# Stern Warning Issued To Black Marketeers Of Meat

## Embargo For 'Certain Mail' Ordered By PO

WASHINGTON — (AP) — Post-offices throughout the nation were ordered Saturday to quit accepting certain classes of mail because of the railroad strike. Amid congressional demands for action to protect the defense program, Capitol Hill began to talk about anti-strike legislation. As the five-day walkout of yard workers continued to widen, the national (railway) mediation board made a second move to try to get management and railroad brotherhood officials into a meeting. An invitation was issued for a joint session with the board at 4 p. m. CST, Saturday. Union spokesmen quickly agreed to be there and carrier representatives said they would go too, but put in the proviso that they were willing to talk only about how to put into effect a memorandum of agreement which the workers had rejected after their negotiators accepted it. The management response to the mediation board bid said the board should make clear to the union representatives the stand the carriers took in a letter to the board Jan. 25. That letter said the carriers were willing to meet at any time "for the purpose of carrying out the provisions of the memorandum of agreement signed at the White House on Dec. 21, 1950." President William Green of the American Federation of Labor said the walkout is a wildcat strike (unauthorized by the union). Strikers are members of the Brotherhood of Railroad Trainmen, one of four brotherhoods whose local officials refused to accept the wage increase pattern worked out in White House negotiations. The Post Office Department embargo sweeping extended restrictions laid down two days ago by Postmaster General Donlon when the strike was getting underway. Some 100 large cities now are affected.

IT LOOKED LIKE a Niagara Falls, Jr., but actually it was a bad break in the water tower behind the fire station early Saturday afternoon. The break occurred in the riser pipe that drained the tank before pump crewmen could isolate the tower from the main line. E. S. Lowry, city water superintendent, said the break was caused by freezing weather and repairs would be made early this week. He added it would not affect the pressure in the mid-city area because virtually the same conditions existed during the time the tank was drained, while workmen repaired and caulked the tank two weeks ago. (News Photo and Engraving)

## Government Slaps Ban On Two Metals

WASHINGTON — (AP) — Price Director Michael V. DiSalle warned last night that the first meat black marketer who is caught will be made a "national example." And DiSalle's staff prepared a new and tough meat order designed to aid enforcement of ceiling prices by tight curbs on slaughterers. There were also these other developments on the home front:

1. The government banned the use of aluminum in more than 200 consumer items, effective April 1. The items range from storm windows to automobile hardware. Kitchen utensils are not affected, however.

2. DiSalle rolled back the price of steel scrap and iron scrap about 20 percent, wiping out a sharp January increase. A spokesman for the scrap industry welcomed the action and said neither buyers nor sellers wanted the January rise. Scrap is used in making steel, but no change is expected in the price of steel itself.

3. A reduction of eight percent was ordered in the amount of new rubber available for civilian production in February and March.

Penalties for violating the freeze on meat prices could range up to a maximum of a year in jail, \$10,000 fine and civil suits to recover damages. Officials of the Office of Price Stabilization (OPS) said the order curbing slaughterers probably will be issued Monday or Tuesday.

It will probably limit each of the supply of each type of animal that he had in 1950. New slaughterers thus could not legally come into existence except under a licensing system which officials said would be "tougher" than a similar system in the season of 1949.

The action is a two way deal involving the Agriculture Department and the OPS. The Agriculture Department now has the authority to prescribe quotas for slaughterers. It is expected to delegate this power to the OPS.

Byrd emphasized that it was essential to "pay as we go." But he proposed a slash of \$9,100,000 in Mr. Truman's \$71,000,000 spending proposal for the year beginning next July.

Senator Bridges (R-NH) said that before voting new taxes, Congress should see how much revenue is being lost. But Chairman Doughton (D-NC) of the House Ways and Means Committee counseled against delaying the tax bill.

Senator Bridges, top Republican of the Senate Appropriations Committee, said "Truman's request for \$10 billion, plus more billions later, is 'nothing more than government by crystal ball.'"

"How can the President ask for new taxes before he knows how much revenue we need?" Bridges asked.

U-M-S Battery for all cars; 18 month guarantee. \$12.05 each. The Auto Mart, 220 N. Sonerville.

BREEDERS' FRIEND—M. O. Callihan of Conway, shown above carrying his Regal Aster 300 in preparation for the Hereford Breeder's show and sale, Monday and Tuesday, is a true friend of the Hereford breeders. Callihan has entered a heifer in the show and the sale, the proceeds of which, when sold, are to go to the Hereford Breeder's Association's building fund to help pay for the erection of the new heated barn. Regal Aster 300, pictured above, is a half brother of the 1950 reserve champion junior bull, Regal Aster 901. (News Photo and Engraving)

# Thirty Six Judging Teams Take Part In Stock Show

Thirty-six livestock judging rock, Memphis, Petersburg, Eastell, Bovina, Plainview, Groom, Stratford, Lakeview, Hedley, And, Wellington, Amarillo, Panhandle, Clarendon, Darrington, Vega, Hereford, Wheeler, Pampa, Canadian, Lubbudde, Perryton, Samnorwood, Dimmitt, Claude, Canyon and Mobelet. First, second and third place winners will receive trophies and banners, plus several individual awards. The contest will be climaxed by a banquet to be held at 5:30 p. m., Monday, in the Palm Room of the Pampa City Hall. The main address at the banquet will be given by Jay Taylor, director of the Amarillo Livestock Auction Co. Awards will be presented by Williams, superintendent of the contest. A program of special entertainment will be presented by the Pampa High School Junior Sextet, composed of Carolyn Carver, Virginia Waller, Betty Kiff, Anna Sue Enloe, Betty Jones and Mary Eva Reed. Paul Beisenherz, Boy Scout executive, will be toastmaster with David Bean, president of the Top of Texas FFA District, presiding. T. L. Devin, vocational agriculture teacher, Canyon, will give the invocation, and Paul Payne, Pampa agriculture teacher, will introduce the guests. J. P. Smith of Pan Tech Farms, is assistant contest superintendent. Carol Wilson, chairman of the Top of Texas district of the FFA is to be present at banquet, also. At 7:30 p. m., Monday, the Hereford Breeder's will have their annual banquet in the American Legion-VFW Hall, with Cliff Vincent, president, directing the activities. Taylor will be guest speaker at this banquet, also. The dinner will be furnished through the courtesy of Frank Carter of the TOTHBA. Special entertainment will be furnished by Miss Jane Branson vocalist, accompanied by Waldon Bright. Bright will also play the dinner music on the Hammond electric organ. The invocation will be given by Glen Rose, of Goodlett. A third banquet will be held at 8:30 p. m., Monday, for the entrants in the Junior Livestock Show. The affair will be held in the basement of the First Methodist Church, through the courtesy of the Pampa Kiwanis Club and under the direction of Leslie Hart, club president.

## TOP OF TEXAS FAT STOCK SHOW

SUNDAY  
1:30 p. m.—Sifting of Junior Livestock.  
MONDAY  
9:30 a. m.—Judging of Junior Livestock.  
12 Noon—Junior Livestock Judging Contest.  
1:30 p. m.—Judging of Breeding Cattle.  
5:30 p. m.—FFA Banquet, Palm Room, City Hall.  
8:30 p. m.—4-H Club Banquet, Basement Methodist Church, Courtesy Kiwanis Club.  
TUESDAY  
9:30 a. m.—Junior Livestock Sale.  
1:30 p. m.—Breeding Cattle Sale.

# Captains Named In Boy Scouts' Drive

Ten captains for each of the teams to solicit funds for the Boy Scout Finance Campaign have been recruited by the team colonels, W. B. Weathered and Farris Oden. On Weathered's team are Bill Waters, Charles Thut, Huelyn Laycock, Ed Myatt, Ivan Nobilit, Aubrey Jones, Dr. Ed Williams, W. I. Gilbert, Charles Robinson and Robert Coffey. Oden's team includes Joe Miller, Ross Buzzard, J. C. Daniels, Dr. J. L. Chase, Dick Peppin, Frank Pata, Howard Buckingham, Joe Wells, George Newberry and A. B. Whitten. Each of these captains will recruit nine workers for the drive. The kick-off breakfast for the fund drive will be held Feb. 12. Funds received in the drive will be used for operating the budget for the Adobe Walls Council for one year. Other cities working on the drive include Canadian, Miami, Lefors, Mid-Loan, Alton, Reed, White Deer, Panhandle and Groom. Paul Beisenherz, scout executive, has stated that letters to all contributors are now being mailed and those persons who return their checks by Feb. 9 will not be contacted by a worker. "This is in an effort to conserve the time of the worker and those to be contacted," he said.

# 20-30 Tops Clubs In March Of Dimes

Pampa's newest and youngest civic club, the 20-30 Club, proved to be the best "dime gatherer" yesterday as the March of Dimes drive came to a dragging close. The civic clubs of Pampa set up clubs at various locations throughout the city and a total of \$915.27 was added to the March of Dimes total. Whether there was enough to meet the quota set was not known immediately as much money is still out and has to be turned in as soon as possible to Paul Brown, chairman of the local drive. The 20-30 Club gathered a total of \$207.61 from its members near the J. C. Penny Co. store. The Lions Club gained second place on Levine's corner with \$177.50; Rotary was third with \$158.25; the Jaycees took fourth with \$157.41; Kiwanis was fifth with \$148.45; and the Veterans of Foreign Wars was sixth with a total of \$66.50. Dr. Douglas E. Nelson, pastor of the First Presbyterian Church, was in charge of the March of Dimes parade. Boat paints, marine plywood, Bess of Howell & Co., 119 N. Ward, and Post supplies; Johnson motors, Ph. 152, etc.

# Blaze Destroys Three Rooms Of Home On E. Brunow

Fire of undetermined origin destroyed three rooms of a four-room house at 720 E. Brunow Saturday night. It was the residence of Mrs. Pearl Holtman. The fire was reported at 8:05 and as the fire department arrived the building blew in, blowing the doors and windows away. All of the furniture was destroyed in the three rooms. Members of the fire department were able to determine that the fire started in the center room, but were unable to give a reason for the blaze. No estimate of the damage was given.

# Bread Price Battle Breaks Over Area

Price war on bread broke out here and in Borger and Amarillo almost simultaneously Friday morning. While some grocers were willing to talk Saturday afternoon others were just as reluctant. Almost overnight the price of bread skidded from 26 cents a loaf to as low as 15 cents while some stores sold bread at two loaves for 15 and three others gave it away free. However, the free bread barrage ended Saturday morning and the 15 cent bread was limited mostly to brand breads in some chain stores and 20 cents on other breads. As the retail price turned downward so did the wholesale price, the latter falling three cents per loaf. One manager of a chain store said he was reaping only one penny per loaf profit on the 26 cent bread, adding he believed bread was too high at that figure for a city in the midst of the wheat belt like Pampa. One area bakery brought bread down to 19 cents a loaf while some bakeries were making a penny profit at 20 cents a loaf. Some grocers said they believed a price agreement could be reached by Monday while others refused to estimate the length of the price battle. Some customers, especially those with large families, took advantage of the struggle and bought as high as 25 loaves of bread. Others said, rather hopefully, the bread war looked as if it were being broken for future price wars on other staples and groceries such as milk, meats, canned goods, coffee and other edibles.

# Ike Brightens U. S. Attitude

WASHINGTON — (AP) — Administration officials expressed belief Saturday that General Dwight D. Eisenhower's confidence in western ability to build a "wall of security" against Soviet communism has gone far to offset what some of them call "defeatism" in this country. Authorities at the State Department and elsewhere now have hopes of stronger congressional support for sending more American troops to Eisenhower's allied European command. Other measures to strengthen the forces also are regarded as better bets for congressional approval. But there is considerable worry in some quarters, and notably at the State Department, that the government's present Korean policy is not sufficiently understood and lacks support. Public opinion checks made by officials and letters to members of Congress are said to show that many people: 1. Lack understanding of the purposes of the Korean campaign. 2. Want UN forces to withdraw. This pressure has eased off a little in recent days with evidence that the campaign was going better, but it remains a problem which the administration has not yet solved. Some officials have proposed that Mr. Truman make a public statement on why United Nations forces should stick on in Korea against the heavy odds of Chinese Communist manpower. Others have thought the statement could be made effectively by Secretary of Defense Marshall or Secretary of State Acheson.

# Government Demands For Spending Cuts

WASHINGTON — (AP) — A chorus of Republican and Democratic demands for deep slashes in non-defense spending arose in Capitol Hill Saturday as a result of President Truman's request for a "quickie" \$10,000,000,000 tax increase. Senator Byrd (D-Va.) said "we have taken off the fat" from taxpayers by two so-called quickie tax bills enacted in the past several months. "Further huge tax increases will dig deeply into the lean meat and possibly into the very bone structure of our economy unless they are eased by elimination of non-essential expenditures." Byrd emphasized that it was essential to "pay as we go." But he proposed a slash of \$9,100,000,000 in Mr. Truman's \$71,000,000,000 spending proposal for the year beginning next July. Senator Bridges (R-NH) said that before voting new taxes, Congress should see how much revenue is being lost. But Chairman Doughton (D-NC) of the House Ways and Means Committee counseled against delaying the tax bill. Senator Bridges, top Republican of the Senate Appropriations Committee, said "Truman's request for \$10 billion, plus more billions later, is 'nothing more than government by crystal ball.'"

# Allied Troops Press Advance As Red Counterattacks Rise

TOKYO — (AP) — Allied troops pressed their continuing western Korea offensive less than seven miles from Seoul Saturday against increasing numbers of Red Chinese counterattacks. Assistant Secretary of the Army Earl D. Johnson accompanied a paroled infantry column to a point seven miles south of the Red-held old capital of South Korea. The official's presence there indicated allied advance patrols were even closer to Seoul. On his return to Tokyo Saturday night Johnson told correspondents he saw "Chinese bodies all over the place." A U. S. Eighth Army communique announced the United Nations ground troops had incurred 5,790 casualties in the continuing advance northward. This brought to nearly 15,000 the number of Chinese and North Korean Reds killed, wounded or captured since Lt. Gen. Matthew B. Ridgway launched his Eighth Army on its limited objective drive toward Seoul Jan. 25. Uncounted in the total was an unknown number of Red casualties inflicted Saturday in a saturation raid by a large flight of B-26 medium bombers on an enemy troop and supply concentration about three miles square on the outskirts of Seoul. As soon as the smoke and dust from the 500-pound demolition bombs cleared, 24 F-51 Mustangs assaulted the same area with five bombs, rockets and machine guns. Chinese Reds counterattacked at three places Saturday north and northwest of Suwon. That airbase city 17 miles south of Seoul was captured early in the allied drive. Two Red counterattacks were thrown back, one by a Turkish unit and the other by an American force. Outcome of a third counterattack that struck a South Korean force north of Suwon before the Republican troops could dig in was still in doubt. Fighting there raged Saturday night. On the left end of the western front, an allied armored column driving toward Inchon, port for Seoul, came under stiff day-long Red counterattack a mile and one-half south of Anyang. The column held its ground, about 18 miles southeast of Inchon, against an enemy that was "giving us the works," as one American officer expressed it. From the central front, Associated Press Correspondent William J. Waugh reported a buildup of about 1,500 Reds three miles north of Hoengsong and a roadblock by two platoons of Reds northeast of Wonju. Hoengsong is 85 miles east of Seoul and ten miles north of Wonju. It is 33 miles south of the 38th Parallel, once the arbitrary boundary of Red North and Republican South Korea. U. S. patrols have entered Hoengsong several times but allies have not yet occupied the town.

# Texas Offer Plan To Finance State Without New Taxes

AUSTIN — (AP) — Three representatives offered Saturday what they believe is a way to run the state for the next two years without levying new taxes. Their bill would take surplus highway funds, amounting to about \$16,000,000 annually, and set them aside for building farm to market roads. They believe that if this bill passes, we won't have to levy any new taxes this season," said Rep. Callan Graham of Junction. Reps. Graham, Dolph Briscoe of Uvalde and Clyde Whiteside of Seymour worked the bill out. At the present time, \$15,000,000 is taken out of the state fund every year for farm to market roads. Briscoe backed the measure when it passed in the last session of the legislature in 1949.

# Homer Kees Rites Monday

Funeral rites will be held at 2 p. m. Monday for Homer Kees, 71, at the First Christian Church with the Rev. H. H. Tyler, pastor, officiating. Burial will be in Fairview Cemetery. Mr. Kees died Friday night at his home, 401 N. Crest, following an illness of several months. He is survived by his wife, Mrs. Mattie Kees; two daughters, Mrs. J. B. McCombs, Borger and Miss Oma Kees, Pampa; one grandson, James Robert McCombs, Borger; two sisters, Mrs. Nettie Barbee, Medford, Ore., and Mrs. Mary Lewis, Wichita, Kans.; one brother, Joe Kees, Garden City, Kans. Born Feb. 19, 1880 at Andrews, Mo., Mr. Kees moved to Pampa in May, 1906 from Alva, Okla., becoming manager of the Panhandle Lumber Co. until 1920. In that year he went into partnership in the Kees and Thomas men's clothing store, until 1936 when he sold out. In 1942, he started working in Murfrees, Inc., staying there until his health failed last year. He was a member of the Modern Woodmen of America and the First Christian Church. Pallbearers will be J. E. Murfee, Bryant Caraway, W. G. Kinser, C. H. Mundy, Vernon Langley, DeLoa Vicars. Funeral arrangements are under the direction of Duenkel & Carmichael Funeral Home.

# Pipeline Explodes In Central Texas

WACO — (AP) — A 14-inch pipeline serving 18 towns in Central Texas blew out with a roar Saturday, leaving some users in four towns without gas in 17-degree weather. Service was restored about noon — some five hours after the break. Pressure was low in the other towns and cities and for a time they, too, were threatened with loss of their vital fuel-supply. If it comes from a hardware store get it at Lewis Bidw.

# UN Ponders Ways To Meet Red China

LAKE SUCCESS, N. Y. — The United Nations pondered ways Saturday of reaching a peaceful settlement with Communist China, pushing into the background the idea of sanctions. Despite Peiping's flat statement that it will have nothing to do with a new "Good Offices" committee, Chairman Navrolihan Entezam of Iran went ahead trying to find a basis for negotiations. "We should not give up hope," he said.

**WARNING**

(Continued from Page 1)  
 dows, residential roofing, household laundry equipment, ladders and automobile hardware and many other articles.  
 The scrap price cut effective next Wednesday, wiped out a sudden price increase which took place during January.  
 The action was not expected to affect steel prices, but would make it easier to prevent increases. Scrap constitutes about half the weight of materials used in making steel.  
 The scrap price order was estimated by the Office of Price Stabilization to push the quotation back \$10 a gross ton on standard grades of scrap with rollbacks up to \$60 on special grades.

**Higgins Polls 'Dry' In Beer Election; Tavern Said Coming**

CANADIAN — (Special) — The "dry" won the special beer election in Higgins Saturday by a narrow margin of 27 votes. The final unofficial tally showed 205 votes against the sale of beer and 178 for the sale.  
 The result of the election does not mean, however, that Lipscomb County will be completely dry, as Precinct Three, which included Follet, still has beer.  
 Higgins residents may be able to obtain beer soon, though, a reliable source in Higgins stated after the election that a substantial citizen of Higgins has the necessary land available and everything ready to erect a tavern immediately at the Texas-Oklahoma state line on Highway 60, one mile east of Higgins. The source said that the tavern would be under construction within thirty days.

**C-C Banquet Feles Teams**

Howard Buckingham, manager of the Buckingham Tigers of the Greater Pampa League, was presented with an aluminum loving cup about four feet tall, by the Pampa Chamber of Commerce, Friday night, for leading his team to victory in the recent chamber membership drive. Buckingham also received a suit — of red underwear — from Ivan Noblitt, whose team, the Noblitt Indians, came out in third place.  
 Special entertainment at the league banquet, held in the banquet hall of the Country Club, was furnished by Pete Welborn local entertainer.  
 Guests included L. A. Chapman, manager of the chamber of commerce of Colorado City and A. C. Bishop, manager of the Board of City Development of Sweetwater.  
 G. S. Vineyard, whose team placed last, was presented a miniature replica of Buckingham's cup. Ed Myatt, captain of the second place winner, the Carmichael Yankees, was presented with statuettes of two baseball players and an umpire. Umpires Iris Ragdale and Dorothy Nelson, were each presented with a table cigarette lighter, as was each member of the winning team.  
 Other team captains received a miniature baseball bat each and a red cap. They were Floyd Imel, Imel Browns, seventh; Kirk Duncan, Duncan Athletics, sixth; Clinton Evans, Evans Red Sox, fifth; O. E. McDowell, McDowell Senators, fourth, and Noblitt, third.

**Truman Says WW III Is Not Inevitable**

PHILADELPHIA — (AP) — President Truman an dedicating the Chapel of Four Chaplains, Saturday declared Americans must unite in sacrifice — as the heroic chaplains he honored — in order to "stand up against Communist aggression" and avert World War III.  
 Mr. Truman said "there is good reason to hope for success" in avoiding another world conflict "if we can't get over the present crisis successfully."  
 The chief executive, in a 1,500-word dedication address at the inter-faith memorial to the heroism of the four Army chaplains who died in the sinking of the troopship Dorchester off Greenland exactly eight years ago, likened the sacrifice to the four clergymen — a Jew, a Roman Catholic, and two Protestants — to that of our men in Korea today.

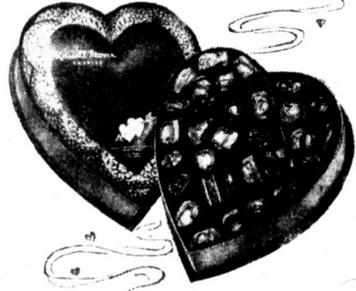

**Citrus Toxins Being Studied**

BERKELEY — (AP) — Chemists at the University of California report the theory that an organic toxic material in soils cropped to citrus plants may have a detrimental effect on citrus seedlings.  
 The study has been prompted by the results of tests with soil fumigation against fungi known to be associated with decaying citrus feeder roots. The treatment increased the growth of citrus seedlings 25 to 100 percent.  
 for state colleges and universities.

**March Of Dimes At Miami Is Extended**

MIAMI — The local March of Dimes campaign has been extended for another two weeks according to Frank B. Potter, Jr., county campaign director, in an effort to try and attain the goal of \$760 set for Roberts County. At the end of the scheduled drive period only half of this goal had been reached.  
 Last year the drive topped more than \$900 in the regulation period.

**Senator Kelly Says Funds 'Irregular'**

AUSTIN — (AP) — Senator Keith Kelly of Fort Worth Saturday said records reveal "seeming irregularities" in college spending of local and state funds. Close control of their expenditures may well be justified, he added.  
 Kelly is a member of the six-man senate finance subcommittee now holding public hearings on recommended appropriations  
**Free Book on Arthritis and Rheumatism**  
 Excelsior Springs, Mo., Feb. 4 — So successful has a specialized system proven for treating rheumatism and arthritis that an amazing new book will be sent free to any reader of this paper who will write for it.  
 The book entitled, "Rheumatism," fully explains why drugs and medicines give only temporary relief and fail to remove the causes of the trouble; explains how for over 31 years The Ball Clinic has helped thousands of rheumatic sufferers.  
 You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. Address your letter to The Ball Clinic, Dept. 2348, Excelsior Springs, Missouri; but be sure to write today. —adv.

# GIRL SCOUT NOTES

## ANNOUNCEMENT

Those planning to go to Amarillo to the Outdoor and Camp-craft training program are to meet at 8 a.m. Wednesday before the trip to make final plans, according to Mrs. H. F. McDonald, Jr., executive. Catherine T. Hammett will be in charge of the meeting in Amarillo.

Leaders planning to go are instructed to take with them a nose-bag lunch, a four-foot rope, two sticks, a foot-long, and of thumb-thickness, a jack-knife, whet-stone, a compass if possible and a Girl Scout Handbook.

Troop 9  
At two recent meetings, the troop painted dog plaques for their fathers and large cocker dogs for the mothers. At another meeting, a visit to the radio station, KPND was made where Uncle Coy allowed the girls to help him read the funny papers and tell the Brownie Story.

At a later meeting, the troop held a birthday party for the girls whose birthdays fall in December and January. They were Beverly Burns, Sandra French, Barbara Joan Spinks and Maxine Slater. Mrs. Slater, Mrs. Massey and Mrs. Patter served birthday refreshments.

Officers for the next six weeks were elected. They were Darlene Riley, president; Veena Bradford, secretary; Jan Angley, Latrice Braxson, Milady Hunter, Donna Forsha, Sandra French, treasurer; Dorothy Walker, song leader; Suzahn Massey, reporter.

Hostesses were Maxine Slater, Annie Patter, Marilyn Compton; housekeepers are LaNora Abbott, Beverly Burns, Joann Campbell, Barbara Spinks, LuEllen Spain, Bessie Qualls and Geraldine Marlor were reported ill.

Others present were Mascots Shirley Sargent, Jeanie Abbott, Glen Abbott. Leaders: Mmes. Spinks, Abbot and Sargent.

The Syringa is the state flower of Idaho.

## Frances Denney

can solve your most vexing BEAUTY PROBLEM

### Lipstick Trouble?

This new "stay on" formula contains lipids to help bring smoother, line-free, softer beauty to the lips. Six thrilling colors that stay on, in a new creamy texture that does not smear, run or cake. Truly a beauty treatment to give you luscious lips.

### Clogged Pores?

Sensational DEEP DOWN CLEANSING CREAM foams away every trace of make-up in one clean sweep. No tiny particles left to clog the pores. No more half cleansing. You "wash" this new cream onto the skin with water - its deep down foaming action leaves the skin cleaner, softer... clearer than ever before.

### Poor Coloring?

TEXTURE TINT, half texture lotion, hal foundation. Stays on all day without touch-ups. Not necessary to use face powder. Smooths tiny lines instead of merely covering them. Five magnificent breath-taking shades.

### Skin Blemishes?

RESTRUCTURING LOTION, the newest discovery in cosmetics, really works wonders to beautify the skin that "breaks out." Helps bring a look of firmness to the face and neck that have poor texture or roughness. For all types of skin - dry, oily, even sensitive.

## Chenoweth Is Speaker For Republicans

Rep. J. Edgar Chenoweth (R-Colo.) will be the principal Lincoln Day Dinner speaker at 7:30 p. m. Saturday, Feb. 10, at the Herring Hotel, Amarillo. The Colorado solon will be introduced by Ben Guill, former Republican congressman from this district, who will also serve as master of ceremonies at the dinner-meeting.

Rep. Chenoweth, Trinidad, Colo., represents the 5th Congressional District of Colorado, and is a member of the House Interstate and Foreign Commerce Committee and was a former member of the House Rules Committee.

An attorney by profession, Rep. Chenoweth is now serving his fifth consecutive term on Capitol Hill. He is also a member of the board of trustees of Colorado's Women's College; a past member of the board of governors of Colo. Bar Association; former chairman of the Colo. Republican State Central Committee and former secretary of the Republican Congressional Committee.

The father of five children, he is a Mason, an Eagle and a member of the Baptist Church. He was described by Republican can leaders as a firm believer of free enterprise and a strong critic of the present administration's foreign policy.

The dinner is being sponsored jointly by the Panhandle Women's Republican Club and the Young Republican Club of Amarillo. There was no information available as to what Rep. Chenoweth would use as his subject or what he would speak about.

Postcards have already been mailed to Panhandle Republicans advising them to make their reservations early by phone or letter in care of Lincoln Day Dinner Committee, P. O. Box 6, Amarillo.

## Named Boys Ranch Roundup Club Head

How would you like to be a full-time wrangler in the Pampa Boys Ranch Roundup Club?

Mrs. H. H. Heiskell, 725 E. Kingsmill, can make you one. She has been placed in charge of the Pampa Boys Ranch Roundup Club by Cal Farley, president and founder of Boys Ranch, 40 miles northwest of Amarillo.

Mrs. Heiskell said Saturday that all that is necessary to become a full-time wrangler is to pledge any amount, either monthly or yearly, to Boys Ranch. The purpose of the pledge being that it gives the directors of Boys Ranch a definite basis upon which to plan expansions and other programs for the year.

The entire Pampa Rotary Club, all 100 percent of the membership, is enlisted and sworn in as full-time wranglers.

Several boys from Pampa are currently living and growing up at Boys Ranch.

## Clifton Williams Passes CPA Exam

SHAMROCK — Clifton Williams, son of Mr. and Mrs. E. A. Williams of Shamrock, was notified last week that he has passed his examination and qualified as a certified public accountant.

He is the second Shamrock boy to qualify as a CPA. The other is G. B. Greenfield, son of Mrs. J. M. Greenfield.

Williams has opened accounting offices in Borger.

## Shamrock IS Teacher Host

SHAMROCK — (Special) — Wheeler County schoolmasters were treated to a dinner prepared by the Irish high school Home Economics department here Wednesday night. Shamrock was host to the group.

Jess J. Dyer, county superintendent, Wheeler, discussed transportation legislation pending in the legislature, and other aspects of the current educational situation.

Supt. Elmer J. Moore and Supt. W. O. Carrick, Wheeler, reported on the administrators meeting at the Texas Education agency in Austin recently.

Arthur Wells, Shamrock junior high principal, discussed the meeting of school administrators at Dumas recently. He was joined by Supt. Harved Barnett, Briscoe.

Other educational matters were discussed, preceding a social hour. Plans were laid for the annual trustee-teacher meeting at Shamrock February 26, when teachers entertain members of their school boards.

Further plans were laid for a fishing-camping trip to be held

## Stars and Stripes

(Readers are invited to mail or telephone news of men in the Armed Forces. Write or Call Stars and Stripes Editor, Pampa News.)

Capt. James D. Turner, son of Mr. and Mrs. P. G. Turner, 624 N. Sumner, is currently assigned with the Surgeon's Section, Air Division, at a 5th Air Force Base in Japan.

Capt. Turner is a graduate of OCS, and attended a medical reserve training corps at Camp Barkley, Tex., and was commissioned Feb. 10, 1948. He served in the ETO with the 9th AF from July 1944 until November 1945. He has been awarded three battle awards and the European and Japanese occupation ribbons.

Frank Crowell, grandson of Mrs. Artie Reber, 217 N. Gillespie, is currently confined to a hospital in Japan with frostbite suffered in the battle for Wozu. His feet were frozen while fighting from a foxhole filled with snow in 27 below weather. He is the son of Mr. and Mrs. David Crowell of Abilene, former Pampans. He attended grade school in Pampa.

Dee R. Bessley, radarman, first class, USN, of Shamrock is serving aboard the destroyer USS McKean in the Far East. The McKean participated with carriers in the air strikes from the Yellow Sea, cleared mined areas and took part in the invasion of Inchon. Her main duties with Task Force 77 are screening and plane guarding.

Charles R. Taylor, machinist's mate, first class, USN, husband of Mrs. Charles Taylor of 109 S. Drake, Perryton, is also serving aboard the USS McKean.

Pvt. John C. Moorehead, Route 2, White Deer, has received his first United States Air Force assignment with the 2592nd Air Force Reserve Training Center, Tinker Field, Okla. He is working as an aircraft and engine maintenance helper.

Pvt. Moorehead, the son of Mrs. Phoebe Moorehead, 509 Faulkner, reported to Tinker Field after completing basic at Lackland AFB. He is a 1941 graduate of Pampa.

## Guard Formed At Shamrock

SHAMROCK — The long-talked-of National Guard unit in Shamrock is now a reality. Officers of Battery C, 474 Field Artillery Battalion received their appointments in the Texas National Guard this past week from Gov. Shivers.

The commanding officer of the unit, Baxter Purcell, received a commission as captain; D. B. Franks was commissioned first lieutenant; and Charley Bruce and Guy Hardin were commissioned second lieutenants. The four men will go to Amarillo Feb. 13 to appear before the Federal Examining Board.

The armory will be constructed in the new American Legion Home in the near future. Bids, submitted by three local contractors, are being studied by the State Armory Board.

assigned to Co. B, 224th Infantry Regiment.

Pvt. Clyde W. Boyd, son of Mrs. Alta Boyd, Box 212, White Deer, is presently stationed at Fort Lewis, Wash., with Company B, 5th Engineer Combat Battalion.

Pvt. Boyd entered the service in Sept. 1950 and was sent to Fort Lewis, for his basic training. Prior to entry into the service Boyd attended White Deer High School. He was active in baseball and basketball.

### Hobart Fatheree Animal Husbandry Major At College

COLLEGE STATION — (Special) — Hobart Fatheree, son of Mr. and Mrs. Clyde Fatheree of Pampa, is an animal husbandry major at Texas A&M.

student, is presently serving as 1st sergeant of "C" Battery Field Artillery. Highlights of Fatheree's past activities at A & M include secretary of the class of '52 his freshman year and intramural manager in 1949-50. He is a member of the Panhandle A&M Club and Saddle and Siroloin Club. He expects to be graduated with a B. S. degree in the spring semester of 1952.

### SPEAKING OF Furniture

By DON FOSTER

#### REFLECTED GLORY

The greatest single factor in the evolution of modern decorating is the universal use of mirrors. They are no longer used merely as hallway accouterments for quick, last-minute appearance surveys or over-the-mantle musts depending on lavish frames for ornamental value. Today mirrors are used in large and small homes for structural and decorative effects which are unattainable with any other media.

length, depth and beauty to a narrow dining room. Mirror in soft peach tint reflects candlelight and brings up warm, subtle glow of bleached mahogany table and credenza. Chairs upholstered in oyster-white burlap match walls, contrast effectively with deep blue, pebble-weave broadloom rug. Ninnon panels at windows, which have been dyed the exact color of the rug, give room an air of sophistication and intimacy; close off unsightly view.

Mirrors are great space modifiers and light distributors. Wisely placed they can double the apparent size of a small room by pushing back confining walls. Dark corners may be brightened by mirrors; drab rooms, made sparkling and bright. A mirrored ceiling will add a daring, dramatic touch and at the same time double the height of a room.

Come in, let us tell you about more ideas for the unusual and distinctive use of mirrors in your home.

### Keep Your Eye On KPND

By PHIL SOLBERG

Howdy everybody: I sure hope that you have survived the cold spell that came down on us, and have stuck near your radio. Lots of good warm entertainment has been coming your way this last week. And a new feature that's still a youngster on KPND is THE BROADHURST RADIO SKATING PARTY. Here is how it goes — I take the tape recorder over to the rink on Thursday nights and record a 15-minute portion of the skating fun that's going on. I brought Kay Fancher with me last Thursday and during the course of the broadcast I offered a young lady a free ticket to Broadhurst's if she could guess Kay's age. She skated a few feet back and sized him up and then blurted out "fifty." I gave her the ticket. We replay that little siege the following night at 7:15 and every Friday night over KPND.

"1340 on your dial" Well, the March of Dimes campaign is over and KPND wound it up in fine style with a climactic "ride in a wheelbarrow" down Cuyler Street. It all started when Rudy Marti, a late evening disc jockey, and Bert Conway, the early morning record player, got together to outdo each other on the "March of Dimes." Each was to plug for the campaign and the one ending up with the most money would get the free ride down Cuyler with the other supplying the power. As it ended up Bert Conway got the ride and Rudy the sore back. Congratulations to these two fellows! They did a swell job and the real winners were those polio kids.

"1340 on your dial" Today, as we do every week, we acquaint you with somebody on our staff. And this time it's Gordon Anderson (Gordy Gleans for DeLuxe, program 8:55 a. m. daily). Gordy comes to us from the American Institute of the Air in Minneapolis, Minn. A native of St. Paul, Gordy was born Aug. 3, 1927. Let's see now, that makes him 23 years old. He is a full-blooded Swede with a Navy service record of just about four years. He was a radioman there too. Gordy has two brothers and one sister, so the Anderson family is well represented in Minnesota. Gordy is not married and still looks like pretty good bachelor material. I asked Gordy what his hobby was and he got

that smile on his face that could mean a lot of things, then he said, "I like to read novels," and that's true, because in his off times you can be sure that he will have his nose in the latest novel to be had, or a book of some kind. But he really doesn't strike me as the intellectual type.

Gordy is being heard more and more on KPND. In fact, right now he handles the 3 to 5 segment on the control board daily. He likes mail (and who doesn't?) so you might drop him a card to help pattern his record show.

Probably isn't too good an idea to blow your own horn but I have started something on Saturday afternoons, 4 o'clock to be exact, that I think would appeal to your youngster. It's called "Platter Party." It starts off at 4 with a little news broadcast, then switches to a few favorite records that mom and dad might like. The balance of the program is dedicated to the kids. I started off a few Saturdays ago and played the story of "Flick, the Little Fire Engine," music, sound effects, funny noises all included and very nicely produced on an RCA record. Last week Shirley Temple was my guest and she told the story of "DUMBO," the little elephant, and yesterday I spun the story of the "LITTLE ENGINE THAT COULDN'T," another Little Nipper series on RCA records. I know from experience that about that time of day, if you can get the kiddies out from under foot, it's a relief and so that's the idea behind it all. It's good clean entertainment and I sure enjoy doing it. In fact, my kids tell me I am sooooo good. Both Terry and Wendy get a pillow and lie under our set at home and Mother says that's the last she hears from them until after the program. Terry is five years old and wants to be on the program, and seeing that he is my agent, I think I will have him on in the future and see what happens. Maybe I have started something. They tell me that there is a newspaper shortage, but you couldn't tell by the way I had better quit for today and again offer you TOPS IN LISTENING IN THE TOP O' TEXAS OVER KPND, now entering our 18th year of service here in Pampa and bringing you the World's Largest Network, the

ending Jan. 28 were up about 27 percent over the similar 1949 week. Houston sales were up the most for the week, by 32 percent over 1949. Dallas sales rose 28 percent, Fort Worth 22 and San Antonio 17.

### Texas Store Sales Maintain High Pace

DALLAS — (AP) — Department store sales in Texas — in the week just before the big storm hit — continued at an unusually high level. The Federal Reserve Bank of Dallas said sales in the state's four largest cities for the week Mutual Broadcasting System. Bye for now. Keep Smiling.

## Thrilling Bouts Wind Up Lefors Boxing Tournament

### SPECK SPECULATES

By SPECK REYNOLDS

The Pampa Harvesters are going to have a crack team this year. Weather hasn't permitted the Harvesters to work outside, but a team will be selected despite the sub-zero temperatures.

Harold Ratliff, a thousands words, told Pampa what he thought about it dropping track last year.

"Myself, I'm for the Harvesters holding a track team. I love to see the lads curl the under state, soar through the air in the broadjump, and see how high they can go up with the use of the cane pole. Track is a great sport. But there is one thing that's worrying me, when can a team work outside in weather like this. A trackster has to be in top physical condition to compete. Pampa doesn't have an inside track to drill on and I'm not too sure they have a outside track.

With weather such as this, why don't we hold winter games here. Ski jumps could be installed. The frozen ponds around here offer ideal sites for figure skating, ice hockey, and dashes.

I don't know whether Ratliff has ever been on the other side of a Fort Worth, but he should come up here to the Top of Texas and freeze for himself. I'm told that it'll warm up around here before April, so I have hopes of Coach Tom Topp's bunch getting in four or five days of outside practice.

**LEFORS — (Special) —** Wellington's boxing team captured the Lefors Boxing Tournament trophy here Saturday night, piling up 49 points. Lefors finished second with 38, Shamrock third with 37, and Panhandle fourth with 26 points. D. D. Homan of Panhandle won the sportsmanship trophy.

The big surprise Friday night was the Bill Pavlovsky-Durwood Lynch bout. Pavlovsky of Shamrock sent the Panhandle champion to the showers in the first round. Pavlovsky, who went to the finals at Amarillo in the 165-pound class, TKO'd Lynch in the first round. Lynch won the 155-pound championship at the Amarillo Golden Gloves tournament.

Wellington held on to a three-point lead in the battle for the team trophy. The Wellington mitt team took five bouts Friday to pile up a 21-point total. Shamrock was in second place with 18, Lefors third with 11, and Panhandle fourth with six points.

Winners of the first night were given one point, second night three points, and Saturday night winners receive five points.

**Results Friday**

70 pounds — Glenn Axe (P), dec. Joe Jerrigan (S), Smoky Savage (W), dec. Bobby Trimble (S).

80 pounds — J. D. Redus (L), dec. Johnny Keys (S), Don Hood (W), dec. Gary Haron (S).

**Exhibition — Cecil Sanders (L), dec. Bill Nipper (W), 80-pound bout.**

## Bucks Bounce Past Groom Cagers, 38-35

**WHITE DEER — (Special) —** The White Deer Bucks squeaked past Groom here Friday night, 38-35, in a North Half District 3-B Conference game before 400 cage fans. It is the Bucks' fourth loop win and they are tied with Claude for first place, each with a 4-1 record.

Coach Kenneth Gibson's quintet used a zone defense to check the high scoring Kenneth Anglin. The big Groom center looped in 17 points for high honors.

The game was tied eight times and the lead changed hands 13 times in the closely fought tilt. Groom moved out in front the first quarter, 7-4, but Charles Meadows took command in the second period and the Bucks bounced into a 21-14 lead at the half. Meadows was high point man for the Bucks with 12.

Co-Captain Floyd Travis missed the game because of the flu, and Jackie Freeman filled in for Travis. Freeman garnered six points with two free shots and two field goals.

## Great Circle Wins Santa Anita Race

**ARCADIA, Calif. — (P) —** Great Circle, at 9-1 won the \$205,700 Santa Anita Maturity Saturday before a crowd of 52,500.

The time was 2:00 2/5 for the mile and one quarter.

Will Shoemaker brought the Yolo Stable outsider home in the face of a stretch challenge from Lotwhite and Bed O'Roses, the latter a Vanderbilt entry with Next Move. The entry was favored at 4-5 but Next Move faded after leading much of the way.

## Committee Named

**NEW YORK — (P) —** The committee named to "screen" candidates for the job of commissioner of baseball will meet today to "sit" the list of names on file. Lou Perini, President of the Boston Braves announced Saturday night.

Coach T. J. Watt will take his Pampa Boys Club, Inc., boxing team to Shamrock Wednesday night to meet the Irish clouters in the American Legion Auditorium.

The Shamrock boxing team edged the Pampa District glovers, 22-21, for the Amarillo Regional Golden Gloves team trophy. The Irish also captured the Shamrock glove tournament trophy and this is the first meeting of the two teams.

Pampa will have two Regional Golden Gloves champions in its corner, Bobby Wilhelm and Dick Murray. Wilhelm annexed the 125-pound class title at Amarillo, and Murray took the 175-pound championship. Wilhelm decision-ed Billy Helms of Shamrock in the 155-pound class final at Amarillo. Helms broke his hand in that bout and Wilhelm will probably meet Billy Campbell Wednesday night.

Shamrock's Kenneth Woods won the 105-pound class championship at Amarillo, and Claude Porterfield of Pampa will match gloves with the champion Wednesday.

The Boys Club has chartered a bus for the Shamrock trip. Boxers will meet in front of Jack Vaughan's Service Station on South Cuyler at 4 o'clock Wednesday afternoon and will leave at 4:30. Fans who wish to make the trip, can purchase bus tickets at Vaughan's station.

Boys going to Shamrock are: Dickie James, Carson Watt, Gary Watt, Gary Wilhelm, James Weathered, Frank Smith, Ronnie James, Bobby Hudson, Len Stud-

## Claunch Cracks Collarbone; Hollis Cagers Here Tuesday

Pampa's fighting Harvesters blasted the Golden Sandstorm quintet out of the District 1-AA basketball picture in the Amarillo Armory Friday night, 52-43. The loss eliminated Coach T. G. Hull's hoopsters as Berger annexed the title with its win over Plainview, 59-32.

The victory was a costly one for the McNeelymen. Senior Guard James Claunch received a cracked collarbone and is out for the remainder of the season. Claunch was fouled while driving in for a setup shot in the fourth period. The Pampa sentinel bounced off the brick wall, which is two feet from the out-of-bound line, and was groggy for several minutes. However, the blond-haired cager finished the game.

Claunch finished his high school cage career in a blaze of glory. In the second quarter, he notched 14 points when he ripped the nets for seven out of seven field goal tries.

The game was knotted seven times in the first period, 2-2, 3-3, 5-5, 7-7, 9-9, and 13-13. It was Pampa's 20th victory of the season against five losses.

The two teams supplied the cage fans with a thrilling scoring duel in the first two periods, but Pampa slowed the game down in the final two quarters. Coach McNeely's Green and Gold cagers started freezing the ball at the start of the third period.

Pampa started the last period with a 44-38 lead. Guano Tommy Smith meshed two straight free shots to make it 46-38. Pampa, when Claunch caused the damage six minutes left. Then a Claunch received his injury, and he missed both free throw tries. Buzz Tarpley was open under a 21-13 lead. Bond looped in a

## Mangrum Takes Lead At Tucson

**TUCSON — (P) —** Lloyd Mangrum of Chicago birdied the 18th hole Saturday to take a one-stroke lead at the end of the third round of the \$10,000 Tucson Open Golf Tournament. He had a 84-hole score of 200, ten under par.

Bob Watson of White Plains, N.Y., and Max Evans of Detroit, Mich., two newcomers, were one stroke behind with totals of 201.

Jim Turnesa, Briar Cliff, N.Y., who had led the first round and was in a first place tie starting out, and Ted Kroll, New Hartford, N.Y., ran into trouble but salvaged par 70 scores for totals of 202.

Within easy striking distance of the leaders were Skees Ritgel of Tulsa, John Bulla, Verona, Pa., and Ed Furgol, Royal Oak, Mich., with totals of 203.

**LONG TIME BETWEEN WINS**

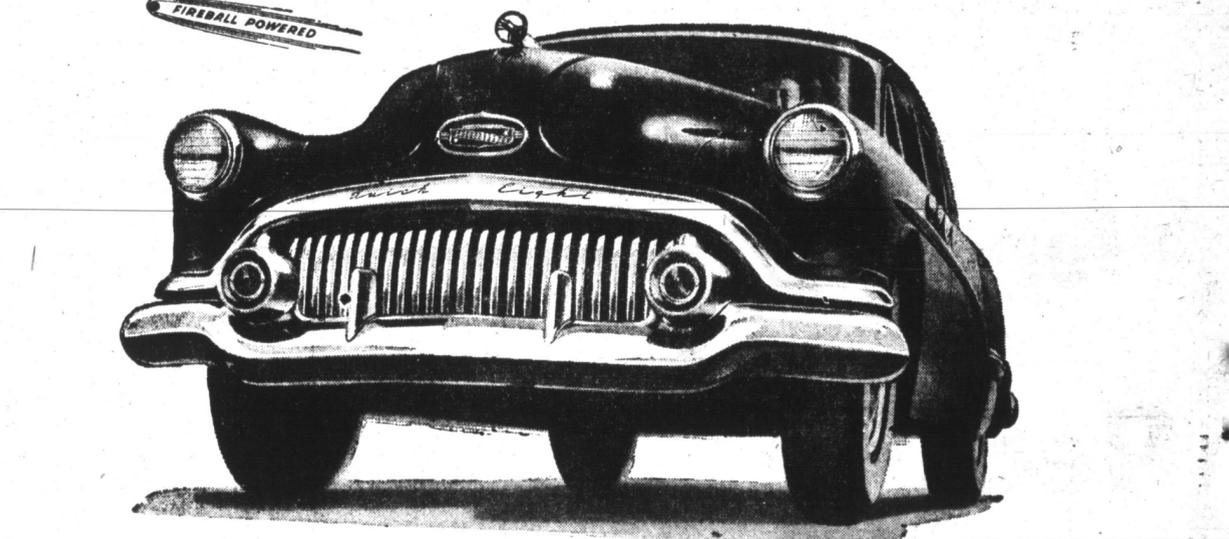

**EAST LANSING, Mich. — (P) —** Michigan State's first win in Western Conference basketball competition, a 47-42 victory over Northwestern, was the first time in a nine game series dating back to 1916 that the Spartans defeated the Wildcats.

Duane Jeter did a good job on the boards Friday night, gathering in more than his share of the rebounds. Tarpley and Bond both hit when it counted, each scoring 11 points. Tommy Smith took few shots from the field, but he handled the ball well when Pampa went into the freeze.

**Carver, Plainview Split Cage Games**

Carver High School roundballers and Plainview split a cage bill in the junior high gym Friday night. Carver's girls measured Plainview, 30-24. Plainview's boys clipped Carver, 39-36. It was Carver's third setback this year.

Both the Hudson and Conceded river valleys are principal migration routes for birds, according to the Encyclopedia Britannica.

## Long-term Investment that pays daily dividends

THESE are days when thoughtful people turn their minds to the durability of things they purchase—and that makes good sense at any time.

But you may have noticed that it's a rare occasion when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—your pride in its power and pace—or its generous comfort and room—you couldn't make a better choice.

But make note of this:

*That gleaming new push-bar forefront*, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

*The springs of stout spiraled steel* on all four wheels let your wheels dip and curtsy over uneven highways, while you ride level as a lance. But these springs also need no servicing, and breakage is virtually unknown.

*Buick's great-powered engine* is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection that comes only from years of experience with this basic design.

*Dynaflow Drive* gives every mile you drive effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, puts less strain on the whole driving mechanism, from engine to differential.

*The road-steady gait* of a Buick gives you a sense of relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you.

However you check it, you'll discover this: *The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.*

Better make it a point to see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to change without notice.

**No other car provides all this:**

- DYNAFLOW DRIVE**—saves strain on driver and car
- FIREBALL POWER**—high-compression, valve-in-head engine gets more good from every drop of fuel
- PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS**—greater clarity at night
- TORQUE-TUBE DRIVE**—steadies ride, improves driving control
- DUAL VENTILATION**—outside air fed separately to right or left of front compartment
- 4-WHEEL COIL SPRINGING**—cushions ride, saves servicing costs
- SELF-ENERGIZING BRAKES**—hydraulic-multiply pedal-pressure five times at brake drum
- STREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepers on most models
- Plus:** Self-locking luggage lid, Six-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Pointed engine mounting, Body by Fisher

\*Standard on ROADMASTER, optional on other Buick models. WHEN BETTER-AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

# Shamrock Cagers Will Defend District 2-A Crown At McLean Feb. 15 - 16 - 17

SHAMROCK — (Special) — Shamrock's Fighting Irish basketball team will defend the District 2-A crown at the conference play at McLean, Feb. 15, 16 and 17.

The six district teams will meet to determine the 1951 champion, and all games of the present season will be disregarded. Whoever wins the double elimination tournament will be the new champ.

Shamrock will play a double elimination. If defeated once, they will drop into a lower bracket. If defeated twice, they are eliminated.

The district will play a round robin, teams meeting all other conference teams. The best percentage will win.

Shamrock, Clarendon and Memphis are the three rated teams likely to cop the boys' crown. The Irish won the 1950 title, but will face tough opposition from each of these giants.

Shamrock has met Clarendon at McLean, Feb. 15, 16 and 17. Clarendon, 42-32, Clarendon has Wilson Lane, forward who racked up 24 points in second victory over the

Shamrock lost to McLean, 50-24, and 47-21, in two December engagements, but threw a big scare into the Tigerettes here two weeks ago when they lost to McLean, 31-25, although the count was repeatedly knotted during the last half. Shamrock came within an ace of winning, but faded in the final two minutes, after the count was 25-24.

McLean has Dorothy Gudel, and when the Irish held her to 17 points, about 60 percent of her usual scoring, they almost raked up the Tigerettes.

Shamrock sports wins over Wellington, 34-32, over Clarendon girls twice, 29-17 and 29-19, and three whopping victories over Lefors, 44-35, 46-11, and 65-10.

Shamrock is the only entrant with both boys and girls rated among the top three.

Memphis girls are in their first season of basketball. They had no team last year.

During the past 10 football seasons only one college has scored more football victories than the University of Texas. Georgia leads with 80, followed by Texas and Notre Dame, each with 79.

# Pirates Schedule 10 Grid Opponents For 1951 Season

LEFORS — (Special) — Coach Mac Winter has announced the completion of the 1951-1952 Lefors Pirates football schedule. A full schedule of 10 games is on the list — five home games and five games played away from home.

Under the new interscholastic League ruling, Lefors is in District 1A. There are now six other teams in this district since Clarendon has dropped from AA and Canadian has been voted in the conference. The newly made District 1A is composed of the following teams: Lefors, Wheeler, Panhandle, Clarendon, White Deer, Canadian, and McLean.

The Pirates have a good chance to cop District this year with nine returning regulars and a whole host of letterman. Off the line the Pirates lose two valuable men, Don Stokes and Jene Jennings. Out of the backfield they lose Ray Timmons, alternate wingback, but McIntire, the other alternate will be back.

Returning regulars in the backfield are: Ray Dickerson, Bill Watson, Joe Martin, and James Deer, Canadian, and McLean. McIntire. Returning regulars on

the line are: Jimmy Doom, Bob Clemmons, Ed Wiggins, Gordon Rutledge, and Melvin Bigham. Besides all these, fourteen lettermen are returning.

Schedule:  
Sept. 14, Shamrock (here);  
Sept. 20, Pampa Guerrillas (there);  
Sept. 28, Perryton (here);

# Irish B Cagers Batting .400

SHAMROCK — (Special) — Coach Calence Morris' B basketball squad has won two of five combats and has shown strong improvement.

The Irish whipped McLean B 18-16, and then walloped the McLeantes 41-14 in the return engagement.

They dropped a game to Childress B, 32-29, and Lefors whopped the Irish twice, 43-28, and then 35-30.

Shamrock would have cleaned up the Lefors crew both times, but for the ferocious scoring of the wily Pirate, Jimmy Doom, who racked up 16 points the first time and 15 the second.

B squad Irishmen are: Clarence Jones, Clyde Troxell, Norrell Perkins, Bennie Parks, Charles Francis, Eugene Collinsworth.

Morris hopes to put even more fire in them, to build for the 1952 A team, when Head Basketball Coach Scott McCall loses Vaughan Terry and Vernon Tabet, his only regulars this season with any extensive past experience. He will need someone to replace these two, both having scored over 200 points each this season so far.

# Beasore Sparks Panther Quintet

PANHANDLE — (Special) — Panhandle's Beasore is leading point maker for the Panther cagers so far this season. The co-captain has arched in 224 points for a 16 per game scoring average.

Jimmy Naylor is next in the scoring column with 88 points. He has a per game scoring average of 7.4. Bruce Johnson has pushed in 42 markers, Kern Granstaff, 40, Melvin Williams 33, and Allen Kirk has hit 22 points.

The Panthers have played 14 games, five of which were conference tilts. Panhandle has lost all five conference starts. Claude stopped Panhandle twice, Groom twice, and White Deer once.

Panhandle's girl cagers have won two out of five conference tilts. One of these was from White Deer last Friday at Panhandle 22-18.

Delores Rohan, sophomore, has ripped the cords for 90 points. Betty Bednorz has hit 75, Allene Stovall 66, Virginia Naylor 66, and Ruth Lynch has sacked 20 points.

# Russ Replaces Harris

PLAINVIEW — (AP) — Robert P. Russ, former Coleman High School football coach, has been named coach and athletic director of Plainview High School. He succeeds W. C. O. Harris, whose contract was not renewed.

### Double-Ring Wedding Ceremony Unites Miss Virginia Kelley, Charles Tubb

A wedding ceremony read at 3 p.m. Saturday, Jan. 27, in the home of Mrs. J. H. Kelley, 1602 Christine, united in marriage Mrs. Kelley's granddaughter, Miss Virginia Kelley, and Charles Dorsey Tubb. The bride is the daughter of Mr. and Mrs. Harry Kelley, 708 N. Dwight, and the bridegroom is the son of Mr. and Mrs. Charles Tubb of Canadian. Dr. Orion Carter, pastor of the First Methodist Church, performed the double-ring ceremony.

Attending the bride as matron of honor was her sister, Mrs. Boyd Williams, who wore a tulle two-piece dress and a corsage of Talianum roses. Boyd Williams of Panhandle, brother-in-law of the bride, served as best man.

Baskets of orange-red gladioli and candelabra holding white tapers were placed before the mantel and the buffet held an arrangement of orange-red and white gladioli.

Given in marriage by her father, the bride wore a two-piece dress of beige imported linen with black velvet trim, navy accessories, and navy hat. She wore something new, something borrowed, something old and something blue and carried a white Bible topped with a white orchid.

Miss Lynn Robinson of Happy college roommate of the bride, played Lohengrin's Wedding March, and Miss Verda Ruth Elkins, cousin of the bride, sang "I Love You Truly" and "Because," accompanied at the piano by Miss Robinson. Miss Robinson wore hunter green satin with a corsage of yellow roses and Miss Elkins wore a dress of champagne satin with a pink rose corsage.

The bride's mother wore a brown tulle suit and a double gardenia corsage and Mrs. Tubb, mother of the bridegroom, wore a tan gabardine dress. Her corsage was also of double gardenias. Mrs. J. H. Kelley wore a deep red crepe dress and a double gardenia corsage.

Wedding guests were Mr. and Mrs. Charles Tubb of Canadian, Mrs. Grace Barber of Streeter, Miss Lynn Robinson of Happy and Miss Joanna Gower of Amarillo.

Guests from Pampa were Mr. and Mrs. Robert H. Elkins, Mr. and Mrs. Robert K. Elkins, Mr. and Mrs. Joe Wilkinson, Dr. Frank W. Kelley and daughters, Frank Ann and Martha Lou, Mr. and Mrs. Clarence Qualls, Mrs. J. H. Kelley, Mr. and Mrs. Boyd Williams, Jeanne Ann and Beth and Miss Verda Elkins.

The bride is a Pampa High School graduate and attended West Texas State College where she was a sociology major and a member of Gamma Phi Sorority. At the time of her marriage she was employed at Harold Wright Insurance Agency as a secretary.

Mr. Tubb was graduated from the Canadian High School and attended WTSC and Texas A&M College. He is a veteran of the U. S. Air Force in World War II, and is now engaged in cattle ranching at Canadian.

At the reception following the ceremony, which was also given in the bride's grandmother's home, Mrs. Frank W. Kelley, laded punch and Mrs. V. F. Francis served the wedding cake. Mrs. Kelley was in black tulle with a white carnation corsage and Mrs. Francis wore a pink wool jersey dress with gold accessories and a corsage of blue iris.

Mr. and Mrs. Tubb left immediately for their home on the Tubb Ranch 17 miles north of Canadian.

### 'How To Select China For Your Table' Is Told By Mrs. Nash At HD Meeting

Members of the Merten Home Demonstration Club planned a Valentine party at a meeting held Thursday in the home of Mrs. V. Smith on the Merten Humble Lease. The party will be in the home of Mrs. John Brandon on Feb. 9.

Roll call was answered with "something I did to improve my bedroom."

Mrs. C. J. Casselman gave a 10 minute demonstration on "Something New for Breakfast." Mrs. Casselman said "We should eat a good breakfast every morning; nutrition experts say a good breakfast is necessary to keep us going during the day. Without breakfast it is hard for our other two meals to give us enough nutrition to keep us through the day."

She said that a good breakfast consists of eggs, bacon, bread and jelly, or pancakes or waffles, syrup and butter, coffee, tea or milk.

Speaking on the topic "How to Select and Buy China," Mrs. A. M. Nash said "The first thing to look for in buying china dinnerware is the fine translucency that means superb quality. There is a simple method of distinguishing the ware that is properly called china. Hold a cup up to the light, and put a small object directly behind it. If you can see the outline of the object when it is held between the light and the cup, you know it is china.

"You should know your manufacturer. Select a company that is reliable. A famous name stamped on the back of china is a guarantee of quality, distinction and lasting beauty! Be sure

### Junior Art And Civic Club Holds Meeting

LEFORS (Special)—A meeting of the Lefors Junior Art and Civic Club was held in the home of Betty Seal.

Roll call was answered by a favorite song. Leader was Lena Cain and the quotation was "Music is the sole art that is a calm agitation of the soul and is the most magnificent."

March 22 has been set for the date on which the amateur talent show will be held in the Lefors High School Auditorium.

Refreshments were served to Lena Cain, Retha Jordan, Jeanne Sims, Carolyn Hughes, Vera McDonald, Colleen Dunn, La Vaughn Fillman, Leta Turner, Gloria Casey, Peggy Johnson, Barbara Ross, Betty Seale and the hostess.

The next meeting will be held in the home of Leta Turner, Feb. 6. Members on the program will be Jeanne Sims, Retha Jordan and Peggy Johnson.

### Pampa Women Are Urged To Support Economy Group

Pampa club women were urged to support the state instigated Economy Commission in a talk made by Roy Bourland before the Council of Clubs.

Local women would work with the Gray County organization, headed by Gene Green, Mr. Bourland and Ivy Duncan.

The speaker said the commission is for the purpose of investigating state expenditures with the hope of lessening overlapping expenses. He said it is not to police state offices, but is for the purpose of assisting. The commission is set up by the state and heads are appointed by the Governor.

Mr. Bourland explained that the commission is financed solely by membership fees, and that each member decides what his fee shall be. He explained, also, that a large membership at a small membership fee each, is preferable to fewer members at large fees, since the former method is more democratic.

Members of the Council were asked to take the matter to their own clubs for discussion. The Council will then have a called meeting on Feb. 15 for a decision.

### Lefors Civic, Art Elects, Plans Spring Activities

LEFORS — At a meeting of the Lefors Art and Civic Club, held in the home of Mrs. Mac Winters, officers for the coming year were elected. Women elected were Mrs. Eldon Carter, president; Mrs. L. R. Spence, first vice president; Mrs. Howard Archer, second vice president; Mrs. Harold Tumbo, third vice president; Mrs. Dick Bull, secretary; Mrs. Raymond Jordan, treasurer; Mrs. Bill Watson, parliamentarian; Mrs. Robert Callan, reporter; Mrs. Bud Cumberledge, educational chairman, and Mrs. Ray Boyd, yearbook chairman.

The group planned a Valentine party for Feb. 9, and discussed the annual formal banquet, which will be sometime in the spring. The members voted to donate to the polo fund.

"Spain" was the topic of study for the evening with Mrs. Bill Smith as leader. Mrs. Earl Atkinson talked on "The History of Spain" and Mrs. Raymond Jordan discussed "Music and Costume."

Those present were Mrs. M. E. H. Barron, Earl Atkinson, Jack Nichols, Bob Brown, Ray Boyd, Marian Brown, Dick Bull, Eldon Carter, Bud Cumberledge, Raymond Jordan, Wayne Koschek, Bill Smith, L. R. Spence, Maurice Uphaus, Bill Watson, Harold Tumbo, Robert Callan and the hostess.

### Roxie Henshaw and Euel B. Davis Marry In Double-Ring Church Rites

In the First Baptist Church at Skellytown, at 7 p. m. Friday, Jan. 26, Mrs. Roxie Henshaw of Pampa became the bride of Euel B. Davis, also of Pampa.

The Rev. M. O. Evans of Skellytown, a close friend of both the bride and bridegroom, read the double-ring ceremony before the altar which was decorated with white gladioli and orchid chrysanthemums.

Before the ceremony, Miss Freda Worley played "Till the End of Time" (Kay), "Always" (Berlin), and "Because" (D'Hardelo). Miss Worley was dressed in a wine gabardine suit and wore a corsage of green split carnations.

Mrs. R. E. Bradford of Skellytown was matron of honor. She wore a gray wool sharkskin suit, black and white accessories and a white carnation corsage.

For her wedding Mrs. Henshaw chose an Alice blue wool gabardine suit with pink and brown accessories. She wore the traditional something borrowed and something blue, and for luck she wore an English shawl in her shoe. On a white Bible she carried the bridal bouquet of pink carnations with white satin streamers and baby breath caught in love knots.

The bride's mother, Mrs. N. O. Padgett of Durant, Okla., wore a black moire dress with black accessories and a white carnation corsage.

Albert Taylor of Pampa served as best man.

There were about 30 relatives and close friends present for the ceremony.

After the wedding Mrs. R. E. Bradford and Mrs. M. O. Evans were hostesses at a reception in the church parlor. The table was laid with a lace cloth and centered by the wedding cake, which was topped by a miniature bride and bridegroom. Cake and coffee were served.

Mr. and Mrs. Davis left for a short wedding trip and are now temporarily at home at 423 N. Carr.

Mrs. Davis will continue with her work in the office of the Texas Gas and Power, where she has been employed several years. Mr. Davis has been with the Gulf Oil Company about 17 years.

### What's Cookin' In Gray County HD Club Work

FOOD SALE  
Monday and Tuesday will be big days for Gray County Home Demonstration Club women. They will serve plate lunches, not home made pies, sandwiches and hamburgers at the Hereford Breeders Fat Stock Show and Sale. Committee members report that everything is all set and ready to go.

WHEAT DO YOU OWN?  
With so many fires reported over the state, it reminds us that in case of such an emergency, many people find themselves not knowing what to claim as a loss when the insurance adjuster calls. It may not be a bad idea for each family to keep an inventory of all durable goods. An itemized list of goods the family owns provides specific information regarding the loss if the family carried insurance and has occasion to collect on the policy.

A loose-leaf notebook or a card file would be good for this use as additions could be made and the notation of items no longer needed could be pulled out.

One such list should be kept at home. The other could be kept in a safety deposit box in the bank. Similar records should be kept of long-time financial commitments, life insurance policies, deeds or other papers that are of value to the family. It may pay you to know what you own.

CARE OF SHRUBS AND TREES  
Right now is the height of the season for pruning, watering and fertilizing shade trees and some shrubs. Shrubs that bloom in late summer such as crape myrtle, vitex, flowering willow, salt cedar, oleander, althea, and eleagnus should be pruned now.

Right now is not a good time to prune plants that will bloom in early spring because there is the danger of cutting the flower buds. Bridal wreaths, flowering peach, japonica or flowering quince, primrose jasmine, redbud and wisteria should not be pruned now.

Red cedar, arbutus and large growing junipers are difficult to prune at any time. For this reason these plants should be planted only where large growth is needed.

Of course there are cases where pruning should be done regardless of the time of year. Dead or badly diseased limbs should be cut off and burned as soon as they are discovered. To promote well-shaped growth, injured branches should be cut off. Limbs that chafe or rub across each other should be removed, as well as those which tend to sprout out awkwardly regardless of the season. The Florida jessamine, abelia and similar plants can be made to grow compactly if the tender tips of the limbs are pinched out now and then.

The bridegroom is a graduate of Texas Technological College in Lubbock, where he was a member of Tau Beta Pi, national honorary engineering fraternity. He also received additional engineering training in Schenectady, N. Y. and New Britain, Conn.

The bride is an honor graduate of the University of Texas, where she was a member of Omicron Nu, national honorary home economics fraternity, and Sidney Lanier, honorary literary society. Her sorority was Zeta Tau Alpha.

Best man will be E. H. McElroy, Jr., of Waco. Roy Cox of Temple, John Cox of Temple, Jim Gregory of Dallas and Carl Tillstrom of Old Ocean will be groomsmen.

### Charlotte Anne Cromwell's Engagement To Walter James Wanner Is Announced

The engagement of Miss Charlotte Anne Cromwell to Walter James Wanner was announced at a coffee given Saturday morning by Miss Cromwell's mother, Mrs. Roy N. Cromwell, at the Cromwell home, Cleburne Road, Hillsboro. Mr. Wanner is the son of Mr. and Mrs. Walter R. Wanner of Pampa.

Mrs. Frank A. Nelson poured. The wedding date March 3, was revealed by miniature brides which were presented by Miss Susanne Nelson to guests as they arrived. The ceremony will be read by the Rev. J. W. Bruner, Jr., in the First Baptist Church of Hillsboro.

Attending Miss Cromwell as matron of honor will be Mrs. L. J. Moyers of Knoxville, Tenn., and bridesmaids will be Miss Joyce Wanner of Pampa and Miss Mrs. Bill McDonald and Miss Frances Harper of Hillsboro. Junior bridesmaids will be Miss Glenda Kay Cromwell of Houston and Miss Susanne Nelson of Hillsboro.

The bridegroom is a graduate of Texas Technological College in Lubbock, where he was a member of Tau Beta Pi, national honorary engineering fraternity. He also received additional engineering training in Schenectady, N. Y. and New Britain, Conn.

The bride is an honor graduate of the University of Texas, where she was a member of Omicron Nu, national honorary home economics fraternity, and Sidney Lanier, honorary literary society. Her sorority was Zeta Tau Alpha.

Palaver de Pampa

MY! THIS IS A time when you are out of luck if you don't enjoy being alone with yourself! We have stayed pretty close to our fire-side this week ... it's just been too cold to be sociable. But there were evenings last week we just had to venture out. And, if for no other reason, it was worth the effort because we could see the snow. At night there was just a sheen to all things ... the snow glistened like it had been spattered with so many sparkling gems ... and the brilliance hurt our eyes. Truly a winter wonderland, where common, unimpressive things like garbage barrels and naked trees were iced and then covered with a new swirl and peaks of snow in motions so swift, so deft, that no earthly hand could hope to match.

OF COURSE, one of the absolute musts on our calendar was the Mothers' March Tuesday evening. Some of the streets may have been a disappointment, but our route was well-lighted. Some of the many folks lending a hand were the W. J. Smiths, Greeley Warners, Ray McLaughlin (adore her hairstyle) C. E. Wards, H. H. Hahns, W. D. Prides, and R. G. Hughes (their son was visiting between terms at O U). And there were so many more. Even if it didn't add up in dimes and dollars to expectations, the effort certainly wasn't wasted. Just tell one or two Pampa clubwomen there's a job to be done and it's like sounding a call for "meas" in an Army camp. The women get on the phone and radio and before long those one or two are 300 strong. That's my gender, friend, and they've proved again and again that you can count on them in a pinch!

BUT THIS GIVING is a controversial subject. (See February Companion.) To quote: "Our very generosity is beginning to hurt us." In essence, our community projects are falling short of goals because of the many national drives. Certainly this does not mean that the pleas for heart, polio, cancer and tuberculosis funds are unworthy ... it's just that individually the campaigns are not succeeding. Some cities are trying the effects of unified drives ... all charities into one big campaign. May not work for us, but some way must be devised whereby we can keep people giving, and get people to give who aren't contributing now. The Red Cross and American Heart appeals begin soon, and there's among our greater causes, and there are so many other voluntary organizations and services depending entirely on our generosity. Is there any way we can better our giving so that it will do the most good?

THE BEST MUSIC I heard all week was the laughter peeling out of the Knits and Pops gathering Monday night. It's a pity we can't spend more time laughing together. I didn't think that Les Hart was going to make it home he was laughing so hard.

PANORAMICALLY: All the talk is of the new '51 automobiles ... everyone's wondering whether these will be the last for awhile ... See the W. M. Lanes have a beautiful new Packard ... and the young Dick Mason have an Oldsmobile, I hear ... Here's two addresses you must look up ... one's a new house at 1615 Williston, very appealing, and the other is on Doucette, the first house on the right going north ... there's the loveliest picture window in the kitchen ... draped in yellow curtains ... it reminds me so much of the window arrangement at the M. V. Ward home ... speaking of pictures, I want to see the one Wade Duncan has of the Harvesters in the 20's ... Don't know who has the best window garden ... Mrs. C. W. Lawrence, Mrs. W. S. Dixon or Mrs. W. M. Castleberry ... three-way tie ... Admire the J. B. Edwards family ... they're a close-knit group and are well-liked at the Central Baptist where they really help in youth activities ... Saw Mrs. Dave Finkelstein (Betty) dashing up to the post office like mad ... don't know how many degrees below it was on that day, but she looked pretty and warm in her black coat ... Saw the Jimmy Manatic pretty daughter home from NMU, where she's a Pi Phi and very enthusiastic about college life in general ... Talked to Lenora McMurry the other day ... her health has kept her out of the limelight lately ... and there are many who miss her dancing school ... speaking of dancing, the Peg Whittles' two little girls have been taking dancing for several years ... cute pair ... Incidentally, there's talk of a new dance school due to open in the fall ... Evelyn Clayton has an impressive voice ... she's a Woodrow Wilson music teacher ... Guess next to being a flower girl at a wedding last summer, the Chester Thompsons' little girl's biggest thrill was getting a real play-instrument in just about "so-high" and is her organ ... The Rev. H. H. Tyler and family have started moving into their new red brick, I hear ... and I'm also told they're Harbour-Longmire enthusiasts ... The white picket fence at the A. D. Silveys set off their house ... didn't hear of any Pampans braving the storm to make Tex Benek's one-night stand in Amarillo at the Jaycees charity ball ...

SEEMS LIKE MANY organizations are starting new club years and that means new leaders. Been keeping my eyes and ears open for any elections and here's who's new in the presidential chairs: Mrs. Charles Hickman, Jr. for Twentieth Century Allegro (got the right Hickman this time, didn't I?) Mrs. George Cres, Jr. for Beta Gamma Kappa; Mrs. Frank Kelley for Twentieth Century Forum; Mrs. Faye Kirkham, Noble Grand for the Rebekah Lodge; and Mrs. Gene Patterson for the Parent Education Club.

IF YOU'RE NOT listening to Staff Breakfast over KPDM you're missing an informative program and an opportunity to meet a lot of good Pampans. Lately we've heard Smiley Henderson, Mrs. J. M. Turner, Chet Lander and Paul Brown. Most interesting thing I learned this past week was that the pennies from gum ball machines go to

### Mary Lou Gantz And Donald Moen Engagement Told At Morning Fete

The engagement and approaching marriage of Miss Mary Lou Gantz to Donald Moen was announced Sunday morning, Jan. 28, at a coffee in the home of Mrs. Paul Crouch, 1700 Charles. Mrs. Herman Gantz, mother of the honoree, was hostess.

The chosen colors of navy blue and white were carried out in decorations. A blue sailor with a duffle bag conveyed the news to the guests.

The table was laid in white linen and centered with an arrangement of white carnations and stock in a crystal bowl. Miss Barbara Crouch poured coffee from a silver service and Miss Helen Blocker presided at the register.

The mantel was decorated with a blue sailor and a girl in a pink suit walking through a golden wedding band, with the inscription "Don't to Mary."

Approximately 80 guests called during the morning. Assisting the hostesses were Misses S. S. Gantz, J. F. Garrett, C. D. Herring,

### Frank Quattrinis, Newlyweds, Are Honored On Return From Honeymoon

Mr. and Mrs. Frank Quattrini, who recently returned from a honeymoon in Old Mexico, were honored with open house in the home of Mr. and Mrs. Herman Hanks of Sundown, parents of the bride.

A lighting effect was given with white tapers across double windows, arranged with lace fern and pale yellow carnations, and a pale gray silk linen cloth covered the table.

Three yellow candles on the table shed light on a large bowl of white satin from which extended lace fern and yellow carnations. Crystal and silver appointments were used.

Mrs. Harold Henley of Brownfield and Mrs. Ben Boyd of Lubbock served the cake and Mrs. M. Tankersley of Levelland and Miss Catherine Farmer, also of Levelland, presided at the coffee service. Mrs. Hugh Elledge of Sundown was assistant hostess. Movies were made during the evening by Mr. Elledge.

Miss Sandra K. Read of Lubbock assisted Mrs. Harold Clingan, Jr., of Levelland in registering more than 100 guests, who attended from Brownfield, Lubbock, Midland, Odessa, Levelland and Sundown.

### Calvary Baptist Young People Elect

Officers were elected at a recent meeting of the Young People's Fellowship of the Calvary Baptist Church as follows: Buddy Epperson, president; Marie Baker, vice president; Jerry Slaten, program chairman; Joan Robertson, membership chairman; Don Spencer, social chairman; James Lumsford, reporter; Jacquelin Robertson, pianist; Wes Langham and Melba Langham, sponsors.

The Fellowship meets every Sunday evening after the evening service in the church basement, and all young people have been invited to attend.

Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty. —II Corinthians

There's nothing like **NYLON TRICOT** for wear... for fit... for washability

\$4.95

It's the slip for summer... for dancing, playing, working, traveling. Nylon Tricot takes to side like a duck to water... dries DRY in minutes and never, never touches the ironing board. Glutex put extra emphasis on fine styling and careful detailing... adding extra fashion with sheer nylon embroidery. In Snow-drift white. Sizes: Small, Medium and Large.

**Gilbert's**

**SHE HUFFED AND PUFFED**—Celebrating her third birthday with a party in the home of her grandmother, Mrs. A. N. Rogers, Wednesday evening, Jan. 31, Trina Frost tried hard to blow out all of the candles with one puff. Trina's small friends ate ice cream and merry-go-round cake and donned their party hats. Children present were Roger Scott, Carolyn Ford, Jerry Ford, Judy Ormson, Kerry Ormson, Vicki Autry and Marie Engle. Trina's mother, Mrs. Benny Ormson, was co-hostess.

**PEG O' PAMPA**

(Continued from Page 11)  
Pampa's underprivileged children, courtesy of the Kiwanis Club. And that's a lot of pennies at the end of the year.

I DON'T KNOW what folks mean by the "comfortable disorder of Sunday mornings." There's nothing comfortable about papers scattered, breakfast dishes undone, beds askew, and everyone wanting to brush his teeth at once. You know, some folks long for two cars in the family, but our goal is to be a "two bathroom" family. We want them mainly for Sunday mornings to get to Sunday School on time. Other days we can dress in relays, all going to school or work at different times. And lots of people have gotten to dressing and going to church in relays. Really, I believe that if every family had two bathrooms there would be fewer Dads who drive the kiddies down to Sunday school and then he and Mom make it to church later. But two bathrooms or not, there's still that comfortable disorder to get around. Finally, I've concluded that it's as necessary to Sundays at our house as worship is!

LATEST IN THE "anonymous" clubs is GA—Gladious Anonymous, and that offers a real challenge to any ladies or men who sincerely want to stay on a diet. The plan works similar to the other anonymous organizations. Fellow club members come over anytime you have the excruciating in-between-meal urge for a chocolate cream, and convince you how nutritious celery sticks are. It really sounds very successful, but participants say there's still a temptation to conceal a box of candy in the chandelier! But that's a bit far like to join. Its very name sounds like me. I'm a gutton for news and I'm anonymous, for I am

PEG O' PAMPA

**MRS. NASH**

(Continued from Page 11)  
that appeals to you personally, and you will always have a table that expresses your own individual personality."

Mrs. D. A. Rife was nominated as a delegate from the Merten HD Club to the THDA state meeting, to be held in Dalhart in April.

Those present were Mrs. W.E. McCracken, Mrs. C. A. Jones, Mrs. V. Smith, Mrs. D. A. Rife, Mrs. A. M. Nash, Mrs. Jack Prather, Mrs. C. J. Casselman, Mrs. T. G. Groves, Mrs. A. Swatford and Mrs. Clyde Edmondson.

The next meeting will be in the home of Mrs. T. G. Groves on the Merten Humble Lease on Feb. 20.

**Equipment Given Agriculture Class At Canadian School**

CANADIAN (Special)—The Canadian High School vocational agriculture department has received equipment from the Hemphill County Soil Conservation District amounting to about \$825. Herman Henson, instructor, reports.

This equipment consists of a 15 mm movie projector, a movie screen, an auditorium speaker, a 35 mm slide projector, a 35 mm camera with flash attachments and an exposure meter.

Pictures will be taken on field trips and later shown in class.

**May-Gettel Rites Are Read In Lefors Church**

LEFORS — Miss Zona May, daughter of Mrs. Olin May of Lubbock, and Roy Gettel, son of Mrs. M. C. Gettel of Emid, Okla., were united in marriage at the Lefors Methodist Church on Jan. 26 at 5 p. m. The Rev. Walter V. O'Kelly officiated.

The bride chose a navy blue gabardine suit with pink accessories. Her corsage was an orchid, trimmed in pink and lavender ribbon.

Mrs. Harold Turbe played traditional wedding music during the ceremony and accompanied Miss Mary Beth Sammons as she sang "At Dusk." Guests present for the ceremony were Mr. and Mrs. Adie Carpenter, Mr. and Mrs. Dewson Shaw, Mr. and Mrs. V. L. McCool, Mrs. Helen Lette, E. C. Lette, Mr. and Mrs. Bill Hickey and Mrs. W. V. O'Kelly.

Mrs. Gettel, who is now head of the English department at Lefors High School, attended Edinger College at Sherman, Texas Technological College, and the University of California at Los Angeles.

The bridegroom, who is an employee of the Champion Oil Company, attended Edinger High School and Oklahoma University. The couple will make their home in Lefors.

Miss Zona May and Roy Gettel were honored with a wedding shower and 42 and canasta party recently in the school gymnasium. The hostesses were Meses W. D. McCool, Helen Lette, and Lawson Shaw, Miss Ardelle

Briggs, and Miss Norma Lee Lantz.

The bride-elect's chosen colors of navy blue and pink were carried out in the table appointments and on the refreshment plate, which included coffee, individual cake squares, mints, and salted nuts.

The entire faculty of the Lefors school system was invited to the affair.

The love of liberty is the love of others; the love of power is the love of ourselves. —William Hazlitt

# Venezuela Good Example Of Adage, Says Mrs. J. Foster

By GEORGIA SMITH

The old adage, "when it rains, it pours," works two ways in Venezuela, according to the ideas brought back by Mrs. Jack Foster, who, with her husband and daughter, Sue, spent a year and four months in that South American country.

Foster, who went to Maracaibo, Ven., in the spring of 1949, was with a drilling company there and his family followed him in August of the same year. The family returned just before Christmas this year, touring Central America on their way home.

Climate in Venezuela is such that there are no seasons. "You can wear the same weight clothes the entire year, and most people wear cottons or something washable, because the cleaning establishments are sparse and not too competent."

However, the sun can be shining in that desert country, on the armed cactus that is used for fences, and blasting out its full glory, when out of the shimmering sky will come the

greatest torrent of rain imaginable, according to the vivacious Mrs. Foster.

These rains come with such violence that everything inside and outside one's home can be drenched in a few minutes—at any time of the year. They are simply flash floods.

Natives of Venezuela take them so much for granted that they are practically ignored except for a grin and a shrug of the shoulder. As a matter of fact, almost

everything in life is shown the same response.

Almost every other day is a holiday to the Venezuelan—either religious or political. Consequently, he spends the greatest part of his time at home from work. Little of the work of the native is occupational; most of it is manual. They have great talent doing anything with their hands. Intricate jewelry, woven materials and carved trinkets are made from pure materials, such as gold, silver and cotton fibre.

But as the weather goes, so has gone the country. As the day is warm and comfortable, tropically lazy and satisfied, the people of Venezuela lived for years. Suddenly, just as suddenly as the rains, things began to happen that changed the lives of the people to one of confusion and—oil wells—industry.

As Mrs. Foster puts it, "these people seem to be still awakening

**BOX OF WONDERS**—Mrs. Jack Foster, 1233 N. Russell, displays the fabulous jewelry she purchased during her stay in Venezuela, where she lived for over a year. The rings and earrings she is wearing are designed with huge topaz stones set in platinum with a leaf motif of diamonds on each side. Mrs. Foster drew her own patterns for most of the jewelry and they were made just as she designed them. All the metals in the jewelry are pure. The gold is panned from a river near Maracaibo, where she lived, and the natives pounded it and made it with their hands. Among her collection are emeralds, diamonds, topaz, amethyst, pearls and sapphires. The box is made of teakwood, with a design in carved jade and brass. (News Photo and Engraving)

from a long death-like sleep. What they see, they like, but they have not come to realize just how to handle it. They have come suddenly from the burro to the airplane. Their habits are those of their ancestors, and in most cases, their dress. Yet, the machine age is upon them and they have not learned which button to push.

The government of Venezuela is a labor government, set up by a man named Gomez, who was, in all respects, a murderer, scoundrel and austere dictator. People who dared to cross him were tortured so that even in this day, his name is whispered, if, indeed, mentioned at all. "This country," said Mrs. Foster, "is the only country in the world that is in the black." No roads are modern; no state institutions are built. Only the schools and business of the oil companies from the United States, England and Holland are modern and well-built. All money received by the government is kept by the government. Actually, the present-day government is a military one headed by five military men, but the basis is the same as the old Gomez regime. The labor class has all the privileges and rights of a slave to his master, but its demands are readily attended. Mrs. Foster says it grows more and more difficult to keep their average Venezuelan shrugs, grins and mutters, "Manana."

## Pampa Guard Training Open

The Pampa National Guard unit will hold the first of six special training periods this afternoon in the armory area starting at 1 p.m. All members of the unit are expected to be present, said Lt. Chas. Robison, executive officer of the group.

Today's drill will be basic tactical training, a tactical bivouac, with a maximum of eight hours set on the training period. The special training periods were ordered by the National Guard Headquarters in Washington.

The regular Monday night drill will also be held at 7:30, said Robison.

### Infant Has Snake For A Playmate

BANGKOK — (AP) — Seven-month-old Kyi Shein romps around with an 18-foot snake, and the little boy's parents aren't worrying.

The attachment between child and snake began soon after the boy's birth. The snake, then merely eight feet long, slid from the thatched roof into Kyi's cradle.

### JACOBY ON CANASTA

#### Two-Handed Canasta Tips

By OSWALD JACOBY  
Written for NEA Service

In this article we continue our discussion of two-hand canasta. In my favorite variety of this game, you draw two cards at each turn but discard only one. In this game, the advantage

lies with the player who manages to keep picking up the discard pile. The player who picks up the first substantial discard pile can usually manage to keep control of the pile for the rest of the hand. His opponent is not completely helpless, since his hand will increase one card at each turn.

However, the hand will usually not end until the stock pile has been more than half exhausted; so that the player who has control of the discard pile has enough time to get his melds down on the table without hurrying too much.

In order to win control of the discard pile you must pay a great deal of attention to the way the very first pile builds up. Unless you start out with a plan, you will usually find that you have come to the end of your safe discards at a time when your opponent still has two or three safe discards left.

Your first two or three discards should usually be high cards that you don't need. As you know, from ordinary Canasta, low cards may be slightly safer discards than high cards. However, you should make slightly dangerous discards at the very beginning of a hand and become progressively more cautious as the pile builds up. It is no tragedy if your opponent picks up a very small discard pile; but you weep bitter tears if he picks up a very large pile. At the same time that you are making and planning your own discards, you must pay very careful attention to those of your opponent. Since he will usually throw cards that he cannot use, you must plan to match those discards fairly soon.

The chances are, if he discards a queen, that you can safely throw a queen one or two rounds later. He may have a pair of queens by that time, but the odds are against it.

This leads to an important principle of deception. If you know that your opponent is watching your discards and will try to match them, you must occasionally trap him into throwing something that you actually want. Thus, you throw a card that you really want about half the time as one of your first three discards.

Be careful not to make it al-

### Philippines, India Arrange Purchases

BANGKOK — (AP) — The Philippines and India have both completed arrangements for purchase of their rice requirements in 1951. The Thai Cabinet Council has approved a quota of 300,000 tons of rice for India. The Philippines have made arrangements for the import of 150,000 tons of Thailand rice, four times the quantity imported in 1950.

A Philippines government representative said the rice will be paid for in dollars, the total cargo costing \$30,000,000.

Cheetahs have been used for racing purposes in England. They can give a greyhound a start of 40 yards and win in a quarter-mile race.

### ALL IN A LIFETIME

### Canadians Honored With Sculptures

TORONTO — (AP) — Undisturbed by the roar of today's automobiles four great figures of Canadian history stare stonily down on the bustling north-south traffic artery of Queen's Park crescent.

Nine-foot stone sculptures of Champlain, Wolfe, Simcoe and Brock stand perched on the limestone walls of the new University of Toronto archives building. Inside, history books record their part in the moulding of Canada.

The figures, one of the biggest single sculpture commissions ever undertaken in Canada, are the work of Josephine Jones of suburban York Mills. They took 11 months to create, not counting long months of research to provide authentic likenesses and dress.

Samuel de Champlain founded Quebec, James Wolfe conquered Quebec for the English, John Graves Simcoe was governor of the young colony and Gen. Isaac Brock, was a hero of the war of 1812.

### 5 Vacancies For Veterans

Vacancies in five vocational classes for veterans have been announced by Jess O. Coleman, McLean, coordinator of Gray County vocational schools. The classes are conducted at night and include two in welding, and one each in drafting, assistant manager's course for Negro veterans.

These classes are open now to veterans who wish to take advantage of the GI Bill of Rights before the deadline, which comes July 2, 1951. They meet four to five times each week from 7 to 10 p.m.

Aid benefits of up to \$60 for a married veteran with dependents who makes under \$290 a month, are available under the training program, Coleman said. Veterans interested in attending the classes should contact one of the following persons: James A. Berry, drafting, Pampa Junior High School; Herbert Denny, welding; Pampa High School; Ben Ogden, business, junior high; Wimpy Windon, junior high; Negro veterans, or Jack Graham at the veteran service office, American Legion-VFW Hall, 123 W. Foster.

### Government Grants Hit \$125,000,000

By **TEX EASLEY**

WASHINGTON — (AP) — Senator Lyndon B. Johnson checked up last week and found that in the current fiscal year ending June 30, Texas will receive about \$125,000,000 in federal grants under various programs.

This figure doesn't include millions of dollars spent on flood control and navigation projects in the state. The estimated allocations for the year ending June 30 are about the same as those made in fiscal 1950, which ended last June 30. The amount in 1950 was about five percent over the figures for fiscal 1949.

The old age assistance program accounted for the largest portion. Texas' allocation for the current fiscal year for this program is \$60,035,000. The 1950 allocation was \$59,889,464, in 1949 it was \$55,067,370.

The second largest allocation was \$25,583,720 for highway construction. The amount was \$29,064,810 last year and \$30,330,613 in fiscal 1949.

Third largest federal-aid allocation was \$18,190,000 for aid to dependent children; the amount last year was \$6,896,904, and in 1949 it was \$6,150,039. All other allocations for Texas were below \$5,000,000 except that of \$5,934,046 to the Unemployment Compensation and Employment Commission. That agency received \$5,683,581 last year and \$4,644,537 in 1949.

Figures for the current year are not available for nine programs. These programs, and the amounts they received in the year ending last June 30:

1. Distribution of surplus agricultural commodities, \$2,888,532;
2. School assistance program, \$568,920
3. Administration of veterans readjustment allowance, \$270,535
4. Supervision of veterans on-the-job training, \$238,720

Public Housing Administration, \$143,589

6. Public works advanced planning, \$87,893

7. Lease of flood control land, \$43,451

8. Submarginal land program, \$18,306

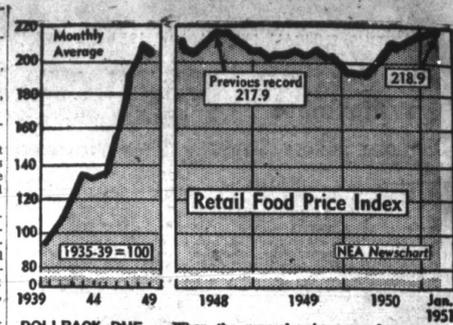

9. Hospital survey and planning, \$8,467

The remaining 24 programs out of the total 36 operating in Texas in the current year, and the allocations to each for the period ending next June 30:

School lunch program, \$3,706,887; hospital construction, \$4,721,369; aid to the blind, \$2,234,000; cooperative agricultural extension work, \$2,017,255; federal airport program, \$1,058,200; cooperative vocational education, \$1,403,887;

Office of Vocational Rehabilitation, \$870,712; general health assistance, \$718,800; venereal disease control, \$415,800; agricultural experiment stations, \$508,689; maternal and child health service, \$588,166; service for crippled children, \$426,614; national forest funds, \$339,025;

Child welfare services, \$367,883; tuberculosis control, \$199,200; forest fire cooperation, \$168,654; cancer control, \$147,000; colleges for agricultural and mechanical arts, \$143,212; mental health activities, \$156,400; water pollution control, \$29,900; heart disease control, \$75,800; cooperative projects in marketing, \$34,660; wildlife restoration, \$433,676; American Printing House for the Blind, \$3,883.

**ROLLBACK DUE** — When the general price-wage freeze was announced the food price index had risen to an all-time high of 218.9. Newschart above plots the rapid rise of food prices which spearheaded the 5 per cent jump in the cost of living index since the middle of 1950. Price Controller Michael DeSalle said he would try to achieve "substantial rollbacks" in some prices.

### 'Peace Scare' May Be Due

By **SAM DAWSON**

NEW YORK — (AP) — It is widely held that the only way our economy can go, now is up. Everything — production, prices, wages — will tend to push higher in spite of any control attempts.

The hike on miners' wages, effective Thursday and on prices of coal, is cited as an example. But a few cautious souls here and there warn that a "peace scare" could deflate commodity prices more effectively than any governmental rollback.

As a deflator of price bubbles — peace, it would be wonderful. Unfortunately, very few can see any hope for real peace. But just suppose that Russia might get the idea we had the H-bomb. Then the Kremlin might turn down the temperature on the present warm war, might put its back to the non-shooting growl that was the cold war before Russia bragged that she, too, had the A-bomb.

In the market place that would be called a "peace scare." It could reverse the present "war scare" psychology that has increased, if not set, the present pace of industrial production, inventory buildups, and consumer buying.

Much of the present inflationary pressure on prices has been built up by fear of shortages to come. That is because most of the public anticipates a still greater rush to rearm, still more civilian curbs, more controls, inevitable black markets, and the disappearance of many medium-priced goods.

This psychology could change quickly if a "peace scare" seemed to take off the pressure.

### Samnorwood Starts Classes In Driving

**SAMNORWOOD** — Samnorwood High School has started two new classes in driving training and safety education. Winston Connors is instructor of the classes.

The driving students have been furnished a dual control car by Jack Dekle, Shamrock auto dealer.

### Government Seeks To Answer Problems Of Motion Sickness

**SAN ANTONIO** — (AP) — The armed services are getting together in hopes of finding a solution to what they call motion sickness.

To land-lubber veterans who turned green on ships, a better name is sea sickness. Flyers call it air sickness. Civilians who suffer ear sickness may also profit from the project.

The Air Force School of Aviation Medicine here says a joint Army-Navy-Air Force research project to test certain drugs will be launched soon aboard ocean transports.

Dr. Herman L. Chinn, chief of the school's pharmacology and biochemistry section and a major in the Air Force reserve, has been ordered to active duty to supervise the experiment aboard one transport. Dr. Paul K. Smith, a lieutenant colonel in the reserve and professor of pharmacology at George Washington University, Washington, D.C., will supervise tests aboard another transport.

There is a collection of 50 rare toads in the zoo at Washington, D. C.

**Police Find Fellow 'Tired Of Feathers'**

LONG BEACH, Calif. — (AP) — Police found a man "just resting" beside a downtown building.

"I'm tired of working," he explained. What was his job? "I'm a feather separator for a mattress factory," he said. The officers booked him on a drunk charge.

PALMA SHARD — She has to listen while she talks.

**News Comes Off Shoulder From Beauty**

By BROOKS HONEYCUTT  
NEA Staff Correspondent

HOLLYWOOD — (NEA) — Television fans in Hollywood are getting their news off the shoulder these days.

They're getting it from Palma Shard, 21, a former model and musical comedy understudy who is now a newscaster with comph.

Miss Shard, a dark-haired lass from West Pittston, Pa., has another video trick besides her strapless gown. She looks her audience right in the eyes all the time she's broadcasting the news. She does it by listening to herself talk, and thus doesn't have to read from a script.

Fifteen minutes before she goes on the air, Palma makes a recording of her newscast. Then, while she's looking into the camera, the recording is played back to her through a tiny hearing-aid speaker concealed in her hair.

She keeps a copy of the news script beside her in case something happens to the recording she's listening to, but she hasn't had to use it yet.

"I'm about one phrase behind all the time," she explains. "Getting any further behind than that makes me lose the train of thought. Obviously, if I did I would look mighty silly."

There is always the possibility, however, that if Palma lost the train of thought she wouldn't lose her audience. In her low-cut gown, they probably would figure she looks anything but silly.

**Shamrock Church Holds Youth Service**

SHAMROCK — A joint Union Youth Service will be conducted in the First Baptist Church here tonight at 7:30. The program will be sponsored by the First Christian Church, the First Methodist Church and the First Baptist Church.

Youth from these three churches will conduct the program.

The term "all-electronic" as now applied to television means that no moving part, such as a motor, is used in reproducing pictures.

**Four PHS Students To Attend Meeting In Dallas In March**

Four delegates from Pampa High School will attend the state convention for student council members at Sunset High School in Dallas March 16-18.

The students are Jane Wilson, Tolle Hufchens, Bill McPherson, Ann Moyer and Carl Kennedy, student council president.

**BARRACKS CROWDED**

WASHINGTON — (AP) — Rep. Kilday of Texas was told yesterday by the Defense Department that no excessive unused barracks space is available at Fort Sam Houston in San Antonio for use by the Lackland Air Force Base. Lackland has been glutted by Air Force recruits.

The PHS group will head a discussion group concerned with "Problems of Youth and Alcohol."

**Israel Tries New Building Material**

HAIFA, Israel — (AP) — Lime and siliceous dune sand which are ample here and available at low cost, will be used for the local production of "Ytong," a building material invented and used in Sweden.

"Ytong" is said to combine the strength of concrete with low thermal conductivity. Invented in 1920 by the well-known Swedish architect Dr. Axel Erikson, it was hitherto unknown in the Middle East.

**Piano Group At Amarillo**

The First Piano Quartet, world famous pianists, will make an appearance in Amarillo at 8:30 p.m. Feb. 6 in the Municipal Auditorium.

A blind stitch attachment for a widely-used sewing machine is a practical, easy-to-use device which produces invisible hemming with perfect blind stitches. It is attached to the sewing machine in place of the presser foot when needed.

France, Austria and the United States. They organized in 1940 under the guidance of their manager and producer, Edward Fadiman. Since that time they have become popular on the radio, recordings and concert halls.

WHAT ARE YOU DOING, DEAR? REHEARSING A SPEECH? AND FURTHERMORE...

SORT OF! I'M GETTING READY FOR A FATHERLY TALK, WITH THE TWINS!

I NEVER GET ANYWHERE WITH 'EM UNLESS I PRACTICE MY LINES!

I'VE GOT A PLAN! IF IT WORKS IT'LL BRING THE GIRLS BACK TO EARTH AND END THIS NONSENSE ABOUT BARY ONCE AND FOR ALL!!

JUST DON'T CALL IT NONSENSE WHEN YOU TALK TO THEM, DEAR! THIS IS A VERY SERIOUS THING IN THEIR YOUNG LIVES!

BE FIRM, POP! DON'T LET 'EM TWIN UP ON YA! HEH!

**Blondie**

WHO TOOK MY MAGAZINE? I LEFT IT ON THIS TABLE!

A MAN CAN'T LAY ANYTHING DOWN IN THIS HOUSE WITHOUT SOMEONE GRABBING IT!

STAND UP!

I DON'T WANT TO FIGHT, DEAR. I JUST WANT MY MAGAZINE.

OH.

**Alley Oop**

I'M TO COME WITH YOU? WHERE ARE WE GOING?

TO REJOIN YOUR COMPANIONS FROM EARTH. IT HAS BEEN DIRECTED.

LISTEN! TH' VENUSIANS HAVE MET OUR TERMS.

...OOOLA'S BEEN RELEASED FROM CUSTODY... OUR SUPPLIES PICKED UP AN' TH' ROCKET SHIP BROUGHT HERE TO TH' CAPITOL AN' SET UP FOR LAUNCHING!

HE SAYS THEY NOW DEMAND WE TURN LOOSE THEIR QUEEN!

DEMANDING. ARE THEY?

HAAH!

**Bo**

WHAT DO YOU MAKE OF THAT? THE HERMIT'S READ EVERY PAPER IN THE STORE.

I DIDN'T KNOW HE COULD READ. IT'S THE FIRST TIME HE EVER LOOKED IN A PAPER.

NOT AN AD ABOUT A LOST DOG. THAT MEANS MY NEW POOCH DOESN'T BELONG AROUND HERE.

THEY'RE CUTE PUPPIES BUT NO OTHER DOG COULD EVER REPLACE BO... EVEN IF HE NEVER COMES HOME.

**CARNIVAL** By DICK TURNED SIDE GLANCES By GALBRAITH

BRACES, NOTHING! MY GRANDFATHER CALLED 'EM SUSPENDERS, MY FATHER CALLED 'EM SUSPENDERS, AND I CALL 'EM SUSPENDERS!

"Let's practice it again, rookie—and this time, when the alarm rings, let's take it just a mite slower!"

**Mutt & Jeff**

NO COMIC STRIP TODAY, MUTT! THE BOSS CAN'T THINK UP AN IDEA!

HE CAN'T? WHY?

I DUNNO! BUT WE'RE SUPPOSED TO GIVE THE READERS LAUGH!

WELL, THEN LET'S JUST GIVE 'EM A CLOSEUP!

**Bugs Bunny**

C'MON, SYLVESTER, JUMP! TH' JOINT'S ON FIRE!

IT'S TOO HIGH!

TH' SILLY FELINE HAS GONE BACK INSIDE... HE'LL BE FRICASSÉED!

THIS IS MORE LIKE IT!

**Freaky's Pop**

DEAR, THIS IS HELEN HIGHWATER OF THE SOCIAL BETTERMENT LEAGUE!

WE'RE CONCENTRATING ON GAMBLING THIS YEAR, MR NUTCHELL! I WOULD COUNT ON YOUR SUPPORT!

YOU SURE CAN!

WHAT NIGHTS DO YOU HOLD YOUR GAMES?

DO YOU PLAY DEVICES WILD OR STRAIGHT POKER?

HEAVEN KNOWS, I TRY TO BE AGREEABLE!

**OUR BOARDING HOUSE**

SPECT WE BETTER SHARPEN THESE TOOLS OUT IN TH' SHOP!

THEY THOUGHT THEY'D HAVE FUN WITH THOSE CUTTYN' TOOLS AROUND STIFFY'S RAWHIDE ROPE HE'S SPENT MOST OF TH' WINTER BRAIDING—BUT HE PUT TH' SHOTGUN HANDY AND THEY'VE GOT COLD FEET!

EGAD, CHAUCER! WE'VE REACHED THE PARTING OF THE WAYS!—WHEN YOU HURLED THOSE CLIPS AT MARTHA, YOU OFFENDED HER DRAUGHT FEMININE FASTIDIOUSNESS!

BUT 'QUO VADIS?'—AVE, WHERE? YOU ARE TOO HUMAN TO BE CONSIGNED TO A DRAB ZOO!—HMM! HOW ABOUT THE OWLS CLUB?—ALAS, NO! YOU'D PICK UP TOO MANY DROLL HABITS IN THAT WHIMSICAL ATMOSPHERE!

THE MAN OF NO WORDS

(PARTING IS SUCH SWEET SORROW.)

**Little Doc**

HEY--- DON'T TURN OFF THAT CANNIBAL PICTURE!

THEY'RE FRIENDLESS SAVAGES!

CANNIBALS ARE VERY HOSPITABLE!

HOSPITABLE? YEH!

THEY'RE ALWAYS HAVING PEOPLE FOR DINNER!

**Vic Flint**

IN VIC'S OFFICE, LOUIE THE LETTERBOX TAKES HIS JOB AS VIC'S VALET SERIOUSLY.

HI, LINDY! WHADAYA THINK OF THE WAY I CLEANED UP THE MAHSTER'S OFFICE?

IT LOOKS TERRIFIC, LOUIE, BUT I'M AFRAID THE MAHSTER WON'T BE ABLE TO FIND ANYTHING.

MEANWHILE, JOEL TRISTAN CONTINUES HIS STORY OF A TRAGIC NIGHT IN NEW ORLEANS, TWENTY YEARS AGO.

DAD! THERE'S SOMETHING WRONG!

THERE'S PLENTY WRONG, SONNY BOY!

**Wash Tubbs**

IN LONDON EASY HEADS FOR PENNY'S APARTMENT.

SHE'LL BE SURPRISED TO SEE ME AFTER TWO YEARS.

WHY, CAPTAIN EASY! WHAT ARE YOU DOING IN ENGLAND?

HELLO, PAM! OH, JUST TO YOU FIRST! I'M AHEAD GIBBS MAKING A BIG MISTAKE AND I CAN'T CHANGE HER MIND!

WHAT KIND OF MISTAKE?

**Boots**

DAVEY, DAVEY! PUT UP YOUR GLOVES!

KUHAWA! OUT IN FRONT OF YOU! LIKE THIS! NOW HIT ME! HARD! GO ON, SOCK ME ON THE NOSE!—!

HEY, COME BACK HERE!

DAVEY, THAT'S NO WAY TO FIGHT!

I ONLY WANTED TO SHOW YOU HOW TO DEFEND YOURSELF—!

**Mickey Finn**

YOU SURE DRAPPED PHIL OUT OF IT QUICK THIS TIME, MICKY? I THOUGHT HE WAS GONNA GET ONE OF HIS MOODS!

WELL, HE SAYS HE WAS ALL WRONG, TOM—AS SOON AS I REMINDS HIM OF SOME OF THE THINGS THAT OTHER PEOPLE ARE DOING TODAY!

THAT'S RIGHT! HE'S ALL THROUGH! HE TURNED IN HIS BADGE LAST NIGHT—AND I SOLD THE DRIVING NET THIS MORNING!

WHAT BROUGHT THIS ON? YOU WERE ALL STEAMED UP THE OTHER DAY—ABOUT HOW MUCH HE WAS GOING TO HELP YOU!

WELL, I DECIDED THERE ARE TOO MANY IMPORTANT THINGS TO BE DONE THESE DAYS, CLANCY—FOR ME TO BE WASTING THE PRACTISE! GOLF!

THEN YOU MAY WIND UP IN WASHINGTON, EH, PHIL?

I WOULDN'T BE SURPRISED! BUT I'M WILLING TO GO WHEREVER I'M NEEDED MOST!

**Penny**

FATHER, WHAT IS REFLEX ACTION?

IT'S A SORT OF AUTOMATIC ACTION, ONE WE DON'T CONTROL.

OH, I KNOW...

IT'S LIKE WHEN I START OUT FOR THE STORE FOR MOTHER AND TURN INTO THE MOVIES...

BY REFLEX ACTION!

**Freckles**

PICARESQUE? SPEED OF LIGHT? SCHIZOID? CUBISM?

SORRY, MASTER LARD! TIMES UP!

IT'S A GYP!

I FINISHED LONG AGO!

TO INSURE FAIRNESS, NAME CARDS WILL BE KEPT SEPARATE!

THEY WILL! LOOK, I'LL MAIL THE TESTS AND—

LIVER-MORE WILL MAIL THEM!

HMM! SUPPOSE I WERE TO—IT MIGHT DO BOTH OF THEM GOOD!

**Red Ryder**

KEEP DOWN, LITTLE BEAVER!

THAT NARROW ESCAPE, BUT YOU SAVED 'EM DAM!

BUT WHO EVER LET THAT FUSE ESCAPE!

HELP!

PLEASE HIM PLAY ROSSUM TO KILL YOU, RED RYDER!

# Operators Maintain Par On Panhandle Oil Activity

## Gassers Help Area Drilling

For the third consecutive week, gas completions kept Panhandle activity on par. Operators last week completed 13 gas completions for a total 133,315 MCF. This compares to 15 gas completions for 71,426 MCF the week ended Jan. 25 and 12 gassers for 101,615 MCF the week ended Jan. 18.

New locations last week reached 17 while nine oil completions brought the total number of wells finished to 22. No wells were plugged nor were any wildcats staked in Railroad Commission District 10. Total increased oil potential was 300 barrels compared to 394 barrels the preceding week.

## Committee Named To Study Industry

WASHINGTON — (AP) — The National Petroleum Council has appointed a committee to study the financing and materials the oil industry would need to increase production of petroleum products by 10,000,000 barrels a day. Members included J. Ed. Warren of Midland, Texas, and Jake L. Hamon of Dallas and L. F. McCollum of Houston.

Secretary of the Interior Chapman asked for such information as preparedness for a possible emergency increase in the military and civilian demand for oil, gasoline and other fuels. Council Chairman Walter S. Hallanan appointed Robert E. Wilson of Chicago, chairman of the board of Standard Oil Co. (Indiana), as chairman of the field of industry is the "contour following system," an electronic instrument which can follow the lines of a drawing with an electric eye and guide a machine tool to cut out metal parts according to the drawing.

## WELCOME CATTLEMEN & VISITORS

... and 4-H Club members to the Top o Texas Hereford show and sale—looks like the weather's clearing off so you ought to have a mighty good show—and while you're here don't forget to look at Old Scratch—Jerry said he would have one on display out at the grounds, so you can see just how it functions—besides being a must for your cattle, I make ten bucks off of everyone sold.

—But speaking of money—I don't know why I'm even running a ad this week—I sold that ranch I advertised, and two more houses—I even bought a house—now I'm worrying myself whether to take a fishing trip to Florida, or pay on my debts—probably want to do either one, so I'll just keep on worrying—if you want to make an old man out of yourself right quick just get into the Real Estate racket—is a worrying-me to death.

—Here something that I ought not to advertise, but I want to give everybody a shot at it, because places like this just don't come on the market very often—Im speaking of the brick home of the Claude Wilsons—This is a family house, and its a good one—the location is worth 1000 a year just to send your kids to school—you can walk to the Sam Houston school and walk back to dinner, or you can do the same for Junior Hi or the Hi School.—this is a big five room with a full size finished basement—it's got a big play room in the basement, complete with fireplace—it's got a laundry room—even got a big bedroom down there—the ground floor is nice, and the rooms are big—if your looking for a good brick home close to your schools, I would be glad to show you this—its priced very reasonable, and you would have good neighbors—I live just catcornered across the street, and that ought to be worth something.

—And here's another one up on Russell St.—its the Dick Steddum's home at 1325—this is an extra well built house with a location that can't be beat—Dick wants to get out in the country, so we're going to sell this for 12,500—its got a third bedroom over the garage that's mighty nice, if you need a 3rd bedroom—the garage is plenty big, and the backyard is fenced—call me on the above two, and I'll make you a appointment.

Jack Deahl was in from Wellington, and he wants to sell his 600 acres down there—he tells me its a good one, and hes going to sell it for 40.00 per acre, and hold 1/2 the royalty—275 acres in wheat, and the balance in good short grass—its got a fair 3 room house—2 good windmills—2 good corrals—good fences—good barn—on a mail and school route—and the buyer would get part of the wheat, if any, delivered to the elevator—not had for a stock farm like this, and you can borrow 50% of what it costs.

WHEN YOU READ THIS GO TO CHURCH—YOU'LL FEEL BETTER THE REST OF THE DAY
