Miss Kenny accompanied by a succeed Harry Davidson as teacher and director of athletics in the White Deer elementary school will be sheduled to leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave and control of the reasons of the reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other reasons for leave Trursday by Sister Tenny returned to Austral Arlene's Other Reasons for leave Trursday by Sister Tenny returned to Austral Arlen White Deer elementary school. plane for the United States on tralia in February after living ing the studio stemmed from its

# **Out Of Her Head**

The reporter who interviewed to explain the move.

His home is at Sweetwater.

Replacements are still needed for Miss Mildred Cole, fourth hagen, Denmark. She told the grade teacher at White Deer, who states to the United States on trails in February after living for ten years in the United States. She said then she would live permanently at Toowoomba,

FALSETEETH
That Loosen
Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH the alkaline (non-acid) powder, on your plates. Holds false teeth more clirmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture oreath). Get FASTEETH at any drug store.

Imagen, Denmark. She told the reporter:

"I am unwell and incurably so.

"I only hope I will be spared the time to come home again. "I have founght for 40 years to make my discoveries known and I will fight on until I die. "I have an abiding and deep love for America and Americans and it has been through American friends that I was able to return to Australia and now go to the Copenhagen conference." Sister Kenny also plans to return from Copenhagen via the United States.

"It's risky enough for an actress are wrecked because of conflict-ing schedules, with one party WHITE DEER — (Special) —

### WHO IS PAYING ALL OF OUR TAXES?

The Wall St. Journal, using as with strikes or problems of wages, an example United States Steel hours and working conditions." points out what more Americans ought to realize that soaking the big corporations kind. Their culture is a form of is only an indirect way of taxing slavery. Their education is propathe little fellow who trades with ganda to enslave mankind and to that corporation.

It is good politics to soak the corporations; but it is distressing to the consumer when he finds Declaration of Independence that all men are endowed by their Crehimself paying more for the serv- ator with certain inalienable rights. ices and products of those busi- The whole labor movement is based ness organizations. on excluding certain men by their

Here is the way the Journal explains it:

The other day the U. S. Steel Corp. issued its financial report for the first six months of 1951. The report showed that after allowance for federal taxes the earnings of the big corporation amounted to \$3.61 per share of common.

Federal taxes amounted to \$6.89, submit to be questioned. per share; in other words without the allowance for taxes U. S. had over and above its other costs a sum of money which figures to their educational movement. True \$10.50 a share for one half year. | the universities have fallen for

Perhaps some shareholders of U. S. Steel will look wistfully at those figures, thinking that if the federal taxes were less they would be in line for an in-

creased return from their stock. And most surely those who entertain the theory that it is somehow possible to have the rich and great corporations carry the load of government will point to the figures as justification for their theory; U. S. Steel, they would argue, should not earn \$10.50 a share in a half year and it is right that the government he would be obliged to answer

should take a considerable portion.

The argument is wholly bootless. It has no basis. It is just as baseless as an argument as to i whether the Commissioner of Internal Revenue should be allowed tions. On the other hand, to become rich by keeping the man who is a seeker after truth money that passes through his hands.

Like the Commissioner of Internal Revenue, U. S. Steel, along with other businesses. great and small, is a tax Declaration of Independence and collector. It merely adds the tax the Golden Rule. to the price of its product. It because it can do nothing terested in education is false. They else; at least not if it expects to are only interested in promoting stay in business.

Let's go back to years when for lazy men. taxes were considerably lower. In 1927 U. S. Steel for the full year activities, only individuals can be earned (on the basis of its shares now outstanding) about members on an involuntary basis \$3 a share and ten years later, in to pay into the union so that the 1937, it earned about \$2.65 a union can appear to be humanitarian. Every crook always plays the fact they were not years in which in. It is the exists way to fool U. S. Steel continuously operated at full capacity as it has this To force a ma year. Also in 1927 and 1937 U. S. all labor unions in order to earn a Steel was a much smaller com- living and to keep him from learn pany than now, with a much ing as rapidly as he is capable of lower dollar turnover and again learning and call it humanitarian is the value of the dollar was considerably greater in its purchas.

Labor unions have prev ing power than it is now. So lions of dollars of wealth from bemaking allowance for those cir- ing created. And they create the cumstances U. S. Steel earnings need for humanitarian acts rather after taxes in two years of com- than being humanitarian. not levels would be a lot higher if it ary earnings in a year of very were not for labor unions and there would be less need for charity. high taxes.

Let us suppose the case of an Then they profess to be fighting individual worker whose salary is communism, Of course, that would \$100 a week, 10 percent of which depend upon one's definition of is withheld for taxes. His "take communism, No one really believes home" pay is \$90. The withhold in communism. Even Joseph Statin doubled and his "take doesn't believe in communism. He home" pay amounts to \$80. Every employer knows what will almost happen. The employe will less he is to be the judge of need. seek to restore his "take home" less he is to be the judge of need, pay to the \$90 figure and in most proposands or dollars on his daughcases succeed, because very likely ter's wedding. Just like John Lewis he can take his services elseies and expense accounts and so

The capital employed in great they of course do not believe in corporations also demands - and communism. They do, however, beis entitled to - its "take home" lieve in a form of dictatorship-a pay. If it is denied the proper form of collective coercion-that incentive to work, it will, just as robs the masses to promote ease does the individual employe, take and comfort for the labor union its services elsewhere. bosses. It is popular now to claim to So the corporation must do one oppose communism, but most every

of two things. Either it must country becomes a dictatorship keep its profits high enough to form of government by means of retain the capital employed and labor unions taking more and more attract new capital or else it of the citizen's freedom. must go out of business eventual- There would be no objection to ly. And it follows that it must labor unions if they were really get a high enough price for its formed to help each other on a volproduct so that it can pay a con- untary basis, But the real purpose siderable sum to the U. S. Treas. of the labor union bosses who got ury and still have left enough to control of labor unions was to engive the capital invested a "take rich themselves at the expense of home" pay.
In other words the corporation

must be able to collect from the consumers the tax it pays that must be added to the price of the product. The corporation must he. a tax collector just as surely as though a certain fixed rate were levied directly on every that it produced.

eighth wonder of the world.
Eleanor—And what did you say?
Mabel—I toid him not to let me
catch him with any of the other seven. In the first half of 1951 the consumer of steel paid to the MOPSY U. S. Steel Corp. a tax of \$14.13 a .. ton - that figure being the total of federal income tax divided by the net tons shipped.

In addition to federal taxes U. S. Steel paid local, state and miscellaneous taxes amounting to about one-fifth of the federal taxes, The consumer of steel paid these also.

Too aften this husband we know and gotten himself in hot water by forgetting his wedding anniversary or the hirthday of his wife. He wasn't going is, let it happen again. REMAINDERS: I am nothing it not helpful to loyal readers... Everybody wants to make a quar-

Labor, had a substitute column for dollars, and to day I'll tell you just "People Forget Why Unions were down and write a six-page outyou want to self. . That's all. six pages . . Then get literary

Helen agent Strauss to sell the idea to Harper's for book publication, to Woman's Home Companion for serialization no effort... purely humanitarian activities .That's it easy, There is only one tiny hitch: you have to be Tallulah Bankhead and to have lived as she has lived ... The sum is what Tallulah will earn from all of the publications.

From Si Fourgin to Irving Hoffman to W. B.: "It's nice to be back in Europe where everyone isn't worrying about the situation in Europe."...There's a new drug on the market called Dexamyl, item only physicians can prescribe ... But it relieves symptoms mental and emotional distress...If your distress, if any, is marked by pessimism, discouragement, some tears, depression, anxiety, irrita-bility and agitation, slowed thinksensations of horror and exhaustion, plus inability to talking about how terrible you feel. ask your family doctor about Dexamyl...If your girl, in other words, gives you the cold eye, or what used to be known as your conge, laugh it off with a shot of Dexamyl...You won't even care.

Every time I read about some actor demanding a huge raise in pay on the basis of one good performance, which is what he was hired to give in the first place, I think of a stoutish, puckish, won-derful fellow...He spoke seven languages, sang like an angel was world renowned...Once his bosses called him in and said that in appreciation of all he had done, they would in the future pay hire \$4000 per performance... The man turned pale, waved his arms..."No. no", he cried, "That is too much! fould try too hard to earn such sum and my performance wo suffer be strained...I think \$2500

is plenty for any artist."... His name was Enrico Caruso. Fascinating name: Swanhild Castle...She is press agent for an off-Broadway theater group... Only one other live girl I ever heard of with that name...This other girl was born in Swansea, Wales, but her mother gave her the name of Swanhild instead of Swansea... Miss Castle has more claim to the name ... Her ancestors were Vikings who went to Ireland in 768 settled there became Irish-Swedish ... Swanhild in fiction, was one of the Valkyrie malds, but not a very nice one...She liked to kill...Miss Castle doesn't like to kill, or at least hasn't yet ... What is the value of a trophy you win? ... Besides the fun of being victor, that is?... Try to hock a trophy some time... Most pawn brokers won't give you a cent for it...Or else will suggest you make a lamp of it and stop bothering them.

How much aluminum in a thin, fine deposit covers one side of the famed 200-inch Palomar mirror that reaches so far into space?... The answer is a minute fraction under one ounce... The aluminum cover for the glass is barely discernible as a cover, it is so thin ... here is one Las Vegas place which gives you no chance to cool off, unless you get into the swimning pool ... It's the Desert Inn .. Which hots you up at the dice and chemin tables or at the roulette wheels and then ushers you into a show-room where 15 French beauties dance as they did at the time

Toulouse-Lautrec. Underworld slang for a suicide attempt: "He tried for the deep x."...Literate men of ethical behavior beat their brains out trying to create pungent, colorful slang .They write and rewrite, and it ways comes out phoney ... Some hoodlum who never got past the hird grade can automatically come up with a saving that lives ... ave read a hundred reporters give a thousand reports on legal hang but a scrummy little weasel n Los Angeles once summed up a anging perfectly: "The poor kid they gave him a tap dance on thin air!"...And consider the flavproug underworld words for monscratch, squiddy, geet, geetus, loof, bundle cabbage ... What auhor trying to fictionize gangster ife could come up with anything learly as good?

# Says

Mrs. H. M. P. "Is it related to can-Taking the second question first, the answer anyone knows infectious mononu cleosis, or glandometimes called. related to cancer.

To medical men his is a most interesting disease. In all probability is caused by a virus and one of its characteristic features is the increase of certain cells in the

blood known as monoculear cells. The large number of these cells was formerly sometimes confused with leukemia (with which mononucleosis also has no connec-tion) and often caused a good deal of alarm. Whatever the reasons, glandular fever semes to be somewhat more common than it used to be: possibly because of its usually mild nature, many people had it without knowing.

The symptoms are often hardly noticeable. Vague pains and slight loss of appetite are common. Generally there is a slight fever. Lack of pep and headaches are also fre-

complaints. Sometimes there is nausea and vomiting. The lymph glands in the arm pits, neck, groin and elsewhere are usually enlarged and this is what has given the disease ils other name of glandular fever, All of these things, of course,

way of stopping at three no-trump with this hand. It's easy enough to do so when you can see all the cards, but the chances are that most experts would want to play the hand at spades. Incidentally, most experts would open the hand with one spade, just as my correspondent did. It may not be a "book" opening bid, but so much the worse for the books. Hence my correspondent can't blame Fate and shouldn't worry about stepping out of line. The truth is that he should have made his contract of four spades.

The correct play is to play a low heart from dummy at the first trick. After all, the bidding warns you that East is likely to "West opened the queen of the first trick with his queen hearts, and I played dummy's of hearts (East cannot gain by king. East ruffed, of course, and ruffing, of course) and continues
