Ex-Convict Captured After Desperate Bid For Freedom

A daring bid for freedom that ended in 25 minutes as ignominiously as it dramatically started...

Jordan said Texas Ranger Frank Probst and Chief Deputy Sheriff Shirley Nichols had left the interrogation room...

Frazier headed for the Hughes building. Nichols fired one shot in the air. Frazier ducked and kept on going...

After his futile escape try, Billy Max Frazier, left, talks with Sheriff Rufe Jordan in the latter's interrogation room...

A few minutes later Nichols walked in and took Frazier away.

Officers had the building surrounded with sheriff's deputies, city police and Probst.

Change Of Venue Denied As McGee Sanity Hearing Starts

Testimony of a former Pampan, Mrs. A. Dunham, brought the only outburst Tuesday from Richard W. McGee as jury selection in the new sanity hearing got underway in Lubbock.

A new panel of 100 veniremen were to appear today in the sanity hearing, after only one juror was chosen out of 32 prospects questioned Tuesday.

Judge Victor Lindsey has twice ruled against defense motions for a change of venue. Both motions were based on defense claims that "great prejudice" exists against McGee in Lubbock county.

The outburst came from McGee after Mrs. Dunham, 25-year-old wife of a Texas Technological student, said she had often heard Lubbock residents express the belief that McGee was "faking" insanity.

McGee jumped to his feet and headed for the court room door, shouting, "I don't want to listen to that stuff!"

Previously, McGee's mother, Mrs. H. Stull, 940 S. Hobart, has told Pampa Daily News reporters that her son would "continue to tell the world he is normal."

Police Quiz 15-Year-Old Girl, Mother

By HENRY GORDON Two bullets in the back at 7:30 p. m. yesterday snuffed out the life of Charles Lee Wheeler, 43, following an alleged fight with Mrs. Lenoel Sharp, 40, operator of the Sharp Courts near the Tuke and S. Somerville intersection.

Mrs. Sharp, taken into custody late last night, was still being held in jail for questioning this morning for clearer details in the shooting.

Also questioned last night, but turned over to the custody of Mr. and Mrs. H. E. Crocker, Jr., 729 N. Wells, was Mrs. Sharp's 15-year-old daughter.

The two told conflicting stories on how Wheeler met his death and events leading up to the shooting.

Attempting to reconstruct the shooting about 12:30 a. m., officers told newsmen they were not able to determine who fired the shots.

Wheeler's body was found lying in the alley about 50 feet from its intersection with Tuke. Two bullets fired from a .22 caliber target rifle had hit him near the left shoulder, the other in the small of the back near the belt line. Another slug grazed his left side. The bullet, officers said, that hit him near the shoulder passed through his head. "A deep gash" was in his head.

By 11 a. m. today no autopsy had been performed.

The police, County Atty. Bill Waters, County Judge (also Juvenile Judge) Bruce Parker, and Frank P. Rowland, who questioned the mother and daughter until after 1 a. m. today.

They quoted the girl as saying Wheeler had been ordered to leave the Sharp house, where he had been staying, following several fights with Mrs. Sharp throughout the day. Mrs. Sharp followed him as far as the alley where the two began to scuffle. The girl also told officers she (See PAMPA, Page 9)

Senators Urge Arming Of U.S. Forces With Atomic Weapons

WASHINGTON — (AP) — Senators Bridges (R-NH) and Ferguson (R-Mich) called on military leaders today to tell Congress whether all-out atomic arming of U. S. defense forces is feasible.

The two Republicans, members of the Senate Appropriations committee, said in separate interviews that lawmakers ought to know if it is possible to cut defense costs by \$20,000,000,000 yearly by substituting atomic for conventional weapons.

Senator McMahon (D-Conn) told the Senate yesterday such a saving would be possible. He urged that the Army, Navy and Air Force be armed primarily with atomic weapons.

He said the cheap, mass production of A-bombs could be a reality in three years, if a start were made now. Asserting that it would be possible to get the unit cost of a bomb down to what the country now pays for a tank, some \$240,000, McMahon added:

"It is apparent now to all of us that there is a supply of raw materials coming into being with which we can fabricate a ton of bombs by the thousands."

McMahon, who heads the Senate Atomic Energy committee, did not go into details, but Rep. Durham (D-NC), vice chairman of the group, told a reporter that the atomic bomb is a substance "we can use to fall back upon if we have to go into an all-out atomic program."

Ferguson said that McMahon's suggestion for substituting atomic for other weapons is something the joint chiefs of staff should talk to Congress about.

"If what he is saying is true, I'm greatly surprised that the chiefs haven't been presented by the military authorities," the Michigan Senator said. "The Joint Chiefs of Staff should inform the appropriations committees about the matter."

Bridges said that if McMahon's proposal is feasible, "the military men ought to tell us so."

"We should not rush blindly into huge appropriations for ordinary weapons if more effective striking power can be obtained at far cheaper cost," he said.

Local Girl Hurt When Hit By Auto

Bobbie Jo Trout, three-year-old daughter of Mr. and Mrs. Bob Trout, 404 Crest, was reported today to be in "fair" condition at Highland General hospital after being struck by a car at Crest and Browning at 5:28 p. m. yesterday.

The accident occurred when a car, driven by Mrs. Lucille M. Eads, 441 Hill, going south on Crest, hit the girl who was running across the street from the west side.

Officers said a 10-foot skid was shown in front and a four-foot skid in the rear of the accident. Bobbie was taken to Highland General, where it is reported she had a broken leg, broken arm and bruises.

Trout is assistant manager of Montgomery Ward Co. here. The child celebrated her third birthday Monday.

This is the third accident of its kind in Pampa during the last two weeks. On Sept. 9, Kayleen Layne, daughter of Mr. and Mrs. Hugh Layne, west of Pampa, was hit by a car on Francis and Warren. Doctora said a lung had been punctured. Her condition at Highland General today is reported "fair."

Thomas Martin, cook in a local cafe, also was struck by a vehicle Sept. 6 on W. Brown, suffering fractures of the leg. He now is in Highland General where his condition is reported "fair."

Allied Liaison Team Will Go To Kaesong Neutral Zone In Answer To Request For Talk

TOKYO — (AP) — The United Nations command agreed tonight to a Communist request to send a liaison team to the Kaesong neutral zone, site of the suspended Korean war armistice talks.

The Reds made the request shortly after the UN command announced that four unarmed South Korean soldiers yesterday mistakenly entered the neutral zone.

The Red request for a meeting raised speculation that the Communists may want to discuss resumption of the stalled talks, or they may want to lodge another charge of allied violation of the neutral zone.

The Reds broke off the talks Aug. 23 after charging that an allied plane tried to "murder" Communist armistice negotiators with strafing fire in the zone the night before.

The Reds asked for a meeting with allied liaison officers at Panmunjom. Communist outpost near the edge of the neutral zone, at 6 a. m. Thursday (3 p. m. Wednesday (CST)).

Brig. Gen. Frank A. Allen, chief of information, general headquarters, said the U. N. liaison officers, accompanied by three correspondents, would meet with the Reds.

Gen. Matthew B. Ridgway, supreme allied commander, has offered to send liaison officers to the outpost to discuss resumption of armistice talks any time the Reds wish. He also has insisted that the Reds are the ones to say if and when they want the talks taken up again.

Some observers pointed out that 6 a. m. was too early in the day if the Reds wanted to talk about resuming the talks. The release from headquarters of Gen. Ridgway said the United Nations liaison officers who made the U. N. investigation Wednesday noted a marked change in Communist attitude as they drove through Red territory into Kaesong.

"Nearly all the Communist soldiers along the road stood rigidly at attention as the United Nations command party passed," the announcement said. "One soldier held a stiff salute as the convoy entered and left the city."

"Many of the civilians in Kaesong smiled as the U. N. personnel passed by, in contrast with inscrutable countenances they have shown on other occasions."

15 Die In Explosion

WOOD RIVER, Ill. — (AP) — The death toll in the fire and explosion at the Shell Oil Co. refinery at nearby Foxana climbed to 15 today.

Four charred bodies were recovered from the oil cracking unit soon after the explosion Monday night and 11 workers can have died in hospitals from burns.

The latest deaths were those of John L. McLagan, 36, Alton, Ill., a plant safety inspector, and Robert Corrigan, 36, Bethalto, Ill., a pipefitter foreman. McLagan died about midnight and Corrigan this morning.

Fifteen men remain in hospitals with burns.

Clom Cunningham, plant superintendent, said today it is impossible to determine now the cause of the blast. However, that no equipment failure was involved.

Fully men were cleaning the unit when the blast turned the area into a scene of death and pain.

Local Milk Prices Boosted One Cent

Pampa housewives this week began paying one-cent more per quart of milk at their local grocery stores and dairies.

Operators of local dairies said the increase was necessary because of higher prices being paid to dairy farmers.

The new price boost will mean pasteurized milk will sell for 23 cents in cartons and 24 cents in bottles. Homogenized milk will retail for 25 cents in bottles and 26 cents in cartons.

U.S. Proposes Plan To Break British-Iranian Oil Deadlock

WASHINGTON — (AP) — The United States made public today a three-point proposal for resolving the deadlock between Britain and Iran over control of Iran's strategic oil industry.

Refusing to transmit a 15-day ultimatum to Britain, President Truman's foreign affairs assistant said the terms laid down by Mossadeq in the ultimatum were largely the same as those the British rejected last month when negotiations stalled.

Harriman said bluntly that both sides must show good will and give recognition to the "practical business and technical aspects" of the international oil industry. He urged "as a sincere friend of Iran" that the Prime Minister reconsider his ultimatum.

Jane Russell Bath Scene Packs 'Em In

By BOB THOMAS
HOLLYWOOD — (AP) — When a movie queen takes a bath, it's a production.

She can't merely dip in and out of the suds. When it's for a movie scene, the bath takes on monumental proportions.

Jane Russell is taking her first film bath in "Son of Paleface." Miss Russell didn't seem too interested in the bath. Is this truly her first film bath?

"I guess so," she replied, "boredom creeping in like Los Angeles smog. I've done shower and swimming scenes, but never a bath."

"Then this is history," I suggested.

"Apparently," she yawned.

More aware of the significance of the event was the director, Frank Tashlin. He intimated the scene will go down in film annals along with such noted baths as Jean Harlow's in a barrel in "Red Dust" and Claudette Colbert's splash in the milk for "Sign of the Cross."

"It's not so much the bath that creates attention, it's what in the tub," Tashlin remarked in the understatement of the week. "We shot a test of Jane for the picture and the results were sensational. When we ran the rushes, the projection room was packed."

Four Appear In Corporation Court

Four persons appeared in corporation court Monday to answer charges of vagrancy and intoxication.

One woman, charged with vagrancy, was released to leave town, and one man, charged with intoxication, was released to raise the fine imposed.

One other man on intoxication charges paid \$15, and a third man was still in jail early Monday, unable to raise the fine.

Judy Garland Is Back From Trip

HOLLYWOOD — (AP) — Judy Garland is back home from a five-month European tour, hefty and happy.

"I don't worry about my figure any more," she told friends after she had embraced her daughter, Lisa Minelli, five, and petted her pet poodle, John Cook.

Miss Garland's health cracked under the strain of trying to keep her weight down for her movie roles.

"I'm not going to attempt to regain one of those sleek Hollywood figures," she said. "I feel too good this way."

Miss Garland said she would remain here two weeks, resting, then go to New York, where she will do a two-a-day stint when the Palace theater reopens a vaudeville revival. She recently completed an engagement at London's Palladium.

Old Steam Auto Beats Gas Rival

NEW YORK — (AP) — The battle of the buggies has ended. Let it be known that a 1913 Stanley Steamer is speedier than a 1911 Stoddard-Dayton.

For the sake of accuracy in a superonic era, it might better be said that the Stoddard-Dayton crawls along a trifle slower than the steam-propelled relic.

In the 1,086-mile struggle which began in Chicago last Monday, the steamer averaged 20.46 miles an hour. The defeated gas buggy's average was 20.22 miles an hour.

Electric Cooking Is EFFICIENT

...as MODERN women KNOW!

Efficient because it is clean, accurate, automatic, labor-saving.

The accuracy of heat application which assures you that the correct amount of measured heat will be delivered to each range unit takes the guesswork out of cooking — adds efficiency.

The automatic time controls on your electric range eliminate pot-watching and cooking failures, make it possible for your meals to be prepared while you are miles away — adds efficiency.

The cleanliness of electric cooking means less frequent general housekeeping, eliminates entirely pot and pan scrubbing — adds efficiency.

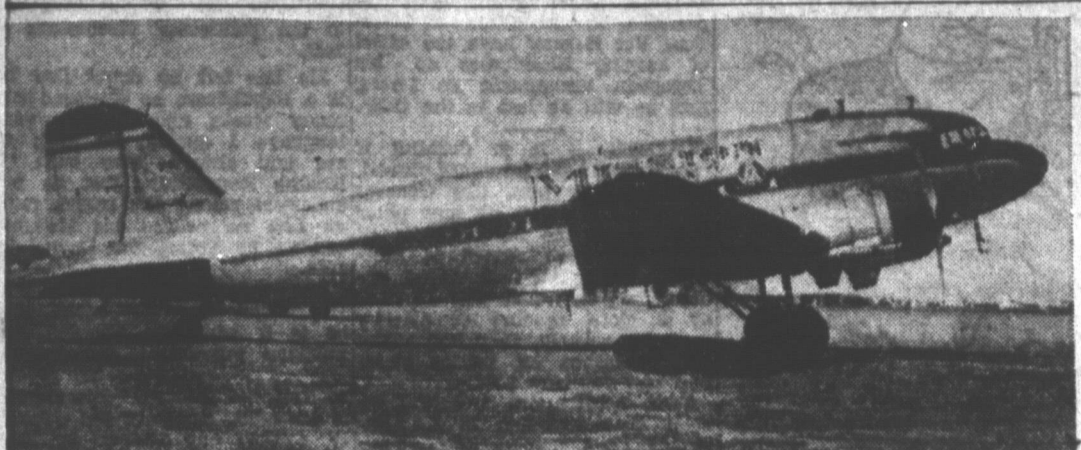

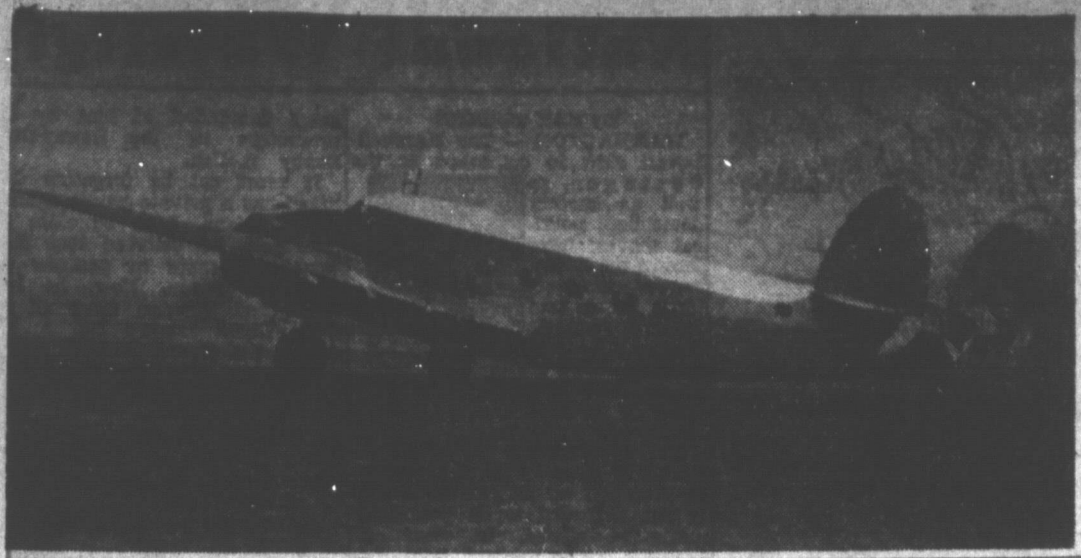

The coolness of electric cooking means added pep, more pleasant cooking conditions — adds efficiency. Yes, electric cooking is completely efficient — as modern women know.

Actor's Face In Bad Shape After Fight

HOLLYWOOD — (P) — Franchot Tone's face may look as if it had tangled with a food mixer when he leaves California hospital in two weeks.

60-Year-Old Pop Worth \$14,000 Farm

He drank one to celebrate the holiday. A son dropped a second bottle and broke it.

Willis, a farmer, expects to present the remaining bottle in probate court at Independence, Kan., Feb. 24 and get title to the farm.

Then he plans to drink the last bottle.

Anderson, Mo. — (P) — George Willis will get a \$14,000 Kansas farm if he displays a 60-year-old bottle of strawberry soda pop on his 88th birthday next February.

The bottle of pop is the only one left of 24 given Willis on his fifth birthday by his grandfather, James Connor.

The grandfather left a will which states that Willis shall get the farm in Montgomery county, Kans., on his 88th birthday if he can produce a bottle of the pop. The will gave no explanation for the soda pop clause.

Willis hoarded the pop through the years, drinking a bottle only on special occasions. Last Christmas he had three bottles left.

Barbecue Opens Season In Wheeler For Wednesday Club

WHEELER — (Special) — A chuck wagon dinner in the patio at the H. M. Wiley home Thursday night opened the club year for the Wednesday study club. The members and their guests wore western tops and gathered around the rustic fireplace to sing ballads of the West. Mrs. Harold Nash, new president of the club, turned the program over to Mrs. Frank Wofford. Mrs. Wofford then introduced Frank Wofford, who sang a solo, and Howard Weatherly of Shamrock who gave a mythical history of Wheeler county.

"Hushpuppies" and barbecue formed the nucleus of the old fashioned Western meal. Coffee from a large pot set close to the fire in the fireplace was served to Mr. and Mrs. Floyd Pennington, Dr. and Mrs. H. E. Nicholson, Mr. and Mrs. W. L. Thursday Club Has Breakfast Meeting

WHEELER — (Special) — The Thursday Review club held their annual first meeting breakfast Thursday morning. The breakfast committee called for the guests two hours before the appointed time and took them to the party in whatever they happened to be wearing. Mrs. H. C. Howell welcomed her informally dressed guests at her home and listened to the tale of fall suits, felt hats, etc. left at home. Each place card bore a tiny nosegay of flowers.

Mrs. W. A. Goad led the prayer before the meal and Mrs. Carroll Pendleton gave a toast to the future of the club. Mrs. Carroll Pettit told of the value of federation and the meaning of being federated.

Members receiving their 1951-52 club books were Mrs. Earl Barnes, Mrs. Wilton Callen, Mrs. Lowell Farmer, Mrs. Roy Ford, Mrs. W. A. Goad, Jr., Mrs. R. J. Holt, Jr., Mrs. Ed Johnson and Mrs. Carroll Pettit.

Mrs. Carroll Pendleton, Mrs. Cecil Richardson, Jr., Mrs. Glen Robertson, Mrs. Leroy Robison, Mrs. Jack Sims, Mrs. Harvey Wright, Mrs. R. J. Smith, Mrs. Lloyd Weatherly, and Misses Glenna and Wilma Hetley. Mrs. N. D. Ware, Jr., a former member of the club, was the only guest.

Wesleyan Service Guild Has Meeting In Lefors

LEFORS — The Wesleyan Service guild of the Methodist church met in the church auditorium for a general session. Mrs. Alfred Bennett, president, was in charge.

Mrs. Bill Watson gave the devotional and prayer, after which Mrs. Bennett led the lesson on the first and second chapters of The Acts from the Bible.

This was the first regular meeting of the year for the guild. Hereafter meetings will be held at the church two times a month on Wednesday nights.

Officers for the year are Mrs. Alfred Bennett, president; Mrs. Vernon Northcutt, vice president; Mrs. Marion Brown, treasurer; Bobby Kosheski, secretary; Virginia Callan, social life; Mrs. R. L. Daugherty, Christian social relations and local church activities, and Mrs. J. A. Thurmond, publicity.

The Lefors guild members will be hostesses to all district guild members at 2 p. m. Sunday at the Methodist church.

Smorgasbord Supper Is Fun; Good Too

SMORGASBORD SUPPER with chilled drinks is lots of fun. By GAYNOR MADDOX, NEA Food and Markets Editor.

The entertaining season has begun. How would you like to give a smorgasbord party? Plan a buffet with many tantalizing foods on it, the way our friends the social Danes, Swedes and Norwegians do. Give each guest a plate and let him serve himself over and over again to his appetite's delight.

The hostess, too, can enjoy this party because all the work is done in advance. At the last moment, all she has to do is to heat assorted rolls and chill the beverages. The tang of soft drinks goes well with this kind of food, pleasing all age groups. And as carbonated beverages are relatively low in calories, they leave plenty of room for the big eats.

Herring Salad
(Serves 8)
Two salt herring, 1 cup cooked elbow macaroni, 1/2 cup cooked peas, 1/2 cup cooked green beans, chopped, 2 tablespoons chopped chives, 1 cup mayonnaise, salad greens.

Soak herring in cold water one hour, then remove skin and bones and cut fish into very small pieces. Combine with remaining ingredients and serve on salad greens.

Bologna Mousse
(Serves 8)
One-half pound bologna, ground, 3/4 cup minced celery, 2 tablespoons minced green pepper, 2-3 cup minced apple (optional), 3-4 cup mayonnaise, 3 tablespoons gelatin, 1-1/2 cup water, 1-3 cup heavy cream, whipped.

Blend ground bologna with celery, green pepper, apple, mayonnaise, lemon juice and seasonings. Dissolve gelatin in water over boiling water. Add to meat mixture and whip until stiff. Fold in the whipped cream. Transfer to mold and chill. Unmold and garnish to serve.

Vegetable-Egg Aspic
(Serves 6)
One tablespoon gelatin, 1-2 cup

Pink And Blue Shower Honors Mrs. Felton South

MIAMI — (Special) — Mrs. Felton South was honored by Mrs. J. T. Webb and Mrs. Chris Schaeff when they held open house, Thursday afternoon, between 2:30 and 6:30, in the country home of Mrs. Webb.

The honoree was presented with a pink and blue shower. She was assisted in opening and displaying the gifts by Mrs. W. P. Locke.

Appropriate decorations adorned the entertaining rooms. The hostesses were assisted in receiving, registering and serving the guests by Mmes. Arthur Webb, R. A. Flowers and Vernon Flowers. Mrs. Arthur Webb presided at the punch bowl. Corsages were presented to Mrs. South and members of the house party.

The guest list included friends from Canadian, Miami and surrounding ranches: Mmes. A. Webb, Lorene Burton, Pearl Hancock, Vernon Flowers, John McMorde, Sol Koch, R. A. Flowers, Hugh Hill, Frank McMorde, John Jones, Everett South, W. F. Locke, Glenn Muir, R. A. Flowers, Jr., Ivan Conklin, Reed Hill, Jack Graham, J. B. Waterfield.

Hutchens Injured As Pampa Prepares For El Paso Battle

Another knee injury, the seriousness of which isn't known, put the damper on a long and hard workout for the Pampa Harvesters yesterday afternoon as they prepared for their Friday night encounter with the Austin of El Paso gridders at Harvester Park. Kickoff time will be 8 o'clock.

The injury was suffered by center Tolle Hutchens and he was kept out of action yesterday afternoon. How many days he will have to rest the knee was unknown.

The rest of the cripple list saw Buddy Cockrell working hard with the first string at a tackle spot while end Jimmy Cook was still being kept out of pads but appeared ready to go this weekend if needed.

The Harvesters worked on defense most of the day, with a major portion of it spent on defense for the punter. The Pampans nearly had several kicks blocked during Friday night's game with Sweetwater. In nearly five years at Pampa Coaches Tipps and Nooncaaster have never had a punt blocked, and don't want that record ruined now. A blocked kick at the right time could cost a game.

The word from El Paso is that Austin is planning on upsetting the Harvesters in much the same fashion that they stunned the state back in 1949 during the second round of the playoffs when they upended the Lubbock Westcoasters, who had already been considered a shoo-in for the state championship. The visitors are expected to run from a straight T the same as the Harvesters.

Other than these few meager facts, little is known about the club. It will be the first game of the year for them, while the Harvesters have one victory already under their blocking pads.

"Got To Win 'Em All," Says Leo

CINCINNATI (AP)—"We've got to win them all." That was the very quiet observation by Leo Durocher, manager of the New York Giants, after his ball club had climbed to within three games of first place in the National League. The Giants had just staggered in for a 6 to 5 victory over

Sports Round-Up

By HUGH FULLERTON, JR.

NEW YORK (AP)—The most important hit of the 1951 American League season may have been a punt. There'll be plenty of debates over Al Lopez' strategy before Monday's Yankee-Indian game is forgotten. But the fact remains that Phil Rizzi's perfect bunt that squeezed Joe DiMaggio home with the winning run dealt a heavy blow to Cleveland's pennant hopes.

So the Indians were a game behind, where a victory would have put them a game ahead and it was left to the Red Sox to do something about that Yankee team that manages to win most of the important games. The Sox have had the same sort of opportunity the past two years and failed to cash in, so how can you figure the same team will do it this time? Incidentally, did you notice that Ed Lopat and Allie Reynolds have won 9 out of 12 games from the Indians this year—more than the whole Cleveland staff did against the Yanks.

DeWitt Weaver, the Texas Tech football coach, insists he didn't mind when he heard of a rival school's talent scout invading the Tech dormitory. (Could he be pleased that his boys were so highly regarded?). What hurt Weaver was that the "spy" didn't stay for dinner. "We're proud of our training table," DeWitt asserted, "and we're always ready to fix another plate for visitors."

"I never predict anything. We just play to win today's game," he said.

It was then that he looked into space and said softly, "We've got to win them all."

Leo probably was thinking about the standings which showed his Giants have lost five more games than the Dodgers.

CHICAGO (AP)—Major league club owners began arriving today 24 hours before they try to agree on a baseball commissioner.

Tomorrow's parley will be devoted to wheeling the 12 majorly votes needed to name a successor for the deposed A. B. (Happy) Chandler, a \$65,000 per year man.

Generally regarded as the main candidates are Warren Giles and Ford Frick. But if a stalemate should develop, a darkhorse could slip in.

Giles is the courtly, mannered president of the Cincinnati Reds, and member of baseball's hierarchy.

The lean, graying Frick has run the National League as president since 1934 with a minimum of fuss. He was considered for the post when Chandler was elected in 1945.

In previous balloting, James A. Farley, chairman of the board of Coca Cola export, received eight votes; Gov. Frank Lausche of Ohio, never more than six, and Gen. Rosie O'Donnell seven.

Lausche formally withdrew from consideration Saturday. O'Donnell has publicly declared he would not be interested in the job.

Farley, Giles, Frick and Milton Eisenhower, president of Penn State college, apparently remain on the sifted list of available candidates.

The New York heart fund has been named as the third recipient of the Lou Levitt award for humanitarian efforts by the U.S. Harness Writers Association. The trophy is a gold telegraph key—quite appropriate for an association interested in good tickers. . . . Roy Simmons, veteran Syracuse U. lacrosse and boxing coach, now is running for councilman at large in Syracuse. . . . Louisiana State has an all-senior backfield coach Ed McKeever horses. . . . And it probably has backfield coach Ed McKeever feeling his oats.

(By The Associated Press)

Say, doesn't anybody want to win the pennant?

That seems to be the picture today as the top contenders in the American and National Leagues keep passing up chance after chance to take a stranglehold on first place.

The New York Yankees appeared on the way to the American League flag after winning those vital games from Cleveland Sunday and Monday.

So what happened? The Yankees blew a 7-1 decision to the fourth place Chicago White Sox last night. That cut their lead over the Indians to a full game to a microscopic three percentage points.

Now take Boston's third place Red Sox. Winner of six of their last seven starts, the Red Sox seemed ready to deliver the knockout punch to the groggy Indians. Instead, the Tribe sharpened their tomahawks and scalped the Bostonians, 6-4. The defeat left the Red Sox still two and a half games off the pace.

Even Brooklyn joined the act. Generally regarded as a sure-fire world series participant, the Dodgers hard now find themselves hard put to keep themselves New York Giants off their necks.

The Dodgers saw their once 13 1/2 game margin shrink to three yesterday when they bowed to the St. Louis Cardinals, 7-1, as the Giants took a 6-5 squeaker from Cincinnati.

While there is some reason for Dodger alarm, it would still take a minor miracle for the Giants to overhaul them. Brooklyn owns a commanding five-game margin in the important losing side. The Giants have only eight games left to play against the Dodgers' 12.

That's where the Yankees have their edge, too—in the losing side. Cleveland has won eight more than New York but the Indians also have lost two more. They have only seven games left to 11 for New York and 12 for Boston. However, New York and Boston clash eight more times.

Pitcher Billy Pierce and outfielder Eddie Mues collaborated to help the Yankees. The little lefthander throttled the Yankees with eight hits for his 14th triumph. Stewart, an ex-Yankee, hit a home run to tie the score at 1-1, then shattered the deadlock with a bases-loaded single in the eighth which put the Sox in front, 3-1. Chicago added four more runs and routed Vic Raschi before the inning ended. The Yankee righthander, who was gunning for his 20th victory, went down to his 10th defeat instead.

Mike Mize, the strong-armed Cleveland righthander, was successful in his attempt for his 20th triumph. The Mexican hurler and helped the Red Sox to nine hits and helped himself to a mighty double in the ninth.

Young Tom Poholsky limited the Dodgers to eight hits in posting his sixth win for the Cards. A five-run fifth, ignited by rookie Vern Benson's home run off loser Ralph Branca, clinched the victory.

George Spencer helped Dave Koslo post his ninth inning relief job. The young righthander retired pinch hitter Hank Edwards for the final out after the Reds had scored three times and had the tying and winning runs on base. Monte Irvin's 22nd homer in the fourth with one on proved to be the winning blow.

Elsewhere, the St. Louis Browns swept a two-night doubleheader from Washington, 8-0 and 3-2; Detroit topped the Philadelphia Athletics, 8-6; Pittsburgh nipped Boston's Braves, 6-5 and Chicago's Cubs defeated the Philadelphia Phils, 7-4.

Tommy Byrne was the whole show for the Browns. He blanked the Senators with three hits and helped his cause with a grand slam homer in the opener. His pinch hit single drove in the winning run in the 10th inning of the nightcap.

Ralph Kiner blasted his 41st homer to give Pittsburgh its winning margin.

Crippled Missions Drop First Game

DALLAS (AP)—San Antonio must come back with a crippled ball club if they hope to repeat as champions of the Texas League. The Missions lost the opener of the championship round to Houston 3-1 last night. They also lost first base man Jack O'Donnell.

O'Donnell injured an ankle. He is out for the series. Les Fusselman, first string Buff catcher injured his right hand but it is not believed serious.

Al Papp pitched the Buffs to victory with a four hit performance. Larry Miggins hit his 20th homer.

Abilene, Lamesa Win Berths In WT-NM League Finals; Play Opens Thursday Night

Important Tilts On Schoolboy Slate

(By The Associated Press)

Important games about this week in the Texas schoolboy football races.

The headline battle is in the upper division with Port Arthur's trek to Odessa. It matches the power of the south against one of the high-riding teams of the west. It also will show what Port Arthur can do outside its own ballpark where it already has knocked down Denison and Texasana.

Almost of equal importance will be the AAAA clash of Lamar (Houston) with Thomas Jefferson at San Antonio.

Class AAA sends teams against its big brothers in AAAA to feature play in that division. Breckenridge, an AAA favorite, battles Wichita Falls, the defending state champions, at Wichita Falls Friday night.

Midland, another well ranked outfit, tests Ysleta.

Marshall tries a Texas-hans team that apparently is better than its three-touchdown defeat at the hands of Port Arthur indicates.

McAllen, which may be the best team in the Valley despite Brownsville's pre-season notices, rolls against Harlingen.

Class AA, with 122 games, has all sorts of attractions. One of importance is the clash of Brownfield with Phillips—both high-scoring elevenes—getting together. Another feature is the meeting of New London and Van.

Probably the best game of all will be the collision of Arlington and Irving. This game sends an AAA team—Irving—against one of the outstanding elevenes of AA.

An inter-class test at Pitting Wink, top-rated outfit of Class AA, against Kermit, a power of Class AA, is another headliner.

It is one of the most entertaining events in which to participate.

Abilene and Lamesa in e

Thursday night in the opening game of the Shaughnessy playoff final for the West Texas-New Mexico League baseball championship.

Abilene won its best of seven series with Lubbock last night, four games to three by taking a 12-9 victory. At the same time, Lamesa was slaughtering Albuquerque 15-1 behind the eight-

hit pitching of Ed Arthur at Albuquerque to clear up the other semifinal four games to two.

At Abilene, a grand slam in the west. It also will show what Schmidt in the sixth inning own ballpark where it already sparked a six-run attack that put the home-standing Blue Sox in the lead for good.

At one stage, Abilene had trailed Lubbock 2-1 in game in the series. They needed these straight victoris to take it.

Each team used three pitchers. Stater Ellis Rosson got credit for the win, although he was replaced by Izzy Leon in the eighth after walking three men. Leon fared just as badly and Jim Melton was called on to put out the fire.

The loss went to Ken Michael, who took over from Julio Moreno in the third. Ray Machado went

in in the fatal sixth.

Abilene came up with a triple play—the first of the WTNM season—in the fourth after Lubbock had loaded the bases on a walk and two singles.

A homer in the fourth inning by Manager Herah Martin was the only score for Albuquerque as Ed Arthur kept things under control for Lamesa.

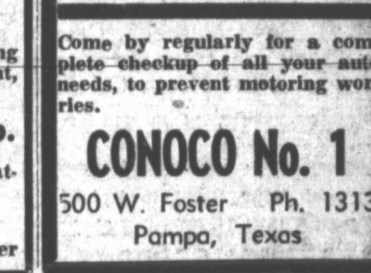

Arthur's mates, meanwhile, unleashed a devastating 20-hit attack on four Albuquerque hurlers. The loss went to Jesse Priest, who started and lasted less than an inning. Lamesa scored three runs in the first and was never headed.

Reapers Play Tomorrow

The Junior High School Reapers, defending co-champions of the Panhandle Junior High School Athletic League, will play their first home game of the 1951 season tomorrow afternoon at Harvester Park when they host the Sam Houston Rangers of Amarillo at 3 p. m.

The Reapers opened their season last week with a 19-0 victory over Horace Mann at Amarillo while the Rangers fought the Berger Poodles to a scoreless deadlock.

The starting lineup for the Reapers is expected to have Gary Griffin and E. J. McIlvain at the ends; John Watson and Ben Sturgeon at tackles; Huey Burns and Damon Runyon at guards; James Hawkins at center; Harold Lewis, Bill Culpepper, Ken Hinkle and Bill Fulewider in the backfield.

The game will be broadcast over radio station KPDM.

Bandits Smother Little Irish, 49-0

LEFORS — (Special) — The Lefors Junior High School Bandits avenged somewhat the loss the Pirates suffered at the hands of Irish of Shamrock Friday night when they trampled Shamrock's little Irish Tuesday afternoon, 49-0.

They scored at will, with Johnny Rowe, co-captain and quarterback, leading the parade with 25 points, four touchdowns and one conversion. Cotton Rice, his understudy, tallied 13 points. Jerry Herring, tallied seven points, and J. D. Redus, one point. Bob Cline on conversion.

The safety was scored when Piller, Shamrock's outstanding player, was smothered behind the goal line as he attempted to punt.

Outstanding on defense for the Bandits was Mark Harper.

The Bandits made 266 yards rushing to 37 for the visitors. Completed 2 of 4 passes for another 70 yards. Rowe's touchdowns came on runs of 25, 45, 50 and 55 yard runs, the latter a punt return. Rice had 25 and 35 yard jaunts.

Aces Square Play In Gulf Series

CORPUS CHRISTI — (AP) — Corpus Christi squared the Gulf Coast League championship series at two games each last night. Brownsville had won the first two games.

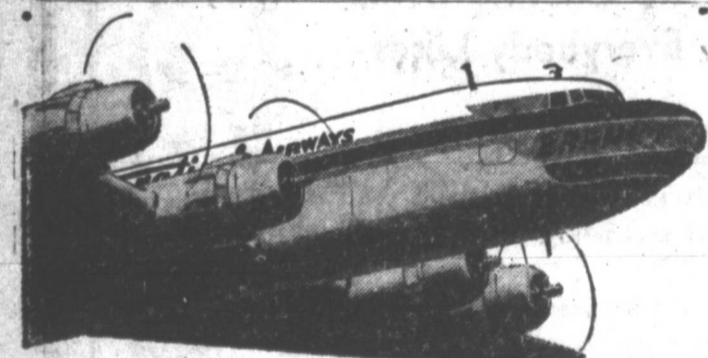

Mel Tappe, loser of the opener in Brownsville, came in as a relief hurler last night. His bat was as good as his curves. He lined a single in the ninth to drive in the run that gave the Aces a 5-4 victory.

Tappe relieved Tom Pullig and stopped the Charros after they had pounded Pullig for four runs to wipe out an early Ace lead. He took over with two men on base and two men away in the 8th.

RECORD HUNTER—Dodger fans are betting that Preacher Roe will wind up the season with a better won-lost pitching record than the National League high of .889 set by Freddie Fitzsimmons in 1941. Roe chats with Catcher Roy Campanella, left, reads the sign, winds up and follows through, right. The 33-year-old hurler is carrying a large part of Brooklyn load in drive to pennant. (NEA)

Reform Football Program To Save Sport—Brundage

CHICAGO — (AP) — Avery Brundage, uncompromising spokesman for amateurism in athletics, called today on American colleges to reform their football program to save the sport.

"Responsibility for the evils of football can be laid squarely on the doorsteps of the top level college administrative authorities, and not on the athletic departments," said Brundage. "It is their responsibility to correct the situation and prevent it from becoming a national scandal."

The reform Brundage proposes is simple: "College sports departments should be put on a par with the academic departments," he said. "We got into our present difficulty because our colleges followed the medieval notion that only the mind counts. They scorned the body. They also scorned the athletic departments."

"So college presidents and faculties paid no heed to the mad merry-go-round that football—erected—rich inducements to players, heavier demands on coaches, bigger and more expensive publicity departments, bigger and better stadiums. The colleges did pay heed, however, to the money that football produced."

"What we have now is the natural result of putting the emphasis on dollars and publicity. In fact, the athletic departments have done a highly successful job of getting both."

"Abuses overlooked or tolerated in football are spreading to other clean and healthy sports and games and poisoning our entire amateur program."

"The way to stop this is to go back to the ancient Greek ideal which puts equal emphasis on developing the body along with the mind—which makes sport fun instead of a commercial enterprise."

Brundage has been president of the U. S. Olympic Association since 1924.

Clemmons Out Of Guerilla Battle

LEFORS — (Special) — Bob Clemmons, 165-pound co-captain and all-district center of the Pirates, was released from Highland General Hospital but still confined to his home, after an attack of bronchitis. He will not see action Thursday night against the Guerillas.

Freshman Franklin Hankins will replace Clemmons in the starting lineup.

Bob Newsum, who was removed in the second quarter of Friday night's loss to Shamrock, fullback, has been outfitted with a mask as a result of six stitches taken in a bad cut over his right eye. He will play tomorrow night.

Other than the loss of Clemmons Frank Sonntag and Bob Callan, the Buc's coaches, have announced that the starting lineup will be the same as that which opened against the Irish.

Defense Questions Of SMU Mustangs

DALLAS — (AP) — SMU isn't considered a Southwest Conference championship contender this year. Coach H. N. Russell heartily agrees.

"There'll be the usual scoring punch, mostly by air, and the team should have crowd appeal if nothing else."

Everybody except the passer may be playing tackle when the Methodists unveil the season against Georgia Tech this week. That's a pun, kids, but tackles are what Russell needs urgently. He has shifted men from ends, guard, center and even from the backfield in an effort to find the type who might stand up against the opposition.

Six lettermen from last season were lost at tackle.

On offense, I. D. Russell, traffic linebacker of last season, is due to move to tackle and Lou Miller, a sophomore, may be his mate. Don't be surprised if fullbacks Bill Forester and Pay Knight show up at defensive tackle — or most anybody else.

The only man who looks anywhere near certain is Harry Dean, who was shifted from end to tackle.

The Ponies have a adequate strength at end, guard and center. It has a backfield of fast boys.

The Methodists have a back-breaking schedule, including games with Ohio State and Notre Dame, before plunging into the conference race. George Tech is supposed to have a powerhouse this year, too.

Although there are 22 lettermen, Russell says the dearth of tackles and all-around lack of experience have placed SMU where it should be in the pre-season ratings — in the conference second division.

Offensively, SMU should have as fine a group of ends as any team in the country. Top offensive wingmen are Jimmy Hawn and Benn White, with Dave Powell and Bob Hooks about as good.

SMU is due to blossom with another fine passer this season. He's Sam Stollenwerk, up from the freshman and brother of Henry Stollenwerk, a senior who figures strongly in the running plans this year. H. N. Russell, Jr., and Benton Musselwhite also can throw the ball with accuracy.

Offensively, SMU should be at least as good as last season despite the loss of Kyle Rote. Russell thinks his guards compare with anybody's. They are Herschel Forester and Ike Robb, both seniors and both with plenty of experience. He also has Hal Quinn, Ralph Hendrickson and Buford Partee, lettermen, and some promising sophomores, including Darrell Lafitte, from Fort Arthur.

Dick Hightower is called by Russell the best center in the nation.

SMU won't be using the two-platoon system, as such, this season. There are several players who will be used both on offense and defense, such as Hightower, guard Herschel Forester, I. D. Russell, Robb and H. N. Russell, Jr., a halfback.

The offensive backfield, looks like Musselwhite at quarterback, Henry Stollenwerk and Russell at halfbacks and Forester at fullback.

The defensive line is expected to have Bill Rippey and Knight at ends, Dean and sophomore Jim Landers at tackles, Herschel Forester and Robb or Partee at guards and Hightower at center. SMU should be able to score on most anybody, but probably won't be able to keep the opposition from doing the same.

Sports Shot

By HAROLD RATLAFF
Associated Press Sports Editor
DALLAS — (AP) — Some stereotyped terms are used in football. They will give you a chuckle if you sit down and analyze them.

For instance: "Whosis was outplayed but not outwitted." The score was: Siwash 81, Whosis 0. Whosis couldn't have done much fighting except to get out of the way of the other team to keep from being killed.

Any team that wins is a "well-oiled machine." It probably tried 28 passes and completed one when a halfback was handed the ball by an opponent batting it down. The other 27 passes were too high, too far and too aimless.

But some sports writers, seeing that pass for a touchdown, will write: "Whosis rode with the pinpoint passing of Johnny Jones today."

Always when your favorite team loses, it "bowed to a strong team." The opposition next week is slaughtered 38-0. But that's not brought up.

The team that upsets always plays "inspired football." The loser never is "uninspired."

One team fumbles 10 times and the other side recovers one for a touchdown. The sports writer: "An alert Whosis eleven today cashed in on Siwash's mistakes." The "alert" team didn't recover a single one of its own six fumbles.

Sports writers don't make all the innocuous and senseless statements. The coach who lost 10 out of 10 and figured it was a moral victory to make a first down will always say, at season end—with an eye on both the school board and the parents—this was the greatest bunch of boys I ever coached. They didn't win but they gave everything they had." Privately he'd like to bash in a half-dozen heads.

And something that a l w a y s has puzzled us is what the manager of a baseball club says when his team is defeated: "This is the worst umpiring we ever had."

Each year that statement is made. Where is the saturation point? Baseball started some 75 years ago. If umpiring is the worst each year it must be making a mighty slow disintegration.

question was supposed to mop up the opposition. But it had rained and mud, the great equalizer, had Chicago on the ropes. The opposing team was pushing Chicago all over the field and only time running out at the half prevented a touchdown being scored.

At the half, Stagg came to the dressing room. He said: "Is there anybody who can tell me what's wrong?" Several players volunteered. One said the field was too slippery and his cleats couldn't hold. Another said the wet ball caused too much fumbling. And so on, Stagg listened, then he spoke:

"God pity you and help you. You have failed the first time conditions were not to your liking. You quit when the going was toughest. The other team is playing in the same conditions as you, yet it is not giving up and offering alibis. God help you as you go out into life. If you face the problems that will confront you like this, you will be failures at anything you do."

Stagg walked out and slammed the door.

The second half found a new Chicago team on the field. It smashed and crashed to victory and to glory.

"Few people will remember that game," said Crisler. "I can't even tell you the score and I don't remember what happened. But I shall always remember what the old man said."

Bob Tarleton, one of the best known men in baseball, says he's going to return to the game next year. This time it may be as a club owner.

Tarleton recently wound up 50 years as player, manager or club executive. At 70 he's still one of the keenest men in the game.

Tarleton has been out of baseball this year. He quit as president of the San Antonio club in the Texas League because his wife was ill. She died recently.

Tarleton says he wouldn't want to return to baseball as a scout. "There are few players," he says. "Baseball has fallen to its lowest ebb. Many schools have discontinued the game, there are few sandlot teams. The quality of the players is poor. A scout is supposed to produce; he can't do it with baseball as it is—he can't find good players."

Tarleton observed that the Texas League race this year was the lowest in quality he could recall.

"There are too many leagues," he says. "We need to cut down the number so there will be enough good players to go around."

Yale quarterback Jim Ryan returned a kickoff 97 yards for a touchdown last season against Fordham.

Changes Made In Golfing Rules

ST. ANDREWS, Scotland — (AP) — The stymie is dead in match play golf effective Jan. 1. Elimination of the stymie is the big change of a new international code of the game adopted by the United States and Great Britain, the two big golf-playing nations.

The Royal and Ancient Golf Club approved the uniform rules, previously accepted by the United States Golf Association.

Other principal rules: Stroke and distance will be charged on all lost balls, out-of-bounds and unplayable lies. The smaller British ball—1.62 inches in diameter compared with America's 1.68—will be permitted in international matches.

Under the new stymie rule when one ball is in the path of another on the green, the closer ball must be lifted so the other will have a clear shot at the cup.

Capacity Crowd For UCLA-A&M

LOS ANGELES — (AP) — UCLA expects a crowd of 70,000 or more for Friday night's grid opener against the Texas Aggies.

The Bruins are in tip-top physical condition. Red Sanders and his staff will taper off the rest of the week, with no contact drills scheduled.

UCLA's defense has shown up splendidly, but the coaches don't know whether the attack can keep pace with the free-scoring Texas A&M outfit.

Guerillas Face Pirates Tomorrow

The Pampa Guerillas will play their second game of the season here tomorrow night by entertaining the Lefors Pirates at 8 o'clock at Harvester Park.

Both teams will be hunting their first win of the year. The Guerillas were trampled by the Wheeler Mustangs last week while the Pirates fell under the slugging of the Shamrock Irishmen.

Oden Names Advisory Committees

Farris Oden, temporary chairman of the group of business and professional men appointed by the city commission to study methods of financing a series of civic improvements, announced this morning members of the three study groups.

Under consideration by the groups are improvements for water lines, sewer and water mains and city bridges and parks. The bridge and parks group was to meet at 2 p. m. today in the city commission room with Sherman White as chairman, assisted by Lynn Boyd. Committee members are J. H. Bradley, Waldon Moore, M. K. Brown, G. K. Reading, Mrs. Finis Jordan, Mrs. F. M. Culberson, C. P. Pursley, George Newberry, J. C. Daniels, Jay Thompson, H. H. Boynton, Gene Sidwell and C. F. Ruckler.

Heading the water system group meeting at 2 p. m. Thursday in the city commission room is Frank Culberson, with Gene Green, associate chairman. Committee members are Joe K. Ivy, Duncan, M. Ward, Frank Carter, J. E. Maasa, George Scott, Royal Cantrell, Rex Rose, John Nutting, W. B. Weathered, Ross Buzzard, Roy Taylor, H. H. Heiskell, Vernon Hobbs, Mitchell Hill and Oscar Johnson.

D. V. Burton heads the sewer system group to meet Friday at 2 p. m. in the city commission room. He is assisted by E. J. Dunigan. Committee members are Carl T. Harris, Wayland Merriman, A. A. Schuneman, Dr. W. Furviance, Raeburn Thompson, J. W. Garman, G. S. Vineyard, Gene Fathere, F. A. Cary, Ham Luna, Irvin Cole, T. V. Parker, Reno Stinson, Clinton Evans, and R. F. McCalip.

The groups will meet Monday with the whole committee to make recommendations. The recommendations, upon acceptance by the committee, will be made to the city commission Tuesday.

PAMPA

(Continued from Page One) heard her mother scream and call for her. When she saw them, the daughter said, Wheeler was on top of Mrs. Sharp, apparently choking her. The girl added she went to the house and got the rifle. From there, officers said, her story was vague as to how the gun changed hands between herself, her mother and for a short time that Wheeler was believed to have it. She said she tried to pull Wheeler away from her mother but couldn't and then hit him over the head with the butt end of the gun. This gave her mother a chance to get up, the teenager told her interrogators, adding that Mrs. Sharp fired twice before she got the gun and fired several shots, the last one hitting Wheeler in the shoulder. She said she saw him hunch and fall to the ground without staggering.

Mrs. Sharp, however, said she never fired the gun, adding she never saw Wheeler. She said she finally got the gun from her and put it in a nearby rosebush.

Apparently there were no eye witnesses to the shooting, officers said, but added they were continuing to ask neighbors "what happened down there." One man, who asked that his name be withheld from publication, said he heard the shots and talked to Wheeler asking him if he should call a doctor. He quoted the dying man as telling him to call an ambulance instead. By the time the man got back to Wheeler after calling the ambulance he was dead and police were just arriving.

Officers also quoted the daughter as saying, "I want to tell the whole truth of what happened as best I can."

Chief of Police John Wilkinson said he found the shells of two fired bullets near the alley and Tuke; found a group of three shells halfway between the intersection and Wheeler's body, and two more about seven feet from the dead man's feet.

Dist. Atty. Tom Braly this morning told Sheriff R. H. Jordan that he wanted Wheeler's body examined by a doctor to find the cause of death.

Virtually an open verdict was temporarily handed down late last night by Justice of the Peace John V. Andrews who said, "Wheeler died by gunshot."

No charges have been filed in the case by deadline today. However, officers indicated they would query both Mrs. Sharp and the girl further this afternoon and tonight.

Funeral arrangements are pending for Wheeler at Duenkel-Carmichael funeral home.

Survivors include one son, Johnnie Lee Wheeler, in the Navy in San Diego, Calif.; his mother, Mrs. S. H. Morris, Augusta, Ark., two brothers, E. O. Wheeler, Amarillo, and Albert, Augusta, Ark.

Cub Scouts Will Give Program

Cub Scouts will present the program for next month's district Roundtable meeting, it was planned at the Roundtable meeting last night.

Cub Pack 14 will display puppets and give instruction to Scout leaders on how to construct puppets. Pack 15 will give a Bobcat induction ceremony and committee-planning procedure on the puppet theme.

Troop 83 of Pantex Village will display compass and measuring instruction and Troop 86 of Pampa will present a Tenderfoot investiture. An apprentice induction ceremony and personal first aid will be demonstrated by Post 80. Planning an emergency service weekend by Post 22 will be presented.

It was reported at the meeting that surveys will be completed by next week for finding prospective members.

Assignments were made for each unit to plan open houses to be held during the Roundtable.

EX-CONVICT

Another man, Claude Logan, Gardner, is being held in Perryton for Gray county officers in the Miami burglary. Nichols went to Perryton today to bring Gardner back to Pampa.

Jordan said those were the only details he had available at present on the Miami job.

Assignments were made for each unit to plan open houses to be held during the Roundtable.

Escaped Convicts Face New Charges

WETUMPKA, Ala. — (AP) With all except four of the 19 convicts who escaped from Draper prison recaptured, Elmore county officials prepared today to press new charges against them.

Warden E. F. Reeves previously requested that Elmore grand jury now in session "throw the book" at the escapees.

He said the charges should include escape, robbery, and assault with intent to murder. In addition some of the convicts may face trial on offenses committed in other counties during their brief freedom. The men escaped Friday night.

Two escapees, notorious Leo Self and Price F. Jones who were picked up at Selma yesterday, admitted committing two Air Force sergeants, highway Patrolman L. H. Hudson said.

TRAFFIC

(Continued from Page One) took no definite steps in setting up or revising present traffic ordinances, the commission did instruct City Manager Dick Pepin to obtain the services of a traffic engineer to conduct a survey and make recommendations to the commission.

Pepin said he could obtain a traffic engineer at no cost to the city except paying his expenses while here for room and meals. He mentioned Lubbock's traffic engineer (whose name he did not remember) as being available to Pampa at "expense cost only" any time he is needed.

Prior to the short traffic discussion the commission called for bids on five four-door sedans and three 1-2-ton pick-up trucks. Bids are to be returnable on Oct. 8.

Three of the cars will go to the police department, one to the engineering department and one to the tax department. Trade-ins will be available by the city on each of the vehicles.

Bids will also be asked for winter uniforms for policemen. Since this amount does not exceed \$2000 - it will actually amount to about \$300 - and policemen have to pay for half of their outfits, the full formality of asking for bids does not have to be followed.

During the meeting it was disclosed the Negro section of town - The Flats - is also suffering from growing pains. There is no additional property to buy for Negroes moving to Pampa. A 20-acre plot adjacent to the south boundary of The Flats, owned by Duncan, is being eyed by the Negro population. However, problems of sewer lines come up there. An outfall line in that section is needed to take care of the increased flow that would result from additional houses there. If an outfall line can be built along Crawford the problem would be eased substantially, Pepin told the commission.

According to the city map the only direction remaining for The Flats to expand is in a southerly direction from the city limits.

Negotiations for subdividing the area into lots and streets have been instituted by civic leaders in the Flats. However, Duncan said he would have to "do some figuring" on the matter before making a decision to subdivide it and sell it to incoming Negro population.

Tuberculosis claims about one-eighth of all deaths the world over.

2 PC. MAPLE SOFA BED SUITE IN PLAID

69.88

ON TERMS \$11 DOWN

An attractive addition to your home in this three-piece sofa bed suite. Glowing maple or maple-finished birch on all exposed wood parts. Upholstered in plaid tapestry in a variety of fine colors. The sofa bed has 70 coils

on a crimp wire base with pounds of cotton felt and a "Tulalex" pad to insulate against spring feel. Large bedding storage compartment has ply-wood bottom. Platform rocker has hardwood frame.

6 PIECE SOFA BED OUTFIT — NOW SALE PRICED

99.88

ON TERMS \$15 DOWN

Think of it — here's your whole room outfit at a price you wouldn't believe possible in these days of rising costs. Yet you get a sofa bed, two comfortable chairs, two bleached oak end tables and a cocktail table. Best of all, these pieces were designed to "go together" to give your room a casual, coordinated air. The table and chairs are of bleached oak, and the smooth light finish seems of the warm gay colors of the long-wearing tapestry upholstery. This outfit is especially useful if you're cramped for extra sleeping space — the sofa opens easily into a 45 x 72 inch bed for two. Furnish your whole room at one low price.

Resilient coil spring construction for refreshing sleep. Large bedding space.

REG. 7.20 DURASTAN — ATTRACTIVE CARPETING AT A MODERATE PRICE

Sale 6.50

Durastan is the answer to many a "young married" budget because the attractive patterns are far more expensive-looking than the price. Brilliant florals—soft-toned flower patterns—interesting modern foliage designs that lend a spacious look to small rooms—and quietly smart damasks

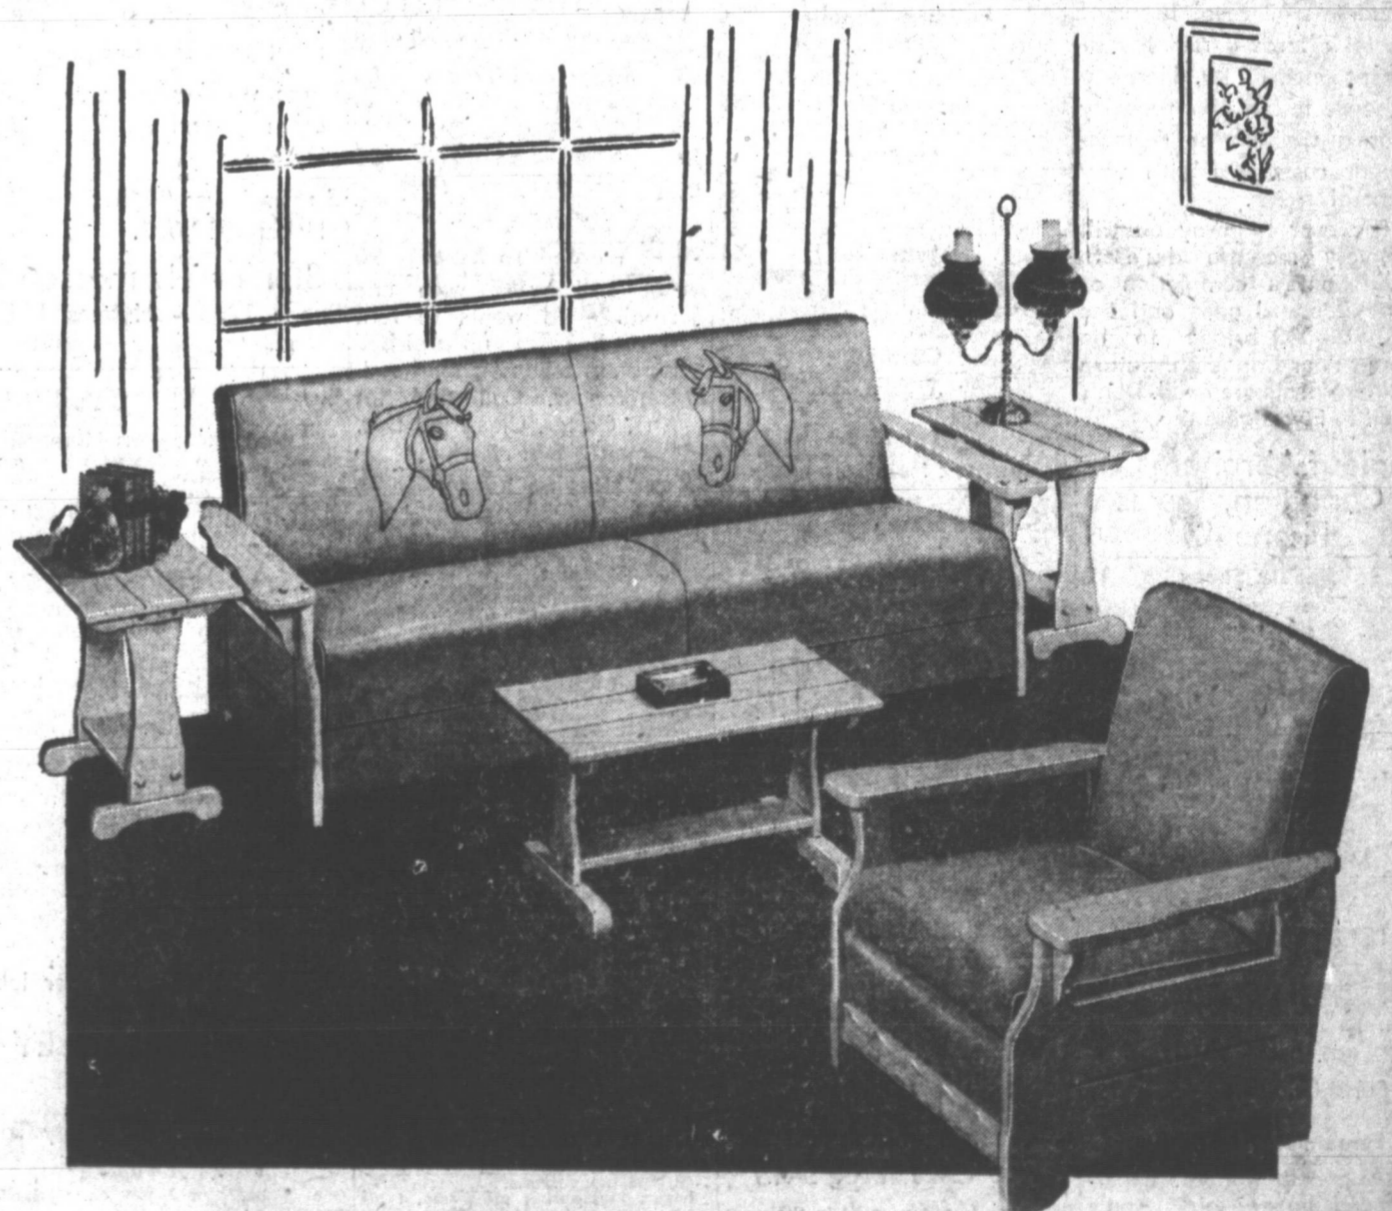

that look so well with traditional furniture. Durastan colors are decorator-approved and fade-resistant just as they are in our finest broadlooms. Soft clear beiges, smart grays, rose and ever-popular green. Seamless 9 and 12-foot widths cut to any rug size. Here are typical prices:

5 PC. RANCH STYLE SOFA GROUP

209.95

On terms, \$31 down

A ruggedly styled addition to your cottage or rumpus-room—and so practical, too. Upholstered in easy-to-clean Dupont "Fabric-ite." Massive 1002-coil sofa becomes a comfortable 45-in. innerspring bed for two at night. Group includes sofa bed, two end

tables, cocktail table and Lounge Chair. Each one is ruggedly constructed of kiln dried hardwood, finished in driftwood—a bleached oak finish. 45 x 78 in. bed. Spacious bedding storage space.
