Richard Harvey, R. Stuart Tisdal and W. R. Doty.

Mrs. Favors Named President Of Busy Dozen Sewing Club

Busy Dozen Sewing club met in the home of Mrs. Ennis Favors with Mrs. Charles Wagner as hostess Friday afternoon.

Officers, who were elected, are Mrs. Ennis Favors, president; Mrs. Ralph Depee, vice-president and secretary; and Mrs. G. H. Anderson, reporter.

After a game of rummy was played, refreshments were served. Attending were Mesdames Ralph Depee, Walter Nelson, Charles Madelra, Charles Wagner, G. H. Anderson, Tom Price, Morris Goldfine, Ennis Favors, Dale Pinson, members, and Mrs. Bob Blake, a guest.

The next meeting will be a covered dish luncheon on October 9 in the home of Mrs. Tom Price.

Former Flying Tiger Kuykendall Shot Down By Cupid

AUSTIN, Sept. 26 (AP)—Cupid did with one shot what the Japanese failed to do with many—downed "Kirk of San Saba" of Flying Tiger renown.

Pretty, blue-eyed Norma Oate and Matthew W. Kuykendall, late of the AVG, announced they were married last night after a four-year courtship which started on a blind date and which, they both admitted, resulted in the well-known love at first sight.

Mrs. Kuykendall is a former Austin girl whose parents, Mr. and Mrs. W. S. Oate, live in Houston.

Kirk, whose exploits with General Claire L. Chennault's air dragons struck terror into the hearts of Japanese airmen, came home to West Central Texas first to help in the sale of \$47,000 worth of war bonds at a rally Tuesday night.

Yesterday he came to Austin with his twin sister, Ida Jeanne, and his father, W. S. Kuykendall of San Saba. The marriage ceremony was read by the Rev. Harry E. Payne of the North Side Church of Christ.

Kirk and his bride planned to leave this morning for Houston, and tomorrow morning for New York. He said he had taken a job with the American Export airlines.

Kirk is 23 and his bride is 21. She attended Texas State College for Women at Denton and Kuykendall was a student at Texas A. & M. before he went to Randolph field to win his wings.

Said Mrs. Kuykendall of the days when her husband-to-be was downing Japanese planes:

"I didn't worry when he was flying. I knew he could take care of himself and the Japs, too. But when I knew he was coming home, I was terribly afraid something might happen to him on the way."

Kirk was reluctant to talk about his four wounds, and the scar on

Harvester Mothers Asked To Call Mrs. Heiskell By Monday

Members of the Harvester Mothers club this year are asked to contact Mrs. H. H. Heiskell at telephone number 1089 by Monday morning.

Plans are being made for a dinner to be served for the Harvester team by the mothers.

The date of the entertainment will be announced later.

Junior Art And Civic Club Meets For First Program

LEFORS, Sept. 26—LeFors Junior Art and Civic Club met in the home of Mrs. Cleo Spence Thursday afternoon for the initial meeting of the season. The topic discussed was "Friendship."

Officers installed were Mrs. Edith Watson, president; Alta Brown, first vice-president; Dell Mathis, second vice-president; Cleo Spence, third vice-president; Dixie Erwin, secretary; Lois Bryant, treasurer; Dena Colium, parliamentarian; and Marlon Daugherty, reporter.

Refreshments were served by the hostess.

Willoughby Funeral Held At Shamrock

Special To The News SHAMROCK, Sept. 26—Funeral services for Mrs. Samuel Briggs Willoughby, 82-year-old resident of Shamrock, were conducted from the Missionary Baptist church of Shamrock Thursday afternoon, with Rev. Luther Crawford, pastor, in charge.

Mrs. Willoughby passed away at her home near Shamrock after having been confined to her bed for the past six months. Pallbearers were Roy Hays, Montee Keys, Robb Woodruff and Henry Marchant. Flower attendants were Anna Ruth Young, Johnnie Mae Keys, Norma Henderson, Emma Henderson, Lela and Carmen Marchant.

Burial was made in Shamrock cemetery with the Clay Funeral home in charge. Surviving are one son, Henry Briggs Willoughby of Shamrock, and one daughter, Mrs. Walter Godwin, of Fort Worth. Other survivors include one sister, Mrs. Georgia Wiggly of Abilene, 19 grandchildren and 21 great-grandchildren.

Shortage Of Food And Fiber Predicted

WACO, Sept. 26 (AP)—President J. Walter Hammond of the Texas Farm Bureau Federation predicted today that within 18 months there would be a serious shortage of food and fiber unless the increased cost of farm labor is included in parity prices.

"We are going to wake up about a year and a half from now to find ourselves a nation bristling with arms but with empty stomachs," Hammond warned. Reports coming into our state office indicate a third of the land in many of Texas' best agricultural counties may lie out next year unless the flow of manpower from the farms is halted.

He said unless the increased cost of labor is included in the parity formula, farmers cannot hope to be able to pay sufficient wages to hold labor on the farm.

Doom of the Dictators! Foretold By Bible Prophecy! SUNDAY, SEPT. 27, 8:00 P. M.

W. N. ANDREWS, Bible Lecturer

BIBLE PROPHECY HALL

117 N. FROST (OPPOSITE CITY HALL)

The First of a Series of Lectures Designed to Lead Men and Women Back to a Study of the Bible REMEMBER—PROPHECY KNOWS—IT DOES NOT GUESS!

You Are Invited To Attend!

Admission Free!

VETERANS---You men who fought the last war--make this your job. To see that no American boy shall fall because a lack of scrap deprived him of a fighting chance.

SCRAP SLACKERS CAN LOSE THIS WAR!

It's squarely up to you. The mills need scrap to make the steel to go across the sea as ships, and tanks, and guns. They need it now—and in the months to come. For all new steel must be 50% scrap—and the mills are running out. They haven't enough for even 30 days more production—then they'll be shutting down.

Unless you get to work. Unless you go into your basement and your attic and rout out the junk that's there. Talk about it to your friends and neighbors—you men who know what war is like. Tell them... "Don't be a scrap slacker. Get your scrap ready for the drive that starts next Monday!" Then get to work and help them do it.

We're out to fill the junk yards—to make every salvage depot a towering tribute to our fighting men. And don't think the job is done when the scrap starts piling up. Because the war must end before the need for scrap is over. Do this to help make sure it ends our way!

Watch this paper for details of the big scrap drive and what you must do to help Newspaper's United Scrap Metal Drive

Like any nice girl, Jean Arthur wanted a man... not two men! That's the romantic situation of Columbia's new George Stevens' production, "The Talk of the Town," at the LaNora theater today, tomorrow and Tuesday with Cary Grant, right, and Ronald Colman.

Calvary Baptist To Have Promotion Program Today

Calvary Baptist Sunday school will render a promotion program for all departments today. The exercises will be conducted during the Sunday school hour and all parents are invited to attend the department of interest to them.

The training union will also have a promotion program in each of the departments and every graduate will be recognized and presented with certificates. Parents are urged to attend these exercises during the training union hour. A dramatization, "Victory Through Christian Growth," will be presented in the church auditorium at 7:30 p. m. Members and friends of the church are invited to be present.

The Associational Training union of the Palo Duro association, will begin a training union revival at the First Baptist church in Panhandle at 2:30 p. m. this afternoon. Dr. T. C. Gardner, state training union secretary, together with six approved workers, will be present for this meeting. Calvary church, as well as the First and Central Baptist churches is cooperating in this revival, which will convene at each Baptist church in the association for the week. Miss Nella Casement, one of the approved state workers, will lead in this training course. Meetings will commence each evening at 7:30 p. m. in all departments and inspiring devotionals will be given each evening by one of the workers.

Don't Pass School Buses, Sheriff Says

Sheriff Cal Rose today repeated his admonition of a month ago, warning defense plant workers and others from passing school buses while they are unloading or loading passengers. "Every fine paid stops the purchase of a bond," the sheriff said. "A little care on the part of motorists will save them from paying a fine. I don't want to fine anyone, but this passing of school buses must be stopped."

Highway 152, east of Pampa, route workers follow in going to the bomber school east of town, is the point where violations have occurred.

Jaycees To Hold War Bond Auction

Celebrating the conclusion of a one-month membership campaign, new and old members of the Pampa Junior Chamber of Commerce will hold a dinner and Victory bond auction at the Pampa Country club at 8 o'clock Tuesday night. "Currency" issued in conjunction with the membership campaign will entitle members to bid on the \$25 Victory bond which will be auctioned.

Bob Miller, Jaycee president, today was asking a full attendance of all members, new and old, at the dinner. Membership was increased by 20 as a result of the campaign; however, the figure may be higher, pending a checkup at the dinner, President Miller explained.

Miss Almarena Atkinson is sponsor of the club, which meets on alternate Wednesdays, and is open to any girl in the high school.

Boy Scout Court Of Honor Monday Night

First court of honor since the 1942-43 school session began will be held at 7:30 o'clock Monday night in the district court room, with the Rev. Robert Boshen, chairman of the advancement committee of district 1, Adobe Walls council, Boy Scouts of America, in charge.

Courts of honor are held every two months. The last one was held in July.

For the rank of Eagle Scout, top ranking in scouting, awards are to be made to Frank Friauf and Jim Wanner.

Star Scout, John Knox. Merit badges, Warren Fathere, bird study, cooking; Dick McCune, swimming; Dale Thut, swimming; Billy Dixon, cooking, pathfinding; Frank Friauf, weather, firemanship, cooking; Carl Tillstrom, firemanship, wood turning.

Jim Wanner, firemanship, camping; Frank Perry, Jr., athletics; Brent Blankvist, scholarship; John Knox, scholarship, carpentry; Jack Perry, swimming.

First Class, Tommy Riggs, Floyd B. and David Levine.

Second Class, Eugene Imel and Isaac Huval.

Parents of all Boy Scouts, patrons of scouting, and the public are invited to attend the ceremony.

Two years of practical experience came to Rev. Wolter between 1939 and 1941 during which time he was employed by a mail order house in Chicago. This gave him an opportunity to adjust his accumulated theoretical and textbook knowledge to the every-day needs of the working people.

Nine years of required study were finally completed in June 1942 when Rev. Wolter received the call to work as a missionary pastor in and around Pampa. For the past five years he has preached in and around St. Louis and Chicago.

Classes of flowers and vegetables entered in the show totaled 154. Mr. Hendricks apparently was the holder of the greatest number of complete results of the exhibit will be announced in a later issue of The News.

Officers Elected By White Deer Club

WHITE DEER, Sept. 25—Elsie Vaughan was elected president of the Future Homemakers club of the White Deer High school at a meeting Wednesday in the Home Economics rooms.

Her co-workers are Kathryn Price, vice-president; Norma Jean Davison, secretary-treasurer; Eula Mae Werth, parliamentarian; and Marilyn Brown, reporter.

Miss Almarena Atkinson is sponsor of the club, which meets on alternate Wednesdays, and is open to any girl in the high school.

THE REV. HENRY G. WOLTER, above, arrived recently to assume his duties as minister of the Lutheran church here.

Rev. Wolter has lived in Chicago for the past 24 years. His prep school days, consisting of high school and two years of college, were spent in Concordia college, Milwaukee, Wisconsin. Here the groundwork was laid for the theological training which he received in three more years of college at Concordia Theological seminary, St. Louis, Missouri.

Two years of practical experience came to Rev. Wolter between 1939 and 1941 during which time he was employed by a mail order house in Chicago. This gave him an opportunity to adjust his accumulated theoretical and textbook knowledge to the every-day needs of the working people.

INFLATION

INFLATION is a great destroyer of savings, a wrecker of values, an anesthetic to initiative and enterprise. America must beat inflation; the price of failure is too grim to contemplate. This bank urges action, not words. Government should enforce rigid wage and price controls everywhere. Citizens should spend less, save heroically, buy War Bonds, pay taxes as never before. The price of preserving our liberty will be high, but no price could be too high.

Bright Future For Texas Oil Industry Painted By Jester

By BRACK CURRY
AUSTIN, Sept. 26 (AP)—Compelling war demands for petroleum products will keep the Texas oil industry humming indefinitely "even if we have universal gasoline rationing," asserts Railroad Commissioner Beauford Jester.

Declaring "there is no cause for alarm" for the future of the state's oil industry, Jester said yesterday that "the effects of nation-wide rationing would be equalized with constantly increasing war demands for oil counterbalancing any decline on consumption by automobile users."

The commission predicted that "many of our civilian cars will be kept going with synthetic rubber production even under universal gasoline rationing" and added that the entire market for ordinary gasolines would not entirely disappear.

Jester proposed that a state-wide oil hearing be convened to permit crude purchasers to submit testimony on the question of authorizing production of petroleum by lease allowances rather than on per well basis.

Stating that he had not reached a decision on the proposal, the commissioner asserted that "both sides of the question were not adequately presented at the state-wide hearing last week" and he felt the commission should "hear both sides before adopting a definite policy."

The plan to fix allowances on a lease or production unit basis was proposed by Chairman Ernest O. Thompson of the commission to simplify operation and help solve problems of manpower and rising production costs.

Commissioner Olin Culberson opposed the plan, charging at the production hearing last week that it would "constitute relinquishment by the commission of its last regulatory powers."

Jester declared in an interview that he was studying proposals to alleviate the depressed market situa-

Panhandle Field Inactive During Past Seven Days

Activities in the Panhandle oil field were confined to three new

wells and two new locations last week. Two of the new wells were for oil, the other for gas.

The Skelly Oil company completed its 156th well on the Schafer ranch, good for 331 barrels of oil.

Both of the new locations were in Carson county, staked by the Cities Service Gas company.

Completions by counties follow:

In Carson County
Skelly Oil Co., No. 155 Schafer ranch, section 190, block 3 I&GN survey, was given a potential of 331 barrels.

In Hutchinson County
J. M. Huber Corp., No. 22 Weatherly, section 26, block 4, AB survey, gauged 112 barrels.

In Moore County
Canadian River Gas Co., No. 3-A Reid, section 47, block 3, GM survey, tested 23,000,000 cubic feet.

Intentions to drill:

Cities Service Gas Co., G. W. Deahl Est. No. 10, 150 feet from the west and 150 feet from the south lines of NE 1/4 of section 17, block 8, I&GN survey, Carson county.

Cities Service Gas Co., S. E. Burnett No. 51-A, 150 feet from the west and 150 feet from the south lines of NE 1/4 of section 88, block 4, I&GN survey, Carson county.

An Important Announcement To GRAY COUNTY VOTERS

JAMES BARRETT

IS A WRITE-IN Democratic Candidate FOR GRAY COUNTY SHERIFF

Peace loving, law-abiding, sober citizens of Gray County take pleasure today in the announcement that James Barrett, a life-long citizen of Gray County, has consented to be a DEMOCRATIC WRITE-IN Candidate for Sheriff, subject to the General Election, Nov 3.

Mr. Barrett, who has lived in Gray County all but nine weeks of his life, has always proved himself efficient, fair to all, and faithful to any duty. During his experience as a peace officer, in the role of Deputy Sheriff for the past two and a half years, he has established a commendable record as a public servant.

His personal life has proved to all that he is a SOBER, TRUSTWORTHY, and DESERVING citizen. The record shows that he has NEVER TAKEN A DRINK OF LIQUOR! The records show that he is UNOBLIGATED to any CLAN or POLITICAL FACTION in this county! He has proved himself a gentleman at all times, but all who know him respect him as a man who will always stand up for RIGHT without FEAR or FAVOR to ANYONE! James Barrett knows and understands the law enforcement problems of Gray County. He has gained wide experience in helping change this county from the lawless, "wide-open" place we all remember four years ago, to the sage, law-abiding community of which we are now proud. He has had extensive F.B.I. training and understands cooperation with our Federal Government Law Enforcement and Protective Agencies. He understands the vital problems facing our county during this time of war. WRITE IN A MAN WITH EXPERIENCE, A SOBER RECORD, AND ONE WHO IS UNOBLIGATED!
