The Mulkey theater in Clarendon, which has been under construction for the past seven months, has been completed with the exception of a few details and will be opened to the public Wednesday, Feb. 13.

The Mulkey replaces the old Cozy theater which burned last Feb. 28. It was named "Mulkey" in memory of the late Homer Mulkey who entered the theater business in Clarendon 34 years ago.

The Neblett hospital at Canyon will open tomorrow after being closed since Oct. 1, 1942, when Dr. R. A. Neblett, joined the medical corps of the army.

Dr. Neblett, former major who served for 28 months, returned to Canyon last Nov. and resumed his practice. Due to the scarcity of nurses he was not able to open the hospital at an earlier date.

The Lions club of McLean held Ladies night last Tuesday with District Governor Charles Dean of Plainview and Deputy District Governor C. A. Coyer of Borger as the principal speakers.

Bill Stubbs, state secretary of the Farmers Union who met with the McLean chamber of commerce directors at last Thursday's luncheon, stated that an application was already filed with the federal government for hospital equipment for the McLean-Alanreed communities, and

reference was made to the buildings at the POW camp.

Work done to date by the McLean-Alanreed Farmers Union local was outlined. Stubbs said the proposed hospital would be acceptable to medical doctors and would provide pre-medical care. The plan is for a non-profit organization governed by a board of directors elected by the membership.

Ex-servicemen of Hansford county are urged to attend a mass meeting to be held at the district court room in Spearman, Wednesday evening Feb. 13. At this time visitors from the American Legion posts at Borger, Busman and Perryton will outline the possibilities of reorganizing a Spearman post.

One of Spearman's servicemen, Lt. Cmdr. Alvin R. Reed, U. S. navy chaplain on the Franchaw Bay, was an honor guest of army and navy chaplains in Washington, D. C., last week. He was presented a presidential citation award to task unit 77 for "extraordinary heroism" in the battle of Samar. The Franchaw Bay was hit six times in the engagement which threatened the Leyte landing.

A Veterans of Foreign Wars post was organized at Spearman, Tuesday night with 71 veterans of Hansford county attending the initial meeting. Forty-four veterans present officially joined the post, the remaining indicating they would do so as soon as they secured copies of their discharges.

Assisting in the organization of the post were members of the Hutchinson county post.

Approximately 80 miles of REA lines in the first 215 mile unit were energized with the throwing of switches at the Canadian plant Tuesday. The unit was installed and is to be maintained by the North Plains Electric Cooperative, with general headquarters in Perryton. W. G. Good, president of the organization, threw the main switch at noon.

First to be served on a contemplated network of 1,570 miles was the farm home of George Robbins of the Locusts Grove community, northwest of Canadian.

A total of \$1,538.66 was collected in Ochiltree county in the "March of Dimes" campaign. This amount compares with \$1,423.35 collected last year.

W. L. Lard, sheriff of Roberts county who will round out his first term of office Jan. 1, 1947, has announced that he would not be a candidate for re-election the second term.

More than 3,000 Italian prisoners of war were sent from the Hereford Prisoner of War camp to the Los Angeles port of embarkation last week end for repatriation to their homes in Italy. The Hereford camp is closing operations. Only a skeleton staff of officers and enlisted men remain at the camp.

The First National Bank at Hereford will be open for business tomorrow in the First State building where the former is temporarily

setting up shop while its building is being remodeled.

A resolution supporting the proposed establishment of an agriculture experiment station at the Hereford Prisoner of War camp to be operated by the A. and M. college, was passed by the Clovis chamber of commerce last week.

Services Held For Prominent Shamrock Man

SHAMROCK, Feb. 9.—(Special)—Funeral services were held Tuesday

at the First Baptist church for one of the most beloved pioneer residents of this community, Joseph J. Lummus, 72, who died last Monday at his home here.

The Rev. Virgil M. Loller, of San Angelo, conducted the rites. He was assisted by the Rev. Wilson Padgett, of Fort Worth. Interment was

at the Shamrock cemetery.

Mr. Lummus was born near Rome, Walker county, Ga., Sept. 23, 1873, and came to Shamrock 38 years ago from Arlington, Tarrant county, Texas.

On December 26, 1901, at Cedar Hill, Texas, he was married to Miss Mary Josephine Pool, who preceded

him in death at the age of 62.

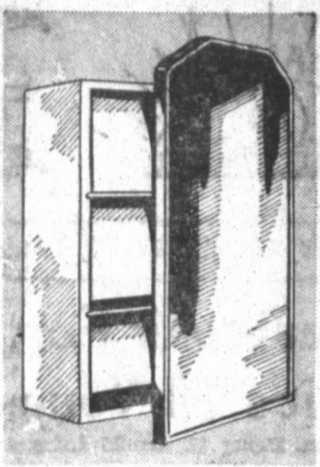

He is survived by all their children, three daughters and two sons: Miss Re Lummus and Nathan Lummus, both of Shamrock; Mrs. Mary Biedsoe of Kelton; Mrs. Maud Helm of Sacramento, Calif., and Charles Wad Lummus of Dumas.

Mr. Lummus believed that it was his duty and privilege to help with funerals and could be depended upon to assist in any capacity. He was a member of the Baptist church.

Walter Rogers Files For District Judge

Walter Rogers, who has served for the past two terms as District Attorney of the Thirty-First Judicial District of Texas, composed of Wheeler, Gray, Roberts and Lipscomb Counties, has authorized the News to announce his candidacy for the office of District Judge of the Thirty-First Judicial District of Texas. Mr. Rogers came to this District to engage in the practice of law immediately after completing the law courses at the University of Texas. He was elected District Attorney of this District in a "Write In" campaign in 1942, took office in January, 1943, and has served ably and well in that office for the past two terms. He is 38 years old and married. Mr. and Mrs. Rogers have four children and reside on North Russell Street

in Pampa, Texas, where they have maintained their home for the past nine years. He has made the following statement relative to his candidacy:

"In submitting my candidacy for the office of District Judge of the Thirty-First Judicial District to the voters of this District, I am not unmindful of the many and important issues that must be determined in the next few years by our judicial tribunals and the responsibility that must go with this office. I submit as my qualifications, my age, my education, my experience and my record. My platform shall be the same as that upon which I stood when I sought election as your District Attorney, and that is: If elected, I shall always endeavor to execute the duties of the office of District Judge honestly, faithfully, conscientiously and without fear or favor. This policy I have sought to pursue at all times during my tenure of office as your District Attorney and intend to continue, I hope, as your District Judge.

"May I use this opportunity to express my sincere appreciation to the citizens of this District and the officers of the respective communities thereof for the co-operation extended me for the past two terms as your District Attorney in the enforcement of the laws and the curtailment of crime in this District."

Respectfully submitted,
WALTER ROGERS.

James Hopkins Files For Co. Commissioner

James A. (Jim) Hopkins, Gray county farmer and stockman, announces his candidacy for the Democratic Nomination for the office of County Commissioner of Precinct Number Three of Gray County.

Mr. Hopkins is a native of Gray county, having lived in this county all of his life. He is married and has two children; was born on the place he now farms and raises stock.

In making his announcement, Hopkins said: "I believe in honesty, efficiency and economy in the administration of our county's affairs. At the proper time, I will try to meet with every voter in the precinct and discuss with them the needs of our county. If elected, I pledge the people my best efforts in behalf of sound, efficient and honest government."

President of IPAA Makes Demand for Removal of Ceilings

TULSA, Okla., Feb. 9—(AP)—A demand for the removal of oil price controls was made in Washington today by B. A. Hardey, Shreveport, La., president of the Independent Petroleum Association of America, it was announced at IPAA headquarters here.

Hardey's statement as announced here said, in part:

"We call upon Mr. John W. Snyder, director of war mobilization and reconversion, to cause the removal of oil price ceilings and thus make good the promise contained in his fifth report, issued a few days back."

"On page 39 he said: 'Price ceilings have been removed from several thousand items and the elimination of controls is going ahead x x x they will be lifted as quickly as supply approaches balance with demand.'"

WPRA Engineers To Meet Tuesday

Members of the engineering committee of the WPRA are to meet at 1:30 p. m. Tuesday, Feb. 19 at the WPRA office.

If a few remaining critical items are obtained soon the West Pampa Represtructuring association project may start the actual injection of gas into the West Pampa field by March 1, according to Fred Neelge, pool engineer, this week.

About half of the total 75 input wells have been tested.

Ten Gas Wells Brought in With Total 127,660,000-Foot Potential

1945 Texas Field Map Used at FPC Hearing, Available

AUSTIN, Texas—A map showing the oil, gas and distillate fields of Texas as of December, 1945, prepared by Dr. Leo Hendricks of the University of Texas Bureau of Economic Geology, is available for general distribution to those interested.

Dr. John T. Lonsdale, director of the bureau, announced today.

The map, on a scale of one to one million inches, or 16 inches to the mile, was prepared at the request of the oil and gas division of the Texas railroad commission and was used by the commission as an exhibit in the federal power commission natural gas hearing in Houston.

Although the map was prepared primarily for the oil and gas division, the bureau of economic geology has the negative and so can make it available to the public.

The map, printed on one sheet, supplements a similar map issued several months ago on three sheets, and brings the oil field data more up to date.

Ten gas wells with a total potential of 127,660,000 cubic feet were brought into the Panhandle field this week.

Largest gasser was that of the peerless Oil and Gas Co. No. 1 Fisher, section 5, township 43-n, range 16-E in Texas county, Okla., which tested 37.5 million cubic feet. The well was drilled to 2790 feet with lime pay from 2775-90 feet.

Greatest potential added by a single company as a total of 31.79 million cubic feet, by the Texoma Natural Gas Co. with four wells, three in Moore and one in Carson county.

Texoma gassers completed in Moore county are the No. 13-M Coon-Sneed which tested 8.13 million cubic feet on a railroad commission test; the No. 29-M R. S. Coon for 4.97 million cubic feet and the No. 32-M R. S. Coon for 5.27 million cubic feet. The previous week five gassers were completed by Texoma in Moore county.

In Carson county the Texoma No. 7-M J. McLaughlin gauged 13.43 million cubic feet of gas.

Gray

The Carl Smith No. 1 Durham tested 235 million cubic feet on a railroad commission test.

Carson

Cities Service Gas, No. 65-A S. B. Burnett Estate, had an open flow potential of 17 million cubic feet.

Moore

Phillips Petroleum Co. No. 1 Pink tested 28.2 million cubic feet; the Phillips No. 1 Ezelle 9.2 million cubic feet.

Wheeler

Smith Bros. Refining Co. C-1 R. A. Massey gauged 4.05 million cubic feet of gas.

Skelly Hole Is Dry, Abandoned

Pumped dry after drilling to 3191 feet, plugged back to 3184 feet and treated with 500 gallons of acid, the Skelly Oil Co. No. 211 Schafer, section 198, block 3, H&GN survey, Carson county, was abandoned.

After drilling to 2575 feet in the Kellerville pool, Wheeler county, the Magnolia Petroleum Co. No. 8 E. A. Worley, section 39, block 24, H&GN survey, was found dry and abandoned.

Location was abandoned at the Carr and Kimberlin N. 2-B S. B. Burnett, section 117, block 5, H&GN survey, Carson county in the Borger pool.

Gulf Faulkner 31 Pumps 246 Barrels

Pumping 246 barrels of oil in 24 hours, the Gulf Oil Corp. No. 31 S. Faulkner, section 27, block B-2, H&GN survey Gray county, was completed at a total depth of 2935 feet.

During the first four hour test the well pumped 41 barrels. Granitic wash pay was from 2810-2935 feet. It was not treated.

In the Borger pool in Hutchinson county the Gibson Oil Corp. No. 7 Harvey Sisters, section 71, block Z, H&GN survey, pumped 140 barrels in 24 hours. Operators shot the well with 300 quarts in lime pay from 2970 feet to the total depth.

Drilled to 3295 feet, the J. M. Huber Corp. No. 1 Hiram Parks, section 3, block R-2, D&P survey, Hutchinson county, Stinnett pool, pumped 145 barrels of oil in 24 hours. It was treated with 2,000 gallons of acid. Lime pay was from 3282-91 feet.

Potential of the Cities Service No. 2 Shields, section 151, block 3, H&GN survey, was increased from 10 to 82 barrels of oil pumping in 24 hours on deepening the well from 320 to 3313 feet.

The well was shot with 200 quarts in lime pay from 3227 feet to the total depth.

Annual Chamber Banquet Set for 7:30 p. m. Tuesday

J. Thomas David, Dean Emeritus of John Taylor college at Stephenville and past president of West Texas chamber of commerce, will give the address at the 21st annual banquet meeting of the Panhandle board of city development and chamber of commerce to be held 7:30 p. m. Tuesday in the high school cafeteria.

Tickets are requested to be purchased by Monday so that dinner arrangements may be made. They are available at the chamber of commerce office.

Opening the Tuesday night program, Virgil Mott, educational director at the First Baptist church, will lead the national anthem. The Rev. Russell West will give the invocation.

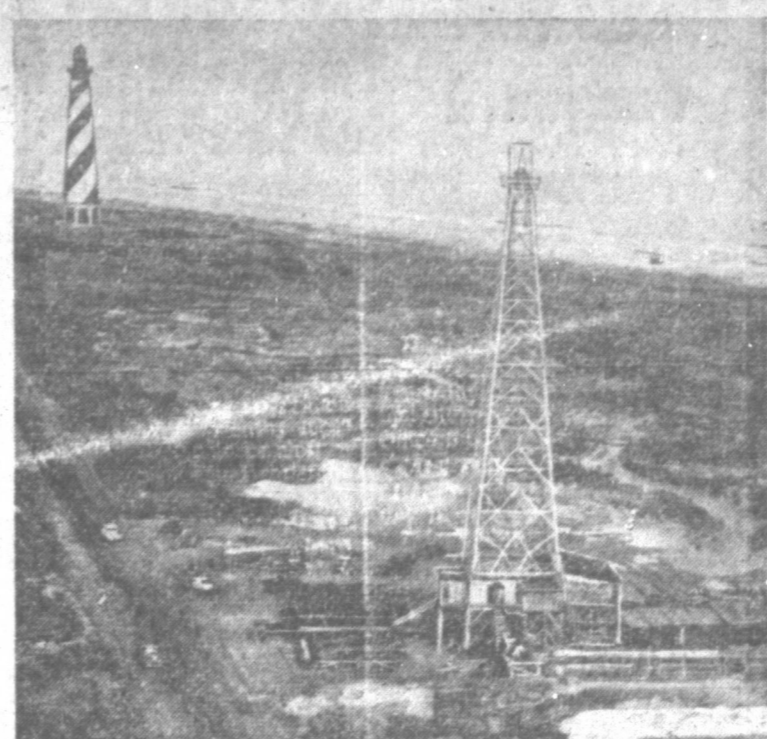

Dinner music will be played by Ken Bennett and his orchestra, with after-dinner music provided by the high school acappella choir directed by Miss LaNelle Scheihagen.

Guests will be introduced by Cliff B. Ausmus and Dean Davis by R. G. Hughes.

Tex. Baxter, general manager of the Amarillo chamber of commerce, will install the new officers and directors of the board of city development and the chamber.

Members of the Junior chamber of commerce will serve the banquet.

LIGHTHOUSE GETS NEIGHBOR

Near the historic lighthouse at Cape Hatteras, N. C., towers the drill rig of Esso No. 1, where Standard Oil Company of New Jersey has begun a study of oil production on the Atlantic Coast. Annual Chamber Banquet Set for 7:30 p. m. Tuesday

J. Thomas David, Dean Emeritus of John Taylor college at Stephenville and past president of West Texas chamber of commerce, will give the address at the 21st annual banquet meeting of the Panhandle board of city development and chamber of commerce to be held 7:30 p. m. Tuesday in the high school cafeteria.

Tickets are requested to be purchased by Monday so that dinner arrangements may be made. They are available at the chamber of commerce office.

Opening the Tuesday night program, Virgil Mott, educational director at the First Baptist church, will lead the national anthem. The Rev. Russell West will give the invocation.

Dinner music will be played by Ken Bennett and his orchestra, with after-dinner music provided by the high school acappella choir directed by Miss LaNelle Scheihagen.

Guests will be introduced by Cliff B. Ausmus and Dean Davis by R. G. Hughes.

Tex. Baxter, general manager of the Amarillo chamber of commerce, will install the new officers and directors of the board of city development and the chamber.

Members of the Junior chamber of commerce will serve the banquet.

Scott's Scrap Book

By SCOTT RAFFERTY
We have few, if any apologies to make for what happened at the football game between Pampa and Borger here Friday night, which, for all, Pampa won.

We know that Kendall Clay, one of the finest athletes this territory ever seen, was sincerely disappointed on being called out of the game on fouls. We feel that Kendall is a great player but we won't take the responsibility for his going out.

In the first place, this writer doesn't know, until the disturbance in the third quarter, that he was an "official" scorer. We are in no position to carry out that task. We go to games to get stories—not to do arguments.

Secondly, interference from fans and players did not help the situation at all. If we were official scorers, the discussion should have been between myself, the two officials, Coach Otis Coffey of Pampa and Coach T. E. Ward of the Bulldogs. It should have been conducted in an orderly manner.

For the benefit of those who did not see the game, the trouble started when Referee Leon Fields, signaled with his fingers that Harvester Center Bill Speer, No. 10, had fouled a Borger player. We thought he held up nine fingers and accordingly marked a personal foul beside Clay's name. Clay is No. 9.

A few minutes later, Clay DID commit a foul and the gentlemen from Borger setting next to us (who, by the way, was never identified) said that was Clay's fifth foul and he should accordingly be called out.

In the discussion that followed, both officials agreed that the foul this writer had marked for Clay was really for Speer but Borger officials said that five fouls were charged to Clay in our scorebook, and that's the way it was going to be.

Jack Roberts, sports editor of the Borger Daily Herald, rightfully did not commit himself either way. We sports writers are there to cover the game as we see it. Jack had four

SAN ANTONIO, Texas, Feb. 9.—(AP)—Texans took charge of the Texas open today as Ben Hogan raced in with a six-under-par 65 on wind-swept Brackenridge Park course to tie Byron Nelson for the lead at the halfway mark at 132 for 36 holes.

Hogan's great round was climaxed by a birdie deuce on No. 18 after counting two eagles on his card. Nelson came in today with a 68 and had left the clubhouse an hour before Hogan, with whom he used to caddy at Fort Worth, finished up, grinning broadly.

Four strokes back at 136 was Art Doering, young Denver professional who had tied Nelson with a 66 at the end of yesterday's first round. Doering shot a one-over-par 72 today as he ran into trouble on holes five and seven where he was one and two over respectively.

Nelson, the Denton, Texas, farmer whose business address is Toledo, O., had predicted just before he left the course that Hogan would tie him. Ben at that time was five under par.

Hogan, leading money-winner of the year along the PGA tour now hangs his golf clubs at Hershey, Pa.

Vic Ghezzi of Knoxville, Tenn., and Jim Ferrier of Chicago, former Australian champion, tied for fourth place with 137 each. Ghezzi shooting a 67 today while Ferrier was hitting 69.

Next in line were four more professionals—Dick Metz, Arkansas City, Kans.; Herman Keriser, Akron, Ohio; Toney Penna, Dayton, O., and Bob Hamilton, Chicago. Each had 138.

Amateur Frank Stranahan of Toledo, Nelson's protégé; and professional Herman Barron, White Plains, N. Y., and George Schoux, San Francisco, had 139's.

Nelson missed two greens today—No. 2 and No. 14—and he three-putted No. 13 but otherwise encountered no trouble. Hogan's eagles came on No. 3 where he holed out of a trap and on No. 13 where he landed six feet from the pin. On No. 18 Hogan drove within four feet of the hole and as one of the largest galleries in Texas open history looked on calmly sank his putt for the leadership tie.

The field today was cut to 62—the 60 low scorers and ties—and will play the final 36 holes tomorrow.

The leaders:
Byron Nelson, Toledo, O., 64-68-132.
Ben Hogan, Hershey, Pa., 67-65-132.
Art Doering, Denver, 64-72-136.
Vic Ghezzi, Knoxville, Tenn., 70-67-137.
Jim Ferrier, Chicago, 68-69-137.
Dick Metz, Arkansas City, Kans., 69-69-138.
Herman Keriser, Akron, O., 70-68-138.
Toney Penna, Dayton, O., 68-70-138.
Bob Hamilton, Chicago, 71-67-138.
Frank Stranahan, Toledo, O., 67-72-139.
Herman Barron, White Plains, N. Y., 70-69-139.

A travel allowance of five cents per mile is paid in advance to those men entitled to a reenlistment allowance upon reenlisting in the regular army.

'Auto Bonnets' Save Elaborate Hair-Do's

NEW YORK—(NEA)—Some of the snappiest new fashions of the season had the return of the flapper as by bringing along their own "auto bonnets." These are cowl-like hoods or turban-top capes which hang from coats, suits, daytime and evening dresses for the avowed purpose of keeping hair-do's tidy in open cars or rumble seats.

Fore-runner of all of this was last fall's coat. Hooded like the cloak of a crusading knight, it made a hit for both daytime and evening wear, and the hood was either fur-lined for warmth or glitter-trimmed for glamor. Because girls obviously liked the idea of this two-in-one fashion, which takes care of both wrap and hat, spring coats, dramatized by color-lined hoods, reappear by popular request.

Fashion-offshot of the coat is the hooded suit, new this spring. Besides their hoods which can dangle like a cowl or top a head like a hat, suits boast well-tied jackets and stave lines which usually depend upon gabardine for that effect.

Also making their debut this spring are hooded dresses. Three are pictured to show where this trend is heading.

The black and white daytime print crepe, right above, designed by Herbert Sondheim has a monk-styled hood which attaches to a collarless neckline and has roomy fit. When slipped off the head, it hangs in the back in a cowl-like cape which adds

(Continued from Page 9) of the bride, was waeron of honor. She wore a two piece suit-of-rose crepe with matching accessories and a corsage of Dutch iris.

Otto Barton, of Sunray, brother-in-law of the bridegroom, served as best man.

The bride chose a powder blue suit with black accessories. She carried a white Bible, topped with white gardenias. The Bible belonged to Miss Gwendolyn Hale. For something "old" she wore a gold locket, which had been in the family of the bridegroom for five generations. Mrs. Hale is a graduate of Martin high school.

Mrs. Hudson, mother of the bride, wore a gray suit and a corsage of white carnations.

The bridegroom's mother wore a dress of rust crepe and her corsage was also of white carnations.

A reception followed the wedding. Mrs. Otto Barton of Sunray had charge of the bride's book.

In the dining room the table was laid with a cloth of handmade lace. The three-tiered cake, topped with white wedding bells, was cut by the couple. White tapers in crystal candlesticks, entwined with fern, completed the setting. Mrs. Barton presided at the coffee service, assisted by Mrs. James Louglas, sister of the bridegroom, who served the cake.

The bridegroom is a graduate of Shamrock high school and recently received his discharge from military service. He was with the quartermaster corps for three and one-half years, with three years of overseas service in the European theater. He has a presidential unit citation.

The couple left immediately following the reception for a trip to points in south Texas and Louisiana.

They will be at home in Sunray, where Mr. Hale is associated with Phillips Petroleum company in the wholesale-retail department.

Out-of-town guests included Mrs. Charlie Hudson, daughter, Miss Marie Fae Hudson, and sons, Mack Ervin and Billy Charles, of Martin, and Miss Mary Barton of Sunray.

Valentines Used as Birthday Party Motif

Mrs. S. B. Black entertained as a birthday party Saturday, February 2, in honor of her 8 year old daughter, Mary Elizabeth. Mrs. Floyd Young assisted the hostess with the games and refreshments.

A Valentine theme was used in the decorations with Valentine napkins and red whistles as favors. The table was set with red and white paper plates, each having a small charm attached to it by a ribbon.

Guests were Carolyn Sue Dodd,

LeJohna Ellington, Rita Marie Perrin, Jeannette Perrin, Mary L. Ausmus, Jimmie Young, Mary A. Kretzmer, Janice Nan Kretzmer, Betty Lou Hogsett, Ava Nell Hogsett, Dorothy Ann Ayers, John David Meek, Jimmie Ayers and Johnnie Boy Ayers.

Gifts were sent by Mrs. W. Shelton, Mary Elizabeth's grandmother in Amarillo, Dot Wells, Mary Lynn Miller, and Treva Dean Meek.

Men enlisting in the regular army for a period of three years may choose the branch of army service in which they wish to serve.

Save Your Time Club Studies Gardening

The Save Your Time Home Demonstration club met Thursday, Feb. 7, 1946 in the home of Mrs. Bob Daugherty. The roll call was answered by each member telling her favorite flower and why it was her favorite. During a short business meeting, Mrs. Bill Mullins, was elected to represent the Save Your Time club as their nominee for delegate to the district Home Demonstration association meeting at Childress, April 12. Mrs. Mullins will be introduced to the Gray County February 23 by the president of the Home Demonstration council on February 23 by the president of the

Save Your Time Home Demonstration club. Miss Millicent Schaub, Home Demonstration agent gave a demonstration on "Gardening." She emphasized the fact that the time to begin gardening was January. At this time plants should be made, seeds ordered, seed inoculants and seed disinfectants purchased, ground prepared, and equipment repaired and made ready to go to work as soon as the weather becomes warm enough to start actual planting. Miss Schaub stressed the point that treatment of seeds and fertilizer paid dividends in producing better and larger quantities of garden produce. She gave the club some hybrid sweet corn and asked the club members to plant it and report the outcome. This corn is a new variety and adapted to this type of climate. She said that Gray county should be able to produce sweet corn if the right variety was planted.

She also gave a demonstration on decorative plants and flowers to make a landscape more beautiful. She demonstrated how to start seeds and cuttings to have plants and shrubs in the garden this spring and fall. She stressed the idea that the first impression of peoples home was formed by the surrounding area around the home, suggesting the motto about one's home: "It ought to be fine, I live here."

Discharged Veteran Takes Over FSA Post

CANADIAN, Feb. 9.—(Special)—James Gouddy, discharged from the army December 9th, has arrived in Canadian to take over the duties of supervisor of the local office of the Farm Security Administration. Gouddy was doing FSA work at Childress and Memphis before enlisting in the army more than three years ago. He was a sergeant in the 12th armored division, and saw service in Europe. Arrel Cummings has been FSA supervisor here for the past two years.

Story of Famous Stork Club Opens Billing at LaNora Theater Today

Andy Russell and Don DeFore don't approve of the attention Betty Hutton is showing Barry Fitzgerald in this scene from Paramount's "The Stork Club."

By SCOTT RAFFERTY
B. G. DeSylva's "The Stork Club" is a sure-fire hit in the way of musical entertainment. It shows at the LaNora starting today.

It's a slap-happy story full of laughs and songs with Betty Hutton in the starring role, assisted by such able supporters as Barry Fitzgerald, Don DeFore, Robert Benchley and Bill Goodwin as the fabulous Sherman Billingsly.

In the story, Betty is a hat check girl at New York's famous night club. She befriends a seemingly penniless old man, Barry Fitzgerald, who, all the time, is a millionaire who is estranged from his wife.

Betty obtains Fitzgerald a job as bus boy at the club and it is in this role that the wizened old man is outstanding. It all develops into a grand mess but everything comes out OK.

Good western entertainment is in store for Roy Rogers fans. Roy's in Republic's "Man From Oklahoma," showing at the Rex Sunday, Monday and Tuesday.

Rogers, who is rapidly replacing the slipping Gene Autry as the No. 1 cowboy star, sings a lot of good songs and there's even a decent plot to go along with them.

The old standbys, Gabby Hayes and Dale Evans, along with Bob Nolan and the Sons of the Pioneers make up the rest of the cast.

A re-release of one of the better old pictures is featured at the Crown Sunday and Monday. It's "Barbary Coast," starring Edward G. Robinson and Joel McCrea.

Hitler Would Have Backed Down on Military Threats

NUERNBERG, Feb. 9.—(AP)—Adolf Hitler would have backed down on his military threats if the Western Allies had refused to sign the Munich pact in September, 1938, according to Nazi Field Marshal Wilhelm Keitel.

In a statement to Czechoslovakian interrogation officer Brig. Gen. Eohoslav Eger, Keitel said he believed that if the Czechs had mobilized in March 1938, Germany would have been unable to accomplish the Anschluss with Austria.

At the time of the Munich pact, he said, Hitler was opposed to war because the fuhrer realized that

Wheeler County March of Dimes Total Incomplete

SHAMROCK, Feb. 9.—(Special)—Wheeler county residents have contributed \$1,359.98 to the March of Dimes drive with receipts from the towns, Mobeetie and Allison, yet to be turned in.

That figure, which exceeds last year's total contribution by almost \$300, was reported this morning by Norman Patrick, chairman of the drive in the south part of the county.

A total of \$797.24 was raised in the drive to fight the dread disease, polio. A downtown solicitation by committees resulted in \$488.70, Patrick said. The Shamrock public schools turned in \$114.44, the Texas theatre, \$115.71 and the Liberty theatre, \$98.40.

To boost the contributions in the south side of the county, Keller-ville turned in \$70 and the Pekan school, \$5.

To make up the total county gross, Wheeler residents contributed \$409.48, Briscoe, \$58.26 and Kelton, \$20.

The drive was completed in Wheeler county in one week. The March of Dimes is sponsored by the National Foundation of Infantile Paralysis and one-half the fund is kept in the county to combat a possible outbreak of the crippling disease.

REA Power Lines Are Activated

CANADIAN, Feb. 9.—(Special)—Eighty miles of new REA power lines were activated Tuesday noon when current from the Canadian municipal power plant was turned on. This is the first of the new REA lines in this area to be activated, and brings current to residents of Glazier, and to farms in that vicinity.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unrightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barconate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.
