Russia Leaves Explosive Greco-Javanese Problems Up to UNO Assembly

Honeymoon Period of UNO at End

LONDON, Jan. 22.—(AP)—The explosive problems of Greece and Java were tossed into the lap of the United Nations Organization today by Soviet delegates, providing a full-scale test of the ability of the great powers to cooperate within the UNO.

Referring to the Soviet action, British Prime Minister Attlee in answer to questions in commons said today that the British aimed only at "an amicable settlement" between the Dutch government and Indonesian nationalists in Java. He made no mention of Greece which also has a British occupation force.

Situation improved. Soviet delegates earlier had asked the security council to investigate and take measures against the maintenance of British troops in Greece and Java.

De-laring the Java situation improved, Attlee expressed the hope that conversations between Dr. H. J. Van Mook, acting governor general of the Netherlands East Indies, and Indonesian nationalists would have to come from foreign Secretary, Ernest Bevin.

HONEYMOON ENDS The prime minister spoke in answer to questions from laborite Tom Driberg and conservative Capt. L. D. Gamman.

UNO officials privately agreed that the charges against Britain made by delegates representing the Soviet Union and the Ukraine, compared with the UNO ASSEMBLY, Page 8

Monarchist Rebels Defy Ultimatum

ATHENS, Jan. 22.—(AP)—Government spokesmen said today that a strong band of insurrectionist monarchists, accused of defying orders to surrender by killing 14 of its 150 hostages in Southern Greece, appeared to be dispersing.

The ministry of public order said only about 500 of the original force of 3,000 remained in the barricades of a village 10 miles from the Peloponnese seaport of Kalamata (Kalymata).

The revolt erupted Sunday when the royalists freed 32 suspects from the Kalamata jail where they were being held after the slaying of four supporters of the left-wing EAM (National Liberation Front).

Stamatis Merkouris, minister of public order, said attempts to persuade the rebels to free their hostages had failed.

The rebels were given an ultimatum by government military forces to "surrender or face attack" by late afternoon (8 a. m. CST) but those remaining appeared to have rejected the order.

The Moscow radio broadcast a TASS report asserting that Kalamata was "virtually in the hands" of the monarchists and that "monarchist gangs from the neighboring country are streaming towards Kalamata, where some detachments of national guards are resisting the rebels."

The Russian report said "shootings are going on also in Sparta, where the monarchists seized part of the town." The Greek government denied there were any disorders in Sparta, and said complete calm existed there.

The political situation was complicated by an announcement by the KKE, political bureau of the left wing party, urging the people to proclaim a general strike and take up arms. The statement also accused the British of arming right wing elements and thus causing "monarcho-fascist terrorism in Greece."

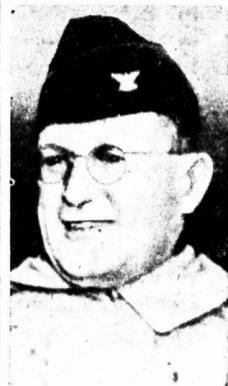

Lions Officials To Attend Zone Meeting

Two local Lions club officials, D. L. Parker, president, and Charlie Thut, secretary, will attend a Lions club zone meeting in Borger tomorrow.

The meetings are held regularly and each club in this area gives a report on its activities and its future plans.

Tune up, brake service and motor overhauling. Pampa Lubricating Co., 114 E. Francis. (Adv.)

HE FACES TRIAL

Col. James A. Killian, above, former commandant of the U. S. military prison camp at Litchfield, Eng., faces court martial on five charges which include perjury, subornation, conspiracy, intimidation of witnesses and dereliction of duty. Conditions at the camp were such that it earned the nickname of "GI concentration camp."

Annual Meeting Of Red Cross Is Slated Tonight

The transition from war to peace time programs of community welfare will be the theme of the 1946 annual meeting of the Pampa Red Cross chapter, which will be held tonight at 7:30 in the junior high school auditorium, according to an announcement made today by Audrey L. Steele, chapter chairman.

Because the Pampa Red Cross chapter is a local community effort, and one in which almost every Pampa citizen has participated generously during his adult lifetime, said Steele, "the meeting will be open to the public.

The program will have as its theme the increasing importance of Red Cross services to ex-servicemen both in our own community and throughout the nation.

New Red Cross services, necessitated by the large number of veterans both hospitalized and able-bodied who expect the Red Cross to continue "at his side" in peace as in war, will be outlined by Frances Hawk, returned Red Cross field director.

Reports on the activities of the various volunteer services and other fields of Red Cross activity during World War II will highlight the program.

The high school band under the direction of Ray Robbins will give a 30 minute concert, beginning at 7:30. Virgil Mott will direct group singing assisted at the piano by Mrs. Mott. Mrs. Ed Weiss will sing a solo. Lieb Laneston will be in charge of the meeting.

"We are anticipating a large attendance for the meeting," Steele said, "and hope that the entire community will be represented. Now, more than ever, the Red Cross chapter will be a community project existing chiefly through the efforts of and for the benefit of our own Pampa."

Rebuilding of County Bridges Will Begin

Actual work of rebuilding bridges in Gray county will start tomorrow under the supervision of County Engineer Ray Evans, recently returned veteran Senbee who was employed in his present capacity for seven years before leaving for the service.

Funds totalling \$25,600, formerly placed in the budgets of the precincts for bridge construction and maintenance, were transferred to the county general road and bridge fund to be used in the construction and repair of bridges and culverts in the county during 1946.

The announcement was made this morning by County Judge Sherman White following an order made at a regular meeting of the commissioners court.

FORMER PAMPAN DIES

H. C. Coffee, 310 N. Ward, has received word of the death yesterday of his daughter, Mrs. Frank Weir, at her home in Burkley, Calif.

There is nothing finer than a Stromberg-Carlson. Coming soon, Lewis Hardware Co. (Adv.)

Fact-Finding Approved by House Group

WASHINGTON, Jan. 22.—(AP)—The house labor committee today approved a modified version of President Truman's proposal for fact-finding boards to handle major industrial disputes.

MEASURE CHANGED The 10 to 8 vote came after the committee had rejected, 13 to 5, a motion to approve without change the legislation asked by Mr. Truman.

The measure accepted by the group was drafted by Rep. Landis (R-Ind.). It would set up the fact-finding boards but would not give them the power to subpoena witnesses, books and records.

'COOLING OFF' OUT It also would eliminate a section banning strikes for 30 days while the boards deliberate.

Both the subpoena power and the "cooling off" period had been urged by the President.

TRUMAN'S MESSAGE

WASHINGTON, Jan. 22.—(AP)—Congress seemed inclined today to support some extension of price controls and to keep taxes at a high level. But the remainder of President Truman's domestic legislative program provoked as much criticism as praise.

Republicans sparked the criticism, with Senator Bridges (R-N.H.), observing to reporters that the President's 30,000-word recounting of administration aims ought to be labelled "a message on the sorry state of the union."

On the other hand Senator Mead (D-N. Y.) commented that the President's economic proposals are "sound and necessary."

Not all comment, however, followed party lines.

Among 25 requests in his state of the union message yesterday, Mr. Truman asked for a full-year's extension of price controls. The reaction was mixed on this score, but most legislators who were asked about it said they thought some

Texas Braggers To Hear Yankee

HARLINGEN, Jan. 22.—(AP)—A Yankee of Greek descent who has made a radio reputation as a southern senator will address the Texas Brags dinner in Washington Jan. 30.

Claghorn's name, Senator Claghorn, that is.

His real name is Kenny Delmar, 34, who appears on the Fred Allen program in the character he originated.

He is rabidly deep-south in the show, claims he was weaned on mint juleps, drinks only from a Dixie cup won't wear a union suit, sees only Ann Southern in the movies, avoids the Lincoln tunnel.

The self-appointed senator also will make his first appearance in the house of representatives, according to valley fruit and vegetable growers and shippers, sponsors of the Texas Brags dinner.

The association spokesman said Rep. West (D-Texas) will introduce Claghorn in the house on his visit to Washington.

The Lufkin News said the "greatest small city in Texas" had tons of Lufkin-made products it wanted to send to Washington.

These included newsprint, which is suggested it could be used as napkins, and iron castings, to slug any out-of-stater who challenges a Texan's tall tale.

'SEVEN LIVES TO REPAY OUR COUNTRY': PAMPAN IN POSSESSION OF IMPERIAL NIPPON MESSAGE ADMITTING DEFEAT

Olive Douglas Gray, former chief petty officer with the 302nd construction battalion of the Seabees, during the invasion of Salpan was handed a Japanese-written message.

Everywhere they have demonstrated the honor and glory of the imperial forces and it is expected that every man would do his duty.

"Heaven has not given us an opportunity. We have not been able to utilize fully the terrain. We have fought in unison up to the present time, but now we have no materials with which to fight and our artillery for attack has been completely destroyed. Our comrades have fallen one after another. Despite the bit-

War Mothers Fire Questions And Demands at Eisenhower

WASHINGTON, Jan. 22.—(AP)—Gen. Dwight D. Eisenhower told a group of irate war mothers who confronted him today on Capitol Hill that all fathers were discharged from the army "there will be no army."

EXPLANATION ASKED A score of women, representing units of the servicemen's wives and children's association, met the chief of staff outside the office of Chairman May (D-Ky.) as he arrived to explain demobilization policy to the house military committee.

They told him bluntly they wanted to talk to him and followed him into May's small office in the house office building.

GET HIM CORNERED Backed into a corner against a window, the five-star general tried for a few minutes to answer assorted questions fired at him simultaneously by almost all of the women.

May finally insisted that one of them do the talking and Mrs. Dorothy Galomb, Wilkingsburg, Pa., secretary of the group, was designated spokesman.

MOTHERS DISSATISFIED She said flatly that mothers whose husbands are in service are dissatisfied with demobilization procedure and claimed that one out of every three marriages is ending in divorce, with service families involved in most of them.

Declaring that mothers, while See WAR MOTHERS, Page 8

Two Plainmen on Casualty Lists

Two Panhandle army men were reported killed by the war department this week.

They are Sgt. Theodore W. Prince, husband of Mrs. Melba D. Prince, Clarendon, who was killed in the Pacific theater of operations, and Pfc. Wallace E. Richards, son of Mrs. Frances E. Richards, Amarillo, who was killed in the European region.

Texas Senate To Join 36th Asking For Investigation

AUSTIN, Jan. 22.—(AP)—Calling the Rapido river crossing a "murderous blunder" the Texas senate has adopted a resolution requesting congress to investigate the disaster which cost the lives of many Texans.

The resolution, by Sen. J. Franklin Spear of San Antonio, "wholly endorsed and approved" the resolution adopted by the 36th division reunion at Brownwood yesterday. It was adopted by a unanimous vote of the senate.

"The whole attack and terrifying conditions under which the crossing was ordered," said the resolution, "have stirred up bitter anger among men and officers involved in the disaster."

The resolution said: "The Texas Thirty-Sixth division in convention at Brownwood Saturday adopted unanimously a resolution calling for a congressional investigation into the Rapido river disaster during the campaign in Italy, a which engagement nearly 3,000 casualties were sustained, some regiments nearly wiped out."

"It is a matter of record that the crossing of the river was issued, as we understand it, by Gen. Mark Clark, who was advised against the movement by Gen. Fred L. Walker, commanding the division, and others as a needless sacrifice of men, and the enemy in powerful position to slaughter the Texas troops."

"The resolution at Brownwood recites, and it is a matter of military history that the 141st and 143rd infantry regiment combat teams caught the brunt of the battle and See TEXAS SENATE, Page 8

Legionnaires of Borger To Meet With Local Post

The Kerley-Crossman post of the American Legion will meet for its second regular meeting in January on Thursday night when the Borger post will meet with the local post. The meeting will be held in the Veterans building, corner of Foster and Russell streets, beginning at 8 o'clock.

The Borger legionnaires are paying a "debt" due Pampa post, the result of a membership contest that ended Nov. 15.

The Pampa post won by a substantial majority. It was also in the deal that the "feed" would take place in Pampa, regardless of the outcome of the contest. All ex-servicemen and women are invited to attend all Legion meetings and take part in the activities of the organization, it was said.

Officials said they would like to see a good turnout for this meeting to show the Borger boys that we are still interested in Legion work, and even though this particular membership contest has ended, we still believe we should have as large a post as Borger, and they are trying to attain the goal of 1000 members for 1946.

Silver Mining in Texas on Increase

WASHINGTON, Jan. 22.—(AP)—Output of silver from Texas mines increased sharply during 1945 over the previous year, but the production of copper fell off greatly.

Statistics released by the Bureau of Mines, U. S. department of the interior, disclosed that the state's mines gave up in terms of silver-eligible metals 21,337 fine ounces of silver and 80,000 pounds of copper during 1945. Comparative output for 1944 were 535 ounces and 230,000 pounds.

At average prices the gross revenue of the output of silver in 1945 was \$15,168 and copper \$10,880. The 1944 silver value was \$3,808 and \$31,650 for the copper.

LICENSE ISSUED

Norman H. Walker and Katie Cora Schaffer were issued a marriage license yesterday.

Federal Seizures Being Considered

WASHINGTON, Jan. 22.—(AP)—The White House officially acknowledged for the first time today that government seizures in the meat industry are under consideration.

DEVELOPMENTS EXPECTED TODAY Press Secretary Charles G. Ross, however, told a news conference that similar action in the steel industry is not yet being considered.

In reply to questions he told reporters there might be some development on meat during the day. He didn't know, he said, but it's possible.

"It's impossible to say at this time what will be done," Ross said. "The matter of seizure has been under consideration." Under further questioning he emphasized that this did "not refer to steel."

TO STUDY DATA Ross made public a letter in which President Truman instructed the steel fact-finding board to continue its "study of governmental data" and "remain available for further consultation."

NEED FOR HEARINGS Ross was asked if the letter to the steel board indicated that the President doesn't see the need for public hearings yet. Ross replied the letter would have to speak for itself.

"Preparations for federal seizure of the meat-packing industry were known to be well advanced."

NEW INCREASES There were reports, however, that the administration might offer a new set of price increases to the packers, whose plants have been closed six days by a walkout of 263,000 workers, prior to seizure action.

Sources close to the meat industry reported the new price formula—visually opposed by the OPA but favored by the agriculture department—might involve a government commitment to purchase some 3,000,000 pounds of meat at a price increase of 35 cents a hundred pounds.

MAY ACCEPT FORMULA In addition, the price of meat to civilian wholesalers would be increased 25 cents a hundred pounds, these sources said. Previously the government's proposed civilian price increase was set for 12 1/2 cents a hundred pounds, with wholesalers either to absorb the raise or receive higher subsidies, so no increase would result for consumers.

There was no information on whether the administration might offer a new set of price increases to the packers, whose plants have been closed six days by a walkout of 263,000 workers, prior to seizure action.

Victory Clothing Drive Progresses

B. R. Nuckols, chairman of the Victory clothing collection drive here, said today the drive was progressing in good form but urged that residents get their old clothes in before Saturday.

The drive, which opened here Monday, will continue through Saturday, a period set at a meeting of committee members some time ago.

All local ward schools—Horace Mann, Woodrow Wilson, Sam Houston and B. M. Baker—are receiving stations of bundles of clothing.

In addition, the Junior high school is open this week for collection but will be the only school open on Saturday.

Nuckols asked local merchants to provide Boy Scouts with as many strong pasteboard boxes as possible. It is hoped that a large supply of boxes strong enough to hold 100 pounds of clothing can be obtained.

He also announced that members of the Lions club would pack bundles of clothing at Baker and Horace Mann schools tomorrow night and Rotarians would prepare clothes for shipping at Woodrow Wilson school at the same time.

A house-to-house canvass of the city will be made by the Junior chamber of commerce Friday. Residents who are unable to take their clothes to one of the schools are asked to have them ready for collection at that time.

All types of clothing for men, women and children are wanted in the drive. Clothes should be clean if possible but need not be ironed. Shoes donated in the drive should be tied securely together, with heel to toe.

Nuckols said also that bedding is needed but no other household appliances.

51 Garage, 600 S. Cuyler, Ph. 51. (Adv.)

Big and Little Men of Steel Have Busy Day

PITTSBURGH, Jan. 22.—(AP)—The big men and the little men among the striking CIO steelworkers had a busy day, the first day of their strike.

Take the big ones first, in their headquarters on the 15th floor of a Pittsburgh office building.

CIO President Philip Murray had a broadcast to make last night at the end of the first day of strike.

He and his top lieutenants sat down and cooked up the speech. Then it was written out.

He read it to his lieutenants. They timed him with a stop-watch to be sure he would not exceed his radio time.

While the speech was being worked with ideas of his staff put in or taken out, Murray called a press conference.

Off in a corner of the tidy offices, just as if there were no strike, a clerk with nice handwriting was filling out the charters for new local unions which were joining the CIO.

Murray's staffers say an average of one new local joins every day. Meanwhile, phones kept ringing all over the offices.

Union leaders from everywhere were calling in to report on their strikes or to ask help on a special problem at their own.

But at Homestead, Pa., about eight miles from Pittsburgh, it was a little different. There local 1937 has about 9,000 members, all of whom work in the Carnegie-Illinois mill at Homestead.

It's strictly a steel town. Steel is the big industry there.

Striking steelworkers, bundled up against the slanting, icy rain, stood in quiet groups on the corners or singly with their backs up against store windows.

About 100 others made their slow, circling picket-line march in front of the mill. They serve as pickets 6 hours a week.

Some Homestead storekeepers had donated coffee, milk and sugar and even stoves upon which to cook the coffee.

See LOCAL OFFICIALS, Page 8

Casanova Was Just Clean—That's All

LOS ANGELES, Jan. 22.—(AP)—Stop worrying, fellows, if the gal friend says you're no Casanova.

Howard S. Grove, cosmetician, chemist and student of perfumery history, reports:

"Casanova was not a great lover at all. He just discovered the art of cleanliness, took a bath, perfumed himself and thus made himself attractive to women. He was just clean, that's all."

# Harvesters Play Perryton Rangers Here Tonight, 7:30

## Boxing Grosses \$13 Million in 1945; Tops 1944

NEW YORK, Jan. 22.—As a part of the generally anticipated boom in the sport, boxing grossed approximately \$13,000,000 in the United States during 1945, an increase of nearly \$3,000,000 over the estimated 1944 total.

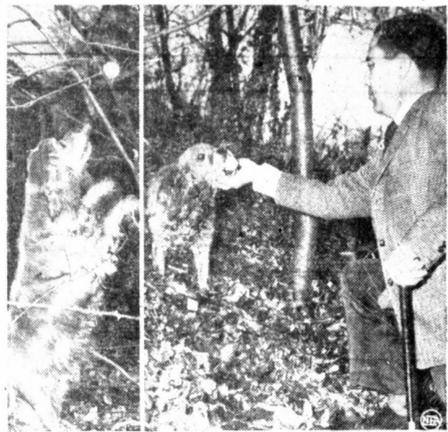

An Associated Press tabulation of figures from 32 state athletic commissions showed today that \$12,878,660 was paid by at least 4,622,802 fans to witness bouts throughout the country. The attendance mark is incomplete because several of the commissions listed only gross receipts.

Joe Louis, Billy Conn and other notable prewar scrappers were still in the service, but New York state retained its No. 1 ranking at newcomers Rocky Graziano, Willie Joyce and Johnny Grove developed large followings.

New York reported aggregate receipts of \$3,969,213, in having a record \$2,285,256 rate at Madison square garden. As a comparison the auditor drew \$1,396,467 in 1944, \$1,136,228 in 1943 and \$1,111,202 in 1942.

Texas reported a 1945 attendance of 112,725, with gross receipts at \$224,110.

## Canine Caddy

Tuffy barks happily as she spots ball in tree bordering Sleepy Hollow Country Club course, Scarborough, N. Y., returns it to her master, Raymond Lovins, who treats her as caddy. Eight-year-old cocker spaniel locates balls by scent and sight even in water hazards. In seven years she has retrieved 19,000 pellets.

## Pampa Beats Phillips 27-25 In Close Game Monday Night

Fresh from Monday night's 27-25 victory over Phillips, the Pampa Harvesters met the Perryton cagers in two basketball games here tonight, the "B" game starting at 7:30 in the Junior high gymnasium.

A capacity crowd is expected to jam the local gym tonight. Perryton beat the Harvesters 42-38 in a game played at Perryton last week and the locals will be out for revenge.

Little Bernie Brown sank a field goal in the last minute of play to give Pampa a four point lead that Phillips didn't have time to overcome.

## Sports Shots

By HAROLD V. RATLIFF  
Associated Press Sports Editor  
DALLAS, Jan. 22.—(AP)—Ice hockey, the roughest sport your correspondent ever has seen, is really catching on in Texas.

Only two cities in the state play the professional game but they are members of a strong organization—the U. S. Hockey League, a class AA loop just one step out of the big leagues. These cities are Dallas and Fort Worth.

The game has captured the fans' fancy for several reasons. One is that it's fast and rough and colorful. With all that contact there is bound to be some fist swinging. Everyone, it seems, loves a good fight.

That the sport is popular is attested by attendance figures for home games this season. Dallas shows more than 80,000 to have seen 18 games. Fort Worth reports over 47,000 for 17 matches.

## Ted Lyons Will Resume Career

BEAUMONT, Texas, Jan. 19.—(AP)—Forty-five but fit, big Ted Lyons is ready to resume his big league baseball career after three years spent in the service.

Here from his Vinton, La. home on a hunting trip the former Baylor university pitcher who went to the Chicago White Sox in 1923 and was a major league star for 20 years, said he was anxious for spring training to open in California so he can show the boss he's capable of taking his turn on the mound once more.

"I feel great and know I can get in there and pitch," said Lyons. "I've been doing a little pitching here and there and my arm feels as good as ever."

Lyons left the White Sox in 1942 to enlist in the marine corps with which he served as captain.

The White Sox offered him a contract as coach but he said he wanted a player's contract and got it.

## Joe DiMaggio Acting Like a 'Raw Rookie'

By FRANK ECK  
AP Newsfeatures Sports Writer  
NEW YORK, Jan. 22.—(AP)—Joe DiMaggio, Jr., the Yankee who broke many a pitcher's heart during his seven years in the American league, acts like a rookie trying out for his first bid in the majors.

If you walked into the huge New York Athletic club gymnasium and saw a handsome, black-haired, six-foot-two athletic-looking kid tossing around a medicine ball or working out with the pulleys, you'd think he was getting ready for Joe Louis.

That guy would be Joe DiMaggio, who was never more serious in his life.

DiMaggio hasn't played a big league game since the Cardinals beat the Yankees in the 1942 World Series and he hasn't played any kind of a ball game since 1944. Joe was in the army for three years and the extent of his playing was limited to a total of 75 games during the 1943-44 season. Last season his ulcers gave him considerable trouble and he didn't play a game.

But there was Joe, probably the greatest Yankee hero since Babe Ruth's heyday, working out a month ahead of schedule, riding a bike, running a half mile around the NYAC indoor track, pulling two guys on a rowing machine and strengthening his legs in a contraption that looked like an antiquated electric chair.

The photographer, asked DiMaggio to smile. Joe obliged and the lens got a good shot.

"Hey! Wait a minute. Those kids all over the country who think this is a lot of fun for me. No more smiling pictures. This is serious with me. If any of this stuff I'm doing makes a picture, okay. But no smiling."

And Joe was serious. Expected to figure in a three-cornered fight for the American league batting championship with Ted Williams of the Boston Red Sox and Dick Wakefield of the Detroit Tigers, DiMaggio is working harder than ever to get himself in condition.

At 195 pounds, Joe says he is 10 pounds under playing weight. Changes are being set that back after he reaches Florida around Feb. 1.

DiMaggio's return will give the Yankees the power so sadly lacking last season. Though their second baseman, George Stovall, led the league with a puny .309, they were without a feared batter.

Ever since DiMaggio came to the Yankees from San Francisco in 1935, the little Italian always belted more than 20 home runs a season. His 45 in 1937 set the circuit.

John J. Joe, too, was their big man in driving in runs, always sending home more than 100. He needs 70 more to reach the 1,000 mark. His top hitting percentage was .381 in 1939 but his record hitting streak of over 56 games in 1941 is his proudest percentage.

DiMaggio is 31 now, but the way he looks and the sincerity of his workouts seem ill omens for opposing pitchers.

## 2948 Veterans in Tri-State Area Receive Jobs

Employment of veterans by the federal government through the U. S. Civil Service in Texas, Louisiana and Mississippi, for the month of December totaled 2948, as against 1941 for the month of November, according to a report made today by R. W. McPhillips, local civil service representative.

The December total, an increase of 1007 veterans placed over the previous months, represents 1807 for Texas, 781 for Louisiana and 360 for Mississippi.

The report also shows that of the 2948 veterans securing federal employment, 2841 were veterans of World War II and 100 of other wars.

For the 12 months of 1945, a total of 35,259 veterans were placed in federal employment. This total for 1945, compared with 19,770 placed during the 12 months of 1944, represents an increase of 9,750.

Due to the drastic retrenchment program of all federal agencies for the months to follow, it is expected a large number of federal employees will be released. However, veterans will be retained as long as possible if they are on a competitive level with non-veterans and make an efficiency rating of "Good" or better. Where federal agencies are completely abolished or deactivated, all employees will be offered reassignment or transfer to other positions for which they qualify, wherever it is possible.

Future federal employment opportunities for veterans will depend upon the degree of expansion of federal payroll. Veterans in all career lanes place and the number of natural recessions from the federal payroll. Veterans are given preference over non-veterans in all future examinations for federal positions.

## Yankees Have 20 On Football Slate

NEW YORK, Jan. 22.—(AP)—The New York Yankees' all-American conference had 20 football players under contract today with Steve Lach, former Duke back, and Frank Harris, an end of the 1941 Heisman-Stimmons college eleven, the only players to sign the total. Both signed one-year contracts in the Yankee offices yesterday.

## STAR ENTERS TCU

DENISON, Jan. 22.—(AP)—Charles Jackson, scoring ace and mauler in the 1945 Denison high school football team, has entered Texas Christian university.

## Former Shamrock Grid Star Presumed Dead

SHAMROCK, Jan. 22 (Special)—The war department has set the presumptive date of death of Sgt. George Mack Galbreath as December 23, 1945, the day following the expiration of 12 months' absence.

This was the information received by the mother of the former Irish grid star, Mrs. Lila Galbreath. The Shamrock youth had been listed as missing in action since December 22, 1944, when a B-29, went down off the shore of Bougainville.

E. Mack General Edward P. Wittsell wrote Mrs. Galbreath that checking of all available information did not establish an actual or probable date of death, but that a presumptive date had to be set as required by law.

## Dime Honors FDR

Above are artist's sketches, showing obverse (top) and reverse sides of the new Franklin D. Roosevelt dime, expected to go into circulation early in February. The coin was designed by John R. Sinnock, chief engraver, Philadelphia mint.

## Mercury Publisher Buys 'Common Sense'

NEW YORK, Lawrence E. Spivak, publisher of The American Mercury, has announced the purchase of the magazine "Common Sense" which is to be combined with The American Mercury beginning with the February issue.

Both "The Mercury" and "Common Sense" are liberal monthlies. "Common Sense" has been published since 1932 and has been devoted to political and economic issues.

Spivak added that "The Mercury" contemplates the publication of a weekly magazine under the name "Common Sense" at some time in the future.

## NATURE'S PROTECTION

Lightning speed is nature's protection facility for many snakes, birds and animals. Gb Swanson points out in Capper's Farmer, the rattlesnake strikes, releases venom from the poison glands, and returns its head to a defensive position in less than half a second. Birds may leap from the road in front of your speeding car obtain a speed of 25 miles per hour in about 1/2 of a second!

## Sports Round-up

By HUGH FULLERTON, JR.  
NEW YORK, Jan. 22.—(AP)—That crowd of 19,749 that turned out for the Rangers-Blackhaws game Sunday wasn't an all-time hockey record, though it may have been a high mark for national league games—Jersey Jones recalls that more than a dozen years ago the Rangers and the Atlantic City Sea Gulls played a charity exhibition in Atlantic City with admission by donations of food and clothing—the announced figure was between 22,000 and 25,000—says Jersey, "and at least three or four thousand people got in without being counted."

Wally Butts, Georgia's round man, has received about a dozen coaching offers from other colleges since his team put on that swell show against Tulsa in the Oil Bowl. Indications that Wally will stay at Athens (with a better salary) are seen in the fact that he turned down Oklahoma's offer of double his present wages.

## KIND HEARTS AND WILLING HANDS DEPT.

The first mob is really in there slugging for Pete Montosi, former fighter and manager who lost an arm and leg in the war—When Pete makes his debut as a Danbury, Conn., promoter Friday, Len Jenkins will box; Ruby Goldstein will referee; Rocky Graziano will be a guest referee; Uam Taub, the broadcaster, will grace the affair with his presence and Pete will use a ring donated by Elke Jacobs.

## CLEANING THE CUFF

While the all-America football conference has made quite a fuss about the size of players' salaries, one man from that league claims the stories of huge bonus payments are grossly exaggerated—Lk. (J. G.) Earl Brown, football and basketball coach at the Merchant Marine academy, is due to shed his uniform in March and hopes to return to college coaching, where a head coach gets more pay than a J. G.

## Tom Hamilton To Take Over As Football Coach at Navy

ANNAPOLIS, Md., Jan. 22.—(AP)—Popular Tom Hamilton, navy football coach from 1934-36 and a star of naval academy teams 20 years ago, will coach the Midshipmen again.

Announcement that Capt. Thomas J. Hamilton would continue in the navy's graduate system coaching policy was made yesterday by Admiral Austin M. Fitch, superintendent of the academy.

"Hamilton will be assisted by a staff of professional coaches to give the graduate system continuity," Fitch said. "And it is anticipated that other graduate coaches will be ordered to round out the coaching staff."

Line Coach E. E. (Rip) Miller, who was navy head coach from 1931-32, will remain. Academy officials said that a successor to Capt. C. Owen Humphreys, director of athletics, would be announced later. Humphreys is slated to stay until June.

Hamilton is now on the Pacific coast, but will come here for spring football practice which begins March 1, Fitch said. Since Dec. 1, 1945, Hamilton has been commander of the escort carrier Savo Island, which has been ferrying troops from the Pacific to Seattle, Wash.

Hamilton, now 40, earned nine varsity letters in football, basketball and baseball. He was quarterback of the powerful 1926 navy team that came from behind at Chicago's Soldier Field in the fourth period to gain a 21-2 tie with army. It was Hamilton whose dropkick for extra point knotted the score.

His 1934 team won eight games, losing only to Pittsburgh. Navy's 3-0 victory over army was the first for the sailors over the Cadets in 13 years, and Tom Hamilton could have had the whole fleet. In 1935, navy won five and lost four, while the following year Hamilton had six victories against three defeats. Army best him in 1935, but Hamilton's 1936 team beat West Point 7-0.

## Today's Schedule Of Redeployment

(By The Associated Press)  
Nearly 8,600 American servicemen are scheduled to arrive today at two East Coast ports aboard nine transports, while at four Pacific ports more than 4,000 are due to debark from 12 vessels.

Ships and units arriving:  
At New York—Laconia Victory from Antwerp 776th field artillery battalion; 338th Harbor Craft company.

Coaldale Victory from Le Harve. First battalion, 353rd infantry regiment; 84th Quartermaster company, 84th reconnaissance troop.

Costa Rica Victory from Le Harve. Units of 334th infantry regiment; 42nd field hospital; headquarters and headquarters battery, 84th division artillery.

At San Francisco from Le Harve. 45th ordnance medium maintenance company; 3508th ordnance medium maintenance company.

John Lawson from Le Harve. 881st ordnance depot company.

Essex from Le Harve. Special units of 335th infantry regiment, 900th field artillery battalion.

Jonathan Edwards from Antwerp. 1343rd engineer combat battalion.

Richard Bassett from Naples. At New Port News—Jeremiah Black.

At Los Angeles—Cecil from Manila.

At San Diego—Destroyer Escorts Hanna, Cross, Connolly and Heyliger.

## 91 Horses Nominated For Big Steeplechase

LONDON, Jan. 22.—(AP)—Ninety-one thoroughbreds, including a large number of jumpers from France and Ireland, have been nominated for the grand national steeplechase which is being held for the first time since 1940.

**Does the Atom Bomb Explain Bible Miracles?**

According to Edwin J. Davis, world-renowned geographer, honored by leading geographical societies, the power of the atom, as disclosed in the atom bomb, is small compared with little known and unused powers of the human soul. He maintains that man, instead of being limited by an average man power mind, has within him the mind power of a thousand men or more, as well as the energy power of the universe which can be used in his daily affairs.

According to him, this sleeping giant of mind-power, when awakened, can make man capable of surprising accomplishments. It is as amazing as the atom bomb is compared with former sources of energy. Many thousands of people throughout the world have already tried his methods. Many report improvement in power of mind, achievement of brilliant business and professional success. Others report improvement in health, increased strength, courage, poise or energy, or a more magnetic personality.

**Does the Atom Bomb Explain Bible Miracles?**

He tells how he found these strange methods in far off and mysterious Tibet, often called the land of miracles by the few travelers permitted to visit it. Here, he discloses, he learned rare wisdom and long hidden practices, almost forgotten for three thousand years by the sages, which enabled many to perform amazing feats. These immense powers, he maintains, are latent in all of us, and methods for using them are now simplified so that they can be used by almost any person with ordinary intelligence.

As part of a great movement to make his methods available to more people, a 9,000-word treatise is offered absolutely free for the time being. It reveals many startling revelations. Readers of this announcement can get their free copy by sending a post card or letter to the Institute of Mentalphysics, 213 S. Hobart Blvd., Dept. W-507, Los Angeles 4, Calif. Readers are urged to write promptly, because this offer may be withdrawn at any time. (Adv.)

Erleene Matheson Weds Lubbock Man

WHITE DEER, Jan. 22 (Special)—Mrs. Bess Matheson has announced the marriage of her daughter, Erleene, to Jack Pipes, son of Mr. and Mrs. Floyd Pipes of Lubbock. The ceremony was performed in Pampa on Jan. 6, by the Reverend Fisher, pastor of the Methodist church.

The bride wore a black dress with white hat and gloves. Attending the couple were Mr. and Mrs. Marvin Milkien of White Deer. Mrs. Pipes is a 1945 graduate of White Deer high school and is now employed at Murphree's, Inc., in Pampa. Mr. Pipes was recently discharged from the navy after serving 31 months overseas. He is a graduate of Lubbock high school. Mr. and Mrs. Pipes plan to make their home in Pampa.

Valentines Used At Birthday Party

Mrs. C. W. Coffin entertained at a pretty birthday party Thursday afternoon for her daughter, Gale Sandra Ann, who was celebrating her third birthday. The decorations and the birthday cake carried out a valentine motif. Cassandra's guests were: Mickey Archer, Wayne Lee Harrison, Linda Lou Bullard, June Ann Harris, Gale Culppepper, Kathleen Wagner, Gaynelle Grundy and Dale Coffin. A gift was sent by Bobby Hays who could not be present.

Victory Club Has Supper Party Friday

A covered dish supper was enjoyed Friday evening when members of the Victory home demonstration club and their families met at the home of Mr. and Mrs. W. A. Thornton. The evening was passed playing various games. Those present were: Mr. and Mrs. Bob Page, Linda and Larry, Mr. and Mrs. W. M. Brannon, Carol and Dale, and the host and hostess, Mr. and Mrs. Thornton and Karolyn and Craig.

Mrs. Yoder Presents Recital Tonight

Mrs. H. A. Yoder presents her high school eighth grade piano pupils in recital tonight at the First Baptist church, at 7:45 o'clock. Miss Evelyn Thoma will assist with a violin solo. A varied program will be given including the music of Schubert, Mozart and Chopin, as well as the more recent works of Debussy, Billiti, Lecount and Mowrey. The public is invited. The following students will appear in the recital: John Frauff, Patricia Price, Eddie Marlowe, Dorothy Dixon, Etta Frances Haney, Mary Jo Coffman, Billie Marie Money, Betty Ruth Garrison, Joyce Harrah, Barbara Stephens, Louis Yoder, Alvena Miller, Carol Culberson, Margery Dixon, and Mickey Jeanne Casada.

Covered Dish Luncheon

A covered dish luncheon will be served at the meeting of the Central Baptist Women's Missionary Union Wednesday. The meeting is set to start at 10 o'clock. A royal service program will follow the meeting and will include the leadership of members of the Lydia circle.

Blue Ribbon 4-H Club Has 25th Meeting

Berdene Laycock, president of the Blue Ribbon 4-H club, presided over the twenty-fifth meeting of the club since January 1945. The meeting was held in the office of the home demonstration agent, Miss Millicent Schaub, Saturday morning. Roll was answered by each member with "What I Like Most in My Friends." Three recreational games, lead by Louise Whipple, recreation chairman, were "Electricity," "Tell the Truth" and "Poise." A timely topic was given by Berdene Laycock on "Friendship." Emma Mae Sing gave a demonstration on "A Good Sewing Box." Each girl made a gauge for her sewing box and constructed a pattern for her utility apron. Some of the girls cut out their aprons.

Fifth Birthday Is Occasion for Party

SHAMROCK, Jan. 22 (Special)—Mary Carver was complimented with a party given by her mother, Mrs. Vernon Carver, Saturday afternoon. The occasion was her fifth birthday, and the youthful guests arrived with gifts for the honoree. Indoor games provided entertainment and bags of candy were given as favors. At refreshment time a birthday cake, was served with ice cream. Those presents included: Peggy Mallow, Cherramy Tiedal, Jan and Patti Puckett, Glenda Jean and Louanna Beach, Charlene and Charles Lee Cadenhead, Faythe Ann Blake, Pat and Mike Montgomery of McLean, Donnie Dodgen and Sally Jim Purcell of Houston.

Pansy Bouquet

By MRS. ANNE CABOT Five-inch pansy designs are perfect for winter embroidering on pale green, pink, lavender or violet luncheon sets—on pure white or pastel guest towels. You'll find these pretty designs invaluable in making dozens of wintry wedding swags, hug-me-tight, bed tickles, gloves and socks, knit woolen bonnets—as well as embroidery, quilting and home decoration ideas. Send for your copy. Fifteen cents.

SOCIETY

University Women Observe Double Anniversary at International Dinner

"The hour is too late for America to make even one more mistake," Dr. S. H. Condon of West Texas state college told members of the American Association of University Women and their guests at their annual Founder's day banquet Monday evening. Dr. Condon emphasized that Americans must quit thinking in the terms of fifty years ago if they would meet the challenge of the atomic age successfully. The cost of a battleship which can be destroyed in a matter of minutes, might better be expended on international education to prevent the necessity for the battleship, he declared.

The dinner, served in the Palm room at the city hall, observed the anniversary of the national founding of the local chapter, both events having taken place in January. Prior to the war the founder's day banquet was an annual event. This was the first such banquet since 1942. Miss Mary Gordon, program chairman, introduced Dr. Condon. Rev. B. West gave the invocation and Dr. Loraine Bruce was master of ceremonies. A violin solo was played by Miss Evelyn Thoma with Miss Elizabeth Sewell as accompanist.

The tables were decorated with red streamers, flags and red, white and blue candles. A centerpiece of red carnations was placed on the speakers' table. Mrs. M. K. Griffith, Mrs. George Frauff and Miss Inez Club were in charge of the arrangements. The dinner was served by the Girl Scouts under the leadership of Mrs. F. A. Hukill.

Dr. Condon compared the American "right of center" attitude to the "left of center" trend in most of the recent European elections. The conservative, "state rights" attitudes of many of our leaders in this "year one of the Atomic age," can not be depended upon to solve the pressing international problems which America faces as she takes her first position in international affairs with the rest of the world looking to her for leadership. "Neutrality," the speaker continued, "must be eliminated from the American vocabulary. Our neutrality acts have brought only trouble and we have gone into both world wars to preserve our economic system primarily. Next time we'll be first to be attacked." Right now, we must make it impossible for there ever to be another war, we probably won't get a third chance," he predicted.

Rainbow Board To Be Installed Friday

Installation ceremonies will be conducted at the Friday evening meeting of the Order of Rainbow for Girls in the Masonic hall. Newly elected mother advisor, Mrs. Dave Anderson, and members of the new Rainbow board will be inducted into their duties. The new board members are: Mr. and Mrs. Tom Clasy, Mr. and Mrs. R. A. Hankhouse, Mrs. Alice Cockhill, Mrs. Ruth Yoder, Mrs. Naomi Davis, Mrs. Blanch Morrison, Mrs. Nell Rankin, Mrs. Juanita Suttle, Mrs. Rachel Jones, Mrs. Faye Alloway, Mrs. Ruth Casey, Mrs. Hattie Broome, Mrs. Katie Vincent, Mrs. Hazel Parker and Mrs. Jennie Ward. Newly elected and appointed Rainbow officers will also be installed. All Masons and Eastern Star members are invited to attend the formal service.

Marriage Boom Is Response to Return of Peace

NEW YORK—A boom in marriages was one response to the return of peace, we were told by the statisticians of the Metropolitan Life Insurance company. In the six months from June through November following V-E Day, the number of marriage licenses issued in the larger cities of the United States showed a gain of 18 per cent over the same period of 1944, in contrast to the decline of almost three per cent that had been registered in the period January through May. Marriages in 1945, the statisticians report, were well above the figure for 1940, when selective service first went into effect. At that time, following the fall of France, marriages increased in number and rose to a peak when the draft act was being discussed in congress during August 1940. This spurt was followed by a sharp recession in the months following the passage of the act. Commenting on this, the statisticians say, "In 1941, the year in which the country entered the war, the number of marriages in the large cities reached an even higher level than the year before. Aside from the usual June peak in 1941 there was an unusually high point in December, the month of Pearl Harbor. The unreasonably high points in December 1941 and January 1942 may have been induced, in part, by marriages in anticipation of the draft of men in the ages from 37 to 45."

Social Calendar

- TUESDAY
  - Eastern Star Study club meets at 7:30 o'clock with Mrs. Artie Shaw, 919 E. Franklin.
  - Business and Professional Women's club meets for social in city club room at 7:30 o'clock.

  - Psychian Sisters meet in Temple hall at 8 o'clock.
  - Esper club meets at 8 o'clock.

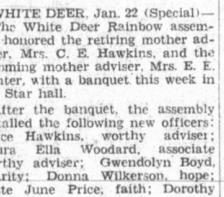

Beta Sigma Phi To Have Birthday Dinner Tuesday

Plans are being made for a Beta Sigma Phi birthday dinner when the local chapter will observe the anniversary of its founding. Arrangements were discussed at the sorority's meeting Monday evening at the home of Mrs. Cleo Whiteside. The dinner will be held in the city club room Tuesday, January 16, at 7:30 o'clock. Members who plan to bring guests have been asked to make their reservations with Mrs. Dona Pursey before Saturday. Mrs. John Plaster assisted Mrs. Whiteside as co-hostess at the meeting last night. Topic for the meeting was vocabularies. Members were asked to answer roll call with a new word they had learned recently. Miss Virginia Vaughan spoke on the subject: "How to Build a Vocabulary," and Mrs. Wiley Reynolds conducted a vocabulary quiz. The next meeting will be February 12, at the home of Mrs. Harry Caylor with Mrs. C. V. Minniear assisting. Members present were: Mrs. C. W. Henry, Mrs. W. C. Lank, Mrs. James Pool, Mrs. John Rankin, Mrs. E. O. Stroup, Mrs. Robert Carter, Mrs. O. V. Biggers, Mrs. I. R. Lister, Mrs. Reynolds, Miss Ruth Stapleton, Miss Leora Kinard, Miss Millicent Schaub, Miss LaNelle Scheibgen, Miss Vaughan, Miss Dona Pursey, Miss Evelyn Morehead, Miss Katherine Ward, Miss Lee Sullivan, Miss June Hodge, and the hostesses, Mrs. Whiteside and Mrs. Plaster.

Rainbow Advisors Honored at Dinner

WHITE DEER, Jan. 22 (Special)—The White Deer Rainbow assembly honored the retiring mother advisor, Mrs. C. E. Hawkins, and the incoming mother advisor, Mrs. E. E. Minter, with a banquet this week in the Star hall. After the banquet, the assembly installed the following new officers: Joyce Hawkins, retiring mother advisor; Laura Ella Woodard, associate worthy advisor; Gwendolyn Boyd, charity; Donna Wilkerson, hope; Bette June Price, faith; Dorothy Marie Poe, re-order; Nancy Evans, chairman; and Peggy Travis, drill leader. Installing officers were: Dorothy Marie Poe, installing officer; Erma Jean Tucker, Marshall; Nancy Cashter, chaplain; Dorothy Nell Minter, recorder; and Clara Meaker, musician.

Jackie Dunham

Dr. Jekyl and Mr. Hyde!—Well, hardly, but Pampans will find Jackie Dunham carries a solo as well as she carries a forward pass when he appears in the BGK Top o' Texas Revue, January 29th and 30th. Between playing right end on the Pampa Harvesters, acting as vice-president of the student council and keeping up in track Jackie finds time to sing—and proves it with a tricky western number in the Top o' Texas Revue, written and produced by Ken Bennett.

White Deer Club Plans Skating Rink

WHITE DEER, Jan. 22 (Special)—Mrs. Mason Shurley and Mrs. E. E. Minter were hostesses to the Venado Blanco club Thursday evening at the home of Mrs. Shurley. With Miss Marguerite Clayton, vice-president, presiding, the club discussed plans for sponsoring a skating rink for the young people of the community and Mrs. Shurley was appointed chairman of a committee to investigate the possibility of securing a tent or a building to house the rink. Mrs. B. R. Weeks, the first president of the club, who has been living in Amarillo while her husband was in the service, was welcomed back into the club. Other members present were Mrs. Walter Thompson, Mrs. J. H. Gain, Mrs. Fred Mullins, Miss Clayton, Miss Louise Williams, and Miss Claudia Evely and the hostesses.

Comedian Returns To Picture--as Movie Producer

By BOB THOMAS HOLLYWOOD, Jan. 22.—Bebe Daniels is back making comedies for Hal Roach, but under slightly different circumstances. More years ago than I cared to asked her, Bebe starred in comedies for Hal. They took a week to make. "We would all get in cars and drive to the hills or the beach," she related. "Then we would put our heads together and figure out a plot. If it rained, we would go outdoors and play cards." Bebe is again on the Roach lot and this time she is producing comedies. She told me screen comedy has changed quite a bit during her absence. "Before, the emphasis was on action," she said, "and now we have to concentrate on the story. The public demands a good story and much more subtle comedy situations."

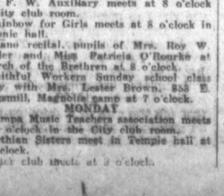

Only One Child Born In Beverly Hills

BEVERLY HILLS, Calif., Jan. 22.—Just one birth was recorded in 1945 in this city of 35,000 or so, including many movie stars. The stork overtook a hospital-bound wife, and her husband detoured to receiving hospital here. A city official explained: "It isn't that our citizens don't have children; they just have to go somewhere else to have them. We don't have hospitals in Beverly Hills."

Lumber Company Head Found Dead

GAINESVILLE, Jan. 22.—(AP)—Richard E. Woolridge, 53 president of the J. C. Woolridge Lumber company, who operated a number of lumber yards in north and west Texas, was found dead in bed here yesterday. A physician said he had been dead since Saturday. Surviving are two daughters, Margaret and Betsy of Austin; two sons, Richard and Don, both sergeants in the army; a sister, Mrs. W. J. Price, Gainesville; two brothers, Eric Bert of Claude, Texas and Preston of Amarillo.

Happy Relief When You're Sluggish Upsel

WHEN CONSTIPATION makes you feel punk as the dickens, you need a good laxative. Dr. Caldwell's Senna Laxative is the wonderful medicine contained in good old Syrup Pepsin to make it so easy to take. MANY DOCTORS use Pepsin preparations in prescriptions to make the medicine more palatable and agreeable to take. So be sure your laxative is obtained in Syrup Pepsin. INSIST ON DR. CALDWELL'S—the favorite of millions for 50 years, and feel that wholesome relief from constipation. Even sticky children love it. CAUTION: Use only as directed. DR. CALDWELL'S SENNA LAXATIVE CONTAINED IN SYRUP PEPSIN

Happy Relief When You're Sluggish Upsel

WHEN CONSTIPATION makes you feel punk as the dickens, you need a good laxative. Dr. Caldwell's Senna Laxative is the wonderful medicine contained in good old Syrup Pepsin to make it so easy to take. MANY DOCTORS use Pepsin preparations in prescriptions to make the medicine more palatable and agreeable to take. So be sure your laxative is obtained in Syrup Pepsin. INSIST ON DR. CALDWELL'S—the favorite of millions for 50 years, and feel that wholesome relief from constipation. Even sticky children love it. CAUTION: Use only as directed. DR. CALDWELL'S SENNA LAXATIVE CONTAINED IN SYRUP PEPSIN

White Deer Club Plans Skating Rink

WHITE DEER, Jan. 22 (Special)—Mrs. Mason Shurley and Mrs. E. E. Minter were hostesses to the Venado Blanco club Thursday evening at the home of Mrs. Shurley. With Miss Marguerite Clayton, vice-president, presiding, the club discussed plans for sponsoring a skating rink for the young people of the community and Mrs. Shurley was appointed chairman of a committee to investigate the possibility of securing a tent or a building to house the rink. Mrs. B. R. Weeks, the first president of the club, who has been living in Amarillo while her husband was in the service, was welcomed back into the club. Other members present were Mrs. Walter Thompson, Mrs. J. H. Gain, Mrs. Fred Mullins, Miss Clayton, Miss Louise Williams, and Miss Claudia Evely and the hostesses.

Comedian Returns To Picture--as Movie Producer

By BOB THOMAS HOLLYWOOD, Jan. 22.—Bebe Daniels is back making comedies for Hal Roach, but under slightly different circumstances. More years ago than I cared to asked her, Bebe starred in comedies for Hal. They took a week to make. "We would all get in cars and drive to the hills or the beach," she related. "Then we would put our heads together and figure out a plot. If it rained, we would go outdoors and play cards." Bebe is again on the Roach lot and this time she is producing comedies. She told me screen comedy has changed quite a bit during her absence. "Before, the emphasis was on action," she said, "and now we have to concentrate on the story. The public demands a good story and much more subtle comedy situations."

Only One Child Born In Beverly Hills

BEVERLY HILLS, Calif., Jan. 22.—Just one birth was recorded in 1945 in this city of 35,000 or so, including many movie stars. The stork overtook a hospital-bound wife, and her husband detoured to receiving hospital here. A city official explained: "It isn't that our citizens don't have children; they just have to go somewhere else to have them. We don't have hospitals in Beverly Hills."

Lumber Company Head Found Dead

GAINESVILLE, Jan. 22.—(AP)—Richard E. Woolridge, 53 president of the J. C. Woolridge Lumber company, who operated a number of lumber yards in north and west Texas, was found dead in bed here yesterday. A physician said he had been dead since Saturday. Surviving are two daughters, Margaret and Betsy of Austin; two sons, Richard and Don, both sergeants in the army; a sister, Mrs. W. J. Price, Gainesville; two brothers, Eric Bert of Claude, Texas and Preston of Amarillo.

Erleene Matheson Weds Lubbock Man

WHITE DEER, Jan. 22 (Special)—Mrs. Bess Matheson has announced the marriage of her daughter, Erleene, to Jack Pipes, son of Mr. and Mrs. Floyd Pipes of Lubbock. The ceremony was performed in Pampa on Jan. 6, by the Reverend Fisher, pastor of the Methodist church.

The bride wore a black dress with white hat and gloves. Attending the couple were Mr. and Mrs. Marvin Milkien of White Deer. Mrs. Pipes is a 1945 graduate of White Deer high school and is now employed at Murphree's, Inc., in Pampa. Mr. Pipes was recently discharged from the navy after serving 31 months overseas. He is a graduate of Lubbock high school. Mr. and Mrs. Pipes plan to make their home in Pampa.

Valentines Used At Birthday Party

Mrs. C. W. Coffin entertained at a pretty birthday party Thursday afternoon for her daughter, Gale Sandra Ann, who was celebrating her third birthday. The decorations and the birthday cake carried out a valentine motif. Cassandra's guests were: Mickey Archer, Wayne Lee Harrison, Linda Lou Bullard, June Ann Harris, Gale Culppepper, Kathleen Wagner, Gaynelle Grundy and Dale Coffin. A gift was sent by Bobby Hays who could not be present.

Victory Club Has Supper Party Friday

A covered dish supper was enjoyed Friday evening when members of the Victory home demonstration club and their families met at the home of Mr. and Mrs. W. A. Thornton. The evening was passed playing various games. Those present were: Mr. and Mrs. Bob Page, Linda and Larry, Mr. and Mrs. W. M. Brannon, Carol and Dale, and the host and hostess, Mr. and Mrs. Thornton and Karolyn and Craig.

Mrs. Yoder Presents Recital Tonight

Mrs. H. A. Yoder presents her high school eighth grade piano pupils in recital tonight at the First Baptist church, at 7:45 o'clock. Miss Evelyn Thoma will assist with a violin solo. A varied program will be given including the music of Schubert, Mozart and Chopin, as well as the more recent works of Debussy, Billiti, Lecount and Mowrey. The public is invited. The following students will appear in the recital: John Frauff, Patricia Price, Eddie Marlowe, Dorothy Dixon, Etta Frances Haney, Mary Jo Coffman, Billie Marie Money, Betty Ruth Garrison, Joyce Harrah, Barbara Stephens, Louis Yoder, Alvena Miller, Carol Culberson, Margery Dixon, and Mickey Jeanne Casada.

Covered Dish Luncheon

A covered dish luncheon will be served at the meeting of the Central Baptist Women's Missionary Union Wednesday. The meeting is set to start at 10 o'clock. A royal service program will follow the meeting and will include the leadership of members of the Lydia circle.

Blue Ribbon 4-H Club Has 25th Meeting

Berdene Laycock, president of the Blue Ribbon 4-H club, presided over the twenty-fifth meeting of the club since January 1945. The meeting was held in the office of the home demonstration agent, Miss Millicent Schaub, Saturday morning. Roll was answered by each member with "What I Like Most in My Friends." Three recreational games, lead by Louise Whipple, recreation chairman, were "Electricity," "Tell the Truth" and "Poise." A timely topic was given by Berdene Laycock on "Friendship." Emma Mae Sing gave a demonstration on "A Good Sewing Box." Each girl made a gauge for her sewing box and constructed a pattern for her utility apron. Some of the girls cut out their aprons.

Fifth Birthday Is Occasion for Party

SHAMROCK, Jan. 22 (Special)—Mary Carver was complimented with a party given by her mother, Mrs. Vernon Carver, Saturday afternoon. The occasion was her fifth birthday, and the youthful guests arrived with gifts for the honoree. Indoor games provided entertainment and bags of candy were given as favors. At refreshment time a birthday cake, was served with ice cream. Those presents included: Peggy Mallow, Cherramy Tiedal, Jan and Patti Puckett, Glenda Jean and Louanna Beach, Charlene and Charles Lee Cadenhead, Faythe Ann Blake, Pat and Mike Montgomery of McLean, Donnie Dodgen and Sally Jim Purcell of Houston.

Pansy Bouquet

By MRS. ANNE CABOT Five-inch pansy designs are perfect for winter embroidering on pale green, pink, lavender or violet luncheon sets—on pure white or pastel guest towels. You'll find these pretty designs invaluable in making dozens of wintry wedding swags, hug-me-tight, bed tickles, gloves and socks, knit woolen bonnets—as well as embroidery, quilting and home decoration ideas. Send for your copy. Fifteen cents.

**Hall & Smart Is New Firm Here**

The garage at 705 W. Foster street recently changed management, but the present partners in the business are not completely unknown to the people of Pampa.

They are John A. Hall and Hall Smart, both of whom have been residents of this city for about fifteen years.

For the past five years Mr. Smart has been operating his own garage at Corpus Christi, but recently returned to this city. Both men now make their homes here.

They are members of the Odd Fellows lodge, the Church of Christ and First Baptist church.

The new business is known as Hall and Smart Garage. It is the former Skinner's garage — which was well known. It was purchased by the present owners on November 19.

Mr. Hall and Mr. Smart stated today that they wished all the old customers of Skinner's to continue their patronage there and assured the public that they would continue to turn out high quality overhauling and repair work on automobiles.

In addition to services rendered, the firm sells motors and supplies. The telephone is 484.

**FAKE FOOD CLAIMS**  
Restaurant owners and insurance companies pay out millions of dollars every year for "injurious food" claims according to Gib Swanson, writing in Capper's Farmer. About 90 percent of these are fraudulent. In New York, Boston and other Eastern cities, gangs of crooks each day take tooth and mouth injuries from biting into thumbtacks, pebbles, wire and the like. During the summer of 1943 there was an epidemic of claims contending that portions of mice had been found in beef pies sold in chain cafeterias in New York.

Clarence Qualls Studio, in Operation Here 7 Years, Moves to New Location

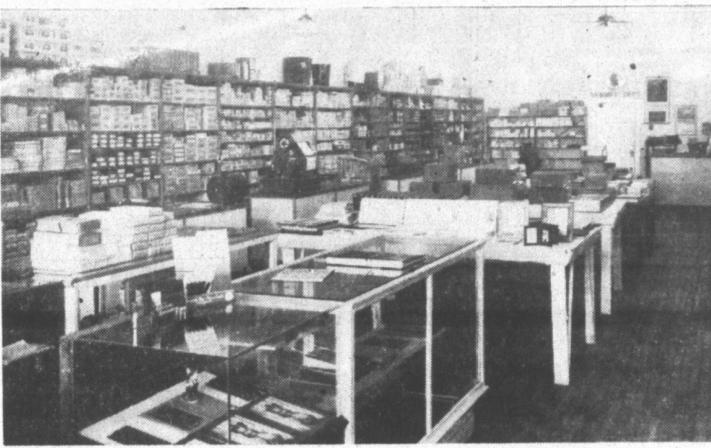

A new Kodak department has been installed, and three-day service is offered on all Kodak finishing, Mr. Qualls says.

Another advantage in patronizing the Qualls studio is that there is plenty of parking space available.

The concern, which does portrait copying, offers frames in wood, metal, leather, and plastic. It specializes in making Jumbo prints.

In short, the studio offers, as services, anything that is photographic.

**MANY SUPPLIES ARE BACK ON MARKET**

Shown above is an interior view of the Pampa Office Supply, 211 North Cuyler street. It has been in that location for four years, but has operated in Pampa for the past sixteen years. All types of office supplies are sold by the concern, which is co-owned by L. N. Atchinson and Lloyd Griffith. Office furniture, filing equipment, office machinery—calculators, typewriters, adding machines, duplicators — are offered to the public. Many of these things, off the market since the war, are beginning to re-appear on the market. Royal typewriter agency is held by Pampa Office Supply. Telephone 288.

**Radcliff Brothers Electric Company Here Has Area's Biggest Pressure Gauge Service**

The Radcliff Brothers Electric company, located at 517 South Cuyler street, has been in operation here for the past fifteen years, having begun business October 12, 1931.

It is owned and operated jointly by Fred and Glenn Radcliff, who, as the name of the firm indicates, are brothers.

### Santa Fe Asks Exception to City Ordinance

Through its division attorney, Aaron Sturgeon of Pampa, the Santa Fe railroad asked the city commission today if there might be any possible exceptions made in the plumbing ordinance adopted here recently.

Sturgeon told the commission that it was the practice of the railroad to assign its own men to do necessary plumbing work in the various towns and that most of them were not licensed plumbers.

He said the Santa Fe had not applied for plumbing permits here in the past but had assigned men to the work according to their respective abilities.

It was agreed that the question had never been brought up here in the past but Sturgeon said the railroad wanted to make sure in case of such a difficulty arose.

Under the new city ordinance, all persons who do plumbing work which involves replacement or moving of plumbing systems must be a licensed journeyman plumber. No exceptions were written into the ordinance.

Sturgeon said the railroad wanted to know if the men who did plumbing work in addition to various other types of work would have to have permits.

The commission asked Sturgeon to investigate and ascertain how this problem had been handled in other cities served by the Santa Fe and to report his findings to the commission in the near future.

### Nip Message

Continued from Page One those who remain to deliver still another blow to the American devil, and leave my bones on Saipan as a bulwark of the Pacific.

"As it says in the 'Senjūkun' (battleship), I will never suffer the disgrace of being taken alive, and I will offer up the courage of my soul and calmly rejoice in living by the eternal principle.

"Here I pray with you for the eternal life of the emperor and the welfare of the country and I advance to seek out the enemy.

"Follow me!" Then the 302nd battalion won the second of its eight battle stars. It was an amphibious pontoon battalion, whose most effective weapon in enabling allied supplies and equipment to reach the hotly contested Jap beaches was the navy pontoon, a steel box 5x57, made up into barges and strings of causeways, according to final edition of the "Can-Doings," battalion paper.

For such operations on Saipan, Tinian, Guam, Peleliu, Anguar, Leyte, Lingayen, Iwo Jima and Okinawa and the occupation of Japan, the battalion's commanding officer, Commander William B. Dallas, received the Legion of Merit medal.

Commander Dallas said, "It was through the combined untiring efforts and teamwork of all the personnel of the 302nd naval construction battalion and those of the former CB detachments 1035, 1036, 1039, 1043 and 1054 that this award was presented.

Gray is now employed as foreman of heavy equipment with the Waco Construction Co., in Pampa, having received his discharge last September after 26 months of overseas service. He entered the navy in October of '42. His wife and daughter, Joan, live at Bridgeport. Gray stays at the Hillson.

NEVER AMBER  
FORT WORTH, Jan. 22.—(AP)—The police here are testing traffic signals with only the green and red after years of amber intervals.

Traffic officers who made the test yesterday said they are convinced the interval flash was responsible for most of their troubles and now hope the department will adopt a "never amber" policy.

### Strikes

Continued from page one... this arrangement would be altered.

The meat industry, it was explained, probably would accept the new formula as the basis for granting wage demands of the striking CIO and AFL unions. The CIO is demanding a 17 1/2 cent hourly wage increase and the AFL is seeking 20 cents after withdrawing an additional offer to settle for 15 cents.

The price formula, it was understood, would include commitments by the government to buy 1,500,000,000 pounds of meat for overseas commitments, and 1,500,000,000 for army consumption.

Although the top level White House advisers kept tight-lipped silence on the government's next move, it was learned that action, when it comes, will be directed first toward restoring meat to the dinner table rather than relief of steel-hungry industry.

A series of strike strategy conferences, held yesterday between reconversion Director John Snyder, OPA Administrator Chester Bowles, Secretary of Agriculture Anderson, Stabilization Administrator John C. Collett, and others, reportedly were to continue today.

Around the labor department and the White House, the imminence of government seizure of the meat packing industry was a subject of general speculation. One influential official declared such a step unavoidable.

Key man in the meat situation is Edwin E. Witte, chairman of the federal fact-finding board which planned to open public hearings on the meat strike today in Chicago. It was understood that Witte is being given every possible chance to mediate the wage dispute.

Anderson told newsmen yesterday that the meat strike, if unchecked, could mean a revival of black markets in eggs and poultry, a "terrible wastage" of feedstuffs, and failure to meet U. S. obligations to Europe.

Meanwhile, steel production plummeted to a 53-year low as first effects of the two-day old steel strike became apparent. The iron and steel institute announced operations this week were scheduled at only 4.9 percent of capacity—the 89,700 tons to be produced representing the smallest tonnage since 1893.

### War Mothers

Continued from page 1... trusting their husbands, look with alarm at pictures of fraternization of servicemen overseas, she asked Eisenhower:

"How do you think we mothers feel? Marriage won't stand this isolation."

Eisenhower, when he got a chance to get in a few words, told the women there are about 700,000 fathers in the army and everything is being done to get them out in an orderly manner as rapidly as possible.

"If I drop them out today" regardless of their eligibility for release, he said, "there will be no army."

Eisenhower said replacements are being obtained and trained as rapidly as possible. He promised the delegation he would personally handle any formal program they submitted.

Sir Isaac Newton discovered that the color of any substance is due to the light which falls upon it.

### State Officers To Attend Annual Jaycee Banquet

Two high-ranking state junior chamber of commerce officials are expected to attend the annual Pampa Jaycee installation banquet and dance, to be held in the Palm room of the city hall tomorrow night at 8 o'clock.

Ben Ross, Wichita Falls, state president, and G. W. Woody, Lubbock, vice president, have indicated they would be in Pampa for the event if at all possible.

Joe Fischer will be installed as Pampa Jaycee president at the banquet and dance. Fischer, manager of the Hughes-Pitts agency insurance department, succeeds B. B. Altman.

Other officers to be installed are W. L. Waggoner, first vice president, Bob Morris, second vice president, and Smiley Henderson, secretary-treasurer.

Waggoner and Morris succeed Dr. N. L. Nicholl and Cleve Meharg, and Henderson succeeds Bob Grammer.

Retiring officers will serve on the board of directors, along with Joe Key and Don Eaton. Alternate directors are Dale Finson, Roy Burns, Cecil Hudson, Bob Miller and John Phelps.

### Leaves From a Correspondent's Life Notebook

By RICHARD CUSHING (Substituting for Hal Boyle)

SHANGHAI, Jan. 21.—(AP)—Lt. Gen. Albert Cody Wedemeyer is a tall, grey-haired West Pointer who was surprised when the higher-ups sent him to command the U. S.-China theater because he considered himself an authority on Germany.

Wedemeyer also is chief-of-staff to Generalissimo Chiang Kai-shek. In this latter capacity he is somewhat closer to Chiang than was his predecessor in the job-blunt, outspoken Lt. Gen. Joseph W. Stilwell.

He is more the diplomat than was "Vinegar Joe." He and Chiang had had differences but in Wedemeyer's words "we have resolved these differences in a friendly atmosphere."

He has the highest opinion of the generalissimo, whom he describes as "straightforward and cooperative."

Everybody seems to like Wedemeyer. The GI's like him because he takes them into his confidence on matters of their concern. He gets them home when their point scores justify. He likes to read their "beefs" in Stars and Stripes, and takes a genuine interest in their activities.

GI's are homesick in China, but they aren't parading or rioting. Wedemeyer at the age of 48 is the toughest theater commander in the army. He is frequently being described as "a diplomatic general—not a tank general." But he doesn't concur in one respect.

"A diplomat uses mysterious language, I don't," he says. Wedemeyer's home is in Omaha, Neb. His wife lives there but his two sons are in military training, one at West Point and one at Staunton Military academy.

If you press him he will tell you the famed plainsman and showman, Buffalo Bill Cody, was a distant relative.

Wedemeyer served for a considerable time on the U. S. army general staff. Then he participated in the Sicilian landings as a combat leader.

The shooting occurred over a situation similar to that at Leon, Jan. 2, when troops killed 30 and wounded 300 persons who protested against installation of a mayor declared elected as candidate of the official government party.

A second political demonstration against a newly installed government party mayor occurred at Ciudad Mante, 50 miles south of here but without bloodshed.

headquarters building stayed busy on the phone, being sure there would be pickets available 24 hours a day or setting details which suddenly rushed down upon them.

Big signs told the men to be sure to sign up next week for unemployment pay. They would, of course. In Pennsylvania they can get unemployment pay after five weeks of striking.

But talking to the big men and the little men in the CIO one thing seemed certain: They intended to keep on striking till they got the raise they wanted, 18 1/2 cents more an hour.

Those attending yesterday's meeting were Carruth, Smith, Joyner, W. A. Rankin, O. W. Hampton, Mel Davis, Frank Carter, Miss Millicent Schaub and Wedgworth.

Members appointed to a publicity committee were E. O. "Red" Wedgworth, J. L. Swindle, Joyner Smith, and John Michel.

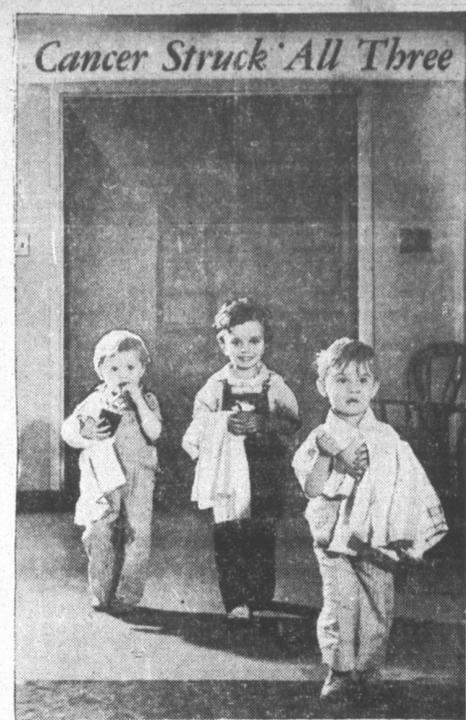

Shows such as the Top o' Texas show are exempt from OPA ceiling price regulations. It was stated by Smith at the meeting, who quoted from a letter received from the office of price administration.

Members of the agricultural committee decided after much discussion that beginning with next year's show anyone showing a grand champion would be barred from further competition.

Those attending yesterday's meeting were Carruth, Smith, Joyner, W. A. Rankin, O. W. Hampton, Mel Davis, Frank Carter, Miss Millicent Schaub and Wedgworth.

JUNCTION CITY, Kas., Jan. 22.—(AP)—L. S. Sargent was a bit tardy this season with his annual goosebone weather forecast.

Sargent, who says he learned how to make long range weather predictions from the Indians, explained he had trouble obtaining a satisfactory cross-section of goose bones from Christmas dinners.

Between the ages of 5 and 19 years, cancer kills more children than all of the following diseases combined: Scarlet Fever, Infantile Paralysis, Typhoid Fever, Meningitis, Peritonitis, Diphtheria, Dysentery, Diarrhea and Malaria. The American Cancer Society states that, contrary to common misconception, cancer is not solely a disease of middle or old age. Guard those you love from this scourge of childhood.

### Program for Top o' Texas Show And Sale, Feb. 25, 26, Completed

Plans for the Junior Livestock show to be held February 25-26 in connection with the Top o' Texas Hereford Breeders association sale and show at Recreation park were completed yesterday at a called meeting of members of the chamber of commerce agricultural committee headed by Chairman Clyde Carruth.

The two-day program for the three-fold event, including the Junior Livestock Judging contest along with the above, is scheduled as follows:

Monday, February 25  
9:00 a. m.—Judging of Junior Livestock in show pavilion. Homer Brunley of Hereford, official judge. Arthur Rankin, official clerk.

1:00 a. m.—Junior Livestock judging contest between FFA chapters of Roberts and Gray counties. Supervised by County Agent J. P. Smith.

1:30 p. m.—Judging of registered Hereford cattle.  
6:30 p. m.—Banquet honoring livestock judging teams, given by the Pampa chamber of commerce in the Palm room of City Hall.

7:30 p. m.—Chuk Wagon feed for all breeders, interested friends and associates, in the main sales pavilion.

Tuesday, February 26  
10:00 a. m.—Sale of Junior Livestock. Sold in order of their judgment.  
1:30 p. m.—Sale of registered Hereford cattle, 40 bulls, 20 females. Col. Earl Gartin, auctioneer. Bill Mitchell, clerk.

A sitting committee, members of which will inspect all livestock to be entered in the Junior Livestock show prior to the date of the show to pass on whether or not prospective show animals meet the show standards, is to be secured by Smith and Assistant County Agent Vic Joyner.

Frank Carter was appointed by the members of the agricultural committee to supervise details of water-lines and washing racks at the barns; Irvin Cole to inspect and attend to lighting arrangements in the sales ring and barns; O. W. Hampton, chairman of a committee to arrange for uniform bedding of animals and for feed to be made available at the show barns.

Carruth, superintendent of the Junior Livestock show, announced the following men in charge of the three departments in the show: Joyner, hogs and sheep; Earl Breeding, Roberts county agent, fat calves, with Smith in charge of weighing in of animals in all three groups.

A training committee was appointed to ensure transportation of animals purchased by local people to slaughter houses within Pampa. Committee members are Wayne Maddox, Frank Carter and O. W. Hampton.

Members appointed to a publicity committee were E. O. "Red" Wedgworth, J. L. Swindle, Joyner Smith, and John Michel.

Shows such as the Top o' Texas show are exempt from OPA ceiling price regulations. It was stated by Smith at the meeting, who quoted from a letter received from the office of price administration.

Members of the agricultural committee decided after much discussion that beginning with next year's show anyone showing a grand champion would be barred from further competition.

Those attending yesterday's meeting were Carruth, Smith, Joyner, W. A. Rankin, O. W. Hampton, Mel Davis, Frank Carter, Miss Millicent Schaub and Wedgworth.

JUNCTION CITY, Kas., Jan. 22.—(AP)—L. S. Sargent was a bit tardy this season with his annual goosebone weather forecast.

Sargent, who says he learned how to make long range weather predictions from the Indians, explained he had trouble obtaining a satisfactory cross-section of goose bones from Christmas dinners.

His long range goosebone prediction: A mild winter the rest of the way, to be followed by an early spring.

### UNO Assembly

Continued from page 1... led earlier charges made by Iran against Russia, had ended the 100-day period of the UNO.

American delegates were playing down talk of a crisis in the world peace agency, but it was apparent the organization was confronted with some of the toughest problems it could be asked to meet.

Some Americans said privately that the United States apparently was moving into a middle man position between Russia and Britain.

The complaints, filed with the security council late last night, accused Britain of endangering world peace and interfering with the internal affairs of Greece and Java. They came as a complete surprise to British Greek and Dutch delegates, as well as others.

This also constitutes the first instance of action by one member of the 11-nation security council against another member in weighing the moves, some officials emphasized that the new peace agency's success depended largely upon unit among the major powers.

Some United States sources said they were not alarmed by the developments, although officials had hoped to avoid major issues.

There was no immediate indication as to when the subject would be placed on the council's agenda.

### Fact-Finding

Continued from page 1... curbs must be retained to prevent runaway inflation.

Senator Ball (R-Minn.) suggested that a "sane" program be adopted under which price increases of possibly 5 per cent would be allowed to make up for some of the wage raises that have been granted.

"We'd better do that rather than sit on the lid so tight that we have a blowup," Ball asserted.

Congressional fiscal experts appeared pretty well agreed that Mr. Truman's opposition would prevent any substantial tax cuts this year.

Noting that Mr. Truman forecast a \$7,000,000,000 drop in the national debt during the next 18 months, Senator Byrd (D-Va.) announced plans to lower the legal debt ceiling from \$300,000,000,000 to \$275,000,000,000. The debt now stands at \$278,000,000,000.

Senator Taft (R-Ohio) took issue with the President's debt reduction figures, terming them "misleading."

Another republican, however, Rep. Dirksen (Illinois) termed the budget message "highly encouraging."

### Public Welfare Group Will Meet

A staff meeting of all employees of the state department of public welfare of area 31 will be held at 10 a. m. tomorrow in the county court room. It was announced this morning by John B. Hessey, area supervisor.

Purpose of the meeting will be to acquaint field workers with new policies and procedures of the state department.

### Texas Senate

Continued from page 1... every man in the two units realized the attack was doomed to heavy loss of life because they were assigned to an impossible duty; the reasons why General Clark insisted upon crossing of the river under such terrible conditions should be given full light of day and investigated in all details.

"It is a matter of record that patrols and scouts reported to their commanders, which information was available to General Clark, that the enemy was in an impregnable position, that the crossing would be foolhardy and accomplish nothing and have the tendency to harm the
